Ms. Moore,

Good afternoon.

First of all I will like to apologize for the late response to your FOIA Requests. At this time our agency is experiencing problems with our Microsoft Outlook FOIA In-box. Just today I started to work all emails received on March 2, 2020. We received seven FOIA requests; I am the FOIA Program Manager that will work all these requests.

The process of these requests will take longer than usual due to not only having connectivity issues, but also, our agency is experiencing a large amount of requests received. This has caused a back-log in the process.

At this time I cannot give you estimated time to complete the process but I will work each of these requests as soon as possible.

Sincerely,

Raul A. Roman Beltran
