ORDER

The Union's request for review of the Regional Director's Decision and Direction of Election is granted as it raises substantial issues warranting review. Having granted review, we find merit in the Petitioner's contention that it is appropriate for the Board to undertake in this case a general review of its contract bar doctrine. The Board intends to issue a subsequent notice establishing a schedule for the filing of briefs on review and inviting *amicus* briefs, to afford the parties and interested *amici* the opportunity to address the issues specified in the notice. That notice will supersede the otherwise applicable provisions of Section 102.67(h) of the Board's Rules and Regulations regarding the deadline for filing briefs. In light of the above, the election is hereby stayed.
