# About SBA

*Since 1953, the SBA has worked to ignite change and spark action so small businesses can confidently start, grow, expand, or recover.*

Created in 1953, the U.S. Small Business Administration (SBA) continues to help small business owners and entrepreneurs pursue the American dream. The SBA is the only cabinet-level federal agency fully dedicated to small business and provides counseling, capital, and contracting expertise as the nation's only go-to resource and voice for small businesses.
