Dear Mr Crofts,

I understand that you have raised concerns with Mr Fergus Ewing, MSP, regarding access for fox control on the National Forest estate.

I would like to arrange to meet with you to listen to your concerns and seek to resolve the situation as soon as possible. It would be helpful if you could bring a revised risk assessment and method statement to review.

If you could let me know when would be convenient to meet that would be appreciated. Over the next few weeks I am available on:

March – 9th, 14th (1100 to 1300 and after 1400), 22nd.

Best regards

Graeme
