General Michael,

-

Thank you for taking the time to meet with me and my team at NAAG. We were grateful for the opportunity to discuss the issues that matter so much to all of us – from data and privacy, to perceived bias, to content on our platform. It is incredibly important to Facebook and to the tech industry that we get these issues right.

-

We are committed to working with and supporting your office. As other questions or concerns arise, please don't hesitate to get in touch.

-

My very best,

Sheryl
