Consistent with 6 C.F.R. § 5.5(a) of the Department of Homeland Security (DHS) FOIA regulations, USCIS processes FOIA requests according to their order of receipt. Although USCIS' goal is to respond within 20 business days of receipt of your request, FOIA does permit a 10-day extension of this time period in certain circumstances. Due to the increasing number of FOIA requests received by this office, we may encounter some delay in processing your request. Additionally, due to the scope and nature of your request, USCIS will need to locate, compile, and review responsive records from multiple offices, both at headquarters and in the field. USCIS may also need to consult with another agency or other component of the Department of Homeland Security that have a substantial interest in the responsive information. Due to these unusual circumstances, USCIS will invoke a 10-day extension for your request pursuant to 5 U.S.C. § 552(a)(6)(B). Please contact our office if you would like to limit the scope of your request or to agree on a different timetable for the processing of your request. We will make every effort to comply with your request in a timely manner.
