Subject: RE: Freedom of Information Act Request #NFP-106156, DOJ-AP-2019-004303, 1443865-000, 1443868-000 Mail

OIP,

Please open an administrative appeal for the processing of this request. These documents are well know to be connected to a number of arrests, as announced by the FBI, and yet the FOIA office maintains there are no responsive records. This is contradicted by their own press releases, sworn affidavits and other supporting documentation. I am appealing the adequacy of a search by the FBI in this manner.

Respectfully,  
Freddy Martinez
