| door, and stated open the "GD" door and nobody keeps me out. The double door entrance of the chamber had |
| glass windows in each door and would have allowed for easy visibility into the same. The defendant pushed the |
| chamber door into and struck the HOD Doorman, Logan Casterline, as he entered the chamber. After the incident |
| Mr. Casterline complained of pain and sought medical attention, on site and at a local hospital. Delegate Sharon |
| Malcolm was interviewed after the incident and stated that while she was in the chamber, as the session was |
| starting, the defendant stepped around her and advised her to get the "F" out of his way. She stated he then took |
| his elbow and pushed her out of his way. She stated that she was out of his way and that he had to come up |
| behind her in order to hit her with his elbow. She stated that he was already around her and had to turn to strike |
| her. Delegate Malcolm stated that she wasn't initially hurt, but she was sore, and later advised the Capitol Police |
| that she had sought medical attention for pain that she had been experiencing on the right side of her chest and |
| shoulder, which is the area the defendant struck her. Delegate Malcolm has further advised, that she has |
| continued to experience pain, and is still under physician's care for this injury. Based on information obtained |
| from witness statements, the complainant believes that a battery occurred on Sharon Malcolm and Logan |
| Casterline |
