

# Preventing the Spread of COVID-19 in Congregate Housing Living Settings 2020-04-06

4T 440 Turk (HOM)

## **Preventing the Spread of COVID-19 in Congregate Housing Living Settings**

Thank you for joining the San Francisco Department of Public Health, the Department of Homelessness and Supportive Housing, and the Emergency Operations Center on the April 6, 2020 webinar: *Preventing the Spread of COVID-19 in Congregate Housing Living Settings*.

A PDF of the questions asked during the webinar and their answers is available [here](#). Also [a recording of the webinar](#) is now available. As a reminder, the slides for the webinar and resources discussed can be found [here](#).

Please see below the links for resources provided during the webinar:

### **General Guidance**

[General COVID-19 Guidance and FAQ](#)

### **Cleaning Standards**

[DPH Environmental Cleaning Standards for Businesses and SRO Settings](#)

### **Cleaning Supplies for Congregate Housing Settings**

[Cleaning Supply Intake Form](#)

### **Isolation Rooms**

Social service and health care providers may seek consultation and/or request a room to isolate tenants by emailing [covid19ISOrequest@sfdph.org](mailto:covid19ISOrequest@sfdph.org).

**Please note: Clients cannot request an isolation room for themselves.**

If the person does not have a health care provider and you need to seek consultation, please refer to the following options below:

- Call 415-713-1963, Tom Waddell Urgent Care, 50 Ivy Street
- ZSFGH Urgent Care (628) 206-8000
- COVID-19 Clinical Consult Line: (415) 554-2830

**COVID-19 and Affordable Housing Weekly Update on Fridays:**

To subscribe, please e-mail [affordablehousingEOC@sfgov.org](mailto:affordablehousingEOC@sfgov.org).

Thank you for all you do!
