Subject: WHA bilat walk through

Hi Teresa,

Would you please hold 30min on April 26 for a bilateral meeting run though with CGH? Scott has placed a hold for a pre-brief on the trip over all for May 15, the week before we go. This meeting would be to walk through the bilateral meetings specifically and talk priorities and sensitivities for the tier 1 countries that we will be scheduling, which will help guide material development. We have held similar meetings in the past.

I looked briefly at the calendar and with his travel it seems like April 26 is our best option.

Many thanks,

Hugh

Subject: White House Leadership Development Program (WHDLP) Fellow - June 10-11 CDC Visit re:

Presenter Time Slots

Good morning, All:

I am working with Josh Bornstein to assist Tamara Hamaty, a WHDLP Fellow, on Sherri's presentation time slot as well as conference room reservation for the WHDLP program visit to CDC on June 10-11. Please find below the program summary and draft agenda Tamara has provided, in case you had not received. To assist Tamara in finalizing the remaining presenter time slots, please advise respective availability directly to Tamara. She is appreciative of our assistance to help her in finalizing this agenda. Please note for clarity – the reference to 'Directors Conference Room' translates to a conference room to be assigned on the 12th floor – not Dr. Redfield's DCR.

Thank you for your assistance.

Respectfully,

Lisa

Lisa M. Bremmer

Subject: RE: Confirmed for June 11

Lisa -

As background I am a White House Leadership Development Program (WHDLP) Fellow. WHDLP is a competitive program for high-performing career GS-15 employees poised to enter the next generation of career senior executives. The program provides a broad federal perspective on high-priority

challenges with access to senior decision-makers and develop Fellows as a cadre of leaders with the skillsets and networks to address challenges through a cross-agency lens and implement solutions across organizational boundaries. (https://www.pic.gov/whldp/)

As part of the fellowship we are required to a have an agency day. To date we have visited DOS, VA, CBP, and DOE meeting with their executives to include Secretary Pompeo, Secretary Wilkie, and DepSec Dan Brouillette, and numerous others.

Originally CDC was to be a HHS Day. However, through negotiations and working with two NASA fellows, we are moving forward with "destination agency days". The fellows will visit CDC the afternoon of June 10 and the morning of June 11, and then we travel to NASA Kennedy Space Center for June 12-13 visit.

I have drafted (see below) an agenda for CDC. It is great Sherri has confirmed. Josh mentioned Sherri was also working to confirm Dr. Schuchat and the Director.

Once I have Dr. Schuchat and Sherri confirmed, I can then work on the remainder of the agenda.

Also, is it possible to reserve a conference room on the 12th floor of Building 21 from 07-1200?

Your thoughts and assistance are much appreciated. Coordinating from DC adds some complexity to this.

Thank you in advance, Tammy

Hi Tammy,

My pleasure.

How many fellows should we expect in the DCR as well as other CDC participants?

Thanks, Teresa

Good morning Tamara,

Per Lisa Bremmer's email below, I am responding to your request to schedule a 30 minute meeting for Dr. Redfield to meet with the White House Leadership Development Program (WDLP) Fellow on June 11th from 11:00-11:30 a.m. in the DCR.

Please advise if we can confirm this time.

Best,

Teresa

Subject: White House Leadership Development Program (WHDLP) Fellow - June 10-11 CDC Visit re:

Presenter Time Slots

Good morning, All:

I am working with Josh Bornstein to assist Tamara Hamaty, a WHDLP Fellow, on Sherri's presentation time slot as well as conference room reservation for the WHDLP program visit to CDC on June 10-11. Please find below the program summary and draft agenda Tamara has provided, in case you had not received. To assist Tamara in finalizing the remaining presenter time slots, please advise respective availability directly to Tamara. She is appreciative of our assistance to help her in finalizing this agenda. Please note for clarity – the reference to 'Directors Conference Room' translates to a conference room to be assigned on the 12th floor – not Dr. Redfield's DCR.

Thank you for your assistance.

Respectfully,

Lisa

Subject: RE: Confirmed for June 11

Lisa -

As background I am a White House Leadership Development Program (WHDLP) Fellow. WHDLP is a competitive program for high-performing career GS-15 employees poised to enter the next generation of career senior executives. The program provides a broad federal perspective on high-priority challenges with access to senior decision-makers and develop Fellows as a cadre of leaders with the skillsets and networks to address challenges through a cross-agency lens and implement solutions across organizational boundaries. (https://www.pic.gov/whldp/)

As part of the fellowship we are required to a have an agency day. To date we have visited DOS, VA, CBP, and DOE meeting with their executives to include Secretary Pompeo, Secretary Wilkie, and DepSec Dan Brouillette, and numerous others.

Originally CDC was to be a HHS Day. However, through negotiations and working with two NASA fellows, we are moving forward with "destination agency days". The fellows will visit CDC the afternoon of June 10 and the morning of June 11, and then we travel to NASA Kennedy Space Center for June 12-13 visit.

I have drafted (see below) an agenda for CDC. It is great Sherri has confirmed. Josh mentioned Sherri was also working to confirm Dr. Schuchat and the Director.

Once I have Dr. Schuchat and Sherri confirmed, I can then work on the remainder of the agenda.

Also, is it possible to reserve a conference room on the 12th floor of Building 21 from 07-1200?

Your thoughts and assistance are much appreciated. Coordinating from DC adds some complexity to this.

Thank you in advance, Tammy

Subject: World Malaria Day Reception
Attachments: World Malaria Day Reception.pdf

Blunt is the scheduling priority for this day

1. Contacts:

Logistics Specialist: Mark Byers

Special Assistant/Staffer Accompanying: TBD

Event Contact: Ken Staley, MD (US Global Malaria Coordinator), kstaley@usaid.gov

2. Event Information:

Event Overview: Present brief remarks at the event on malaria activities (DoD General Chinn) and Dr. Staley would be on the panel with the Director. The event will celebrate US leadership in the global malaria fight, recognize US contributions to reducing the burden of malaria, thank congress for their steadfast, bipartisan support, and officially launch the PMI Annual Report to Congress. This event is targeted toward members of Congress including across Foreign OPs, Labor/HHS, and DoD committees and is hosted by Malaria No More.

Source Invitation: Yes on the4/15/19 DL. Overlaps with the Rotary Polio event at the same time, but it is possible the Director could attend 30 min. at the beginning to mingle. Possible conflict with member meetings. Dr. Schuchat: Polio event more important but he can try if he has time.

3. Dr. Redfield's Speech Information or Talking Points (TPs):

Dr. Redfield's Remarks/Presentation/TPs: Present brief remarks at the event on malaria activities (DoD General Chinn) and Dr. Staley would be on the panel with the Director. The event will celebrate US leadership in the global malaria fight, recognize US contributions to reducing the burden of malaria, thank congress for their steadfast, bipartisan support, and officially launch the PMI Annual Report to Congress. This event is targeted toward members of Congress including across Foreign OPs, Labor/HHS, and DoD committees and is hosted by Malaria No More.

Proposed Role, Topic, & Length of Presentation: TBD

4. Supporting/Logistics Materials:

From: Scales, Scott L. (CDC/OD/OCS)

To: Green, Hugh (CDC/OD/OCS); McCallister, Jeremy (CDC/OD/OCS); Williams, Teresa (CDC/OD/OCS)

Cc: Kroop, Seth (CDC/OD/OCS); Strength, Tracie (CDC/OD/OCS); Gaines-McCollom, Molly (CDC/OD/OADC)

Subject: RE: Invitation to participate in World Malaria Day events in DC on 5/7/2019

Date: Tuesday, April 9, 2019 11:26:24 AM

+ Molly for awareness. It'll be on the next DL

Strength, Tracie (CDC/OD/OCS) < tmd9@cdc.gov>

Subject: FW: Invitation to participate in World Malaria Day events in DC on 5/7/2019

Jeremy,

I wanted to flag this invitation from Ken Staley, PMI coordinator for Dr. Redfield to join the World Malaria Day Reception. It overlaps with the Rotary Polio event, but it is possible he could attend 30min at the beginning to mingle.

Apologies if this wasn't shared earlier. I'm not sure of the history on this request. Happy to discuss. I just wanted to let Ken know we were on it as this is a relationship Dr. Redfield is working on building.

WMD Event Details:

- Event: World Malaria Day Reception (and launch of PMI Annual Report to Congress)
- Host Organization: Malaria No More
- Venue: S-115 (US Capitol Building Senate side, WDC)
- Event Date: 5/7/2019Time: 4.30-7.30pm
- Role of USG Agency leadership participants: short remarks

Best,

Hugh

Subject: RE: June 12 Community Guide Reception-question

Hi Lisa! Congrats on your new role!! It's great to hear from you. It's been too long since we all saw each other.

Regarding this request, we've already got it held on Redfield's calendar (6-7pm) as it came up via Fielding. Let us know if the timing changes. We can loop in OADC (Molly) for his talking point prep as we get closer, but I'm including her here for awareness. I've also sent our invite to Anne, Kyle, and Sherri, so at least it will appear on their calendars for now.

Take care, and I'll look forward to seeing you soon.

Hi Scott and Andrea—

Hope you're both doing well. I have a new job at CDCF serving as Judy's senior advisor, effective this week, and I have a question for both of you. (Caveat: thank you both in advance for your patience as I get situated in this new role!)

At Judy's request, we are working with Dr. Jonathan Fielding and the Community Guide Branch to coordinate a special reception that will be co-hosted by CDC Foundation and Dr. Fielding on the evening of June 12 at CDC. I'm attaching a confidential brief as it is still being planned at this point and we are still vetting it with Dr. Fielding.

We plan to send out invitations in mid-April, but we want to be sure that Dr. Redfield, Dr. Schuchat, Sherri Berger and Kyle are holding time on their calendars for the event. I believe Dr. Fielding would like Dr. Redfield to speak briefly (like 10 minutes), and Judy can reach out to him directly, but I wasn't sure what the process was to get it on the books. Do we need to fill out a form or send a formal request from Judy?

Please don't send this email out widely—I am just looking to both of you for advice about how to move the process forward so that I can get it going and report back to the team.

Thanks so much for your help!

Hi Scott,

Please note the email below.

The Vaccine Preventable Diseases Winnable Battle meeting is scheduled April 10th from 10-11 a.m.

Currently Dr. Redfield is available to attend.

Okay to accept? We said we would keep these meetings as tentative on the calendar.

Please advise.

Thanks, Teresa

2. Event Information:

Event Overview: NCEH requested the CDC Director to participate in a photo opportunity through a non-profit organization called The Ear Peace: Save Your Hearing Foundation, for a Girl Scout, Kelly Culhane, a Florida high school student, who was chosen as one of the ten 2018 National Gold Award Girl Scouts, the highest award a Girl Scout can earn.

Through this organization we were introduced to Kelly Culhane, a Florida high school student, who was chosen as one of the ten 2018 National Gold Award Girl Scouts, the highest award a Girl Scout can earn.

Working with the Foundation, Kelly "scripted, filmed, and edited an educational video, <u>Band Together to Protect Your Hearing</u>, which is used in the foundation's teacher training workshops for 392 schools in Miami-Dade County. She has educated elementary and high school students about hearing conservation, presented on this topic at a statewide music educator's conference, and presented to 125 teachers at a professional development workshop. Kelly has also created and distributed educational posters and informative brochures to pediatric offices and hospitals statewide. She plans to expand this distribution to a nationwide campaign."

Williams, Teresa (CDC/OD/OCS) < coo4@cdc.gov> **Subject:** Scheduling request - photo op with Girl Scout

Scott et al.,

NCEH asked for a photo opp for a Gil Scout who worked on hearing loss (info below). We have not yet floated this by Dr. Redfield (will today or tomorrow), but I'm confident he'll agree to do it. John is looking for 15 min of time on R3's calendar, in person, sometime in May. I'm thinking May 16-17 look good. John needs to explore dates and times so that he can make travel plans for the Girl Scout. OADC

thinks this is a fantastic opportunity and would look to promote the photo/brief visit through various channels.

Can I connect John with your team now, or do we need to wait for a final OK from R3?

Thanks, m

The Ear Peace: Save Your Hearing Foundation (<u>www.earpeacefoundation.org</u>) is a non-profit organization whose goal is to make young people aware of the problem of noise-induced hearing loss and motivate them to take effective measures to protect their hearing.

Through this organization we were introduced to Kelly Culhane, a Florida high school student, who was chosen as one of the ten 2018 National Gold Award Girl Scouts, the highest award a Girl Scout can earn. Working with the Foundation, Kelly "scripted, filmed, and edited an educational video, <u>Band Together to Protect Your Hearing</u>, which is used in the foundation's teacher training workshops for 392 schools in Miami-Dade County. She has educated elementary and high school students about hearing conservation, presented on this topic at a statewide music educator's conference, and presented to 125 teachers at a professional development workshop. Kelly has also created and distributed educational posters and informative brochures to pediatric offices and hospitals statewide. She plans to expand this distribution to a nationwide campaign."

Subject: RE: scheduling for Girl Scout visit

Thursday evening May 16th, Kelly Culhane, the National Gold Award Girl Scout, will be receiving a Miami Herald newspaper's <u>Silver Knight</u> award honoring high school students for their outstanding academic excellence and passion for community service.

This shifts the beginning of the itinerary to Friday with a Saturday departure.

Friday, May 17

- Kelly and her mother's flight from Miami (AA #2717 6:36 8:33 am)
- Drive to Atlanta's Roybal campus
- Photo op with Dr. Redfield (9:30 am)
- Possible video (podcast) shoot interview with Kelly
- Lunch
- Drive to Atlanta Chamblee campus
- NCEH "meet and greet"
- Check in hotel
- Dinner with available members of Noise-Induced Hearing Loss Work Group

Saturday, May 18

· Check out of hotel

- Drive to airport
- Flight back to Miami

This leaves one hour for travel time between her scheduled landing and drive to Roybal campus. This is a tight schedule, so **any push back on the photo time** that morning would be very much appreciated.

Thank you. John Eichwald

Subject: Bi-Weekly NCHHSTP Leadership Meeting RE: WH Domestic Policy Council -

Tuesday, April 23rd @ 4:30-5:00 p.m.

Importance: High

Good morning Michael,

The next Bi-weekly NCHHSTP Leadership Meeting RE: WH Domestic Policy Council is currently scheduled April 23rd from 4:30-5:00 p.m.

Unfortunately Dr. Redfield will be attending a meeting at the Rx Summit at 4:30 p.m..

Per our conversation last week, you said Dr. Mermin would not be available April 24-26th.

Dr. Redfield would like to have a meeting the week of April 23rd.

As this is the week of the Rx Summit, there is very limited availability on Dr. Redfield's schedule.

Would April 26th from 4-4:30 p.m. be an option to reschedule?

Please advise if Dr. Mermin will provide a delegate in his absence or participate by phone.

Thanks, Teresa

Teresa Williams

Good morning. Assistant Secretary McDonnell would like to host a meeting with your principals regarding concerns the Association of Public Health Laboratories (APHL) has with the deployment of Biodetection (BD)-21 sensors. In order to coordinate amongst our offices and the APHL, I'm suggesting some time later in April (listed availabilities below). Please let me know what works best and I'll be happy to finalize and send invites, etc.

April 18: 9:30am or 10am

Hey Heather,

Let me know how we can help with scheduling a call for Deb, Dr. Redfield, and Dr. Boyle. I know next week will be tough with RxSummit. Deb is traveling and presenting on the 29th and 30th, but can work to fit something in later that week. Just let us know how soon this needs to happen and what you all need from us. Thanks!

Subject: RE: Dr. Redfield - Meeting with Sickle Cell Disease Association of America, Inc. Leadership

Hi Sascha and Elizabeth,

I hope you're doing well on this very dreary Friday!

Dr. Redfield would like to schedule a call to touch base with Dr. Houry and Dr. Boyle before the meeting with the Sickle Cell Disease Association of America. He's hoping that we can accommodate this group's concerns. He'd like to see the guidelines broaden this line such that we also included people with sickle cell disease:

This guideline provides recommendations for the prescribing of opioid pain medication by primary care clinicians for chronic pain (i.e., pain conditions that typically last >3 months or past the time of normal tissue healing) in outpatient settings outside of active cancer treatment, palliative care, and end-of-life care.

He would prefer it to be stated directly in that context, rather than referring people back to the NIH guidelines

In addition, given the challenges of managing the painful complications of sickle cell disease, readers are referred to the NIH National Heart, Lung, and Blood Institute's Evidence Based Management of Sickle Cell Disease Expert Panel Report for management of sickle cell disease (46).

He's hoping that you can discuss this issue and align on a path forward.

Let me know if you have any questions for me, otherwise we'll move forward with scheduling an internal call.

Thanks! Heather

Hello to all of you! We talked this one over with Dr. Redfield today and he's interested in Deb and Coleen meeting with this group, along with him stopping by briefly at some point. Before we get that going though it was thought we should have a broader discussion about this before scheduling anything, so I've looped in Seth and Heather to start that up with all of you before we start talking to the senior leaders about it. He's aware there are some sensitivities with this group and we just want to be sure we've all looked at it before committing to anything. Thank you and let me know if I can help in any way.

May 9th could work, the only issue is Deb is scheduled for jury duty that day. She may not have to go, but wouldn't know until the night before.

Defer to you all on whether to hold that time and re-schedule last minute if needed or go ahead and look for another time?

Subject: RE: Potential CDC/CMS Meeting Next Week

Hi Meredith. We can confirm 12:45-1:30pm for the meeting. Unfortunately we do have a hard stop at 1:30pm.

I'm including our media and communications leaders, and I'll allow them to consider & decide about the offer to do media before the meeting with Dr. Redfield, but I'm sure they'll want to know more specifics about what may be proposed. They will likely connect with Ninio separately to discuss and decide.

Our scheduling & logistics team will connect with you on a separate thread to iron out the details of the meeting/visit as well as if anyone will be with coming her.

Best,

Scott

Subject: RE: Potential CDC/CMS Meeting Next Week

Thanks everyone – appreciate you working with us to make this happen. We are happy to come to the CDC. We are waiting to see if she will have a brief press outing following her remarks at NRHA, and once that is confirmed we will have a better sense of timing. For now, let's plan on a meeting from 12:45PM to 1:30PM at the CDC, assuming 1:30PM is your stop time. The Administrator wishes to discuss the issue of maternal mortality as it relates to CMS/CDC data collection, and programs at the agencies to improve maternal health.

In addition, we thought there might be an opportunity for ~5 minutes or so of media before the meeting if that is something you were interested in. I have copied our Director of Strategic Communications Ninio Fetalvo, who would be happy to work with your press team if so.

Best,

Meredith Good-Cohn

Thanks Rich!

Hello Cara and Meredith, it's nice to meet you virtually. Will Administrator Verma be willing to come to the CDC to meet with Dr. Redfield? Unfortunately he's not attending the NRHA meeting on Wednesday due to other commitments. If that's possible, we could arrange a meeting for 1-1:30, but if more time is needed, then we may need to start at 12:45.

Please let us know how you'd like to proceed. I've added our scheduling team for Dr. Redfield, so Teresa or Tracie can help arrange.

Many thanks!

Scott

Thanks Rich.

Scott and Seth, as Rich mentioned, Administrator Verma will be speaking Wednesday at the National Rural Health Association meeting, at 11:45 am. She is hoping that Dr. Redfield might have some time afterwards around 1 pm, to meet to talk about maternal mortality before she returns to DC. Would that be possible? I'm included Meredith Good-Cohn, who has more information on the request and the Administrator's schedule.

Thanks, Cara

Hi Scott and Seth,

I received this email from our CMS Rural Health POC, Cara James, who mentioned that the CMS Administrator would like to meet with Dr. Redfield next week during the National Rural Health Conference. I'm hoping you can take it from here to connect and see if there is a possibility to set up the meeting sometime next week. Cara is cc'd on the email below. Please let know if you have any questions.

Thanks, Rich

Subject: FW: Meeting Request

FYI—See below.

OSSAM wants to have 2 brief meetings with R3.

- 1. Readout of some DRC material from their team's trip to DRC recently
- 2. Prep on Venezuela info for Peru trip

They said it would take about an hour if they did these both back to back. We could also break into two 30 min chunks, if needed.

Could you identify some potential times for Dr. Redfield and Kyle to go to the SCIF for these items this week. Include me as well, and I will attend the portions that they allow me to attend for each.

When you do identify times, include the folks on the email below in the invites.

Seth

Subject: Meeting Request

Kyle/Seth

OSSAM/PHIO would like to request a meeting in the SCIF with Dr. Redfield and the staff which accompanied him on his trip to DRC. Our team members recently returned with their perspective of the security and CDC operations in Kinshasa and Goma. We would like to incorporate the Director's / staff experience outside of Goma in North Kivu province into our current assessment.

Also, we (Steve Grube and Dan Bubacz) have put together some classified information to front load the Director and staff prior to their trip to Peru which we would like to present to travelers prior to departure.

Please contact me with time and date availability.

Best regards,

Bob

Leadership

Hello to all of you! We talked this one over with Dr. Redfield today and he's interested in Deb and Coleen meeting with this group, along with him stopping by briefly at some point. Before we get that going though it was thought we should have a broader discussion about this before scheduling anything, so I've looped in Seth and Heather to start that up with all of you before we start talking to the senior leaders about it. He's aware there are some sensitivities with this group and we just want to be sure we've all looked at it before committing to anything. Thank you and let me know if I can help in any way.

Leadership

Hi Brandon,

I will send an invite for May 8th from 1-1:30 p.m.

Thanks and have a wonderful weekend.

Teresa

Teresa Williams

Subject: RE: Dr. Redfield - Meeting with Sickle Cell Disease Association of America, Inc. Leadership

Teresa, lets actually go with 1pm on the 8th. I checked with Deb and she feels she will be able to make that time work. Thanks.

Let's look at other options.

May 13th 2:30-3:00 p.m. May 16th 3:00-3:30 p.m.

Would any of these dates work?

Thanks Teresa

May 9th could work, the only issue is Deb is scheduled for jury duty that day. She may not have to go, but wouldn't know until the night before.

Defer to you all on whether to hold that time and re-schedule last minute if needed or go ahead and look for another time?

Good afternoon Brandon,

Heather forwarded your request below to schedule a call to include Dr. Redfield, Dr. Houry and Dr. Boyle.

Currently the earliest dates available for a call are listed below:

5/8 1-1:30 p.m. 5/9 9:30-10:00 a.m.

Please let me know if any of these dates would work for a call.

Thanks, Teresa

Hey Heather,

Let me know how we can help with scheduling a call for Deb, Dr. Redfield, and Dr. Boyle. I know next week will be tough with RxSummit. Deb is traveling and presenting on the 29th and 30th, but can work to fit something in later that week. Just let us know how soon this needs to happen and what you all need from us. Thanks!

Subject: RE: Dr. Redfield - Meeting with Sickle Cell Disease Association of America, Inc. Leadership

Hi Sascha and Elizabeth,

I hope you're doing well on this very dreary Friday!

Dr. Redfield would like to schedule a call to touch base with Dr. Houry and Dr. Boyle before the meeting with the Sickle Cell Disease Association of America . He's hoping that we can accommodate this group's concerns. He'd like to see the guidelines broaden this line such that we also included people with sickle cell disease:

He's hoping that you can discuss this issue and align on a path forward.

Let me know if you have any questions for me, otherwise we'll move forward with scheduling an internal call.

Thanks! Heather

Subject: RE: Dr. Redfield - Meeting with Sickle Cell Disease Association of America, Inc. Leadership

Hello to all of you! We talked this one over with Dr. Redfield today and he's interested in Deb and Coleen meeting with this group, along with him stopping by briefly at some point. Before we get that going though it was thought we should have a broader discussion about this before scheduling anything, so I've looped in Seth and Heather to start that up with all of you before we start talking to the senior leaders about it. He's aware there are some sensitivities with this group and we just want to be sure we've all looked at it before committing to anything. Thank you and let me know if I can help in any way.

Subject: RE: Dr. Redfield - Meeting with Sickle Cell Disease Association of America, Inc. Leadership

Good morning Jeremy hope you had a great week!

It looks like Dr. Houry has connected with Dr. Redfield on this already, and mentioned to him that he didn't need to attend. So our suggestion is for Dr. Redfield to defer the meeting to Dr. Houry and our SME's. Happy to also have Dr. Boyle attend if she's interested.

Thanks,

Kinzie

Subject: Ebola vaccine discussion - this week

Inger and Ray,

I just spoke with Kyle and he wants to keep the staffing document timeline as is, so please send to USAID on Wednesday. We can be general about the vaccine section (to allow for updates), but he wants to keep it moving.

Additionally, Dr. Redfield called Kyle this afternoon to get a small group together to discuss the proposed vaccine campaign this week (Thursday or Friday). Inger, based on our quick call here is who we are planning to include.

Tracie, can you please schedule? Ideally 45 min, but 30 min if after the internal Ebola call Thursday would also work.

Subject: RE: Proposed HHS vaccine meeting

Dear Tracie and ECT,

Dr. Redfield concurs with the plan for Monday HHS internal vaccine discussion, following the Thursday CDC internal discussion. Looping in members of the ECT and Advance Team for awareness.

Tracie, would you please work on scheduling 45 min at HHS on Monday with the suggested participants below. I would also recommend requesting a bridge line for members of the ECT to join from Atlanta. Thank you.

Background: This morning Dr. Redfield spoke with Inger and discussed an HHS internal meeting regarding vaccination in DRC. Based on the current plans in development (staffing) and internal meetings scheduled this week Kyle suggested an in-person DC meeting Monday. The intended discussion will center on the use of vaccine for the public health response, not a research trial.

All the best,

Hugh

(CDC/DDID/NCEZID/DHCPP) < <u>iad7@cdc.gov</u>> **Subject:** Proposed HHS vaccine meeting

Dr. Redfield,

I spoke with Kyle and Inger and here is the suggested plan for the HHS internal meeting. You will be in DC Monday, April 15th and have time for an in-person meeting at HHS. We would suggest an in-person with the senior participants you mentioned as well as the working level participants Inger suggests to execute on next steps:

- CDC Redfield, Inger Damon, Ray Arthur, Terri Hyde (ATL phone option)
- NIH Tony Fauci, Cliff Lane, Hillary Marston
- FDA Peter Marx, Marion Gruber
- BARDA Gary Disbrow, Robert Walker
- OGA Garrett Grigsby

If this plan works for you we will start scheduling ASAP.

Thanks

Hugh

Subject: RE: Internal Vaccine discussion meeting - April 15

Hi! Here is the final outcome. We've reserved CR 9000 at CDCW for the meeting. Since this is an SME-level meeting, CDCW will not join, but we'll be here to escort visitors as needed and open the bridge line. I'll loop back with Hugh & Heather to make sure they are capturing notes remotely.

Thanks! Aimee

Subject: RE: Internal Vaccine discussion meeting - April 15

Let me touch base with Anstice quick to ask her preference and perhaps we could work with OGA (via Mitch) since Garret will be there to get a room at HHS. I'll keep you posted! Also, I booked CR 9000 at CDCW since it's bigger and more professional than CR 9150, and our staff meeting is in 9150.

Hi Aimee,

If you can help find a room at HHS that would certainly be preferable. But I always have problems trying to find space there and get push back.

Can you help?

Thanks, Brad

Hey Scott,

CDC's incoming liaison to DoD's OSD for Health Affairs will be visiting us in Atlanta from April 17-19th. We are still working on a draft agenda, but I wanted to be sure to let you know we'd like to schedule 30 minutes to an hour with Dr. Redfield on either the afternoon of the 17th or morning of the 19th.

Thank you so much, Amanda

UNCLASSIFIED

Michelle McConnell, MD

HHS Health Attaché

Dr. McConnell is the Health Attaché for the Department of Health and Human Services (HHS) in Mexico, a position she assumed in January 2016. Dr. McConnell established the HHS Health Attaché office in Mexico,

which joins 4 other countries (Brazil, China, India, South Africa) and the World Health Organization in Geneva, Switzerland with HHS offices. As the Health Attaché, Dr. McConnell supports HHS agency activities in Mexico, including CDC, FDA, NIH, Substance Abuse Mental Health Services Administration (SAMHSA), Assistant Secretary Office for Preparedness and Response (ASPR), Office of Global Affairs (OGA), and the Administration for Children and Families (ACF). She also supports other agencies in the U.S. Embassy, including DOD, on public health collaborations in Mexico.

Previously, from 2013 to 2016, Dr. McConnell was the CDC Country Director in Hanoi, Vietnam. Dr. McConnell led CDC PEPFAR activities and the Global Health Security demonstration project in Vietnam. From 2010 to 2013, she was the CDC Associate Director for Science in Ho Chi Minh City, Vietnam, and from 2005 to 2010, she was the Senior Advisor for CDC's Asia Regional Program, based in Bangkok, Thailand. Dr. McConnell started her public health career in 2001 at CDC's Epidemic Intelligence Service in the Division of HIV/AIDS Prevention. She has authored more than 30 scientific papers and has supported public health programs related to Zika virus, tuberculosis, influenza, viral hepatitis, anthrax, global health security, and quality improvement in health care.

Dr. McConnell is a Captain in the U.S. Public Health Service. She received her Bachelor of Science in Foreign Service from Georgetown University and her Medical Doctorate from Northwestern University. She completed her clinical training at the University of California San Francisco, and she is board certified in General Pediatrics.

Hi Rebecca and Malia,

Thanks again for sending these documents.

Based on the Thursday Decision List Dr. Redfield accepted the invitation to speak at the HHS Advisory Committee on Blood and Tissue Safety Availability (ACBTSA) meeting, where the theme is the PHS guidelines. (agenda and updates attached for everyone's awareness).

Yesterday the desire for a pre-brief was expressed given the technical nature of the topic. We would like to get the participants that Stephanie mentions below, Denise Cardo, Sridhar Basavaraju, and Jefferson Jones, together (30min meeting or call) this week to brief him on the updates and talk though any questions he might have. I apologize for the short notice.

Including Tracie for scheduling action and Molly for any communications requests.

Many thanks,

Hugh

Subject: March 2019 PHS Guideline Update for Dr. Redfield

Hi, Rebecca.

I've attached DHQP's March 2019 PHS Guideline Update for Dr. Redfield. Documents attached:

- Narrative update
- Visual timeline
- Supporting document: Agenda for April 2019 ACBTSA meeting

BACKGROUND: Each month, DHQP prepares an update on the progress on updating the PHS Guideline to Reduce the Risk of HIV/HBV/HCV Transmission via Organ Transplantation. We share a narrative update, and updated visual timeline, and any supporting documents. This monthly update was requested by the CDC OD, and we send up through NCEZID Policy. Typically, I believe NCEZID policy, Rita, and Rima review (and we make any necessary changes) before you send up to the CDC OD (I believe to the appropriate SA).

ADDITIONAL INFORMATION FOR NCEZID AWARENESS: As noted in this month's and previous updates, the next meeting of the ACBTSA is April 15-16 in Washington, DC. The agenda for the meeting is attached. The theme for the meeting is, "PHS GUIDELINES FOR REDUCING HIV, HCV, AND HBV THROUGH ORGAN TRANSPLANTATION." DHQP participants will be Denise Cardo, Sridhar Basavaraju, and Jefferson Jones. Rita Helfand had planned to attend, but will now be in Geneva at that time. Arjun Srinivasan, currently acting OADPS in the CDC OD, was going to check in with Dr. Schuchat and Kyle about the meeting to make sure Dr. Redfield was aware, given his interest in the topic. We do not recommend he attend the meeting (and shared as much with Arjun), but are happy to share a summary or brief him following the meeting, if helpful.

Can you please facilitate NCEZID review of the attached update and let us know if we need to make any changes? Thanks in advance for sending up to the CDC OD once we have a final version.

Thanks and we look forward to hearing back from you!

Stefanie

Subject: RE: March 2019 PHS Guideline Update for Dr. Redfield Attachments: Redfield TP ACBTSA DHQP-jas 2019-04-09.docx

Thanks, Rebecca. I'll defer to Sridhar re: his availability. Denise's calendar shows she is free at this time.

For awareness, I've looped in Jessica Schindelar, who was coordinating w/ OADC, and attached the draft TPs that we sent up to OADC. We also shared the March 2019 PHS update (from Rebecca's original email) and the slides from the Feb 2019 ASH briefing.

Best, Stefanie

Hi Rebecca and Malia,

Thanks again for sending these documents.

Based on the Thursday Decision List Dr. Redfield accepted the invitation to speak at the HHS Advisory Committee on Blood and Tissue Safety Availability (ACBTSA) meeting, where the theme is the PHS guidelines. (agenda and updates attached for everyone's awareness).

Yesterday the desire for a pre-brief was expressed given the technical nature of the topic. We would like to get the participants that Stephanie mentions below, Denise Cardo, Sridhar Basavaraju, and Jefferson Jones, together (30min meeting or call) this week to brief him on the updates and talk though any questions he might have. I apologize for the short notice.

Including Tracie for scheduling action and Molly for any communications requests.

Many thanks,

Hugh

Subject: March 2019 PHS Guideline Update for Dr. Redfield

Hi, Rebecca.

I've attached DHQP's March 2019 PHS Guideline Update for Dr. Redfield. Documents attached:

- Narrative update
- Visual timeline
- Supporting document: Agenda for April 2019 ACBTSA meeting

BACKGROUND: Each month, DHQP prepares an update on the progress on updating the PHS Guideline to Reduce the Risk of HIV/HBV/HCV Transmission via Organ Transplantation. We share a narrative update, and updated visual timeline, and any supporting documents. This monthly update was requested by the CDC OD, and we send up through NCEZID Policy. Typically, I believe NCEZID policy, Rita, and Rima review (and we make any necessary changes) before you send up to the CDC OD (I believe to the appropriate SA).

ADDITIONAL INFORMATION FOR NCEZID AWARENESS: As noted in this month's and previous updates, the next meeting of the ACBTSA is April 15-16 in Washington, DC. The agenda for the meeting is attached. The theme for the meeting is, "PHS GUIDELINES FOR REDUCING HIV, HCV, AND HBV THROUGH ORGAN TRANSPLANTATION." DHQP participants will be Denise Cardo, Sridhar Basavaraju, and Jefferson Jones. Rita Helfand had planned to attend, but will now be in Geneva at that time. Arjun Srinivasan, currently acting OADPS in the CDC OD, was going to check in with Dr. Schuchat and Kyle about the meeting to make sure Dr. Redfield was aware, given his interest in the topic. We do not recommend he attend the meeting (and shared as much with Arjun), but are happy to share a summary or brief him following the meeting, if helpful.

Can you please facilitate NCEZID review of the attached update and let us know if we need to make any changes? Thanks in advance for sending up to the CDC OD once we have a final version.

Thanks and we look forward to hearing back from you!

Stefanie

National Center for Emerging and Zoonotic Infectious Diseases

The 2013 PHS Guideline to Reduce the Risk of Unintended HIV/HBV/HCV Transmission Through Organ Transplantation: Opportunities for Improvement

Sridhar V. Basavaraju, MD
CDR-U.S. Public Health ServiceDirector - CDC Office of Blood,
Organ, and Other Tissue Safety
Division of Healthcare Quality Promotion
National Center for Emerging and Zoonotic Infectious Diseases
CDC

Background

Summary of 2013 PHS Guideline recommendations: deceased donors

Guideline goal is to reduce the risk of unintended HIV, HBV, or HCV transmission through transplantationAll donors tested by HIV, HBV, HCV serology and HCV NATIncreased risk donors (IRD) tested by either HIV NAT or p24 antigenNo recommendation for HBV NAT Donors classified as IRD if having ≥ 1 of 12 medical/social risk factors for undetected HIV, HBV, or HCV infection or unknown medical/social history or hemodiluted blood sample used for testingNo donor exclusion is recommendedSpecific informed consent for recipients of IRD organs Post-transplant testing of IRD organ recipients for HIV, HBV, and HCV

Community feedback about 2013 PHS Guideline- since implementation in 2014

Too many donors are being designated as IRDOrgans are underutilized from IRDRisk designation of donors is not necessary because all donors screened with NAT and effective treatment availableGiven universal adoption of NAT, evidence for 12 month timeframe is lacking"Increased risk" nomenclature does not accurately portray risk of morbidity and mortality of accepting IRD organs Not all 12 + 2 IRD criteria increase the risk of transmission of viral bloodborne pathogensRequest for data from CDC on HBV or HCV transmissions and outcomes

Subject: R3 in DC on 9-10 May

R3 will be in DC next Thur & Fri, 9-10 May for hill meetings and AMA meeting.

Jenn: Travel needs/changes are:

- 3 May, cancel return from DC (he'll get himself back this weekend)
- 8 May, keep morning return to ATL as scheduled but then please book flight 7-8pm-ish to DCA and Hotel to RON
- 10 May, cancel ATL to LGA and cancel hotel
 - 11 May, early AM train preferred from DC to NYC, or early morning flight to LGA (must arrive in NYC before 9am) Then Return travel to DCA in the evening (8pm or later). Let's chat off line about this DCA-NYC-DCA travel
- 13-14 May, keep hotel and flight as it is

TW: Please begin to prioritize time for member engagements on Thursday, and Friday, and then alert AMAs office that he'll do the AFM update meeting on Friday in-person, and please see if Nancy can also join him there for that meeting.

Scheduling: For now, we can keep most existing events on the calendar that can be done via phone or envision, but as members are scheduled, we'll prioritize them and bump the other events. Block member meeting times starting at 9am each day in DC.

Please connect with me if anyone has questions or concerns.

Much appreciated! -Scott

Subject: Meeting/Call Tomorrow

Amanda and Jono,

I apologize for the short notice on this, but would you both and Dr. Redfield be available for a 15-30 minute call tomorrow between 10:00 AM – 12:00 PM?

Tammy can provide more details if needed, but this is to iron out final details on pilot cities/counties and the FY19 money that's going out.

Thanks!

Steven

Subject: HHS Senior Leadership Retreat

Good Morning-

Secretary Azar plans to regroup the senior leadership team in the near future. Peter asked me to reach out to request that you hold the dates of Wednesday, March 6, from 3pm-5pm, and Tuesday, May 14, from 8am-12pm for potential follow-up retreats. We will be in touch with further information.

We hope everyone found the previous retreat valuable and a productive use of time. In an effort to ensure the quality of subsequent retreats, we ask that you please fill out this quick and 100% anonymous survey on your experience (HERE).

Thank you, Zack

Hello all—

The next two HHS senior leadership retreats are now confirmed for Wednesday, March 6, from 3pm—5pm, and Tuesday, May 14, from 8am—12pm. They will both be taking place in Room 800 of the Hubert Humphrey Building. Peter or I will be reaching out with more details in the near future.

RSVPs may be submitted to Rose Lusi at rose.lusi@hhs.gov.

Thank you to everyone who completed the anonymous survey on your experience at the last retreat. If anyone else would like to weigh in, the survey is available HERE.

Much appreciated, Zack

Subject: Schedule of call/meeting with Dr. Redfield Apr. 15-16

Hello:

I understand that Dr. Redfield will be in at HHS, Washington, DC on April 15-16, (next Monday and Tuesday). Bob Charrow would like to schedule another HIV initiative call/meeting for Monday after 4pm or Tuesday morning if possible. The call/meeting will be with the same individuals as yesterday's 5:30 call – OASH (in-person): ADM Giroir, Dr. Tammy Beckham, Steve Valentine, CDC: Amanda Campbell, Jonathan Mermin, Eugene McCray, John Brooks, and HRSA (In-person): Jim Macrae, Dr. Judith Steinberg, and of course Dr. Redfield here at HHS.

Please let me know what works Dr. Redfield's schedule. I want make this convenient for his schedule.

Thank you, Caroline

Hi Carmen,

We still have a lot of travel for Dr. Redfield that will most likely take place in March.

Currently Dr. Redfield is available as follows:

March 15th 1-2 p.m.

March 22nd between 9:30-10:30 a.m.

Please let me know which date works best.

Also, if one of these dates works, could we hold that date as tentative until we can solidify Dr. Redfield's schedule for March?

Should I also follow up with Josh Grabenstein (note the attached email)?

Thanks, Teresa

Dear Dr. Grabenstein:

Thank you for inviting Dr. Robert Redfield to meet with Dr. Barr and the Merck leadership team. He is pleased to accept your invitation.

Please contact Teresa Williams at TWilliams4@cdc.gov or (404) 639-5998 to discuss potential meeting dates and times.

Thank you again for the invitation. Dr. Redfield looks forward to the meeting.

Sincerely,

Sandra Cashman, MS

Hi Teresa,

How are you?

I spoke with Carmen over the weekend and it looks like logistics are being organized for this meeting.

The meeting date has been confirmed for the original date of May 10th. An hour meeting would suffice. Possibly 11am-12pm?

Topics of discussion are to include vaccines, HIV, and I am sure additional topics will be included.

In the meantime, during my conversation with Carmen, she did mention however you speak with you regards your assistance with coordinating some time with Jono Mermin and his HIV team, as well as Kristin Pope from NCIRD, and Becca Martin and Will Schluter for global immunizations

Please inform if you need Carmen to make a few calls if you have any roadblocks.

Lastly, if you need to reach me outside of email to discuss further, I can be reached at 732-850-5508.

Regards,

Ciara

Hi Teresa,

I will try to firm this up today.

Mike Nally is available on 3/22 while Eliav Barr is in Korea, and it's the reverse for 3/15 – Eliav available, Mike not, so I will try to figure something out and go from there.

Hope to have this firmed up by end of today so we can schedule.

Subject: FW: Merck's Meeting Request with Dr. Jonathan Mermin (& HIV Team) - May 10, 2019

Good afternoon,

Please note the email trail below.

Merck is asking if we should do one meeting to include the other SLs or separate meetings.

Dr. Redfield is currently meeting with Merck for 1 hour on May 10th from 11 a.m. – 12 p.m.

If we include the other Senior Leaders Merck would like to meeting with: Dr. Mermin RE: HIV; Kristin Pope; and Dr. Martin and William Schluter RE: Global Immunizations, this could be a 3+hour meeting.

Please advise if we should continue with Merck scheduling individual meetings the Senior Leaders.

I've included the previous email trail attached.

Thanks, Teresa

Thanks, Ciara. I will speak to Dr. Mermin ASAP about this meeting. I defer to Teresa re: Dr. Redfield's preference on meeting with your group separately or with Dr. Mermin but I will move forward with inquiring about a separate meeting.

I will follow-up soon.

Best, -Michael

Subject: RE: Merck's Meeting Request with Dr. Jonathan Mermin (& HIV Team) - May 10, 2019

Thank you Teresa.

And nice to e-meet you Michael and Rhanika!

I did speak with Carmen the other day to specify. In her response, she mentioned that a few topics with the Senior Leaders team will be revised, but "HIV team" just meant that Merck would like to talk about HIV topics. She mentioned to "let Jono know in case he wants to bring any leadership from that division."

Per our previous email exchange, separate meetings with the Senior Leaders would be ideal, unless you can extend the meeting with Dr. Redfield for all to be included on. I am happy to take a call to discuss further and answer any additional questions if able.

HIV/additional topics are being confirmed this week.

EXTERNAL EMAIL – Use caution with any links or file attachments. Good morning Ciara,

I hope you are doing well.

I would like to introduce you to Michael Williams, Dr. Mermin's Special Assistant and Rhanika Perry, Dr. Mermin's Executive Assistant.

Michael and Rhanika will assist you with coordinating a meeting with Dr. Mermin and Merck Leadership at CDC on May 10th.

Could you please be more specific per your request for a meeting with Dr. Mermin and his "HIV Team"?

Please feel free to contact me should you have any additional questions.

Thanks, Teresa

Hi Carmen,

Thanks for reaching out, Kristin has been keeping me in the loop. Perhaps we can find some time for a call this week to plan for the meeting on the 10th? It would be helpful to hear what your priorities and interests are for both the meeting with Dr. Redfield and NCIRD, so we can be sure the right folks are at the table. Perhaps something this Thursday any time after 10am?

Thanks,

Noah

Subject: May 10

Hi Noah,

I hope this note finds you well. It looks like another group will be coming to Merck on May 10th. There are two high level Merck folks leading a small delegation to meet with Dr Redfield on the 10th. They asked for a meeting on vaccines and it sounds like Kristin wanted us to work through you. Ciara and Teresa have been working together to help us pull all the details together. Did she Kristin mention this to you? What would be the best way to plan out some time on the 10th? Thanks and looking forward to seeing you again soon.

Subject: HHS Digital Communications Strategy

Dr. Redfield,

As you know (and we discussed in the ASPA waiting area), the Office of the Assistant Secretary for Public Affairs (ASPA) is working to modernize the department's approach to external digital communications. You may have noticed the Secretary mentioned this project in his State of the Department Address on February 22.

To start, we are interviewing stakeholders across HHS to better understand digital communication needs. Thank you for nominating staff from your agency to participate in the interviews.

In addition, we are hoping to include your thoughts and ideas and are requesting 30 minutes of your time for an interview.

The purpose of the interview is to gather your vision for the future of digital communications in your agency and how the HHS Digital Communications Strategy could address your communication needs. The information we gather from the interviews will be used to compile a report of recommendations, which you and your team will be able to review. The report will help guide the development of the HHS Digital Communications Strategy.

If you are interested in participating in the interview study, please let me know and Eagle Hill Consulting will contact you (or designated assistant) to schedule and conduct the interview.

Should you have any questions, please contact Stacey Palosky or me.

As always, thank you for your continued support.

Subject: HHS Digital Communications Strategy

Dr. Redfield,

As you know (and we discussed in the ASPA waiting area), the Office of the Assistant Secretary for Public Affairs (ASPA) is working to modernize the department's approach to external digital communications. You may have noticed the Secretary mentioned this project in his State of the Department Address on February 22.

To start, we are interviewing stakeholders across HHS to better understand digital communication needs. Thank you for nominating staff from your agency to participate in the interviews.

In addition, we are hoping to include your thoughts and ideas and are requesting 30 minutes of your time for an interview.

The purpose of the interview is to gather your vision for the future of digital communications in your agency and how the HHS Digital Communications Strategy could address your communication needs. The information we gather from the interviews will be used to compile a report of recommendations, which you and your team will be able to review. The report will help guide the development of the HHS Digital Communications Strategy.

If you are interested in participating in the interview study, please let me know and Eagle Hill Consulting will contact you (or designated assistant) to schedule and conduct the interview.

Should you have any questions, please contact Stacey Palosky or me.

As always, thank you for your continued support.

Mark

Hi Teresa,

Dr. Redfield just agreed to have a Polio DUB in the next month or two. Could you please extend the monthly polio update on April 16th to one hour and change the title?

Many thanks,

Hugh

Subject: Scheduling a DUB -- prefer March 20 or April 16? - will be on history and future of polio

vaccines

Mark/Steve,

In our meeting with Dr. Redfield today he expressed great interest in knowing more about the vaccine choices we've made in polio from the beginning and how they have impacted where we are now. For instance, OPV versus IPV, bivalent versus trivalent, etc.

He also wanted some texture to that by way of old meeting notes on decisions or books on the subject.

I thought this would be a good DUB opportunity to show him the history of vaccine choices and how that impacted the epidemiology (we did something similar for Fitzgerald or Frieden) and then push it further to what we are experiencing post-switch (pull some epi and CRTT stuff); and finally where we are going with vaccine choices nOPV development, IPV post eradication; and the stockpiles.

Obviously DVD will be central to this discussion so I wanted to check if you preferred a mid-March or mid-April DUB. Personally, given my travel schedule April would be far easier for me.

Let me know.

John

Subject: 1:1 Meeting: Dr. Robert Redfield, CDC & Administrator Mark Green, USAID

US Agency for International Development Ronald Reagan Building 1300 Pennsylvania Ave, NW Washington, DC 20523

The best entrance to reach USAID is the 14th Street entrance. Once you pass through Ronald Reagan building security, the USAID lobby will be on your left. In the USAID lobby, please alert the guards at the visitor desk that you have a meeting with the Administrator. You will need to present a valid government photo ID. We'll have someone come down to escort you from the USAID lobby to the Administrator's suite. The telephone number to call with any issues is 202-712-4040.

Subject: WHO proposal

Dear Serena and Melissa,

On our WHO proposal – no appetite right now to send 12 people to Geneva. Can we link to EB in Jan 2019 (Sherri did not see this on his calendar so we should make sure it is added). Otherwise, we invite the ADGs to Atlanta.... Can you revise with these options? Thanks, Rebecca

Subject: RE: Bill Foege 2019

Teresa,

Thank you very much for your response. I also left you a voicemail but I wanted to reach out with a question regarding the date and provide more information about this event. For context, Steve Stirling had a call with Dr. Redfield in October to tell him that he had been selected as the 2019 Bill Foege Global Health Award honoree. I believe that they both spoke about hosting this ceremony in early June as this could be best for Dr. Redfield's schedule in order for him to be able to receive the award. Dr. Redfield

attended this awards ceremony last year when President Jimmy and Roslyn Carter were awarded this honor in 2018. I have attached documentation from last year's event for your benefit.

I have gone ahead and submitted this form. Thank you. However, it does require that I list a particular date for when this event is happening. That said, we would like for Dr. Redfield to let us know what is a good date for him in order to make sure we can accommodate his schedule. We have proposed June 6th as it is in early June and the Delta Flight Museum in Atlanta, GA has this date currently held (this is the location of the event). Please let us know if there is a better date for Dr. Redfield and we are happy to review other dates as well.

Thank you very much for all of your help and I look forward to hearing from you. Have a great week.

Best Regards,

Rebekah Mobley

Good morning Rebekah,

I had a wonderful Thanksgiving Holiday and I hope you did as well.

We have a decision list process for reviewing and responding to invitations for the CDC Director.

Please complete the link below and we will respond to you per the timeline provided.

https://www.cdc.gov/about/speakers/requestdirector.html

Also, in the future, please do not submit invitations directly to the Dr. Redfield. This will slow down the process in getting you a response.

You can also send requests to Robert.Redfield@cdc.gov.

Please feel free to contact me should you have any questions.

Have a wonderful day.

Best, Teresa

Subject: RE: Bill Foege 2019

Good afternoon Rebekah,

Dr. Redfield has accepted your invitation to attend the 2019 Bill Foege Global Health Awards scheduled June 6, 2019 at the Delta Flight Museum in Atlanta, GA.

Could you please confirm if the award is being presented to Dr. Redfield or to CDC?

A member or our Advance Team will contact you to coordinate logistics.

Please feel free to contact me should you have any questions.

Kind Regards, Teresa

Teresa Williams

Good morning Rebekah,

Thank you so much for submitting the form inviting Dr. Redfield to attend the 2019 Bill Foege Global Health Awards as an honoree.

We will process your request and respond to you as soon as possible.

Have a wonderful day.

Best, Teresa

Subject: RE: Bill Foege 2019

Teresa,

Thank you very much for your response. I also left you a voicemail but I wanted to reach out with a question regarding the date and provide more information about this event. For context, Steve Stirling had a call with Dr. Redfield in October to tell him that he had been selected as the 2019 Bill Foege Global Health Award honoree. I believe that they both spoke about hosting this ceremony in early June as this could be best for Dr. Redfield's schedule in order for him to be able to receive the award. Dr. Redfield attended this awards ceremony last year when President Jimmy and Roslyn Carter were awarded this honor in 2018. I have attached documentation from last year's event for your benefit.

I have gone ahead and submitted this form. Thank you. However, it does require that I list a particular date for when this event is happening. That said, we would like for Dr. Redfield to let us know what is a good date for him in order to make sure we can accommodate his schedule. We have proposed June 6th as it is in early June and the Delta Flight Museum in Atlanta, GA has this date currently held (this is the location of the event). Please let us know if there is a better date for Dr. Redfield and we are happy to review other dates as well.

Thank you very much for all of your help and I look forward to hearing from you. Have a great week.

Best Regards,

Rebekah Mobley

Subject: RE: Bill Foege 2019

Good morning Rebekah,

I had a wonderful Thanksgiving Holiday and I hope you did as well.

We have a decision list process for reviewing and responding to invitations for the CDC Director.

Please complete the link below and we will respond to you per the timeline provided.

https://www.cdc.gov/about/speakers/requestdirector.html

Also, in the future, please do not submit invitations directly to the Dr. Redfield. This will slow down the process in getting you a response.

You can also send requests to Robert.Redfield@cdc.gov.

Please feel free to contact me should you have any questions.

Have a wonderful day.

Best, Teresa

No problem! If we are sticking with holding a Thursday event, the venue does have **Thursday, June 6th** available. Thursday, June 13 might also be a possibility, but they need to confirm with another group who has a soft hold on that date as of now. Please let me know if either of these dates work for Dr. Redfield once you have spoken with him.

Thanks, Chelsea

Hi Chelsea.

Thanks for taking the lead on this. Please look at what's available for early June. I'm waiting to hear back from Dr. Robert Redfield with a date in early June when he will be available to personally receive the Bill Foege Global Health Award.

Have a great weekend.

Hi Steve,

Happy Friday! Hope you're doing well. I know that your team is handling reserving and coordinating with the venue, but I went ahead and reached out to them on the May 23rd date and, as of now, it's reserved for another event. I am not sure if you are still interested in having the 2019 event on that date, but please let me know as we might be able to work something out.

Thanks, Chelsea

Subject: 2019 Security Awareness Training

The mandatory 2019 Security Awareness Training (SAT) is now available to all CDC staff. The deadline to complete the training is **Monday**, **May 13**, **2019**.

An in-person course is being offered (schedule here), as well as an on-demand online session at Information Security Awareness Training. Both courses will cover:

- Information security
- Privacy
- IT rules of behavior
- Insider threat
- Counterintelligence

Please give your full attention to learning and reviewing safe practices covered in this training course. Everyone has a vital role in keeping CDC's IT and information secure and available to support our mission.

We can't do IT (Information Technology) without you!

A FAQ is attached to provide more details on SAT. If you need additional help, please contact the MISO Help Desk at (404) 639-7500 or email magichelp@cdc.gov with HELP in the subject line.

Subject: Request for Dr. Redfield for a future DC trip

Hi Scott,

Adam Boehler (CMMI) asked to meet with Dr. Redfield on a future DC trip around value-based transformation work. The request came in through OADPS because of their CMS connections. Dr. Schuchat discussed with Kyle and he is supportive. I've attached the background document for context.

Thanks,

Liz

Elizabeth Hoo, PhD, MPH Special Assistant to the Principal Deputy Director Centers for Disease Control and Prevention Office: 404-639-5994 Cell: 404-791-9143

Irp5@cdc.gov

Adam Boehler

Senior Advisor to the Secretary, CMS Deputy Administrator and Director of the Innovation Center

Adam Boehler, Senior Advisor to the Secretary, CMS Deputy Administrator and Director of the Innovation Center joined CMS in April, 2018. Adam is widely regarded as an innovative leader in the private sector and has designed and implemented new, patient-focused approaches to healthcare delivery.

Before coming to CMS, Adam was founder and CEO of Landmark Health, a company that provides home-based medical care. Landmark was founded on the premise of passionate people transforming how care is delivered to those who need it most - the most chronically ill. Landmark is one of the largest home-based medical groups in the country, with over 20 locations and over 80,000 chronic patients under management.

Additionally, before joining CMS, Adam was an Operating Partner at Francisco Partners, a global private equity firm with a focus on healthcare technology and services and the founder and Chairman of Avalon Health Solutions, the leading provider of laboratory benefit management services.

Previously, Adam was Founder and CEO of Accumen. Accumen is a leading provider of comprehensive laboratory management services to health systems. Adam was also a Principal at Accretive, LLC, where he was responsible for healthcare investments. Prior to joining Accretive, Adam was Executive Vice President and General Manager at MedeAnalytics, the leading provider of healthcare analytics with over 600 hospital and insurance clients.

Adam started his career at Battery Ventures, a leading technology venture capital firm with over \$2 billion under management, focusing on investments in software and emerging technologies. Adam graduated magna cum laude from the Wharton School of the University of Pennsylvania. He resides in New Orleans, LA with his wife, Shira, and their four young children.

Nafisa Jiwani

Acting Deputy Senior Advisor to the Secretary and Policy and Partnerships Lead for CDC's Office of the Associated Director for Policy and Strategy

Nafisa Dhanani Jiwani works at CDC in the Office of the Associate Director for Policy and Strategy (OADPS) as a Lead for Policy and Partnerships and is currently serving as a detailee as the Deputy Senior Advisor to the Secretary of the Department of Health and Human Services. In her role, she is supporting the Secretary's priority around Value-Based Transformation by identifying opportunities for the Department to better serve the American people. Over the past few years, Nafisa has managed a portfolio of work which includes an array of collaborations between CDC and Centers for Medicare & Medicaid Services (CMS). Some of the projects include joint strategic support on the Medicare Diabetes Prevention Program Expansion model, collaborative work on prescription opiates, increasing uptake of latent TB screening and treatment in Medicaid patients, and intra-agency agreements with CMMI, focused on engaging key stakeholders and subject matter experts across CDC with CMMI on model development and implementation. Nafisa also manages a portfolio of work around Housing and Public Health in collaboration with the U.S. Department of Housing and Urban Development (HUD).

Prior to her current role, Nafisa's portfolio of projects included CDC-CMS collaboration coordination/support, managing internal and external capacity building for the 6|18 Initiative, developing the Community Health Improvement Navigator (CHI NAV), public health policy analysis and evaluation, and strategic planning. Nafisa started her career at the CDC as a Fellow supporting the National Prevention Council, which was chaired by the Surgeon General of the United States.

Before joining CDC, Nafisa was consulting on projects for on Newborn Screening Translational Research and also co-founded Global Encounters, an international program for high school students interested in learning about development work. She also directed a 501(c) (3) nonprofit organization focused on cultural, social, and educational integration of first generation immigrant youth. She has also worked in the fields of clinical

psychiatry research, operations management, and has over 15 years of experience in youth development and empowerment. Nafisa holds a Bachelor of Arts in Psychology from Southern Methodist University, and a Master of Public Health in Health Policy and Management from Rollins School of Public Health at Emory University.

Subject: Meeting request for Dr. Redfield

Scott,

As mentioned, Adam Boehler (Director, Center for Medicare and Medicaid Innovation [CMMI]) would like to meet with Dr. Redfield when Dr. R is in DC. In addition to his position as CMMI Director, Mr. Boehler also serves as senior advisor to Secretary Azar re: value-based transformation and innovation. This initiative includes a focus on prevention, so there are lots of areas for discussion and potential collaboration. We are already working closely with CMMI – Nafisa Jiwani (OADPS staff member) is currently on detail in DC and reports directly to Mr. Boehler. Both Anne and Kyle are supportive of this request.

My understanding is that Mr. Boehler's office is in Humphrey Building, so hopefully the logistics won't be too difficult © OADPS staff (Nafisa and others) would be happy to prep Dr. Redfield as appropriate.

Thanks. Please let me know if questions. Von, feel free to correct/add whatever I missed. Robin

Innovation [CMMI])

Good Morning Teresa,

Thanks for reaching out. Adam is not in our DC office on Fridays, so we would like to plan for the May 13th date. 1:30-2p on that date works for us. Please let me know if staff will be accompanying him and I'll book an appropriate conference room.

Thank you,

Jasmine Thomas

Subject: Request for meeting with Adam Boehler (Director, Center for Medicare and Medicaid

Innovation [CMMI])

Good morning Jasmine and William,

Dr. Robert Redfield would like to request a 30 minute meeting with Director Boehler when he is in DC on May 3rd or May 13th.

Would Director Boehler have any time available on any of the dates/times listed below for a 30 minute meeting?

May 3rd 9:30-11:00 a.m. May 13th 1:30-3:00 p.m.

Thank you for your consideration.

Kind Regards, Teresa

Teresa Williams

Attachments: Final V6.2 Official ACBTSA Agenda April 15-16 2019.docx

Please block 10-1030 for R3's talk/involvement. I told Jim on the phone that R3 would probably speak for 5-10 min and then want to do a Q & A or discussions with the group for the remaining time bloxk. Jim said that would be fine. We can ask R3 on Friday if he wants to join from the start, or stay later too (since his schedule will support).

OADC, I'll hand it over to you for his TPs prep. Seth can clarify our SA for this event too.

Thanks all

Scott

Attached is the ACBTSA Agenda. We will accommodate Dr. Redfield's schedule once we hear of his availability. The meeting will be webcast on case Dr. Redfield is unable to attend in person and if he would like to dial in and provide comments. I stand by to address any additional questions. Thanks,

Jim

Hi James. Can you shoot us the agenda for the event, as well as the timing on Monday, that you'd like for Dr. Redfield to attend? I'm including several colleagues, as well as his speech prep team to start looking at this once you can get us the details. I expect the speech team will connect with you separately so they can properly prepare.

Much appreciated!

Scott

Subject: April 15th ACBTSA Meeting Invite for R3

Hi Kyle and Amanda!

Steven and I had the pleasure of hanging out with your boss for a little bit this afternoon. One of the things he mentioned to me is that he really wants to participate in the April 15th ACBTSA (Advisory Committee on Blood and Tissue Safety Availability) Public Meeting to discuss the revision of the PHS Guidelines on HIV, HepC, HBV Organs. This will be here in the Humphrey Building, Room 800.

ADM Giroir is speaking at 9:30am and the Secretary is speaking the next day for 5-10min since he isn't available on April 15th. Our lead on the Advisory Committee, Jim Berger, said that we would love to add Dr. Redfield to the agenda in a speaking roll.

Let me know if you have any questions and I can connect you with Jim. Just wanted to pass on that R3 said that he absolutely wants to be there for this and to make sure the answer is yes haha.

Thanks so much!

Kristina Harder

2. Event Information:

Event Overview: AIDSWatch 2019 is more critical than ever as AIDS United and our allies in the HIV advocacy community work in earnest to foster a political climate that provide us with the resources and ability to end the HIV epidemic in the United States. There has been a great desire from HIV advocates to hear from the architects of the President's plan to end the HIV epidemic, and, if you are able to join us, we hope that you will focus your speech on the intricacies of the plan and on the ways in which you and your colleagues in the Administration are preparing to engage the broader HIV community in its implementation and be willing to address a number of pre-determined attendee questions. As you have noted often, stigma is perhaps the greatest enemy of public health, and we are hopeful that you might be willing to take this opportunity to talk with grassroots HIV advocates at AIDSWatch and outline the Administration's approach to addressing stigma in its ending the epidemic plan.

Source Invitation: Yes direct via OADC on 3/18/19.

3. Dr. Redfield's Speech Information or Talking Points (TPs):

Dr. Redfield's Remarks/Presentation/TPs: TBD

Proposed Role, Topic, & Length of Presentation: Keynote – TBD

4. Supporting/Logistics Materials:

March 8, 2019

Dear Director Redfield,

AIDSWatch, presented by The Elizabeth Taylor AIDS Foundation, is the nation's largest annual constituent-based HIV/AIDS advocacy event. AIDS United is honored to invite you to give general remarks to our attendees on April 1st at 9:45 AM at the Sheraton Pentagon City at 900 South Orme Street, Arlington, VA, 22204. Last year's AIDSWatch celebrated the 25th anniversary of the event, convening more than 500 people living with and affected by HIV from 36 states, D.C., and Puerto Rico, who met with over 300 Congressional office – the most in AIDSWatch history. For this year's AIDSWatch, there is much to celebrate and much yet to be done, particularly in light of President Trump's State of the Union challenge to end the domestic HIV epidemic in the next ten years.

AIDSWatch 2019 is more critical than ever as AIDS United and our allies in the HIV advocacy community work in earnest to foster a political climate that provide us with the resources and ability to end the HIV epidemic in the United States. There has been a great desire from HIV advocates to hear from the architects of the President's plan to end the HIV epidemic and, if you are able to join us we hope that you will focus your speech on the intricacies of the plan and on the ways in which you and your colleagues in the Administration are preparing to engage the broader HIV community in its implementation and be willing to address a number of pre-determined attendee questions. As you have noted often, stigma is perhaps the greatest enemy of public health, and we are hopeful that you might be willing to take this opportunity to talk with grassroots HIV advocates at AIDSWatch and outline the Administration's approach to addressing stigma in its ending the epidemic plan.

As someone so passionately working to end the HIV epidemic, your perspective would be invaluable in motivating our attendees, many of whom are living with HIV themselves, and helping them become more empowered to continue creating change within their communities and our nation. It is only through the leadership and engagement by members of the Administration such as yourself that grassroots HIV advocates will understand, support, and take part in President's ending the epidemic plan.

We welcome you to speak on Monday, April 1st at 9:45 AM, but have flexibility to accommodate any time between 9 AM and 12 PM that would be convenient for you. I look forward to hearing from you. If you have any questions about the event or your potential keynote speech at AIDSWatch, please do not hesitate to be in touch at cbaloney@aidsunited.org or (202) 876-2818.

Sincerely,

Carl Baloney, Jr.

Director of Government Affairs

AIDS United

Hi Scott,

Mr. Charrow's assistant requested the wrong dates.

Mr. Charrow would like to visit CDC the first 2 week so May.

Possible dates, May 6, 7, 13 and 15; arriving CDC by 10-11 a.m. and departing after 5 p.m.

Conflicts below:

May 6: Puerto Rico

May 7: DC

May 13: Possible annual leave or DC

May 15: CDC Foundation Spring Board Meeting

Governor's visit: (Time to be confirmed)

Please advise.

Thanks,

Teresa

Subject: Schedule of Lecture for Bob Charrow

Hello:

Bob Charrow is interested in visiting the CDC and during his visit give his academic lecture titled *Rules of the Road for those Conducting*

Federally Funded or Regulated Research: Case Studies in Research Misconduct and Human Subjects. Bob would like to schedule a day during the first two weeks of June. Please let me know if Dr. Redfield will be at the CDC at this time.

Thank you,
Caroline White

Hi Caroline,

Unfortunately Dr. Redfield has conflicts on the dates you requested:

May 6: Puerto Rico

May 7: DC

May 13: Possible annual leave or DC

May 15: CDC Foundation Spring Board Meeting

Governor's visit:

Would it be possible to consider May 16 or June 12, 19 or 28?

Thank you for your consideration.

Best, Teresa

Teresa Williams

Good morning Caroline,

Could you please provide the dates Mr. Charrow would be available to visit CDC the first two weeks of June?

Also how long would he like to schedule the visit?

Thank you for your assistance.

Best, Teresa

Teresa Williams

Subject: Schedule of Lecture for Bob Charrow

Hello:

Bob Charrow is interested in visiting the CDC and during his visit give his academic lecture titled *Rules of the Road for those Conducting*

Federally Funded or Regulated Research: Case Studies in Research Misconduct and Human Subjects. Bob would like to schedule a day during the first two weeks of June. Please let me know if Dr. Redfield will be at the CDC at this time.

Thank you,
Caroline White

Thank you! Let me know if you need our help with a room here. Much appreciated!!! I expect he'll be at CDC between 10am-2pm, so if we can get 1.5 hours in the DLA somewhere in that window, we should be good.

Many thanks!

Teresa, please advise Paula and HHS that we can confirm May 16th. We'll discuss exact timing of his agenda next week.

Much appreciated!

Scott

Subject: HHS General Council Charrow Visit to CDC

Importance: High

Hi Llelwyn, the HHS General Council, Mr. Bob Charrow, will be visiting CDC in May or June to deliver a speech on ethics, at the invitation of R3. Paula's team in OGC and my team will be handling the visit once a date is confirmed, but I wanted to ask your help with an all-staff e-mail announcement, maybe some elevator flyers, and possibly a connects article in advance of the visit so that we can publicize appropriately.

We are still working on the date and venue for the lecture, but when those are confirmed, we can share those details, and either Paula or Teresa Williams, could share his bio, and a title for his talk, from which you can have some content for an announcement.

We are still thinking thru who will intro Mr. Charrow for his talk, but we are expecting it will be R3.

Is there anything that we can assist with, or questions that you have, at this point?

Many thanks!

Scott

Subject: RE: HHS General Council Charrow Visit to CDC

Hi Paula. Tracy Stewart confirmed that we can have the DLA between 1130am-2pm to accommodate the talk. I assume you'll work on an agenda with OGC for his day at CDC, but please let Llelwyn and us know what time you want to confirm for the talk, so they can prepare announcements and we can prepare Dr. Redfield to introduce Mr. Charrow at the onset of his talk.

If OGC would like an audio/video recording of his presentation, or if you'd like to offer it to a larger CDC audience via envision or IPTV, please let us know that too. One thing I'd like to mention for consideration, is that if it's offered via IPTV, it may be difficult to get sufficient staff to attend in person, so I'd recommend envision only.

Appreciate knowing how you'd like to proceed with plans for his visit and logistics, and where we can help. Happy to chat if easier...

Thanks!

Scott

Hi Teresa -

My apologies, I was in training today.

DLA is available on June 12th, all day and June 13th, I will have to move some meetings around, but I should be able to get it from (11:00 am - 2:00 pm)

On June 12th and 13th – We have the HIV Surveillance Conference in Aud A, and Aud B is the Community Task Force Conference - all day. Auditorium B is not available either day.

Tracy

Subject: RE: HHS General Council Charrow Visit to CDC

Hi all. Thanks to Tracy Stewart and Teresa Williams, for working things out with us, but we're going to confirm **May 16th** for his visit. We'll be getting the DLA for his talk and will be working with Paula & OGC to put together an agenda for the day, inclusive of time for his talk. More to follow.

Many thanks for everyone's involvement and support!!

Scott

Happy to support anyway possible. We will go with what you requested, i.e., a note from Dr. Redfield to staff, since he initiated the invitation to HHS General Counsel; a "Save-the-Date" for staff to place event on their calendar, promos in CDC Connects and CDC Today, and, as an added bonus, we will coordinate posting announcement on video information screens located at Roybal Campus (bldg. 19), Chamblee Campus (bldg. 106) Century Center (bldgs. 2400 and 2500), and Corporate Square (Bldg. 8, 11 and 12).

I will defer to DCS (Brad Myers) on the posting of elevator flyers at the Roybal Campus. We can assist with posting elevator flyers at Century Center. Happy to serve!

Subject: HHS General Council Charrow Visit to CDC

Importance: High

Hi Llelwyn, the HHS General Council, Mr. Bob Charrow, will be visiting CDC in May or June to deliver a speech on ethics, at the invitation of R3. Paula's team in OGC and my team will be handling the visit once a date is confirmed, but I wanted to ask your help with an all-staff e-mail announcement, maybe some elevator flyers, and possibly a connects article in advance of the visit so that we can publicize appropriately.

We are still working on the date and venue for the lecture, but when those are confirmed, we can share those details, and either Paula or Teresa Williams, could share his bio, and a title for his talk, from which you can have some content for an announcement.

We are still thinking thru who will intro Mr. Charrow for his talk, but we are expecting it will be R3.

Is there anything that we can assist with, or questions that you have, at this point?

Many thanks!

Scott

Dear Dr. Redfield,

On behalf of the Association of State and Territorial Health Officials and the ASTHO Senior Deputy Peer Network, it is my pleasure to invite you to share a few remarks with the Senior Deputy Committee on Sunday, May 5 at 6:30 pm. The meeting will take place at the San Juan Marriott Resort & Stellaris Casino, in San Juan, Puerto Rico with the 14-member Senior Deputy Committee, which includes a representative from each of the ten Health & Human Service regions.

Every year, the ASTHO Senior Deputy Peer Network meets to strengthen relationships between state, territorial and federal partners and share programmatic priorities and best practices in public health. Senior Deputies from state and territorial health agencies and CDC will come together to discuss the public health challenges impacting states and territories, emerging trends be aware of, and will highlight strategies and tools advance the public's health and well-being.

We appreciate your consideration of this request as we believe your voice would be a critical addition to our meeting. If we can answer any additional questions, please contact Suja Shunmugavelu at sshunmugavelu@astho.org or (571) 318-3149.

Sincerely,

Traci Berreth, PhD, MPH

ASTHO Senior Deputy & CFO Annual Meetings May 5-9, 2019 San Juan, Puerto Rico

Senior Deputy Annual Meeting Agenda DRAFT

Steering the SHIP: Healthy & Resilient Health Departments May 5-8, 2019

Sunday, May 5

| Time | Agenda Item |
|-----------|---|
| 4:30 PM - | Senior Deputy Committee Business Meeting |
| 6:30 PM | |
| 6:30 PM - | Senior Deputy Committee Dinner with Dr. Robert Redfield, CDC Director |
| 7:30 PM | 18 150 |

Monday, May 6

| Time | Session Title | |
|------------------------|--|--|
| 8:30 AM – 9:00 AM | Senior Deputy Orientation Welcome (for new Senior Deputies only) Welcome & Icebreaker | |
| 9:00 AM – 10:00 AM | Navigating Your Resources: Peers, Federal Agencies, ASTHO & Affiliates The purpose of this session is to provide participants an overview of the many resources and support services available to them through peers, federal agencies, ASTHO and Affiliate organizations. Participants will be assigned to small groups and a case study exercise will be introduced. Following this session, small groups will discuss the scenario and discuss what resources would be most needed and/or relevant. | |
| 10:00 AM - 10:15 AM | Break | |
| 10:15 AM – 11:15 AM | Survival Skills: Working with your S/THO and Executive Team Few jobs are as demanding – or rewarding – than that of a senior deputy in a state health agency. The purpose of this session is to provide participants insight and tips for success from veteran senior deputies who have done the job for years. Discussing the various hats worn by senior deputies, building and managing relationships with your state/territorial health official and colleagues, describing key leadership traits, and sharing lessons learned are also valuable parts of the session. This session will close with small group discussion of the case study. | |

| 11:15 AM - | 11:15 AM – Communication & Messaging with Partners, the Public and Policy-Makers | | |
|------------------------------------|---|--|--|
| 12:15 PM | The purpose of this session is to provide an overview of public communication | | |
| | activities for new senior deputies. Communicating with the public is a core public | | |
| | health activity. Understanding the audiences, and their needs, will help new leaders | | |
| | communicate more effectively and efficiently. Understanding the changes in media | | |
| | landscape is also important both in crafting messages, and for determining the skills | | |
| | necessary to build an effective communication team. This session will close with small | | |
| | group discussion of the case study. | | |
| | | | |
| 12:15 - | Case Study Activity Wrap-Up/Orientation Session Closing | | |
| 12:30 PM | Finalize small group case study discussions & conduct report outs. | | |
| | | | |
| 1:30 PM - | Senior Deputy Annual Meeting Welcoming Remarks & Introductions | | |
| 2:30 PM | :30 PM Senior Deputy Introductions (sit in regions) | | |
| 2:30 PM - Speed Networking Session | | | |
| 3:30 PM | Participants will form two concentric circles facing each other and will have an | | |
| | opportunity to meet up to 15 other participants in four-minute sessions. Participants | | |
| | will introduce themselves and share one innovative thing they are doing in their health | | |
| | department. If desired, participants can exchange contact information to continue the | | |
| | conversation at a later time. | | |
| 3:30 PM - | Break | | |
| 3:45 PM | | | |
| 3:45 PM - | CDC Updates & Deputy to Deputy Roundtable Discussions | | |
| 5:00 PM | This session will include financial, programmatic and organizational updates from CDC | | |
| | leaders. States will then have an opportunity to select two topics for table top | | |
| | discussions for information sharing, eliciting successes and challenges related to CDC | | |
| | grant programs and key public health concerns. There will be two sessions of table top | | |
| | discussions. | | |
| Evening | Dine Around (Optional) | | |
| | Participants may sign up on site to meet to discuss a pressing topic of interest with | | |
| | colleagues over dinner. | | |
| | | | |

Tuesday, May 7

| Time | Session Title |
|----------------------|---|
| 8:15 AM – 8:30 AM | Welcome and Overview of Day 2 |
| 8:30 AM- 9:30 AM | ASTHO President's Challenge: Engaging the Business Community This session will feature approaches to in engaging the business community to advance state and territorial public health. |

| 9:30 AM - | Public Health Leadership in Interoperability and Information Exchange | | |
|------------------------|--|--|--|
| 10:30 AM | This session will explore ways that state/territorial health agency leaders can build their knowledge and agency's capacity for implementing national data standards to advance information exchange and promoting interoperability between public health information systems and other data systems. Senior Deputies representing several states across the nation will present on their state's strategies, successes, and barriers Participants will gain a greater understanding of the skills, technologies, and policies needed to build the infrastructure for an informatics-savvy public health agency. | | |
| 10:30 AM- 11:00 AM | Active Break | | |
| 11:00 AM – 12:00 PM | Strengthening the Links between Public Health Practice and Academia to Build the Public Health Workforce Panelists will share examples in state approaches and partnerships to improve the education of public health professionals and the practice of public health and opportunities for the future. | | |
| 12:00 PM – 1:30 PM | Federal Legislative Updates & State Legislative Hot Topics Luncheon Updates on ASTHO's federal legislative agenda and efforts and an overview of hot topics and trends during 2019 state legislative sessions. | | |
| 1:30 PM – 3:00 PM | Hot Topic Roundtables Table top discussions for information sharing, eliciting successes and challenges, and sharing best practices. Topics will be identified and prioritized during the meeting and may include topics such as: primary prevention and addressing social determinants of health; disease elimination (HIV); medical marijuana; water preparedness; suicide prevention; wildfires; etc. Participants will be able to select up to three table top sessions to attend. Notes will be taken and shared from all sessions. | | |
| 3:00 PM – 3:30 PM | Active Break | | |
| 3:30 PM – 4:30 PM | Rebuilding and Recovery: Lessons from the Field Hurricanes Irma and Maria brought many challenges and opportunities to Puerto Rico | | |
| | Panelists will share their experiences in responding to these life-changing natural disasters. The obstacles and lessons learned with be shared with participants to better build capabilities across agencies to improve response and resiliency. | | |
| 4:30 PM – 5:00 PM | Closing Remarks & Adjourn | | |
| Evening | Senior Deputy and CFO Joint Reception with Puerto Rico Department of Health | | |

Senior Deputy – CFO Joint Annual Meeting Agenda DRAFT May 8, 2019

Wednesday, May 8

| Time | Session Title | |
|------------------------|---|--|
| 8:00 AM – 8:45 AM | Senior Deputy - CFO Working Breakfast — Braiding & Layering Pilot Project Panel ASTHO, with support from CDC, has initiated a pilot project intended to support three states in undertaking new directions in innovative financing involving layering and braiding funding; support investments in needed health department infrastructure and/or addressing the social determinants of health, and build shared direction, alignment and commitment among agency leaders. This session will highlight progress and new resources in development for all S/THAs to support this work. | |
| 8:45 AM – 9:00 AM | Break | |
| 9:00 AM – 12:00 PM | 그래에요 | |
| 12:00 PM - 12:30 PM | Senior Deputy Annual Meeting Closing and Passing of the Gavel | |

CFO Annual Meeting Agenda DRAFT

Overarching Meeting & Session Objectives:

- Learn about challenges when responding to and recovering from natural disasters and public health threats and innovative funding strategies to address these.
- Strengthen communication and connections between state and territorial CFOs.
- Explore ways to further strengthen communication between states/territories and federal CDC staff.
- Learn how to assess and select automated grants management systems and manage transition, and how to establish and manage fiduciary accounts.
- Develop leadership skills in appreciative inquiry.

Wednesday, May 8

| Wednesday, May 8 | | | |
|------------------|---|--|--|
| Time | Agenda Item | | |
| 12:30 - 1:30 | Lunch | | |
| 1:30 – 2:30 PM | Public Health on the Front Lines CFOs will talk about lessons learned from responding to and recovering from infectious disease outbreaks such as Measles and natural disasters such as Hurricanes Maria and Irma, and Typhoon Yutu. CFOs within jurisdictions that have experienced these events will share what it is like to be on the front lines of public health under challenging circumstances. They will share their perspectives on the challenges these events pose to systems, communication, and funding along with successes and lessons learned. State, territorial, and federal participants will gain a better of understanding of the business processes and infrastructure susceptible to failure in states and territories when these events occur, along with the specialized challenges of the territories. | | |
| 2:30 – 3:00 PM | Active Break | | |
| 3:00 – 5:00 PM | Successfully Funding Public Health Response & Recovery This session will delve more deeply into the critical role of funding with respect to response and recovery. Examples include the following: Stitching existing funding together for immediate response to disaster/public health threats. Successfully coordinating state/territorial funding with NGO funding received within the same jurisdiction for recovery. Administrative preparedness and expedited procurement. How states and territories are investing funding to better-prepare for the next public health threat or natural disaster. Breakout sessions will focus on mechanisms currently in place within participants' jurisdictions, and the integration of needed components. This will provide participants with the basis for developing action plans within their jurisdiction to better meet public health threats or natural disasters. | | |
| 5:00 – 5:30 PM | Networking Session At roundtables, CFOs and federal staff will share two successes and two challenges associated with two of the following identified as "hot topics" within the S/T CFO Network this year: • Fees and fines as a source of revenue • Fiduciary accounts • Medicaid funding • Chart of Accounts and funding Foundational PH Services • Maintaining vital records | | |

Thursday, May 9th

| Time | Agenda Item |
|--|--|
| 8:00 – 9:00 AM | Breakfast |
| 9:00 – 10:30 AM | Strengthening Relationships and Communication with CDC The facilitator will provide an overview of the wide diversity of CFO experience represented in the room, both in terms of purview and function. The moderator will explore ways in which S/T and federal communication and engagement has been enhanced during the last few years, and possible steps for more frequent CFO engagement in changes to federal program funding and guidance. Federal deputy directors in attendance will be encouraged to share their perspectives. Participants will come away with a better-understanding of the roles of S/T CFOs and federal Office of Grants Services and CDC Deputy Directors. Opportunities for continued relationship building will be identified. |
| 10:30 – 11:00 AM | Active Break |
| 11:00 – 12:30 PM | Tactical Methods for Funding needed Foundational Services and Prevention Activities in the absence of Dedicated Funding The CSTLTS Deputy Director will engage other Deputy Directors in attendance on promoting funding flexibility and areas without dedicated funding such as investment in infrastructure and up-stream prevention. Much of this session will focus on breakout sessions for states and territories to strategize with federal partners on developing innovative financing approaches for needed services and activities. |
| 12:30 – 1:30 PM | Lunch |
| 1:30 – 2:30 PM Establishing and Managing Comprehensive and Automated Grants Managing Systems Alaska will share its journey of migrating towards a comprehensive and automated grants management system. All aspects of project management be explored including needs assessment, analysis of available systems a platforms, and implementation including data and user transition, and the Participants will gain an understanding of all aspects of implementation | |
| 2:30 – 3:00 PM | Closing Remarks and Adjourn |

Subject: RE: ASTHO Senior Deputy and CFO Meeting - Dr. Redfield Remarks

Hi Ashely -

Per our discussion, this is the update that we received from ASTHO:

After taking a closer look at this issue, we have decided to withdraw it from the list of discussion items with Dr. Redfield. As an alternative, since both Harold Pietz (DSLR Deputy Director) and Chris Braden (NCEZID) will also be attending the annual meeting, I will brief Harold and Chris on this issue and ask that they, together, be prepared to discuss this matter with the Senior Deputies group with the goal of finding common ground to meet the specified needs of the state(s) while still adhering to the goals and scope of the respective CoAgs.

Let me know if you need anything else from us! Thanks for all your help!

Hi Linda,

Thanks for looking into this. The ask came directly from ASTHO Senior Deputy Committee. Here's what they said about that particular point:

The last one is obviously a detailed ask! I understand the Director may not be able to speak to all of these, but it might provide some insight/background on the folks he will be meeting with.

Do you think they'd like to hear about how much money jurisdictions plan to invest in that capability, or more details on the CEFO program? I think anything y'all have on this subject will help us prepare him.

Thanks!

Hi Ashley,

I mentioned the concern noted below to my division director, Christine Kosmos, and she would like to get more information on who is voicing these concerns. PHEP funds CAN be used for response. We want to be sure Dr. Redfield and whoever voiced this concern understands that. Do you have any additional information you can share about this? I'd be happy to have a quick call if that is easier.

Thanks.

Linda

Hi John -

I've included below some epi/ communicable disease examples that hopefully speak to more of the preparedness side of things. Is this what you're looking for? Do you need any stats on the epi capability? I can pull how much money jurisdictions plan to invest in that capability, or give you some more details on the CEFO program, if that's helpful.

PHEP Prepares Alabama to Stop Spread of Deadly Diseases at the Border

In 2018, Alabama used PHEP funding and PHEP-supported staff to hold four workshops with partners on how to stop communicable diseases from entering the state. Participants included representatives from airport emergency medical services, cruise lines, and customs and border protection. At the workshops, participants developed a comprehensive response plan for identifying and mitigating potential travel-associated outbreaks. In an outbreak scenario, having trained, coordinated staff across agencies will reduce the threat of communicable diseases entering Alabama.

PHEP Prevents Fatal Outbreaks among Arizona's American Indian Tribes

In Arizona, PHEP supports a CDC scientist, known as a Career Epidemiology Field Officer (CEFO), who works with local American Indian communities to help prevent the spread of hantavirus. Hantavirus is passed from rodents to people and can cause a severe respiratory condition that is fatal in about 38% of those who get it. The CEFO and her team led prevention efforts that included identifying and tracking cases using a rapid screening tool, training 75 clinicians at three tribal medical centers to report suspected cases, and educating the community on steps to take within their homes to reduce the spread of hantavirus.

PHEP Enhances Idaho's Readiness to Respond during Solar Eclipse Event

In Idaho, PHEP supports a CDC field epidemiologist who works with state and local public health agency staff to strengthen surveillance and outbreak response. To prepare for the large influx of visitors to Idaho expected during the August 2017 solar eclipse, the epidemiologist and a PHEP-supported CDC field advisor stationed in Idaho developed a surveillance plan to monitor anticipated health conditions and report findings to responding agencies. Thanks to this preparation supported by PHEP, responders received daily information on emergency department visits and selected reportable diseases and could act quickly if an increase in conditions of concern occurred.

PHEP Keeps Kentucky Residents and Visitors Safe during 2017 Solar Eclipse

In Kentucky, PHEP supports a CDC field scientist who works with local staff to improve surveillance, strengthen outbreak response, conduct epidemiologic investigations, and develop the public health workforce. On August 21, 2017, a solar eclipse passed through several U.S. states, including Kentucky. In preparation, the CDC scientist, with local partners, supervised development of a surveillance system that monitored health issues commonly associated with mass outdoor gatherings, like gastrointestinal illness, heat-related illness, and injuries. There was an influx of an estimated 116,500 visitors to the area, and with the system, public health staff could identify any outbreaks in near real-time and respond quickly.

PHEP Ensures Ohio's Readiness for Pandemic Influenza

PHEP helps Ohio exercise and improve emergency response plans so local jurisdictions can keep residents safe during a pandemic or other health emergency. In June 2018, 41 state staff participated in a pandemic influenza tabletop exercise (TTX). The state used lessons from the exercise to create work groups that updated the previous state plan. The new plans strengthened the state's procedures for emergency operations coordination, information sharing, medical material management and distribution, and public health laboratory testing. The TTX is also helping Ohio to plan and conduct a statewide, full-scale emerging infectious disease exercise by 2022.

Subject: ASTHO Senior Deputy and CFO Meeting - Dr. Redfield Remarks

Hi Gia and John,

Dr. Redfield will speak at this meeting in Puerto Rico on May 5. Hoping you can share some information/talking points from CSTLTS and CPR to help

inform his remarks on the request below. He will also discuss his priorities and efforts around the HIV initiative in addition to this topic.

Is it possible to have this before EOD tomorrow, April 24?

Discussion on funding field epidemiological investigation/response staff — critical members to prevent the spread of communicable disease; some background regarding this request - currently this department funds them through the PHEP grant but the grant is pushing back stating PHEP is primarily/heavily a preparedness grant not a response (epi) grant. Their Epi (ELC) grant is funding state-level coordination efforts, but not the field components that are necessary to do the legwork. This is a gap that we are seeing, such that it appears as an opportunity for more flexibility among the grants.

Thanks so much in advance and please let me know if you'd prefer to discuss over the phone.

April 24, 2018

Dr. Robert R. Redfield Director, Centers for Disease Control and Prevention 1600 Clifton Road Atlanta, GA 30329

Dear Dr. Redfield:

It is with great pleasure that we invite you to join us as a featured presenter at the 2018 Aspen Ideas Festival Spotlight Health—June 21–24—at our Aspen, Colorado campus.

We have been honored many times in the past to include the CDC director among our speakers. And, indeed their sessions have always drawn large audiences. We hope you will carry on this tradition at Spotlight Health and assure you we will do everything possible at our end to help make that happen.

Now in year five, Spotlight Health is an integrated part of the Aspen Ideas Festival, produced with our media partners at *The Atlantic*. The Ideas Festival is among the finest forums in the world bringing together 2,500+ experts, practitioners, advocates, and audience members to engage in a civil dialogue about the most critical issues of our time. The foremost thinkers, doers and activists in the health field gather at this unique event to share their diverse ideas and accomplishments, and to spark thought and conversation that inspires action.

Spotlight Health attracts extensive national and international press coverage from a diversity of sources representing print, online, and broadcast media. Through the amplification of social media, Spotlight Health now reaches millions. Podcasts and live coverage will increase in 2018, expanding discussions to a wider audience.

We hope you will accept our invitation and join us this summer. Our colleague Ruth Katz, Vice President and Executive Director of the Institute's Health, Medicine & Society Program, and Co-Director of Spotlight Health would be happy to reach out to your office to offer more details about Spotlight Health and to address any questions you might have about this invitation (ruth.katz@aspeninstitute.org and 202-736-5827).

Thank you for your consideration. We look forward to your positive response.

All best,

Walter Isaacson President and CEO The Aspen Institute Daniel R. Porterfield, Ph.D. President and CEO-Elect The Aspen Institute

Special Assistant/Staffer Accompanying: TBD

Event Contact: Sharon Miller (ASTHO), O: 571-527-3158, C: 717-497-6066,

smiller@astho.org

2. Event Information:

Event Overview: Meet and have a discussion with State and Territorial Health Officials (1 hr.) on the Director's current priorities, challenges, and needs from state and territorial health officers.

Purpose: ASTHO members will participate in meetings with CDC's leadership to hear CDC's perspective and updates on various topics, as well as to share with CDC leadership what is happening in their states and territories.

ASTHO is the national nonprofit organization representing public health agencies in the US, the US Territories, and the District of Columbia, and over 100,000 public health professionals these agencies employ. ASTHO members, the chief health officials of these jurisdictions, formulate and influence sound public health policy and ensure excellence in state-based public health practice. ASTHO's primary function is to track, evaluate, and advise members on the impact and formation of public or private health policy which may affect them and to provide them with guidance and technical assistance on improving the nation's health.

Drs. Jay Butler, Jonathan Mermin, Debra Houry, Coleen Boyle, Patrick Breysse, Dana Shelton, Wanda Barfield, Jose Montero, and Chesley Richards are scheduled to participate.

Source Invitation: Yes on the 4/8/19 DL. Georgia Moore (CSTLTS) strongly recommends.

Event Title: CDC Leadership Meetings

Name of Organization Hosting Event: Association of State and Territorial Health Officials (ASTHO)

Description of Organization: ASTHO is the national nonprofit organization representing public health agencies in the United States, the U.S. Territories, and the District of Columbia, and over 100,000 public health professionals these agencies employ. ASTHO members, the chief health officials of these jurisdictions, formulate and influence sound public health policy and ensure excellence in state-based public health practice. ASTHO's primary function is to track, evaluate, and advise members on the impact and formation of public or private health policy which may affect them and to provide them with guidance and technical assistance on improving the nation's health.

Event Location: CDC's Clifton Road Campus

Event date: 06/20/2019

Event start time: 8:00 AM | End Time: 2:00 PM

Director's participation requested start time: 12:00 Noon

Director's participation requested end time: 1:00 PM

Contact Person

Contact Person: Sharon Miller

Contact Office Phone: 571-527-3158

Contact Cell Number: 717-497-6066

Contact Email: smiller@astho.org

Event Details

What is the purpose of this event?: ASTHO members will participate in meetings with CDC's leadership to hear CDC's perspective and updates on various topics, as well as to share with CDC leadership what is happening in their states and territories.

Proposed role of Director?: speaker

If the Director is unable to attend, would you still be interested in a CDC speaker?: NO

If the Director is unable to attend in-person, would joining by video teleconference be an option?: YES

If the Director is unable to attend in-person or by VTC, would a pre-recorded message be an option?: NO

Presentation Details

Topic of Presentation: A Conversation with State and Territorial Health Officials

Type of Presentation: Keynote Address

Presentation Special Notes:

Additional Speakers: Jay Butler, Jonathan Mermin, Debra Houry, Coleen Boyle, Patrick Breysse, Dana Shelton, Wanda Barfield, Jose Montero and Chesley Richards are scheduled to participate.

Length of Presentation: 1 hour conversation (remarks and Q&A, rather than keynote address)

PowerPoint requested: [ppt-available]

Will there be Q& A?: YES

Specific topic/points you would like the Director to address: Director's current priorities; challenges; needs from state/territorial health officers

Audience and Key Participants?: Public Health/Medical Professionals

Audience Size?: 10-50

Expected Media Coverage?: NO

Will this event be videotaped?: NO

Additional details?: [Additional-details]

Hi Kate,

Dr. Redfield is available as follows:

4/15 11:00 a.m. – 12:00 p.m. 4/17 3:30-4:30 p.m.

I would suggest 4/15 as the best option.

Please advise.

Thanks, Teresa

Subject: FW: CDC Director Robert Redfield -- ASTHO Podcast

Hi Tracie and Teresa,

Dr. Redfield agreed in one of our previous comms meetings to record a podcast with ASTHO, and he preferred to do it in-person. ASTHO's CEO will be in town later this month, and is hoping to utilize that opportunity to meet with R3 and record the podcast. Can you identify a couple of times that I can offer on April 15 or 17 (I see from Dr. Redfield's calendar that he will be in DC on April 16). We would need about an hour – 30 minutes for the meet-and-greet, 30 minutes for the recording.

Thanks,

Kate

Subject: RE: CDC Director Robert Redfield -- ASTHO Podcast Proposal Outline

Hi, Kate,

Looks like we can record the podcast in Atlanta during the week of 4/15. In attendance would be our CEO, Michael Fraser, as well as our podcast producer, Robert Johnson, president of Washington Media Group. Robert is available to record the podcast 4/15-17 (Mon-Wed), so we'll focus on those days.

Are there particular times that work best for Dr. Redfield?

Mike will be in Atlanta that week, meeting with CDC and CSTLTS. I'm working to get a schedule from his assistant. Once I know Mike's availability, I can then match that with Dr. Redfield's availability.

As you suggested, if this is easier to discuss over the phone, feel free to call me at any time: 850-363-8982.

Thank you!

Proposal Outline

Good afternoon-

Dr. Fraser is available on April 17 in Atlanta. He has a meeting from 11-12 at the Roybal Campus but is free after that from 12:00-3:00. He can also do that morning if necessary, I'd just need to move some calls around.

Thanks, Joe

Proposal Outline

Hi Leslie and Matt -

Change in plans. Dr. Redfield now has to be in DC that Monday for a meeting. Are Mike and Robert available to meet on Wednesday, April 17th, instead? Looks like we should be able to utilize the same timeframe (11 am to noon) that day. Let me know if that works – otherwise, we may have to find an opportunity the next time they are all in the DC area.

Thanks, Kate

Outline

Importance: High

Hi, Kate -

Matt is out of the office today, but I wanted to let you know that April 15 from 11 a.m. – 12 p.m. works great. Mike and Robert are also available.

If possible, can we schedule a quick pre-call with you this week to go over some last minute details before we arrive?

Thank you! Leslie

Subject: RE: CDC Director Robert Redfield -- ASTHO Podcast Proposal Outline

Hi Matt.

Wanted to bounce these two times off you ASAP, since Dr. Redfield's calendar changes quickly. He is available on the following dates, although I recommend the 15th if possible.

4/15 11:00 a.m. – 12:00 p.m.

4/17 3:30-4:30 p.m.

Will that work for Mike and Robert?

Thanks, Kate

| 4b. Not eligible for Gilead MAP (income >=500% FP | 4,353 | 1,167 | 77 | 54 | 25 | 7 | 0 | 2 | 0 | 2,002 | 440 | 240 | 338 |
| Estimated Number of Americans | 1,198,646 | | | Method | ls derive | d from S | Smith et al | ., JAIDS | 2017, 76 | (5):465-47 | 2 that use | d surveil | lance |
| Total Public Insured or Uninsured | 502,138 | 41.9% | | data for the year 2015, results here are updated and based on most current CDC | | | | | | C | | | |
| Total Public Uninsured | 317,683 | 26.5% | | surveillance data for a compete year (2016). | | | | | | | | | |

- 1. Number of Americans meeting criteria for PrEP:
 - → estimated 1,200,000 (Smith et al., JAIDS 2017, 76(5):465-472, updated)
- 2. Number of Americans meeting criteria for PrEP who would need medication publically funded (are either publically insured or are uninsured):
 - → estimated 500,000 (Smith et al., JAIDS 2017, 76(5):465-472 , updated)
- 3. Number of Americans currently prescribed PrEP
 - → estimated around 10% of those who need it (under #1 above), or around 100,000-120,000 (Huang at al., MMWR 2018, 67(41): 1147-1150)

In terms of what we know about those currently prescribed PrEP, they are overwhelmingly white race/ethnicity and male (mostly MSM). It's hard ot know their insurance status compared with those who would need publically funded PrEP or who are uninsured, but the fraction not on PrEP who are publically insured or uninsured is almost certainly not *more* than 10% and likely somewhat less.

Assumptions:

- 1) Nationally, CDC estmiates 1.0 million persons are indicated to received PrEP (assumes 200,00 already prescribed based on Gilead sales data 4th Q 2018)
- 2) Phase 1 juridictions acxcount for about 60% of persons diagnosed with HIV 2016/17 (CDC 201806 dataset)
- 3) Estimated minimum PrEP coverage desired to achieve meaningful effect on transmission is 60%
- 4) Uninsured persons for whom PrEP is indicated represent 26.5% of all persons needing PrEP (265,000 of 1.0 million)
- 5) Estimated uninsured need for PrEP may be an underestimarte (i.e., persons already prescribed PrEP less likely to be uninsured),
- 6) HRSA/BPHC estimated they could reach 60% of all persons for whom PrEP is indicated by Year 3

Scenario 1: PrEP to 60% of uninsured (total needing PrEP in Phase 1 juridictions): 160,000 persons

Scenario 2: PrEP to 100% of uninsured (total needing PrEP in Phase 1 juridictions): 265,000 persons

Scenario 3: PrEP to 60% of uninsured assuming they represent 32% of persons needing PrEP (20% more of 26.5%): 320,000 persons

Subject: Estimated PrEP needs

Attachments: PrEP estimated Public Needs - BG 2.23.19.xlsx

Hi Tracie,

Dr. Redfield requested a brief phone call with Dr. John Brooks on Monday to discuss the attached spreadsheet providing an estimation of PrEP needs nationwide. Dr. Brooks is available from 11-12:30am on Monday. Can you schedule a quick 15 minute call for them?

Thank you so much, Amanda

Amanda Campbell

<Garrett.Grigsby@hhs.gov>

Subject: FW: Letter from Dr. Tedros to Dr. Redfield

Dear Ambassador,

I wanted to share a letter I received today from Dr. Tedros requesting additional CDC support for the Ebola response.

With 50 new cases in the last week and 102 cases in the last 14 days this is the fastest rate a growth we've seen to date. Additionally, 3-6 health zones have been involved each day, indicating the outbreak has become more diffuse. Finally, of the cases from the last two weeks half were unknown contacts and a third were community deaths. These outbreak indicators are very concerning.

We are preparing a response to Dr. Tedros's request and I wanted to share this with you. I'd appreciate the opportunity to talk in the next few days. My staff will work to schedule a time.

Of course we will follow your lead and continue to defer all security matters to the mission.

Looking forward to talking soon.

peace, r3

Dear Dikembe and Susan,

I hope this message finds you well. Our team (CCed) has drafted the attached talking points as well as a the requested letter in French and English. Many thanks to all!

This weekend I also spoke with Dr. Redfield and he would like to have a brief follow up call in the next few days. Ms. Tracie Strength (CCed) will work to schedule.

We greatly appreciate your support and partnership as we work to end the Ebola outbreak in DRC.

Kind regards,

Hugh

Subject: CDC Connects Public Health in Action Photo Contest -- Checking on Dr. Redfield's Availability

Hello Scott,

The annual *CDC Connects* Public Health in Action Photo Contest Program is coming up again. As you may know, traditionally we hold the recognition ceremony for the winners during National Public Health Week, which is celebrated during the first week of April.

We would like for Dr. Redfield to give brief remarks, help unveil the framed photos, and recognize the winning photographers, should his schedule permit. This year's recognition program will take place at Chamblee, Building 107.

Can you let us know if Dr. Redfield will be available, preferably on April 3, or 4 --either late morning or early afternoon.

We wanted to touch base with you first before scheduling a specific day/time for the event.

Many thanks, Faye

Faye McDonald Smith CDC Connects

Subject: RE: CDC Connects Public Health in Action Photo Contest

Hello Mark,

The *CDC Connects* Public Health in Action Photo Contest Program on April 16 will be held in <u>Conference Room 1C (first floor) of Building 107</u> at Chamblee. You mention the timeframe of 1:30 p.m.-2:00 p.m., but if the director could arrange to stay for 45 minutes, that would be ideal, as it would allow time for him to have a bit of interaction with the winners.

After the presentation of the award certificates to the (12) winners, we will proceed to the lower level for the unveiling of the framed photos.

A photographer will be on hand to take photos of the director with the winners, both during the program in the conference room and also during the unveiling. This year's winning photos will be displayed on the corridor walls adjacent to the stairwell on the lower level.

Please let me know if you need any more information.

Hello Faye,

I am the logistics specialist assigned to Dr. Redfield for this event. He has a hold on his calendar on April $16^{\rm th}$ from 1:30pm – 2:00pm to participate in the CDC Connects Public Health in Action Photo Contest. I will be handling a reserved parking space for him on campus. Do you happen to know the room number(s) or location in building 107 so I can adjust his calendar? I'm sure as the date approaches, I will have more questions.

Thank you in advance for your assistance.

Subject: Photo Contest Program and Unveiling - Tuesday, April 23rd

Hi Theresa – Yesterday, I spoke with Scott about possible rescheduling options for Dr. Redfield to give remarks and to participate in the Photo Contest Program and Unveiling at the Chamblee Campus. Originally, Dr. Redfield was scheduled to participate in the program/unveiling at 1:30 p.m. on Tuesday, April 16, but because of a recent travel commitment we were informed that he is no longer available on that date. Scott shared that Dr. Redfield is invited to participate in NCBDDD's All Hands meeting scheduled from 2:00 – 3:00 p.m. on Tuesday, April 23, and recommended that we consider using that date to reschedule.

If possible, we would like to set up the program following NCBDDD"s All Hands meeting, but we have some logistical concerns that we wish to discuss with you. One concern involves when the All Hands ends and having time enough to set up and clear room for Photo Contest program. The other concern involves the room arrangement itself. I suspect that NCBDDD will host their All Hands in Bldg. 107's conference rooms 1 A,B,C, combined, to accommodate their staff. Typically, our event is much smaller and involves 30-35 attendees. Sometimes attendance is larger, but not much larger. With that are attendance will appear very sparse with the use of the combined conference rooms. We are willing to accommodate Dr. Redfield's attendance and participation in the best manner possible. We wanted you to be aware of these concerns upfront, particularly since this is the first time Dr. Redfield will be supporting this event. Scott also mentioned the possibility of the morning of Monday, April 22nd being available. I am interested in getting your thoughts of what works best, so we can ensure that Dr. Redfield and our winners get the ultimate program experience.

Look forward to discussing. In the meantime, I have attached the run of show prepared for the program. Hope you feel better soon!

Subject: Photo Contest Program Time Change

Hi Scott -

We were able to move the photo contest program up to 2:30 p.m. to accommodate Dr. Redfield's travel downtown to meet with a congressional member around 4:45 p.m. Program will be held at same location: Chamblee Campus, Bldg. 107, CR 1B.

Please let us know if you require anything else on our end.

Subject: RE: CDC Foundation requests for Director's time

Hi Laura! Yes, they both appear to be in DC still on the 14th, but are here on the 15th. Do you want to explore 3:30-4:15pm on the 15th? I'm also adding Anne's team of Liz and Ursula, to help with arranging her schedule if different than R3's. Let us know what you want to do...

Thanks!

Scott

Subject: RE: CDC Foundation requests for Director's time

Hi Scott and team, I hope all is well today.

I'm touching base as we have a new Foundation board member, Elaine Chambers, whose orientation we are working to schedule on May 14th in conjunction with our Board dinner/meeting on May 14 - 15. Ideally, we would like to carve out some time for her to meet with Dr. Redfield as per our onboarding practice with new board members. Are Dr. Redfield and Dr. Schuchat still scheduled to be in DC on the 14th? If not, is do they have availability to meet for 45 minute to one hour with Judy Monroe? I also wanted to explore the possibility of the 15th after 3:00 pm as a back-up.

Once confirmed and closer to the date, I will provide detailed background on Elaine Chambers in advance – right now we are working on a news release so her name is not public just yet. Let me know if it would be helpful to speak by phone.

All best, Laura

Thanks Laura! Chloe had us holding the dates, pending this request that you've shared. We will confirm the board meeting on the 15th over the lunch period. Do you have a specific time?

As for the dinner on the 14th, please mark him as tentative since he has to be in DC earlier that day, and his full travel schedule is not yet confirmed.

Please let us know if you have any questions or concerns.

Best,

Scott

Dear Seth and Scott,

I hope all is well with you. As you know, Chloe Tonney moved on to a wonderful new opportunity in Charleston, SC. For the time being, I have absorbed her role with our Board and Corporate Roundtable.

I am writing to confirm if Dr. Redfield's participation has been confirmed for our upcoming Board dinner and meeting on May 14-15. My understanding is that Chloe had made the request but I wanted to double-check. The Board meeting agenda for the 15th is still being drafted. There is a possibility that the Director will not be needed to speak during the actual meeting but we will let you know. Just in case, I am attaching a request for his participation in both of our events - CDC Foundation Board of Directors dinner and meeting on May 14-15, 2019

We will be happy to provide the additional details as they become available/finalized. Generally we provide a briefing document/work plan that includes additional information once the event is confirmed.

Please consider me your point of contact for these meetings. Thanks for any guidance you can lend to the newbie.

Sincerest thanks, Laura

That's right, the awards reception is immediately following the ceremony.

But, some winners can't make it and bonus on top of the statuette for the winners (or reps of group winners) is face time with the Director which is what the "special" reception is for. As far as who funds, for the years I have been doing it, this comes out of our budget. Not sure who pays for Director's breakfast stuff, but if that's an option, I think folks would just as happy as that.

Attached is the program agenda for this year.

A rehearsal is set up for next Wednesday from 9:30 – 11:30 am.

In terms of logistics, I am happy to review what we have planned for leadership but attached is what I sent to Ashley Landsdale who I think is working on Dr. Redfield's remarks. Please note that even though Judy Monroe will present the Bartenfeld, Cooper and Watson awards, Dr. Redfield will be in the picture that is taken on stage so it's the winner, their CIO Director, Dr. Monroe and Dr. Redfield.

Please note for scheduling that we plan to do pictures from say 2:05 pm - 2:25 pm with winners (groups and individuals) right after the ceremony at the backdrop. This will cut down on time Dr. Redfield has to mingle, but it is the only way to get what so many folks want, a picture with the Director.

Happy to discuss.

Regards

Brad

Attachments: Directors opening and closing remarks.final.DOCX, 66 Script DRAFT_June

1_clean.docx

Ashley:

I am still working on the script, but the only thing that should change from last year re (which is attached) are the names of the winners and this year, because the Emergency response awards are being re-named for Toby Merlin, the science awards will go after the "in memoriam" segment.

As to your other questions,

Will Dr. Redfield be doing the welcome? If so, how long will he have to speak?

Yes. Dr. Redfield will speak twice DURING the ceremony. Once to do an open and welcome and once at the end to wrap up. The open can be about 5-7 minutes and the wrap up 2 or 3.

He will start the ceremony in the audience, then come to the podium for opening remarks, then remain on stage to congratulate and have photos taken with each winner and their respective CIO Director.

I see there was an event script from last year. Are you able to share this year's script with us?

See attached.

Sorry to not be familiar with this event. Is the audience CDC staff? No media right?

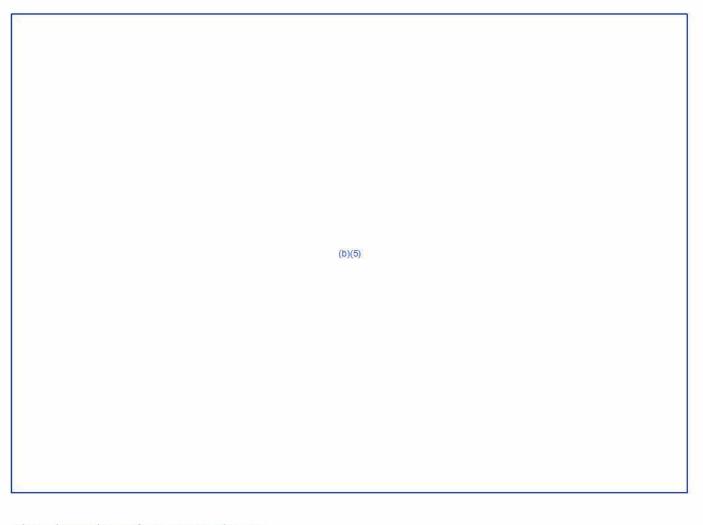

Right, invites to CDC staff although there will be some outside guests (including family members of winners if they choose to attend) as well as some invited guests including reps from CDC Foundation who present three awards and family representatives of those for whom those awards are named. But to confirm, NO MEDIA.

Do you have any suggestions regarding talking points?

I am happy to work on something, but I think the gist of the remarks should include the following nods:

- Delighted to be here
- Welcome to our guests, especially
- Thanks to the work that goes into making this ceremony happen, which is months in the works, especially the Awards Policy Board, and if you are part of the APB, please stand and be recognized. As well as the Ceremony planners and volunteers whom I would also like to stand and be applauded for their efforts (and the selection of the goodies for the reception, there is some good stuff out there).

Please let me know if you want to discuss.

Subject: CDC Honor Awards

Hi Brad and Jose,

Our team is working on remarks for Dr. Redfield for the upcoming Honor Awards. Hoping you can answer a few questions for me:

- Will Dr. Redfield be doing the welcome? If so, how long will he have to speak?
- I see there was an event script from last year. Are you able to share this year's script with us?
- Sorry to not be familiar with this event. Is the audience CDC staff? No media right?
- Do you have any suggestions regarding talking points?

Thanks in advance! Hoping to have these pretty soon to get started.

Attachments: RE_ Request_ Country Director Listening Session with the CDC Director .msg

1. Contacts:

Logistics Specialist: Mark Byers

Special Assistant/Staffer Accompanying: TBD

Event Contact: Pamela Dougherty (CGH), Senior Advisor, Work: 404 718 5444, Cell: 678 296 2122, phd4@cdc.gov

2. Event Information:

Event Overview: CGH will be having an internal planning meeting the week of June 3-7. CDC Director, Dr. Robert Redfield, will share his vision for CDC's global health efforts and listen to insights and perspectives from the field across CDC country offices. This is also an opportunity for our field leadership to have valuable face time with the CDC Director.

The format will be similar to last year's "CDC Director's roundtable with Country Leadership".

There would be approximately 6 tables with ~7 staff per table. Dr. Redfield would begin the session by opening (~10 minutes) with his observations about our global health work, reflections from his first 365 days in office, and update the country teams on his overarching vision for the Agency.

In addition to Dr. Redfield, we propose inviting Dr. Steve Redd, Kyle McGowan, Dr. Rebecca Martin, Dr. Hamid Jafari, Ted Pestorius and/or Serena Vinter to attend the session. Following the opening comments, Drs. Redfield and others would individually rotate to assigned tables and move around each of the tables for ~10 minutes per table.

The conversations at the table would happen extemporaneously, and questions would not be submitted and prepared in advance; this option allows for more free-flowing and opportunistic discussion.

We will arrange for note takers to summarize any key issues or follow up items.

Source Invitation: Yes on 4/25/19.

Excellent.

We have him down for 5-6pm GCC B1

Please let me know who you would like us to work with for this meeting.

It will be similar to last year unless he wants any modifications.

The country leadership team really enjoyed having face time with him. And will be excited that this is moving forward, thanks.

Best, Pam

Hi Pam. We'll have to discuss this with him first since he's not scheduled to be in ATL on June 4th. He's actually on leave the 3rd, in DC with events on the 4th, and not scheduled to return to ATL until afternoon on the 5th. We'll circle back with you next week and let you know for certain, but before we do, is there any flexibility on the date? The eve of the 5th would work if that's possible. Please let me know...

To: Scales, Scott L. (CDC/OD/OCS) <ixj3@cdc.gov>

Subject: FW: Request: Country Director Listening Session with the CDC Director

Scott, Can you assist in seeing if Dr. Redfield is available for our upcoming planning meeting in June. For now, I will be the POC. The proposal is below.

Title: Country Directors Listening Session with the CDC Director Event time/date: 17:00-18:00 June 4th (Tuesday) at CDC Roybal GCC – B1

Purpose: CGH will be having an internal planning meeting the week of June 3-7. CDC Director, Dr. Robert Redfield, will share his vision for CDC's global health efforts and listen to insights and perspectives from the field across CDC country offices. This is also an opportunity for our field leadership to have valuable face time with the CDC Director.

Dr. Redfield would engage in Q&A with the county directors who are attending the Internal Country Planning meeting in June in Atlanta. Currently, about 42 country directors have

registered. Following the listening session, a high-level, thematic summary will be shared with Dr. Redfield and participants.

The format will be similar to last year's "CDC Director's roundtable with Country Leadership".

- There would be approximately 6 tables with ~7 staff per table. Dr. Redfield would begin
 the session by opening (~10 minutes) with his observations about our global health
 work, reflections from his first 365 days in office, and update the country teams on his
 overarching vision for the Agency.
- In addition to Dr. Redfield, we propose inviting Dr. Steve Redd, Kyle McGowan, Dr. Rebecca Martin, Dr. Hamid Jafari, Ted Pestorius and/or Serena Vinter to attend the session. Following the opening comments, Drs. Redfield and others would individually rotate to assigned tables and move around each of the tables for ~10 minutes per table.
- The conversations at the table would happen extemporaneously, and questions would not be submitted and prepared in advance; this option allows for more free-flowing and opportunistic discussion.
- We will arrange for note takers to summarize any key issues or follow up items.

Thank you in advance, Pam

(CDC/DDPHSIS/CGH/OD) < zurl@cdc.gov>

Subject: Request: Country Director Listening Session with the CDC Director

Kyle,

Thanks for meeting with me earlier regarding planning for our upcoming meeting in early June. Susan McClure will be following up with you on the proposed panel on June 3rd "Engagement with Policy Makers." In the meantime, we wanted to see if Dr. Redfield would be interested in participating in a Country Director Listening Session during our internal planning meeting. Most of the Country Directors

will be in town and know that they would appreciate some time with him. I believed that Dr. Redfield appreciated the round robin last year at the Hyatt and know that our field leadership did.

Information below:

Title: Country Directors Listening Session with the CDC Director Event time/date: 17:00-18:00 June 4th (Tuesday) at CDC Roybal GCC – B1

Subject: CSIS Luncheon

Attachments: RE_ CSIS public and private sessions on the new US domestic HIV plan .msg

1. Contacts:

Logistics Specialist: Mark Byers

Special Assistant/Staffer Accompanying: TBD

Event Contact: Aishwarya Raje, ARaje@csis.org

2. Event Information:

Event Overview: CSIS is launching this month a podcast series dedicated to the lead-up to AIDS2020. They would like to also record a short 20 min. podcast with both the Director and Dr. Fauci while they are on the premises.

Steve Morrison currently co-chairs a small, confidential advisory group, 'American Friends of AIDS2020, that is assisting the leadership of AIDS2020. The co-chairs for both San Francisco and Oakland, the third co-chair, Anton Pozniak, and the director and his team at IAS in Geneva would very much welcome the chance to engage both the Director and Dr. Fauci in such a setting.

Established in Washington, DC, over 50 years ago, CSIS is a bipartisan, nonprofit policy research organization dedicated to providing strategic insights and policy solutions to help decision makers chart a course toward a better world.

Audience: 200 – 300 in-person for the public session and an unknown number online (usually over 100). It will be webcast live, and media will be encouraged. The video will be posted afterwards on the CSIS website.

Source Invitation: Yes at the 4/1 DL Meeting. Dr. Fauci is able and willing to do the 6/4 event. Michael Williams (NCHHSTP) recommends if schedule allows.

3. Dr. Redfield's Speech Information or Talking Points (TPs):

Dr. Redfield's Remarks/Presentation/TPs: TBD

Proposed Role, Topic, & Length of Presentation: Present remarks at a public session on the administration's new plan for eliminating HIV in the US by 2030, followed by an invitation only luncheon or dinner. The private session would be off-the-record and involve 35-40 participants. CSIS will put a special emphasis on enlisting the leadership of national HIV/AIDS groups, the leadership for the AIDS2020 conference, and staff from key Hill offices.

Subject: CSIS public and private sessions on the new US domestic HIV plan

Dear Dr. Fauci and Dr. Redfield:

I wish to invite you both to come together to CSIS in June to present at a public session on the administration's new plan for eliminating HIV in the United States by 2030, followed by a by-invitation luncheon or dinner.

We have identified two dates in June for which we are now holding space.

Tuesday, June 4th: a morning public session 10-11:30 am, followed by a luncheon, 12:00pm-1:30pm.

Monday, June 10th (afternoon public session 3:00-4:30 pm or 3:30-5:00 pm, followed by an early dinner, 5:30pm-7:00pm.

The public session would attract an audience of 200-300 in-person and an unknown number online (usually over 100). It would be webcast live, and media would be encouraged. The video would be posted afterwards on the CSIS website.

The private session would be off-the-record and involve 35-40 participants. We would put a special emphasis on enlisting the leadership of national HIV/AIDS groups, the leadership for the AIDS2020 conference, and staff from key Hill offices. In putting that invitation list together, we would consult closely with you both and your staff. (FYI: I currently co-chair a small, confidential advisory group, 'American Friends of AIDS2020, that is assisting the leadership of AIDS2020: the co-chairs for both San Francisco and Oakland, the third co-chair, Anton Pozniak, and the director and his team at IAS in Geneva. I know they would very much welcome the chance to engage with you both in such a setting.)

If the luncheon/dinner option does not work, but one of the dates works for both of you for the public session does work, we could move ahead with just the public session.

If neither date works but you are keen to find an alternative date that would work for you both, we would be happy to take up that option.

This month, we are launching a podcast series dedicated to the lead-up to AIDS2020. It would be terrific if we could also record a short 20 minute podcast with you both while you are on the premises.

Happy to discuss any details.

All the best Steve

Logistics Specialist: Mark Byers

Special Assistant/Staffer Accompanying: Heather Dennehy

Event Contact: Aishwarya Raje, ARaje@csis.org

2. Event Information:

Event Overview: CSIS is launching this month a podcast series dedicated to the lead-up to AIDS2020. They would like to also record a short 20 min. podcast with both the Director and Dr. Fauci while they are on the premises.

Steve Morrison currently co-chairs a small, confidential advisory group, 'American Friends of AIDS2020, that is assisting the leadership of AIDS2020. The co-chairs for both San Francisco and Oakland, the third co-chair, Anton Pozniak, and the director and his team at IAS in Geneva would very much welcome the chance to engage both the Director and Dr. Fauci in such a setting.

Established in Washington, DC, over 50 years ago, CSIS is a bipartisan, nonprofit policy research organization dedicated to providing strategic insights and policy solutions to help decision makers chart a course toward a better world.

Audience: 200 – 300 in-person for the public session and an unknown number online (usually over 100). It will be webcast live, and media will be encouraged. The video will be posted afterwards on the CSIS website.

Source Invitation: Yes at the 4/1 DL Meeting. Dr. Fauci is able and willing to do the 6/4 event. Michael Williams (NCHHSTP) recommends if schedule allows.

3. Dr. Redfield's Speech Information or Talking Points (TPs):

Dr. Redfield's Remarks/Presentation/TPs: The current plan is for Steve Morrison to give brief introductory remarks, followed by individual remarks from Dr. Redfield and Dr. Fauci (approximately 15-20 minutes each), followed by a moderated armchair discussion between the three, concluding with an audience Q&A.

Proposed Role, Topic, & Length of Presentation: Present remarks at a public session on the administration's new plan for eliminating HIV in the US by 2030, followed by an invitation only luncheon or dinner. The private session would be off-the-record and involve 35-40 participants. CSIS will put a special emphasis on enlisting the leadership of national HIV/AIDS groups, the leadership for the AIDS2020 conference, and staff from key Hill offices.

Dear Kyle,

Thank you again for taking the time to meet with us on Monday. It was a pleasure to get to know you and learn more about the CDC's priorities and goals. As we said in the meeting, we hope you and others at the CDC will view Children's as a partner and utilize us as a resource when seeking data or stakeholder input. We are well positioned to assist CDC on HIV or vaccine-related issues, or any other priorities which may arise. Please do stay in touch on how we can be helpful.

As we mentioned in the meeting, we have been engaged in some advocacy related to sickle cell disease and we would be very interested in connecting with ADM Giroir, if you are able to provide an introduction and or share with us his staff contacts.

We would also be thrilled to host you and Director Redfield for a discussion and tour of one of our facilities, so please let us know who best to contact to schedule something in the coming months.

We look forward to continuing to work with you and the CDC. My contact information is below. Please don't hesitate to let us know if we can be of assistance in any way.

Invitation

Hi Jeremy,

I am just writing to follow-up on my message below.

Please let me know if I can help clarify anything.

As I mentioned, I am based in Nairobi right now, but I am happy to call you if that is easier. Nairobi is 7 hours ahead and Doug is based on the US West Coast, so 3 hours behind, but once of us can reach out if calling is easier.

Many thanks,

Mona

On Wed, Mar 6, 2019 at 8:04 PM Mona Bormet < mona.bormet@ccih.org > wrote:

Hello Jeremy,

Thank you for your reply.

I apologize if my email below was not clear.

If Friday, June 7th is the only available date, is 4pm possible or is 6pm the only time Dr. Redfield is available?

Many thanks, Mona

On Wed, Mar 6, 2019 at 6:35 PM McCallister, Jeremy (CDC/OD/OCS) < isn8@cdc.gov> wrote:

The issue with all of this is that we were given the option of Friday and had to take it. The CDC Director's schedule is very demanding and we go with the options we're presented with. I will have to go back and see if this is still possible, and there is always the possibility that he could get called away on another priority so you may want to have a solid plan B if he can't attend.

Conference Invitation

Dear Mr. McCallister,

Nice to e-meet you. Doug is currently at Heathrow on his way back to the US.

I'll be your POC re: logistics. If speaking via phone is easier, please let me know. I am now based in Nairobi, Kenya so anytime before 1pm ET is best for me.

It looks like the date was written as the 7th instead of the 6th, which is our preference for Dr. Redfield to speak in our Opening Plenary at 6pm.

If Friday, June 7th is your preferred date, the time available is at 4pm. I know you mention 6pm, but that would be following our annual business meeting and we'd rather have him speak at 4pm following another session to ensure the most people are still in the building. However, if 6pm is the only time available, we can try to rework the conference schedule to make that work.

Please let me know your thoughts about what is best for Dr. Redfield's schedule.

Thanks you,

Mona

Jeremy thanks for the clarification. OK we will certainly adjust and make Friday 7th work, though in offering 7th and 8th, there are other plenary times that we'd have aimed for. There is no current plenary spot at 6pm that day. We can make things work at other times. I'll also consult the team to see if it's possible to create a new Plenary spot on Friday 6pm. I certainly appreciate the complexities of his schedule. Let's see what works. Thanks, - Doug

Doug,

The letter that went out from Sandra was a formality, but since it was offered to go on the 7th in the original request, we took it since that's what works best for Dr.

Redfield. We would like to stick with that if possible. Until one of our team members reaches out I can be the point of contact for you, but the Director's schedule is very limited and we have a lot of events closer in that we're having to work on right now, so it will take some time for someone to get to you on this. I hope this answers your question and will look to hear from you later. Thanks and have a good day.

Good morning Sandra -

Apologies that you'll probably see 3 emails waiting for you, and one was typed in haste as I was boarding a late night flight in Cameroon. What I wanted to follow up is the date in your message – we were hoping to have Dr. Redfield at 6pm on Thursday June 6, for our opening plenary. If that does not work with his schedule, we can adjust to an alternate time Friday or Saturday. I understand the advance team will follow up with me directly but I wanted to make sure that was clear.

Dear Director Redfield,

On behalf of the United States Senate's Committee on Rules and Administration and the United States House of Representatives' Committee on House Administration, we are pleased to invite you to speak at the 2019 Congressional Summer Intern Lecture Series.

Each year, Congress invites prominent leaders in their respective fields to speak to its current class of summer interns. Lectures range from policy discussions on current issues to insights gained from the speaker's personal experience. We would be honored to have you among the group of distinguished guests participating in the Congressional Summer Intern Lecture Series this year.

We are currently planning this summer's lecture series, which will run from June 3, 2019, to August 2, 2019. Each lecture lasts approximately one hour and is considered off-the-record. To schedule a date and time to participate in the lecture series or for more information, please contact Elizabeth Brennan at the Senate Committee on Rules and Administration by phone (202) 228-2468 or email: Elizabeth Brennan@rules.senate.gov.

Thank you for considering this invitation.

Attachments: ILS Speaker Prep Sheet.docx

2pm is great! We will put Dr. Redfield in the Kennedy Caucus Room of the Russell Senate Office Building (SR-325) for July 11th from 2 to 3pm. I have attached the speaker prep sheet, please fill it out and return it to me when you get a chance.

Best, Elizabeth

Hi Jeremy,

I am so excited to hear that!

There are plenty of dates open currently for the Summer as scheduling only began recently. Do you prefer a June, July, or August date?

Thanks, Elizabeth Sent from my iPhone

On Apr 18, 2019, at 1:52 PM, McCallister, Jeremy (CDC/OD/OCS) <isn8@cdc.gov> wrote:

Ms. Brennan,

I am the scheduling team lead for Dr. Redfield at the CDC and he's accepted the invitation from Senators Blunt and Klobuchar and Representatives Lofgren and Davis, to speak at the Congressional Summer Intern Lecture Series sometime this summer between 6/3 and 8/2. Are there any days in particular that you had in mind or is it completely wide open? Please let me know when you can and we look forward to getting the Director up to DC to present at this series. A formal letter of acceptance is coming from our Executive Secretariat to the leaders mentioned earlier and I can forward that to you as well, if you'd like. Thanks for your time and I look forward to hearing from you soon.

Jeremy

and tier credit.

Additional Tax, Fees & Service Charges:

OCCUPANCY TAX: 14.950%

CANCELLATION POLICY:

TO AVOID 1 NIGHT FEE CANCEL 48HRS PRIOR TO CHECKIN TIME

Effective January 1, 2018, reservations confirmed or changed by World of Hyatt Explorist or Globalist members can be cancelled up to 24 hours before the hotel check-in time when the hotel's cancellation period stated above is not more than 48 hours. This 24-hour cancellation period benefit is not valid for stays at Hyatt Residence Club or Miraval resorts. It also does not apply: (i) to prepaid or non-refundable rates; (ii) when the cancellation period stated above is more than 48 hours; or (iii) for reservations booked at corporate negotiated or group contract rates. This benefit is based on a member's tier status at the time of cancellation. The hotel check-in time is stated above, and the cancellation windows are based on the hotel's local time.

Changes to the dates of stay, number of guests per room or number of rooms confirmed will be subject to current pricing which may be different than previously confirmed rates. Taxes and fees are subject to change based on dates of stay and local jurisdiction.

At Hyatt, the welfare and safety of our guests and colleagues is a top priority. It is Hyatt's practice to enter any occupied guest room at a minimum of once within a 24- hour period, even if a guest has requested privacy. Appropriate efforts are made to provide advance

notice to the registered guest before entering an occupied guest room.

Earning World of Hyatt points and tier credit is subject to World of Hyatt complete Terms and Conditions.

Breakfast at Hyatt Place

Mornings are for members

Breakfast at participating Hyatt Place hotels is free for members when booking an eligible rate. Terms apply.

All,

A room has been secured for 5/13 at Mandarin Oriental located at 1330 Maryland Ave, SW. Please let me know if he needs early or late check-in. Also how long will he be in DC and what is the trip purpose so I can proceed with travel orders?

Thanks,

Jenn

Good morning Teresa,

Very limited availability around DC area. I will let the team know what I find...so far it's looking like The Willard Intercontinental at \$464 located at 1401 Penn Ave.

Jenn

Subject: Depart CDC (Heather Dennehy driving) Westin Buckhead Hotel - Ballroom 4

When Dr. Redfield arrives, we will meet him in the lobby area on the first floor and escort him to the ballroom. If possible, we would like to have his presentation early so our IT staff can get it loaded on the computer and ready to go for his presentation. Our IT staff advised his presentation should be in 16:9 format. The hotel will Valet his car at our expense so the driver just needs to tell the car attendant to bill Georgia Public Health Association. Can you also send me a bio of Dr. Redfield as our State Commissioner of Public Health, Dr. Kathleen E. Toomey will be introducing him to the group. – POC: Dr. Chris Rustin Valet park and let the hotel know to bill the parking to GPHA.

Subject: Ebola Touch Base Call: May 14, 2019 @ 9-9:30 a.m.

Good morning,

Would it be possible for Dr. Redfield to join your 7:30 a.m. Ebola Touch base call on May 14th?

If so, could we use this time to update the Director and include him on the invite or provide the call-in number?

Dr. Redfield will not have time to schedule an internal CDC Ebola update before the Secretary's briefing scheduled at 2-2:15 p.m. on May 14th.

Thank you for your consideration.

Best.

Teresa

Scott,

We have Dr. Redfield scheduled to attend at 0800 on March 15th. One thing I need to clarify is his recusal from talking about his University of Maryland work until after March 27.

If you would like him to speak on CDC priorities, our communications team is telling me that everything is fine. He just has a two year recusal period from speaking on his work at UMD and that ends after the Seminar date.

Thanks, Brad

Sorry, my mistake, it is 8-9 a.m., arrive around 7:55 (it's a 10 minute walk from his office, maybe 15) – or he can park in our lot and I can get him a pass. We are across Houston mill road from CDC.

Scott,

We have Dr. Redfield scheduled to attend at 0800 on March 15th. One thing I need to clarify is his recusal from talking about his University of Maryland work until after March 27

If you would like him to speak on CDC priorities, our communications team is telling me that everything is fine. He just has a two year recusal period from speaking on his work at UMD and that ends after the Seminar date.

Thanks, Brad

Subject: Epidemic Intelligence Service (EIS) Conference [8:00-10:00 a.m.]

Attachments: RE_ 2019 EIS Conference.msg, eis-agenda-at-a-glance-2019-508.pdf, 68th

Annual EIS Conference - Dr. Redfield's Schedule (2).docx

1. Contacts:

Logistics Specialist: Mark Byers

Special Assistant/Staffer Accompanying: Heather Dennehy

Event Contact: Twanda Broughton, CGMP, Epidemiology Workforce Branch, Division of Scientific Education and Professional Development, CSELS, 404-498-0026, vqt6@cdc.gov

2. <u>Event Information</u>: The Director is also asked to meet with the Science Olympiad winners immediately after the Opening Session.

Event Overview: The annual EIS conference is the nation's premier epidemiology conference where EIS officers share their work in leading-edge investigations, scientific findings, and forward-thinking strategies to inform improvements in public health—all while gaining valuable presentation experience. EIS officers engage in professional networking sessions, recognition ceremonies and various learning opportunities.

Free and open to the public, this conference draws diverse attention each year from various public health sectors around the world—from epidemiology and laboratory science sleuths and public health organizations to EIS alumni, news media, and prospective applicants.

Science Olympiad Disease Detectives Event: 1 of 23 events that are part of the Science Olympiad* competition for middle and high school students. Disease Detectives was developed and has been cosponsored by CDC since 1999 as part of its workforce development activities. The event itself is a cross between a case study and an exam with competitors using analytic and critical thinking skills to address actual or hypothetical public health problems. Approximately 15000 middle and high school students participate in Disease Detectives competitions at the regional, state or national levels each year. The first place winners of the national high school Disease Detectives event and their coaches have been invited to CDC since 2000.

Audience: 1200 public health professionals.

From 8:45 - 10:30 am is the Opening Session. Dr. Redfield is invited to ask the first question during this session. I have included the speaker below as well as attached their abstracts.

| First Name | Last Name | Abstract | |
|-----------------|-----------------|---|--|
| Robert | McDonal d | Imported Measles Outbreak in an Undervaccinated Community Rockland County, New York, 2018 | |
| Amy | Heinzerli ng | Risk Factors for Heat-Related Illness Among Workers California, 2000-2017 | |
| Maya | Ramasw amy | Hepatitis A Vaccine Immunogenicity 25 Years After Vaccination in Alaska | |
| Osatohamw en | Idubor | Invasive Group A Streptococcus Infections Among Residents of Multiple Nursing Homes—Denver, Colorado, 2017–2018 | |
| Elizabeth | Swedo | Adverse childhood experiences and opioid misuse among adolescents: strong associations and high attributable fraction—Stark County, Ohio, 2018. | |

Source Invitation: Yes on the 3/22 DL. Dr. Schuchat recommends.

3. Dr. Redfield's Speech Information or Talking Points (TPs):

Dr. Redfield's Remarks/Presentation/TPs: TBD

Proposed Role, Topic, & Length of Presentation: Present opening remarks (5 min.) at the 68th annual conference during the morning opening session. CSELS can assist with talking points and would be pleased to have the Director stay, and to attend the Langmuir sessions.

4. Supporting/Logistics Materials:

Hi Jeremy,

I apologize for the delay.

I am following up on Pattie's email below. The EIS Program would like to invite Dr. Redfield to provide a brief welcome (5 minutes) during the Opening Session in the Grand Ballroom of the Sheraton Atlanta Hotel (165 Courtland St NE, Atlanta, GA 30303). There will be approximately 1200 people in attendance for the Opening Session.

Science Olympiad would also like to ask to Dr. Redfield to meet with the Science Olympiad winners immediately after Opening Session. I have attached information on Science Olympiad.

Please advise if you need any additional information.

68TH ANNUAL EIS CONFERENCE SCHEDULE

DR. ROBERT REDFIELD

Sheraton Atlanta Hotel 165 Courtland St NE Atlanta, GA 30303

Point of contacts during conference: Pattie Simone – 404-519-2571 Twanda Broughton – 404-626-1155

CDC Leadership Administrative Room: Savannah 3

| Monday, April 29, 2019 | | | | |
|------------------------|---|------------------------------|--|--|
| TIME | IVER) | EHIATION | | |
| 8:15 - 8:45 am | 8:00 am Tina Tan, Maria Thacker, Dr. Redfield and Eric will meet at the podium in the Grand Ballroom. 8:15 am – 8:45 am • Eric Pevzner calls the conference to order and makes a few remarks • Eric Pevzner introduces Dr. Redfield. • Dr. Redfield makes remarks • Eric Pevzner thanks Dr. Redfield and introduces Maria Thacker and Tina Tan. (Dr. Redfield steps off of stage and sits in reserved seat) | Grand Ballroom | | |
| 8:45 - 10:30 am | Stephen B. Thacker Opening Session | Grand Ballroom | | |
| 10:30 am | Science Olympiad* Meet and greet with Dr. Redfield | Outside of Grand Ballroom | | |

^{*}Science Olympiad is a nationally recognized nonprofit organization dedicated to enhancing the quality of K-12 science education and fostering student interest in science, technology, engineering and mathematics (STEM) disciplines. Competitions are school-based extracurricular events involving teams of up to 15 students. These are divided into event teams. A Disease Detectives event team includes only two students.

Disease Detective Team:

Sophia Wong, Mira Loma High School (Sacramento, CA) Evelyn Zhang, Mira Loma High School (Sacramento, CA)

| Tuesday, April 30, 2019 | | | |
|-------------------------|--|------------------------|--|
| TIME | Market 1 | LOCKHOK | |
| 1:25-2:25 pm | Meet and Greet with EISOs and Deputy Surgeon General, RADM Erica Schwartz | Capitol Ballroom South | |

Other potential activities for Dr. Redfield

- Tuesday
 - o Lunch with a small group and Deputy Surgeon General
- Wednesday
 - o Langmuir lecture 1:20-2:50
 - o International Night 6:30-9:00 pm (POC CGH)

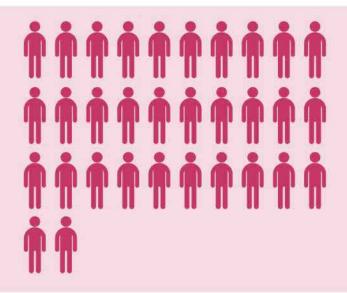

MEET THE EIS CLASS OF 2019

The 66 EIS officers in the class of 2019 were selected from 386 eligible applicants.

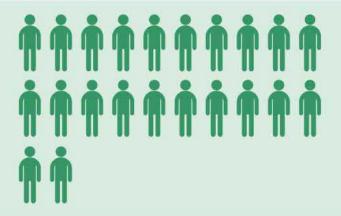

32 Nonclinical Doctoral Scientists

19 with MPH 1 with MPH and other masters 6 with other masters

PhD Disciplines

- Biological Sciences
- Environmental Sciences
- Epidemiology
- Geography
- International Health
- Molecular Microbiology
- Public Health

22 Physicians

10 with MPH 5 with other masters 1 with MPH and PhD

Physician Specialties

- Emergency Medicine
- Infectious Disease
- Internal Medicine
- Surgery
- Pediatrics
- Preventative Medicine
- Pathology

7 Veterinarians

4 with MPH 3 with PhD

5 Nurses

2 with MPH and PhD 1 with other masters and PhD 2 with MPH

Meet the LLS Class of 2019

- The 8 LLS fellows in the Class of 2019 have at least 2 years of postdoctoral laboratory experience from various backgrounds, including virology, bacteriology, immunology, molecular biology and biomedical sciences.
- Host sites:
 - o CDC (7)
 - NCEZID (4)
 - · Viral Special Pathogens Branch
 - · Poxvirus and Rabies Branch
 - · Infectious Diseases Pathology Branch
 - Laboratory Preparedness and Response Branch
 - NCHHSTP (2)
 - · Clinical Research Branch
 - Sexual Transmitted Diseases Laboratory Branch
 - CSELS/Division of Laboratory Systems (1)
 - Massachusetts State Public Health Laboratory (1)

Hi Teresa,

Please accept this invitation on behalf of Dr. Redfield for our interview on Friday, May 3rd at 4:00 pm.

The purpose of the interview is to develop an understanding of the current and future states of digital communications in CDC and how the HHS Digital Communications Strategy could address CDC's communication needs. The interview will be confidential and take 30 minutes.

Thank you, Victoria Blake

Hi Teresa,

We work out of DC and unfortunately won't be able to travel to Atlanta, so we will turn the interview into a phone call. We are also trying to wrap up interviews by the end of the month.

Does Dr. Redfield have a half hour available between now and Friday, May 3rd for a phone interview?

We understand he is busy so if he has no availability in that time frame, please let me know.

Thank you, Victoria

Subject: HHS Digital Communications Strategy

Dr. Redfield,

As you know (and we discussed in the ASPA waiting area), the Office of the Assistant Secretary for Public Affairs (ASPA) is working to modernize the department's approach to external digital communications. You may have noticed the Secretary mentioned this project in his State of the Department Address on February 22.

To start, we are interviewing stakeholders across HHS to better understand digital communication needs. Thank you for nominating staff from your agency to participate in the interviews.

In addition, we are hoping to include your thoughts and ideas and are requesting 30 minutes of your time for an interview.

The purpose of the interview is to gather your vision for the future of digital communications in your agency and how the HHS Digital Communications Strategy could address your communication needs. The information we gather from the interviews will be used to compile a report of recommendations, which you and your team will be able to review. The report will help guide the development of the HHS Digital Communications Strategy.

If you are interested in participating in the interview study, please let me know and Eagle Hill Consulting will contact you (or designated assistant) to schedule and conduct the interview.

Should you have any questions, please contact Stacey Palosky or me.

As always, thank you for your continued support.

Mark

Hi Ryan. After talking to our comms team this morning, we were wondering if you could add 30-40 more min to the planned visit to allow a bit more time for the tour and for a possible walk-up media availability at the end of the visit? The agenda might look like:

10am arrival 1010-1040 HIV Update 1045-1115 HIV Lab Tour 1120-1135 Media 1135 depart

Thanks for considering!

Scott

Perfect! We'll put together a draft agenda and then share that. Once you've reviewed, perhaps we can have a short call to discuss logistics

Hi Ryan! Kyle, who's getting ready to travel overseas, has asked me to check in with you to see if we can confirm Friday April 5th for the visit to CDC?

Many thanks!

Scott

Hey Ryan, Dr Redfield will be on his way to Africa on the 6th. He will be in DC for a committee hearing on the 13th. We may be able to make the 12th work. Let me check with our scheduling team and I'll follow up.

Kyle -

Spoke with the Governor this afternoon and wanted to see if these dates/times could work for you guys. We can fudge time on the end to extend our stay -

Wednesday, March 6th - 2:00-3:00pmTuesday, March 12th - 8:30-9:30amWednesday, March 13th - 8:30-9:30am

HIV PREVENTION

GEORGIA

% Unaware of HIV infection

Annual HIV Diagnoses

People with HIV

16%

2,595 new cases

58,700

HIV+

2nd Highest

84% of Georgians with HIV are aware of their status, which means approximately 9,600 people in Georgia aren't getting

the care they need. The national goal

for the percentage of people with HIV

who know their status is 90%.

Georgia had the nation's 2nd highest rate of new HIV diagnoses in 2017 When a person with HIV takes their medicine regularly they become virally suppressed and have effectively no risk of transmitting HIV. **57% of Georgians** with HIV **are virally suppressed;** the national goal is 80%.

Georgians with HIV will face an average **lifetime** cost of **\$478,000** to treat their infection (2017 dollars)

Pre-exposure prophylaxis (PrEP) is a pill for those at high risk for HIV.

35,700

Georgians at high risk for HIV could potentially benefit from PrEP

Taken daily, it can **block HIV.**

---- **2,656** Georgians

were prescribed PrEP in 2017

*AIDSVu (www.aidsvu.org). Emory University, Rollins School of Public Health. †2015 data.

National Center for HIV/AIDS, Viral Hepatitis, STD, and TB Prevention

Division of HIV/AIDS Prevention

CDC awarded \$25.5M⁺⁺⁺ to Georgia health departments and community-based organizations for HIV prevention activities, including:

HIV Testing

HIV Diagnosis

Linkage to Care

114,824 HIV tests were provided in Georgia

CDC-funded HIV testing ensures people at risk know their HIV status. Awareness of HIV status allows people who are HIV negative to choose prevention activities to avoid infection.

834 Georgians[™] were of those newly diagnosed with HIV through CDC-funded HIV testing

CDC-funded HIV testing makes people with HIV aware of their infection so they can take medicine to stay healthy and prevent transmission.

622 Georgians" were **linked to medical care** within 90 days of HIV diagnosis

CDC-funded programs link people to medical care immediately after HIV diagnosis so they can stay healthy and not transmit HIV to others.

Due to end of year data submission dates, those who were diagnosed and successfully linked to care during the last two weeks of the year may have been excluded from this calculation.

What Can Be Done?

Major developments in HIV science, prevention, and treatment have produced a **once-in-a-generation opportunity to eliminate new HIV infections** in the United States — *including Georgia*.

To End HIV:

Use the right practices in the right places targeted to the right people

| Diagnose | Treat | Protect | Respond |
|---|---|--|--|
| All people with HIV as early as possible after infection | All people with HIV rapidly so they can take HIV medicine to stay healthy and prevent transmission | People at risk of HIV with proven interventions, including medications that can prevent HIV. | Rapidly to growing HIV networks and effectively respond to outbreaks of new HIV infections |
| | | 50002 | ¥ |

Dedicated people at all levels working together to end HIV
