Re: FOIA Request Number 2016-03508

Dear Ms. Christenson,

I am writing in reference to FOIA request number 2016-03508. By letter dated November 4, 2016, Regional Counsel Richard Schott informed my colleague Andrew Strenio that the anticipated fee associated with the request is \$11,580.00. Our office has secured the funds necessary to pay your stated fee. Please let me know to whom the check should be made payable. We will arrange payment as soon as we hear from you.

Please note that the Bureau of Prisons aggregated five separate FOIA requests our office made under request number 2016-03508. Prior to aggregating the requests, the BOP assigned them the following request numbers: 2015-07952, 2016-03461, 2016-03508, 2016-03719, and 2016-03529. Please also note that the BOP granted expedited processing of each request.

If you have any questions or require further information, please contact me at (504) 558-9867 or lkissel@thejusticecenter.org. Thank you very much for your attention to this matter.

Sincerely,
