

Thank you again for the invitation. Dr. Redfield looks forward to the meeting.

Sincerely,

Sandra Cashman, MS
Executive Secretary
Office of the Chief of Staff,
Centers for Disease Control and Prevention

GLOBAL WATER 2020

Dr. Robert R. Redfield
Director
Centers for Disease Control and Prevention
1600 Clifton Road
Atlanta, GA 30329

Dear Dr. Redfield,

I hope you are well. I'm writing on behalf of Global Water 2020 (www.globalwater2020.org) to request a meeting with you in Atlanta on the issue of the lack of access to safe water, sanitation and hygiene (WASH) in healthcare facilities (HCF) in developing countries.

Global Water 2020 is a time-limited, fully-funded (i.e., we're NOT looking for money for ourselves) initiative based in Washington D.C. We work with public and private sectors, in a bipartisan fashion, to focus attention on several issues related to WASH and health.

I imagine you've seen a recent [study](#) from WHO, UNICEF, and others revealing how few hospitals and clinics in Africa, Asia and Latin America have access to the underlying foundation of public health--safe water, functioning latrines and soap for handwashing.

UN Secretary General Guterres, appalled by the data, issued a [Call to Action](#) on WASH in Healthcare Facilities (HCF) last March. WHO and UNICEF are issuing a Response to the Call with metrics to chart progress. On Wednesday, the World Health Organization Executive Board approved a [Resolution](#) on WASH in HCF (the U.S. just became the 10th co-sponsor), which will proceed to the World Health Assembly in May for approval from Member States. Health ministries are starting to commit new resources to address an issue that is solvable.

As you know, religious institutions operate a third or a half of the healthcare facilities in many developing countries, and the major faith-based organizations have also begun to respond to the WASH shortfall in their own facilities. (I was invited by the Vatican's Dicastery for Integral Human Development to speak on the issue at a water conference in Rome last November.)

Needless to say, a number of CDC personnel are alert to the problem, cognizant of WASH's fundamental role in being able to respond to pandemic diseases like Ebola or outbreaks of cholera, not to mention efforts to address infection prevention control, antimicrobial resistance, and maternal and newborn health. Healthcare providers and staff are on the frontlines of this crisis. As Dr. Maria Neira of WHO remarked pointedly, "A healthcare facility without WASH is not a healthcare facility."

CDC is supporting some WASH in HCF activities in several African countries by offering baseline evaluation, technical guidance, staff training, and monitoring. In the recent government-wide [US Global Water Strategy](#), released pursuant to the Water for the World Act of 2014, CDC's potential support of the Strategy included activities to "assess and support WASH improvements in health care facilities" (pg. 55).

Congress has weighed in as well in support of CDC's role in this area, with report language in [2019 Labor HHS Appropriations](#): "The Committee encourages CDC to work with other federal partners to initiate an effort to assess and support water, sanitation and hygiene improvements in healthcare facilities, aligned with the 2017 US Global Water Strategy" (pg. 82).

We realize that you're dealing with many concerns, but given the pivotal role this issue plays in global health security and in limiting pandemics that could threaten the US, we'd be grateful to have a brief discussion with you. There appear to be several ways that CDC might strengthen its existing work on behalf of WASH in healthcare facilities that would dovetail with increased efforts by other federal agencies.

Thank you for your work.

Good afternoon David,

This is excellent news.

I will update Dr. Redfield's schedule confirming the meeting March 28th from 11-11:45 a.m.

A member our Advance Team will contact you to discuss logistics and security clearance.

Please feel free to contact me should you have any questions.

Kind Regards,
Teresa

Teresa,

Thank you for your very welcome note this morning, and we will look forward to being there on Thursday, March 28th. (I had not seen Sandra Cashman's kind note this past Tuesday as it for some reason went into a spam file on my end, so apologies for not writing you directly.)

With regard to March 28th: joining me will be Hank Habicht, Lindsay Denny and Bud Rock of Global Water 2020 and Dr. Joanne McGriff of Emory University.

I hope all is well with you.

David

Subject: RE: Global Water 2020 Meeting Request Invitation

Hi Hugh

Hope the trip to Seattle went well! Sorry for the delay in getting back to you on the Global Water 2020 meeting participants from EZID. See our list below. I realize this is more people than you're expecting, we can pair it down, but given Global Water 2020 wants to talk about WASH in health care settings, we would really ask to have 1 SME each from DFWED and DHQP to participate in addition to OD leadership. Thanks –Malia

Michael Beach and Eric Mentz – DFWED
Michael Bell and Ben Park – DHQP
Rima Khabbaz – OD (not Rima may delegate to Chris)

Thanks Theresa, looping in CGH and EZID.

Susan and Shelby (per Malia's out of office),

I wanted to make you aware of this upcoming meeting with Global Water 2020, scheduled for march 28th. The invitation came though ExecSec and Dr. Redfield has accepted. Meeting request attached.

Do you have existing partnerships with this group and could you identify a representative to join the meeting?

Many thanks,

Hugh

Call info will come formally from them later on today, but this is what normally goes to the SHO. They are encouraging people to use the video technology so may be a good idea to try it ahead of time.

I am assuming we at CSTLTS will not prepare any remarks but I want To suggest that the Director welcomes the new cadre of health officers already in their positions and let them know that he will be back for another call , maybe in March, after the presidents budget is released to discuss all his priorities.

Per our discussion from today, can you assist with setting up routine secure calls with the R3 and the US AMB to Afghanistan. During our biweekly check in with Rebecca and John V, they requested we set up a routine call to discuss polio issues in the SCIF. Can you check with Ashley and Hugh to see if this is feasible for F3? We could start out doing on a monthly basis or every other month. For scheduling purposes, here is the contact info for AMB Bass' scheduler. Will the CDC/OD arrange?

Good morning Emily,

Dr. Redfield will be traveling and on a plane at that time.

Could we confirm Monday, March 11th from 9:30-10:15 a.m.?

Also, we are scheduling the secured video teleconference from the SCIF in our CDC Atlanta Office.

Please let me know if you have any questions.

Thanks again for all your help.

Good morning Emily,

We have a weekly Senior Leadership meeting that's scheduled from 9:30-10:30 a.m.

Are there other times that may work?

Also, these secured video teleconferences should be scheduled quarterly instead of monthly.

Thanks,
Teresa

Hi Teresa,
Sorry I missed this last week I've been on TDY and overlooked it. I will be on TDY in Seattle on 4 March.

Since this briefing is scheduled to occur in the SCIF I would not be able to join it from Seattle. There are a lot of complicated issues with Afghanistan, and given that it is the first one I should probably be there if at all possible.

I will be back in the office on Wednesday 6 March.
I'm not sure if this is a typically available slot on Dr. Redfield or Rebecca's calendar, but is it possible to try the same day/time the next week (on March 10)?

Thanks,
John

Hello Flo,

I hope you are having an awesome day. ☺

Please note the email below.

Please let me know if Mitch is available to attend the Support Act Kick-off meeting in-person in DC on Jan. 9th from 3-4 p.m.

Dr. Redfield and Dr. Houry will participate by phone.

Thanks,
Teresa

Good afternoon Ms. McDonald,

I am contacting you to schedule a 30 minute introductory/courtesy call between Dr. O'Neal and Dr. Redfield regarding HIV.

Would it be possible to confirm a call on one of the dates/times listed below?

February 28th 4:00-4:30 p.m.
March 4th 11:30 a.m. – 12:00 p.m.

Thank you for your consideration.

Kind Regards,

Teresa Williams

Subject: Setting up a call with Dr. Redfield and the GA SHO

Hi Teresa,

I have an update regarding the intro/courtesy calls that Kyle asked us to set up with Dr. Redfield and the GA SHO and local districts re: HIV.

I've been talking with CSTLTS and they advised that our first call should be with the GA SHO, Dr. O'Neal, and then we need to work with him to schedule the subsequent county calls (with DeKalb, Gwinnett and Cobb.) Dr. O'Neal is currently the acting director for Fulton County, so they will probably cover topics related to both the state and also Fulton county on their intro call.

They suggested emailing his assistant, Jaszmin McDonald, to get on his calendar jaszmin.mcdonald@dph.ga.gov.

Let me know if you want me to pop over and talk any of this through! Thanks!

Heather

Subject: RE: advice on local GA HIV calls

Thanks – it's truly a group effort within CSTLTS.

Oops. I forgot the obvious! Here's the contact info:

**Georgia Department of Public Health
SHO**

J. Patrick O'Neal, MD
Director of Health Protection
Two Peachtree Street NW
Suite 15-495
Atlanta, GA 30303-3142
Phone: (404) 657-2703
Email: Pat.ONeal@dph.ga.gov
Date of Appointment: 7/7/2017

**Georgia Department of Public Health
SHO Assistant**

Angelica McGrier
Two Peachtree Street NW
Suite 15-495
Atlanta, GA 30303-3142
Phone: (404) 657-2703
Email: angelica.mcgrier@dph.ga.gov

We'd also like to suggest that Dr. Redfield meet CDC's Public Health Associates working on HIV issues in the jurisdictions he visits. This will add a nice sense of a public health workforce pipeline for HIV on-the-job training support from CDC. We will get back to you with info on whether there are any working on HIV in GA.

Subject: RE: advice on local GA HIV calls

Hi Georgia,

Thank you so much for this! We really appreciate you and Dr. Montero helping us make this connection.

We'll have our scheduling team reach out to Dr. O'Neal to set up an introductory meeting, and we'll work with him to set up meetings with the counties. Do you have the best contact we should use?

I'll reach back out to Sara Z. and let her know this is how we're proceeding.

Let me know if you have any questions for me. Thanks again so much for your help!

Subject: RE: advice on local GA HIV calls

Hi Heather,

Dr. Montero made the introductory call to Dr. O'Neal, the GA SHO, yesterday. Montero let him know that Dr. Redfield would like to discuss the HIV initiative with him and then engage the locals. He found out that Dr. O'Neal is also serving as the acting director of the Fulton County health department since the previous director retired on Dec 31. Dr. Montero's advice is to go with and through the State health department as we approach the counties. Dr. O'Neal will be more than happy to help us set that up.

Subject: RE: advice on local GA HIV calls

Hi Kelly,

Thanks so much to you, Georgia and Dr. Montero for making this happen. Let me know if this works in terms of talking points:

- Dr. Redfield would like to set up a quick phone call to discuss President's HIV initiative and connect with GA public health leaders who will be integral to implementation efforts.
- He would like to first speak with the GA SHO and then with the local health directors in the four districts that have been identified as part of the initiative, to discuss collaboration on this initiative.
- Dr. Redfield recognizes that a critical first step to this initiative will be to listen to those in the public health communities most affected.
- He greatly values the expertise of these public health leaders and wants to collaborate with them as we move forward with this initiative.

I'm happy to help if you need anything else!

Heather

Subject: RE: advice on local GA HIV calls

Hi Heather,

Georgia has spoken to Dr. Montero and he has reached out to the GA SHO, J. Patrick O'Neal. After he speaks to him, he will let us know how to proceed from there.

Also, can you provide a few talking points for these first calls? We think it would be helpful for Dr. Montero to know what to tell them about CDC OD reaching out to them.

Thank you,
Kelly

Hi Kelly,
I hope you had a nice long weekend!

I just wanted to add to my last request (re: contact info for GA HIV partners) and say that NCHHSTP didn't have the names for the correct individuals for Gwinnett and Cobb. But from a little googling I believe we want Lloyd Hofer and Janet Memark (directors of the Local Health Departments).

Thanks so much for any advice you have about how to proceed in setting these up!

Heather

Subject: advice on local GA HIV calls

Hi Kelly,

I need some help with contact info/advice re: some quick, introductory courtesy calls that Dr. Redfield wants to do with local GA HIV partners. We developed this plan with NCHHSTP and Kyle has given it a green light. We're thinking:

- 1.) GA SHO: J. Patrick O'Neal. Do you have advice on the best way to get in contact with him?
- 2.) Fulton County District Health Commissioner Kathleen Toomey—do you have advice on the best way to contact?
 - a. Also in Fulton County, Kyle saw [this AJC article](#) and asked that we set up a call with Melanie Thompson, , interim chair of the Fulton County HIV/AIDS Prevention, Care and Policy Advisory Committee. We have her personal business card from a previous interaction, so don't need help on the contact info, but wanted to know if you have any advice about whether it would make more sense to try do the two Fulton county people as separate calls, or the same call.
- 3.) DeKalb County: Sandra Elizabeth Ford, District Health Director. --- do you have advice on the best way to contact? (also just a note, that Dr. Ford was on a recent call Dr. Redfield had with the NACCHO executive board, so they have already spoken in a group setting).
- 4.) Finally, I'm working with NCHHSTP to confirm the appropriate counterparts in Gwinnett and Cobb county, but once I've got that info, I'll probably be knocking again for any advice about how to proceed on scheduling those calls.

Let me know if any of this is unclear or it's easier to talk this through together! Thanks so much for your help.

Subject: RE: February's Monthly Polio Update Meeting

Hi John,

I spoke with Dr. Redfield and Teresa and it seems like getting the group together before your TDY will be a challenge. Therefore, what we would like to do is a written only update and a phone call. The phone call would be for you and him to discuss opportunities in Afghanistan. Hopefully this opens up some windows later in the week that will work for you. Teresa, we can look to schedule via bridge line on DC days or during transit.

John, the rollout of the HIV initiative has seriously constructed his availability and we appreciate your flexibility.

Many thanks,

Hugh

Subject: February's Monthly Polio Update Meeting

Good morning John,

The next Monthly Polio Update meeting with the Director is scheduled Feb. 22nd from 1:00-1:45 p.m.

I was informed you will be on travel starting Feb. 15th for 12 days and would like to have a meeting before March.

Currently the only tentative possibilities that Dr. Redfield may be available are as follows:

Feb. 11th 2-3 p.m.
 4:30-5:30 p.m.

Feb. 12th 4-5 p.m.

Please let me know all the times that would be possible for rescheduling.

Thanks,
Teresa

Subject: Save the Date: Atlanta-area Anchor & Caduceus Dinner (Feb 9, 2019)

Hi IMAC,

I'm following up on this save-the-date (attached and email below) that was sent to Dr. Redfield. I'm also sending it to the DIM box just in case it wasn't routed to you all. On Friday, **Dr. Giroir confirmed that he would be the keynote speaker for the event. He asked if Dr. Redfield is attending.** Please let me know if Scott and his team need further details. I do suggest that if Dr. Redfield can not attend perhaps Kyle and attend. Formal invitations were not sent yet; however Dr. Schuchat responded to the save-the-date as attending; she regularly attends this event. I serve as the President for the Atlanta Commissioned Officers Association and can serve as the POC for any questions.

Thank you,

Katrina

Dear Dr. Redfield,

On behalf of the 2018-2019 Atlanta Commissioned Officers Association Executive Committee, we would like to ask that you save the date for our **11th Annual Anchor and Caduceus Dinner**. The event will be held on **Saturday, February 9, 2019**, at the Druid Hills Golf Club. Please see the attached save-the-date pdf for details about this wonderful event! A calendar invitation is attached for your convenience and *does not* constitute a formal reply should you choose to use it.

Questions—and ultimately RSVPs—can be directed to LCDR Virginia (Ginny) Bowen (ybowen@cdc.gov) who is sending this email on our behalf.

A formal invitation will follow in the coming weeks.

We look forward to having you join us—
Lieutenant Commander Katrina Sloan
ACOA President
Commander Sapna Bamrah Morris
ACOA Executive Committee, Events Co-Chair

Good afternoon Scott,

You may receive this message twice, my first message I sent hours ago is stuck in my outbox. Sandra Cashman provided you with some background on the Atlanta Commissioned Officers Association's dinner on February 9, 2019. I'm following up with a formal invite below and attached.

Thank you,

Katrina

Dear Dr. Redfield,

On behalf of the 2018-2019 Atlanta Commissioned Officers Association (ACOA) Executive Committee, we would like to formally invite you to attend the **11th Annual Anchor and Caduceus Dinner**. The event will be held on **Saturday, February 9, 2019**, at the Druid Hills Golf Club. We are very excited to share with you that Admiral Brett Giroir, Assistant Secretary of Health, has accepted our offer to serve as an the keynote speaker for the Dinner. In addition, Rear Admiral Scott Giberson will be in attendance and will deliver remarks.

It is our understanding that Admiral Giroir's office will be in touch with you regarding his visit, but we wanted to inform you that he has accepted the invitation and plans on being in attendance.

We truly hope you will consider joining us for this special evening.

Lieutenant Commander Katrina Sloan

ACOA President

Katrina Sloan, MPH

Hi, Teresa.

Actually, that email bounced as well. I tried twice – once with Robert.Redfield@cdc.gov and then the second time with Robert.R.Redfield@cdc.gov.

Oh well – thank you so much for facilitating getting it to him together with the two attachments. I genuinely appreciate it.

Subject: Letting you know about a luxury cruise line that serves the US market (50+ passengers per ship) and is regularly evading CDC VSP inspections

Dear Dr. Redfield,

My name is (b)(6) and I am a business owner who recently sailed onboard the Scenic Spirit, a river ship that actively markets to and serves the US market with ships of over 50 passengers and that also has *severe*, consistent food safety and sanitation issues, yet is trying to sidestep the CDC's Vessel Sanitation Program guidelines and inspections.

Scenic is technically based outside of a city near Sydney, Australia under the leadership of Chairman Glen Moroney and operates river cruises in Europe and Asia, some under the Scenic Cruises name, and others under the Emerald Cruises name. Scenic also has a new oceangoing ship, the Scenic Eclipse, that will sail out of the East Coast of the US (NYC) back and forth to Canada.

Onboard my November 2018 Mekong River cruise on the Scenic Spirit, numerous flies and insects were permitted to land on food served on buffets and a la carte at every meal even when the Executive Chef was standing right next to them or conducting food demonstrations. The flying insects-on-the-food problem even extended to Scenic-organized side trips to cooking classes or restaurants that were not pre-screened for food safety and had flies landing on both the hot and cold dishes all the time without anyone even bothering to shoo them away.

When I complained to the ship's senior management including the Hotel Director about this issue on multiple occasions, I was brushed aside with comments that included "Well, it's just the river" or "It's just the season." Perhaps not surprisingly, I became extremely ill for several days towards the end of the cruise with what I believe was a foodborne illness, including fever, chills, vomiting and diarrhea. I dutifully informed the ship's management about this, and again my complaints were completely ignored. Additionally, although I was paying a double fare for one of two top suites onboard, there were also nightly invasions of insects and even a lizard coming up through the floors of this supposedly luxury vessel, even though all windows and doors were never opened due to the 10-20 insects per day that I encountered in the cabin daily, including at least 5-6 in my bed each night.

When I returned from Southeast Asia after continuing on to the rest of my two-month-overall journey, I wrote a detailed letter to (b)(6) thinking that he or his Sanitation and Hygiene team would want to address the tremendously problematic food safety and sanitation issues onboard the Scenic Spirit since they led directly to my illness. My original letter to him is attached, but I was immediately handed off to a customer service person in Boston who insisted that no such sanitation and hygiene issues existed because the customer survey data – the same customer survey that incidentally I took, repeatedly mentioning the food safety crisis but was never responded to although I requested a follow-up – was proof that there were no such problems! I have also attached that gentleman's official Customer Service response from Scenic.

I would ask you that you do whatever you can to bring Scenic Cruise Line into compliance with VSP guidelines as soon as possible and that you as the head of the CDC have your Environmental Officers begin regular inspections of all Scenic vessels – especially those in Southeast Asia and the US -- since

they serve the US market with river and ocean ships carrying more than 50 passengers and sometimes as many as several hundred people. I would never want what happened to me on the Scenic Spirit to happen to anyone else in the future.

Thank you very much for your time, Dr. Redfield. If you would want me to file an official VSP complaint or a legal affidavit to support your efforts, I would be willing to do so.

Subject: Scheduling Events for January 2019

Hi Scott,

During our A-Team meeting on yesterday, we discussed rescheduling the January's Coffee with the Director and the Lawrenceville facility tour, if the Geneva trip was canceled at the end of January.

Since the trip is canceled okay to proceed?

I'm working with Brad and Mark on confirming a date for the Coffee with the Director.

Thanks,
Teresa

Subject: Scheduling Request: AARP Interview and Photos

Hi all,

Dr. Redfield agreed on Friday to participate in an upcoming interview with AARP. A phone interview, plus time for photos, would have to be conducted before the end of the month – but they don't necessarily have to be scheduled on the same day. Can you provide any options that I can share with the outlet for possible scheduling?

We would need 30 minutes for each (phone interview; portrait shoot conducted by local photog). Let me know if you have any questions.

Thanks,
 Kate

+ Molly. And a correction: I said around the time of the AARP "interview" but I've confirmed that Thursday is just them taking pictures.
Depending on his recovery time needed from travel/time change ...I might suggest 11:00 to 11:15 for the AARP portrait, and then 11:30 to 12 (at most) for the WaPo phone interview?
He will still have some time for lunch after that before he has to go to the studio for taping. Will that work?

Below is an email I've sent to my staff, so they may already have connected with you, but wanted to bring you into the loop as well.

It would be good to do this on Jan 28th around the same time as the AARP interview – he will be prepped and the HIV incidence data will still be fresh then.
It should be by phone and no longer than 30 minutes (20 is fine if that works best for his schedule).
Let me know if any concerns – we need to go up to ASPA also. Thanks! KLD

Subject: RE: just left you a voice mail, following up on our conversation after Dr. Redfield's briefing in November on Capitol Hill

I've gotten the okay for Dr Redfield to talk with Lena by phone on the topic of HIV next week, as long as it works for his travel. If we could align this with the incidence data coming out that would be ideal, so she will have something fresher. The data comes out Wednesday, though, and he wouldn't be available to interview until Thursday AM/midday. So it wouldn't be the first bite at the data, but rather first bite at his take on the data and his putting it in context of the new HIV initiative.

For now that will have to do.

On Sat, Nov 3, 2018 at 11:35 AM, Francis Collins

(b)(6) wrote:

Hi Eric,

I just spoke with CDC Director Bob Redfield about possible new ideas to figure out the cause of the troubling seasonable outbreaks of acute flaccid myelitis. While enterovirus D68 has been suggested as the cause, this is far from clear, and there is some indication that the disease may be a post-infectious immune response, attacking anterior horn cells in the spinal cord.

We talked about ways to utilize new technologies to sort this out -- and single cell RNA-seq on mononuclear cells from peripheral blood or CSF seems like a useful approach, and one that hasn't been tried yet.

I suggested that he contact you to see if the Broad could be helpful in this situation. He's cc'd on this message, and his phone is (b)(6)

Thanks for any help and your colleagues might be able to provide.

Best, Francis

Subject: AMA on Tues 19 March
Importance: High

All, we are expecting the HHS Secretary (AMA) to visit CDC this day. Originally it was Monday the 18th, but his office just advised that it's now looking more likely on the 19th from 11:15am-ish until 1:45pm-ish, and including a lunch meeting with R3. Kyle just asked that Anne please prepare to take over the existing R3 POB call and PHGR opening, if AMA is here at those times. Seth is drafting a brief visit agenda, that is reflective on input from Sherri and Anne. He'll share accordingly, but I also wanted to flag that this visit will be to the Roybal campus... Chamblee is no-longer being considered due to the compressed time AMA has available. We expect an HHS advance walk-thru on Wed 3/13 and more details will be forthcoming.

Please let me know if anyone has questions, and Liz & Ursula, please let us know if there are problems with Anne covering if it is absolutely needed.

Scott

Subject: RE: AMA Visit to CDC

Scott and Seth,

Due to an a change in the Secretary's trip agenda, we will need to adjust the time for a total of 2 hours for the visit to CDC. Please see below for updated timing:

11:15am	Arrival (5 min)
11:20am	Dr. Redfield/Sec. Azar Meeting (15 min)
11:35am	Small Group Meeting with OD Senior Leaders (30 min)
12:05pm	Transit to HIV Lab (5 min)
12:10pm	HIV Lab Tour (25 min)
12:35pm	Transit to building 21 (5 min)
12:40pm	Working Lunch with Influenza and Measles Briefing (35 min)
1:15pm	Sec. Azar departs CDC

Thank you for your flexibility.

Best,
Carolyn

Hi Carolyn and Mel,

Here is the very draft agenda that we discussed with you on the phone the other day for the Secretary's visit to our main campus on Tuesday, March 19th, after he speaks at the HIV conference. Scott has also updated me on the latest re: Dr. Redfield likely introducing the Secretary at the HIV conference Tuesday morning and then riding over to CDC with him (not yet reflected on agenda).

Look forward to your comments,

Seth

Scott –

Right now we have 10:45am – 1:15pm (2.5 hours) for Sec. Azar’s visit to CDC visit.

Do you have time today to jump on a call to discuss options for the visit?

Thanks!

Best,
Carolyn

Hey Scott!

Hope you had a great weekend! We are adjusting the agenda right now based on the speaking time and will get right back to you in a bit.

Thanks!

Mel & Carolyn, with this new timing of AMAs talk on Tuesday, can you share what times you’re looking at now for the CDC visit?

Thanks!

Scott

All,

We have connected with the conference organizers. The Secretary can be accommodated at 930/945 am on Tuesday morning. We can shift a few pieces to make time for his address.

It would be ideal if we can confirm the time today or over the weekend as the program proof is due back on Monday. It would be ideal if we can revise the program to highlight the Secretary's address. Please let me know if possible.

Thanks,
Sara

Team CDC – THANKS!

I think if we could make 9:30 am work on Tuesday for the Secretary's speech to the HIV Conference, that would be optimal. I would avoid too much earlier than that given travel. We could also push to as late as a 10:00 am start time, but I am aware that we would be pushing up against a break.

Thanks again!

Hi All my favorite people at CDC ☺ . I will defer to Mel on the exacting of the Tuesday breakout but I will confirm that the Secretary is now needed at the White House on afternoon and we will not be available on Wednesday either due to previous commitments here and in Baltimore. So there for Tuesday is our only day available . My apologies to the Whole team but this is unavoidable.
Best wishes

Thanks Scott!

Adding Beth (Scheduling) and Mel (Advance Lead for the event).

Beth can confirm this but Wednesday will not work as the Secretary has a packed schedule back in the DC area so we will have to work out something for Tuesday.

Thanks!

Best,
Carolyn

Carolyn, we've connected with Sara Ziegler, on the cc line about possibilities for AMA to speak on Tuesday, 19 March. She's aware that AMA now has to be at the WH on Monday, and thus is not available to be in ATL. It appears that in talking with Sara, that there may be options for Tuesday and Wednesday morning (9:45-10am-ish), but she'll need to confer with her staff & the conference organizers to confirm. So, if that time is possible, can you reply and let us know? Likewise, if other dates during the conference are possible (like Wednesday, etc...) can you let us know that too so that Sara will know what AMA's options may be?

Many thanks!

Scott

Subject: RE: AMA Visit Updates

Thanks Carolyn. Heather will be driving Redfield to the hotel that morning (along with the CDC photographer), so she'll be prepared to bring Redfield back to CDC if necessary, as part of your motorcade, if not ahead of you, so that he can welcome AMA upon arrival. We can sort that out tomorrow when you're here.

Thanks also for letting us know that the ASH will be part of the trip (at hotel and CDC). We'll plan accordingly for him in the agenda and seating/lunch. Are there any others from HHS that we need to consider? We'll see you tomorrow at noon!

-Scott

Subject: RE: AMA Visit Updates

We got it worked out, thanks Scott!

Just a couple of minor edits to the agenda, changes highlighted:

11:15 Arrival CDC
11:30-12:00 All Hands Meeting—Auditorium A
12:05-12:30 HIV Lab Tour
12:35-1:10 Flu Update & Working Lunch with Strategic Plan Briefing (with OD Senior Leaders)--12302
1:15 Depart CDC

Scott – I can talk to you offline about this but regarding transportation from Hyatt to CDC, please make sure the CDC vehicle is available for Dr. Redfield and maybe a couple of our staff as well to get to the CDC. We do not have confirmation yet of what type of car Sec. Azar will have and more than likely we won't have a 3rd row in the SUV. As of right now, it will just be Sec. Azar and Matt Apple, his body guy, in the LIMO.

Also, Adm. Giroir (the ASH) will be on this trip staffing the Secretary, he will be at the speech and CDC visit.

Thanks and have a great evening!

Best,
Carolyn

Agenda

March 19, 2019

U.S. Department of Health and Human Services
Centers for Disease Control and Prevention

The Centers for Disease Control and Prevention Welcomes
Secretary of Health and Human Services
Alex M. Azar

CDC Roybal Campus – 1600 Clifton Road, NE, Atlanta, GA 30329

11:15 AM	Secretary Azar Arrives <i>Location: Building 45 Entrance, Visitors Center. Walk to Global Communications Center (GCC), Auditorium A, Speaker Ready Room</i>

The University of Oklahoma
Health Sciences Center
HUDSON COLLEGE OF PUBLIC HEALTH

November 27, 2018

Robert R. Redfield, M.D.
Director, Centers for Disease Control and Prevention and
Administrator, Agency for Toxic Substance Abuses Disease Registry
1600 Clifton Road
Atlanta, GA 30329

Dear Dr. Redfield,

On behalf of the Colleges of Public Health and Medicine, and the University of Oklahoma Health Science Center, we are pleased to invite you to present the 2019 Edward N. Brandt, Jr. Memorial Lecture at a Public Health Grand Rounds presentation. We are flexible on the day and timing and would be pleased to work with your planning team to make this opportunity work.

The Edward N. Brandt Jr. Memorial Lecture was established jointly by the College of Public Health and the College of Medicine in honor of the late Dr. Edward N. Brandt, Jr., former Assistant Secretary of Health (1981-1984) and distinguished faculty at the University of Oklahoma. In recognition of Ed's contributions and service to public health over five decades, the Brandt lecture is presented each year by an individual who has similarly impacted public health. Your outstanding contributions to public health truly deserve recognition through this honorary lecture. It would be our privilege to have you present the 2019 Edward N. Brandt, Jr. Memorial Lecture.

Date: We are flexible on the day; however, we suggest this would be ideal during the 2019 National Public Health Week on April 2 or 4.
Other suggested dates are: 1/15/19, 1/29/19, 2/5/19, 2/12/19, 3/26/19, 4/16/19

Time: 12:00 PM. Your presentation should last anywhere between 15-45 minutes followed by 5-10 minutes for questions and discussion.

Location: University of Oklahoma Health Sciences Center
Hudson College of Public Health
801 N.E. 13th Street, Auditorium (CHB 150)
Oklahoma City, OK 73104

Topic: The topic is flexible and your choice. Key public health initiatives of the CDC would be of interest.

Promoting healthier tomorrows through education and research today.

Mail: PO Box 26901 • Oklahoma City, Oklahoma 73126-0901
Courier: 801 NE 13th Street, Room 139 • Oklahoma City, Oklahoma 73104

Good afternoon VaLauna,

Thank you so much for holding March 26th.

Please note, I did not take your email with an insistent tone at all.

Dr. Redfield is looking forward to the lecture.

Please feel free to reach out to me at any time should you have any questions.

Have a wonderful weekend.

Best,
Teresa

Good Afternoon Teresa,

First, thanks so much for the update. Second, my sincerest apologies to you as I'm just realizing my email was not well-constructed and had an insistent tone.

We completely understand the demand for Dr. Redfield's time and his many other competing priorities and we are very honored he is able to carve out time for this lecture. We will definitely hold the date below and look forward to your update.

Sincerely,

VaLauna K. Grissom

Good afternoon Ms. Grissom,

Dr. Redfield may be in Oklahoma on March 25 or March 26.

Would it be possible to hold March 26?

I will get back with you as soon as possible. We are still working through Dr. Redfield's travel schedule.

Thank you for your patience.

Kind Regards,
Teresa

Ms. Williams,

Thank you for the update. I have removed those January and February date options that were initially suggested. For planning purposes, would it be possible to narrow the timeframe down to any of the below dates or even an undecided date within Public Health Week?

We had initially suggested April 2nd or 4th, but of course will work with the dates/times Dr. Redfield has available. Thank you so much and I look forward to hearing from you soon.

Suggested Ideal Dates:

April 2, 2019

April 4, 2019

Other dates during this same week work well.

Other Suggested Dates:

March 26, 2019

April 16, 2019

Best,

VaLauna K. Grissom

Good afternoon Ms. Grissom,

Dr. Redfield is looking forward to presenting the 2019 Edward N. Brandt, Jr. Memorial Lecture at the Public Health Rounds presentation in Oklahoma City, Oklahoma.

I will contact you in late February or early March to discuss Dr. Redfield's availability.

Currently, Dr. Redfield's schedule is committed through the end of February.

Should you have any questions, please feel free to contact me.

Kind Regards,
Teresa

Good Evening Ms. Cashman and Ms. Williams,

We are delighted that Dr. Redfield is able to accept the invitation and we sincerely look forward to the collaboration. Given the proximity to the end of the business day there in Atlanta, I will contact you Ms. Williams tomorrow to discuss the potential meeting dates and times and other pertinent planning details. Please let me know if there is a preferred time to discuss, otherwise I will plan to place the call mid-morning.

Sincerely,

VaLauna K. Grissom

Subject: RESPONSE REQUESTED: Day options for R3 for 2019 KFF visit pls

Hello gentlemen,

I'm moving forward to begin scheduling a day-long visit with the CEO of the Kaiser Family Foundation, as one of the take-aways from his time in San Francisco. There are a lot of people involved in scheduling but I'd like to start with our Director.

Since I will also reach to CDCF for both Judy's and the KFF CEO's schedules, would you be so kind to provide me with five days in the new year where there's a high likelihood the Director will be here? –He would not have to have the entire day open but he will want time with the CEO. He may also want a dinner with CDCF the night before or the day of. Just to give you a prediction of the time needed on his calendar.

I'll also have to zero-in on schedules for NCHHSTP and NCIRD leadership but let's start with the principals and I'll see if they can conform.

Please advise,

Diana

Thanks, Scott. Do you have an idea of when he would depart on Tuesday? Later would be better, particularly if there is a Spokane side trip.

We have a call with BMGF this afternoon and can communicate this. They are open to either day; however it looks like Sue Desmond Hellman may be returning from travel that Monday. Regardless, she was supportive of moving forward with Monday if she is unavailable. If that is the case, we plan to propose a breakfast on Tuesday for both.

I will share an updated agenda tomorrow.

Happy Holidays!

Subject: RE: CDC/BMGF Retreat 2/25 - 2/26

Joel, we met with R3 & Kyle this morning about Seattle. Both are good with flying out on Sunday and returning on Tuesday.

They are fine with meeting with BMGF & PATH, but R3's also asked that he have time to meet with the State Health Officer (we can work that with CSTLTS) and if feasible, he'd like to meet with Senator Murray too. We may or may not work on a partial day trip to Spokane as well.

Given all of the above, can we hold a few days before we confirm the BMGF meeting date (25 or 26) so that our CDCW/OA colleagues can check feasibility with Sen. Murray's office?

I'm looping others for awareness of this discussion too.

Standing by...

Scott

Subject: CDC/BMGF Retreat 2/25 - 2/26

Hi Scott,

For awareness, attached is a draft agenda for the CDC/BMGF meeting on February 25/26. Please note that this agenda will undergo some additional changes (including rearranging the afternoon agenda to end VTC by 6pm in Atlanta) and we will follow-up with you shortly with an updated draft, hopefully next week.

In this version, the BMGF meetings are scheduled for February 26th; however, we are playing with which day (Mon or Tues) will work best for other non-BMGF meetings Dr. Redfield would like to arrange. The only other meeting we would prioritize for Dr. Redfield at this time would be with Steve Davis from Path. In addition to that, we are pulling together a list of organizations for engagement, but defer to any he may have in mind specifically.

The potential itinerary include:

Option A	Option B
Feb 24 th <ul style="list-style-type: none">• evening arrival	Feb 24 th <ul style="list-style-type: none">• evening arrival
Feb 25 th <ul style="list-style-type: none">• Meeting with Path• 2-3 Meetings with other groups• Reception with BMGF	Feb 25 th <ul style="list-style-type: none">• Full day of meetings with BMGF• Cocktail hour with BMGF
Feb 26 th <ul style="list-style-type: none">• Full day of meetings with BMGF• Evening departure	Feb 26 th <ul style="list-style-type: none">• Meeting with Path• 2-3 Meetings with other groups• evening departure

After the holidays I recommend we set up a regular touch base on this trip, if amendable.

best,

J

Without Kyle, but + TW, TS, & JM. Kyle and Mitch spoke yesterday and it was decided that Mitch, not Kyle, would accompany R3 to Seattle. So we'll plan for R3, Hugh, and Mitch to be added to the delegation.

Aimee, please let us know as soon as you know about any interest from Murray's team about her doing a possible Spokane NIOSH site visit.

Hi Scott,

For awareness, attached is a draft agenda for the CDC/BMGF meeting on February 25/26. Please note that this agenda will undergo some additional changes (including rearranging the afternoon agenda to end VTC by 6pm in Atlanta) and we will follow-up with you shortly with an updated draft, hopefully next week.

Subject: RESPONSE REQUESTED: Day options for R3 for 2019 KFF visit pls

Hello gentlemen,

I'm moving forward to begin scheduling a day-long visit with the CEO of the Kaiser Family Foundation, as one of the take-aways from his time in San Francisco. There are a lot of people involved in scheduling but I'd like to start with our Director.

Since I will also reach to CDCF for both Judy's and the KFF CEO's schedules, would you be so kind to provide me with five days in the new year where there's a high likelihood the Director will be here? –He would not have to have the entire day open but he will want time with the CEO. He may also want a dinner with CDCF the night before or the day of. Just to give you a prediction of the time needed on his calendar.

I'll also have to zero-in on schedules for NCHSTP and NCIRD leadership but let's start with the principals and I'll see if they can conform.

Please advise,

Diana

Subject: RE: CDC/BMGF Retreat 2/25 - 2/26

Thanks, Scott. Do you have an idea of when he would depart on Tuesday? Later would be better, particularly if there is a Spokane side trip.

We have a call with BMGF this afternoon and can communicate this. They are open to either day; however it looks like Sue Desmond Hellman may be returning from travel that Monday. Regardless, she was supportive of moving forward with Monday if she is unavailable. If that is the case, we plan to propose a breakfast on Tuesday for both.

I will share an updated agenda tomorrow.

Happy Holidays!

Subject: RE: CDC/BMGF Retreat 2/25 - 2/26

Joel, we met with R3 & Kyle this morning about Seattle. Both are good with flying out on Sunday and returning on Tuesday.

They are fine with meeting with BMGF & PATH, but R3's also asked that he have time to meet with the State Health Officer (we can work that with CSTLTS) and if feasible, he'd like to meet with Senator Murray too. We may or may not work on a partial day trip to Spokane as well.

Given all of the above, can we hold a few days before we confirm the BMGF meeting date (25 or 26) so that our CDCW/OA colleagues can check feasibility with Sen. Murray's office?

I'm looping others for awareness of this discussion too.

Standing by...

Scott

Subject: CDC/BMGF Retreat 2/25 - 2/26

Hi Scott,

For awareness, attached is a draft agenda for the CDC/BMGF meeting on February 25/26. Please note that this agenda will undergo some additional changes (including rearranging the afternoon agenda to end VTC by 6pm in Atlanta) and we will follow-up with you shortly with an updated draft, hopefully next week.

In this version, the BMGF meetings are scheduled for February 26th; however, we are playing with which day (Mon or Tues) will work best for other non-BMGF meetings Dr. Redfield would like to arrange. The only other meeting we would prioritize for Dr. Redfield at this time would be with Steve Davis from Path. In addition to that, we are pulling together a list of organizations for engagement, but defer to any he may have in mind specifically.

The potential itinerary include:

Option A	Option B
Feb 24 th <ul style="list-style-type: none">• evening arrival	Feb 24 th <ul style="list-style-type: none">• evening arrival
Feb 25 th <ul style="list-style-type: none">• Meeting with Path• 2-3 Meetings with other groups• Reception with BMGF	Feb 25 th <ul style="list-style-type: none">• Full day of meetings with BMGF• Cocktail hour with BMGF
Feb 26 th <ul style="list-style-type: none">• Full day of meetings with BMGF• Evening departure	Feb 26 th <ul style="list-style-type: none">• Meeting with Path• 2-3 Meetings with other groups• evening departure

After the holidays I recommend we set up a regular touch base on this trip, if amendable.

best,

J

Without Kyle, but + TW, TS, & JM. Kyle and Mitch spoke yesterday and it was decided that Mitch, not Kyle, would accompany R3 to Seattle. So we'll plan for R3, Hugh, and Mitch to be added to the delegation.

Aimee, please let us know as soon as you know about any interest from Murray's team about her doing a possible Spokane NIOSH site visit.

Subject: Hearing prep recommendations
Importance: High

Attached, please find our recommendation.

There's a bit more detail than you may need.

Bottom line on sessions with r3:

- One next week focus on logistics and walking through what situational awareness data will be needed: Jan 14

- One on Friday, Jan 25 focus on tough Q&A (this could also be a murder board, not sure who is best to run it)
- One on Thursday, Jan 31 dry run of oral testimony (and a second if needed)
- HHS prep session on Feb 8
- HHS mock hearing on Feb 13

Kyle, thoughts?

Thanks,
Sherri

Senate Labor/HHS Appropriations Hearing: Ebola and Emerging Threats
Prep Session #1 – January 15, 2019

MEETING AGENDA

Logistics:

- Senate Labor/HHS Appropriations Hearing (R. Blunt/P. Murray)
- February 14, 2019
- Start time: 10:00am (asked to arrive earlier)
- Panel members: Dr. Redfield, Dr. Kadlec, Dr. Fauci, Adm. Ziemer

Materials:

- Situational awareness information
- Written testimony (very rough draft attached)
- Oral testimony (will be drafted after written is final)
- 2-3 slides to present at hearing (optional)
- Tough Q&A document
- Other materials?

Next Step:

- Submit written testimony to HHS: Jan 18

Future Prep:

- CDC prep session: Friday, Jan 25 to focus on tough Q&A
- CDC prep session: Thursday, Jan 31 to do a dry run of oral testimony
- HHS prep session: Feb 8
- HHS mock hearing: Feb 13

Subject: ASTHO call this Friday

Anne/ Sherri

ASSTHO will like to have Jono this Friday on the call to give a wide overview of the HIV initiative. They know he cant get into specifics because the presidents budget has not been released. But they will like to hear something now when the issue is hot of the presses.

Is that OK?

Thanks

JT

Call info will come formally from them later on today, but this is what normally goes to the SHO. They are encouraging people to use the video technology so may be a good idea to try it ahead of time.

I am assuming we at CSTLTS will not prepare any remarks but I want To suggest that the Director welcomes the new cadre of health officers already in their positions and let them know that he will be back for another call , maybe in March, after the presidents budget is released to discuss all his priorities.

Hi everyone,

I confirmed 5:30PM ET tomorrow, Friday February 8 works for ADM Giroir, Dr. Redfield and Fauci. I will move on setting up a time for the call and getting the call in information shared with our partner organizations so they can begin promoting it. If for some reason tomorrow at 530PM availability does not work for your principal please let us know ASAP.

Thank you to everyone for your help on this!

Subject: RE: Good To Talk
Importance: High

Steven,

If I am reading this correctly it looks like Dr. Redfield and Fauci are available TODAY between 4:00 and 5:00PM for a conference call with the HIV grassroots advocacy community. Would ADM Giroir be available at that time?

- Dr. Fauci is available between 1 pm - 3 pm and 330 pm - 6 pm.
- Dr. Redfield is available today between 4-5pm, or tomorrow between 11:30 & 1:00.

Good morning,
Please see below. Would it be possible to have ADM Giroir, Dr. Fauci and Dr. Redfield participate in a conference call hosted by The AIDS Institute, National Association of State and Territorial AIDS Directors, National Coalition of STD Directors, NMAC and AIDS United with their members before COB Friday?

Let me know what is possible for your principal and we will determine how to proceed. Apologize for the short notice, and thank you in advance for your wonderful help.

Mia

Thanks Paul –
We were very happy and more details to come –

I cc'd Mia and Erin who can help to put it together. The challenge is the way we invite folks since you said there is not an email list which is the typical way we invite participants on calls.

I would suggest either later today or tomorrow, I agree time is of the essence. Would seek to have Dr Giroir, Sigounas and Fauci if possible.

Subject: RE: Request for R3 to speak to NACCHO Board

Just talked to Kyle, and R3 can do 11-1130 from CDCW. Will Jono join too?

Can you set that up and get us the call in number?

Thanks Sara

Subject: Request for R3 to speak to NACCHO Board

All,

NACCHO has reached out to us to request that Dr. Redfield (and probably Jono) speak to the NACCHO Board's Executive Committee. They are aware of the SHO call this afternoon. The board meets on Wednesday from 11-1.

What can be possible?

If you want to make arrangements directly – NACCHO POC below.

Perfect, Dr. Redfield has the following dates and time available for a 30min call.

- Today 11th from 2:00-2:30
- Monday 14th from 4:00-4:30

Please let me know if either of these times works with your schedule.

Respectfully,
Tracie

Thank you Ambassador Hammer for the introduction.

Dear Ambassador Vrooman,

I appreciate your availability and look forward to connecting with you in the next week. Tracie Strength from my office can assist in scheduling a call between now and January 17th.

Our subject matter experts will also be in DC on the 16th and 17th and would be happy to brief you on the Ebola outbreak and border activities in person. We can also include Ambassadors Malac and Hammer, if available.

Peace, God bless, r3

Peter pls meet Dr. Bob Redfield, Director of CDC. In discussing with Dr. Redfield today how best to enhance our USG contribution to the ongoing Ebola response it would make sense for you two to be in touch directly to discuss what is in the realm of the possible in Gisenyi. Dr. Redfield knows Rwanda well and so he is familiar with some of the challenges. All best, Mike

Cced is also Kigali DCM Richard Michaels as I understand that Amb Vrooman may soon be traveling to Washington.

Subject: Sen. Cassidy call - March 18

Hi Scott-

Sherri et al approved CDCW to move forward with scheduling a call between Sen. Bill Cassidy (R-LA) and Dr. Redfield after he returns from DRC to discuss a PEPFAR-type program to combat global maternal and neonatal mortality – see attached proposal. The call would also include Dr. Jon Fiedler from the African Mission Healthcare Foundation. Sen. Cassidy's office proposed a call on Monday, March 18 at 2pm. We suggest 30 mins for this one. May we confirm?

Thanks,
Aimee

Hi Everyone-

Below is today's bundle. We are requesting approval for the first request, which is ***Member-level.*** Mitch approved the others since they are ***staff-level.***

Please let us know if you approve, and if you have any questions or concerns.

Thanks!
Aimee

Request: Phone call with ***Member*** Sen. Bill Cassidy (R-LA) on a PEPFAR-type program to combat global maternal and neonatal mortality

Audience: Sen. Cassidy and Dr. Jon Fielder

Background: Sen. Cassidy's office requested to schedule a call with Dr. Redfield to discuss a PEPFAR-type of program to combat global maternal and neonatal mortality. Senator Cassidy would also like to invite Dr. Jon Fiedler, an AIDS and infectious diseases physician who has been practicing for almost 20 years in Africa, to provide more information on the details mentioned in the attached summary. Dr. Fielder is the Executive Director of the African Mission Healthcare Foundation and has worked with Dr. Redfield in previous positions.

CDC Briefer: Dr. Redfield, CDC Director

Date/Time: TBD – recommend to schedule after the DRC trip to allow for careful review of proposal

Can you ask R3 if he's interested in doing this while (b)(6) Thx

From: Grant, Llewelyn (CDC/OD/OADC) <lcg7@cdc.gov>
Sent: Friday, February 15, 2019 4:06 PM
To: Scales, Scott L. (CDC/OD/OCS) <ixj3@cdc.gov>
Subject: CDC Night at State Farm Arena - Hawks vs Portland Trailblazers Saturday, March 29 at 7:30 p.m.

Per our discussion – I would like to extend an invitation for Dr. Redfield and family to attend CDC Night with the Atlanta Hawks on Saturday, March 29th at 7:30 p.m. The Hawks will be playing the Portland Trailblazers, which should be an exciting game. As mentioned, I did a site visit at the arena to check on the set up for Dr. R3 to engage with staff during the game. The layout is much different than SunTrust stadium, which will make it difficult for Dr. Redfield to engage with staff during the game in a safe manner and without interrupting other fans attending the game. Employees attending game will be spread out in different sections of the arena, which will also make it challenging for Dr. Redfield to maneuver around to meet, greet and take pictures with staff.

To support our employee engagement experience, the Hawks is offering a reception area that will allow Dr. Redfield to meet, greet and take photos with staff. There is a group seating area that holds 25 people that the Hawks offer to organizations purchasing a large number of game tickets. This is a secure space that will allow for up to 30 staff and family/guests at one time to meet and greet with the director. We can set up exact times for this employee engagement activity, which we recommend 30-minutes before the game and during half time. This

way there will be minimal interruption for Dr. Redfield and staff desiring to take in the entire game experience. Should Dr. Redfield desire to bring his grand kids to the game there are a number of fan experience activities occurring during the game for all ages. Joining Dr. Redfield in the reception area will be OADC staff who are supporting employee engagement set up or covering the game for *CDC Connects*. In addition, we plan to do a special drawing to select 3 to 4 CDC staff plus a guest to sit in the area as Dr. Redfield's special guest. In order to secure the area for CDC, we will have to purchase the 25 tickets by February 27. Each ticket is \$30.00.

Other amenities included with the \$30 ticket package to include:

- \$10 food and beverage credit (All CDC staff and family/guests)
 - 12 items under \$5 [Fan Friendly Concession Prices](#)
- Access to the 212 Tower for the entirety of the game (CDC reception area)
 - Cash bar in reception area.
- CDC welcome message on the scoreboard during halftime.

I am attaching the CDC Announcement that went out to staff along with photos taken of the reception area. Please let me know as soon as possible about Dr. Redfield's ability and interest to attend the game.

Thanks much,

Atlanta Hawks vs. Portland Trailblazers

Friday, March 29, 2019 @ 7:30 p.m. (EST)

Please join us for **CDC Night at State Farm Arena** on Friday, March 29, as the Atlanta Hawks take on the Portland Trailblazers at 7:30 p.m. This is a wonderful opportunity to enjoy a basketball game with your co-workers, family, and friends at the newly renovated State Farm Arena (previously known as Philips Arena).

Seats are available in the Level Baseline (Upper Level) section at the cost of \$30.00 per ticket (plus a \$1.80 service fee). Each ticket has a \$10 food and beverage credit included. **Seating is limited; get your tickets as soon as possible!** To purchase, please visit the [Atlanta Hawks CDC ticket web page](#).

We hope to see you and your family/guests at **CDC Night at State Farm Arena!**

This event is open to all employees, Commissioned Corps staff, contractors, fellows, and interns.

Driving and Transportation

State Farm Arena is located in the heart of downtown Atlanta. It is highly recommended that you reserve your parking in advance. For parking information, directions, and public transportation travel options, please go to [Getting to State Farm Arena](#).

Reasonable Accommodations

It is CDC's policy to provide reasonable accommodations (RA) support to qualified staff with disabilities to ensure their full inclusion and participation in CDC-sponsored events. For CDC staff seeking RA support for **CDC Night at State Farm Arena**, please visit the Arena's [Guest Services & Accessibility](#) website for services available for fans with special needs or call Natasha Larry at (404) 878-3963.

Please Note: Sporting events are among the loudest sound-producing source involving public events with loudspeakers, sound effects, loud music, and/or cheering fans. Use of hearing protection and noise reducing devices, such as earplugs and earmuffs, will help protect your hearing and limit the impact of loud noises, especially if attending with children and infants. For more information about the health impact of loud noises and hearing protection recommendations, please visit the NCEH [web page on hearing loss](#).

This event is sponsored by the Office of Associate Director for Communication. For more information, contact commrelations@cdc.gov.

State Farm Arena is located in the heart of downtown Atlanta. It is highly recommended that you reserve your parking in advance. For parking information, directions, and public transportation travel options, please go to [Getting to State Farm Arena](#).

Reasonable Accommodations

It is CDC's policy to provide reasonable accommodations (RA) support to qualified staff with disabilities to ensure their full inclusion and participation in CDC-sponsored events. For CDC staff seeking RA support for **CDC Night at State Farm Arena**, please visit the Arena's [Guest Services & Accessibility](#) website for services available for fans with special needs or call Natasha Larry at (404) 878-3963.

Please Note: Sporting events are among the loudest sound-producing source involving public events with loudspeakers, sound effects, loud music, and/or cheering fans. Use of hearing protection and noise reducing devices, such as earplugs and earmuffs, will help protect your hearing and limit the impact of loud noises, especially if attending with children and infants. For more information about the health impact of loud noises and hearing protection recommendations, please visit the NCEH [web page on hearing loss](#).

This event is sponsored by the Office of Associate Director for Communication. For more information, contact commrelations@cdc.gov.

Hi Alison and Michelle. Can you share any updates about the timing and location for the CDC Coalition event in DC next Thursday, and if you have other budget release related meetings for the day? We're looking at his flights for a day trip and we'd like to allocate enough time for necessary engagements.

Many thanks!

-Scott

Subject: RE: address for APHA, R3 3/21 CDC Coalition mtg

Hi Michelle,

I will update the calendar with the address provided below.

Also, per our conversation, the meeting will start at 11:15 a.m..

Dr. Redfield will speak from 11:15-11:45 a.m. and then walk upstairs for a 1:1 with Dr. Georges Benjamin for 15 minutes.

I've also included Alison Kelly on the invite, since she will staff Dr. Redfield for the meeting.

Thanks again for the information.

Subject: RE: (confirming dates) RE: Spring 2019 Corporate Roundtable meeting date options

Thanks Chloe. We will add R3 for the Corporate roundtable presentation over lunch on the 21st, and at this point, I'd recommend you explore alternatives for the dinner on the 20th, but I'm also adding Kyle's EA, Marsha, so she can hold the eve of the 20th for a dinner and lunch on the 21st as well.

If things change over the coming weeks about R3's availability on the 20th for dinner, we'll let you know.

Best,

Scott

Subject: (confirming dates) RE: Spring 2019 Corporate Roundtable meeting date options

Scott and friends...

After much ado, we have settled on Feb 20 for the dinner and Feb 21 for the meeting.

Since Dr. R will likely be traveling in on Feb 20, I'm happy to reach out to see if Anne Schuchat may be available to give remarks at the dinner – or we may ask someone like John Rice (GE and Atlanta board member) to give remarks.

Will this still work for Dr. R's schedule? For the meeting on Feb 21 (at CDC) we are happy to have him join us for a working lunch followed by remarks, or whatever he prefers. We will build the remainder of the program around him.

Many thanks to all!
Chloe

Hi Chloe. Thanks for the veteran's day shout out! R3 is out on leave on 19-20 Feb and I expect he'll be returning on the eve of the 20th. He is in the office on 21 & 22 Feb, so maybe that helps? It appears that as of today, Kyle is here that whole week. Let us know what you settle on of if you have other dates in mind. -Scott

Subject: Spring 2019 Corporate Roundtable meeting date options

Hi Scott...
Hope you are great!

Will you please advise as to whether or not Dr. R. and Kyle have availability for two dates we are holding for our Corporate Roundtable meeting for February 2019?

February 19 Dinner 6:00 – 8:30 pm Piedmont Driving Club
February 20 Meeting (any time of his choosing between 10 and 1) on CDC's Roybal Campus

OR

February 20 Dinner 6:00 – 8:30 pm Piedmont Driving Club
February 21 Meeting (any time of his choosing between 10 and 1) on CDC's Roybal Campus

If neither of these are possible, we are happy to rethink dates.

Thanks as always for your help! Happy Veteran's Day – especially to you!
Chloe

Subject: RE: Division Director Call

We're going to confirm Thursday 21 Feb, 3-3:45pm for this call. Please mark calendars and Dee, let us know what we need to provide to have this moderated access. We can plan to do this call from the DCR, and we can use my office if needed as a control space.

Teresa, please prep the invite from R3's calendar, using the template we did last on 6/20/18. We'll discuss who and how the outreach to CIO & Div Dir's will be done shortly. Thx

Subject: Division Director Call

Gentlemen, sometime in February I suspect, the CDC Director would like to do a Division Director phone call. This call will involve between 100-150 phone attendees, and we may need to have it moderated, as well as controlling access to the call. Can you advise how best to proceed with arranging this, and what we'd need to do once we've determined the date & time for the call?

Many thanks!

Scott

Subject: CIO & Division Director Conference Call with CDC Director

Leaders and Colleagues:

Please join Dr. Redfield on **Thursday February 21st, from 3:00-3:45 p.m.** for a CIO Director & Division Director Conference Call. This will be an opportunity for the CDC Director to share important updates.

This call will have the incoming lines muted due to the expected high number of participants and to mitigate call disruptions from background noises.

Due to phone bridge size limitations, participants for this call should only be CIO Directors (+ Community of Practice Directors) and Division Directors (or your designee if unable to join). Please do not share call-in details with anyone else beyond your delegate if you cannot join.

Conference Call Details:

Will be provided by Wednesday, 20 February, after you've RSVP'd**

****Please RSVP before 1200-noon on Wednesday 20 February, to Brad Bartee (yxa0@cdc.gov) with your name (or delegate name) & organization title.**

- All callers should connect to the bridge line starting at 2:40 pm on the 20th to identify yourself to the moderator
- To be granted access to the call, invited participants must successfully RSVP and announce yourself to the moderator when connecting

If you have any questions or concerns, please contact Scott Scales (ixj3@cdc.gov) or Brad Bartee (yxa0@cdc.gov) for assistance.

Thank you in advance!

Scott Scales

All,

Please be aware that I have 2-day hotel reservations for R3 even though right now his agenda is for 1 night. I will need to cancel 24 hours in advance if he does not need that extra day. 😊

- HF KING SFBD

Room Description:

- High Floor King Room Hyatt Grand Bed: Cozy Corner Sofa-Sleeper

Nightly Rate per Room: February 5 - February 6 – 181.00 US DOLLARS

Type of Rate: SENIOR CITIZEN

Rate Information: For seniors age 62 and above, must show ID at check-in. Only 1 room per senior citizen. Rate is eligible to earn points and tier credit.

Additional Tax, Fees & Service Charges:

OCCUPANCY TAX: 14.95%

CANCELLATION POLICY:

TO AVOID 1 NIGHT FEE CANCEL 48HRS PRIOR TO CHECKIN TIME

Effective January 1, 2018, reservations confirmed or changed by World of Hyatt Explorist or Globalist members can be cancelled up to 24 hours before the hotel check-in time when the hotel's cancellation period stated above is not more than 48 hours. This 24-hour cancellation period benefit is not valid for stays at Hyatt Residence Club or Miraval resorts. It also does not apply: (i) to prepaid or non-refundable rates; (ii) when the cancellation period stated above is more than 48 hours; or (iii) for reservations booked at corporate negotiated or group contract rates. This benefit is based on a member's tier status at the time of cancellation. The hotel check-in time is stated above, and the cancellation windows are based on the hotel's local time.

Changes to the dates of stay, number of guests per room or number of rooms confirmed will be subject to current pricing which may be different than previously confirmed rates. Taxes and fees are subject to change based on dates of stay and local jurisdiction.

At Hyatt, the welfare and safety of our guests and colleagues is a top priority. It is Hyatt's practice to enter any occupied guest room at a minimum of once within a 24- hour period, even if a guest has requested privacy. Appropriate efforts are made to provide advance notice to the registered guest before entering an occupied guest room.

Earning World of Hyatt points and tier credit is subject to World of Hyatt complete Terms and Conditions.

Subject: FW: Hyatt Regency Washington on Capitol Hill - Confirmation - Robert Redfield - 05-Feb-2019 - 23441176

Hi Brad & Scott,

Here is the new hotel and reservation itinerary for this week. They still would not waive the cancellation fee for the previous reservations. Please let me know:

- Why the *initial* plans changed resulting in R3 no longer needing lodging
- Why now the initial agenda is back in place

*I have to justify this expense and make sure he gets reimbursed. 😊

Subject: RE: Partners in Health/Paul Farmer Event - Feb. 7

Sure, see below

- Will the audience for this event be primarily CDC staff or will it be open to others? Primarily non-CDC staff
- How many are expected to attend? 250
- Will media be invited to attend/cover? No
- How long would you like Dr. Redfield's opening remarks to be? 5-7 minutes
- Will Dr. Redfield introduce Paul Farmer? If so, can you provide us with his bio? My understanding is that he will be introducing both Paul Farmer and Bill Foege. I'm told he knows them both, but if we need to get bios, we can.
- If Dr. Redfield will not introduce Paul Farmer, can you let us know if he needs to introduce anyone and/or what you suggest for talking points? He will intro the Fireside Chat between Bill Foege and Paul Farmer, he should also make brief remarks about the importance of global health.

Hi Ashley-

Thanks for the email! I'm including Rachel Holloway here who I believe is the POC for this event. CDCW has no visibility on the coordination other than recommending that Dr. Redfield meet with him.

Thanks!
Aimee

Subject: Partners in Health/Paul Farmer Event - Feb. 7

Hi Miranda and Aimee,

I'm working on Dr. Redfield's opening remarks for this event and have a few questions bulleted below:

- Will the audience for this event be primarily CDC staff or will it be open to others?
- How many are expected to attend?
- Will media be invited to attend/cover?
- How long would you like Dr. Redfield's opening remarks to be?
- Will Dr. Redfield introduce Paul Farmer? If so, can you provide us with his bio?
- If Dr. Redfield will not introduce Paul Farmer, can you let us know if he needs to introduce anyone and/or what you suggest for talking points?

Thanks so much! Hoping to have this info before end of week if possible.

A Conversation with Paul Farmer

Logistical Items

Date: Thursday, February 7, 2019

Location: CDC Tom Harkin Communications Center, 1600 Clifton Road NE Atlanta, GA 30329

Security Information Link: <https://www.cdc.gov/museum/visitor.htm>

Registration Link: <https://www.eventbrite.com/e/global-health-atl-welcomes-dr-paul-farmer-of-pih-tickets-53971810137>

Anticipated Attendance: 250+

NOTE: Online public registration will cap at 200 to allow room for 50 CDC employees. Rob and Maria can also allow for some additions at their discretion.

Rates: This is a free event.

Handouts:

- GGHA Program Handout with speaker bios, headshots, agenda for event, and some member organization event promotions. These would be handed out to attendees.
- Luncheon booklet with information for each guest. To be handled by MAC
- Tent Cards for VIP guest at front rows.
- Badges: CDC Security to handle

AV:

- Main podium and mic will be used by Dr. Redfield and others.
- 2 clip mics for Dr.'s Farmer and Foegen
- No slides expected from speakers. BUT 1 slides to list Chamber and GGHA logos. Maria can email in advance.
- Streaming: CDC can provide - **details pending.**
- Recording: Yes-GGHA would like a copy for its YouTube page.

Catering for Lunch: Larry Couzens, Soiree Catering Atlanta, Phone: 404-467-1699, larry@soireecateringatlanta.com

Bus/Parking: **Shuttle Company:** Atlanta-VIP Ride, Inc. **Phone:** 404-429-5750

Pickup Information: Kroger at 1799 Briarcliff Rd NW, Atlanta, GA 30306, 8:30am - 1:30pm. There is one 30 person bus that will make trips from the designated parking lot to the CDC location approximately every 15 minutes. Rideshare services are advised to drop curbside near entrance to campus and for guests to walk the remainder to reduce delays with security at the gate.

Transport for Dr. Foegen: Maria Thacker Goethe will drive him to CDC and CDC will arrange someone to meet him and guide him to auditorium.

Event Description

Potential questions for Dr. Farmer and panel: *(this is how we envision them today, these types of questions will be adjusted based on the identity of the final panel, TBD in the coming few days)*

1. What are the challenges you have found in being the antidote to despair in underserved regions of the world? What are lessons learned from past challenges that most apply to areas of continuing opportunity?
 2. Sometimes measuring success is difficult, how do you know if you are making a difference or moving the needle in your efforts?
 3. How do you eliminate disease in lower income areas that have a lack of health infrastructure and where drug affordability is a real challenge?
 4. Can you share some examples of how you have worked with academia/universities in tackling public health challenges around the globe? What about industry partners? What about other non-profit organizations? How do you see those sectors working to solve global health problems? Are they siloed or do they play a role together?
 5. How can a student or employee in the public health sector, in a city like Atlanta, do things locally that can make an impact globally in underserved regions?
 6. Poor health systems in developing countries means a shortage of trained health care workers, inconsistent inventory of medical supplies, and inadequate surveillance systems and much more. Building a better health infrastructure, like many public health priorities, requires multi-level coordination. Can you touch on how public-private partnerships and empowering local communities and government are vital to improving systems. Can you provide an example? Lesson learned?
 7. Global health affects everyone because disease knows no borders. Though global health is a bi-partisan issue, serious global health challenges remain. CDC's work in global health security provides health protection for the United States, but it also protects US economic interests. What role should security stakeholders play in an integrated, comprehensive approach to health security? How can institutions work together to ensure resilience and efficiency in the face of public health emergencies caused by epidemics or conflicts?
-

Additional Questions Below.

11:00-11:25 am: Q&A

Moderator to facilitate, will have a question or two ready to facilitate audience interaction if needed

11:25 am: Closing Remarks

Rob Demont, Metro Atlanta Chamber: REffects on event and thanks speakers, CDC and attendees. Invites them to tour the CDC museum before leaving or while waiting for the bus.

11:35 am - 12:00 pm: Flexible time

Moderators discretion, if Q&A going well, can extend session beyond 11:35 am

If moderator ends session at 11:35 am, then discretion is up to Dr. Farmer on how he would like to spend the time until the *****HARD STOP***** at 12:00 pm.

12:00 pm - 2:00 pm: Private Luncheon with Atlanta Health Leaders and Dr. Paul Farmer and PIH team

Luncheon	Organization	Parking at CDC

Subject: RE: Monthly Coffee with the Director

Hi Teresa – We are coming to a close with the current CDC Director’s Coffee schedule for 2018. We have two remaining coffees that need to be scheduled. We need a date in January for Dr. Redfield’s coffee with selected invitees from NCHHSTP, and we need to reschedule CSELS whose coffee was cancelled in August due to Dr. Redfield’s travel comment on the day of the scheduled coffee. I am hoping we can plug in CSELS sometime in February 2019.

Thanks,

Llelwyn

Attendees for Coffee with the CDC Director

Center for Surveillance, Epidemiology, and Laboratory Services

Thursday February 21, 2019 9:00 AM – 10:00 AM

[Need to add Clifton location/Bldg./Floor/Room]

Name	Title	Description
Mary Bertulfo, MPH	Health Scientist, Surveillance and Data Branch, Division of Health Informatics and Surveillance	Mary Catherine is a Health Scientist at the Surveillance and Data Branch (SDB) within the Division of Health Informatics and Surveillance (DHIS) where she developed several innovative initiatives, such as the “Cadre of CORs,” interactive SharePoint site functions, and developing more effective conference, budget, and training tools. Mary Catherine holds a BA in Women’s Studies from the University of South Florida, a MPH from the University of Florida.
Angela Butler, MSPH, ASQ CQM/OE	Informatics and Data Systems Branch/CDC Biorepository - Quality Manager	Angela Butler is the Quality Manager for the CDC Biorepository (CBR), responsible for developing and implementing a comprehensive Quality Management System and preparing CBR for accreditation through CAP’s Biorepository Program. Previously, Angela was a laboratorian for the Laboratory Preparedness and Response Branch (LPRB), DPEI where she provided quality assurance guidance for the branch laboratory and validated new assays and instruments for use in the Laboratory Response Network (LRN). Before coming to the CDC she was the Lead Biological Scientist for the Florida Public Health Laboratory in Tampa for 13 years providing preparedness and response for public health emergencies.
Kelly Cordeira, MPH	Epidemiologist / Lead, Student Programs and Partnerships	Ms. Cordeira is an epidemiologist in CDC’s Epidemiology Workforce Branch where she leads education programs and partnerships focused on attracting young people to the field of public health—from equipping K-12 Science, Technology, Engineering, and Mathematics (STEM) teachers with public health knowledge and educational tools to bring back to their classrooms (such as through the CDC Science Ambassador Fellowship), to introducing medical and veterinary students to public health through experiential learning (such as through CDC’s Epidemiology Elective Program). Over the last 5 years, she has directly impacted over 250 student clinicians, 450 STEM teachers, and an estimated 1 million K-12 students worldwide. Before joining CDC, Ms. Cordeira served both domestically and internationally on a variety public health initiatives

		<p>focused on adolescent and school health; prior to that, Ms. Cordeira served as a middle and high school science teacher.</p> <p>NOTE: Kelly Cordeira is the February CDC Employee of the Month</p>
Ralph Cunningham, MPA	Program Management Officer, Division of Public Health Information Dissemination	Ralph Cunningham is the Program Management Officer for the Division of Public Health Information Dissemination. He joined CDC in 2005 as a Budget Analyst, supporting the Division of Strategic National Stockpile. Ralph started his federal career with the Internal Revenue Service as a Tax Examiner in 1989. Ralph received a Master in Public Administration from Troy University; and a Bachelor of Science in Business Administration from Lander College.
Lesliann Helmus, MS, CHTS-CP	Associate Director for Surveillance, Division of Health Informatics and Surveillance	Ms. Helmus is an experienced epidemiologist and public health informatician with over 25 years managing public health epidemiology and surveillance programs. Before assuming the DHIS Associate Director for Surveillance role, Ms. Helmus served as the program manager for the National Notifiable Diseases Surveillance System (NNDSS) and coordinated the NNDSS Modernization Initiative (NMI). Prior to that, she worked in public health at the Ohio and Virginia state health departments.
Stacy Howard, MT (ASCP)	Associate Director for Policy, Division of Laboratory Systems	Stacy Howard has over 30 years of combined experience in the areas of laboratory practice, public health policy, and federal rulemaking. In her role, she is responsible for overseeing policy and issues management portfolio within DLS. She is also responsible for providing management support to the CDC Sample Policy Board and guiding the development and revision of agency-wide operational policies pertaining to sample and biorepository management.
Martha Knuth, MLIS	Librarian, Stephen B. Thacker CDC Library	Martha Knuth, MLIS, is a librarian with the Stephen B Thacker CDC Library. She came to CDC after working in a variety of hospital, academic, and medical libraries. She loves helping fulfill the Stephen B. Thacker CDC library's mission of advancing science, health, and medicine through information in order to protect the health, safety, and security of the public.
Anamika Rajguru, MPH	Public Health Analyst, CSELS Office of the Director	Anamika Rajguru currently works in CSELS OD as an analyst, and recently developed the CSELS Conference Approval Portal (CCAP) to better facilitate Center conference coordination. Prior to her position in CSELS she worked in CPR as a project officer and subject matter expert on the Public Health Emergency Preparedness (PHEP) Cooperative Agreement. Rajguru received her MPH from Loma

		Linda University and worked at a county health department in Missouri as a health educator and emergency planner for several years prior to joining CDC in 2011.
Anilkrishna (Anil) Thota, MD, MPH	Acting Chief, Community Guide Branch, Division for Public Health Information Dissemination	Dr. Anil Thota is the acting chief of the Community Guide Branch, Division for Public Health Information Dissemination. The Community Guide Branch works closely with the Community Preventive Services Task Force. He oversees processes related to the prioritization, production and communication of evidence-based systematic reviews on the effectiveness and cost-effectiveness of diverse public health and healthcare system-based programs, services, and other interventions. Anil has a medical degree from Manipal University, India and a master's degree in public health from the Johns Hopkins Bloomberg School of Public Health.

Good Morning William,
Please see below for future Coffee with the Director Dates out till June.
Once you give us a thumbs up, we will put it on Dr. Redfield's calendar.

3/21/2019 – 9:30-10:30am
4/16/2019 – 9:30-10:30am
5/14/2019 – 9:30-10:30am
6/11/2019 – 9:30-10:30am

Teresa, for the March date, we will have to move our scheduling meeting with him to 10:30 unless he is willing to come in at 9:00 for the Coffee.
Let me know.

Thanks,
Brad

OK, Llewlyn also mentioned a trial with employee workgroups. Can we try the Young Professionals Network for the first one and see how that goes? I think the thought is that we will have exhausted all of our CIOs at some point and they want to involve as many different groups of employees as possible.

Attendees for Coffee with the CDC Director

National Center for HIV/AIDS, Viral Hepatitis, STD and TB Prevention

Thursday January 24, 2019 9:30 AM – 10:30 AM

[Need to add Clifton location/Bldg./Floor/Room]

Name	Title	Description
A. Jeanine Abrams, PhD	Team Lead, Phylogenetic Analyses Unit, Laboratory Reference and Research Branch Division of STD Prevention	A. Jeanine Abrams McLean, PhD, began her career at the CDC in November of 2013 within the Laboratory Reference and Research Branch of the Division of STD Prevention in NCHHSTP. Her work has involved applying her expertise in evolutionary biology and bioinformatics to aid our understanding of the development and spread of antibiotic resistance in <i>Neisseria gonorrhoeae</i> . She currently serves on the gonorrhea, chlamydia, and <i>Mycoplasma genitalium</i> team as unit lead for phylogenetic analyses.
Justin Davis, MPH	Policy Analyst Office of the Director Division of TB Elimination	Mr. Davis supports division and branch leadership in planning, directing, and coordinating national progress on issues related to controlling and preventing TB. Examples include leading or participating in the development and management of annual budget justifications, budget initiatives, partnerships, interagency relations, organizational goal setting and strategic planning, and congressional and stakeholder communications/response.
Zewditu Demisse, PhD, MPH	Team Lead Scientific Support and Innovation Team Division of Adolescent and School Health	Dr. Demissie joined CDC as an EIS Officer in 2010 and is a Lieutenant Commander in the US Public Health Service. Her research interests include obesity-related behaviors, injury/violence, mental health, sexual health, and health disparities. She has served in several USPHS leadership roles, most notably as a previous Atlanta Commissioned Officers Association President. She currently serves as the Chair of the CDC Mental Health Workgroup's Surveillance Subcommittee.
Cynthia Lyles, Ph.D.	Associate Deputy Director, Behavioral and Social Sciences Division of HIV/AIDS Prevention	Cindy Lyles, PhD, is the Associate Deputy Director for Behavioral and Social Sciences in DHAP, providing oversight and support for four branches focusing on 1) behavioral/social science research, 2) prevention communication, 3) program evaluation, and 4) statistics, data management, and cost/resource allocation modeling. Cindy came to CDC in 1999 from JHU where she was working as a lead Biostatistician supporting the analyses of several large observational cohort HIV studies in the US and abroad. Cindy was a Team Leader within the Prevention Research Branch (PRB) for 7 years

		leading key research synthesis and translation efforts. Cindy received two Bachelors (Math and Math-Ed) from the University of South Florida (1988) and MS (1993) and PhD (1996) in Biostatistics from the University of North Carolina at Chapel Hill.
Stanley Phillip, PhD	Branch Chief Prevention Program Branch Division of HIV/AIDS Prevention	Dr. Phillip received his B.S. in Biology from Rhode Island College. He received both his master's and doctoral degrees in Healthcare Administration from Central Michigan University. Dr. Phillip's public health career spans well over 25 years, joining CDC in 2005, serving as an HIV prevention project officer and responsible for the monitoring of numerous health department and community-based organization HIV prevention programs. Prior to his selection as the permanent chief, he served as the PPB Deputy Chief and Acting Chief of PPB.
Mike Purdy, Ph.D.	Team Lead, Virology Research Team, Laboratory Branch, Division of Viral Hepatitis	Dr. Purdy leads various research projects related to hepatitis A virus, its survivability under various environmental conditions, disinfectant potential of various commercially available products, understanding of the pathogenicity of various HAV isolates circulating in the United States. Dr. Purdy's team is also studying the replication kinetics of HBV wild-type and mutant isolates using tissue culture systems.
Crystal Spears-Jones, MPA	Public Health Analyst NCHHSTP Office of the Director	Mrs. Spears-Jones is currently the manager of Workforce Development and Capacity Building initiatives. She joined CDC as a Presidential Management Fellow in 2011 and was charged with developing NCHHSTP's Workforce Development and Capacity Building Action Plan strategies and NCHHSTP's Employee Viewpoint Survey (EVS) Action Plan. During her seven years at CDC, Crystal has consistently supported excellence by creating opportunities for enhancing staff skills and developing the NCHHSTP public health workforce.
Amy Stuckey, MPH	Deputy Management Official NCHHSTP Office of the Director	Ms. Stuckey serves as the Deputy Management Official for NCHHSTP. Amy started her career at CDC in 2001 as a Presidential Management Fellow in NCHHSTP/OD and has stayed with this Center ever since, working in the Division of HIV/AIDS (DHAP), the Division of TB Elimination (DTBE) and the Office of the Director. Amy began her career in public health program management first as Resource Funding Specialist, followed by serving as a Deputy Branch Chief, and then as Associate Director for Management and Operations in both DHAP and DTBE.

1. Contacts:

Logistics Specialist: Brad Bartee

Special Assistant/Staffer Accompanying: TBD

Event Contact: Ellie Faustino (UCLA Fielding School of Public Health), 650 Charles E. Young Drive South, 61-253 CHS, Los Angeles, CA 90095, efaustino@ph.ucla.edu, p: (310) 206-1141

2. Event Information:

Event Overview: Take part in the celebration of the CPSTF. The celebration was mentioned during last month's lunch between the Director and Dr. Fielding. Dr. Fielding is stepping down this summer as Chair of the CPSTF. Dr. Fielding wants the celebration to give attendees renewed confidence in the importance of evidence-based public health.

Audience: 250 guests, including everyone who has worked on the Community Guide since its inception, some who are current CDC employees, some retired, and some working outside of CDC, as well as current and past Task Force members, and current senior CDC employees.

Source Invitation: Yes on the 3/11 DL; Diana Yassanye (OCS): recommends other SLs should go as well. Dr. Schuchat recommends if available.

3. Dr. Redfield's Speech Information or Talking Points (TPs):

Dr. Redfield's Remarks/Presentation/TPs: TBD

Proposed Role, Topic, & Length of Presentation: TBD

4. Supporting/Logistics Materials:

Subject: RE: Community Guide Celebration - June 12
Date: Tuesday, March 5, 2019 10:08:20 AM

All,
Tracking. If Dr. Redfield is available and confirms, I'm requesting that Kyle, Sherri, and KLD all have the invite too.

Subject: FW: Community Guide Celebration - June 12

Hi Scott,

Should we add this one to the DL?

Also, Dr. Redfield has annual leave listed as "tentative" for June 10-14.

Thanks,
Teresa

Subject: Community Guide Celebration - June 12

Hi Teresa,

Dr. Fielding is working with Dr. Monroe's office at the CDC Foundation to organize a celebration of the work of the Community Preventive Services Task Force/Community Guide. The event will take place on the evening of June 12 in the Building 19 atrium. I believe Dr. Fielding mentioned this to Dr. Redfield when they had lunch together last month, but I wanted to follow up and see if you might be able to place a hold on Dr. Redfield's calendar for this date. We'll reach out with more information as plans are finalized!

Thanks so much,
Ellie

Subject: June 12 Community Guide Reception-question
Attachments: Community Guide Event Plan Draft-32519.docx

Hi Scott and Andrea—

Hope you're both doing well. I have a new job at CDCF serving as Judy's senior advisor, effective this week, and I have a question for both of you. (Caveat: thank you both in advance for your patience as I get situated in this new role!)

At Judy's request, we are working with Dr. Jonathan Fielding and the Community Guide Branch to coordinate a special reception that will be co-hosted by CDC Foundation and Dr. Fielding on the evening of June 12 at CDC. I'm attaching a confidential brief as it is still being planned at this point and we are still vetting it with Dr. Fielding.

We plan to send out invitations in mid-April, but we want to be sure that Dr. Redfield, Dr. Schuchat, Sherri Berger and Kyle are holding time on their calendars for the event. I believe Dr. Fielding would like Dr. Redfield to speak briefly (like 10 minutes), and Judy can reach out to him directly, but I wasn't sure what the process was to get it on the books. Do we need to fill out a form or send a formal request from Judy?

Please don't send this email out widely—I am just looking to both of you for advice about how to move the process forward so that I can get it going and report back to the team.

Thanks so much for your help!

Lisa

Subject: RE: CDC Internal Ebola Update (AMA Prep) - Tuesday, February 5, 2019 @ 9-9:30 a.m.

Hi Teresa – below is the call information for our Tuesday, February 5 Touch Base call with Field/Geneva. Please keep this close hold for Dr. Redfield’s use Tuesday. The purpose of the call is for small group information-sharing and discussion of significant science and partnership issues. Phone lines are limited to 50 and we have approximately 40 team leadership participants. If you have any questions, please let me know. Thank you!

Tuesday, February 5
7:30 – 8:30 a.m. EST

Subject: CDC Internal Ebola Update (AMA Prep) - Tuesday, February 5, 2019 @ 9-9:30 a.m.

Importance: High

Good afternoon,

Dr. Redfield will be traveling to DC on Tuesday, Feb. 5th and will be on the plane at the time of the scheduled CDC Internal Ebola Update (AMA Prep) scheduled from 9-9:30 a.m.

Would it be possible for Dr. Redfield to join your 7 a.m. touch base call on Feb. 5th ?

If so, could we use this time to update the Director and include him on the invite?

We will not have time to schedule an update before the Secretary's briefing.

Thank you for your consideration.

Best,

Teresa

Colleagues:

This email contains requests for information about speakers and logistics for the rescheduled *Ending the HIV Epidemic: A Plan for America* webinar. (I will send a second email with invitational information for federal employees to register.)

I apologize for the short notice—our new proposed date/time for the *Ending the HIV Epidemic: A Plan for America* webinar is Thursday, **February 28, 2019**, from **1:00–2:00 p.m. (ET)**. Thank you so much for working with us to reschedule and coordinate your principals' participation!

If Drs. Cheever, Fauci, and Redfield, and Rear ADM Weahkee will be able to join us on this new date, please let me know. If that is not possible, please ask them to designate someone to speak for your agency and let me know who that person will be ASAP.

Attached is the information your speakers will need to prepare for the event, and I will ask you to share it with them and any of your colleagues who will be handling logistics for your speaker. This way, everyone is in the loop.

The briefing materials include:

- Call-in information and slide information
- A draft script, including questions the facilitator, Dr. Tammy Beckham, will ask each speaker and some additional questions we anticipate will come up during the Q&A part of the webinar [**NOTE:** We have used your principals' names in the script. We will change names as necessary.]

Please let me know if you have questions.

Regards,
Miguel

Federal Employee Educational Webinar: *Ending the HIV Epidemic: A Plan for America*

Time: 1:00–2:00 p.m. (ET)

Date: Thursday, February 28, 2019

REQUESTS

- **HIGH PRIORITY:** Please send us contact information for the person in your office who will be handling logistics (name, cell phone, email) for the speaker by COB on Monday, February 25.
- Principals should dial in (or have their assistants dial in) to the call 15 minutes before the webinar is scheduled to begin (i.e., 12:45 a.m., ET) so that we can do some quick testing of the sound quality of the connection. If at all possible, we strongly recommend that speakers connect from a landline rather than a cell phone.
- **If your speaker would like to use slides during the webinar, please send them to me (miguel.gomez@hhs.gov) by COB on Tuesday, February 26.** The slides must be uploaded to the

webinar system ahead of time and we will not be able to accommodate changes beyond this deadline.

- While your principals do not need to register for the webinar, you may find it useful to register as a participant. Because of the way the platform works, you will need to [register for the February 28 webinar](#), even if you registered for the session that was canceled due to snow. Our apologies for the inconvenience.

INFORMATION

- **By 12:00 p.m. on Wednesday, February 27, you will get an email containing individual login information and instructions to help you log in to the webinar for your principal.** This login information is unique to each speaker and should not be shared.

DRAFT SCRIPT

See attached.

[NOTE: We have used your principals' names in the script. We will change names as necessary.]

Update

*The script you received earlier will change. **The only change is to the QA section.** There will be only two questions. We would like to ask Dr. Redfield to answer question #2 during the webinar. We also provided a sample answer. **Does this work for you all?***

See below.

Thanks, Miguel

Hi Amy,
Thanks very much for that information.

Molly, would you send me your cell phone number for any possible urgent questions right before the call?

Best,
Amanda

Hi, Amanda,
Thank you for this.

Dr. Redfield will not have slides.

Molly Gaines-McCollom (copied here) will be in the room with him during the webinar so please reach out to her day-of for any last minute comm questions.

I think you have everything you need from CDC but please advise.

Thanks!

Subject: Fair Labor Standards Act (FLSA) Mandatory Training

Hello Director Redfield:

BACKGROUND

CDC HRO is monitoring completion of the Department of Health and Human Services' (HHS) mandatory training on the [Fair Labor Standards Act \(FLSA\) for Managers, Supervisors, and Team Leads](#). The training takes only 30 minutes to complete and is accessible through the [HHS Learning Management System \(LMS\)](#). CDC is currently at 93% compliance and we need your cooperation. We will begin monitoring compliance levels quarterly until we reach 100% completion.

ACTION REQUESTS

Our records indicate that your current supervisory code meets the criteria for you to complete the mandatory FLSA training:

- The training is mandatory for all employees in positions classified with a **supervisory code "2" or "4"**. The training is also strongly recommended for employees in positions coded "5", "6" or "7".
- **Commissioned Corps Officers in supervisory positions coded "1"** in the Commissioned Corps HR System, must also complete the training.
- Managers and supervisors who assumed their roles **before December 2018**, should complete the training as soon as possible; 2) Managers and supervisors who assumed their roles **after December 2018** must complete the training within **90 days** of their appointment, regardless of their appointment authority.
- Register and complete [Fair Labor Standards Act \(FLSA\) for Managers, Supervisors, and Team Leads](#). You will receive supervisory training credit upon completion.

If you have any questions, contact [Jackie Fugua](#) at 470-270-5490 or [Joy Carrier](#) at 470-270-5570. As always, thanks for your support of the FLSA project initiatives.

Subject: **Logistics for Senate Appropriations, Labor-HHS Subcommittee Hearing**

Date: March 12, 2019

Hearing Date/Time: Thursday, March 14, 2019 at 10:00 am

Overview

The hearing will be held in room SD-124 of the Dirksen Senate Office Building.

You will be seated at the witness table in this order: Dr. Kadlec, Dr. Redfield, and Dr. Fauci. Your designated key staff member will sit directly behind you.

Admiral Robert Zimier from USAID is also testifying and will be seated next to you.

Chairman Blunt will introduce you from the dais. Chairman Blunt will make opening remarks, followed by Ranking Member Murray.

The planned order of testimony is Dr. Kadlec, Dr. Redfield, Dr. Fauci then Admiral Zimier.

Following your testimony, there will be five minute rounds of Qs & As, by order of member arrival. The Qs & As will go back and forth between the majority and minority. If there is time, a second round of Qs & As will be conducted. There will be no breaks. The hearing is expected to last two hours, however, it may run a little longer.

Arrival

We will arrive, clear security and proceed directly to the hearing room. You may have an opportunity to briefly talk to Chairman Blunt, Ranking Member Murray and other members of the subcommittee before the hearing.

Departure from Hearing Room

Once the hearing has concluded, you may want to walk across the well to thank the Chair and the members on the dais.

Room Logistics

When you are seated at the witness table, the majority will be to your right and minority to your left.

Subject: Fwd: Schedule DPC follow up mtg

Hi Tracie and Teresa,

In follow-up to the White House Domestic Policy Council meeting last Friday, Dr Redfield would like a meeting with the nchstp leadership next week. It should be: Dr Mermin, Jonathan brooks, Eugene McCray, Sara zeigler, Amanda and myself. And maybe more to be added :)

Let me know if you need any more info from me!

Heather

From: Campbell, Amanda (CDC/OD/OCS) <ons3@cdc.gov>

Date: March 18, 2019 at 1:02:14 PM EDT

To: Zeigler, Sara (CDC/DDID/NCHHSTP/OD) <zas7@cdc.gov>, Dennehy, Heather (CDC/DDNID/NCIPC/DVP) <kvz6@cdc.gov>

Subject: Schedule DPC follow up mtg

Hi Sara and Heather,

I spoke with Dr. Redfield this morning about the DPC meeting last Friday. While the meeting went well, there are a number of items to follow up on internal to CDC and he would like to meet next week with Jono, Eugene McCray, John Brooks, etc. to discuss

(b)(5)

(b)(5)

(b)(5)

augmentation of PHAP.

I had an opportunity to speak briefly with Jono this morning, so he is aware of Dr. Redfield's desire to meet and discuss these issues.

Please let me know if you have any questions and feel free to give me a call if that's easier. 470-316-2028

Thanks so much,
Amanda

Subject: Re: Need to reschedule Mar. 28 3:30pm meeting

Hi Teresa,

We need to find time to meet next week and then go ahead and set up a recurring meeting every 2 weeks with the group to provide regular updates to Dr Redfield.

From: Williams, Teresa (CDC/OD/OCS) (b)(6)
Date: March 19, 2019 at 12:03:16 PM EDT
To: Campbell, Amanda (CDC/OD/OCS) (b)(6)

Subject: FW: Need to reschedule Mar. 28 3:30pm meeting
Importance: High

Hi Amanda,

Please note the email below from Michael requesting that we reschedule the follow-up WH/ONDCP meeting.

The initial request was to schedule the meeting later in the week of March 25th. Dr. McCray and John Brooks are not available.

Dr. Redfield will be in DC April 1-4th. Okay to schedule the week of April 8th?

Please advise.

Thanks,
Teresa

Good afternoon,

Per the email below, Please advise if your Principal would be available Friday, March 29th from 9:30-10:15 a.m.

Please note, Dr. Redfield would like to schedule this meeting the week of March 25th.

Once we have confirmed the first meeting, I would forward you some options for scheduling these meetings bi-weekly.

Please let me know if you have any questions.

Thanks,
Teresa

Event Contact: Shana Beavin (CDC/OD/CDCWO) email: vu4@cdc.gov

2. Event Information:

Event Overview: Meet with the leadership of The Friends of NCBDDD to introduce the Director to the coalition, ask him for continued support of NCBDDD's work and to share examples of how their work is improving public health.

Purpose: to demonstrate the significant stakeholder support for the Center's activities and illustrate how important its work is to the constituencies The Friends of NCBDDD serve.

The Friends of NCBDDD is a coalition of government and private sector participants who work together to enhance the mission and activities of the National Center on Birth Defects and Developmental Disabilities (NCBDDD) in identifying the causes of birth defects and developmental disabilities; helping children to develop and reach their full potential; and promoting health and well-being among people of all ages with disabilities, including blood disorders. NCBDDD's work is described by the Center's four thematic areas: saving babies through birth defects prevention and research; helping children live to the fullest by understanding developmental disabilities; protecting people and preventing complications of blood disorders; and improving health of people with disabilities.

Executive Committee 2018: Chair, Rebecca Abbott, March of Dimes; Vice Chair, Sara Struwe, Spina Bifida Association; Membership Chairs, Diana Felner, Tourette Association of America; Communications Chair, Tanisha Clarke, Association of University Centers on Disabilities (AUCD); Secretary, Jennifer Pineo, New Hampshire Family Voices; Members-at-Large, Jane Correia, National Birth Defects Prevention Network (NBDPN); Daniel Crimmins, Georgia State Univ.; Peggy Helm-Quest, Wisconsin DoH Services; Pat Johnson, American Academy of Pediatrics; Nicole Pratt, The Statewide Parent Advocacy Network; Immediate Past Chair, and Adriane Griffen, Association of University Center on Disabilities (AUCD).

Source Invitation: Yes on the 11/26/18 DL.

Hi Team-

This is great. I have a couple questions! We originally talked about doing the Friends of NCBDDD meeting on Jan 21. Is this no longer the viable date? If it is the 3 or 4th, I need to know ASAP to make sure folks from the group can readjust their calendars. Hosting at CDCW is not a problem at all and we will make all the necessary accommodations and clearances for visitors.

On the SO meeting, I have not reached out at all as we were waiting for approval so am happy to do so if needed.

Thanks,
Shana

Good afternoon Elizabeth and Shana,

We can schedule each meeting for an hour.

I will hold the following times below on Dr. Redfield's schedule for Friends of NCBDDD and the meeting with Mr. Shriver, Special Olympics.

Friends of NCBDDD January 3rd 10:00 a.m. – 12:00 p.m.

Mr. Shriver, Special Olympics January 4th 10:00 a.m. – 12:00 p.m.

Please let me know if these times are unacceptable.

I look forward to hearing from you.

Best,
Teresa

Hi Shana –

I know you are working on setting up a meeting for the Friends of NCBDDD to meet with Dr. Redfield. Scott Scales informed me this morning that Dr. Redfield wants to have that meeting and wants to meet with Tim Shriver at CDC-W while he is in DC on January 3 & 4. I copied Teresa on this email to help us figure out times that work with Dr. Redfield's calendar.

I will work with Shriver's office on getting that meeting set up.

Thank you,

Elizabeth

Hi Elizabeth, R3 has agreed with trying to both of these meetings (Friends of NCBDDD and Special Olympics) during the 3-4 January window while he's working from CDC-Washington. Can you help facilitate them both coming to the CDCW offices to meet? Teresa Williams on my team can schedule with you if so... Thanks! -Scott

Thanks for sharing this. We are unlikely to have an answer back to you before the 8th of January, but I can also tell you that it's highly unlikely that he'd travel to attend in UAE. Jeremy will add this to the DL for just after the holidays and then we can let you know for certain.

As for the meeting with the Friends of NCBDDD and Tim from SO, we are meeting on Thursday with R3 so we should be able to let you know by Friday. We are also confirming his January DC days then too

Subject: FW: 2019 Special Olympics World Games Honored Guest Invitation

Hi Scott –

We received word that Special Olympics sent Dr. Redfield an invitation to the 2019 Special Olympics World Games in Abu Dhabi, United Arab Emirates as an Honored Guest. The event is scheduled for mid-March (info below). I just wanted to confirm that you all received this invitation – and if you have any questions.

Also – Have you all had any luck in figuring out when to schedule the Shriver/Redfield meeting? Any assistance we can provide?

Thank you,

Elizabeth

Jackie Kerber

Professional Staff Member
Senate Armed Services Committee

Jackie Kerber is a Majority Professional Staff Member on the Senate Armed Services Committee (SASC). She joined the SASC staff in January 2015. She is the Majority Staff Lead for Army O&M accounts on the Readiness Subcommittee. Her portfolio also includes chemical/biological defense, chemical demilitarization programs, energy and environmental programs, humanitarian assistance efforts, ammunition procurement, arsenals, and inventory management.

Ms. Kerber previously served as a Staff Assistant and Intern in the office of SEN John McCain (R-AZ). Her education includes a Bachelor's degree in Political Science and Government from James Madison University and a Master's degree in National Security and Strategic Studies from the Naval War College.

JONATHAN S. EPSTEIN

Dr. Epstein is a Counsel on the Senate Committee on Armed Services overseeing service-wide nuclear and strategic systems, chemical and biological defense, nonproliferation and space issues and Department of Energy nuclear weapons programs.

Immediately prior to his appointment to the Armed Services Committee, Dr. Epstein was a senior counsel on the Senate Energy and Natural Resources Committee with oversight responsibility of civilian nuclear energy, energy research and development at the Department of Energy, as well as DOD, nuclear weapons and nonproliferation and space issues on the personal staff of Senator Jeff Bingaman (D-NM). He participated in drafting the Energy Policy Acts of 2005 and 2007, as well as the America COMPETES Act based upon the National Academies Report “Rising Above the Gathering Storm”, as requested by Senators Lamar Alexander (R-TN) and Bingaman. This legislative was signed into law on August 8, 2007 and then re-authorized in December of 2010.

Dr. Epstein holds a Ph.D. in Engineering Science and Applied Mechanics from Virginia Polytechnic Institute. He was a post doctorate fellow at Oxford University. He has a law degree from the University of Idaho specializing in Intellectual Property and a LL.M. from Georgetown University Law Center in Securities and Financial Regulation. He was the Scientific Advisor to the Assistant Secretary of Defense for Nuclear, Chemical and Biological Defense Programs with responsibility for Special Forces programs to counter weapons of mass destruction for which he received the Joint Service Commendation (civilian) for his work in this effort. He worked at the Department of Commerce’s Bureau of Export Administration as a policy analyst reviewing high technology exports to India, Russia and China.

Dr. Epstein was a Carnegie Science Fellow at the Center for International Security and Arms Control at Stanford and an Assistant Professor at the Georgia Institute of Technology.

He is married to the former Jennifer Claire Wolfram of Idaho Falls, Idaho. They have two children, Madeline (age 11) and Bennett (age 5). The Epstein’s reside in Washington, DC.

As of March 2015

Jackie Kerber

Professional Staff Member
Senate Armed Services Committee

Jackie Kerber is a Majority Professional Staff Member on the Senate Armed Services Committee (SASC). She joined the SASC staff in January 2015. She is the Majority Staff Lead for Army O&M accounts on the Readiness Subcommittee. Captain James Hart (Jim)

U.S. Army
Legislative Liaison
Office of the Chief, Legislative Liaison

Captain Jim Hart is originally from Sunset Beach, North Carolina. He was commissioned as an Army Aviation Officer upon graduation from the United States Military Academy in May 2008.

Captain Hart attended the Aviation Officer Basic Course from July 2008 to July 2010 when he graduated as an AH-64D Apache pilot. He then reported to Fort Drum, NY where, he led an AH-64D Flight Platoon for eighteen months, including on a combat deployment to Eastern Afghanistan from October 2010 to October 2011. Upon redeployment, he was selected to serve as the Aide-de-Camp to the Deputy Commanding General – Support of the 10th Mountain Division.

Captain Hart next reported to Fort Bragg, N.C. where he was assigned to command an AH-64D flight company in the 82nd Combat Aviation Brigade from February 2014 to January 2016. As commander, Captain Hart led the company in employing attack and reconnaissance aviation in combat in Eastern Afghanistan and Southern Afghanistan from August 2014 to May 2015.

In 2016, Captain Hart was selected as an Army Congressional Fellow and reported to Washington D.C. In 2017, Captain Hart completed a fellowship in the office of U.S. Senator James M. Inhofe of Oklahoma, and now serves as a Legislative Liaison in the Army’s Office of the Chief Legislative Liaison. As such, Captain Hart manages legislative affairs for Army issues related to Homeland Defense, U.S. Army North, the Military District of Washington, Installation Security, Force Protection, CBRNE, Chemical-Biological Defense, Chemical Weapons Demilitarization, and Security Cooperation.

Captain Hart holds a Bachelor of Science degree from the United States Military Academy at West Point and a Master’s degree in Legislative Affairs from The George Washington University. He is a graduate of the Army’s Aviation Officer Basic Course and Maneuver Captains Career Course.

Captain Hart is an AH-64D Pilot in Command and Air Mission Commander, and has amassed over 1,400 military flight hours, including 1,100 in combat. His military awards and decorations include the Bronze Star Medal, the Meritorious Service Medal, the Air Medal (2 Awards), the Army Commendation Medal (4 Awards), the Combat Action Badge, the Army Aviator Badge, the Air Assault Badge, the Army Staff Identification Badge, and the German Armed Forces Proficiency Badge (Gold).

Captain Todd Copeland

U.S. Navy
Legislative Affairs
Defense Threat Reduction Agency

Todd Copeland earned a Bachelor of Science degree in English from the U.S. Naval academy in 1996. Following undergrad, he obtained a Master’s degree in National Security and Strategic Policy from the U.S. Naval War College in 2007. In 2009, Captain Copeland was a

Deputy Requirements Officer for the Office of the Chief of Naval Operations (OPNAV).

He then climbed the ranks of the U.S. Navy, holding the position of Executive Officer (VT-31) in 2012, Commanding Officer (VT-31) in 2013, and a Deputy for Plans and Assessments (stationed in Bahrain) in 2014.

After his naval career, Captain Copeland joined the Chairman of the Joint Chiefs of Staff as Branch Chief in 2015. In addition to his current role with the Joint Lessons Learned Division, he became a Legislative Liaison for the Defense Threat Reduction Agency at Fort Belvoir in 2018.

He currently resides in Sterling, Virginia with his wife and two children.

Randolph W. Long (Randy)

Deputy Director
Cooperative Threat Reduction Directorate
Defense Threat Reduction Agency

Mr. Long is currently the Deputy Director of the Cooperative Threat Reduction (CTR) Directorate for the Defense Threat Reduction Agency (DTRA). He holds a Bachelor's degree in political science and economics from Texas Christian University (TCU) in Fort Worth, TX, and a Master's degree in International Relations / Defense and Security Studies from The American University in Washington, D.C. He is a member of the Defense Acquisition Corps, and is level 3 certified in Program Management. He is also level 2 certified in Business, Cost, and Finance through the Defense Acquisition University. He has over 20 years of Department of Defense civilian experience working for DTRA, the Missile Defense Agency, the Army, and the Navy – as well as private industry experience as a contractor.

Within DTRA, he was the Chief of Staff for the Intelligence and Plans Directorate from 2011-2016. He was also the Acting Chief of Staff for the Research and Development Enterprise at DTRA from 2010-2011. During this time, he served as the Crisis Action Team lead, coordinating and leading Enterprise support to Operation Tomodachi and Operation Unified Protector. From 2009 to 2010, Mr. Long was competitively selected to serve on the Agency's Directors Acting Group, working special projects for the Director and agency leadership. From 2007-2009, Mr. Long worked in DTRA's Research and Development Enterprise, Chemical and Biological Directorate performing strategic planning, programming, and budgeting actions for the Directorate.

From April 2004 to February 2007, Mr. Long worked for the U.S. Army / PEO Soldier serving as the Team Lead / Financial Manager for PEO Soldier's Small Arms and Weapons programs, where he managed an annual RDTE and procurement portfolio of \$500M. He served on numerous source selection teams to award major RDTE and production contracts, and developed a cost-estimating model for use in an ACAT 2 program.

From August 2002 to April 2004, he worked as a Program Analyst for the Missile Defense Agency / Targets and Countermeasures Directorate co-managing a \$200 million dollar annual RDTE portfolio. Prior to this assignment, Mr. Long supported the National Missile Defense program for six years as a support contractor, working all facets of the PPBE system, analyzing cost, schedule, and performance reports, and developing cost estimates for the ACAT 1D program.

Mr. Long also has private industry experience with defense contractors, to include supporting configuration management activities for the US Navy's F-18C/D foreign military sales program, as well as working for Citibank while in graduate school.

Mr. Long has two children. In his free time he enjoys sports, spending time with his wife and kids, and playing bass and acoustic guitar.

Joint Statement

Global Health Security Partnership: Department of Defense and the Centers for Disease Control and Prevention

Purpose

To strengthen U.S. national security through a strategic partnership in global health security between the Department of Defense (DoD) and the Centers for Disease Control and Prevention (CDC). This will enable:

1. **Strengthened Partner Country Health Security.** Detecting and containing biothreats at their source will make the United States more secure.
2. **Enhanced Partner Country Capability.** Partner nations' capabilities to prevent outbreaks effectively and respond to outbreaks early and rapidly and care for their populations' health will decrease U.S. assistance requirements and increase global health security.

Background

Strategic Foundation

A Priority Action of the U.S. National Security Strategy is to "Detect and contain biothreats at their source." This strategy further states: "We will work with other countries to detect and mitigate outbreaks early to prevent the spread of disease. We will encourage other countries to invest in basic health care systems and to strengthen global health security across the intersection of human and animal health to prevent infectious disease outbreaks. And we will work with partners to ensure that laboratories that handle dangerous pathogens have in place safety and security measures."

Past Efforts

Both the DoD and the CDC have contributed to global health security work for many years. These efforts have utilized each agency's core capabilities, international relationships, and geographic presence to support their individual missions and the overall U.S. national security posture. Examples include DoD's overseas laboratories and CDC's expert assistance with disease diagnostics and surveillance, outbreak investigations, and training host country field epidemiologists and laboratorians. The DoD and the CDC have successfully worked collaboratively on global health security efforts such as the 2014 West Africa Ebola outbreak, H7N9 influenza surveillance, and through CDC staff embedded in DoD laboratories around the world.

Although successful, these efforts have lacked a strategic interagency framework to prioritize efforts, inform planning, and guide allocation of resources. The threat from emerging and re-emerging infectious diseases continues to increase and evolve due to multiple factors, including changes to the environment, population movement, and increasing urbanization. These challenges highlight the compelling need for the DoD and the CDC to be strategic, intentional, and integrated in their global health security activities.

Joint Statement

**Global Health Security Partnership: Department of Defense
and the Centers for Disease Control and Prevention****Integrated Approach***Multisectoral Strategy*

Health security is a multisectoral domain, which necessitates involvement by a plurality of government partners. Both the DoD and the CDC play important roles in U.S. health security, and they recognize this complementary contribution among counterparts in other nations. These counterparts, chiefly Ministries of Defense (MoD), Ministries of Health (MoH), and Ministries of Agriculture (MoA), are all responsible for the health and healthcare of their respective populations, and, unlike the United States, some MoDs also provide healthcare to their country's civilian populace. This multisectoral mosaic of public health and healthcare delivery contributes to a country's health security composition. The CDC has long-standing relationships with MoHs, and increasingly with MoAs, and the DoD has formed robust partnerships with MoDs. The DoD and the CDC can most effectively contribute to global health security through an integrated and well-defined engagement with these partner ministries.

Africa Start

Although health security strengthening is a global need, Africa's rapid growth, geopolitical complexities, constrained resources, and unique health threats make it a priority area for increased U.S. health security efforts. The potential benefit of helping African partner nations build robust and sustainable health security capabilities and capacities extends well beyond the health of their citizens and ours. These same capabilities and capacities enable them to contribute to regional security and reduce the threats from Violent Extremist Organizations and reduce reliance on U.S. strategic competitors -- all key U.S. Africa Command Campaign objectives. Therefore, we plan to make Africa the initial focus of a new, strategic partnership to enhance global health security. We will work with the Joint Staff, U.S. Africa Command, and the CDC to operationalize this partnership. This effort will inform our partnership's eventual expansion to other geographic regions and will globally enhance health security.

Summary

Biological threats to U.S. national security are increasing at a concerning rate. Both the CDC and the DoD are subject to the constraints of the current health security environment, but we also see the *opportunity to work together in a multisectoral strategic partnership that prioritizes efforts and guides the investment of existing resources.* We are resolved to this end.

FOUO

Joint Statement

**Global Health Security Partnership: Department of Defense
and the Centers for Disease Control and Prevention**

Handwritten signature of Robert Redfield in blue ink.

Robert Redfield
Director, Centers for Disease
Control and Prevention

Handwritten signature of Tom McCaffery in blue ink.

Tom McCaffery
Principal Deputy Assistant Secretary of
Defense for Health Affairs

**MEETING WITH SENATE ARMED SERVICES COMMITTEE (SASC)
PROFESSIONAL STAFF, COUNSEL, & ACCOMPANYING DOD OFFICIALS
MS. JACKIE KERBER, MAJORITY/CHAIRMAN JAMES INHOFE (R-OK)
DR. JONATHAN EPSTEIN, MINORITY/RANKING MEMBER JACK REED (D-RI)**

Monday, February 11, 2019: 10:30AM-10:45AM

- [After introductions] Thank you for visiting
- CDC partners closely with the Department of Defense, and that relationship is a high priority for me
- [Mention your experience at Walter Reed]
- The collaborations between CDC and DOD are critical to public health around the world
 - DTRA:
 - acute febrile illness and zoonotic disease surveillance;
 - respiratory pathogens detection;
 - biosafety/security, and emergency response.
 - Global health security, outbreak detection and response
 - Will hear a lot about this today – Ebola, etc.
- CDC is interested in continuing (and expanding) its collaboration with DOD
 - CDC liaisons to DOD
- Initiative to end the HIV epidemic

[NEXT (10:45AM-11:45AM): EOC tour and discussion of coordination during responses]

BACKGROUND

- Senate Armed Services Committee professional staff member **Ms. Jackie Kerber** (majority/Chairman James Inhofe (R-OK)) and Counsel **Dr. Jonathan Epstein** (minority/Ranking Member Jack Reed (D-RI)) requested CDC visit after an overseas trip with DTRA during which they learned about DTRA/CDC collaboration.
- CDC and DTRA have an MOU, exchanged liaisons, and have a Joint Steering Committee that oversees the partnership.
- DTRA-CDC Interagency Agreement runs Jan. 1 to Dec. 31. Development of the CY20 IAA will begin soon.
- The CY19 IAA is now active, with \$21.7M in funding. Countries in which CDC activities are supported include: Cambodia, Cameroon, Ethiopia, India, Iraq, Kazakhstan, Kenya, Laos, Liberia, South Africa, Senegal, Tanzania, Thailand, Uganda, Ukraine, Uzbekistan, and Vietnam. There are also two regional projects, AFRICOM/Africa CDC and CENTCOM, and two HQ-level tasks: an introductory epi course for CBEP staff and joint regional planning. The first plan will address West Africa.
- CDC received \$18.3M from DTRA in CY 18. Countries in which DTRA supported CDC activities in CY18 include: Cambodia, Cameroon, Ethiopia, Georgia, India, Iraq, Kazakhstan, Kenya, Laos, Malaysia, Senegal, South Africa, Tanzania, Thailand, Turkey, Uganda, Ukraine, Uzbekistan, and Vietnam.

Sen. Jack Reed (D-RI)

Ranking Member of the U.S. Senate Armed Services Committee

Biography

Residence: Jamestown

Born: November 12, 1949; Providence, RI

Religion: Catholic

Family: Wife, Julia Reed; one child

Education: U.S. Military Academy, B.S. (engineering) 1971; Harvard University, M.P.P. 1973, J.D. 1982

Military: Army 1971-1979; Army Reserve 1979-1991

Career: Attorney

CDC Funding for Rhode Island (FY 2017): \$31,495,235

Political Career Highlights

First Elected: 1996 (4th term)

Latest Election: 2014 (71%)

Political Highlights: R.I. Senate (1985-1991); U.S. House (1991-1997)

Committees: Appropriations (Transportation, Housing & Urban Development, & Related Agencies – Ranking Member); Armed Services – Ranking Member; Banking, Housing, & Urban Affairs

Caucuses: Dairy Farmer; Fire Services

Sen. Reed Background/Position

- Sen. Reed is especially knowledgeable about military and defense issues, but has delved into other issues, including: financial regulation, affordable housing, and health care.
- While serving on the Health, Education, Labor, and Pensions Committee, he made FDA oversight one of his top priorities, including pushing for FDA regulation of tobacco.
- Sen. Reed has also pursued domestic HIV/AIDS prevention policy, including providing medications and support services for the uninsured and underinsured.
- Sen. Reed is the author of the bipartisan Conquer Childhood Cancer Act, which requires CDC to create a childhood cancer registry system to improve surveillance and reporting.
- He has also worked on other child health issues, including creating a new program to combat lead poisoning in communities with the highest rates of lead-poisoned children, and State Children's Health Insurance Program (SCHIP) expansion.
- Sen. Reed has shown interest in a number of specific health issues, including:
 - In FY 2011, asked CDC how it would continue to reach the individuals served with the American Recovery and Reinvestment Act (ARRA) programs after funding was exhausted.
 - He also questioned cuts in FY 2011 budget to the blood disorders (specifically, hemophilia) and inflammatory bowel disease/Chron's disease programs.
- He also successfully sponsored legislation on Trauma Care Systems Planning and Development in 2007.

Last Updated: February 7, 2019

Senator Reed's Interests

- **Cancer Registries:** Sen. Reed is the author of the bipartisan Conquer Childhood Cancer Act, signed into law July 2008.
- **Childhood Lead Poisoning:** Sen. Reed worked to create a new program to combat lead poisoning in communities with the highest rates of lead poisoned children. As a result, Rhode Island received over \$47.2 million in federal lead abatement funding, the most per capita of any state in the nation.
- **Children's Health:** Sen. Reed led the effort to fully fund an extension of CHIP, providing \$49 million to preserve coverage for over 24,000 Rhode Islanders.
- **HIV/AIDS - Research and Domestic:** Rhode Island Receives Over \$3.3 Million to Help People with HIV (April 2008).
- **Trauma Care:** In May 2007, President George W. Bush signed Reed's Trauma Care Systems Planning and Development Act into law.
- **Vaccine/317:** In FY 2011, he questioned how CDC would continue to reach individuals after ARRA funding was exhausted.
- **Hemophilia:** In FY 2011, he questioned cuts to the blood disorders lines.
- **Inflammatory bowel disease/Crohn's disease/ulcerative colitis:** In FY 2011, he questioned cuts to Chron's – colitis program.

Recent CDC Interactions

- Sen. Reed's staff inquired about state-specific information on acute flaccid myelitis. **(Nov. 2018)**
- Sen. Reed's staff inquired about Rhode Island applications for SPAN and REACH awards. **(Oct. 2018)**
- Sen. Reed wrote to the CDC Director to support the grant application for the Rhode Island Department of Health (DOH) for funding through CDC's State Physical Activity and Nutrition Program. **(Aug. 2018)**
- Sen. Reed wrote to the CDC Director to support the grant application for the Rhode Island DOH for funding through CDC's Innovative State and Local Public Health Strategies to Prevent and Manage Diabetes and Heart Disease and Stroke program. **(Aug. 2018)**
- Sen. Reed's staff inquired on behalf of SHD about changes to chronic disease FOAs. **(July 2018)**
- Sen. Reed and 11 other Senators wrote to the HHS Secretary and EPA Administrator regarding the release of CDC/ATSDR's PFAS report. **(June 2018)**
- Sen. Reed's staff visited CDC headquarters during a UNF sponsored trip. **(April 2018)**
- Sen. Reed wrote to the CDC Director to support the grant application for the Green and Healthy Homes Initiative for funding through CDC's Strengthening Public Health Systems and Services Through National Partnerships to Improve and Protect the Nation's Health program. **(April 2018)**
- CDC's NCEZID briefed Sen. Reed's staff with an overview of the Division of Global Migration and Quarantine. **(Oct. 2016)**
- CDC Director spoke by phone to Sen. Reed about the possibility of an emergency fund and the need to keep pushing Zika funding. **(June 2016)**
- CDC participated by phone in a Zika roundtable discussion in Rhode Island – sponsored by Sen. Reed. **(May 2016)**

Sen. James M. Inhofe (R-OK)

Chairman of the U.S. Senate Armed Services Committee

Biography

Pronounced: IN-hoff

Residence: Tulsa

Born: Nov. 17, 1934; Des Moines, Iowa

Religion: Presbyterian

Family: Wife, Kay Inhofe; four children

Education: U. of Tulsa, B.A. 1973

Military Service: Army 1957-1958

Career: Real estate developer; insurance executive

CDC Funding for Oklahoma (FY 2017): \$36,300,212

Political Career Highlights

First Elected: 1994 (5th term)

Latest Election: 2016 (68%)

Political Highlights: OK House (1967-1969); OK Senate (1969-1977); Republican nominee for governor (1974); Republican nominee for U.S. House (1976); Mayor of Tulsa (1978-1984); defeated for re-election as mayor of Tulsa (1984); U.S. House (1987-1994)

Committees: Armed Services (Chair); Commerce, Science, & Transportation; Environment & Public Works (Transportation & Infrastructure – former Chair); Small Business & Entrepreneurship

Caucuses: Adoption; Fire Services; hazards; Sportsmen’s; Veterans Jobs

Senator Inhofe Background/Position

- Sen. Inhofe travels every week to Oklahoma's farm country to speak directly with farmers and ranchers and listen to their needs.
- Human Events publication ranked the senator as number one out of the “Top 10 Most Outstanding Conservative Senators.”
- Former Mayor of Tulsa, Oklahoma.
- Does not believe in climate change.
- Inhofe was the first recipient of the U.S. Air Force Academy's Character and Leadership Award for his character and leadership in public service.
- Inhofe voted against federal disaster relief, most notably in the case of relief for the 24 states affected by Hurricane Sandy.

Senator Inhofe’s Interests

- **Healthcare:** Sen. Inhofe co-sponsored the Expanding Capacity for Health Outcomes (ECHO) Act, which requires HHS to study models using interactive videoconferencing to link specialist teams with primary care providers in rural and underserved areas. (Nov. 2016)

Recent CDC Interactions

- CDC Washington Director briefed Rep. Inhofe’s staff on the Santa Susana Field Laboratory. (**Nov. 2015**)
- NCEH/ATSDR Director briefed Sen. Inhofe’s staff and staff to Sens. Tom Udall and Michael Crapo on disease clusters. (**May 2015**)

Last Updated: February 7, 2019

DTRA and CDC Collaborate to Reduce Biological Threats in India

The Defense Threat Reduction Agency (DTRA) and Centers for Disease Control and Prevention (CDC) partnership supports DTRA's responsibility to safeguard the United States and its allies from global WMD threats and CDC's responsibility to protect America from health, security, and safety threats through the prevention of disease outbreaks, preparedness for new health threats, and response. **This collaboration enables each agency to leverage the other's strengths and expertise and increase their collective impact beyond what one agency could likely achieve alone.**

For more than a decade, CDC and DTRA have worked together on important projects to ensure partner countries have the capability to detect, diagnose, surveil, and report dangerous infectious diseases, thereby defending the U.S. homeland by addressing biological threats at the source while strengthening health security around the world. Among the programs DTRA implements, the Cooperative Threat Reduction (CTR) Program is one of CDC's closest partners. Together, CTR and CDC have trained frontline disease detectives, established infectious disease surveillance systems, and built laboratory and diagnostic capacity for especially dangerous pathogens (EDPs). These capabilities, and CDC's expertise, are critical to the success of CTR's mission, focused on diseases caused by EDPs (e.g., Ebola virus, Anthrax, highly pathogenic Avian influenza virus,). In turn, the partner countries can leverage the capabilities CDC and CTR provide to address a broad range of health security concerns.

India: Critical Partner in Global Biological Threat Reduction

With a population of 1.3 billion and counting, India is the second largest country in the world by population, and for that reason alone is a critical player in the global fight against biological threats, such as emerging and re-emerging deadly and novel pathogens with pandemic potential. In addition, human and farm animal populations live in close proximity, heightening the risk of zoonotic disease transmission and potential for new dangerous disease strains. High-consequence pathogens that cause diseases such as Anthrax, Brucellosis, Rickettsiosis, and Viral Hemorrhagic Fevers—classified in the United States as select agents requiring strict safety

and security procedures for research and handling—are endemic in several Indian states. **Working together, CTR and CDC are strengthening India's ability to prevent accidental or deliberate releases of dangerous pathogens and reducing the associated threat of a deadly disease outbreak.**

Greater Impact Together:

- **Partner Buy-in:** CDC and CBEP have built credibility and trust with the Indian government through joint work at an initially small number of facilities, which over time attracted the attention and support of India's Ministry of Health and Family Welfare (MoHFW), National Health Mission (NHM), National Center for Disease Control (NCDC), Indian Association of Medical Microbiologists (IAMM), and other national organizations.
- **Broader Reach:** The impact of the CBEP and CDC initiatives is being magnified as the Indian government and non-governmental organization adopt, institutionalize, and utilize them across the country.
- **Taxpayer Value:** The engagement of the Indian government and other national stakeholders in implementing, institutionalizing, and sustaining these initiatives allows for the achievement of mutual U.S.-Indian health security goals with minimum outlay of U.S. taxpayer funds.

DTRA and CDC Collaborate to Reduce Biological Threats in India

What We Are Doing

- CTR:** CTR is supporting enhancements at seven (7) district laboratory headquarters in Madhya Pradesh through laboratory design, training, and coordination to meet international standards. When completed, these facilities will receive and process samples from over 40+ laboratories in the state and streamline the current disease detection network while reducing the number of facilities potentially handling samples with highly infectious diseases. CTR continues to support biosecurity and biosafety training, mentorship, and workshops to promote the use of international best practices while reducing accidental or intentional biological events. The Program is utilizing collaborative research projects to better understand disease prevalence in India and bolster disease surveillance. Finally, CTR is supporting sample collection, packaging, transportation, and receiving training for the safe and appropriate transportation of specimens/potentially infectious materials according to the Dangerous Goods Regulations under the International Air Transport Association.
- CDC:** CDC-India has supported the Ministry of Health and Family Welfare, Government of India, to conduct detailed assessments of 160 laboratories across several states and analyzed the gaps in areas of laboratory infrastructure, human resource, equipment/reagent, diagnostic test capacity, training and biorisk management status. CDC-India is working in close association with union and state governments to bridge these gaps beginning with a pilot in Madhya Pradesh. The proposed activities include: laboratory redesign/restructuring to ensure safe and efficient working and sample handling, integration of all laboratory resources, centralized collection and testing of clinical samples, regular (induction & refresher) trainings of staff on microbiological skills, quality management systems and biorisk management.
- TOGETHER:** The combination of CTR's acquisition agility and CDC subject-matter expertise had an impact greater than either agency alone. CTR and CDC will use their knowledge of biosecurity, biosafety, disease detection, laboratory design to enhance capacity for disease diagnosis of priority dangerous pathogens. The strengthening of the seven (7) district laboratory headquarters linked with nearby districts for specimen referral will help India rapidly detect and contain emerging and reemerging diseases in Madhya Pradesh. The Republic of India plans to leverage this pilot as a model for other states to meet their National Laboratory Strengthening Initiative.

How This Project Met CTR Strategic Objectives	How This Project Met CDC Strategic Objectives
Enhanced partner government's biosafety and security capability to prevent accidental or deliberate release of dangerous pathogens, thereby both preventing potentially devastating disease outbreak that threatens regional and global security and protecting U.S. citizens.	Enhanced the government's ability for laboratory based surveillance of Infectious disease along with enhanced ability to detect and manage emerging and reemerging disease outbreaks and public health events in a more timely and efficient manner, thereby facilitating the containment of events that could become regional or global.

Josh Hawley (R-MO)	

Subcommittees

Subcommittee on Airland

- **Responsibilities:** Army planning and operations policy and programs (less space, cyber, and special operations); Air Force planning and operations policy and programs (less nuclear weapons, space, cyber, and special operations).
- **Special additional area:** National Guard and Reserve planning and operations policy and equipment.
- **Oversight of budget accounts:** Army and Air Force research, development, test, and evaluation (RDT&E) and procurement (less technology base, space, cyber, nuclear weapons, special operations, and ammunition).

Subcommittee on Cybersecurity

- **Responsibilities:** Policies and programs related to cyber forces and capabilities.
- **Oversight of budget accounts:** Information Technology base RDT&E; cyber-related operational test and evaluation; RDT&E and procurement supporting cyber capabilities; combating cyber threats and attacks; cyber-related train and equip programs.

Subcommittee on Emerging Threats and Capabilities

- **Responsibilities:** Policies and programs related to science and technology, special operations, intelligence, counterterrorism, security cooperation, strategic and information operations, countering weapons of mass destruction, and homeland defense.
- **Oversight of budget accounts:** Technology base RDT&E; operational test and evaluation; RDT&E and procurement supporting special operations and low-intensity conflict capabilities; peacekeeping operations; chemical and biological warfare defense; chemical demilitarization; and security cooperation programs, including counternarcotics.

Subcommittee on Personnel

- **Responsibilities:** Military and DOD civilian personnel policies; end strengths for military personnel; military personnel compensation and benefits; military health care; and military nominations.
- **Special additional areas:** Professional Military Education; DOD schools; DOD child care and family assistance; Civil-military programs; POW/MIA issues; Armed Forces Retirement Home; Morale, Welfare and Recreation; and military commissaries and exchanges.
- **Oversight of budget accounts:** Military personnel; military retirement; Defense Health Program; DOD Medicare-Eligible Retiree Health Care Fund; and operation and maintenance for certain education and civil-military programs.

Subcommittee on Readiness and Management Support

- **Responsibilities:** Military readiness including training, logistics, and maintenance; military construction; housing construction and privatization; contracting and acquisition policy; business and financial management; base realignment and closure; and defense energy and environmental programs.
- **Special additional areas:** Conventional ammunition procurement; RDT&E infrastructure; National Defense Stockpile; defense industrial and technology base policies; facility and housing maintenance and repair; land and property management; information technology management policy (excluding cyber); and industrial operations, including depots, shipyards, arsenals, and ammunition plants.
- **Oversight of budget accounts:** Operation and maintenance; RDT&E support programs; conventional ammunition procurement; military construction and family housing; base realignment and closure; working capital funds; the National Defense Stockpile Transaction Fund.

Subcommittee on Seapower

- **Responsibilities:** Navy and Marine Corps programs.
- **Special additional areas:** Maritime issues.
- **Oversight of budget accounts:** Navy and Marine Corps procurement and RDT&E; National Sea-Based Deterrence Fund; and National Defense Sealift Fund.

Subcommittee on Strategic Forces

- **Responsibilities:** Nuclear and strategic forces; arms control and non-proliferation programs; space programs; Department of Energy defense nuclear, and defense environmental management programs; and ballistic missile defense.
- **Oversight of budget accounts:** Procurement and RDT&E for DOD nuclear and strategic forces, missile defense, space systems, Department of Energy defense and non-proliferation programs.

10:45 – 11:45 am: EOC Tour/Coordination during Responses Discussion

10:45 – 10:55 am – Dr. Steve Redd

Dr. Redd to provide overview of the EOC, how the EOC is utilized for tracking/forecasting, and how it's used during outbreaks

- Situational awareness/where data comes from
- Triggers for activating EOC (rather than handling at Center level)
- Staffing/functions during outbreak (CIOs/IM, DOD, liaisons, EOC/logistics, etc.)

Give roadmap for Tour/brief introduction of CGH, NCEH, and NCEZID (and also introduce individuals right before their Center presents)

[if not attending working lunch – mention CPR's role in GHSA/building EOCs]

10:55 – 11:05 am – Dr. Ray Arthur & Dr. John Vertefeuille

Dr. Arthur to provide overview of CGH's Global Disease Detection Program

- Note role as co-lead of CDC's Ebola response in DRC; EOC not yet activated response

Dr. Vertefeuille to speak to CDC's continued effort to eradicate Polio as example of CDC experience in working in areas of conflict

11:05 – 11:15 am – Dr. Pat Breyse & Dr. Jim Pirkle

Dr. Pirkle to provide overview of NCEH lab/collaboration with DOD on radiation and chemical exposures

11:15 – 11:25 am – Dr. Henry Walke & Dr. Satish Pillai

Dr. Pillai to speak to his experience working on various responses (eg: Zika, Ebola)

- Discuss Partnerships with DOD including LRN and sharing of assays

11:25 – 11:45 am – Discussion and Q&A with staffers

12:00 – 1:00 pm: Working Lunch Discussion: CDC's Global Health Work

12:00 – 12:20 pm – Dr. Rebecca Martin (CGH)

- Open discussion/have everyone introduce themselves
- Provide overview of CGH and the GHSA framework
- Discuss partnerships with DOD

12:20 – 12:30 pm – Dr. Nancy Messonnier (NCIRD)

- Provide overview of IRD and NCIRD's role in GHSA
- Discuss partnerships with DOD

12:30 – 12:40 pm – Dr. Rima Khabbaz and Dr. Joel Montgomery (EZID)

- Provide overview of EZID and NCEZID's role in GHSA
- Discuss partnerships with DOD

12:40 – 12:50 pm – Dr. Steve Redd (CPR) **may not be able to join working lunch**

- Mention CPR's role in GHSA/building EOCs
- Discuss partnerships with DOD

12:50 – 1:00 pm – Discussion and Q&A with staffers

1:15 – 2:15 pm: Global Epidemics Discussion

1:15 – 1:30 pm – CGH (TBD)

- Provides overview of how CDC conducts its overseas operations to look at outbreaks of potential epidemics that could threaten the U.S.
- Discusses early warning systems for detecting outbreaks
- Provides examples of outbreak response efforts (including in areas of conflict)

1:30 – 1:45 pm – NCIRD (TBD)

- Provides overview of NCIRD's role in outbreak detection and response as it pertains to respiratory diseases/immunization efforts
- Discusses early warning systems for detecting outbreaks focusing on flu
- Outlines modelling tools for tracking/forecasting outbreaks (and how CDC works with other agencies, including DOD in our modelling efforts)
- Discusses sample sharing of flu virus internationally and how CDC coordinates with other nations

1:45 – 2:00 pm – Dr. Inger Damon and Dr. Joel Montgomery (EZID)

- Provides overview of NCEZID's role in outbreak detection and response
- Discusses early warning systems for detecting outbreaks; outlines modelling tools for tracking/forecasting outbreaks (and how CDC works with other agencies, including DOD in our modelling efforts)
- Discusses sample sharing internationally and how CDC coordinates with other nations; and provides examples of outbreak response efforts (including in areas of conflict)

2:00 – 2:15 pm – Discussion and Q&A with staffers

2:30 – 3:15 pm: Influenza Lab Tour

Dr. Dan Jernigan will escort delegation from Building 21 to 17 for the tour

Jackie Kerber

Professional Staff Member
Senate Armed Services Committee

Jackie Kerber is a Majority Professional Staff Member on the Senate Armed Services Committee (SASC). She joined the SASC staff in January 2015. She is the Majority Staff Lead for Army O&M accounts on the Readiness Subcommittee. Her portfolio also includes chemical/biological defense, chemical demilitarization programs, energy and environmental programs, humanitarian assistance efforts, ammunition procurement, arsenals, and inventory management.

Ms. Kerber previously served as a Staff Assistant and Intern in the office of SEN John McCain (R-AZ). Her education includes a Bachelor's degree in Political Science and Government from James Madison University and a Master's degree in National Security and Strategic Studies from the Naval War College.

Jonathan S. Epstein

Professional Staff Member
Counsel on the Senate Armed Services Committee

Dr. Epstein is a Counsel on the Senate Armed Services Committee (SAC) overseeing service-wide nuclear and strategic systems, chemical and biological defense, nonproliferation and space issues, and Department of Energy nuclear weapons programs. He also currently serves as a Professional Staff Member on the Senate Armed Services Subcommittee on Strategic Forces.

Immediately prior to his appointment to the Armed Services Committee, Dr. Epstein was a senior counsel on the Senate Energy and Natural Resources Committee with oversight responsibility of civilian nuclear energy, energy research, and development at the Department of Energy, as well as DOD, nuclear weapons and nonproliferation, and space issues on the personal staff of Senator Jeff Bingaman (D-NM). He participated in drafting the Energy Policy Acts of 2005 and 2007, as well as the America COMPETES Act based upon the National Academies Report "Rising Above the Gathering Storm," as requested by Senators Lamar Alexander (R-TN) and Bingaman. This legislative was signed into law on August 8, 2007 and then re-authorized in December 2010.

Dr. Epstein holds a Ph.D. in Engineering Science and Applied Mechanics from Virginia Polytechnic Institute. He was a post doctorate fellow at Oxford University. He has a law degree from the University of Idaho specializing in Intellectual Property and a LL.M. from Georgetown University Law Center in Securities and Financial Regulation. He was the Scientific Advisor to the Assistant Secretary of Defense for Nuclear, Chemical, and Biological Defense Programs with responsibility for Special Forces programs to counter weapons of mass destruction for which he received the Joint Service Commendation (civilian) for his work in this effort. He worked at the Department of Commerce's Bureau of Export Administration as a policy analyst reviewing high technology exports to India, Russia, and China.

Dr. Epstein was a Carnegie Science Fellow at the Center for International Security and Arms Control at Stanford and an Assistant Professor at the Georgia Institute of Technology.

He is married to the former Jennifer Claire Wolfram of Idaho Falls, Idaho. They have two children, Madeline and Bennett. The Epstein's reside in Washington, D.C.

Captain James Hart (Jim)

U.S. Army
Legislative Liaison
Office of the Chief, Legislative Liaison

Captain Jim Hart is originally from Sunset Beach, North Carolina. He was commissioned as an Army Aviation Officer upon graduation from the United States Military Academy in May 2008.

Captain Hart attended the Aviation Officer Basic Course from July 2008 to July 2010 when he graduated as an AH-64D Apache pilot. He then reported to Fort Drum, NY where, he led an AH-64D Flight Platoon for eighteen months, including on a combat deployment to Eastern Afghanistan from October 2010 to October 2011. Upon redeployment, he was selected to serve as the Aide-de-Camp to the Deputy Commanding General – Support of the 10th Mountain Division.

Captain Hart next reported to Fort Bragg, N.C. where he was assigned to command an AH-64D flight company in the 82nd Combat Aviation Brigade from February 2014 to January 2016. As commander, Captain Hart led the company in employing attack and reconnaissance aviation in combat in Eastern Afghanistan and Southern Afghanistan from August 2014 to May 2015.

In 2016, Captain Hart was selected as an Army Congressional Fellow and reported to Washington D.C. In 2017, Captain Hart completed a fellowship in the office of U.S. Senator James M. Inhofe of Oklahoma, and now serves as a Legislative Liaison in the Army’s Office of the Chief Legislative Liaison. As such, Captain Hart manages legislative affairs for Army issues related to Homeland Defense, U.S. Army North, the Military District of Washington, Installation Security, Force Protection, CBRNE, Chemical-Biological Defense, Chemical Weapons Demilitarization, and Security Cooperation.

Captain Hart holds a Bachelor of Science degree from the United States Military Academy at West Point and a Master’s degree in Legislative Affairs from The George Washington University. He is a graduate of the Army’s Aviation Officer Basic Course and Maneuver Captains Career Course.

Captain Hart is an AH-64D Pilot in Command and Air Mission Commander, and has amassed over 1,400 military flight hours, including 1,100 in combat. His military awards and decorations include the Bronze Star Medal, the Meritorious Service Medal, the Air Medal (2 Awards), the Army Commendation Medal (4 Awards), the Combat Action Badge, the Army Aviator Badge, the Air Assault Badge, the Army Staff Identification Badge, and the German Armed Forces Proficiency Badge (Gold).

Captain Todd Copeland

U.S. Navy
Legislative Affairs
Defense Threat Reduction Agency

Todd Copeland earned a Bachelor of Science degree in English from the U.S. Naval academy in 1996. Following undergrad, he obtained a Master’s degree in National Security and Strategic Policy from the U.S. Naval War College in 2007. In 2009, Captain Copeland was a

Deputy Requirements Officer for the Office of the Chief of Naval Operations (OPNAV).

He then climbed the ranks of the U.S. Navy, holding the position of Executive Officer (VT-31) in 2012, Commanding Officer (VT-31) in 2013, and a Deputy for Plans and Assessments (stationed in Bahrain) in 2014.

After his naval career, Captain Copeland joined the Chairman of the Joint Chiefs of Staff as Branch Chief in 2015. In addition to his current role with the Joint Lessons Learned Division, he became a Legislative Liaison for the Defense Threat Reduction Agency at Fort Belvoir in 2018.

He currently resides in Sterling, Virginia with his wife and two children.

Randolph W. Long (Randy)

Deputy Director
Cooperative Threat Reduction Directorate
Defense Threat Reduction Agency

Mr. Long is currently the Deputy Director of the Cooperative Threat Reduction (CTR) Directorate for the Defense Threat Reduction Agency (DTRA). He holds a Bachelor's degree in political science and economics from Texas Christian University (TCU) in Fort Worth, TX, and a Master's degree in International Relations / Defense and Security Studies from The American University in Washington, D.C. He is a member of the Defense Acquisition Corps, and is level 3 certified in Program Management. He is also level 2 certified in Business, Cost, and Finance through the Defense Acquisition University. He has over 20 years of Department of Defense civilian experience working for DTRA, the Missile Defense Agency, the Army, and the Navy – as well as private industry experience as a contractor.

Within DTRA, he was the Chief of Staff for the Intelligence and Plans Directorate from 2011-2016. He was also the Acting Chief of Staff for the Research and Development Enterprise at DTRA from 2010-2011. During this time, he served as the Crisis Action Team lead, coordinating and leading Enterprise support to Operation Tomodachi and Operation Unified Protector. From 2009 to 2010, Mr. Long was competitively selected to serve on the Agency's Directors Acting Group, working special projects for the Director and agency leadership. From 2007-2009, Mr. Long worked in DTRA's Research and Development Enterprise, Chemical and Biological Directorate performing strategic planning, programming, and budgeting actions for the Directorate.

From April 2004 to February 2007, Mr. Long worked for the U.S. Army / PEO Soldier serving as the Team Lead / Financial Manager for PEO Soldier's Small Arms and Weapons programs, where he managed an annual RDTE and procurement portfolio of \$500M. He served on numerous source selection teams to award major RDTE and production contracts, and developed a cost-estimating model for use in an ACAT 2 program.

From August 2002 to April 2004, he worked as a Program Analyst for the Missile Defense Agency / Targets and Countermeasures Directorate co-managing a \$200 million dollar annual RDTE portfolio. Prior to this assignment, Mr. Long supported the National Missile Defense program for six years as a support contractor, working all facets of the PPBE system, analyzing cost, schedule, and performance reports, and developing cost estimates for the ACAT 1D program.

Mr. Long also has private industry experience with defense contractors, to include supporting configuration management activities for the US Navy's F-18C/D foreign military sales program, as well as working for Citibank while in graduate school.

Mr. Long has two children. In his free time he enjoys sports, spending time with his wife and kids, and playing bass and acoustic guitar.

Sen. Jack Reed (D-RI)

Ranking Member of the U.S. Senate Armed Services Committee

Biography

Residence: Jamestown

Born: November 12, 1949; Providence, RI

Religion: Catholic

Family: Wife, Julia Reed; one child

Education: U.S. Military Academy, B.S. (engineering) 1971; Harvard University, M.P.P. 1973, J.D. 1982

Military: Army 1971-1979; Army Reserve 1979-1991

Career: Attorney

CDC Funding for Rhode Island (FY 2017): \$31,495,235

Political Career Highlights

First Elected: 1996 (4th term)

Latest Election: 2014 (71%)

Political Highlights: R.I. Senate (1985-1991); U.S. House (1991-1997)

Committees: Appropriations (Transportation, Housing & Urban Development, & Related Agencies – Ranking Member); Armed Services – Ranking Member; Banking, Housing, & Urban Affairs

Caucuses: Dairy Farmer; Fire Services

Sen. Reed Background/Position

- Sen. Reed is especially knowledgeable about military and defense issues, but has delved into other issues, including: financial regulation, affordable housing, and health care.
- While serving on the Health, Education, Labor, and Pensions Committee, he made FDA oversight one of his top priorities, including pushing for FDA regulation of tobacco.
- Sen. Reed has also pursued domestic HIV/AIDS prevention policy, including providing medications and support services for the uninsured and underinsured.
- Sen. Reed is the author of the bipartisan Conquer Childhood Cancer Act, which requires CDC to create a childhood cancer registry system to improve surveillance and reporting.
- He has also worked on other child health issues, including creating a new program to combat lead poisoning in communities with the highest rates of lead-poisoned children, and State Children's Health Insurance Program (SCHIP) expansion.
- Sen. Reed has shown interest in a number of specific health issues, including:
 - In FY 2011, asked CDC how it would continue to reach the individuals served with the American Recovery and Reinvestment Act (ARRA) programs after funding was exhausted.
 - He also questioned cuts in FY 2011 budget to the blood disorders (specifically, hemophilia) and inflammatory bowel disease/Chron's disease programs.
- He also successfully sponsored legislation on Trauma Care Systems Planning and Development in 2007.

Last Updated: February 7, 2019

Senator Reed's Interests

- **Cancer Registries:** Sen. Reed is the author of the bipartisan Conquer Childhood Cancer Act, signed into law July 2008.
- **Childhood Lead Poisoning:** Sen. Reed worked to create a new program to combat lead poisoning in communities with the highest rates of lead poisoned children. As a result, Rhode Island received over \$47.2 million in federal lead abatement funding, the most per capita of any state in the nation.
- **Children's Health:** Sen. Reed led the effort to fully fund an extension of CHIP, providing \$49 million to preserve coverage for over 24,000 Rhode Islanders.
- **HIV/AIDS - Research and Domestic:** Rhode Island Receives Over \$3.3 Million to Help People with HIV (April 2008).
- **Trauma Care:** In May 2007, President George W. Bush signed Reed's Trauma Care Systems Planning and Development Act into law.
- **Vaccine/317:** In FY 2011, he questioned how CDC would continue to reach individuals after ARRA funding was exhausted.
- **Hemophilia:** In FY 2011, he questioned cuts to the blood disorders lines.
- **Inflammatory bowel disease/Crohn's disease/ulcerative colitis:** In FY 2011, he questioned cuts to Chron's – colitis program.

Recent CDC Interactions

- Sen. Reed's staff inquired about state-specific information on acute flaccid myelitis. **(Nov. 2018)**
- Sen. Reed's staff inquired about Rhode Island applications for SPAN and REACH awards. **(Oct. 2018)**
- Sen. Reed wrote to the CDC Director to support the grant application for the Rhode Island Department of Health (DOH) for funding through CDC's State Physical Activity and Nutrition Program. **(Aug. 2018)**
- Sen. Reed wrote to the CDC Director to support the grant application for the Rhode Island DOH for funding through CDC's Innovative State and Local Public Health Strategies to Prevent and Manage Diabetes and Heart Disease and Stroke program. **(Aug. 2018)**
- Sen. Reed's staff inquired on behalf of SHD about changes to chronic disease FOAs. **(July 2018)**
- Sen. Reed and 11 other Senators wrote to the HHS Secretary and EPA Administrator regarding the release of CDC/ATSDR's PFAS report. **(June 2018)**
- Sen. Reed's staff visited CDC headquarters during a UNF sponsored trip. **(April 2018)**
- Sen. Reed wrote to the CDC Director to support the grant application for the Green and Healthy Homes Initiative for funding through CDC's Strengthening Public Health Systems and Services Through National Partnerships to Improve and Protect the Nation's Health program. **(April 2018)**
- CDC's NCEZID briefed Sen. Reed's staff with an overview of the Division of Global Migration and Quarantine. **(Oct. 2016)**
- CDC Director spoke by phone to Sen. Reed about the possibility of an emergency fund and the need to keep pushing Zika funding. **(June 2016)**
- CDC participated by phone in a Zika roundtable discussion in Rhode Island – sponsored by Sen. Reed. **(May 2016)**

Last Updated: February 7, 2019

Sen. James M. Inhofe (R-OK)

Chairman of the U.S. Senate Armed Services Committee

Biography

Pronounced: IN-hoff

Residence: Tulsa

Born: Nov. 17, 1934; Des Moines, Iowa

Religion: Presbyterian

Family: Wife, Kay Inhofe; four children

Education: U. of Tulsa, B.A. 1973

Military Service: Army 1957-1958

Career: Real estate developer; insurance executive

CDC Funding for Oklahoma (FY 2017): \$36,300,212

Political Career Highlights

First Elected: 1994 (5th term)

Latest Election: 2016 (68%)

Political Highlights: OK House (1967-1969); OK Senate (1969-1977); Republican nominee for governor (1974); Republican nominee for U.S. House (1976); Mayor of Tulsa (1978-1984); defeated for re-election as mayor of Tulsa (1984); U.S. House (1987-1994)

Committees: Armed Services (Chair); Commerce, Science, & Transportation; Environment & Public Works (Transportation & Infrastructure – former Chair); Small Business & Entrepreneurship

Caucuses: Adoption; Fire Services; hazards; Sportsmen’s; Veterans Jobs

Senator Inhofe Background/Position

- Sen. Inhofe travels every week to Oklahoma's farm country to speak directly with farmers and ranchers and listen to their needs.
- Human Events publication ranked the senator as number one out of the “Top 10 Most Outstanding Conservative Senators.”
- Former Mayor of Tulsa, Oklahoma.
- Does not believe in climate change.
- Inhofe was the first recipient of the U.S. Air Force Academy's Character and Leadership Award for his character and leadership in public service.
- Inhofe voted against federal disaster relief, most notably in the case of relief for the 24 states affected by Hurricane Sandy.

Senator Inhofe’s Interests

- **Healthcare:** Sen. Inhofe co-sponsored the Expanding Capacity for Health Outcomes (ECHO) Act, which requires HHS to study models using interactive videoconferencing to link specialist teams with primary care providers in rural and underserved areas. (Nov. 2016)

Recent CDC Interactions

- CDC Washington Director briefed Rep. Inhofe’s staff on the Santa Susana Field Laboratory. (**Nov. 2015**)
- NCEH/ATSDR Director briefed Sen. Inhofe’s staff and staff to Sens. Tom Udall and Michael Crapo on disease clusters. (**May 2015**)

Hello Scott,

To follow up on Dr. Redfield's participation in the Heart Month Leadership Challenge, would anyone be able to take a few nice photos of Dr. Redfield walking up the main stairwell in building 19? If the photographer could stand at the top of the stairwell facing away from the windows, this would minimize any security concerns. Please let me know if this is possible. Feel free to email or call if you have any questions.

Thank you,
Kelsey

Hi Heather,

I plan to log off around 7pm today, but would like to let the FDA know who Dr. Gottlieb should challenge in his Monday AM video (Redfield or Schuchat). I realize you may still be in a meeting with Dr. Redfield, but if you already know his interest level in the Heart Month Challenge, would you mind sending me a quick email?

Thanks again,
Kelsey

Subject: RE: Heart Month Leadership Challenge

Hi Heather,

NIH did not give us a specific time frame, but I have been monitoring activity on Twitter and the longest turnaround time is from NIH director Collins to Gottlieb, which will have a 6 day turnaround. Katherine Lyon Daniel recommended that we have a Dr. Redfield with his wife to highlight how a supportive family can help you stay healthy. Most of the HHS principles are talking about how they stay heart healthy in the videos, but if this does not seem feasible given the quick turnaround and script clearance, we would be happy with a

video of Dr. Redfield and his wife walking and holding hands and we will include cleared language in the actual Tweet instead of the video. Let me know if you think this is possible or if you have any ideas that may be easier to accomplish on short notice. Below are the two Heart Month Challenge videos by HHS principles currently on Twitter:

NHLBI director Gibbons on 2/4:

https://twitter.com/nih_nhlbi/status/1092515888241278976

NIH director Collins on 2/5:

<https://twitter.com/NIHDirector/status/1092912198492528640>

Feel free to call me if you need more details.

Thanks so much,
Kelsey

Subject: RE: Heart Month Leadership Challenge

Hi Kelsey,

Nice to meet you! I'm with Dr. Redfield in calls until 6/6:30 so I can raise this with him then. Sorry if this is a silly question, but, if he is interested, are there any logistical concerns with timing and getting this done in time, given his travel the next couple weeks?

Thanks!

Heather

Subject: RE: Heart Month Leadership Challenge

Hi Hugh and Heather,

Gottlieb is filming his challenge on Monday at 11:45am and will need to be filmed saying who he is challenging. If you do not think Dr. Redfield is interested in participating, we can ask Gottlieb to challenge Schuchat instead. Please let us know your thoughts.

Thanks so much,
Kelsey

Subject: FW: Heart Month Leadership Challenge

Hi Hugh & Heather- I'm looping you in with Kelsey Schwarz, new to the social media team. She'll be taking over as POC for Dr. Redfield's social media. We're trying to figure out how to best engage Dr. Redfield on the Heart Month Challenge on social media that NIH initiated. See message below. We're hoping to get a short video (or photo, but preferably a video) of him talking about how he stays "heart healthy".

Are either of you able to help us gauge his interest in this? The other HHS principles are participating and we'd hate for him to miss out.

Thanks!

Jay H. Dempsey, M.Ed.

Subject: RE: Heart Month Leadership Challenge

Hi Kate and Lauren!

Some additional details –

The theme for the month is #OurHearts. NHLBI is asking people to share a fun picture or short video that shows what they and their heart-healthy colleagues, friends, family, or team are doing to motivate each other. NHLBI just launched a new #OurHearts interactive U.S. map that will aggregate social media posts around the country using this hashtag.

They are specifically starting an HHS leadership challenge for the month, similar to last year. Each member of the HHS leadership team who accepts the challenge is asked to make a short video or take a photo to tweet. The tweet will feature a video or photo of the person (with team/friends/family) talking about American Heart Month and challenging other agencies to get involved in working together to improve #OurHearts. Example: We're taking a new approach to our team meeting today and have it while walking for #OurHearts. What is your team doing?

- Dr. Gibbons will post a tweet on Friday, February 1 from @nih_nhlbi to kick off the challenge and directly challenge Dr. Collins along with other NIH Institutes to participate.
- Dr. Collins will post a tweet on Monday, February 4 to further kick off the challenge and tag someone else in HHS leadership.
 - i. Dr. Collins is planning on make a selfie video of him and his wife walking (not riding) up the very long Metro escalator at the Medical Center stop on the Red Line. He will start filming at the bottom, make a speech about this free Stairmaster and what good cardio exercise it is, stop the video, and then start back in at the top, slightly out of breath but smiling, and then challenge the other HHS OPDIV heads.
- NHLBI will highlight the posts on the #OurHearts website and also re-tweet the videos/photos.
- The challenge will last for all 4 weeks of February with Institutes and agencies accepting and challenging one another.

Please let me know if you are open to a challenge!

Many thanks,
Kim

Subject: Heart Month Leadership Challenge

Hi Kate and Lauren,

NIH is planning to do another Heart Month leadership challenge on social media this February. Kim, copied here, can provide more details about NHLBI's plans. I'm going to follow up with Roman to gauge the Secretary's interest, although I anticipate that he will likely participate.

Please feel free to coordinate directly with one another. Happy to help with anything else you may need from me.

~ Stephanie

2. **Event Information:**

Event Overview: www.gapha.org

Purpose: The GPHA Annual Meeting and Conference will impact not only the lives of the public health professionals who attend, but also the lives of all the Georgians and citizens those professionals will reach upon their return. This year's theme is Public Health Foundation for a Healthy Georgia: Inform, Prevent, Protect, Promote. The annual conference offers presentations on cutting-edge research and best practice models including the opioid epidemic, vector-borne and infectious disease surveillance, chronic disease prevention, lead poisoning prevention and Public Health Accreditation.

GPHA is an association of individuals and organizations working to improve the public's health. Vision: Healthy Georgians, living in healthy communities. Mission: to advocate for conditions in which all people and communities can be healthy; to promote the scientific foundation of public health practice and policy; and to assure a continuous voice broadly representing public health in Georgia.

Source Invitation: Yes on the 1/28/19 DL

3. **Dr. Redfield's Speech Information or Talking Points (TPs):**

Dr. Redfield's Remarks/Presentation/TPs: TBD

Proposed Role, Topic, & Length of Presentation: Present opening plenary remarks (30 – 45 min., Q & A if possible) on the response to the opioid crisis, HIV, and the Director's vision on how the CDC will achieve its mission, and continued support for local and state public health agencies.

RE: Speaker Invitation: 90th Annual Georgia Public Health Association Meeting and Conference

Dear Dr. Redfield,

On behalf of the Georgia Public Health Association, we are pleased to invite you to the 90th Georgia Public Health Association Annual Meeting and Conference, May 7-9, 2019, in Atlanta, Georgia. A strong public health system serves as the foundation for healthy communities. This fact provided guidance as we selected a theme for the 2019 conference, "Public Health: Foundation for a Healthy Georgia," to demonstrate the important role local and state public health staff play in their community.

The annual conference offers presentations on cutting-edge research and best practice models including the opioid epidemic, vector-borne and infectious disease surveillance, chronic disease prevention, lead poisoning prevention and Public Health Accreditation.

It is an honor and privilege to invite you to participate as the conference opening plenary speaker May 8, 2019. We look forward to your thoughts and encouragement on the response to the opioid crisis, HIV and your vision on how the CDC will achieve its mission, and continued support for local and state public health agencies.

Please do not hesitate to contact me at 404-657-6534 or chris.rustin@dph.ga.gov with any questions you may have. Thank you for considering this request.

Sincerely,

Chris Rustin, DrPH, MS, REHS

Hi Scott-

We have confirmed the E&C O&I Member briefing on Ebola for Tuesday, April 2 at 3pm in Rayburn 2322. Mitch will likely staff this one in addition to 1-2 others from our office. May we please confirm on Dr. Redfield's calendar?

Thanks in advance!
Aimee

Subject: Clearance items from CDCW - March 4

Hi Everyone-

Below is today's bundle. We are requesting approval for the first request, which is ***Member-level.*** The Subcommittee specifically asked for Dr. Redfield to brief them given his upcoming trip to DR. Mitch approved the other since it's ***staff-level.*** ASL is aware of both requests. Including Scott for visibility of the Redfield request.

-
Please let us know if you approve, and if you have any questions or concerns.

Thanks!
Aimee

Request: In-person briefing with ***Members*** of the E&C O&I Subcommittee on the Ebola outbreak in DRC

Audience/attendees: bipartisan Members of the E&C Committee

Background: Counsel to the E&C O&I Subcommittee requested a briefing for Members of Subcommittee to hear updates about the Ebola outbreak in DRC. They specifically requested that Dr. Redfield brief them upon his return from DRC. **Note:** ASL is aware.

CDC Briefers: Dr. Redfield, CDC Director

Time/Attendance: week of March 25 or April 1

Request: Phone briefing with ***minority staff*** of the E&C Health Subcommittee and ***staff*** to Rep. Morgan Griffith (R-VA) on RxCheck (and language added to the FOA that is congruent with DOJ language in their FOA requiring funds be used in a certain manner), and information on how RxCheck works.

Audience/attendees: minority staff to the E&C Health Subcommittee and staff to Rep. Griffith

Background: aforementioned staff requested a briefing to learn more about RxCheck.
Note: CDC received this request via ASL.

CDC Briefers: Grant Baldwin, Wes Sargent, and Sarah Bacon, NCIPC/DUIP

Time/Attendance: March 5 at 2pm

Subject: House Energy and Commerce (E & C) Oversight and Investigations (O & I) Subcommittee Member Briefing on Ebola - April 2 at 3pm

Hi Tracie-

The room for the E&C O&I briefing tomorrow at 3pm has changed to: Rayburn 2322.

Hugh – we can adjust the header to the TPs if necessary and print for R3.

Thanks,
Aimee

Logistics Specialist: TBD

Special Assistant/Staffer Accompanying: TBD

Event Contact: Mike Samet (Hamilton County Public Health Dept.), O: 513-946-7873, C: 513-484-5511, mike.samet@hamilton-co.org

2. Event Information:

Event Overview: the event will bring together federal, state, and local legislators from Southwest OH, as well as key representatives from 5 healthcare systems to celebrate 100 years of public health in OH and to ramp up a new initiative to reduce new HIV cases in the area. CDC has provided EpiAid services for this area.

Audience: 250 Public Health professionals and local elected officials.

<https://www.hamiltoncountyhealth.org/>

Source Invitation: Yes on the 3/11/19 DL and confirmed on 3/22/19 with R3. Georgia Moore (CSTLTS) recommends. Hamilton County OH is one of the counties on the HIV elimination list and is 2 hours driving distance from Indianapolis and Marion County, also on the list. Dr. Schuchat recommends and can combine with NIOSH visit.

3. Dr. Redfield's Speech Information or Talking Points (TPs):

Dr. Redfield's Remarks/Presentation/TPs: TBD

Proposed Role, Topic, & Length of Presentation: Present remarks (30 min.) on 100 years of public health accomplishments and the reduction in new HIV cases, which is hosted by the Hamilton County Public Health Dept. that serves 480,000 citizens, including Cincinnati, OH.

The Director's planning team asked if you could provide a few bullets on the following. They will include in the Director's trip briefing.

Bio of Staff

Rosa I Cuevas Ruíz, BS, MLS
Molecular Bacteriology Laboratory

Rosa I Cuevas graduated from the Interamerican University Metropolitan Campus with a B.S. in Biology and immediately after completed her certification as a Medical Technologist (MT). After graduation, she started her year of public service as an MT in the Puerto Rico Department of Health Public Health Laboratory where she has remained as laboratory staff for the past 24 years. She has participated in the investigation and response of multiple outbreaks where she helped implement and validate multiple CLIA certified tests. In 2015, she was promoted to Lab Supervisor and has been in charge of multiple laboratory areas since. Such areas include the Bacteriology Lab, Parasitology Lab, PFGE Lab, and the Media Production and Scientific Services Lab. Mrs. Cuevas has secured CDC funding through the ELC cooperative agreement and most recently the Crisis cooperative agreements.

Events during HIV Conference

- We've placed a hold on Dr. Redfield's calendar for Wednesday 3/20 and Thursday 3/21 from 11:30-2:30, to align with the lunch breaks, and, hopefully, to aid with scheduling either of the events that have been discussed, with the GA counties or with the Governor's office. I know there's a lot still in flux here, so feel free to reach out if I can help with anything else on this front.

Good morning Ursula and Liz,

Thank you both for your insights on the best dates for this year's Koplan Lecture. Could you please put a soft hold on Dr. Redfield and Dr. Schuchat's calendars for the dates below?

- October 30 from 9 am-1 pm
- November 1 from 9 am-1 pm
- November 15 from 9 am-1 pm

We will follow up once a final date has been confirmed.

Thank you,
Heidi

Subject: RE: Dates for 2019 Koplan Lecture

Good afternoon Ursula,

I am circling back on the email below about this year's Koplan Lecture. Can you identify as many dates as possible that work from the list below for Dr. Redfield to attend? Please keep in mind that the lecture itself is about one hour, and we usually hold a leadership breakfast or lunch before or after. Last year, I believe both attended the leadership breakfast, and Dr. Redfield also gave some opening remarks.

Here are 5 potential dates that we have identified:

- October 16 from 9 am-1 pm
- October 23 from 9 am-1 pm
- October 30 from 9 am-1 pm
- November 1 from 9 am-1 pm
- November 15 from 9 am-1 pm

Please let me know what dates will work best for Dr. Redfield. Once we hear from you, it will help us narrow down an optimal date for this program.

Thank you,
Heidi

Cc: Larish, Nili (CDC/DDPHSIS/CGH/OD) <voy1@cdc.gov>
Subject: Dates for 2019 Koplan Lecture

Good afternoon Ursula and Tracie,

As you may be aware, each year CGH hosts the Jeffrey P. Koplan Global Leadership in Public Health Lecture. This lecture was established in 2002 by CDC in honor of Dr. Koplan's lifelong commitment to the development of public health leaders around the world.

We are starting to plan the 2019 Koplan Lecture and would like to identify a few potential dates that work for leadership. Here are 5 potential dates that we have identified:

- October 16 from 9 am-1 pm
- October 23 from 9 am-1 pm
- October 30 from 9 am-1 pm
- November 1 from 9 am-1 pm
- November 15 from 9 am-1 pm

Can you identify as many dates as possible that work from the above list for Dr. Redfield and Dr. Schuchat to attend? Please keep in mind that the lecture itself is about one hour, and we usually hold a leadership breakfast or lunch before or after. Last year, I believe both attended the leadership breakfast, and Dr. Redfield also gave some opening remarks.

Thanks in advance for your insights. Once we hear from you, it will help us narrow down an optimal date for this program. We will also keep you posted as the Koplan speaker is selected.

All best,

Heidi

Good Morning Scott,

I apologize that this is coming late, but we are unfortunately going to have to reschedule Dr. Redfield's talk at the Emory Research Seminar on 2 May due to travel that is beyond our control. Can we potentially look at a dates in June or July to reschedule him?

Let me know if you want me to call to discuss further.

Thanks,
Brad

Scott,
I apologize, we have him scheduled for March 14th at 8:00am.
Would you prefer to move it in order for him not to be restricted on what he talks about?
If so, we can seek out the May 2nd option.

Thanks,
Brad

Hi there. Thank you for the follow up. We don't have seminar on the 15th of March (it's a Friday). We do have May 2nd open if he is available that Thursday at 8 am? I do need to confirm availability with my cochairs as well.

Subject: Dr. Redfield @ Emory Research Seminar March 15

Scott,

We have Dr. Redfield scheduled to attend at 0800 on March 15th. One thing I need to clarify is his recusal from talking about his University of Maryland work until after March 27.

If you would like him to speak on CDC priorities, our communications team is telling me that everything is fine. He just has a two year recusal period from speaking on his work at UMD and that ends after the Seminar date.

Thanks,
Brad

Good morning Adriane,

Thank you so much for your patience.

My apologies for the delayed response.

Dr. Redfield has had a very busy travel schedule.

Currently we don't have very many travel dates in DC in May or June.

If you are interested in rescheduling a meeting in Atlanta, currently the earliest date available is June 28th from 1-2 p.m.

If you are interested in rescheduling a meeting in DC, currently the earliest date available is July 11th from 11 a.m. – 12 p.m.

Please advise if any of these dates would be acceptable.

I look forward to hearing from you.

Best,
Teresa

Subject: RE: Scheduling - Shepard Award ceremony, June 2019

Thanks so much, Jeremy. I'd like to go with June 26th to allow a bit more planning time. I anticipate that Dr. Redfield might like to meet with the speaker sometime before 10 a.m. that day, correct?
Tracy - Jeremy suggests that you might be able to assist with room scheduling for the Shepard Awards; would you be able to secure the needed auditorium, please? We would like to hold it on June 26th, from 10-11:30 a.m. with a reception to follow outside the auditorium.
I am including John Murphy from the Office of Science in case there are other details to address.
Thanks,
Joanne

Joanne,

Here are the flowing dates in June that would work for Dr. Redfield:

6/6/19, 2:30 – 5 PM

6/19/19, anytime – we can arrange the schedule to make it work

6/26/19, 9 AM – 3 PM

As for rooms, Tracy Stewart in OADC is your best POC for scheduling those. Please let me know what's best so we can lock it down and we'll go from there. Have a good day!

Jeremy

Subject: Scheduling - Shepard Award ceremony, June 2019

Dear Scott and Jeremy,

We've just confirmed this year's Shepard Award speaker and now must find some possible dates for the ceremony in June. Dr. Schuchat suggested that I work with you to identify a few dates that Dr. Redfield (and an auditorium) are available. She also indicated that June 24th cannot work for her.

The speaker is available in second part of June, and is Dr. Jon Duke;

<https://cdait.gatech.edu/people/jon-duke-md>

Thanks for your help! I'm on leave, but am checking messages daily.

Attachments: RE_ Follow-up on Directors Requests.msg, Follow-up on Directors Requests.msg, RE_ Library Meet and Greet with Library Staff & Bring Your Family to Work Day Event (Bring Dr. Redfield's iPad to this event) - Friday, April 26, 2019 @ 10_00-11_00 a.m..msg

1. Contacts:

Logistics Specialist: Mark Byers

Special Assistant/Staffer Accompanying: Heather Dennehy

Event Contact: Julie Fishman, MPH, Chief, Library Science Branch, Stephen B. Thacker
CDC Library, Office: 404-639-7595, jfishman@cdc.gov

2. Event Information:

Event Overview:

We plan to divide the hour into two separate activities:

- *Reading with Redfield (10:00-10:30):* We'd like Dr. Redfield to read a public health oriented children's book to a small group of children of CDC staff. If he could read to the children for 15-20 minutes and then answer any questions they might have, this would be ideal. We'll have him set up in a rocking chair by the large window at the front of the Library and we'll assemble the children in 'circle time' type formation in front of him.
- *Visit with Library Staff (10:30-11:00):* We'd like to have Dr. Redfield visit with Library staff in the new Reading Room located at the back of the Library. This would be an informal meet and greet with no set agenda. Specifically, it would be great for him to mention awareness of the work being done through the Library's effort to transform space and services. A few new enhancements include:
 - New reading room for relaxed learning and deep concentration
 - Pop-up collaboration space for group meetings and retreats
 - Enhanced front space with tools like moving glass boards to promote individual and group work in a relaxed environment
 - Service enhancements like BrowZine, a new tool that allows staff to create customized bookshelves with their favorite journals and then view them on any device
 - Pop-up Libraries across Atlanta campuses and the effort to take library resources to directly to patrons

We plan to have a photographer on hand for both events. Also, we have asked if we might install BrowZine on Dr. Redfield's device in advance of the event

As Melody mentioned to Seth, we would like to request his participation in the Bring Your Family to Work Day activities which are being conducted in partnership with NCIRD/Lab Week Steering Committee. Specifically, we'd like to invite Dr. Redfield to be in the Library on Friday, April 26 at any time that works for his schedule. We would like for him to provide readings to a small group of children in an event titled "Reading with Redfield." We will invite other senior leaders to provide readings as well and will carry out this activity throughout the day with groups rotating in every hour from 10-2. As a side note, you might also be interested to note that we're collecting art submissions to the prompt "My Family is a Hero for Health" and will display the 8.5x11 submissions from children/family of CDC staff during the event.

We would still appreciate the opportunity for Dr. Redfield to have a meet and greet with Library staff, and perhaps could do it before or after the Reading event if he is available.

Finally, we are trying to follow up on attempts to get a hold of his phone to install library resources that he had requested (per attached message, and previous attempt that Seth is aware of). It would be great if we could do this before he comes here, but also could happen the same day, if that works better.

Original - National Library Week celebrates the important role of libraries in our society. This year's theme (established by the American Library Association) is Libraries = Strong Communities.

Audience: 25 – 50 CDC staff.

Source Invitation: Yes on the 3/25/19 DL.

3. Dr. Redfield's Speech Information or Talking Points (TPs):

Dr. Redfield's Remarks/Presentation/TPs: TBD

Proposed Role, Topic, & Length of Presentation: **(Verify if still needed?)** Provide brief opening remarks (5 – 10 min.) and meet the staff that lead and maintain the CDC Library and reinforce the importance of our Library to maintain CDC's scientific excellence. Hosted by the Library Science Branch, Div. of Public Health Information Dissemination, CSELS, which is the organizational unit that houses the CDC Library.

4. Supporting/Logistics Materials:

To: McCallister, Jeremy (CDC/OD/OCS)
Cc: Stevens, Melody (CDC/DDNID/NCBDDD/OD)
Subject: RE: Follow-up on Directors Requests

Hi - We would prefer 4/26. Would it be possible for him to read with a group of kids and then have a quick meet/greet/photo with library staff after interacting with the kids? We could keep the whole thing to an hour or less, depending on his schedule constraints.

Also, if we can access his phone before then, we can get him set up with the library resources/apps he requested, or we could do that day if it works better on your end.

Thanks,

Julie

Julie,

Dr. Redfield has agreed to the request for either 4/10 or 4/26, but the schedule is really in flux right now and 4/26 may be the better option. Do you have a preference either way?

Hi - I hope you have been well. I submitted the request below for Dr. Redfield to have a brief meet and greet with CDC Library staff during National Library week (week of April 8). Dr. Schuchat did something similar two years ago, and I think both she and staff really appreciated it. We would be delighted to have Dr. Redfield join us.

Our Division and Center are aware of this request. The speaker request form (that was suggested for me to use) is more externally focused, so I just wanted to get this on your radar screen as well.

Thanks,

Julie

Hi Kate,

We can accommodate the media request as follows:

10-10:30 a.m. Internal briefing
10:30-11:00 a.m. In-person media interview w/ Mike Stobbe, AP

Please advise if we can confirm.

Thanks,
Teresa

Hi all,

Can you place a hold on Dr. Redfield's calendar for this interview request on May 15th? After comparing his and Mike's availability, looks like the best option would be 10 to 10:30 for an internal briefing, and 10:30 to 11 am for in-person with the reporter.

Please let me know if that's an option.

Thanks,
Kate

Subject: Mike at the AP, requesting a sit down with Dr. Redfield

Hi Kate,

It's Mike at the AP. I hope you're doing well.

Hey I've been invited to join a NCEZID media panel at the Clifton Road campus on Wednesday, May 15. I'd like to visit with Dr. Redfield for about a half hour if he has time before or after that session.

He's been on the job for a year now so I'd like to ask about priorities and challenges as they've been evolving.

Does he have any time?

Thanks in advance.

- Mike

Hi Kate,

We were given instructions to also schedule a 30 minute prep at least one or two days prior to media interviews.

We are also keeping the pre-brief 30 minutes prior to the interview scheduled on Wednesday.

Please let me know if you have any questions.

Thanks,
Teresa

Dear All,

We would like to accept this meeting and proceed with planning. That being said, there are a number of constraints on Monday due to Measles related media, EIS, and onward travel to Peru.

I'm adding Teresa, who will be best able to navigate schedules.

Many thanks,

Hugh

Meeting Details:

- Requestor: CGH, Dr. Martin
- Purpose: To discuss Dr. DeCock's potential engagement in the Ebola response given his previous experiences and leadership during the 2014 Ebola outbreak
- Participants: Kevin, Rebecca, Rima, Inger, Ray
- Clarification: Kevin DeCock would be acting as a CDC employee. He is not leaving the CDC to work for another organization
- Background/Credentials: Dr. DeCock is stepping down as director for the CDC Country Office in Kenya in June of this year. He has served as Country Director for Kenya twice and previously served as the team lead for CDC response to Ebola in Liberia,[2] as Director of the CDC Center for Global Health, and as Director of the CDC Division of HIV/AIDS Prevention, Surveillance, and Epidemiology. Dr. De Cock additionally served as the Director of the World Health Organization (WHO) Department of HIV/AIDS from 2006-2009, overseeing all of WHO's work related to HIV/AIDS focusing on initiatives to assist low- and middle-income countries in scaling up their treatment, prevention, care, and support programs.

Thanks Susan,

Sorry, can you confirm this is his role supporting the response as a CDC employee, correct? He isn't leaving CDC and working for another group.

Other participants look good.

Hugh

Subject: FW: Meeting request - Dr. Redfield and Kevin DeCock - April 29

Hi Hugh,

Sorry for the delay in responding. More information below.

Also, Dr. Martin would like to have Rima Khabbaz, Ray Arthur, and Inger Damon join her and Dr. DeCock in this meeting.

I hope this helps.

Copying Beth in case there are additional questions.

Thanks

Subject: RE: Meeting request - Dr. Redfield and Kevin DeCock - April 29

Hi Susan,

Dr. Martin said the purpose is to discuss Dr. DeCock's potential engagement in the Ebola response given his previous experiences and leadership during the 2014 Ebola outbreak and through his work in Kenya.

Thanks,
Beth

Hi Susan,

Can you provide a few more details about what Dr. DeCock is thinking is terms of involvement and if this will be with CDC or with another group? I personally read your email as he was leaving CDC Kenya, but not CDC overall and just want to make sure that was an accurate read. Kyle is supportive pending further details.

I'm happy to discuss on the phone if that would be more convenient.

Much appreciated,

Hugh

Hi Susan,

I think Dr. Redfield would be interested in this meeting. We can still go through Scott and Jeremy for internal meetings, but given the timing I will flag for Dr. Redfield.

Who else would be in this proposed meeting?

Best,

Hugh

Subject: FW: Meeting request - Dr. Redfield and Kevin DeCock - April 29

Hi Seth and Hugh,

This is a request for an internal meeting so not sure if we go through Scott/Jeremy?

Dr. Kevin De Cock will be in Atlanta on April 29 and Dr. Martin is requesting a meeting with Dr. Redfield.

The discussion, as I understand, would focus on Dr. DeCock's possible involvement and support in the Ebola outbreak – independent of the Kenya office.

For background, Dr. DeCock is stepping down as director for the CDC Country Office in Kenya in June of this year. He has served as Country Director for Kenya twice and previously served as the team lead for CDC response to Ebola in Liberia,[2] as Director of the CDC Center for Global Health, and as Director of the CDC Division of HIV/AIDS Prevention, Surveillance, and Epidemiology. Dr. De Cock additionally served as the Director of the World Health Organization (WHO) Department of HIV/AIDS from 2006-2009, overseeing all of WHO's work related to HIV/AIDS focusing on initiatives to assist low- and middle-income countries in scaling up their treatment, prevention, care, and support programs.

Let me know what you think.

Thanks
Susan

Hi all,

Can you place a hold on Dr. Redfield's calendar for this interview request on May 15th? After comparing his and Mike's availability, looks like the best option would be 10 to 10:30 for an internal briefing, and 10:30 to 11 am for in-person with the reporter.

Please let me know if that's an option.

Thanks,
Kate

Subject: Mike at the AP, requesting a sit down with Dr. Redfield

Hi Kate,

It's Mike at the AP. I hope you're doing well.

Hey I've been invited to join a NCEZID media panel at the Clifton Road campus on Wednesday, May 15. I'd like to visit with Dr. Redfield for about a half hour if he has time before or after that session.

He's been on the job for a year now so I'd like to ask about priorities and challenges as they've been evolving.

Does he have any time?

Thanks in advance.

- Mike

We'll need to narrow down the time once we start the conversation with the organizer. (It doesn't have to fit inside this window.) Can break up time with remarks, visits, etc., once times are worked out.

1. Contacts:

Logistics Specialist: TBD

Special Assistant/Staffer Accompanying: TBD

Event Contact: Eileen Martin, Program Coordinator, Center for AIDS Research, Johns Hopkins University, emarti77@jhmi.edu

2. Event Information:

Event Overview: Visit the school and greater community, and also present remarks on the Plan for America, and discuss CDC and Johns Hopkins University's history of collaboration, and the needs of Maryland's 3 HIV hard hit jurisdictions (Baltimore City, Prince George's County, and Montgomery County).

Johns Hopkins' HIV research community, led by its Center for AIDS Research, has been galvanized by the announcement of "Ending the HIV Epidemic: A Plan for America" in the President's historic State of the Union Address. They endorse the goals of the strategy, the vision of ending AIDS in the US by 2030, and the Director's leadership in helping set this important initiative in motion.

Johns Hopkins would also invite colleagues from the Univ. of Maryland, its Institute for Human Virology, and City and State health officials.

<https://www.jhsph.edu/>

Source Invitation: Yes on the 4/1/19 DL. Confirmed with R3 at the DL meeting on 4/25/19.

3. **Dr. Redfield's Speech Information or Talking Points (TPs):**

Dr. Redfield's Remarks/Presentation/TPs: TBD

Proposed Role, Topic, & Length of Presentation: TBD

4. **Supporting/Logistics Materials:**

Ellen J. MacKenzie, PhD '79, MSc '75
Bloomberg Distinguished Professor
Dean

March 14, 2019

Robert R. Redfield, MD
Director
Centers for Disease Control and Prevention
Atlanta, GA

Dear Dr. Redfield,

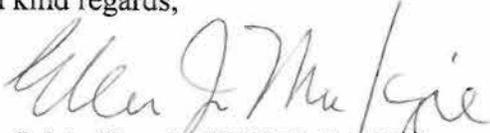

Let us congratulate you, again, on your appointment as Director of the Centers for Disease Control and Prevention. It is wonderful for us all to have a member of the academic research community, an HIV expert, and a Marylander as director of this vital agency. Our HIV research community at Johns Hopkins, led by our Center for AIDS Research, has been galvanized by the announcement of "Ending the HIV Epidemic: A Plan for America" in the President's historic State of Union Address. We endorse the goals of the strategy, the vision of ending AIDS in the United States by 2030, and your leadership in helping set this important initiative in motion.

Our faculty, students and staff would greatly benefit from learning more about the plan from one of its architects, as would many in the wider Baltimore and Maryland community. And of course, you've engaged in groundbreaking HIV research with Bloomberg faculty in Nigeria through your outstanding PEPFAR program there. We would be delighted if you were willing to address the Johns Hopkins community and please consider this an invitation to the Bloomberg School to do so at your convenience. We would also invite colleagues from the University of Maryland, its Institute for Human Virology, in addition to City and State health officials.

Working on the assumption that both personal ties and professional demands bring you to the Baltimore-Washington area with some frequency, we hope we can find time to host you that is not too demanding on your likely extensive travel. We'd be very open to any other topics you'd prefer to address, but do think the timing of the Plan for America, our history of collaboration, and the needs of Maryland's three HIV hard hit jurisdictions (Baltimore City, Prince George's County and Montgomery County) all make a compelling case for an event here built around your visit and the rapid implementation of the plan.

We hope you will consider this request from your longtime Baltimore neighbor institution, and are confident that your presence will help energize and inspire all sectors engaged in HIV work in our City and State to support and engage with this visionary initiative.

With kind regards,

Ellen J. MacKenzie, PhD '79, ScM '75

Eileen,

I've listed you as our POC for this and will make sure you all get an official acceptance shortly. It's on his calendar and once we get one of our team members on it, we'll start working out the particulars of what he's visiting and where he's speaking. I do think that you won't be able to count on him until about 11 AM onwards but we should have that entire block of time for him, until about 3:30 – 4 PM. We will work out the particulars very soon, though.

It may take a week or two for us to have people start checking in but it is definitely on for June 7, and we look forward to making this a productive visit for all involved. If any of you have any questions until then, please don't hesitate to ask me. Thank you all for working with us and for having patience with us as well. Have a good weekend!

Jeremy

Hello,

I received confirmation on the conference room reservation. For Friday, June 7th, we will have the following room reservations in the Bloomberg School of Public Health:

Becton Dickinson Auditorium (room # W1020); reserved from 8 am – 4pm; seats 178; includes projector, screen, PC/podium, AV system; fireside-style event with Drs. Redfield, Fauci, and Chaisson to be held here.

Conference room (W1505; Dean's office); reserved from 7:30 am – 5 pm; seats 18 -25; teleconference unit available. Breakfast/lunch can be served here; afternoon listening session/meeting to be held here

Best,
Eileen

Hi Melisa and Jeremy,

I have booked the Becton Dickinson auditorium in the Bloomberg School of Public Health for Friday, June 7th from 8 am – 4pm for the fireside-style discussion between Drs. Redfield, Fauci, and Chaisson. We can narrow the times down once we have an agenda, as well as AV needs etc. The auditorium can seat just under 180 people. We will have a conference room that can seat up to 20 people for the invitation-only listening session in the afternoon with Dr. Redfield. We can also provide refreshments and lunch in the conference room between the two events. Please let me know if there are any accommodations required by Dr. Fauci.

Best,
Eileen

Jeremy - For expediency, I am looping in Anne Efron and Eileen Martin here. They will be point for organizing the visit.

They were in the process of identifying CFAR experts and best possible dates. I am sure it will be helpful to know that the director could be available on June 6. I'll take a step back and let them run the traps on this and get right back to you.

Melisa

Hi Melisa,

There are no forms to fill out at all for this and we can start this dialogue just as easily as we're doing right now. I may be able to find some time later this week but am not sure because things have gotten very hectic here. If you have any thoughts or ideas, feel free to throw them out. I think my first question would be that you all would like to do this visit when school is regularly in session, and not during the summer, right?

(Ellen to Bcc)

Hi Jeremy –

It's my pleasure to introduce you to my colleague Melisa Lindamood, Director of Federal Affairs for Johns Hopkins University (copied), who will be the lead organizer and your point of contact for Director Redfield's visit to campus to address the Administration's goal of ending AIDS by 2030. I'd love to do this myself, but my wife and I are expecting a baby soon so I'm handing this off to Melisa to ensure there are no disruptions caused by my impending paternity leave. I know Melisa has some great ideas about how to maximize Director Redfield's visit and is very much looking forward to working with you to make this day a great success. I'll let you two take it from here.

Thanks again!

Chris

Chris,

Dr. Redfield is agreeable to this request and we're wondering if you'd like to coordinate with Dr. Fauci to find some times that would work for this visit to happen? Dr. Redfield is also interested in JHU's CFAR so if that could be tied together, that would be wonderful. We're hoping between the 3 that we can find a time in the coming months where we can make this happen. If you have any questions on our end, please let us know and we'll get back to you as soon as possible. Thank you and have a good day!

Hi Kara! Many thanks for sending those options along. We would be happy to proceed with either 23 or 24 October. Can we confirm? Unfortunately those are the only options that align with Dr. Redfield's schedule and availability of our lecture facilities. We'd hope that Judy could spend the full 4 hours with us. The ATL airport is a 30 min ride from our campus and we can discuss or help with logistics once a date is set.

Thanks!

Scott

Good morning Scott-

Here are my thoughts on dates that look best on Judy's end.

October 9th

October 10th

October 15th

October 16th

October 22nd

October 23rd

October 24th

Any of these look particularly good for you all? Once we have landed on a date that looks best, I can put together a tentative schedule and then we can get it confirmed!

Thanks.

Hi Kara. We can accommodate several date options during each of those weeks. Do you have a preference? This can certainly be a day-trip to Atlanta, and probably 3-4 hours at CDC between Judy's talk, maybe a short tour, and a meeting or two.

Let me know what you think and if there is a preferred date.

Many thanks!

Scott

Hi Scott,

Going back to your original suggestion, could we look at October? The weeks of the 7th, 14th, or 21st would be the best for her that month. I'm not sure how long you are thinking the meeting would be, but perhaps we could arrange it such that Judy would be able to fly in and out the same day?

Thanks!

Hi Scott,

Judy followed up with me on your email and asked that I get back and work out a good time to arrange a visit. Upon looking at Judy's calendar for the next few months, if your folks are available to arrange something sooner than October, July is typically a good month for Judy.

I understand that July is not included in the timeframe below, but wondered if there was any availability there. If not, I will look later in the year and get you some good times for Judy.

Best regards,

Kara Rettenmund

Good afternoon Ms. Faulkner. Dr. Redfield has received your note, and he fully appreciates the demanding schedule that you must have, so he's asked me to reach out to you and see if you'd be willing to consider a visit to CDC sometime later this year?

Unfortunately his own travel schedule is equally brutal for the next several months, and without any travel to the Midwest, so he's asked me to connect with you to see if you'd be agreeable to consider options to visit CDC during the Oct-Nov-Dec time frame. We could arrange a visit for you that could be as short as a few hours, to a full day, depending on your interest and availability.

Please feel free to communicate directly with me, so that I can promptly assist you. I look forward to hearing from you, and thank you, in advance, for your valuable time!

Respectfully,

Scott

Hello, Dr. Redfield,

Thanks for your letter. I was traveling most of last week and am just now getting to email.

When Epic was still quite young, we hired an outstanding person from the Wisconsin Department of Public Health. From him, we learned a lot about the workings of public health both locally and nationally, and at one time we did visit the CDC. I admire the important work that the CDC and the public health departments around the country do.

My travel schedule for the next several months is pretty brutal. Would you be in the Madison area any time in the near future? We would be happy to host you here and you could meet a variety of the people who work in different areas – analytics, research with large amounts of patient data, registries, epidemiology, artificial intelligence, public health reporting, etc. If that doesn't work for you, we can figure something else out.

Looking forward to a future meeting,

Judy

Subject: Invitation to Visit the Centers for Disease Control and Prevention Headquarters

External Mail. Careful of links / attachments. Submit Helpdesk if unsure.

Dear Ms. Faulkner:

Recently, I was briefed on the collaborative work that Epic Systems has been doing to help develop data linkages between healthcare and public health, and your team's ongoing partnership with the Digital Bridge collaborative. As a clinician myself, I was particularly interested to hear about how this successful public-private partnership is making disease reporting easier for clinicians, while also delivering more timely data for public health action.

Our leadership team at the Centers for Disease Control and Prevention (CDC), would appreciate the opportunity to host you at our headquarters in Atlanta, Georgia. As the nation's health protection agency, CDC works to improve health security at home and around the world; better prevent the leading causes of illness, injury, disability, and death; and strengthen public health and healthcare collaboration. We welcome the chance to learn more about the efforts to use technology to deliver patient-centered care and your perspective on innovative opportunities to link healthcare and public health through electronic health records. Given your visionary leadership in health reporting, it would be a pleasure to host you at an upcoming Director's Forum. I instituted this series to bring exceptional leaders to our Atlanta campus to share compelling and relevant health information. The forum incorporates a formal presentation for our workforce with smaller informal discussions with employees from different programs.

If you are interested, my staff will work with your team to identify a date that fits your schedule and develop an agenda for the visit. Jeremy McCallister at JMcCallister@cdc.gov or (404) 639-7989, and Scott Scales at SScales@cdc.gov or (404) 639-7015 are available if you or your staff have questions.

I look forward to meeting you in person.

Sincerely,

Robert R. Redfield, MD
Director, CDC

Subject: RE: J Faulkner visit

Judy has agreed to 23 October for the visit to CDC. Her assistant said that she should be able to be with us from 11:45am to 3:45 pm.

I've taken the liberty of reserving Aud-A for the entire day, pending more details about how you all want to arrange the visit agenda and her talk. Given the times of her visit, we'll also expect to do some sort of working lunch, and we'll reserve 12th floor meeting rooms, as needed for the visit.

I mentioned that we'll circle back in the next few months with a proposed visit agenda.

Let me know how you'd like to proceed, or if anyone would like to connect with her staff to talk any specifics.

Scott

Hi Scott,

Once you get the date settled, please let everyone on the cc line know.

I'm assuming OCOS will handle campus access, logistics, meeting with the director and other senior leaders, etc.

OS will handle the forum.

DDPHSS and CSELS will handle the program briefings.

Thanks

Subject: RE: vaccination messages

Hi CDC Colleagues,

We are planning a media call with Mommy (and Daddy) bloggers in anticipation of National Infant Immunization Week. We have Wednesday, April 24 from 2:00 to 3:00 PM TENTATIVELY held on both the ASH and SG calendars. We definitely want Dr. Redfield on the call, any chance calendar karma is on our side and he is also available during that time?

Format would be almost identical to Vital Signs media call, each presenter gives 2-3 minutes of intro remarks and then we would do the operator assisted q & a.

We want to send out our initial advisory no later than Wednesday, April 10, giving the bloggers the opportunity to possibly solicit questions from their readers.

Could you please let us know by Monday, April 8 if schedules align?

Thanks,
Tara

Hi Tara,
We just got word that President Trump and the First Lady will provide remarks at 1 pm next Wednesday, April 24, at the Rx Summit in Atlanta (see breaking news below). As a result, Dr. Redfield now plans to remain at the conference for the President's speech – and participate in events on-site as needed. Unfortunately, that may bump up against the planned media call with bloggers at 2 pm. Given that update, any thoughts on postponing or moving the blogger call? Dr. Redfield does want to participate, so we are hoping there is flexibility in rescheduling.

Happy to discuss further.

Thanks,
Kate

Subject: ABC News Request - Calendar Hold

Hi all,

We discussed this opportunity with Dr. Redfield during Friday's communications meeting – I spoke further with ABC News and they would like to schedule their visit to coincide with EIS on April 29th. I know there's a possibility that Dr. Redfield may go to Peru – but after cross-walking potential dates with ABC, April 29th is the only option we have for the next few months. So until R3's trip is confirmed, can you place a two-hour hold on his calendar for a potential sit-down interview with ABC on campus that day?

Happy to discuss further by phone, if helpful.

RM69	April, TBD	ABC News	CDC	Dr. Jennifer Ashton, chief health and medical correspondent for ABC News and Good Morning America, is interested in conducting a broad, in-person interview with Dr. Redfield on topics	Media, general public	TPs, tough Q&As	OADC to draft and coordinate
------	------------	----------	-----	-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	-----------------------	-----------------	------------------------------

				including HIV, Ebola, mental health and suicide, bioterrorism threats, measles, vaccinations, etc. Recommend inviting ABC to film Dr. Redfield at either the EIS Conference on April 29 or Rx Summit on April 22, with separate time set aside for a 1-on-1 interview at CDC.

Subject: Advocate Interview request for R3

Hi all,

We have a pending request from The Advocate to interview Dr. Redfield about HIV. He is aware of the request and has discussed it with Loretta. We're hoping to find time on his calendar next week (early to mid-week is preferred). Is he on leave on Monday – or available? If that day is out, would Wednesday be an option (the reporter can't do Tuesday but otherwise flexible)? We would need an hour total between prep and interview time, although it could be broken up into two 30-minute segments if needed.

Thanks,
Kate

Subject: Media on Friday (tomorrow)
Importance: High

Just talked with Loretta. Please adjust calendar for tomorrow to reflect media according to below:

- NPR via phone 1030-11 in DCR (Comms to provide call details)
- Cox interview in studio 1130-12

- Lunch 12-1 pm
- Move ABC Filming prep to 1pm
- R3 can still do library event in morning following AMA call, but he'll only have 15-20 min to be there, so please alert them so they can prepare accordingly

Finally, please add walk times accordingly

Let me know if any questions...

Thx all

Subject: RE: Phone Bridge for 1030 NPR call today

Okay – we'll have to call the reporter directly from my cell phone because I have the NPR recording app that they need for the best quality sound, blah blah...
 So no dial-in for this one. I'll hand him my phone and do a direct dial-up.
 Here are the info tables for the current confirmed interviews today.

Let me know if you need anything else.

Hi Kate,

Would you like to schedule the prep on May 10th in the CDC Atlanta Office or prep prior to the media interview?

If you would like the prep and interview on the same day, we can schedule prep 11-11:30 a.m. and interview 11:30 a.m. – 12 p.m.

We also have options from 1-2 p.m. as well.

Let me know your preference.

Thanks,
Teresa

Hi Kate,

May 3rd may work better.

Please note the proposed schedule below:

May 2nd:

11:00-11:30 a.m. Pre-brief

May 3rd (Interview at CDC Washington Office)

2-2:20 p.m. Additional time for Pre-brief
2:30-3:00 p.m. Media Interview

We will reschedule the bi-weekly communications meeting to 1-1:45 p.m. on May 2nd.

Please advise.

Thanks,
Teresa

Good morning Kate,

We can accommodate May 7th at the CDC Washington Office.

Dr. Redfield will be flying into DC from Puerto Rico.

We can schedule the pre-brief prior to the interview on May 7th from 3:00-3:30 p.m. and the interview from 3:30-4:00 p.m.

If you prefer the pre-brief to take place earlier, we can schedule May 2nd in the Atlanta Office from 11-11:20 a.m.

Please let me know what you prefer.

Thanks,
Teresa

Hey,
We discussed this opportunity during the communications meeting (again) today – and had initially proposed squeezing it in during his May 3 trip. But I just took a fresh look at his

calendar, and given the limited time available, it seems like May 7th or May 14th may be a better option. Can we find 30 minutes to accommodate this interview on one of those DC days? Ideally, we'd get 15-20 minutes for a pre-brief with him earlier that day, although it doesn't have to be immediately beforehand.

Thanks!

RM61	May 3	Steppin' Out Radio	DC	Steppin' Out Radio would like to interview Dr. Redfield on the opioid epidemic during a future visit to DC. Steppin' Out Radio is an internationally syndicated program featuring true stories of those who have triumphed over adversity: substance abuse, depression, PTSD, etc. This interview can be done in DC and the reporter will bring recording equipment to CDC-Washington or HHS. Subject: Advocate Interview request for R3

Hi all,

We have a pending request from The Advocate to interview Dr. Redfield about HIV. He is aware of the request and has discussed it with Loretta. We're hoping to find time on his calendar next week (early to mid-week is preferred). Is he on leave on Monday – or available? If that day is out, would Wednesday be an option (the reporter can't do Tuesday but otherwise flexible)? We would need an hour total between prep and interview time, although it could be broken up into two 30-minute segments if needed.

Thanks,
Kate

Subject: FW: radio interview for R3 - scheduling request

Hi,

Another media-related scheduling request.

We'd like to schedule this interview for late April – and after a lot of back-and-forth with the producer, it seems like the best option is April 25th. We would need 30 minutes for prep, and 30 minutes for the interview. The interview can be done by phone in the DCR. Can we do the prep at 4 pm and the interview at 4:30 pm?

FYI: the taping would need to be done at one of the following times on the 25th: 2:30, 4, 4:30 or 5 PM

Thanks!

Kate

Subject: RE: Your CDC Inquiry on nationally syndicated Conversations on Health Care - WABC New York, HealthcareNOW Radio, Public Radio Exchange, ReachMD and multiple stations and digital platforms

Hi Kate,

Following up on our interview request for Dr. Redfield. Very eager to share his wisdom on a number of topics. In addition to the ambitious [initiative to end HIV](#) in the US in 5-10 years, we are also interested in this week's release of new [guidelines for opioid prescribing](#) for patients with chronic pain. We're really hoping to have him join us on these and other vital topics he is concerned with – including the need to remind people of the evidence-based support for [vaccination](#) as the number of [measles](#) cases continue to rise.

Would love to have a conversation with you to strategize. Recent guests: Dr. Donald Rucker – National Coordinator for Health IT at HHS, Adam Boehler – Director of the Center for Medicare and Medicaid Innovation (in the queue a week from now) Dr. Anand Parekh – Chief Medical Advisor to the Bipartisan Policy Center on their recent study tracking spending of federal dollars earmarked for states to address the opioid crisis, Dr. Sanjay Gupta – CNN – next week's guest. To see all of our nearly 500 guests (including his predecessor Dr. Tom Frieden) – please go to www.chcradio.com

Again, we will need [22 minutes on the phone, taped for later air. You will receive a detailed script of questions prior to interview for review.](#)

Hi Kate,

Absolutely, later in the month is perfect, actually. My hosts run the largest FQHC organization in CT and are national thought leaders in care delivery. We have a successful PREP program as well as active LGBTQ health team. As an organization, we are committed front line warriors in this quest to end HIV infection.

We have some studio openings the last week in March and the first week in April.
Let's see if we can find a fit.

We'll need about 22 minutes on the phone, taped for later air. You will receive a detailed script of questions for review prior to the interview. Times are EASTERN.

Best,

Marianne O'Hare

Subject: RE: radio interview for R3 - scheduling request

Hi Kate,

Please advise if Dr. Redfield approved the interview.

We can schedule as follows on April 25th:

4:00-4:30 p.m. Prep for Phone Interview

4:30-5:00 p.m. Phone Interview

The can schedule the taping at 2:30-3:00 p.m., also, should we schedule 15 minutes for make up from 2:15-2:30 p.m.

Please advise.

Thanks,
Teresa

Subject: FW: radio interview for R3 - scheduling request

Hi,

Another media-related scheduling request.

We'd like to schedule this interview for late April – and after a lot of back-and-forth with the producer, it seems like the best option is April 25th. We would need 30 minutes for prep, and 30 minutes for the

interview. The interview can be done by phone in the DCR. Can we do the prep at 4 pm and the interview at 4:30 pm?

FYI: the taping would need to be done at one of the following times on the 25th: 2:30, 4, 4:30 or 5 PM

Thanks!
Kate

Subject: RE: Your CDC Inquiry on nationally syndicated Conversations on Health Care - WABC New York, HealthcareNOW Radio, Public Radio Exchange, ReachMD and multiple stations and digital platforms

Hi Kate,

Following up on our interview request for Dr. Redfield. Very eager to share his wisdom on a number of topics. In addition to the ambitious initiative to end HIV in the US in 5-10 years, we are also interested in this week's release of new guidelines for opioid prescribing for patients with chronic pain. We're really hoping to have him join us on these and other vital topics he is concerned with – including the need to remind people of the evidence-based support for vaccination as the number of measles cases continue to rise.

Would love to have a conversation with you to strategize. Recent guests: Dr. Donald Rucker – National Coordinator for Health IT at HHS, Adam Boehler – Director of the Center for Medicare and Medicaid Innovation (in the queue a week from now) Dr. Anand Parekh – Chief Medical Advisor to the Bipartisan Policy Center on their recent study tracking spending of federal dollars earmarked for states to address the opioid crisis, Dr. Sanjay Gupta – CNN – next week's guest. To see all of our nearly 500 guests (including his predecessor Dr. Tom Frieden) – please go to www.chcradio.com

Again, we will need 22 minutes on the phone, taped for later air. You will receive a detailed script of questions prior to interview for review.

Thanks so much for facilitating,

Marianne O'Hare

Subject: RE: Your CDC Inquiry

Hi Kate,

Absolutely, later in the month is perfect, actually. My hosts run the largest FQHC organization in CT and are national thought leaders in care delivery. We have a successful PREP program as well as active LGBTQ health team. As an organization, we are committed front line warriors in this quest to end HIV infection. MsoNormal">

We have some studio openings the last week in March and the first week in April.
Let's see if we can find a fit.

We'll need about 22 minutes on the phone, taped for later air. You will receive a detailed script of questions for review prior to the interview. Times are EASTERN.

Best,

Hi Marianne,

I received your request for an interview with Dr. Redfield on the recently announced HIV Initiative. Unfortunately, his schedule is packed and I'm not able to accommodate your requested deadline. Would you be interested in a future opportunity, possibly later this month or in April? I'm happy to follow up when he has more availability.

Thanks,

Kate

Hi Scott,

We have selected the venue as our Maryland Department of Health headquarters (201 W. Preston Street, Baltimore, MD 21201). Please let me know the best approach for sharing this information or responses to any other questions CDC may have in preparation for tomorrow's call. We are working closely with health department leadership in Baltimore City, Montgomery, and Prince George's counties to organize the morning meeting. In addition, we continue to work closely with Baltimore City Health Department regarding the afternoon stakeholder meeting, but they are leading all logistical details.

Thanks,
Erin

Good morning Scott and Amanda,

Could you please confirm the conference venue where Dr. Redfield is speaking is the Hyatt Regency Baltimore Inner Harbor hotel? I believe this hotel has been mentioned as the conference venue, but I just wanted to double check. We are closely examining a few venue

options for the morning meeting and convenience to this hotel is a consideration factor. Your confirmation is greatly appreciated.

Thanks,
Erin

HIV PREVENTION

MARYLAND

% Unaware of HIV infection[†]

14%

86% of Marylanders with HIV are aware of their status, which means approximately **5,300 people** in Maryland **aren't getting the care they need**. The national goal for the percentage of people with HIV who know their status is 90%.

Annual HIV Diagnoses

1,029
new cases

Maryland had the nation's **5th highest rate of new HIV diagnoses** in 2017

People with HIV[†]

37,900

When a person with HIV takes their medicine regularly they become virally suppressed and have effectively no risk of transmitting HIV. **48% of Marylanders** with HIV are **virally suppressed**; the national goal is 80%.

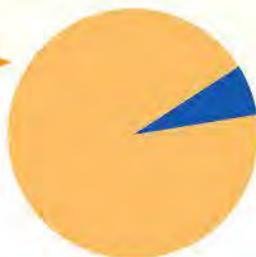

Marylanders with HIV will face an average **lifetime cost of \$478,000** to treat their infection (2017 dollars)

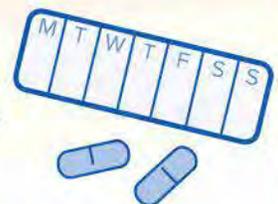

Pre-exposure prophylaxis (PrEP) is a pill for those at high risk for HIV.

27,390*

Marylanders at high risk for HIV could potentially benefit from PrEP

Taken daily, it can **block HIV**.

2,015* Marylanders were prescribed PrEP in 2017

*AIDSvu (www.aidsvu.org). Emory University, Rollins School of Public Health. †2015 data.

CDC awarded **\$15.4M^{††}** to Maryland health departments and community-based organizations for HIV prevention activities, including:

HIV Testing 

HIV Diagnosis 

Linkage to Care 

91,042 HIV tests^{†††} were provided in Maryland

of those

258 Marylanders^{†††} were newly diagnosed with HIV through CDC-funded HIV testing

of those

175 Marylanders^{†††} were linked to medical care within 90 days of HIV diagnosis

CDC-funded HIV testing ensures people at risk know their HIV status. Awareness of HIV status allows people who are HIV negative to choose prevention activities to avoid infection.

CDC-funded HIV testing makes people with HIV aware of their infection so they can take medicine to stay healthy and prevent transmission.

CDC-funded programs link people to medical care immediately after HIV diagnosis so they can stay healthy and not transmit HIV to others.

Due to end of year data submission dates, those who were diagnosed and successfully linked to care during the last two weeks of the year may have been excluded from this calculation.

What Can Be Done?

Major developments in HIV science, prevention, and treatment have produced a **once-in-a-generation opportunity to eliminate new HIV infections** in the United States — *including Maryland.*

To End HIV:

Use the **right practices in the right places targeted to the right people**

Diagnose	Treat	Protect	Respond
All people with HIV as early as possible after infection	All people with HIV rapidly so they can take HIV medicine to stay healthy and prevent transmission	People at risk of HIV with proven interventions, including medications that can prevent HIV.	Rapidly to growing HIV networks and effectively respond to outbreaks of new HIV infections
			

Dedicated people at all levels working together to end HIV

For more information on HIV prevention, please visit www.cdc.gov/HIV

Yes, we can do 4:30 as well. Tracie will get the invite & phone bridge sent out to the below participants, sometime in the next few hours. Seth and R3 won't land for another 1.5 hours so let me know if there are questions or concerns in the meantime.

Participants: R3, Nancy, Rima, Jay, Kristin, Marty, Seth, Amanda Cohn and Amanda Campbell, but feel free to include others as necessary

Subject: RE: Update on measles and airline travel

Hi Scott,

Thanks so much. I think the later time would work better for NCIRD, Nancy is traveling this morning. Kristin and I have to be on an HHS call about measles from 4-4:30, would 4:30 work instead?

Thanks!

Amanda

Subject: RE: Update on measles and airline travel

Hi all. Since I'm in early today, I thought I'd help out with a time. If its urgent, then I recommend we use his flight layover time this morning and have a call at 9:45 am. That will give him time to get thru customs and towards his connecting flight to DC. If not extremely time sensitive, I'd recommend the call be at 4pm today. He'll be in the Washington Office. We can schedule either. Any preference?

Health officials know about the case and technically they all know about the policy for potential infectious threats, but what we are proposing is clarifying we will implement the policy for measles, which we generally haven't needed to do in the past.

Subject: Update on measles and airline travel

Good evening Dr. Redfield,

We wanted to make you aware of a measles exposure on a flight from Arizona to New York, as well as updates to the Do Not Board Policy. We will be providing our weekly measles sit rep on Friday, but thought you needed to know these latest developments as soon as possible. OD concurrence on the Do Not Board Policy will allow us to implement and communicate it to state and other partners. Please let me know if you have any questions. Yours, Kristin

- A child traveled on a flight from Tuscon, Arizona to NYC on 4/29 and was seen by a physician post-travel for suspect measles. Lab results on 4/30 confirmed measles. Potential exposures in AZ and on the flight. Contact investigations are ongoing.
- Although measles was diagnosed after travel in this particular case, NCEZID and NCIRD concur that a Do Not Board policy should be implemented for confirmed cases of measles. We do not believe a Do Not Board policy should be extended to contacts of confirmed cases or to suspect cases of measles.
- If the OD concurs with implementing this policy, it will be communicated to health departments through a memo from DGMQ, with a subsequent CSTE call to discuss the policy and answer questions.
- Note an individual would only be added to the do not board list at the request of a health department and after review by DGMQ (with consultation with NCIRD)
- We do not expect this policy to be implemented often, but this will be a tool health departments can use to reinforce the need for persons to remain home and not travel while contagious.

Rationale and purpose of implementing a Do Not Board Policy:

- To contain further seeding of the measles outbreak to unaffected populations via airplane travel (translocation)
- To send a strong signal that people with active measles should not travel
- To increase confidence in traveling public that efforts are being made to decrease their risk of exposure during travel

Kristin M. Pope, MEd

Hi Bob,

Unfortunately we have had to postpone the CDC-NIH Leadership Council that was planned for next Wednesday April 24 – the visit by the POTUS and FLOTUS is guaranteed to result in major upheavals of everything else planned for that day. We will find another time for our teams to meet by video conference.

But I would still very much like the chance to meet with you and talk about shared interests. Will you be at the Rx Drug Summit meeting on Tuesday or Wednesday mornings? If so, perhaps our staffs could coordinate to find a time for us to meet. I'm ccing Ayanna McManus, who handles my schedule.

Best, Francis

Hi Tracie,

Yes, Dr. Collins is available to meet on Wednesday, April 24 from 10 to 10:30AM. Do you have a meeting room in mind?

Thank you,
Ayanna

Dr. Collins,

I am reaching out on behalf of Dr. Redfield to set up a time for the two of you to meet next Wednesday, April 24th. Would you be available to meet with him the morning of the 24th at the Rx Summit from 10-10:30am?

Respectfully,

Tracie Strength

Executive Assistant to the Director, Dr Robert Redfield

Subject: getting together in Atlanta?

Hi Bob,

Unfortunately we have had to postpone the CDC-NIH Leadership Council that was planned for next Wednesday April 24 – the visit by the POTUS and FLOTUS is guaranteed to result in major upheavals of everything else planned for that day. We will find another time for our teams to meet by video conference.

But I would still very much like the chance to meet with you and talk about shared interests. Will you be at the Rx Drug Summit meeting on Tuesday or Wednesday mornings? If so, perhaps our staffs could coordinate to find a time for us to meet. I'm ccing Ayanna McManus, who handles my schedule.

Best, Francis

Good morning Adriane,

Thank you so much for your patience.

My apologies for the delayed response.

Dr. Redfield has had a very busy travel schedule.

Currently we don't have very many travel dates in DC in May or June.

If you are interested in rescheduling a meeting in Atlanta, currently the earliest date available is June 28th from 1-2 p.m.

If you are interested in rescheduling a meeting in DC, currently the earliest date available is July 11th from 11 a.m. – 12 p.m.

Please advise if any of these dates would be acceptable.

I look forward to hearing from you.

Best,
Teresa

Subject: RE: Tam Meeting in DC on 4/15

Hello All,

That timing would also work well for Dr. Tam. The point of contact on the Canadian side for scheduling is listed below, if you would like to be in touch with him directly. OGA is looking into reserving a meeting space at the HHS Humphrey building, as well.

Dylan Upper
A/Manager, Office of International Affairs for the Health Portfolio
Public Health Agency of Canada / Government of Canada
dylan.upper@canada.ca (b)(6)

Please let us know what other support might be needed.

Thank you,
Laura

Hi Audrey! I'm adding Jeremy to talk about the first WVC event, since we received that invite in May of last year 😊 I suspect it was deferred or declined, but I'll let him share that. As you noted correctly, it's not currently planned for him to attend.

As for the Lima, Peru event in April... we heard a possibility that AMA may also attend, but we've not been invited to join if he does, so no plans currently. We'll keep you posted if we hear otherwise, and please do the same if you hear first! Mitch is also in the loop on this one, so I'm including him here for awareness...

Thanks!!

Scott

Cc: McClure, Susan (CDC/DDPHSIS/CGH/OD)
Subject: Redfield participation in two April events

Scott, Seth and Hugh,

OGA's Americas team reached out regarding Dr. Redfield's potential participation in two upcoming events -

- [World Vaccine Congress](#), in DC from April 14-17. Dr. Redfield isn't listed as a speaker on the event website, but Health Canada asked OGA about this since they had heard he may be attending. (If he is going, the Canadians are interested in setting up a meeting with their rep, Dr. Teresa Tam, who is Canada's chief public health officer.) It didn't look like that event was listed in recent versions of OD's decision list/look ahead schedule, so assume he is not going, but can you confirm?
- Americas region ministerial coordination meeting in Lima, Peru, April 29-30 –any sense of whether he may participate in this meeting in late April? Would be helpful to know what you all are thinking. Attaching Susan's email to you all with the draft agenda, noting that we are still waiting on a next version that reflects Peru's edits from OGA. We don't have any new info on this one.

Thanks!
Audrey

Subject: CDC Foundation requests for Director's time

Dear Seth and Scott,

I hope all is well with you. As you know, Chloe Tonney moved on to a wonderful new opportunity in Charleston, SC. For the time being, I have absorbed her role with our Board and Corporate Roundtable. I am writing to confirm if Dr. Redfield's participation has been confirmed for our upcoming Board dinner and meeting on May 14 – 15. My understanding is that Chloe had made the request but I wanted to double-check. The Board meeting agenda for the 15th is still being drafted. There is a possibility that the Director will not be needed to speak during the actual meeting but we will let you know. Just in case, I am attaching a request for his participation in both of our events - CDC Foundation Board of Directors dinner and meeting on May 14-15, 2019

We will be happy to provide the additional details as they become available/finalized. Generally we provide a briefing document/work plan that includes additional information once the event is confirmed.

Please consider me your point of contact for these meetings. Thanks for any guidance you can lend to the newbie.

Sincerest thanks,

Laura

Robert,

I am writing from the Office of the Chairman & CEO, Jim Clifton. Jim would like to connect with you to discuss Gallup's archive of U.S. wellbeing research. As you may know, Gallup has been tracking Americans' wellbeing for over ten years and closely monitoring health-related decision-making down to the congressional district level. If interested, Jim would appreciate the opportunity to host you at The Gallup Building during one of your upcoming Washington trips or will meet you in Atlanta on an upcoming trip there. Please let me know if you would be open to connecting with Jim.

Best regards,

Justin

Thank you Jeremy –
We would be thrilled to host the meeting – I'll have some light snacks brought in –
Our office is located at 901 F Street, NW – the 2nd floor –
The entrance is on 9th street –
If you would like for me to send an invite – I would be happy to do so –

Thank you very much! – Chris

The times for April in Atlanta won't work, unfortunately. We may have some time on 5/16 in the afternoon but that's tentative right now. After that, we'd be getting in to June. Let me know how that works for you all and we'll go from there. Thanks and have a good day!

Thank you Justin and Jeremy,

I understand May might work best – but I wanted to offer that Jim will be in Atlanta April 16 -19, just in case Dr. Redfield would have an opening on one of those days?

Might I also ask, is there a time in which Dr. Redfield will be in Washington DC over the next couple of months? We would be happy to host him at our global headquarters if so.

I'm looking forward to working with you Jeremy to confirm a time.

Kindest Regards,
Christine

Justin,

Dr. Redfield agreed to this request and we just need to try to pin some times down, as well as the location, and then we can get a meeting on the books. The earliest we can make this happen is most likely in May. Let me know your thoughts and we’ll go from there. Thanks and have a good weekend.

Spencer, Laura (CDC/OCOO/OD)

Subject: Meeting: Pan American Health Organization (PAHO) Health Officials
Location: DCR

Start: Wed 4/17/2019 1:30 PM
End: Wed 4/17/2019 2:00 PM

Recurrence: (none)

Meeting Status: Meeting organizer

Organizer: Redfield, Robert R. (CDC/OD)
Required Attendees: Kroop, Seth (CDC/OD/OCS); Green, Hugh (CDC/OD/OCS); Dennehy, Heather (CDC/DDNID/NCIPC/DVP); Barteo, Brad Allen (CDC/OD/OCS); Byers, Mark E. (CDC/OD/OCS); Jafari, Hamid (CDC/DDPHSIS/CGH/OD)

1. Contacts:

Logistics Specialist: Brad Barteo

Special Assistant/Staffer Accompanying: TBD

Event Contact: TBD

2. Event Information:

Event Overview: Meet with Dr. Isabella Danel (Dep. Dir., PAHO/WHO) and Dr. Jarbas Barbosa Jr. (Asst. Dir., PAHO/WHO) to strengthen CDC-PAHO relations and improve collaborations.

PAHO is the specialized international health agency for the Americas. It works with countries throughout the region to improve and protect people's health. PAHO engages in technical cooperation with its member countries to fight communicable and noncommunicable diseases and their causes, to strengthen health systems, and to respond to emergencies and disasters.

PAHO is committed to ensuring that all people have access to the health care they need, when they need it, with quality and without fear of falling into poverty. Through its work, PAHO promotes and supports the right of everyone to good health. To advance these goals, PAHO promotes technical cooperation between countries and works in partnership with ministries of health and other government agencies, civil society organizations, other international agencies, universities, social security agencies, community groups, and other partners. PAHO promotes the inclusion of health in all public policies and the engagement of all sectors in efforts to ensure that people live longer, healthier lives, with good health as their most valuable resource.

Under the leadership of its 52 member countries and territories, PAHO sets regional health priorities and mobilizes action to address health problems that respect no borders and that, in many cases, jeopardize the sustainability of health systems. PAHO wears two institutional hats: it is the specialized health agency of the Inter-American System and also serves as Regional Office for the Americas of the World Health Organization (WHO), the specialized health agency of the United Nations.

Source Invitation: Yes on the 3/18/19 DL; Ramu Kaladi (CGH): Dr. Martin recommends and would like another CGH senior leader to attend as well; Denise Beauvais (NCIRD) recommends; Dr. Schuchat: okay given Venezuela situation.

Subject: Monday telebriefing - measles

Hi,

Wanted to give you a heads-up that there will be a media telebriefing on Monday to promote the early release MMWR on measles. The details are still being worked out – and the timeline may hinge on the Secretary’s involvement/availability – but we’re potentially looking at 11 am from the EIS conference. Both Dr. Redfield and Dr. Messonnier will be on-site, and we can commandeer one of the conference rooms to better accommodate their schedules. All are aware that Dr. Redfield will have to be back at campus for the ABC interview early afternoon.

More info to come, but wanted to share what we know so far.

Thanks,

Kate

Subject: Monday AM

There is still strong desire from HHS to do a telebriefing with the Monday measles MMWR. The Secretary is now only available at 10 AM on Monday for the MMWR telebriefing because of his travel to Peru. R3 had the telebriefing on his calendar for 11 and is at the EIS conference at 10 (as is Anne who would also join) but can we confirm R3 availability for that? We would get a press room at EIS to do it.

Thanks!

Katherine Lyon Daniel, Ph.D.

Good afternoon,

From April 17-19th, we will be hosting CDC's incoming liaison to DoD, CAPT Michelle McConnell, MD. CAPT McConnell is no stranger to CDC and spent 15 years with CDC - most recently as country director in Vietnam - prior to serving in her current role as the HHS Health Attaché in Mexico City (resume attached).

In her new role, CAPT McConnell will serve as the agency's liaison within the Office of the Assistant Secretary for Health Affairs at DoD, where she will be able to directly advocate for CDC when interests between CDC and DoD align.

We appreciate you taking time to meet CAPT McConnell, acquaint her with the meeting topics identified, and any existing activities your CIO engages in with DoD.

Please contact [Amanda Campbell](#) with any questions or concerns.

Michelle McConnell, MD

HHS Health Attaché

Dr. McConnell is the Health Attaché for the Department of Health and Human Services (HHS) in Mexico, a position she assumed in January 2016. Dr. McConnell established the HHS Health Attaché office in Mexico, which joins 4 other countries (Brazil, China, India, South Africa) and the World Health Organization in Geneva, Switzerland with HHS offices. As the Health Attaché, Dr. McConnell supports HHS agency activities in Mexico, including CDC, FDA, NIH, Substance Abuse Mental Health Services Administration (SAMHSA), Assistant Secretary Office for Preparedness and Response (ASPR), Office of Global Affairs (OGA), and the Administration for Children and Families (ACF). She also supports other agencies in the U.S. Embassy, including DOD, on public health collaborations in Mexico.

Previously, from 2013 to 2016, Dr. McConnell was the CDC Country Director in Hanoi, Vietnam. Dr. McConnell led CDC PEPFAR activities and the Global Health Security demonstration project in Vietnam. From 2010 to 2013, she was the CDC Associate Director for Science in Ho Chi Minh City, Vietnam, and from 2005 to 2010, she was the Senior Advisor for CDC's Asia Regional Program, based in Bangkok, Thailand. Dr. McConnell started her public health career in 2001 at CDC's Epidemic Intelligence Service in the Division of HIV/AIDS Prevention. She has authored more than 30 scientific papers and has supported public health programs related to Zika virus, tuberculosis, influenza, viral hepatitis, anthrax, global health security, and quality improvement in health care.

Dr. McConnell is a Captain in the U.S. Public Health Service. She received her Bachelor of Science in Foreign Service from Georgetown University and her Medical Doctorate from Northwestern University. She completed her clinical training at the University of California San Francisco, and she is board certified in General Pediatrics.

Agenda

April 17-19, 2019

U.S. Department of Health and Human Services
Centers for Disease Control and Prevention

The Centers for Disease Control and Prevention Welcomes

Michelle McConnell

Incoming CDC Liaison to Office of Assistant Secretary of Defense Health Affairs

April 17, 2019: CDC Roybal Campus – 1600 Clifton Road, NE, Atlanta, GA 30329

9:00 AM	Arrival, Greeted by CDR Eric Deussing <i>Location: Building 21 Entrance, transit to 6th floor</i>
9:15– 10:00 AM	Welcome Coffee with CDC/DoD Workgroup Members <i>Location: Building 21, 6th Floor, Foyer of Room 6116</i> Participants: Dan Jernigan, Joel Montgomery, Maureen Bartee, Mark Rayfield, Amanda Campbell, Eric Deussing, etc.
10:05 – 11:00 AM	Meeting with NCIRD <i>Location: Building 21, 12th Floor, Room 12126</i> Topics: Flu, Vaccine Preventable Diseases Participants: Kristen Pope, Dr. Dan Jernigan
11:05 – 12:00 PM	Meeting with NCEZID <i>Location: Building 21, 12th Floor, Room 12126</i> Topics: Infectious, vector-borne, zoonotic diseases, and AR Participants: Dr. Rima Khabbaz, Dr. Joel Montgomery
12:00 – 1:00 PM	Lunch <i>Location: Building 16</i>
1:00 – 1:55 PM	Meeting with CGH <i>Location: Building 21, 12th Floor, Room 12126</i> Topics: PEPFAR, PMI, Polio, Global TB & HIV Participants: Dr. Rebecca Martin, Maureen Bartee
2:00 – 3:00 PM	Meeting with the Director <i>Location: Building 21, 12th Floor, DCR</i> Participants: Dr. Redfield
3:15 – 3:25 PM	Transition to CPR <i>Location: Building 21, 3rd Floor, EOC</i>
3:30 – 4:00 PM	EOC Tour <i>Location: Building 21, 3rd Floor, EOC</i>
4:00 – 5:00 PM	Meeting with CPR <i>Location: Building 21, 3rd Floor, EOC Conference Room</i> Topics: Training Programs – PHEP, Leadership, FETP, etc.

	Participants: <i>Dr. Nancy Messonnier</i>
5:00 PM	Departure
April 18, 2019: CDC Chamblee Campus – 3005 Chamblee Tucker Rd, Atlanta, GA 30341	
9:00 AM	Arrival, Greeted by Dr. Ileana Arias Location: <i>Security Building</i>
9:15 – 9:45 AM	Meeting with NCCDHDP Location: <i>Building 107, 8th Floor, Room 8C</i> Topics: <i>Chronic diseases – diabetes, obesity, heart disease, hypertension, etc.;</i> Participants: <i>Dr. Peter Briss, Sean Cucchi, Jennifer Tucker, Eileen Bosso, Karen Voestch, Bob Brewer and Chad Helmick</i>
9:55 – 10:25 AM	Meeting with NCBDDD Location: <i>Building 106, 4th Floor, Conference Room 4A</i> Topics: <i>Birth defects (Zika) and developmental disabilities</i> Participants: <i>Sascha Chaney, Stephanie Dulin</i>
10:30 – 11:30 AM	Lab Tour Location: <i>Building 110</i> Topics: <i>Chem/Rad/Nuc research (in SCIF, if necessary)</i> Participants: <i>Dr. Pirkle</i>
11:35 – 12:15 PM	Meeting with NCEH Location: <i>Building 106, 7th Floor, Suite 07108</i> Topics: <i>PFAS</i> Participants: <i>Dr. Patrick Breysse, Pam Protzel-Berman</i>
12:30 – 1:45 PM	Lunch Location: <i>Building 107</i>
2:00 – 3:15 PM	Meeting with NCIPC Location: <i>Building 106, 9th Floor, Conference Room 09108E</i> Topics: <i>Opioids, TBI, suicide, etc.</i> Participants: <i>Dr. Christopher Jones</i>
3:15 – 3:45 PM	Transit to Corporate Square
4:00 – 5:00 PM	Meeting with NCHHSTP Location: <i>Corporate Square Building 8, Room 6A</i> Topics: <i>HIV, STDs, Hepatitis, etc.</i> Participants: <i>Dr. Jono Mermin, Sara Zeigler</i>
5:00 PM	Departure

April 19, 2019: CDC Roybal Campus – 1600 Clifton Road, NE, Atlanta, GA 30329

9:00 AM	Arrival, Greeted by CDR Eric Deussing Location: <i>Building 21 Entrance, transit to 12th floor</i>
9:15 – 10:15 AM	Office of the Director's Senior Leader Meeting Location: <i>Building 21, 12th Floor, Room 12105</i> Topics: <i>Update on Organizational Structure and Strategic Plan</i> Participants: <i>Kyle McGowan, Sherri Berger</i>
10:30 – 11:30 AM	Meeting with Dr. Jay Butler Location: <i>Building 21, 12th Floor, Room 12105</i> Topics: <i>Meet & Greet</i> Participants: <i>Dr. Jay Butler, Wendi Kuhnert-Tallman</i>
11:30 – 12:30 AM	Meeting with Dr. Steve Redd Location: <i>Building 21, 12th Floor, Room 12105</i> Topics: <i>Meet & Greet</i> Participants: <i>Dr. Steve Redd</i>
12:30 – 1:45 PM	Lunch Location: <i>TBD</i>
2:00 – 3:00 PM	Meeting with CDC/DOD Workgroup Location: <i>Building 21, 12th Floor, Room 12116, Dixie Snyder Room</i> Topics: <ul style="list-style-type: none"> • <i>APORA</i> • <i>Africa focus – FETP, lab capacity, surveillance, emergency response, etc.</i> • <i>CDC participation in DoD events</i> • <i>CDC staff embedded in DoD laboratories</i> Participants: <i>Dan Jernigan, Joel Montgomery, Maureen Bartee, Nicki Pesik, Mark Rayfield, etc.</i>
3:15 PM	Departure

Sherri,

Per our discussion earlier today, please find attached the draft agenda for the NASA visit currently scheduled for April 17, 2019. Thank you for the offer to help facilitate help with the planning.

Let us know if you have any questions, I've copied Dr. Juliana Cyril here who's been leading this effort.

Thanks,

Lovisa

*Lovisa C. Romanoff, MS, MPH
Acting Deputy Director*

(b)(5)

(b)(5)

CDC and NASA

April 17th

Roybal Campus, Building 21, Room 1204A/B

(1600 Clifton Road, Atlanta, GA 30329)

Bottom Line Up Front: NASA and HHS representatives will visit CDC on April 17th to discuss the recently signed IAA and potential collaborative research opportunities between the two agencies.

- Introduce NASA science leadership to CDC leadership
- Engage in discussion of each agency's priorities
- Provide a forum for engaging CDC staff in discussions with NASA on topics of mutual interest

AGENDA

8:30 AM – Arrival at CDC Visitor Center and escort to meeting room on 12th floor of bldg. 21 (room 12105)

9:00-10:30 AM - HHS and NASA discussion with CDC Director

- Welcome and remarks by CDC Director Dr. Robert Redfield
- Remarks by Associate Deputy Secretary Brady
- HHS Agreement and Approach
 - Remarks by Dr. Kundrot
 - Remarks by Dr. Austin
- Open discussion

10:30 am -12:00 PM – CDC Tours

- 10:45-11:15 AM Tour of CDC Biotechnology Core Facility
- 11:30 AM-12:00 PM Tour of CDC Emergency Operations Center

12:00-1:00 PM – Lunch (ordered in)

1:00-2:00 PM Open Session – Sustaining Life and Good Health in Space and on Earth: The New Interagency Agreement between NASA and the Department of Health and Human Services

- Welcome remarks by Office of Science (5 mins)
- Remarks by Associate Deputy Secretary Brady (5 mins)
- Opportunities for Collaboration with NASA, Dr. Kundrot (10 mins)
- Introduction to NASA's Human Research Program, Dr. Fogarty (15 mins)
- Successes in NASA-NIH Partnerships, Dr. Austin (10 mins)
- Q&A (15 mins)

2:15-4:00 PM Closed Session - Topic Specific Discussions between NASA and CDC Leaders

CDC and NASA will share and discuss 1) areas of potential synergy for public health scientific research that fulfils the mandates of both CDC and NASA and 2) possibilities for joint efforts between CDC and NASA to support research into synergistic public health interest areas, and implement appropriate joint activities.

1. Host-pathogen interactions; health effects of microbiome
2. Strategies, tools, and technologies for enhancing medical care/public health in remote locations or under emergency/disaster conditions
3. Application of cutting edge technologies: AI, robotics, VR/AR, and other emerging technologies

4:00-4:30 PM – HHS Tag-Up participants from HHS, NIH, CDC and NASA wrap up and identify action items

NASA Visit to CDC
April 17th, 2019
Roybal Campus

Run of Show

Juliana Cyril (OTI Director) phone: 404-247-0920 (zdq4@cdc.gov)
 Gwen Barnett (OTI Deputy Director) phone: 678-557-6672 (gmb3@cdc.gov)
 Grace Thomas (OTI Exec Assistant) phone: 404-718-3141 (nff5@cdc.gov)

Time		Activity
8:30 a.m.		OD Advance Team and OTI will receive visitors at the CDC Visitor Center and escort visitors to bldg. 21, rm 12105. Coffee, tea, and water will be available for visitors/staff.
9:00 a.m.- 10:30a.m.		Participants will arrive at the meeting room and sit at their designated seat (indicated by name tents). <ul style="list-style-type: none"> • Dr. Chesley Richards will introduce the CDC Director. • Welcome and remarks by CDC Director, Dr. Robert Redfield. • Remarks by HHS Associate Deputy Secretary Brady. • Short presentation by Dr. Kundrot followed by a short presentation by Dr. Austin. • Group discussion and Q&A of IAA agreement and agencies' interests and priorities.
10:30 a.m.- 10:45 a.m.		OD Advance Team and OTI will escort visitors to bldg. 23, 12 th floor to tour to the Biotechnology Core Facility
10:45- 11:15 a.m.		Biotechnology Core Facility Tour by Jason Goldstein and Olga Stuchlik
11:15 a.m.- 11:30 a.m.		OD Advance Team and OTI will escort visitors to bldg. 21, 3 rd floor to tour to Emergency Operations Center

11:30 a.m.- 12:00 p.m.		Emergency Operations Center tour by Ed Rouse Visitors escorted back to bldg. 21, rm 1204 A/B for lunch
12:00 p.m.-1:00 p.m.		Lunch ordered in from General Muir
1:00 p.m.-2:00 p.m.		Open Session to CDC Community – Sustaining Life and Good Health in Space and on Earth: The New Interagency Agreement between NASA and the Department of Health and Human Services <ul style="list-style-type: none"> • Dr. Bunnell, Dr. Cyril. Assoc. Sec Brady. Dr. Kundrot, Dr. Fogarty, and Dr. Austin to sit at head table. • Dr. Juliana Cyril will welcome participants and introduce Dr. Bunnell. • Welcome remarks by Director, Office of Science, Dr. Rebecca Bunnell (2 mins). Dr. Bunnell will introduce Associate Secretary Brady. • Assoc. Sec. Brady will provide remarks on HHS vision and approach of the IAA (5 mins). Sec. Brady will invite Dr. Kundrot to speak. • Dr. Kundrot will share opportunities for collaboration with NASA (10 mins). Dr. Kundrot will invite Dr. Fogarty to speak. • Dr. Fogarty will give an introduction of NASA’s Human Research Program (15 mins). Dr. Fogarty will invite Dr. Austin to speak. • Dr. Austin will share successes in NASA-NIH Partnerships. • Dr. Bunnell will ask for questions from the audience in the room. Dr. Bunnell will facilitate Q&A. Dr. Bunnell will close the open session and thank everyone at 2:00 PM.
2:00 p.m.-2:15 p.m.		Break
2:15 p.m.-4:00 p.m.		Closed Session – Topics specific discussions between NASA and CDC Leaders <ul style="list-style-type: none"> • Dr. Juliana Cyril and HHS, NASA, and NIH will sit at head table. • Juliana to facilitate the closed session and introduce HHS, NASA, and NIH guests.

Run of show

April 12, 2019

		<ul style="list-style-type: none"> • Dr. Cyril will provide overview of closed session purpose and goals. • Juliana will invite each CIO leader to introduce themselves and area of CDC-NASA collaboration interest. • Juliana will invite Julie Robinson and Jenn Fogarty to give their presentation. • During the presentation, Juliana and Julie Robinson will facilitate discussion of 1) areas of potential synergy for public health scientific research that fulfills the mandates of both CDC and NASA and 2) possibilities for joint efforts between CDC and NASA to support research into synergistic public health interest areas, and implement appropriate joint activities the in following areas: <ul style="list-style-type: none"> ○ Host-pathogen interactions; health effects of microbiome ○ Strategies, tools, and technologies for enhancing medical care/public health in remote locations or under emergency/disaster conditions ○ Application of cutting edge technologies: AI, robotics, VR/AR, and other emerging technologies • OTI staff will take notes and record discussion and action items.
3:00 p.m.		Michael and Dorothy Marge escorted to visitor center for departure to airport.
4:00 p.m.-4:30 p.m.		Dr. Cyril will facilitate wrap-up discussion and next steps with HHS, NASA, and NIH.
4:30 p.m.		Visitors will be escorted by OTI back to the visitor Center for departure of CDC

I just let Kyle know – he will likely get an invite for 30 April, plus or minus 1 day on either end for site visit and technical meeting. It is tentative, and dependent on State. OGA says we should know soon.

There is one hour of availability from 12:30 – 1:30 PM on 4/16, which is the only day he'll be in DC that week, just before the Antimicrobial Resistance (AMR) Challenge at HHS from 2 – 4 PM. If you think it's worth having a meeting, let us know and we can see what's possible.

Subject: RE: Redfield participation in two April events

Hi Audrey! I'm adding Jeremy to talk about the first WVC event, since we received that invite in May of last year ☺ I suspect it was deferred or declined, but I'll let him share that. As you noted correctly, it's not currently planned for him to attend.

As for the Lima, Peru event in April... we heard a possibility that AMA may also attend, but we've not been invited to join if he does, so no plans currently. We'll keep you posted if we hear otherwise, and please do the same if you hear first! Mitch is also in the loop on this one, so I'm including him here for awareness...

Thanks!!

Scott

Subject: Redfield participation in two April events

Scott, Seth and Hugh,

OGA's Americas team reached out regarding Dr. Redfield's potential participation in two upcoming events -

- [World Vaccine Congress](#), in DC from April 14-17. Dr. Redfield isn't listed as a speaker on the event website, but Health Canada asked OGA about this since they had heard he may be attending. (If he is going, the Canadians are interested in setting up a meeting with their rep, Dr. Teresa Tam, who is Canada's chief public health officer.) It didn't look like that event was listed in recent versions of OD's decision list/look ahead schedule, so assume he is not going, but can you confirm?
- Americas region ministerial coordination meeting in Lima, Peru, April 29-30 –any sense of whether he may participate in this meeting in late April? Would be helpful to know what you all are thinking. Attaching Susan's email to you all with the draft agenda, noting that we are still waiting on a next version that reflects Peru's edits from OGA. We don't have any new info on this one.

Thanks!
Audrey

OFFICIAL LETTER N° 012 -2019-DM/MINSA

Lima, 22 ABR. 2019

ROBERT R. REDFIELD, MD
Director
Centers for Disease Control and Prevention (CDC)
U.S. Department of Health and Human Services
1600 Clifton Rd, Atlanta, GA 30333
U.S.A.

Dear Dr. Redfield:
It is my pleasure to invite you to participate in the International Conference of Ministers of Health from Member States of the OAS: *Enhancing Regional Coordination in Response to the Impacts of Forced Displacement*. This Conference will be held in Lima on April 29-30, 2019 in the Westin Lima Hotel & Convention Center and is sponsored by the Organization of American States (OAS) and the Government of the United States

Looking forward to your kind reply, I take this opportunity to convey best regards.

Sincerely,

ELIZABETH ZULEMA TOMÁS GONZÁLES
Minister of Health

Subject: FW: radio interview for R3 - scheduling request

Hi,

Another media-related scheduling request.

We'd like to schedule this interview for late April – and after a lot of back-and-forth with the producer, it seems like the best option is April 25th. We would need 30 minutes for prep, and 30 minutes for the interview. The interview can be done by phone in the DCR. Can we do the prep at 4 pm and the interview at 4:30 pm?

FYI: the taping would need to be done at one of the following times on the 25th: 2:30, 4, 4:30 or 5 PM

Thanks!
Kate

Subject: RE: Your CDC Inquiry on nationally syndicated Conversations on Health Care - WABC New York, HealthcareNOW Radio, Public Radio Exchange, ReachMD and multiple stations and digital platforms

Hi Kate,

Following up on our interview request for Dr. Redfield. Very eager to share his wisdom on a number of topics. In addition to the ambitious [initiative to end HIV](#) in the US in 5-10 years, we are also interested in this week's release of new [guidelines for opioid prescribing](#) for patients with chronic pain. We're really hoping to have him join us on these and other vital topics he is concerned with – including the need to remind people of the evidence-based support for [vaccination](#) as the number of [measles](#) cases continue to rise.

Would love to have a conversation with you to strategize. Recent guests: Dr. Donald Rucker – National Coordinator for Health IT at HHS, Adam Boehler – Director of the Center for Medicare and Medicaid Innovation (in the queue a week from now) Dr. Anand Parekh – Chief Medical Advisor to the Bipartisan Policy Center on their recent study tracking spending of federal dollars earmarked for states to address the opioid crisis, Dr. Sanjay Gupta – CNN – next week's guest. To see all of our nearly 500 guests (including his predecessor Dr. Tom Frieden) – please go to www.chcradio.com

Again, we will need [22 minutes on the phone, taped for later air. You will receive a detailed script of questions prior to interview for review.](#)

Thanks so much for facilitating,

Subject: RE: Your CDC Inquiry

Hi Kate,

Absolutely, later in the month is perfect, actually. My hosts run the largest FQHC organization in CT and are national thought leaders in care delivery. We have a successful PREP program as well as active LGBTQ health team. As an organization, we are committed front line warriors in this quest to end HIV infection.

We have some studio openings the last week in March and the first week in April.
Let's see if we can find a fit.

We'll need about 22 minutes on the phone, taped for later air. You will receive a detailed script of questions for review prior to the interview. Times are EASTERN.

Best,

Marianne O'Hare

Hi Marianne,

I received your request for an interview with Dr. Redfield on the recently announced HIV Initiative. Unfortunately, his schedule is packed and I'm not able to accommodate your requested deadline. Would

you be interested in a future opportunity, possibly later this month or in April? I'm happy to follow up when he has more availability.

Thanks,

Kate

Subject: RE: radio interview for R3 - scheduling request

Hi Teresa,

We are confirmed for 4:30 pm on April 25th, so please keep that plus the prep session at 4 pm. You can release the 2:15 to 3 pm hold – no need for makeup or time in the studios. This can all be done from the DCR.

Thanks!

Kate

Hi Kate,

Please advise if Dr. Redfield approved the interview.

We can schedule as follows on April 25th:

4:00-4:30 p.m. Prep for Phone Interview

4:30-5:00 p.m. Phone Interview

The can schedule the taping at 2:30-3:00 p.m., also, should we schedule 15 minutes for make up from 2:15-2:30 p.m.

Please advise.

Thanks,
Teresa

Subject: FW: radio interview for R3 - scheduling request

Hi,

Another media-related scheduling request.

We'd like to schedule this interview for late April – and after a lot of back-and-forth with the producer, it seems like the best option is April 25th. We would need 30 minutes for prep, and 30 minutes for the

interview. The interview can be done by phone in the DCR. Can we do the prep at 4 pm and the interview at 4:30 pm?

FYI: the taping would need to be done at one of the following times on the 25th: 2:30, 4, 4:30 or 5 PM

Thanks!
Kate

Subject: RE: Your CDC Inquiry on nationally syndicated Conversations on Health Care - WABC New York, HealthcareNOW Radio, Public Radio Exchange, ReachMD and multiple stations and digital platforms

Hi Kate,

Following up on our interview request for Dr. Redfield. Very eager to share his wisdom on a number of topics. In addition to the ambitious initiative to end HIV in the US in 5-10 years, we are also interested in this week's release of new guidelines for opioid prescribing for patients with chronic pain. We're really hoping to have him join us on these and other vital topics he is concerned with – including the need to remind people of the evidence-based support for vaccination as the number of measles cases continue to rise.

Would love to have a conversation with you to strategize. Recent guests: Dr. Donald Rucker – National Coordinator for Health IT at HHS, Adam Boehler – Director of the Center for Medicare and Medicaid Innovation (in the queue a week from now) Dr. Anand Parekh – Chief Medical Advisor to the Bipartisan Policy Center on their recent study tracking spending of federal dollars earmarked for states to address the opioid crisis, Dr. Sanjay Gupta – CNN – next week's guest. To see all of our nearly 500 guests (including his predecessor Dr. Tom Frieden) – please go to www.chcradio.com

Again, we will need 22 minutes on the phone, taped for later air. You will receive a detailed script of questions prior to interview for review.

Thanks so much for facilitating,

Marianne O'Hare

Subject: RE: Your CDC Inquiry

Hi Kate,

Absolutely, later in the month is perfect, actually. My hosts run the largest FQHC organization in CT and are national thought leaders in care delivery. We have a successful PREP program as well as active LGBTQ health team. As an organization, we are committed front line warriors in this quest to end HIV infection. MsoNormal">

We have some studio openings the last week in March and the first week in April.
Let's see if we can find a fit.

We'll need about 22 minutes on the phone, taped for later air. You will receive a detailed script of questions for review prior to the interview. Times are EASTERN.

Best,

Marianne O'Hare

Hi Marianne,

I received your request for an interview with Dr. Redfield on the recently announced HIV Initiative. Unfortunately, his schedule is packed and I'm not able to accommodate your requested deadline. Would you be interested in a future opportunity, possibly later this month or in April? I'm happy to follow up when he has more availability.

Thanks,

Kate

Subject: Update: Briefing Request for Dr. Redfield

Dear All,

We are having network issues, so please pardon the second request. Adding a few others for awareness and action.

As Heather notes below the purpose of this meeting is to provide Dr. Redfield a pre-brief before his trip to Puerto Rico, specifically with the understanding that he may be approached by media after the meeting with the Governor. Would you please join us in the DCR or by teleconference Friday between 10-11am. The exact time and phone bridge will be provided by Teresa in a meeting invite (forthcoming).

Please identify apococate POCs (see Heather's note) with the addition of relevant NCEH and CPR reps for Hurricane response activities and share their names with Teresa for the meeting invite. We understand not everyone may be available given the short notice request and appreciate you suggesting a designee if your principal is unavailable.

Thank you all,

Hugh

Subject: Briefing Request for Dr. Redfield

Hello,

As you may know, Dr. Redfield is traveling to Puerto Rico next week for events related to the HIV initiative. We expect that questions on other public health topics might arise, such as Zika and the hurricane response.

We'd appreciate if the following people could be available for a briefing call, which will be scheduled for either tomorrow or Friday: Dr. Boyle, Peggy Honein, Dr. Khabbaz, Lyle Peterson, and Dr. Montero,

We understand that it's short notice, but it would be great if folks were able to make this briefing a priority. We'll be reaching out again shortly with the scheduling information.

Let me know if you have any questions! And thank you for your flexibility.

Heather

Subject: RE: Update: Briefing Request for Dr. Redfield

Dear All,

Loretta will be leading this pre-brief. The intent is to briefly outline sensitivities and hot topics (round robin style) then allow plenty of time for discussion.

Please prepare to speak for 3-5min per center on what you think are the most pressing issues the Governor or the media may raise. Please structure your time into: 1) Sensitivity (high level outline of the issue); 2) Action (what CDC did or did not do); 3) Resolution (what is the current status). The discussion will focus on how Dr. Redfield should address these hot topics. We know that Zika and Hurricanes are two notable topics, but if there are others please include them as well.

Seth will be the lead SA for the this meeting and for the Puerto Rico trip overall.

Thank you all!

Hugh

Hi Kate,

Would you like to schedule the prep on May 10th in the CDC Atlanta Office or prep prior to the media interview?

If you would like the prep and interview on the same day, we can schedule prep 11-11:30 a.m. and interview 11:30 a.m. – 12 p.m.

We also have options from 1-2 p.m. as well.

Let me know your preference.

Thanks,
Teresa

Hi Kate,

May 3rd may work better.

Please note the proposed schedule below:

May 2nd:

11:00-11:30 a.m. Pre-brief

May 3rd (Interview at CDC Washington Office)

2-2:20 p.m. Additional time for Pre-brief
2:30-3:00 p.m. Media Interview

We will reschedule the bi-weekly communications meeting to 1-1:45 p.m. on May 2nd.

Please advise.

Thanks,
Teresa

Good morning Kate,

We can accommodate May 7th at the CDC Washington Office.

Dr. Redfield will be flying into DC from Puerto Rico.

We can schedule the pre-brief prior to the interview on May 7th from 3:00-3:30 p.m. and the interview from 3:30-4:00 p.m.

If you prefer the pre-brief to take place earlier, we can schedule May 2nd in the Atlanta Office from 11-11:20 a.m.

Please let me know what you prefer.

Thanks,
Teresa

Hey,
We discussed this opportunity during the communications meeting (again) today – and had initially proposed squeezing it in during his May 3 trip. But I just took a fresh look at his

calendar, and given the limited time available, it seems like May 7th or May 14th may be a better option. Can we find 30 minutes to accommodate this interview on one of those DC days? Ideally, we'd get 15-20 minutes for a pre-brief with him earlier that day, although it doesn't have to be immediately beforehand.

Thanks!

2. **Event Information:**

Event Overview: The OID BSC is one of CDC's federal advisory committees, which work to achieve stakeholder and public engagement in CDC's efforts and commitment to improve people's health. CDC's infectious disease BSC was originally established in 1962, making it one of the agency's oldest advisory committees. The OID BSC advises the Secretary, HHS; the Dir., CDC; the CDC Dep. Dir. for Infectious Diseases; and the Directors of CDC's three infectious disease national centers concerning strategies, goals, and priorities for the programs and research within the national centers and monitors the overall strategic direction and focus of OID and the national centers.

The board consists of 17 members, including the chair; 6 ex officio members from federal agencies; and 7 liaison representatives from other CDC federal advisory committees, the Mexico Ministry of Health, and the Public Health Agency of Canada.

Source Invitation: Yes on the 3/11/19 DL.

Date: Friday, February 22, 2019 3:52:28 PM

Hi, Jeremy and Teresa. Our next Board of Scientific Counselors, Office of Infectious Diseases (still using the old nomenclature until we update our charter) meeting is Tuesday, May 7, 1:00-5:30, and Wednesday, May 8, 8:30-3:00. We hope that Dr. Redfield will be able to join us at some point during that time. He came to a previous meeting (May 2018; soon after coming on board), and seemed to appreciate the interaction with our group. And they very much appreciated hearing his perspectives.

Please let me know if he might be available, and if so, if there's a more formal request/invitation I need to make.

Thank you, and I hope you both have a good weekend. - Sarah

Subject: FW: vaccination messages - Redfield availability
Importance: High

Hi Tara,
We just got word that President Trump and the First Lady will provide remarks at 1 pm next Wednesday, April 24, at the Rx Summit in Atlanta (see breaking news below). As a result, Dr. Redfield now plans to remain at the conference for the President's speech – and participate in events on-site as needed. Unfortunately, that may bump up against the planned media call with bloggers at 2 pm. Given that update, any thoughts on postponing or moving the blogger call? Dr. Redfield does want to participate, so we are hoping there is flexibility in rescheduling.

Happy to discuss further.

Thanks,
Kate

Rx Drug Abuse & Heroin Sum

AN NCAD MEETING

April 22-25, 2019 | Atlanta, GA

REGISTER

President Donald J. Trump and First Lady Melania Trump to Address 2019 Rx Summit Attendees

We are honored to announce that President Donald J. Trump and First Lady Melania Trump will address attendees of the 8th annual Rx Drug Abuse & Heroin Summit, on Wednesday, April 24 at 1:00 p.m. EDT.

The address underscores the significant attention being paid by all levels of government to this devastating public health epidemic.

Don't miss this special summit. Register today and join an expected record turnout of participants gathering together to find solutions to this national

crisis. Limited seats remain.

For full details on the Rx Summit, including a list of other national speakers, visit <https://protect2.fireeye.com/url?k=855cd6ce-d909dfdd-855ce7f1-0cc47adb5650-45313da9b92bfdb0&u=https://www.rx-summit.com/>

Subject: FW: vaccination messages - Redfield availability

Importance: High

Hi Tara,

We just got word that President Trump and the First Lady will provide remarks at 1 pm next Wednesday, April 24, at the Rx Summit in Atlanta (see breaking news below). As a result, Dr. Redfield now plans to remain at the conference for the President's speech – and participate in events on-site as needed. Unfortunately, that may bump up against the planned media call with bloggers at 2 pm. Given that update, any thoughts on postponing or moving the blogger call? Dr. Redfield does want to participate, so we are hoping there is flexibility in rescheduling.

Happy to discuss further.

Thanks,

Kate

Subject: FW: AP interview request for Dr. Redfield

Hi all,

Can you place a hold on Dr. Redfield's calendar for this interview request on May 15th? After comparing his and Mike's availability, looks like the best option would be 10 to 10:30 for an internal briefing, and 10:30 to 11 am for in-person with the reporter.

Please let me know if that's an option.

Thanks,
Kate

Subject: Mike at the AP, requesting a sit down with Dr. Redfield

Hi Kate,

It's Mike at the AP. I hope you're doing well.

Hey I've been invited to join a NCEZID media panel at the Clifton Road campus on Wednesday, May 15. I'd like to visit with Dr. Redfield for about a half hour if he has time before or after that session.

He's been on the job for a year now so I'd like to ask about priorities and challenges as they've been evolving.

Does he have any time?

Thanks in advance.

- Mike

Good morning Kate,

We can accommodate May 7th at the CDC Washington Office.

Dr. Redfield will be flying into DC from Puerto Rico.

We can schedule the pre-brief prior to the interview on May 7th from 3:00-3:30 p.m. and the interview from 3:30-4:00 p.m.

If you prefer the pre-brief to take place earlier, we can schedule May 2nd in the Atlanta Office from 11-11:20 a.m.

Please let me know what you prefer.

Thanks,
Teresa

On Apr 5, 2019, at 4:32 PM, Grusich, Katherina (Kate) (CDC/OD/OADC) <yhb3@cdc.gov> wrote:

Hey,
We discussed this opportunity during the communications meeting (again) today – and had initially proposed squeezing it in during his May 3 trip. But I just took a fresh look at his

calendar, and given the limited time available, it seems like May 7th or May 14th may be a better option. Can we find 30 minutes to accommodate this interview on one of those DC days? Ideally, we'd get 15-20 minutes for a pre-brief with him earlier that day, although it doesn't have to be immediately beforehand.

Thanks!

RM61	May 3	Steppin' Out Radio	DC	Steppin' Out Radio would like to interview Dr. Redfield on the opioid epidemic during a future visit to DC. Steppin' Out Radio is an internationally syndicated program featuring true stories of those who have triumphed over adversity: substance abuse, depression, PTSD, etc. This interview can be done in DC and the reporter will bring recording equipment to CDC-Washington or HHS. Subject: FW: radio interview for R3 - scheduling request

Hi,

Another media-related scheduling request.

We'd like to schedule this interview for late April – and after a lot of back-and-forth with the producer, it seems like the best option is April 25th. We would need 30 minutes for prep, and 30 minutes for the interview. The interview can be done by phone in the DCR. Can we do the prep at 4 pm and the interview at 4:30 pm?

FYI: the taping would need to be done at one of the following times on the 25th: 2:30, 4, 4:30 or 5 PM

Thanks!

Kate

Subject: RE: Your CDC Inquiry on nationally syndicated Conversations on Health Care - WABC New York, HealthcareNOW Radio, Public Radio Exchange, ReachMD and multiple stations and digital platforms

Hi Kate,

Following up on our interview request for Dr. Redfield. Very eager to share his wisdom on a number of topics. In addition to the ambitious [initiative to end HIV](#) in the US in 5-10 years, we are also interested in this week's release of new [guidelines for opioid prescribing](#) for patients with chronic pain. We're really hoping to have him join us on these and other vital topics he is concerned with – including the need to remind people of the evidence-based support for [vaccination](#) as the number of [measles](#) cases continue to rise.

Would love to have a conversation with you to strategize. Recent guests: Dr. Donald Rucker – National Coordinator for Health IT at HHS, Adam Boehler – Director of the Center for Medicare and Medicaid Innovation (in the queue a week from now) Dr. Anand Parekh – Chief Medical Advisor to the Bipartisan Policy Center on their recent study tracking spending of federal dollars earmarked for states to address the opioid crisis, Dr. Sanjay Gupta – CNN – next week's guest. To see all of our nearly 500 guests (including his predecessor Dr. Tom Frieden) – please go to www.chcradio.com

Again, we will need [22 minutes on the phone, taped for later air. You will receive a detailed script of questions prior to interview for review.](#)

Thanks so much for facilitating,

Hi Kate,

Absolutely, later in the month is perfect, actually. My hosts run the largest FQHC organization in CT and are national thought leaders in care delivery. We have a successful PREP program as well as active LGBTQ health team. As an organization, we are committed front line warriors in this quest to end HIV infection.

We have some studio openings the last week in March and the first week in April.
Let's see if we can find a fit.

We'll need about 22 minutes on the phone, taped for later air. You will receive a detailed script of questions for review prior to the interview. Times are EASTERN.

Best,

Marianne O'Hare

Hi Marianne,

I received your request for an interview with Dr. Redfield on the recently announced HIV Initiative. Unfortunately, his schedule is packed and I'm not able to accommodate your requested deadline. Would

you be interested in a future opportunity, possibly later this month or in April? I'm happy to follow up when he has more availability.

Thanks,

Kate

Please add a block for R3 to be at the Summit again from 12-4pm. More when we have additional details and answers. Brad is reaching out to organizers to see the security lock down plans so we can get R3 in ahead of that.

Pls also see if the Army SG can do another **date**, and if not, please let them know that we **may** have to cancel, but then would look forward to connecting in the future (ATL or DC).

Thx

Hi Pegg L,

Is this request for April 4th?

If yes, we can add them to the calendar.

Please advise.

Hi All-

I'm so sorry, Eshoo needs to move the time again. May we please move the Eshoo meeting to 1130am on April 2? I'm sorry, I know that cuts into lunch. Will this be ok?

Thanks for considering!

Aimee

Hi Scott-

We have confirmed a meeting between Dr. Redfield and Rep. Chris Smith (R-NJ), Ranking Member of the HFAC Africa Subcommittee, for Thursday, April 4 at 11:30am in Rayburn 2373. Anstice Brand will staff.

May we confirm on Dr. Redfield's calendar?

Thanks!
Aimee

Hi –

Rogers can meet with R3 for 1:1 at Rx Summit next Tuesday (4/23) at 4:30pm for about 20 minutes. Workable? Note: R3 has not met with Rogers yet as part of FY 2020 budget rollout.

Meeting would be in Rogers' private room at the Hyatt, Chicago E.

The Congressman's availability is extremely tight but he would very much like to meet with R3.

Let me know if this will work. I'll staff.

Thanks,
MW

Subject: Rep. Eshoo meeting confirmed - April 2

Hi Scott-

We have confirmed a meeting between Dr. Redfield and Rep. Anna Eshoo (D-CA) for Tuesday, April 2 at 10:30am in Cannon 202. Anstice Brand will staff.

May we confirm on Dr. Redfield's calendar?

Thanks!

Aimee

4. **Supporting/Logistics Materials:**

Dr. Redfield would like to schedule a call to touch base with Dr. Houry and Dr. Boyle before the meeting with the Sickle Cell Disease Association of America . He's hoping that we can accommodate this group's concerns. He'd like to see the guidelines broaden this line such that we also included people with sickle cell disease:

This guideline provides recommendations for the prescribing of opioid pain medication by primary care clinicians for chronic pain (i.e., pain conditions that typically last >3 months or past the time of normal tissue healing) in outpatient settings **outside of active cancer treatment, palliative care, and end-of-life care.**

He would prefer it to be stated directly in that context, rather than referring people back to the NIH guidelines

In addition, given the challenges of managing the painful complications of sickle cell disease, readers are referred to the NIH National Heart, Lung, and Blood Institute's Evidence Based Management of Sickle Cell Disease Expert Panel Report for management of sickle cell disease (46).

He's hoping that you can discuss this issue and align on a path forward.

Let me know if you have any questions for me, otherwise we'll move forward with scheduling an internal call.

Thanks!
Heather

Subject: RE: Dr. Redfield - Meeting with Sickle Cell Disease Association of America, Inc. Leadership

Hello to all of you! We talked this one over with Dr. Redfield today and he's interested in Deb and Coleen meeting with this group, along with him stopping by briefly at some point. Before we get that going though it was thought we should have a broader discussion about this before scheduling anything, so I've looped in Seth and Heather to start that up with all of you before we start talking to the senior leaders about it. He's aware there are some sensitivities with this group and we just want to be sure we've all looked at it before committing to anything. Thank you and let me know if I can help in any way.

Jeremy

CONGRESSIONAL VISIT TO CDC
REPRESENTATIVE SUSAN BROOKS (R-IN)
CATHERINE KNOWLES, DEPUTY CHIEF OF STAFF

Monday, April 22, 2019 at 1:40 PM (Director's Conference Room)

Meeting Setting: Your role is to welcome Rep. Brooks and give her a very short run down of your priorities. Rep. Brooks' interests align closely with CDC's on Opioids, HIV (she was heavily involved in the IN Scott County HIV Outbreak), and Preparedness (she was the Republican lead on PAHPA reauthorization and worked closely with ASPR on it). You should include in your priority discussion what she will see during her visit that relates to your priorities.

Desired Outcome: For Rep. Brooks to better understand your priorities, CDC's core capabilities and critical role in Opioids and Preparedness.

Thank you for making such an effort to be here:

- I appreciated the opportunity to talk with you at the Ebola Roundtable discussion earlier this month.
- I want to talk with you about my priorities, but before I do, is there anything else you would like to cover today?
- **Priorities:**
We will end epidemics by:
 - Significantly reducing opioid addictions – over 70,000 people died in the U.S. last year
 - [NOTE: Rep. Brooks will have just heard from Deb Houry, and she will be speaking at the Rx Summit tomorrow]
 - Controlling the greatest pandemic threat, influenza – over 80,000 people died in the U.S. last year – CDC plays an essential role in flu **and you will be hearing about this when you visit our EOC**

Second, eliminating disease:

- Have the tools to halt the spread of HIV/AIDS [NOTE: Brooks was heavily engaged on the Scott County, IN HIV Outbreak]
- Controlling vaccine-preventable disease – Measles outbreaks

Finally, securing global health and ensuring America's preparedness:

- The threat of pandemic is ever-present, and preparedness requires constant focus and resources.
- Best way to protect Americans is to prevent, detect, and respond to diseases at their source – Ebola outbreak in DRC
- **Supporting and building on CDC Core Capacities will help us achieve these priorities:**
 - Develop and deploy world-class data and analytics – **you have heard about the leaps we have made with investments in our opioid data, we need to do this for everything**
 - As the reference lab to the world, we must maintain state of art laboratory capacity – **you will see our high containment laboratory and hear about the critical work done there**
 - An elite public health workforce to stay on the cutting edge
 - Quickly respond to outbreaks at their source, both here and abroad – **you will see our EOC and hear about our work on the ground with state and local public health**
 - Build on the current foundation for strong global health capacity and domestic preparedness

Closing:

- Thank you for your leadership on public health issues and for taking the time to come to CDC.
- I hope you enjoy your visit today and will come away a champion for CDC.

Rep. Susan W. Brooks (R-IN)

Indiana's 5th District – Central Indiana, incl. Indianapolis suburbs

Biography

Residence: Carmel

Born: August 25, 1960; Auburn, IN

Religion: Roman Catholic

Family: Husband, David; two children

Education: Miami University of Ohio, B.A. 1982 (political science & sociology); Indiana University, Indianapolis, J.D. 1985

Military Service: N/A

Career: Community college administrator; lawyer

CDC Funding for Indiana (FY 2018): \$117,665,594

Political Career Highlights

First Elected: 2012 (4th term)

Latest Election: 2018 (56.8%)

Political Highlights: Deputy Mayor of Indianapolis (1998-99); U.S. Attorney (2001-07)

Committees: Energy & Commerce (Health; O&I); and Select Modernization of Congress

Caucuses: Biodefense (Co-Chair); Women's Issues (Co-Chair); Women's Policy Committee; Addiction, Treatment & Recovery; Diabetes; Dyslexia; Republican Study Committee

Representative Brooks' Background/Position

- Generally, Rep. Brooks has been an ally of the GOP leadership team, and some of her policy work tends to be nonpartisan, like Pandemic All-Hazards Preparedness Act (PAHPA) reauthorization.
- She comes from a family of educators and worked in college administration.
- In 2015, Rep. Brooks told an Indianapolis newspaper that she was reticent about an abortion bill's requirement that exceptions for rape and incest apply only if the woman reported the assault to police. Republican leaders pulled that bill from the schedule.

Representative Brooks' Interests

- **Public Health Preparedness:** Previously served on the Homeland Security Committee and chaired the panel on emergency preparedness and response, where she preached that synchronization among different levels of government is key to improving outcomes.
 - Works closely with Rep. Anna Eshoo (D-CA) on biodefense and preparedness issues, and the two lead PAHPA reauthorization in the House.
 - Rep. Brooks is interested in the use of social media outlets in emergency response as well as misinformation that can "escalate quickly on social media sites and negatively affect response efforts."
 - Co-Sponsor of H.R.437, the Medical Preparedness Allowable Use Act, which would allow State Homeland Security Grant Program funding to be used for enhancing public health preparedness capacities like stockpile development. (Passed House Jan. 2017)
 - Introduced H.R.3299, Strengthening Public Health Emergency Response Act, which would streamline decision-making procedures while incentivizing investment in vaccines and treatments for dangerous and deadly diseases and pathogens.

- **Opioids:** Rural Indiana has recently experienced an epidemic of opioid abuse, particularly of heroin, and HIV caused by needle sharing.
 - Sponsored bipartisan legislation with Rep. Joe Kennedy III to fund law enforcement programs to combat opiate addiction and a pain management task force for examining prescribing practices. [NOTE: The Pain Management Task Force is now a FACA of HHS.]
 - Introduced H.R.3242, the Child Nicotine Poisoning Prevention Act, which requires liquid nicotine packaging to be childproof. The E&C committee advanced the bill (Oct. 2015).
- **Health Reform:** Given that her district is a hub for the medical device industry, Rep. Brooks opposes the medical-device tax proposed under the ACA.
- **Poison Control Centers:** Brooks has introduced legislation to reauthorize poison control centers funded by NCEH/ATSDR.

Recent CDC Interactions

- CDC Director met with the E&C O&I Subcommittee to brief them on CDC's work in Ebola and his recent trip to the Democratic Republic of the Congo given the outbreak. Rep. Brooks attended. **(April 2019)**
- Rep. Brooks' staff inquired about the Strategic National Stockpile. **(Oct. 2018)**
- CDC Director called Rep. Brooks in preparation for the hearing on cybersecurity before the E&C O&I Subcommittee. **(June 2018)**
- Rep. Brooks' staff attended a Zika briefing hosted by the March of Dimes. **(July 2017)**
- CDC's NCCDPHP participated in a closed roundtable discussion hosted by the E&C Health Subcommittee on maternal mortality. Rep. Brooks attended and inquired about connections with opioids. **(June 2017)**
- Sens. Alexander and Burr and Reps. Upton and Brooks wrote to the HHS Secretary expressing concern that the Zika supplemental request removes funding for BioShield. **(April 2016)**
- Rep. Brooks' staff inquired about funding information for FY16 and FY17 for the Division of Diabetes Translation and the National Diabetes Prevention Program. **(March 2016)**
- Principal Deputy Director briefed the Bipartisan United Solutions Caucus on Zika. Rep. Brooks attended. **(Feb. 2016)**
- Rep. Brooks' staff inquired about the Ebola outbreak and U.S. response efforts. **(Oct. 2014)**

Hi Scott & Seth-

Attached is the latest agenda (v4) – still working to confirm a few more things. For now, may we please confirm 1.40-2.05pm for Dr. Redfield’s meeting with Susan Brooks in the DCR? Either Sherri or Kyle will join as well.

Also, since Dr. Redfield has availability until 3pm, we also suggest that he accompany Rep. Brooks on the high containment lab tour from 2.15-2.45pm in Building 18. Please let us know your thoughts on that so we can confirm final #s with EZID.

Seth – attached are talking points for Dr. Redfield’s meeting (including an updated bio).

Scott – Henry Gregorich (OSSAM) has been excellent with confirming security clearance (just thought you should know).

And special thanks to Mark & Brad who have been very helpful!

Thanks all!
Aimee

CONGRESSIONAL VISIT TO CDC
REPRESENTATIVE SUSAN BROOKS (R-IN)
CATHERINE KNOWLES, DEPUTY CHIEF OF STAFF

Monday, April 22, 2019 at 1:40 PM (Director's Conference Room)

Meeting Setting: Your role is to welcome Rep. Brooks and give her a very short run down of your priorities. Rep. Brooks' interests align closely with CDC's on Opioids, HIV (she was heavily involved in the IN Scott County HIV Outbreak), and Preparedness (she was the Republican lead on PAHPA reauthorization and worked closely with ASPR on it). You should include in your priority discussion what she will see during her visit that relates to your priorities.

Desired Outcome: For Rep. Brooks to better understand your priorities, CDC's core capabilities and critical role in Opioids and Preparedness.

Thank you for making such an effort to be here:

- I appreciated the opportunity to talk with you at the Ebola Roundtable discussion earlier this month.
- I want to talk with you about my priorities, but before I do, is there anything else you would like to cover today?
- **Priorities:**
We will end epidemics by:
 - Significantly reducing opioid addictions – over 70,000 people died in the U.S. last year
 - [NOTE: Rep. Brooks will have just heard from Deb Houry, and she will be speaking at the Rx Summit tomorrow]
 - Controlling the greatest pandemic threat, influenza – over 80,000 people died in the U.S. last year – CDC plays an essential role in flu **and you will be hearing about this when you visit our EOC**

Second, eliminating disease:

- Have the tools to halt the spread of HIV/AIDS [NOTE: Brooks was heavily engaged on the Scott County, IN HIV Outbreak]
- Controlling vaccine-preventable disease – Measles outbreaks

Finally, securing global health and ensuring America's preparedness:

- The threat of pandemic is ever-present, and preparedness requires constant focus and resources.
- Best way to protect Americans is to prevent, detect, and respond to diseases at their source – Ebola outbreak in DRC
- **Supporting and building on CDC Core Capacities will help us achieve these priorities:**
 - Develop and deploy world-class data and analytics – **you have heard about the leaps we have made with investments in our opioid data, we need to do this for everything**
 - As the reference lab to the world, we must maintain state of art laboratory capacity – **you will see our high containment laboratory and hear about the critical work done there**
 - An elite public health workforce to stay on the cutting edge
 - Quickly respond to outbreaks at their source, both here and abroad – **you will see our EOC and hear about our work on the ground with state and local public health**
 - Build on the current foundation for strong global health capacity and domestic preparedness

Closing:

- Thank you for your leadership on public health issues and for taking the time to come to CDC.
- I hope you enjoy your visit today and will come away a champion for CDC.

Political Highlights: Deputy Mayor of Indianapolis (1998-99); U.S. Attorney (2001-07)

Committees: Energy & Commerce (Health; O&I); and Select Modernization of Congress

Caucuses: Biodefense (Co-Chair); Women's Issues (Co-Chair); Women's Policy Committee; Addiction, Treatment & Recovery; Diabetes; Dyslexia; Republican Study Committee

Representative Brooks' Background/Position

- Generally, Rep. Brooks has been an ally of the GOP leadership team, and some of her policy work tends to be nonpartisan, like Pandemic All-Hazards Preparedness Act (PAHPA) reauthorization.
- She comes from a family of educators and worked in college administration.
- In 2015, Rep. Brooks told an Indianapolis newspaper that she was reticent about an abortion bill's requirement that exceptions for rape and incest apply only if the woman reported the assault to police. Republican leaders pulled that bill from the schedule.

Representative Brooks' Interests

- **Public Health Preparedness:** Previously served on the Homeland Security Committee and chaired the panel on emergency preparedness and response, where she preached that synchronization among different levels of government is key to improving outcomes.
 - Works closely with Rep. Anna Eshoo (D-CA) on biodefense and preparedness issues, and the two lead PAHPA reauthorization in the House.
 - Rep. Brooks is interested in the use of social media outlets in emergency response as well as misinformation that can "escalate quickly on social media sites and negatively affect response efforts."
 - Co-Sponsor of H.R.437, the Medical Preparedness Allowable Use Act, which would allow State Homeland Security Grant Program funding to be used for enhancing public health preparedness capacities like stockpile development. (Passed House Jan. 2017)
 - Introduced H.R.3299, Strengthening Public Health Emergency Response Act, which would streamline decision-making procedures while incentivizing investment in vaccines and treatments for dangerous and deadly diseases and pathogens.

- **Opioids:** Rural Indiana has recently experienced an epidemic of opioid abuse, particularly of heroin, and HIV caused by needle sharing.
 - Sponsored bipartisan legislation with Rep. Joe Kennedy III to fund law enforcement programs to combat opiate addiction and a pain management task force for examining prescribing practices. [NOTE: The Pain Management Task Force is now a FACA of HHS.]
 - Introduced H.R.3242, the Child Nicotine Poisoning Prevention Act, which requires liquid nicotine packaging to be childproof. The E&C committee advanced the bill (Oct. 2015).
- **Health Reform:** Given that her district is a hub for the medical device industry, Rep. Brooks opposes the medical-device tax proposed under the ACA.
- **Poison Control Centers:** Brooks has introduced legislation to reauthorize poison control centers funded by NCEH/ATSDR.

Recent CDC Interactions

- CDC Director met with the E&C O&I Subcommittee to brief them on CDC's work in Ebola and his recent trip to the Democratic Republic of the Congo given the outbreak. Rep. Brooks attended. **(April 2019)**
- Rep. Brooks' staff inquired about the Strategic National Stockpile. **(Oct. 2018)**
- CDC Director called Rep. Brooks in preparation for the hearing on cybersecurity before the E&C O&I Subcommittee. **(June 2018)**
- Rep. Brooks' staff attended a Zika briefing hosted by the March of Dimes. **(July 2017)**
- CDC's NCCDPHP participated in a closed roundtable discussion hosted by the E&C Health Subcommittee on maternal mortality. Rep. Brooks attended and inquired about connections with opioids. **(June 2017)**
- Sens. Alexander and Burr and Reps. Upton and Brooks wrote to the HHS Secretary expressing concern that the Zika supplemental request removes funding for BioShield. **(April 2016)**
- Rep. Brooks' staff inquired about funding information for FY16 and FY17 for the Division of Diabetes Translation and the National Diabetes Prevention Program. **(March 2016)**
- Principal Deputy Director briefed the Bipartisan United Solutions Caucus on Zika. Rep. Brooks attended. **(Feb. 2016)**
- Rep. Brooks' staff inquired about the Ebola outbreak and U.S. response efforts. **(Oct. 2014)**

Centers for Disease Control and Prevention Welcomes

All,

A room has been secured for 5/13 at Mandarin Oriental located at 1330 Maryland Ave, SW. Please let me know if he needs early or late check-in. Also how long will he be in DC and what is the trip purpose so I can proceed with travel orders?

Thanks,

Jenn

Good morning Teresa,

Very limited availability around DC area. I will let the team know what I find...so far it's looking like The Willard Intercontinental at \$464 located at 1401 Penn Ave.

Dr. Redfield's Remarks/Presentation/TPs: TBD

Proposed Role, Topic, & Length of Presentation: Present brief remarks that highlight progress toward global polio eradication and the leadership role of the CDC therein.

4. **Supporting/Logistics Materials:**

14 March 2019

Dr. Robert Redfield
Director, Centers for Disease Control and Prevention

Dear Dr. Redfield:

On behalf of members of Rotary clubs throughout the United States, I would like to invite you to participate as an honored guest at the annual Rotary International reception honoring Congressional Champions of Polio Eradication to recognize key members of Congress for their leadership in the global polio eradication effort. This event will be held on **Tuesday evening, 7 May, 2019 from 5:30 p.m. to 7:30 p.m. in the historic Mike Mansfield Room, S-207, U.S. Capitol Building.**

Rotary will be recognizing **Senator Susan Collins (R-ME), Senator John Kennedy (R-LA), Senator Chris Murphy (D-Connecticut), Representative Chuck Fleischmann (R-TN-3), Representative Derek Kilmer (D-WA-6) and Representative Grace Meng (D-NY-6)** as **2019 Champions of Polio Eradication** at this reception. Congressional Champions of prior years will also be recognized at the event. The official event invitation is attached for your reference.

In light of the critical role CDC plays as a spearheading partner of the Global Polio Eradication Initiative, Rotary International would like to give you the opportunity to make brief remarks highlighting progress toward global polio eradication and the leadership role of the CDC therein. The contribution of CDC toward the success of *The Polio Endgame Strategy 2019-2023*, including the improvements and innovations that will help the Global Polio Eradication Initiative overcome challenges to achieve and sustain a polio free world would be of particular interest to this key group of Congressional leaders.

Thank you for your consideration of this invitation. I look forward to hearing from you regarding your availability to join us.

Sincerely,

A handwritten signature in black ink, appearing to read "Mike McGovern".

Mike McGovern
Chair, Rotary's International PolioPlus Committee
Rotary Representative, Polio Oversight Board

The Honorable Robert R. Redfield, M.D. | Director | Centers for Disease Control and Prevention (CDC)
Attention: Sandra Cashman, MS, Executive Secretary | Office of the Chief of Staff | CDC

Dear Ms. Cashman:

Thank you for confirming Director Redfield's attendance at **Rotary International's Congressional Reception on Tuesday evening, May 7, 2019, from 5:30-7:30pm in Room S207, The Mansfield Room, The Capitol.** We are honored that Dr. Redfield will join Rotary leaders and their partners in the U.S. Coalition for the Eradication of Polio, and reception guests, and look forward to welcoming him to this very special event.

The reception opens at 5:30 p.m. and concludes at 7:30 p.m., with the program anticipated to begin at approximately 6:00 p.m., and award presentations to Rotary's 2019 Polio Eradication Congressional Champions and recognition of past Congressional honorees being made throughout the event.

Attached are directions to assist guests in arriving at The Mansfield Room. Please note the detailed information in the attached document on entering the U.S. Capitol Building and the procedure for visitor check-in and clearance to proceed to the reception room, S207, The Mansfield Room on the second floor. You may also [click here for a printable map of Capitol Hill](#) to assist you in arriving at The U.S. Capitol Building. **All guests must be prepared to show proper identification. Guests should NOT arrive earlier than 15 minutes before the start of the function as early access to the reception room will not be allowed.**

On behalf of [Rotary International](#) and with kindest regards.

Pam Jackson, Event Manager | [Rotary International](#) Tuesday, May 7, 2019 Congressional Reception | 5:30PM-7:30PM | S207, The Capitol

Dear Ms. Tsau:

Thank you and Mr. McGovern for inviting Dr. Robert Redfield to speak at the annual Rotary International Reception honoring congressional champions of polio eradication to be held on May 7 in Washington, DC. He is pleased to accept your invitation.

A representative from Dr. Redfield's Advance Team will be in touch soon to confirm details and assign staff for this event.

Thank you again for the invitation. Dr. Redfield looks forward to the event.

Sincerely,

Sandra Cashman, MS

DIRECTIONS for
ROTARY INTERNATIONAL RECEPTION
Honoring 2019 Congressional Champions of Polio Eradication
and
Past Congressional Champions
Tuesday, May 7, 2019 ~ 5:30 p.m. to 7:30 p.m.
The Mike Mansfield Room, S-207 (Second Floor)
The United States Capitol Building

UNITED STATES CAPITOL BUILDING ENTRANCE:

The North Door:

You will enter [The United States Capitol Building](#) via the NORTH DOOR, located on the ground level/first floor on the Senate side of the U.S. Capitol Building [facing Constitution Avenue and the Russell Senate Office Building, and Union Station in the distance]. The North Door is located at the top of a walking ramp on the side of the U.S. Capitol Building.

You will be required to pass through a U.S. Capitol Police security screening building on the U.S. Capitol Plaza, prior to being permitted entry to The Capitol through the NORTH DOOR. Please advise U.S. Capitol Police personnel that you are a guest at the Rotary International Polio Eradication Champions Reception in Room S207, The Mansfield Room (2nd Floor) of the United States Capitol.

Once you enter the NORTH DOOR, please stop at the Senate Visitors Desk on your left, where you will be asked to provide your name and destination and receive a Visitor Pass. **All guests must be prepared to show proper identification. Guests should not arrive earlier than 15 minutes before the start of the function as early access to the reception room will not be allowed.** The names of all guests who have RSVP'd in advance of the event will be included on the Reception Guest List and will be cleared to proceed to Room S207, the Mansfield Room. Turn LEFT immediately past the Senate Visitors Desk and follow to elevators. Take elevator to 2nd floor. Exit elevator and turn away from the doors facing outside and the US Supreme Court in the distance. Turn LEFT; immediate RIGHT; and immediate LEFT to a hallway and the entrance to the Mansfield Room is on the RIGHT. Please stop at the reception desk to receive a guest name badge before entering the reception.

HANDICAPPED ENTRANCE:

Handicapped individuals may also enter the Capitol Building via North Door and take direction from a uniformed U.S. Capitol Police officer to the Mansfield Room on the 2nd Floor of the U.S. Capitol Building. Wheelchairs are available for use by visitors in the

Capitol Complex. Constituents visiting The Capitol may request the use of a wheelchair through their Senators' or Representative's office.

Capitol South <https://www.wmata.com/rider-guide/stations/capitol-south.cfm>

BLUE/ORANGE LINES to Capitol South METRO. Exit at corner of First and C Streets, behind the Cannon House Office Building. Walk straight ahead one block to First and Independence Avenue and see the U.S. Capitol grounds and U.S. Capitol Building to your left. Proceed across Independence Avenue and proceed through the U.S. Capitol East Front Plaza. As you near Constitution Avenue, look for the small white U.S. Capitol Police security screening building on your left on the sidewalk. Pass through this security building and proceed up the walking ramp on the side of the U.S. Capitol and enter the building through the **NORTH DOOR**.

Once you enter the **NORTH DOOR**, please stop at the Senate Visitors Desk on your left, where you will be asked to provide your name and destination and receive a Visitor Pass. The names of all guests who have RSVP'd in advance of the event will be included on the Reception Guest List and will be cleared to proceed to Room S207, the Mansfield Room. Turn **LEFT** immediately past the Senate Visitors Desk and follow to elevators. Take elevator to 2nd floor. Exit elevator and turn away from the doors facing outside and the US Supreme Court in the distance. Turn **LEFT**; immediate **RIGHT**; and immediate **LEFT** to a hallway and the entrance to the Mansfield Room is on the **RIGHT**. Please stop at the reception desk to receive a guest name badge before entering the reception

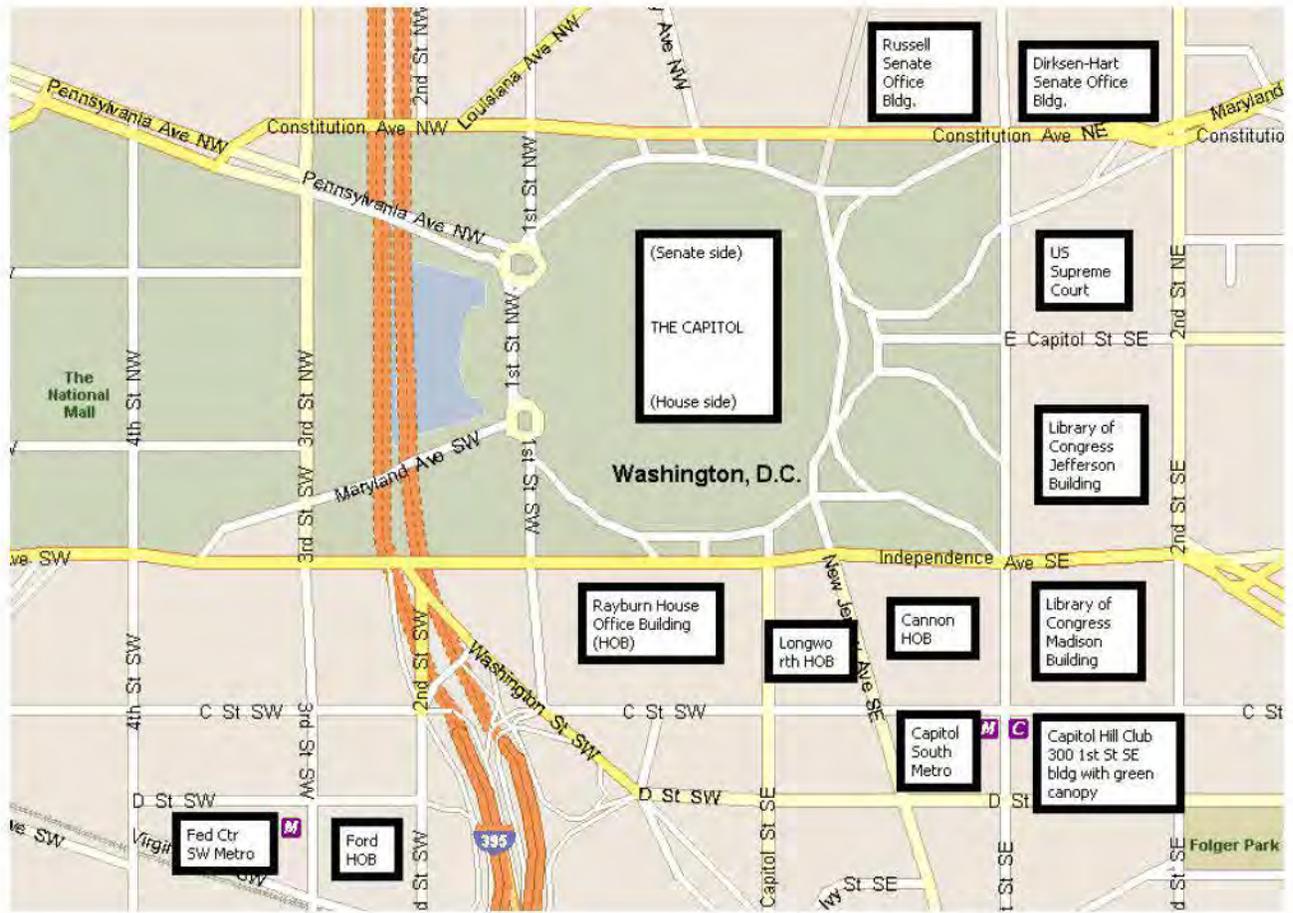

Union Station <https://www.wmata.com/rider-guide/stations/union-station.cfm>

RED LINE to Union Station METRO. Exit front of Union Station and walk three long blocks south on Delaware Avenue toward the Capitol Building [Senate office buildings will be on your left as you approach Constitution Avenue and the U.S. Capitol Building]. Enter Capitol Building via North Door entrance directions described above.

SUGGESTED PARKING:

Public parking is *very limited* around the Capitol complex. The closest public paid parking facility is the garage attached to the rear of Union Station [*First Street and Massachusetts Avenue, NE*]. Park and walk inside Union Station and exit front of Union Station to taxi stand in front of the station. Take taxi to "Senate side" of Capitol Building and enter Capitol via North Door [*see North Door entrance directions above*]. The District of Columbia does recognize accessible parking permits issued by the states and territories. Parking is permitted at designated handicapped spaces or any metered/un-metered parking space (*no fee required*), within the hours allowed for general parking in that area. Visitors must display state-issued handicapped tags or permits. Parking is not allowed where stopping, standing or parking is prohibited to all vehicles, in spaces reserved for special vehicles (*buses, taxis, etc.*), or where it would clearly be a traffic hazard. Handicapped visitors who have an appointment in a Senator's or Representative's office may request accessible parking through that office.

Event Contact: Meaghan Benci, Director, Educational Programming, NACCME, An HMP Company, 104 Windsor Center Drive, Suite 200, East Windsor, NJ 08520, O: 609.371.1137 x 5230, M: 609.240.9059, mbenci@NACCME.com

2. Event Information:

Event Overview: the Summit focuses on ways to prevent Rx drug abuse and heroin use, and is where solutions are formulated, stakeholders convene, and change begins. The Summit is produced by HMP Global, with Operation UNITE serving as the Educational Advisor, and will run from 4/22 – 4/25, Mon. – Thu.

Operation UNITE (Unlawful Narcotics Investigations, Treatment and Education) is a non-profit organization that has been serving counties in southern and eastern Kentucky for 15 years. Created by Congressman Hal Rogers (R-KY), UNITE provides a holistic, community-based approach to address the Rx drug abuse problem. We have lost an entire generation to the opioid epidemic and are trying desperately to save future generations. UNITE is engaged in numerous prevention initiatives, many with state and national partners, designed to empower citizen groups, community leaders, and support law enforcement, while creating hope and changing the culture.

Audience: 3,000 stakeholders representing 48 states, the District of Columbia, Puerto Rico, and 6 other countries (Austria, 3 provinces of Canada, the UK, Mexico, Netherlands, and Nigeria).

Atlanta, GA 30329

Dear Dr. Redfield:

It is an honor to invite you to be a plenary speaker at the eighth annual **Rx Drug Abuse & Heroin Summit**, to be held at **The Hyatt Regency Downtown Plaza Hotel in Atlanta, Georgia, April 22-25, 2019**. We have reserved a 20-minute timeslot for you during the afternoon Plenary Session on **Monday, April 22**. This Plenary Session is scheduled to begin at 4:30 pm.

Along with this opportunity, I also invite you to attend the Rx Summit VIP Dinner, hosted by Operation UNITE, HMP Global, and the Summit's National Advisory Board. The dinner will take place at the Hyatt Regency Downtown Plaza Hotel on **Monday, April 22, from 6:30 pm to 8:00 pm**.

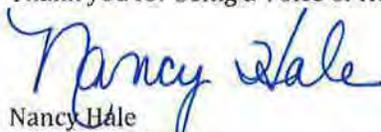

In 2018, the Summit drew more than 3,000 stakeholders representing 48 states, the District of Columbia, Puerto Rico, and six other countries (Austria, three provinces of Canada, Great Britain, Mexico, Netherlands, and Nigeria). Focusing on ways we can prevent Rx drug abuse and heroin use, the Summit is where solutions are formulated, stakeholders convene, and change begins.

The Summit is produced by HMP Global, with Operation UNITE serving as the Educational Advisor.

Operation UNITE (Unlawful Narcotics Investigations, Treatment and Education) is a non-profit organization that has been serving counties in southern and eastern Kentucky for 15 years. Created by Congressman Hal Rogers, UNITE provides a holistic, community-based approach to address the Rx drug abuse problem. We have lost an entire generation to the opioid epidemic and are trying desperately to save future generations. UNITE is engaged in numerous prevention initiatives – many with state and national partners – designed to empower citizen groups, community leaders and support law enforcement, while creating hope and changing the culture.

Thank you for your consideration of this invitation. I look forward to an opportunity for collaboration on this important issue. Should you be able to attend, please contact **Program Director Michael Raggiani** at mraggiani@iabhc.com or 603-836-0329 at your earliest convenience. The latest Summit information may be found at www.rx-summit.com.

Thank you for being a Voice of Hope.

Subject: RE: DC Meetings on Thursday

Hi All,

We are confirmed with Senator Baldwin on Tuesday, May 14 at 3:30 PM in Hart 709; I will staff him for this meeting. The scheduling POC for the Senator is Carolyn Walser at Carolyn_walser@baldwin.senate.gov if there are any last minute scheduling changes.

Peggie

Subject: DC Meetings on Thursday

Morning all. Checking in to see if OA has any meeting demands for this Thursday afternoon in DC? Believe CDCW may be able to use some of the time, if not.

Current time held for meetings is 3-6 pm, but if you need to discuss anything outside of that window, please let me know.

Many Thanks!

Scott

Good morning,

Update. Dr. Redfield's meeting with Sen. Durbin this Thursday (April 4) is moving from 9:00 – 9:30am to 12ish -1:00pm.

The Senator requested this change and is aware that Dr. Redfield is coming from the House (Chris Smith meeting). Senator Durbin looks forward to Dr. Redfield's arrival when he can get to his Leadership office at the conclusion from his meeting with Rep. Smith.

NOTE: Dr. Redfield will have an opportunity to eat lunch during the meeting.

Updated meeting time and location info:

12ish – 1pm

Senator Durbin's leadership office, S-321 in the Capitol

Please let us know if you have any questions.

Thanks,
MW

Hi Teresa,

I spoke to Murray's staff, and they said that time on Tuesday was booked once we released it. So you can send a cancellation for that time.

When I receive R3's availability for calls next week, I will share that with Murray's and Blunt's schedulers.

Many thanks,

Peggie

Subject: RE: Rep. Eshoo meeting confirmed - April 2

Hi Teresa,

If Dr. Redfield is available from 4:45 PM to 5:15 PM, we could schedule the meeting. I told Murray's scheduler it didn't work because there was no remaining time held in his calendar on April 2 for meetings, but if that does work, please let me know.

Best,
Peggie

Hi Teresa,

With the meeting that far out, we're looking for a time that would be in person.

Senator Blunt's staff is holding the following dates on the Senator's calendar – can you please let me know if one of these works for Dr. Redfield in DC?

Tuesday, April 30 (In Washington, DC)

- 9:30 am - hold
- 11:00 am – hold

If these don't work – can you please share times that do work in Washington?

Many thanks!

Peggie

Hi All-

I'm so sorry, Eshoo needs to move the time again. May we please move the Eshoo meeting to 1130am on April 2? I'm sorry, I know that cuts into lunch. Will this be ok?

Thanks for considering!

Aimee

Hi Scott-

We have confirmed a meeting between Dr. Redfield and Rep. Anna Eshoo (D-CA) for Tuesday, April 2 at 10:30am in Cannon 202. Anstice Brand will staff.

May we confirm on Dr. Redfield's calendar?

Thanks!

Aimee

Subject: RE: Scheduling assistance

Thanks, Scott, that will be helpful, particularly as it relates to trying to get the in-person with Chairman Blunt. Given his seniority and the fact that this is his busiest time of year, we need to be able to offer multiple time slots as a matter of respect.

But we have a number of other priority meetings that are critical to our FY 2020 appropriations strategy. We would really benefit from some more call time availability during the week of April 28 to get to some key House members.

And we'll like to be able to start lining up some more in-person meetings on the Senate side for later in May (after May 7).

Let me know what you think is possible.

Thanks,
Alison

Subject: State Epidemiologist Orientation (3 – 5 min. stop-in)
Attachments: RE_ question re request for CDC Director.msg

1. Contacts:

Logistics Specialist: Brad Bartee

Special Assistant/Staffer Accompanying: TBD

Event Contact: Vernellia Johnson (CSELS Program Integration Unit), O: 404.498.2466, C: 404.268.6559, hft9@cdc.gov

2. Event Information:

Event Overview: Provide newly-appointed state epidemiologists an opportunity to become familiar with CDC's activities and resources enhancing CDC's support to state health departments. The goals for the orientation include: 1.) introduce new state epidemiologists to CDC's operations, program personnel, and resources; 2). facilitate information exchange between CDC and state epidemiologists; and 3). provide an opportunity for CDC programs to hear from incoming state epidemiologists on their priorities, needs, and interests.

Orientation Proposed Topics: PH Data Strategy and how CDC provides support to State Epi's; Infectious Diseases Roundtable Discussion; Preparedness and Response Roundtable Discussion; Noncommunicable Diseases, Injury, and Environmental Health Roundtable Discussion; Center for State, Tribal, Local and Territorial Support Roundtable Discussion; and CDC Communications.

CSELS's Program Integration Unit assists the Council of State and Territorial Epidemiologists (CSTE) in organizing the New State Epidemiology Orientation which is held biennially. The meeting lasts from 5/16 – 5/17/19, Thu. – Fri.

Audience: 6 New State Epidemiologists: Farah Ahmed (KS Dept. of Health and Environment), Catherine Brown (MA Dept. of Public Health [DoPH]), Angela Dunn (UT Dept. of Health [DoH]), Lillian Peake (VA DoH), Caitlin Pedati (IA DoPH), Maria DelRosario (WV DoH).

Source Invitation: Yes on the 4/22/19 DL. Yes for a 3 – 5 min. stop-in. Charles Shepherd (CSELS): Dr. Iademarco supports.

3. Dr. Redfield's Speech Information or Talking Points (TPs):

Dr. Redfield's Remarks/Presentation/TPs: TBD

Proposed Role, Topic, & Length of Presentation: Molly Gaines-McCollom (OADC) recommends, but only 3 – 5 min. welcome with a focus on CDC priorities + importance of a strong relationship with state epis.

4. Supporting/Logistics Materials:

Day 1, Thursday, May 16, Roybal Campus

8:00-2:00pm – GCC/CR 256

2:00-5:00pm – GCC/CR 116

Day 2, Friday, May 17, CSTE Headquarters

8:00-3:00pm

Subject: RE: question re request for CDC Director

Hi Jeremy,

Thanks my friend!

I've embedded the request, which comes from our Program Integration Unit. Dr. Iademarco has reviewed the request already.

Charles

Charles E. Shepherd

Associate Director for Policy and Strategy, CSELS/OPHSS

Bvj9@cdc.gov; 678.475.4711; Cell: 404.641.4506

Vernellia Johnson, CSELS Program Integration Unit, wrote on April 16, 2019

Hello Charles,

I am following-up regarding our brief conversation last week specifically to ask Dr. Redfield to provide opening remarks during the 2019 State Epidemiologist Orientation, May 16, 2019, 9:00-9:15 a.m.

CSELS's Program Integration Unit assists the Council of State and Territorial Epidemiologists (CSTE) in organizing the New State Epidemiology Orientation which is held biennially. Last week, Dr. Iademarco emailed several CIOs asking that representatives provide 15 minute presentations on topics identified by the new state epidemiologists.

Meeting Details

- May 16-17, 2019 (Thursday/Friday)
- CDC Roybal, Building 19/2635 Century Center, Suite 700 (CSTE Main Office)
- 6 New State Epidemiologists in Attendance

Meeting Purpose

- Provide newly-appointed state epidemiologists an opportunity to become familiar with CDC's activities and resources enhancing CDC's support to state health departments.

- The goals for the orientation include: (1) introduce new state epidemiologists to CDC's operations, program personnel, and resources; (2) facilitate information exchange between CDC and state epidemiologists; and (3) provide an opportunity for CDC programs to hear from incoming state epidemiologists on their priorities, needs, and interests.

Orientation Proposed Topics

- PH Data Strategy and how CDC provides support to State Epi's
- Infectious Diseases Roundtable Discussion
- Preparedness and Response Roundtable Discussion
- Noncommunicable Diseases, Injury, and Environmental Health Roundtable Discussion
- Center for State, Tribal, Local and Territorial Support Roundtable Discussion
- CDC Communications

Confirmed Attendance of New State Epidemiologists

First	Last	Organization
Farah	Ahmed	Kansas Department of Health and Environment
Catherine	Brown	Massachusetts Department of Public Health
Angela	Dunn	Utah Department of Health
Lilian	Peake	Virginia Department of Health
Caitlin	Pedati	Iowa Department of Public Health
Maria	DelRosario	West Virginia Department of Health

Please let me know if you need additional information to assist with seeking CDC Director's request to participate in meeting.

Vernellia Johnson

Subject: Scheduling

Kyle,

Looking out a couple of weeks. I think it would be helpful if I could get an hour with R3 on Friday, April 5 in the afternoon to run through Congressional testimony on the 9th.

I suspect that I need to plan to head up on Monday (8th) for late afternoon prep and testimony Tuesday? Back that night?

Also, would love to get some time on R3 calendar on the 10th or 12th to start mapping some of the project items we discussed.

Let me know your thoughts.

Loretta

1. Contacts:

Logistics Specialist: NA

Special Assistant/Staffer Accompanying: Hugh Green

Event Contact: Christina Nelson (NCEZID/DVBD), W: 970.225.4259, C: 970.372.9238, wje1@cdc.gov and Dana Meany Dalman (NCBDDD/DCDD), O: 404.639.2115, W: 404.357.0629, vmo0@cdc.gov

2. Event Information:

Event Overview: CDC's Plague Guidelines Development team will host an Expert Forum that will serve as an opportunity for select experts to evaluate data on treatment of plague, review draft clinical guidelines, and consider key topics related to antibiotic treatment and prophylaxis of plague prior to the publication of the guidelines.

The team is comprised of staff from the Div. of Vector-Borne Diseases (NCEZID), Div. of Preparedness and Emerging Infections (NCEZID), and the Div. of Congenital and Developmental Disorders (NCBDDD), and has spent the past 2 years collecting all relevant data and developing evidence-based guidelines for the antibiotic prophylaxis and treatment of *Yersinia pastis*, the causative agent of plague and a Tier 1 bioterrorism agent. These guidelines, similar to others developed for anthrax, smallpox, and botulism, are part of efforts to ensure that the USG is prepared to respond to an intentional release of *Yersinia pastis*. The guidelines are intended to provide recommendations for the entire American public, including children and pregnant women.

A key component in the development of evidence-based, practical guidelines is the involvement of plague experts, health care providers from various clinical specialties, pharmacologists, and experts in emergency preparedness and public health. The guideline development process also includes collaboration with representatives from national clinical organizations (e.g., Infectious Diseases Society of America, the American Academy of Pediatrics, American College of Obstetricians and Gynecologists), NIH, and representatives from the World Health Organization and the Pan American Health Organization.

Source Invitation: Yes on the 2/4/19 DL; requested by Rima F. Khabbaz, MD (Dir., NCEZID).

3. Dr. Redfield's Speech Information or Talking Points (TPs):

Dr. Redfield's Remarks/Presentation/TPs: TBD

Proposed Role, Topic, & Length of Presentation: Present welcome remarks (10 – 15 min.) that emphasize the role of the CDC in preparedness and response, the medical countermeasure enterprise, and the importance of scientific rigor in clinical guideline development.

Hi Seth.

Wanted to ask your help to check with Dr Redfield if he is available and interested in joining to deliver Welcoming Remarks on May 7 in Bldg 19 to the Expert Group that the CDC clinical guidelines development group is convening for the Plague Clinical Guidelines development. See below and attached invite below and info on the project. We thought given his interest in clinical guidelines development and CDC's role in the MCM enterprise, that he might like to do this if he is available. Let me know any questions and what else you might need.

Thanks, Rima

Importance: High

Good morning Carlos,

There is a possibility that we may need to reschedule Dr. Redfield's visit to see Emory on Friday, April 26th from 1-2 p.m.

I will not know for certain until Friday morning.

Would it be possible to keep the visit and let you know on Friday morning if we need to reschedule?

My apologizes for any inconvenience.

Best,
Teresa

Good morning Emily,

I hope you are doing well.

I am contacting you to confirm the quarterly SVTC schedule for the meetings between Dr. Redfield and the Ambassador Bass.

Please advise if we can schedule these meetings quarterly starting in June on the first Tuesday of the month from 9:30-10:15 a.m. EST.

The first meeting will therefore be held Tuesday, June 4th from 9:30-10:15 a.m. EST.

If this day do not work for the Ambassador could you offer a few options?

Thank you for your consideration.

Best,
Teresa

Hi Emily,

This is excellent news.

I will place the meeting on Dr. Redfield's calendar.

Thanks,
Teresa

Good morning Emily,

I hope you are doing well.

I am contacting you to confirm the quarterly SVTC schedule for the meetings between Dr. Redfield and the Ambassador Bass.

Please advise if we can schedule these meetings quarterly starting in June on the first Tuesday of the month from 9:30-10:15 a.m. EST.

The first meeting will therefore be held Tuesday, June 4th from 9:30-10:15 a.m. EST.

If this day do not work for the Ambassador could you offer a few options?

Thank you for your consideration.

Best,
Teresa

1. Contacts:

Logistics Specialist: Brad Barteel

Special Assistant/Staffer Accompanying: Hugh Green

Event Contact: Malia Richmond-Crum (NCEZID), Deputy Associate Director of Policy, NCEZID, Office: 770-488-0526, Cell: 404-307-6135, JRV8@CDC.GOV

2. Event Information:

Event Overview: Objectives: Highlight the urgent threat posed by antimicrobial resistance (AMR) to all countries and regions and the need to address it using a One Health approach; Explain The AMR Challenge and invite countries to participate by making formal commitments and encouraging local action; and provide examples of commitments by showcasing USG efforts in multiple sectors.

Overview: During the 73rd Session of UNGA, Sec. Azar launched The AMR Challenge, a year-long initiative that seeks to build momentum in the fight against AMR by asking public and private stakeholders around the globe to make commitments in the following areas: tracking and data, infection prevention and control, sanitation and the environment, antibiotic use, and vaccines, diagnostics and therapeutics. The Challenge embraces a One Health approach, recognizing the interconnectedness of human health, animal health, and the environment. Countries that join The AMR Challenge as co-sponsors are asked to organize local events and activities to encourage broad participation from regional partners, national ministries, local governments, non-governmental organizations, academia, and industry.

Speakers: Alex M. Azar, Sec., HHS; Anthony Fauci, Dir., National Institute of Allergy and Infectious Diseases, NIH, HHS; TBD, Asst. Sec. of Def. for Health Affairs, DOD/VA; Frank Yiannas, Dep. Commissioner for Food Policy and Response, FDA; and Scott Hutchins, Dep. Under Sec. for Research, Education and Economics, USDA.

Co-sponsors of The AMR Challenge currently include the Governments of: Canada; Finland; India's Dept. of Biotechnology Ministry of Science and Technology and Indian Council of Medical Research, Ministry of Health and Family Welfare; Japan; Nigeria; Pakistan; Peru;

and Sweden; WHO and the South-East Asia Regional Office, the Bill & Melinda Gates Foundation, the Pew Charitable Trusts, the UN Foundation, Wellcome Trust, and the CDC Foundation.

Source Invitation: Yes on the 3/25/19 DL. Dr. Schuchat recommends.

3. Dr. Redfield's Speech Information or Talking Points (TPs):

Dr. Redfield's Remarks/Presentation/TPs: TBD

Proposed Role, Topic, & Length of Presentation: Participate in the event as a speaker.

Tracie, can you update the calendar? There is a pre-brief for the secretary 9-9:30, so this shouldn't substantively change travel plans.

Thanks,

Hugh

The North Door:

You will enter [The United States Capitol Building](#) via the NORTH DOOR, located on the ground level/first floor on the Senate side of the U.S. Capitol Building [*facing Constitution Avenue and the Russell Senate Office Building, and Union Station in the distance*]. The North Door is located at the top of a walking ramp on the side of the U.S. Capitol Building.

You will be required to pass through a U.S. Capitol Police security screening building on the U.S. Capitol Plaza, prior to being permitted entry to The Capitol through the NORTH DOOR. Please advise U.S. Capitol Police personnel that you are a guest at the Rotary International Polio Eradication Champions Reception in Room S207, The Mansfield Room (*2nd Floor*) of the United States Capitol.

Once you enter the NORTH DOOR, please stop at the Senate Visitors Desk on your left, where you will be asked to provide your name and destination and receive a Visitor Pass. **All guests must be prepared to show proper identification. *Guests should not arrive earlier than 15 minutes before the start of the function as early access to the reception room will not be allowed.*** The names of all guests who have RSVP'd in advance of the event will be included on the Reception Guest List and will be cleared to proceed to Room S207, the Mansfield Room. Turn LEFT immediately past the Senate Visitors Desk and follow to elevators. Take elevator to 2nd floor. Exit elevator and turn away from the doors facing outside and the US Supreme Court in the distance. Turn LEFT; immediate RIGHT; and immediate LEFT to a hallway and the entrance to the Mansfield Room is on the RIGHT. Please stop at the reception desk to receive a guest name badge before entering the reception.

1. **Contacts:**

Logistics Specialist: TBD

Special Assistant/Staffer Accompanying: TBD

Event Contact: E. Albert Reece, MD, PhD, MBA, Executive Vice President for Medical Affairs, UM Baltimore, John Z. and Akiko K. Bowers Distinguished Professor and Dean, University of Maryland School of Medicine, 655 W. Baltimore Street, Suite 14-029, Baltimore, MD 21201-1559, 410-706-7410 (Office), 410-706-0235 (Fax), deanmed@som.umaryland.edu (Office)

2. **Event Information:**

Event Overview: For the past 7 years the School of Medicine has held an annual , day-long Festival of Science to highlight ongoing research in key areas across the campus, the nation and the world. The event has become the school's key research platform of the year.

The Festival of Science would also be a highlight to the external Scientific Advisory Council (SAC) that will be on hand that day. The Council, which is tasked with evaluating highlighted research areas at the Festival, currently consists of 4 internationally distinguished and preeminent research-scientists, who are also members of the National Academy of Sciences, Engineering, or Medicine: Gilbert Omenn, MD, PhD (Current SAC Chair); Rita Colwell, PhD; George C. Hill, PhD; and Diane Griffin, MD, PhD.

Audience: 700-800 faculty, students, and staff.

Source Invitation: Yes on the DL

3. Dr. Redfield's Speech Information or Talking Points (TPs):

Dr. Redfield's Remarks/Presentation/TPs: TBD

Proposed Role, Topic, & Length of Presentation: TBD

4. Supporting/Logistics Materials:

	E. Albert Reece, MD, PhD, MBA (Exec. VP for Medical Affairs, UM Baltimore; John Z. and Akiko K. Bowers Distinguished Prof. and Dean, Univ. of Maryland School of Medicine)	11/21/19, Thu., 8:30 – 9:30 AM	Baltimore, MD (Univ. of MD Medical School)	<ul style="list-style-type: none">• Join the school's Festival of Science where the Director will be awarded the Dean's Distinguished Gold Medal. The award being given to the Director would focus mainly on his work done before he joined the CDC.• Purpose: This prestigious medal is awarded to "an individual who has made high impact contributions to medicine, science, or society, whether in clinical care, education, biomedical research, or community service, and has significantly improved the health and well-being of human kind." The Director's pioneering work in HIV/AIDS has contributed greatly to medicine, science, and society, deeply impacting the entire spectrum of our industry: clinical care (Baltimore and Africa specifically), education (Walter Reed Army Institute of Research & UMSOM), and community service (The Jacques Initiative).••

Recurrence: (none)

Meeting Status: Meeting organizer

Organizer: Redfield, Robert R. (CDC/OD)
Required Attendees: Brad Allen Bartee (CDC/OD/OCS) (yxa0@cdc.gov); Byers, Mark E. (CDC/OD/OCS); Seth Kroop (CDC/OD/OCS) (wpw7@cdc.gov); Green, Hugh (CDC/OD/OCS); Dennehy, Heather (CDC/DDNID/NCIPC/DVP); CDC Media-OD (CDC)
Optional Attendees: Noel, David (CDC/OD/OADC)

1. Contacts:

Logistics Specialist: TBD

Special Assistant/Staffer Accompanying: TBD

Event Contact: Paul Kawata, Executive Director, 1000 Vermont NW, Suite 200, Washington, DC 20005, C: 202.277.2777, pkawata@nmac.org

2. Event Information:

Event Overview: <http://2019usca.org/> The Conference occurs 9/5 – 9/8/19, Thu. – Sun.

This year's focus is on the plan to end the HIV epidemic in America. It will be an opportunity for health departments, community-based organizations, people living with HIV, people on PrEP, national organizations, health centers, health care providers, donors, activists, and federal leaders to come together to discuss implementation. The conference occurs one month before the roll-out of the federal plan to end the HIV epidemic in America. USCA is the best opportunity to reach the largest number of the HIV workforce to educate them on the CDC, HRSA, IHS, and NIAID plans to end the epidemic.

NMAC (formerly the National Minority AIDS Council) leads the race to urgently fight for health equity and racial justice to end the HIV epidemic in America. It would like to work with the CDC to do the following: develop a CDC track at USCA; offer a Master Lecture by Dr. Mermin (based on TED talks); provide community scholarships for delegates from the 48 counties, DC, San Juan, and the 7 states targeted in the HHS proposal; and pre or post USCA Institute.

The CDC track at USCA will be an opportunity to train the HIV workforce on the implementation plans CDC has for this initiative. Timing is critical because USCA is right before the roll-out of the plan and the meeting is the largest gathering of community who work on the frontlines. The goal

is to work with the CDC to build the HIV movement's training infrastructure needed to reach the 2030 goal.

Audience: 3000 attendees, mostly consisting of the HIV workforce.

Source Invitation: Yes on the 3/4/19 DL. Michael Williams (NCHHSTP) recommends in light of the recently announced "Ending the HIV Epidemic" initiative; USCA will provide an excellent opportunity for the Director to engage directly with every corner of the HIV community to discuss this initiative.

3. Dr. Redfield's Speech Information or Talking Points (TPs):

Dr. Redfield's Remarks/Presentation/TPs: TBD

Proposed Role, Topic, & Length of Presentation: Present plenary remarks (15 min., no Q & A) at the opening session that focus on the federal plan to end the HIV epidemic. In addition to the Director, Dr. Fauci and Dr. Giroir as the principle authors of the plan, have also been invited.

1. Contacts:

Logistics Specialist: Mark Byers **(Need exact time for that day)**

Special Assistant/Staffer Accompanying: TBD

Event Contact: Carrie G. Benton, Lieutenant Colonel, US Army, Veterinary Corps, Deputy, Chief Science Officer, WRAIR, O: 301-319-9899, C: 301-526-6861, carrie.g.benton.mil@mail.mil

2. Event Information:

Event Overview: WRAIR is the largest and most diverse biomedical research laboratory in the Dept. of Defense. Its main facility, the Daniel K. Inouye building, is located in Silver Spring, MD. Other laboratory and clinical facilities carry out research in Asia, Africa, and Europe through cooperative partnerships with host governments and militaries through the US State Dept. WRAIR's greatest resources are the dedicated scientists, technicians, and support personnel who make up the core of the WRAIR today.

<https://www.wrair.army.mil/>

Source Invitation: Yes on the 3/11/19 DL.

3. Dr. Redfield's Speech Information or Talking Points (TPs):

Dr. Redfield's Remarks/Presentation/TPs: TBD

Proposed Role, Topic, & Length of Presentation: Present remarks as part of WRAIR's 2019 Distinguished Speaker Series. A presentation on the topic of the Director's choice would occur, as well as a smaller group meeting and lunch with various branch leaders to

discuss potential collaborations, such as: Military HIV Research Program; Emerging Infectious Diseases; Center for Military Psychiatry and Neuroscience Research; Viral Diseases Branch; Bacterial Disease Branch; Multidrug-Resistant Organism Repository and Surveillance Network; and Malaria Research.

LTC Benton,

Dr. Redfield has accepted COL Teyhen's invitation and we'd like to know if 12 JUL would work?

Jeremy

Jeremy McCallister

Advance Team

Office of the Chief of Staff

Centers for Disease Control and Prevention (CDC)

DEPARTMENT OF THE ARMY
WALTER REED ARMY INSTITUTE OF RESEARCH
503 ROBERT GRANT AVENUE
SILVER SPRING, MD 20910-7500

FEBRUARY 21, 2019

The Honorable Dr. Robert R. Redfield
Director of the U.S. Centers for Disease
Control and Prevention
1600 Clifton Road
Atlanta, GA 30333

Dear Dr. Redfield,

We would like to invite you to speak as part of the Walter Reed Army Institute of Research's 2019 Distinguished Speaker Series (DSS). If you are available, we will schedule a presentation on the topic of your choice as well as a smaller group meeting and lunch with various branch leaders to discuss potential collaborations, such as:

- Military HIV Research Program
- Emerging Infectious Diseases
- Center for Military Psychiatry and Neuroscience Research
- Viral Diseases Branch
- Bacterial Disease Branch
- Multidrug-Resistant Organism Repository and Surveillance Network
- Malaria Research

We are happy to arrange a visit at your earliest availability this spring or summer. Upcoming dates that work well for the WRAIR leadership include May 28-31, June 10-14, July 1-3, or July 8-12. We look forward to hearing about your availability and areas of interests during your visit. Please feel free to contact our DSS POC, LTC Carrie G. Benton, carrie.g.benton.mil@mail.mil, (301) 319-9899. She will assist with scheduling and answer any questions you may have.

Thank you for your consideration, and I look forward to seeing you again.

Best regards,

A handwritten signature in black ink that reads "Deydre S. Teyhen".

Deydre S. Teyhen
Colonel, US Army
Commanding
