Hi Charis,

Thanks for the note. That would work well, though if possible I'd like to add a couple other search terms, including: "Floyd", "protest", "protests", "riot", "Black Lives Matter", "BLM", "tear gas" and/or "pepper spray".

Just for the record, I am NOT seeking generic news clippings or things of that sort.

Thank you!

Mr. Tobias,

Thank you for the response. Regarding the search term BLM, I am proposing that we treat as non-responsive any results where that acronym is used to refer to the Bureau of Land Management and the records have no relationship to Black Lives Matter or events at Lafayette Square. Please let me know if this is acceptable to you.
