appropriate funding category for your project:*

Please describe how your project will benefit more than two operational areas (counties)?

This project will install a 2 camera ALPR system on a preexisting CalTrans traffic operations pole located along the southern edge of US Hwy 37. This route connects US Hwy 101 to US Hwy 80 and serves as the primary route of travel into and between Marin, Sonoma and Solano counties. This location, according to recent CalTrans vehicle census information, has the potential of capturing and identifying no less than 12.7 million license plates a year.

This field is limited to 500 characters.

Project Description

Select a Goal/Investment Justification:*

Goal 8: Strengthen Information Sharing and Collaboration

Select a Core Capability:*

Intelligence and Information Sharing

Select a Capability Target*

Review ability to effectively execute intelligence cycle: identify/analyze local context of the threat/facilitate the sharing of threat information with priority intelligence stakeholder agencies/entities.

If your project does not match an available capability target select: other/none

Select a nexus to terrorism: This project will enhance regional capacity to:*

Respond to Terrorist Attacks

Select all that apply

Describe the nexus to terrorism in detail:*

License plates captured and identified by ALPR can alert authorities to wanted vehicles associated with suspected terrorists and also provide an essential investigative resource to jurisdictions investigating terrorist activity.

This field is limited to 300 characters.

Project Summary- Provide a brief description of your project:*

This project will install a 2 camera ALPR system on a preexisting CalTrans traffic operations pole located along the southern edge of US Hwy 37. This route connects US Hwy 101 to US Hwy 80 and serves as the primary route of travel into and between Marin, Sonoma and Solano counties. In addition to terrorism prevention and investigation, the ALPR can be used to identify license plates of wanted felons, missing persons, BOLO vehicles, registered sex offenders vehicles, Amber, Silver, or Blue Alert vehicles, vehicles suspected of involvement in local or regional crime and vehicles associated with narcotics trafficking.

This field is limited to 750 characters.
