Greetings,

I wanted to follow up on the status of two FOIA requests I submitted on June 17 to the ICE FOIA office. The submissions were made via email from this address with a WORD document attached, with the document signed by me (Jake Laperruque). We would like a status update on both FOIAs, and because we have received no notification or response since their submission over 20 business days ago we should not be assessed fees pursuant to 5 USC § 552(a)(4)(A)(viii).

Thank you,
Jake
