Mr. Salame,

We apologize for the delay in responding to your request. Please be assured that this office will respond to you and provide you access to the records to which you are legally entitled to receive as promptly as possible.

The Division received approximately 167 FOIA requests prior to your request. In an effort to be fair to the requesters that filed prior to your request, the Division is responding to these in the approximate order of receipt. Various factors impact the turnaround time such as complexity, the volume of the responsive records, the need to consult with attorneys involved in particular matter.

Thank You,
