**Re: Freedom of Information Act Records Request**

Dear FOIA Officer:

Pursuant to the Freedom of Information Act (the "FOIA"), 5 U.S.C. §§ 552 *et seq.*, and the Department of Health and Human Services (HHS) FOIA regulations at 45 C.F.R., Subchapter A, Part 5, Democracy Forward Foundation (DFF) makes the following request for records:

**Records Requested and Scope of Search**

In an effort to better understand, and explain to the public HHS's recent announcement that it would not enforce certain regulatory provisions in The Uniform Administrative Requirements, Cost Principles, and Audit Requirements for HHS Awards ("HHS Grants Regulation")<sup>1</sup>, Democracy Forward Foundation requests that HHS produce the following within twenty (20) business days:

1. All communications referencing the HHS Grants Regulation, the proposed revisions to the Regulation, nondiscrimination requirements imposed on HHS grant recipients, and any conscience- or religion-based objections to those nondiscrimination requirements with any individuals representing the Alliance Defending Freedom, the Becket Fund for Religious Liberty, The Heritage Foundation, The Heritage Foundation's Richard and Helen DeVos Center for Religion & Civil Society, Family Research Council, or the U.S. Conference of Catholic Bishops.
2. All records referencing the Regulatory Flexibility Analysis (or "RFA") in the HHS Grants Regulation.

---

<sup>1</sup> HHS, Press Release, HHS Issues Proposed Rule to Align Grants Regulation with New Legislation, Nondiscrimination Laws, and Supreme Court Decisions (Nov. 1, 2019), <https://www.hhs.gov/about/news/2019/11/01/hhs-issues-proposed-rule-to-align-grants-regulation.html>.

3. All records referencing requests for waivers from compliance with the HHS Grants Regulation, as codified at 45 C.F.R. § 75.300.
4. All records revealing any enforcement actions taken with regard to the HHS Grants Regulation.

The date range for query is from January 20, 2017 to the date the search is completed. Please search the following offices, and any others reasonably likely to have responsive records: the Office of the Secretary, the General Counsel's Office, the Office for Civil Rights - including but not limited to the Conscience and Religious Freedom Division, and the HHS Center for Faith-based and Neighborhood Partnerships.

### **Scope of Search**

Please search for records regardless of format, including paper records, electronic records, audiotapes, videotapes, photographs, data, and graphical materials. This request includes, without limitation, all correspondence, letters, emails, attachments text messages, instant messages, slack messages, calendar entries, facsimiles, telephone messages, voice mail messages, and transcripts, notes, minutes, or audio or video recordings of any meetings, telephone conversations, or discussions.

FOIA requires agencies to disclose information, with only limited exceptions for information that would harm an interest protected by a specific exemption or where disclosure is prohibited by law. 5 U.S.C. § 552(a)(8)(A). In the event that any of the requested documents cannot be disclosed in their entirety, we request that you release any material that can be reasonably segregated. *See id.* § 552(b). Should any documents or portions of documents be withheld, we further request that you state with specificity the description of the document to be withheld and the legal and factual grounds for withholding any documents or portions thereof in an index as required by *Vaughn v. Rosen*, 484 F.2d 820 (D.C. Cir. 1973). Should any document include both disclosable and non-disclosable material that cannot reasonably be segregated, we request that you describe what proportion of the information in a document is non-disclosable and how that information is dispersed throughout the document. *Mead Data Cent., Inc. v. U.S. Dep't of Air Force*, 566 F.2d 242, 261 (D.C. Cir. 1977).

If requested records are located in, or originated in, another agency, department, office, installation or bureau, please refer this request or any relevant portion of this request to the appropriate entity.

To the extent that the records are readily reproducible in an electronic format, we would prefer to receive the records in that format. However, if certain records are not available in that format, we are willing to accept the best available copy of each such record.

Please respond to this request in writing within 20 working days as required under 5 U.S.C. § 552(a)(6)(A)(i). If all of the requested documents are not available within that time period, we request that you provide us with all requested documents or portions of documents that are

available within that time period. If all relevant records are not produced within that time period, we are entitled to a waiver of fees for searching and duplicating records under 5 U.S.C. § 552(a)(4)(A)(viii)(I).

### **Fee Waiver Request**

Pursuant to 5 U.S.C. § 552(a)(4)(A)(iii) and 45 C.F.R. § 5.54, Democracy Forward Foundation requests a waiver of all fees associated with processing records for this request. FOIA requires documents to be furnished to requesters at no fee or reduced fees when “if disclosure of the information is in the public interest because it is likely to contribute significantly to public understanding of the operations or activities of the government and is not primarily in the commercial interest of the requester.” 5 U.S.C. § 552(a)(4)(A).

*The disclosure of records sought by this Request is likely to contribute significantly to the public understanding of the operations or activities of the government.*

As described above, HHS’s decision not to enforce the non-discrimination provisions of the HHS Grants Regulation is an issue of significant and ongoing public attention, and the records requested will contribute to the public’s understanding of the operation and activities of the government. In particular, the records could inform the public as to the reason for the non-enforcement decision and who was involved in making it.

*Democracy Forward Foundation is able to, and regularly does, disseminate Records obtained through FOIA requests to a broad audience of persons interested in the subject matter.*

In determining whether a fee waiver is appropriate, courts consider whether a requester has a “demonstrated . . . ability to disseminate the requested information,” *Cause of Action v. F.T.C.*, 799 F.3d 1108, 1116-17 (D.C. Cir. 2015), and whether the requester regularly disseminates records obtained through FOIA to “a reasonably broad audience of persons interested in the subject” of its work. *Carney v. U.S. Dep’t of Justice*, 19 F.3d 807, 814-15 (2d Cir. 1994). FOIA does not require a requester to describe exactly how it intends to disseminate the information requested, as that would require “pointless specificity”; all that is necessary is for a requester to adequately demonstrate its “ability to publicize disclosed information.” *Judicial Watch, Inc. v. Rossotti*, 326 F.3d 1309, 1314 (D.C. Cir. 2003). In evaluating a fee waiver request, courts consider how a requester actually communicates information collected through FOIA to the public, including press releases or a website where documents received are made available, see *id.*, or whether the requester has a history of “contacts with any major news[] companies” that suggest an ability to disseminate materials of interest through the press. *Larson v. C.I.A.*, 843 F.2d 1481, 1483 (D.C. Cir. 1988) (upholding a denial of a fee waiver to a requester who had failed to identify his relationships with newspaper companies that could disseminate documents).

DFF has a demonstrated ability to disseminate information of public interest requested through FOIA, and intends to publicize records DFF receives that contribute significantly to the public’s understanding of HHS’s decision not to enforce the non-discrimination provisions of the HHS Grants Regulation

DFF operates a dedicated communications staff with deep relations with a wide variety of national publications. When DFF obtains materials through FOIA requests that are of significant public interest, DFF's communications staff regularly works to ensure that these materials and their contents are featured in press articles educating the public about the operation of government; many articles feature additional commentary and analysis from DFF staff about those materials and their relevance to policy issues of public interest.<sup>2</sup>

Additionally, DFF regularly sends press releases and other materials to over 6,000 members of the press and the over 7,000 members on our organization's email list, discussing ongoing legal developments related to executive branch policymaking. These materials often include descriptions and analysis of information obtained by DFF through its FOIA requests.<sup>3</sup> In

addition, DFF operates a verified Twitter account with over 6,000 followers, and frequently uses the account to circulate significant documents received through FOIA requests.<sup>4</sup>

DFF's website also houses a great deal of information obtained through its FOIA requests, accessible to the public at no cost. DFF's website logged over 187,000 pageviews in 2018 alone.

Finally, DFF frequently incorporates documents received through FOIA into related legal actions brought by DFF on behalf of its clients, and in doing so further publicizes documents received by explaining their legal significance.<sup>5</sup>

*Democracy Forward Foundation is a purely noncommercial requester.*

Democracy Forward Foundation is not filing this Request to further its commercial interest, and any information disclosed by DFF as a result of this FOIA request will be disclosed at no cost. A fee waiver would fulfill Congress's legislative intent in amending FOIA. *See Judicial Watch,*

*Democracy Forward is a representative of the news media*

A representative of the news media is one that “publishes or otherwise disseminates information to the public,” and in particular one that “gathers information from a variety of sources; exercises a significant degree of editorial discretion in deciding what documents to use and how to organize them; devises indices and finding aids; and distributes the resulting work to the public.” *Nat’l Sec. Archive v. US Dep’t of Defense*, 880 F.2d 1381, 1387 (D.C. Cir. 1989).

Representatives of the news media qualify for a waiver of all fees except “reasonable standard charges for document duplication” as a representative of the news media pursuant to 5 U.S.C. § 552(a)(4)(A)(ii)(II).

As documented above, DFF extensively disseminates information gathered through FOIA requests to the public, via sharing that information with other news outlets, publishing and sending press releases and other updates to our website and email list, and alerting our followers on social media to new developments in our work, including highlights from documents obtained through FOIA. This process entails a great degree of editorial discretion in deciding which documents to highlight and how to organize them for the public, as our team of lawyers and policy experts carefully examine and build a thorough understanding of the documents we receive from FOIA and their relationship to policies of interest to the public.

Beyond disseminating information to reporters for them to publish, and sharing press releases and updates, Democracy Forward has also sought to disseminate information directly to the public through reports and opinion pieces written by our staff.<sup>6</sup>

For all the foregoing reasons, Democracy Forward Foundation qualifies for a fee waiver.
