Hi Victoria,

Thank you for the call to discuss FOIA request HQ-2019-01247-F. As we discussed, this is an amendment to your request in which you agreed to waive subscription newsletters, publicly available documents, and attachments to emails.

More importantly, this **does not** mean you waive your rights to the attachments in this request. Once you have time to look at the responsive documents from this request, you can make a new FOIA request asking for the attachments you may be interested in at that point. This will expedite our response to your request, and I will keep you updated to its status.

Once again, I appreciate your time to speak to me on the call.

Thank you,

Bhavesh Patel, Esq.
