Good afternoon Sir,

I am just checking in with you to let you know that we are still searching for records pertaining to your FOIA request. I apologize for the delay in responding.

The time-frame that you are requesting are for records that we no longer have physically here in Camp Pendleton (if we ever did have them). I have requested that the archive center search based on the criteria you provided.

As soon as they respond, I will notify you.

Please let me know if you have any questions or concerns. Thank you for your patience.
