Good afternoon Mr. Caramanica,

We had spoken last week and confirmed how you wanted this FOIA request to proceed. I then was informed that we had not received documentation which established you as authorized to have proceeded with these discussions. This was mentioned to you when you contacted the Public Information Office. I left a message last week, after your receptionist said you had just left for lunch. I do need this documentation in order to proceed

with the request as we discussed on the 21st.

You can respond to this email with the document as an attachment, or fax it to 540-868-4997.

Thank you and do let me know if there is any problem with providing this.

Respectfully,
