Dear Ms. Wheeler,

Thank you for your email.

Regarding the request for release, I have not requested any private information that may have been collected during a WHD investigation. Therefore, the release would not serve any apparent purpose. Again, I am only seeking:

FLSA training course or training presentation from January 1, 2016 to the present, such as Basic Training 1 or Basic Training 2. This request covers all documents, whether in print or electronically stored and regardless of form or label, including but not limited to manuals, worksheets, powerpoint slides/presentations, books, assignments, guidelines, and emails.

As it knows, DOL was required to respond to this request within 20 working days of my December 18 request, or in other words, no later than January 21, 2020. Nevertheless, despite my following up via phone and email, DOL still has not responded to my request. Please provide the requested documents as soon as possible, and no later than Thursday, February 13. If I do not receive the requested documents by that time, I will file a motion with the court.

If you believe the release is still necessary, or if you have any questions in the meantime, please contact me at your earliest convenience.

Thanks.
