Enjoyed the meeting. I spoke with some of the team and received positive feedback. Can we schedule a Follow-Up presentation with a bigger group. We will circle back with some options but wanted to get the ball rolling so you all can begin to get prepared.

Hi Matt,

I hope you are doing well and enjoying your time at USDOT and FRA. I absolutely loved working there – and I still stay in touch with a lot of

folks at the Department – so let me know if I can ever be helpful.

I wanted to share some information regarding a software technology called Decision Lens (DL) that I think would be beneficial for someone at your high level to see. This technology helps Agencies with Strategic Prioritization and Resource Allocation. I understand DL currently under contract at FRA and will support R&D project prioritization. They are also under contract at FAA supporting the below use cases, as well as working at the State DOT level to support capital planning. Here is a snapshot of the work Decision Lens is currently doing with the FAA:

- * Aviation Flight Standards (AFS) IT Prioritization - Decision Lens helps prioritize and allocate limited funding to non-mandatory IT requirements, such as enhancements, major rewrites, and new projects.

- * EnRoute Facilities Prioritization - In its fourth year with Decision Lens, the model focuses on prioritizing construction/remodel/redo facilities projects for the upcoming fiscal year.

- * AFS National Field Office Candidate Selection - Decision Lens helps structure a candidate selection framework for various roles, and the technology is used for many candidate selections

Decision Lens would very much like to have the opportunity to meet with you and share how it may apply at your level and gain your perspective. Would you be amenable to a 45min Exec overview? In the meantime, I have attached a one-pager for your review. Please let me know if you are available on the following dates and times:

- * Friday, June 8, 2018: 11:30 am – 1:00 pm;
- * Wednesday, June 13, 2018: 10:00 am – 2:00 pm;
- * Wednesday, June 20, 2018; 10:00 am – 3:00 pm;
- * Thursday, June 21, 2018; 10:00 am – 1:00 pm;
- * Friday, June 22, 2018; 12:00 pm – 2:00 pm

My Associate, Angela Acampora (included on this e-mail), is happy to coordinate with you or your assistant to find a time that works best on your schedule.

Thank you!

-Martin

 Cancelling the old recurring meeting notice for the Grade Crossing Task Force and will send out an updated meeting invite for the Grade Crossing and Trespassing Working Group (GXTWG).

This changes the recurring GXTF to Tuesday, since as we discussed the Monday recurring meeting is often delayed, cancelled, or moved due to all the Monday holidays.

Hopefully this will result in less switching around due to holidays.

The date is the second Tuesday of the pay period.

The time is 9am – 10am

The location will be: W36-102

The phone conference line for it is:

Cancelling the old recurring meeting notice for the Grade Crossing Task Force and will send out an updated meeting invite for the Grade Crossing and Trespassing Working Group (GXTWG).

This changes the recurring GXTF to Tuesday, since as we discussed the Monday recurring meeting is often delayed, cancelled, or moved due to all the Monday holidays.

Hopefully this will result in less switching around due to holidays.

The date is the second Tuesday of the pay period.

The time is 9am – 10am

The location will be: W36-102

The phone conference line for it is:

RPD StratComm would like to reinstate its weekly touch base with FRA's offices of Government and Public Affairs to facilitate interoffice communication and collaboration.

These weekly touch base meetings are an opportunity to share information regarding upcoming milestones, current and potential challenges, leadership's priorities and needs, etc.

All folks on the invite are welcome, but feel free to send just one representative for your office.

Thanks,

Mary-Ellen

Cancelling the old recurring meeting notice for the Grade Crossing Task Force and will send out an updated meeting invite for the Grade Crossing and Trespassing Working Group (GXTWG).

This changes the recurring GXTF to Tuesday, since as we discussed the Monday recurring meeting is often delayed, cancelled, or moved due to all the Monday holidays.

Hopefully this will result in less switching around due to holidays.

The date is the second Tuesday of the pay period.

The time is 9am – 10am

The location will be: W36-102

Based on the feedback from Friday's lunch, I am setting up a routine, informal lunch for all DOT non-careers every Friday at noon in the EDR.

For now, we will test this out for the next three weeks to see what we think (and while the 40% discount lasts).

See you Friday,

Subject Friday Lunch at EDR
Location EDR
Recurrence Occurs every Friday effective 8/17/2018 until 8/31/2018 from 12:00 PM to 1:00 PM
Reminder 15 minutes
Based on the feedback from Friday's lunch, I am setting up a routine, informal lunch for all DOT non-careers every Friday at noon in the EDR.

For now, we will test this out for the next three weeks to see what we think (and while the 40% discount lasts).

See you Friday,

Finch

Cancelling the old recurring meeting notice for the Grade Crossing Task Force and will send out an updated meeting invite for the Grade Crossing and Trespassing Working Group (GXTWG).

This changes the recurring GXTF to Tuesday, since as we discussed the Monday recurring meeting is often delayed, cancelled, or moved due to all the Monday holidays.

Hopefully this will result in less switching around due to holidays.

The date is the second Tuesday of the pay period.

The time is 9am – 10am

The location will be: W36-102

Based on the feedback from Friday's lunch, I am setting up a routine, informal lunch for all DOT non-careers every Friday at noon in the EDR.

For now, we will test this out for the next three weeks to see what we think (and while the 40% discount lasts).

See you Friday,

Cancelling the old recurring meeting notice for the Grade Crossing Task Force and will send out an updated meeting invite for the Grade Crossing and Trespassing Working Group (GXTWG).

This changes the recurring GXTF to Tuesday, since as we discussed the Monday recurring meeting is often delayed, cancelled, or moved due to all the Monday holidays.

Hopefully this will result in less switching around due to holidays.

The date is the second Tuesday of the pay period.

The time is 9am – 10am

The location will be: W36-102

Subject speaker event: Bob McNally, CEO of Rapidan
Location Lincoln Room, 9th floor - West building
Reminder 15 minutes

All, I am pleased to invite the non-career DOT team to a speaker event that we will host at 2pm on Wednesday, September 12, in the Lincoln Room.

Bob McNally is a consultant with a focus on global energy markets, foreign policy, finance, and the economy. His quarter-century-plus of experience studying these issues at a high level, from Wall Street to the White House, should lead to a fascinating discussion at a fascinating time.

This will be an off-the-record discussion and Q&A, and I very much hope you will be able to attend.

Bob's bio is below:

Cancelling the old recurring meeting notice for the Grade Crossing Task Force and will send out an updated meeting invite for the Grade Crossing and Trespassing Working Group (GXTWG).

This changes the recurring GXTF to Tuesday, since as we discussed the Monday recurring meeting is often delayed, cancelled, or moved due to all the Monday holidays.

Hopefully this will result in less switching around due to holidays.

The date is the second Tuesday of the pay period.

The time is 9am – 10am

The location will be: W36-102

Cancelling the old recurring meeting notice for the Grade Crossing Task Force and will send out an updated meeting invite for the Grade Crossing and Trespassing Working Group (GXTWG).

This changes the recurring GXTF to Tuesday, since as we discussed the Monday recurring meeting is often delayed, cancelled, or moved due to all the Monday holidays.

Hopefully this will result in less switching around due to holidays.

The date is the second Tuesday of the pay period.

The time is 9am – 10am

The location will be: W36-102

Cancelling the old recurring meeting notice for the Grade Crossing Task Force and will send out an updated meeting invite for the Grade Crossing and Trespassing Working Group (GXTWG).

This changes the recurring GXTF to Tuesday, since as we discussed the

Monday recurring meeting is often delayed, cancelled, or moved due to all the Monday holidays.

Hopefully this will result in less switching around due to holidays.

The date is the second Tuesday of the pay period.

The time is 9am – 10am

The location will be: W36-102

 Cancelling the old recurring meeting notice for the Grade Crossing Task Force and will send out an updated meeting invite for the Grade Crossing and Trespassing Working Group (GXTWG).

This changes the recurring GXTF to Tuesday, since as we discussed the Monday recurring meeting is often delayed, cancelled, or moved due to all the Monday holidays.

Hopefully this will result in less switching around due to holidays.

The date is the second Tuesday of the pay period.

The time is 9am – 10am

The location will be: W36-102

The phone conference line for it is:

Cancelling the old recurring meeting notice for the Grade Crossing Task Force and will send out an updated meeting invite for the Grade Crossing and Trespassing Working Group (GXTWG).

This changes the recurring GXTF to Tuesday, since as we discussed the Monday recurring meeting is often delayed, cancelled, or moved due to all the Monday holidays.

Hopefully this will result in less switching around due to holidays.

The date is the second Tuesday of the pay period.

The time is 9am – 10am

The location will be: W36-102

Cancelling the old recurring meeting notice for the Grade Crossing Task Force and will send out an updated meeting invite for the Grade Crossing and Trespassing Working Group (GXTWG).

This changes the recurring GXTF to Tuesday, since as we discussed the

Monday recurring meeting is often delayed, cancelled, or moved due to all the Monday holidays.

Hopefully this will result in less switching around due to holidays.

The date is the second Tuesday of the pay period.

The time is 9am – 10am

The location will be: W36-102

Subject STARTING SHORTLY: speaker event: Steve Moore on economic policy

Location Lincoln Room

Reminder 15 minutes

We are pleased to invite the non-career team to a speaker event featuring Steve Moore, Distinguished Visiting Fellow at the Heritage Foundation. He will speak to the group on economic policy, a topic on which he is well-versed and an entertaining listen. In addition to his remarks, there will be opportunity for Q&A.

We very much hope you will be able to join; happy to discuss if you have questions.

Steve Moore Bio:

Stephen Moore, who formerly wrote on the economy and public policy for The Wall Street Journal, is the Distinguished Visiting Fellow, Project for Economic Growth, at The Heritage Foundation. Moore, who also was a member of The Journal's editorial board, returned to Heritage in January 2014 -- about 25 years after his tenure as the leading conservative think tank's Grover M. Hermann Fellow in Budgetary Affairs from 1984 to 1987.

As Distinguished Visiting Fellow at Heritage, Moore focuses on advancing public policies that increase the rate of economic growth to help the United States retain its position as the global economic

superpower. He also works on budget, fiscal and monetary policy and showcases states that get fiscal houses in order.

Moore's early career was shaped by three people who had a profound influence on him: Julian Simon, the late Cato Institute scholar; Edwin J. Feulner, a co-founder of Heritage; and Art Laffer, the economist best known for the Laffer curve.

"What makes them so great is they were willing to take on the conventional wisdom. They were subject to a lot of criticism for doing that," Moore told The Foundry. "Those are the real change-makers."

As senior economics writer for the Wall Street Journal's editorial board, he covered Washington policy debates and state issues.

"Because I've been a consumer of think tank material and policy research, I think I have a pretty good sense of what reporters want and how to get it to them in the way they want it," Moore said. "Being timely — and not just offering opinion but giving them the facts and data is really critical."

Moore, who grew up in New Trier Township, Ill., received a bachelor of arts degree from University of Illinois at Urbana-Champaign. He holds a master's of arts in economics from George Mason University.

Cancelling the old recurring meeting notice for the Grade Crossing Task Force and will send out an updated meeting invite for the Grade Crossing and Trespassing Working Group (GXTWG).

This changes the recurring GXTF to Tuesday, since as we discussed the

Monday recurring meeting is often delayed, cancelled, or moved due to all the Monday holidays.

Hopefully this will result in less switching around due to holidays.

The date is the second Tuesday of the pay period.

The time is 9am – 10am

The location will be: W36-102
