Dear Mr. Shah :

This letter acknowledges your Freedom of Information Act (FOIA) request submitted to Department of the Treasury, dated April 23, 2020. You seek, records from January 1, 2019 to the date of search containing or documenting communications sent to or received by political appointees in the Treasury Office of Public Affairs, Office of the Secretary, and Office of the Deputy Secretary with the following organizations and domains:

- Fox News or @foxnews.com, @foxbusiness.com
- Breitbart News Network or @breitbart.com
- Blaze Media or @blazemedia.com
- CRTV.com or @crtv.com
- The Blaze or @theblaze.com
- NewsMax or @newsmax.com
- Daily Caller or @dailycaller.com, @dailycallernewsfoundation.org
- Daily Wire or @dailywire.com
- One America News or @oann.com
- Sinclair Broadcast Group or @sbgi.net
- The Rush Limbaugh Show or @rushlimbaugh.com

I have initiated a search within Departmental Offices (DO), for records that would be responsive to your request. I will make every effort to provide you with a timely response; however, please be advised that unusual circumstances exist regarding the search for and review of potentially responsive records. The unusual circumstances are due to the consultation required between two or more program offices and/or a search is expected to result in voluminous records and/or a search is required to be conducted for records stored in field offices or warehouses off site; therefore, an additional processing extension of (10) days is required to process your request. As with all FOIA requests, I invite you to consider contacting our office to discuss limiting the scope of your request which could significantly reduce the processing time of your request.

We will review your request for a fee waiver once our office ascertains that the billable costs will exceed our \$25.00 billing threshold.

You may seek dispute resolution services from Treasury's FOIA Public Liaison by contacting FOIA and Transparency at (202) 622-8098 or email FOIAPL@treasury.gov.

A FOIA Public Liaison is a supervisory official to whom FOIA requesters can raise questions or concerns about the agency's FOIA process. FOIA Public Liaisons can explain agency records, suggest agency offices that may have responsive records, provide an estimated date of completion, and discuss how to reformulate and/or reduce the scope of requests in order to minimize fees and expedite processing time.

If you are unable to resolve your FOIA dispute through our FOIA Public Liaison, the Office of Government Information Services (OGIS) also mediates disputes between FOIA requesters and federal agencies as a non-exclusive alternative to litigation. If you wish to contact OGIS, you may contact the agency directly at the following address, emails, fax or telephone numbers:
