Buongiorno Ing. [redacted]

Ero stato volutamente sintetico perchè ho inteso si dovesse portare in giunta qualche elemento della soluzione con anche riferimento ai pali intelligenti
Per la Videosorveglianza le allego delle slides di maggior dettaglio con le prestazioni innovative della piattaforma
Se ci confermate una data per la demo avremo poi la possibilità di mostrare le funzioni direttamente presso di voi
Attendo un suo riscontro
Grazie 1000 e cordiali saluti

Subject: R: Slide per la giunta

Grazie mille.

Le info riportate nelle slide sono troppo generiche e troppo poche...
Mi ricordo di aver visto una slide oggi che qui non vedo riportata.....che elencava le varie features dei sistemi di videosorveglianza (face detection, head counter, etc.....)

Ricordo che la proposta Huawei deve risultare "innovativa".
Fateci capire bene la reale cosa "nuova" che dovremmo opportunamente valorizzare.
Grazie
