**State Emergency Operations Center**

# STATE OF FLORIDA

## OFFICE OF THE GOVERNOR

### EXECUTIVE ORDER NUMBER 20-80

(Emergency Management - COVID-19 – Airport Screening and Isolation)

**WHEREAS**, Novel Coronavirus Disease 2019 (COVID-19) is a severe acute respiratory illness that can spread among humans through respiratory transmission and presents with symptoms similar to those of influenza; and

**WHEREAS**, on March 1, 2020, I issued Executive Order number 20-51 directing the Florida Department of Health to issue a Public Health Emergency; and

**WHEREAS**, on March 1, 2020, the State Surgeon General and State Health Officer declared a Public Health Emergency exists in the State of Florida as a result of COVID-19; and

**WHEREAS**, on March 9, 2020, I issued Executive Order 20-52 declaring a state of emergency for the entire State of Florida as a result of COVID-19; and

**WHEREAS**, many cases of COVID-19 in Florida have been as a result of individuals coming into the State of Florida from international travel and other states and exposing our residents; and

**WHEREAS**, Florida is seeing an increase in individuals fleeing to Florida from states where “shelter-in-place” orders are being implemented, including from the New York Tri-State Area; and

**WHEREAS**, as Governor, I am responsible for meeting the dangers presented to this state and its people by this emergency.

**NOW, THEREFORE, I, RON DESANTIS**, as Governor of Florida, by virtue of the authority vested in me by Article IV, Section (1)(a) of the Florida Constitution, Chapter 252,

Florida Statutes, and all other applicable laws, promulgate the following Executive Order to take immediate effect:

Section 1.

A. I hereby direct all persons whose point of departure originates from outside the State of Florida in an area with substantial community spread, to include the New York Tri-State Area (Connecticut, New Jersey and New York), and entering the State of Florida through airports to isolate or quarantine for a period of 14 days from the time of entry into the State of Florida or the duration of the person's presence in the State of Florida, whichever is shorter. This Order shall not apply to persons employed by the airlines and those performing military, emergency or health response. This Order shall take effect on March 24, 2020 at 12:01 a.m. All persons isolating or quarantining under this Section, shall be responsible for all costs associated with that person's isolation or quarantine, including transportation, lodging, food, medical care and any other expenses to sustain the person during the period of isolation or quarantine.

B. I hereby direct the Florida Department of Health, pursuant to section 381.00315(5), Florida Statutes, to immediately apply existing rules adopted pursuant to that section. The Florida Department of Health shall take any steps necessary to ensure the screening and appropriate isolation and quarantine of individuals covered by this Order.

C. I hereby direct the Florida Department of Health to coordinate with the Florida Division of Emergency Management, each aviation and airport authority in Florida, county and local governments, and law enforcement agencies to effectuate the isolation or quarantine outlined above.

D. Pursuant to section 381.0012(5), Florida Statutes, "it shall be the duty of every state and county attorney, sheriff, police officer, and other appropriate city and county officials

upon request to assist the [Department of Health]” in enforcing any isolation or quarantine or order of the Department of Health issued pursuant to this Order.

E. Any person who violates any isolation or quarantine directed by the Department of Health commits a misdemeanor of the second degree, which is punishable by imprisonment not to exceed 60 days, a fine not to exceed \$500, or both. *See* § 381.00315(6), Fla. Stat.

Section 2. This Executive Order shall expire upon the expiration of Executive Order 20-52, including any extensions, or upon an Executive Order lifting the isolation or quarantine after advice from the State Health Officer and Surgeon General.

IN TESTIMONY WHEREOF, I have hereunto set my hand and caused the Great Seal of the State of Florida to be affixed, at Tallahassee, this 23rd day of March, 2020.

A large, bold, handwritten signature in black ink, appearing to read "Ron DeSantis", is written over a horizontal line.

RON DESANTIS, GOVERNOR

ATTEST:

A handwritten signature in black ink, appearing to read "Laurel M. Lee", is written over a horizontal line.

To whom it may concern,

I write to you as the concerned parent of a child competing in the upcoming uca all-star cheerleading competition at the Disney/ESPN facility in Orlando, FL 3/14-3/15. In light of the ongoing community spread of the Covid-19 virus in a number of US states, we are extremely concerned. Last year there was at least one team competing from the Westchester, NY area, which is a hot zone of viral activity with confirmed cases of COVID-19 well over 100. I am not sure if they or additional teams from this or other hot zone areas are competing this year, but considering how big this event is I'd be surprised if this was not the case. This event brings together thousands of kids, coaches, parents and event staff from all over the world and could be a potential health risk for all attendees and community at large.

The only communication from Varsity/UCA has been to highlight their suggestion for good hygiene while at the event and to consider 'alternative greetings'. I'm not at all confident the event organizers are treating this as the serious public health issue it is. What kind of guidance is being given by CDC and/or other public health organizations? Is the UCA and Disney prepared to potentially contribute to the widespread transmission of COVID-19 due to their event? Are they prepared for outbreaks in their communities and the communities that all their staff and participants will travel back to? To limit exposure and transmission of COVID-19, non-essential large gatherings such as the cheerleading competition should be canceled so as not to contribute to the public health crisis.

Thank you,  
Concerned Parent & Citizen

**Subject:** A note from the Central Florida Urban League on COVID-19

**ATTENTION: This email came from an external source. Do not open attachments or click on links from unknown senders or unexpected emails.**

## The CFUL response to the Coronavirus (COVID-19)

Dear Central Florida Urban League Community:

With all the uncertainty and fear that the Coronavirus (COVID-19) outbreak has caused, the Central Florida Urban League wanted to assure our network that we are taking proactive measure to address this crisis.

It is our goal to provide a safe and healthy environment for our staff, board members, volunteers, clients and guests. As such, until further notice, **the Central Florida Urban League's office will close to the public. All programs and service delivery will be conducted virtually.**

**If you have any questions about how this will affect you or the services you receive from the CFUL, please [send us an email \(info@cful.org\)](mailto:info@cful.org) or call us at: (407) 841-7654.**

### The CFUL Response Plan:

In keeping with the CDC's three-tiered risk-assessment for community organizations, we will adhere to the following:

#### Level 1- Preparedness (Sporadic Transmission Level)

CFUL Response: Monitoring and Education

- Inform staff and the general public regarding the level of threat to our local community along with preventative measures;
- Engage in workplace illness prevention for employees by encouraging common-sense health precautions recommended by CDC;
- Increase the frequency of office cleanings.

#### Level 2 - Minimal/Moderate (Cluster Transmission Level)

CFUL Response: Social Distancing

- Implement a "social distancing" policy that will stop or slow the spread of highly contagious diseases. Our social distancing response may include reduced exposure to high-traffic events and limited attendance at community gatherings and events;
- Expand access for team members to work remotely;
- Prepare team members and the community for the potential transition to a virtual service delivery model (Level 3), which may include canceling face-to-face meetings, events and case management.

#### Level 3 - Substantial (Population Transmission Level)

CFUL Response: Virtual Service Delivery

- The Central Florida Urban League's office will close to the public. Programs and service delivery will be conducted virtually.

#### Tips and Resources

- If you or a member of your household has recently traveled to a high-risk area, please call 1-866-779-6121 to assess your risk exposure;
- The Attorney General of the State of Florida is encouraging the public to report any coronavirus-driven price gouging by calling 1 (866) 9-NO-SCAM or by visiting [MyFloridaLegal.com](http://MyFloridaLegal.com);
- Please refer to the [Centers for Disease Control and Prevention](https://www.cdc.gov) and the [Florida Department of Health](https://www.floridahealth.gov) for continuous updates.

**Subject:** Airplane travel to Florida from Highly infected areas

**ATTENTION: This email came from an external source. Do not open attachments or click on links from unknown senders or unexpected emails.**

**Mr. Desantis**

**March 24,2020**

**I am writing you today to implore you to consider your handling (in cooperation with other officials) of residents that are coming to Florida from highly-infected virus areas, such as the Northeast. The simplest and perhaps the most efficient method of containing the deadly virus is to eliminate flights from the Northeast temporarily (2-3 weeks) until the virus is contained. They are arriving at many airports (Orlando, West Palm, Ft Lauderdale, Miami, Tamps, to name a few) and perhaps spreading the virus to the land of many retirees. Simply “asking” them to self-quarantine and having a possible fine is not enough! Officials in the Northeast need to restrict travel to Florida immediately. There may be some other solutions but, time is of the essence.**

**I look for news very quickly that the current practice of allowing possibly infected persons to board a plane (and possibly infecting others while traveling) and travel to places like Florida, is stopped.**

**Sincerely,**

**John Buscemi**

**Cc Mayor of Orlando Buddy Dyer  
Gov. of NY Andrew Cuomo**

## **Bonita Springs Announces Additional Precautions to Help Prevent Potential Exposure of COVID-19**

*The City of Bonita Springs continues to monitor information provided from the Department of Health while also taking proactive steps to help prevent potential exposure of COVID-19.*

**Bonita Springs, Florida- March 20, 2020 - [The City of Bonita Springs is](#) announcing additional precautions to help prevent exposure to Coronavirus.**

**As of Friday, March 20<sup>th</sup> at 11:00 am, there are 520 total positive cases of COVID-19 in Florida. Lee County has 13 confirmed cases and Collier County has 24 confirmed cases.**

### **Drive up Coronavirus Testing Site Available**

**A mobile collection site to test for coronavirus is open and the tent is up at the Lee Convenient Care facility near Page field. Patients must have an order from their physician or provider and make an appointment before showing up to the collection site. These requirements are necessary to maintain an orderly collection process. Patients who are experiencing symptoms and don't have a test order should call their primary care physician.**

**Lee Health will send the swab samples off for testing and the patient's provider will give the results when they are ready.**

**This is not the only mobile testing site opening up in Southwest Florida. NCH is also collecting samples. You don't need an appointment at NCH, but you still need a doctor's order. Health officials tell us not only is this convenient, but it's also safer.**

**The Page Field Lee Convenient Care office is located at 4771 S Cleveland Avenue in Fort Myers. It's open from Noon until 4 p.m. The site will initially have the capacity to collect up to 32 specimens per day. Lee Health has plans in place to expand the hours and open additional collection sites due to demand.**

**The mobile site is for collection of COVID-19 samples only. The specimens will be sent to a lab for testing, which takes 3-4 days to return.**

## Lee TeleHealth, Now Free of Charge

For a limited time TeleHealth is offering their TeleHealth services free of charge. Lee TeleHealth is an on-demand medical service from the comfort of your own home. You can use your computer or telephone to talk to a doctor today. Please see this website for more information:

<https://www.leehealth.org/our-services/telemedicine>

Keeping the health and safety of our residents and employees in mind is paramount. Therefore, effective Friday, March 20<sup>th</sup>, Bonita Springs City Hall will be closed to public traffic to reduce the potential of transmission of COVID-19. Residents are encouraged to call City Hall at 239-949-6262, e-mail staff or go to the City website at <http://www.cityofbonitasprings.org/> for information. Staff continues to participate in all relevant state and local conference calls.

Neighborhood Services is distributing copies of the Governor's Executive Orders to all restaurants.

Community Development is suspending all building inspections on the interior of occupied buildings for 30 days. Consistent with the President's and the Governor's directions to mitigate the spread of the COVID-19 pandemic, Community Development offices will be closed to the public until further notice in order to protect our staff while still providing the best level of service possible to our constituents. City operations are continuing via phone and email. A mail box has been placed outside Suite 105 for submitting permit applications or other submittals. Please allow 1-2 business days for processing. Staff will contact you after your plans have been reviewed to advise you of any permit fees, which will be collected when the permit is issued.

Building Department: (239) 444-6179 [permitting@cityofbonitaspringscd.org](mailto:permitting@cityofbonitaspringscd.org)

Planning & Zoning: (239) 444-6166 [planning@cityofbonitaspringscd.org](mailto:planning@cityofbonitaspringscd.org)

General Inquiries: (239) 444-6150 [www.cityofbonitaspringscd.org](http://www.cityofbonitaspringscd.org)

The following is a comprehensive status report of Bonita Springs City parks that will be closed.

**Marni Fields - CLOSED**

**Bay Park North - CLOSED**

**Beach Park - CLOSED**

County-owned beaches and Fort Myers Beach Pier closed at 6 p.m. Thursday, March 19th to limit spread of COVID-19.

### **BSU activates Emergency Response Plan in response to COVID-19**

*BSU water is safe to drink and use*

BONITA SPRINGS, Fla. (March 18, 2020) – In response to the COVID-19 coronavirus pandemic, and in coordination with the declaration of national, state and local emergencies, Bonita Springs Utilities Inc. has activated its Emergency Response Plan.

According to the [U.S. Environmental Protection Agency](#), America’s drinking water supplies remain a safe and affordable way to access the water needed for drinking, cooking and maintaining personal hygiene during the COVID-19 outbreak. BSU follows EPA and state regulations for water treatment. Filtration and disinfection work well to prevent viruses and other waterborne pathogens from contaminating drinking water and wastewater.

The utility’s Emergency Operation Center has been activated at level 3. Staff is monitoring the pandemic and readying emergency support staff who would need to take action as part of their everyday responsibilities. The Customer Service Center is closed to walk-in traffic. Members can still use the drive-through window during regular business hours. Customer service representatives can also be reached at 239-992-0711 or [customerservice@bsu.us](mailto:customerservice@bsu.us).

BSU is implementing many of the precautions and safety measures you have heard about from other organizations. Additional sanitation and disinfection efforts are underway within its buildings and facilities. Access has been further restricted to control rooms and other plant operations. External in-person meetings have been cancelled or rescheduled as teleconference or web-based meetings. Administrative staff are now working remotely, and working distances are increased for employees who remain on-site.

BSU is prepared and committed to continuing to provide safe, reliable potable water and wastewater service to its members. Staff will continue to carefully monitor health advisories regarding COVID-19 and respond accordingly to protect the health and safety of staff, its members and the community.

Bonita Springs Utilities Inc. is a not-for-profit water and wastewater utility cooperative founded by local citizens in 1970. The member-owned utility provides service in the City of Bonita Springs, the Village of Estero and unincorporated South Lee County. The utility is recognized as an industry leader with awards from the American Water Works Association, Florida Department of Environmental Protection and Florida Water Environment Association. For more information, visit [www.BSU.us](http://www.BSU.us)

### **County-owned beaches and Fort Myers Beach Pier to close at 6 p.m. Thursday to limit spread of COVID-19**

**Fort Myers, FL, March 18, 2020** – County-owned beaches and the county-owned Fort Myers Beach Pier closed until further notice. In an effort to slow the spread of COVID-19. This includes beach parking lots, restrooms and county-owned beach access points.

The county sites include:

#### **Beach Parks**

Bonita Beach Park

Bowditch Point Park  
Bowman's Beach Park  
Causeway Islands  
Crescent Beach Family Park  
Little Hickory Island Beach Park  
Lynn Hall Memorial Beach Park  
Matanzas Pass Preserve  
San Carlos/Bunche Beach Preserve  
Turner Beach Park

### **Beach Accesses**

Alison Hagerup Beach Park  
Andy Rosse Lane paddlecraft launch  
Boca Grande Beach Accesses  
Bonita Beach Accesses  
Dog Beach Park  
Estero Islands Beach Access  
Matanzas Bridge Fishing Pier

County Manager Roger Desjarlais announced the closure using Centers for Disease Control guidance and at a time when many college-age students are on spring break or are in the area while taking online classes. "While young people may not be as vulnerable to the symptoms of COVID-19 as older adults, they can be asymptomatic and spread the virus to others, including older adults and their own family members," he said.

The county will coordinate enforcement with the appropriate enforcement agencies.

The county is has also suspended LeeTran beach trolley and tram service.

For more information, visit [www.leegov.com/covid-19](http://www.leegov.com/covid-19) or for the locations of county-owned beaches, visit <https://www.leegov.com/parks/beaches>.

Please visit the Department of Health's dedicated [COVID-19 webpage](#) for information and guidance regarding COVID-19 in Florida. For any other questions related to COVID-19 in Florida, please contact the Department's dedicated COVID-19 Call Center by calling **1-(866) 779-6121**. **The Call Center is available 24 hours a day**. Inquiries may also be emailed to [COVID-19@flhealth.gov](mailto:COVID-19@flhealth.gov).

### **Information on Restaurants, Bars, Nightclubs and Beaches**

Governor Ron DeSantis issued an executive order requiring all restaurants in Florida to shut down their dining rooms and opt for delivery or take out instead. This also means no alcohol consumption at restaurants. Alcohol sales that go with food that is picked up or delivered will be permitted and I.D. will be required for orders including alcohol.

**Bars and Nightclubs** Under the direction of Governor DeSantis, all bars and nightclubs throughout Florida will close for the next 30 days. Information is available on the website of Florida's Department of Business & Professional Management (DBPR).

**Beaches** The Governor is directing parties accessing public beaches in the state of Florida to follow the Centers for Disease Control and Prevention (CDC) guidance by limiting their gatherings to no more than 10 persons.

**Restaurants** Restaurants across the state of Florida will now be required to limit customer entry to 50 percent of capacity. Seating must be staggered and limited to ensure seated parties are separated by a distance of at least six feet, in accordance with CDC guidelines. Restaurants are encouraged to remain open and expand take-out and delivery services. Information is available on the website for DBPR.

### **Reemployment Assistance**

Governor DeSantis reminded Floridians that if their employment has been negatively impacted because of mitigation efforts to stop the spread of COVID-19, these Floridians may be eligible to receive Reemployment Assistance.

- Individuals who are eligible for Reemployment Assistance may include:
  - Those who are quarantined by a medical professional or a government agency,
  - Those who are laid off or sent home without pay for an extended period by their employer due to COVID-19 concerns; and
  - Those who are caring for an immediate family member who is diagnosed with COVID-19
- Governor DeSantis and the Department of Economic Opportunity (DEO) encourage any Floridian whose employment has been negatively impacted as a result of COVID-19 to visit [Floridajobs.org](https://www.floridajobs.org) and click on the Reemployment Assistance Service Center to learn more about the program and to watch a short video on how to apply.

### **Private businesses assisting Floridians**

Governor DeSantis also applauded steps taken by private businesses such as FPL, Duke Energy, TECO, and Uber who are taking steps to assist Floridians with electric bills and delivering free meals to health care workers.

### **Presidential Preference Primary Election**

Leading up to today's Presidential Preference Primary Election, Governor DeSantis directed Secretary of State Laurel M. Lee to work with Supervisors of Elections throughout Florida to ensure a smooth election. Throughout the day, the Florida Division of Elections remained in constant contact with local elections officials to ensure voters who had not voted prior to election day, had the opportunity to cast their ballot.

The Department of State proactively worked with emergency management officials to ensure that Supervisors had the necessary resources for sanitization and cleaning at polling places to help ensure the safety of voters on Election Day. Secretary of State Laurel M. Lee held a press conference to share updates from the day, once polls have closed statewide, that will be available for viewing on the Florida Channel.

**Subject:** Bonita Springs takes Additional Steps to help Prevent Potential Exposure of COVID-19

[View this email in your browser](#)

---

March 17, 2020 - The City of Bonita Springs continues to monitor information provided from the Department of Health while also taking proactive steps to help prevent potential exposure of COVID-19.

Citywide preparation is underway with safety and health of our community as the first consideration.

This is a fluid situation with updates occurring frequently. We remain in close communication with federal, state and regional officials. City staff is meeting with the Emergency Operations Center and Lee County Staff regularly to align efforts across jurisdictions. The Emergency Operations Center is currently activated.

The City of Bonita Springs has declared a state of local emergency. This will allow the city access to federal and state funding opportunities as they become available.

The upcoming March 18th City Council Meeting has been cancelled and all non-essential city meetings are being postponed. Beginning Wednesday March 18, the Recreation Center and Community Pool will close to the public, recreational programming and classes will be cancelled except for the childcare program provided by the YMCA, the Neighborhood Services facility located at the Liles Hotel and the Bonita Nature Place facility will also be closed to the public. City Hall will have limited access to public. The Bonita Springs Dog Park is also closed.

Drop boxes will be set up at each city facility for any documents that need to be dropped off during this time. The community is encouraged to call or email city staff. These closures are scheduled until April 13th. There is voluntary suspension of play by the City of Bonita Springs baseball and soccer leagues, effective immediately. Neighborhood Services is also suspending rental inspections.

“We remain committed to the health and safety of you and your family. It is time to take proactive reasonable and rationale steps to protect our community.” Mayor Peter Simmons The city continues to review city processes, policies and procedures to reflect all current recommendations and best practices. Updates will be provided as information becomes available.

Bonita Springs Fire Control and Rescue District stands ready to assist and is diligently monitoring updates. “We have a responsibility to protect our community and we take it seriously. We maintain an effective emergency response staff to respond to emergencies. We are taking all precautions to stop the spread of this illness.” Bonita Springs Fire Control and Rescue District Chief Greg Dewitt

As we enter a new phase of COVID-19, it is important that EMS and Fire Personnel operate under the most up to date guidance and that the system operation remain fluid. The Bonita Springs Fire Control and Rescue District is committed to this. Employee screening will be conducted twice a day. The Fire District is working to maintain a robust supply of necessary items. Personal and protective equipment is provided to all responders. Resource information is being provided to all staff and posted to Bonita Springs Fire Control and Rescue District website. Briefings are occurring daily and the Bonita Springs Fire District is working closely with the Lee County Emergency Operations Center.

Several events have been postponed by the Bonita Springs Fire District to ensure the health and safety of firefighters, civilian employees and the community. Proactive steps are being taken to protect our community, firefighters, staff and volunteers from possible exposure to Coronavirus (COVID-19). Bonita Springs Fire Control and Rescue District will be suspending all use of the fire station community room, fire safety classes and non-emergency activities. This will be reassessed in 30 days.

For information about COVID-19, please contact the Department of Health dedicated COVID-19 Call Center by calling 1-(866) 779-6121. The Call Center is available 24 hours a day. Inquiries may also be emailed to [COVID-19@flhealth.gov](mailto:COVID-19@flhealth.gov).

[Lora.Taylor@cityofbonitasprings.org](mailto:Lora.Taylor@cityofbonitasprings.org)

### **Bonita Springs takes Proactive Steps to help Prevent Potential Exposure of COVID-19**

*The City of Bonita Springs continues to monitor information provided from the Department of Health while also taking proactive steps to help prevent potential exposure of COVID-19.*

**Bonita Springs, Florida – March 13, 2020-** The City of Bonita Springs continues citywide preparation with the safety and health of our community as the first consideration. City Council held a special meeting this morning and made the decision to postpone all special event permits for thirty days in the interest of preventing potential exposure of COVID-19. The city will offer refunds for event fees for cancelled events. For events that are postponed, the city will also work closely with event organizers for future planning purposes.

Upcoming events that are scheduled during the thirty day moratorium will need to be postponed or cancelled. The situation will be assessed again as this thirty day period concludes. Any future decisions about additional efforts will be communicated at that time. Prior to the meeting this morning, the city had been informed that approximately six upcoming event permits decided to cancel/postpone as a precaution for the local community. The city is also postponing upcoming city organized events, Celebrate Bonita and Movies in the Park.

“The safety and health of our community are the first consideration for Bonita Springs City Council and staff. We continue to monitor information provided from the Department of Health on the COVID-19 pandemic. This is a fluid situation with updates occurring frequently. We remain in close communication with federal, state and regional officials including representatives of the Florida Department of Health.” Mayor Peter Simmons

“Bonita Springs Fire Control and Rescue District stands ready to assist and is diligently monitoring updates. We will work closely with our community and inform you of information as soon as we have it available.” Chief Greg DeWitt.

#### **Additional precautions being taken:**

- Taking proactive steps to help ensure safety. City staff is meeting with the Emergency Operations Center and Lee County Staff regularly to align efforts across jurisdictions. Lee County has not declared any State of Local Emergency at this time. The Lee County Emergency Operations Center is not activated at this time; EOC continues to monitor the situation.
- The city is offering all City Council meetings to be viewed online or on tv with the ability to send in public comments for the record. Public comments for a city council meeting can be emailed to [Citymeetings@cityofbonitasprings.org](mailto:Citymeetings@cityofbonitasprings.org). For information about streaming live visit: <http://www.cityofbonitasprings.org>. Cable channels include: Comcast, channel 98, Summit Broadband Cable Channel is 96, Hotwire, channel 398. Century Link/Prism TV, channel 87.
- Non-essential meetings are being postponed.
- Stretch and Tone classes at the Bonita Springs Recreation Center will be cancelled starting on Wednesday March 18<sup>th</sup> until further notice.
- Bonita Springs is working closely with the Bonita Springs Fire Control and Rescue District and the Lee County Sheriff's Office and each agency is working to ensure public safety is always maintained, even if staffing levels are reduced significantly due to illness or quarantine.

• Health and safety information has been posted and hand sanitizer is now available in all city buildings and

FL-ORLANDO-20-1073-A-000019

workspaces.

- City staff have been instructed to disinfect shared common surfaces like doorknobs, counters, refrigerator handles, microwaves, water fountains, vending machines, etc.
- Employee work related travel has been limited only to essential travel.
- Sick employees, board members and citizens are asked to remain at home and not attend public meetings to conduct city business.
- Essential personnel and tools and support needed to perform their duties are being identified.
- When possible, staff has been asked to conduct meetings via phone or other technologies where it makes sense to reduce in person meetings.
- COVID-19 resource information is posted on the city website.
- Continued review of city processes, policies and procedures to reflect all current recommendations and best practices.
- Implementation of responsible public health measures based on circumstances and the recommendations of Florida Department of Health.

Please visit the Department of Health's dedicated [COVID-19 webpage](#) for information and guidance regarding COVID-19 in Florida. For any other questions related to COVID-19 in Florida, please contact the Department's dedicated COVID-19 Call Center by calling **1-(866) 779-6121**. **The Call Center is available 24 hours a day**. Inquiries may also be emailed to [COVID-19@flhealth.gov](mailto:COVID-19@flhealth.gov).

### What You Should Know

COVID-19 can spread from person to person through small droplets from the nose or mouth, including when an individual coughs or sneezes. These droplets may land on objects and surfaces. Other people may contract COVID-19 by touching these objects or surfaces, then touching their eyes, nose or mouth.

Symptoms of COVID-19 are fever, cough and shortness of breath. Symptoms may appear in as few as two days or as many as 14 days following exposure. Most people recover from COVID-19 without needing special treatment. The elderly and those with underlying medical problems like high blood pressure, heart problems and diabetes are more likely to develop serious illness.

There is currently no vaccine to prevent COVID-19. The best way to prevent illness is to avoid being exposed to the virus. The Department recommends everyday preventive actions to help stop the spread of respiratory diseases, including:

- Avoiding close contact with people who are sick;
- Staying home when you are sick and avoiding contact with persons in poor health;
- Avoiding touching your eyes, nose and mouth with unwashed hands;
- Covering your cough or sneeze with a tissue, then disposing of the tissue;
- Washing your hands often with soap and water for at least 20 seconds, especially after going to the bathroom, before eating, after blowing your nose, coughing or sneezing;
- If soap and water are not readily available, use an alcohol-based hand sanitizer with at least 60% alcohol. Always wash hands with soap and water if hands are visibly dirty; and
- Cleaning and disinfecting frequently touched objects and surfaces using a regular household cleaning spray or wipe.

The CDC does not recommend that asymptomatic, healthy people wear a facemask to protect themselves from respiratory diseases, including COVID-19. Facemasks should be used by people who show symptoms of COVID-19 to help prevent the spread of the disease to others. The use of facemasks is also crucial for [health workers](#) and [people who are taking care of someone in close settings](#) (at home or in a health care facility).

A person that experiences a fever and symptoms of respiratory illness, such as fever, cough or shortness of breath, within 14 days after travel from China, Italy, Iran, South Korea, Japan and any other destination under [CDC travel advisory](#) should call ahead to their health care provider and local CHD and mention their recent travel or close contact. If a person has had close contact with someone showing these symptoms who has recently traveled from this area or been in contact with a person with laboratory-confirmed COVID-19, they should call ahead to a health care professional and the CHD. The health care provider will work with the Department to determine if the person should be tested for COVID-19.

**Subject:** Business Damage Assessment Survey Announced by Governor DeSantis

**ATTENTION:** This email came from an external source. Do not open attachments or click on links from unknown senders or unexpected emails.

The Governor's office announced today that a damage assessment survey is available for completion by Florida businesses. Your response will help develop and prioritize appropriate responses to the Coronavirus. See the note below from the Governor's office. We encourage you to participate.

### Governor DeSantis Activates Emergency Business Damage Assessment Survey for Coronavirus (COVID-19)

The Business Damage Assessment Survey can be taken online at <https://floridadisaster.biz/>

March 12, 2020

**Tallahassee, Fla.** – Governor Ron DeSantis announced the activation of the Business Damage Assessment survey to assess the impact of COVID-19 on Florida's local business operations. The survey, managed by the Florida Department of Economic Opportunity (DEO), will evaluate businesses affected by COVID-19 and the impacts the virus has had on the local economy so actions to implement appropriate relief programs can begin.

"Gathering information about the impact COVID-19 has on Florida businesses and industries will be invaluable to the state's efforts in coordinating our response," **said Governor DeSantis.** "It is important that we understand the total impact COVID-19 has on businesses to ensure that we access the resources that may be available."

The Business Damage Assessment Survey can be taken online at <https://floridadisaster.biz/>. Results from this survey will be shared with state agencies and local partners. Surveys submitted by small businesses can be used to access the Small Business Administration's Economic Injury Disaster Loan, made available for COVID-19 through the Coronavirus Preparedness and Response Supplemental Appropriations Act. For inquiries or assistance with the survey, businesses can contact Emergency Support Function 18 at [ESF18@em.myflorida.com](mailto:ESF18@em.myflorida.com).

"Under Governor DeSantis' direction, the state of Florida has maintained contact with our business partners throughout the state in order to develop a proactive response for COVID-19 business impacts," **said Florida DEO Executive Director Ken Lawson.** "We need feedback from all Florida businesses to provide comprehensive information about the impacts of COVID-19 to our partners at the federal level."

Governor Ron DeSantis issued [Executive Order 20-52](#) declaring a State of Emergency for COVID-19 and directed the Florida Division of Emergency Management to activate the Florida Emergency Operations Center (EOC) to a Level II, to coordinate the state's response to COVID-19. Last week, the governor issued [Executive Order 20-51](#) directing the State Surgeon General to declare a public health emergency.

For the most up-to-date information about COVID-19 in Florida, please visit the Florida Department of Health's dedicated [COVID-19 webpage](#). For any other questions related to COVID-19 in Florida, please contact the state's dedicated COVID-19 Call Center by calling (866) 779-6121. The Call Center is available 24 hours per day. Inquiries may also be emailed to [COVID-19@flhealth.gov](mailto:COVID-19@flhealth.gov).

**Subject:** City of Apooka HELP

**ATTENTION:** This email came from an external source. Do not open attachments or click on links from unknown senders or unexpected emails.

Hello

I'm writing this email to you in regards to the City of Apooka. The COVID-19 has all businesses taking precautions except Apooka. They have listed on their website that they are and have stopped finger printing but they have not. They are still open to the public which is not safe. Employees have asked to work from home due to concerns and they have not stopped due to monetary gain. The citizens and the employees are important. There will be no city with both going under. They still have departments open that are not essential. They have the capability to allow us to work from home but refuse. It's more than 50 people in the city hall building at a time.

The essential workers as far as fire, police, 911 communications, sanitation, and waste water are needed. However there is no need for Community Development to be open or Human Resources that does not handle payroll, City Clerk, Legal, or the Parks to be open. Finance handles payroll and they are equipped to work from home as they have done before during past hurricane seasons. The city has even sent out an email to open a daycare at the parks for employees to bring children so they can come to work. The police department has advised the Mayor and City Administration but they have stayed that the city is already loosing millions from this pandemic and can't send employees home with pay.

Please help the city of APOPKA!

## CITY OF ORLANDO ACTIONS

There are currently 15 confirmed cases of COVID-19 in Orange County. The EOC activated to a Level 2 Virtual Partial Activation on Wednesday, March 18, 2020. The Office of Emergency Management is communicating with partners and stakeholders. On March 13<sup>th</sup>, 2020, Orlando Mayor Buddy Dyer, declared a local state of emergency for the City of Orlando.

The following services are open (or modified) within the City:

- City Hall and services are open.
- All Public Works services will remain in place, including refuse collection and street sweeping will [follow the usual schedule](#)
- The Permitting Services Customer Care Center, located on the first floor of City Hall, remains open to the public for Drop and Go application submittals. Effective immediately and in an effort to prevent customers from waiting at City Hall, **same-day permits will not be issued on-site.**
  - [Permit submissions are encouraged to be done online.](#)
  - Building inspection services will continue.
- The City of Orlando Police Department's Business Desk at Police Headquarters will remain open, though the city encourages everyone to call [321.235.5300](tel:321.235.5300) for non-emergency police assistance and general information.
- The Hispanic Office for Local Assistance (HOLA) will be offering services virtually and residents can call [407.246.4310](tel:407.246.4310) or email [hola@cityoforlando.net](mailto:hola@cityoforlando.net).

The following services are closed, cancelled, or postponed within the City:

- City-hosted, sponsors and permitted events with 10+ attendees are [cancelled or postponed](#) until March 31, 2020 until further notice.
- All youth and adult sporting activities and programs are suspended effective immediately until further notice.
- The Orlando Fire Museum, the Mennello Museum of American Art, Beardall Senior Center and L. Claudia Allen Senior Center are closed.
- Beginning at close of business Friday, March 20, all neighborhood, community and recreation centers will close to the public. A limited number of community centers will remain open to provide limited services like meal service to ensure we support our most vulnerable community only with appropriate social distancing.
- Discover Downtown - Information center is closed until further notice.

## CITY DEPARTMENT EVENT RELATED ACTIONS

DEPARTMENT/ESF	ACTIONS
Information Technology – ESF02	ESF02 is continuing to prepare clients to work remotely with equipment and instructions, working to ensure Internet performance is adequate, and monitoring for issues related to technical performance.
Fire Service/EMS – ESF04/08	ESF04 is monitoring. ESF08 is monitoring for any equipment and supply requests.
Emergency Management – ESF05	ESF05, the Office of Emergency Management is currently monitoring the spread of the COVID-19 within central Florida. EM is assisting all departments and ESFs with coordination of supplies and resources. ESF05 is maintaining the virtual EOC through the HSIN online platform.
Procurement – ESF07	ESF07 is assisting with procurement of additional supplies for all departments. City Stores is also assisting with the storing and distributing the supplies.
Communications – ESF14	ESF14 is drafting and sharing employee communications, drafting and sharing external communications, responding to all resident inquiries through digital platforms, providing support for press conferences and media inquiries, and updating the <a href="http://Orlando.gov/covid19">Orlando.gov/covid19</a> webpage.
Police – ESF16	ESF16 has requested additional replacement PPE supplies through Orange County EOC. All Officers who transport are to report to Advent Health to have vehicle sanitized using the AeroClave 3110 unit. Currently Officers are limiting the interaction with the public for non-emergency calls.
Legal – City Attorney's Office	City Legal is monitoring and providing support to departments as needed.

## GENERAL EVENT INFORMATION

### Regional Information:

All counties in Region 5, with the exception of Indian River County, are at a Level 2 Partial Activation.

Advent Health established a COVID-19 hotline. Nurses from the Hospital Group staff the hotline 24 hours a day and seven days a week. Those with questions or concerns should call 1-877-847-8747.

Orlando Utilities Commission (OUC) has closed walk-in centers; customers may conduct business over the phone or via self-service channels. OUC Emergency Management has moved to a Level 2 Partial Activation.

LYNX continues to follow increased housekeeping measures and provide information to employees and customers. LYNX established a web page for public information: [What We are Doing to Protect You from the Coronavirus](#).

### State Information:

The State EOC has fully activated as of March 16<sup>th</sup>, 2020.

Florida Department of Health Call Center 1-866-779-6121 or [COVID-19@flhealth.com](mailto:COVID-19@flhealth.com)

Florida Attorney General, Ashley Moody activated Florida's Price Gouging Hotline. Consumers can report price gouging by phone at 1-866-966-7226 or online at [myfloridalegal.com](http://myfloridalegal.com).

Three field hospitals are being deployed:

- One field hospital is currently staged in Orlando and can be deployed to other areas in the state as needed
- One field hospital is on its way to Broward County and will be set up there
- One field hospital is on its way to Ocala and will be staged there and deployed to other areas as needed

## Cases, United States

### States Reporting Cases of COVID-19 to CDC\*

## CDC Information

CDC is responding to an outbreak of respiratory disease caused by a novel (new) coronavirus that was first detected in China and which has now been detected in more than 100 locations internationally, including in the United States. The virus has been named “SARS-CoV-2” and the disease it causes has been named “coronavirus disease 2019” (abbreviated “COVID-19”).

The SARS-CoV-2 virus is a betacoronavirus, like MERS-CoV and SARS-CoV. All three of these viruses have their origins in bats. The sequences from U.S. patients are similar to the one that China initially posted, suggesting a likely single, recent emergence of this virus from an animal reservoir.

The complete clinical picture with regard to COVID-19 is not fully known. Reported illnesses have ranged from very mild (including some with no reported symptoms) to severe, including illness resulting in death. While information so far suggests that most COVID-19 illness is mild, [a report](#) out of China suggests serious illness occurs in 16% of cases. Older people and people of all ages with severe underlying health conditions — like heart disease, lung disease and diabetes, for example — seem to be at [higher risk of developing serious COVID-19 illness](#).

On March 11, the COVID-19 outbreak was [characterized as a pandemic by the World Health Organization \(WHO\)](#).

More information from the CDC can be found [here](#).

### Map Information

Johns Hopkins University has created a [map](#) to track the outbreak as it progresses.

### Cyber Security

The City of Orlando has alerted to a potential Cybersecurity risk when attempting to find the Johns Hopkins map. Cybersecurity experts have discovered a malicious website pretending to be the live map for Coronavirus COVID-19 Global Cases by Johns Hopkins University. Visiting the malicious website infects users with the AZORult Trojan, an information-stealing program that can exfiltrate a variety of sensitive data. All personnel need to ensure the utilization of reliable sources when accessing the Johns Hopkins University website. The malicious website uses Corona-Virus-Map.com as shown.

Orlando VA Medical Center	503, 5201 Raymond St C134, Orlando, FL 32803	Normal, Monitoring

## TRAVEL UPDATES

### Domestic Travel Restrictions:

As of right now, there are no travel restrictions put in place for domestic travel in the US by the Federal Government.

**The City of Orlando is monitoring the situation and may update travel restrictions for unnecessary travel for its employees.**

Additional CDC travel information can be found [here](#).

**International Travel Restrictions:**

The Department of State advises U.S. citizens to reconsider travel abroad due to the global impact of COVID-19. Many areas throughout the world are now experiencing COVID-19 outbreaks and taking action that may limit traveler mobility, including quarantines and border restrictions. Even countries, jurisdictions, or areas where cases have not been reported may restrict travel without notice.

GOAA has announced that the last flights to the UK from MCO left last night due to this outbreak.

## TOURISM AND EVENT UPDATES

**Events:**

Several local events over the next month have been cancelled due to the concerns about the COVID-19 spread. The NBA and NHL has cancelled all games for the next 30 days. The Solar Bears have also cancelled the remainder of their season.

**Walt Disney World Resort:**

Beginning Monday March 16<sup>th</sup>, 2020, the theme parks and water parks at Walt Disney World Resort will close all operations until the end of the month. Disney Springs shopping district has closed effective 03/17/2020 until the end of the month. The hotels will close on Friday, March 20, 2020 until the end of the month.

Additionally, Disney Cruise Line has suspended all departures beginning March 14<sup>th</sup>, 2020.

**Universal Orlando Resort:**

Beginning Monday March 16<sup>th</sup>, 2020, Universal Orlando Resort will be closing daily operations at its three theme parks until the end of March. The hotels at Universal Orlando Resort will be closing March 20<sup>th</sup>, 2020 until the end of the month, pending further evaluation. CityWalk on Universal Orlando Resort property has closed until the end of the month.

**Other Tourist Areas:**

SeaWorld Orlando will close their daily operations on Monday March 16<sup>th</sup>, 2020 until the end of the month.

## SCHOOL UPDATES

**OCPS:**

All OCPS schools will be closed until at least April 15, 2020. OCPS Food and Nutrition Services is working on the 50 food distribution students sites. OCPS will be transitioning to distance learning on Monday, March 30, 2020.

**University of Central Florida:**

The UCF EOC is activated to a Level 2 – Partial Activation. Per the Board of Governors, the State University System has extended remote learning through the end of the Spring semester. Traditional on-campus commencement ceremonies will not be held in May. Instead, each university is directed to develop an alternate schedule or method of delivery.

**Valencia Community College:**

Valencia College will resume most face-to-face class on 3/23 in an online format.

### GENERAL PERSONNEL INFORMATION

**EOC Managers** | Manny Soto / 321-436-3985 | April Taylor / 407-234-9061

### CITY OF ORLANDO ACTIONS

There are currently 15 confirmed cases of COVID-19 in Orange County. The EOC activated to a Level 2 Virtual Partial Activation on Wednesday, March 18, 2020. The Office of Emergency Management is communicating with partners and stakeholders. On March 13<sup>th</sup>, 2020, Orlando Mayor Buddy Dyer, declared a local state of emergency for the City of Orlando.

The following services are open (or modified) within the City:

- City Hall and services are open.
- All Public Works services will remain in place, including refuse collection and street sweeping will [follow the usual schedule](#)
- The Permitting Services Customer Care Center, located on the first floor of City Hall, remains open to the public for Drop and Go application submittals. Effective immediately and in an effort to prevent customers from waiting at City Hall, **same-day permits will not be issued on-site.**
  - [Permit submissions are encouraged to be done online.](#)
  - Building inspection services will continue.
- The City of Orlando Police Department's Business Desk at Police Headquarters will remain open, though the city encourages everyone to call [321.235.5300](tel:321.235.5300) for non-emergency police assistance and general information.
- The Hispanic Office for Local Assistance (HOLA) will be offering services virtually and residents can call [407.246.4310](tel:407.246.4310) or email [hola@cityoforlando.net](mailto:hola@cityoforlando.net).

The following services are closed, cancelled, or postponed within the City:

- City-hosted, sponsors and permitted events with 10+ attendees are [cancelled or postponed](#) until March 31, 2020 until further notice.
- All youth and adult sporting activities and programs are suspended effective immediately until further notice.
- The Orlando Fire Museum, the Mennello Museum of American Art, Beardall Senior Center and L. Claudia Allen Senior Center are closed.
- Beginning at close of business Friday, March 20, all neighborhood, community and recreation centers will close to the public. A limited number of community centers will remain open to provide limited services like meal service to ensure we support our most vulnerable community only with appropriate social distancing.
- Discover Downtown - Information center is closed until further notice.

## CITY DEPARTMENT EVENT RELATED ACTIONS

DEPARTMENT/ESF	ACTIONS
Information Technology – ESF02	ESF02 is continuing to prepare clients to work remotely with equipment and instructions, working to ensure Internet performance is adequate, and monitoring for issues related to technical performance.
Fire Service/EMS – ESF04/08	ESF04 is monitoring. ESF08 is monitoring for any equipment and supply requests.
Emergency Management – ESF05	ESF05, the Office of Emergency Management is currently monitoring the spread of the COVID-19 within central Florida. EM is assisting all departments and ESFs with coordination of supplies and resources. ESF05 is maintaining the virtual EOC through the HSIN online platform.
Procurement – ESF07	ESF07 is assisting with procurement of additional supplies for all departments. City Stores is also assisting with the storing and distributing the supplies.
Communications – ESF14	ESF14 is drafting and sharing employee communications, drafting and sharing external communications, responding to all resident inquiries through digital platforms, providing support for press conferences and media inquiries, and updating the <a href="http://Orlando.gov/covid19">Orlando.gov/covid19</a> webpage.
Police – ESF16	ESF16 has requested additional replacement PPE supplies through Orange County EOC. All Officers who transport are to report to Advent Health to have vehicle sanitized using the AeroClave 3110 unit. Currently Officers are limiting the interaction with the public for non-emergency calls.
Legal – City Attorney's Office	City Legal is monitoring and providing support to departments as needed.

## GENERAL EVENT INFORMATION

### Regional Information:

All counties in Region 5, with the exception of Indian River County, are at a Level 2 Partial Activation.

Advent Health established a COVID-19 hotline. Nurses from the Hospital Group staff the hotline 24 hours a day and seven days a week. Those with questions or concerns should call 1-877-847-8747.

Orlando Utilities Commission (OUC) has closed walk-in centers; customers may conduct business over the phone or via self-service channels. OUC Emergency Management has moved to a Level 2 Partial Activation.

LYNX continues to follow increased housekeeping measures and provide information to employees and customers. LYNX established a web page for public information: [What We are Doing to Protect You from the Coronavirus](#).

### State Information:

The State EOC has fully activated as of March 16<sup>th</sup>, 2020.

Florida Department of Health Call Center 1-866-779-6121 or [COVID-19@flhealth.com](mailto:COVID-19@flhealth.com)

Florida Attorney General, Ashley Moody activated Florida's Price Gouging Hotline. Consumers can report price gouging by phone at 1-866-966-7226 or online at [myfloridalegal.com](http://myfloridalegal.com).

Three field hospitals are being deployed:

- One field hospital is currently staged in Orlando and can be deployed to other areas in the state as needed
- One field hospital is on its way to Broward County and will be set up there
- One field hospital is on its way to Ocala and will be staged there and deployed to other areas as needed

## Cases, United States

### States Reporting Cases of COVID-19 to CDC\*

## CDC Information

CDC is responding to an outbreak of respiratory disease caused by a novel (new) coronavirus that was first detected in China and which has now been detected in more than 100 locations internationally, including in the United States. The virus has been named “SARS-CoV-2” and the disease it causes has been named “coronavirus disease 2019” (abbreviated “COVID-19”).

The SARS-CoV-2 virus is a betacoronavirus, like MERS-CoV and SARS-CoV. All three of these viruses have their origins in bats. The sequences from U.S. patients are similar to the one that China initially posted, suggesting a likely single, recent emergence of this virus from an animal reservoir.

The complete clinical picture with regard to COVID-19 is not fully known. Reported illnesses have ranged from very mild (including some with no reported symptoms) to severe, including illness resulting in death. While information so far suggests that most COVID-19 illness is mild, [a report](#) out of China suggests serious illness occurs in 16% of cases. Older people and people of all ages with severe underlying health conditions — like heart disease, lung disease and diabetes, for example — seem to be at [higher risk of developing serious COVID-19 illness](#).

On March 11, the COVID-19 outbreak was [characterized as a pandemic by the World Health Organization \(WHO\)](#).

More information from the CDC can be found [here](#).

### Map Information

Johns Hopkins University has created a [map](#) to track the outbreak as it progresses.

### Cyber Security

The City of Orlando has alerted to a potential Cybersecurity risk when attempting to find the Johns Hopkins map. Cybersecurity experts have discovered a malicious website pretending to be the live map for Coronavirus COVID-19 Global Cases by Johns Hopkins University. Visiting the malicious website infects users with the AZORult Trojan, an information-stealing program that can exfiltrate a variety of sensitive data. All personnel need to ensure the utilization of reliable sources when accessing the Johns Hopkins University website. The malicious website uses Corona-Virus-Map.com as shown.

**EOC Managers** | Manny Soto / 321-436-3985 | April Taylor / 407-234-9061

### CITY OF ORLANDO ACTIONS

Changes from previous Situation Reports will be in **RED**.

There are currently **22** confirmed cases of COVID-19 in Orange County. The EOC activated to a Level 2 Virtual Partial Activation on Wednesday, March 18, 2020. The Office of Emergency Management is communicating with partners and stakeholders.

- On March 13<sup>th</sup>, 2020, Orlando Mayor Buddy Dyer, declared a local state of emergency for the City of Orlando.
- **On March 20<sup>th</sup>, 2020, per Executive Order, Mayor Buddy Dyer closed all city owned or controlled venues to public events until April 15, 2020. No City owned or controlled building may be rented for any group meeting during this time period, all previously issued 18A permits have been revoked and no new permits will issue until further notice.**
- **City of Orlando Press Conference scheduled for Friday, March 20, 2020 at 3pm.**
- **City of Orlando and Orange County curfew begins tonight Friday, March 20, 2020 from 11pm to 5am.**

The following services are open (or modified) within the City:

- City Hall and services are open.
- All Public Works services will remain in place, including refuse collection and street sweeping will [follow the usual schedule](#)
- The Permitting Services Customer Care Center, located on the first floor of City Hall, remains open to the public for Drop and Go application submittals. Effective immediately and in an effort to prevent customers from waiting at City Hall, **same-day permits will not be issued on-site.**
  - [Permit submissions are encouraged to be done online.](#)
  - Building inspection services will continue.
- The City of Orlando Police Department's Business Desk at Police Headquarters will remain open, though the city encourages everyone to call [321.235.5300](tel:321.235.5300) for non-emergency police assistance and general information.
- The Hispanic Office for Local Assistance (HOLA) will be offering services virtually and residents can call [407.246.4310](tel:407.246.4310) or email [hola@cityoforlando.net](mailto:hola@cityoforlando.net).

The following services are closed, cancelled, or postponed within the City:

- City-hosted, sponsors and permitted events with 10+ attendees are [cancelled or postponed](#) until **April 15, 2020** until further notice.

- All youth and adult sporting activities and programs are suspended effective immediately until further notice.
- The Orlando Fire Museum, the Mennello Museum of American Art, Beardall Senior Center and L. Claudia Allen Senior Center are closed.
- Beginning at close of business Friday, March 20, all neighborhood, community and recreation centers will close to the public. A limited number of community centers will remain open to provide limited services like meal service to ensure we support our most vulnerable community only with appropriate social distancing.
- Discover Downtown - Information center is closed until further notice.
- **Board of Zoning Adjustment, Historic Preservation Board and Appearance Review Board Meetings scheduled for March and April have been cancelled.**
- **The Mennello Museum of American Art will be temporarily closed until April 15, 2020 until further notice.**
- **Rental hours for Swan Boats at Lake Eola have temporarily changed. Beginning Thursday, March 19, 2020, hours of operation will be from 11 a.m. - 6 p.m. until further notice.**

## CITY DEPARTMENT EVENT RELATED ACTIONS

DEPARTMENT/ESF	DAILY ACTIONS and UPDATES
Information Technology – ESF02	ESF02 is continuing to prepare clients to work remotely with equipment and instructions, working to ensure Internet performance is adequate, and monitoring for issues related to technical performance.
Fire Service/EMS – ESF04/08	ESF04 is monitoring. ESF08 is monitoring for any equipment and supply requests. Requests forwarded to ESF07 include thermometers, disinfectant sprayers and foam goggles and shields. On 3/17/2020, OFD received 960 N95 masks from Orange County.
Emergency Management – ESF05	ESF05, the Office of Emergency Management is currently monitoring the spread of the COVID-19 within central Florida. EM is assisting all departments and ESFs with coordination of supplies and resources. Emergency Management is assisting the Homeless Service Network with coordination for resources and needed supplies to include cots and thermometers. ESF05 is maintaining the virtual EOC through the HSIN online platform.
Procurement – ESF07	ESF07 is assisting with procurement of additional supplies for all departments. City Stores is also assisting with the storing and distributing the supplies.
Communications – ESF14	ESF14 is drafting and sharing employee communications, drafting and sharing external communications, responding to all resident inquiries through digital platforms, providing support for press conferences and media inquiries, and updating the <a href="http://Orlando.gov/covid19">Orlando.gov/covid19</a> webpage.
Police – ESF16	ESF16 has requested additional replacement PPE supplies through Orange County EOC; no ordered PPE has been received. All Officers who transport are to report to Advent Health to have vehicle sanitized using the AeroClave 3110 unit. Currently Officers are limiting the interaction with the public for non-emergency calls. ESF16 personnel are monitoring the virtual EOC.
Legal – City Attorney's Office	City Legal is monitoring and providing support to departments as needed.

## GENERAL EVENT INFORMATION

### Regional Information:

All counties in Region 5, with the exception of Indian River County, are at a Level 2 Partial Activation.

**Orange County Government has agreed to host one of the three Regional Testing Sites in the State of Florida on the Orange County Convention Center Property. This site is tentatively scheduled to open on Monday, March 23, 2020.**

Advent Health established a COVID-19 hotline. Nurses from the Hospital Group staff the hotline 24 hours a day and seven days a week. Those with questions or concerns should call 1-877-847-8747.

Orlando Utilities Commission (OUC) has closed walk-in centers; customers may conduct business over the phone or via self-service channels. OUC Emergency Management has moved to a Level 2 Partial Activation.

LYNX continues to follow increased housekeeping measures and provide information to employees and customers. LYNX established a web page for public information: [What We are Doing to Protect You from the Coronavirus](#).

### State Information:

The State EOC has fully activated as of March 16<sup>th</sup>, 2020.

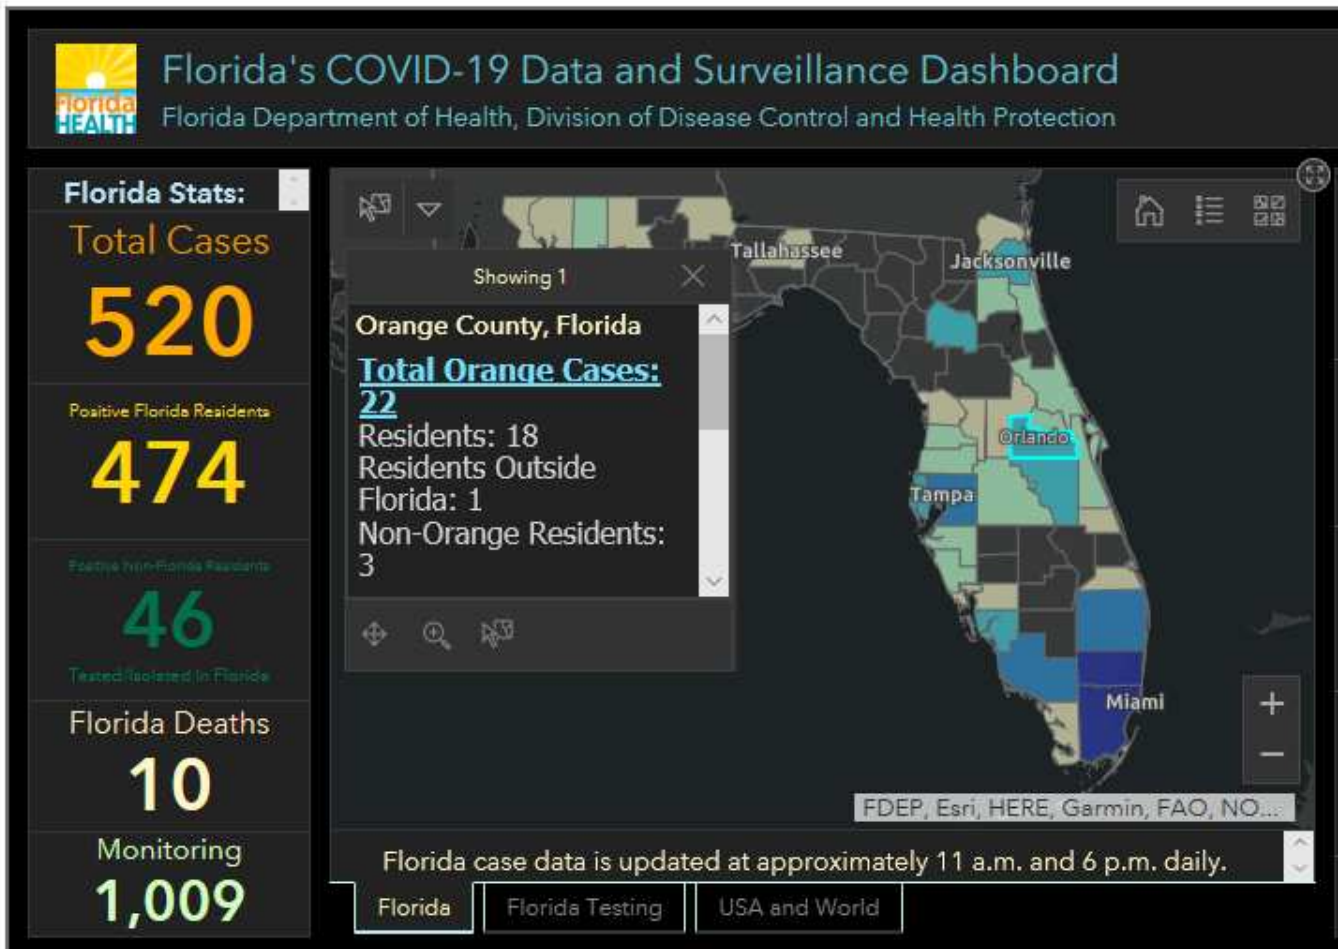

Florida Department of Health Call Center 1-866-779-6121 or [COVID-19@flhealth.com](mailto:COVID-19@flhealth.com)

Florida Attorney General, Ashley Moody activated Florida's Price Gouging Hotline. Consumers can report price gouging by phone at 1-866-966-7226 or online at [myfloridalegal.com](http://myfloridalegal.com).

Three field hospitals are being deployed:

- One field hospital is currently staged in Orlando and can be deployed to other areas in the state as needed
- One field hospital is on its way to Broward County and will be set up there
- One field hospital is on its way to Ocala and will be staged there and deployed to other areas as needed

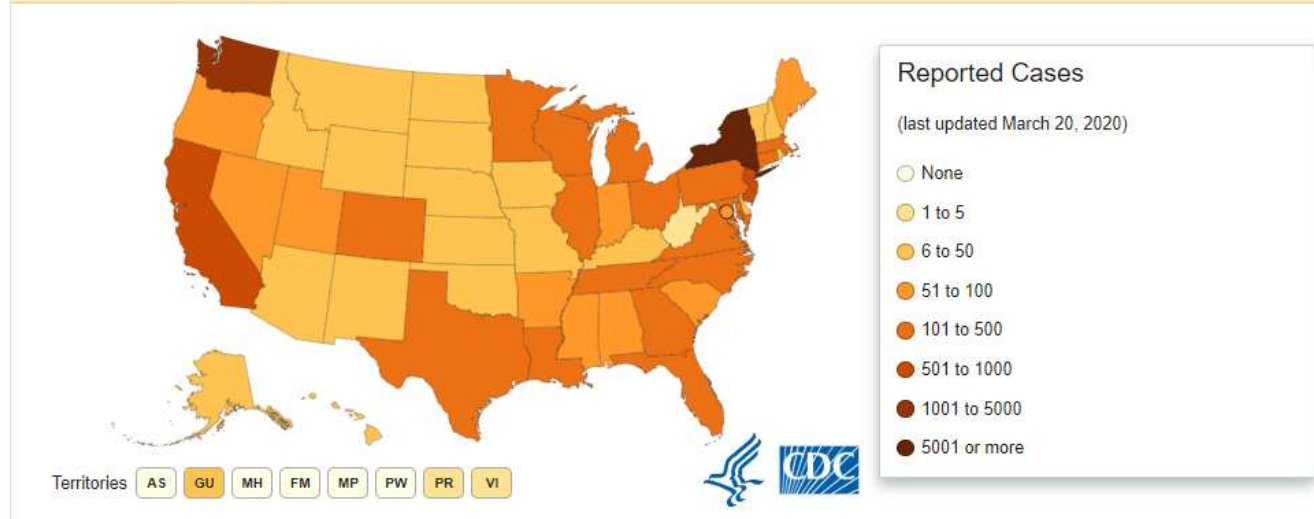

### Cases in Florida

FDOH, updated 3.20.2020 11:00am

## Cases, United States

States Reporting Cases of COVID-19 to CDC\*

### CDC Information

CDC is responding to an outbreak of respiratory disease caused by a novel (new) coronavirus that was first detected in China and which has now been detected in more than 100 locations internationally, including in the United States. The virus has been named “SARS-CoV-2” and the disease it causes has been named “coronavirus disease 2019” (abbreviated “COVID-19”).

The SARS-CoV-2 virus is a betacoronavirus, like MERS-CoV and SARS-CoV. All three of these viruses have their origins in bats. The sequences from U.S. patients are similar to the one that China initially posted, suggesting a likely single, recent emergence of this virus from an animal reservoir.

The complete clinical picture with regard to COVID-19 is not fully known. Reported illnesses have ranged from very mild (including some with no reported symptoms) to severe, including illness resulting in death. While information so far suggests that most COVID-19 illness is mild, [a report](#) out of China suggests serious illness occurs in 16% of cases. Older people and people of all ages with severe underlying health conditions — like heart disease, lung disease and diabetes, for example — seem to be at [higher risk of developing serious COVID-19 illness](#).

On March 11, the COVID-19 outbreak was [characterized as a pandemic by the World Health Organization \(WHO\)](#).

More information from the CDC can be found [here](#).

### Map Information

Johns Hopkins University has created a [map](#) to track the outbreak as it progresses.

### Cyber Security

The City of Orlando has alerted to a potential Cybersecurity risk when attempting to find the Johns Hopkins map. Cybersecurity experts have discovered a malicious website pretending to be the live map for Coronavirus COVID-19 Global Cases by Johns Hopkins University. Visiting the malicious website infects users with the AZORult Trojan, an information-stealing program that can exfiltrate a variety of sensitive data. All personnel need to ensure the utilization of reliable sources when accessing the Johns Hopkins University website. The malicious website uses Corona-Virus-Map.com as shown.

TRAVEL UPDATES
<p><b>GOAA Updates:</b></p> <ul style="list-style-type: none"> <li>• All Terminals and Gates Open and Operational</li> <li>• 1053 Scheduled Flights</li> <li>• 137 Flights Cancelled, 65 Arrivals and 72 Departures</li> <li>• Total Projected Passenger Departing Loads for Today, 31,833</li> <li>• Yesterday's Total Passenger Departing Loads were 23,958 (4th busiest airport in the nation for departing passengers)</li> <li>• Continue to rigorously clean the facility and equipment</li> <li>• Staff primary focus on Safety and Security, following all CDC Guidelines</li> <li>• ARFF and OPD responding normally and taking all necessary precautions</li> </ul>

**Domestic Travel Restrictions:**

As of right now, there are no travel restrictions put in place for domestic travel in the US by the Federal Government.

**The City of Orlando is monitoring the situation and may update travel restrictions for unnecessary travel for its employees.**

Additional CDC travel information can be found [here](#).

**International Travel Restrictions:**

The Department of State advises U.S. citizens to reconsider travel abroad due to the global impact of COVID-19. Many areas throughout the world are now experiencing COVID-19 outbreaks and taking action that may limit traveler mobility, including quarantines and border restrictions. Even countries, jurisdictions, or areas where cases have not been reported may restrict travel without notice.

## TOURISM AND EVENT UPDATES

**Events:**

Several local events over the next month have been cancelled due to the concerns about the COVID-19 spread. The NBA and NHL has cancelled all games for the next 30 days. The Solar Bears have also cancelled the remainder of their season.

**Walt Disney World Resort:**

Beginning Monday March 16<sup>th</sup>, 2020, the theme parks and water parks at Walt Disney World Resort will close all operations until the end of the month. Disney Springs shopping district has closed effective 03/17/2020 until the end of the month. The hotels will close on Friday, March 20, 2020 until the end of the month.

Additionally, Disney Cruise Line has suspended all departures beginning March 14<sup>th</sup>, 2020.

**Universal Orlando Resort:**

Beginning Monday March 16<sup>th</sup>, 2020, Universal Orlando Resort will be closing daily operations at its three theme parks until the end of March. The hotels at Universal Orlando Resort will be closing March 20<sup>th</sup>, 2020 until the end of the month, pending further evaluation. CityWalk on Universal Orlando Resort property has closed until the end of the month.

**Other Tourist Areas:**

SeaWorld Orlando will close their daily operations on Monday March 16<sup>th</sup>, 2020 until the end of the month.

## SCHOOL UPDATES

**OCPS:**

All OCPS schools will be closed until at least April 15, 2020. OCPS Food and Nutrition Services is working on the 50 food distribution students sites. OCPS will be transitioning to distance learning on Monday, March 30, 2020.

**University of Central Florida:**

The UCF EOC is activated to a Level 2 – Partial Activation. Per the Board of Governors, the State University System has extended remote learning through the end of the Spring semester. Traditional on-campus commencement ceremonies will not be held in May. Instead, each university is directed to develop an alternate schedule or method of delivery.

**Valencia Community College:**

Valencia College will resume most face-to-face class on 3/23 in an online format.

## CITY OF ORLANDO ACTIONS

Changes from previous Situation Reports will be in **RED**.

There are currently **22** confirmed cases of COVID-19 in Orange County. The EOC activated to a Level 2 Virtual Partial Activation on Wednesday, March 18, 2020. The Office of Emergency Management is communicating with partners and stakeholders.

- On March 13<sup>th</sup>, 2020, Orlando Mayor Buddy Dyer, declared a local state of emergency for the City of Orlando.
- **On March 20<sup>th</sup>, 2020, per Executive Order, Mayor Buddy Dyer closed all city owned or controlled venues to public events until April 15, 2020. No City owned or controlled building may be rented for any group meeting during this time period, all previously issued 18A permits have been revoked and no new permits will issue until further notice.**
- **City of Orlando Press Conference scheduled for Friday, March 20, 2020 at 3pm.**
- **City of Orlando and Orange County curfew begins tonight Friday, March 20, 2020 from 11pm to 5am.**

The following services are open (or modified) within the City:

- City Hall and services are open.
- All Public Works services will remain in place, including refuse collection and street sweeping will [follow the usual schedule](#)
- The Permitting Services Customer Care Center, located on the first floor of City Hall, remains open to the public for Drop and Go application submittals. Effective immediately and in an effort to prevent customers from waiting at City Hall, **same-day permits will not be issued on-site.**
  - [Permit submissions are encouraged to be done online.](#)
  - Building inspection services will continue.
- The City of Orlando Police Department's Business Desk at Police Headquarters will remain open, though the city encourages everyone to call [321.235.5300](tel:321.235.5300) for non-emergency police assistance and general information.
- The Hispanic Office for Local Assistance (HOLA) will be offering services virtually and residents can call [407.246.4310](tel:407.246.4310) or email [hola@cityoforlando.net](mailto:hola@cityoforlando.net).

The following services are closed, cancelled, or postponed within the City:

- City-hosted, sponsors and permitted events with 10+ attendees are [cancelled or postponed](#) until **April 15, 2020** until further notice.

- All youth and adult sporting activities and programs are suspended effective immediately until further notice.
- The Orlando Fire Museum, the Mennello Museum of American Art, Beardall Senior Center and L. Claudia Allen Senior Center are closed.
- Beginning at close of business Friday, March 20, all neighborhood, community and recreation centers will close to the public. A limited number of community centers will remain open to provide limited services like meal service to ensure we support our most vulnerable community only with appropriate social distancing.
- Discover Downtown - Information center is closed until further notice.
- **Board of Zoning Adjustment, Historic Preservation Board and Appearance Review Board Meetings scheduled for March and April have been cancelled.**
- **The Mennello Museum of American Art will be temporarily closed until April 15, 2020 until further notice.**
- **Rental hours for Swan Boats at Lake Eola have temporarily changed. Beginning Thursday, March 19, 2020, hours of operation will be from 11 a.m. - 6 p.m. until further notice.**

## GENERAL EVENT INFORMATION

### Regional Information:

All counties in Region 5, with the exception of Indian River County, are at a Level 2 Partial Activation.

**Orange County Government has agreed to host one of the three Regional Testing Sites in the State of Florida on the Orange County Convention Center Property. This site is tentatively scheduled to open on Monday, March 23, 2020.**

Advent Health established a COVID-19 hotline. Nurses from the Hospital Group staff the hotline 24 hours a day and seven days a week. Those with questions or concerns should call 1-877-847-8747.

Orlando Utilities Commission (OUC) has closed walk-in centers; customers may conduct business over the phone or via self-service channels. OUC Emergency Management has moved to a Level 2 Partial Activation.

LYNX continues to follow increased housekeeping measures and provide information to employees and customers. LYNX established a web page for public information: [What We are Doing to Protect You from the Coronavirus](#).

### State Information:

The State EOC has fully activated as of March 16<sup>th</sup>, 2020.

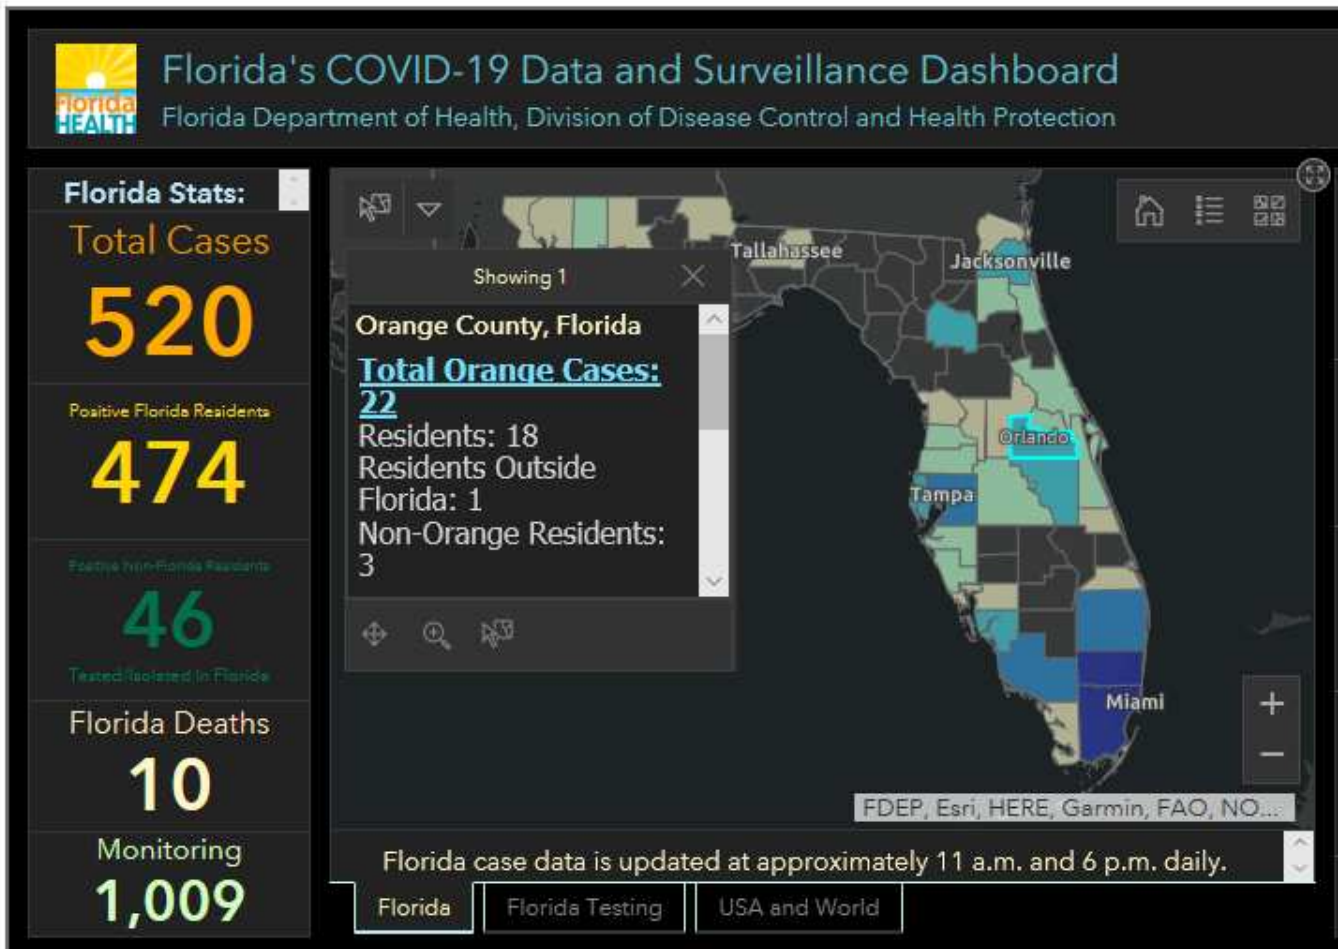

Florida Department of Health Call Center 1-866-779-6121 or [COVID-19@flhealth.com](mailto:COVID-19@flhealth.com)

Florida Attorney General, Ashley Moody activated Florida's Price Gouging Hotline. Consumers can report price gouging by phone at 1-866-966-7226 or online at [myfloridalegal.com](http://myfloridalegal.com).

Three field hospitals are being deployed:

- One field hospital is currently staged in Orlando and can be deployed to other areas in the state as needed
- One field hospital is on its way to Broward County and will be set up there
- One field hospital is on its way to Ocala and will be staged there and deployed to other areas as needed

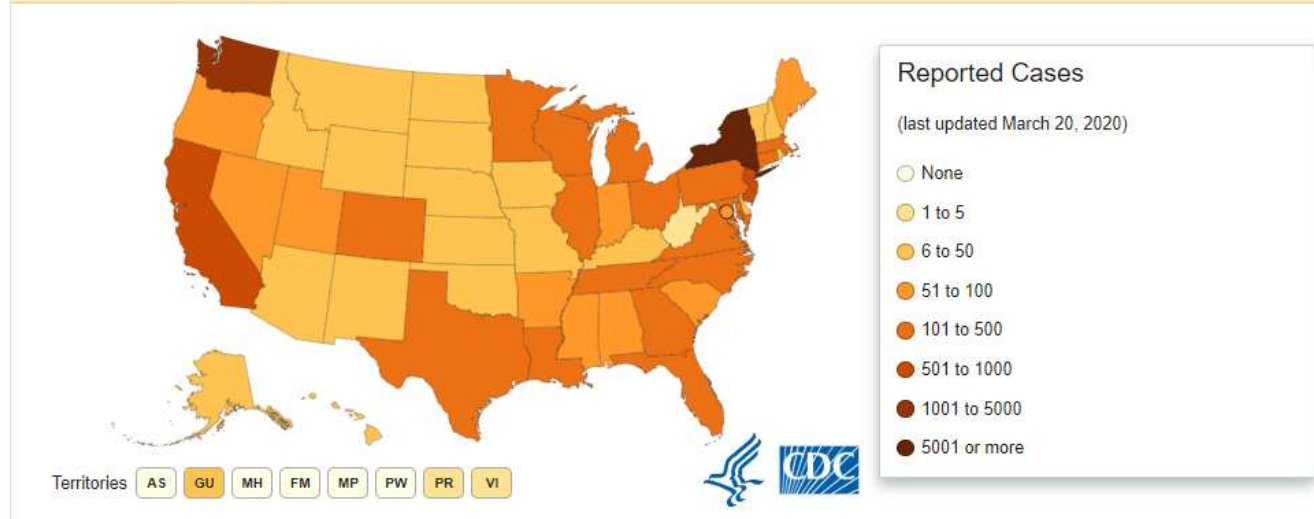

### Cases in Florida

FDOH, updated 3.20.2020 11:00am

## Cases, United States

States Reporting Cases of COVID-19 to CDC\*

### CDC Information

CDC is responding to an outbreak of respiratory disease caused by a novel (new) coronavirus that was first detected in China and which has now been detected in more than 100 locations internationally, including in the United States. The virus has been named “SARS-CoV-2” and the disease it causes has been named “coronavirus disease 2019” (abbreviated “COVID-19”).

The SARS-CoV-2 virus is a betacoronavirus, like MERS-CoV and SARS-CoV. All three of these viruses have their origins in bats. The sequences from U.S. patients are similar to the one that China initially posted, suggesting a likely single, recent emergence of this virus from an animal reservoir.

The complete clinical picture with regard to COVID-19 is not fully known. Reported illnesses have ranged from very mild (including some with no reported symptoms) to severe, including illness resulting in death. While information so far suggests that most COVID-19 illness is mild, [a report](#) out of China suggests serious illness occurs in 16% of cases. Older people and people of all ages with severe underlying health conditions — like heart disease, lung disease and diabetes, for example — seem to be at [higher risk of developing serious COVID-19 illness](#).

On March 11, the COVID-19 outbreak was [characterized as a pandemic by the World Health Organization \(WHO\)](#).

More information from the CDC can be found [here](#).

### Map Information

Johns Hopkins University has created a [map](#) to track the outbreak as it progresses.

### Cyber Security

The City of Orlando has alerted to a potential Cybersecurity risk when attempting to find the Johns Hopkins map. Cybersecurity experts have discovered a malicious website pretending to be the live map for Coronavirus COVID-19 Global Cases by Johns Hopkins University. Visiting the malicious website infects users with the AZORult Trojan, an information-stealing program that can exfiltrate a variety of sensitive data. All personnel need to ensure the utilization of reliable sources when accessing the Johns Hopkins University website. The malicious website uses Corona-Virus-Map.com as shown.

Additionally, Disney Cruise Line has suspended all departures beginning March 14<sup>th</sup>, 2020.

**Universal Orlando Resort:**

Beginning Monday March 16<sup>th</sup>, 2020, Universal Orlando Resort will be closing daily operations at its three theme parks until the end of March. The hotels at Universal Orlando Resort will be closing March 20<sup>th</sup>, 2020 until the end of the month, pending further evaluation. CityWalk on Universal Orlando Resort property has closed until the end of the month.

**Other Tourist Areas:**

SeaWorld Orlando will close their daily operations on Monday March 16<sup>th</sup>, 2020 until the end of the month.

## SCHOOL UPDATES

**OCPS:**

All OCPS schools will be closed until at least April 15, 2020. OCPS Food and Nutrition Services is working on the 50 food distribution students sites. OCPS will be transitioning to distance learning on Monday, March 30, 2020.

**University of Central Florida:**

The UCF EOC is activated to a Level 2 – Partial Activation. Per the Board of Governors, the State University System has extended remote learning through the end of the Spring semester. Traditional on-campus commencement ceremonies will not be held in May. Instead, each university is directed to develop an alternate schedule or method of delivery.

**Valencia Community College:**

Valencia College will resume most face-to-face class on 3/23 in an online format.

### CITY OF ORLANDO ACTIONS

Changes from previous Situation Reports will be in **RED**.

There are currently **45** confirmed cases of COVID-19 in Orange County. The EOC activated to a Level 2 Virtual Partial Activation on Wednesday, March 18, 2020. The Office of Emergency Management is communicating with partners and stakeholders.

- On March 13<sup>th</sup>, 2020, Orlando Mayor Buddy Dyer, declared a local state of emergency for the City of Orlando.
- On March 20<sup>th</sup>, 2020, per Executive Order, Mayor Buddy Dyer closed all city owned or controlled venues to public events until April 15, 2020. No City owned or controlled building may be rented for any group meeting during this time period, all previously issued 18A permits have been revoked and no new permits will issue until further notice.
- City of Orlando and Orange County curfew remains in effect daily from 11pm to 5am.

The following services are open (or modified) within the City:

- **Orlando City Hall and other city administrative buildings have closed to the public. Residents should use phone or Orlando.gov to request city services and interact with city government.**
- All Public Works services will remain in place, including refuse collection and street sweeping will follow the usual schedule.
- Permitting customers may seek assistance via email, online and phone.  
Visit [Orlando.gov/permits](http://Orlando.gov/permits) for contact information and access to all digital services.
  - Building inspection services will continue to operate.
- Residents can call 321.235.5300 for non-emergency police assistance and general information.
- The Hispanic Office for Local Assistance (HOLA) will be offering services virtually and residents can call 407.246.4310 or email [hola@cityoforlando.net](mailto:hola@cityoforlando.net).
- Outdoor facilities such as city parks, Leu Gardens and Dubsdread Golf Course will remain open to the public, with necessary social distancing measures in place to adhere to CDC guidelines.

The following services are closed, cancelled, or postponed within the City:

- **Orlando City Hall and other city administrative buildings have closed to the public.**
- City-hosted, sponsors and permitted events with 10+ attendees are **cancelled or postponed** until April 15, 2020 until further notice.
- All youth and adult sporting activities and programs are suspended effective immediately until further notice.

- The Orlando Fire Museum, the Mennello Museum of American Art, Beardall Senior Center and L. Claudia Allen Senior Center are closed.
- Beginning at close of business Friday, March 20, all neighborhood, community and recreation centers will close to the public. A limited number of community centers will remain open to provide limited services like meal service to ensure we support our most vulnerable community only with appropriate social distancing.
- Discover Downtown - Information center is closed until further notice.
- Board of Zoning Adjustment, Historic Preservation Board and Appearance Review Board Meetings scheduled for March and April have been cancelled.
- The Mennello Museum of American Art will be temporarily closed until April 15, 2020 until further notice.
- Rental hours for Swan Boats at Lake Eola have temporarily changed. Beginning Thursday, March 19, 2020, hours of operation will be from 11 a.m. - 6 p.m. until further notice.
- **The Permitting Services Customer Care Center, located on the first floor of City Hall, is closed until further notice.**
- **The City of Orlando Police Department's Business Desk at Police Headquarters is closed until further notice.**

## CITY DEPARTMENT EVENT RELATED ACTIONS

DEPARTMENT/ESF	DAILY ACTIONS and UPDATES
Information Technology – ESF02	ESF02 is continuing to respond to client's needs to work remotely with equipment and instructions, working to ensure Internet performance is adequate, and monitoring for issues related to technical performance.
Fire Service/EMS – ESF04/08	ESF04 is monitoring. ESF08 is monitoring for any equipment and supply requests. Requests forwarded to ESF07 include 4000 gowns for OFD and disinfecting supplies for Station 10. EMS Logistics received 3000 gowns and 14 containers of Sani-Cloth from ESF07. POs have been issued by ESF07 for face shields and goggles.
Emergency Management – ESF05	ESF05, the Office of Emergency Management is currently monitoring the spread of the COVID-19 within central Florida. EM is assisting all departments and ESFs with coordination of supplies and resources. Emergency Management is assisting the Homeless Service Network with coordination for resources and needed supplies to include cots and thermometers. ESF05 is maintaining the virtual EOC through the HSIN online platform.
Procurement – ESF07	ESF07 is assisting with procurement of additional supplies for all departments. City Stores is also assisting with storing and distributing the supplies.
Communications – ESF14	ESF14 is drafting and sharing employee communications, drafting and sharing external communications, responding to all resident inquiries through digital platforms, responding to media inquiries, and updating the Orlando.gov/covid19 webpage. We are also planning and providing support for a 12:30 pm Tuesday press conference with Orange County.
Police – ESF16	ESF16 has requested additional replacement PPE supplies through Orange County EOC; no ordered PPE has been received. All Officers who transport are to report to Advent Health to have vehicle sanitized using the AeroClave 3110 unit. Currently Officers are limiting the interaction with the public for non-emergency calls. ESF16 personnel are monitoring the virtual EOC.
Legal – City Attorney's Office	City Legal is monitoring and providing support to departments as needed.

## GENERAL EVENT INFORMATION

### Regional Information:

All counties in Region 5, with the exception of Indian River County, are at a Level 2 Partial Activation.

Orange County Government has agreed to host one of the three Regional Testing Sites in the State of Florida on the Orange County Convention Center Property. This site is tentatively scheduled to open on Wednesday, March 25, 2020.

Advent Health established a COVID-19 hotline. Nurses from the Hospital Group staff the hotline 24 hours a day and seven days a week. Those with questions or concerns should call 1-877-847-8747.

Orlando Utilities Commission (OUC) has closed walk-in centers; customers may conduct business over the phone or via self-service channels. OUC Emergency Management has moved to a Level 2 Partial Activation.

LYNX continues to follow increased housekeeping measures and provide information to employees and customers. LYNX established a web page for public information: [What We are Doing to Protect You from the Coronavirus](#).

### State Information:

The State EOC has fully activated as of March 16<sup>th</sup>, 2020.

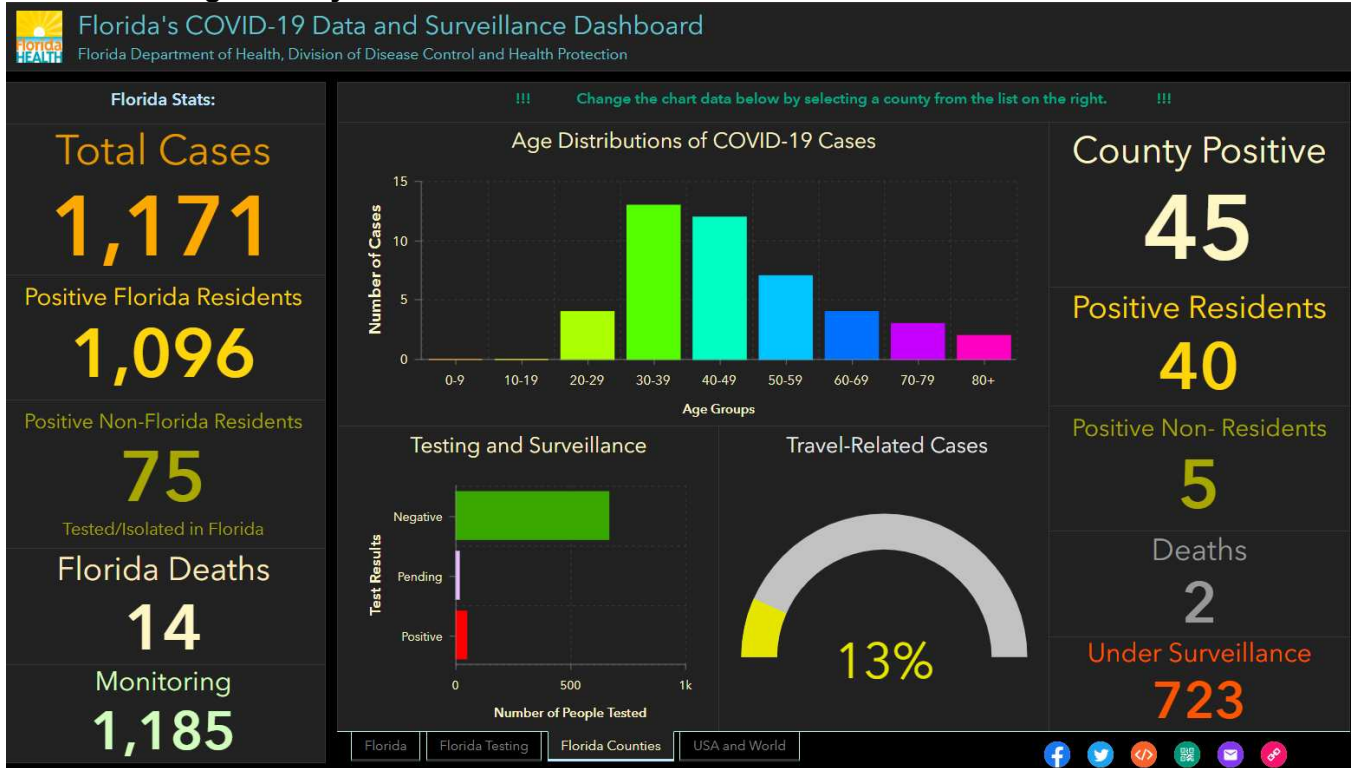

Florida Department of Health Call Center 1-866-779-6121 or [COVID-19@flhealth.com](mailto:COVID-19@flhealth.com)

Florida Attorney General, Ashley Moody activated Florida's Price Gouging Hotline. Consumers can report price gouging by phone at 1-866-966-7226 or online at [myfloridalegal.com](http://myfloridalegal.com).

Three field hospitals are being deployed:

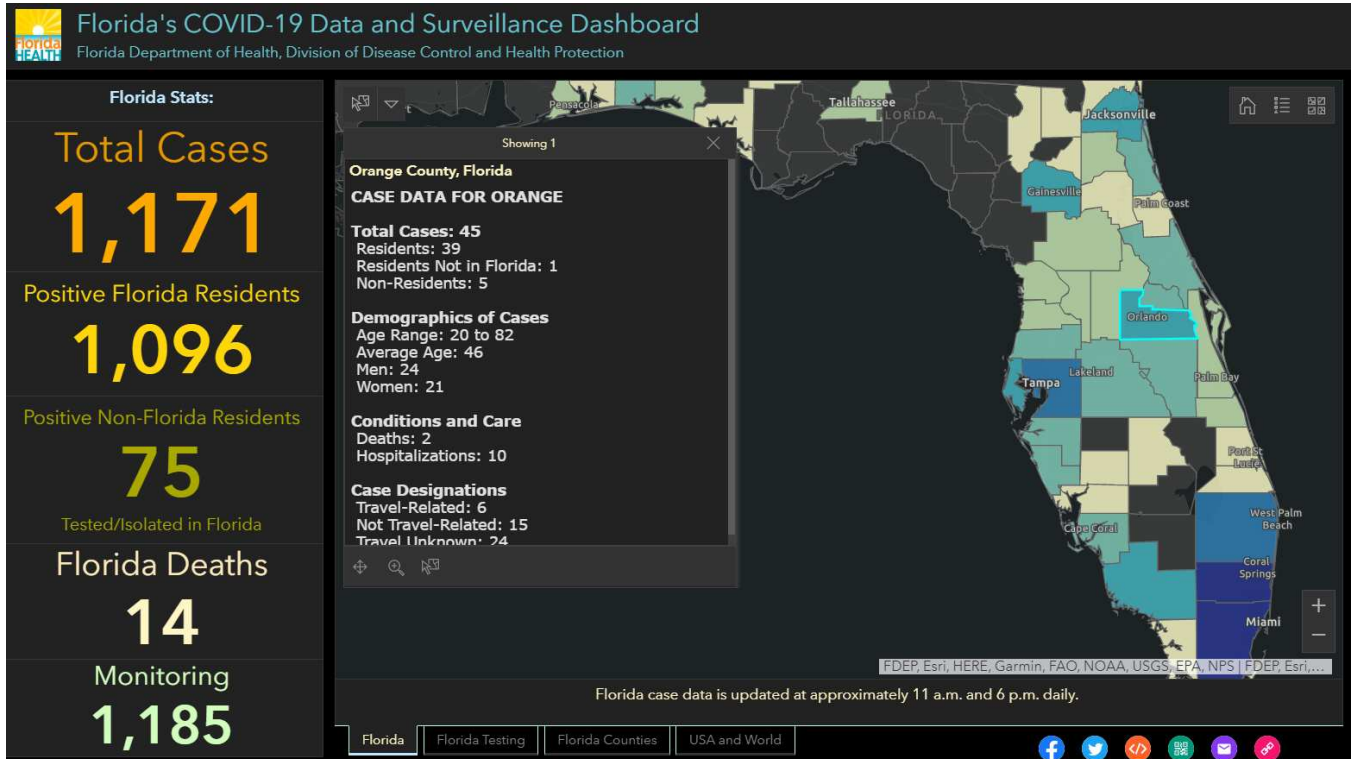

- One field hospital is currently staged in Orlando and can be deployed to other areas in the state as needed
- One field hospital is on its way to Broward County and will be set up there
- One field hospital is on its way to Ocala and will be staged there and deployed to other areas as needed

## Cases in Orange County

FDOH, updated 3.23.2020 11:00am

## Cases in Florida

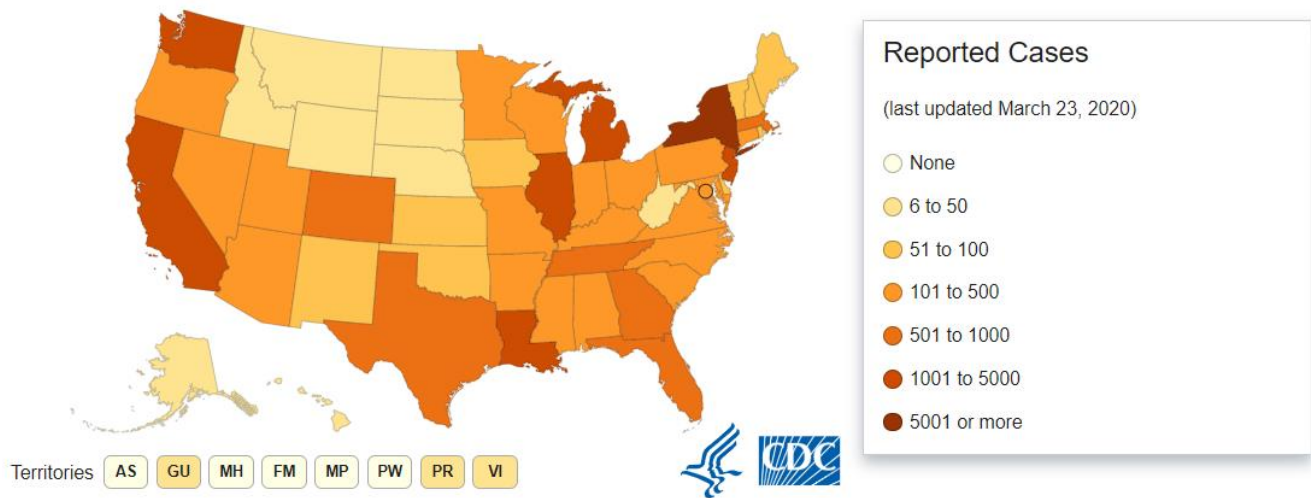

FDOH, updated 3.23.2020 11:00am

## Cases, United States

# COVID-19 Cases in the U.S.

[Cases in U.S.](#) > [Situation Summary](#) >

### CDC Information

CDC is responding to an outbreak of respiratory disease caused by a novel (new) coronavirus that was first detected in China and which has now been detected in more than 100 locations internationally, including in the United States. The virus has been named “SARS-CoV-2” and the disease it causes has been named “coronavirus disease 2019” (abbreviated “COVID-19”).

The SARS-CoV-2 virus is a betacoronavirus, like MERS-CoV and SARS-CoV. All three of these viruses have their origins in bats. The sequences from U.S. patients are similar to the one that China initially posted, suggesting a likely single, recent emergence of this virus from an animal reservoir.

The complete clinical picture with regard to COVID-19 is not fully known. Reported illnesses have ranged from very mild (including some with no reported symptoms) to severe, including illness resulting in death. While information so far suggests that most COVID-19 illness is mild, [a report](#) out of China suggests serious illness occurs in 16% of cases. Older people and people of all ages with severe underlying health conditions — like heart disease, lung disease and diabetes, for example — seem to be at [higher risk of developing serious COVID-19 illness](#).

On March 11, the COVID-19 outbreak was [characterized as a pandemic by the World Health Organization \(WHO\)](#).

More information from the CDC can be found [here](#).

### Map Information

Johns Hopkins University has created a [map](#) to track the outbreak as it progresses.

### Cyber Security

The City of Orlando has alerted to a potential Cybersecurity risk when attempting to find the Johns Hopkins map. Cybersecurity experts have discovered a malicious website pretending to be the live map for Coronavirus COVID-19 Global Cases by Johns Hopkins University. Visiting the malicious website infects users with the AZORult Trojan, an information-stealing program that can exfiltrate a variety of sensitive data. All personnel need to ensure the utilization of reliable sources when accessing the Johns Hopkins University website. The malicious website uses Corona-Virus-Map.com as shown.

Additional CDC travel information can be found [here](#).

**International Travel Restrictions:**

The Department of State advises U.S. citizens to reconsider travel abroad due to the global impact of COVID-19. Many areas throughout the world are now experiencing COVID-19 outbreaks and taking action that may limit traveler mobility, including quarantines and border restrictions. Even countries, jurisdictions, or areas where cases have not been reported may restrict travel without notice.

## TOURISM AND EVENT UPDATES

**Events:**

Several local events over the next month have been cancelled due to the concerns about the COVID-19 spread. The NBA and NHL has cancelled all games for the next 30 days. The Solar Bears have also cancelled the remainder of their season.

**Walt Disney World Resort:**

Beginning Monday March 16<sup>th</sup>, 2020, the theme parks and water parks at Walt Disney World Resort will close all operations until the end of the month. Disney Springs shopping district has closed effective 03/17/2020 until the end of the month. The hotels will close on Friday, March 20, 2020 until the end of the month.

Additionally, Disney Cruise Line has suspended all departures beginning March 14<sup>th</sup>, 2020.

**Universal Orlando Resort:**

Beginning Monday March 16<sup>th</sup>, 2020, Universal Orlando Resort will be closing daily operations at its three theme parks until the end of March. The hotels at Universal Orlando Resort will be closing March 20<sup>th</sup>, 2020 until the end of the month, pending further evaluation. CityWalk on Universal Orlando Resort property has closed until the end of the month.

**Other Tourist Areas:**

SeaWorld Orlando will close their daily operations on Monday March 16<sup>th</sup>, 2020 until the end of the month.

## SCHOOL UPDATES

**OCPS:**

All OCPS schools will be closed until at least April 15, 2020. OCPS Food and Nutrition Services is working on the 50 food distribution students sites. OCPS will be transitioning to distance learning on Monday, March 30, 2020.

**University of Central Florida:**

The UCF EOC is activated to a Level 2 – Partial Activation. Per the Board of Governors, the State University System has extended remote learning through the end of the Spring semester. Traditional on-campus commencement ceremonies will not be held in May. Instead, each university is directed to develop an alternate schedule or method of delivery.

**Valencia Community College:**

Valencia College will resume most face-to-face class on 3/23 in an online format.

- Board of Zoning Adjustment, Historic Preservation Board and Appearance Review Board Meetings scheduled for March and April have been cancelled.
- The Mennello Museum of American Art will be temporarily closed until April 15, 2020 until further notice.
- Rental hours for Swan Boats at Lake Eola have temporarily changed. Beginning Thursday, March 19, 2020, hours of operation will be from 11 a.m. - 6 p.m. until further notice.
- **The Permitting Services Customer Care Center, located on the first floor of City Hall, is closed until further notice.**
- **The City of Orlando Police Department's Business Desk at Police Headquarters is closed until further notice.**

## CITY DEPARTMENT EVENT RELATED ACTIONS

DEPARTMENT/ESF	DAILY ACTIONS and UPDATES
Information Technology – ESF02	ESF02 is continuing to respond to client's needs to work remotely with equipment and instructions, working to ensure Internet performance is adequate, and monitoring for issues related to technical performance.
Fire Service/EMS – ESF04/08	ESF04 is monitoring. ESF08 is monitoring for any equipment and supply requests. Requests forwarded to ESF07 include 4000 gowns for OFD and disinfecting supplies for Station 10. EMS Logistics received 3000 gowns and 14 containers of Sani-Cloth from ESF07. POs have been issued by ESF07 for face shields and goggles.
Emergency Management – ESF05	ESF05, the Office of Emergency Management is currently monitoring the spread of the COVID-19 within central Florida. EM is assisting all departments and ESFs with coordination of supplies and resources. Emergency Management is assisting the Homeless Service Network with coordination for resources and needed supplies to include cots and thermometers. ESF05 is maintaining the virtual EOC through the HSIN online platform.
Procurement – ESF07	ESF07 is assisting with procurement of additional supplies for all departments. City Stores is also assisting with storing and distributing the supplies.
Communications – ESF14	ESF14 is drafting and sharing employee communications, drafting and sharing external communications, responding to all resident inquiries through digital platforms, responding to media inquiries, and updating the Orlando.gov/covid19 webpage. We are also planning and providing support for a 12:30 pm Tuesday press conference with Orange County.
Police – ESF16	ESF16 has requested additional replacement PPE supplies through Orange County EOC; no ordered PPE has been received. All Officers who transport are to report to Advent Health to have vehicle sanitized using the AeroClave 3110 unit. Currently Officers are limiting the interaction with the public for non-emergency calls. ESF16 personnel are monitoring the virtual EOC.
Legal – City Attorney's Office	City Legal is monitoring and providing support to departments as needed.

## GENERAL EVENT INFORMATION

### Regional Information:

All counties in Region 5, with the exception of Indian River County, are at a Level 2 Partial Activation.

Orange County Government has agreed to host one of the three Regional Testing Sites in the State of Florida on the Orange County Convention Center Property. This site is tentatively scheduled to open on Wednesday, March 25, 2020.

Advent Health established a COVID-19 hotline. Nurses from the Hospital Group staff the hotline 24 hours a day and seven days a week. Those with questions or concerns should call 1-877-847-8747.

Orlando Utilities Commission (OUC) has closed walk-in centers; customers may conduct business over the phone or via self-service channels. OUC Emergency Management has moved to a Level 2 Partial Activation.

LYNX continues to follow increased housekeeping measures and provide information to employees and customers. LYNX established a web page for public information: [What We are Doing to Protect You from the Coronavirus](#).

### State Information:

The State EOC has fully activated as of March 16<sup>th</sup>, 2020.

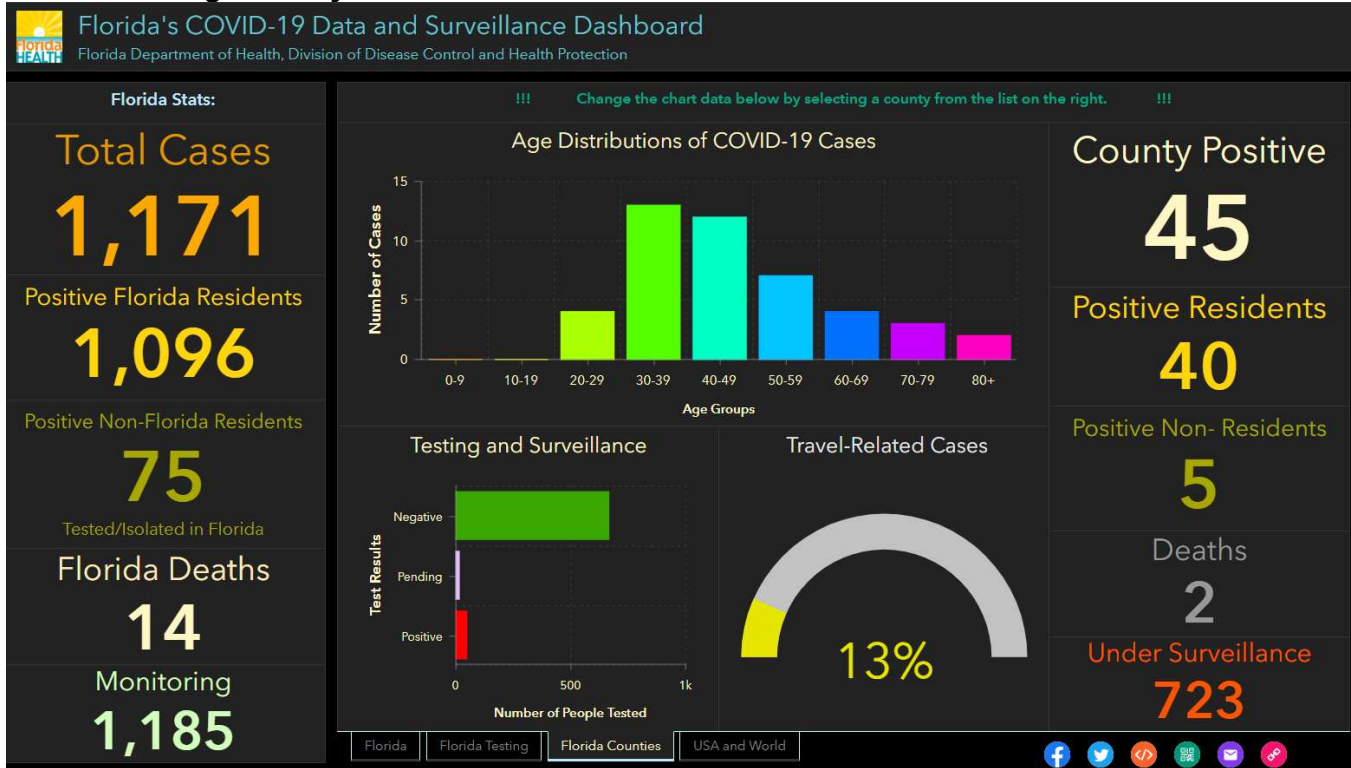

Florida Department of Health Call Center 1-866-779-6121 or [COVID-19@flhealth.com](mailto:COVID-19@flhealth.com)

Florida Attorney General, Ashley Moody activated Florida's Price Gouging Hotline. Consumers can report price gouging by phone at 1-866-966-7226 or online at [myfloridalegal.com](http://myfloridalegal.com).

Three field hospitals are being deployed:

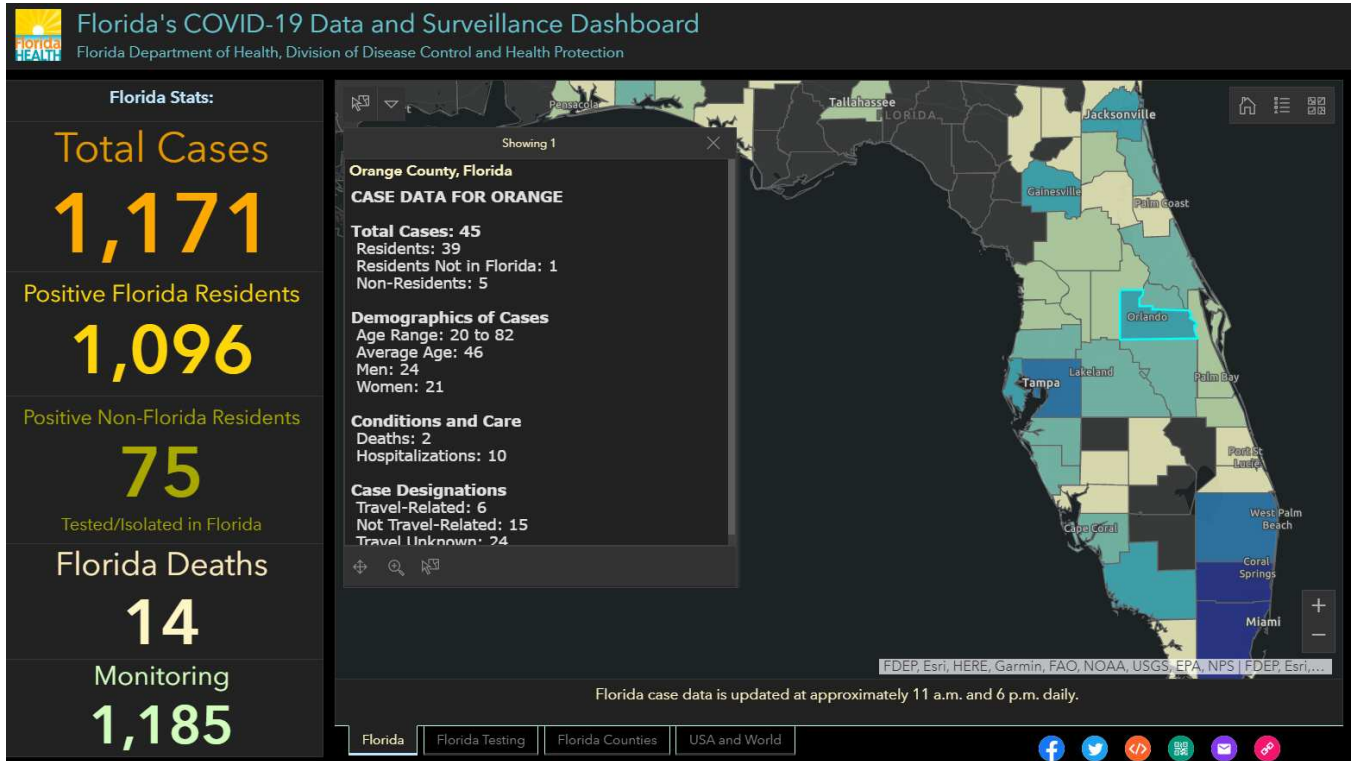

- One field hospital is currently staged in Orlando and can be deployed to other areas in the state as needed
- One field hospital is on its way to Broward County and will be set up there
- One field hospital is on its way to Ocala and will be staged there and deployed to other areas as needed

## Cases in Florida

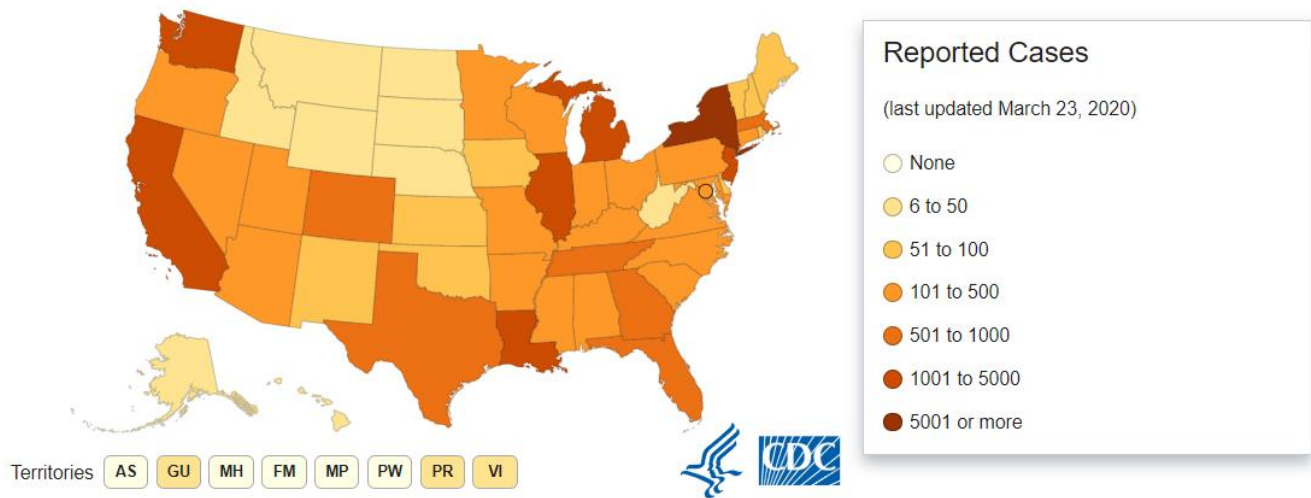

FDOH, updated 3.23.2020 11:00am

## Cases, United States

# COVID-19 Cases in the U.S.

[Cases in U.S.](#) > [Situation Summary](#) >

### CDC Information

CDC is responding to an outbreak of respiratory disease caused by a novel (new) coronavirus that was first detected in China and which has now been detected in more than 100 locations internationally, including in the United States. The virus has been named “SARS-CoV-2” and the disease it causes has been named “coronavirus disease 2019” (abbreviated “COVID-19”).

The SARS-CoV-2 virus is a betacoronavirus, like MERS-CoV and SARS-CoV. All three of these viruses have their origins in bats. The sequences from U.S. patients are similar to the one that China initially posted, suggesting a likely single, recent emergence of this virus from an animal reservoir.

The complete clinical picture with regard to COVID-19 is not fully known. Reported illnesses have ranged from very mild (including some with no reported symptoms) to severe, including illness resulting in death. While information so far suggests that most COVID-19 illness is mild, [a report](#) out of China suggests serious illness occurs in 16% of cases. Older people and people of all ages with severe underlying health conditions — like heart disease, lung disease and diabetes, for example — seem to be at [higher risk of developing serious COVID-19 illness](#).

On March 11, the COVID-19 outbreak was [characterized as a pandemic by the World Health Organization \(WHO\)](#).

More information from the CDC can be found [here](#).

### Map Information

Johns Hopkins University has created a [map](#) to track the outbreak as it progresses.

### Cyber Security

The City of Orlando has alerted to a potential Cybersecurity risk when attempting to find the Johns Hopkins map. Cybersecurity experts have discovered a malicious website pretending to be the live map for Coronavirus COVID-19 Global Cases by Johns Hopkins University. Visiting the malicious website infects users with the AZORult Trojan, an information-stealing program that can exfiltrate a variety of sensitive data. All personnel need to ensure the utilization of reliable sources when accessing the Johns Hopkins University website. The malicious website uses Corona-Virus-Map.com as shown.

**International Travel Restrictions:**

The Department of State advises U.S. citizens to reconsider travel abroad due to the global impact of COVID-19. Many areas throughout the world are now experiencing COVID-19 outbreaks and taking action that may limit traveler mobility, including quarantines and border restrictions. Even countries, jurisdictions, or areas where cases have not been reported may restrict travel without notice.

## TOURISM AND EVENT UPDATES

**Events:**

Several local events over the next month have been cancelled due to the concerns about the COVID-19 spread. The NBA and NHL has cancelled all games for the next 30 days. The Solar Bears have also cancelled the remainder of their season.

**Walt Disney World Resort:**

Beginning Monday March 16<sup>th</sup>, 2020, the theme parks and water parks at Walt Disney World Resort will close all operations until the end of the month. Disney Springs shopping district has closed effective 03/17/2020 until the end of the month. The hotels will close on Friday, March 20, 2020 until the end of the month.

Additionally, Disney Cruise Line has suspended all departures beginning March 14<sup>th</sup>, 2020.

**Universal Orlando Resort:**

Beginning Monday March 16<sup>th</sup>, 2020, Universal Orlando Resort will be closing daily operations at its three theme parks until the end of March. The hotels at Universal Orlando Resort will be closing March 20<sup>th</sup>, 2020 until the end of the month, pending further evaluation. CityWalk on Universal Orlando Resort property has closed until the end of the month.

**Other Tourist Areas:**

SeaWorld Orlando will close their daily operations on Monday March 16<sup>th</sup>, 2020 until the end of the month.

## SCHOOL UPDATES

**OCPS:**

All OCPS schools will be closed until at least April 15, 2020. OCPS Food and Nutrition Services is working on the 50 food distribution students sites. OCPS will be transitioning to distance learning on Monday, March 30, 2020.

**University of Central Florida:**

The UCF EOC is activated to a Level 2 – Partial Activation. Per the Board of Governors, the State University System has extended remote learning through the end of the Spring semester. Traditional on-campus commencement ceremonies will not be held in May. Instead, each university is directed to develop an alternate schedule or method of delivery.

**Valencia Community College:**

Valencia College will resume most face-to-face class on 3/23 in an online format.

## CITY OF ORLANDO ACTIONS

Changes from previous Situation Reports will be in **RED**.

There are currently **50** confirmed cases of COVID-19 in Orange County. The EOC activated to a Level 2 Virtual Partial Activation on Wednesday, March 18, 2020. The Office of Emergency Management is communicating with city departments and area partners and stakeholders.

- On March 13<sup>th</sup>, 2020, Orlando Mayor Buddy Dyer, declared a local state of emergency for the City of Orlando.
- On March 20<sup>th</sup>, 2020, per Executive Order, Mayor Buddy Dyer closed all city owned or controlled venues to public events until April 15, 2020. No City owned or controlled building may be rented for any group meeting during this time period, all previously issued 18A permits have been revoked and no new permits will issue until further notice.
- City of Orlando and Orange County curfew remains in effect daily from 11pm to 5am.
- **Press conference with Orange County today, March 24, 2020 at 5pm**

The following services are open (or modified) within the City:

- Orlando City Hall and other city administrative buildings have closed to the public. Residents should use phone or Orlando.gov to request city services and interact with city government.
- All Public Works services will remain in place, including refuse collection and street sweeping will follow the usual schedule.
- Permitting customers may seek assistance via email, online and phone.  
Visit Orlando.gov/permits for contact information and access to all digital services.
  - Building inspection services will continue to operate.
- Residents can call 321.235.5300 for non-emergency police assistance and general information.
- The Hispanic Office for Local Assistance (HOLA) will be offering services virtually and residents can call 407.246.4310 or email hola@cityoforlando.net.
- Outdoor facilities such as city parks, Leu Gardens and Dubsdread Golf Course will remain open to the public, with necessary social distancing measures in place to adhere to CDC guidelines.

The following services are closed, cancelled, or postponed within the City:

- Orlando City Hall and other city administrative buildings have closed to the public.
- City-hosted, sponsored and permitted events with 10+ attendees are **cancelled or postponed** until April 15, 2020 or until further notice.

- All youth and adult sporting activities and programs are suspended effective immediately until further notice.
- The Orlando Fire Museum, the Mennello Museum of American Art, Beardall Senior Center and L. Claudia Allen Senior Center are closed.
- Beginning at close of business Friday, March 20, all neighborhood, community and recreation centers will close to the public. A limited number of community centers will remain open to provide limited services like meal service to ensure we support our most vulnerable community only with appropriate social distancing.
- Discover Downtown - Information center is closed until further notice.
- Board of Zoning Adjustment, Historic Preservation Board and Appearance Review Board Meetings scheduled for March and April have been cancelled.
- The Mennello Museum of American Art will be temporarily closed until April 15, 2020 until further notice.
- The Permitting Services Customer Care Center, located on the first floor of City Hall, is closed until further notice.
- The City of Orlando Police Department's Business Desk at Police Headquarters is closed until further notice.
- The swan boats at Lake Eola will close at 5 p.m. on March 23, 2020 until further notice.
- All city-owned and operated playgrounds will close at 5 p.m. on March 23, 2020 until further notice.

## CITY DEPARTMENT EVENT RELATED ACTIONS

DEPARTMENT/ESF	DAILY ACTIONS and UPDATES
Information Technology – ESF02	ESF02 is continuing to respond to client's needs to work remotely with equipment and instructions, working to ensure Internet performance is adequate, and monitoring for issues related to technical performance. For any critical IT request please submit an email to <a href="mailto:criticalrequests@orlando.gov">criticalrequests@orlando.gov</a> .
Fire Service/EMS – ESF04/08	ESF04 is monitoring. ESF08 is monitoring for any equipment and supply requests. Requests forwarded to ESF07 include additional personal protective equipment (PPE) and cleaning supplies. Units continue to use the AeroClave system for decontamination.
Emergency Management – ESF05	ESF05, the Office of Emergency Management is currently monitoring the spread of the COVID-19 within central Florida. EM is assisting all departments and ESFs with coordination of supplies and resources. Emergency Management is assisting the Homeless Service Network with coordination for resources and needed supplies to include cots and thermometers. ESF05 is maintaining the virtual EOC through the HSIN online platform.
Procurement – ESF07	ESF07 is assisting with procurement of additional supplies for all departments. City Stores is also assisting with storing and distributing the supplies.
Communications – ESF14	ESF14 is drafting and sharing employee communications, drafting and sharing external communications, responding to all resident inquiries through digital platforms, responding to media inquiries, and updating the <a href="http://Orlando.gov/covid19">Orlando.gov/covid19</a> webpage. ESF14 is also planning and providing support for a 5:00 press conference today with Orange County.
Police – ESF16	ESF16 has requested additional replacement PPE supplies through Orange County EOC; no ordered PPE has been received. All Officers who transport are to report to Advent Health to have vehicle sanitized using the AeroClave 3110 unit. Currently Officers are limiting the interaction with the public for non-emergency calls. ESF16 personnel are monitoring the virtual EOC.
Legal – City Attorney's Office	City Legal is monitoring and providing support to departments as needed.

## GENERAL EVENT INFORMATION

### Regional Information:

All counties in Region 5, with the exception of Indian River County, are at a Level 2 Partial Activation.

Department of Health (DOH) – Orange reports the East-side collection site at 12050 East Colonial Drive is open. The hours of operation are from 0800 to 1700 hours by appointment only. DOH has a limited number of test kits available.

Orange County Government has agreed to host one of the three Regional Testing Sites in the State of Florida on the Orange County Convention Center property. This site is tentatively scheduled to open on Wednesday, March 25, 2020.

Advent Health established a COVID-19 hotline. Nurses from the Hospital Group staff the hotline 24 hours a day and seven days a week. Those with questions or concerns should call 1-877-847-8747.

Orlando Health has launched a hotline for the community to obtain information about COVID-19. The public can get accurate information by calling 1-877-321-2684; the hotline is available 24 hours a day, seven days a week.

Orlando Utilities Commission (OUC) has closed walk-in centers; customers may conduct business over the phone or via self-service channels. OUC has waived late fees and suspended disconnections until further notice. OUC Emergency Management has moved to a Level 2 Partial Activation.

LYNX reports LYMMO hours will be adjusted on links 60, 61, 62, and 63 to comply with the current curfew order; other LYNX services will operate as scheduled. LYNX Central Station's terminal lobby will be closed from 2300 through 0500 hours in accordance with Orange County's mandatory curfew. LYNX continues to follow increased housekeeping measures and provide information to employees and customers. LYNX established a web page for public information: [What We are Doing to Protect You from the Coronavirus](#).

### State Information:

The State EOC moved to a Level I – Full activation on March 16<sup>th</sup>, 2020.

Florida Department of Health Call Center 1-866-779-6121 is available 24 hours a day or [COVID-19@flhealth.com](mailto:COVID-19@flhealth.com)

Florida Attorney General, Ashley Moody activated Florida's Price Gouging Hotline. Consumers can report price gouging by phone at 1-866-966-7226 or online at [myfloridalegal.com](http://myfloridalegal.com).

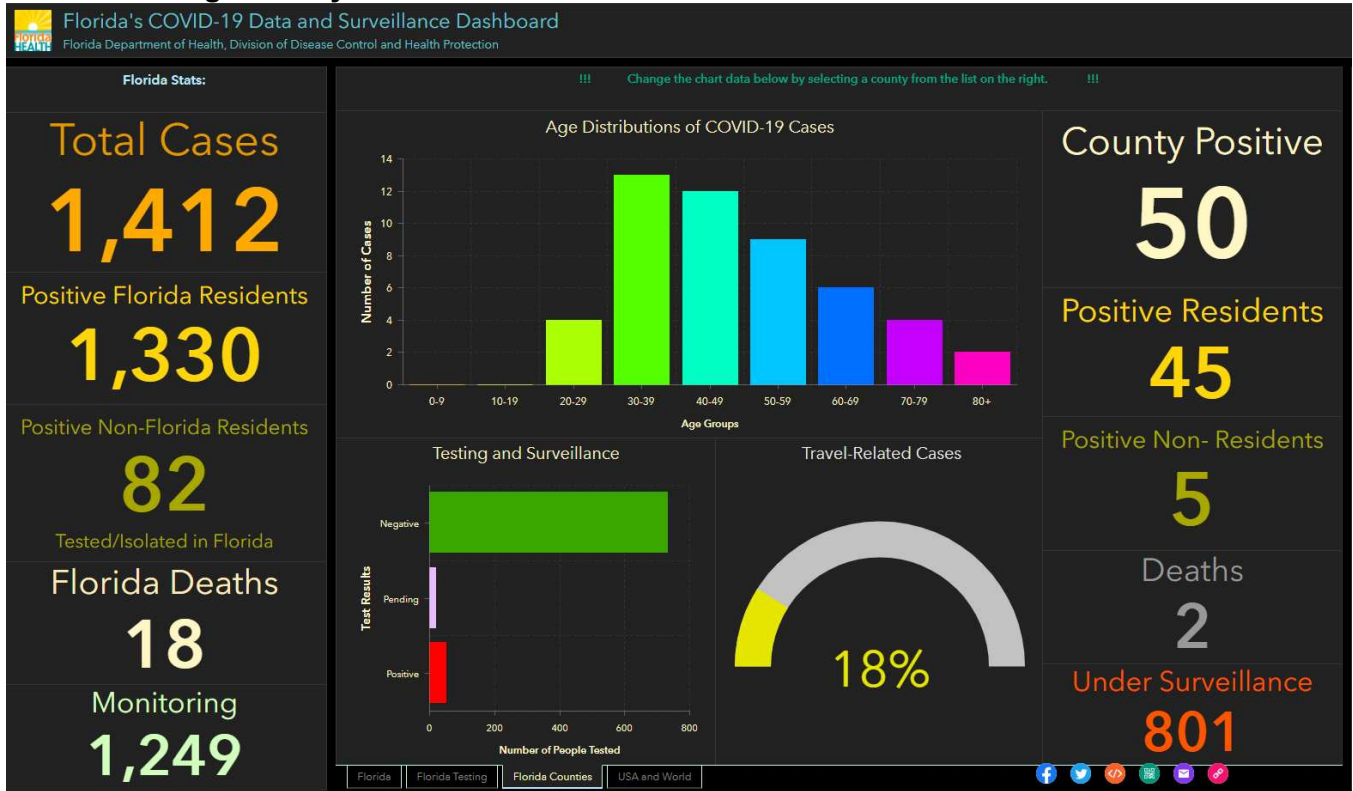

Florida recently partnered with private laboratories around the state to expand COVID-19 laboratory testing capacity. This partnership will increase the number of tests conducted each day and ensure Floridians receive the critical health information they need in a timely manner.

Expansion to private laboratories changes the COVID-19 testing landscape in Florida. Private laboratories are running tests as they receive swab samples from practitioners. Testing and reporting times vary among commercial and DOH laboratories. Demographic information may be updated during investigations. These twice daily reports reflect the state's efforts to accurately and transparently share information. More information on a case-by-case basis can also be found [here](#).

Field hospitals are being deployed/staged:

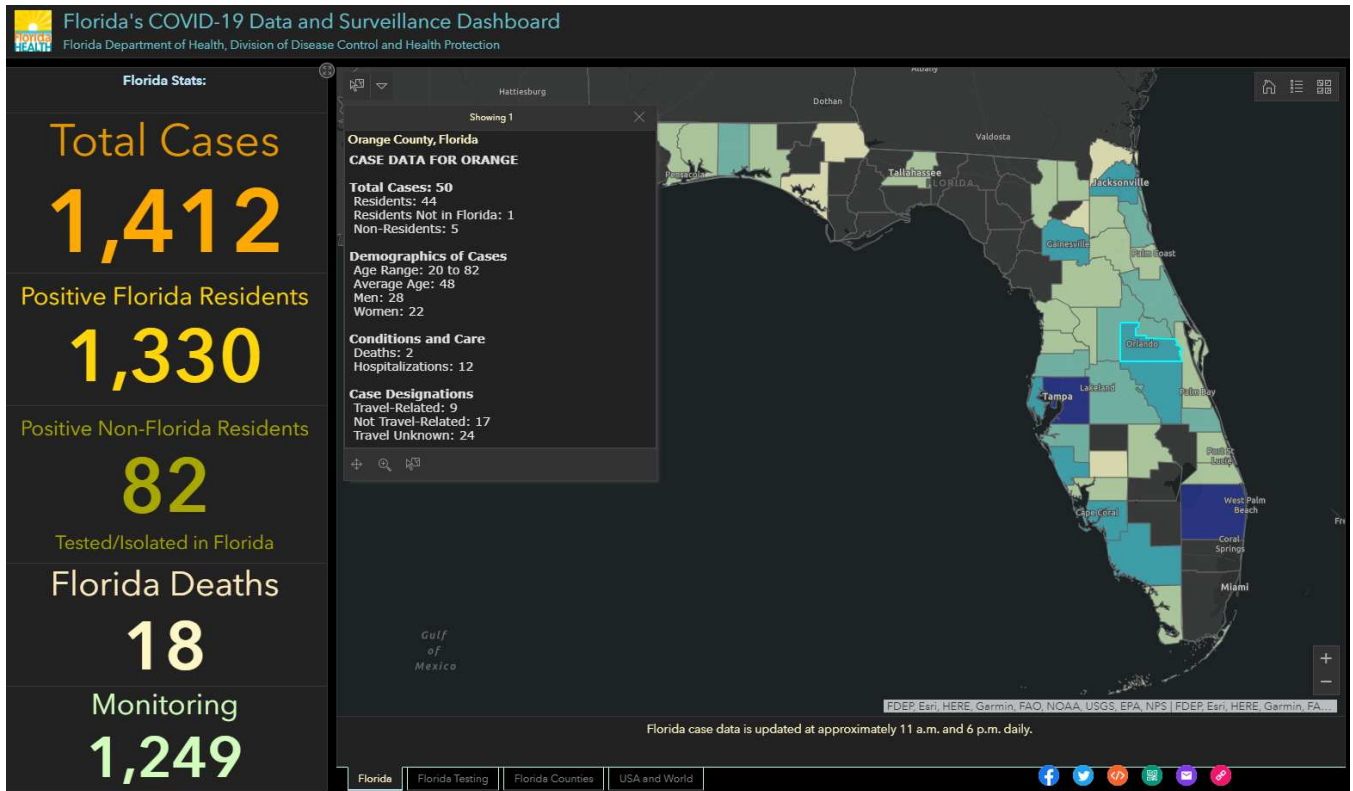

- One field hospital is in Broward County
- One field hospital is currently staged in Orlando and can be deployed to other areas in the state as needed
- One field hospital is staged in Ocala area and can be deployed to other areas as needed

## Cases in Orange County

**Domestic Travel Restrictions:**

As of right now, there are no travel restrictions put in place for domestic travel in the US by the Federal Government.

**The City of Orlando is monitoring the situation and may update travel restrictions for unnecessary travel for its employees.**

Additional CDC travel information can be found [here](#).

**International Travel Restrictions:**

The Department of State advises U.S. citizens to reconsider travel abroad due to the global impact of COVID-19. Many areas throughout the world are now experiencing COVID-19 outbreaks and taking action that may limit traveler mobility, including quarantines and border restrictions. Even countries, jurisdictions, or areas where cases have not been reported may restrict travel without notice.

**TOURISM AND EVENT UPDATES**

Visit Orlando has established an assistance line to support visitors in need. Visitors can call 407-363-5872 or live chat with representatives through [www.visitorlando.com](http://www.visitorlando.com). For traveler FAQs, resources for visitors, and other information related to COVID-19, please see Visit Orlando's travel safety page.

**Events:**

Several local events over the next month have been cancelled due to the concerns about the COVID-19 spread. The NBA and NHL has cancelled all games for the next 30 days. The Solar Bears have also cancelled the remainder of their season.

**Walt Disney World Resort:**

Beginning Monday March 16<sup>th</sup>, 2020, the theme parks and water parks at Walt Disney World Resort will close all operations until the end of the month. Disney Springs shopping district has closed effective 03/17/2020 until the end of the month. The hotels will close on Friday, March 20, 2020 until the end of the month.

Additionally, Disney Cruise Line has suspended all departures beginning March 14<sup>th</sup>, 2020.

**Universal Orlando Resort:**

Beginning Monday March 16<sup>th</sup>, 2020, Universal Orlando Resort will be closing daily operations at its three theme parks until the end of March. The hotels at Universal Orlando Resort will be closing March 20<sup>th</sup>, 2020 until the end of the month, pending further evaluation. CityWalk on Universal Orlando Resort property has closed until the end of the month.

**Other Tourist Areas:**

SeaWorld Orlando will close their daily operations on Monday March 16<sup>th</sup>, 2020 until the end of the month.

**SCHOOL UPDATES**

**OCPS:**

All OCPS schools will be closed until at least April 15, 2020. OCPS Food and Nutrition Services opened the 50 student food distribution sites on Monday, March 23, 2020. The food distribution sites will be operating Monday through Friday from 10:00 to 14:00 hours. On Day 1, March 23 OCPS served 50,409

meals to 16,803 school aged children. OCPS District offices will be open Monday to Friday 9:00 am to 3:00 pm. OCPS EOC will be open Monday to Friday 8:00 am to 3:00 pm. OCPS will be transitioning to distance learning on Monday, March 30, 2020.

**University of Central Florida:**

The UCF EOC is activated to a Level 2 – Partial Activation. Per the Board of Governors, the State University System has extended remote learning through the end of the Spring semester. Traditional on-campus commencement ceremonies will not be held in May. Instead, each university is directed to develop an alternate schedule or method of delivery.

**Valencia Community College:**

Valencia College will resume most face-to-face class on March 23, 2020 in an online format.

## PARTNER EMERGENCY OPERATIONS CENTERS

- Orange County – Level II Partial Activation effective March 13, 2020

## CITY OF ORLANDO ACTIONS

Changes from previous Situation Reports will be in **RED**.

There are currently **50** confirmed cases of COVID-19 in Orange County. The EOC activated to a Level 2 Virtual Partial Activation on Wednesday, March 18, 2020. The Office of Emergency Management is communicating with city departments and area partners and stakeholders.

- On March 13<sup>th</sup>, 2020, Orlando Mayor Buddy Dyer, declared a local state of emergency for the City of Orlando.
- On March 20<sup>th</sup>, 2020, per Executive Order, Mayor Buddy Dyer closed all city owned or controlled venues to public events until April 15, 2020. No City owned or controlled building may be rented for any group meeting during this time period, all previously issued 18A permits have been revoked and no new permits will issue until further notice.
- City of Orlando and Orange County curfew remains in effect daily from 11pm to 5am.
- **Press conference with Orange County today, March 24, 2020 at 5pm**

The following services are open (or modified) within the City:

- Orlando City Hall and other city administrative buildings have closed to the public. Residents should use phone or Orlando.gov to request city services and interact with city government.
- All Public Works services will remain in place, including refuse collection and street sweeping will follow the usual schedule.
- Permitting customers may seek assistance via email, online and phone.  
Visit Orlando.gov/permits for contact information and access to all digital services.
  - Building inspection services will continue to operate.
- Residents can call 321.235.5300 for non-emergency police assistance and general information.
- The Hispanic Office for Local Assistance (HOLA) will be offering services virtually and residents can call 407.246.4310 or email hola@cityoforlando.net.
- Outdoor facilities such as city parks, Leu Gardens and Dubsdread Golf Course will remain open to the public, with necessary social distancing measures in place to adhere to CDC guidelines.

The following services are closed, cancelled, or postponed within the City:

- Orlando City Hall and other city administrative buildings have closed to the public.
- City-hosted, sponsors and permitted events with 10+ attendees are **cancelled or postponed** until April 15, 2020 or until further notice.

- All youth and adult sporting activities and programs are suspended effective immediately until further notice.
- The Orlando Fire Museum, the Mennello Museum of American Art, Beardall Senior Center and L. Claudia Allen Senior Center are closed.
- Beginning at close of business Friday, March 20, all neighborhood, community and recreation centers will close to the public. A limited number of community centers will remain open to provide limited services like meal service to ensure we support our most vulnerable community only with appropriate social distancing.
- Discover Downtown - Information center is closed until further notice.
- Board of Zoning Adjustment, Historic Preservation Board and Appearance Review Board Meetings scheduled for March and April have been cancelled.
- The Mennello Museum of American Art will be temporarily closed until April 15, 2020 until further notice.
- The Permitting Services Customer Care Center, located on the first floor of City Hall, is closed until further notice.
- The City of Orlando Police Department's Business Desk at Police Headquarters is closed until further notice.
- The swan boats at Lake Eola will close at 5 p.m. on March 23, 2020 until further notice.
- All city-owned and operated playgrounds will close at 5 p.m. on March 23, 2020 until further notice.

## CITY DEPARTMENT EVENT RELATED ACTIONS

DEPARTMENT/ESF	DAILY ACTIONS and UPDATES
Information Technology – ESF02	ESF02 is continuing to respond to client's needs to work remotely with equipment and instructions, working to ensure Internet performance is adequate, and monitoring for issues related to technical performance. For any critical IT request please submit an email to <a href="mailto:criticalrequests@orlando.gov">criticalrequests@orlando.gov</a> .
Fire Service/EMS – ESF04/08	ESF04 is monitoring. ESF08 is monitoring for any equipment and supply requests. Requests forwarded to ESF07 include additional personal protective equipment (PPE) and cleaning supplies. Units continue to use the AeroClave system for decontamination.
Emergency Management – ESF05	ESF05, the Office of Emergency Management is currently monitoring the spread of the COVID-19 within central Florida. EM is assisting all departments and ESFs with coordination of supplies and resources. Emergency Management is assisting the Homeless Service Network with coordination for resources and needed supplies to include cots and thermometers. ESF05 is maintaining the virtual EOC through the HSIN online platform.
Procurement – ESF07	ESF07 is assisting with procurement of additional supplies for all departments. City Stores is also assisting with storing and distributing the supplies.
Communications – ESF14	ESF14 is drafting and sharing employee communications, drafting and sharing external communications, responding to all resident inquiries through digital platforms, responding to media inquiries, and updating the <a href="http://Orlando.gov/covid19">Orlando.gov/covid19</a> webpage. ESF14 is also planning and providing support for a 5:00 press conference today with Orange County.
Police – ESF16	ESF16 has requested additional replacement PPE supplies through Orange County EOC; no ordered PPE has been received. All Officers who transport are to report to Advent Health to have vehicle sanitized using the AeroClave 3110 unit. Currently Officers are limiting the interaction with the public for non-emergency calls. ESF16 personnel are monitoring the virtual EOC.
Legal – City Attorney's Office	City Legal is monitoring and providing support to departments as needed.

## GENERAL EVENT INFORMATION

### Regional Information:

All counties in Region 5, with the exception of Indian River County, are at a Level 2 Partial Activation.

Department of Health (DOH) – Orange reports the East-side collection site at 12050 East Colonial Drive is open. The hours of operation are from 0800 to 1700 hours by appointment only. DOH has a limited number of test kits available.

Orange County Government has agreed to host one of the three Regional Testing Sites in the State of Florida on the Orange County Convention Center property. This site is tentatively scheduled to open on Wednesday, March 25, 2020.

Advent Health established a COVID-19 hotline. Nurses from the Hospital Group staff the hotline 24 hours a day and seven days a week. Those with questions or concerns should call 1-877-847-8747.

Orlando Health has launched a hotline for the community to obtain information about COVID-19. The public can get accurate information by calling 1-877-321-2684; the hotline is available 24 hours a day, seven days a week.

Orlando Utilities Commission (OUC) has closed walk-in centers; customers may conduct business over the phone or via self-service channels. OUC has waived late fees and suspended disconnections until further notice. OUC Emergency Management has moved to a Level 2 Partial Activation.

LYNX reports LYMMO hours will be adjusted on links 60, 61, 62, and 63 to comply with the current curfew order; other LYNX services will operate as scheduled. LYNX Central Station's terminal lobby will be closed from 2300 through 0500 hours in accordance with Orange County's mandatory curfew. LYNX continues to follow increased housekeeping measures and provide information to employees and customers. LYNX established a web page for public information: [What We are Doing to Protect You from the Coronavirus](#).

### State Information:

The State EOC moved to a Level I – Full activation on March 16<sup>th</sup>, 2020.

Florida Department of Health Call Center 1-866-779-6121 is available 24 hours a day or [COVID-19@flhealth.com](mailto:COVID-19@flhealth.com)

Florida Attorney General, Ashley Moody activated Florida's Price Gouging Hotline. Consumers can report price gouging by phone at 1-866-966-7226 or online at [myfloridalegal.com](http://myfloridalegal.com).

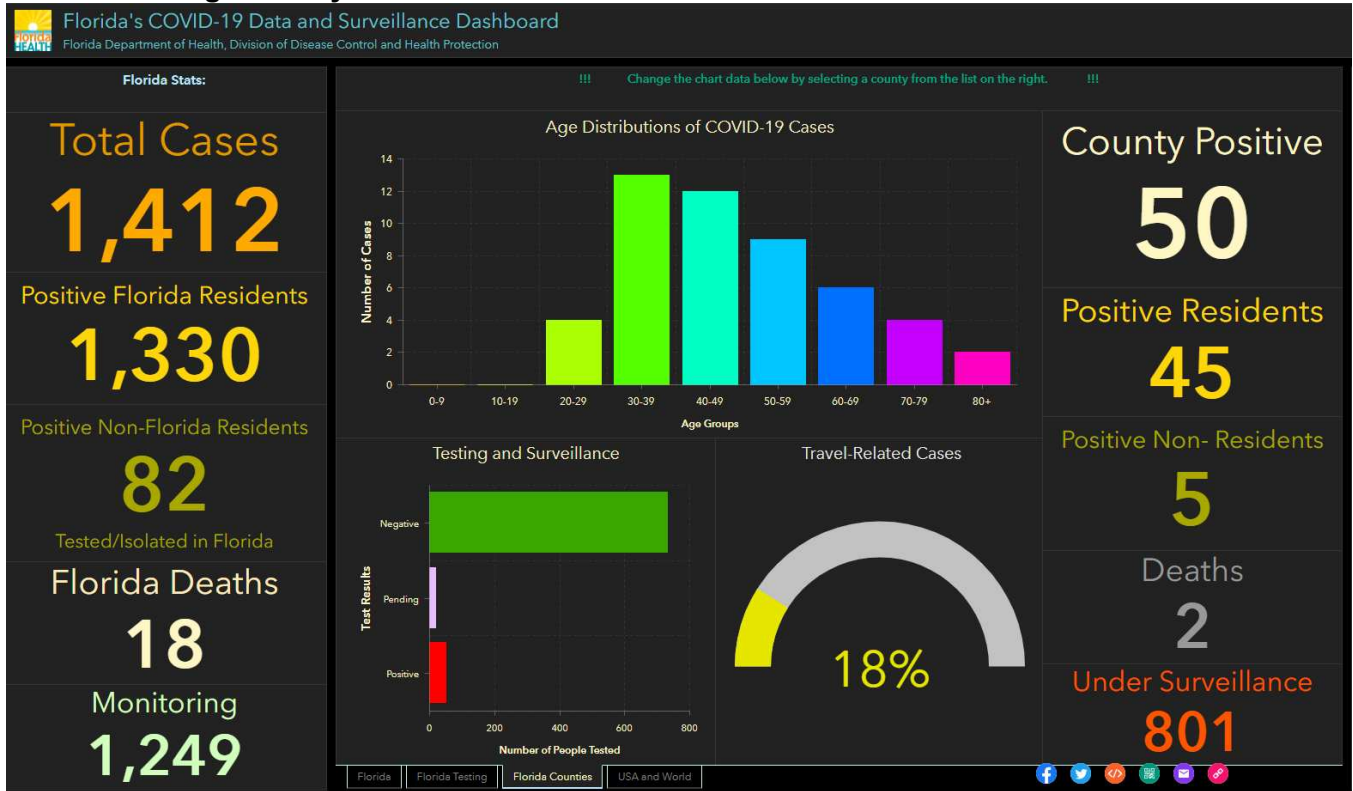

Florida recently partnered with private laboratories around the state to expand COVID-19 laboratory testing capacity. This partnership will increase the number of tests conducted each day and ensure Floridians receive the critical health information they need in a timely manner.

Expansion to private laboratories changes the COVID-19 testing landscape in Florida. Private laboratories are running tests as they receive swab samples from practitioners. Testing and reporting times vary among commercial and DOH laboratories. Demographic information may be updated during investigations. These twice daily reports reflect the state's efforts to accurately and transparently share information. More information on a case-by-case basis can also be found [here](#).

Field hospitals are being deployed/staged:

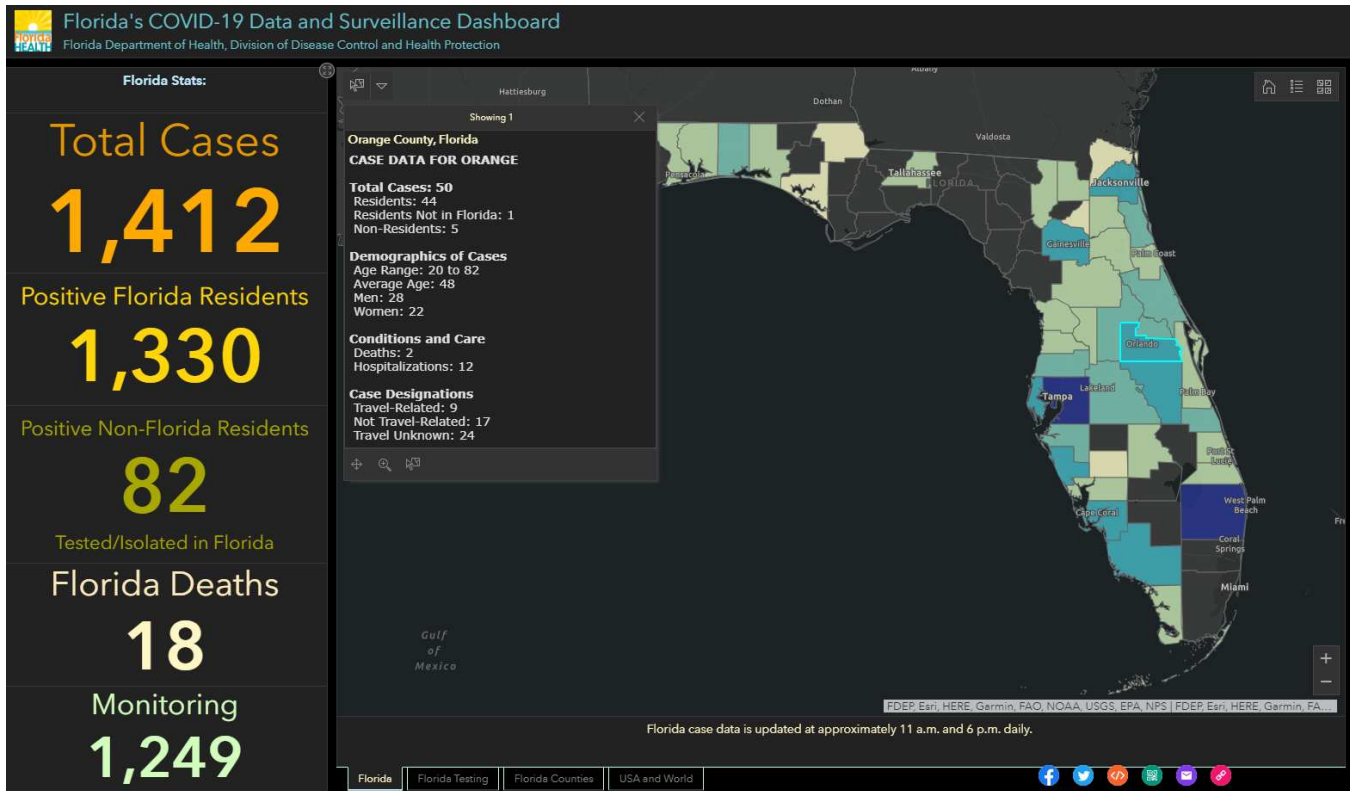

- One field hospital is in Broward County
- One field hospital is currently staged in Orlando and can be deployed to other areas in the state as needed
- One field hospital is staged in Ocala area and can be deployed to other areas as needed

## Cases in Orange County

FDOH, updated 3.24.2020 11:00am

## Cases in Florida

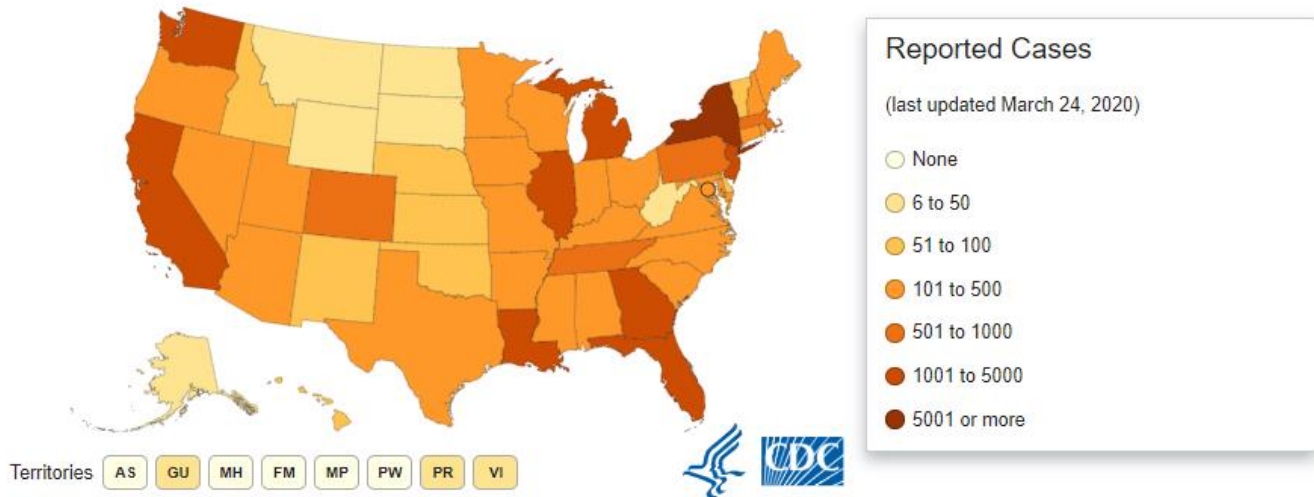

FDOH, updated 3.24.2020 11:00am

## Cases, United States

# COVID-19 Cases in the U.S.

[Cases in U.S.](#) > [Situation Summary](#) >

### CDC Information

CDC is responding to a [pandemic](#) of respiratory disease [spreading](#) from person-to-person caused by a novel (new) [coronavirus](#). The disease has been named “coronavirus disease 2019” (abbreviated “COVID-19”). This situation poses a serious [public health risk](#). The federal government is working closely with state, local, tribal, and territorial partners, as well as public health partners, to [respond](#) to this situation. COVID-19 can cause [mild to severe illness](#); most severe illness occurs in older adults.

Different parts of the country are seeing different levels of COVID-19 activity. The United States nationally is in the initiation phase of the pandemic. States in which community spread is occurring are in the acceleration phase. The duration and severity of each pandemic phase can vary depending on the characteristics of the virus and the public health response.

On March 11, the COVID-19 outbreak was [characterized as a pandemic by the World Health Organization \(WHO\)](#).

More information from the CDC can be found [here](#).

### Map Information

Johns Hopkins University has created a [map](#) to track the outbreak as it progresses.

### Cyber Security

The City of Orlando has alerted to a potential Cybersecurity risk when attempting to find the Johns Hopkins map. Cybersecurity experts have discovered a malicious website pretending to be the live map for Coronavirus COVID-19 Global Cases by Johns Hopkins University. Visiting the malicious website infects users with the AZORult Trojan, an information-stealing program that can exfiltrate a variety of sensitive data. All personnel need to ensure the utilization of reliable sources when accessing the Johns Hopkins University website. The malicious website uses Corona-Virus-Map.com as shown.

- 305 Flights Cancelled, 134 Arrivals and 171 Departures
- Today, total Projected Departing Passengers, 13,384 was 64,672
- Yesterday's total Departing Passengers, 18,039, projected was 76,841
- Last Year same date Departing Passengers, 83,241. Year over percentage is -84%

**Domestic Travel Restrictions:**

As of right now, there are no travel restrictions put in place for domestic travel in the US by the Federal Government.

**The City of Orlando is monitoring the situation and may update travel restrictions for unnecessary travel for its employees.**

Additional CDC travel information can be found [here](#).

**International Travel Restrictions:**

The Department of State advises U.S. citizens to reconsider travel abroad due to the global impact of COVID-19. Many areas throughout the world are now experiencing COVID-19 outbreaks and taking action that may limit traveler mobility, including quarantines and border restrictions. Even countries, jurisdictions, or areas where cases have not been reported may restrict travel without notice.

**TOURISM AND EVENT UPDATES**

Visit Orlando has established an assistance line to support visitors in need. Visitors can call 407-363-5872 or live chat with representatives through [www.visitorlando.com](http://www.visitorlando.com). For traveler FAQs, resources for visitors, and other information related to COVID-19, please see Visit Orlando's travel safety page.

**Events:**

Several local events over the next month have been cancelled due to the concerns about the COVID-19 spread. The NBA and NHL has cancelled all games for the next 30 days. The Solar Bears have also cancelled the remainder of their season.

**Walt Disney World Resort:**

Beginning Monday March 16<sup>th</sup>, 2020, the theme parks and water parks at Walt Disney World Resort will close all operations until the end of the month. Disney Springs shopping district has closed effective 03/17/2020 until the end of the month. The hotels will close on Friday, March 20, 2020 until the end of the month.

Additionally, Disney Cruise Line has suspended all departures beginning March 14<sup>th</sup>, 2020.

**Universal Orlando Resort:**

Beginning Monday March 16<sup>th</sup>, 2020, Universal Orlando Resort will be closing daily operations at its three theme parks until the end of March. The hotels at Universal Orlando Resort will be closing March 20<sup>th</sup>, 2020 until the end of the month, pending further evaluation. CityWalk on Universal Orlando Resort property has closed until the end of the month.

**Other Tourist Areas:**

SeaWorld Orlando will close their daily operations on Monday March 16<sup>th</sup>, 2020 until the end of the month.

**SCHOOL UPDATES**

**OCPS:**

All OCPS schools will be closed until at least April 15, 2020. OCPS Food and Nutrition Services opened the 50 student food distribution sites on Monday, March 23, 2020. The food distribution sites will be operating Monday through Friday from 10:00 to 14:00 hours. On Day 1, March 23 OCPS served 50,409

meals to 16,803 school aged children. OCPS District offices will be open Monday to Friday 9:00 am to 3:00 pm. OCPS EOC will be open Monday to Friday 8:00 am to 3:00 pm. OCPS will be transitioning to distance learning on Monday, March 30, 2020.

**University of Central Florida:**

The UCF EOC is activated to a Level 2 – Partial Activation. Per the Board of Governors, the State University System has extended remote learning through the end of the Spring semester. Traditional on-campus commencement ceremonies will not be held in May. Instead, each university is directed to develop an alternate schedule or method of delivery.

**Valencia Community College:**

Valencia College will resume most face-to-face class on March 23, 2020 in an online format.

Florida has a very broad public records law. As a result, any written communication created or received by the City of Orlando officials and employees will be made available to the public and media, upon request, unless otherwise exempt. Under Florida law, email addresses are public records. If you do not want your email address released in response to a public records request, do not send electronic mail to this office. Instead, contact our office by phone or in writing.

# SITUATIONAL REPORT EMERGENCY OPERATION CENTER

Date: 3/25/2020

<b>INCIDENT NAME</b> COVID-19	<b>SITREP #</b> 5	<b>OPERATIONAL PERIOD</b> March 25, 2020
<b>CITY ACTIVATION LEVEL</b> 3- Monitoring / 2- Partial / 1- Full	<b>2 - Partial</b>	<b>OPERATIONAL TIME</b> 0800-1700
<b>STATE ACTIVATION LEVEL</b> 3- Normal / 2- Partial / 1- Full	<b>1 - Full</b>	

## GENERAL PERSONNEL INFORMATION

**EOC Managers** | Manny Soto / 321-436-3985 | April Taylor / 407-234-9061

## CITY OF ORLANDO ACTIONS

Changes from previous Situation Reports will be in **RED**.

There are currently **77** confirmed cases of COVID-19 in Orange County. The EOC activated to a Level 2 Virtual Partial Activation on Wednesday, March 18, 2020. The Office of Emergency Management is communicating with city departments and area partners and stakeholders.

- On March 13<sup>th</sup>, 2020, Orlando Mayor Buddy Dyer, declared a local state of emergency for the City of Orlando.
- On March 20<sup>th</sup>, 2020, per Executive Order, Mayor Buddy Dyer closed all city owned or controlled venues to public events until April 15, 2020. No City owned or controlled building may be rented for any group meeting during this time period, all previously issued 18A permits have been revoked and no new permits will issue until further notice.
- City of Orlando and Orange County curfew remains in effect daily from 11pm to 5am.
- **To further combat the spread of COVID-19 in our community, Mayor Buddy Dyer has joined Orange County Mayor Jerry L. Demings in supporting a Stay at Home Order for all residents and closing all non-essential businesses, starting Thursday, March 26, 2020 at 11 p.m. and continuing through April 9, 2020.**

The following services are open (or modified) within the City:

- Orlando City Hall and other city administrative buildings have closed to the public. Residents should use phone or Orlando.gov to request city services and interact with city government.
- All Public Works services will remain in place, including refuse collection and street sweeping will follow the usual schedule.
- Permitting customers may seek assistance via email, online and phone. Visit Orlando.gov/permits for contact information and access to all digital services.
  - Building inspection services will continue to operate.
- Residents can call 321.235.5300 for non-emergency police assistance and general information.
- The Hispanic Office for Local Assistance (HOLA) will be offering services virtually and residents can call 407.246.4310 or email hola@cityoforlando.net.
- Outdoor facilities such as city parks, Leu Gardens and Dubsdread Golf Course will remain open to the public, with necessary social distancing measures in place to adhere to CDC guidelines.

The following services are closed, cancelled, or postponed within the City:

- Orlando City Hall and other city administrative buildings have closed to the public.

**For Official Use Only (FOUO)**

- City-hosted, sponsors and permitted events with 10+ attendees are [cancelled or postponed](#) until April 15, 2020 or until further notice.
- All youth and adult sporting activities and programs are suspended effective immediately until further notice.
- The Orlando Fire Museum, the Mennello Museum of American Art, Beardall Senior Center and L. Claudia Allen Senior Center are closed.
- Beginning at close of business Friday, March 20, all neighborhood, community and recreation centers will close to the public. A limited number of community centers will remain open to provide limited services like meal service to ensure we support our most vulnerable community only with appropriate social distancing.
- Discover Downtown - Information center is closed until further notice.
- Board of Zoning Adjustment, Historic Preservation Board and Appearance Review Board Meetings scheduled for March and April have been cancelled.
- The Mennello Museum of American Art will be temporarily closed until April 15, 2020 until further notice.
- The Permitting Services Customer Care Center, located on the first floor of City Hall, is closed until further notice.
- The City of Orlando Police Department’s Business Desk at Police Headquarters is closed until further notice.
- The swan boats at Lake Eola will close at 5 p.m. on March 23, 2020 until further notice.
- All city-owned and operated playgrounds will close at 5 p.m. on March 23, 2020 until further notice.
- All Orange County boat ramps are closed.

**CITY DEPARTMENT EVENT RELATED ACTIONS**

DEPARTMENT/ESF	DAILY ACTIONS and UPDATES
Information Technology – ESF02	ESF02 is continuing to respond to client’s needs to work remotely with equipment and instructions, working to ensure Internet performance is adequate, and monitoring for issues related to technical performance. For any critical IT request please submit an email to <a href="mailto:criticalrequests@orlando.gov">criticalrequests@orlando.gov</a> .
Fire Service/EMS – ESF04/08	<p>ESF04 is monitoring. ESF08 is monitoring for any equipment and supply requests. Units continue to use the AeroClave system for decontamination. The following requests for personal protective equipment (PPE) and cleaning supplies have been communicated to ESF07.</p> <p><u>Vendor Identified:</u></p> <ul style="list-style-type: none"> <li>• 3 cases (50/case) Adult Nebulizer Masks</li> <li>• 3 cases (50/case) Nebulizer 22mm Handheld 7"</li> <li>• 3 cases (50/case) Adult Mask Oxygen Elongated Non-Rebreathers</li> </ul> <p><u>The following were found to be unavailable:</u></p> <ul style="list-style-type: none"> <li>• 100 Cases (12/case) Hand Sanitizer foam cans</li> <li>• 50 boxes (200/box) Ear probe covers</li> <li>• 50 boxes (50/box) Thermometer Probe Covers</li> </ul> <p><u>Items from City Stores for Station #10 order will be delivered by OFD Supply (per Deputy Chief Davis):</u></p> <ul style="list-style-type: none"> <li>• 5 Lysol</li> <li>• 5 bleach</li> <li>• 3 Sani Cloth +</li> <li>• 4 boxes of rags</li> <li>• 4 cs of multi-folds</li> <li>• 2 cs of roll paper</li> <li>• 5 spray bottles</li> <li>• 5 hand sanitizers</li> </ul>

**For Official Use Only (FOUO)**

Emergency Management – ESF05	<p>ESF05, the Office of Emergency Management is currently monitoring the spread of the COVID-19 within central Florida. EM is assisting all departments and ESFs with coordination of supplies and resources. Emergency Management is assisting the Homeless Service Network with coordination for resources and needed supplies to include cots and thermometers. ESF05 is maintaining the virtual EOC through the HSIN online platform.</p> <p>Conference Calls Emergency Management is participating in and monitoring for information:</p> <ul style="list-style-type: none"> <li>• Orange County Emergency Operations Center – Daily at 8am and 6pm</li> <li>• State EOC Hospitals and Florida Hospital Association Call - Daily at 10am</li> <li>• City Executive Policy Group - Tuesday/Thursday 10am</li> <li>• County Emergency Managers Situation update - Daily at 11:15am</li> <li>• White House Conference Call - Intermittent usually at 1pm or 8pm</li> <li>• Shelter/Outreach Coronavirus Preparedness – MWF at 4pm</li> <li>• Florida Division of Emergency Management (FDEM) Region 5 (central Florida) - Tuesdays/Thursday at 5pm</li> <li>• State EOC Healthcare Provider Call hosted by FDOH - Tuesdays at 6:30pm</li> </ul>
Procurement – ESF07	ESF07 is assisting with procurement of additional supplies for all departments. City Stores is also assisting with storing and distributing the supplies.
Communications – ESF14	ESF14 is drafting and sharing employee communications, drafting and sharing external communications, responding to all resident inquiries through digital platforms, responding to media inquiries, and updating the <a href="http://Orlando.gov/covid19">Orlando.gov/covid19</a> webpage.
Police – ESF16	ESF16 has requested additional replacement PPE supplies through Orange County EOC; no ordered PPE has been received. OPD is continuing to take inventory of current supply levels. All Officers who transport are to report to Advent Health to have vehicle sanitized using the AeroClave 3110 unit. OPD is providing information to personnel regarding the COVID-19 testing site at the convention center. OPD is continuing to enforce nightly curfew.
Legal – City Attorney's Office	City Legal is monitoring and providing support to departments as needed.

**GENERAL EVENT INFORMATION**

**Regional Information:**

All counties in Region 5, with the exception of Indian River County, are at a Level 2 Partial Activation.

Department of Health (DOH) – Orange reports the East-side collection site at 12050 East Colonial Drive is open. The hours of operation are from 0800 to 1700 hours by appointment only. DOH has a limited number of test kits available.

Orange County Government has agreed to host one of the three Regional Testing Sites in the State of Florida on the Orange County Convention Center property. This site opened today, Wednesday, March 25, 2020. The site is operated in cooperation with the Florida Division of Emergency Management and funded by the Federal Government. The intention of this location is to provide testing to healthcare workers, first responders, and those 65+ that are exhibiting COVID-19 symptoms.

Advent Health established a COVID-19 hotline. Nurses from the Hospital Group staff the hotline 24 hours a day and seven days a week. Those with questions or concerns should call 1-877-847-8747.

Orlando Health has launched a hotline for the community to obtain information about COVID-19. The public can get accurate information by calling 1-877-321-2684; the hotline is available 24 hours a day, seven days a week.

Orlando Utilities Commission (OUC) has closed walk-in centers; customers may conduct business over the phone or via self-service channels. OUC has waived late fees and suspended disconnections until further notice. OUC Emergency Management has moved to a Level 2 Partial Activation.

LYNX reports LYMMO and other LYNX services will operate as scheduled. LYNX Central Station's terminal lobby will be closed from 2300 through 0500 hours in accordance with Orange County's mandatory curfew. LYNX continues to follow increased housekeeping measures and provide information to employees and customers. LYNX established a web page for public information: [What We are Doing to Protect You from the Coronavirus](#).

**State Information:**

The State EOC is currently at a Level I – Full activation.

Florida Department of Health Call Center 1-866-779-6121 is available 24 hours a day or [COVID-19@flhealth.com](mailto:COVID-19@flhealth.com)

Florida Attorney General, Ashley Moody activated Florida's Price Gouging Hotline. Consumers can report price gouging by phone at 1-866-966-7226 or online at [myfloridalegal.com](http://myfloridalegal.com).

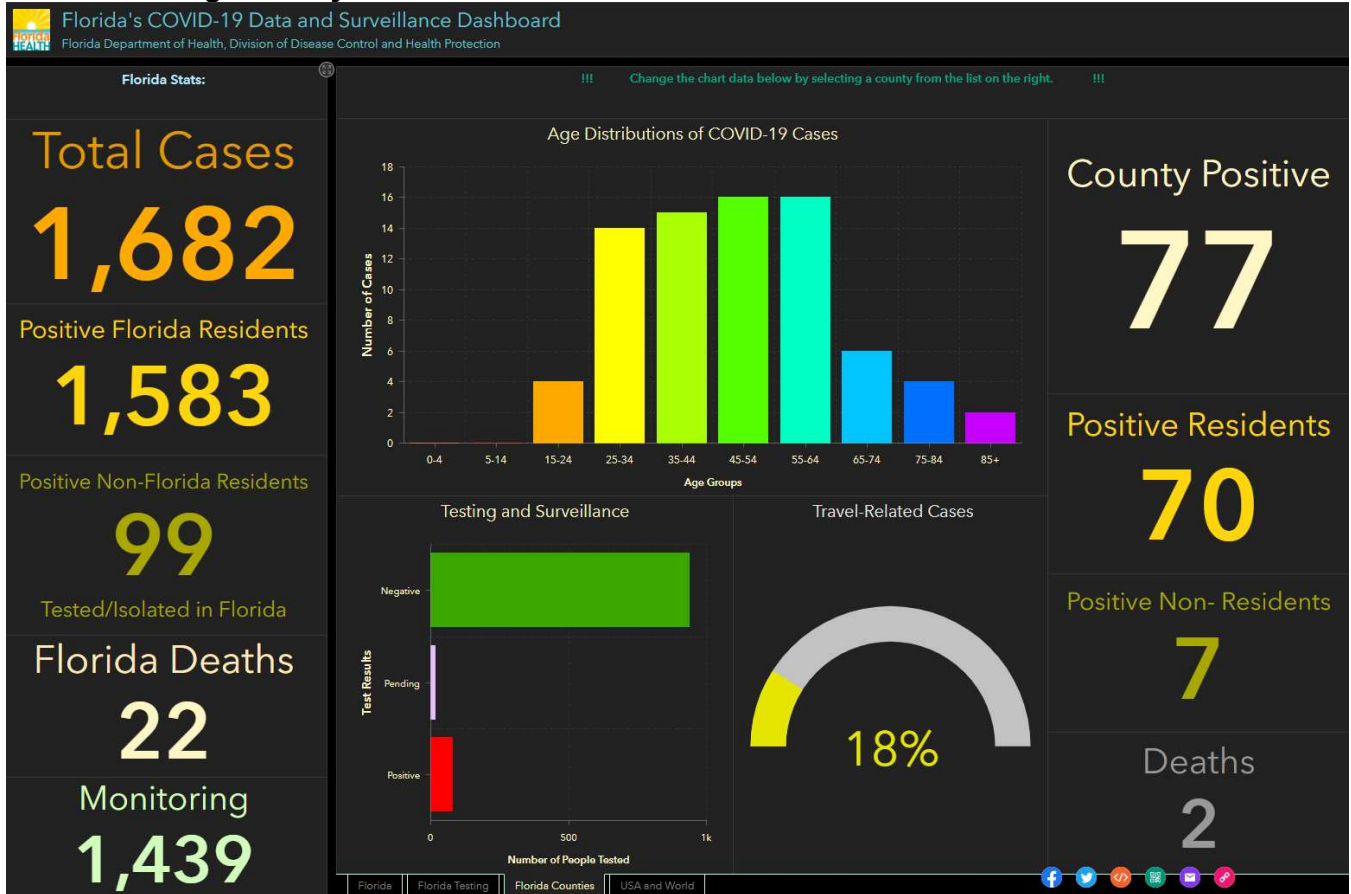

Florida recently partnered with private laboratories around the state to expand COVID-19 laboratory testing capacity. This partnership will increase the number of tests conducted each day and ensure Floridians receive the critical health information they need in a timely manner.

Expansion to private laboratories changes the COVID-19 testing landscape in Florida. Private laboratories are running tests as they receive swab samples from practitioners. Testing and reporting times vary among commercial and DOH laboratories. Demographic information may be updated during investigations. These twice daily reports reflect the state's efforts to accurately and transparently share information. More information on a case-by-case basis can also be found [here](#).

Field hospitals are being deployed/staged:

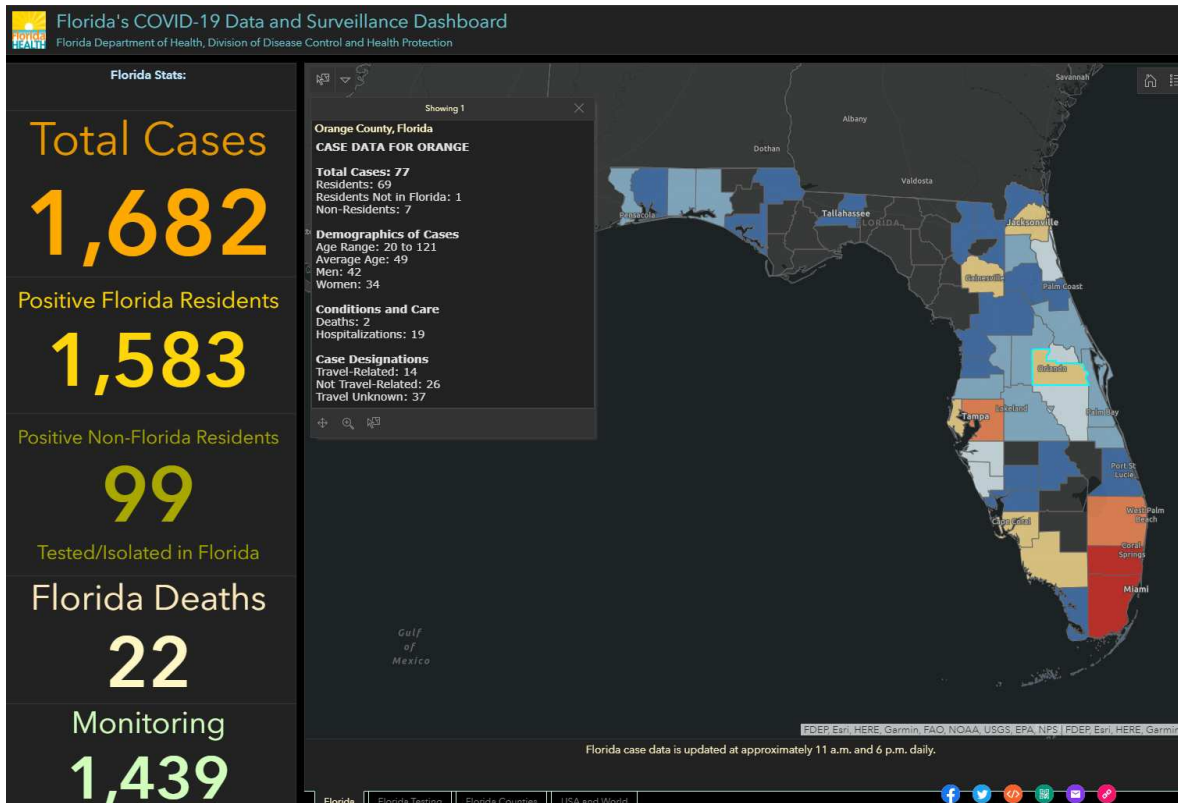

- One field hospital is in Broward County
- One field hospital is currently staged in Orlando and can be deployed to other areas in the state as needed
- One field hospital is staged in Ocala area and can be deployed to other areas as needed

### Cases in Orange County

### Cases in Florida

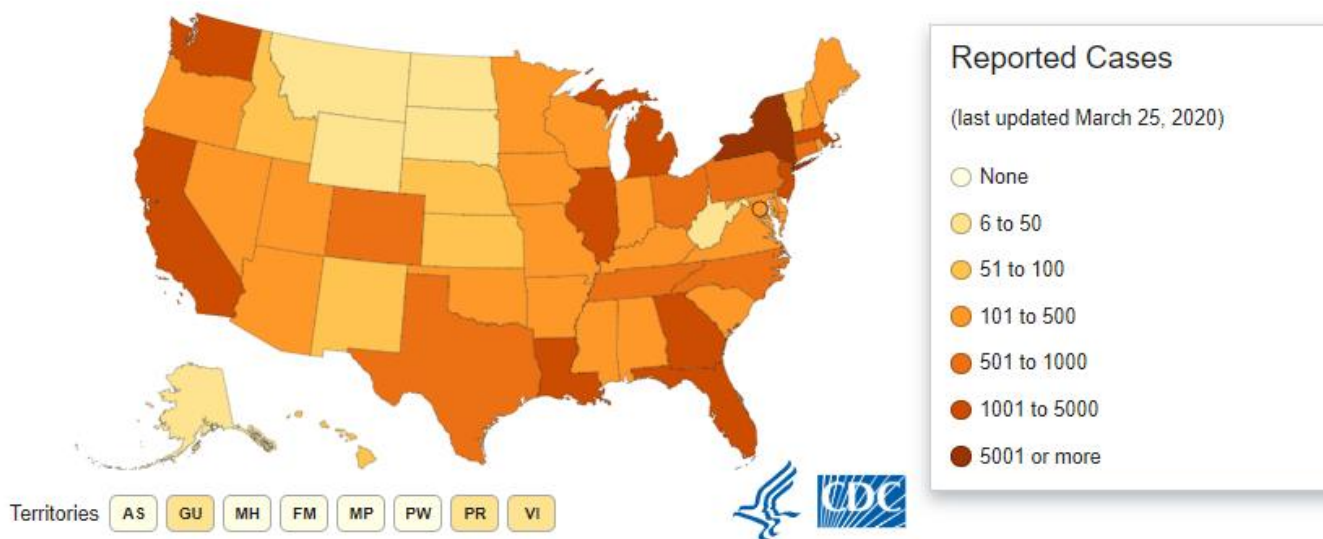

FDOH, updated 3.25.2020 11:00am

Cases, United States

# COVID-19 Cases in the U.S.

[Cases in U.S.](#) > [Situation Summary](#) >

## CDC Information

CDC is responding to a [pandemic](#) of respiratory disease [spreading](#) from person-to-person caused by a novel (new) [coronavirus](#). The disease has been named “coronavirus disease 2019” (abbreviated “COVID-19”). This situation poses a serious [public health risk](#). The federal government is working closely with state, local, tribal, and territorial partners, as well as public health partners, to [respond](#) to this situation. COVID-19 can cause [mild to severe illness](#); most severe illness occurs in older adults.

Different parts of the country are seeing different levels of COVID-19 activity. The United States nationally is in the initiation phase of the pandemic. States in which community spread is occurring are in the acceleration phase. The duration and severity of each pandemic phase can vary depending on the characteristics of the virus and the public health response.

On March 11, the COVID-19 outbreak was [characterized as a pandemic by the World Health Organization \(WHO\)](#).

More information from the CDC can be found [here](#).

## Map Information

Johns Hopkins University has created a [map](#) to track the outbreak as it progresses.

## Cyber Security

The City of Orlando has alerted to a potential Cybersecurity risk when attempting to find the Johns Hopkins map. Cybersecurity experts have discovered a malicious website pretending to be the live map for Coronavirus COVID-19 Global Cases by Johns Hopkins University. Visiting the malicious website infects users with the AZORult Trojan, an information-stealing program that can exfiltrate a variety of sensitive data. All personnel need to ensure the utilization of reliable sources when accessing the Johns Hopkins University website. The malicious website uses Corona-Virus-Map.com as shown.

<b>EXECUTIVE ORDERS (State)</b>		
<b>Executive Order Number</b>	<b>Date Signed</b>	<b>Purpose</b>
<a href="#">Executive Order 20-51</a>	03/01/2020	Establish Response Protocol and Directs the Declaration of a Public Health Emergency (FDOH)

Orlando VA Medical Center	503, 5201 Raymond St C134, Orlando, FL 32803	Normal, Monitoring

<b>TRAVEL UPDATES</b>
<p><b>GOAA Updates:</b></p> <ul style="list-style-type: none"> <li>• All Terminals and Gates Open and Operational</li> <li>• Continue to staff and support the Governor’s Executive order #20-80</li> <li>• Continue to rigorously clean the facility and equipment</li> <li>• Some Concessions closed, all food options are take out only</li> <li>• Staff primary focus on Safety and Security, following all CDC Guidelines</li> <li>• ARFF and OPD responding normally and taking all necessary precautions</li> </ul>

**Domestic Travel Restrictions:**

As of right now, there are no travel restrictions put in place for domestic travel in the US by the Federal Government.

**The City of Orlando is monitoring the situation and may update travel restrictions for unnecessary travel for its employees.**

Additional CDC travel information can be found [here](#).

**International Travel Restrictions:**

The Department of State advises U.S. citizens to reconsider travel abroad due to the global impact of COVID-19. Many areas throughout the world are now experiencing COVID-19 outbreaks and taking action that may limit traveler mobility, including quarantines and border restrictions. Even countries, jurisdictions, or areas where cases have not been reported may restrict travel without notice.

**TOURISM AND EVENT UPDATES**

Visit Orlando has established an assistance line to support visitors in need. Visitors can call 407-363-5872 or live chat with representatives through [www.visitorlando.com](http://www.visitorlando.com). For traveler FAQs, resources for visitors, and other information related to COVID-19, please see Visit Orlando's travel safety page.

**Events:**

Several local events over the next month have been cancelled due to the concerns about the COVID-19 spread. The NBA and NHL has cancelled all games for the next 30 days. The Solar Bears have also cancelled the remainder of their season.

**Walt Disney World Resort:**

Beginning Monday March 16<sup>th</sup>, 2020, the theme parks and water parks at Walt Disney World Resort will close all operations until the end of the month. Disney Springs shopping district has closed effective 03/17/2020 until the end of the month. The hotels will close on Friday, March 20, 2020 until the end of the month.

Additionally, Disney Cruise Line has suspended all departures beginning March 14<sup>th</sup>, 2020.

**Universal Orlando Resort:**

**Universal Orlando will be closed through April 19, 2020.**

**Other Tourist Areas:**

SeaWorld Orlando will close their daily operations on Monday March 16<sup>th</sup>, 2020 until the end of the month.

**SCHOOL UPDATES**

**OCPS:**

All OCPS schools will be closed until at least April 15, 2020. OCPS Food and Nutrition Services opened the 50 student food distribution sites on Monday, March 23, 2020. The food distribution sites will be operating Monday through Friday from 10:00 to 14:00 hours. OCPS District offices will be open Monday to Friday 9:00 am to 3:00 pm. OCPS EOC will be open Monday to Friday 8:00 am to 3:00 pm. OCPS will be transitioning to distance learning on Monday, March 30, 2020.

**University of Central Florida:**

University of Central Florida (UCF) Interim President Seymour signed an Emergency Declaration on March 24, 2020. UCF's Department of Housing and Residence Life has announced that all students must move out of university residence halls by Wednesday, March 25, 2020 at 1800 hours, unless a student has an extenuating circumstance. The UCF EOC is activated to a Level 2 – Partial Activation. Per the Board of Governors, the State University System has extended remote learning through the end of the Spring semester. Traditional on-campus commencement ceremonies will not be held in May. Instead,

## For Official Use Only (FOUO)

each university is directed to develop an alternate schedule or method of delivery.

### **Valencia Community College:**

Valencia College will resume most face-to-face classes on March 23, 2020 in an online format.

## **PARTNER EMERGENCY OPERATIONS CENTERS**

- Orange County – Level II Partial Activation effective March 13, 2020
- Maitland – Level II Partial Activation effective March 17, 2020
- Orange County Public Schools – Level II Partial Activation effective March 16, 2020
- Orlando Utilities Commission – Level II Partial Activation (Virtual) effective March 16, 2020
- University of Central Florida – Level II Partial Activation effective March 10, 2020
- Winter Park – Level II Partial Activation effective March 13, 2020

**For Official Use Only (FOUO)**

- City-hosted, sponsors and permitted events with 10+ attendees are [cancelled or postponed](#) until April 15, 2020 or until further notice.
- All youth and adult sporting activities and programs are suspended effective immediately until further notice.
- The Orlando Fire Museum, the Mennello Museum of American Art, Beardall Senior Center and L. Claudia Allen Senior Center are closed.
- Beginning at close of business Friday, March 20, all neighborhood, community and recreation centers will close to the public. A limited number of community centers will remain open to provide limited services like meal service to ensure we support our most vulnerable community only with appropriate social distancing.
- Discover Downtown - Information center is closed until further notice.
- Board of Zoning Adjustment, Historic Preservation Board and Appearance Review Board Meetings scheduled for March and April have been cancelled.
- The Mennello Museum of American Art will be temporarily closed until April 15, 2020 until further notice.
- The Permitting Services Customer Care Center, located on the first floor of City Hall, is closed until further notice.
- The City of Orlando Police Department’s Business Desk at Police Headquarters is closed until further notice.
- The swan boats at Lake Eola will close at 5 p.m. on March 23, 2020 until further notice.
- All city-owned and operated playgrounds will close at 5 p.m. on March 23, 2020 until further notice.
- All Orange County boat ramps are closed.

**CITY DEPARTMENT EVENT RELATED ACTIONS**

DEPARTMENT/ESF	DAILY ACTIONS and UPDATES
Information Technology – ESF02	ESF02 is continuing to respond to client’s needs to work remotely with equipment and instructions, working to ensure Internet performance is adequate, and monitoring for issues related to technical performance. For any critical IT request please submit an email to <a href="mailto:criticalrequests@orlando.gov">criticalrequests@orlando.gov</a> .
Fire Service/EMS – ESF04/08	<p>ESF04 is monitoring. ESF08 is monitoring for any equipment and supply requests. Units continue to use the AeroClave system for decontamination. The following requests for personal protective equipment (PPE) and cleaning supplies have been communicated to ESF07.</p> <p><u>Vendor Identified:</u></p> <ul style="list-style-type: none"> <li>• 3 cases (50/case) Adult Nebulizer Masks</li> <li>• 3 cases (50/case) Nebulizer 22mm Handheld 7"</li> <li>• 3 cases (50/case) Adult Mask Oxygen Elongated Non-Rebreathers</li> </ul> <p><u>The following were found to be unavailable:</u></p> <ul style="list-style-type: none"> <li>• 100 Cases (12/case) Hand Sanitizer foam cans</li> <li>• 50 boxes (200/box) Ear probe covers</li> <li>• 50 boxes (50/box) Thermometer Probe Covers</li> </ul> <p><u>Items from City Stores for Station #10 order will be delivered by OFD Supply (per Deputy Chief Davis):</u></p> <ul style="list-style-type: none"> <li>• 5 Lysol</li> <li>• 5 bleach</li> <li>• 3 Sani Cloth +</li> <li>• 4 boxes of rags</li> <li>• 4 cs of multi-folds</li> <li>• 2 cs of roll paper</li> <li>• 5 spray bottles</li> <li>• 5 hand sanitizers</li> </ul>

**For Official Use Only (FOUO)**

Emergency Management – ESF05	<p>ESF05, the Office of Emergency Management is currently monitoring the spread of the COVID-19 within central Florida. EM is assisting all departments and ESFs with coordination of supplies and resources. Emergency Management is assisting the Homeless Service Network with coordination for resources and needed supplies to include cots and thermometers. ESF05 is maintaining the virtual EOC through the HSIN online platform.</p> <p>Conference Calls Emergency Management is participating in and monitoring for information:</p> <ul style="list-style-type: none"> <li>• Orange County Emergency Operations Center – Daily at 8am and 6pm</li> <li>• State EOC Hospitals and Florida Hospital Association Call - Daily at 10am</li> <li>• City Executive Policy Group - Tuesday/Thursday 10am</li> <li>• County Emergency Managers Situation update - Daily at 11:15am</li> <li>• White House Conference Call - Intermittent usually at 1pm or 8pm</li> <li>• Shelter/Outreach Coronavirus Preparedness – MWF at 4pm</li> <li>• Florida Division of Emergency Management (FDEM) Region 5 (central Florida) - Tuesdays/Thursday at 5pm</li> <li>• State EOC Healthcare Provider Call hosted by FDOH - Tuesdays at 6:30pm</li> </ul>
Procurement – ESF07	ESF07 is assisting with procurement of additional supplies for all departments. City Stores is also assisting with storing and distributing the supplies.
Communications – ESF14	ESF14 is drafting and sharing employee communications, drafting and sharing external communications, responding to all resident inquiries through digital platforms, responding to media inquiries, and updating the <a href="http://Orlando.gov/covid19">Orlando.gov/covid19</a> webpage.
Police – ESF16	ESF16 has requested additional replacement PPE supplies through Orange County EOC; no ordered PPE has been received. OPD is continuing to take inventory of current supply levels. All Officers who transport are to report to Advent Health to have vehicle sanitized using the AeroClave 3110 unit. OPD is providing information to personnel regarding the COVID-19 testing site at the convention center. OPD is continuing to enforce nightly curfew.
Legal – City Attorney's Office	City Legal is monitoring and providing support to departments as needed.

**GENERAL EVENT INFORMATION**

**Regional Information:**

All counties in Region 5, with the exception of Indian River County, are at a Level 2 Partial Activation.

Department of Health (DOH) – Orange reports the East-side collection site at 12050 East Colonial Drive is open. The hours of operation are from 0800 to 1700 hours by appointment only. DOH has a limited number of test kits available.

Orange County Government has agreed to host one of the three Regional Testing Sites in the State of Florida on the Orange County Convention Center property. This site opened today, Wednesday, March 25, 2020. The site is operated in cooperation with the Florida Division of Emergency Management and funded by the Federal Government. The intention of this location is to provide testing to healthcare workers, first responders, and those 65+ that are exhibiting COVID-19 symptoms.

Advent Health established a COVID-19 hotline. Nurses from the Hospital Group staff the hotline 24 hours a day and seven days a week. Those with questions or concerns should call 1-877-847-8747.

Orlando Health has launched a hotline for the community to obtain information about COVID-19. The public can get accurate information by calling 1-877-321-2684; the hotline is available 24 hours a day, seven days a week.

Orlando Utilities Commission (OUC) has closed walk-in centers; customers may conduct business over the phone or via self-service channels. OUC has waived late fees and suspended disconnections until further notice. OUC Emergency Management has moved to a Level 2 Partial Activation.

LYNX reports LYMMO and other LYNX services will operate as scheduled. LYNX Central Station's terminal lobby will be closed from 2300 through 0500 hours in accordance with Orange County's mandatory curfew. LYNX continues to follow increased housekeeping measures and provide information to employees and customers. LYNX established a web page for public information: [What We are Doing to Protect You from the Coronavirus](#).

**State Information:**

The State EOC is currently at a Level I – Full activation.

Florida Department of Health Call Center 1-866-779-6121 is available 24 hours a day or [COVID-19@flhealth.com](mailto:COVID-19@flhealth.com)

Florida Attorney General, Ashley Moody activated Florida's Price Gouging Hotline. Consumers can report price gouging by phone at 1-866-966-7226 or online at [myfloridalegal.com](http://myfloridalegal.com).

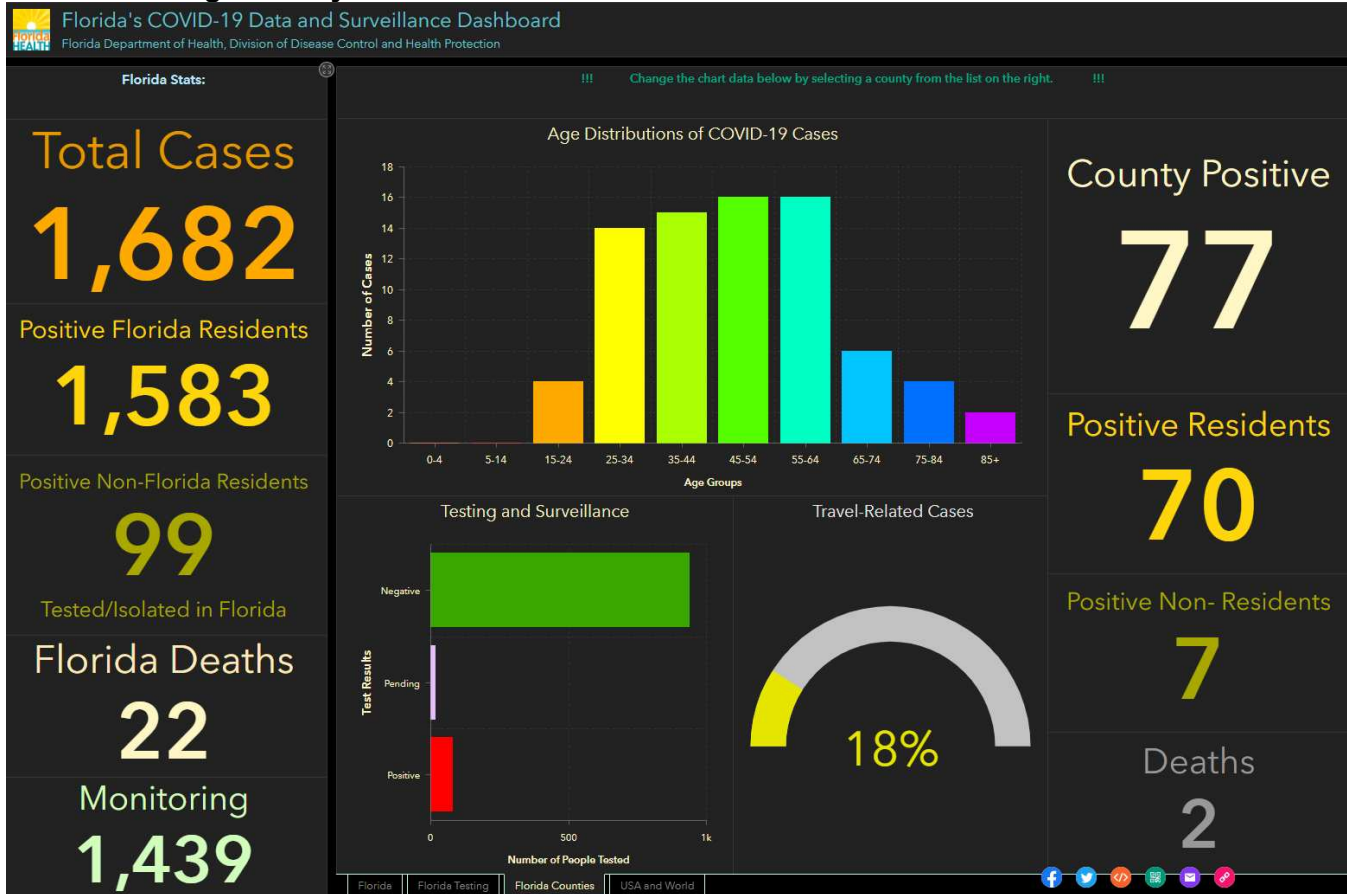

Florida recently partnered with private laboratories around the state to expand COVID-19 laboratory testing capacity. This partnership will increase the number of tests conducted each day and ensure Floridians receive the critical health information they need in a timely manner.

Expansion to private laboratories changes the COVID-19 testing landscape in Florida. Private laboratories are running tests as they receive swab samples from practitioners. Testing and reporting times vary among commercial and DOH laboratories. Demographic information may be updated during investigations. These twice daily reports reflect the state's efforts to accurately and transparently share information. More information on a case-by-case basis can also be found [here](#).

Field hospitals are being deployed/staged:

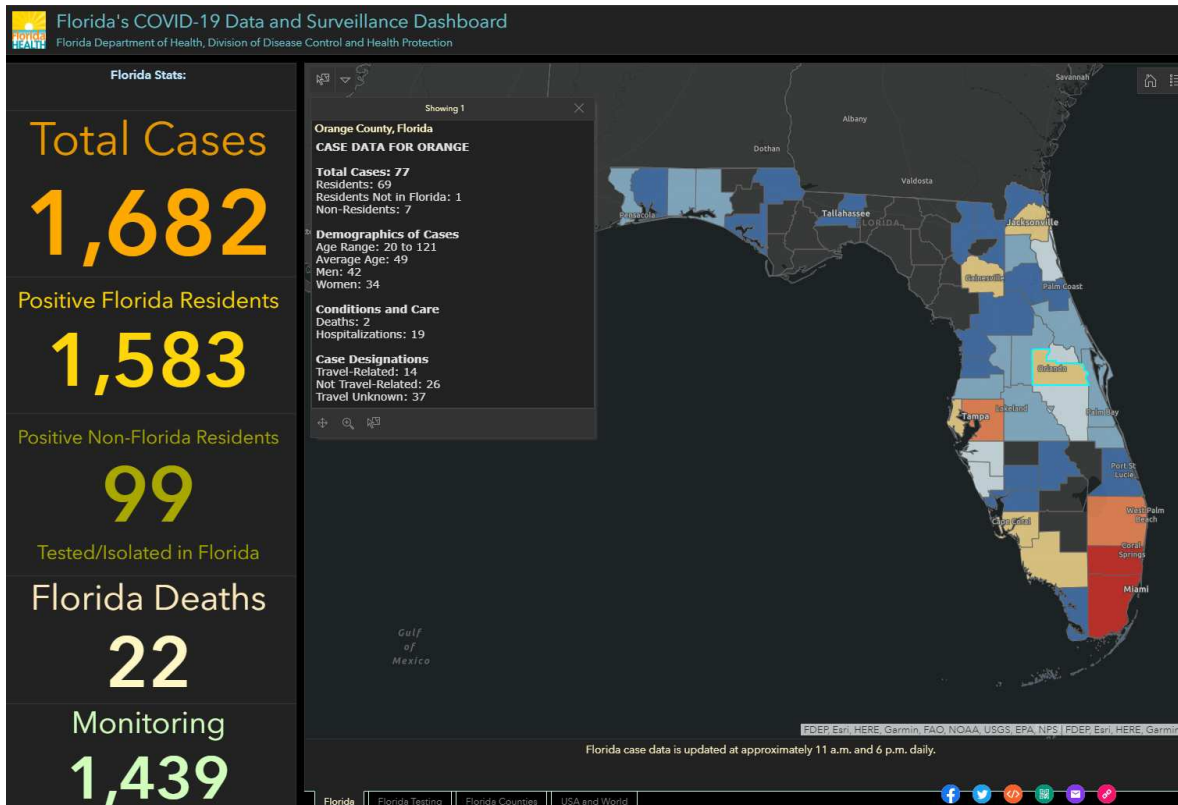

- One field hospital is in Broward County
- One field hospital is currently staged in Orlando and can be deployed to other areas in the state as needed
- One field hospital is staged in Ocala area and can be deployed to other areas as needed

# COVID-19 Cases in the U.S.

[Cases in U.S.](#) > [Situation Summary](#) >

## CDC Information

CDC is responding to a [pandemic](#) of respiratory disease [spreading](#) from person-to-person caused by a novel (new) [coronavirus](#). The disease has been named “coronavirus disease 2019” (abbreviated “COVID-19”). This situation poses a serious [public health risk](#). The federal government is working closely with state, local, tribal, and territorial partners, as well as public health partners, to [respond](#) to this situation. COVID-19 can cause [mild to severe illness](#); most severe illness occurs in older adults.

Different parts of the country are seeing different levels of COVID-19 activity. The United States nationally is in the initiation phase of the pandemic. States in which community spread is occurring are in the acceleration phase. The duration and severity of each pandemic phase can vary depending on the characteristics of the virus and the public health response.

On March 11, the COVID-19 outbreak was [characterized as a pandemic by the World Health Organization \(WHO\)](#).

More information from the CDC can be found [here](#).

## Map Information

Johns Hopkins University has created a [map](#) to track the outbreak as it progresses.

## Cyber Security

The City of Orlando has alerted to a potential Cybersecurity risk when attempting to find the Johns Hopkins map. Cybersecurity experts have discovered a malicious website pretending to be the live map for Coronavirus COVID-19 Global Cases by Johns Hopkins University. Visiting the malicious website infects users with the AZORult Trojan, an information-stealing program that can exfiltrate a variety of sensitive data. All personnel need to ensure the utilization of reliable sources when accessing the Johns Hopkins University website. The malicious website uses Corona-Virus-Map.com as shown.

**Domestic Travel Restrictions:**

As of right now, there are no travel restrictions put in place for domestic travel in the US by the Federal Government.

**The City of Orlando is monitoring the situation and may update travel restrictions for unnecessary travel for its employees.**

Additional CDC travel information can be found [here](#).

**International Travel Restrictions:**

The Department of State advises U.S. citizens to reconsider travel abroad due to the global impact of COVID-19. Many areas throughout the world are now experiencing COVID-19 outbreaks and taking action that may limit traveler mobility, including quarantines and border restrictions. Even countries, jurisdictions, or areas where cases have not been reported may restrict travel without notice.

**TOURISM AND EVENT UPDATES**

Visit Orlando has established an assistance line to support visitors in need. Visitors can call 407-363-5872 or live chat with representatives through [www.visitorlando.com](http://www.visitorlando.com). For traveler FAQs, resources for visitors, and other information related to COVID-19, please see Visit Orlando's travel safety page.

**Events:**

Several local events over the next month have been cancelled due to the concerns about the COVID-19 spread. The NBA and NHL has cancelled all games for the next 30 days. The Solar Bears have also cancelled the remainder of their season.

**Walt Disney World Resort:**

Beginning Monday March 16<sup>th</sup>, 2020, the theme parks and water parks at Walt Disney World Resort will close all operations until the end of the month. Disney Springs shopping district has closed effective 03/17/2020 until the end of the month. The hotels will close on Friday, March 20, 2020 until the end of the month.

Additionally, Disney Cruise Line has suspended all departures beginning March 14<sup>th</sup>, 2020.

**Universal Orlando Resort:**

**Universal Orlando will be closed through April 19, 2020.**

**Other Tourist Areas:**

SeaWorld Orlando will close their daily operations on Monday March 16<sup>th</sup>, 2020 until the end of the month.

**SCHOOL UPDATES**

**OCPS:**

All OCPS schools will be closed until at least April 15, 2020. OCPS Food and Nutrition Services opened the 50 student food distribution sites on Monday, March 23, 2020. The food distribution sites will be operating Monday through Friday from 10:00 to 14:00 hours. OCPS District offices will be open Monday to Friday 9:00 am to 3:00 pm. OCPS EOC will be open Monday to Friday 8:00 am to 3:00 pm. OCPS will be transitioning to distance learning on Monday, March 30, 2020.

**University of Central Florida:**

University of Central Florida (UCF) Interim President Seymour signed an Emergency Declaration on March 24, 2020. UCF's Department of Housing and Residence Life has announced that all students must move out of university residence halls by Wednesday, March 25, 2020 at 1800 hours, unless a student has an extenuating circumstance. The UCF EOC is activated to a Level 2 – Partial Activation. Per the Board of Governors, the State University System has extended remote learning through the end of the Spring semester. Traditional on-campus commencement ceremonies will not be held in May. Instead,

## For Official Use Only (FOUO)

each university is directed to develop an alternate schedule or method of delivery.

### **Valencia Community College:**

Valencia College will resume most face-to-face classes on March 23, 2020 in an online format.

## PARTNER EMERGENCY OPERATIONS CENTERS

- Orange County – Level II Partial Activation effective March 13, 2020
- Maitland – Level II Partial Activation effective March 17, 2020

### CITY OF ORLANDO ACTIONS

**Changes from previous Situation Reports will be in RED.**

There are currently **110** confirmed cases of COVID-19 in Orange County. The EOC activated to a Level 2 Virtual Partial Activation on Wednesday, March 18, 2020. The Office of Emergency Management is communicating with city departments and area partners and stakeholders.

- On March 13, 2020, Orlando Mayor Buddy Dyer, declared a local state of emergency for the City of Orlando.
- On March 20, 2020, per Executive Order, Mayor Buddy Dyer closed all city owned or controlled venues to public events until April 15, 2020. No City owned or controlled building may be rented for any group meeting during this time period, all previously issued 18A permits have been revoked and no new permits will issue until further notice.
- City of Orlando and Orange County curfew remains in effect daily from 11pm to 5am.
- To further combat the spread of COVID-19 in our community, Mayor Buddy Dyer has joined Orange County Mayor Jerry L. Demings in supporting a [Stay at Home Order](#) for all residents and closing all non-essential businesses, starting **Thursday, March 26, 2020 at 11 p.m. and continuing through April 9, 2020.**
- **On March 26, 2020, per Executive Order, Mayor Buddy Dyer declared that all public meetings be held electronically without a quorum physically present in the same location.**
- **Press Conference with Orange County is planned for 4pm today.**

The following services are open (or modified) within the City:

- Orlando City Hall and other city administrative buildings have closed to the public. Residents should use phone or Orlando.gov to request city services and interact with city government.
- All Public Works services will remain in place, including refuse collection and street sweeping will follow the usual schedule.
- Permitting customers may seek assistance via email, online and phone.  
Visit Orlando.gov/permits for contact information and access to all digital services.
  - Building inspection services will continue to operate.
- Residents can call 321.235.5300 for non-emergency police assistance and general information.
- The Hispanic Office for Local Assistance (HOLA) will be offering services virtually and residents can call 407.246.4310 or email hola@cityoforlando.net.
- Outdoor facilities such as city parks, Leu Gardens and Dubsdread Golf Course will remain open to the public, with necessary social distancing measures in place to adhere to CDC guidelines.

The following services are closed, cancelled, or postponed within the City:

- Orlando City Hall and other city administrative buildings have closed to the public.
- City-hosted, sponsors and permitted events with 10+ attendees are [cancelled or postponed](#) until April 15, 2020 or until further notice.
- All youth and adult sporting activities and programs are suspended effective immediately until further notice.
- The Orlando Fire Museum, the Mennello Museum of American Art, Beardall Senior Center and L. Claudia Allen Senior Center are closed.
- Beginning at close of business Friday, March 20, all neighborhood, community and recreation centers will close to the public. A limited number of community centers will remain open to provide limited services like meal service to ensure we support our most vulnerable community only with appropriate social distancing.
- Discover Downtown - Information center is closed until further notice.
- Board of Zoning Adjustment, Historic Preservation Board and Appearance Review Board Meetings scheduled for March and April have been cancelled.
- The Mennello Museum of American Art will be temporarily closed until April 15, 2020 until further notice.
- The Permitting Services Customer Care Center, located on the first floor of City Hall, is closed until further notice.
- The City of Orlando Police Department's Business Desk at Police Headquarters is closed until further notice.
- The swan boats at Lake Eola will close at 5 p.m. on March 23, 2020 until further notice.
- All city-owned and operated playgrounds will close at 5 p.m. on March 23, 2020 until further notice.
- All Orange County boat ramps are closed.

### CITY DEPARTMENT EVENT RELATED ACTIONS

DEPARTMENT/ESF	DAILY ACTIONS and UPDATES
Information Technology – ESF02	ESF02 is continuing to respond to client's needs to work remotely with equipment and instructions, working to ensure Internet performance is adequate, and monitoring for issues related to technical performance. For any critical IT request please submit an email to <a href="mailto:criticalrequests@orlando.gov">criticalrequests@orlando.gov</a> .
Fire Service/EMS – ESF04/08	ESF04 is monitoring. ESF08 is monitoring for any equipment and supply requests. Units continue to use the AeroClave system for decontamination. Requests for personal protective equipment (PPE) and cleaning supplies have been communicated to the Orange County EOC and ESF07. Gowns and nebulizer masks have been ordered utilizing a ProCard. The fire department is managing the COVID-19 response from a Department Operations Center (DOC) with a communication link to the EOC.
Emergency Management – ESF05	<p>ESF05, the Office of Emergency Management is currently monitoring the spread of the COVID-19 within central Florida. EM is assisting all departments and ESFs with coordination of supplies and resources. Emergency Management is assisting the Homeless Service Network with coordination for resources and needed supplies to include cots and thermometers. ESF05 is maintaining the virtual EOC through the HSIN online platform.</p> <p>All available EOC laptops have been provided to IT as loaner laptops for remote working.</p> <p>Conference Calls Emergency Management is participating in and monitoring for information:</p> <ul style="list-style-type: none"> <li>• Orange County Emergency Operations Center – Daily at 8am and</li> </ul>

**For Official Use Only (FOUO)**

	<p>6pm</p> <ul style="list-style-type: none"> <li>• State EOC Hospitals and Florida Hospital Association Call - Daily at 10am</li> <li>• City Executive Policy Group - Tuesday/Thursday 10am</li> <li>• County Emergency Managers Situation update - Daily at 11:15am</li> <li>• White House Conference Call - Intermittent usually at 1pm or 8pm</li> <li>• Shelter/Outreach Coronavirus Preparedness – MWF at 4pm</li> <li>• Florida Division of Emergency Management (FDEM) Region 5 (central Florida) - Tuesdays/Thursday at 5pm</li> <li>• State EOC Healthcare Provider Call hosted by FDOH - Tuesdays at 6:30pm</li> </ul>
Procurement – ESF07	ESF07 is assisting with procurement of additional supplies for all departments. City Stores is also assisting with storing and distributing the supplies. Multiple orders have been placed with vendors, only partial shipments are occurring.
Communications – ESF14	ESF14 is drafting and sharing employee communications, drafting and sharing external communications, responding to all resident inquiries through digital platforms, responding to media inquiries, and updating the Orlando.gov/covid19 webpage. ESF14 is also planning and providing support for a 4pm press conference with Orange County.
Police – ESF16	ESF16 has requested additional replacement PPE supplies through Orange County EOC. OPD is continuing to take inventory of current supply levels. OPD is using the Signal 40 van to transport any persons under arrest to the jail. This minimizes downtime for a patrol officer and reduces the need to have patrol vehicles sanitized. OPD is continuing to enforce nightly curfew and is awaiting further direction from legal for enforcement of the Stay at Home Order.
Legal – City Attorney's Office	City Legal is monitoring and providing support to departments as needed.

**GENERAL EVENT INFORMATION**

**Regional Information:**

All counties in Region 5, with the exception of Indian River County, are at a Level 2 Partial Activation.

The [Orlando Economic Partnership](#) has created an online resource center for employers and businesses to serve as one-stop-shop for information and resources available throughout our region.

Department of Health (DOH) – Orange reports the East-side collection site at 12050 East Colonial Drive is open. The hours of operation are from 0800 to 1700 hours by appointment only. DOH has a limited number of test kits available.

Orange County Government has agreed to host one of the four Regional Testing Sites in the State of Florida on the Orange County Convention Center property. This site opened, Wednesday, March 25, 2020. The site is operated in cooperation with the Florida Division of Emergency Management and funded by the Federal Government. The intention of this location is to provide testing to healthcare workers, first responders, and those 65+ that are exhibiting COVID-19 symptoms. A maximum of 250 collections for testing will be conducted per day.

Advent Health established a COVID-19 hotline. Nurses from the Hospital Group staff the hotline 24 hours a day and seven days a week. Those with questions or concerns should call 1-877-847-8747. The Advent Health Resource Hub is available [here](#).

Orlando Health has launched a hotline for the community to obtain information about COVID-19. The public can get accurate information by calling 1-877-321-2684; the hotline is available 24 hours a day,

## For Official Use Only (FOUO)

seven days a week. The Orlando Health COVID-19 resource page is available [here](#).

The Health Center for the Homeless is hosting a hotline to assist service providers with guidance when they encounter symptomatic individuals. (407) 458-6737

Orlando Utilities Commission (OUC) has closed walk-in centers; customers may conduct business over the phone or via self-service channels. OUC has waived late fees and suspended disconnections until further notice. OUC Emergency Management has moved to a Level 2 Partial Activation.

LYNX reports LYMMO and other LYNX services will operate as scheduled with temporary changes to some routes. LYNX Central Station's terminal lobby will be closed from 2300 through 0500 hours in accordance with Orange County's mandatory curfew. LYNX continues to follow increased housekeeping measures and provide information to employees and customers. LYNX established a web page for public information: [What We are Doing to Protect You from the Coronavirus](#).

### State Information:

The State EOC is currently at a Level I – Full activation.

Florida Department of Health Call Center 1-866-779-6121 is available 24 hours a day or [COVID-19@flhealth.com](mailto:COVID-19@flhealth.com)

Florida Attorney General, Ashley Moody activated Florida's Price Gouging Hotline. Consumers can report price gouging by phone at 1-866-966-7226 or online at [myfloridalegal.com](http://myfloridalegal.com).

Florida recently partnered with private laboratories around the state to expand COVID-19 laboratory testing capacity. This partnership will increase the number of tests conducted each day and ensure Floridians receive the critical health information they need in a timely manner.

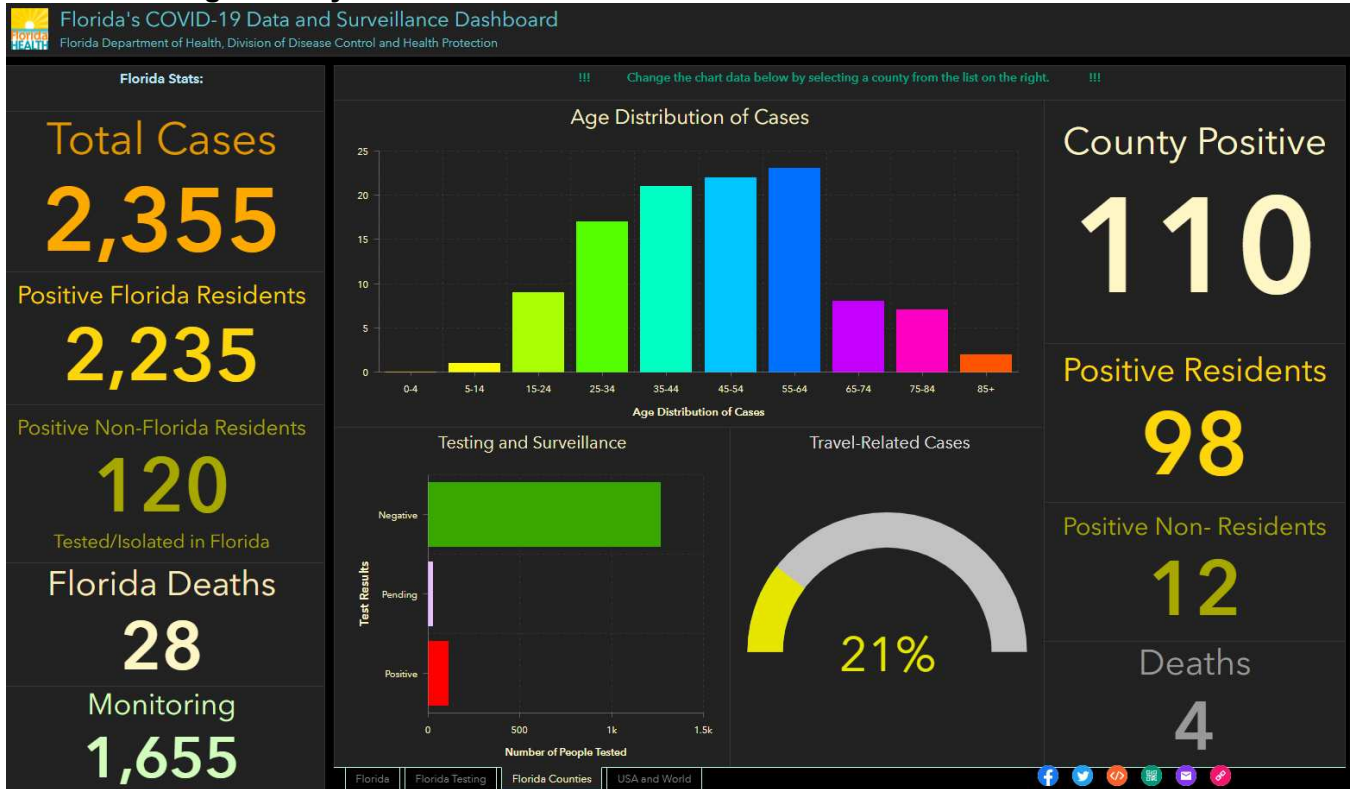

Expansion to private laboratories changes the COVID-19 testing landscape in Florida. Private laboratories are running tests as they receive swab samples from practitioners. Testing and reporting times vary among commercial and DOH laboratories. Demographic information may be updated during investigations. These twice daily reports reflect the state's efforts to accurately and transparently share information. More information on a case-by-case basis can also be found [here](#).

Field hospitals are being deployed/staged:

- One field hospital has been deployed in Broward County
- One field hospital is currently staged in Jacksonville

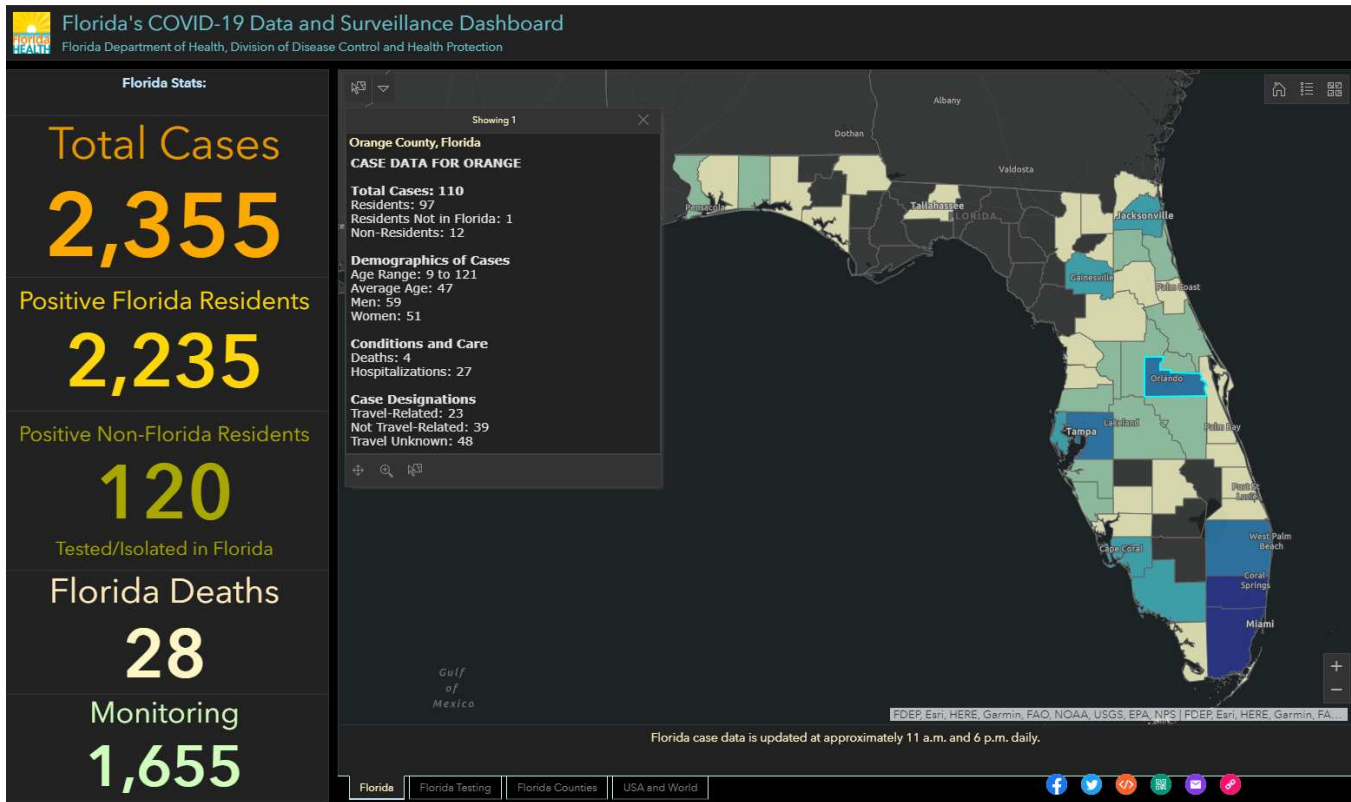

### Cases in Orange County

### Cases in Florida

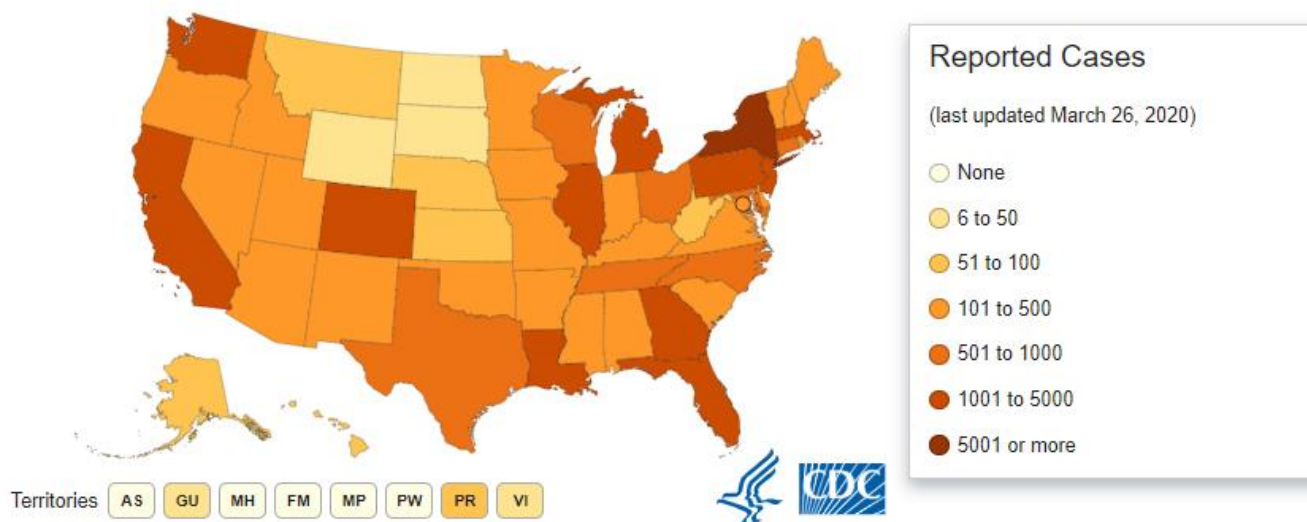

FDOH, updated 3.26.2020 11:00am

## Cases, United States

# COVID-19 Cases in the U.S.

[Cases in U.S.](#) > [Situation Summary](#) >

### CDC Information

CDC is responding to a [pandemic](#) of respiratory disease [spreading](#) from person-to-person caused by a novel (new) [coronavirus](#). The disease has been named “coronavirus disease 2019” (abbreviated “COVID-19”). This situation poses a serious [public health risk](#). The federal government is working closely with state, local, tribal, and territorial partners, as well as public health partners, to [respond](#) to this situation. COVID-19 can cause [mild to severe illness](#); most severe illness occurs in older adults.

Different parts of the country are seeing different levels of COVID-19 activity. The United States nationally is in the initiation phase of the pandemic. States in which community spread is occurring are in the acceleration phase. The duration and severity of each pandemic phase can vary depending on the characteristics of the virus and the public health response.

On March 11, the COVID-19 outbreak was [characterized as a pandemic by the World Health Organization \(WHO\)](#).

More information from the CDC can be found [here](#).

### Map Information

Johns Hopkins University has created a [map](#) to track the outbreak as it progresses.

### Cyber Security

The City of Orlando has been alerted to a potential Cybersecurity risk when attempting to find the Johns Hopkins map. Cybersecurity experts have discovered a malicious website pretending to be the live map for Coronavirus COVID-19 Global Cases by Johns Hopkins University. Visiting the malicious website infects users with the AZORult Trojan, an information-stealing program that can exfiltrate a variety of sensitive data. All personnel need to ensure the utilization of reliable sources when accessing the Johns Hopkins University website. The malicious website uses Corona-Virus-Map.com as shown.

<b>TRAVEL UPDATES</b>
<p><b>GOAA Updates:</b></p> <ul style="list-style-type: none"> <li>All Terminals and Gates Open and Operational</li> <li>Continue to staff and support the Governor's Executive order #20-80, <b>DOH/FLNG/GOAA staff have formed teams on all airside to meet all direct flights from NY, NJ, CT. Yesterday's Operation</b></li> </ul>

## For Official Use Only (FOUO)

was smooth, no issues. Approximately 45 flights

- Continue to rigorously clean the facility and equipment
- Some Concessions closed, all food options are take out only
- Staff primary focus on Safety and Security, following all CDC Guidelines
- ARFF and OPD responding normally and taking all necessary precautions
- 956 Scheduled Flights for today
- 357 Flights Cancelled, 162 Arrivals and 195 Departures
- Yesterday's total departing passengers, 6,817, projected was 65,402
- Last year same date departing passengers, 65,089. Year over percentage is down 89.5%
- Passenger loads continue to drop more each day

### Domestic Travel Restrictions:

As of right now, there are no travel restrictions put in place for domestic travel in the US by the Federal Government.

**The City of Orlando is monitoring the situation and may update travel restrictions for unnecessary travel for its employees.**

Additional CDC travel information can be found [here](#).

### International Travel Restrictions:

The Department of State advises U.S. citizens to reconsider travel abroad due to the global impact of COVID-19. Many areas throughout the world are now experiencing COVID-19 outbreaks and taking action that may limit traveler mobility, including quarantines and border restrictions. Even countries, jurisdictions, or areas where cases have not been reported may restrict travel without notice.

## TOURISM AND EVENT UPDATES

Visit Orlando has established an assistance line to support visitors in need. Visitors can call 407-363-5872 or live chat with representatives through [www.visitorlando.com](http://www.visitorlando.com). For traveler FAQs, resources for visitors, and other information related to COVID-19, please see Visit Orlando's travel safety page.

To support Orlando's restaurant community, Visit Orlando launched a special "Orlando To Go" campaign. More than 120 member restaurants' takeout and delivery options are listed on [VisitOrlando.com/togo](http://VisitOrlando.com/togo). To establish the site, Visit Orlando contacted its hundreds of member restaurants to determine which restaurants are currently open and serving take-out and delivery, but encourages Central Floridians to support all local restaurants.

### Events:

Several local events over the next month have been cancelled due to the concerns about the COVID-19 spread. The NBA and NHL has cancelled all games for the next 30 days. The Solar Bears have also cancelled the remainder of their season.

### Walt Disney World Resort:

Monday March 16<sup>th</sup>, 2020, the theme parks and water parks at Walt Disney World Resort closed all operations until the end of the month. Disney Springs shopping district has closed effective 03/17/2020 until the end of the month. The hotels closed on Friday, March 20, 2020 until the end of the month.

Additionally, Disney Cruise Line has suspended all departures beginning March 14<sup>th</sup>, 2020.

### Universal Orlando Resort:

Universal Orlando will be closed through April 19, 2020.

**Other Tourist Areas:**

SeaWorld Orlando will closed their daily operations on Monday March 16<sup>th</sup>, 2020 through the end of the month.

## SCHOOL UPDATES

**Orange County Public Schools:**

All OCPS schools will be closed until at least April 15, 2020. OCPS Food and Nutrition Services opened the 50 student food distribution sites on Monday, March 23, 2020. The food distribution sites will be operating Monday through Friday from 10:00 to 14:00 hours. OCPS District offices will be open Monday to Friday 9:00 am to 3:00 pm. OCPS EOC will be open Monday to Friday 8:00 am to 3:00 pm. OCPS will be transitioning to distance learning on Monday, March 30, 2020.

**University of Central Florida:**

University of Central Florida (UCF) Interim President Seymour signed an Emergency Declaration on March 24, 2020. UCF's Department of Housing and Residence Life has announced that all students must move out of university residence halls by Wednesday, March 25, 2020 at 1800 hours, unless a student has an extenuating circumstance. The UCF EOC is activated to a Level 2 – Partial Activation. Per the Board of Governors, the State University System has extended remote learning through the end of the Spring semester. Traditional on-campus commencement ceremonies will not be held in May. Instead, each university is directed to develop an alternate schedule or method of delivery.

**Valencia Community College:**

Valencia College will resume most face-to-face classes on March 23, 2020 in an online format.

## PARTNER EMERGENCY OPERATIONS CENTERS

- Orange County – Level II Partial Activation effective March 13, 2020
- Maitland – Level II Partial Activation effective March 17, 2020
- Orange County Public Schools – Level II Partial Activation effective March 16, 2020
- Orlando Utilities Commission – Level II Partial Activation (Virtual) effective March 16, 2020
- University of Central Florida – Level II Partial Activation effective March 10, 2020
- Winter Park – Level II Partial Activation effective March 13, 2020

CITY OF ORLANDO ACTIONS
<p><b>Changes from previous Situation Reports will be in RED.</b></p> <p>There are currently <b>110</b> confirmed cases of COVID-19 in Orange County. The EOC activated to a Level 2 Virtual Partial Activation on Wednesday, March 18, 2020. The Office of Emergency Management is communicating with city departments and area partners and stakeholders.</p> <ul style="list-style-type: none"> <li>• On March 13, 2020, Orlando Mayor Buddy Dyer, declared a local state of emergency for the City of Orlando.</li> <li>• On March 20, 2020, per Executive Order, Mayor Buddy Dyer closed all city owned or controlled venues to public events until April 15, 2020. No City owned or controlled building may be rented for any group meeting during this time period, all previously issued 18A permits have been revoked and no new permits will issue until further notice.</li> <li>• City of Orlando and Orange County curfew remains in effect daily from 11pm to 5am.</li> <li>• To further combat the spread of COVID-19 in our community, Mayor Buddy Dyer has joined Orange County Mayor Jerry L. Demings in supporting a <a href="#">Stay at Home Order</a> for all residents and closing all non-essential businesses, starting <b>Thursday, March 26, 2020 at 11 p.m. and continuing through April 9, 2020.</b></li> <li>• <b>On March 26, 2020, per Executive Order, Mayor Buddy Dyer declared that all public meetings be held electronically without a quorum physically present in the same location.</b></li> <li>• <b>Press Conference with Orange County is planned for 4pm today.</b></li> </ul> <p>The following services are open (or modified) within the City:</p> <ul style="list-style-type: none"> <li>• Orlando City Hall and other city administrative buildings have closed to the public. Residents should use phone or Orlando.gov to request city services and interact with city government.</li> <li>• All Public Works services will remain in place, including refuse collection and street sweeping will follow the usual schedule.</li> <li>• Permitting customers may seek assistance via email, online and phone. Visit Orlando.gov/permits for contact information and access to all digital services.             <ul style="list-style-type: none"> <li>▪ Building inspection services will continue to operate.</li> </ul> </li> <li>• Residents can call 321.235.5300 for non-emergency police assistance and general information.</li> <li>• The Hispanic Office for Local Assistance (HOLA) will be offering services virtually and residents can call 407.246.4310 or email hola@cityoforlando.net.</li> <li>• Outdoor facilities such as city parks, Leu Gardens and Dubsdread Golf Course will remain open to the public, with necessary social distancing measures in place to adhere to CDC guidelines.</li> </ul>

The following services are closed, cancelled, or postponed within the City:

- Orlando City Hall and other city administrative buildings have closed to the public.
- City-hosted, sponsors and permitted events with 10+ attendees are [cancelled or postponed](#) until April 15, 2020 or until further notice.
- All youth and adult sporting activities and programs are suspended effective immediately until further notice.
- The Orlando Fire Museum, the Mennello Museum of American Art, Beardall Senior Center and L. Claudia Allen Senior Center are closed.
- Beginning at close of business Friday, March 20, all neighborhood, community and recreation centers will close to the public. A limited number of community centers will remain open to provide limited services like meal service to ensure we support our most vulnerable community only with appropriate social distancing.
- Discover Downtown - Information center is closed until further notice.
- Board of Zoning Adjustment, Historic Preservation Board and Appearance Review Board Meetings scheduled for March and April have been cancelled.
- The Mennello Museum of American Art will be temporarily closed until April 15, 2020 until further notice.
- The Permitting Services Customer Care Center, located on the first floor of City Hall, is closed until further notice.
- The City of Orlando Police Department's Business Desk at Police Headquarters is closed until further notice.
- The swan boats at Lake Eola will close at 5 p.m. on March 23, 2020 until further notice.
- All city-owned and operated playgrounds will close at 5 p.m. on March 23, 2020 until further notice.
- All Orange County boat ramps are closed.

### CITY DEPARTMENT EVENT RELATED ACTIONS

DEPARTMENT/ESF	DAILY ACTIONS and UPDATES
Information Technology – ESF02	ESF02 is continuing to respond to client's needs to work remotely with equipment and instructions, working to ensure Internet performance is adequate, and monitoring for issues related to technical performance. For any critical IT request please submit an email to <a href="mailto:criticalrequests@orlando.gov">criticalrequests@orlando.gov</a> .
Fire Service/EMS – ESF04/08	ESF04 is monitoring. ESF08 is monitoring for any equipment and supply requests. Units continue to use the AeroClave system for decontamination. Requests for personal protective equipment (PPE) and cleaning supplies have been communicated to the Orange County EOC and ESF07. Gowns and nebulizer masks have been ordered utilizing a ProCard. The fire department is managing the COVID-19 response from a Department Operations Center (DOC) with a communication link to the EOC.
Emergency Management – ESF05	<p>ESF05, the Office of Emergency Management is currently monitoring the spread of the COVID-19 within central Florida. EM is assisting all departments and ESFs with coordination of supplies and resources. Emergency Management is assisting the Homeless Service Network with coordination for resources and needed supplies to include cots and thermometers. ESF05 is maintaining the virtual EOC through the HSIN online platform.</p> <p>All available EOC laptops have been provided to IT as loaner laptops for remote working.</p> <p>Conference Calls Emergency Management is participating in and monitoring for information:</p> <ul style="list-style-type: none"> <li>• Orange County Emergency Operations Center – Daily at 8am and</li> </ul>

**For Official Use Only (FOUO)**

	<p>6pm</p> <ul style="list-style-type: none"> <li>• State EOC Hospitals and Florida Hospital Association Call - Daily at 10am</li> <li>• City Executive Policy Group - Tuesday/Thursday 10am</li> <li>• County Emergency Managers Situation update - Daily at 11:15am</li> <li>• White House Conference Call - Intermittent usually at 1pm or 8pm</li> <li>• Shelter/Outreach Coronavirus Preparedness – MWF at 4pm</li> <li>• Florida Division of Emergency Management (FDEM) Region 5 (central Florida) - Tuesdays/Thursday at 5pm</li> <li>• State EOC Healthcare Provider Call hosted by FDOH - Tuesdays at 6:30pm</li> </ul>
Procurement – ESF07	ESF07 is assisting with procurement of additional supplies for all departments. City Stores is also assisting with storing and distributing the supplies. Multiple orders have been placed with vendors, only partial shipments are occurring.
Communications – ESF14	ESF14 is drafting and sharing employee communications, drafting and sharing external communications, responding to all resident inquiries through digital platforms, responding to media inquiries, and updating the Orlando.gov/covid19 webpage. ESF14 is also planning and providing support for a 4pm press conference with Orange County.
Police – ESF16	ESF16 has requested additional replacement PPE supplies through Orange County EOC. OPD is continuing to take inventory of current supply levels. OPD is using the Signal 40 van to transport any persons under arrest to the jail. This minimizes downtime for a patrol officer and reduces the need to have patrol vehicles sanitized. OPD is continuing to enforce nightly curfew and is awaiting further direction from legal for enforcement of the Stay at Home Order.
Legal – City Attorney's Office	City Legal is monitoring and providing support to departments as needed.

**GENERAL EVENT INFORMATION**

**Regional Information:**

All counties in Region 5, with the exception of Indian River County, are at a Level 2 Partial Activation.

The [Orlando Economic Partnership](#) has created an online resource center for employers and businesses to serve as one-stop-shop for information and resources available throughout our region.

Department of Health (DOH) – Orange reports the East-side collection site at 12050 East Colonial Drive is open. The hours of operation are from 0800 to 1700 hours by appointment only. DOH has a limited number of test kits available.

Orange County Government has agreed to host one of the four Regional Testing Sites in the State of Florida on the Orange County Convention Center property. This site opened, Wednesday, March 25, 2020. The site is operated in cooperation with the Florida Division of Emergency Management and funded by the Federal Government. The intention of this location is to provide testing to healthcare workers, first responders, and those 65+ that are exhibiting COVID-19 symptoms. A maximum of 250 collections for testing will be conducted per day.

Advent Health established a COVID-19 hotline. Nurses from the Hospital Group staff the hotline 24 hours a day and seven days a week. Those with questions or concerns should call 1-877-847-8747. The Advent Health Resource Hub is available [here](#).

Orlando Health has launched a hotline for the community to obtain information about COVID-19. The public can get accurate information by calling 1-877-321-2684; the hotline is available 24 hours a day,

## For Official Use Only (FOUO)

seven days a week. The Orlando Health COVID-19 resource page is available [here](#).

The Health Center for the Homeless is hosting a hotline to assist service providers with guidance when they encounter symptomatic individuals. (407) 458-6737

Orlando Utilities Commission (OUC) has closed walk-in centers; customers may conduct business over the phone or via self-service channels. OUC has waived late fees and suspended disconnections until further notice. OUC Emergency Management has moved to a Level 2 Partial Activation.

LYNX reports LYMMO and other LYNX services will operate as scheduled with temporary changes to some routes. LYNX Central Station's terminal lobby will be closed from 2300 through 0500 hours in accordance with Orange County's mandatory curfew. LYNX continues to follow increased housekeeping measures and provide information to employees and customers. LYNX established a web page for public information: [What We are Doing to Protect You from the Coronavirus](#).

### State Information:

The State EOC is currently at a Level I – Full activation.

Florida Department of Health Call Center 1-866-779-6121 is available 24 hours a day or [COVID-19@flhealth.com](mailto:COVID-19@flhealth.com)

Florida Attorney General, Ashley Moody activated Florida's Price Gouging Hotline. Consumers can report price gouging by phone at 1-866-966-7226 or online at [myfloridalegal.com](http://myfloridalegal.com).

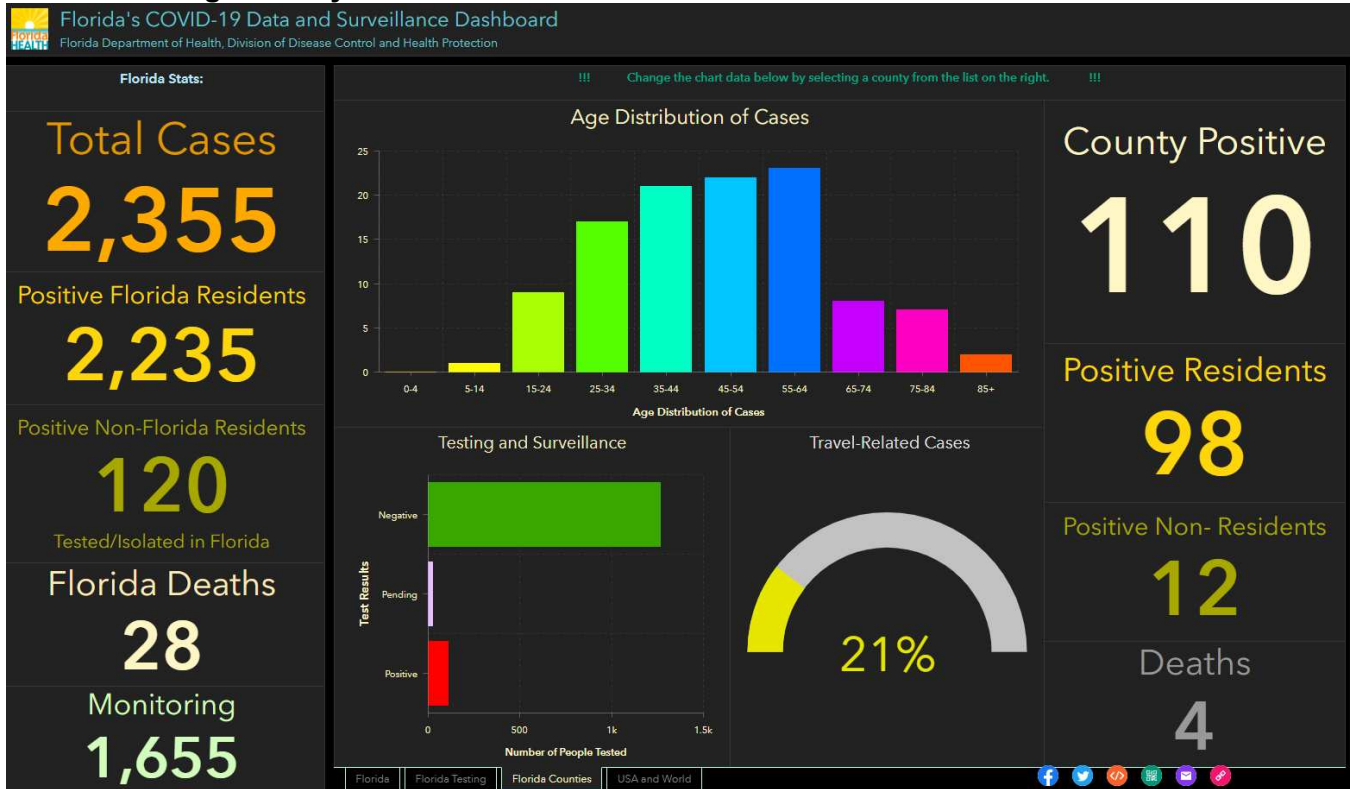

Florida recently partnered with private laboratories around the state to expand COVID-19 laboratory testing capacity. This partnership will increase the number of tests conducted each day and ensure Floridians receive the critical health information they need in a timely manner.

Expansion to private laboratories changes the COVID-19 testing landscape in Florida. Private laboratories are running tests as they receive swab samples from practitioners. Testing and reporting times vary among commercial and DOH laboratories. Demographic information may be updated during investigations. These twice daily reports reflect the state's efforts to accurately and transparently share information. More information on a case-by-case basis can also be found [here](#).

Field hospitals are being deployed/staged:

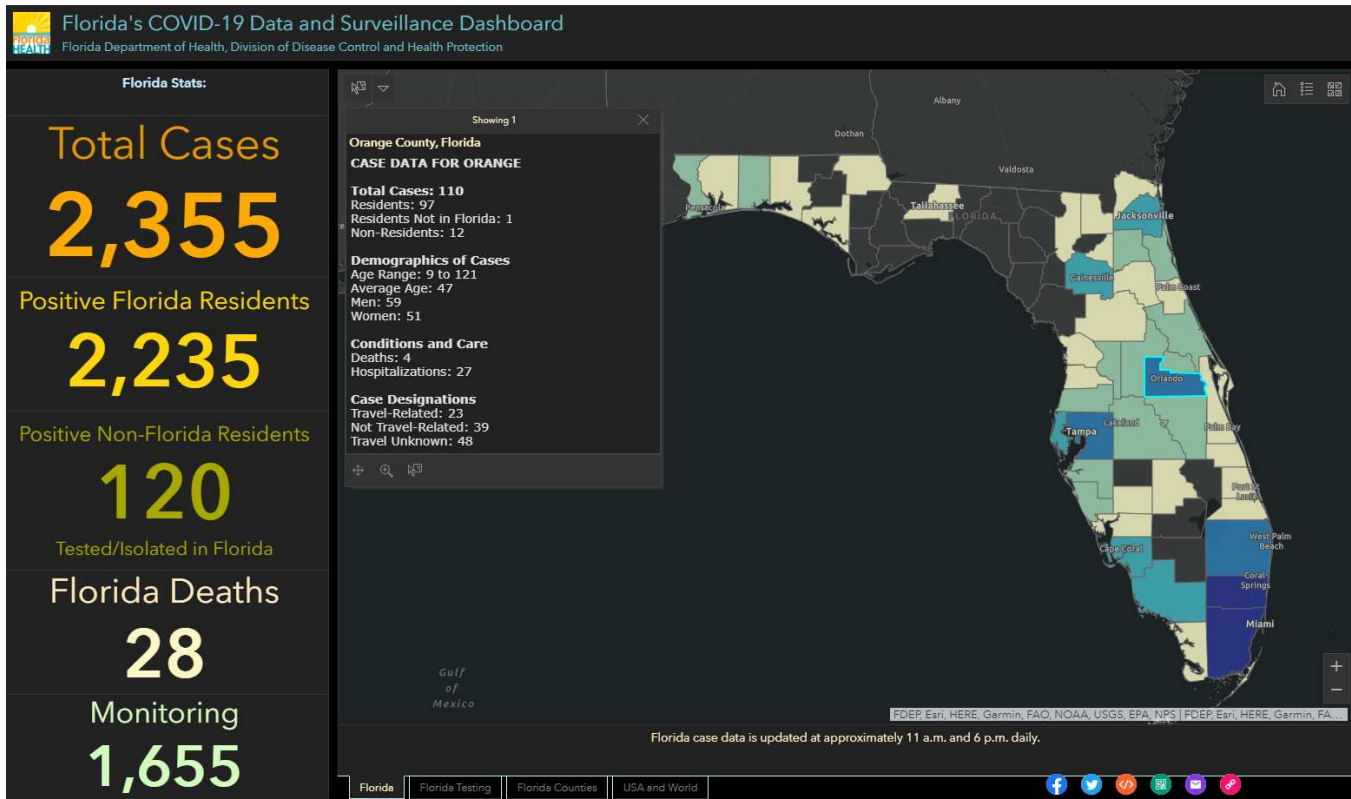

- One field hospital has been deployed in Broward County
- One field hospital is currently staged in Jacksonville

Cases, United States

# COVID-19 Cases in the U.S.

[Cases in U.S.](#) > [Situation Summary](#) >

## CDC Information

CDC is responding to a [pandemic](#) of respiratory disease [spreading](#) from person-to-person caused by a novel (new) [coronavirus](#). The disease has been named “coronavirus disease 2019” (abbreviated “COVID-19”). This situation poses a serious [public health risk](#). The federal government is working closely with state, local, tribal, and territorial partners, as well as public health partners, to [respond](#) to this situation. COVID-19 can cause [mild to severe illness](#); most severe illness occurs in older adults.

Different parts of the country are seeing different levels of COVID-19 activity. The United States nationally is in the initiation phase of the pandemic. States in which community spread is occurring are in the acceleration phase. The duration and severity of each pandemic phase can vary depending on the characteristics of the virus and the public health response.

On March 11, the COVID-19 outbreak was [characterized as a pandemic by the World Health Organization \(WHO\)](#).

More information from the CDC can be found [here](#).

## Map Information

Johns Hopkins University has created a [map](#) to track the outbreak as it progresses.

## Cyber Security

The City of Orlando has been alerted to a potential Cybersecurity risk when attempting to find the Johns Hopkins map. Cybersecurity experts have discovered a malicious website pretending to be the live map for Coronavirus COVID-19 Global Cases by Johns Hopkins University. Visiting the malicious website infects users with the AZORult Trojan, an information-stealing program that can exfiltrate a variety of sensitive data. All personnel need to ensure the utilization of reliable sources when accessing the Johns Hopkins University website. The malicious website uses Corona-Virus-Map.com as shown.

<b>TRAVEL UPDATES</b>
<p><b>GOAA Updates:</b></p> <ul style="list-style-type: none"> <li>All Terminals and Gates Open and Operational</li> <li>Continue to staff and support the Governor's Executive order #20-80, <b>DOH/FLNG/GOAA staff have formed teams on all airside to meet all direct flights from NY, NJ, CT. Yesterday's Operation</b></li> </ul>

## For Official Use Only (FOUO)

was smooth, no issues. Approximately 45 flights

- Continue to rigorously clean the facility and equipment
- Some Concessions closed, all food options are take out only
- Staff primary focus on Safety and Security, following all CDC Guidelines
- ARFF and OPD responding normally and taking all necessary precautions
- 956 Scheduled Flights for today
- 357 Flights Cancelled, 162 Arrivals and 195 Departures
- Yesterday's total departing passengers, 6,817, projected was 65,402
- Last year same date departing passengers, 65,089. Year over percentage is down 89.5%
- Passenger loads continue to drop more each day

### Domestic Travel Restrictions:

As of right now, there are no travel restrictions put in place for domestic travel in the US by the Federal Government.

**The City of Orlando is monitoring the situation and may update travel restrictions for unnecessary travel for its employees.**

Additional CDC travel information can be found [here](#).

### International Travel Restrictions:

The Department of State advises U.S. citizens to reconsider travel abroad due to the global impact of COVID-19. Many areas throughout the world are now experiencing COVID-19 outbreaks and taking action that may limit traveler mobility, including quarantines and border restrictions. Even countries, jurisdictions, or areas where cases have not been reported may restrict travel without notice.

## TOURISM AND EVENT UPDATES

Visit Orlando has established an assistance line to support visitors in need. Visitors can call 407-363-5872 or live chat with representatives through [www.visitorlando.com](http://www.visitorlando.com). For traveler FAQs, resources for visitors, and other information related to COVID-19, please see Visit Orlando's travel safety page.

To support Orlando's restaurant community, Visit Orlando launched a special "Orlando To Go" campaign. More than 120 member restaurants' takeout and delivery options are listed on [VisitOrlando.com/togo](http://VisitOrlando.com/togo). To establish the site, Visit Orlando contacted its hundreds of member restaurants to determine which restaurants are currently open and serving take-out and delivery, but encourages Central Floridians to support all local restaurants.

### Events:

Several local events over the next month have been cancelled due to the concerns about the COVID-19 spread. The NBA and NHL has cancelled all games for the next 30 days. The Solar Bears have also cancelled the remainder of their season.

### Walt Disney World Resort:

Monday March 16<sup>th</sup>, 2020, the theme parks and water parks at Walt Disney World Resort closed all operations until the end of the month. Disney Springs shopping district has closed effective 03/17/2020 until the end of the month. The hotels closed on Friday, March 20, 2020 until the end of the month.

Additionally, Disney Cruise Line has suspended all departures beginning March 14<sup>th</sup>, 2020.

### Universal Orlando Resort:

Universal Orlando will be closed through April 19, 2020.

**Other Tourist Areas:**

SeaWorld Orlando will closed their daily operations on Monday March 16<sup>th</sup>, 2020 through the end of the month.

## SCHOOL UPDATES

**Orange County Public Schools:**

All OCPS schools will be closed until at least April 15, 2020. OCPS Food and Nutrition Services opened the 50 student food distribution sites on Monday, March 23, 2020. The food distribution sites will be operating Monday through Friday from 10:00 to 14:00 hours. OCPS District offices will be open Monday to Friday 9:00 am to 3:00 pm. OCPS EOC will be open Monday to Friday 8:00 am to 3:00 pm. OCPS will be transitioning to distance learning on Monday, March 30, 2020.

**University of Central Florida:**

University of Central Florida (UCF) Interim President Seymour signed an Emergency Declaration on March 24, 2020. UCF's Department of Housing and Residence Life has announced that all students must move out of university residence halls by Wednesday, March 25, 2020 at 1800 hours, unless a student has an extenuating circumstance. The UCF EOC is activated to a Level 2 – Partial Activation. Per the Board of Governors, the State University System has extended remote learning through the end of the Spring semester. Traditional on-campus commencement ceremonies will not be held in May. Instead, each university is directed to develop an alternate schedule or method of delivery.

**Valencia Community College:**

Valencia College will resume most face-to-face classes on March 23, 2020 in an online format.

## PARTNER EMERGENCY OPERATIONS CENTERS

- Orange County – Level II Partial Activation effective March 13, 2020
- Maitland – Level II Partial Activation effective March 17, 2020
- Orange County Public Schools – Level II Partial Activation effective March 16, 2020
- Orlando Utilities Commission – Level II Partial Activation (Virtual) effective March 16, 2020
- University of Central Florida – Level II Partial Activation effective March 10, 2020
- Winter Park – Level II Partial Activation effective March 13, 2020

CITY OF ORLANDO ACTIONS
<b>Changes from previous Situation Reports will be in RED.</b>
<p>There are currently <b>156</b> confirmed cases (this includes residents and visitors) of COVID-19 in Orange County. The EOC activated to a Level 2 Virtual Partial Activation on Wednesday, March 18, 2020. The Office of Emergency Management is communicating with city departments and area partners and stakeholders.</p> <ul style="list-style-type: none"> <li>• On March 13, 2020, Orlando Mayor Buddy Dyer, declared a local state of emergency for the City of Orlando.</li> <li>• On March 20, 2020, per Executive Order, Mayor Buddy Dyer closed all city owned or controlled venues to public events until April 15, 2020. No City owned or controlled building may be rented for any group meeting during this time period, all previously issued 18A permits have been revoked and no new permits will issue until further notice.</li> <li>• City of Orlando and Orange County curfew remains in effect daily from 11pm to 5am.</li> <li>• To further combat the spread of COVID-19 in our community, Mayor Buddy Dyer has joined Orange County Mayor Jerry L. Demings in supporting a <a href="#">Stay at Home Order</a> for all residents and closing all non-essential businesses, from <b>Thursday, March 26, 2020 at 11 p.m. and continuing through April 9, 2020.</b></li> <li>• On March 26, 2020, per Executive Order, Mayor Buddy Dyer declared that all public meetings be held electronically without a quorum physically present in the same location.</li> <li>• <b>The City of Orlando will hold its first virtual City Council Meeting on Monday, March 30 at 2pm.</b></li> </ul> <p>The following services are open (or modified) within the City:</p> <ul style="list-style-type: none"> <li>• Orlando City Hall and other city administrative buildings have closed to the public. Residents should use phone or Orlando.gov to request city services and interact with city government.</li> <li>• All Public Works services will remain in place, including refuse collection and street sweeping will follow the usual schedule.</li> <li>• Permitting customers may seek assistance via email, online and phone. Visit Orlando.gov/permits for contact information and access to all digital services.             <ul style="list-style-type: none"> <li>▪ Building inspection services will continue to operate.</li> </ul> </li> <li>• Residents can call 321.235.5300 for non-emergency police assistance and general information.</li> <li>• The Hispanic Office for Local Assistance (HOLA) will be offering services virtually and residents can call 407.246.4310 or email hola@cityoforlando.net.</li> <li>• Outdoor facilities such as city parks, Leu Gardens and Dubsdread Golf Course will remain open</li> </ul>

**For Official Use Only (FOUO)**

to the public, with necessary social distancing measures in place to adhere to CDC guidelines.

The following services are closed, cancelled, or postponed within the City:

- Orlando City Hall and other city administrative buildings have closed to the public.
- City-hosted, sponsored and permitted events with 10+ attendees are [cancelled or postponed](#) until April 15, 2020 or until further notice.
- All youth and adult sporting activities and programs are suspended effective immediately until further notice.
- The Orlando Fire Museum, the Mennello Museum of American Art, Beardall Senior Center and L. Claudia Allen Senior Center are closed.
- Beginning at close of business Friday, March 20, all neighborhood, community and recreation centers will close to the public. A limited number of community centers will remain open to provide limited services like meal service to ensure we support our most vulnerable community only with appropriate social distancing.
- Discover Downtown - Information center is closed until further notice.
- Board of Zoning Adjustment, Historic Preservation Board and Appearance Review Board Meetings scheduled for March and April have been cancelled.
- The Mennello Museum of American Art will be temporarily closed until April 15, 2020 until further notice.
- The Permitting Services Customer Care Center, located on the first floor of City Hall, is closed until further notice.
- The City of Orlando Police Department's Business Desk at Police Headquarters is closed until further notice.
- The swan boats at Lake Eola will close at 5 p.m. on March 23, 2020 until further notice.
- All city-owned and operated playgrounds will close at 5 p.m. on March 23, 2020 until further notice.
- All Orange County boat ramps are closed.

**CITY DEPARTMENT EVENT RELATED ACTIONS**

DEPARTMENT/ESF	DAILY ACTIONS and UPDATES
Information Technology – ESF02	ESF02 is continuing to respond to client's needs to work remotely with equipment and instructions, working to ensure environment performance is adequate, and monitoring for issues related to technical performance. IT is also preparing the setup for the virtual Council Meeting scheduled for Monday, March 30. For any critical IT request please submit an email to <a href="mailto:criticalrequests@orlando.gov">criticalrequests@orlando.gov</a> .
Fire Service/EMS – ESF04/08	ESF04 is monitoring. ESF08 is monitoring for any equipment and supply requests. Units continue to use the AeroClave system for decontamination. Requests for personal protective equipment (PPE) and cleaning supplies have been communicated to the Orange County EOC and ESF07. Request for supplies include nebulizer masks, thermometer probe covers, ear probe covers, hand sanitizer, N95 masks, and isolation gowns. The fire department is managing the COVID-19 response from a Department Operations Center (DOC) with a communication link to the EOC.
Emergency Management – ESF05	ESF05, the Office of Emergency Management is currently monitoring the spread of the COVID-19 within central Florida. EM is assisting all departments and ESFs with coordination of supplies and resources. Emergency Management is assisting the Homeless Service Network with coordination for resources and needed supplies. Emergency Management is also working with the Orange County EOC to obtain additional resources to include PPE. ESF05 is maintaining the virtual EOC through the HSIN online platform.  All available EOC laptops have been provided to IT as loaner laptops for remote working.

**For Official Use Only (FOUO)**

	<p>Conference Calls Emergency Management is participating in and monitoring for information:</p> <ul style="list-style-type: none"> <li>• Orange County Emergency Operations Center – Daily at 8am and 6pm</li> <li>• State EOC Hospitals and Florida Hospital Association Call - Daily at 10am</li> <li>• City Executive Policy Group - Tuesday/Thursday 10am</li> <li>• County Emergency Managers Situation update - Daily at 11:15am</li> <li>• White House Conference Call - Intermittent usually at 1pm or 8pm</li> <li>• Shelter/Outreach Coronavirus Preparedness – MWF at 4pm</li> <li>• Florida Division of Emergency Management (FDEM) Region 5 (central Florida) - Tuesdays/Thursday at 5pm</li> <li>• State EOC Healthcare Provider Call hosted by FDOH - Tuesdays at 6:30pm</li> </ul>
Procurement – ESF07	ESF07 is assisting with procurement of additional supplies for all departments. City Stores is also assisting with storing and distributing the supplies. Multiple orders have been placed with vendors, only partial shipments are occurring. ESF07 is contacting alternative vendor options trying to obtain additional resources.
Communications – ESF14	ESF14 is drafting and sharing employee communications, drafting and sharing external communications, responding to all resident inquiries through digital platforms, responding to media inquiries, and updating the <a href="http://Orlando.gov/covid19">Orlando.gov/covid19</a> webpage. ESF14 is also planning and preparing for Monday’s virtual City Council meeting.
Police – ESF16	ESF16 has requested additional replacement PPE supplies through Orange County EOC. OPD is continuing to take inventory of current supply levels. OPD is using the Signal 40 van to transport any persons under arrest to the jail. This minimizes downtime for a patrol officer and reduces the need to have patrol vehicles sanitized. OPD is continuing to enforce nightly curfew and is awaiting further direction from legal for enforcement of the Stay at Home Order. Orange County Corrections is providing a date and time stamped “Letter of Incarceration” to inmates upon their release for documentation when outside.
Legal – City Attorney’s Office	City Legal is monitoring and providing support to departments as needed.

**GENERAL EVENT INFORMATION**

**Regional Information:**

**As of 8am this morning (Friday, March 27, 2020) the Orange County EOC has moved to a Level I – Full Activation.** The remaining counties in Region 5 are at a Level 2 Partial Activation.

The [Orlando Economic Partnership](#) has created an online resource center for employers and businesses to serve as one-stop-shop for information and resources available throughout our region.

Department of Health (DOH) – Orange reports the East-side collection site at 12050 East Colonial Drive is open. The hours of operation are from 0800 to 1700 hours by appointment only. DOH has a limited number of test kits available.

Orange County Government has agreed to host one of the four Regional Testing Sites in the State of Florida on the Orange County Convention Center property. This site opened, Wednesday, March 25, 2020. The site is operated in cooperation with the Florida Division of Emergency Management and funded by the Federal Government. The intention of this location is to provide testing to healthcare workers, first responders, and those 65+ that are exhibiting COVID-19 symptoms. A maximum of 250

collections for testing will be conducted per day.

Advent Health established a COVID-19 hotline. Nurses from the Hospital Group staff the hotline 24 hours a day and seven days a week. Those with questions or concerns should call 1-877-847-8747. The Advent Health Resource Hub is available [here](#).

Orlando Health has launched a hotline for the community to obtain information about COVID-19. The public can get accurate information by calling 1-877-321-2684; the hotline is available 24 hours a day, seven days a week. The Orlando Health COVID-19 resource page is available [here](#).

The Health Center for the Homeless is hosting a hotline to assist service providers with guidance when they encounter symptomatic individuals. (407) 458-6737

Orlando Utilities Commission (OUC) has closed walk-in centers; customers may conduct business over the phone or via self-service channels. OUC has waived late fees and suspended disconnections until further notice. OUC Emergency Management has moved to a Level 2 Partial Activation.

LYNX reports LYMMO and other LYNX services will operate as scheduled with temporary changes to some routes. LYNX Central Station's terminal lobby will be closed from 2300 through 0500 hours in accordance with Orange County's mandatory curfew. LYNX continues to follow increased housekeeping measures and provide information to employees and customers. LYNX established a web page for public information: [What We are Doing to Protect You from the Coronavirus](#).

#### **State Information:**

The State EOC is currently at a Level I – Full activation.

Florida Department of Health Call Center 1-866-779-6121 is available 24 hours a day or [COVID-19@flhealth.com](mailto:COVID-19@flhealth.com)

Florida Attorney General, Ashley Moody activated Florida's Price Gouging Hotline. Consumers can report price gouging by phone at 1-866-966-7226 or online at [myfloridalegal.com](http://myfloridalegal.com).

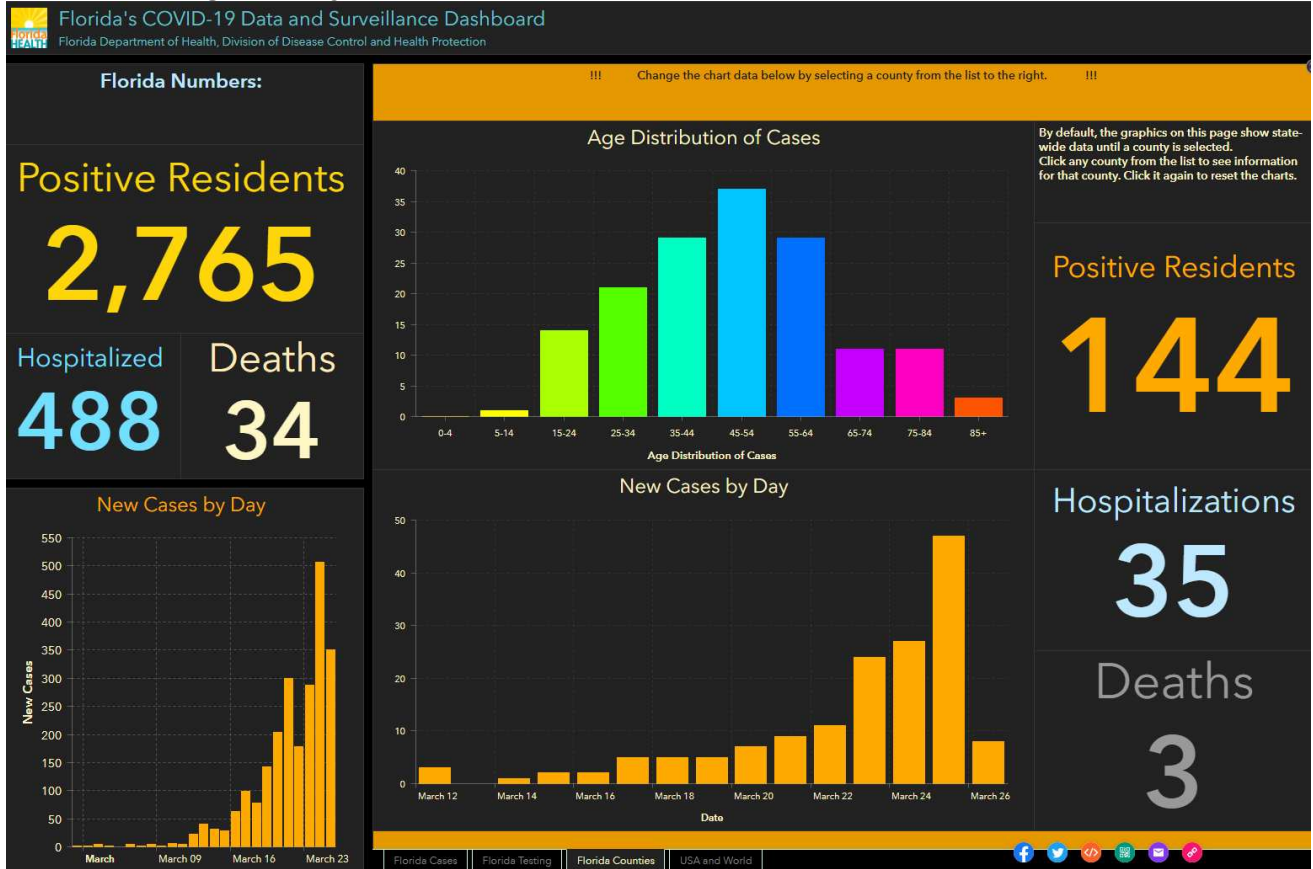

Florida has partnered with private laboratories around the state to expand COVID-19 laboratory testing capacity. This partnership will increase the number of tests conducted each day and ensure Floridians receive the critical health information they need in a timely manner.

Expansion to private laboratories changes the COVID-19 testing landscape in Florida. Private laboratories are running tests as they receive swab samples from practitioners. Testing and reporting times vary among commercial and DOH laboratories. Demographic information may be updated during investigations. These twice daily reports reflect the state's efforts to accurately and transparently share information. More information on a case-by-case basis can also be found [here](#).

Field hospitals are being deployed/staged:

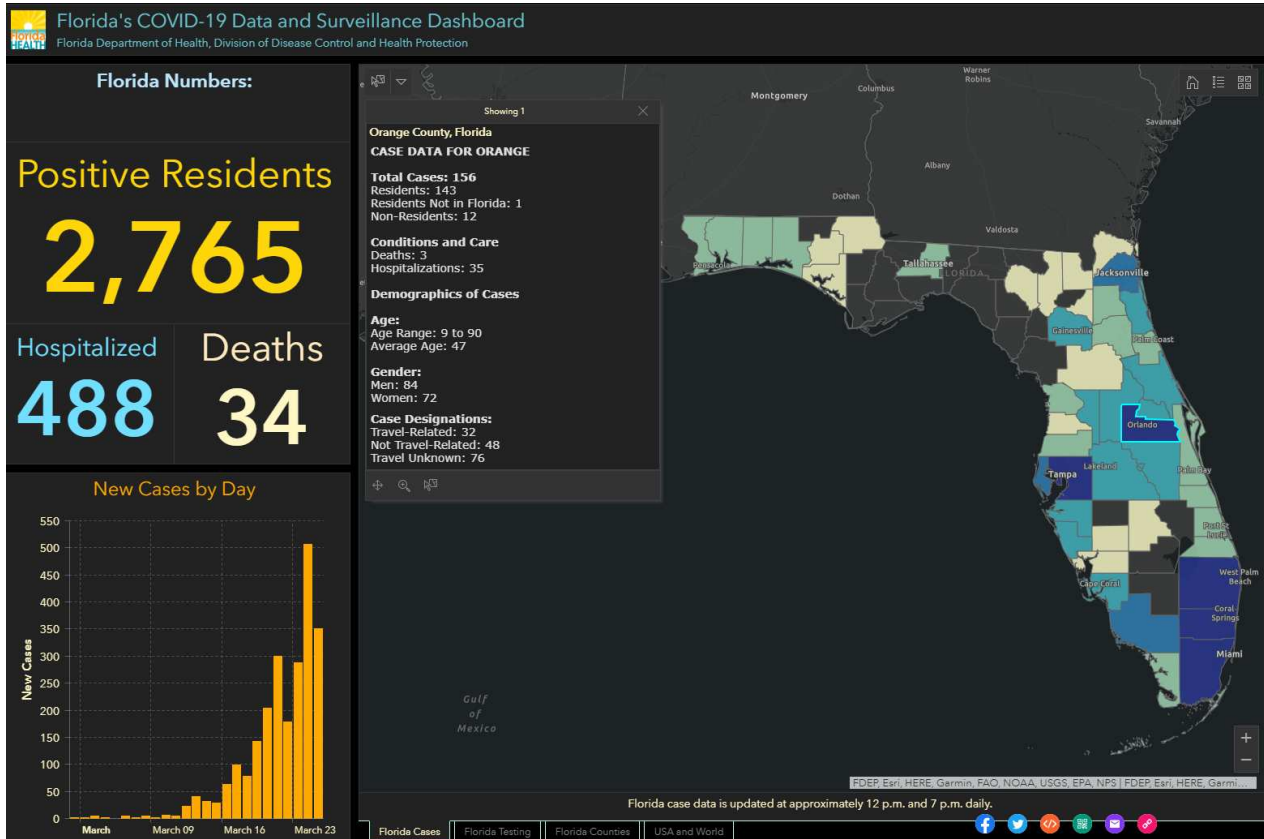

- One field hospital has been deployed in Broward County
- One field hospital is currently staged in Jacksonville

### Cases in Orange County

FDOH, updated 3.27.2020 11:00am

### Cases in Florida

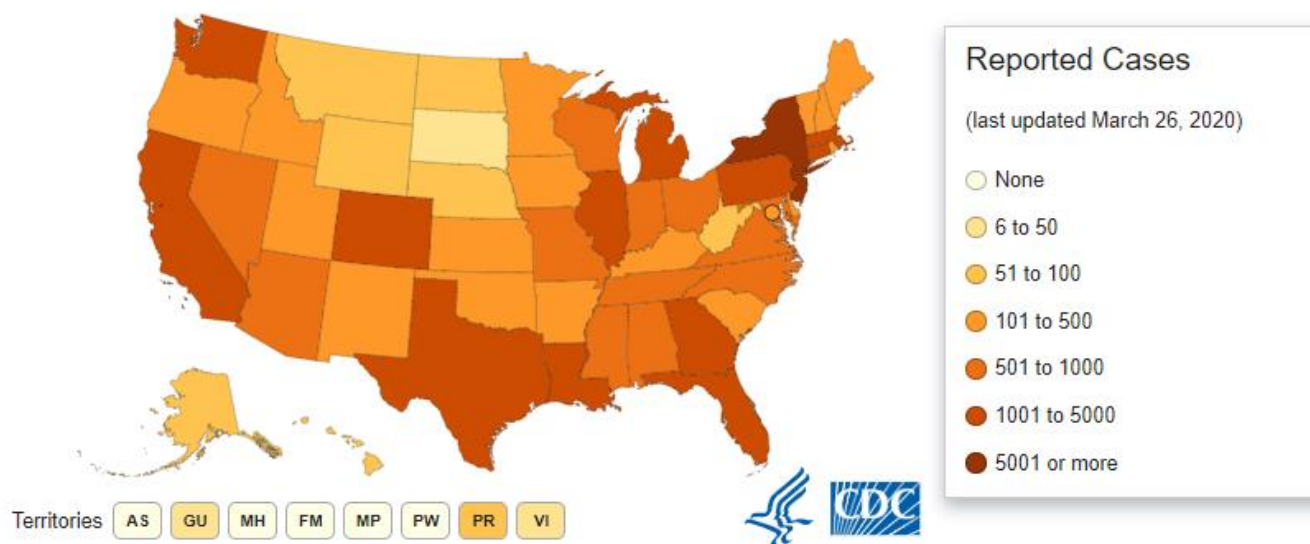

FDOH, updated 3.27.2020 11:00am

## Cases, United States

# COVID-19 Cases in the U.S.

[Cases in U.S.](#)  [Situation Summary](#) 

## CDC Information

CDC is responding to a [pandemic](#) of respiratory disease [spreading](#) from person-to-person caused by a novel (new) [coronavirus](#). The disease has been named “coronavirus disease 2019” (abbreviated “COVID-19”). This situation poses a serious [public health risk](#). The federal government is working closely with state, local, tribal, and territorial partners, as well as public health partners, to [respond](#) to this situation. COVID-19 can cause [mild to severe illness](#); most severe illness occurs in older adults.

Different parts of the country are seeing different levels of COVID-19 activity. The United States nationally is in the initiation phase of the pandemic. States in which community spread is occurring are in the acceleration phase. The duration and severity of each pandemic phase can vary depending on the characteristics of the virus and the public health response.

On March 11, the COVID-19 outbreak was [characterized as a pandemic by the World Health Organization \(WHO\)](#).

More information from the CDC can be found [here](#).

## Map Information

Johns Hopkins University has created a [map](#) to track the outbreak as it progresses.

## Cyber Security

The City of Orlando has been alerted to a potential Cybersecurity risk when attempting to find the Johns Hopkins map. Cybersecurity experts have discovered a malicious website pretending to be the live map for Coronavirus COVID-19 Global Cases by Johns Hopkins University. Visiting the malicious website infects users with the AZORult Trojan, an information-stealing program that can exfiltrate a variety of sensitive data. All personnel need to ensure the utilization of reliable sources when accessing the Johns Hopkins University website. The malicious website uses Corona-Virus-Map.com as shown.

<b>TRAVEL UPDATES</b>
<p><b>GOAA Updates:</b></p> <ul style="list-style-type: none"> <li>All Terminals and Gates Open and Operational</li> <li>Continue to staff and support the Governor's Executive order #20-80, DOH/FLNG/GOAA staff</li> </ul>

## For Official Use Only (FOUO)

have formed teams on all airside to meet all direct flights from NY, NJ, CT. Yesterday's Operation was smooth, no issues. Approximately 45 flights

- Continue to rigorously clean the facility and equipment
- Some Concessions closed, all food options are take out only
- Staff primary focus on Safety and Security, following all CDC Guidelines
- ARFF and OPD responding normally and taking all necessary precautions
- Passenger loads continue to drop more each day

### **Domestic Travel Restrictions:**

Currently there are no travel restrictions in place for domestic travel in the US by the Federal Government.

**The City of Orlando is monitoring the situation and may update travel restrictions for unnecessary travel for its employees.**

Additional CDC travel information can be found [here](#).

### **International Travel Restrictions:**

The Department of State advises U.S. citizens to reconsider travel abroad due to the global impact of COVID-19. Many areas throughout the world are now experiencing COVID-19 outbreaks and taking action that may limit traveler mobility, including quarantines and border restrictions. Even countries, jurisdictions, or areas where cases have not been reported may restrict travel without notice.

## TOURISM AND EVENT UPDATES

Visit Orlando has established an assistance line to support visitors in need. Visitors can call 407-363-5872 or live chat with representatives through [www.visitorlando.com](http://www.visitorlando.com). For traveler FAQs, resources for visitors, and other information related to COVID-19, please see Visit Orlando's travel safety page.

To support Orlando's restaurant community, Visit Orlando launched a special "Orlando To Go" campaign. More than 120 member restaurants' takeout and delivery options are listed on [VisitOrlando.com/togo](http://VisitOrlando.com/togo). To establish the site, Visit Orlando contacted its hundreds of member restaurants to determine which restaurants are currently open and serving take-out and delivery, but encourages Central Floridians to support all local restaurants.

### **Events:**

Several local events over the next month have been cancelled due to the concerns about the COVID-19 spread. The NBA and NHL have cancelled all games for the next 30 days. The Solar Bears have also cancelled the remainder of their season.

### **Walt Disney World Resort:**

Monday March 16<sup>th</sup>, 2020, the theme parks and water parks at Walt Disney World Resort closed all operations until the end of the month. Disney Springs shopping district has closed effective 03/17/2020 until the end of the month. The hotels closed on Friday, March 20, 2020 until the end of the month.

Additionally, Disney Cruise Line has suspended all departures beginning March 14<sup>th</sup>, 2020.

### **Universal Orlando Resort:**

Universal Orlando will be closed through April 19, 2020.

### **Other Tourist Areas:**

SeaWorld Orlando will closed their daily operations on Monday March 16<sup>th</sup>, 2020 through the end of the month.

## SCHOOL UPDATES

### Orange County Public Schools:

All OCPS schools will be closed until at least April 15, 2020. OCPS Food and Nutrition Services opened the 50 student food distribution sites on Monday, March 23, 2020. The food distribution sites will be operating Monday through Friday from 10:00 to 14:00 hours. OCPS District offices will be open Monday to Friday 9:00 am to 3:00 pm. OCPS EOC will be open Monday to Friday 8:00 am to 3:00 pm. OCPS will be transitioning to distance learning on Monday, March 30, 2020.

### University of Central Florida:

University of Central Florida (UCF) Interim President Seymour signed an Emergency Declaration on March 24, 2020. UCF's Department of Housing and Residence Life has announced that all students must move out of university residence halls by Wednesday, March 25, 2020 at 1800 hours, unless a student has an extenuating circumstance. The UCF EOC is activated to a Level 2 – Partial Activation. Per the Board of Governors, the State University System has extended remote learning through the end of the Spring semester. Traditional on-campus commencement ceremonies will not be held in May. Instead, each university is directed to develop an alternate schedule or method of delivery.

### Valencia Community College:

Valencia College will resume most face-to-face classes on March 23, 2020 in an online format. **Valencia College will remain primarily a remote team through at least the end of the spring term and will not consider returning to normal patterns of work until at least Monday, April 27, 2020.**

## PARTNER EMERGENCY OPERATIONS CENTERS

- Orange County – Level I Full Activation effective March 27, 2020
- Maitland – Level II Partial Activation effective March 17, 2020
- Orange County Public Schools – Level II Partial Activation effective March 16, 2020
- Orlando Utilities Commission – Level II Partial Activation (Virtual) effective March 16, 2020
- University of Central Florida – Level II Partial Activation effective March 10, 2020
- Winter Park – Level II Partial Activation effective March 13, 2020

### CITY OF ORLANDO ACTIONS

**Changes from previous Situation Reports will be in RED.**

There are currently **156** confirmed cases (this includes residents and visitors) of COVID-19 in Orange County. The EOC activated to a Level 2 Virtual Partial Activation on Wednesday, March 18, 2020. The Office of Emergency Management is communicating with city departments and area partners and stakeholders.

- On March 13, 2020, Orlando Mayor Buddy Dyer, declared a local state of emergency for the City of Orlando.
- On March 20, 2020, per Executive Order, Mayor Buddy Dyer closed all city owned or controlled venues to public events until April 15, 2020. No City owned or controlled building may be rented for any group meeting during this time period, all previously issued 18A permits have been revoked and no new permits will issue until further notice.
- City of Orlando and Orange County curfew remains in effect daily from 11pm to 5am.
- To further combat the spread of COVID-19 in our community, Mayor Buddy Dyer has joined Orange County Mayor Jerry L. Demings in supporting a [Stay at Home Order](#) for all residents and closing all non-essential businesses, from **Thursday, March 26, 2020 at 11 p.m. and continuing through April 9, 2020.**
- On March 26, 2020, per Executive Order, Mayor Buddy Dyer declared that all public meetings be held electronically without a quorum physically present in the same location.
- **The City of Orlando will hold its first virtual City Council Meeting on Monday, March 30 at 2pm.**

The following services are open (or modified) within the City:

- Orlando City Hall and other city administrative buildings have closed to the public. Residents should use phone or Orlando.gov to request city services and interact with city government.
- All Public Works services will remain in place, including refuse collection and street sweeping will follow the usual schedule.
- Permitting customers may seek assistance via email, online and phone.  
Visit Orlando.gov/permits for contact information and access to all digital services.
  - Building inspection services will continue to operate.
- Residents can call 321.235.5300 for non-emergency police assistance and general information.
- The Hispanic Office for Local Assistance (HOLA) will be offering services virtually and residents can call 407.246.4310 or email hola@cityoforlando.net.
- Outdoor facilities such as city parks, Leu Gardens and Dubsdread Golf Course will remain open

**For Official Use Only (FOUO)**

to the public, with necessary social distancing measures in place to adhere to CDC guidelines.

The following services are closed, cancelled, or postponed within the City:

- Orlando City Hall and other city administrative buildings have closed to the public.
- City-hosted, sponsored and permitted events with 10+ attendees are [cancelled or postponed](#) until April 15, 2020 or until further notice.
- All youth and adult sporting activities and programs are suspended effective immediately until further notice.
- The Orlando Fire Museum, the Mennello Museum of American Art, Beardall Senior Center and L. Claudia Allen Senior Center are closed.
- Beginning at close of business Friday, March 20, all neighborhood, community and recreation centers will close to the public. A limited number of community centers will remain open to provide limited services like meal service to ensure we support our most vulnerable community only with appropriate social distancing.
- Discover Downtown - Information center is closed until further notice.
- Board of Zoning Adjustment, Historic Preservation Board and Appearance Review Board Meetings scheduled for March and April have been cancelled.
- The Mennello Museum of American Art will be temporarily closed until April 15, 2020 until further notice.
- The Permitting Services Customer Care Center, located on the first floor of City Hall, is closed until further notice.
- The City of Orlando Police Department's Business Desk at Police Headquarters is closed until further notice.
- The swan boats at Lake Eola will close at 5 p.m. on March 23, 2020 until further notice.
- All city-owned and operated playgrounds will close at 5 p.m. on March 23, 2020 until further notice.
- All Orange County boat ramps are closed.

**CITY DEPARTMENT EVENT RELATED ACTIONS**

DEPARTMENT/ESF	DAILY ACTIONS and UPDATES
Information Technology – ESF02	ESF02 is continuing to respond to client's needs to work remotely with equipment and instructions, working to ensure environment performance is adequate, and monitoring for issues related to technical performance. IT is also preparing the setup for the virtual Council Meeting scheduled for Monday, March 30. For any critical IT request please submit an email to <a href="mailto:criticalrequests@orlando.gov">criticalrequests@orlando.gov</a> .
Fire Service/EMS – ESF04/08	ESF04 is monitoring. ESF08 is monitoring for any equipment and supply requests. Units continue to use the AeroClave system for decontamination. Requests for personal protective equipment (PPE) and cleaning supplies have been communicated to the Orange County EOC and ESF07. Request for supplies include nebulizer masks, thermometer probe covers, ear probe covers, hand sanitizer, N95 masks, and isolation gowns. The fire department is managing the COVID-19 response from a Department Operations Center (DOC) with a communication link to the EOC.
Emergency Management – ESF05	ESF05, the Office of Emergency Management is currently monitoring the spread of the COVID-19 within central Florida. EM is assisting all departments and ESFs with coordination of supplies and resources. Emergency Management is assisting the Homeless Service Network with coordination for resources and needed supplies. Emergency Management is also working with the Orange County EOC to obtain additional resources to include PPE. ESF05 is maintaining the virtual EOC through the HSIN online platform.  All available EOC laptops have been provided to IT as loaner laptops for remote working.

**For Official Use Only (FOUO)**

	<p>Conference Calls Emergency Management is participating in and monitoring for information:</p> <ul style="list-style-type: none"> <li>• Orange County Emergency Operations Center – Daily at 8am and 6pm</li> <li>• State EOC Hospitals and Florida Hospital Association Call - Daily at 10am</li> <li>• City Executive Policy Group - Tuesday/Thursday 10am</li> <li>• County Emergency Managers Situation update - Daily at 11:15am</li> <li>• White House Conference Call - Intermittent usually at 1pm or 8pm</li> <li>• Shelter/Outreach Coronavirus Preparedness – MWF at 4pm</li> <li>• Florida Division of Emergency Management (FDEM) Region 5 (central Florida) - Tuesdays/Thursday at 5pm</li> <li>• State EOC Healthcare Provider Call hosted by FDOH - Tuesdays at 6:30pm</li> </ul>
Procurement – ESF07	ESF07 is assisting with procurement of additional supplies for all departments. City Stores is also assisting with storing and distributing the supplies. Multiple orders have been placed with vendors, only partial shipments are occurring. ESF07 is contacting alternative vendor options trying to obtain additional resources.
Communications – ESF14	ESF14 is drafting and sharing employee communications, drafting and sharing external communications, responding to all resident inquiries through digital platforms, responding to media inquiries, and updating the <a href="http://Orlando.gov/covid19">Orlando.gov/covid19</a> webpage. ESF14 is also planning and preparing for Monday’s virtual City Council meeting.
Police – ESF16	ESF16 has requested additional replacement PPE supplies through Orange County EOC. OPD is continuing to take inventory of current supply levels. OPD is using the Signal 40 van to transport any persons under arrest to the jail. This minimizes downtime for a patrol officer and reduces the need to have patrol vehicles sanitized. OPD is continuing to enforce nightly curfew and is awaiting further direction from legal for enforcement of the Stay at Home Order. Orange County Corrections is providing a date and time stamped “Letter of Incarceration” to inmates upon their release for documentation when outside.
Legal – City Attorney’s Office	City Legal is monitoring and providing support to departments as needed.

**GENERAL EVENT INFORMATION**

**Regional Information:**

**As of 8am this morning (Friday, March 27, 2020) the Orange County EOC has moved to a Level I – Full Activation.** The remaining counties in Region 5 are at a Level 2 Partial Activation.

The [Orlando Economic Partnership](#) has created an online resource center for employers and businesses to serve as one-stop-shop for information and resources available throughout our region.

Department of Health (DOH) – Orange reports the East-side collection site at 12050 East Colonial Drive is open. The hours of operation are from 0800 to 1700 hours by appointment only. DOH has a limited number of test kits available.

Orange County Government has agreed to host one of the four Regional Testing Sites in the State of Florida on the Orange County Convention Center property. This site opened, Wednesday, March 25, 2020. The site is operated in cooperation with the Florida Division of Emergency Management and funded by the Federal Government. The intention of this location is to provide testing to healthcare workers, first responders, and those 65+ that are exhibiting COVID-19 symptoms. A maximum of 250

collections for testing will be conducted per day.

Advent Health established a COVID-19 hotline. Nurses from the Hospital Group staff the hotline 24 hours a day and seven days a week. Those with questions or concerns should call 1-877-847-8747. The Advent Health Resource Hub is available [here](#).

Orlando Health has launched a hotline for the community to obtain information about COVID-19. The public can get accurate information by calling 1-877-321-2684; the hotline is available 24 hours a day, seven days a week. The Orlando Health COVID-19 resource page is available [here](#).

The Health Center for the Homeless is hosting a hotline to assist service providers with guidance when they encounter symptomatic individuals. (407) 458-6737

Orlando Utilities Commission (OUC) has closed walk-in centers; customers may conduct business over the phone or via self-service channels. OUC has waived late fees and suspended disconnections until further notice. OUC Emergency Management has moved to a Level 2 Partial Activation.

LYNX reports LYMMO and other LYNX services will operate as scheduled with temporary changes to some routes. LYNX Central Station's terminal lobby will be closed from 2300 through 0500 hours in accordance with Orange County's mandatory curfew. LYNX continues to follow increased housekeeping measures and provide information to employees and customers. LYNX established a web page for public information: [What We are Doing to Protect You from the Coronavirus](#).

#### **State Information:**

The State EOC is currently at a Level I – Full activation.

Florida Department of Health Call Center 1-866-779-6121 is available 24 hours a day or [COVID-19@flhealth.com](mailto:COVID-19@flhealth.com)

Florida Attorney General, Ashley Moody activated Florida's Price Gouging Hotline. Consumers can report price gouging by phone at 1-866-966-7226 or online at [myfloridalegal.com](http://myfloridalegal.com).

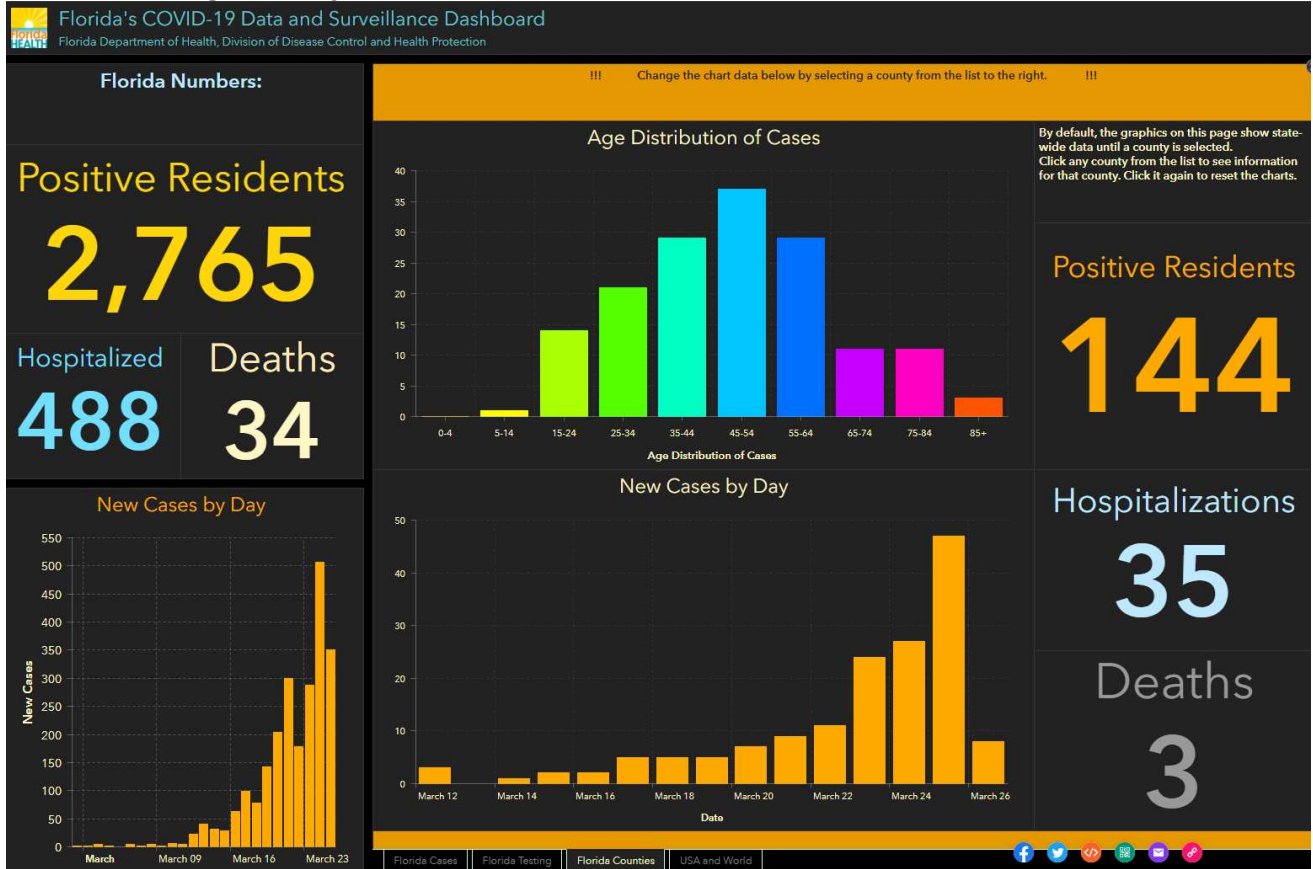

Florida has partnered with private laboratories around the state to expand COVID-19 laboratory testing capacity. This partnership will increase the number of tests conducted each day and ensure Floridians receive the critical health information they need in a timely manner.

Expansion to private laboratories changes the COVID-19 testing landscape in Florida. Private laboratories are running tests as they receive swab samples from practitioners. Testing and reporting times vary among commercial and DOH laboratories. Demographic information may be updated during investigations. These twice daily reports reflect the state's efforts to accurately and transparently share information. More information on a case-by-case basis can also be found [here](#).

Field hospitals are being deployed/staged:

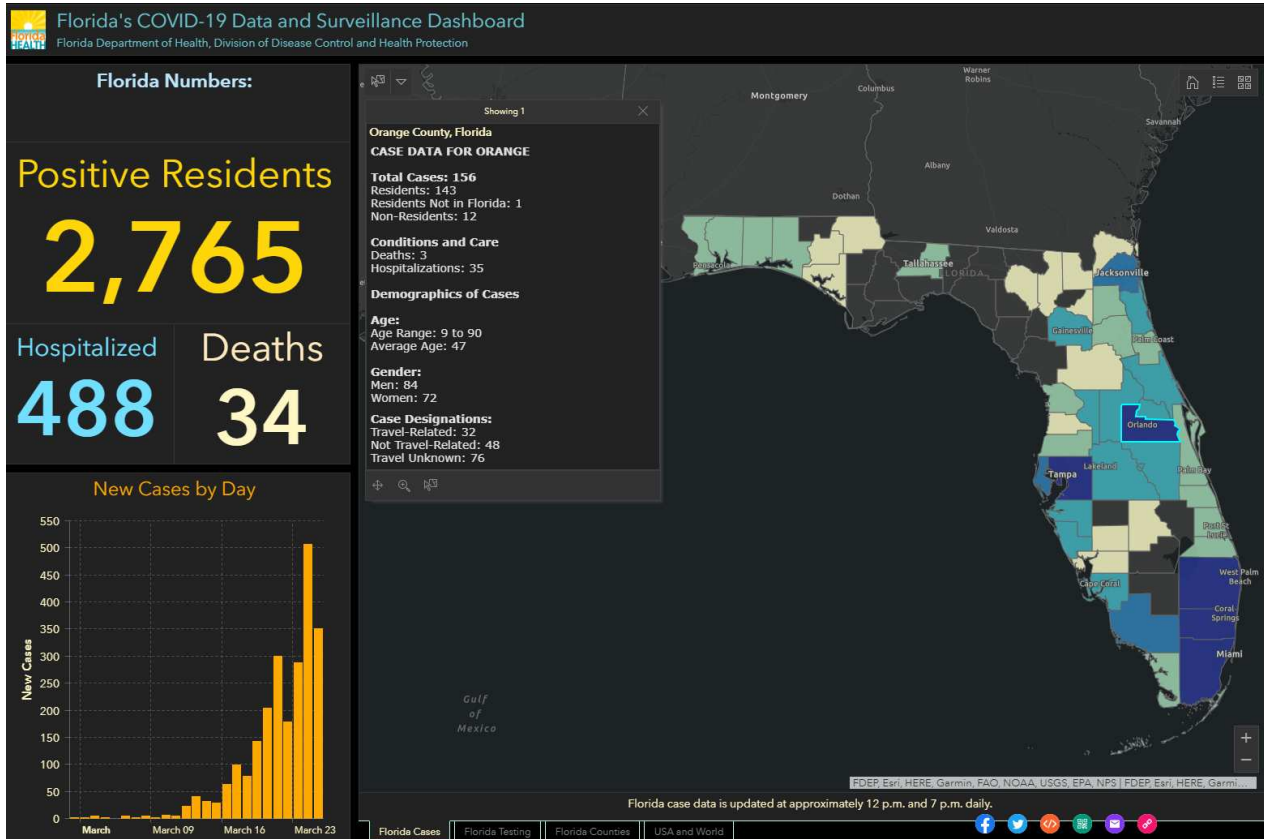

- One field hospital has been deployed in Broward County
- One field hospital is currently staged in Jacksonville

### Cases in Orange County

FDOH, updated 3.27.2020 11:00am

### Cases in Florida

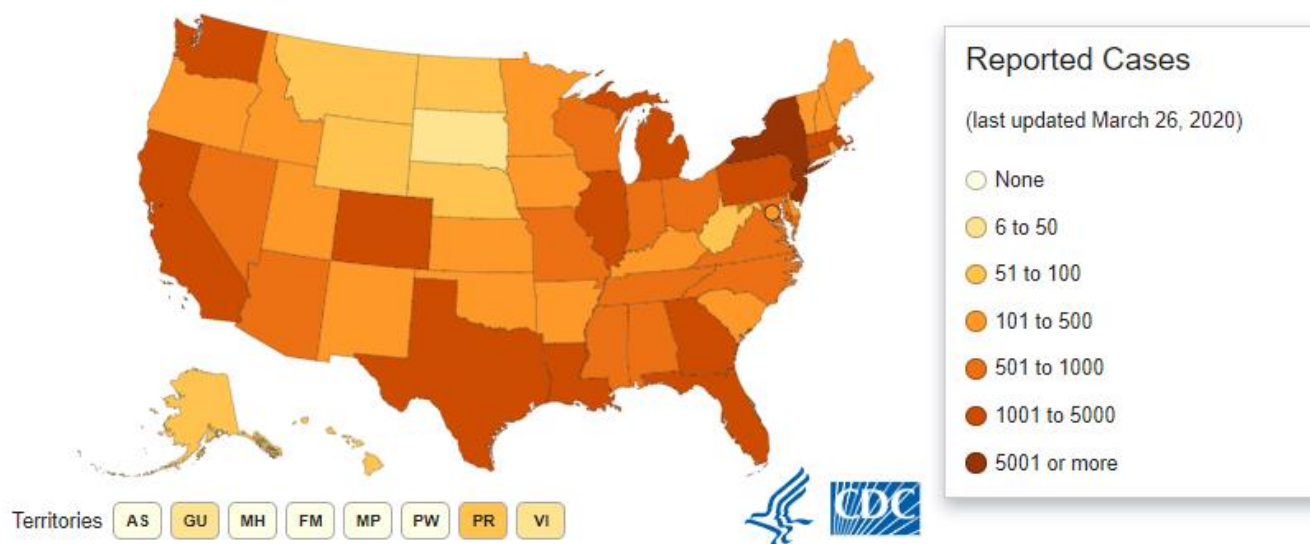

FDOH, updated 3.27.2020 11:00am

## Cases, United States

## COVID-19 Cases in the U.S.

[Cases in U.S.](#)  [Situation Summary](#) 

**CDC Information**

CDC is responding to a [pandemic](#) of respiratory disease [spreading](#) from person-to-person caused by a novel (new) [coronavirus](#). The disease has been named “coronavirus disease 2019” (abbreviated “COVID-19”). This situation poses a serious [public health risk](#). The federal government is working closely with state, local, tribal, and territorial partners, as well as public health partners, to [respond](#) to this situation. COVID-19 can cause [mild to severe illness](#); most severe illness occurs in older adults.

Different parts of the country are seeing different levels of COVID-19 activity. The United States nationally is in the initiation phase of the pandemic. States in which community spread is occurring are in the acceleration phase. The duration and severity of each pandemic phase can vary depending on the characteristics of the virus and the public health response.

On March 11, the COVID-19 outbreak was [characterized as a pandemic by the World Health Organization \(WHO\)](#).

More information from the CDC can be found [here](#).

**Map Information**

Johns Hopkins University has created a [map](#) to track the outbreak as it progresses.

**Cyber Security**

The City of Orlando has been alerted to a potential Cybersecurity risk when attempting to find the Johns Hopkins map. Cybersecurity experts have discovered a malicious website pretending to be the live map for Coronavirus COVID-19 Global Cases by Johns Hopkins University. Visiting the malicious website infects users with the AZORult Trojan, an information-stealing program that can exfiltrate a variety of sensitive data. All personnel need to ensure the utilization of reliable sources when accessing the Johns Hopkins University website. The malicious website uses Corona-Virus-Map.com as shown.

have formed teams on all airside to meet all direct flights from NY, NJ, CT. Yesterday's Operation was smooth, no issues. Approximately 45 flights

- Continue to rigorously clean the facility and equipment
- Some Concessions closed, all food options are take out only
- Staff primary focus on Safety and Security, following all CDC Guidelines
- ARFF and OPD responding normally and taking all necessary precautions
- Passenger loads continue to drop more each day

### **Domestic Travel Restrictions:**

Currently there are no travel restrictions in place for domestic travel in the US by the Federal Government.

**The City of Orlando is monitoring the situation and may update travel restrictions for unnecessary travel for its employees.**

Additional CDC travel information can be found [here](#).

### **International Travel Restrictions:**

The Department of State advises U.S. citizens to reconsider travel abroad due to the global impact of COVID-19. Many areas throughout the world are now experiencing COVID-19 outbreaks and taking action that may limit traveler mobility, including quarantines and border restrictions. Even countries, jurisdictions, or areas where cases have not been reported may restrict travel without notice.

## TOURISM AND EVENT UPDATES

Visit Orlando has established an assistance line to support visitors in need. Visitors can call 407-363-5872 or live chat with representatives through [www.visitorlando.com](http://www.visitorlando.com). For traveler FAQs, resources for visitors, and other information related to COVID-19, please see Visit Orlando's travel safety page.

To support Orlando's restaurant community, Visit Orlando launched a special "Orlando To Go" campaign. More than 120 member restaurants' takeout and delivery options are listed on [VisitOrlando.com/togo](http://VisitOrlando.com/togo). To establish the site, Visit Orlando contacted its hundreds of member restaurants to determine which restaurants are currently open and serving take-out and delivery, but encourages Central Floridians to support all local restaurants.

### **Events:**

Several local events over the next month have been cancelled due to the concerns about the COVID-19 spread. The NBA and NHL have cancelled all games for the next 30 days. The Solar Bears have also cancelled the remainder of their season.

### **Walt Disney World Resort:**

Monday March 16<sup>th</sup>, 2020, the theme parks and water parks at Walt Disney World Resort closed all operations until the end of the month. Disney Springs shopping district has closed effective 03/17/2020 until the end of the month. The hotels closed on Friday, March 20, 2020 until the end of the month.

Additionally, Disney Cruise Line has suspended all departures beginning March 14<sup>th</sup>, 2020.

### **Universal Orlando Resort:**

Universal Orlando will be closed through April 19, 2020.

### **Other Tourist Areas:**

SeaWorld Orlando will closed their daily operations on Monday March 16<sup>th</sup>, 2020 through the end of the month.

## SCHOOL UPDATES

### Orange County Public Schools:

All OCPS schools will be closed until at least April 15, 2020. OCPS Food and Nutrition Services opened the 50 student food distribution sites on Monday, March 23, 2020. The food distribution sites will be operating Monday through Friday from 10:00 to 14:00 hours. OCPS District offices will be open Monday to Friday 9:00 am to 3:00 pm. OCPS EOC will be open Monday to Friday 8:00 am to 3:00 pm. OCPS will be transitioning to distance learning on Monday, March 30, 2020.

### University of Central Florida:

University of Central Florida (UCF) Interim President Seymour signed an Emergency Declaration on March 24, 2020. UCF's Department of Housing and Residence Life has announced that all students must move out of university residence halls by Wednesday, March 25, 2020 at 1800 hours, unless a student has an extenuating circumstance. The UCF EOC is activated to a Level 2 – Partial Activation. Per the Board of Governors, the State University System has extended remote learning through the end of the Spring semester. Traditional on-campus commencement ceremonies will not be held in May. Instead, each university is directed to develop an alternate schedule or method of delivery.

### Valencia Community College:

Valencia College will resume most face-to-face classes on March 23, 2020 in an online format. **Valencia College will remain primarily a remote team through at least the end of the spring term and will not consider returning to normal patterns of work until at least Monday, April 27, 2020.**

## PARTNER EMERGENCY OPERATIONS CENTERS

- Orange County – Level I Full Activation effective March 27, 2020
- Maitland – Level II Partial Activation effective March 17, 2020
- Orange County Public Schools – Level II Partial Activation effective March 16, 2020
- Orlando Utilities Commission – Level II Partial Activation (Virtual) effective March 16, 2020
- University of Central Florida – Level II Partial Activation effective March 10, 2020
- Winter Park – Level II Partial Activation effective March 13, 2020

**Subject:** Concerned Parent Traveling from NY to FL

**ATTENTION:** This email came from an external source. Do not open attachments or click on links from unknown senders or unexpected emails.

To whom it may concern,

I write to you as the concerned parent of a child competing in the upcoming uca all-atar cheerleading competition at the Disney/ESPN facility in Orlando, FL 3/14-3/15. In light of the ongoing community spread of the Covid-19 virus in a number of US states, we are extremely concerned. Last year there was at least one team competing from the Westchester, NY area, which is a hot zone of viral activity with confirmed cases of COVID-19 well over 100. I am not sure if they or additional teams from this or other hot zone areas are competing this year, but considering how big this event is I'd be surprised if this was not the case. This event brings together thousands of kids, coaches, parents and event staff from all over the world and could be a potential health risk for all attendees and community at large.

The only communication from Varsity/UCA has been to highlight their suggestion for good hygiene while at the event and to consider 'alternative greetings'. I'm not at all confident the event organizers are treating this as the serious public health issue it is. What kind of guidance is being given by CDC and/or other public health organizations? Is the UCA and Disney prepared to potentially contribute to the widespread transmission of COVID-19 due to their event? Are they prepared for outbreaks in their communities and the communities that all their staff and participants will travel back to? To limit exposure and transmission of COVID-19, non-essential large gatherings such as the cheerleading competition should be canceled so as not to contribute to the public health crisis.

Thank you,  
Concerned Parent & Citizen

### **Drive up Coronavirus Testing Site Available**

A mobile collection site to test for coronavirus is open and the tent is up at the Lee Convenient Care facility near Page field. Patients must have an order from their physician or provider and make an appointment before showing up to the collection site. These requirements are necessary to maintain an orderly collection process. Patients who are experiencing symptoms and don’t have a test order should call their primary care physician.

The Page Field Lee Convenient Care office is located at 4771 S Cleveland Avenue in Fort Myers. It’s open from Noon until 4 p.m. The site will initially have the capacity to collect up to 32 specimens per day. Lee Health has plans in place to expand the hours and open additional collection sites due to demand.

The mobile site is for collection of COVID-19 samples only. The specimens will be sent to a lab for testing, which takes 3-4 days to return. The patient’s provider will give the results when they are ready.

This is not the only mobile testing site open in Southwest Florida. NCH is also collecting samples. You don’t need an appointment at NCH, but you still need a doctor’s order. Health officials tell us not only is this convenient, but it’s also

FL-ORLANDO-20-1073-A-000159

safer.

**Large retailers have adjusted their hours to help seniors and those most vulnerable to COVID-19.** Please note and share the following special shopping hours to help seniors and those who may have compromised immune systems so they can shop during these hours. Please contact your local store for more information.

### **Governor Ron DeSantis Activates Emergency Business Damage Assessment Survey for Coronavirus (COVID-19) G**

On March 12, 2020, in News Releases, by Staff

The Business Damage Assessment Survey can be taken online at <https://floridadisaster.biz/>

Tallahassee, Fla. – Today, Governor Ron DeSantis announced the activation of the Business Damage Assessment survey to assess the impact of COVID-19 on Florida's local business operations. The survey, managed by the Florida Department of Economic Opportunity (DEO), will evaluate businesses affected by COVID-19 and the impacts the virus has had on the local economy so actions to implement appropriate relief programs can begin.

"Gathering information about the impact COVID-19 has on Florida businesses and industries will be invaluable to the state's efforts in coordinating our response," said Governor DeSantis. "It is important that we understand the total impact COVID-19 has on businesses to ensure that we access the resources that may be available."

The Business Damage Assessment Survey can be taken online at <https://floridadisaster.biz/>. Results from this survey will be shared with state agencies and local partners. Surveys submitted by small businesses can be used to access the Small Business Administration's Economic Injury Disaster Loan, made available for COVID-19 through the Coronavirus Preparedness and Response Supplemental Appropriations Act. For inquiries or assistance with the survey, businesses can contact Emergency Support Function 18 at [ESF18@em.myflorida.com](mailto:ESF18@em.myflorida.com).

"Under Governor DeSantis' direction, the state of Florida has maintained contact with our business partners throughout the state in order to develop a proactive response for COVID-19 business impacts," said Florida DEO Executive Director Ken Lawson. "We need feedback from all Florida businesses to provide comprehensive information about the impacts of COVID-19 to our partners at the federal level."

Governor Ron DeSantis issued Executive Order 20-52 declaring a State of Emergency for COVID-19 and directed the Florida Division of Emergency Management to activate the Florida Emergency Operations Center (EOC) to a Level II, to coordinate the state's response to COVID-19. Last week, the governor issued Executive Order 20-51 directing the State Surgeon General to declare a public health emergency.

For the most up-to-date information about COVID-19 in Florida, please visit the Florida Department of Health's dedicated COVID-19 webpage. For any other questions related to COVID-19 in Florida, please contact the state's dedicated COVID-19 Call Center by calling (866) 779-6121. The Call Center is available 24 hours per day. Inquiries may also be emailed to [COVID-19@flhealth.gov](mailto:COVID-19@flhealth.gov).

### **A message from the Bonita Springs Assistance Office:**

In an ongoing effort to safeguard the health of the community, the BSAO is re-evaluating services at our agency. Our goal is to comply with the CDC protocols to stop the advance of the COVID-19.

At this time, all BSAO employees will continue to report to work as scheduled. Our agency is open, however the front door will remain locked & the lobby is closed. We are operating our food distribution only via the back door and asking the public to remain in their vehicle, present their photo ID and open their trunk in order to receive pre-bagged food and hygiene items.

We also have adult incontinence products, feminine hygiene products, and baby/infant diapers available as requested. Our assistance is open to everyone in need - we are here to serve our community.

Our hours are 9:00 AM till 4:00 PM. Monday thru Friday. Main phone # is 239-992-3034.

We are not providing social services such as Medicaid applications, SNAP applications, or Financial Assistance.

We will continue to monitor the situation and will re-evaluate our days/hours of operations on a daily basis. We will also update our voice mail system at the end of each day with current hours/days of operations. Any further questions please call our agency or email us at [info@bonitaassistance.org](mailto:info@bonitaassistance.org)

**To access information about Florida Bridge Loans & Small Business Administration Disaster loans for businesses impacted by COVID-19 please go to <https://leecountybusiness.com/covid-19-resources>.**

**Subject:** COVID 19- Orange County Residents/ non essential Seminole County workers forces to work

**ATTENTION:** This email came from an external source. Do not open attachments or click on links from unknown senders or unexpected emails.

Dear Mayor Dyer & Mayor Demings,

Thank you for your efforts to mitigate the spread of coronavirus in our county and city. As an OCPS teacher, I appreciate this very much your efforts.

I wanted to share a personal concern over Orange County residents who work in Seminole County, and are attempting to obey OC curfews and "stay at home" orders, are autoimmune compromised, and have children who suffer from severe respiratory conditions - and yet they are being forced to physically report to work in non-essential city duties.

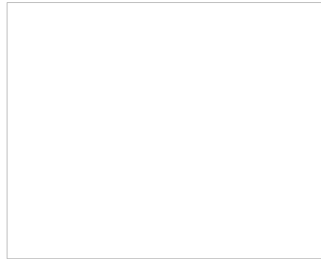

My sister is in this predicament, she works for the city of Oviedo but resides in Orlando. We have prayed for a resolution, for an opportunity for her to be able to tele-work and stay with her family without endangering them, but we haven't found one. I don't want to disclose her full name to protect her for any work repercussions.

Does FMLA protect her? What does your office(s) suggest?

Thank you,  
Cynthia B. Wilson

**From:** Nikki Fried <nikkifried@floridaconsumersfirst.org>  
**Sent:** Thursday, March 12, 2020 3:14 PM EDT  
**To:** Mayor Buddy Dyer <Buddy.Dyer@cityoforlando.net>  
**Subject:** COVID-19: How we're protecting consumers.

**ATTENTION: This email came from an external source. Do not open attachments or click on links from unknown senders or unexpected emails.**

John,

**As your Commissioner of Agriculture and Consumer Services, your safety is my greatest concern.** With new cases of the coronavirus COVID-19 announced daily in Florida, my department is working to reduce the risk of its spread by making sure places that millions of Floridians visit daily -- like grocery stores, convenience stores, and gas stations -- are following best sanitation and food safety practices.

Our department is working with businesses to ensure that they are sanitizing shopping carts and basket handles, offering sanitizing supplies to customers, and that food stores are following food safety guidelines.

**Everything counts when it comes to limiting the spread of viruses.**

Studies have shown that human coronaviruses can live on surfaces like plastic, glass, or metal for [up to nine days](#). Here are some things you can do as consumers to protect yourselves and others.

- Wipe down surfaces with disinfecting wipes at the gas pump, in the gym, at the coffee shop, or any public place. Don't reuse the wipe.
- Apply hand sanitizer to your hands after pumping gas or wash hands for at least 20 seconds or more with soap. Wash your hands often -- before preparing food, after coughing or touching a pet -- for at least 20 seconds with soap. Use disposable products to dry your hands or wash reusable cloths at 140 degrees Fahrenheit after each use.
- Wash your hands even when wearing gloves. Germs can spread to hands when removing gloves.
- [Disinfect and dry](#) commonly-used surfaces like countertops and cutting boards, because dampness can help viruses survive and thrive.
- If you have questions about the public health impacts of COVID-19, please call the Florida Department of Health's 24/7 COVID-19 Call Center at +1 (866) 779-6121 or email [COVID-19@flhealth.gov](mailto:COVID-19@flhealth.gov).

We're continuing to monitor the COVID-19 situation closely, and being proactive in protecting consumers and businesses.

Thank you,

**Nikki**

**RE: COVID-19 UPDATE AND INFORMATION**

Dear Resident:

The health and safety of our residents is important to me as we face unprecedented and challenging times in Orange County. It is an understatement to say the virus is spreading rapidly, and we want to take every measure possible to slow the spread. Orange County currently has 143 confirmed cases as of today. Many of those infected are the men and women on the front lines of this public health crisis.

On March 24, 2020, I signed an [Executive Order calling for a "Stay at Home" mandate](#) for the entire county. This went into effect yesterday, Thursday, March 26, 2020, at 11 p.m., and will continue for two weeks until Thursday April 9, 2020, at 11 p.m. I did not take signing this executive order lightly. After discussion with our elected mayors and hospital partners, we believe this is the most effective way to deal with the coronavirus threat. I know this is uncomfortable, but our goal is to stop the spread of the virus and get life back to normal as quickly as possible.

Listed below is the most up-to-date information and community resources to share with your families, loved ones and neighbors. Please check the Orange County webpage [www.ocfl.net/coronavirus](http://www.ocfl.net/coronavirus) and [social media channels](#) for frequent updates.

**LOCAL STATE OF EMERGENCY**

On [Friday, March 13, 2020, I declared a local state of emergency](#) as a precaution to the virus. This Executive Order allows for normal county processes to be temporarily suspended for better and more efficient emergency management as we work with community and state partners. The number-one priority for the County is to keep our community safe and we urge you to continue to monitor your personal health. Prior to the County's announcement, Governor Ron DeSantis issued an Executive Order directing a Public Health Emergency and statewide response for COVID-19 on March 1, 2020. Declaring a State of Emergency is a common, proactive practice that allows state resources and personnel to respond to major emergencies. For more information about the emergency declaration, County services, programs and community resources, visit [www.ocfl.net/coronavirus](http://www.ocfl.net/coronavirus).

**STAY AT HOME EXECUTIVE ORDER**

On March 24, 2020, I signed an [Executive Order calling for a "Stay at Home"](#) mandate for the entire county. This order calls for all non-essential retail and commercial businesses and for all residents to stay at home and refrain from non-essential travel. The order went into effect yesterday, Thursday, March 26, 2020, at 11 p.m. and ends on Thursday, April 9, 2020, at 11 p.m. The **order is mandatory and applies to all individuals** within Orange County. Unless you work for an essential business or are doing an essential activity, **you must stay home**. For more information, download the Executive Order and visit [Orange County's Frequently Asked Questions webpage](#).

**HEALTH-RELATED QUESTIONS REGARDING CORONAVIRUS (COVID-19)**

Orange County now has 143 confirmed cases of COVID-19. The Florida Department of Health is the lead agency monitoring infectious diseases within the state of Florida. Orange County Government is taking proactive steps to provide support to state health officials. Orange County Government does not have access to information on positive cases or testing for the coronavirus, as much of the personal information is protected from public disclosure.

If you are concerned that you have come in contact with a person who has tested positive for coronavirus or if you have any health-related questions regarding the coronavirus, please contact the local Health Department's call center at **407-723-5004**. The call center is available Monday through Friday, 8 a.m. to 5 p.m. The Florida Department of Health's dedicated COVID-19 call line is **1-866-779-6121**. The call center is available Monday through Friday, 8 a.m. to 7 p.m. Residents can also send questions via email to [COVID-19@flhealth.gov](mailto:COVID-19@flhealth.gov)

**TESTING SITES**

The State of Florida is taking the necessary precautions to keep residents safe and healthy. This includes supporting the coordination of testing sites in Orange County. These temporary drive-through testing sites will help to prevent the spread of the virus and reduce the overwhelming demand at our healthcare facilities. At these sites, individuals will have their swab sample collected and the sample will be sent to the approved testing labs. **Please review the criteria prior to visiting a testing site. Not all residents will meet the criteria for testing at these facilities.** For more information, go to [www.ocfl.net/coronavirus](http://www.ocfl.net/coronavirus)

**TESTING LOCATIONS**

**Location:**

**Opened March 25, 2020**

**Open 9 a.m. daily (including weekends)**

Orange County Convention Center

North Concourse Parking Lot

FL-ORLANDO-20-1073-A-000164

9400 Universal Blvd  
Orlando, FL 32819

**Criteria for Orange County Convention Center Drive-Through Testing Site:** *Anyone 65 years old or older with an on-site temperature above 99.6 and respiratory symptoms. Additionally, all first responders and health care workers, regardless of symptom presence can be tested.*

**Location:**

**By appointment only**

The Florida Department of Health in Orange County  
Screening for appointments started Monday, March 23, 2020.  
Call the Florida Department of Health in Orange County at 407-723-5004. Daily, 8 a.m. to 5 p.m.

**Please note:** *Orange County Government does not run these testing sites. The sites are run by FEMA and the Florida Division of Emergency Management. Additionally, the test results will **not** be provided on-site and information will be given on timeframe to those discharged. Learn more from the State of Florida Department of Health.*

**CRISIS ASSISTANCE PROGRAM**

With the temporary closure of many businesses, we know the weeks ahead are going to be tough. To that end, I have expanded our [Crisis Assistance Program](#) to help those who are rent stressed and need assistance to pay their utility bills. Orange County Crisis Assistance Hotline number 407-836-6500, was activated Monday, March 23rd to assist up to 1,500 families for the next two months. The hours of operations are from 8:30 a.m. to 12 noon. You can also submit your contact information online at [www.ocfl.net/COVID19RentalAssistance](http://www.ocfl.net/COVID19RentalAssistance) to request an appointment (no walk-ins accepted). If you fill out a form, there is no need to call the number. [Program Information](#)

**DRINKING ESTABLISHMENTS AND RESTAURANTS**

Florida Governor Ron DeSantis announced new guidelines on March 17, 2020, for bars, nightclubs and restaurants. Unincorporated Orange County is following the governor's Executive Order, asking that bars, pubs and nightclubs close for 30 days. For restaurants, new guidelines were enacted to keep patrons safe. Please see the [Executive Order](#) as well as guidelines and frequently asked questions for your review. [Executive Order](#) | [Guidelines](#) | [Frequently Asked Questions](#)

**CURFEW**

Orange County and all of its municipalities are [under curfew, effective March 20, 2020](#), from 11 p.m. to 5 a.m. For the latest updates from Orange County Government, visit the [Orange County Newsroom](#).

**GATHERINGS**

Please note, the current national guidelines strongly discourages gatherings of more than ten people. Please refer to the CDC guidelines for specific information on gatherings at <https://www.cdc.gov/coronavirus/2019-ncov/faq.html>

**FUNERALS AND VISITATIONS**

For information on funerals, please refer to the following guidelines provided by the Centers for Disease Control (CDC) [www.cdc.gov/coronavirus/2019-ncov/faq.html#funerals](http://www.cdc.gov/coronavirus/2019-ncov/faq.html#funerals)

**CORNAVIRUS (COVID-19) RESOURCES AND INFORMATION**

Attached are fact sheets from the Centers for Disease Control that provide prevention information on the spread of the virus as well as COVID-19 facts, and what to do if you are sick. The CDC, World Health Organization, and public health entities across the globe are addressing misinformation about the disease. In addition, we have attached the Myths vs. Facts sheet about the virus for your review. This information is also available in Spanish on our webpage at [www.ocfl.net/coronavirus](http://www.ocfl.net/coronavirus).

**ORANGE COUNTY NEWS CONFERENCES ON CORONAVIRUS (COVID-19)**

I encourage you to share the series of Orange County news conferences as we continue to provide updates on the virus, and additional information on County services and programs. The link to the press conferences are available at: [www.ocfl.net/CoronavirusUpdates](http://www.ocfl.net/CoronavirusUpdates)

**BRIEF INFORMATION VIDEOS ON CORONAVIRUS (COVID-19)**

Orange TV has prepared several brief informational videos with our local experts on the virus. The videos can be found at [www.ocfl.net/coronavirus](http://www.ocfl.net/coronavirus) and click the "Resources" tab.

**MOVING FORWARD TOGETHER**

I am committed to keeping you informed with regular updates on Orange County's efforts to combat the coronavirus. This is going to be an uncomfortable time for all of us, but we will pull together as a community as we have in the past. We have always met every challenge together and we will get through this challenge together as well.

mailing list.

Sincerely,

Heather,

As all of Central Florida prepares for the impact of COVID-19, I hope you and your family are doing well and staying safe during this crisis. **Orange County Mayor Jerry Demings** and **Orlando Mayor Buddy Dyer** recently put it best-- "*We must confront this crisis together... by staying apart.*"

While we still have many updates to share with you from the **2020 legislative session** which ended on Thursday, March 19th, at this time we are prioritizing our email communications to focus on important COVID-19 related resources and information.

**LEGISLATIVE OFFICE OPERATIONS:** Out of an abundance of caution and in order to promote good social distancing behaviors necessary to slow new transmissions of coronavirus, our legislative staff will be working remotely from home until further notice. Our office will still be available via phone or email and will continue to respond to the needs of our constituents as we always do. Please call or email our office line and we will respond as soon as possible.

Below are some **important local and state level updates**, and **helpful community resources** to help you and your family navigate a tremendous amount of information.

#### OFFICE OF REP. CARLOS GUILLERMO SMITH

*Constituent Services, State Government Issues*

**Phone: (407) 681-5433**

**Rep. Carlos Guillermo Smith:**

[Carlos.Smith@myfloridahouse.gov](mailto:Carlos.Smith@myfloridahouse.gov)

**Krista Ziehler, Legislative Aide:**

[Krista.Ziehler@myfloridahouse.gov](mailto:Krista.Ziehler@myfloridahouse.gov)

**Jackie Gomez-Tejeda, District Secretary:**

[Jackie.Gomez-Tejeda@myfloridahouse.gov](mailto:Jackie.Gomez-Tejeda@myfloridahouse.gov)

#### FLORIDA DEPARTMENT OF HEALTH:

*24/7 COVID-19 Call Center*

**Phone: (866) 779-6121**

**Email: [COVID-19@FLHEALTH.GOV](mailto:COVID-19@FLHEALTH.GOV)**

**COVID-19 TESTING:** According to new clinical guidance issued in an email to providers, clinicians CAN choose to order a COVID-19 test even if their patient doesn't fall within these six categories: contact with someone who has COVID-19; history of international or cruise travel; history of visits to domestic locations with community spread of the virus; hospitalization with acute lower respiratory illness of unknown origin; 65 years and older with chronic health problems; and being immunocompromized.

[More on local DRIVE-THRU testing options here.](#)

*Your healthcare professional will work with your county health department to determine if you need to be tested for COVID-19. If you do not have a health care provider, [contact your local health department.](#)*

#### ORLANDO & ORANGE COUNTY UPDATES

**CURFEW ALERT!** Mayor Demings has signed into effect a new [executive order](#) which gives Orange County residents a mandatory curfew from 11PM to 5AM until further notice. There are exemptions for first responders, health professionals and others.

**ORANGE COUNTY PUBLIC SCHOOLS:** Grab-and-Go food locations for FREE nutritious meals will be available for pick-up for children 18 and under starting **Monday, March 23** from **10AM-2PM** in the car loop of each designated OCPS school site. Children can receive food each day, which includes breakfast, lunch and breakfast for the next day.

FULL DETAILS AND LOCATIONS: <http://bit.ly/ocpsgrabandgomeals>

---

**ORLANDO CITY GOVERNMENT:** City Hall and services are open. City-hosted, sponsors and permitted events with 10+ attendees are cancelled or postponed thru April 15, 2020 until further notice. Beginning at close of business Friday, March 20, all neighborhood, community and recreation centers will close to the public. A limited number of community centers will remain open to provide limited services like meal service.

---

**ORANGE COUNTY UTILITIES:** In recognition of the financial hardships customers may be experiencing, Orange County Utilities will be suspending water service disconnections due to nonpayment through March 31. This policy may be adjusted as the situation develops. Customers can contact Orange County Utilities Customer Service at 407-836-5515 if they have any questions or need to make payment arrangements. All Public Works services will remain in place, including refuse collection and street sweeping will follow the usual schedule.

---

**OUC UTILITIES:** Effective immediately, OUC is waiving late fees and have suspended OUC service disconnects due to nonpayment until further notice. [More info.](#)

---

**COVID-19 RENTAL ASSISTANCE PROGRAM:** Orange County Government has made available this one-time benefit for Orange County residents who qualify. The COVID-19 Rental Assistance Program will provide assistance with one month's rent, so residents will be able to use their limited funds on other necessities. You MUST call for an appointment in order to bring the necessary documents. 407-836-6500 | [Program Information](#)

---

**HEALTH AND SOCIAL SERVICES:** Heart of Florida United Way connects residents to critical health and social service resources when they need help. Residents impacted by COVID-19 can contact 2-11 for financial assistance, health programs, crisis support and more. Additionally residents looking to contribute to the area's COVID19 recovery can donate to United Way's ALICE Fund. [211 Helpline](#) | [Donate to ALICE](#)

---

**FOOD INSECURITY:** Residents in need of food assistance can visit Second Harvest Food Bank' online food locator to find a list of feeding partners near their residency. Additionally residents looking to contribute to the area's COVID19 recovery can volunteer. [Food Locator](#) | [Volunteer](#)

---

**BARTENDER EMERGENCY ASSISTANCE PROGRAM:** The United States Bartenders Guild's National Charity Foundation has launched a program for bartenders impacted by COVID-19. The Bartender Emergency Assistance Program is meant to aid service industry personnel experiencing financial difficulties. [Program Application](#)

---

**MENTAL HEALTH ASSISTANCE:** Aspire Health Partners is offering a dedicated telephone line to assist residents with mental health concerns related to COVID-19. Residents can call the helpline to be connected with a caring mental health professional. 407-875-3700 X2 [Aspire Health Partners](#)

---

**ORANGE COUNTY SHERIFF'S OFFICE:** Deputies will respond to calls for service. OCSO has temporarily suspended all eviction activities until further notice. If you are a victim of certain crimes such as lost property, identity theft or a vehicle burglary that is not in progress, OCSO is asking you to file those reports online if possible, via the [OCSO website](#). If you see any suspicious activity in your neighborhoods, don't hesitate to call 911.

---

**LOCAL DRIVE-THRU TESTING:** Orange County Health Department will be opening two testing sites in the coming days. The Orange County Convention Center parking will serve as a regional test site. The second site will be in East Orange County. Opening date(s) and time(s) have not been confirmed. Drive-thru testing sites are only for individuals meeting specific criteria. [More here.](#)

---

## STATE GOVERNMENT UPDATES

---

On Friday, 3/20, Florida Governor Ron DeSantis issued the following **Executive Orders**:

- [Executive Order 20-69](#) suspends all in-person quorum requirements for public meetings and allowing for use of video and telephone communication for establishing a quorum.
- [Executive Order 20-70](#) directs all movie theatres, concert houses, auditoriums, playhouses, bowling alleys, arcades, gymnasiums, fitness studios and beaches to close in **Broward County** and **Palm Beach County** for 15 days in an effort to "slow the spread" of the virus.

- **Executive Order 20-71** directs **all restaurants** and food establishments in Florida to **suspend on-premises food and alcohol consumption for customers**. The listed establishments may, however, operate their kitchens for the purpose of providing delivery or take-out services. Additionally, alcohol sales to go with food that is pick-up or delivered will be permitted and I.D. will be required for orders including alcohol.
- **Executive Order 20-72** prohibits **healthcare practitioners from performing any non-essential, elective medical and surgical procedures** in an effort to conserve medical supplies. This includes any non-emergency procedure or surgery which does not place a patient's immediate health, safety, or well being at risk if delayed.

---

**FLORIDA DEPT. OF HEALTH:** To find the most up-to-date information and guidance on COVID-19, please visit the Department of Health's dedicated [COVID-19 webpage](#). For information and advisories from the Centers for Disease Control (CDC), please visit the [CDC COVID-19 website](#). For more information about current travel advisories issued by the U.S. Department of State, please visit the [travel advisory website](#).

For any other questions related to COVID-19 in Florida, please contact the Department's dedicated **COVID-19 Call Center by calling (866) 779-6121**. The Call Center is available **24 hours per day**. Inquiries may also be emailed to [COVID-19@flhealth.gov](mailto:COVID-19@flhealth.gov).

---

**SMALL BUSINESS AND NON-PROFIT SUPPORT:** DEO will administer the Florida Small Business Emergency Bridge Loan Program in partnership with the Florida SBDC Network and Florida First Capital Finance Corporation to provide cash flow to businesses economically impacted by COVID-19. The short-term, interest-free loans help bridge the gap between the time the economic impact occurred and when a business secures other financial resources, including payment of insurance claims or longer-term Small Business Administration (SBA) loans. Up to \$50 million has been allocated for the program. Qualified small business applicants must be a business with 2 to 100 employees and you must be a for-profit, privately held small business that maintains a place of business in the state of Florida. [Click here to apply for Florida's Bridge Loan Program](#). The Federal Small Business Administration (SBA) has approved Florida's declaration for disaster loan assistance. Florida businesses interested in learning [more should visit this link](#).

---

**FLORIDA UNEMPLOYMENT BENEFITS:** Floridians whose employment has been affected by COVID-19 can apply for Reemployment Assistance benefits. Eligible recipients can receive \$32 to \$275 per week, based on prior income and benefits can last up to 12 weeks. Unfortunately, Florida's unemployment program is [woefully inadequate](#) and I will continue to advocate for its improvement and for the loosening of current requirements. **As of Sunday, March 22nd, 2020 the "work search" and "online work registration" requirements for benefits have been suspended thru May 2, 2020 and apply retroactively to the week beginning March 15th, 2020**. Stay tuned for updates. [Click here to apply for unemployment benefits](#).

---

**PRICE GOUGING:** If you think you are experiencing price gouging or want to report price gouging please call the Price Gouging Hotline 1-866-966-7226 or [visit this link](#).

---

We understand that many of your questions may not have been addressed or answered in this email and will continue to provide as many updates as possible. Please remember the Florida Department of Health has established a 24/7 COVID-19 call center to answer your questions at **(866) 779-6121**. You can also reply to this email with any questions and we will do our best to answer them. Please remember to practice healthy habits such as social-distancing and hand-washing. Social distancing works and will save lives. We must all do our part to protect our vulnerable populations - seniors, persons with disabilities, those with limited income, and our homeless populations. Most importantly, remember that we are **#OrlandoUnited** and that we will confront this crisis together... by staying apart.

In equality,

---

Representative Carlos Guillermo Smith  
**Florida House of Representatives, District 49**

**P.S.** I am very active on social media. Please follow me on the platforms below for lots of sharable posts and content to keep your friends and family informed!

curfew

### Countywide Curfew

Orange County is now on an official curfew from 11:00 P.M. to 5:00 A.M. beginning today, in the wake of new cases of COVID-19. Orange County Mayor Jerry Demings announced this afternoon the curfew goes into effect tonight at 11:00 P.M. Exemptions for the curfew include essential workers like medical, government, and first responders, **as well as residents reporting for regular work.** [The Orange County Sheriff's Office](#) will enforce this curfew starting March 20, 2020, and moving forward until further notice.

### Governor DeSantis

Governor Ron DeSantis has issued an Executive Order that directs all restaurants and food establishments in the state to suspend on-premise food and alcohol for consumption. The listed establishments may, however, operate their kitchens to provide delivery or take-out services. The Executive Order also requires the closures of gyms and fitness centers within the state.

## CENSUS 2020

Image saying WE NEED YOU

WE NEED YOUR HELP!!! More than ever before, the census has become a critical tool that we must all utilize. The census will help the federal government know our actual local population count and needs. It is especially important to participate so that we get assistance with the current global pandemic; having accurate data will allow us to better allocate resources for our community. EVERYONE counts! Please [click here](#) to complete your census today.

BELOW ARE TWO FLYERS YOU CAN SHARE.

Flyer for the 2020 census in English

### April 1, 2020, is National Census Day

Orange County counts everybody. Every person in your household must be counted. It's essential for your schools, roads, housing, childcare, parks, hospitals, businesses, support for families, fire and law enforcement, and other local programs depend on an accurate count to get our fair share of federal funding. It's safe, secure, and short, the federal law, through the U.S. Constitution and the Supreme Court, protects personal data for the Census. It only takes a few minutes to complete. For more information, visit [www.ocfl.net/Census2020](http://www.ocfl.net/Census2020) or email [OCCompleteCount@ocf.net](mailto:OCCompleteCount@ocf.net)

### April 1, 2020, is National Census Day

Orange County cuenta a todos. Se trata de todos es esencial que cada persona en su hogar sea contada. Es importante para sus escuelas, carreteras, viviendas, guarderías, parques, hospitales, negocios, apoyo para familias, servicios de bomberos y policía, así como otros programas, dependen de un recuento acertado a fin de asegurar que recibamos nuestra porción justa de los fondos federales. El Censo es seguro, confiable y corto. La ley federal, a través de la Constitución de los Estados Unidos y la Corte Suprema, protege la información personal para el Censo. Solo toma unos minutos completarlo. ## COVID-19

### Orange County's response to COVID-19

Orange County Government is monitoring the status of the Coronavirus (COVID-19). Officials are asking the community to help minimize the potential spread of germs, and to monitor personal health.

On March 1, 2020, Governor Ron DeSantis issued an Executive Order directing a Public Health Emergency and statewide response for Coronavirus Disease. Declaring a State of Emergency is a common proactive practice that allows state resources and personnel to respond to any incidents.

To better serve and assist residents regarding concerns about the Coronavirus (COVID-19), below are established Call Centers to answer general questions residents and visitors may have.

#### Links for further assistance are below

- Orange County's Coronavirus (COVID-19) Information webpage: [www.ocfl.net/Coronavirus](http://www.ocfl.net/Coronavirus)
- Center for Disease Control: [CDC's webpage](#).
- Florida Department of Health (DOH-Orange): [\(407\) 858-1487](tel:(407)858-1487)
- Orange County residents: 407-723-5004. Call Center is available Monday through Friday, 8 a.m. to 5 p.m.
- Coronavirus (COVID-19) Call Center is 1-866-779-6121 or [COVID-19@flhealth.gov](mailto:COVID-19@flhealth.gov).

## Resources Available

To learn more about the resources listed below, please visit [www.emilybonilla.com](http://www.emilybonilla.com). We will do our best to keep this page updated with support for District 5. If you learn of any resources that we can add, please email them to [Ivette.Moreno@ocfl.net](mailto:Ivette.Moreno@ocfl.net).

## Fact vs Fiction on COVID-19

---

A picture of a mosquito

### Can coronavirus be transmitted through mosquito bites?

**Answer: No**, according to the World Health Organization.

To date, no evidence or information suggests that mosquitos can transmit the novel coronavirus. COVID-19 is a respiratory virus that primarily spreads through respiratory droplets generated when an infected person coughs or sneezes.

---

A picture of someone at the beach

**Can the virus be transmitted in hot climates?**

**Answer: Yes**, according to the World Health Organization

Current evidence shows the virus is prevalent in all types of climate, including hot and humid areas.

---

picture of a vaccine and pills

**Is there a vaccine or drug treatment for COVID-19?**

**Answer: Not yet**, according to the World Health Organization

There is currently no vaccine to treat COVID-19 nor any specific antiviral developed to treat patients with the virus. Antibiotics only work on bacteria, not viruses.

---

People wearing masks

**Should everyone be wearing masks to protect themselves?**

**Answer: No**, according to the World Health Organization

People should only be wearing masks if they are presenting symptoms of COVID-19 to prevent the spread of respiratory droplets.

## COVID-19 is like the flu?

**Answer: No**, according to the World Health Organization, CDC, and NCBI.

COVID-19 is more easily spread. The incubation period is up to 10 days more than the flu, and the hospitalization rate is 17% more!

Wash those hands, please! Below is a chart representing the data.

Informative chart on the data of the difference between a COVID-19 and the flu

A picture comparing COVID-19 symptoms to the flu

## What is Happening Around the World and in the United States

### Pandemic

A pandemic is the spread of a new disease worldwide. Coronavirus COVID-19 has spread all over the world. The United States now has all 50 states with confirmed coronavirus cases. Below is a picture depicting all areas affected. This image was last updated 3-18-2020 by Johns Hopkins University. The CDC informed us that just in the USA, our cases are increasing by 500 daily.

image showing positive cases around a world map

City of LA picture showing California is under quarantine

### California

The state of California is on a 24-Hour lockdown. People can only go out for essential needs like the grocery store and medical care.

New York latest state to declare Quarantine

### New York

The governor of New York, Andrew Cuomo, has put a mandatory quarantine as the rate of infection spread has doubled hospital occupancy and has tripled the ICU units across the state.

Landmark of France and country under quarantine

### France

France started a mandatory quarantine on 3-17-2020. It's projected to last 45 days. All restaurants, cafes, bars, and non-essential businesses will stay closed during this time. Banks, pharmacies, and gas stations are some of the only exceptions.

Landmark of Italy and sign saying quarantine

### Italy

Italy is the first country to surpass the death toll in China, where the coronavirus originated. Italy's quarantine was set to end March 25th. The Italian Prime minister will extend the quarantine well beyond its original date with no new date set.

Landmark of Spain showing the city under quarantine

### Spain

Over the weekend, the Spanish government ordered a 15-day mandatory lockdown of the country in efforts to slow the spread of the virus. Spain's infection rate surged over 4,000 last Friday.

## How Can You Help

picture saying real heroes stay home

### Stay Home

Staying home and avoiding large crowds can help flatten the curve of new emerging coronavirus cases. COVID-19 is spread through respiratory droplets and some people may be asymptomatic (having no symptoms). Protect yourself and your loved ones by staying home.

Picture showing need of blood donations

### Donate Blood

Due to the number of increased hospitalizations and schools being closed down, where most of the donated blood comes from, we are now experiencing a huge shortage of blood. Some centers only have enough blood supply to operate generally for one more day. The picture depicts 22% of centers nationally that have only up to a 2-day supply. The American Red Cross says people who are healthy and can give blood should do so. [Schedule](#) your appointment today.

A picture of non perishable items

### Food Banks

We understand people want to help their community during this time of need, but we must also be aware of the sanitary precautions we must take to avoid the spread of disease. During food banks, please make sure to keep your social distance of 6 feet or more. For more information, please visit our [website](#).

## Future Events

We are Women Webinar Flyer more information in text box

### We are Women

To keep the public healthy and safe, we have made changes to our event, "We are Women." We will now offer the expo as a live webinar for you to enjoy the stories from our amazing strong women panelists and receive the positive message of what it means to be a woman today. This webinar is designed to develop, unify, and catapult women. We will be sending an email with more information to those who have registered for our event.

RSVP

## COVID-19

### Orange County's response to COVID-19

Orange County Government is monitoring the status of the Coronavirus (COVID-19). Officials are asking the community to help minimize the potential spread of germs, and to monitor personal health.

On March 1, 2020, Governor Ron DeSantis issued an Executive Order directing a Public Health Emergency and statewide response for Coronavirus Disease. Declaring a State of Emergency is a common proactive practice that allows state resources and personnel to respond to any incidents.

To better serve and assist residents regarding concerns about the Coronavirus (COVID-19), below are established Call Centers to answer general questions residents and visitors may have.

#### Links for further assistance are below

- Orange County's Coronavirus (COVID-19) Information webpage: [www.ocfl.net/Coronavirus](http://www.ocfl.net/Coronavirus)
- Center for Disease Control: [CDC's webpage](#).
- Florida Department of Health (DOH-Orange): [\(407\) 858-1487](tel:(407)858-1487)
- Orange County residents: 407-723-5004. Call Center is available Monday through Friday, 8 a.m. to 5 p.m.
- Coronavirus (COVID-19) Call Center is 1-866-779-6121 or [COVID-19@flhealth.gov](mailto:COVID-19@flhealth.gov).

## Resources Available

To learn more about the resources listed below, please visit [www.emilybonilla.com](http://www.emilybonilla.com). We will do our best to keep this page updated with support for District 5. If you learn of any resources that we can add, please email them to [Ivette.Moreno@ocfl.net](mailto:Ivette.Moreno@ocfl.net).

### Health Services and COVID-19 Testing

During this time of crisis, some medical organizations will provide health services to those with little or no health insurance. For more information on where you can get tested, please visit our [website](#).

---

Calendar picture of someone with rent due on the 1st

### Rental and Bill Payment Assistance

No evictions will be done during this time of COVID-19, however, you still have to pay you rent. For more information on how to get rental assistance or legal assistance during this time please visit our [website](#).

---

## Fact vs Fiction on COVID-19

---

A picture of a mosquito

### Can coronavirus be transmitted through mosquito bites?

**Answer: No**, according to the World Health Organization.

To date, no evidence or information suggests that mosquitos can transmit the novel coronavirus. COVID-19 is a respiratory virus that primarily spreads through respiratory droplets generated when an infected person coughs or sneezes.

---

A picture of someone at the beach

**Can the virus be transmitted in hot climates?**

**Answer: Yes**, according to the World Health Organization

Current evidence shows the virus is prevalent in all types of climate, including hot and humid areas.

---

picture of a vaccine and pills

**Is there a vaccine or drug treatment for COVID-19?**

**Answer: Not yet**, according to the World Health Organization

There is currently no vaccine to treat COVID-19 nor any specific antiviral developed to treat patients with the virus. Antibiotics only work on bacteria, not viruses.

---

People wearing masks

**Should everyone be wearing masks to protect themselves?**

**Answer: No**, according to the World Health Organization

People should only be wearing masks if they are presenting symptoms of COVID-19 to prevent the spread of respiratory droplets.

## COVID-19 is like the flu?

**Answer: No**, according to the World Health Organization, CDC, and NCBI.

COVID-19 is more easily spread. The incubation period is up to 10 days more than the flu, and the hospitalization rate is 17% more!

Wash those hands, please! Below is a chart representing the data.

Informative chart on the data of the difference between a COVID-19 and the flu

A picture comparing COVID-19 symptoms to the flu

## What is Happening Around the World and in the United States

### Pandemic

A pandemic is the spread of a new disease worldwide. Coronavirus COVID-19 has spread all over the world. The United States now has all 50 states with confirmed coronavirus cases. Below is a picture depicting all areas affected. This image was last updated 3-18-2020 by Johns Hopkins University. The CDC informed us that just in the USA, our cases are increasing by 500 daily.

image showing positive cases around a world map

City of LA picture showing California is under quarantine

### California

The state of California is on a 24-Hour lockdown. People can only go out for essential needs like the grocery store and medical care.

New York latest state to declare Quarantine

### New York

The governor of New York, Andrew Cuomo, has put a mandatory quarantine as the rate of infection spread has doubled hospital occupancy and has tripled the ICU units across the state.

Landmark of France and country under quarantine

### France

France started a mandatory quarantine on 3-17-2020. It's projected to last 45 days. All restaurants, cafes, bars, and non-essential businesses will stay closed during this time. Banks, pharmacies, and gas stations are some of the only exceptions.

Landmark of Italy and sign saying quarantine

### Italy

Italy is the first country to surpass the death toll in China, where the coronavirus originated. Italy's quarantine was set to end March 25th. The Italian Prime minister will extend the quarantine well beyond its original date with no new date set.

Landmark of Spain showing the city under quarantine

### Spain

Over the weekend, the Spanish government ordered a 15-day mandatory lockdown of the country in efforts to slow the spread of the virus. Spain's infection rate surged over 4,000 last Friday.

## How Can You Help

picture saying real heroes stay home

### Stay Home

Staying home and avoiding large crowds can help flatten the curve of new emerging coronavirus cases. COVID-19 is spread through respiratory droplets and some people may be asymptomatic (having no symptoms). Protect yourself and your loved ones by staying home.

Picture showing need of blood donations

### Donate Blood

Due to the number of increased hospitalizations and schools being closed down, where most of the donated blood comes from, we are now experiencing a huge shortage of blood. Some centers only have enough blood supply to operate generally for one more day. The picture depicts 22% of centers nationally that have only up to a 2-day supply. The American Red Cross says people who are healthy and can give blood should do so. [Schedule](#) your appointment today.

A picture of non perishable items

### Food Banks

We understand people want to help their community during this time of need, but we must also be aware of the sanitary precautions we must take to avoid the spread of disease. During food banks, please make sure to keep your social distance of 6 feet or more. For more information, please visit our [website](#).

## Future Events

We are Women Webinar Flyer more information in text box

### We are Women

To keep the public healthy and safe, we have made changes to our event, "We are Women." We will now offer the expo as a live webinar for you to enjoy the stories from our amazing strong women panelists and receive the positive message of what it means to be a woman today. This webinar is designed to develop, unify, and catapult women. We will be sending an email with more information to those who have registered for our event.

RSVP

Earth day flyer with information saying its postponed

## Postponed

Due to public health and safety, Central Florida Earth Day has been postponed to a later date. No new date has been confirmed.

Flyer for Orange county affordable housing workshop

### Orange County Landlord/Tenant Education Series

The Orange County Housing for All Landlord/Tenant Education Series are scheduled to take place in every district. Orange County will be launching this new initiative on April 2<sup>nd</sup> to commemorate National Fair Housing Awareness Month and National Community Development Week.

## Updates from Past BCC Meeting

03/10/2020 BCC Meeting

**Subject:** COVID19 Triage Tool from Atlanta, etc.

**Attachment(s):** "COVID-19-Client-Triage-Tool-Atlanta-GA-CoC-Example.docx"

**ATTENTION:** This email came from an external source. Do not open attachments or click on links from unknown senders or unexpected emails.

Hey all,

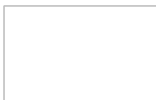

Follow up from our call today.

1. I've attached a triage tool being used in Atlanta.
2. This is a policy brief. I would encourage you to pass this along to jurisdictional partners, board members, advocates, governmental representatives. It explains succinctly why we must pay attention to those experiencing homelessness during this crisis. <https://nhchc.org/wp-content/uploads/2020/03/Issue-brief-COVID-19-HCH-Community.pdf>
3. Updated guidelines to be distributed to your team in graphic format. <https://nhchc.org/wp-content/uploads/2020/03/NHCHS-COVID-Guidelines-Rev.pdf>

I know there is an information overload right now, but I want to make sure you have some curated resources that will make a difference on the ground.

Carry on,  
Brian

# COVID-19 Client Triage Tool: Atlanta, GA CoC Example

The Atlanta Continuum of Care (CoC) developed a triage-screening tool to assist their shelters and housing programs modify shelter management strategies in light of the emerging COVID-19 concerns. The triage-screening tool focuses on reorganizing the intake workflow to effectively identify symptomatic and asymptomatic people entering congregate sites. In Atlanta, Fulton County Public Health has advised congregate programs to practice social distancing to the maximum extent possible for people who exhibit symptoms. This tool was developed collaboratively with support from the local Healthcare for the Homeless and a local public hospital and provides an example of how a CoC can adapt public health guidance in congregate shelter sites.

Based on additional criteria related to existing health vulnerabilities, Atlanta homeless programs may call the local public hospital, explain the indications for further assessment and arrange transport for testing. The questions on the triage-screening tool are self-reported answers except for the question regarding whether a person has a fever. If the temperature is 100.4 or above, the person does have a fever and 'YES' should be marked on the screening tool. Shelters were recommended to have infrared thermometers and N-95 surgical masks on hand. Infrared thermometers allow staff to check temperatures without person-to-person contact.

Adapting and implementing this tool requires CoC leadership and local public health authorities to fully understand the resources required to allow programs to separate symptomatic and asymptomatic households. From initial design, to implementation procedure, messaging to clients, and the community – each element should be carefully documented to minimize anxiety and confusion at each step.

Different approaches to social isolation such as reorganizing an existing shelter floor plan, utilizing separate quarantine facilities, and/or accessing individual motel rooms should be examined. CoCs should consider resource constraints in their communities and adopt strategies that meet local needs and are clearly supported by local public health leaders.

## COVID-19 Shelter Client Triage Screening Tool

Become familiar with symptoms of COVID-19 and how they differ from the Flu and allergies.

COVID-19	FLU	ALLERGIES
<ul style="list-style-type: none"> <li>○ Fever</li> <li>○ Cough</li> <li>○ Shortness of Breath</li> </ul> <p>(Symptoms occur 2 – 14 days after exposure)</p>	<ul style="list-style-type: none"> <li>○ Fever</li> <li>○ Cough</li> <li>○ Sore Throat</li> <li>○ Headaches</li> <li>○ Body, Muscle Aches</li> <li>○ Runny, Stuffy Nose</li> <li>○ Fatigue</li> </ul>	<ul style="list-style-type: none"> <li>○ Sneezing, Coughing</li> <li>○ Runny Nose, Scratchy Throat</li> <li>○ Itchy, Red Watery Eyes</li> </ul>

NAME: \_\_\_\_\_  
 \_\_\_\_\_

LOCATION: \_\_\_\_\_  
 \_\_\_\_\_

Date of Birth: \_\_\_\_\_ Gender: \_\_\_\_\_  
\_\_\_\_\_

1. Do you have a fever? \_\_\_ Yes \_\_\_ No

2. Do you have a cough? \_\_\_ Yes \_\_\_ No

3. Are you experiencing shortness of breath? \_\_\_ Yes \_\_\_ No

If client answers yes to Questions 1-3, they should be masked and isolated.

4. What is your age? \_\_\_\_\_

If client answers yes to Question 1-3 and are over 55, they should be transported to the hospital for testing.

5. Do you have diabetes, heart disease, high blood pressure, lung disease or any immunosuppressant illnesses? Please specify. \_\_\_\_\_

If client answers yes to 1-3 and has any illness listed for 5, they should be transported to the hospital for testing.

Prior to transporting, please call Hospital and alert them of the transport and contact Cathryn Marchman with name, DOB, shelter, and hospital: [cmarchman@partnersforhome.org](mailto:cmarchman@partnersforhome.org)

Also, please consider the following:

- Identify and regularly monitor clients (and staff) who could be at high risk for complications (those who are older, have underlying health conditions like heart disease, diabetes, high blood pressure, lung disease or who are immune compromised).
- Determine if the client is a smoker and has a regular routine cough which may allow you to rule out the possibility of a virus if that is the only symptom.
- Should the client screen positive for these symptoms, it does not mean that they have the COVID-19 virus. They could have another type of flu or a common cold. They should be provided with a mask and be isolated from other clients. If their symptoms are severe and they have other underlying conditions, call 911.

Be advised that the following severe symptoms should be addressed immediately, Call 911:

- Extremely difficult breathing (not being able to speak without gasping for air)
- Bluish lips or face
- Persistent pain or pressure in the chest
- Severe persistent dizziness or lightheadedness
- New confusion, or inability to arouse
- New seizure or seizures that won't stop

Subject: National Emergency Does Not Stop Destruction of Conservation Areas in Orange County, Florida....."A LAND WITH NO SHAME"

ATTENTION: This email came from an external source. Do not open attachments or click on links from unknown senders or unexpected emails.

.....I most certainly agree with the Opinion below, but I am not SURPRISED by the actions of this Mayor and this City.....How can anyone, with a clear conscience "Slip" this most important "Land-Use" agenda item, (**Southwest corner of W Princeton Street and N John Young Parkway, comprised of 71.56 acres**), into this **Dark Cloud** of Unknown sickness and Disease, that surrounds City Hall,.....and think that it is okay to do so??

Dyer clearly understands how the People of this City and this County, are so Tired of violated Land Conservation promises and Obligations that are being ignored and Defied, by those who allege to be "Leaders". This City, as this County, will "Choke" the good people into an eventually **"Fast-Exit"**, out of this County, due to the "Suffocation" of these inconsiderate, environmentally dangerous, and amateurish pursuits!!.....BuildBuild, Build.....this is the moniker of Orlando and Orange County, in their selfish pursuits to "create" a **World Class City / County**, along with their tunnel-vision **Legacy** (Undoubtedly), for themselves.

**"Citizens be Damned"** is what we should expect to see Carved into the buildings they presently work out of.

.....Meanwhile, in this City's "Ambush" tactics and disregard for their Citizens Health & Welfare, they wish to sneak this Land Conservation Agenda item through the portals of "Due Process", and convert environmentally protected land into another **Greedy** Development, knowing and Hoping, that the Citizens will not or cannot attend and Opine, due to the Fear of this unknown (Covid-19), disease.....Once again, the Denial of Free Speech, and Assembly, through intimidation tactics of the "injected" "Fear" of the (covid-19), and it's unknown, but potentially Fatal consequences,.....at a time that (The City), should be Supporting and Aiding the People, and **NOT** thinking about Misguided Agenda Items, and those (Damned) Corporations or Developers.....**Outrageously Disgusting!!!**

Subject: National Emergency Does Not Stop Destruction of Conservation Areas in Orange County, Florida

**It was my understanding Orlando Mayor Buddy Dyer had canceled all public meetings and public hearings due to the COVID-19 crisis. However, based on what I read in today's Orlando Sentinel, that is not the case. At least not the case when it comes to destroying conservation land and promoting more reckless growth in Orlando, Orange County, Florida.**

**Destruction of Orlando, Orange County, Florida Conservation areas continue even during a national emergency underway. How disgusting is this???**

**This national emergency/crisis should not be used against the people, but it looks like that is what is going to happen. The people should NOT lose their rights in times of a national crisis. That is not what the U.S.A. is all about.**

It looks like the City of Orlando, Florida is going to move forward with a **"Notice of Land Use Change" Public Hearing on Monday, March 30, 2020, 2:00 PM at Orlando City Hall, City Council Chambers at 400 S Orange Avenue.** Seems like this violates the rights of the people to participate in their government. Due to the national emergency, the people are being told to not go anywhere and public events should be limited to just a few people. **WHY IS THE CITY OF ORLANDO HAVING THIS PUBLIC HEARING AT THIS TIME UNDER THESE CONDITIONS???**

**Property....."Generally located Southwest corner of W Princeton Street and N John Young Parkway, comprised of 71.56 acres of land..."**

Basically changing it from conservation area to urban activity center, residential low density to residential medium density and more - see details on the public notice. **See Sunday, March 22, 2020, Orlando Sentinel, Page J2 "NOTICE OF LAND USE CHANGE". The following was copied from the Orlando Sentinel:**

A public hearing on this ordinance will be held during Council's regular meeting beginning at 2:00 p.m., in City Council Chambers, 2nd floor, Orlando City Hall, 400 S. Orange Ave., Orlando, Florida. Interested parties may appear at the meeting and be heard with respect to the proposed ordinance. If a person decides to appeal any decision made by Council with respect to any matter considered at the hearing, he or she will need a record of the proceedings, and that, for such purpose, he or she may need to ensure that a verbatim record of the proceedings is made, which record included the testimony and evidence upon which the appeal is to be based. The proposed ordinance may be inspected by the public at the Office of the City Clerk located on the 9th floor of Orlando City Hall, 400 S. Orange Ave., Orlando, Florida. Qualified persons with disabilities needing auxiliary aid or service, or other assistance, so they can participate equally in this meeting should contact the Office of the City Clerk at (407) 246-2251 as soon as possible but no later than 48 hours before the meeting.

## NOTICE OF LAND USE CHANGE

The City of Orlando proposes to amend the Growth Management Plan to change the use of land within the areas shown on the [map below](#). On **Monday, March 30, 2020**, the Orlando City Council will consider proposed ordinance #2020-21, entitled:

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ORLANDO, FLORIDA, AMENDING THE CITY'S GROWTH MANAGEMENT PLAN TO CHANGE THE FUTURE LAND USE MAP DESIGNATION FOR CERTAIN LAND GENERALLY LOCATED AT THE SOUTHWEST CORNER OF W. PRINCETON STREET AND NORTH JOHN YOUNG PARKWAY, COMPRISED OF 71.56 ACRES OF LAND, MORE OR LESS, FROM CONSERVATION TO URBAN ACTIVITY CENTER, IN PART; URBAN ACTIVITY CENTER TO CONSERVATION, IN PART; RESIDENTIAL LOW INTENSITY TO RESIDENTIAL MEDIUM INTENSITY, IN PART; AND RESIDENTIAL LOW INTENSITY TO CONSERVATION, IN PART; ESTABLISHING A NEW SUBAREA POLICY FOR THE SAME PROPERTY TO PRESERVE THE CONSERVATION AREAS ON THE PROPERTY AND TO PROVIDE A MAXIMUM DEVELOPMENT PROGRAM; CHANGING THE PROPERTY'S ZONING DESIGNATION FROM HOLDING TO URBAN ACTIVITY CENTER, IN PART, AND CONSERVATION, IN PART, AND FROM PLANNED DEVELOPMENT TO MEDIUM INTENSITY DEVELOPMENT, IN PART, AND CONSERVATION, IN PART, ALL WITH THE WEKIVA OVERLAY ZONING DISTRICT, PROVIDING FOR AMENDMENT OF THE CITY'S OFFICIAL FUTURE LAND USE AND ZONING MAPS; PROVIDING FOR SEVERABILITY, CORRECTION OF SCRIVENER'S ERRORS, PERMIT DISCLAIMER, AND AN EFFECTIVE DATE.

The following amendment to the Official Future Land Use Map are proposed:

Project	Parcel Location	Amendment	Case #
1. District West	SW Corner of W. Princeton St. & N. John Young Pkwy	Change the future land use designation from Conservation to Urban Activity Center, Urban Activity Center to Conservation, Residential Low Intensity to	GMP2019-10012

The following amendment to the Official Future Land Use Map are proposed:

Project	Parcel Location	Amendment	Case #
1. District West	SW Corner of W. Princeton St. & N. John Young Pkwy	Change the future land use designation from Conservation to Urban Activity Center, Urban Activity Center to Conservation, Residential Low Intensity to Residential Medium Intensity and Residential Low Intensity to Conservation (±71.56 ac.)	GMP2019-10012

Subject: National Emergency Does Not Stop Destruction of Conservation Areas in Orange County, Florida....."A LAND WITH NO SHAME"

ATTENTION: This email came from an external source. Do not open attachments or click on links from unknown senders or unexpected emails.

.....I most certainly agree with the Opinion below, but I am not SURPRISED by the actions of this Mayor and this City.....How can anyone, with a clear conscience "Slip" this most important "Land-Use" agenda item, (**Southwest corner of W Princeton Street and N John Young Parkway, comprised of 71.56 acres** ), into this **Dark Cloud** of Unknown sickness and Disease, that surrounds City Hall,.....and think that it is okay to do so??

Dyer clearly understands how the People of this City and this County, are so Tired of violated Land Conservation promises and Obligations that are being ignored and Defied, by those who allege to be "Leaders". This City, as this County, will "Choke" the good people into an eventually **"Fast-Exit"**, out of this County, due to the "Suffocation" of these inconsiderate, environmentally dangerous, and amateurish pursuits!!.....BuildBuild, Build.....this is the moniker of Orlando and Orange County, in their selfish pursuits to "create" a **World Class City / County**, along with their tunnel-vision **Legacy** (Undoubtedly), for themselves.

**"Citizens be Damned"** is what we should expect to see Carved into the buildings they presently work out of.

.....Meanwhile, in this City's "Ambush" tactics and disregard for their Citizens Health & Welfare, they wish to sneak this Land Conservation Agenda item through the portals of "Due Process", and convert environmentally protected land into another **Greedy** Development, knowing and Hoping, that the Citizens will not or cannot attend and Opine, due to the Fear of this unknown (Covid-19), disease.....Once again, the Denial of Free Speech, and Assembly, through intimidation tactics of the "injected" "Fear" of the (covid-19), and it's unknown, but potentially Fatal consequences,.....at a time that (The City), should be Supporting and Aiding the People, and **NOT** thinking about Misguided Agenda Items, and those (Damned) Corporations or Developers.....**Outrageously Disgusting!!!**

Subject: National Emergency Does Not Stop Destruction of Conservation Areas in Orange County, Florida

**It was my understanding Orlando Mayor Buddy Dyer had canceled all public meetings and public hearings due to the COVID-19 crisis. However, based on what I read in today's Orlando Sentinel, that is not the case. At least not the case when it comes to destroying conservation land and promoting more reckless growth in Orlando, Orange County, Florida.**

**Destruction of Orlando, Orange County, Florida Conservation areas continue even during a national emergency underway. How disgusting is this???**

**This national emergency/crisis should not be used against the people, but it looks like that is what is going to happen. The people should NOT lose their rights in times of a national crisis. That is not what the U.S.A. is all about.**

It looks like the City of Orlando, Florida is going to move forward with a **"Notice of Land Use Change" Public Hearing on Monday, March 30, 2020, 2:00 PM at Orlando City Hall, City Council Chambers at 400 S Orange Avenue.** Seems like this violates the rights of the people to participate in their government. Due to the national emergency, the people are being told to not go anywhere and public events should be limited to just a few people. **WHY IS THE CITY OF ORLANDO HAVING THIS PUBLIC HEARING AT THIS TIME UNDER THESE CONDITIONS???**

**Property....."Generally located Southwest corner of W Princeton Street and N John Young Parkway, comprised of 71.56 acres of land..."**

Basically changing it from conservation area to urban activity center, residential low density to residential medium density and more - see details on the public notice. **See Sunday, March 22, 2020, Orlando Sentinel, Page J2 "NOTICE OF LAND USE CHANGE". The following was copied from the Orlando Sentinel:**

A public hearing on this ordinance will be held during Council's regular meeting beginning at 2:00 p.m., in City Council Chambers, 2nd floor, Orlando City Hall, 400 S. Orange Ave., Orlando, Florida. Interested parties may appear at the meeting and be heard with respect to the proposed ordinance. If a person decides to appeal any decision made by Council with respect to any matter considered at the hearing, he or she will need a record of the proceedings, and that, for such purpose, he or she may need to ensure that a verbatim record of the proceedings is made, which record included the testimony and evidence upon which the appeal is to be based. The proposed ordinance may be inspected by the public at the Office of the City Clerk located on the 9th floor of Orlando City Hall, 400 S. Orange Ave., Orlando, Florida. Qualified persons with disabilities needing auxiliary aid or service, or other assistance, so they can participate equally in this meeting should contact the Office of the City Clerk at (407) 246-2251 as soon as possible but no later than 48 hours before the meeting.

## NOTICE OF LAND USE CHANGE

The City of Orlando proposes to amend the Growth Management Plan to change the use of land within the areas shown on the [map below](#). On **Monday, March 30, 2020**, the Orlando City Council will consider proposed ordinance #2020-21, entitled:

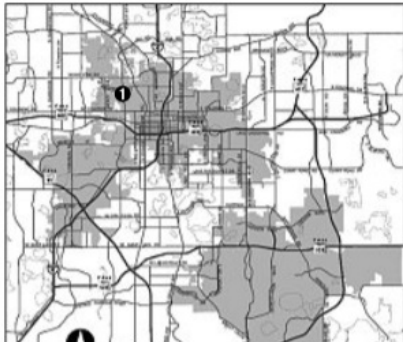

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ORLANDO, FLORIDA, AMENDING THE CITY'S GROWTH MANAGEMENT PLAN TO CHANGE THE FUTURE LAND USE MAP DESIGNATION FOR CERTAIN LAND GENERALLY LOCATED AT THE SOUTHWEST CORNER OF W. PRINCETON STREET AND NORTH JOHN YOUNG PARKWAY, COMPRISED OF 71.56 ACRES OF LAND, MORE OR LESS, FROM CONSERVATION TO URBAN ACTIVITY CENTER, IN PART; URBAN ACTIVITY CENTER TO CONSERVATION, IN PART; RESIDENTIAL LOW INTENSITY TO RESIDENTIAL MEDIUM INTENSITY, IN PART; AND RESIDENTIAL LOW INTENSITY TO CONSERVATION, IN PART; ESTABLISHING A NEW SUBAREA POLICY FOR THE SAME PROPERTY TO PRESERVE THE CONSERVATION AREAS ON THE PROPERTY AND TO PROVIDE A MAXIMUM DEVELOPMENT PROGRAM; CHANGING THE PROPERTY'S ZONING DESIGNATION FROM HOLDING TO URBAN ACTIVITY CENTER, IN PART, AND CONSERVATION, IN PART, AND FROM PLANNED DEVELOPMENT TO MEDIUM INTENSITY DEVELOPMENT, IN PART, AND CONSERVATION, IN PART, ALL WITH THE WEKIVA OVERLAY ZONING DISTRICT, PROVIDING FOR AMENDMENT OF THE CITY'S OFFICIAL FUTURE LAND USE AND ZONING MAPS; PROVIDING FOR SEVERABILITY, CORRECTION OF SCRIVENER'S ERRORS, PERMIT DISCLAIMER, AND AN EFFECTIVE DATE.

The following amendment to the Official Future Land Use Map are proposed:

Project	Parcel Location	Amendment	Case #
1. District West	SW Corner of W. Princeton St. & N. John Young Pkwy	Change the future land use designation from Conservation to Urban Activity Center, Urban Activity Center to Conservation, Residential Low Intensity to	GMP2019-10012

The following amendment to the Official Future Land Use Map are proposed:

Project	Parcel Location	Amendment	Case #
1. District West	SW Corner of W. Princeton St. & N. John Young Pkwy	Change the future land use designation from Conservation to Urban Activity Center, Urban Activity Center to Conservation, Residential Low Intensity to Residential Medium Intensity and Residential Low Intensity to Conservation (±71.56 ac.)	GMP2019-10012

**Subject:** Executive Order 20-69

**ATTENTION:** This email came from an external source. Do not open attachments or click on links from unknown senders or unexpected emails.

Dear Governor and Staff-

I am concerned about Local Governments conducting business meetings according to Executive Order 20-69 without making appropriate arrangements for the public to make comments on propositions in front of the Board by remote technological means.

This exact situation occurred at Seminole County Commission Meeting on 3/24/2020. The meeting took place on a revised-shortened Agenda. Commission Lockhart did not attend for personal reasons. Commissioner Carey attended by phone for personal reasons. Commissioners Zembower (chair), Constantine and Dallari attended in person.

2 members of the public attended and both asked for a matter of public interest to be continued to another meeting due to the lack of attendance by public according to President Trump's Coronavirus guidelines issued. The public's concerns were ignored on the matter, even though another matter was continued for the same reason. Many people did not attend the meeting in conformance with CDC guidelines and there would have been many more citizens to speak in opposition had they not been following CDC guidelines to avoid groups of 10 or more.

Now several Counties and Municipalities are on stay at home orders. Orange and Osceola Counties in Central Florida to be specific.

Please issue a directive for local governments to cease and desist conducting business requiring public hearings while the general public is being told to stay at home. If the local governments do not have a technology solution in place for public participation by remote technological means, they should not be taking any action that would normally be part of a public process.

Failure to provide an opportunity for public comment violates several Florida Statutes. This issue must be addressed immediately to preserve citizen's Constitutional and Statutory rights.

Please take immediate action to ensure that local governments to comply with applicable laws, rather than using executive order 20-69 to exclude public participation. I do not believe that was the intent.

Executive order 20-69 should be amended to clarify this important issue. If that is not possible, please correct this by issuing a new order that specifically states that the public's right to be heard must be available by the same means that Board Members may utilize to attend the meetings remotely.

Things may be chaotic now, but there is no excuse for letting this critical matter slide.

Thank you for all your hard work during these unusual events.  
Stay safe and blessings to all.

Respectfully submitted-  
Kim Buchheit 321-689-1057

To Whom It May Concern;

There have been myriads of news bulletins posted over the last week or so asking many travelers not to visit Florida during the pandemic of covid-19. As you know, this time of year is peak season for many families of all ethnicities and religions seeking a lovely escape from every day life to the nicest and sunniest state which offers so much! The governor of Florida is doing everything to prevent travelers from coming down, specifically asking travelers to quarantine themselves for 14 days upon arrival... so we got the message... we won't come!

Airlines are allowing cancellations, rental cars are allowing cancellations, and so is VRBO & AIRBNB....

HOWEVER, these villas we rented under Executive Villas Florida Inc will not refund money for cancellations. Apparently they have a policy to take others money in a time of crisis. I ask you in the kindest way to help out in this situation before it gets all over the internet as I am reaching out to you for help!

Their number is (863) 969-9180.

I would expect a return email from someone that this was handled or it's obvious that the seriousness of the situation is not as bad as you say.

See examples from the BBB website discussing recent conversations. There are many more if you search the internet.

I am writing to you to express my severe disappointment in Executive Villas Florida. I have booked a trip on May 9th to 16th 2020 and due to the Covid-19 pandemic, the air lines have cancelled our flights. There is a travel ban in affect and I am not

FL-ORLANDO-20-1073-A-000203

able to get any flight from Canada into the US now. I have expressed my concern to Executive Villas multiple times however they do not reply to my emails, messages or phone calls. I finally received a message today that seems to be an automated response advising of their standard cancellation policy. According to that policy I am to lose 50% of the total booking cost. I stand to lose \$2200CAD and feel that this is not acceptable as my flights have been cancelled because the travel ban put in place by our government due to Covid-19. I feel this should definitely fall within their extenuating circumstances. Furthermore, I work in law enforcement and all active members have currently had their leave of absences revoked until further notice due to Covid-19. This too should qualify me for their extenuating circumstances and allow me to receive a refund.

Executive Villas Florida.com, Inc. Response  
03/25/2020

Hi We are the agent not the owner and the owner has already been paid for the booking as per the terms and conditions of the reservation when you made the booking . The owner had agreed although they are under no legal obligation to change the dates of the reservation which we have offered I hope you understand we are in a tricky situation as we are trying to look after our guest and also the owners and are trying to do our best in this uncertain times Please let me know what dates we can change the reservation to and I have also attached the terms and conditions that were agreed to when booking so you understand our position also which is quite clear the reason for terms and conditions is to protect both parties and we have to adhere to them 5.2 The Owner, Executive Villas Florida.com Inc acting as agent or its designated Management Company, as applicable, accepts no responsibility for, and shall not be liable in respect of any loss, damages, alteration, delay or changes arising from circumstances outside our control - these include (but are not limited to) war (or threat of war), acts of terrorism, fire, adverse weather conditions, government actions, closure, congestion of airports, cancellation or changes of flight schedules, theft from the Villa premises (both interior and exterior including garage and pool & spa areas), ongoing construction or alteration work to any houses

Jenna J

03/23/2020

I have been looking at the reviews for Executive Villas all morning and I wish I had known better. This company has basically stolen \$1500 from me and my sister who is a single mother of 2 special needs children with low functioning autism, who lost her job due to the Corona Virus pandemic and will be unable to reschedule her part of the trip due to money. I messaged the company in regards to canceling the trip, for my sister's reasons, the Corona virus had shut down the theme parks (our reason for visiting) and I was greatly concerned about my own special needs son who is medically fragile. I used the same thread that I had received communication from them before, to ensure they saw it. There was no response back to my request for a refund. I messaged them through the Home Away website (where I booked the villa originally) and got a very formula response from "Andrew" - I suspect because Home Away monitors communication. When I responded in even greater detail and showed my growing frustration, I got back almost the same response word for word - again from "Andrew". My third communication with him was matter of fact and "Andrew" responded with a request for a screenshot of the emails. I happily obliged only to get the following response from a new person "Lorena C.". ""Hi, Sorry for any confusion, but please let us know what your question is? We do not get to see the chain of emails. Kind regards, Lorena C. Executive Villas Florida" This is a joke right? Didn't get the emails, didn't read through the thread of messages on Home Away. As I write this review, I have literally gotten yet another message from "Andrew" asking me once again for a copy of the email. I am contacting the Better Business Bureau, A\*\*\*\*\*'s Office and placing this review on every single piece of social media that has their name on it. Please do yourself a favor, DO NOT USE THIS COMPANY. They are crooks, liars and steal money out of the hands of disabled children. No honor, no integrity.

Executive Villas Florida.com, Inc. Response  
03/25/2020

Hi Jenna That's completely incorrect we have sent multiple emails and had responses back As explained We are the agent not the owner and the owner has already been paid for the booking as per the terms and conditions of the reservation when you made the booking . The owner had agreed although they are under no legal obligation to change the dates of the reservation which we have offered I hope you understand we are in a tricky situation as we are trying to look after our guest and also the owners and are trying to do our best in this uncertain times Please let me know what dates we can change the reservation to and I have also attached the terms and conditions that were agreed to when booking so you understand our position also which is quite clear the reason for terms and conditions is to protect both parties and we have to adhere to them 5.2 The Owner, Executive Villas Florida.com Inc acting as agent or its designated Management Company, as applicable, accepts no responsibility for, and shall not be liable in respect of any loss, damages, alteration, delay or changes arising from circumstances outside our control - these include (but are not limited to) war (or threat of war), acts of terrorism, fire, adverse weather conditions, government actions, closure, congestion of airports, cancellation or changes of flight schedules, theft from the Villa premises (both interior and exterior including garage and pool & spa areas), ongoing construction or alteration work to any houses

**Subject:** FDOT ACTIVE PROJECTS AMID PANDEMIC

**Attachment(s):** "Active DOT projects.JPG", "ContractList.xls"

**ATTENTION:** This email came from an external source. Do not open attachments or click on links from unknown senders or unexpected emails.

Good morning,

I am a concerned citizen and spouse of a construction worker. I write to all who possess the power to act swiftly and decisively on this urgent matter.

As of 3/23/2020, according to the FDOT website (See attached Excel Sheet), there are at least 500 active construction projects on bridges and roads all across Florida. If we estimate that there are at least 15 workers coming into contact on each site, that would add up to 7500 people that are in danger of contracting and spreading SARS-CoV-2. If you factor in the family members they go home to, including spouses, children, and other family members, both young and elderly, then the number of people in danger of severe disease and/or death rises exponentially. It is of immediate importance that nonessential FDOT projects be suspended immediately. There are lives at stake. We cannot allow the avarice of the industrial owners to dictate that profit is more important than human life.

For perspective, I also attached an image provided by the FDOT website on 3/23/2020, which highlights in blue marker all FDOT active projects.

Construction workers and inspectors are at severe risk of SARS-CoV-2 infection. The owners of companies will continue to endanger the lives of their workers until mandated otherwise. Workers, who often live paycheck to paycheck, will continue to work even if sick.

We desperately need strong Florida leadership to do the right thing and close down all nonessential FDOT projects until it is once again safe to resume.

Thank you for your time.

Respectfully,  
Dayana Valdes

# STATE OF FLORIDA

## OFFICE OF THE GOVERNOR

### EXECUTIVE ORDER NUMBER 20-80

(Emergency Management - COVID-19 – Airport Screening and Isolation)

**WHEREAS**, Novel Coronavirus Disease 2019 (COVID-19) is a severe acute respiratory illness that can spread among humans through respiratory transmission and presents with symptoms similar to those of influenza; and

**WHEREAS**, on March 1, 2020, I issued Executive Order number 20-51 directing the Florida Department of Health to issue a Public Health Emergency; and

**WHEREAS**, on March 1, 2020, the State Surgeon General and State Health Officer declared a Public Health Emergency exists in the State of Florida as a result of COVID-19; and

**WHEREAS**, on March 9, 2020, I issued Executive Order 20-52 declaring a state of emergency for the entire State of Florida as a result of COVID-19; and

**WHEREAS**, many cases of COVID-19 in Florida have been as a result of individuals coming into the State of Florida from international travel and other states and exposing our residents; and

**WHEREAS**, Florida is seeing an increase in individuals fleeing to Florida from states where “shelter-in-place” orders are being implemented, including from the New York Tri-State Area; and

**WHEREAS**, as Governor, I am responsible for meeting the dangers presented to this state and its people by this emergency.

**NOW, THEREFORE, I, RON DESANTIS**, as Governor of Florida, by virtue of the authority vested in me by Article IV, Section (1)(a) of the Florida Constitution, Chapter 252,

Florida Statutes, and all other applicable laws, promulgate the following Executive Order to take immediate effect:

Section 1.

A. I hereby direct all persons whose point of departure originates from outside the State of Florida in an area with substantial community spread, to include the New York Tri-State Area (Connecticut, New Jersey and New York), and entering the State of Florida through airports to isolate or quarantine for a period of 14 days from the time of entry into the State of Florida or the duration of the person's presence in the State of Florida, whichever is shorter. This Order shall not apply to persons employed by the airlines and those performing military, emergency or health response. This Order shall take effect on March 24, 2020 at 12:01 a.m. All persons isolating or quarantining under this Section, shall be responsible for all costs associated with that person's isolation or quarantine, including transportation, lodging, food, medical care and any other expenses to sustain the person during the period of isolation or quarantine.

B. I hereby direct the Florida Department of Health, pursuant to section 381.00315(5), Florida Statutes, to immediately apply existing rules adopted pursuant to that section. The Florida Department of Health shall take any steps necessary to ensure the screening and appropriate isolation and quarantine of individuals covered by this Order.

C. I hereby direct the Florida Department of Health to coordinate with the Florida Division of Emergency Management, each aviation and airport authority in Florida, county and local governments, and law enforcement agencies to effectuate the isolation or quarantine outlined above.

D. Pursuant to section 381.0012(5), Florida Statutes, "it shall be the duty of every state and county attorney, sheriff, police officer, and other appropriate city and county officials

upon request to assist the [Department of Health]” in enforcing any isolation or quarantine or order of the Department of Health issued pursuant to this Order.

E. Any person who violates any isolation or quarantine directed by the Department of Health commits a misdemeanor of the second degree, which is punishable by imprisonment not to exceed 60 days, a fine not to exceed \$500, or both. *See* § 381.00315(6), Fla. Stat.

Section 2. This Executive Order shall expire upon the expiration of Executive Order 20-52, including any extensions, or upon an Executive Order lifting the isolation or quarantine after advice from the State Health Officer and Surgeon General.

IN TESTIMONY WHEREOF, I have hereunto set my hand and caused the Great Seal of the State of Florida to be affixed, at Tallahassee, this 23rd day of March, 2020.

A large, stylized handwritten signature in black ink, appearing to read "Ron DeSantis".  
\_\_\_\_\_  
RON DESANTIS, GOVERNOR

ATTEST:

A handwritten signature in black ink, appearing to read "Laurel M. Lee".

Florida has a very broad public records law. As a result, any written communication created or received by the City of Orlando officials and employees will be made available to the public and media, upon request, unless otherwise exempt. Under Florida law, email addresses are public records. If you do not want your email address released in response to a public records request, do not send electronic mail to this office. Instead, contact our office by phone or in writing.

# STATE OF FLORIDA

## OFFICE OF THE GOVERNOR

### EXECUTIVE ORDER NUMBER 20-80

(Emergency Management - COVID-19 – Airport Screening and Isolation)

**WHEREAS**, Novel Coronavirus Disease 2019 (COVID-19) is a severe acute respiratory illness that can spread among humans through respiratory transmission and presents with symptoms similar to those of influenza; and

**WHEREAS**, on March 1, 2020, I issued Executive Order number 20-51 directing the Florida Department of Health to issue a Public Health Emergency; and

**WHEREAS**, on March 1, 2020, the State Surgeon General and State Health Officer declared a Public Health Emergency exists in the State of Florida as a result of COVID-19; and

**WHEREAS**, on March 9, 2020, I issued Executive Order 20-52 declaring a state of emergency for the entire State of Florida as a result of COVID-19; and

**WHEREAS**, many cases of COVID-19 in Florida have been as a result of individuals coming into the State of Florida from international travel and other states and exposing our residents; and

**WHEREAS**, Florida is seeing an increase in individuals fleeing to Florida from states where “shelter-in-place” orders are being implemented, including from the New York Tri-State Area; and

**WHEREAS**, as Governor, I am responsible for meeting the dangers presented to this state and its people by this emergency.

**NOW, THEREFORE, I, RON DESANTIS**, as Governor of Florida, by virtue of the authority vested in me by Article IV, Section (1)(a) of the Florida Constitution, Chapter 252,

Florida Statutes, and all other applicable laws, promulgate the following Executive Order to take immediate effect:

Section 1.

A. I hereby direct all persons whose point of departure originates from outside the State of Florida in an area with substantial community spread, to include the New York Tri-State Area (Connecticut, New Jersey and New York), and entering the State of Florida through airports to isolate or quarantine for a period of 14 days from the time of entry into the State of Florida or the duration of the person's presence in the State of Florida, whichever is shorter. This Order shall not apply to persons employed by the airlines and those performing military, emergency or health response. This Order shall take effect on March 24, 2020 at 12:01 a.m. All persons isolating or quarantining under this Section, shall be responsible for all costs associated with that person's isolation or quarantine, including transportation, lodging, food, medical care and any other expenses to sustain the person during the period of isolation or quarantine.

B. I hereby direct the Florida Department of Health, pursuant to section 381.00315(5), Florida Statutes, to immediately apply existing rules adopted pursuant to that section. The Florida Department of Health shall take any steps necessary to ensure the screening and appropriate isolation and quarantine of individuals covered by this Order.

C. I hereby direct the Florida Department of Health to coordinate with the Florida Division of Emergency Management, each aviation and airport authority in Florida, county and local governments, and law enforcement agencies to effectuate the isolation or quarantine outlined above.

D. Pursuant to section 381.0012(5), Florida Statutes, "it shall be the duty of every state and county attorney, sheriff, police officer, and other appropriate city and county officials

upon request to assist the [Department of Health]” in enforcing any isolation or quarantine or order of the Department of Health issued pursuant to this Order.

E. Any person who violates any isolation or quarantine directed by the Department of Health commits a misdemeanor of the second degree, which is punishable by imprisonment not to exceed 60 days, a fine not to exceed \$500, or both. *See* § 381.00315(6), Fla. Stat.

Section 2. This Executive Order shall expire upon the expiration of Executive Order 20-52, including any extensions, or upon an Executive Order lifting the isolation or quarantine after advice from the State Health Officer and Surgeon General.

IN TESTIMONY WHEREOF, I have hereunto set my hand and caused the Great Seal of the State of Florida to be affixed, at Tallahassee, this 23rd day of March, 2020.

A large, stylized handwritten signature in black ink, which appears to be "Ron DeSantis".

**Attachment(s):** "EO\_20-44.pdf", "EO 20-44\_Email Communications\_Contract Managers- QA- FINAL .pdf"

All:

FYI, see below and attached. Along with probably thousands of other organizations throughout the state, we've been caught in this Executive Order because the City has a contract with the State of Florida, via the Florida Dept. of Health, for the federally-funded After School Meals Program. For context, the agreement with the State of Florida was approved by City Council back in 2015 ([here's a link to the CAI](#)).

I'm guessing that Legal needs to review this before a response is provided. And, since most of the questions relate to City business overall, not specifically FPR, which department is in the best position to respond?

Please advise, thanks.

-Lisa

**From:** Executive Order 2044 <ExecutiveOrder2044@flhealth.gov>

**Sent:** Monday, March 16, 2020 12:28 PM

**To:** Executive Order 2044 <ExecutiveOrder2044@flhealth.gov>

**Subject:** Action Required: Governor's Executive Order 20-44 - Survey for Selected FDOH/CCF Contract Providers - Response needed by March 27, 2020

**ATTENTION:** This email came from an external source. Do not open attachments or click on links from unknown senders or unexpected emails.

Hello Providers,

On February 20, 2020, Governor Ron DeSantis issued **Executive Order Number 20-44** (attached) which requires the Florida Department of Health (Department) to submit a list of all entities as outlined in the Executive Order.

Your organization is receiving this communication from the Department as a result of an evaluation of active contracts and other agreements funded by the Department. In accordance with Executive Order 20-44, please complete this [Online Survey](#) and submit your attestation to the Department by **March 27<sup>th</sup>, 2020**.

Based on your response, the Department may request supporting documentation. For example, supporting documentation may include:

- Most recent financial year's IRS 990 form;
- Most recent financial year's Florida Single Audit Act documentation or, if not applicable, most recent financial year's audited financial statements;
- Current annual budget, including all funding sources; and
- Details regarding total compensation for the executive leadership team for the most recent financial year, including salary, bonuses, cashed-in leave, cash equivalents, severance pay, retirement benefits, deferred compensation, real-property gifts, and any other payout.
  - Executive leadership is defined as, at a minimum, the organization's chief executive officer, chief operating officer, chief financial officer, or those who function in these positions regardless of title.

If you have any questions regarding the timely and complete submission of this request, please contact [ExecutiveOrder2044@flhealth.gov](mailto:ExecutiveOrder2044@flhealth.gov).

Thank you,

**PLEASE NOTE:** Florida has a very broad public records law. Most written communications to or from state officials regarding state business are public records available to the public and media upon request. Your e-mail communications may therefore be subject to public disclosure.

---

Florida has a very broad public records law. As a result, any written communication created or received by the City of Orlando officials and employees will be made available to the public and media, upon request, unless otherwise exempt. Under Florida law, email addresses are public records. If you do not want your email address released in response to a public records request, do not send electronic mail to this office. Instead, contact our office by phone or in writing.

**Mission:**

To protect, promote & improve the health of all people in Florida through integrated state, county & community efforts.

**Ron DeSantis**  
Governor

**Scott A. Rivkees, MD**  
State Surgeon General

**Vision:** To be the **Healthiest State** in the Nation

---

## Executive Order 20 - 44 Questions and Answers

- 1. Will my organization's documents be released to another party?**
  - All documents submitted to the Department become public records available to members of the public upon request. The Department will redact any confidential prior to releasing them should a request be received for the documents.
- 2. Can I redact confidential information?**
  - If you chose to redact confidential information, please include a statutory citation for justification. The Department may ask for additional information regarding any redacted details in order to ascertain the information needed to respond to the Executive Order.
- 3. The state is not entitled to all documentation regarding my private business!**
  - We understand that many organizations that do business with the state, including DOH, are private businesses. In the spirit of transparency and public trust, and a recipient of state taxpayer dollars, we ask for your cooperation with this request.
- 4. Our executives are employed by and paid through a parent company; that portion of this request is not applicable to our DOH contract.**
  - This request stems from an Executive Order from Governor Ron DeSantis. We appreciate and understand your concerns; however, we ask that you comply with this request.
- 5. The Executive Order discusses "all state and federal funds." Do we need to tell you all the state or federal funds we receive from all sources (e.g. DOH and other grantors)?**
  - Yes.
- 6. Does this apply to our subcontracted providers that also receive state and federal funds?**
  - At this time, the Department is only seeking details regarding funds associated directly with your business entity's legal name and IRS/tax id number.

# STATE OF FLORIDA

## OFFICE OF THE GOVERNOR

### EXECUTIVE ORDER NUMBER 20-44

**WHEREAS**, the Florida Coalition Against Domestic Violence (Coalition) submitted documents to the Executive Office of the Governor and Florida House of Representatives on February 12, 2020, revealing that the Coalition used funds from the Department of Children and Families to subsidize exorbitant executive leadership team compensation payouts; and

**WHEREAS**, information indicates the number of survivors turned away from domestic violence shelters around the State grew as the Coalition increasingly directed State-allocated funds to executive team compensation; and

**WHEREAS**, upon receiving evidence of the Coalition's fiscal irresponsibility, I ordered the Office of the Chief Inspector General to conduct a thorough review of the Coalition's compensation practices and to refer the matter for additional investigation, if necessary; and

**WHEREAS**, several provisions of law require various Executive agencies to enter sole-source contracts or other agreements with certain private entities on a non-competitive basis; and

**WHEREAS**, section 39.903, Fla. Stat., provides one example by requiring the Department of Children and Families to contract with the Coalition for the delivery and management of services for the State's domestic violence program; and

**WHEREAS**, significant State funds are directed to private organizations through mandatory, non-competitive State contracts and other public-private agreements; and

**WHEREAS**, Florida law requires that each agency include in contracts with outside organizations appropriate audit and oversight authority and agency access to documents, papers, letters, or other material made or received by the contractor in conjunction with the contract; and

**WHEREAS**, public-private partnerships effectively serve the People of Florida only when good stewards of State funds lead the partnership and uphold the values of transparency and accountability.

**NOW, THEREFORE, I, RON DESANTIS**, as Governor of Florida, by virtue of the authority vested in me by Article IV, Section 1(a) of the Florida Constitution, and all other applicable laws, promulgate the following Executive Order, to take immediate effect:

Section 1. I hereby direct all Executive agencies to submit to the Executive Office of the Governor, within 45 days of this Order, a list of: (a) all entities named in statute with which the agency must form a sole-source, public-private agreement; and (b) all entities that, through contract or other agreement with the State, annually receive 50% or more of their budget from the State or from a combination of State and Federal funds.

Section 2. I further direct that, within 45 days of submission of the list, each agency obtain and review copies of the IRS Form 990 and other documentation for each listed entity showing total compensation—to include salary, bonuses, cashed-in leave, cash equivalents, severance pay, retirement benefits, deferred compensation, real-property gifts, and any other payout—for all members of the listed contractors' executive leadership teams for the past year. If the compensation totals exceed limits set forth in federal or state law and regulations, the agency shall refer the matter to the Office of the Chief Inspector General for investigation and appropriate action.

Section 3. In addition, within 45 days of submission of the list from Section 1 of this Order, each Executive agency must verify compliance with the Florida Single Audit Act and develop, for submission to the Office of the Chief Inspector General, an appropriate corrective

action plan for non-compliance or any issues noted, and a timeline for completion of the corrective action plans.

Section 4. Each Executive agency shall henceforth require, from entities that meet the criteria listed in Section 1 of this Order, an annual report, including the most recent IRS Form 990, detailing the total compensation for the entities' executive leadership teams. Total compensation shall include salary, bonuses, cashed-in leave, cash equivalents, severance pay, retirement benefits, deferred compensation, real-property gifts, and any other payout. In addition, contracted entities must agree through appropriate contract or grant agreement amendment to inform the agency of any changes in total executive compensation between the annual reports. All compensation reports must indicate what percent of compensation comes directly from the State or Federal allocations to the contracted entity.

IN TESTIMONY WHEREOF, I have hereunto set my hand and caused the Great Seal of the State of Florida to be affixed, at Tallahassee, this 20th day of February, 2020

FYI, we have our first positive test of a Homeless Shelter client.

What is the health department notification protocol for a congregate living environment? Coalition has 500 guests each night, singles and families.

We are working on a plan for isolation and quarantine.

Regards,  
Brian

## Executive Policy Group Conference Call Wednesday, March 18, 2020 @ 1:00 PM Meeting Agenda

Conference call began at 1:00 p.m.

Meeting began with a roll call of all parties participating in the briefing

### In person

Jerry Demings, Orange County Mayor  
Roseann Harrington, Chief of Staff  
Byron Brooks, County Administrator  
Randy Singh, Assistant County Administrator  
Chris Testerman, Assistant County Administrator  
Danny Banks, Public Safety Director  
Jeff Newton, County Attorney  
Jeff Williamson, Communications Manager  
Jane Watrel, Communications Section Manager  
Kasey Brinkley, Supervisor of Events & Special Projects

All other personnel listed below connected by phone

### Chief Lauraleigh Avery, EOC

- It was reported on the State call that Assisted Living Facilities (ALF's) are running out of personal protection supplies
- State Division of Emergency Management (DEM) is following up on reports of vendors not being allowed inside ALFs
- The State DEM is also working on an issue of 30 loaded box trucks not being able to deliver supplies due to vendor issues
- Orange County ALFs are low on personal protective equipment.
- The Orange County Convention Center; Destination Parkway Collection Site, was toured by a Colonel with the National Guard
- The Colonel that visited the site, has concerns that the selected area is not large enough, and suggested that the site have two points of ingress and egress
- Looking at opening OCCC Testing Site on Friday, and most of the supplies have already been set up
- The site is expected to be open for two weeks
- Mark Tester and David Ingram from the convention center are working with the National Guard to rectify the situation
- Looking at parking up to 20,000 people
- Roseanne brought up the question of where the National Guard is planning to stay while they are working at the collection site
- Will work with hotels on I-Drive to house the National Guard

### **Dr. Martinez, Orange County Health Services Director**

- Continuing to have daily calls with the State Health Department
- (3) more in cases in Orange County as of this morning bringing the total count to (9) cases in Orange County
- Requesting signage at collection sites
- (16,640) N-95 mask rcvd yesterday
- Seventy-seven percent already issued to 13 different agencies (MCO, Advent Health etc...). More masks should be arriving soon
- Hospitals are setting up tents
- EMS providers around the country are starting to wear full protection

### **Kent Donahue, Florida Department of Health, PIO**

- Update on (3) new cases in Orange County / (two males in their 40s, 3rd case is a person in their 60s).
- Coordinating traffic control with OCSO at the Alafaya collection site
- Open date for this site has not been set and the goal to open is Friday
- Jeff Newton did confirm that this will be an appointment only collection site
- Sampling kits arrived today

### **Chief Judge Donald Meyers, Jr.**

- Fl. Supreme Court is further limiting person –to – person contact at the Court House.
- Order good through March 27th – expecting to extend for several weeks
- Utilizing video conferencing and working to keeping jail population down

### **John Mina, Orange County Sheriff**

- Orange County Sheriff's Office (OCSO) responded to two establishments having Saint Patrick's Day events.
- Both businesses were given warnings
- OCSO will manage traffic at both collection sites

### **Department Updates**

- **Diana Almodovar , Public Works** No new updates
- **Ray Hanson, Utilities:** Requesting to close customer service center to walk-in traffic. The ability to pay online, via the automated phone system, drive through and at AMSCOT still available
- **Jon Weiss, PEDS:** No new operational changes
- **Anne Kulikowski, Administrative Services:** Working on a request to have two rooms at the Health Department at 69 degrees
- **Chief Fitzgerald, Fire Rescue:** Fire Rescue is continuing Normal Operations
- **Chief Quinones, Corrections:** Normal Operations
- **Mark Tester, Convention Center:** Working through additional cancelations and setting up collection site

**Lonnie Bell & Dianne Arnold, Family Services:**

- Working on Crisis Assistance Hotline
- Goal is to assist 1500 families for two months
- Adjusting screening criteria
- Applicants will be screened via phone interviews, not in person
- Working to have operational by Monday
- Working through staffing challenges and how to handle paperwork.
- The target is low income families who need mortgage payment assistance
- EPIC funds will be used to assist this program

**Randy Singh, Deputy County Administrator:**

- Mentioned having safeguards in place to prevent double dipping and to cut down on confusion since United Way also provides assistance (A.L.I.C.E.)
- United Way offers some programs that Orange County does not
- The Board will decide how to provide funding to the United Way
- Evaluating how long Spring Break Camps will remain open
- Possibly closing after Friday
- The Mayor wants to make sure families are given enough notice to plan for other childcare options
- The main concern is elementary age

The Mayor thanked everyone for his or her time and the meeting concluded at 13:47.  
Next Executive Policy Group Meeting will be March 19, 2020 @ 1:00p.m.

\*A Press conference has not scheduled at this time.

FL-ORLANDO-20-1073-A-000305

**Subject:** COVID-19 information & updates  
**Importance:** High

Good morning everyone,

I'm sharing information provided by the Florida Department of Health in Orange County regarding the most updated COVID-19 screening tool and other resources.

Also, the department has scheduled a call every Wednesday afternoon to discuss latest information on the virus.

It's essential we all work together to be more effective during this health care crisis.

Please find attached and below screening tool and details to join the call.

The Department of Health (Department) has updated the clinical screening tool health care providers use in the identification of persons under investigation or suspected for coronavirus disease 2019 (COVID-19). The clinical screening tool is intended to assist health care practitioners in understanding their role in identifying individuals, specimen collection, shipping of specimens, and notification of local county health departments, as appropriate.

The State Surgeon General, Dr. Scott Rivkees, is currently hosting a weekly health care provider telephone conference call designed to provide updates from the Department, briefing from the Florida Agency for Health Care Administration, updates from other state agencies and address questions from partners. If you are interested in joining this weekly call, please see the call-in information below:

**Date: Every Wednesday**

**Time: 2:00pm-2:30pm**

**Call-In Number: 888-585-9008**

**Conference Room ID: 872-128-152**

#### **Additional Resources**

The Centers for Disease Control and Prevention (CDC) issued their CDC Health Alert Network (HAN) Update which highlights guidance and recommendations for evaluating and identifying patients who should be tested for COVID-19 that was shared on March 4, 2020, on the CDC COVID-19 website at <https://www.cdc.gov/coronavirus/2019-nCoV/hcp/clinical-criteria.html>. It supersedes the guidance and recommendations provided in CDC's HAN 428 distributed on February 28, 2020.

Health care practitioners should immediately implement recommended infection prevention and control practices (<https://www.cdc.gov/coronavirus/2019-ncov/infection-control/control-recommendations.html>) if a patient is suspected of having COVID-19.

The American Medical Association has published a Physician's Guide to COVID-19 that includes how to prepare your practice, protect yourself from infection and diagnosing patients with suspected or confirmed COVID-19 (<https://www.ama-assn.org/delivering-care/public-health/physicians-guide-covid-19>).

Florida has a very broad public records law. As a result, any written communication created or received by the City of Orlando officials and employees will be made available to the public and media, upon request, unless otherwise exempt. Under Florida law, email addresses are public records. If you do not want your email address released in response to a public records request, do not send electronic mail to this office. Instead, contact our office by phone or in writing.

## Clinical Screening Tool for Identifying Persons Under Investigation for Coronavirus Disease 2019 (COVID-19) per Centers for Disease Control and Prevention (CDC)

Symptomatic individuals should be asked to wear a surgical mask upon arrival. Initiate contact and airborne precautions, using appropriate personal protective equipment (PPE).

Version 4.2 | March 15, 2020

### SCREENING CRITERIA

If your patient is exhibiting **symptoms** of acute lower respiratory illness (e.g., fever, cough, and shortness of breath) **and** meets one or more of the following criteria:

1. Persons who have had a close contact with a laboratory-confirmed COVID-19 case
2. Persons hospitalized with acute lower respiratory illness of unknown origin
3. History of travel to or from an affected geographic area with widespread community transmission
4. History of international travel or a cruise
5.  $\geq 65$  with chronic health conditions
6. Immunocompromised persons

### TESTING

If individual meets criteria for testing, wear appropriate PPE and initiate contact and airborne precautions.

1. The health care provider is responsible for specimen collection, handling and shipping. Please follow [CDC guidance](#).
2. Collected specimens should be processed within your health care facility, if available; a commercial laboratory (e.g., [LabCorp](#) and [Quest](#)); or a [Florida Bureau of Public Health Laboratory \(BPHL\)](#)
3. Before sending specimens to BPHL, notify your local county health department [CHD Epidemiology Contacts](#).
4. Health care providers may consult local county health departments for additional guidance as needed.

### EXPANDED CRITERIA

If your patient does not meet the above criteria, testing may occur based on clinician's judgement.

1. The health care provider is responsible for specimen collection, handling and shipping. Please follow [CDC guidance](#) and use proper PPE.
2. Collected specimens should be processed within your health care facility or a commercial laboratory (e.g., [LabCorp](#) and [Quest](#)).
3. Follow [CDC guidance](#) for specimen collection, handling and shipping.

### FOR ADDITIONAL GUIDANCE

Providers are encouraged to frequently monitor Florida Department of Health and CDC websites for updated guidance on COVID-19.

- [www.flhealth.gov](http://www.flhealth.gov)
- <https://www.cdc.gov/coronavirus/2019-nCoV/index.html>

Please see the CDC's: [Interim Infection Prevention and Control Recommendations for Patients with Suspected or Confirmed Coronavirus Disease 2019 \(COVID-19\) in Healthcare Settings](#)

**Florida Department of Health Announces New Positive COVID-19 Cases in Florida**

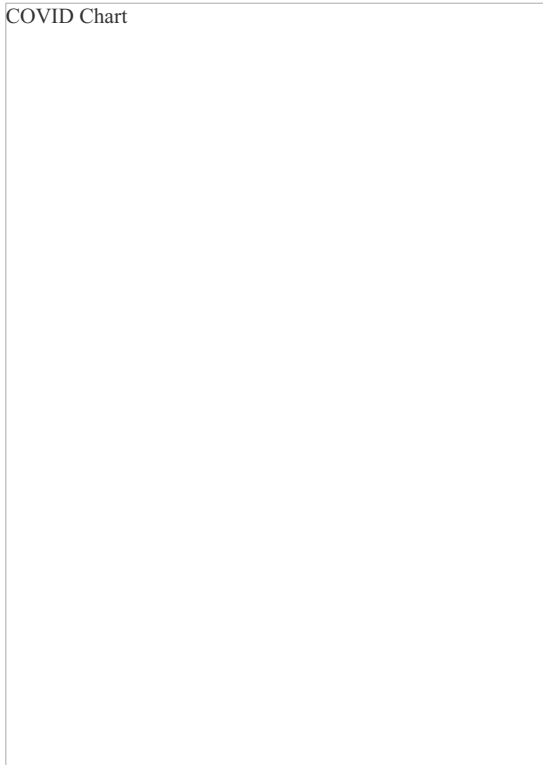

**TALLAHASSEE** — The Florida Department of Health has announced eight new positive cases of coronavirus disease (COVID-19) in Florida. To keep Florida residents and visitors safe and aware about the status of the virus, the Department is issuing regular updates as information becomes available.

**New Positive Cases**

- A 68-year old male in Nassau County has been identified as positive. This person is isolated and will continue to remain isolated until cleared by public health officials. This is a travel-related case.
- A 68-year old female Georgia resident who is currently in Alachua County, Florida, has been identified as positive. This person is isolated and will continue to remain isolated until cleared by public health officials. The Georgia Department of Public Health is leading the epidemiological investigation for this individual.
- A 73-year old male in Collier County has been identified as positive. This person is isolated and will continue to remain isolated until cleared by public health officials. This is a travel-related case.
- A 68-year old female in Collier County has been identified as positive. This person is isolated and will continue to remain isolated until cleared by public health officials. This is a travel-related case.
- A 64-year old female in Collier County has been identified as positive. This person is isolated and will continue to remain isolated until cleared by public health officials. This is a travel-related case.
- A 67-year old male in Pinellas County has been identified as positive. This person is isolated and will continue to remain isolated until cleared by public health officials. This is a travel-related case.
- A 64-year old male in Pinellas County has been identified as positive. This person is isolated and will continue to remain isolated until cleared by public health officials. This is a travel-related case.
- A 46-year old male in Pasco County has been identified as positive. This person is isolated and will continue to remain isolated until cleared by public health officials. This is a travel-related case.

\*A known history of exposure to COVID-19 outside of the state.

**International Travel Advisory**

The Florida Department of Health is advising all individuals who have traveled internationally to follow the **new Centers for Disease Control and Prevention (CDC) guidelines**, summarized below:

- **Level 3:** CDC recommends 14-day self-isolation and social distancing upon return to the United States. Social distancing includes avoiding going out in public and close personal interactions. If you become symptomatic, immediately self-isolate and contact your County Health Department (CHD) or health care provider.
- **Level 2 and Cruises:** Travelers should monitor their health and limit interactions with others for 14 days after returning to the United States. If you

become symptomatic, immediately self-isolate and contact your CHD or health care provider.

- For more information regarding current CDC travel advisories related to COVID-19, visit: <https://www.cdc.gov/coronavirus/2019-ncov/travelers/index.html>

### Port Everglades Advisory

The Department, through an extensive epidemiological investigation, has identified three positive COVID-19 cases associated with Port Everglades in Broward County, Florida. All three cases are connected to or employed by Metro Cruise Services – a company that operates at Port Everglades.

- The Florida Department of Health recommends all individuals experiencing symptoms who have recently traveled through Port Everglades to immediately contact their CHD or health care provider and self-isolate for 14 Days.
- The Department also recommends employees of Metro Cruise Services at Port Everglades with any association to these cases self-isolate at home.
- The Department is working to connect with all employees at Metro Cruise Services who may have come into contact with the three individuals who have tested positive for COVID-19 to provide the employees with the appropriate guidance and monitoring.
- The Department is working in close consultation with the CDC on this investigation.
- CDC recommends that individuals with recent travel history on a cruise monitor their health for 14 days and, if they develop symptoms, immediately self-isolate and contact their CHD or health care provider.

### Nile Cruise Advisory

The Florida Department of Health is advising all individuals who traveled on a river cruise on the Nile River in Egypt in February 2020 to self-isolate for 14 days following their date of return to the United States. Several passengers in the United States recently developed symptoms and have been confirmed to be infected with COVID-19, including two positive cases in Florida.

### COVID Public Website and Call Center

Please visit the Department's dedicated [COVID-19 webpage](#) for information and guidance regarding COVID-19 in Florida.

For any other questions related to COVID-19 in Florida, please contact the Department's dedicated COVID-19 Call Center by calling **(866) 779-6121**. The Call Center is available 24 hours a day. Inquiries may also be emailed to [COVID-19@flhealth.gov](mailto:COVID-19@flhealth.gov).

### Department Activities

- Governor Ron DeSantis issued [Executive Order 20-52](#) declaring a State of Emergency for COVID-19.
- Governor Ron DeSantis directed the Florida Division of Emergency Management to activate to Level II to coordinate the state's response to COVID-19.
- Governor Ron DeSantis issued [Executive Order 20-51](#) directing the State Surgeon General to declare a Public Health Emergency.
- State Surgeon General Dr. Scott Rivkees declared a Public Health Emergency for the novel coronavirus in Florida.
- Established an Incident Management Team to coordinate response operations.
- Activated a dedicated incident command post for on-site response activities.
- Conducted three public health and health care stakeholder conference calls to provide statewide updates on the current outbreak situation, response actions and guidance for pandemic planning. Over five hundred participants joined these calls. Calls are scheduled for each Wednesday at 2:00 EST.
- Participated with the Agency for Health Care Administration (AHCA) on statewide conference calls with nursing homes, assisted living facilities and hospitals.
- Established a public call center for questions regarding COVID-19.
- Developed and distributed an updated COVID-19 presentation to CHDs for use at community meetings.
- Developed and implemented protocols for investigation, surveillance and monitoring for COVID-19 to rapidly detect and contain cases.
- Established mechanisms for ongoing monitoring and coordination with the CDC regarding epidemiological activities.
- Distributed CDC Interim Guidance for public health personnel evaluating Persons Under Investigation (PUIs) and asymptomatic close contacts of confirmed cases at their home or non-home residential settings to CHDs.
- Distributed the updated Clinician Screening Tool for identifying PUIs for COVID-19 and a health care provider letter regarding Enhanced Surveillance and Preparedness for COVID-19 to associations, licensed providers, Health Care Coalitions and CHDs.
- Implemented testing at all three State Public Health Laboratories.
- Distributed updated CDC guidance for schools to CHDs and the Department of Education.
- Distributed updated Laboratory Guidance regarding implementation of testing at State Public Health Laboratories.

### What you Should Know

COVID-19 can spread from person to person through small droplets from the nose or mouth, including when an individual coughs or sneezes. These droplets may land on objects and surfaces. Other people may contract COVID-19 by touching these objects or surfaces, then touching their eyes, nose or mouth.

Symptoms of COVID-19 are fever, cough and shortness of breath. Symptoms may appear in as few as two days or as many as 14 days following exposure. Most people recover from COVID-19 without needing special treatment. The elderly and those with underlying medical problems like high blood pressure, heart problems and diabetes are more likely to develop serious illness.

There is currently no vaccine to prevent COVID-19. The best way to prevent illness is to avoid being exposed to the virus. The Department recommends everyday preventive actions to help stop the spread of respiratory diseases, including:

- Avoiding close contact with people who are sick;
- Staying home when you are sick and avoiding contact with persons in poor health;
- Avoiding touching your eyes, nose and mouth with unwashed hands;
- Covering your cough or sneeze with a tissue, then disposing of the tissue;
- Washing your hands often with soap and water for at least 20 seconds, especially after going to the bathroom, before eating, after blowing your nose, coughing or sneezing;
- If soap and water are not readily available, use an alcohol-based hand sanitizer with at least 60% alcohol. Always wash hands with soap and water if hands are visibly dirty; and
- Cleaning and disinfecting frequently touched objects and surfaces using a regular household cleaning spray or wipe.

The CDC does not recommend that asymptomatic, healthy people wear a facemask to protect themselves from respiratory diseases, including COVID-19. Facemasks should be used by people who show symptoms of COVID-19 to help prevent the spread of the disease to others. The use of facemasks is also crucial for [health workers](#) and [people who are taking care of someone in close settings](#) (at home or in a health care facility).

A person that experiences a fever and symptoms of respiratory illness, such as fever, cough or shortness of breath, within 14 days after travel from China, Italy, Iran, South Korea, Japan and any other destination under [CDC travel advisory](#) should call ahead to their health care provider and local CHD and mention their recent travel or close contact.

If a person has had close contact with someone showing these symptoms who has recently traveled from this area or been in contact with a person with laboratory-confirmed COVID-19, they should call ahead to a health care professional and the CHD. The health care provider will work with the Department to determine if the person should be tested for COVID-19.

#### **About the Florida Department of Health**

The Florida Department of Health, nationally accredited by the [Public Health Accreditation Board](#), works to protect, promote and improve the health of all people in Florida through integrated state, county and community efforts.

**Florida Department of Health Announces New Positive COVID-19 Cases in Florida**

**TALLAHASSEE** — The Florida Department of Health has announced 15 new positive cases of coronavirus disease (COVID-19) in Florida. To keep Florida residents and visitors safe and aware about the status of the virus, the Department is issuing regular updates as information becomes available.

These 15 new positive cases were tested in Florida Department of Health labs. The Department of Health is now including results from private laboratories in these daily reports. Results from private labs will initially include fewer details, such as travel, because the state epidemiological team does not learn about the private lab cases until the results are added into the state system. As soon as the Department of Health learns of a positive case from a private lab, the epidemiological investigation begins. The Department of Health will provide additional information about private lab cases as soon as details become available.

**New Positive Cases**

- A 73-year old male in Palm Beach County has tested positive for COVID-19. This individual is isolated and will continue to remain isolated until cleared by public health officials. This is a travel related case and is associated with a Nile River Cruise/Tour in Egypt.
- A 74-year old male in Palm Beach County has tested positive for COVID-19. This individual is isolated and will continue to remain isolated until cleared by public health officials. This is a travel related case and is associated with travel to Europe.
- A 50-year old male New York resident who is currently in Sarasota County has tested positive for COVID-19. This individual is isolated and will continue to remain isolated until cleared by public health officials. It is currently unclear whether this was a travel-related case; the epidemiological investigation is ongoing.
- A 70-year old male Massachusetts resident in Sarasota County has tested positive for COVID-19. This individual is isolated and will continue to remain isolated until cleared by public health officials. It is currently unclear whether this was a travel-related case; the epidemiological investigation is ongoing.
- A 24-year old female in Alachua County has tested positive for COVID-19. This individual is isolated and will continue to remain isolated until cleared by public health officials. This is a travel related case and is associated with travel to Europe.
- A 70-year old male in Volusia County has tested positive for COVID-19. This individual is isolated and will continue to remain isolated until cleared by public health officials. This is a travel related case and is associated with a Nile River Cruise/Tour in Egypt.
- A 83-year old male in Duval County has tested positive for COVID-19. This individual is isolated and will continue to remain isolated until cleared by public health officials. It is currently unclear whether this was a travel-related case; the epidemiological investigation is ongoing.
- A 57-year old male in Clay County has tested positive for COVID-19. This individual is isolated and will continue to remain isolated until cleared by public health officials. It is currently unclear whether this was a travel-related case; the epidemiological investigation is ongoing.
- A 28-year old female in Broward County has tested positive for COVID-19. This individual is isolated and will continue to remain isolated until cleared by public health officials. It is currently unclear whether this was a travel-related case; the epidemiological investigation is ongoing.
- A 25-year old female in Broward County has tested positive for COVID-19. This individual is isolated and will continue to remain isolated until cleared by public health officials. This is a travel related case.
- A 20-year old female Texas resident in Broward County has tested positive for COVID-19. This individual is isolated and will continue to remain isolated until cleared by public health officials. This is a travel related case and is associated with travel to Europe.
- A 68-year old female in Broward County has tested positive for COVID-19. This individual is isolated and will continue to remain isolated until cleared by public health officials. This case is associated with Port Everglades.
- A 36-year old male in Broward County has tested positive for COVID-19. This individual is isolated and will continue to remain isolated until cleared by public health officials. This is a travel-related case.
- A 49-year old female Hillsborough County resident has tested positive for COVID-19. This individual is isolated and will continue to remain isolated until cleared by public health officials. This is a travel-related case and is associated with travel to Europe.
- A 77-year old male in Lee County has tested positive for COVID-19. This individual is isolated and will continue to remain isolated until cleared by public health officials. It is currently unclear whether this was a travel-related case; the epidemiological investigation is ongoing.

**International Travel**

*U.S. Department of State – Global Level 3 Health Advisory*

The U.S. Department of State advises U.S. citizens to reconsider travel abroad due to the global impact of COVID-19. Many areas throughout the world are now experiencing COVID-19 outbreaks and taking action that may limit traveler mobility, including quarantines and border restrictions. Even countries, jurisdictions, or areas where cases have not been reported may restrict travel without notice.

*CDC Guidelines*

The Florida Department of Health is advising all individuals who have traveled internationally to follow **CDC guidelines**, summarized below:

FL-ORLANDO-20-1073-A-000316

- **Level 3 Travel Advisory:** CDC recommends 14-day self-isolation and social distancing upon return to the United States. Social distancing includes avoiding going out in public and close personal interactions. If you become symptomatic, immediately self-isolate and contact your County Health Department or health care provider.
- **Level 2 Travel Advisory and Cruises:** Travelers should monitor their health and limit interactions with others for 14 days after returning to the United States. If you become symptomatic, immediately self-isolate and they should call ahead to a health care professional or their county health department before seeking treatment.
  - According to CDC, a cruise ship is defined as a passenger vessel involving the movement of large numbers of people in closed and semi-closed settings.
- For more information regarding current CDC travel advisories related to COVID-19, visit: <https://www.cdc.gov/coronavirus/2019-ncov/travelers/index.html>

A person that experiences a fever and symptoms of respiratory illness, such as fever, cough or shortness of breath, within 14 days after travel from China, Italy, Iran, South Korea, Japan and any other destination under [CDC travel advisory](#) should call ahead to their health care provider or local County Health Department (CHD) and mention their recent travel or close contact, unless they are experiencing an emergency.

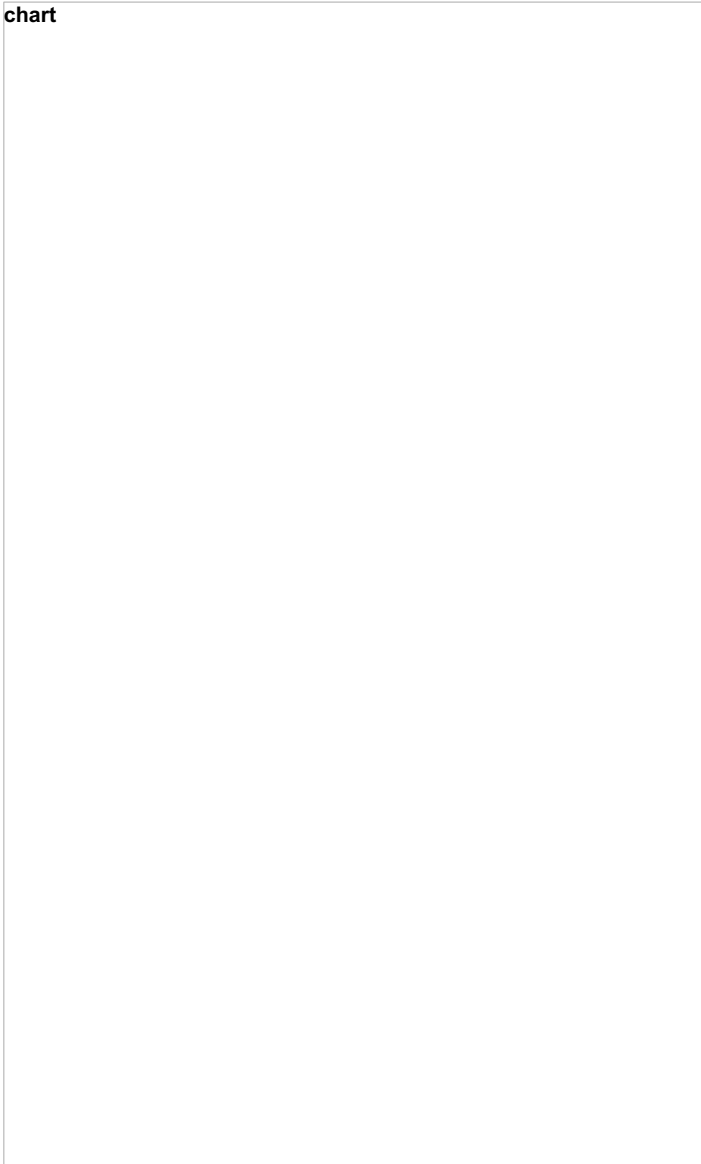

If a person has had close contact with someone showing these symptoms who has recently traveled from areas or been in contact with a person with laboratory-confirmed COVID-19, they should call ahead to a health care professional and the County Health Department. The health care professional will work with the Department to determine if the person should be tested for COVID-19.

#### **Nile Cruise Advisory**

The Florida Department of Health is advising all individuals who traveled to Egypt for a cruise or tour on the Nile River in February or March 2020 to self-isolate for 14 days following their date of return to the United States, and if ill, immediately contact their CHD or health care provider. Several passengers in the United States recently developed symptoms and have been confirmed to be infected with COVID-19, including 11 positive cases in Florida.

#### **COVID-19 Cases**

chart

chart

\* The Department of Health will confirm cases reported by commercial labs.

\*\* A known history of exposure to COVID-19 outside of the state.

#### **Port Everglades Advisory**

The Department, through an extensive epidemiological investigation, has identified four positive COVID-19 cases associated with Port Everglades in Broward County, Florida. All three cases are connected to or employed by Metro Cruise Services – a company that operates at Port Everglades.

- The Department recommends all individuals experiencing symptoms who have recently traveled through Port Everglades to immediately contact their CHD or health care provider and self-isolate for 14 Days.
- The Department also recommends employees of Metro Cruise Services at Port Everglades with any association to these cases self-isolate at home.
- The Department is working to connect with all employees at Metro Cruise Services who may have come into contact with the three individuals who have tested positive for COVID-19 to provide the employees with the appropriate guidance and monitoring.
- The Department is working in close consultation with the CDC on this investigation.
- CDC recommends that individuals with recent travel history on a cruise monitor their health for 14 days and, if they develop symptoms, immediately self-isolate and contact their CHD or health care provider.

#### **COVID-19 Public Website and Call Center**

Please visit the Department's dedicated [COVID-19 webpage](#) for information and guidance regarding COVID-19 in Florida.

For any other questions related to COVID-19 in Florida, please contact the Department's dedicated COVID-19 Call Center by calling **(866) 779-6121**. The Call Center is available **24 hours a day**. Inquiries may also be emailed to [COVID-19@flhealth.gov](mailto:COVID-19@flhealth.gov).

#### **Actions the State of Florida has taken on COVID-19:**

- Governor Ron DeSantis issued [Executive Order 20-52](#) declaring a State of Emergency for COVID-19.
- Governor Ron DeSantis directed the Florida Division of Emergency Management to activate to Level II to coordinate the state's response to COVID-19.
- Governor Ron DeSantis issued [Executive Order 20-51](#) directing the State Surgeon General to declare a Public Health Emergency.
- State Surgeon General Dr. Scott Rivkees declared a Public Health Emergency for COVID-19 in Florida.
- Established an Incident Management Team to coordinate response operations.
- Activated a dedicated incident command post for on-site response activities.
- Conducted public health and health care stakeholder conference calls to provide statewide updates on the current outbreak situation, response actions and guidance for pandemic planning. Over five hundred participants joined these calls.
- Participated with the Agency for Health Care Administration (AHCA) on statewide conference calls with nursing homes, assisted living facilities and hospitals.
- Established a public call center for questions regarding COVID-19.
- Developed and distributed an updated COVID-19 presentation to CHDs for use at community meetings.
- Implemented protocols for investigation, surveillance and monitoring for COVID-19 to rapidly detect and contain cases.
- Established mechanisms for ongoing monitoring and coordination with the CDC regarding epidemiological activities.
- Distributed CDC Interim Guidance for public health personnel evaluating Persons Under Investigation (PUIs) and asymptomatic close contacts of confirmed cases at their home or non-home residential settings to CHDs.
- Distributed the updated Clinician Screening Tool for identifying PUIs for COVID-19 and a health care provider letter regarding Enhanced Surveillance and Preparedness for COVID-19 to associations, licensed providers, Health Care Coalitions and CHDs.
- Implemented testing at all three State Public Health Laboratories.
- Distributed updated CDC guidance for schools to CHDs and the Department of Education.
- Distributed updated Laboratory Guidance regarding implementation of testing at State Public Health Laboratories.
- In an effort to be proactive, and only as a precautionary measure if COVID-19 evolves in Florida, Florida Virtual School (FLVS) has partnered with the Florida Department of Education to offer all school districts student support and teacher professional development tailored to the online learning environment. The Florida Department of Education in partnership with FLVS is training an additional 10,000 teachers statewide on the Virtual Teacher Training for COVID-19. Superintendents who are interested in offering their teachers the Virtual Teacher Training for COVID-19

FL-ORLANDO-20-1073-A-000318

should work with their County Virtual Principals to provide a list of teachers to FLVS through: <https://www.flvs.net/FLVSTeacherTraining>.

- Governor DeSantis directed the Florida Division of Emergency Management and the Agency for Health Care Administration to take action to restrict access to vulnerable populations for those who may have been exposed to COVID-19. The Governor also directed the Florida Department of Corrections to suspend visitation at state prisons for 30 days.

#### What You Should Know

COVID-19 can spread from person to person through small droplets from the nose or mouth, including when an individual coughs or sneezes. These droplets may land on objects and surfaces. Other people may contract COVID-19 by touching these objects or surfaces, then touching their eyes, nose or mouth.

Symptoms of COVID-19 are fever, cough and shortness of breath. Symptoms may appear in as few as two days or as many as 14 days following exposure. Most people recover from COVID-19 without needing special treatment. The elderly and those with underlying medical problems like high blood pressure, heart problems and diabetes are more likely to develop serious illness.

There is currently no vaccine to prevent COVID-19. The best way to prevent illness is to avoid being exposed to the virus. The Department recommends everyday preventive actions to help stop the spread of respiratory diseases, including:

- Avoiding close contact with people who are sick;
- Staying home when you are sick and avoiding contact with persons in poor health;
- Avoiding touching your eyes, nose and mouth with unwashed hands;
- Covering your cough or sneeze with a tissue, then disposing of the tissue;
- Washing your hands often with soap and water for at least 20 seconds, especially after going to the bathroom, before eating, after blowing your nose, coughing or sneezing;
- If soap and water are not readily available, use an alcohol-based hand sanitizer with at least 60% alcohol. Always wash hands with soap and water if hands are visibly dirty; and
- Cleaning and disinfecting frequently touched objects and surfaces using a regular household cleaning spray or wipe.

The CDC does not recommend that asymptomatic, healthy people wear a facemask to protect themselves from respiratory diseases, including COVID-19. Facemasks should be used by people who show symptoms of COVID-19 to help prevent the spread of the disease to others. The use of facemasks is also crucial for [health workers](#) and [people who are taking care of someone in close settings](#) (at home or in a health care facility).

A person that experiences a fever and symptoms of respiratory illness, such as fever, cough or shortness of breath, within 14 days after travel from China, Italy, Iran, South Korea, Japan and any other destination under [CDC travel advisory](#) should call ahead to their health care provider and local CHD and mention their recent travel or close contact.

If a person has had close contact with someone showing these symptoms who has recently traveled from this area or been in contact with a person with laboratory-confirmed COVID-19, they should call ahead to a health care professional and the CHD. The health care provider will work with the Department to determine if the person should be tested for COVID-19.

#### About the Florida Department of Health

The Florida Department of Health, nationally accredited by the [Public Health Accreditation Board](#), works to protect, promote and improve the health of all people in Florida through integrated state, county and community efforts.

**Florida Department of Health Announces New Positive COVID-19 Cases in Florida**

**TALLAHASSEE** — The Florida Department of Health has announced 15 new positive cases of coronavirus disease (COVID-19) in Florida. To keep Florida residents and visitors safe and aware about the status of the virus, the Department is issuing regular updates as information becomes available.

These 15 new positive cases were tested in Florida Department of Health labs. The Department of Health is now including results from private laboratories in these daily reports. Results from private labs will initially include fewer details, such as travel, because the state epidemiological team does not learn about the private lab cases until the results are added into the state system. As soon as the Department of Health learns of a positive case from a private lab, the epidemiological investigation begins. The Department of Health will provide additional information about private lab cases as soon as details become available.

**New Positive Cases**

- A 73-year old male in Palm Beach County has tested positive for COVID-19. This individual is isolated and will continue to remain isolated until cleared by public health officials. This is a travel related case and is associated with a Nile River Cruise/Tour in Egypt.
- A 74-year old male in Palm Beach County has tested positive for COVID-19. This individual is isolated and will continue to remain isolated until cleared by public health officials. This is a travel related case and is associated with travel to Europe.
- A 50-year old male New York resident who is currently in Sarasota County has tested positive for COVID-19. This individual is isolated and will continue to remain isolated until cleared by public health officials. It is currently unclear whether this was a travel-related case; the epidemiological investigation is ongoing.
- A 70-year old male Massachusetts resident in Sarasota County has tested positive for COVID-19. This individual is isolated and will continue to remain isolated until cleared by public health officials. It is currently unclear whether this was a travel-related case; the epidemiological investigation is ongoing.
- A 24-year old female in Alachua County has tested positive for COVID-19. This individual is isolated and will continue to remain isolated until cleared by public health officials. This is a travel related case and is associated with travel to Europe.
- A 70-year old male in Volusia County has tested positive for COVID-19. This individual is isolated and will continue to remain isolated until cleared by public health officials. This is a travel related case and is associated with a Nile River Cruise/Tour in Egypt.
- A 83-year old male in Duval County has tested positive for COVID-19. This individual is isolated and will continue to remain isolated until cleared by public health officials. It is currently unclear whether this was a travel-related case; the epidemiological investigation is ongoing.
- A 57-year old male in Clay County has tested positive for COVID-19. This individual is isolated and will continue to remain isolated until cleared by public health officials. It is currently unclear whether this was a travel-related case; the epidemiological investigation is ongoing.
- A 28-year old female in Broward County has tested positive for COVID-19. This individual is isolated and will continue to remain isolated until cleared by public health officials. It is currently unclear whether this was a travel-related case; the epidemiological investigation is ongoing.
- A 25-year old female in Broward County has tested positive for COVID-19. This individual is isolated and will continue to remain isolated until cleared by public health officials. This is a travel related case.
- A 20-year old female Texas resident in Broward County has tested positive for COVID-19. This individual is isolated and will continue to remain isolated until cleared by public health officials. This is a travel related case and is associated with travel to Europe.
- A 68-year old female in Broward County has tested positive for COVID-19. This individual is isolated and will continue to remain isolated until cleared by public health officials. This case is associated with Port Everglades.
- A 36-year old male in Broward County has tested positive for COVID-19. This individual is isolated and will continue to remain isolated until cleared by public health officials. This is a travel-related case.
- A 49-year old female Hillsborough County resident has tested positive for COVID-19. This individual is isolated and will continue to remain isolated until cleared by public health officials. This is a travel-related case and is associated with travel to Europe.
- A 77-year old male in Lee County has tested positive for COVID-19. This individual is isolated and will continue to remain isolated until cleared by public health officials. It is currently unclear whether this was a travel-related case; the epidemiological investigation is ongoing.

**International Travel**

*U.S. Department of State – Global Level 3 Health Advisory*

The U.S. Department of State advises U.S. citizens to reconsider travel abroad due to the global impact of COVID-19. Many areas throughout the world are now experiencing COVID-19 outbreaks and taking action that may limit traveler mobility, including quarantines and border restrictions. Even countries, jurisdictions, or areas where cases have not been reported may restrict travel without notice.

*CDC Guidelines*

The Florida Department of Health is advising all individuals who have traveled internationally to follow **CDC guidelines**, summarized below:

FL-ORLANDO-20-1073-A-000321

- **Level 3 Travel Advisory:** CDC recommends 14-day self-isolation and social distancing upon return to the United States. Social distancing includes avoiding going out in public and close personal interactions. If you become symptomatic, immediately self-isolate and contact your County Health Department or health care provider.
- **Level 2 Travel Advisory and Cruises:** Travelers should monitor their health and limit interactions with others for 14 days after returning to the United States. If you become symptomatic, immediately self-isolate and they should call ahead to a health care professional or their county health department before seeking treatment.
  - According to CDC, a cruise ship is defined as a passenger vessel involving the movement of large numbers of people in closed and semi-closed settings.
- For more information regarding current CDC travel advisories related to COVID-19, visit: <https://www.cdc.gov/coronavirus/2019-ncov/travelers/index.html>

A person that experiences a fever and symptoms of respiratory illness, such as fever, cough or shortness of breath, within 14 days after travel from China, Italy, Iran, South Korea, Japan and any other destination under [CDC travel advisory](#) should call ahead to their health care provider or local County Health Department (CHD) and mention their recent travel or close contact, unless they are experiencing an emergency.

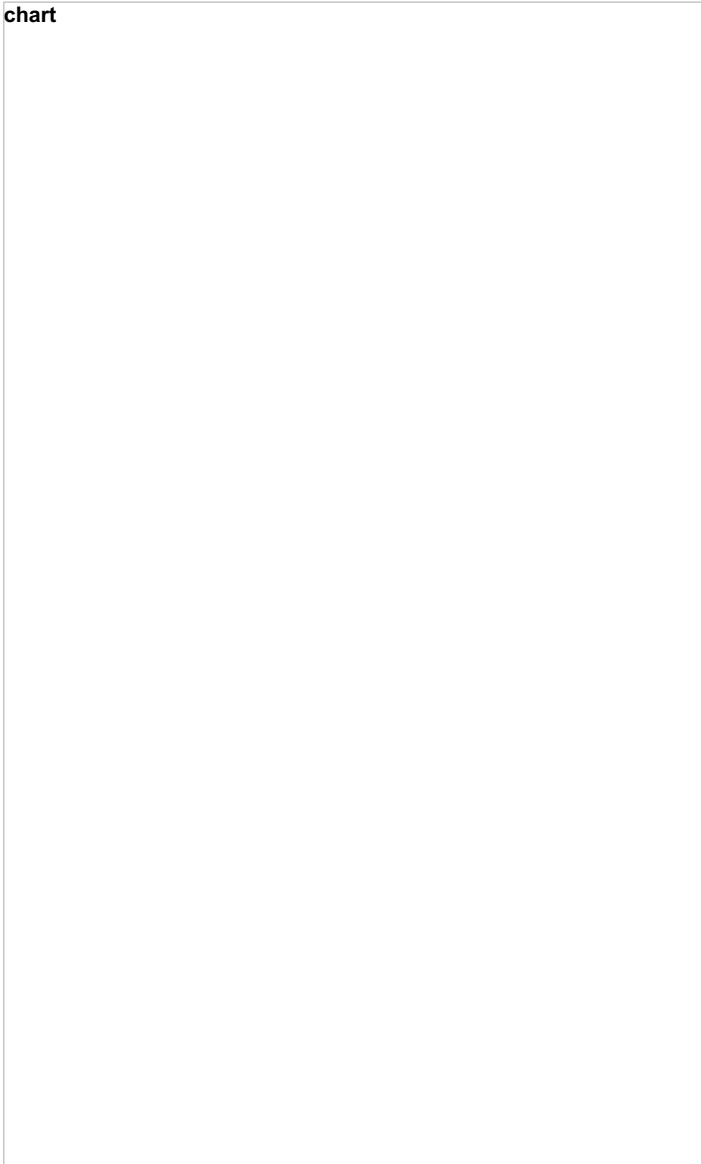

If a person has had close contact with someone showing these symptoms who has recently traveled from areas or been in contact with a person with laboratory-confirmed COVID-19, they should call ahead to a health care professional and the County Health Department. The health care professional will work with the Department to determine if the person should be tested for COVID-19.

**Nile Cruise Advisory**

The Florida Department of Health is advising all individuals who traveled to Egypt for a cruise or tour on the Nile River in February or March 2020 to self-isolate for 14 days following their date of return to the United States, and if ill, immediately contact their CHD or health care provider. Several passengers in the United States recently developed symptoms and have been confirmed to be infected with COVID-19, including 11 positive cases in Florida.

**COVID-19 Cases**

chart

chart

\* The Department of Health will confirm cases reported by commercial labs.

\*\* A known history of exposure to COVID-19 outside of the state.

#### **Port Everglades Advisory**

The Department, through an extensive epidemiological investigation, has identified four positive COVID-19 cases associated with Port Everglades in Broward County, Florida. All three cases are connected to or employed by Metro Cruise Services – a company that operates at Port Everglades.

- The Department recommends all individuals experiencing symptoms who have recently traveled through Port Everglades to immediately contact their CHD or health care provider and self-isolate for 14 Days.
- The Department also recommends employees of Metro Cruise Services at Port Everglades with any association to these cases self-isolate at home.
- The Department is working to connect with all employees at Metro Cruise Services who may have come into contact with the three individuals who have tested positive for COVID-19 to provide the employees with the appropriate guidance and monitoring.
- The Department is working in close consultation with the CDC on this investigation.
- CDC recommends that individuals with recent travel history on a cruise monitor their health for 14 days and, if they develop symptoms, immediately self-isolate and contact their CHD or health care provider.

#### **COVID-19 Public Website and Call Center**

Please visit the Department's dedicated [COVID-19 webpage](#) for information and guidance regarding COVID-19 in Florida.

For any other questions related to COVID-19 in Florida, please contact the Department's dedicated COVID-19 Call Center by calling **(866) 779-6121**. The Call Center is available **24 hours a day**. Inquiries may also be emailed to [COVID-19@flhealth.gov](mailto:COVID-19@flhealth.gov).

#### **Actions the State of Florida has taken on COVID-19:**

- Governor Ron DeSantis issued [Executive Order 20-52](#) declaring a State of Emergency for COVID-19.
- Governor Ron DeSantis directed the Florida Division of Emergency Management to activate to Level II to coordinate the state's response to COVID-19.
- Governor Ron DeSantis issued [Executive Order 20-51](#) directing the State Surgeon General to declare a Public Health Emergency.
- State Surgeon General Dr. Scott Rivkees declared a Public Health Emergency for COVID-19 in Florida.
- Established an Incident Management Team to coordinate response operations.
- Activated a dedicated incident command post for on-site response activities.
- Conducted public health and health care stakeholder conference calls to provide statewide updates on the current outbreak situation, response actions and guidance for pandemic planning. Over five hundred participants joined these calls.
- Participated with the Agency for Health Care Administration (AHCA) on statewide conference calls with nursing homes, assisted living facilities and hospitals.
- Established a public call center for questions regarding COVID-19.
- Developed and distributed an updated COVID-19 presentation to CHDs for use at community meetings.
- Implemented protocols for investigation, surveillance and monitoring for COVID-19 to rapidly detect and contain cases.
- Established mechanisms for ongoing monitoring and coordination with the CDC regarding epidemiological activities.
- Distributed CDC Interim Guidance for public health personnel evaluating Persons Under Investigation (PUIs) and asymptomatic close contacts of confirmed cases at their home or non-home residential settings to CHDs.
- Distributed the updated Clinician Screening Tool for identifying PUIs for COVID-19 and a health care provider letter regarding Enhanced Surveillance and Preparedness for COVID-19 to associations, licensed providers, Health Care Coalitions and CHDs.
- Implemented testing at all three State Public Health Laboratories.
- Distributed updated CDC guidance for schools to CHDs and the Department of Education.
- Distributed updated Laboratory Guidance regarding implementation of testing at State Public Health Laboratories.
- In an effort to be proactive, and only as a precautionary measure if COVID-19 evolves in Florida, Florida Virtual School (FLVS) has partnered with the Florida Department of Education to offer all school districts student support and teacher professional development tailored to the online learning environment. The Florida Department of Education in partnership with FLVS is training an additional 10,000 teachers statewide on the Virtual Teacher Training for COVID-19. Superintendents who are interested in offering their teachers the Virtual Teacher Training for COVID-19

FL-ORLANDO-20-1073-A-000323

should work with their County Virtual Principals to provide a list of teachers to FLVS through: <https://www.flvs.net/FLVSTeacherTraining>.

- Governor DeSantis directed the Florida Division of Emergency Management and the Agency for Health Care Administration to take action to restrict access to vulnerable populations for those who may have been exposed to COVID-19. The Governor also directed the Florida Department of Corrections to suspend visitation at state prisons for 30 days.

#### What You Should Know

COVID-19 can spread from person to person through small droplets from the nose or mouth, including when an individual coughs or sneezes. These droplets may land on objects and surfaces. Other people may contract COVID-19 by touching these objects or surfaces, then touching their eyes, nose or mouth.

Symptoms of COVID-19 are fever, cough and shortness of breath. Symptoms may appear in as few as two days or as many as 14 days following exposure. Most people recover from COVID-19 without needing special treatment. The elderly and those with underlying medical problems like high blood pressure, heart problems and diabetes are more likely to develop serious illness.

There is currently no vaccine to prevent COVID-19. The best way to prevent illness is to avoid being exposed to the virus. The Department recommends everyday preventive actions to help stop the spread of respiratory diseases, including:

- Avoiding close contact with people who are sick;
- Staying home when you are sick and avoiding contact with persons in poor health;
- Avoiding touching your eyes, nose and mouth with unwashed hands;
- Covering your cough or sneeze with a tissue, then disposing of the tissue;
- Washing your hands often with soap and water for at least 20 seconds, especially after going to the bathroom, before eating, after blowing your nose, coughing or sneezing;
- If soap and water are not readily available, use an alcohol-based hand sanitizer with at least 60% alcohol. Always wash hands with soap and water if hands are visibly dirty; and
- Cleaning and disinfecting frequently touched objects and surfaces using a regular household cleaning spray or wipe.

The CDC does not recommend that asymptomatic, healthy people wear a facemask to protect themselves from respiratory diseases, including COVID-19. Facemasks should be used by people who show symptoms of COVID-19 to help prevent the spread of the disease to others. The use of facemasks is also crucial for [health workers](#) and [people who are taking care of someone in close settings](#) (at home or in a health care facility).

A person that experiences a fever and symptoms of respiratory illness, such as fever, cough or shortness of breath, within 14 days after travel from China, Italy, Iran, South Korea, Japan and any other destination under [CDC travel advisory](#) should call ahead to their health care provider and local CHD and mention their recent travel or close contact.

If a person has had close contact with someone showing these symptoms who has recently traveled from this area or been in contact with a person with laboratory-confirmed COVID-19, they should call ahead to a health care professional and the CHD. The health care provider will work with the Department to determine if the person should be tested for COVID-19.

**Florida Department of Health Announces New Positive COVID-19 Cases in Florida**

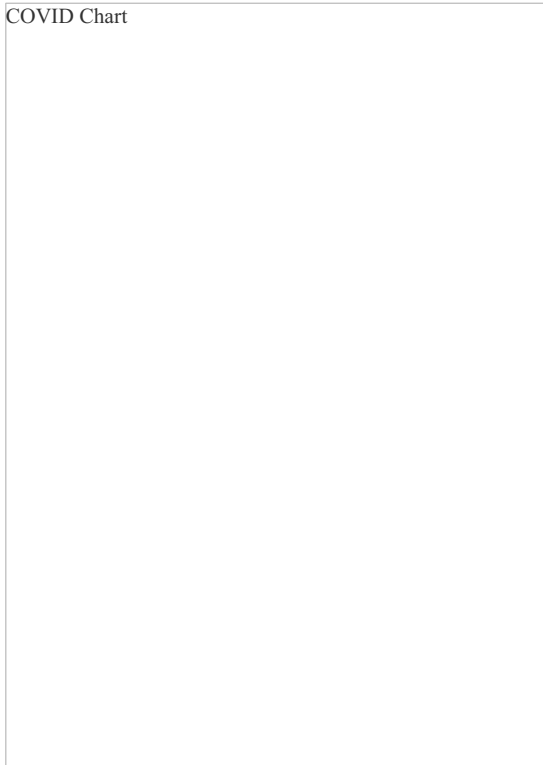

**TALLAHASSEE** — The Florida Department of Health has announced eight new positive cases of coronavirus disease (COVID-19) in Florida. To keep Florida residents and visitors safe and aware about the status of the virus, the Department is issuing regular updates as information becomes available.

**New Positive Cases**

- A 68-year old male in Nassau County has been identified as positive. This person is isolated and will continue to remain isolated until cleared by public health officials. This is a travel-related case.
- A 68-year old female Georgia resident who is currently in Alachua County, Florida, has been identified as positive. This person is isolated and will continue to remain isolated until cleared by public health officials. The Georgia Department of Public Health is leading the epidemiological investigation for this individual.
- A 73-year old male in Collier County has been identified as positive. This person is isolated and will continue to remain isolated until cleared by public health officials. This is a travel-related case.
- A 68-year old female in Collier County has been identified as positive. This person is isolated and will continue to remain isolated until cleared by public health officials. This is a travel-related case.
- A 64-year old female in Collier County has been identified as positive. This person is isolated and will continue to remain isolated until cleared by public health officials. This is a travel-related case.
- A 67-year old male in Pinellas County has been identified as positive. This person is isolated and will continue to remain isolated until cleared by public health officials. This is a travel-related case.
- A 64-year old male in Pinellas County has been identified as positive. This person is isolated and will continue to remain isolated until cleared by public health officials. This is a travel-related case.
- A 46-year old male in Pasco County has been identified as positive. This person is isolated and will continue to remain isolated until cleared by public health officials. This is a travel-related case.

**COVID-19 Cases**

COVID Chart

\*A known history of exposure to COVID-19 outside of the state.

**International Travel Advisory**

The Florida Department of Health is advising all individuals who have traveled internationally to follow the **new Centers for Disease Control and Prevention (CDC) guidelines**, summarized below:

- **Level 3:** CDC recommends 14-day self-isolation and social distancing upon return to the United States. Social distancing includes avoiding going out in public and close personal interactions. If you become symptomatic, immediately self-isolate and contact your County Health Department (CHD) or health care provider.
- **Level 2 and Cruises:** Travelers should monitor their health and limit interactions with others for 14 days after returning to the United States. If you

become symptomatic, immediately self-isolate and contact your CHD or health care provider.

- For more information regarding current CDC travel advisories related to COVID-19, visit: <https://www.cdc.gov/coronavirus/2019-ncov/travelers/index.html>

### Port Everglades Advisory

The Department, through an extensive epidemiological investigation, has identified three positive COVID-19 cases associated with Port Everglades in Broward County, Florida. All three cases are connected to or employed by Metro Cruise Services – a company that operates at Port Everglades.

- The Florida Department of Health recommends all individuals experiencing symptoms who have recently traveled through Port Everglades to immediately contact their CHD or health care provider and self-isolate for 14 Days.
- The Department also recommends employees of Metro Cruise Services at Port Everglades with any association to these cases self-isolate at home.
- The Department is working to connect with all employees at Metro Cruise Services who may have come into contact with the three individuals who have tested positive for COVID-19 to provide the employees with the appropriate guidance and monitoring.
- The Department is working in close consultation with the CDC on this investigation.
- CDC recommends that individuals with recent travel history on a cruise monitor their health for 14 days and, if they develop symptoms, immediately self-isolate and contact their CHD or health care provider.

### Nile Cruise Advisory

The Florida Department of Health is advising all individuals who traveled on a river cruise on the Nile River in Egypt in February 2020 to self-isolate for 14 days following their date of return to the United States. Several passengers in the United States recently developed symptoms and have been confirmed to be infected with COVID-19, including two positive cases in Florida.

### COVID Public Website and Call Center

Please visit the Department's dedicated [COVID-19 webpage](#) for information and guidance regarding COVID-19 in Florida.

For any other questions related to COVID-19 in Florida, please contact the Department's dedicated COVID-19 Call Center by calling **(866) 779-6121**. The Call Center is available 24 hours a day. Inquiries may also be emailed to [COVID-19@flhealth.gov](mailto:COVID-19@flhealth.gov).

### Department Activities

- Governor Ron DeSantis issued [Executive Order 20-52](#) declaring a State of Emergency for COVID-19.
- Governor Ron DeSantis directed the Florida Division of Emergency Management to activate to Level II to coordinate the state's response to COVID-19.
- Governor Ron DeSantis issued [Executive Order 20-51](#) directing the State Surgeon General to declare a Public Health Emergency.
- State Surgeon General Dr. Scott Rivkees declared a Public Health Emergency for the novel coronavirus in Florida.
- Established an Incident Management Team to coordinate response operations.
- Activated a dedicated incident command post for on-site response activities.
- Conducted three public health and health care stakeholder conference calls to provide statewide updates on the current outbreak situation, response actions and guidance for pandemic planning. Over five hundred participants joined these calls. Calls are scheduled for each Wednesday at 2:00 EST.
- Participated with the Agency for Health Care Administration (AHCA) on statewide conference calls with nursing homes, assisted living facilities and hospitals.
- Established a public call center for questions regarding COVID-19.
- Developed and distributed an updated COVID-19 presentation to CHDs for use at community meetings.
- Developed and implemented protocols for investigation, surveillance and monitoring for COVID-19 to rapidly detect and contain cases.
- Established mechanisms for ongoing monitoring and coordination with the CDC regarding epidemiological activities.
- Distributed CDC Interim Guidance for public health personnel evaluating Persons Under Investigation (PUIs) and asymptomatic close contacts of confirmed cases at their home or non-home residential settings to CHDs.
- Distributed the updated Clinician Screening Tool for identifying PUIs for COVID-19 and a health care provider letter regarding Enhanced Surveillance and Preparedness for COVID-19 to associations, licensed providers, Health Care Coalitions and CHDs.
- Implemented testing at all three State Public Health Laboratories.
- Distributed updated CDC guidance for schools to CHDs and the Department of Education.
- Distributed updated Laboratory Guidance regarding implementation of testing at State Public Health Laboratories.

### What you Should Know

COVID-19 can spread from person to person through small droplets from the nose or mouth, including when an individual coughs or sneezes. These droplets may land on objects and surfaces. Other people may contract COVID-19 by touching these objects or surfaces, then touching their eyes, nose or mouth.

Symptoms of COVID-19 are fever, cough and shortness of breath. Symptoms may appear in as few as two days or as many as 14 days following exposure. Most people recover from COVID-19 without needing special treatment. The elderly and those with underlying medical problems like high blood pressure, heart problems and diabetes are more likely to develop serious illness.

There is currently no vaccine to prevent COVID-19. The best way to prevent illness is to avoid being exposed to the virus. The Department recommends everyday preventive actions to help stop the spread of respiratory diseases, including:

- Avoiding close contact with people who are sick;
- Staying home when you are sick and avoiding contact with persons in poor health;
- Avoiding touching your eyes, nose and mouth with unwashed hands;
- Covering your cough or sneeze with a tissue, then disposing of the tissue;
- Washing your hands often with soap and water for at least 20 seconds, especially after going to the bathroom, before eating, after blowing your nose, coughing or sneezing;
- If soap and water are not readily available, use an alcohol-based hand sanitizer with at least 60% alcohol. Always wash hands with soap and water if hands are visibly dirty; and
- Cleaning and disinfecting frequently touched objects and surfaces using a regular household cleaning spray or wipe.

The CDC does not recommend that asymptomatic, healthy people wear a facemask to protect themselves from respiratory diseases, including COVID-19. Facemasks should be used by people who show symptoms of COVID-19 to help prevent the spread of the disease to others. The use of facemasks is also crucial for [health workers](#) and [people who are taking care of someone in close settings](#) (at home or in a health care facility).

A person that experiences a fever and symptoms of respiratory illness, such as fever, cough or shortness of breath, within 14 days after travel from China, Italy, Iran, South Korea, Japan and any other destination under [CDC travel advisory](#) should call ahead to their health care provider and local CHD and mention their recent travel or close contact.

If a person has had close contact with someone showing these symptoms who has recently traveled from this area or been in contact with a person with laboratory-confirmed COVID-19, they should call ahead to a health care professional and the CHD. The health care provider will work with the Department to determine if the person should be tested for COVID-19.

**About the Florida Department of Health**

The Florida Department of Health, nationally accredited by the [Public Health Accreditation Board](#), works to protect, promote and improve the health of all people in Florida through integrated state, county and community efforts.

**ATTENTION: This email came from an external source. Do not open attachments or click on links from unknown senders or unexpected emails.**

Greetings Wesley Families!

Happy Thankful Thursday. In the midst of all that is going on around us, we are reminded that God's hand is upon us. It's a beautiful day at Wesley! Take a moment and thank HIM today for the small blessings!

We continue to monitor the situation with the Coronavirus and are working diligently to keep everyone healthy at Wesley. Please continue to wash hands and/or use sanitizer upon entering the building. We have bottles of sanitizer all through out the building.

Attached you will find the latest publication sent to us by the Department of Education. As policy, Wesley follows procedures of Orange County Public Schools for emergencies, etc. We are closely monitoring any decisions made by OCPS officials and will keep everyone informed.

Again, if you or your child are showing any signs of illness, we ask that you remain at home until symptom free.

Remember, Faith tells us that God is our Shield. Let's continue to trust HIM, take care of and pray for one another. It will all work out for our good!

Stay tuned to your emails!

Have an amazing day in Christ!

Sincerely,

Mrs. Kimberly

**MEMORANDUM**

**TO:** School District Superintendents  
**FROM:** Jacob Oliva  
**DATE:** March 11, 2020  
**SUBJECT:** COVID-19 (Coronavirus) Updates

Monday, Governor Ron DeSantis issued [Executive Order 20-52](#), declaring a State of Emergency in Florida for COVID-19. By declaring a State of Emergency, Governor DeSantis is ensuring that the state and local governments have the resources and flexibility they need to prepare and respond. **The Centers for Disease Control and Prevention has ruled Florida is at a low-risk. Florida is in a constant state of preparation to respond to COVID-19 and FDOE is available to assist as needed. Daily updates will be posted on the FDOH website, and the FDOE website, and we will continue to provide regular updates.**

As of yesterday, there were 21 total cases of COVID-19 in Florida and two deaths have occurred. According to the World Health Organization (WHO), of the over 80,000 individuals in China that contracted COVID-19, 3% were children, and almost 98% of those children had minor symptoms. However, as COVID-19 evolves, now is the time for all Floridians to prepare, and the Florida Department of Education (FDOE) understands that concerns about health and safety are paramount for all education communities.

Based on our most recent communications, you will find helpful recommendations, guidelines and communications resources to keep your students and staff at low-risk and up-to-date, below:

**Field Trip Recommendations**

**FDOE is recommending that K-12 school districts and state colleges temporarily postpone all out-of-state, by plane travel.** While this is just a recommendation and we understand the complications this can create in the near term, we believe this recommendation is in the best interests of the health of all students, faculty and staff. The [local county health departments](#) and our team at the Florida Department of Education would be happy to discuss strategies with you around implementing similar best practices in order to reduce the risks to your students.

JACOB OLIVA  
CHANCELLOR OF PUBLIC SCHOOLS

## **General Travel Recommendations**

With educators, students, and families returning from spring break soon, FDOE recommends state colleges and K-12 school districts strictly follow [CDC International Travel Advisory Guidelines](#), per the Florida Department of Health (FDOH), which is advising all individuals who have traveled internationally to follow the [new CDC guidelines](#), summarized below:

- [If you have traveled to China, Iran, Italy or South Korea \(Warning Level 3\)](#): CDC recommends 14-day self-isolation and social distancing upon return to the United States. Social distancing includes avoiding going out in public and close personal interactions.
  - A person that experiences a fever and symptoms of respiratory illness, cough or shortness of breath, within 14 days after travel from China, Italy, Iran, South Korea, Japan and any other destination under a [CDC travel advisory](#) should call ahead to their health care provider and local county health department (CHD) and mention their recent travel or close contact.
- [If you have traveled to Japan \(Alert Level 2\)](#): CDC recommends that travelers should monitor their health and limit interactions with others for 14 days after returning to the United States. If you become symptomatic, immediately self-isolate and contact your county health department before visiting your health care provider.
  - If a person has had close contact with an individual who has recently traveled to these destinations and has shown symptoms, they should also call their county health department and health care provider. The health care provider will work with the Department of Health to determine if that person should be tested for COVID-19.
- [Cruises](#): CDC recommends travelers defer all cruise ship travel worldwide.
  - Based on the CDC guidance, FDOE recommends that if you are returning from a cruise, and are symptomatic to self-isolate and contact your [doctor and local health department](#).
- **Regarding work-related travel**, consider using the same recommendations for both employees and student-groups. Look ahead to upcoming travel for the next three months and put together criteria to make consistent determinations about travel, especially considering that information and requirements/recommendations from CDC and FDOH can change.
- For more information regarding current CDC travel advisories related to COVID-19, [click here](#).

## **Florida Virtual School – Teacher Training Information**

**In an effort to be proactive, and only as a precautionary measure if COVID-19 evolves in Florida, Florida Virtual School (FLVS) has partnered with the Florida Department of Education to offer all school districts student support and teacher professional development tailored to the online learning environment.**

- The Florida Department of Education has an immediate goal of training an additional 10,000 teachers statewide on the *Virtual Teacher Training for COVID-19*. Superintendents who are interested in offering their teachers the *Virtual Teacher Training for COVID-19* should work with their county virtual principals to provide a list of teachers to FLVS through: [www.flvs.net/FLVSTeacherTraining](http://www.flvs.net/FLVSTeacherTraining).
- Specifically, for COVID-19, FLVS is offering virtual teacher training to accommodate Florida school districts that wish to train their teachers on the FLVS online platform in the event

JACOB OLIVA  
CHANCELLOR OF PUBLIC SCHOOLS

teachers need to temporarily move to an online environment. The training course, [Virtual Teacher Training for COVID-19](#), will be offered online, with FLVS live support.

- In addition to teacher training, FLVS is increasing its server capacity, within its existing resources, to accommodate up to 400,000 full-time students by the end of April, including quickly adding capacity for FLVS to serve 120,000 full-time students by the end of March. This added capacity will serve students through either existing county virtual school partnerships established through FLVS franchises or directly through FLVS.
- **Again, Florida can never be too prepared, and this opportunity ensures Florida is prepared for all emergencies, so that Florida students have every opportunity to receive a world-class education, no matter the circumstance.**

### **Informed Communications on COVID-19**

In coordination with the FDOH and the Florida Department of Emergency Management (FDEM), FDOE recommends the following sources and best practices to assist with community mitigation and preparedness.

- Schools, school districts, colleges and universities are encouraged to [contact their local health department for the most up-to-date information and assistance](#), regarding COVID-19. County health departments are fully integrated with the FDOH and the CDC and are well equipped to respond if necessary.
- Please visit FDOH's dedicated [COVID-19 webpage](#) or FDOE's [webpage](#) for information and guidance regarding COVID-19 in Florida.
- For any other questions related to COVID-19 in Florida, please contact the FDOH's dedicated COVID-19 Call Center by calling **1-(866) 779-6121**. **The Call Center is available 24 hours a day**. Inquiries may also be emailed to [COVID-19@flhealth.gov](mailto:COVID-19@flhealth.gov).
- Helpful information can also be found at the following websites:
  - FDOH: <http://www.floridahealth.gov/>
  - CDC: <https://www.cdc.gov/>
  - FDOE: <http://fldoe.org/em-response/>
  - Please see this [helpful flier](#) from the CDC related to handwashing and hand sanitizer.
  - Please see this [helpful flier](#) from the CDC related to stopping the spread of germs.
  - CDC has published [Interim Guidance for Administrators of US Childcare Programs and K-12 Schools to Plan, Prepare, and Respond to COVID-19](#).
  - CDC has also published [Interim Guidance for Business and Employers](#), we strongly suggest school districts and school administration to review this guidance.

### **About COVID-19**

- COVID-19 can spread from person to person through small droplets from the nose or mouth, including when an individual coughs or sneezes. These droplets may land on objects and surfaces. Other people may contract COVID-19 by touching these objects or surfaces, then touching their eyes, nose or mouth.
- Symptoms of COVID-19 are fever, cough and shortness of breath. Symptoms may appear in as few as two days or as many as 14 days following exposure. Most people recover from COVID-19 without needing special treatment. The elderly and those with underlying medical problems like high blood pressure, heart problems and diabetes, are more likely to develop serious illness.
- [Recent reports](#) have stated that on average, symptoms of COVID-19 develop in 5 days.

JACOB OLIVA  
CHANCELLOR OF PUBLIC SCHOOLS

- [CDC said most confirmed cases of COVID-19 reported from China have occurred in adults](#), and infection among children was relatively uncommon.
- CDC has said transmission of coronavirus to persons from surfaces contaminated with the virus has [not been documented](#). Current evidence suggests coronavirus may remain viable on surfaces for only two hours, made from a variety of materials. Cleaning of visibly dirty surfaces followed by disinfection is a best practice measure for prevention of COVID-19 and other viral respiratory illnesses in households and community settings.
- [CDC said most confirmed cases of COVID-19 reported from China have occurred in adults](#), and infection among children was relatively uncommon.
- CDC does not recommend that asymptomatic, healthy people wear a facemask to protect themselves from respiratory diseases, including COVID-19. Facemasks should be used by people who show symptoms of COVID-19 to help prevent the spread of the disease to others. The use of facemasks is also crucial for [health workers](#) and [people who are taking care of someone in close settings](#) (at home or in a health care facility).

We appreciate your tremendous commitment to Florida's students. We are including with this memorandum an updated Question and Answer guide that you and your entire educational community can utilize to become more informed on COVID-19 preparation and response.

Lastly, if you are contemplating a school closure, we respectfully request that you contact us as soon as possible, so that we may work with you to ensure that our students' interests are always front and center.

**Again, Florida is at a low-risk. Florida is in a constant state of preparation to respond to COVID-19 and FDOE is available to assist as needed. Daily updates will be posted on the FDOH website, and the FDOE website, and we will continue to provide regular updates.**

JACOB OLIVA  
CHANCELLOR OF PUBLIC SCHOOLS

**ATTENTION:** This email came from an external source. Do not open attachments or click on links from unknown senders or unexpected emails.

Greetings Wesley Families!

Happy Thankful Thursday. In the midst of all that is going on around us, we are reminded that God's hand is upon us. It's a beautiful day at Wesley! Take a moment and thank HIM today for the small blessings!

We continue to monitor the situation with the Coronavirus and are working diligently to keep everyone healthy at Wesley. Please continue to wash hands and/or use sanitizer upon entering the building. We have bottles of sanitizer all through out the building.

Attached you will find the latest publication sent to us by the Department of Education. As policy, Wesley follows procedures of Orange County Public Schools for emergencies, etc. We are closely monitoring any decisions made by OCPS officials and will keep everyone informed.

Again, if you or your child are showing any signs of illness, we ask that you remain at home until symptom free.

Remember, Faith tells us that God is our Shield. Let's continue to trust HIM, take care of and pray for one another. It will all work out for our good!

Stay tuned to your emails!

Have an amazing day in Christ!

Sincerely,

Mrs. Kimberly

**MEMORANDUM**

**TO:** School District Superintendents  
**FROM:** Jacob Oliva  
**DATE:** March 11, 2020  
**SUBJECT:** COVID-19 (Coronavirus) Updates

Monday, Governor Ron DeSantis issued [Executive Order 20-52](#), declaring a State of Emergency in Florida for COVID-19. By declaring a State of Emergency, Governor DeSantis is ensuring that the state and local governments have the resources and flexibility they need to prepare and respond. **The Centers for Disease Control and Prevention has ruled Florida is at a low-risk. Florida is in a constant state of preparation to respond to COVID-19 and FDOE is available to assist as needed. Daily updates will be posted on the FDOH website, and the FDOE website, and we will continue to provide regular updates.**

As of yesterday, there were 21 total cases of COVID-19 in Florida and two deaths have occurred. According to the World Health Organization (WHO), of the over 80,000 individuals in China that contracted COVID-19, 3% were children, and almost 98% of those children had minor symptoms. However, as COVID-19 evolves, now is the time for all Floridians to prepare, and the Florida Department of Education (FDOE) understands that concerns about health and safety are paramount for all education communities.

Based on our most recent communications, you will find helpful recommendations, guidelines and communications resources to keep your students and staff at low-risk and up-to-date, below:

**Field Trip Recommendations**

**FDOE is recommending that K-12 school districts and state colleges temporarily postpone all out-of-state, by plane travel.** While this is just a recommendation and we understand the complications this can create in the near term, we believe this recommendation is in the best interests of the health of all students, faculty and staff. The [local county health departments](#) and our team at the Florida Department of Education would be happy to discuss strategies with you around implementing similar best practices in order to reduce the risks to your students.

JACOB OLIVA  
CHANCELLOR OF PUBLIC SCHOOLS

## **General Travel Recommendations**

With educators, students, and families returning from spring break soon, FDOE recommends state colleges and K-12 school districts strictly follow [CDC International Travel Advisory Guidelines](#), per the Florida Department of Health (FDOH), which is advising all individuals who have traveled internationally to follow the [new CDC guidelines](#), summarized below:

- [If you have traveled to China, Iran, Italy or South Korea \(Warning Level 3\)](#): CDC recommends 14-day self-isolation and social distancing upon return to the United States. Social distancing includes avoiding going out in public and close personal interactions.
  - A person that experiences a fever and symptoms of respiratory illness, cough or shortness of breath, within 14 days after travel from China, Italy, Iran, South Korea, Japan and any other destination under a [CDC travel advisory](#) should call ahead to their health care provider and local county health department (CHD) and mention their recent travel or close contact.
- [If you have traveled to Japan \(Alert Level 2\)](#): CDC recommends that travelers should monitor their health and limit interactions with others for 14 days after returning to the United States. If you become symptomatic, immediately self-isolate and contact your county health department before visiting your health care provider.
  - If a person has had close contact with an individual who has recently traveled to these destinations and has shown symptoms, they should also call their county health department and health care provider. The health care provider will work with the Department of Health to determine if that person should be tested for COVID-19.
- [Cruises](#): CDC recommends travelers defer all cruise ship travel worldwide.
  - Based on the CDC guidance, FDOE recommends that if you are returning from a cruise, and are symptomatic to self-isolate and contact your [doctor and local health department](#).
- **Regarding work-related travel**, consider using the same recommendations for both employees and student-groups. Look ahead to upcoming travel for the next three months and put together criteria to make consistent determinations about travel, especially considering that information and requirements/recommendations from CDC and FDOH can change.
- For more information regarding current CDC travel advisories related to COVID-19, [click here](#).

## **Florida Virtual School – Teacher Training Information**

**In an effort to be proactive, and only as a precautionary measure if COVID-19 evolves in Florida, Florida Virtual School (FLVS) has partnered with the Florida Department of Education to offer all school districts student support and teacher professional development tailored to the online learning environment.**

- The Florida Department of Education has an immediate goal of training an additional 10,000 teachers statewide on the *Virtual Teacher Training for COVID-19*. Superintendents who are interested in offering their teachers the *Virtual Teacher Training for COVID-19* should work with their county virtual principals to provide a list of teachers to FLVS through: [www.flvs.net/FLVSTeacherTraining](http://www.flvs.net/FLVSTeacherTraining).
- Specifically, for COVID-19, FLVS is offering virtual teacher training to accommodate Florida school districts that wish to train their teachers on the FLVS online platform in the event

JACOB OLIVA  
CHANCELLOR OF PUBLIC SCHOOLS

teachers need to temporarily move to an online environment. The training course, [Virtual Teacher Training for COVID-19](#), will be offered online, with FLVS live support.

- In addition to teacher training, FLVS is increasing its server capacity, within its existing resources, to accommodate up to 400,000 full-time students by the end of April, including quickly adding capacity for FLVS to serve 120,000 full-time students by the end of March. This added capacity will serve students through either existing county virtual school partnerships established through FLVS franchises or directly through FLVS.
- **Again, Florida can never be too prepared, and this opportunity ensures Florida is prepared for all emergencies, so that Florida students have every opportunity to receive a world-class education, no matter the circumstance.**

### **Informed Communications on COVID-19**

In coordination with the FDOH and the Florida Department of Emergency Management (FDEM), FDOE recommends the following sources and best practices to assist with community mitigation and preparedness.

- Schools, school districts, colleges and universities are encouraged to [contact their local health department for the most up-to-date information and assistance](#), regarding COVID-19. County health departments are fully integrated with the FDOH and the CDC and are well equipped to respond if necessary.
- Please visit FDOH's dedicated [COVID-19 webpage](#) or FDOE's [webpage](#) for information and guidance regarding COVID-19 in Florida.
- For any other questions related to COVID-19 in Florida, please contact the FDOH's dedicated COVID-19 Call Center by calling **1-(866) 779-6121**. **The Call Center is available 24 hours a day**. Inquiries may also be emailed to [COVID-19@flhealth.gov](mailto:COVID-19@flhealth.gov).
- Helpful information can also be found at the following websites:
  - FDOH: <http://www.floridahealth.gov/>
  - CDC: <https://www.cdc.gov/>
  - FDOE: <http://fldoe.org/em-response/>
  - Please see this [helpful flier](#) from the CDC related to handwashing and hand sanitizer.
  - Please see this [helpful flier](#) from the CDC related to stopping the spread of germs.
  - CDC has published [Interim Guidance for Administrators of US Childcare Programs and K-12 Schools to Plan, Prepare, and Respond to COVID-19](#).
  - CDC has also published [Interim Guidance for Business and Employers](#), we strongly suggest school districts and school administration to review this guidance.

### **About COVID-19**

- COVID-19 can spread from person to person through small droplets from the nose or mouth, including when an individual coughs or sneezes. These droplets may land on objects and surfaces. Other people may contract COVID-19 by touching these objects or surfaces, then touching their eyes, nose or mouth.
- Symptoms of COVID-19 are fever, cough and shortness of breath. Symptoms may appear in as few as two days or as many as 14 days following exposure. Most people recover from COVID-19 without needing special treatment. The elderly and those with underlying medical problems like high blood pressure, heart problems and diabetes, are more likely to develop serious illness.
- [Recent reports](#) have stated that on average, symptoms of COVID-19 develop in 5 days.

JACOB OLIVA  
CHANCELLOR OF PUBLIC SCHOOLS

- [CDC said most confirmed cases of COVID-19 reported from China have occurred in adults,](#) and infection among children was relatively uncommon.
- CDC has said transmission of coronavirus to persons from surfaces contaminated with the virus has [not been documented](#). Current evidence suggests coronavirus may remain viable on surfaces for only two hours, made from a variety of materials. Cleaning of visibly dirty surfaces followed by disinfection is a best practice measure for prevention of COVID-19 and other viral respiratory illnesses in households and community settings.
- [CDC said most confirmed cases of COVID-19 reported from China have occurred in adults,](#) and infection among children was relatively uncommon.
- CDC does not recommend that asymptomatic, healthy people wear a facemask to protect themselves from respiratory diseases, including COVID-19. Facemasks should be used by people who show symptoms of COVID-19 to help prevent the spread of the disease to others. The use of facemasks is also crucial for [health workers](#) and [people who are taking care of someone in close settings](#) (at home or in a health care facility).

We appreciate your tremendous commitment to Florida's students. We are including with this memorandum an updated Question and Answer guide that you and your entire educational community can utilize to become more informed on COVID-19 preparation and response.

Lastly, if you are contemplating a school closure, we respectfully request that you contact us as soon as possible, so that we may work with you to ensure that our students' interests are always front and center.

**Again, Florida is at a low-risk. Florida is in a constant state of preparation to respond to COVID-19 and FDOE is available to assist as needed. Daily updates will be posted on the FDOH website, and the FDOE website, and we will continue to provide regular updates.**

Dear All,

Good Evening.As you all know the news that the Florida Governor has declared Corona Virus, a public health emergency in Florida.

Next week Health Conference HIMSS will be in Orlando with almost 45000 people (Ref: <https://www.himssconference.org/>) coming from all over the world to attend. Kindly disallow or ask the organizers to cancel/reschedule the conference to later date. Even though the event is a financial booster for Orlando and Orange County, but not at the expense of people's lives knowing the severity of Virus spreading and Deaths across the world including US. Orlando should not be allowed to be a breeding ground for Corona. I do not see any one good reason to allow conferences or large gatherings as the cure to Corona is a distant reach at this point.

I urge you all to kindly do the needful.

Thanks  
Siva

**To:** DD <DD@ocfl.net>; DM <DM@ocfl.net>  
**CcSubject:** Information Request: Coronavirus "self-quarantine"

Department Directors and Division Managers:

At the request of the County Administrator, HR staff have begun reaching out to all department directors and division managers to assist with gathering important staff information, as it relates to the Coronavirus message that was sent out by the Mayor on Friday (see below).

Consistent with the Mayor's message below, we are looking to verify/obtain the following information:

- Ø Ensure all respective divisions have **identified and sent home** any employee under their leadership who meet either of the 3 criteria that require "self-quarantine" as described in Mayor Demings' Coronavirus update on Friday:
  - Has traveled to any of the travel restricted areas within the past 14 days.
  - Has had close contact with someone who has traveled from these areas within the past 14 days.
  - Has been in contact with someone exhibiting coronavirus symptoms.

Ø **By 12pm (Noon) today:** Provide HR with the number of impacted employees, by division. Include the # working at

home, # on relief of duty with pay, etc. Once communicated to HR, this information will be provided to the County Administrator.

Ø **By 5pm today:** For each employee identified, acknowledge in writing, that as a result of their reported potential exposure to the Coronavirus that they are being requested to self-quarantine and not report to the workplace for a period of no less than 14 calendar days or until the self-quarantine timeframe has been met. In addition, the communication should acknowledge specific assignments if the employee's position lends itself to work-at-home status during this time or whether the employee will be on relief of duty with pay status in accordance with county policy. Please provide a copy of the referenced written acknowledgement to the respective HR Service Center as soon as possible, but no later than by 5pm today.

Thank you in advance for your assistance with ensuring this information is provided within the timeframes requested.

Sincerely,

*J. Ricardo Daye, Director*

**From:** Mayor Jerry L. Demings [<mailto:mayor@ocfl.net>]  
**Sent:** Friday, March 6, 2020 2:15 PM  
**Subject:** Coronavirus Update

Jerry L Demings Orange County Mayor

Dear Employees,

The County is currently monitoring the status of the Coronavirus (COVID-19). To keep employees and residents safe, we are asking for your help to minimize the potential spread of germs and to monitor your own personal health. Because there is currently no vaccine to prevent infection, the best way to protect yourself and others is to avoid exposure. The CDC recommends simple, everyday actions to help do this, including, but not limited to:

- Avoid close contact with people who are sick
- Avoid touching your eyes, nose and mouth
- Cover your cough or sneeze with a tissue, then throw the tissue in the trash
- Clean and disinfect frequently touched objects and surfaces
- Wash your hands often with soap and water for at least 20 seconds, especially after going to the restroom, before eating, and after blowing your nose, coughing or sneezing. If soap and water are not readily available, use an alcohol-based hand sanitizer with at least 60 percent alcohol.

The incubation period, or the time interval from infection to onset of symptoms, can be from two to 14 days. During this period, an individual can be infected and spread the disease even though they may not be experiencing any signs and symptoms of the virus. It is suggested all employees use care in their personal travels and avoid areas where travel restrictions have been imposed by the CDC, including, but not limited to, China, South Korea, Italy, Iran, Japan, Africa and Asia.

You should contact a health care professional if any of the following apply:

- You have traveled to any of the travel restricted areas within the past 14 days.
- You had close contact with someone who has traveled from these areas within the past 14 days.
- You have been in contact with someone exhibiting coronavirus symptoms.

Additionally, you are expected to follow the CDC guidelines as it pertains to the self-quarantine period, and you must immediately notify your supervisor and division manager to discuss your leave status. Your health care professional will work with the public health department and the CDC to determine if you need to be tested for Coronavirus (COVID-19).

Most importantly, if you are sick, stay home unless you need to seek medical attention. Again, it is important to protect your own health and that of the community by not exposing others if you are sick. As always, the County's standard leave policies and your department call-in procedures apply.

Also, all County-sponsored business travel to identified high-risk areas, as determined by the County Administrator, is suspended until further notice.

It is important to remember that although the coronavirus is serious, it is not panic-worthy. In fact, the World Health Organization reports about 80 percent of the cases are categorized as mild. The best thing you can do is be prepared by minimizing the potential spread of germs and monitoring your own health.

For more information on stopping the spread of germs, please feel free to view the attached [flyer](#).

**Sent:** Tuesday, March 10, 2020 10:53 AM  
**To:** DD <DD@ocfl.net>; DM <DM@ocfl.net>  
**CcSubject:** Information Request: Coronavirus "self-quarantine"

Department Directors and Division Managers:

At the request of the County Administrator, HR staff have begun reaching out to all department directors and division managers to assist with gathering important staff information, as it relates to the Coronavirus message that was sent out by the Mayor on Friday (see below).

Consistent with the Mayor's message below, we are looking to verify/obtain the following information:

- Ø Ensure all respective divisions have **identified and sent home** any employee under their leadership who meet either of the 3 criteria that require "self-quarantine" as described in Mayor Demings' Coronavirus update on Friday:
  - Has traveled to any of the travel restricted areas within the past 14 days.
  - Has had close contact with someone who has traveled from these areas within the past 14 days.
  - Has been in contact with someone exhibiting coronavirus symptoms.

Ø **By 12pm (Noon) today:** Provide HR with the number of impacted employees, by division. Include the # working at

home, # on relief of duty with pay, etc. Once communicated to HR, this information will be provided to the County Administrator.

Ø **By 5pm today:** For each employee identified, acknowledge in writing, that as a result of their reported potential exposure to the Coronavirus that they are being requested to self-quarantine and not report to the workplace for a period of no less than 14 calendar days or until the self-quarantine timeframe has been met. In addition, the communication should acknowledge specific assignments if the employee's position lends itself to work-at-home status during this time or whether the employee will be on relief of duty with pay status in accordance with county policy. Please provide a copy of the referenced written acknowledgement to the respective HR Service Center as soon as possible, but no later than by 5pm today.

Thank you in advance for your assistance with ensuring this information is provided within the timeframes requested.

Sincerely,

*J. Ricardo Daye, Director*

**From:** Mayor Jerry L. Demings [<mailto:mayor@ocfl.net>]  
**Sent:** Friday, March 6, 2020 2:15 PM  
**Subject:** Coronavirus Update

Jerry L Demings Orange County Mayor

Dear Employees,

The County is currently monitoring the status of the Coronavirus (COVID-19). To keep employees and residents safe, we are asking for your help to minimize the potential spread of germs and to monitor your own personal health. Because there is currently no vaccine to prevent infection, the best way to protect yourself and others is to avoid exposure. The CDC recommends simple, everyday actions to help do this, including, but not limited to:

- Avoid close contact with people who are sick
- Avoid touching your eyes, nose and mouth
- Cover your cough or sneeze with a tissue, then throw the tissue in the trash
- Clean and disinfect frequently touched objects and surfaces
- Wash your hands often with soap and water for at least 20 seconds, especially after going to the restroom, before eating, and after blowing your nose, coughing or sneezing. If soap and water are not readily available, use an alcohol-based hand sanitizer with at least 60 percent alcohol.

The incubation period, or the time interval from infection to onset of symptoms, can be from two to 14 days. During this period, an individual can be infected and spread the disease even though they may not be experiencing any signs and symptoms of the virus. It is suggested all employees use care in their personal travels and avoid areas where travel restrictions have been imposed by the CDC, including, but not limited to, China, South Korea, Italy, Iran, Japan, Africa and Asia.

You should contact a health care professional if any of the following apply:

- You have traveled to any of the travel restricted areas within the past 14 days.
- You had close contact with someone who has traveled from these areas within the past 14 days.
- You have been in contact with someone exhibiting coronavirus symptoms.

Additionally, you are expected to follow the CDC guidelines as it pertains to the self-quarantine period, and you must immediately notify your supervisor and division manager to discuss your leave status. Your health care professional will work with the public health department and the CDC to determine if you need to be tested for Coronavirus (COVID-19).

Most importantly, if you are sick, stay home unless you need to seek medical attention. Again, it is important to protect your own health and that of the community by not exposing others if you are sick. As always, the County's standard leave policies and your department call-in procedures apply.

Also, all County-sponsored business travel to identified high-risk areas, as determined by the County Administrator, is suspended until further notice.

It is important to remember that although the coronavirus is serious, it is not panic-worthy. In fact, the World Health Organization reports about 80 percent of the cases are categorized as mild. The best thing you can do is be prepared by minimizing the potential spread of germs and monitoring your own health.

For more information on stopping the spread of germs, please feel free to view the attached [flyer](#).

**Resources:**

STATE OF FLORIDA  
OFFICE OF THE GOVERNOR  
EXECUTIVE ORDER NUMBER 20-69

(Emergency Management – COVID-19 – Local Government Public Meetings)

**WHEREAS**, on March 1, 2020, I issued Executive Order 20-51 directing the Florida Department of Health to issue a Public Health Emergency as a result of COVID-19; and

**WHEREAS**, on March 1, 2020, the State Surgeon General and State Health Officer declared a Public Health Emergency exists in the State of Florida as a result of COVID-19; and

**WHEREAS**, on March 9, 2020, I issued Executive Order 20-52 declaring a state of emergency for the entire State of Florida as a result of COVID-19; and

**WHEREAS**, on March 16, 2020, President Donald J. Trump and the Centers for Disease Control and Prevention (“CDC”) issued the “15 Days to Slow the Spread” guidance advising individuals to adopt far-reaching social distancing measures, such as working from home and avoiding gatherings of more than 10 people; and

**WHEREAS**, on March 17, 2020, I wrote a letter to Attorney General Ashley Moody seeking an advisory opinion regarding concerns raised by local government bodies about their ability to hold meetings through teleconferencing and other technological means in order to protect the public and follow the CDC guidance regarding social distancing; and

**WHEREAS**, on March 19, 2020, Attorney General Ashley Moody delivered an opinion to me indicating that certain provisions of Florida law require a physical quorum be present for local government bodies to conduct official business, and that local government bodies may only conduct meetings by teleconferencing or other technological means if either a statute permits a quorum to be present by means other than in person, or that the in person requirement for constituting a quorum is lawfully suspended during the state of emergency; and

**WHEREAS**, it is necessary and appropriate to take action to ensure that COVID-19 remains controlled, and that residents and visitors in Florida remain safe and secure;

**NOW, THEREFORE, I, RON DESANTIS**, as Governor of Florida, by virtue of the authority vested in me by Article IV, Section (1)(a) of the Florida Constitution, Chapter 252, Florida Statutes, and all other applicable laws, promulgate the following Executive Order to take immediate effect:

Section 1. I hereby suspend any Florida Statute that requires a quorum to be present in person or requires a local government body to meet at a specific public place.

Section 2. Local government bodies may utilize communications media technology, such as telephonic and video conferencing, as provided in section 120.54(5)(b)2., Florida Statutes.

Section 3. This Executive Order does not waive any other requirement under the Florida Constitution and “Florida’s Government in the Sunshine Laws,” including Chapter 286, Florida Statutes.

Section 4. This Executive Order shall expire at the expiration of Executive Order 20-52, including any extension.

---

### EXECUTIVE ORDER NUMBER 20-86

(Emergency Management - COVID-19 –Additional Requirements of Certain Individuals  
Traveling to Florida)

**WHEREAS**, Novel Coronavirus Disease 2019 (COVID-19) is a severe acute respiratory illness that can spread among humans through respiratory transmission and presents with symptoms similar to those of influenza; and

**WHEREAS**, on March 1, 2020, I issued Executive Order number 20-51 directing the Florida Department of Health to issue a Public Health Emergency; and

**WHEREAS**, on March 1, 2020, the State Surgeon General and State Health Officer declared a Public Health Emergency exists in the State of Florida as a result of COVID-19; and

**WHEREAS**, on March 9, 2020, I issued Executive Order 20-52 declaring a state of emergency for the entire State of Florida as a result of COVID-19; and

**WHEREAS**, on March 24, 2020, I issued Executive Order number 20-82 directing all persons from an area with substantial community spread who enter the State of Florida to isolate or quarantine for a period of 14 days; and

**WHEREAS**, as Governor, I am responsible for meeting the dangers presented to this state and its people by this emergency.

**NOW, THEREFORE, I, RON DESANTIS**, as Governor of Florida, by virtue of the authority vested in me by Article IV, Section (1)(a) of the Florida Constitution, Chapter 252, Florida Statutes, and all other applicable laws, promulgate the following Executive Order to take immediate effect:

Section 1.

A. I hereby direct all persons who enter the State of Florida from an area with substantial community spread, to include the State of Louisiana, inclusive of those entering the State of Florida by roadways, to isolate or quarantine for a period of 14 days from the time of entry into the State of Florida or the duration of the person's presence in the State of Florida, whichever is shorter. This section shall not apply to persons performing military, emergency, health or infrastructure response, or persons involved in any commercial activity. This Order shall take effect immediately and apply retroactively to all persons who have entered Florida after being in any area with substantial community spread. All persons isolating or quarantining under this Section shall be responsible for all costs associated with their isolation or quarantine, including transportation, lodging, food, medical care and any other expenses to sustain the person during the period of isolation or quarantine.

B. I hereby direct all persons covered under Section 1(A) of this Order to inform any individual in Florida with whom they have had direct physical contact in the past 21 days that they traveled from an area with substantial community spread.

C. I direct the establishment of appropriate checkpoints on the roadways for those persons and vehicles entering the State of Florida and to require those persons to provide information, including in a written form, regarding the origin of their travel and on the address of their location of isolation or quarantine for a period of 14 days. I further direct the Florida Department of Transportation to facilitate locations for appropriate checkpoints, including at welcome centers and rest stops, and to facilitate the placement of road signs and advisories to provide information on this Order and to direct traffic to the appropriate checkpoint.

D. Pursuant to sections 252.36(5)(b) and 252.47, Florida Statutes, the Florida Highway Patrol and County Sheriffs are directed to assist with the establishment of appropriate checkpoints, the flow of traffic to those checkpoints and any enforcement actions.

Section 2. Failure to follow Section 1 of this Order is a second-degree misdemeanor pursuant to section 252.50, Florida Statutes, and is punishable by imprisonment not to exceed 60 days, a fine not to exceed \$500, or both.

Section 3.

A. Pursuant to section 252.47, Florida Statutes, I hereby direct all state, county and local law enforcement authorities to enforce this Order. Any law enforcement authority that interacts with a person in violation of Section 1(A) of this Order shall immediately report the individual, along with personal identifying and contact information, to the Florida Department of Health.

B. Pursuant to section 381.0012(5), Florida Statutes, “it shall be the duty of every state and county attorney, sheriff, police officer, and other appropriate city and county officials upon the request to assist the Department of Health” in enforcing any isolation or quarantine, state health law and order of the Department of Health issued pursuant to this Order.

Section 4. To the extent necessary, the exceptions of this Executive Order are applicable to Executive Order 20-80, Section 1(A) and 20-82, Section 1(A).

Section 5. This Executive Order shall expire upon the expiration of Executive Order 20-52, including any extensions, or upon an Executive Order lifting the isolation or quarantine after advice from the State Health Officer and Surgeon General.

IN TESTIMONY WHEREOF, I have hereunto set my hand and caused the Great Seal of the State of Florida to be affixed, at Tallahassee, this 27th day of March, 2020.

### EXECUTIVE ORDER NUMBER 20-87

(Emergency Management - COVID-19 – Vacation Rental Closures)

**WHEREAS**, on March 1, 2020, I issued Executive Order 20-51 directing the Florida Department of Health to issue a Public Health Emergency; and

**WHEREAS**, on March 1, 2020, the State Surgeon General and State Health Officer declared a Public Health Emergency exists in the State of Florida as a result of COVID-19; and

**WHEREAS**, on March 9, 2020, I issued Executive Order 20-52 declaring a state of emergency for the entire State of Florida as a result of COVID-19; and

**WHEREAS**, on March 16, 2020, President Donald J. Trump and the Centers for Disease Control and Prevention (“CDC”) issued the “15 Days to Slow the Spread” guidance advising individuals to adopt far-reaching social distancing measures; and

**WHEREAS**, the CDC has cautioned against non-essential travel within the United States; and

**WHEREAS**, Florida is experiencing an increase in individuals fleeing to Florida from out-of-state locations where “shelter-in-place” orders are being implemented and/or community spread exists; and

**WHEREAS**, many cases of COVID-19 in Florida have resulted from individuals coming into the State of Florida from international travel and other states, posing great risk to Florida residents; and

**WHEREAS**, vacation rentals and third-party platforms advertising vacation rentals in Florida present attractive lodging destinations for individuals coming into Florida; and

**WHEREAS**, as Governor, I am responsible for meeting the dangers presented to this state and its people by this emergency.

**NOW, THEREFORE, I, RON DESANTIS**, as Governor of Florida, by virtue of the authority vested in me by Article IV, Section (1)(a) of the Florida Constitution, Chapter 252, Florida Statutes, and all other applicable laws, promulgate the following Executive Order to take immediate effect:

Section 1. Vacation Rentals

I hereby order all parties engaged in rental of vacation rental properties, as defined in section 509.242(1)(c), Florida Statutes, to suspend vacation rental operations. Vacation rentals are prohibited from making new reservations or bookings and shall not accept new guests for check-in for the duration of this order. This directive shall include the:

A. Rental of any house, condominium, cooperative, or dwelling unit that is also a transient public lodging establishment, as defined under Section 509.013(4)(a), Florida Statutes; and

- i. Which is rented for periods of less than 30 days or 1 calendar month, whichever is less; or
- ii. Which is advertised or held out to the public as a place regularly rented to guests; or
- iii. Which is otherwise regulated by the Department of Business and Professional Regulation (“DBPR”) as a vacation rental pursuant to section 509.241, Florida Statutes.

B. This directive shall not include the following:

- i. Hotels, motels, inns, resorts, non-transient public lodging establishments,

or time share projects; or

- ii. Long-term rentals; or
- iii. Rental stays where guests are currently staying in a vacation rental or have previously booked a stay and are schedule to check-in no later than March 28, 2020; or
- iv. Rentals to persons performing military, emergency, governmental, health or infrastructure response, or travelers engaged in non-vacation commercial activities.

Section 2. Violations of the Order

A. DBPR shall supplement this directive with guidance or directives as necessary to implement the order and shall take steps necessary to inspect licensed properties or third-party platforms whereby Florida vacation rentals may be advertised.

B. DBPR shall revoke the vacation rental license of any party that violates this order or otherwise advertises vacation rental opportunities during the duration of this order; and

C. DBPR shall alert the state authorities to evidence of violations or attempts to violate this order; and

D. Parties that violate this order or attempt to violate the order through advertising or other means of solicitation may be charged with a second-degree misdemeanor, punishable as provided in Sections 775.082 or 775.083, Fla. Stat.

Section 3. This Executive Order shall expire in 14 days unless extended by subsequent order.

IN TESTIMONY WHEREOF, I have hereunto set my hand and caused the Great Seal of the State of Florida to be affixed, at Tallahassee, this 27th day of March, 2020.

## OFFICE OF THE GOVERNOR

### EXECUTIVE ORDER NUMBER 20-86

(Emergency Management - COVID-19 –Additional Requirements of Certain Individuals  
Traveling to Florida)

**WHEREAS**, Novel Coronavirus Disease 2019 (COVID-19) is a severe acute respiratory illness that can spread among humans through respiratory transmission and presents with symptoms similar to those of influenza; and

**WHEREAS**, on March 1, 2020, I issued Executive Order number 20-51 directing the Florida Department of Health to issue a Public Health Emergency; and

**WHEREAS**, on March 1, 2020, the State Surgeon General and State Health Officer declared a Public Health Emergency exists in the State of Florida as a result of COVID-19; and

**WHEREAS**, on March 9, 2020, I issued Executive Order 20-52 declaring a state of emergency for the entire State of Florida as a result of COVID-19; and

**WHEREAS**, on March 24, 2020, I issued Executive Order number 20-82 directing all persons from an area with substantial community spread who enter the State of Florida to isolate or quarantine for a period of 14 days; and

**WHEREAS**, as Governor, I am responsible for meeting the dangers presented to this state and its people by this emergency.

**NOW, THEREFORE, I, RON DESANTIS**, as Governor of Florida, by virtue of the authority vested in me by Article IV, Section (1)(a) of the Florida Constitution, Chapter 252, Florida Statutes, and all other applicable laws, promulgate the following Executive Order to take immediate effect:

Section 1.

A. I hereby direct all persons who enter the State of Florida from an area with substantial community spread, to include the State of Louisiana, inclusive of those entering the State of Florida by roadways, to isolate or quarantine for a period of 14 days from the time of entry into the State of Florida or the duration of the person's presence in the State of Florida, whichever is shorter. This section shall not apply to persons performing military, emergency, health or infrastructure response, or persons involved in any commercial activity. This Order shall take effect immediately and apply retroactively to all persons who have entered Florida after being in any area with substantial community spread. All persons isolating or quarantining under this Section shall be responsible for all costs associated with their isolation or quarantine, including transportation, lodging, food, medical care and any other expenses to sustain the person during the period of isolation or quarantine.

B. I hereby direct all persons covered under Section 1(A) of this Order to inform any individual in Florida with whom they have had direct physical contact in the past 21 days that they traveled from an area with substantial community spread.

C. I direct the establishment of appropriate checkpoints on the roadways for those persons and vehicles entering the State of Florida and to require those persons to provide information, including in a written form, regarding the origin of their travel and on the address of their location of isolation or quarantine for a period of 14 days. I further direct the Florida Department of Transportation to facilitate locations for appropriate checkpoints, including at welcome centers and rest stops, and to facilitate the placement of road signs and advisories to provide information on this Order and to direct traffic to the appropriate checkpoint.

D. Pursuant to sections 252.36(5)(b) and 252.47, Florida Statutes, the Florida Highway Patrol and County Sheriffs are directed to assist with the establishment of appropriate checkpoints, the flow of traffic to those checkpoints and any enforcement actions.

Section 2. Failure to follow Section 1 of this Order is a second-degree misdemeanor pursuant to section 252.50, Florida Statutes, and is punishable by imprisonment not to exceed 60 days, a fine not to exceed \$500, or both.

Section 3.

A. Pursuant to section 252.47, Florida Statutes, I hereby direct all state, county and local law enforcement authorities to enforce this Order. Any law enforcement authority that interacts with a person in violation of Section 1(A) of this Order shall immediately report the individual, along with personal identifying and contact information, to the Florida Department of Health.

B. Pursuant to section 381.0012(5), Florida Statutes, “it shall be the duty of every state and county attorney, sheriff, police officer, and other appropriate city and county officials upon the request to assist the Department of Health” in enforcing any isolation or quarantine, state health law and order of the Department of Health issued pursuant to this Order.

Section 4. To the extent necessary, the exceptions of this Executive Order are applicable to Executive Order 20-80, Section 1(A) and 20-82, Section 1(A).

Section 5. This Executive Order shall expire upon the expiration of Executive Order 20-52, including any extensions, or upon an Executive Order lifting the isolation or quarantine after advice from the State Health Officer and Surgeon General.

IN TESTIMONY WHEREOF, I have hereunto set my hand and caused the Great Seal of the State of Florida to be affixed, at Tallahassee, this 27th day of March, 2020.

## OFFICE OF THE GOVERNOR

### EXECUTIVE ORDER NUMBER 20-86

(Emergency Management - COVID-19 –Additional Requirements of Certain Individuals  
Traveling to Florida)

**WHEREAS**, Novel Coronavirus Disease 2019 (COVID-19) is a severe acute respiratory illness that can spread among humans through respiratory transmission and presents with symptoms similar to those of influenza; and

**WHEREAS**, on March 1, 2020, I issued Executive Order number 20-51 directing the Florida Department of Health to issue a Public Health Emergency; and

**WHEREAS**, on March 1, 2020, the State Surgeon General and State Health Officer declared a Public Health Emergency exists in the State of Florida as a result of COVID-19; and

**WHEREAS**, on March 9, 2020, I issued Executive Order 20-52 declaring a state of emergency for the entire State of Florida as a result of COVID-19; and

**WHEREAS**, on March 24, 2020, I issued Executive Order number 20-82 directing all persons from an area with substantial community spread who enter the State of Florida to isolate or quarantine for a period of 14 days; and

**WHEREAS**, as Governor, I am responsible for meeting the dangers presented to this state and its people by this emergency.

**NOW, THEREFORE, I, RON DESANTIS**, as Governor of Florida, by virtue of the authority vested in me by Article IV, Section (1)(a) of the Florida Constitution, Chapter 252, Florida Statutes, and all other applicable laws, promulgate the following Executive Order to take immediate effect:

Section 1.

A. I hereby direct all persons who enter the State of Florida from an area with substantial community spread, to include the State of Louisiana, inclusive of those entering the State of Florida by roadways, to isolate or quarantine for a period of 14 days from the time of entry into the State of Florida or the duration of the person's presence in the State of Florida, whichever is shorter. This section shall not apply to persons performing military, emergency, health or infrastructure response, or persons involved in any commercial activity. This Order shall take effect immediately and apply retroactively to all persons who have entered Florida after being in any area with substantial community spread. All persons isolating or quarantining under this Section shall be responsible for all costs associated with their isolation or quarantine, including transportation, lodging, food, medical care and any other expenses to sustain the person during the period of isolation or quarantine.

B. I hereby direct all persons covered under Section 1(A) of this Order to inform any individual in Florida with whom they have had direct physical contact in the past 21 days that they traveled from an area with substantial community spread.

C. I direct the establishment of appropriate checkpoints on the roadways for those persons and vehicles entering the State of Florida and to require those persons to provide information, including in a written form, regarding the origin of their travel and on the address of their location of isolation or quarantine for a period of 14 days. I further direct the Florida Department of Transportation to facilitate locations for appropriate checkpoints, including at welcome centers and rest stops, and to facilitate the placement of road signs and advisories to provide information on this Order and to direct traffic to the appropriate checkpoint.

D. Pursuant to sections 252.36(5)(b) and 252.47, Florida Statutes, the Florida Highway Patrol and County Sheriffs are directed to assist with the establishment of appropriate checkpoints, the flow of traffic to those checkpoints and any enforcement actions.

Section 2. Failure to follow Section 1 of this Order is a second-degree misdemeanor pursuant to section 252.50, Florida Statutes, and is punishable by imprisonment not to exceed 60 days, a fine not to exceed \$500, or both.

Section 3.

A. Pursuant to section 252.47, Florida Statutes, I hereby direct all state, county and local law enforcement authorities to enforce this Order. Any law enforcement authority that interacts with a person in violation of Section 1(A) of this Order shall immediately report the individual, along with personal identifying and contact information, to the Florida Department of Health.

B. Pursuant to section 381.0012(5), Florida Statutes, “it shall be the duty of every state and county attorney, sheriff, police officer, and other appropriate city and county officials upon the request to assist the Department of Health” in enforcing any isolation or quarantine, state health law and order of the Department of Health issued pursuant to this Order.

Section 4. To the extent necessary, the exceptions of this Executive Order are applicable to Executive Order 20-80, Section 1(A) and 20-82, Section 1(A).

Section 5. This Executive Order shall expire upon the expiration of Executive Order 20-52, including any extensions, or upon an Executive Order lifting the isolation or quarantine after advice from the State Health Officer and Surgeon General.

IN TESTIMONY WHEREOF, I have hereunto set my hand and caused the Great Seal of the State of Florida to be affixed, at Tallahassee, this 27th day of March, 2020.

**WHEREAS**, on March 1, 2020, I issued Executive Order 20-51 directing the Florida Department of Health to issue a Public Health Emergency; and

**WHEREAS**, on March 1, 2020, the State Surgeon General and State Health Officer declared a Public Health Emergency exists in the State of Florida as a result of COVID-19; and

**WHEREAS**, on March 9, 2020, I issued Executive Order 20-52 declaring a state of emergency for the entire State of Florida as a result of COVID-19; and

**WHEREAS**, on March 16, 2020, President Donald J. Trump and the Centers for Disease Control and Prevention (“CDC”) issued the “15 Days to Slow the Spread” guidance advising individuals to adopt far-reaching social distancing measures; and

**WHEREAS**, the CDC has cautioned against non-essential travel within the United States; and

**WHEREAS**, Florida is experiencing an increase in individuals fleeing to Florida from out-of-state locations where “shelter-in-place” orders are being implemented and/or community spread exists; and

**WHEREAS**, many cases of COVID-19 in Florida have resulted from individuals coming into the State of Florida from international travel and other states, posing great risk to Florida residents; and

**WHEREAS**, vacation rentals and third-party platforms advertising vacation rentals in Florida present attractive lodging destinations for individuals coming into Florida; and

**WHEREAS**, as Governor, I am responsible for meeting the dangers presented to this state and its people by this emergency.

**NOW, THEREFORE, I, RON DESANTIS**, as Governor of Florida, by virtue of the authority vested in me by Article IV, Section (1)(a) of the Florida Constitution, Chapter 252, Florida Statutes, and all other applicable laws, promulgate the following Executive Order to take immediate effect:

Section 1.      Vacation Rentals

I hereby order all parties engaged in rental of vacation rental properties, as defined in section 509.242(1)(c), Florida Statutes, to suspend vacation rental operations. Vacation rentals are prohibited from making new reservations or bookings and shall not accept new guests for check-in for the duration of this order. This directive shall include the:

A.    Rental of any house, condominium, cooperative, or dwelling unit that is also a transient public lodging establishment, as defined under Section 509.013(4)(a), Florida Statutes; and

- i.        Which is rented for periods of less than 30 days or 1 calendar month, whichever is less; or
- ii.       Which is advertised or held out to the public as a place regularly rented to guests; or
- iii.      Which is otherwise regulated by the Department of Business and Professional Regulation (“DBPR”) as a vacation rental pursuant to section 509.241, Florida Statutes.

B.    This directive shall not include the following:

- i.        Hotels, motels, inns, resorts, non-transient public lodging establishments,

- or time share projects; or
- ii. Long-term rentals; or
  - iii. Rental stays where guests are currently staying in a vacation rental or have previously booked a stay and are schedule to check-in no later than March 28, 2020; or
  - iv. Rentals to persons performing military, emergency, governmental, health or infrastructure response, or travelers engaged in non-vacation commercial activities.

Section 2. Violations of the Order

A. DBPR shall supplement this directive with guidance or directives as necessary to implement the order and shall take steps necessary to inspect licensed properties or third-party platforms whereby Florida vacation rentals may be advertised.

B. DBPR shall revoke the vacation rental license of any party that violates this order or otherwise advertises vacation rental opportunities during the duration of this order; and

C. DBPR shall alert the state authorities to evidence of violations or attempts to violate this order; and

D. Parties that violate this order or attempt to violate the order through advertising or other means of solicitation may be charged with a second-degree misdemeanor, punishable as provided in Sections 775.082 or 775.083, Fla. Stat.

Section 3. This Executive Order shall expire in 14 days unless extended by subsequent order.

IN TESTIMONY WHEREOF, I have hereunto set my hand and caused the Great Seal of the State of Florida to be affixed, at Tallahassee, this 27th day of March, 2020.

**Subject:** Fw: Question regarding Daycare/Childcare Closures

ATTENTION: This email came from an external source. Do not open attachments or click on links from unknown senders or unexpected emails.

Hi Yudit-

Thank you for reaching out. Daycares are allowed to remain open, and all should be following CDC guidelines, which can be found here >  
<https://nam04.safelinks.protection.outlook.com/?url=https%3A%2F%2Fwww.cdc.gov%2Fcoronavirus%2F2019-ncov%2Fcommunity%2Fschools-childcare%2Findex.html&data=02%7C01%7CBuddy.Dyer%40cityoforlando.net%7C349d701d0f074513617f08d7ce8ab1f6%7C7594da9b294b4acf913bd159ae921564%7C0%7C0%7C63720496740717345>

Here is why it would be problematic to close them down. I hope you will share it with anyone else you know who is concerned: Society needs certain people to physically show up to work without taking their children along. Nurses, doctors, grocery store employees, and custodial staff at these lifeline facilities need to carry on the best they can. While it would be ideal if each household with children had one stay-at-home parent who could care for young children, that is not the reality for many families in Florida.

I understand that because these facilities are open, people who could manage to pull their children for the season are sending them anyway, and I know many people have chosen this path because no facilities have volunteered to waive re-enrollment fees or freeze tuition prices for families who choose to pull their kids and re-enroll in a few months (while not paying in between).

With that in mind, please do what is right for your family IMMEDIATELY and do not wait for the government to create an option that does not currently exist. I do not anticipate the government intervening to close daycares in the first place, and if it did, I cannot imagine in a capitalistic society it would dictate the rates when daycares reopened.

As the mother of 3 children, I know how frustrating this all is. My kids have been in daycare in the past and our family has had to make tough choices about how to make it through the lean times at work, when childcare was not as needed as in times of plenty.

Take it one day at a time. We WILL make it to the other end of this.

Megan Sladek

Good Morning Mr. Desantis, Ms. Sladek, and Mr. Dyer

Hope all is well.

I am writing to you as a concerned citizen and parent.

In light of the COVID19 situation, I was wondering if it was mandatory for all daycares/childcares to close down?

It has been brought to my attention that schools in the area, such as Primrose schools, are still in operation and have no plans of closing. I am very concerned for the safety of the staff as well as the students.

Please advise.

Thank you for all that you do for the state of Florida.

Yudit Marin.

To whom it may concern,

I am the CEO of SPEKTRUM Health, a non-profit community health center near Downtown Orlando. Just reaching out to see if we can be of help during these times of increased stress. We have a full service medical clinic with drive up capabilities, trained staff and technology for telehealth (which we use daily). We work with a few third party payors and also have assistance programs for those in need.

If we can help the City, County or State in anyway please let us know. We could very easily be a testing site here in Orlando and the infrastructure required (as well as a plan) is already in place. Our clinic has two entrances and a outdoor parking area that could easily be used for drive up testing etc.

We do NOT have any rapid tests; but we are able to perform PCR testing with a 4-6 day turn around time for appropriate patients. We are poised and ready to serve the community and help out during these difficult times! Additionally, if any Personal Protective Equipment becomes available, we would like to be considered as we are currently running very low (as are most).

Please feel free to contact my office manager (Lana Dunn) or myself with any questions or needs!

Regards,  
Joey

**Sent:** Thursday, March 12, 2020 3:51 PM  
**To:** Cassandra A Lafser <Cassandra.Lafser@cityoforlando.net>  
**Subject:** VISIT FLORIDA Update on COVID-19

**ATTENTION:** This email came from an external source. Do not open attachments or click on links from unknown senders or unexpected emails.

Dear Industry Partner,

Governor Ron DeSantis has [declared a state of emergency](#) in response to the rapidly evolving threat of COVID-19 in Florida. VISIT FLORIDA continues to work closely with the Governor and the Florida Department of Health (DOH) on new developments with COVID-19 as they pertain to the traveling public and Florida's tourism industry. The U.S. Centers for Disease Control and Prevention (CDC) has recommended that those at a higher risk of getting very sick from COVID-19, including the elderly and those with underlying conditions should take simple precautions, like avoiding crowds, cruise travel and non-essential air travel. The CDC has not recommended a blanket limit on domestic travel for the general population at this time. VISIT FLORIDA continues to market the state and ensure that travelers know Florida is open for business and ready to welcome visitors who are safe to travel.

#### From the Florida Department of Health: What You Should Know

COVID-19 can spread from person to person, like the flu, through small droplets from the nose or mouth, including when an individual coughs or sneezes. People may contract COVID-19 by contaminating their hands with the virus and then touching their eyes, nose or mouth, among other ways.

Symptoms of COVID-19 are fever, cough and shortness of breath. Symptoms may appear in as few as two days or as many as 14 days following exposure. Most people recover from COVID-19 without needing special treatment. The elderly and those with underlying medical problems like high blood pressure, heart problems and diabetes, are more likely to develop serious illness.

There is currently no vaccine to prevent COVID-19. The best way to prevent illness is to avoid being exposed to the virus. The Florida Department of Health recommends everyday preventive actions to help stop the spread of respiratory diseases, including:

- Avoiding close contact with people who are sick;
- Staying home when you are sick;
- Avoiding touching your eyes, nose and mouth with unwashed hands;
- Covering your cough or sneeze with a tissue, then disposing of the tissue;
- Washing your hands often with soap and water for at least 20 seconds, especially after going to the bathroom, before eating, after blowing your nose, coughing or sneezing;
- If soap and water are not readily available, use an alcohol-based hand sanitizer with at least 60% alcohol. Always wash hands with soap and water if hands are visibly dirty, and;
- Cleaning and disinfecting frequently touched objects and surfaces using a regular household cleaning spray or wipe.

**As of March 12, 2020, VISIT FLORIDA has taken the following action in response to COVID-19:**

- VISIT FLORIDA has ceased all tourism marketing in China. The funding from the Chinese market has been redirected to a domestic campaign that launched on March 2. To encourage visitors to vacation in Florida (including those who may be less inclined to fly), the campaign has a heavy emphasis on attracting visitors from east of the Mississippi, Northeast, Midwest, and “drive markets”, such as Atlanta, Dallas, Houston, and Birmingham.
- VISIT FLORIDA is temporarily pausing all marketing efforts in Germany in accordance with federal travel restrictions. This is the only European country besides the United Kingdom where VISIT FLORIDA has active campaigns.
- VISIT FLORIDA employees at Florida’s three highway welcome centers continue to be provided with the latest COVID-19 information and resources to help keep the traveling public informed.
- Preventive health resources and options have been communicated to all VISIT FLORIDA staff, with new updates and information relayed accordingly.
- VISIT FLORIDA remains in close contact with industry partners and travel organizations and is communicating all new information as it becomes available.
- VISIT FLORIDA is staying abreast of industry trends and outlook with regular discussion and webinars with travel and tourism entities.
- VISIT FLORIDA is currently monitoring social media and tracking traveler sentiment across online platforms.
- VISIT FLORIDA continues to follow all direction from the Executive Office of the Governor and Florida Department of Health in the dissemination of alerts and safety information through social media and VISIT FLORIDA’s network of Destination Marketing Organization and business partners.

**Information for Travelers**

All travelers should refer to the [CDC](#) for the most up-to-date travel information.

**International Travel**

As of March 11, 2020, the CDC recommends travelers avoid all nonessential travel to [specified countries in Europe](#).

The Florida Department of Health advises all individuals who have traveled internationally to follow [the CDC’s new risk assessment guidelines](#), summarized below:

- **Level 3:** CDC recommends 14-day self-isolation and practice social distancing upon return to the United States. Social distancing includes avoiding going out in public and close personal interactions. If you become symptomatic, immediately self-isolate and contact your county health department or health care provider.
- **Level 2 and Cruises:** Travelers should monitor their health and limit interactions with others for 14 days after returning to the United States. If you become symptomatic, immediately self-isolate and contact your county health department or health care provider.

**Cruises**

The U.S. Department of State has advised U.S. citizens, particularly travelers with underlying health conditions, to not travel by cruise ship. Passengers with plans to travel by cruise ship should contact their cruise line company directly for further information and continue to monitor the [U.S. Dept. of State](#) and [CDC](#) for updates.

**The Florida Department of Health has issued cruise advisories for the following locations:**

- [Port Everglades](#)
- [Nile River](#)

**Other Cruise Resources**

- [Cruise Lines International Association \(CLIA\)](#)
- [Florida Ports Council](#)

**Air Travel**

The CDC has not recommended limiting domestic air travel at this time. Older adults and travelers with underlying health issues should avoid non-essential travel including long plane trips. Passengers with plans to travel domestically by plane should contact their airline directly for specific trip information:

- [Alaska Airlines](#)
- [Allegiant Air](#)

- [American Airlines](#)
- [Delta Airlines](#)
- [Frontier Airlines](#)
- [JetBlue](#)
- [Silver Airways](#)
- [Southwest Airlines](#)
- [Spirit Airlines](#)
- [United Airlines](#)

### Information for Businesses

Florida businesses and employers should refer to the [CDC](#) for up-to-date guidance on business operations.

### Recommended Strategies

- Actively encourage sick employees to stay home
- Emphasize staying home when sick, respiratory etiquette, and hand hygiene for all employees
- Perform routine environmental cleaning.
- Advise employees before traveling to take preventative steps recommended by CDC.

### Resources for Businesses and Employers

- [Florida Department of Health COVID-19 Toolkit](#)
- [CDC Stop the Spread of Germs Poster](#)
- [CDC Symptoms of Coronavirus Disease 2019 Poster](#)
- [Guidance from the Occupational Safety and Health Administration](#)
- [Information from the Florida Restaurant and Lodging Association](#)

### Business Damage Assessment Survey for COVID-19

On March 12, Governor Ron DeSantis announced the activation of the [Business Damage Assessment survey](#) to assess the impact of COVID-19 on Florida's local business operations. The survey, managed by the Florida Department of Economic Opportunity (DEO), will evaluate businesses affected by COVID-19 and the impacts the virus has had on the local economy so actions to implement appropriate relief programs can begin.

### COVID-19 Talking Points

- Florida's tourism industry is open for business and we are ready to welcome visitors who are safe to travel.
- VISIT FLORIDA and Florida's tourism industry is actively working to promote travel to Florida. Florida is home to beautiful beaches, springs and award-winning state parks. If you are looking for sunshine and to get away from it all – Florida is a great destination this spring and summer.
- Anyone who isn't currently under travel restrictions suggested by the CDC, or currently self-isolating, is welcome to come to Florida for Spring Break, and we are reminding them that Florida offers an abundance of safe activities. Our state has some of the best emergency response professionals in the world. Everyone should continue to stay up-to-date on the latest information from Governor DeSantis, state officials and the CDC.
- We are not recommending that people cancel trips to Florida who aren't currently under travel restrictions from CDC or self-isolating. We want the traveling public to remain vigilant, but to continue go about their everyday lives while taking protective actions. If this were to ever change, VISIT FLORIDA, in conjunction with state emergency response professionals will inform the public immediately.

### During crisis situations, VISIT FLORIDA is focused on:

- Providing travelers with reliable, trustworthy, and useful information so they can make the best decisions for their health and safety.
- Communicating with and providing support for Florida tourism industry businesses.
- And, protecting Florida's brand perception and destination desirability by being proactive about recovery tactics when the time is right.

### Marketing

VISIT FLORIDA will continue to implement our marketing strategy with a few adjustments:

- VISIT FLORIDA has placed a COVID-19 banner on VISITFLORIDA.com to link travelers to the most up-to-date health information.

- In January, we made the decision to cease all tourism marketing in China and have redirected these funds to our domestic campaigns.
- VISIT FLORIDA is temporarily pausing all marketing efforts in Germany in accordance with federal travel restrictions. This is the only European country besides the United Kingdom where VISIT FLORIDA has active campaigns.
- VISIT FLORIDA is enhancing existing campaigns to reach potential visitors in nearby drive markets and focusing on Florida's open outdoor areas like beaches, trails, and springs.
- We continue to monitor social media conversations, traveler sentiment, search trends, cancellations, and future booking changes.
- VISIT FLORIDA is planning for future marketing campaigns to ensure that Florida's tourism industry has a strong, unified voice following COVID-19.

**Florida's residents and visitors should continue to refer to the DOH and CDC for the most up-to-date information and guidance on COVID-19.**

## MEMORANDUM

TO: Members of the Press

FROM: Helen Aguirre Ferré, Director of Communications, Governor Ron DeSantis

DATE: March 24, 2020

RE: Executive Orders 20-82 and 20-83

---

Good evening:

Today, Governor Ron DeSantis issued Executive Order 20-82, directing all persons who enter the State of Florida from an area with substantial community spread, to include the New York Tri-State Area (Connecticut, New Jersey and New York), to isolate or quarantine for a period of 14 days from the time of entry into the State of Florida or the duration of the person's presence in the State of Florida, whichever is shorter.

The Governor also issued Executive Order 20-83, directing the State Surgeon General and State Health Officer to issue a public health advisory to all persons over 65 years of age urging them to stay home and to take such other measures as necessary to limit their risk of exposure to COVID-19.

PDF copies of the Executive Orders are attached to this email and provided below.

Sincerely,

Helen Aguirre Ferré  
Director of Communications  
Governor Ron DeSantis

## OFFICE OF THE GOVERNOR

### EXECUTIVE ORDER NUMBER 20-82

(Emergency Management - COVID-19 –Isolation of Individuals Traveling to Florida)

**WHEREAS**, Novel Coronavirus Disease 2019 (COVID-19) is a severe acute respiratory illness that can spread among humans through respiratory transmission and presents with symptoms similar to those of influenza; and

**WHEREAS**, on March 1, 2020, I issued Executive Order number 20-51 directing the Florida Department of Health to issue a Public Health Emergency; and

**WHEREAS**, on March 1, 2020, the State Surgeon General and State Health Officer declared a Public Health Emergency exists in the State of Florida as a result of COVID-19; and

**WHEREAS**, on March 9, 2020, I issued Executive Order 20-52 declaring a state of emergency for the entire State of Florida as a result of COVID-19; and

**WHEREAS**, many cases of COVID-19 in Florida have resulted from individuals coming into the State of Florida from international travel and other states, posing great risk to Florida residents; and

**WHEREAS**, on March 23, 2020, I issued Executive Order 20-80 requiring the screening, isolation and quarantine of individuals whose point of departure originated outside the State of Florida in an area with substantial community spread, to include the New York Tri-State Area; and

**WHEREAS**, Florida is experiencing an increase in individuals fleeing to Florida from states where “shelter-in-place” orders are being implemented, including from the New York Tri-State Area; and

**WHEREAS**, as Governor, I am responsible for meeting the dangers presented to this state and its people by this emergency.

**NOW, THEREFORE, I, RON DESANTIS**, as Governor of Florida, by virtue of the authority vested in me by Article IV, Section (1)(a) of the Florida Constitution, Chapter 252, Florida Statutes, and all other applicable laws, promulgate the following Executive Order to take immediate effect:

Section 1.

FL-ORLANDO-20-1073-A-000411

A. I hereby direct all persons who enter the State of Florida from an area with substantial community spread, to include the New York Tri-State Area (Connecticut, New Jersey and New York), to isolate or quarantine for a period of 14 days from the time of entry into the State of Florida or the duration of the person's presence in the State of Florida, whichever is shorter. This Order shall not apply to persons employed by the airlines and those performing military, emergency or health response. This Order shall take effect immediately and apply retroactively to all persons who have entered Florida after being in any area with substantial community spread within the previous 14 days. All persons isolating or quarantining under this Section shall be responsible for all costs associated with their isolation or quarantine, including transportation, lodging, food, medical care and any other expenses to sustain the person during the period of isolation or quarantine.

B. I hereby direct all persons covered under Section 1(A) of this Order to inform any individual in Florida with whom they have had direct physical contact in the past 21 days that they traveled from an area with substantial community spread.

Section 2. Failure to follow Section 1 of this Order is a second-degree misdemeanor pursuant to section 252.50, Florida Statutes, and is punishable by imprisonment not to exceed 60 days, a fine not to exceed \$500, or both.

Section 3.

A. Pursuant to section 252.47, Florida Statutes, I hereby direct all state, county and local law enforcement authorities to enforce this Order. Any law enforcement authority that interacts with a person in violation of Section 1(A) of this Order shall immediately report the individual, along with personal identifying and contact information, to the Florida Department of Health.

B. Pursuant to section 381.0012(5), Florida Statutes, "it shall be the duty of every state and county attorney, sheriff, police officer, and other appropriate city and county officials upon the request to assist the Department of Health" in enforcing any isolation or quarantine, state health law and order of the Department of Health issued pursuant to this Order.

Section 4. This Executive Order shall expire upon the expiration of Executive Order 20-52, including any extensions, or upon an Executive Order lifting the isolation or quarantine after advice from the State Health Officer and Surgeon General.

## OFFICE OF THE GOVERNOR

### EXECUTIVE ORDER NUMBER 20-83

(Emergency Management - COVID-19 –Protective Measures for Vulnerable Populations, Gatherings of Private Citizens and Density of the Workforce)

**WHEREAS**, Novel Coronavirus Disease 2019 (COVID-19) is a severe acute respiratory illness that can spread among humans through respiratory transmission and presents with symptoms similar to those of influenza; and

**WHEREAS**, on March 1, 2020, I issued Executive Order number 20-51 directing the Florida

Department of Health to issue a Public Health Emergency; and

**WHEREAS**, on March 1, 2020, the State Surgeon General and State Health Officer declared a Public Health Emergency exists in the State of Florida as a result of COVID-19; and

**WHEREAS**, on March 9, 2020, I issued Executive Order 20-52 declaring a state of emergency for the entire State of Florida as a result of COVID-19; and

**WHEREAS**, according to the Centers for Disease Control and Prevention (CDC), older adults and people of any age with serious underlying medical conditions are particularly at risk for severe illness or death due to COVID-19; and

**WHEREAS**, on March 16, 2020, President Donald J. Trump and the CDC issued “15 Days to Slow the Spread” guidance advising individuals to avoid social gatherings in groups of more than 10 people and advising older persons and persons with serious underlying health conditions to stay home and away from others; and

**WHEREAS**, as Governor, I am responsible for meeting the dangers presented to this state and its people by this emergency.

**NOW, THEREFORE, I, RON DESANTIS**, as Governor of Florida, by virtue of the authority vested in me by Article IV, Section (1)(a) of the Florida Constitution, Chapter 252, Florida Statutes, and all other applicable laws, promulgate the following Executive Order to take immediate effect:

Section 1.

A. I hereby direct the State Surgeon General and State Health Officer to issue a public health advisory to all persons over 65 years of age urging them to stay home and to take such other measures as necessary to limit their risk of exposure to COVID-19.

B. I further direct the State Surgeon General and State Health Officer to issue a public health advisory to persons that have a serious underlying medical condition that places them at a high risk of severe illness from COVID-19. Consistent with CDC guidance, such conditions include, but not limited to, chronic lung disease or moderate to severe asthma; serious heart conditions; immunocompromised status, including those in cancer treatment; and severe obesity. The Surgeon General’s advisory must urge these persons to stay home and to take such other measures as necessary to limit their risk of exposure to COVID-19.

Section 2. I hereby direct the State Surgeon General and State Health Officer to issue a public health advisory against all social or recreational gatherings of 10 or more people.

Section 3. I hereby direct the State Surgeon General and State Health Officer to issue a public health advisory to those who can work remotely urging them to do so.

Section 4. Any action(s) taken or document(s) issued by the State Surgeon General and State Health Officer pursuant to this Executive Order shall not constitute a rule as defined in section 120.52(16), Florida Statutes, and are specifically exempted from any and all requirements or procedures outlined in chapter 120 and section 252.46, Florida Statutes.

Section 5. This Executive Order shall expire upon the expiration of Executive Order 20-52, including any extensions.

###

Please note that under Florida law correspondence sent to the Governor's Office, which is not confidential or exempt pursuant to chapter 119 of the Florida Statutes, is a public record made available upon request.

**ATTENTION:** This email came from an external source. Do not open attachments or click on links from unknown senders or unexpected emails.

FYI

The Governor has issued Executive Order 20-51, directing a Public Health Emergency and establishing Florida's Response Protocol for COVID-19. As a result, the State Surgeon General has issued a Declaration of Public Health Emergency for the State of Florida. Please review the attached Executive Order and Declaration.

Thank you for your continued support of our public health preparedness and response.

---

**STATE OF FLORIDA  
DEPARTMENT OF HEALTH  
DECLARATION OF PUBLIC HEALTH EMERGENCY**

**WHEREAS**, Coronavirus Disease 2019 (COVID-19) is a severe acute respiratory illness that appears to occur through respiratory transmission and presents with symptoms similar to those of influenza; and

**WHEREAS**, as of February 29, 2020, COVID-19 has spread throughout China and to 67 other countries and territories, including 62 cases within the United States; and

**WHEREAS**, the Centers for Disease Control and Prevention recommends that all states and territories implement aggressive measures to slow and contain transmission of COVID-19 in the United States; and

**WHEREAS**, on January 30, 2020, the World Health Organization declared a public health emergency of international concern related to COVID-19; and

**WHEREAS**, on January 31, 2020, the United States Department of Health and Human Services declared that a public health emergency exists nationwide as a result of confirmed cases of COVID-19 in the United States; and

**WHEREAS**, one Hillsborough County resident and one Manatee County resident have tested presumptively positive for COVID-19; and

**WHEREAS**, on March 1, 2020, Governor Ron DeSantis issued Executive Order 20-51, declaring that appropriate measures to control the spread of COVID-19 in the State of Florida are necessary, and therefore directed that a Public Health Emergency be declared in the State of Florida; and

**WHEREAS**, implementation of basic precautions of infection control and prevention, including staying at home when ill and practicing respiratory and hand hygiene are necessary to slow or prevent the spread of COVID-19; and

**WHEREAS**, COVID-19 is a communicable disease with significant morbidity and mortality, and presents a severe danger to public health; and

**WHEREAS**, COVID-19 is a threat to public health in Florida.

**NOW, THEREFORE**, I, Scott A. Rivkees, M.D., State Surgeon General and State Health Officer, by virtue of Executive Order Number 20-51 issued by Governor Ron DeSantis, the authority vested in me by section 381.00315, Florida Statutes, and after consultation with

Governor Ron DeSantis and public health officials within the Department of Health, do hereby declare that a public health emergency exists in the State of Florida. In order to respond to this emergency, the following shall commence:

**Section 1.** In order to protect public health, I find it is necessary for the Florida Department of Health to request assistance from the Centers for Disease Control and Prevention to address this public health emergency.

**Section 2.** In order to protect public health, I find it is necessary to advise individuals in the State of Florida that have traveled to an area that the Centers for Disease Control and Prevention has issued a Warning Level 3 or Alert Level 2 Travel Health Notice, or have been in close contact with an individual that has traveled to such an area, that develop symptoms of fever, cough, shortness of breath, or difficulty breathing within 14 days of such travel or close contact should immediately contact the Florida Department of Health in their current county and self-isolate until cleared by the Florida Department of Health.

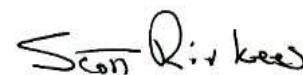

**Section 3.** In order to protect public health, I find it is necessary to advise any individuals who believe they may have been exposed to COVID-19 to contact their local county health department **prior to** travelling to any physician's office, emergency department, hospital, or urgent care center, to ensure proper protective measures are taken to prevent further risk of spread to others.

**Section 4.** In order to protect public health, I find it is necessary to remind health care providers, hospitals, and labs that they are required to immediately report all suspected cases of COVID-19 to the local county health department to ensure a prompt public health response to prevent disease among close contacts.

**Section 5.** In order to protect public health, the Florida Department of Health will maintain an Incident Management Team to coordinate the public health response for the State of Florida.

**Section 6.** In order to protect public health, the Florida Department of Health, at such time when necessary, may take actions to protect the public health, pursuant to the authority of section 381.00315, Florida Statutes, including quarantine, isolation and other interventions.

Issued this 1st day of March 2020, in Department of Health offices, Tallahassee, Leon County, Florida.

---

Scott A. Rivkees, M.D.  
State Surgeon General

# STATE OF FLORIDA

## OFFICE OF THE GOVERNOR

### EXECUTIVE ORDER NUMBER 20-51

(Establishes COVID-19 Response Protocol and Directs Public Health Emergency)

**WHEREAS**, Coronavirus Disease 2019 (COVID-19) is a severe acute respiratory illness that can spread among humans through respiratory transmission and presents with symptoms similar to those of influenza; and

**WHEREAS**, in late 2019, a new and significant outbreak of COVID-19 emerged in China; and

**WHEREAS**, the World Health Organization declared COVID-19 a Public Health Emergency of International Concern; and

**WHEREAS**, in response to the recent COVID-19 outbreak in China, Iran, Italy and South Korea, the Centers for Disease Control and Prevention (“CDC”) has deemed it necessary to prohibit or restrict non-essential travel to or from those countries; and

**WHEREAS**, in response to the recent COVID-19 outbreak in Japan, the CDC has advised older travelers and those with chronic medical conditions to avoid nonessential travel and all travelers to exercise enhanced precautions; and

**WHEREAS**, the CDC currently recommends community preparedness and everyday prevention measures be taken by all individuals and families in the United States, including voluntary home isolation when individuals are sick with respiratory symptoms, covering coughs and sneezes with a tissue and disposal of the tissue immediately thereafter, washing hands often with soap and water for at least 20 seconds, use of alcohol-based hand sanitizers with 60%-95%

alcohol if soap and water are not readily available and routinely cleaning frequently touched surfaces and objects to increase community resilience and readiness for responding to an outbreak; and

**WHEREAS**, two individuals in the State of Florida tested presumptively positive for COVID-19, including a resident of Manatee County and a resident of Hillsborough County; and

**WHEREAS**, the CDC currently recommends mitigation measures in communities with COVID-19 cases, including staying at home when sick, keeping away from others who are sick and staying at home when a household member is sick with respiratory disease symptoms or if instructed to do so by public health officials or a health care provider; and

**WHEREAS**, it is necessary and appropriate to take action to ensure that COVID-19 remains controlled and that residents and visitors in Florida remain safe and secure;

**NOW, THEREFORE, I, RON DESANTIS**, as Governor of Florida, by virtue of the authority vested in me by Article IV, Section (1)(a) of the Florida Constitution, and all other applicable laws, promulgate the following Executive Order to take immediate effect:

Section 1. Because of the foregoing conditions, I direct the State Health Officer and Surgeon General, Dr. Scott Rivkees, to declare a public health emergency in the State of Florida, pursuant to his authority in section 381.00315, Florida Statutes. The State Health Officer is authorized and directed to use his judgment as to the duration of this public health emergency.

Section 2. In accordance with section 381.0011(7), Florida Statutes, I direct the State Health Officer to take any action necessary to protect the public health.

Section 3. I direct the State Health Officer to follow the guidelines established by the CDC in establishing protocols to control the spread of COVID-19 and educate the public on prevention.

Section 4. In accordance with section 381.0011(7), Florida Statutes, I designate the Florida Department of Health as the lead state agency to coordinate emergency response activities among the various state agencies and local governments. The State Health Officer, or his designee, shall advise the Executive Office of the Governor on the implementation of these emergency response activities.

Section 5. All actions taken by the State Health Officer with respect to this emergency before the issuance of this Executive Order are ratified.

Section 6. The Florida Department of Health will actively monitor, at a minimum, all persons meeting the definition of a Person Under Investigation (“PUI”) as defined by the CDC for COVID-19 for a period of at least 14 days or until the PUI tests negative for COVID-19. Active monitoring by the Florida Department of Health will include at least the following:

- A. Risk assessment within 24 hours of learning an individual meets the criteria for a PUI.
- B. Twice-daily temperature checks.

Section 7. The Florida Department of Health, pursuant to its authority in section 381.00315, Florida Statutes, will ensure that all individuals meeting the CDC’s definition of a PUI are isolated or quarantined for a period of 14 days or until the person tests negative for COVID-19.

Section 8. I hereby direct the Florida Department of Health to make its own determinations as to quarantine, isolation and other necessary public health interventions as permitted under Florida law.

Section 9. I direct all agencies under the direction of the Governor to fully cooperate with the Florida Department of Health, and any representative thereof in furtherance of this Order.

Agencies not under the direction of the Governor are requested to provide such assistance as is required.

IN TESTIMONY WHEREOF, I have hereunto set my hand and caused the Great Seal of the State of Florida to be affixed, at Tallahassee, this 1st day of March, 2020.

[Miami Beach orders residents to stay at home, other nearby cities may follow](#)

Florida Politics

Ryan Nicol

March 23, 2020

The city of Miami Beach is issuing a stay-at-home order that will go into effect just after midnight Monday in an effort to curb the spread of the COVID-19 virus.

Subject to some exceptions, “all persons living within the City of Miami Beach are hereby ordered to remain in their homes,” the new order reads.

One exception is for individuals who are visiting essential businesses, such as a supermarket, pharmacy, bank or other establishment.

Individuals would also be able to partake in “outdoor recreational activities.” That carve out allows residents to run, hike, walk or bike, so long as they remain six feet apart. Residential gyms are also permitted to remain open.

The order notes it also does not apply to “gatherings within a single household or living unit.” All other travel is prohibited under the order.

Miami Beach is operating under a state of emergency, which is effective through March 26. The city isn't the only one in South Florida or elsewhere expected to order residents to stay inside.

Miami Mayor **Francis Suarez** — who tested positive for the novel coronavirus [earlier this month](#) — has [called for a similar move](#) inside his city.

As [noted by the Miami Herald](#), Miami Beach officials spoke with officials from nine other municipalities Monday prior to making the move. Those municipalities were Aventura, Bal Harbour, Bay Harbor Islands, Golden Beach, Indian Creek, Key Biscayne, North Bay Village, Sunny Isles and Surfside.

Miami-Dade County has already [shut down nonessential businesses](#) in the county. That includes the area's [otherwise burgeoning hotel industry](#).

Elsewhere in the state, Tampa Mayor **Jane Castor** has said it's likely her city will also issue a stay-at-home order. And Agriculture Commissioner **Nikki Fried** has called on Gov. **Ron DeSantis** to cease waiting for local governments to act and instead issue a statewide order.

As of an update Monday morning, the state had topped 1,100 positive tests, with 14 deaths.

Please note that under Florida law correspondence sent to the Governor's Office, which is not confidential or exempt pursuant to chapter 119 of the Florida Statutes, is a public record made available upon request.

**Florida Department of Health Updates New COVID-19 Cases, Announces Two New Deaths Related to COVID-19, 11 a.m. Update**

***~603 positive cases in Florida Residents and 55 positive cases in non-Florida residents~***

**TALLAHASSEE** — To keep Florida residents and visitors safe, informed and aware about the status of the virus, The Florida Department of Health has launched a [COVID-19 dashboard](#) that will be updated twice daily. Today, as of 11 a.m., there are 658 total\*\* Florida cases.

Two people have died in COVID-19 related deaths. One in Broward County and one in Duval County.

New Florida cases include:

- 95 additional positive COVID-19 cases (93 Florida residents and 2 non-Florida residents) reported to the Florida Department of Health.
- There are currently 603 positive cases in Florida residents and 55 positive cases in non-Florida residents.

Florida recently partnered with private laboratories around the state to expand COVID-19 laboratory testing capacity. This partnership will increase the number of tests conducted each day and ensure Floridians receive the critical health information they need in a timely manner.

Expansion to private laboratories changes the COVID-19 testing landscape in Florida. Private laboratories are running tests as they receive swab samples from practitioners. Testing and reporting times vary among commercial and DOH laboratories. Demographic information may be updated during investigations. These twice daily reports reflect the state's efforts to accurately and transparently share information.

**More information on a case-by-case basis can also be found [here](#).**

3-21 morning

For more detail on Florida resident cases, please visit the live DOH Dashboard [here](#).

\* Florida residents that are diagnosed with COVID-19 and isolated out of state are not reflected on the Florida map.

\*\*Total cases overview includes positive cases in Florida residents and non-Florida residents tested in Florida.

**ATTENTION: This email came from an external source. Do not open attachments or click on links from unknown senders or unexpected emails.**

Dear All,

Good Evening.As you all know the news that the Florida Governor has declared Corona Virus, a public health emergency in Florida.

Next week Health Conference HIMSS will be in Orlando with almost 45000 people (Ref: <https://www.himssconference.org/>) coming from all over the world to attend. Kindly disallow or ask the organizers to cancel/reschedule the conference to later date. Even though the event is a financial booster for Orlando and Orange County, but not at the expense of people's lives knowing the severity of Virus spreading and Deaths across the world including US. Orlando should not be allowed to be a breeding ground for Corona. I do not see any one good reason to allow conferences or large gatherings as the cure to Corona is a distant reach at this point.

I urge you all to kindly do the needful.

Thanks  
Siva

## MEMORANDUM

TO: Members of the Press

FROM: Helen Aguirre Ferré, Director of Communications, Governor Ron DeSantis

DATE: March 26, 2020

RE: Executive Order 20-85

---

Good afternoon:

Today, Governor Ron DeSantis issued Executive Order 20-85 regarding Telehealth and Immunizations for state employees.

A PDF copy of the Executive Order is attached to this email and provided below.

Sincerely,

Helen Aguirre Ferré  
Director of Communications  
Governor Ron DeSantis

---

# STATE OF FLORIDA

## OFFICE OF THE GOVERNOR EXECUTIVE ORDER NUMBER 20-85

(Emergency Management – COVID-19 – Telehealth and Immunizations for State Group Insurance)

**WHEREAS**, on March 1, 2020, I issued Executive Order 20-51 directing the Florida Department of Health to issue a Public Health Emergency; and

**WHEREAS**, on March 1, 2020, the State Surgeon General and State Health Officer declared a Public Health Emergency exists in the State of Florida as a result of COVID-19; and

**WHEREAS**, on March 9, 2020, I issued Executive Order 20-52 declaring a state of emergency for the entire State of Florida as a result of COVID-19; and

**WHEREAS**, Novel Coronavirus Disease 2019 (COVID-19) is a severe acute respiratory illness that can be transmitted among humans through respiratory transmission and presents with symptoms similar to those of influenza;

**WHEREAS**, on March 16, 2020, President Donald J. Trump and the Centers for Disease Control and Prevention (“CDC”) issued the “15 Days to Slow the Spread” guidance advising individuals to adopt far-reaching social distancing measures, such as working from home and avoiding gatherings of more than 10 people; and

**WHEREAS**, the CDC also recommends consulting your healthcare provider if individuals or members of your household are at high risk for COVID-19 complications, show symptoms of COVID-19, or have otherwise been exposed to the virus; and

**WHEREAS**, the CDC recommends that everyone over the age of six months receive the influenza (flu) vaccine; and

**WHEREAS**, the flu can lead to more serious respiratory diseases that can result in hospitalization or death and individuals with certain health conditions are at a higher risk of flu complications, including many of the same high-risk indicators for COVID-19 complications; and

**WHEREAS**, State Employees across Florida are working tirelessly to support the COVID-19 response effort by providing mission critical support to protect all Floridians; and

**WHEREAS**, the State Group Insurance Program (SGI) provides coverage to State Employees and their dependents; and

**WHEREAS**, Current SGI coverage includes preventive and sick visits through in-person physician office visits, therefore limiting patient access to care; and

**WHEREAS**, the SGI also provides coverage for immunizations administered by a participating provider, including the flu, which are included on the Advisory Committee for Immunization Practices recommendations list based on a member’s age and condition; and

**WHEREAS**, all SGI plan providers have in-network or contracted, Florida-licensed telehealth providers ready to provide health care services effective immediately which would allow state employees to remain in their homes, if sick, and avoid exposure to other sick individuals; or, if not sick, to attend physician appointments without fear of exposure to others; and

**WHEREAS**, as Governor, I am responsible for protecting our state and the health and safety of its residents;

FL-ORLANDO-20-1073-A-000442

**NOW, THEREFORE, I, RON DESANTIS**, as Governor of Florida, by virtue of the authority vested in me by Article IV, Section (1)(a) of the Florida Constitution, Chapter 252, Florida Statutes, and all other applicable laws, promulgate the following Executive Order to take immediate effect:

Section 1. Telehealth

A. I suspend the relevant portions of section 110.123, Florida Statutes, and direct the Secretary of the Department of Management Services to amend the state employee health benefits plan documents effective immediately through the expiration of Executive Order 20-52, including any extensions, to include telehealth services at no additional cost to employees.

B. I suspend the relevant portions of section 110.12315, Florida Statutes, and direct the Secretary of the Department of Management Services to amend the state employee pharmacy benefits plan documents effective immediately through the expiration of Executive Order 20-52, including any extensions, to include telehealth services, as appropriate, to employees participating in the SGI plan.

C. I hereby direct the Department of Management Services, Division of State Group Insurance, to ensure that all state employees have access to telehealth services through the state's contracted HMO plans and PPO organization plan without cost sharing effective immediately through the expiration of Executive Order 20-52, including any extensions.

Section 2. Immunizations

A. I suspend the relevant portions of section 110.123, Florida Statutes, and direct the Secretary of the Department of Management Services to amend the state employee health plan benefits plan documents effective immediately through the expiration of Executive Order 20-52, including any extensions, to provide employees participating in the State Employees' Group Insurance Program the option to receive immunizations covered by the employee's plan in either a participating physician's office pursuant to the participant's current PPO Plan Group Health Insurance Plan Booklet or a participant's current HMO contract, or a participating pharmacy in the State Employees' pharmacy benefit manager's network.

B. I hereby direct the Department of Management Services, Division of State Group Insurance, to ensure that all cost sharing that would have been applicable to state employees seeking immunization services under this Executive Order for the influenza vaccination be waived effective immediately through the expiration of Executive Order 20-52, including any extensions.

Section 3. This Executive Order shall expire upon the expiration of Executive Order 20-52, including any extensions.

###

Please note that under Florida law correspondence sent to the Governor's Office, which is not confidential or exempt pursuant to chapter 119 of the Florida Statutes, is a public record made available upon request.

RE: Executive Orders 20-82 and 20-83

---

Good evening:

Today, Governor Ron DeSantis issued Executive Order 20-82, directing all persons who enter the State of Florida from an area with substantial community spread, to include the New York Tri-State Area (Connecticut, New Jersey and New York), to isolate or quarantine for a period of 14 days from the time of entry into the State of Florida or the duration of the person's presence in the State of Florida, whichever is shorter.

The Governor also issued Executive Order 20-83, directing the State Surgeon General and State Health Officer to issue a public health advisory to all persons over 65 years of age urging them to stay home and to take such other measures as necessary to limit their risk of exposure to COVID-19.

PDF copies of the Executive Orders are attached to this email and provided below.

Sincerely,

Helen Aguirre Ferré  
Director of Communications  
Governor Ron DeSantis

## OFFICE OF THE GOVERNOR

### EXECUTIVE ORDER NUMBER 20-82

(Emergency Management - COVID-19 –Isolation of Individuals Traveling to Florida)

**WHEREAS**, Novel Coronavirus Disease 2019 (COVID-19) is a severe acute respiratory illness that can spread among humans through respiratory transmission and presents with symptoms similar to those of influenza; and

**WHEREAS**, on March 1, 2020, I issued Executive Order number 20-51 directing the Florida Department of Health to issue a Public Health Emergency; and

**WHEREAS**, on March 1, 2020, the State Surgeon General and State Health Officer declared a Public Health Emergency exists in the State of Florida as a result of COVID-19; and

**WHEREAS**, on March 9, 2020, I issued Executive Order 20-52 declaring a state of emergency for the entire State of Florida as a result of COVID-19; and

**WHEREAS**, many cases of COVID-19 in Florida have resulted from individuals coming into the State of Florida from international travel and other states, posing great risk to Florida residents; and

**WHEREAS**, on March 23, 2020, I issued Executive Order 20-80 requiring the screening, isolation and quarantine of individuals whose point of departure originated outside the State of Florida in an area with substantial community spread, to include the New York Tri-State Area; and

**WHEREAS**, Florida is experiencing an increase in individuals fleeing to Florida from states where “shelter-in-place” orders are being implemented, including from the New York Tri-State Area; and

**WHEREAS**, as Governor, I am responsible for meeting the dangers presented to this state and its people by this emergency.

**NOW, THEREFORE, I, RON DESANTIS**, as Governor of Florida, by virtue of the authority vested in me by Article IV, Section (1)(a) of the Florida Constitution, Chapter 252, Florida Statutes, and all other applicable laws, promulgate the following Executive Order to take immediate effect:

FL-ORLANDO-20-1073-A-000450

Section 1.

A. I hereby direct all persons who enter the State of Florida from an area with substantial community spread, to include the New York Tri-State Area (Connecticut, New Jersey and New York), to isolate or quarantine for a period of 14 days from the time of entry into the State of Florida or the duration of the person's presence in the State of Florida, whichever is shorter. This Order shall not apply to persons employed by the airlines and those performing military, emergency or health response. This Order shall take effect immediately and apply retroactively to all persons who have entered Florida after being in any area with substantial community spread within the previous 14 days. All persons isolating or quarantining under this Section shall be responsible for all costs associated with their isolation or quarantine, including transportation, lodging, food, medical care and any other expenses to sustain the person during the period of isolation or quarantine.

B. I hereby direct all persons covered under Section 1(A) of this Order to inform any individual in Florida with whom they have had direct physical contact in the past 21 days that they traveled from an area with substantial community spread.

Section 2. Failure to follow Section 1 of this Order is a second-degree misdemeanor pursuant to section 252.50, Florida Statutes, and is punishable by imprisonment not to exceed 60 days, a fine not to exceed \$500, or both.

Section 3.

A. Pursuant to section 252.47, Florida Statutes, I hereby direct all state, county and local law enforcement authorities to enforce this Order. Any law enforcement authority that interacts with a person in violation of Section 1(A) of this Order shall immediately report the individual, along with personal identifying and contact information, to the Florida Department of Health.

B. Pursuant to section 381.0012(5), Florida Statutes, "it shall be the duty of every state and county attorney, sheriff, police officer, and other appropriate city and county officials upon the request to assist the Department of Health" in enforcing any isolation or quarantine, state health law and order of the Department of Health issued pursuant to this Order.

Section 4. This Executive Order shall expire upon the expiration of Executive Order 20-52, including any extensions, or upon an Executive Order lifting the isolation or quarantine after advice from the State Health Officer and Surgeon General.

## OFFICE OF THE GOVERNOR

### EXECUTIVE ORDER NUMBER 20-83

(Emergency Management - COVID-19 –Protective Measures for Vulnerable Populations, Gatherings of Private Citizens and Density of the Workforce)

**WHEREAS**, Novel Coronavirus Disease 2019 (COVID-19) is a severe acute respiratory illness that can spread among humans through respiratory transmission and presents with symptoms similar to those of influenza; and

**WHEREAS**, on March 1, 2020, I issued Executive Order number 20-51 directing the Florida

FL-ORLANDO-20-1073-A-000451

Department of Health to issue a Public Health Emergency; and

**WHEREAS**, on March 1, 2020, the State Surgeon General and State Health Officer declared a Public Health Emergency exists in the State of Florida as a result of COVID-19; and

**WHEREAS**, on March 9, 2020, I issued Executive Order 20-52 declaring a state of emergency for the entire State of Florida as a result of COVID-19; and

**WHEREAS**, according to the Centers for Disease Control and Prevention (CDC), older adults and people of any age with serious underlying medical conditions are particularly at risk for severe illness or death due to COVID-19; and

**WHEREAS**, on March 16, 2020, President Donald J. Trump and the CDC issued “15 Days to Slow the Spread” guidance advising individuals to avoid social gatherings in groups of more than 10 people and advising older persons and persons with serious underlying health conditions to stay home and away from others; and

**WHEREAS**, as Governor, I am responsible for meeting the dangers presented to this state and its people by this emergency.

**NOW, THEREFORE, I, RON DESANTIS**, as Governor of Florida, by virtue of the authority vested in me by Article IV, Section (1)(a) of the Florida Constitution, Chapter 252, Florida Statutes, and all other applicable laws, promulgate the following Executive Order to take immediate effect:

Section 1.

A. I hereby direct the State Surgeon General and State Health Officer to issue a public health advisory to all persons over 65 years of age urging them to stay home and to take such other measures as necessary to limit their risk of exposure to COVID-19.

B. I further direct the State Surgeon General and State Health Officer to issue a public health advisory to persons that have a serious underlying medical condition that places them at a high risk of severe illness from COVID-19. Consistent with CDC guidance, such conditions include, but not limited to, chronic lung disease or moderate to severe asthma; serious heart conditions; immunocompromised status, including those in cancer treatment; and severe obesity. The Surgeon General’s advisory must urge these persons to stay home and to take such other measures as necessary to limit their risk of exposure to COVID-19.

Section 2. I hereby direct the State Surgeon General and State Health Officer to issue a public health advisory against all social or recreational gatherings of 10 or more people.

Section 3. I hereby direct the State Surgeon General and State Health Officer to issue a public health advisory to those who can work remotely urging them to do so.

Section 4. Any action(s) taken or document(s) issued by the State Surgeon General and State Health Officer pursuant to this Executive Order shall not constitute a rule as defined in section 120.52(16), Florida Statutes, and are specifically exempted from any and all requirements or procedures outlined in chapter 120 and section 252.46, Florida Statutes.

Section 5. This Executive Order shall expire upon the expiration of Executive Order 20-52, including any extensions.

### EXECUTIVE ORDER NUMBER 20-82

(Emergency Management - COVID-19 –Isolation of Individuals Traveling to Florida)

**WHEREAS**, Novel Coronavirus Disease 2019 (COVID-19) is a severe acute respiratory illness that can spread among humans through respiratory transmission and presents with symptoms similar to those of influenza; and

**WHEREAS**, on March 1, 2020, I issued Executive Order number 20-51 directing the Florida Department of Health to issue a Public Health Emergency; and

**WHEREAS**, on March 1, 2020, the State Surgeon General and State Health Officer declared a Public Health Emergency exists in the State of Florida as a result of COVID-19; and

**WHEREAS**, on March 9, 2020, I issued Executive Order 20-52 declaring a state of emergency for the entire State of Florida as a result of COVID-19; and

**WHEREAS**, many cases of COVID-19 in Florida have resulted from individuals coming into the State of Florida from international travel and other states, posing great risk to Florida residents; and

**WHEREAS**, on March 23, 2020, I issued Executive Order 20-80 requiring the screening, isolation and quarantine of individuals whose point of departure originated outside the State of Florida in an area with substantial community spread, to include the New York Tri-State Area; and

**WHEREAS**, Florida is experiencing an increase in individuals fleeing to Florida from states where “shelter-in-place” orders are being implemented, including from the New York Tri-State Area; and

**WHEREAS**, as Governor, I am responsible for meeting the dangers presented to this state and its people by this emergency.

**NOW, THEREFORE, I, RON DESANTIS**, as Governor of Florida, by virtue of the authority vested in me by Article IV, Section (1)(a) of the Florida Constitution, Chapter 252, Florida Statutes, and all other applicable laws, promulgate the following Executive Order to take immediate effect:

FL-ORLANDO-20-1073-A-000462

Section 1.

A. I hereby direct all persons who enter the State of Florida from an area with substantial community spread, to include the New York Tri-State Area (Connecticut, New Jersey and New York), to isolate or quarantine for a period of 14 days from the time of entry into the State of Florida or the duration of the person's presence in the State of Florida, whichever is shorter. This Order shall not apply to persons employed by the airlines and those performing military, emergency or health response. This Order shall take effect immediately and apply retroactively to all persons who have entered Florida after being in any area with substantial community spread within the previous 14 days. All persons isolating or quarantining under this Section shall be responsible for all costs associated with their isolation or quarantine, including transportation, lodging, food, medical care and any other expenses to sustain the person during the period of isolation or quarantine.

B. I hereby direct all persons covered under Section 1(A) of this Order to inform any individual in Florida with whom they have had direct physical contact in the past 21 days that they traveled from an area with substantial community spread.

Section 2. Failure to follow Section 1 of this Order is a second-degree misdemeanor pursuant to section 252.50, Florida Statutes, and is punishable by imprisonment not to exceed 60 days, a fine not to exceed \$500, or both.

Section 3.

A. Pursuant to section 252.47, Florida Statutes, I hereby direct all state, county and local law enforcement authorities to enforce this Order. Any law enforcement authority that interacts with a person in violation of Section 1(A) of this Order shall immediately report the individual, along with personal identifying and contact information, to the Florida Department of Health.

B. Pursuant to section 381.0012(5), Florida Statutes, "it shall be the duty of every state and county attorney, sheriff, police officer, and other appropriate city and county officials upon the request to assist the Department of Health" in enforcing any isolation or quarantine, state health law and order of the Department of Health issued pursuant to this Order.

Section 4. This Executive Order shall expire upon the expiration of Executive Order 20-52, including any extensions, or upon an Executive Order lifting the isolation or quarantine after advice from the State Health Officer and Surgeon General.

---

person in violation of Section 1(A) of this Order shall immediately report the individual, along with personal identifying and contact information, to the Florida Department of Health.

B. Pursuant to section 381.0012(5), Florida Statutes, "it shall be the duty of every state and county attorney, sheriff, police officer, and other appropriate city and county officials upon the request to assist the Department of Health" in enforcing any isolation or quarantine, state health law and order of the Department of Health issued pursuant to this Order.

Section 4. This Executive Order shall expire upon the expiration of Executive Order 20-52, including any extensions, or upon an Executive Order lifting the isolation or quarantine after advice from the State Health Officer and Surgeon General.

IN TESTIMONY WHEREOF, I have hereunto set my hand and caused the Great Seal of the State of Florida to be affixed, at Tallahassee, this 24th day of March, 2020.

### EXECUTIVE ORDER NUMBER 20-83

(Emergency Management - COVID-19 –Protective Measures for Vulnerable Populations,  
Gatherings of Private Citizens and Density of the Workforce)

**WHEREAS**, Novel Coronavirus Disease 2019 (COVID-19) is a severe acute respiratory illness that can spread among humans through respiratory transmission and presents with symptoms similar to those of influenza; and

**WHEREAS**, on March 1, 2020, I issued Executive Order number 20-51 directing the Florida Department of Health to issue a Public Health Emergency; and

**WHEREAS**, on March 1, 2020, the State Surgeon General and State Health Officer declared a Public Health Emergency exists in the State of Florida as a result of COVID-19; and

**WHEREAS**, on March 9, 2020, I issued Executive Order 20-52 declaring a state of emergency for the entire State of Florida as a result of COVID-19; and

**WHEREAS**, according to the Centers for Disease Control and Prevention (CDC), older adults and people of any age with serious underlying medical conditions are particularly at risk for severe illness or death due to COVID-19; and

**WHEREAS**, on March 16, 2020, President Donald J. Trump and the CDC issued “15 Days to Slow the Spread” guidance advising individuals to avoid social gatherings in groups of more than 10 people and advising older persons and persons with serious underlying health conditions to stay home and away from others; and

**WHEREAS**, as Governor, I am responsible for meeting the dangers presented to this state and its people by this emergency.

**NOW, THEREFORE, I, RON DESANTIS**, as Governor of Florida, by virtue of the authority vested in me by Article IV, Section (1)(a) of the Florida Constitution, Chapter 252, Florida Statutes, and all other applicable laws, promulgate the following Executive Order to take immediate effect:

Section 1.

A. I hereby direct the State Surgeon General and State Health Officer to issue a public health advisory to all persons over 65 years of age urging them to stay home and to take such other measures as necessary to limit their risk of exposure to COVID-19.

B. I further direct the State Surgeon General and State Health Officer to issue a public health advisory to persons that have a serious underlying medical condition that places them at a high risk of severe illness from COVID-19. Consistent with CDC guidance, such conditions include, but not limited to, chronic lung disease or moderate to severe asthma; serious heart conditions; immunocompromised status, including those in cancer treatment; and severe obesity. The Surgeon General's advisory must urge these persons to stay home and to take such other measures as necessary to limit their risk of exposure to COVID-19.

Section 2. I hereby direct the State Surgeon General and State Health Officer to issue a public health advisory against all social or recreational gatherings of 10 or more people.

Section 3. I hereby direct the State Surgeon General and State Health Officer to issue a public health advisory to those who can work remotely urging them to do so.

Section 4. Any action(s) taken or document(s) issued by the State Surgeon General and State Health Officer pursuant to this Executive Order shall not constitute a rule as defined in section 120.52(16), Florida Statutes, and are specifically exempted from any and all requirements or procedures outlined in chapter 120 and section 252.46, Florida Statutes.

Section 5. This Executive Order shall expire upon the expiration of Executive Order 20-52, including any extensions.

IN TESTIMONY WHEREOF, I have hereunto set my hand and caused the Great Seal of the State of Florida to be affixed, at Tallahassee, this 24th day of March, 2020.

## OFFICE OF THE GOVERNOR

### EXECUTIVE ORDER NUMBER 20-86

(Emergency Management - COVID-19 –Additional Requirements of Certain Individuals  
Traveling to Florida)

**WHEREAS**, Novel Coronavirus Disease 2019 (COVID-19) is a severe acute respiratory illness that can spread among humans through respiratory transmission and presents with symptoms similar to those of influenza; and

**WHEREAS**, on March 1, 2020, I issued Executive Order number 20-51 directing the Florida Department of Health to issue a Public Health Emergency; and

**WHEREAS**, on March 1, 2020, the State Surgeon General and State Health Officer declared a Public Health Emergency exists in the State of Florida as a result of COVID-19; and

**WHEREAS**, on March 9, 2020, I issued Executive Order 20-52 declaring a state of emergency for the entire State of Florida as a result of COVID-19; and

**WHEREAS**, on March 24, 2020, I issued Executive Order number 20-82 directing all persons from an area with substantial community spread who enter the State of Florida to isolate or quarantine for a period of 14 days; and

**WHEREAS**, as Governor, I am responsible for meeting the dangers presented to this state and its people by this emergency.

**NOW, THEREFORE, I, RON DESANTIS**, as Governor of Florida, by virtue of the authority vested in me by Article IV, Section (1)(a) of the Florida Constitution, Chapter 252, Florida Statutes, and all other applicable laws, promulgate the following Executive Order to take immediate effect:

Section 1.

A. I hereby direct all persons who enter the State of Florida from an area with substantial community spread, to include the State of Louisiana, inclusive of those entering the State of Florida by roadways, to isolate or quarantine for a period of 14 days from the time of entry into the State of Florida or the duration of the person's presence in the State of Florida, whichever is shorter. This section shall not apply to persons performing military, emergency, health or infrastructure response, or persons involved in any commercial activity. This Order shall take effect immediately and apply retroactively to all persons who have entered Florida after being in any area with substantial community spread. All persons isolating or quarantining under this Section shall be responsible for all costs associated with their isolation or quarantine, including transportation, lodging, food, medical care and any other expenses to sustain the person during the period of isolation or quarantine.

B. I hereby direct all persons covered under Section 1(A) of this Order to inform any individual in Florida with whom they have had direct physical contact in the past 21 days that they traveled from an area with substantial community spread.

C. I direct the establishment of appropriate checkpoints on the roadways for those persons and vehicles entering the State of Florida and to require those persons to provide information, including in a written form, regarding the origin of their travel and on the address of their location of isolation or quarantine for a period of 14 days. I further direct the Florida Department of Transportation to facilitate locations for appropriate checkpoints, including at welcome centers and rest stops, and to facilitate the placement of road signs and advisories to provide information on this Order and to direct traffic to the appropriate checkpoint.

D. Pursuant to sections 252.36(5)(b) and 252.47, Florida Statutes, the Florida Highway Patrol and County Sheriffs are directed to assist with the establishment of appropriate checkpoints, the flow of traffic to those checkpoints and any enforcement actions.

Section 2. Failure to follow Section 1 of this Order is a second-degree misdemeanor pursuant to section 252.50, Florida Statutes, and is punishable by imprisonment not to exceed 60 days, a fine not to exceed \$500, or both.

Section 3.

A. Pursuant to section 252.47, Florida Statutes, I hereby direct all state, county and local law enforcement authorities to enforce this Order. Any law enforcement authority that interacts with a person in violation of Section 1(A) of this Order shall immediately report the individual, along with personal identifying and contact information, to the Florida Department of Health.

B. Pursuant to section 381.0012(5), Florida Statutes, “it shall be the duty of every state and county attorney, sheriff, police officer, and other appropriate city and county officials upon the request to assist the Department of Health” in enforcing any isolation or quarantine, state health law and order of the Department of Health issued pursuant to this Order.

Section 4. To the extent necessary, the exceptions of this Executive Order are applicable to Executive Order 20-80, Section 1(A) and 20-82, Section 1(A).

Section 5. This Executive Order shall expire upon the expiration of Executive Order 20-52, including any extensions, or upon an Executive Order lifting the isolation or quarantine after advice from the State Health Officer and Surgeon General.

IN TESTIMONY WHEREOF, I have hereunto set my hand and caused the Great Seal of the State of Florida to be affixed, at Tallahassee, this 27th day of March, 2020.

### EXECUTIVE ORDER NUMBER 20-87

(Emergency Management - COVID-19 – Vacation Rental Closures)

**WHEREAS**, on March 1, 2020, I issued Executive Order 20-51 directing the Florida Department of Health to issue a Public Health Emergency; and

**WHEREAS**, on March 1, 2020, the State Surgeon General and State Health Officer declared a Public Health Emergency exists in the State of Florida as a result of COVID-19; and

**WHEREAS**, on March 9, 2020, I issued Executive Order 20-52 declaring a state of emergency for the entire State of Florida as a result of COVID-19; and

**WHEREAS**, on March 16, 2020, President Donald J. Trump and the Centers for Disease Control and Prevention (“CDC”) issued the “15 Days to Slow the Spread” guidance advising individuals to adopt far-reaching social distancing measures; and

**WHEREAS**, the CDC has cautioned against non-essential travel within the United States; and

**WHEREAS**, Florida is experiencing an increase in individuals fleeing to Florida from out-of-state locations where “shelter-in-place” orders are being implemented and/or community spread exists; and

**WHEREAS**, many cases of COVID-19 in Florida have resulted from individuals coming into the State of Florida from international travel and other states, posing great risk to Florida residents; and

**WHEREAS**, vacation rentals and third-party platforms advertising vacation rentals in Florida present attractive lodging destinations for individuals coming into Florida; and

**WHEREAS**, as Governor, I am responsible for meeting the dangers presented to this state and its people by this emergency.

**NOW, THEREFORE, I, RON DESANTIS**, as Governor of Florida, by virtue of the authority vested in me by Article IV, Section (1)(a) of the Florida Constitution, Chapter 252, Florida Statutes, and all other applicable laws, promulgate the following Executive Order to take immediate effect:

Section 1. Vacation Rentals

I hereby order all parties engaged in rental of vacation rental properties, as defined in section 509.242(1)(c), Florida Statutes, to suspend vacation rental operations. Vacation rentals are prohibited from making new reservations or bookings and shall not accept new guests for check-in for the duration of this order. This directive shall include the:

A. Rental of any house, condominium, cooperative, or dwelling unit that is also a transient public lodging establishment, as defined under Section 509.013(4)(a), Florida Statutes; and

- i. Which is rented for periods of less than 30 days or 1 calendar month, whichever is less; or
- ii. Which is advertised or held out to the public as a place regularly rented to guests; or
- iii. Which is otherwise regulated by the Department of Business and Professional Regulation (“DBPR”) as a vacation rental pursuant to section 509.241, Florida Statutes.

B. This directive shall not include the following:

- i. Hotels, motels, inns, resorts, non-transient public lodging establishments,

- or time share projects; or
- ii. Long-term rentals; or
  - iii. Rental stays where guests are currently staying in a vacation rental or have previously booked a stay and are schedule to check-in no later than March 28, 2020; or
  - iv. Rentals to persons performing military, emergency, governmental, health or infrastructure response, or travelers engaged in non-vacation commercial activities.

Section 2. Violations of the Order

A. DBPR shall supplement this directive with guidance or directives as necessary to implement the order and shall take steps necessary to inspect licensed properties or third-party platforms whereby Florida vacation rentals may be advertised.

B. DBPR shall revoke the vacation rental license of any party that violates this order or otherwise advertises vacation rental opportunities during the duration of this order; and

C. DBPR shall alert the state authorities to evidence of violations or attempts to violate this order; and

D. Parties that violate this order or attempt to violate the order through advertising or other means of solicitation may be charged with a second-degree misdemeanor, punishable as provided in Sections 775.082 or 775.083, Fla. Stat.

Section 3. This Executive Order shall expire in 14 days unless extended by subsequent order.

IN TESTIMONY WHEREOF, I have hereunto set my hand and caused the Great Seal of the State of Florida to be affixed, at Tallahassee, this 27th day of March, 2020.

**Subject:** Golf Course Exemptions

**ATTENTION: This email came from an external source. Do not open attachments or click on links from unknown senders or unexpected emails.**  
25 March 2020

Office of the Governor State of Florida

Dear Governor DeSantis:

I am writing as a member of the American Society of Golf Course Architects (ASGCA) to express my concern that you help keep golf courses in our state open and available as outdoor respites during the COVID-19 pandemic.

I was encouraged to hear you speak positively about the continuation of play at the Villages golf courses last week. As some counties issue "Stay at Home" edicts I would like you to consider a state wide exemption for golf courses that are willing and able to institute some or all of the following procedures:

- 10-foot or more social distancing
- Local rules to prevent touching the flagstick (cups raised so players do not retrieve balls)
- Removal of all touch points (bunker rakes and ball washers)
- Mandating walking or individual cart usage
- Closure of the clubhouse spaces while leaving the "park" open

Golf is by design an individual sport. While we play in small groups, we do so "alone" with our own equipment and just one ball assigned to each player. Unlike most other sports, golf is a pursuit where we can safely keep our distance, and with local rules, we can adjust to the current situation on a safe basis.

Please see: <https://www.ngcoa.org/making-your-course-social-distance-ready>. People will need opportunities to be outdoors. Golf courses can provide that opportunity, keeping families and citizens active for four hours or more — but safely and per strict guidelines to better the health and benefit of the people of our state.

Please call on me if I can be of help to you. My direct line is 407 538 4153.

Sincerely,

Mike Dasher, ASGCA

**Subject:** great idea for corona virus facility siting

**ATTENTION:** This email came from an external source. Do not open attachments or click on links from unknown senders or unexpected emails.

### **Model paints dire picture for Florida hospitals if shelter-in-place isn't ordered**

[www.news4jax.com/i-team/2020/03/24/model-paints-dire-picture-for-florida-hospitals-if-shelter-in-place-isnt-ordered](http://www.news4jax.com/i-team/2020/03/24/model-paints-dire-picture-for-florida-hospitals-if-shelter-in-place-isnt-ordered)

Florida will soon need a LOT of overflow hospital capacity, but you need to get moving.

Instead of waiting for the Corps of Engineers to erect temporary tents sited on muddy high school football fields and fairgrounds, convert the state's ugly, empty, dead malls to overflow hospitals. Corona virus care centers.

It's fast, or it could be, if the right people were involved. Florida could be the national model if it acts fast.

Dead malls already have: plumbing, HVAC, electricity, refrigeration capacity, parking, drainage, public restrooms, loading docks, a food court, interior walls for offices, storage, and commercial businesses nearby. Since they're empty, they could be disinfected immediately, before retrofitting begins, and easily for the duration. Probably other amenities as well that I haven't thought of. . elevators, escalators. . .flat, smooth, easily mopped floors for wheel chairs and gurneys. PA and fire systems already installed.

There aren't that many designs of malls, so their conversion into hospitals could be quickly standardized for contractors (and the National Guard/Reserves, activated by governors, instead of waiting for Trump to activate the military). Govt money flowing to local construction firms and good jobs for local construction workers.

Could be subsidized by the govt, bought and managed by local or regional hospital systems, who could then keep them or sell/lease after the virus passes. Not sure of the best procurement methods but there have to be people who are. Local commercial real estate developers, hospital CEOs, mayors and state governors? Govt takings under public health emergency law? There are probably grants to be had to get this done. All it needs is quality leadership.

After this is all over, all those ugly, dead buildings will have had a facelift and higher value. Communities would have all that square footage looking BETTER instead of. . .what they have now: ugly, dead, empty, ghost buildings for sale for years at a time while they continue to deteriorate and lose value.

Thank you and good luck.  
Betsy

## Request for a Work Session and Possible Ordinance for the Acquisition of Environmentally Sensitive Lands

Excerpt from Memo to Board: "My concern is that the proposed revisions to Administrative Regulation No. 11.07.01 do not provide clear direction to staff on the identification, evaluation, and acquisition of Environmentally Sensitive Lands (ESL). I urge my colleagues to require transparency and accountability when acquiring ESL. Please review the attachments and consider directing staff to conduct more research and offer us a work session as to why they propose the current revision to Administrative Regulation No.11.07.01. The work session should further address whether an ordinance would be a better practice when it comes to the acquisition of ESL."

To learn more visit our website for the entire memo: <https://emilybonilla.com/blog/environmentally-sensitive-lands-acquisition/>

### **Boat Ramp Ordinance and Protecting my Constituents' Businesses!**

The Orange County Board of County Commissioners initiated a Boat Ramp Ordinance to solve some conflict at the Christmas Boat Ramp. I have many families in the Airboat industry that make their living on this boat ramp. To ensure a balance of public safety and protection of a free market for small businesses, I worked diligently with staff on an ordinance that will work for everyone. While not everyone is getting what they want, I feel that it is a success because staff and I made sure we heard everyone's concerns. Also, we implemented evidence-based policymaking in the process of the creation of the ordinance.

To learn more visit our website at <https://emilybonilla.com/blog/boat-ramp-ordinance-and-protecting-my-constituents-businesses/>

## **Important Announcements**

Flyer for the 2020 census in English and content is below

### **April 1, 2020, is National Census Day**

Orange County counts everybody. Every person in your household must be counted. It's essential for your schools, roads, housing, childcare, parks, hospitals, businesses, support for families, fire and law enforcement, and other local programs that depend on an accurate count to get our fair share of federal funding. It's safe, secure, and short. The federal law, through the U.S. Constitution and the Supreme Court, protects personal data for the Census. It only takes 10 minutes to complete. For more information, visit [www.ocfl.net/Census2020](http://www.ocfl.net/Census2020) or email [OCCompleteCount@ocf.net](mailto:OCCompleteCount@ocf.net)

Census 2020 flyer in spanish content is below

### **April 1, 2020, is National Census Day**

Orange County cuenta a todos. Se trata de todos es esencial que cada persona en su hogar sea contada. Es importante para sus escuelas, carreteras, viviendas, guarderías, parques, hospitales, negocios, apoyo para familias, servicios de bomberos y policía, así como otros programas, dependen de un recuento acertado a fin de asegurar que recibamos nuestra porción justa de los fondos federales. El Censo es seguro, confiable y corto. La ley federal, a través de la Constitución de los Estados Unidos y la Corte Suprema, protege la información personal para el Censo. Solo toma unos minutos completarlo. Para más información, visite: [www.ocfl.net/Census2020](http://www.ocfl.net/Census2020) o mande un correo electrónico a [OCCompleteCount@ocf.net](mailto:OCCompleteCount@ocf.net)

Covid-19 virus flyer with symptoms

## Orange County's Response to COVID-19

Orange County Government is currently monitoring the status of the Coronavirus (COVID-19). At this time, officials are asking for help from the community to minimize the potential spread of germs, and to monitor personal health.

On March 1, 2020, Governor Ron DeSantis issued an Executive Order directing a Public Health Emergency and statewide response for Coronavirus Disease. Declaring a State of Emergency is a common proactive practice that allows state resources and personnel to respond to any incidents.

To better serve and assist residents regarding concerns about the Coronavirus (COVID-19), the Florida Department of Health has established a Call Center to answer general questions residents and visitors may have. **The phone number is 407-723-5004. The Call Center is available Monday through Friday, from 8 a.m. to 5 p.m.**

**The Florida Department of Health's dedicated COVID-19 Call Center is 1-866-779-6121.** The Call Center is available Monday through Friday, 8 a.m. to 7 p.m. **Residents can also send questions via email at [COVID-19@flhealth.gov](mailto:COVID-19@flhealth.gov)**

## Case Closed

A no parking sign

### No Parking Signs Coming to Pine Creek Subdivision

The Pine Creek Subdivision residents reached out to my office concerned about the ability for emergency vehicles to get through their community. We brought the issue to the Board of County Commissioners, who approved the no parking signs for select sections of the roads throughout the subdivision to resolve the issue.

## Past Community Events

Focus group picture of attendees at the North and South Goldenrod area

### North and South Goldenrod Community Focus Group

Thank you, UCF professor and students for another successful focus group. Constituents shared their input on ideas for their communities. If you want to participate, please join us for your local focus group.

Below you will find the information for East Orange's and Wedgefield's Focus Group meeting.

Commissioner with Representative Darren Sotto

### Legislative Visits

This past week I was in Washington, DC, advocating for support from our federal district leaders on issues in my district. My staff and I are also on the Health and Housing Cohort for the National Association of Counties (NACo). I always learn a lot at the NACo conferences that I can bring that knowledge to my district and the county to be the best Commissioner I can be.

The commissioner throwing the first pitch as well as as standing with a baseball player

### East Orange Babe Ruth League

I was throwing the first pitch to start the baseball season at East Orange Babe Ruth League. Our kids played in these fields, and my husband volunteered as an assistant coach for the Phillies. For the love of the game. Play ball! ☐

The Commissioner with a staff member of Florida Technical College

### Hispanic Chamber of Commerce Metro Orlando and Florida Technical College Networking Event

The Hispanic population has grown significantly, and with it, the amount of Hispanic-owned businesses. Thank you Hispanic Chamber of Commerce for assisting new businesses and helping them succeed. Thank you, Florida Technical College, for hosting this networking event and for what you do to provide alternative education for adults to enter the workforce.

## Upcoming Events

## Health and Housing Learning Cohort: Accomplishment #1

I applied to be a part of a Health and Housing Learning Cohort through the National Associations of Counties (NACo) and was accepted. Our team consists of my two aides, Melissa Strassner and Ivette Moreno and two Orange County staff members, Nancy Sharifi and Yolanda Martinez. We have created an [Action Plan](#), which we are still updating as we learn more through the cohort. Thanks to our diligent work, we have accomplished moving forward on our Goal #1, Action #1 of the Action Plan, by [securing the funding and partnering with Community Legal Services](#) to launch this initiative. The [Housing for All workshop](#) below in our "Upcoming Events" section is part of this initiative.

Learn more and keep updated at <https://emilybonilla.com/blog/health-and-housing-learning-cohort/>

## Request for a Work Session and Possible Ordinance for the Acquisition of Environmentally Sensitive Lands

Excerpt from Memo to Board: "My concern is that the proposed revisions to Administrative Regulation No. 11.07.01 do not provide clear direction to staff on the identification, evaluation, and acquisition of Environmentally Sensitive Lands (ESL). I urge my colleagues to require transparency and accountability when acquiring ESL. Please review the attachments and consider directing staff to conduct more research and offer us a work session as to why they propose the current revision to Administrative Regulation No.11.07.01. The work session should further address whether an ordinance would be a better practice when it comes to the acquisition of ESL."

To learn more visit our website for the entire memo: <https://emilybonilla.com/blog/environmentally-sensitive-lands-acquisition/>

### **Boat Ramp Ordinance and Protecting my Constituents' Businesses!**

The Orange County Board of County Commissioners initiated a Boat Ramp Ordinance to solve some conflict at the Christmas Boat Ramp. I have many families in the Airboat industry that make their living on this boat ramp. To ensure a balance of public safety and protection of a free market for small businesses, I worked diligently with staff on an ordinance that will work for everyone. While not everyone is getting what they want, I feel that it is a success because staff and I made sure we heard everyone's concerns. Also, we implemented evidence-based policymaking in the process of the creation of the ordinance.

To learn more visit our website at <https://emilybonilla.com/blog/boat-ramp-ordinance-and-protecting-my-constituents-businesses/>

## **Important Announcements**

---

Flyer for the 2020 census in English and content is below

### **April 1, 2020, is National Census Day**

Orange County counts everybody. Every person in your household must be counted. It's essential for your schools, roads, housing, childcare, parks, hospitals, businesses, support for families, fire and law enforcement, and other local programs that depend on an accurate count to get our fair share of federal funding. It's safe, secure, and short. The federal law, through the U.S. Constitution and the Supreme Court, protects personal data for the Census. It only takes 10 minutes to complete. For more information, visit [www.ocfl.net/Census2020](http://www.ocfl.net/Census2020) or email [OCCompleteCount@ocf.net](mailto:OCCompleteCount@ocf.net)

Census 2020 flyer in spanish content is below

### **April 1, 2020, is National Census Day**

Orange County cuenta a todos. Se trata de todos es esencial que cada persona en su hogar sea contada. Es importante para sus escuelas, carreteras, viviendas, guarderías, parques, hospitales, negocios, apoyo para familias, servicios de bomberos y policía, así como otros programas, dependen de un recuento acertado a fin de asegurar que recibamos nuestra porción justa de los fondos federales. El Censo es seguro, confiable y corto. La ley federal, a través de la Constitución de los Estados Unidos y la Corte Suprema, protege la información personal para el Censo. Solo toma unos minutos completarlo. Para más información, visite: [www.ocfl.net/Census2020](http://www.ocfl.net/Census2020) o mande un correo electrónico a [OCCompleteCount@ocf.net](mailto:OCCompleteCount@ocf.net)

Covid-19 virus flyer with symptoms

## Orange County's Response to COVID-19

Orange County Government is currently monitoring the status of the Coronavirus (COVID-19). At this time, officials are asking for help from the community to minimize the potential spread of germs, and to monitor personal health.

On March 1, 2020, Governor Ron DeSantis issued an Executive Order directing a Public Health Emergency and statewide response for Coronavirus Disease. Declaring a State of Emergency is a common proactive practice that allows state resources and personnel to respond to any incidents.

To better serve and assist residents regarding concerns about the Coronavirus (COVID-19), the Florida Department of Health has established a Call Center to answer general questions residents and visitors may have. **The phone number is 407-723-5004. The Call Center is available Monday through Friday, from 8 a.m. to 5 p.m.**

**The Florida Department of Health's dedicated COVID-19 Call Center is 1-866-779-6121.** The Call Center is available Monday through Friday, 8 a.m. to 7 p.m. **Residents can also send questions via email at [COVID-19@flhealth.gov](mailto:COVID-19@flhealth.gov)**

## Case Closed

A no parking sign

### No Parking Signs Coming to Pine Creek Subdivision

The Pine Creek Subdivision residents reached out to my office concerned about the ability for emergency vehicles to get through their community. We brought the issue to the Board of County Commissioners, who approved the no parking signs for select sections of the roads throughout the subdivision to resolve the issue.

## Past Community Events

Focus group picture of attendees at the North and South Goldenrod area

### North and South Goldenrod Community Focus Group

Thank you, UCF professor and students for another successful focus group. Constituents shared their input on ideas for their communities. If you want to participate, please join us for your local focus group.

Below you will find the information for East Orange's and Wedgefield's Focus Group meeting.

Commissioner with Representative Darren Sotto

### Legislative Visits

This past week I was in Washington, DC, advocating for support from our federal district leaders on issues in my district. My staff and I are also on the Health and Housing Cohort for the National Association of Counties (NACo). I always learn a lot at the NACo conferences that I can bring that knowledge to my district and the county to be the best Commissioner I can be.

The commissioner throwing the first pitch as well as as standing with a baseball player

### East Orange Babe Ruth League

I was throwing the first pitch to start the baseball season at East Orange Babe Ruth League. Our kids played in these fields, and my husband volunteered as an assistant coach for the Phillies. For the love of the game. Play ball! ☐

The Commissioner with a staff member of Florida Technical College

### Hispanic Chamber of Commerce Metro Orlando and Florida Technical College Networking Event

The Hispanic population has grown significantly, and with it, the amount of Hispanic-owned businesses. Thank you Hispanic Chamber of Commerce for assisting new businesses and helping them succeed. Thank you, Florida Technical College, for hosting this networking event and for what you do to provide alternative education for adults to enter the workforce.

**Subject:** HIMSS Orlando Conference & Corona

**ATTENTION:** This email came from an external source. Do not open attachments or click on links from unknown senders or unexpected emails.

Dear All,

Good Evening.As you all know the news that the Florida Governor has declared Corona Virus, a public health emergency in Florida.

Next week Health Conference HIMSS will be in Orlando with almost 45000 people (Ref: <https://www.himssconference.org/>) coming from all over the world to attend. Kindly disallow or ask the organizers to cancel/reschedule the conference to later date. Even though the event is a financial booster for Orlando and Orange County, but not at the expense of people's lives knowing the severity of Virus spreading and Deaths across the world including US. Orlando should not be allowed to be a breeding ground for Corona. I do not see any one good reason to allow conferences or large gatherings as the cure to Corona is a distant reach at this point.

I urge you all to kindly do the needful.

Thanks  
Siva

**Enterprise Florida would like to share the below resources regarding support available to Florida businesses. Please let us know if you have any questions.**

## **Governor DeSantis Activates Emergency Business Damage Assessment Survey for Coronavirus (COVID-19)**

Governor Ron DeSantis announced the activation of the Business Damage Assessment survey to assess the impact of COVID-19 on Florida's local business operations. The survey, managed by the Florida Department of Economic Opportunity (DEO), will evaluate businesses affected by COVID-19 and the impacts the virus has had on the local economy so actions to implement appropriate relief programs can begin.

"Gathering information about the impact COVID-19 has on Florida businesses and industries will be invaluable to the state's efforts in coordinating our response," **said Governor DeSantis**. "It is important that we understand the total impact COVID-19 has on businesses to ensure that we access the resources that may be available."

The Business Damage Assessment Survey can be taken online at <https://floridadisaster.biz/>. Results from this survey will be shared with state agencies and local partners. Surveys submitted by small businesses can be used to access the Small Business Administration's Economic Injury Disaster Loan, made available for COVID-19 through the Coronavirus Preparedness and Response Supplemental Appropriations Act. For inquiries or assistance with the survey, businesses can contact Emergency Support Function 18 at [ESF18@em.myflorida.com](mailto:ESF18@em.myflorida.com).

"Under Governor DeSantis' direction, the state of Florida has maintained contact with our business partners throughout the state in order to develop a proactive response for COVID-19 business impacts," **said Florida DEO Executive Director Ken Lawson**. "We need feedback from all Florida businesses to provide comprehensive information about the impacts of COVID-19 to our partners at the federal level."

Governor Ron DeSantis issued [Executive Order 20-52](#) declaring a State of Emergency for COVID-19 and directed the Florida Division of Emergency Management to activate the Florida Emergency Operations Center (EOC) to a Level II, to coordinate the state's response to COVID-19. Last week, the governor issued [Executive Order 20-51](#) directing the State Surgeon General to declare a public health emergency.

For the most up-to-date information about COVID-19 in Florida, please visit the Florida Department of Health's dedicated [COVID-19 webpage](#). For any other questions related to COVID-19 in Florida, please contact the state's dedicated COVID-19 Call Center by calling (866) 779-6121. The Call Center is available 24 hours per day. Inquiries may also be emailed to [COVID-19@flhealth.gov](mailto:COVID-19@flhealth.gov).

**The Business Damage Assessment Survey can be taken online at <https://floridadisaster.biz/>**

## **SBA Disaster Assistance in Response to the Coronavirus**

The U.S. Small Business Administration is offering designated states and territories low-interest federal disaster loans for working capital to small businesses suffering substantial economic injury as a result of the Coronavirus (COVID-19). Upon a request received from a state's or territory's Governor, SBA will issue under its own authority, as provided by the Coronavirus Preparedness and Response Supplemental Appropriations Act that was recently signed by the President, an Economic Injury Disaster Loan declaration.

- Any such Economic Injury Disaster Loan assistance declaration issued by the SBA makes loans available to small businesses and private, non-profit organizations in designated areas of a state or territory to help alleviate economic injury caused by the Coronavirus (COVID-19).
- SBA's Office of Disaster Assistance will coordinate with the state's or territory's Governor to submit the request for Economic Injury Disaster Loan assistance.
- Once a declaration is made for designated areas within a state, the information on the application process for Economic Injury Disaster Loan assistance will be made available to all affected communities as well as updated on our website: [SBA.gov/disaster](https://www.sba.gov/disaster).
- SBA's Economic Injury Disaster Loans offer up to \$2 million in assistance per small business and can provide vital economic support to small businesses to help overcome the temporary loss of revenue they are experiencing.
- These loans may be used to pay fixed debts, payroll, accounts payable and other bills that can't be paid because of the disaster's impact. The interest rate is 3.75% for small businesses without credit available elsewhere; businesses with credit available elsewhere are not eligible. The interest rate for non-profits is 2.75%.
- SBA offers loans with long-term repayments in order to keep payments affordable, up to a maximum of 30 years. Terms are determined on a case-by-case basis, based upon each borrower's ability to repay.
- SBA's Economic Injury Disaster Loans are just one piece of the expanded focus of the federal government's coordinated response, and the SBA is strongly committed to providing the most effective and customer-focused response possible.

For additional information, please contact the SBA disaster assistance customer service center. Call 1-800-659-2955 (TTY: 1-800-877-8339) or e-mail [disastercustomerservice@sba.gov](mailto:disastercustomerservice@sba.gov). Visit [SBA.gov/disaster](https://www.sba.gov/disaster) for more information.

**For additional information or if you have any questions, please contact [efcommunications@enterprise-florida.com](mailto:efcommunications@enterprise-florida.com).**

**Sent:** Saturday, March 14, 2020 8:35 AM EDT  
**To:** Mayor Buddy Dyer <Buddy.Dyer@cityoforlando.net>  
**Subject:** Large gathering question

**ATTENTION: This email came from an external source. Do not open attachments or click on links from unknown senders or unexpected emails.**

I reached out to the vivid-19 call center. The response was that large gatherings were best decided by local officials. Please!! see my original email below with my question regarding large gatherings. It's very confusing that we are being told no large gatherings yet if it concerns \$ those gatherings aren't being cancelled. It's frustrating that people that host this event (stamp and scrapbook expo 3/19-3/22) fly in from all over the country planned to host a very large event then fly out and on to their next event. To me this seems to go against what the cdc wants in order to stop the spread of covid-19  
Trust me when I say I would be sad to not go to this event. It's an annual trip (I live in palm beach county) that I have already spent \$1000 on hotel and ticket package but I am also concerned about the impact of spreading this illness and I do not believe that making money should be put above stopping the spread of covid19.

Thank you  
Seanna Paul-Hus

Thank you for contacting the COVID-19 Call Center,

It is up to the discretion of the local community and emergency officials to determine the best course of action.

You may also visit CDC's website for more information regarding large gatherings at <https://www.cdc.gov/coronavirus/2019-ncov/community/mass-gatherings-ready-for-covid-19.html> for protective measures.

Please be sure to visit and regularly monitor the Department's dedicated COVID-19 webpage at [www.FloridaHealth.gov/COVID-19](http://www.FloridaHealth.gov/COVID-19). This remains the best and most up-to-date resource for information and guidance regarding COVID-19 in Florida.

Our call center can be reached by calling [1-866-779-6121](tel:1-866-779-6121) or emailing [COVID-19@flhealth.gov](mailto:COVID-19@flhealth.gov) and is currently available [24/7](tel:24/7).

**To:** COVID-19 <[COVID-19@flhealth.gov](mailto:COVID-19@flhealth.gov)>  
**Subject:** Question

I understand that Osceola county has in place no large gatherings. So why is Gaylord Palms still hosting large expos and conventions? The upcoming expo being held next weekend will see large number of exhibitors from out of town and many people attending from all over Florida as well as other states and countries. My understanding the expo stands to lose 2-300,000 if they cancel. But if Gaylord cancels event they wouldn't lose money. I'm just a concerned attendee trying to figure this out. Please respond with any info you have at this time.

Thanks,  
Seanna Paul-Hus

Subject: National Emergency Does Not Stop Destruction of Conservation Areas in Orange County, Florida....."A LAND WITH NO SHAME"

ATTENTION: This email came from an external source. Do not open attachments or click on links from unknown senders or unexpected emails.

.....I most certainly agree with the Opinion below, but I am not SURPRISED by the actions of this Mayor and this City.....How can anyone, with a clear conscience "Slip" this most important "Land-Use" agenda item, (Southwest corner of W Princeton Street and N John Young Parkway, comprised of 71.56 acres ), into this Dark Cloud of Unknown sickness and Disease, that surrounds City Hall,.....and think that it is okay to do so??

Dyer clearly understands how the People of this City and this County, areso Tired of violated Land Conservation promises and Obligations that are being ignored and Defied, by those who allege to be "Leaders". This City, as this County, will "Choke" the good people into an eventually "Fast-Exit", out of this County, due to the "Suffocation" of these inconsiderate, environmentally dangerous, and amateurish pursuits!!.....BuildBuild, Build.....this is the moniker of Orlando and Orange County, in their selfish pursuits to "create" aWorld Class City / County, along with their tunnel-vision Legacy (Undoubtedly), for themselves.

"Citizens be Damned" is what we should expect to see Carved into the buildings they presently work out of.

.....Meanwhile, in this City's "Ambush" tactics and disregard for their Citizens Health & Welfare, they wish to sneak this Land Conservation Agenda item through the portals of "Due Process", and convert environmentally protected land into another Greedy Development, knowing and Hoping, that the Citizens will not or cannot attend and Opine, due to the Fear of this unknown (Covid-19), disease.....Once again, the Denial of Free Speech, and Assembly, through intimidation tactics of the "injected" "Fear" of the (covid-19), and it's unknown, but potentially Fatal consequences,.....at a time that (The City), should be Supporting and Aiding the People, and NOT thinking about Misguided Agenda Items, and those (Damned) Corporations or Developers.....Outrageously Disgusting!!!

Subject: National Emergency Does Not Stop Destruction of Conservation Areas in Orange County, Florida

It was my understanding Orlando Mayor Buddy Dyer had canceled all public meetings and public hearings due to the COVID-19 crisis. However, based on what I read in today's Orlando Sentinel, that is not the case. At least not the case when it comes to destroying conservation land and promoting more reckless growth in Orlando, Orange County, Florida.

Destruction of Orlando, Orange County, Florida Conservation areas continue even during a national emergency underway. How disgusting is this???

This national emergency/crisis should not be used against the people, but it looks like that is what is going to happen. The people should NOT lose their rights in times of a national crisis. That is not what the U.S.A. is all about.

It looks like the City of Orlando, Florida is going to move forward with a "Notice of Land Use Change" Public Hearing on Monday, March 30, 2020, 2:00 PM at Orlando City Hall, City Council Chambers at 400 S Orange Avenue. Seems like this violates the rights of the people to participate in their government. Due to the national emergency, the people are being told to not go anywhere and public events should be limited to just a few people. WHY IS THE CITY OF ORLANDO HAVING THIS PUBLIC HEARING AT THIS TIME UNDER THESE CONDITIONS???

Property....."Generally located Southwest corner of W Princeton Street and N John Young Parkway, comprised of 71.56 acres of land..."

Basically changing it from conservation area to urban activity center, residential low density to residential medium density and more - see details on the public notice. See Sunday, March 22, 2020, Orlando Sentinel, Page J2 "NOTICE OF LAND USE CHANGE". The following was copied from the Orlando Sentinel:

A public hearing on this ordinance will be held during Council's regular meeting beginning at 2:00 p.m., in City Council Chambers, 2nd floor, Orlando City Hall, 400 S. Orange Ave., Orlando, Florida. Interested parties may appear at the meeting and be heard with respect to the proposed ordinance. If a person decides to appeal any decision made by Council with respect to any matter considered at the hearing, he or she will need a record of the proceedings, and that, for such purpose, he or she may need to ensure that a verbatim record of the proceedings is made, which record included the testimony and evidence upon which the appeal is to be based. The proposed ordinance may be inspected by the public at the Office of the City Clerk located on the 9th floor of Orlando City Hall, 400 S. Orange Ave., Orlando, Florida. Qualified persons with disabilities needing auxiliary aid or service, or other assistance, so they can participate equally in this meeting should contact the Office of the City Clerk at (407) 246-2251 as soon as possible but no later than 48 hours before the meeting.

## NOTICE OF LAND USE CHANGE

The City of Orlando proposes to amend the Growth Management Plan to change the use of land within the areas shown on the [map below](#). On **Monday, March 30, 2020**, the Orlando City Council will consider proposed ordinance #2020-21, entitled:

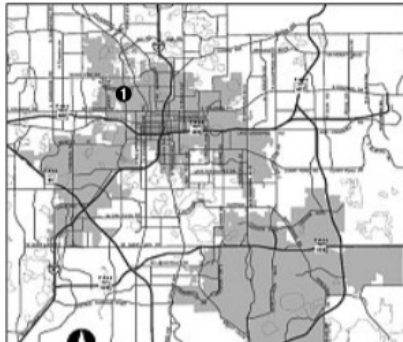

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ORLANDO, FLORIDA, AMENDING THE CITY'S GROWTH MANAGEMENT PLAN TO CHANGE THE FUTURE LAND USE MAP DESIGNATION FOR CERTAIN LAND GENERALLY LOCATED AT THE SOUTHWEST CORNER OF W. PRINCETON STREET AND NORTH JOHN YOUNG PARKWAY, COMPRISED OF 71.56 ACRES OF LAND, MORE OR LESS, FROM CONSERVATION TO URBAN ACTIVITY CENTER, IN PART; URBAN ACTIVITY CENTER TO CONSERVATION, IN PART; RESIDENTIAL LOW INTENSITY TO RESIDENTIAL MEDIUM INTENSITY, IN PART; AND RESIDENTIAL LOW INTENSITY TO CONSERVATION, IN PART; ESTABLISHING A NEW SUBAREA POLICY FOR THE SAME PROPERTY TO PRESERVE THE CONSERVATION AREAS ON THE PROPERTY AND TO PROVIDE A MAXIMUM DEVELOPMENT PROGRAM; CHANGING THE PROPERTY'S ZONING DESIGNATION FROM HOLDING TO URBAN ACTIVITY CENTER, IN PART, AND CONSERVATION, IN PART, AND FROM PLANNED DEVELOPMENT TO MEDIUM INTENSITY DEVELOPMENT, IN PART, AND CONSERVATION, IN PART, ALL WITH THE WEKIVA OVERLAY ZONING DISTRICT, PROVIDING FOR AMENDMENT OF THE CITY'S OFFICIAL FUTURE LAND USE AND ZONING MAPS; PROVIDING FOR SEVERABILITY, CORRECTION OF SCRIVENER'S ERRORS, PERMIT DISCLAIMER, AND AN EFFECTIVE DATE.

The following amendment to the Official Future Land Use Map are proposed:

Project	Parcel Location	Amendment	Case #
1. District West	SW Corner of W. Princeton St. & N. John Young Pkwy	Change the future land use designation from Conservation to Urban Activity Center, Urban Activity Center to Conservation, Residential Low Intensity to	GMP2019-10012

The following amendment to the Official Future Land Use Map are proposed:

Project	Parcel Location	Amendment	Case #
1. District West	SW Corner of W. Princeton St. & N. John Young Pkwy	Change the future land use designation from Conservation to Urban Activity Center, Urban Activity Center to Conservation, Residential Low Intensity to Residential Medium Intensity and Residential Low Intensity to Conservation (±71.56 ac.)	GMP2019-10012

**Subject:** National Student Nurses Association annual meeting

**ATTENTION: This email came from an external source. Do not open attachments or click on links from unknown senders or unexpected emails.**

Dear members of the Governor's staff, Florida Board of Nursing and member's of the Orlando Mayor's office,

The National Student Nurses Association had planned to hold their national convention and annual membership meeting April 15th through 19th at the Disney Coronado Springs resort. It is my understanding that as of this time, despite both the CDC and Governor's office banning gatherings greater than 50 people, the NSNA Board of Directors has still not cancelled their meeting.

This meeting would bring in excess of 1,500 nursing students from across the United States together and increase the likelihood of transmission of the COVID-19 virus.

If the board of the association refuses to cancel the convention then someone from outside the association must force them to do so. I hope you all do the right thing and put pressure on the NSNA to halt this meeting and not jeopardize students' health and safety in the name of revenue.

Sincerely,

An anonymous concerned member

**Subject:** NO BAIL OUTS BUT YES TO LOANS WITH STOCK INCENTIVES

**ATTENTION:** This email came from an external source. Do not open attachments or click on links from unknown senders or unexpected emails.

Secretary Mnuchin,

First I greatly appreciate you reaching out to the small business community to help them. Our company does not need help but we know that many do. What is concerning that the several trillion being thrown at this problem, if not paid back, will ultimately throw this country into a greater calamity than the one we find ourselves.

If Boeing or other large corporations require taxpayer funds, then the government should see that the taxpayers get no lesser terms than any other lending institution or investment bank would demand in times like these. We should get a fair above market interest rate with a stock equity incentive so if the company later prospers the taxpayers will as well. We should do the same but on a more generous basis for small business but make sure the funds are going to viable companies that are hurting instead of companies already failing before the crises that have no hope to survive or repay.

Last year I paid seven figures in taxes, I was not only happy to but proud to. I kept all my corporations here in the US and did not offshore any of them for tax purposes the way many major conglomerates like Amazon, Alphabet/Google and others have. Please make sure that you structure your payments so that the American people are ultimately paid back and see a return. If the companies who approach you, the SBA or other agencies for loans won't accept these terms they are always free to get loans and investments in the private sector.

Thank you for all your great efforts on behalf of our country.

**Best regards,**

**ATTENTION:** This email came from an external source. Do not open attachments or click on links from unknown senders or unexpected emails.

Best Foot Forward Coalition,

Sending you an update on the media attention around tomorrow and Thursday's Operation Best Foot Forward:

**WFTV:** Q McCray recorded an interview at **Broadway and Dakin** that will start airing tomorrow morning (Kissimmee)

**News 13:** Stephanie Bechara is confirmed to cover **Broadway and Dakin** (Kissimmee)

**Fox35:** Confirmed coverage with morning reporter, considering **Living & Broadway** (Orlando)

**WESH:** Megan Mellado will cover in Kissimmee

**WKMG:** Interested in covering **Pine Hills and Figwood** with morning show reporter

**Telemundo:** Confirmed coverage (photographer) of **Broadway and Dakin** with Melissa Zayas

**Osceola News-Gazette:** confirmed coverage of Kissimmee Police

**City of Celebration:** City's newsletter featured an article about Best Foot Forward

All tentative coverage will be confirmed in the morning. We will send you a recap tomorrow of all the day's earned media coverage.

Thanks for your support!

**Subject:** Orlando Company Not Following Guidelines

**ATTENTION: This email came from an external source. Do not open attachments or click on links from unknown senders or unexpected emails.**

Good Day to you both,

I work for Egis/epass in orlando, FL (4974 ORL Tower Road, Orlando, FL) and this company has refused to protect the employees from the spread of COVID-19 and to make matters worse, the project director and HR is now stating that we are exempt from the stay at home order because we work out of a government building and considered a transportation company. We do not provide any transportation at this business, the day shift provides customer service by phone to epass account holder or people that ran the epass toll and looking to take care of the toll and the night shift types in the license plate number for cars that have ran tolls to bill them. At this location we are sharing desk with different shifts and there are no wipes in the building to sanitize the work area. An email that was sent out from HR has given the option to bring your own cleaning materials from home or have nothing due to a shortage in supply. I have been with this employer for over a year and wipes to clean the desk are not something that the company provides despite being forced to share workspaces with different people. There was a team that operated at the Orlando airport which is now in the office knowing that there were tsa workers that have tested positive for the virus. The director is thinking about a dollar and not the safety or well being of the employees. I am a single parent of two kids and can't afford to call out of work because of being penalized with occurrences but at this time each day I step into that building I am putting myself and my kids at risk. I use lyft to get to and from work, and I can only image how many other infected people are getting into these same cars. I am hoping that with the powers at hand, this can be address for the people or Orlando and surrounding areas. I have copied and pasted the emails sent out to all employees for your personal review. I am hoping that this is addressed before the start of my shift at 1pm.

**Sent:** Wednesday, March 25, 2020 5:49pm  
**To:**  
**Subject:** COVID-19 update (25 Mar)

Egis employees, as we stated in our huddles, we want to keep you up to date with as much information as we have but I want to first thank each of you for the continued flexibility and willingness to adapt as the situation both inside and outside work changes!

- We are aware there is a curfew in effect for Orange County. This curfew, Executive Order 2020-03 prevents travel from 11pm to 5am. We've altered work hours for the last shift to end around 10pm. For those supervisors/managers that might be closing up after that time period, I have drafted a letter that (along with your badge) will confirm you are an employee returning from work.
- Thursday night, an Orange County "stay at home" order will go into effect. As each of us are in direct support of a government entity, **work**. **it does not apply to us and will not limit us from continuing to** I have also drafted a letter that (along with your badge) will confirm you are an Egis employee supporting CFX Authority; and, as such are exempt from the stay at home order. We will be providing these letters as necessary through your managers.

Now, I know a number of you are growing more anxious as the number of confirmed cases spike and become closer to us. I share your concern. However, as I spoke with a few of you today, please understand Egis is doing its very best to balance your safety through lessened work hours, alternating work spaces, increased work place cleaning routines, and heightened awareness of potential exposures with continued employment at your regular rate (40hrs paid with 25hrs worked). If you watch the news, you'll see a lot of other employers and employees are in worse situations where they can't afford to keep their staff employed.

Egis knows that we're in this together and when this begins to lessen we need this team to be strong and unified and ready to tackle any work we weren't able to do during these crazy hours. It's much harder to do that if we just shut the doors. That is why we are taking the measures we are.

The take away –

1. We continue to work with modified schedules and alternating work spaces until further notice
2. We're exempt from curfew (when returning from work) and the stay at home order. I will provide official letters for you to use if stopped.
3. Keep yourself clean, distanced, and if you are sick or in close personal contact with someone who has tested positive/been overseas please tell me
4. Our building is closed to the public – please ensure you are individually going through the outside door and not just opening and walking through allowing others to walk through behind you (no piggybacking). Each person needs to scan in.

Thank you all for your continued patience and safety.

Christopher Martin  
HR Manager, Egis Projects, Inc.

Subject: Coronavirus Huddles Summary - 17 Mar 20

Fellow Egis employees,

Yesterday, we met with each of you in your various teams to discuss Egis' response to the Coronavirus.

First, we recognize there is a lot of anxiety about the situation. You likely cannot turn on any form of media and not see Coronavirus stories at the top of the list. And, there is a lot of uncertainty that goes along with various school closings, restaurant closings, etc. In close coordination with our client, CFX, Egis aims to balance the needs of the client with your personal safety. Taking direction from the CDC and the client's desire to keep operational (allowing each of us to remain working and paid), we are making the following changes:

- The Visitor Toll Pass (VTP) project at the airport was temporarily closed on Saturday, 14 Mar.
- The Walk-in Center will close tonight on 18 Mar.
- Those employees will join all the other employees at the main operations center starting on Thursday, 19 Mar.
- Going forward, there will be three primary schedules with very little flexibility: 8am-1pm, 1pm-6pm (for CSRs); and 6pm-11pm/7:30pm-12:30pm (for VTP employees joining us); night shift IRCs have various schedules
- Note – there will be only 1 break and no lunches for these schedules
- All FT employees will work 25hrs/week but be paid for 40hrs/week. PT employees will work 20hrs/week and be paid up to what they would normally have earned prior to this change. The goal is to make the employees "whole" during the time.
- PTO and Benefits will accrue as normal
- Previously approved PTO will be honored
- Andrew has built the schedule to allow a "checkerboard" placement of employees throughout the shifts allowing us to comply with the *recommended 6ft separation between employees*. As this is very complex, if you need to change your schedule, it is on you to find someone to switch with; but, off hour schedules that are not 8-1pm or 1-6pm are not authorized (i.e. folks can't come in at 9am and leave at 2pm). This is because spacing of workstations is our limiting variable.
- If you are sick and unable to come to work, the attendance policy has not changed. You need to call in, in advance, and inform us. If you are gone for 3 days, you'll need to come in with a Dr's note. Occurrences are still in effect and will applied fairly and consistently.
- If you suspect you've been exposed to someone who has a confirmed case of Coronavirus, please communicate that to HR immediately.
- If you have recently gone on a cruise, returned from travel overseas, and/or had personal contact with someone who has, please inform HR immediately.
- Supervisors/Managers are empowered to send employees home that are sick and/or potentially have been exposed. If you are sent home by management, no occurrences will be earned.
- However, if you "self-quarantine" due to heightened concern of the situation, that will be in an unpaid status after your PTO is applied to your missed shifts.
- **As cleaning supplies are in limited availability throughout the region, if you have your own and want to disinfect your shared workstation, you are welcome to. However, please be cognizant of others when using heavily scented cleaning supplies and that some employees are allergic to those chemicals.**
- **CFX has limited quantities of hand sanitizer. We ask you to be frugal in your use of it (e.g. don't use some at the front door, at the top of the stairs and then again before entering your office – 3x the amount and you haven't even touched anything yet). If you need to wash your hands, 20 seconds with soap and hot water is more effective.**
- All operational/technical questions should be directed to your manager. Any other questions that relate to our current situation and these changes should be directed to HR. HR works closely with the Project Director and CFX to ensure all answers are consistent throughout Egis and based on the most relevant information we all have.

We recognize that this is a changing, fluid situation. We ask that you remain flexible. As things change, this schedule might change and that will be communicated out via email and supervisors and/or text alerts if it's immediate in nature. We know this is tough on everyone. We appreciate CFX's understanding and willingness to work with all 300 employees to enable us to work for the time being. Finally, we recognize this email might not answer each individual question. Please direct any questions to Christopher Martin at [cmartin@egisprojectscfx.com](mailto:cmartin@egisprojectscfx.com). If you want him to call you, please send your cell number and he'll return your call ASAP.

Thank you.

//on behalf of //

**Subject:** Please Stop the Orange County Stay-at-Home Order

**ATTENTION: This email came from an external source. Do not open attachments or click on links from unknown senders or unexpected emails.**

Dear Mr. Governor -

As a small business owner who has already closed our offices to the public and has followed all CDC guidelines, the decision by Orange County to issue a stay-at-home order will be a death blow. I am only manning my office with myself, my mother, and a close family friend who has been isolated with us in our home and office.

I am begging you to step in and stop the so-called "stay-at-home" order from being implemented in Orange County. Orange County Mayor Demings is overreacting using bad information. He stated in his press conference that his decision was based on the tremendous spread of the virus, however, as a community we know that additional testing is skewing the number yet they are using new case counts to make this call.

Please step in and stop this unnecessary death blow to small businesses in Orange County, Florida.

Thank you.

Kevin Johnson

**Subject:** Question regarding Daycare/Childcare Closures

**ATTENTION: This email came from an external source. Do not open attachments or click on links from unknown senders or unexpected emails.**

Good Morning Mr. Desantis, Ms. Sledek, and Mr. Dyer

Hope all is well.

I am writing to you as a concerned citizen and parent.

In light of the COVID19 situation, I was wondering if it was mandatory for all daycares/childcares to close down?

It has been brought to my attention that schools in the area, such as Primrose schools, are still in operation and have no plans of closing. I am very concerned for the safety of the staff as well as the students.

Please advise.

Thank you for all that you do for the state of Florida.

Yudit Marin.

**Subject:** Re: Action Required: Governor's Executive Order 20-44 - Survey for Selected FDOH/CCF Contract Providers - Response needed by March 27, 2020

Alex,

Here are the answers to the survey questions. Let me know if you need any additional information.

1. Legal Name: City of Orlando
2. Tax ID: 59-6000396
3. DUNS: 070343640
4. Type of Organization: Local Municipality
5. City: Orlando; County: Orange
6. Does your org have a President/Director/Chief Executive: Yes
7. Name, Title, Contact: John H. Dyer Jr, Mayor, buddy.dyer@cityoforlando.net
8. Does your org have a Chief Financial Officer: Yes
9. Name, Title, Contact: Christopher P. McCullion, Chief Financial Officer, christopher.mccullion@orlando.gov
10. If your org is a "Not-For-Profit" under Internal Revenue Codes, what is the highest Salary Compensation package of your highest paid employee? \$0 since the answer is No but it wants a currency to move forward
11. Did your organization prepare an IRS Form 990 in the previous FY: No
12. What is the dollar amount of your org's capital (assets & revenue) that is from grant funding?  
State: \$5,511,340  
Federal: \$22,485,372  
Other: \$28,404
13. What is the dollar amount of your total assets: \$3,766,874,112

Thanks,

Lisa - I looked at the survey link - I can only see the first page but we can get that information to you. In looking at the order, and as Chris said, it doesn't appear we meet the criteria since we don't get 50% of our funding from federal or state agencies. Hopefully the survey questions will be sufficient to get to that conclusion and we won't have to submit unnecessary information.

Tara - Can you please review the responses needed for the survey?

Thanks.

Michelle

**Subject:** Fw: Action Required: Governor's Executive Order 20-44 - Survey for Selected FDOH/CCF Contract Providers - Response needed by March 27, 2020

All:

FYI, see below and attached. Along with probably thousands of other organizations throughout the state, we've been caught in this Executive Order because the City has a contract with the State of Florida, via the Florida Dept. of Health, for the federally-funded After School Meals Program. For context, the agreement with the State of Florida was approved by City Council back in 2015 ([here's a link to the CAI](#)).

I'm guessing that Legal needs to review this before a response is provided. And, since most of the questions relate to City business overall, not specifically FPR, which department is in the best position to respond?

Please advise, thanks.

-Lisa

**Subject:** Action Required: Governor's Executive Order 20-44 - Survey for Selected FDOH/CCF Contract Providers - Response needed by March 27, 2020

**ATTENTION: This email came from an external source. Do not open attachments or click on links from unknown senders or unexpected emails.**

Hello Providers,

On February 20, 2020, Governor Ron DeSantis issued **Executive Order Number 20-44** (attached) which requires the Florida Department of Health (Department) to submit a list of all entities as outlined in the Executive Order.

Your organization is receiving this communication from the Department as a result of an evaluation of active contracts and other agreements funded by the Department. In accordance with Executive Order 20-44, please complete this [Online Survey](#) and submit your attestation to the Department by **March 27<sup>th</sup>, 2020**.

Based on your response, the Department may request supporting documentation. For example, supporting documentation may include:

- Most recent financial year's IRS 990 form;
- Most recent financial year's Florida Single Audit Act documentation or, if not applicable, most recent financial year's audited financial statements;
- Current annual budget, including all funding sources; and
- Details regarding total compensation for the executive leadership team for the most recent financial year, including salary, bonuses, cashed-in leave, cash equivalents, severance pay, retirement benefits, deferred compensation, real-property gifts, and any other payout.
  - Executive leadership is defined as, at a minimum, the organization's chief executive officer, chief operating officer, chief financial officer, or those who function in these positions regardless of title.

If you have any questions regarding the timely and complete submission of this request, please contact [ExecutiveOrder2044@flhealth.gov](mailto:ExecutiveOrder2044@flhealth.gov).

FL-ORLANDO-20-1073-A-000522

Thank you,

**PLEASE NOTE:** Florida has a very broad public records law. Most written communications to or from state officials regarding state business are public records available to the public and media upon request. Your e-mail communications may therefore be subject to public disclosure.

---

Florida has a very broad public records law. As a result, any written communication created or received by the City of Orlando officials and employees will be made available to the public and media, upon request, unless otherwise exempt. Under Florida law, email addresses are public records. If you do not want your email address released in response to a public records request, do not send electronic mail to this office. Instead, contact our office by phone or in writing.

On February 20, 2020, Governor Ron DeSantis issued **Executive Order Number 20-44** (attached) which requires the Florida Department of Health (Department) to submit a list of all entities as outlined in the Executive Order.

Your organization is receiving this communication from the Department as a result of an evaluation of active contracts and other agreements funded by the Department. In accordance with Executive Order 20-44, please complete this [Online Survey](#) and submit your attestation to the Department by **March 27<sup>th</sup>, 2020**.

Based on your response, the Department may request supporting documentation. For example, supporting documentation may include:

- Most recent financial year's IRS 990 form;
- Most recent financial year's Florida Single Audit Act documentation or, if not applicable, most recent financial year's audited financial statements;
- Current annual budget, including all funding sources; and
- Details regarding total compensation for the executive leadership team for the most recent financial year, including salary, bonuses, cashed-in leave, cash equivalents, severance pay, retirement benefits, deferred compensation, real-property gifts, and any other payout.
  - Executive leadership is defined as, at a minimum, the organization's chief executive officer, chief operating officer, chief financial officer, or those who function in these positions regardless of title.

If you have any questions regarding the timely and complete submission of this request, please contact [ExecutiveOrder2044@flhealth.gov](mailto:ExecutiveOrder2044@flhealth.gov).

Thank you,

**PLEASE NOTE:** Florida has a very broad public records law. Most written communications to or from state officials regarding state business are public records available to the public and media upon request. Your e-mail communications may therefore be subject to public disclosure.

---

Florida has a very broad public records law. As a result, any written communication created or received by the City of Orlando officials and employees will be made available to the public and media, upon request, unless otherwise exempt. Under Florida law, email addresses are public records. If you do not want your email address released in response to a public records request, do not send electronic mail to this office. Instead, contact our office by phone or in writing.

Lisa - I looked at the survey link - I can only see the first page but we can get that information to you In looking at the order, and as Chris said, it doesn't appear we meet the criteria since we don't get 50% of our funding from federal or state agencies. Hopefully the survey questions will be sufficient to get to that conclusion and we won't have to submit unnecessary information.

Tara - Can you please review the responses needed for the survey?

Thanks.

Michelle

**Subject:** Fw: Action Required: Governor's Executive Order 20-44 - Survey for Selected FDOH/CCF Contract Providers - Response needed by March 27, 2020

All:

FYI, see below and attached. Along with probably thousands of other organizations throughout the state, we've been caught in this Executive Order because the City has a contract with the State of Florida, via the Florida Dept. of Health, for the federally-funded After School Meals Program. For context, the agreement with the State of Florida was approved by City Council back in 2015 ([here's a link to the CAI](#)).

I'm guessing that Legal needs to review this before a response is provided. And, since most of the questions relate to City business overall, not specifically FPR, which department is in the best position to respond?

Please advise, thanks.

-Lisa

Hello Providers,

On February 20, 2020, Governor Ron DeSantis issued **Executive Order Number 20-44** (attached) which requires the Florida Department of Health (Department) to submit a list of all entities as outlined in the Executive Order.

Your organization is receiving this communication from the Department as a result of an evaluation of active contracts and other agreements funded by the Department. In accordance with Executive Order 20-44, please complete this [Online Survey](#) and submit your attestation to the Department by **March 27<sup>th</sup>, 2020**.

Based on your response, the Department may request supporting documentation. For example, supporting documentation may include:

- Most recent financial year's IRS 990 form;
- Most recent financial year's Florida Single Audit Act documentation or, if not applicable, most recent financial year's audited financial statements;
- Current annual budget, including all funding sources; and
- Details regarding total compensation for the executive leadership team for the most recent financial year, including salary, bonuses, cashed-in leave, cash equivalents, severance pay, retirement benefits, deferred compensation, real-property gifts, and any other payout.
  - Executive leadership is defined as, at a minimum, the organization's chief executive officer, chief operating officer, chief financial officer, or those who function in these positions regardless of title.

If you have any questions regarding the timely and complete submission of this request, please contact [ExecutiveOrder2044@flhealth.gov](mailto:ExecutiveOrder2044@flhealth.gov).

Thank you,

**PLEASE NOTE:** Florida has a very broad public records law. Most written communications to or from state officials regarding state business are public records available to the public and media upon request. Your e-mail communications may therefore be subject to public disclosure.

---

Florida has a very broad public records law. As a result, any written communication created or received by the City of Orlando officials and employees will be made available to the public and media, upon request, unless otherwise exempt. Under Florida law, email addresses are public records. If you do not want your email address released in response to a public records request, do not send electronic mail to this office. Instead, contact our office by phone or in writing.

---

## Executive Order 20 - 44 Questions and Answers

- 1. Will my organization's documents be released to another party?**
  - All documents submitted to the Department become public records available to members of the public upon request. The Department will redact any confidential prior to releasing them should a request be received for the documents.
- 2. Can I redact confidential information?**
  - If you chose to redact confidential information, please include a statutory citation for justification. The Department may ask for additional information regarding any redacted details in order to ascertain the information needed to respond to the Executive Order.
- 3. The state is not entitled to all documentation regarding my private business!**
  - We understand that many organizations that do business with the state, including DOH, are private businesses. In the spirit of transparency and public trust, and a recipient of state taxpayer dollars, we ask for your cooperation with this request.
- 4. Our executives are employed by and paid through a parent company; that portion of this request is not applicable to our DOH contract.**
  - This request stems from an Executive Order from Governor Ron DeSantis. We appreciate and understand your concerns; however, we ask that you comply with this request.
- 5. The Executive Order discusses "all state and federal funds." Do we need to tell you all the state or federal funds we receive from all sources (e.g. DOH and other grantors)?**
  - Yes.
- 6. Does this apply to our subcontracted providers that also receive state and federal funds?**
  - At this time, the Department is only seeking details regarding funds associated directly with your business entity's legal name and IRS/tax id number.

## OFFICE OF THE GOVERNOR

### EXECUTIVE ORDER NUMBER 20-44

**WHEREAS**, the Florida Coalition Against Domestic Violence (Coalition) submitted documents to the Executive Office of the Governor and Florida House of Representatives on February 12, 2020, revealing that the Coalition used funds from the Department of Children and Families to subsidize exorbitant executive leadership team compensation payouts; and

**WHEREAS**, information indicates the number of survivors turned away from domestic violence shelters around the State grew as the Coalition increasingly directed State-allocated funds to executive team compensation; and

**WHEREAS**, upon receiving evidence of the Coalition's fiscal irresponsibility, I ordered the Office of the Chief Inspector General to conduct a thorough review of the Coalition's compensation practices and to refer the matter for additional investigation, if necessary; and

**WHEREAS**, several provisions of law require various Executive agencies to enter sole-source contracts or other agreements with certain private entities on a non-competitive basis; and

**WHEREAS**, section 39.903, Fla. Stat., provides one example by requiring the Department of Children and Families to contract with the Coalition for the delivery and management of services for the State's domestic violence program; and

**WHEREAS**, significant State funds are directed to private organizations through mandatory, non-competitive State contracts and other public-private agreements; and

**WHEREAS**, Florida law requires that each agency include in contracts with outside organizations appropriate audit and oversight authority and agency access to documents, papers, letters, or other material made or received by the contractor in conjunction with the contract; and

**WHEREAS**, public-private partnerships effectively serve the People of Florida only when good stewards of State funds lead the partnership and uphold the values of transparency and accountability.

**NOW, THEREFORE, I, RON DESANTIS**, as Governor of Florida, by virtue of the authority vested in me by Article IV, Section 1(a) of the Florida Constitution, and all other applicable laws, promulgate the following Executive Order, to take immediate effect:

Section 1. I hereby direct all Executive agencies to submit to the Executive Office of the Governor, within 45 days of this Order, a list of: (a) all entities named in statute with which the agency must form a sole-source, public-private agreement; and (b) all entities that, through contract or other agreement with the State, annually receive 50% or more of their budget from the State or from a combination of State and Federal funds.

Section 2. I further direct that, within 45 days of submission of the list, each agency obtain and review copies of the IRS Form 990 and other documentation for each listed entity showing total compensation—to include salary, bonuses, cashed-in leave, cash equivalents, severance pay, retirement benefits, deferred compensation, real-property gifts, and any other payout—for all members of the listed contractors' executive leadership teams for the past year. If the compensation totals exceed limits set forth in federal or state law and regulations, the agency shall refer the matter to the Office of the Chief Inspector General for investigation and appropriate action.

Section 3. In addition, within 45 days of submission of the list from Section 1 of this Order, each Executive agency must verify compliance with the Florida Single Audit Act and develop, for submission to the Office of the Chief Inspector General, an appropriate corrective

action plan for non-compliance or any issues noted, and a timeline for completion of the corrective action plans.

Section 4. Each Executive agency shall henceforth require, from entities that meet the criteria listed in Section 1 of this Order, an annual report, including the most recent IRS Form 990, detailing the total compensation for the entities' executive leadership teams. Total compensation shall include salary, bonuses, cashed-in leave, cash equivalents, severance pay, retirement benefits, deferred compensation, real-property gifts, and any other payout. In addition, contracted entities must agree through appropriate contract or grant agreement amendment to inform the agency of any changes in total executive compensation between the annual reports. All compensation reports must indicate what percent of compensation comes directly from the State or Federal allocations to the contracted entity.

IN TESTIMONY WHEREOF, I have hereunto set my hand and caused the Great Seal of the State of Florida to be affixed, at Tallahassee, this 20th day of February, 2020

  
GOVERNOR

FL-ORLANDO-20-1073-A-000534

Alex,

Here are the answers to the survey questions. Let me know if you need any additional information.

1. Legal Name: City of Orlando
2. Tax ID: 59-6000396
3. DUNS: 070343640
4. Type of Organization: Local Municipality
5. City: Orlando; County: Orange
6. Does your org have a President/Director/Chief Executive: Yes
7. Name, Title, Contact: John H. Dyer Jr, Mayor, buddy.dyer@cityoforlando.net
8. Does your org have a Chief Financial Officer: Yes
9. Name, Title, Contact: Christopher P. McCullion, Chief Financial Officer, christopher.mccullion@orlando.gov
10. If your org is a "Not-For-Profit" under Internal Revenue Codes, what is the highest Salary Compensation package of your highest paid employee? \$0 since the answer is No but it wants a currency to move forward
11. Did your organization prepare an IRS Form 990 in the previous FY: No
12. What is the dollar amount of your org's capital (assets & revenue) that is from grant funding?  
State: \$5,511,340  
Federal: \$22,485,372  
Other: \$28,404
13. What is the dollar amount of your total assets: \$3,766,874,112

Thanks,

**From:** Executive Order 2044 <ExecutiveOrder2044@flhealth.gov>

**Sent:** Monday, March 16, 2020 12:28 PM

**To:** Executive Order 2044 <ExecutiveOrder2044@flhealth.gov>

**Subject:** Action Required: Governor's Executive Order 20-44 - Survey for Selected FDOH/CCF Contract Providers - Response needed by March 27, 2020

**ATTENTION:** This email came from an external source. Do not open attachments or click on links from unknown senders or unexpected emails.

Hello Providers,

On February 20, 2020, Governor Ron DeSantis issued **Executive Order Number 20-44** (attached) which requires the Florida Department of Health (Department) to submit a list of all entities as outlined in the Executive Order.

Your organization is receiving this communication from the Department as a result of an evaluation of active contracts and other agreements funded by the Department. In accordance with Executive Order 20-44, please complete this [Online Survey](#) and submit your attestation to the Department by **March 27<sup>th</sup>, 2020**.

Based on your response, the Department may request supporting documentation. For example, supporting documentation may include:

- Most recent financial year's IRS 990 form;
- Most recent financial year's Florida Single Audit Act documentation or, if not applicable, most recent financial year's audited financial statements;
- Current annual budget, including all funding sources; and
- Details regarding total compensation for the executive leadership team for the most recent financial year, including salary, bonuses, cashed-in leave, cash equivalents, severance pay, retirement benefits, deferred compensation, real-property gifts, and any other payout.
  - Executive leadership is defined as, at a minimum, the organization's chief executive officer, chief operating officer, chief financial officer, or those who function in these positions regardless of title.

If you have any questions regarding the timely and complete submission of this request, please contact [ExecutiveOrder2044@flhealth.gov](mailto:ExecutiveOrder2044@flhealth.gov).

Thank you,

**PLEASE NOTE:** Florida has a very broad public records law. Most written communications to or from state officials regarding state business are public records available to the public and media upon request. Your e-mail communications may therefore be subject to public disclosure.

---

Florida has a very broad public records law. As a result, any written communication created or received by the City of Orlando officials and employees will be made available to the public and media, upon request, unless otherwise exempt. Under Florida law, email addresses are public records. If you do not want your email address released in response to a public records request, do not send electronic mail to this office. Instead, contact our office by phone or in writing.

Lisa - I looked at the survey link - I can only see the first page but we can get that information to you. In looking at the order, and as Chris said, it doesn't appear we meet the criteria since we don't get 50% of our funding from federal or state agencies. Hopefully the survey questions will be sufficient to get to that conclusion and we won't have to submit unnecessary information.

Tara - Can you please review the responses needed for the survey?

Thanks.

Michelle

**Subject:** Fw: Action Required: Governor's Executive Order 20-44 - Survey for Selected FDOH/CCF Contract Providers - Response needed by March 27, 2020

All:

FYI, see below and attached. Along with probably thousands of other organizations throughout the state, we've been caught in this Executive Order because the City has a contract with the State of Florida, via the Florida Dept. of Health, for the federally-funded After School Meals Program. For context, the agreement with the State of Florida was approved by City Council back in 2015 ([here's a link to the CAI](#)).

I'm guessing that Legal needs to review this before a response is provided. And, since most of the questions relate to City business overall, not specifically FPR, which department is in the best position to respond?

Please advise, thanks.

-Lisa

**ATTENTION: This email came from an external source. Do not open attachments or click on links from unknown senders or unexpected emails.**

Hello Providers,

On February 20, 2020, Governor Ron DeSantis issued **Executive Order Number 20-44** (attached) which requires the Florida Department of Health (Department) to submit a list of all entities as outlined in the Executive Order.

Your organization is receiving this communication from the Department as a result of an evaluation of active contracts and other agreements funded by the Department. In accordance with Executive Order 20-44, please complete this [Online Survey](#) and submit your attestation to the Department by **March 27<sup>th</sup>, 2020**.

Based on your response, the Department may request supporting documentation. For example, supporting documentation may include:

- Most recent financial year's IRS 990 form;
- Most recent financial year's Florida Single Audit Act documentation or, if not applicable, most recent financial year's audited financial statements;
- Current annual budget, including all funding sources; and
- Details regarding total compensation for the executive leadership team for the most recent financial year, including salary, bonuses, cashed-in leave, cash equivalents, severance pay, retirement benefits, deferred compensation, real-property gifts, and any other payout.

- Executive leadership is defined as, at a minimum, the organization's chief executive officer, chief operating officer, chief financial officer, or those who function in these positions regardless of title.

If you have any questions regarding the timely and complete submission of this request, please contact [ExecutiveOrder2044@flhealth.gov](mailto:ExecutiveOrder2044@flhealth.gov).

Thank you,

**PLEASE NOTE:** Florida has a very broad public records law. Most written communications to or from state officials regarding state business are public records available to the public and media upon request. Your e-mail communications may therefore be subject to public disclosure.

---

Florida has a very broad public records law. As a result, any written communication created or received by the City of Orlando officials and employees will be made available to the public and media, upon request, unless otherwise exempt. Under Florida law, email addresses are public records. If you do not want your email address released in response to a public records request, do not send electronic mail to this office. Instead, contact our office by phone or in writing.

First question for the attorneys is whether this even applies to the City... It appears to apply to organizations specifically named in State statute, or to organizations that get at least 50% of their revenues from State and Federal sources.

Are we (the City of Orlando) specifically named somewhere in statute? We do not get 50% or more of our revenues from State and Federal funds.

From the executive order:

Section 1. I hereby direct all Executive agencies to submit to the Executive Office of the Governor, within 45 days of this Order, a list of: (a) all entities named in statute with which the agency must form a sole-source, public-private agreement; and (b) all entities that, through contract or other agreement with the State, annually receive 50% or more of their budget from the State or from a combination -of State and Federal funds.

**Subject:** Action Required: Governor's Executive Order 20-44 - Survey for Selected FDOH/CCF Contract Providers - Response needed by March 27, 2020

**ATTENTION: This email came from an external source. Do not open attachments or click on links from unknown senders or unexpected emails.**

Hello Providers,

On February 20, 2020, Governor Ron DeSantis issued **Executive Order Number 20-44** (attached) which requires the Florida Department of Health (Department) to submit a list of all entities as outlined in the Executive Order.

Your organization is receiving this communication from the Department as a result of an evaluation of active contracts and other agreements funded by the Department. In accordance with Executive Order 20-44, please complete this [Online Survey](#) and submit your attestation to the Department by **March 27<sup>th</sup>, 2020**.

Based on your response, the Department may request supporting documentation. For example, supporting documentation may include:

- Most recent financial year's IRS 990 form;
- Most recent financial year's Florida Single Audit Act documentation or, if not applicable, most recent financial year's audited financial statements;
- Current annual budget, including all funding sources; and
- Details regarding total compensation for the executive leadership team for the most recent financial year, including salary, bonuses, cashed-in leave, cash equivalents, severance pay, retirement benefits, deferred compensation, real-property gifts, and any other payout.
  - Executive leadership is defined as, at a minimum, the organization's chief executive officer, chief operating officer, chief financial officer, or those who function in these positions regardless of title.

If you have any questions regarding the timely and complete submission of this request, please contact [ExecutiveOrder2044@flhealth.gov](mailto:ExecutiveOrder2044@flhealth.gov).

Thank you,

**PLEASE NOTE:** Florida has a very broad public records law. Most written communications to or from state officials regarding state business are public records available to the public and media upon request. Your e-mail communications may therefore be subject to public disclosure.

Dear Mayor Dyer & Mayor Demings,

Thank you for your efforts to mitigate the spread of coronavirus in our county and city. As an OCPS teacher, I appreciate this very much your efforts.

I wanted to share a personal concern over Orange County residents who work in Seminole County, and are attempting to obey OC curfews and "stay at home" orders, are autoimmune compromised, and have children who suffer from severe respiratory conditions - and yet they are being forced to physically report to work in non-essential city duties.

My sister is in this predicament, she works for the city of Oviedo but resides in Orlando. We have prayed for a resolution, for an opportunity for her to be able to tele-work and stay with her family without endangering them, but we haven't found one. I don't want to disclose her full name to protect her for any work repercussions.

Does FMLA protect her? What does your office(s) suggest?

Thank you,  
Cynthia B. Wilson

Hi All

Please feel free to contact us direct as you now have our number

The clients have agreed to the terms and conditions which I have attached below we they are bound to as are we . The reason why companies have terms and conditions is to protect them selves legally should anything like this arise

Also to explain a little more

We are the agent not the owner and the owner has already been paid for the booking as per the terms and conditions of the reservation. The owner had agreed although they are under no legal obligation to change the dates of the reservation

I hope you understand we are in a tricky situation as we are trying to look after our guest and also the owners and are trying to do our best in this uncertain times

We have also offered tochange the reservation dates which has been declined on numerous times. I have also attached the terms and conditions that were agreed to when booking so you understand our position also which are very very clear

5.2 The Owner, Executive Villas [Florida.com](http://Florida.com) Inc acting as agent or its designated Management Company, as applicable, accepts no responsibility for, and shall not be liable in respect of any loss, damages, alteration, delay or changes arising from circumstances outside our control – these include (but are not limited to) war (or threat of war), acts of terrorism, fire, adverse weather conditions, government actions, closure, congestion of airports, cancellation or changes of flight schedules, theft from the Villa premises (both interior and exterior including garage and pool & spa areas), ongoing construction or alteration work to any houses

To Whom It May Concern;

There have been myriads of news bulletins posted over the last week or so asking many travelers not to visit Florida during the pandemic of covid-19. As you know, this time of year is peak season for many families of all ethnicities and religions seeking a lovely escape from every day life to the nicest and sunniest state which offers so much! The governor of Florida is doing everything to prevent travelers from coming down, specifically asking travelers to quarantine themselves for 14 days upon arrival... so we got the message... we won't come!

Airlines are allowing cancellations, rental cars are allowing cancellations, and so is VRBO & AIRBNB....

HOWEVER, these villas we rented under Executive Villas Florida Inc will not refund money for cancellations. Apparently they have a policy to take others money in a time of crisis. I ask you in the kindest way to help out in this situation before it gets all over the internet as I am reaching out to you for help!

Their number is (863) 969-9180.

I would expect a return email from someone that this was handled or it's obvious that the seriousness of the situation is not as bad as you say.

See examples from the BBB website discussing recent conversations. There are many more if you search the internet.

I am writing to you to express my severe disappointment in Executive Villas Florida. I have booked a trip on May 9th to 16th 2020 and due to the Covid-19 pandemic, the air lines have cancelled our flights. There is a travel ban in affect and I am not able to get any flight from Canada into the US now. I have expressed my concern to Executive Villas multiple times however they do not reply to my emails, messages or phone calls. I finally received a message today that seems to be an automated response advising of their standard cancellation policy. According to that policy I am to lose 50% of the total booking cost. I stand to lose \$2200CAD and feel that this not acceptable as my flights have been cancelled because the travel ban put in place by our government due to Covid-19. I feel this should definitely fall within their extenuating circumstances. Furthermore, I work in law enforcement and all active members have currently had their leave of absences revoked until further notice due to Covid-19. This too should qualify me for their extenuating circumstances and allow me to receive a refund.

<image001.png>

Executive Villas Florida.com, Inc. Response

03/25/2020

Hi We are the agent not the owner and the owner has already been paid for the booking as per the terms and conditions of the reservation when you made the booking . The owner had agreed although they are under no legal obligation to change the dates of the reservation which we have offered I hope you understand we are in a tricky situation as we are trying to look after our guest and also the owners and are trying to do our best in this uncertain times Please let me know what dates we can change the reservation to and I have also attached the terms and conditions that were agreed to when booking so you understand our position also which is quite clear the reason for terms and conditions is to protect both parties and we have to adhere to them 5.2 The Owner, Executive Villas Florida.com Inc acting as agent or its designated Management Company, as applicable, accepts no responsibility for, and shall not be liable in respect of any loss, damages, alteration, delay or changes arising from circumstances outside our control - these include (but are not limited to) war (or threat of war), acts of terrorism, fire, adverse weather conditions, government actions, closure, congestion of airports, cancellation or changes of flight schedules, theft from the Villa premises (both interior and exterior including garage and pool & spa areas), ongoing construction or alteration work to any houses

03/23/2020

I have been looking at the reviews for Executive Villas all morning and I wish I had known better. This company has basically stolen \$1500 from me and my sister who is a single mother of 2 special needs children with low functioning autism, who lost her job due to the Corona Virus pandemic and will be unable to reschedule her part of the trip due to money. I messaged the company in regards to canceling the trip, for my sister's reasons, the Corona virus had shut down the theme parks (our reason for visiting) and I was greatly concerned about my own

special needs son who is medically fragile. I used the same thread that I had received communication from them before, to ensure they saw it. There was no response back to my request for a refund. I messaged them through the Home Away website (where I booked the villa originally) and got a very formula response from "Andrew" - I suspect because Home Away monitors communication. When I responded in even greater detail and showed my growing frustration, I got back almost the same response word for word - again from "Andrew". My third communication with him was matter of fact and "Andrew" responded with a request for a screenshot of the emails. I happily obliged only to get the following response from a new person "Lorena C.". ""Hi, Sorry for any confusion, but please let us know what your question is? We do not get to see the chain of emails. Kind regards, Lorena C. Executive Villas Florida" This is a joke right? Didn't get the emails, didn't read through the thread of messages on Home Away. As I write this review, I have literally gotten yet another message from "Andrew" asking me once again for a copy of the email. I am contacting the Better Business Bureau, A\*\*\*\*\*'s Office and placing this review on every single piece of social media that has their name on it. Please do yourself a favor, DO NOT USE THIS COMPANY. They are crooks, liars and steal money out of the hands of disabled children. No honor, no integrity.  
<image001.png>

Executive Villas Florida.com, Inc. Response  
03/25/2020

Hi Jenna That's completely incorrect we have sent multiple emails and had responses back As explained We are the agent not the owner and the owner has already been paid for the booking as per the terms and conditions of the reservation when you made the booking . The owner had agreed although they are under no legal obligation to change the dates of the reservation which we have offered I hope you understand we are in a tricky situation as we are trying to look after our guest and also the owners and are trying to do our best in this uncertain times Please let me know what dates we can change the reservation to and I have also attached the terms and conditions that were agreed to when booking so you understand our position also which is quite clear the reason for terms and conditions is to protect both parties and we have to adhere to them 5.2 The Owner, Executive Villas Florida.com Inc acting as agent or its designated Management Company, as applicable, accepts no responsibility for, and shall not be liable in respect of any loss, damages, alteration, delay or changes arising from circumstances outside our control - these include (but are not limited to) war (or threat of war), acts of terrorism, fire, adverse weather conditions, government actions, closure, congestion of airports, cancellation or changes of flight schedules, theft from the Villa premises (both interior and exterior including garage and pool & spa areas), ongoing construction or alteration work to any houses

sophospsmartbannerend

Good morning,

I am a concerned citizen and spouse of a construction worker. I write to all who possess the power to act swiftly and decisively on this urgent matter.

As of 3/23/2020, according to the FDOT website (See attached Excel Sheet), there are at least 500 active construction projects on bridges and roads all across Florida. If we estimate that there are at least 15 workers coming into contact on each site, that would add up to 7500 people that are in danger of contracting and spreading SARS-CoV-2. If you factor in the family members they go home to, including spouses, children, and other family members, both young and elderly, then the number of people in danger of severe disease and/or death rises exponentially. It is of immediate importance that nonessential FDOT projects be suspended immediately. There are lives at stake. We cannot allow the avarice of the industrial owners to dictate that profit is more important than human life.

For perspective, I also attached an image provided by the FDOT website on 3/23/2020, which highlights in blue marker all FDOT active projects.

Construction workers and inspectors are at severe risk of SARS-CoV-2 infection. The owners of companies will continue to endanger the lives of their workers until mandated otherwise. Workers, who often live paycheck to paycheck, will continue to work even if sick. We desperately need strong Florida leadership to do the right thing and close down all nonessential FDOT projects until it is once again safe to resume.

Thank you for your time.

Respectfully,

Dayana Valdes

Good Morning Heather,

I was just following up to see what I need to do to be considered for the GOAA Board. I am very interested in becoming an active board committee member and appreciate any assistance you can provide. I am very active in CFHLA as a member of the Executive Board of Directors and am a recent graduate of the PLI Class. I look forward to hearing back from you.

Enjoy your weekend,

Rich,  
Thank you again for inviting Mayor Dyer yesterday, I think it was beneficial conversation for all.

I wanted to follow up on a few items. To confirm, your request for a Magic suite for the auction is in process and we have added in a soccer game as well.

Also, do you have an email for Jay Leonard, he expressed interest in serving on the Expressway Authority Board so I wanted to forward the application to him

Thanks,  
Heather

**ATTENTION:** This email came from an external source. Do not open attachments or click on links from unknown senders or unexpected emails.

Dear All,

Good Evening.As you all know the news that the Florida Governor has declared Corona Virus, a public health emergency in Florida.

Next week Health Conference HIMSS will be in Orlando with almost 45000 people (Ref: <https://www.himssconference.org/>) coming from all over the world to attend. Kindly disallow or ask the organizers to cancel/reschedule the conference to later date. Even though the event is a financial booster for Orlando and Orange County, but not at the expense of people's lives knowing the severity of Virus spreading and Deaths across the world including US. Orlando should not be allowed to be a breeding ground for Corona. I do not see any one good reason to allow conferences or large gatherings as the cure to Corona is a distant reach at this point.

I urge you all to kindly do the needful.

Thanks  
Siva

Seanna:

Thanks for your email to Mayor Dyer, who asked that I respond.

In the City of Orlando, we have canceled or postponed large city-hosted or sponsored events, including events at our Amway Center and Dr. Phillips Center for the Performing Arts.

Gaylord Palms is outside of the city's jurisdiction. Have you shared your concerns with the event organizers?

Thank you,  
Doug

Doug Richards, Director of Community Engagement and Outreach  
City of Orlando Office of the Mayor

**Subject:** Large gathering question

**ATTENTION: This email came from an external source. Do not open attachments or click on links from unknown senders or unexpected emails.**

I reached out to the covid-19 call center. The response was that large gatherings were best decided by local officials. Please!! see my original email below with my question regarding large gatherings. It's very confusing that we are being told no large gatherings yet if it concerns \$ those gatherings aren't being cancelled. It's frustrating that people that host this event (stamp and scrapbook expo 3/19-3/22) fly in from all over the country planned to host a very large event then fly out and on to their next event. To me this seems to go against what the cdc wants in order to stop the spread of covid-19

Trust me when I say I would be saddened to not go to this event. It's an annual trip (I live in palm beach county) that I have already spent \$1000 on hotel and ticket package but I am also concerned about the impact of spreading this illness and I do not believe that making money should be put above stopping the spread of covid19.

Thank you  
Seanna Paul-Hus

Thank you for contacting the COVID-19 Call Center,

It is up to the discretion of the local community and emergency officials to determine the best course of action.

You may also visit CDC's website for more information regarding large gatherings at <https://www.cdc.gov/coronavirus/2019-ncov/community/mass-gatherings-ready-for-covid-19.html> for protective measures.

Please be sure to visit and regularly monitor the Department's dedicated COVID-19 webpage at [www.FloridaHealth.gov/COVID-19](http://www.FloridaHealth.gov/COVID-19). This remains the best and most up-to-date resource for information and guidance regarding COVID-19 in Florida.

Our call center can be reached by calling [1-866-779-6121](tel:1-866-779-6121) or emailing [COVID-19@flhealth.gov](mailto:COVID-19@flhealth.gov) and is currently available 24/7.

**Subject:** Question

I understand that Osceola county has in place no large gatherings. So why is Gaylord Palms still hosting large expos and conventions? The upcoming expo being held next weekend will see large number of exhibitors from out of town and many people attending from all over Florida as well as other states and countries. My understanding the expo stands to lose 2-300,000 if they cancel. But if Gaylord cancels event they wouldn't lose money. I'm just a concerned attendee trying to figure this out. Please respond with any info you have at this time.

Thanks,  
Seanna Paul-Hus

Thank you for responding. What jurisdiction is Gaylord in?

I reached out to everyone I can think of with not much luck. Scrapbook expo and Gaylord are locked in a financial stalemate at the cost of ignoring guidance from CDC. It's so disturbing to me that instead of doing the right thing to "flatten the curve" of this pandemic they are more concerned with financial gain. The local area should be concerned for all the outsiders from this event that could unknowingly spread this virus here in our backyard. Thank you for letting me vent. If you can offer any suggestions please respond.

Sincerely

Seanna Paul-Hus

**FROM:** Helen Aguirre Ferré, Director of Communications, Governor Ron DeSantis

**DATE:** March 20, 2020

**RE:** Executive Order 20-69

---

Good morning:

Today, Governor Ron DeSantis issued Executive Order 20-69, regarding local government public meetings.

A PDF copy of the Executive Order is attached to this email and provided below.

Sincerely,

Helen Aguirre Ferré  
Director of Communications  
Governor Ron DeSantis

---

**STATE OF FLORIDA  
OFFICE OF THE GOVERNOR  
EXECUTIVE ORDER NUMBER 20-69**

(Emergency Management – COVID-19 – Local Government Public Meetings)

**WHEREAS**, on March 1, 2020, I issued Executive Order 20-51 directing the Florida Department of Health to issue a Public Health Emergency as a result of COVID-19; and

**WHEREAS**, on March 1, 2020, the State Surgeon General and State Health Officer declared a Public Health Emergency exists in the State of Florida as a result of COVID-19; and

**WHEREAS**, on March 9, 2020, I issued Executive Order 20-52 declaring a state of emergency for the entire State of Florida as a result of COVID-19; and

**WHEREAS**, on March 16, 2020, President Donald J. Trump and the Centers for Disease Control and Prevention (“CDC”) issued the “15 Days to Slow the Spread” guidance advising individuals to adopt far-reaching social distancing measures, such as working from home and avoiding gatherings of more than 10 people; and

**WHEREAS**, on March 17, 2020, I wrote a letter to Attorney General Ashley Moody seeking an advisory opinion regarding concerns raised by local government bodies about their ability to hold meetings through teleconferencing and other technological means in order to protect the public and follow the CDC guidance regarding social distancing; and

**WHEREAS**, on March 19, 2020, Attorney General Ashley Moody delivered an opinion to me indicating that certain provisions of Florida law require a physical quorum be present for local government bodies to conduct official business, and that local government bodies may only conduct meetings by teleconferencing or other technological means if either a statute permits a quorum to be present by means other than in person, or that the in person requirement for constituting a quorum is lawfully suspended during the state of

emergency; and

**WHEREAS**, it is necessary and appropriate to take action to ensure that COVID-19 remains controlled, and that residents and visitors in Florida remain safe and secure;

**NOW, THEREFORE, I, RON DESANTIS**, as Governor of Florida, by virtue of the authority vested in me by Article IV, Section (1)(a) of the Florida Constitution, Chapter 252, Florida Statutes, and all other applicable laws, promulgate the following Executive Order to take immediate effect:

Section 1. I hereby suspend any Florida Statute that requires a quorum to be present in person or requires a local government body to meet at a specific public place.

Section 2. Local government bodies may utilize communications media technology, such as telephonic and video conferencing, as provided in section 120.54(5)(b)2., Florida Statutes.

Section 3. This Executive Order does not waive any other requirement under the Florida Constitution and “Florida’s Government in the Sunshine Laws,” including Chapter 286, Florida Statutes.

Section 4. This Executive Order shall expire at the expiration of Executive Order 20-52, including any extension.

---

Florida has a very broad public records law. Good morning:

Today, Governor Ron DeSantis issued Executive Order 20-69, regarding local government public meetings.

A PDF copy of the Executive Order is attached to this email and provided below.

Sincerely,

Helen Aguirre Ferré  
Director of Communications  
Governor Ron DeSantis

---

**STATE OF FLORIDA  
OFFICE OF THE GOVERNOR  
EXECUTIVE ORDER NUMBER 20-69**

(Emergency Management – COVID-19 – Local Government Public Meetings)

**WHEREAS**, on March 1, 2020, I issued Executive Order 20-51 directing the Florida Department of Health to issue a Public Health Emergency as a result of COVID-19; and

**WHEREAS**, on March 1, 2020, the State Surgeon General and State Health Officer declared a Public Health Emergency exists in the State of Florida as a result of COVID-19; and

**WHEREAS**, on March 9, 2020, I issued Executive Order 20-52 declaring a state of emergency for the entire State of Florida as a result of COVID-19; and

**WHEREAS**, on March 16, 2020, President Donald J. Trump and the Centers for Disease Control and Prevention (“CDC”) issued the “15 Days to Slow the Spread” guidance advising individuals to adopt far-reaching social distancing measures, such as working from home and avoiding gatherings of more than 10 people; and

**WHEREAS**, on March 17, 2020, I wrote a letter to Attorney General Ashley Moody seeking an advisory opinion regarding concerns raised by local government bodies about their ability to hold meetings through teleconferencing and other technological means in order to protect the public and follow the CDC guidance regarding social distancing; and

**WHEREAS**, on March 19, 2020, Attorney General Ashley Moody delivered an opinion to me indicating that certain provisions of Florida law require a physical quorum be present for local government bodies to conduct official business, and that local government bodies may only conduct meetings by teleconferencing or other technological means if either a statute permits a quorum to be present by means other than in person, or that the in person requirement for constituting a quorum is lawfully suspended during the state of

emergency; and

**WHEREAS**, it is necessary and appropriate to take action to ensure that COVID-19 remains controlled, and that residents and visitors in Florida remain safe and secure;

**NOW, THEREFORE, I, RON DESANTIS**, as Governor of Florida, by virtue of the authority vested in me by Article IV, Section (1)(a) of the Florida Constitution, Chapter 252, Florida Statutes, and all other applicable laws, promulgate the following Executive Order to take immediate effect:

Section 1. I hereby suspend any Florida Statute that requires a quorum to be present in person or requires a local government body to meet at a specific public place.

Section 2. Local government bodies may utilize communications media technology, such as telephonic and video conferencing, as provided in section 120.54(5)(b)2., Florida Statutes.

Section 3. This Executive Order does not waive any other requirement under the Florida Constitution and “Florida’s Government in the Sunshine Laws,” including Chapter 286, Florida Statutes.

Section 4. This Executive Order shall expire at the expiration of Executive Order 20-52, including any extension.

Hi Erik

Just talked to Mayor Buddy Dyer's office and voiced your and my "Serious Concerns" of Orlando Airports Breach of New York passengers into Orlando!!!

Somebody must step up and monitor these passengers who some definitely have CoronaVirus! If Doctors tested each before boarding in New York and are Cleared then no issue, Otherwise???

Gentlemen,

Your belief in social distancing to prevent the spread of Covid-19 is misguided and dangerous. The evidence is all around you if you open your eyes and look.

The beaches are full. The parks are active. And people have no regard for or spatial awareness of what it means to stay 6 feet away from others. By way of example, I live in Baldwin Park. I live 1.5 miles from Publix. I walked to the store and passed 12 people on the trip. How many people made an attempt to maintain 6 feet of distance? 2 out of 12! I had to move all 12 times to maintain a safe distance.

People are TOO DAMN STUPID to protect their own health! The question is are you too afraid to take the measures needed to protect them from themselves? History will judge you by your action (or inaction) in this crisis.

Close the damn beaches! Shut down air travel from states that have stay-at-home directives! Expand the curfew. Use law enforcement and the National Guard to capacity control public areas. Get this done TODAY!

Don't continue to naively expect individuals to act in the best interest of the community unless they are forced to do so. Leaders need to lead...be proactive....not follow. An ounce of prevention is worth a pound of cure.

South Florida Water Management District

## Recreation Notice

March 18, 2020

### **SFWMD Temporarily Suspending Camping on District Land for 60 Days to Protect Public Safety, Reduce Potential Spread of COVID-19**

*Public access to SFWMD-managed land for recreation purposes remains open*

As part of its ongoing efforts to help prevent the potential spread of COVID-19 and protect public safety, the South Florida Water Management District (SFWMD) will temporarily suspend all camping on District-managed lands for 60 days, effective tomorrow, Thursday, March 19.

The District is following the guidance of Gov. Ron DeSantis, the Florida Department of Health, and the Centers for Disease Control and Prevention (CDC) to minimize activities that result in gathering of large groups of people.

**Individuals currently camping within established SFWMD-managed campgrounds are allowed to remain in the campground until 10 a.m. on Monday, March 23, at which time the campground will be closed.**

Public access to District-managed lands for recreational purposes, other than camping, remains open at this time. Any changes in public access that may be necessary to ensure public safety will be communicated to the public as they develop.

SFWMD continues to coordinate with the Florida Division of Emergency Management and follow guidance from the Florida Department of Health and CDC regarding COVID-19. For questions related to COVID-19 in Florida, visit [FloridaHealth.gov/COVID-19](https://www.floridahealth.gov/COVID-19) or contact the Department of Health's 24/7 COVID-19 Call Center by calling 866-779-6121 or emailing [COVID-19@flhealth.gov](mailto:COVID-19@flhealth.gov).

*The South Florida Water Management District is a regional governmental agency that manages the water resources in the southern part of the state. It is the oldest and largest of the state's five water management districts. Our mission is to safeguard and restore South Florida's water resources and ecosystems, protect our communities from flooding, and meet the region's water needs while connecting with the public and stakeholders.*

Sorry all, I thought I had this meeting scheduled. It seemed to disappear. We are going to try to keep the meeting super tight this afternoon. Please be ready for updates--and to be lean of speech--which is not necessarily brief, but stick to what's important.

Be kind, stay calm, keep moving forward,  
Brian

**Subject:** Sick students still reporting to college

**ATTENTION:** This email came from an external source. Do not open attachments or click on links from unknown senders or unexpected emails.

As you all may not know, Gwinnett institute Orlando campus at 1900 N Alafaya Trl Ste 100, Orlando, Florida 32826 are still requiring students to report to campus.

They are following orders from the owners in Atlanta Georgia rather than the Florida governor.

Students are being threaten with being retained unless they report to campus for tests.

While core nursing classes that offer tests such as the Hesi is understandable, prerequisite classes such as English, Anatomy and Communications does not require the special Hesi test. Yet the student have to report in groups.

It has been offered to decrease the number of students \*per classroom\* but that still leaves over 50 people in the small close quarters of the building. They also offer no mask, students walked around Monday with bad coughs and noticeable fatigue. Just ask some of the teachers. There aren't any cleaning products to \*properly\* disinfection the classroom as each group exits. Only one teacher had a personal supply of wipes. The school president stated to a student, they had everything on back order. Monday when the students reported to class March 16 2020, many classrooms had sick students. One classroom had 3 people out with high fevers whom came in contact with one person who still attended school that day. They are all self isolating.

The students are scared. There has to be another way to protect everyone.

Starting with if the classes aren't core classes and the students are not taking a Hesi, why come.

Sick student who are scared to fall behind will not go get tested and will not stay home from taking the regular tests on campus.

Many of the students work in the nursing homes throughout the entire Central Florida. This can end very badly.

There are over 80 students there currently employees at our ALF, Nursing homes and hospitals. They will not stay home if they are sick with the school demanding they report for test.

The prechecks at work doesn't work if they are asymptomatic. Please demand this school at least let those who do not have to be there stay home. Tests and quizzes can be taken online like Valencia and UCF has always done. I have no suggestion for the Hesi classes, but just know..... Your nurses, your providers will be in close proximity and there are those like myself who will make it known someone tried to warn everyone of our seniors and our facility's Being at risk because of this one school. Our senior population will get the blunt of this.

Please do not try to view me as the bad guy and come after me. I am deeply concerned and would like to remain anonymous but I will reply to emails if we can help those students.

Florida Department of Health Call Center 1-866-779-6121 or [COVID-19@flhealth.com](mailto:COVID-19@flhealth.com)

Governor Ron DeSantis has established a Joint Information Center on COVID-19 for the State of Florida 1-850-815-4940, [ESF14@em.myflorida.com](mailto:ESF14@em.myflorida.com)

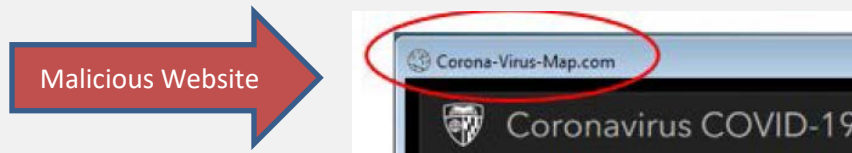

Everyone plays a part in lowering the impact within our communities and workplaces – taking every day preventative actions help to impede the spread of respiratory diseases such as COVID-19. Preventative actions include:

- **Washing your hands frequently with soap and water for at least 20 seconds**, especially after going to the bathroom, before eating, and after blowing your nose, coughing or sneezing. If soap and water are not available, use an alcohol-based hand sanitizer with at least 60% alcohol
- **Avoiding close contact** with people who are sick
- **Staying home when you are sick- This message cannot be emphasized enough**
- Employees who have symptoms of acute respiratory illness are recommended to stay home and not come to work until they are free of fever (100.4° F or greater using an oral thermometer), signs of a fever, and any other symptoms for at least 24 hours, without the use of fever-reducing or other symptom-altering medicines (e.g. cough suppressants). Employees should notify their supervisor and stay home if they are sick
- **Before traveling, take certain steps:**
  - Check CDC's Traveler's Health Notices for the latest guidance and recommendations for each country to which you may travel
  - Employees who become sick while traveling must understand that they should notify their supervisor and should promptly call a healthcare provider for advice if needed

Advent Health has established a COVID-19 hotline. Nurses from the Hospital Group staff the hotline 24 hours a day and seven days a week. Those with questions or concerns should call **1-877-VIRUSHQ (1-877-847-8747)**.

Florida Attorney General Ashley Moody activated Florida's Price Gouging Hotline. Consumers can report price gouging by phone at **1-866-966-7226** or online at [myfloridalegal.com](http://myfloridalegal.com).

Cybersecurity experts have discovered a malicious website pretending to be the live map for Coronavirus COVID-19 Global Cases by Johns Hopkins University. Visiting the malicious website infects users with the AZORult Trojan, an information-stealing program that can exfiltrate a variety of sensitive data. All personnel need to ensure the utilization of reliable sources when accessing the Johns Hopkins University website. The malicious website uses Corona-Virus-Map.com as shown.

#### ESF 1 - TRANSPORTATION

The Greater Orlando Aviation Authority is reporting no direct flights to or from the countries identified by the CDC. The proclamation by President Donald J. Trump suspends the entry of most foreign nationals coming to and from the United States if they have visited certain European countries during the two weeks prior to their scheduled arrival. Approximately 92 inbound flights could be affected during the new 30-day restricted travel period. See Attachment for the Greater Orlando Aviation Authority news release.

Lynx continues to follow vigilant housekeeping measures and has established a web page for public information: [What We are Doing to Protect You from the Coronavirus](#)

SunRail has increased the cleaning and sanitation of all coaches, and is in the process of hiring additional Ambassadors. This will increase the frequency of each station's cleaning at regular intervals throughout each day.

#### ESF 4 & 9 - FIREFIGHTING & URBAN SEARCH & RESCUE

The Orange County Fire Rescue Department (OCFRD) is closely monitoring the COVID-19 situation. OCFRD has the appropriate equipment and protocols in place for treating and transporting suspected COVID-19 cases. The Orange County Fire Rescue Department developed and issued an internal COVID-19 Action Plan to govern Fire Rescue Operations. Training has been provided to all personnel regarding Personal Protective Equipment, treating infectious disease patients, and decontaminating units and equipment following a suspected COVID-19 incident. OCFRD has deployed specialized equipment to decontaminate medical transport units following a suspected COVID-19 incident.

Fire Rescue has prepared information for distribution to all Assisted Living Facilities. Fire Department personnel visited all of the assisted living facilities Orange County response areas to provide information for CDC recommendations along with public safety messaging.

Fire Rescue personnel visited ninety-one Assisted Living Facilities on March 11, 2020.

#### ESF 5 - INFORMATION & PLANNING

Orange County Emergency Management is conducting regular conference calls with Orange County Emergency Response Team (OCERT) stakeholders in order to provide situation reports.

Continuously monitoring all activities in the County. In addition, monitoring all information on the Centers for Disease Control (CDC) Website.

Participating in the Region V Division of Emergency Management Conference calls to monitor the status of surrounding counties and all activities.

Bay, Broward, Seminole, and Hillsborough Counties have now declared a Local State of Emergency.

Broward, Hillsborough, Leon, and Okaloosa Counties have partially activated Emergency Operations Centers. OEM is Participating in the Florida Division of Emergency Management Conference Calls and monitoring for any updates and all activities at the State Level.

The State Emergency Operations Center (SEOC) is activated to a level 2-partial activation.

Orange County EOC is maintaining Level 3, actively monitoring the situation as it progresses.

Communicating with community partners for available resources and equipment needs. All resource and equipment requests are now being entered into the State WebEOC along with the Orange County Situation.

Orange County 3-1-1 has received 10 calls regarding COVID-19 due to the Florida Department of Health (FDOH) call center. Operators are providing basic information and support for our citizens.

Daily Situation Reports are being distributed to keep all staff and partners well informed about the current situation and the status of Orange County.

#### **ESF 8 - HEALTH/MEDICAL ACTION ITEMS**

Dr. Pino has stressed the importance of quickly finding a clinic type building for testing.

Lynx is securing two vehicles for Department Of Health (DOH) use; Fleet Management has prepared fuel cards.

Health Services is working with Family Services staff to send information packets to the senior living facilities in in the county. These differ from nursing homes and assisted living centers that were handled yesterday by Fire Rescue crews.

Health Services received 10,000 one-ounce bottles of hand sanitizer for Orange County Employees and is proposing a Point Of Distribution (POD) style distribution to Department Directors, who can in turn distribute bottles of sanitizer appropriately.

No other change in supply chain status. Health Service will process supplies and distribute as soon as the items requested arrive.

The Office of Emergency Management has provided guidance and a new document for resource requests.

The partners may be reaching out to the County Health Department (CHD) for these resources. Partners should be directed to the local Healthcare Coalition to see if resources are available at that level. If local needs cannot be met, partners should fill out the request form and forward to the Office of Emergency Management for entry into the State WebEOC.

County Health Departments will continue to submit resource requests through ReadyOp.

#### **ESF 14 – PUBLIC INFORMATION**

Orange County Public Information Office continues to respond to media inquiries received.

Social Media and Website

[www.ocfl.net/coronavirus](http://www.ocfl.net/coronavirus) continues to stay updated and the Public Information Office added a media tab to all Coronavirus specific stories.

[www.ocfl.net/Coronavirus](http://www.ocfl.net/Coronavirus) - Our main page on ocfl.net

[www.ocfl.net/CoronavirusUpdates](http://www.ocfl.net/CoronavirusUpdates) - Newsroom updates

[www.ocfl.net/CoronavirusInfo](http://www.ocfl.net/CoronavirusInfo) - PDF from graphics, in English

#### **PARTNERS-TOURISM SECTOR**

Orange County Public Schools begin spring break on Friday, March 13, 2020. No decision has been made regarding resuming classes following the break.

The following Orange County School message is being communicated to all parents:

**“While we have been advised by experts that the risk to young people remains low, we encourage everyone to continue to follow the Centers for Disease Control and Prevention (CDC) guidelines and to follow healthy habits. Hand washing with soap and water remains the best prevention.”**

University of Central Florida (UCF) will move to remote instruction effective Monday, March 16, 2020, to minimize health and safety risks to the UCF community.

Rollins College has transitioned to remote instruction for the remainder of the semester.

Valencia College is currently on spring break.

Seminole State College is operating normally while they continue to monitor the situation.

Full Sail University is operating normally while they continue to monitor the situation.

The City of Winter Park cancelled the Winter Park Art Festival scheduled for March 20, 2020 through March 22, 2020.

The NBA announced on March 11, 2020 that it is suspending the current season.

Orange County Convention Center (OCCC) reports seven major cancellations:

- Ellucian Live 2020 Event
- Health Information and Management Systems Society Global Conference & Exhibition
- Grainger Show 2020
- McDonald’s Corporation Worldwide Conference
- Minecraft Festival (Rescheduled for 2021)
- American Academy of Orthopaedic Surgeons
- ISA International Sign Expo 2020 (Rescheduled for August 23-25, 2020)

Orange County Convention Center has launched a webpage with information at:

<https://www.occc.net/coronavirus>.

For information regarding upcoming events OCCC has provided the link below:

<https://www.occc.net/Upcoming-Events>

Orange County Convention Center (OCCC) continues to make the safety of guests and attendees the Number one priority. Continuing to work diligently with clients on conventions and rescheduling events. Several conventions are being planned for future dates.

The Sunshine Volleyball Classic (USA Volleyball Event) was held last weekend at the North-South Building with more than 40,000 attendees. This event had an estimated \$51.34 million economic impact. The American Open Cheer with 10,048 attendees had an estimated \$12.9 million economic impact.

Out of an abundance of caution the Central Florida Fire Chiefs Association (CFFCA)/ Florida Fire Chiefs Association (FFCA) East Central Regional Meeting at the Hilton Orlando scheduled for today, March 12, 2020, was cancelled.

OCCC continues to work closely with Orange County Government and the Florida Department of Health on COVID-19 for updates. Disinfectant procedures are in place and will continue across all areas of the Convention Center.

Visit Orlando reports international travel represents 9% of total visits in Orange County, Florida.

Theme Parks are continuing to increase the level of sanitation and cleaning which is normal for cold and flu season. Theme Parks will admit guests who are wearing masks as long as they comply with existing park policies regarding the masks.

The Orange County Fire Marshal’s Office requires a permit for all events that have 50 or more attendees. Through the permitting process, the Fire Marshal’s Office has received the following cancelations for shows outside of the Orange County Convention Center:

Event name	Venue	Date of event	Status	Anticipated attendees

### Health Alert: Coronavirus Disease 2019 (COVID-19)

**You have traveled to a country with an outbreak of COVID-19 and are at higher risk.**  
**COVID-19 is a respiratory illness that can spread from person to person.**

**Stay Home**  
Stay home for the next 14 days and monitor your health. Take your temperature with a thermometer two times a day and watch for symptoms.

**If you feel sick and have symptoms:**

- Call ahead before you go to a doctor's office or emergency room.
- Tell the doctor about your recent travel and your symptoms.
- Avoid contact with others.
- Do not travel while sick.

**Symptoms**  
Illnesses have ranged from mild symptoms to severe illness and death. Symptoms may appear 2–14 days after exposure.

**Symptoms can include:**

-  Fever (100.4°F/38°C or higher)
-  Cough
-  Shortness of breath

Visit the website for more information on monitoring your health and how to contact local public health officials. Visit: [www.cdc.gov/COVIDtravel](http://www.cdc.gov/COVIDtravel)

### County Summary

- LSE's declared in Bay, Seminole, and Broward. Hillsborough is considering.
- EOC activations in Broward, Hillsborough, Leon, and Okaloosa.

IMMEDIATE: For Release March 12, 2020

## **INTERNATIONAL TRAVEL RESTRICTIONS COULD AFFECT AIR SERVICE AT ORLANDO INTERNATIONAL AIRPORT**

ORLANDO, FL. – As a result of the presidential proclamation by President Donald J. Trump restricting specific international travel into the United States, flights to and from Orlando International Airport may be affected. The proclamation suspends the entry of most foreign nationals coming to the United States if they have visited certain European countries during the two weeks prior to their scheduled arrival.

Specifically, international visitors will not be allowed to come to the U.S. if they have visited the following countries: Austria, Belgium, Czech Republic, Denmark, Estonia, Finland, France, Germany, Greece, Hungary, Iceland, Italy, Latvia, Liechtenstein, Lithuania, Luxembourg, Malta, Netherlands, Norway, Poland, Portugal, Slovakia, Slovenia, Spain, Sweden, and Switzerland. This area is known as the Schengen Area of Europe.

Approximately 92 inbound flights could be affected during the 30-day restricted travel period. Potentially affected airlines and the destinations they service include:

- Delta Air Lines – Amsterdam, Netherlands
- Icelandair – Reykjavík, Iceland
- Lufthansa – Frankfurt, Germany
- Norwegian Airlines – Paris, France & Oslo, Norway

The U.S. Department of Homeland Security Acting Secretary Chad F. Wolf announced that within the next two days he intends to begin a supplemental Notice of Arrivals Restriction. That restriction would require U.S. passengers that have been in the Schengen Area to travel through select airports where the U.S. Government has implemented enhanced screening procedures.

Orlando International is not a screening airport.

We will continue to monitor changes and work with airlines and federal agencies in handling operations for international passengers. Passengers are encouraged to check with their individual airlines regarding the status of the travel plans.

###

**Basic MCO Information:** With more than 50 million annual passengers, Orlando International Airport (MCO) is the busiest airport in Florida and 10th busiest in the U.S. MCO is currently engaged in a \$4.2 billion Capital Improvement Program to increase capacity and enhance customer convenience.

For more information contact Carolyn Fennell or Caitlin Dineen in the Office of Public Affairs at the Greater Orlando Aviation Authority at 407-825-2055.

Florida Department of Health Call Center 1-866-779-6121 or [COVID-19@flhealth.com](mailto:COVID-19@flhealth.com)

Governor Ron DeSantis has established a Joint Information Center on COVID-19 for the State of Florida 1-850-815-4940, [ESF14@em.myflorida.com](mailto:ESF14@em.myflorida.com)

Everyone plays a part in lowering the impact within our communities and workplaces – taking every day preventative actions help to impede the spread of respiratory diseases such as COVID-19. Preventative actions include:

- **Washing your hands frequently with soap and water for at least 20 seconds**, especially after going to the bathroom, before eating, and after blowing your nose, coughing or sneezing. If soap and water are not available, use an alcohol-based hand sanitizer with at least 60% alcohol
- **Avoiding close contact** with people who are sick
- **Staying home when you are sick- This message cannot be emphasized enough**
- Employees who have symptoms of acute respiratory illness are recommended to stay home and not come to work until they are free of fever (100.4° F or greater using an oral thermometer), signs of a fever, and any other symptoms for at least 24 hours, without the use of fever-reducing or other symptom-altering medicines (e.g. cough suppressants). Employees should notify their supervisor and stay home if they are sick
- **Before traveling, take certain steps:**
  - Check CDC's Traveler's Health Notices for the latest guidance and recommendations for each country to which you may travel
  - Employees who become sick while traveling must understand that they should notify their supervisor and should promptly call a healthcare provider for advice if needed

Advent Health has established a COVID-19 hotline. Nurses from the Hospital Group staff the hotline 24 hours a day and seven days a week. Those with questions or concerns should call **1-877-VIRUSHQ (1-877-847-8747)**.

Florida Attorney General Ashley Moody activated Florida's Price Gouging Hotline. Consumers can report price gouging by phone at **1-866-966-7226** or online at [myfloridalegal.com](http://myfloridalegal.com).

Cybersecurity experts have discovered a malicious website pretending to be the live map for Coronavirus COVID-19 Global Cases by Johns Hopkins University. Visiting the malicious website infects users with the AZORult Trojan, an information-stealing program that can exfiltrate a variety of sensitive data. All personnel need to ensure the utilization of reliable sources when accessing the Johns Hopkins University website. The malicious website uses Corona-Virus-Map.com as shown.

#### ESF 1 - TRANSPORTATION

The Greater Orlando Aviation Authority is reporting no direct flights to or from the countries identified by the CDC. The proclamation by President Donald J. Trump suspends the entry of most foreign nationals coming to and from the United States if they have visited certain European countries during the two weeks prior to their scheduled arrival. Approximately 92 inbound flights could be affected during the new 30-day restricted travel period. See Attachment for the Greater Orlando Aviation Authority news release.

Lynx continues to follow vigilant housekeeping measures and has established a web page for public information: [What We are Doing to Protect You from the Coronavirus](#)

SunRail has increased the cleaning and sanitation of all coaches, and is in the process of hiring additional Ambassadors. This will increase the frequency of each station's cleaning at regular intervals throughout each day.

#### ESF 4 & 9 - FIREFIGHTING & URBAN SEARCH & RESCUE

The Orange County Fire Rescue Department (OCFRD) is closely monitoring the COVID-19 situation. OCFRD has the appropriate equipment and protocols in place for treating and transporting suspected COVID-19 cases. The Orange County Fire Rescue Department developed and issued an internal COVID-19 Action Plan to govern Fire Rescue Operations. Training has been provided to all personnel regarding Personal Protective Equipment, treating infectious disease patients, and decontaminating units and equipment following a suspected COVID-19 incident. OCFRD has deployed specialized equipment to decontaminate medical transport units following a suspected COVID-19 incident.

Fire Rescue has prepared information for distribution to all Assisted Living Facilities. Fire Department personnel visited all of the assisted living facilities Orange County response areas to provide information for CDC recommendations along with public safety messaging.

Fire Rescue personnel visited ninety-one Assisted Living Facilities on March 11, 2020.

#### ESF 5 - INFORMATION & PLANNING

Orange County Emergency Management is conducting regular conference calls with Orange County Emergency Response Team (OCERT) stakeholders in order to provide situation reports.

Continuously monitoring all activities in the County. In addition, monitoring all information on the Centers for Disease Control (CDC) Website.

Participating in the Region V Division of Emergency Management Conference calls to monitor the status of surrounding counties and all activities.

Bay, Broward, Seminole, and Hillsborough Counties have now declared a Local State of Emergency.

Broward, Hillsborough, Leon, and Okaloosa Counties have partially activated Emergency Operations Centers. OEM is Participating in the Florida Division of Emergency Management Conference Calls and monitoring for any updates and all activities at the State Level.

The State Emergency Operations Center (SEOC) is activated to a level 2-partial activation.

Orange County EOC is maintaining Level 3, actively monitoring the situation as it progresses.

Communicating with community partners for available resources and equipment needs. All resource and equipment requests are now being entered into the State WebEOC along with the Orange County Situation.

Orange County 3-1-1 has received 10 calls regarding COVID-19 due to the Florida Department of Health (FDOH) call center. Operators are providing basic information and support for our citizens.

Daily Situation Reports are being distributed to keep all staff and partners well informed about the current situation and the status of Orange County.

#### **ESF 8 - HEALTH/MEDICAL ACTION ITEMS**

Dr. Pino has stressed the importance of quickly finding a clinic type building for testing.

Lynx is securing two vehicles for Department Of Health (DOH) use; Fleet Management has prepared fuel cards.

Health Services is working with Family Services staff to send information packets to the senior living facilities in in the county. These differ from nursing homes and assisted living centers that were handled yesterday by Fire Rescue crews.

Health Services received 10,000 one-ounce bottles of hand sanitizer for Orange County Employees and is proposing a Point Of Distribution (POD) style distribution to Department Directors, who can in turn distribute bottles of sanitizer appropriately.

No other change in supply chain status. Health Service will process supplies and distribute as soon as the items requested arrive.

The Office of Emergency Management has provided guidance and a new document for resource requests.

The partners may be reaching out to the County Health Department (CHD) for these resources. Partners should be directed to the local Healthcare Coalition to see if resources are available at that level. If local needs cannot be met, partners should fill out the request form and forward to the Office of Emergency Management for entry into the State WebEOC.

County Health Departments will continue to submit resource requests through ReadyOp.

#### **ESF 14 – PUBLIC INFORMATION**

Orange County Public Information Office continues to respond to media inquiries received.

Social Media and Website

[www.ocfl.net/coronavirus](http://www.ocfl.net/coronavirus) continues to stay updated and the Public Information Office added a media tab to all Coronavirus specific stories.

[www.ocfl.net/Coronavirus](http://www.ocfl.net/Coronavirus) - Our main page on ocfl.net

[www.ocfl.net/CoronavirusUpdates](http://www.ocfl.net/CoronavirusUpdates) - Newsroom updates

[www.ocfl.net/CoronavirusInfo](http://www.ocfl.net/CoronavirusInfo) - PDF from graphics, in English

#### **PARTNERS-TOURISM SECTOR**

Orange County Public Schools begin spring break on Friday, March 13, 2020. No decision has been made regarding resuming classes following the break.

The following Orange County School message is being communicated to all parents:

**“While we have been advised by experts that the risk to young people remains low, we encourage everyone to continue to follow the Centers for Disease Control and Prevention (CDC) guidelines and to follow healthy habits. Hand washing with soap and water remains the best prevention.”**

University of Central Florida (UCF) will move to remote instruction effective Monday, March 16, 2020, to minimize health and safety risks to the UCF community.

Rollins College has transitioned to remote instruction for the remainder of the semester.

Valencia College is currently on spring break.

Seminole State College is operating normally while they continue to monitor the situation.

Full Sail University is operating normally while they continue to monitor the situation.

The City of Winter Park cancelled the Winter Park Art Festival scheduled for March 20, 2020 through March 22, 2020.

The NBA announced on March 11, 2020 that it is suspending the current season.

Orange County Convention Center (OCCC) reports seven major cancellations:

- Ellucian Live 2020 Event
- Health Information and Management Systems Society Global Conference & Exhibition
- Grainger Show 2020
- McDonald’s Corporation Worldwide Conference
- Minecraft Festival (Rescheduled for 2021)
- American Academy of Orthopaedic Surgeons
- ISA International Sign Expo 2020 (Rescheduled for August 23-25, 2020)

Orange County Convention Center has launched a webpage with information at:

<https://www.occc.net/coronavirus>.

For information regarding upcoming events OCCC has provided the link below:

<https://www.occc.net/Upcoming-Events>

Orange County Convention Center (OCCC) continues to make the safety of guests and attendees the Number one priority. Continuing to work diligently with clients on conventions and rescheduling events. Several conventions are being planned for future dates.

The Sunshine Volleyball Classic (USA Volleyball Event) was held last weekend at the North-South Building with more than 40,000 attendees. This event had an estimated \$51.34 million economic impact. The American Open Cheer with 10,048 attendees had an estimated \$12.9 million economic impact.

Out of an abundance of caution the Central Florida Fire Chiefs Association (CFFCA)/ Florida Fire Chiefs Association (FFCA) East Central Regional Meeting at the Hilton Orlando scheduled for today, March 12, 2020, was cancelled.

OCCC continues to work closely with Orange County Government and the Florida Department of Health on COVID-19 for updates. Disinfectant procedures are in place and will continue across all areas of the Convention Center.

Visit Orlando reports international travel represents 9% of total visits in Orange County, Florida.

Theme Parks are continuing to increase the level of sanitation and cleaning which is normal for cold and flu season. Theme Parks will admit guests who are wearing masks as long as they comply with existing park policies regarding the masks.

The Orange County Fire Marshal’s Office requires a permit for all events that have 50 or more attendees. Through the permitting process, the Fire Marshal’s Office has received the following cancelations for shows outside of the Orange County Convention Center:

Event name	Venue	Date of event	Status	Anticipated attendees

### Health Alert: Coronavirus Disease 2019 (COVID-19)

**You have traveled to a country with an outbreak of COVID-19 and are at higher risk.**  
**COVID-19 is a respiratory illness that can spread from person to person.**

**Stay Home**  
Stay home for the next 14 days and monitor your health. Take your temperature with a thermometer two times a day and watch for symptoms.

**If you feel sick and have symptoms:**

- Call ahead before you go to a doctor's office or emergency room.
- Tell the doctor about your recent travel and your symptoms.
- Avoid contact with others.
- Do not travel while sick.

**Symptoms**  
Illnesses have ranged from mild symptoms to severe illness and death. Symptoms may appear 2–14 days after exposure.

**Symptoms can include:**

-  Fever (100.4°F/38°C or higher)
-  Cough
-  Shortness of breath

Visit the website for more information on monitoring your health and how to contact local public health officials. Visit: [www.cdc.gov/COVIDtravel](http://www.cdc.gov/COVIDtravel)

13 counties with positive cases of COVID-19

### County Summary

- LSE's declared in Bay, Seminole, and Broward. Hillsborough is considering.
- EOC activations in Broward, Hillsborough, Leon, and Okaloosa.

IMMEDIATE: For Release March 12, 2020

## **INTERNATIONAL TRAVEL RESTRICTIONS COULD AFFECT AIR SERVICE AT ORLANDO INTERNATIONAL AIRPORT**

ORLANDO, FL. – As a result of the presidential proclamation by President Donald J. Trump restricting specific international travel into the United States, flights to and from Orlando International Airport may be affected. The proclamation suspends the entry of most foreign nationals coming to the United States if they have visited certain European countries during the two weeks prior to their scheduled arrival.

Specifically, international visitors will not be allowed to come to the U.S. if they have visited the following countries: Austria, Belgium, Czech Republic, Denmark, Estonia, Finland, France, Germany, Greece, Hungary, Iceland, Italy, Latvia, Liechtenstein, Lithuania, Luxembourg, Malta, Netherlands, Norway, Poland, Portugal, Slovakia, Slovenia, Spain, Sweden, and Switzerland. This area is known as the Schengen Area of Europe.

Approximately 92 inbound flights could be affected during the 30-day restricted travel period. Potentially affected airlines and the destinations they service include:

- Delta Air Lines – Amsterdam, Netherlands
- Icelandair – Reykjavík, Iceland
- Lufthansa – Frankfurt, Germany
- Norwegian Airlines – Paris, France & Oslo, Norway

The U.S. Department of Homeland Security Acting Secretary Chad F. Wolf announced that within the next two days he intends to begin a supplemental Notice of Arrivals Restriction. That restriction would require U.S. passengers that have been in the Schengen Area to travel through select airports where the U.S. Government has implemented enhanced screening procedures.

Orlando International is not a screening airport.

We will continue to monitor changes and work with airlines and federal agencies in handling operations for international passengers. Passengers are encouraged to check with their individual airlines regarding the status of the travel plans.

###

**Basic MCO Information:** With more than 50 million annual passengers, Orlando International Airport (MCO) is the busiest airport in Florida and 10th busiest in the U.S. MCO is currently engaged in a \$4.2 billion Capital Improvement Program to increase capacity and enhance customer convenience.

For more information contact Carolyn Fennell or Caitlin Dineen in the Office of Public Affairs at the Greater Orlando Aviation Authority at 407-825-2055.

Florida Department of Health Call Center 1-866-779-6121 or [COVID-19@flhealth.com](mailto:COVID-19@flhealth.com)

Governor Ron DeSantis has established a Joint Information Center on COVID-19 for the State of Florida 1-850-815-4940, [ESF14@em.myflorida.com](mailto:ESF14@em.myflorida.com)

Everyone plays a part in lowering the impact within our communities and workplaces – taking every day preventative actions help to impede the spread of respiratory diseases such as COVID-19. Preventative actions include:

- **Washing your hands frequently with soap and water for at least 20 seconds**, especially after going to the bathroom, before eating, and after blowing your nose, coughing or sneezing. If soap and water are not available, use an alcohol-based hand sanitizer with at least 60% alcohol
- **Avoiding close contact** with people who are sick
- **Staying home when you are sick- This message cannot be emphasized enough**
- Employees who have symptoms of acute respiratory illness are recommended to stay home and not come to work until they are free of fever (100.4° F or greater using an oral thermometer), signs of a fever, and any other symptoms for at least 24 hours, without the use of fever-reducing or other symptom-altering medicines (e.g. cough suppressants). Employees should notify their supervisor and stay home if they are sick
- **Before traveling, take certain steps:**
  - Check CDC’s Traveler’s Health Notices for the latest guidance and recommendations for each country to which you may travel
  - Employees who become sick while traveling must understand that they should notify their supervisor and should promptly call a healthcare provider for advice if needed

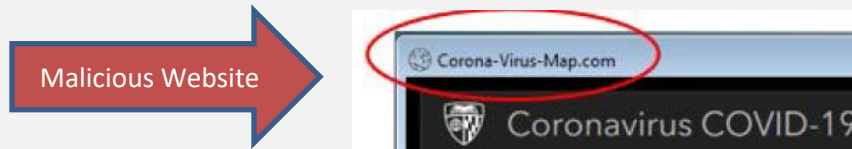

Advent Health has established a COVID-19 hotline. Nurses from the Hospital Group staff the hotline 24 hours a day and seven days a week. Those with questions or concerns should call **1-877-VIRUSHQ (1-877-847-8747)**.

Florida Attorney General Ashley Moody activated Florida's Price Gouging Hotline. Consumers can report price gouging by phone at **1-866-966-7226** or online at [myfloridalegal.com](http://myfloridalegal.com).

All County-sponsored business travel to identified high-risk areas, as determined by the County Administrator, is suspended until further notice.

Cybersecurity experts have discovered a malicious website pretending to be the live map for Coronavirus COVID-19 Global Cases by Johns Hopkins University. Visiting the malicious website infects users with the AZORult Trojan, an information-stealing program that can exfiltrate a variety of sensitive data. All personnel need to ensure the utilization of reliable sources when accessing the Johns Hopkins University website. The malicious website uses Corona-Virus-Map.com as shown.

#### ESF 1 - TRANSPORTATION

The Greater Orlando Aviation Authority is reporting no direct flights to or from the countries identified by the CDC. The proclamation by President Donald J. Trump suspends the entry of most foreign nationals coming to and from the United States if they have visited certain European countries during the two weeks prior to their scheduled arrival. Approximately 92 inbound flights could be affected during the new 30-day restricted travel period. See Attachment for the Greater Orlando Aviation Authority news release.

Lynx continues to follow vigilant housekeeping measures and has established a web page for public information: [What We are Doing to Protect You from the Coronavirus](#)

SunRail has increased the cleaning and sanitation of all coaches, and is in the process of hiring additional Ambassadors. This will increase the frequency of each station's cleaning at regular intervals throughout each day.

#### ESF 4 & 9 - FIREFIGHTING & URBAN SEARCH & RESCUE

The Orange County Fire Rescue Department (OCFRD) is closely monitoring the COVID-19 situation. OCFRD has the appropriate equipment and protocols in place for treating and transporting suspected COVID-19 cases. The Orange County Fire Rescue Department developed and issued an internal COVID-19 Action Plan to govern Fire Rescue Operations. Training has been provided to all personnel regarding Personal Protective Equipment, treating infectious disease patients, and decontaminating units and equipment following a suspected COVID-19 incident. OCFRD has deployed specialized equipment to decontaminate medical transport units following a suspected COVID-19 incident.

Fire Department personnel visited all of the Assisted Living Facilities in Orange County response areas to provide valuable information for CDC recommendations along with public safety messaging.

Orange County Fire Rescue is continuing normal operations while maintaining crew safety.

## ESF 5 – INFORMATION & PLANNING

Orange County Emergency Operations Center was activated to a Level II-partial Activation with the following positions staffed: ESF1-Transportation, ESF2-Communications, ESF4/9-Fire/HazMat, ESF5-Information and Planning, ESF7-Resource Support, ESF8-Health & Medical, ESF15-Volunteers & Donations, ESF16-Law Enforcement.

Orange County Emergency Management is conducting regular conference calls with Orange County Emergency Response Team (OCERT) stakeholders in order to provide situation reports.

Continuously monitoring all activities in the County. In addition, monitoring all information on the Centers for Disease Control (CDC) and the Johns Hopkins Websites.

Participating in the Region V Division of Emergency Management Conference calls to monitor the status of surrounding counties and all activities.

Orange, Bay, Broward, Miami Dade, Pasco, Seminole, and Hillsborough Counties have now declared a Local State of Emergency.

Orange, Broward, Hillsborough, Leon, Seminole, Pasco and Okaloosa Counties have partially activated Emergency Operations Centers.

OEM is Participating in the Florida Division of Emergency Management Conference Calls and monitoring for any updates and all activities at the State Level.

The State Emergency Operations Center (SEOC) is activated to a level 2-partial Activation but is considering a full Level I Activation.

Communicating with community partners for available resources and equipment needs. All resource and equipment requests are now being entered into the State WebEOC along with the Orange County Situation Report.

OEM is receiving many requests for masks from local Law Enforcement Agencies. These requests are being shared with the Department of Health to be filled when supplies become available.

Orange County 3-1-1 has received 13 calls over the past 24 hours with a marked increase after today's press conference.

Daily Situation Reports are being distributed to keep all staff and partners well informed about the current situation and the status of Orange County Government.

## ESF 8 - HEALTH/MEDICAL ACTION ITEMS

With the Emergency Operations Center (EOC) activated to level II, the ESF-8 desk is staffed. This position will relay information to our Health Services Division (HSD)/Department Operations Center (DOC) personnel.

A building has been selected for DOH COVID-19 clinical testing at 7300 Lake Ellenor Drive. Bldg. 701; Orange County Facilities is working to prepare the building for use. Projected timeline for building to become operational is Wednesday, March 16, 2020.

Request for 160,000 N-95 masks for health care providers (including EMS) ordered through state EOC (SEOC).

Nemours has requested ten LTV ventilators through ESF-8 through the State EOC (SEOC). The State Department of Health is fulfilling this request for ventilators.

Health Services is investigating the Violet Defense- Ultra Violet radiation light for disinfecting rooms/areas in several different Orange County Administrative Facilities.

Advent Health, Nemours and Orlando Health have been in contact with HSD/ESF-8 regarding the use of medical shelters for screening outside of Emergency Departments. These shelters will be maintained for Orange County Department of Health should alternate testing sites be needed. Hospitals have been notified of this decision.

#### ESF 14 – PUBLIC INFORMATION

Orange County Mayor Jerry L. Demings hosted a press conference on Friday, March 13, 2020 at the Orange County Administration Center at 12:00 p.m.

Orange County Public Information Office continues to respond to media inquiries received.

Social Media and Website

[www.ocfl.net/coronavirus](http://www.ocfl.net/coronavirus) continues to stay updated and the Public Information Office added a media tab to all Coronavirus specific stories.

[www.ocfl.net/Coronavirus](http://www.ocfl.net/Coronavirus) - Our main page on ocfl.net

[www.ocfl.net/CoronavirusUpdates](http://www.ocfl.net/CoronavirusUpdates) - Newsroom updates

#### PARTNERS-TOURISM SECTOR

Orange County Public Schools (OCPS) began Spring Break on Friday, March 13, 2020. OCPS is closely monitoring the situation. Custodial crews will thoroughly clean schools and offices during the break.

The following Orange County School message is being communicated to all parents:

**“While we have been advised by experts that the risk to young people remains low, we encourage everyone to continue to follow the Centers for Disease Control and Prevention (CDC) guidelines and to follow healthy habits. Hand washing with soap and water remains the best prevention.”**

Florida Board of Governors for the State System has recommended remote instruction effective immediately and are encouraging all on campus students and residential housing students to remain off campus.

University of Central Florida (UCF) will move to remote instruction effective Monday, March 16, 2020, to minimize health and safety risks to the UCF community.

Rollins College has transitioned to remote instruction for the remainder of the semester.

Valencia College is currently on Spring Break and announced online classes for the remainder of the semester.

Seminole State College is moving to online classes but the Technology Center will remain open.

Full Sail University is transitioning to online courses on March 18, 2020.

The City of Winter Park cancelled the Winter Park Art Festival scheduled for March 20, 2020 through March 22, 2020.

The Orange County Library System has cancelled all events and programs scheduled for March 14, 2020 through March 31, 2020 but the libraries remain open.

The NBA announced on March 11, 2020 that it is suspending the current season.

Orange County Convention Center (OCCC) reports seven major cancellations:

- Ellucian Live 2020 Event
- Health Information and Management Systems Society Global Conference & Exhibition
- Grainger Show 2020
- McDonald’s Corporation Worldwide Conference
- Minecraft Festival (Rescheduled for 2021)
- American Academy of Orthopaedic Surgeons
- ISA International Sign Expo 2020 (Rescheduled for August 23-25, 2020)

- Water Quality Association
- Impressions (Rescheduled for September 10-12, 2020)
- RFID Journal LIVE! (Rescheduled for 2021)

Orange County Convention Center has launched a webpage with information at:

<https://www.occc.net/coronavirus>.

For information regarding upcoming events OCCC has provided the link below:

<https://www.occc.net/Upcoming-Events>

Orange County Convention Center (OCCC) continues to make the safety of guests and attendees the Number one priority. Continuing to work diligently with clients on conventions and rescheduling events. Several conventions are being planned for future dates.

The Sunshine Volleyball Classic (USA Volleyball Event) was held last weekend at the North-South Building with more than 40,000 attendees. This event had an estimated \$51.34 million economic impact. The American Open Cheer with 10,048 attendees had an estimated \$12.9 million economic impact.

OCCC continues to work closely with Orange County Government and the Florida Department of Health on COVID-19 for updates. Disinfectant procedures are in place and will continue across all areas of the Convention Center.

Universal Orlando Resort will temporarily close its theme parks effective Monday, March 16 and will remain closed through the end of March. Universal Orlando will continue to evaluate the situation while Universal Orlando's hotels and Universal CityWalk will remain open.

Disney is proceeding with the closure of the theme parks at Walt Disney World Resort, beginning March 16, through the end of the month. The Walt Disney Company will pay its Cast Members during the closure period. Disney Resort hotels and Disney Springs will remain open until further notice.

Disney Cruise Lines has suspended operations for all new departures effective March 14, 2020 through the end of the month.

Sea World will temporarily close effective March 16, 2020 and remain closed through the end of the month. Staff will continue animal care during the closure of the park.

The Wheel at Icon remains open at this time and is closely monitoring the situation.

The United Soccer League Announced a two-week delay to the start of League One season.

The Orange County Fire Marshal's Office requires a permit for all events that have 50 or more attendees. Through the permitting process, the Fire Marshal's Office has received the following cancelations for shows outside of the Orange County Convention Center:

Event name	Venue	Date of event	Status	Anticipated attendees

Email [eoc-plans@em.myflorida.com](mailto:eoc-plans@em.myflorida.com) with cancelled events.

## ATTACHMENTS

### Health Alert: Coronavirus Disease 2019 (COVID-19)

You have traveled to a country with an outbreak of COVID-19 and are at higher risk.

COVID-19 is a respiratory illness that can spread from person to person.

**Stay Home**

Stay home for the next 14 days and monitor your health. Take your temperature with a thermometer two times a day and watch for symptoms.

**Symptoms**

Illnesses have ranged from mild symptoms to severe illness and death. Symptoms may appear 2–14 days after exposure.

**If you feel sick and have symptoms:**

- Call ahead before you go to a doctor's office or emergency room.
- Tell the doctor about your recent travel and your symptoms.
- Avoid contact with others.
- Do not travel while sick.

**Symptoms can include:**

- Fever (100.4°F/38°C or higher)
- Cough
- Shortness of breath

Visit the website for more information on monitoring your health and how to contact local public health officials. Visit: [www.cdc.gov/COVIDtravel](http://www.cdc.gov/COVIDtravel)

C115048-E February 20, 2020 11 PM

**IMMEDIATE:** For Release March 12, 2020

## **INTERNATIONAL TRAVEL RESTRICTIONS COULD AFFECT AIR SERVICE AT ORLANDO INTERNATIONAL AIRPORT**

ORLANDO, FL. – As a result of the presidential proclamation by President Donald J. Trump restricting specific international travel into the United States, flights to and from Orlando International Airport may be affected. The proclamation suspends the entry of most foreign nationals coming to the United States if they have visited certain European countries during the two weeks prior to their scheduled arrival.

Specifically, international visitors will not be allowed to come to the U.S. if they have visited the following countries: Austria, Belgium, Czech Republic, Denmark, Estonia, Finland, France, Germany, Greece, Hungary, Iceland, Italy, Latvia, Liechtenstein, Lithuania, Luxembourg, Malta, Netherlands, Norway, Poland, Portugal, Slovakia, Slovenia, Spain, Sweden, and Switzerland. This area is known as the Schengen Area of Europe.

Approximately 92 inbound flights could be affected during the 30-day restricted travel period. Potentially affected airlines and the destinations they service include:

- Delta Air Lines – Amsterdam, Netherlands
- Icelandair – Reykjavik, Iceland
- Lufthansa – Frankfurt, Germany
- Norwegian Airlines – Paris, France & Oslo, Norway

The U.S. Department of Homeland Security Acting Secretary Chad F. Wolf announced that within the next two days he intends to begin a supplemental Notice of Arrivals Restriction. That restriction would require U.S. passengers that have been in the Schengen Area to travel through select airports where the U.S. Government has implemented enhanced screening procedures.

Orlando International is not a screening airport.

We will continue to monitor changes and work with airlines and federal agencies in handling operations for international passengers. Passengers are encouraged to check with their individual airlines regarding the status of the travel plans.

###

**Basic MCO Information:** With more than 50 million annual passengers, Orlando International Airport (MCO) is the busiest airport in Florida and 10th busiest in the U.S. MCO is currently engaged in a \$4.2 billion Capital Improvement Program to increase capacity and enhance customer convenience.

For more information contact Carolyn Fennell or Caitlin Dineen in the Office of Public Affairs at the Greater Orlando Aviation Authority at 407-825-2055.

Florida Department of Health Call Center 1-866-779-6121 or [COVID-19@flhealth.com](mailto:COVID-19@flhealth.com)

Governor Ron DeSantis has established a Joint Information Center on COVID-19 for the State of Florida 1-850-815-4940, [ESF14@em.myflorida.com](mailto:ESF14@em.myflorida.com)

Everyone plays a part in lowering the impact within our communities and workplaces – taking every day preventative actions help to impede the spread of respiratory diseases such as COVID-19. Preventative actions include:

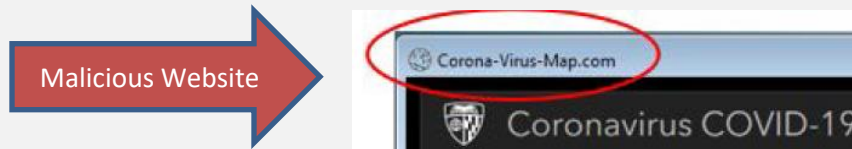

- **Washing your hands frequently with soap and water for at least 20 seconds**, especially after going to the bathroom, before eating, and after blowing your nose, coughing or sneezing. If soap and water are not available, use an alcohol-based hand sanitizer with at least 60% alcohol
- **Avoiding close contact** with people who are sick
- **Staying home when you are sick- This message cannot be emphasized enough**
- Employees who have symptoms of acute respiratory illness are recommended to stay home and not come to work until they are free of fever (100.4° F or greater using an oral thermometer), signs of a fever, and any other symptoms for at least 24 hours, without the use of fever-reducing or other symptom-altering medicines (e.g. cough suppressants). Employees should notify their supervisor and stay home if they are sick
- **Before traveling, take certain steps:**
  - Check CDC’s Traveler’s Health Notices for the latest guidance and recommendations for each country to which you may travel
  - Employees who become sick while traveling must understand that they should notify their supervisor and should promptly call a healthcare provider for advice if needed

Advent Health has established a COVID-19 hotline. Nurses from the Hospital Group staff the hotline 24 hours a day and seven days a week. Those with questions or concerns should call **1-877-VIRUSHQ (1-877-847-8747)**.

Florida Attorney General Ashley Moody activated Florida's Price Gouging Hotline. Consumers can report price gouging by phone at **1-866-966-7226** or online at [myfloridalegal.com](http://myfloridalegal.com).

All County-sponsored business travel to identified high-risk areas, as determined by the County Administrator, is suspended until further notice.

Cybersecurity experts have discovered a malicious website pretending to be the live map for Coronavirus COVID-19 Global Cases by Johns Hopkins University. Visiting the malicious website infects users with the AZORult Trojan, an information-stealing program that can exfiltrate a variety of sensitive data. All personnel need to ensure the utilization of reliable sources when accessing the Johns Hopkins University website. The malicious website uses Corona-Virus-Map.com as shown.

#### ESF 1 - TRANSPORTATION

The Greater Orlando Aviation Authority is reporting no direct flights to or from the countries identified by the CDC. The proclamation by President Donald J. Trump suspends the entry of most foreign nationals coming to and from the United States if they have visited certain European countries during the two weeks prior to their scheduled arrival. Approximately 92 inbound flights could be affected during the new 30-day restricted travel period. See Attachment for the Greater Orlando Aviation Authority news release.

Lynx continues to follow vigilant housekeeping measures and has established a web page for public information: [What We are Doing to Protect You from the Coronavirus](#)

SunRail has increased the cleaning and sanitation of all coaches, and is in the process of hiring additional Ambassadors. This will increase the frequency of each station's cleaning at regular intervals throughout each day.

#### ESF 4 & 9 - FIREFIGHTING & URBAN SEARCH & RESCUE

The Orange County Fire Rescue Department (OCFRD) is closely monitoring the COVID-19 situation. OCFRD has the appropriate equipment and protocols in place for treating and transporting suspected COVID-19 cases. The Orange County Fire Rescue Department developed and issued an internal COVID-19 Action Plan to govern Fire Rescue Operations. Training has been provided to all personnel regarding Personal Protective Equipment, treating infectious disease patients, and decontaminating units and equipment following a suspected COVID-19 incident. OCFRD has deployed specialized equipment to decontaminate medical transport units following a suspected COVID-19 incident.

Fire Department personnel visited all of the Assisted Living Facilities in Orange County response areas to provide valuable information for CDC recommendations along with public safety messaging.

Orange County Fire Rescue is continuing normal operations while maintaining crew safety.

## ESF 5 – INFORMATION & PLANNING

Orange County Emergency Operations Center was activated to a Level II-partial Activation with the following positions staffed: ESF1-Transportation, ESF2-Communications, ESF4/9-Fire/HazMat, ESF5-Information and Planning, ESF7-Resource Support, ESF8-Health & Medical, ESF15-Volunteers & Donations, ESF16-Law Enforcement.

Orange County Emergency Management is conducting regular conference calls with Orange County Emergency Response Team (OCERT) stakeholders in order to provide situation reports.

Continuously monitoring all activities in the County. In addition, monitoring all information on the Centers for Disease Control (CDC) and the Johns Hopkins Websites.

Participating in the Region V Division of Emergency Management Conference calls to monitor the status of surrounding counties and all activities.

Orange, Bay, Broward, Miami Dade, Pasco, Seminole, and Hillsborough Counties have now declared a Local State of Emergency.

Orange, Broward, Hillsborough, Leon, Seminole, Pasco and Okaloosa Counties have partially activated Emergency Operations Centers.

OEM is Participating in the Florida Division of Emergency Management Conference Calls and monitoring for any updates and all activities at the State Level.

The State Emergency Operations Center (SEOC) is activated to a level 2-partial Activation but is considering a full Level I Activation.

Communicating with community partners for available resources and equipment needs. All resource and equipment requests are now being entered into the State WebEOC along with the Orange County Situation Report.

OEM is receiving many requests for masks from local Law Enforcement Agencies. These requests are being shared with the Department of Health to be filled when supplies become available.

Orange County 3-1-1 has received 13 calls over then past 24 hours with a marked increase after today's press conference.

Daily Situation Reports are being distributed to keep all staff and partners well informed about the current situation and the status of Orange County Government.

## ESF 8 - HEALTH/MEDICAL ACTION ITEMS

With the Emergency Operations Center (EOC) activated to level II, the ESF-8 desk is staffed. This position will relay information to our Health Services Division (HSD)/Department Operations Center (DOC) personnel.

A building has been selected for DOH COVID-19 clinical testing at 7300 Lake Ellenor Drive. Bldg. 701; Orange County Facilities is working to prepare the building for use. Projected timeline for building to become operational is Wednesday, March 16, 2020.

Request for 160,000 N-95 masks for health care providers (including EMS) ordered through state EOC (SEOC).

Nemours has requested ten LTV ventilators through ESF-8 through the State EOC (SEOC). The State Department of Health is fulfilling this request for ventilators.

Health Services is investigating the Violet Defense- Ultra Violet radiation light for disinfecting rooms/areas in several different Orange County Administrative Facilities.

Advent Health, Nemours and Orlando Health have been in contact with HSD/ESF-8 regarding the use of medical shelters for screening outside of Emergency Departments. These shelters will be maintained for Orange County Department of Health should alternate testing sites be needed. Hospitals have been notified of this decision.

#### ESF 14 – PUBLIC INFORMATION

Orange County Mayor Jerry L. Demings hosted a press conference on Friday, March 13, 2020 at the Orange County Administration Center at 12:00 p.m.

Orange County Public Information Office continues to respond to media inquiries received.

Social Media and Website

[www.ocfl.net/coronavirus](http://www.ocfl.net/coronavirus) continues to stay updated and the Public Information Office added a media tab to all Coronavirus specific stories.

[www.ocfl.net/Coronavirus](http://www.ocfl.net/Coronavirus) - Our main page on ocfl.net

[www.ocfl.net/CoronavirusUpdates](http://www.ocfl.net/CoronavirusUpdates) - Newsroom updates

#### PARTNERS-TOURISM SECTOR

Orange County Public Schools (OCPS) began Spring Break on Friday, March 13, 2020. OCPS is closely monitoring the situation. Custodial crews will thoroughly clean schools and offices during the break.

The following Orange County School message is being communicated to all parents:

**“While we have been advised by experts that the risk to young people remains low, we encourage everyone to continue to follow the Centers for Disease Control and Prevention (CDC) guidelines and to follow healthy habits. Hand washing with soap and water remains the best prevention.”**

Florida Board of Governors for the State System has recommended remote instruction effective immediately and are encouraging all on campus students and residential housing students to remain off campus.

University of Central Florida (UCF) will move to remote instruction effective Monday, March 16, 2020, to minimize health and safety risks to the UCF community.

Rollins College has transitioned to remote instruction for the remainder of the semester.

Valencia College is currently on Spring Break and announced online classes for the remainder of the semester.

Seminole State College is moving to online classes but the Technology Center will remain open.

Full Sail University is transitioning to online courses on March 18, 2020.

The City of Winter Park cancelled the Winter Park Art Festival scheduled for March 20, 2020 through March 22, 2020.

The Orange County Library System has cancelled all events and programs scheduled for March 14, 2020 through March 31, 2020 but the libraries remain open.

The NBA announced on March 11, 2020 that it is suspending the current season.

Orange County Convention Center (OCCC) reports seven major cancellations:

- Ellucian Live 2020 Event
- Health Information and Management Systems Society Global Conference & Exhibition
- Grainger Show 2020
- McDonald’s Corporation Worldwide Conference
- Minecraft Festival (Rescheduled for 2021)
- American Academy of Orthopaedic Surgeons
- ISA International Sign Expo 2020 (Rescheduled for August 23-25, 2020)

- Water Quality Association
- Impressions (Rescheduled for September 10-12, 2020)
- RFID Journal LIVE! (Rescheduled for 2021)

Orange County Convention Center has launched a webpage with information at:

<https://www.occc.net/coronavirus>.

For information regarding upcoming events OCCC has provided the link below:

<https://www.occc.net/Upcoming-Events>

Orange County Convention Center (OCCC) continues to make the safety of guests and attendees the Number one priority. Continuing to work diligently with clients on conventions and rescheduling events. Several conventions are being planned for future dates.

The Sunshine Volleyball Classic (USA Volleyball Event) was held last weekend at the North-South Building with more than 40,000 attendees. This event had an estimated \$51.34 million economic impact. The American Open Cheer with 10,048 attendees had an estimated \$12.9 million economic impact.

OCCC continues to work closely with Orange County Government and the Florida Department of Health on COVID-19 for updates. Disinfectant procedures are in place and will continue across all areas of the Convention Center.

Universal Orlando Resort will temporarily close its theme parks effective Monday, March 16 and will remain closed through the end of March. Universal Orlando will continue to evaluate the situation while Universal Orlando's hotels and Universal CityWalk will remain open.

Disney is proceeding with the closure of the theme parks at Walt Disney World Resort, beginning March 16, through the end of the month. The Walt Disney Company will pay its Cast Members during the closure period. Disney Resort hotels and Disney Springs will remain open until further notice.

Disney Cruise Lines has suspended operations for all new departures effective March 14, 2020 through the end of the month.

Sea World will temporarily close effective March 16, 2020 and remain closed through the end of the month. Staff will continue animal care during the closure of the park.

The Wheel at Icon remains open at this time and is closely monitoring the situation.

The United Soccer League Announced a two-week delay to the start of League One season.

The Orange County Fire Marshal's Office requires a permit for all events that have 50 or more attendees. Through the permitting process, the Fire Marshal's Office has received the following cancelations for shows outside of the Orange County Convention Center:

Event name	Venue	Date of event	Status	Anticipated attendees

- **All Emergency Services and Human Services emergency support functions have been activated for daily staffing in the SEOC.**

Email [eoc-plans@em.myflorida.com](mailto:eoc-plans@em.myflorida.com) with cancelled events.

## ATTACHMENTS

### Health Alert: Coronavirus Disease 2019 (COVID-19)

**You have traveled to a country with an outbreak of COVID-19 and are at higher risk.**  
COVID-19 is a respiratory illness that can spread from person to person.

**Stay Home**  
Stay home for the next 14 days and monitor your health. Take your temperature with a thermometer two times a day and watch for symptoms.

**If you feel sick and have symptoms:**

- Call ahead before you go to a doctor's office or emergency room.
- Tell the doctor about your recent travel and your symptoms.
- Avoid contact with others.
- Do not travel while sick.

**Symptoms**  
Illnesses have ranged from mild symptoms to severe illness and death. Symptoms may appear 2–14 days after exposure.

**Symptoms can include:**

- Fever (100.4°F/38°C or higher)
- Cough
- Shortness of breath

Visit the website for more information on monitoring your health and how to contact local public health officials. Visit: [www.cdc.gov/COVIDtravel](http://www.cdc.gov/COVIDtravel)

C115048-E February 20, 2020 11 PM

**IMMEDIATE:** For Release March 12, 2020

## **INTERNATIONAL TRAVEL RESTRICTIONS COULD AFFECT AIR SERVICE AT ORLANDO INTERNATIONAL AIRPORT**

ORLANDO, FL. – As a result of the presidential proclamation by President Donald J. Trump restricting specific international travel into the United States, flights to and from Orlando International Airport may be affected. The proclamation suspends the entry of most foreign nationals coming to the United States if they have visited certain European countries during the two weeks prior to their scheduled arrival.

Specifically, international visitors will not be allowed to come to the U.S. if they have visited the following countries: Austria, Belgium, Czech Republic, Denmark, Estonia, Finland, France, Germany, Greece, Hungary, Iceland, Italy, Latvia, Liechtenstein, Lithuania, Luxembourg, Malta, Netherlands, Norway, Poland, Portugal, Slovakia, Slovenia, Spain, Sweden, and Switzerland. This area is known as the Schengen Area of Europe.

Approximately 92 inbound flights could be affected during the 30-day restricted travel period. Potentially affected airlines and the destinations they service include:

- Delta Air Lines – Amsterdam, Netherlands
- Icelandair – Reykjavik, Iceland
- Lufthansa – Frankfurt, Germany
- Norwegian Airlines – Paris, France & Oslo, Norway

The U.S. Department of Homeland Security Acting Secretary Chad F. Wolf announced that within the next two days he intends to begin a supplemental Notice of Arrivals Restriction. That restriction would require U.S. passengers that have been in the Schengen Area to travel through select airports where the U.S. Government has implemented enhanced screening procedures.

Orlando International is not a screening airport.

We will continue to monitor changes and work with airlines and federal agencies in handling operations for international passengers. Passengers are encouraged to check with their individual airlines regarding the status of the travel plans.

###

**Basic MCO Information:** With more than 50 million annual passengers, Orlando International Airport (MCO) is the busiest airport in Florida and 10th busiest in the U.S. MCO is currently engaged in a \$4.2 billion Capital Improvement Program to increase capacity and enhance customer convenience.

For more information contact Carolyn Fennell or Caitlin Dineen in the Office of Public Affairs at the Greater Orlando Aviation Authority at 407-825-2055.

Florida Department of Health Call Center 1-866-779-6121 or [COVID-19@flhealth.com](mailto:COVID-19@flhealth.com)

Governor Ron DeSantis has established a Joint Information Center on COVID-19 for the State of Florida 1-850-815-4940, [ESF14@em.myflorida.com](mailto:ESF14@em.myflorida.com)

Everyone plays a part in lowering the impact within our communities and workplaces – taking every day preventative actions help to impede the spread of respiratory diseases such as COVID-19. Preventative actions include:

- **Washing your hands frequently with soap and water for at least 20 seconds**, especially after going to the bathroom, before eating, and after blowing your nose, coughing or sneezing. If soap and water are not available, use an alcohol-based hand sanitizer with at least 60% alcohol
- **Avoiding close contact** with people who are sick
- **Staying home when you are sick- This message cannot be emphasized enough**
- Employees who have symptoms of acute respiratory illness are recommended to stay home and not come to work until they are free of fever (100.4° F or greater using an oral thermometer), signs of a fever, and any other symptoms for at least 24 hours, without the use of fever-reducing or other symptom-altering medicines (e.g. cough suppressants). Employees should notify their supervisor and stay home if they are sick
- **Before traveling, take certain steps:**
  - Check CDC's Traveler's Health Notices for the latest guidance and recommendations for each country to which you may travel
  - Employees who become sick while traveling must understand that they should notify their supervisor and should promptly call a healthcare provider for advice if needed

Advent Health has established a COVID-19 hotline. Nurses from the Hospital Group staff the hotline 24 hours a day and seven days a week. Those with questions or concerns should call **1-877-847-8747**.

Florida Attorney General Ashley Moody activated Florida's Price Gouging Hotline. Consumers can report price gouging by phone at **1-866-966-7226** or online at [myfloridalegal.com](http://myfloridalegal.com).

All County-sponsored business travel to identified high-risk areas, as determined by the County Administrator, is suspended until further notice.

Oneblood announced a shortage of blood donations and encourages our community to donate at their local blood bank. Oneblood is reminding the public that it is safe to donate and to call 1-888-936-6283 to find the closest donation site and/or to make an appointment.

Second Harvest is looking for volunteers to assist with many different tasks. This volunteer request will be posted through Orange County social media and websites.

---

## ESF1 - TRANSPORTATION

The Greater Orlando Aviation Authority is reporting no direct flights to or from the countries identified by the CDC. The proclamation by President Donald J. Trump suspends the entry of most foreign nationals coming to and from the United States if they have visited certain European countries during the two weeks prior to their scheduled arrival. More flights will be affected with the new travel restrictions for additional countries. See Attachment for the Greater Orlando Aviation Authority news release.

President Donald J. Trump added Ireland and the United Kingdom to the travel ban on March 14, 2020.

Lynx continues to follow vigilant housekeeping measures and has established a web page for public information: [What We are Doing to Protect You from the Coronavirus](#)

SunRail has increased the cleaning and sanitation of all coaches, and is in the process of hiring additional Ambassadors. This will increase the frequency of each station's cleaning at regular intervals throughout each day.

---

#### **ESF 4 & 9 – FIREFIGHTING & URBAN SEARCH & RESCUE**

The Orange County Fire Rescue Department (OCFRD) is under normal staffing while closely monitoring field operations for the COVID-19 situation. OCFRD has confirmed that the appropriate equipment and protocols are in place for treating and transporting suspected COVID-19 cases. The Orange County Fire Rescue Department developed and issued an internal COVID-19 Action Plan to govern Fire Rescue Operations. Training has been provided to all personnel regarding Personal Protective Equipment, treating infectious disease patients, and decontaminating units and equipment following a suspected COVID-19 incident. OCFRD has deployed specialized equipment and trained personnel to decontaminate medical transport units following a suspected COVID-19 incident. Continuity of Operations and staffing plans have been reviewed for efficacy. The EOC positions will be staffed according to the Level-2 partial activation schedule.

Fire Department personnel visited all of the Assisted Living Facilities in Orange County response areas to provide valuable information for CDC recommendations along with public safety messaging.

---

#### **ESF5 – INFORMATION & PLANNING**

The State Department of Emergency Management activated the State Emergency Operations Center to a Level I – Full Activation on March 14, 2020.

Orange County Emergency Operations Center was activated to a Level II-partial Activation with the following positions staffed: ESF1-Transportation, ESF2-Communications, ESF4/9-Fire/HazMat, ESF5-Information and Planning, ESF7-Resource Support, ESF8-Health & Medical, ESF 14-Public Information, ESF15-Volunteers & Donations, ESF16-Law Enforcement.

Orange County Emergency Management is conducting regular conference calls with Orange County Emergency Response Team (OCERT) stakeholders in order to provide situation reports.

Continuously monitoring all activities in the County. In addition, monitoring all information on the Centers for Disease Control (CDC) and the Johns Hopkins Websites.

Participating in the Region V Division of Emergency Management Conference calls to monitor the status of surrounding counties and all activities.

Orange, Bay, Broward, Miami Dade, Pasco, Seminole, and Hillsborough, Clay, Volusia Counties have now declared a Local State of Emergency.

Orange, Clay, Broward, Hillsborough, Leon, Seminole, Pasco, Pinellas, and Okaloosa Counties have Emergency Operations Centers at a Level II- partial activation.

OEM is participating in the Florida Division of Emergency Management Conference Calls and monitoring for any updates and all activities at the State Level.

Communicating with community partners for available resources and equipment needs. All resource and equipment requests are being entered into the State WebEOC along with the Orange County Situation Report.

All Orange County EOC Classes have been cancelled through the end of March and will be rescheduled at a later date.

OEM requested N-95 masks local Law Enforcement Agencies. These requests are being shared with the Department of Health to be filled when supplies become available.

Orange County OEM has been in contact with the State and they have advised that the requests for N-95 masks are currently being filled. Orange County expects the arrival of these items on Monday, March 16, 2020.

Orange County 3-1-1 received 13 calls on Friday, March 13, 2020.

Daily Situation Reports are being distributed to keep all staff and partners well informed about the current situation and the status of Orange County Government.

---

## **ESF8 – HEALTH/MEDICAL ACTION ITEMS**

With the Emergency Operations Center (EOC) activated to level II, the ESF-8 desk is staffed. This ESF position relays information to Health Services Operations Center (DOC) personnel.

A building has been selected for Department of Health (DOH) COVID-19 clinical testing at 7300 Lake Ellenor Drive. Bldg. 701. Projected timeline for building to become operational is Wednesday, March 16, 2020. A new location for DOH screening has been identified at 712 West Gore Street. Orange County Facilities is working to prepare both of these buildings for use.

Health Services has a hand sanitizer distribution plan in place to commence the afternoon of Monday, March 16, 2020.

---

## **ESF14 – PUBLIC INFORMATION**

Orange County Administration held an Executive Policy Group Meeting at Orange County Fire Rescue Headquarters at 11:00 a.m.

Orange County Mayor Jerry L. Demings hosted a press briefing on Saturday March 14, 2020 at the Orange County Fire Rescue Emergency Operations Center at 1:00 p.m.

Orange County Public Information Office continues to respond to media inquiries received and monitor/update social media outlets as updates become available.

Social Media and Website:

[www.ocfl.net/coronavirus](http://www.ocfl.net/coronavirus) continues to stay updated and the Public Information Office added a media tab to all Coronavirus specific stories.

[www.ocfl.net/Coronavirus](http://www.ocfl.net/Coronavirus) - Our main page on ocfl.net

[www.ocfl.net/CoronavirusUpdates](http://www.ocfl.net/CoronavirusUpdates) - Newsroom updates

[www.ocfl.net/CoronavirusInfo](http://www.ocfl.net/CoronavirusInfo) - PDF from graphics, in English

---

## **ESF15 – EOC SUPPORT**

Standby email sent to all certified 311 and Message Routers for potential activation; no 311 call takers or routers requested or activated at this time but are preparing in case the need arises.

Provided data collection regarding mass feeding plan by non-profit partners (Second Harvest Food Bank, Coalition for the Homeless, Salvation Army, and Orange County Family Services) for policy group use; groups

documenting capacity of partners to be proactive should the need arise but not mobilizing any additional resources at this time.

Cancelled all Emergency Management classes that were scheduled at the Orange County Emergency Operations Center through the end of March.

Provided Comptroller's office and HR team official certified staff list as of Day one Level 2, March 13.

---

## **ESF16 – LAW ENFORCEMENT**

The Orange County Sheriff's Office continues normal operations, while monitoring the developing situation.

---

## **PARTNERS – TOURISM SECTOR**

Orange County Public Schools (OCPS) began Spring Break on Friday, March 13, 2020. OCPS and will remain closed until March 30, 2020. OCPS will continue to monitor the situation and custodial crews will thoroughly clean schools and offices during the break.

Florida Board of Governors for the State System has recommended remote instruction effective immediately and are encouraging all on campus students and residential housing students to remain off campus.

University of Central Florida (UCF) will move to remote instruction effective Monday, March 16, 2020, to minimize health and safety risks to the UCF community.

Email [eoc-plans@em.myflorida.com](mailto:eoc-plans@em.myflorida.com) with cancelled events.

## Health Alert: Coronavirus Disease 2019 (COVID-19)

You have traveled to a country with an outbreak of COVID-19 and are at higher risk.  
COVID-19 is a respiratory illness that can spread from person to person.

#### Stay Home

Stay home for the next 14 days and monitor your health. Take your temperature with a thermometer two times a day and watch for symptoms.

#### Symptoms

Illnesses have ranged from mild symptoms to severe illness and death. Symptoms may appear 2–14 days after exposure.

**If you feel sick and have symptoms:**

- Call ahead before you go to a doctor's office or emergency room.
- Tell the doctor about your recent travel and your symptoms.
- Avoid contact with others.
- Do not travel while sick.

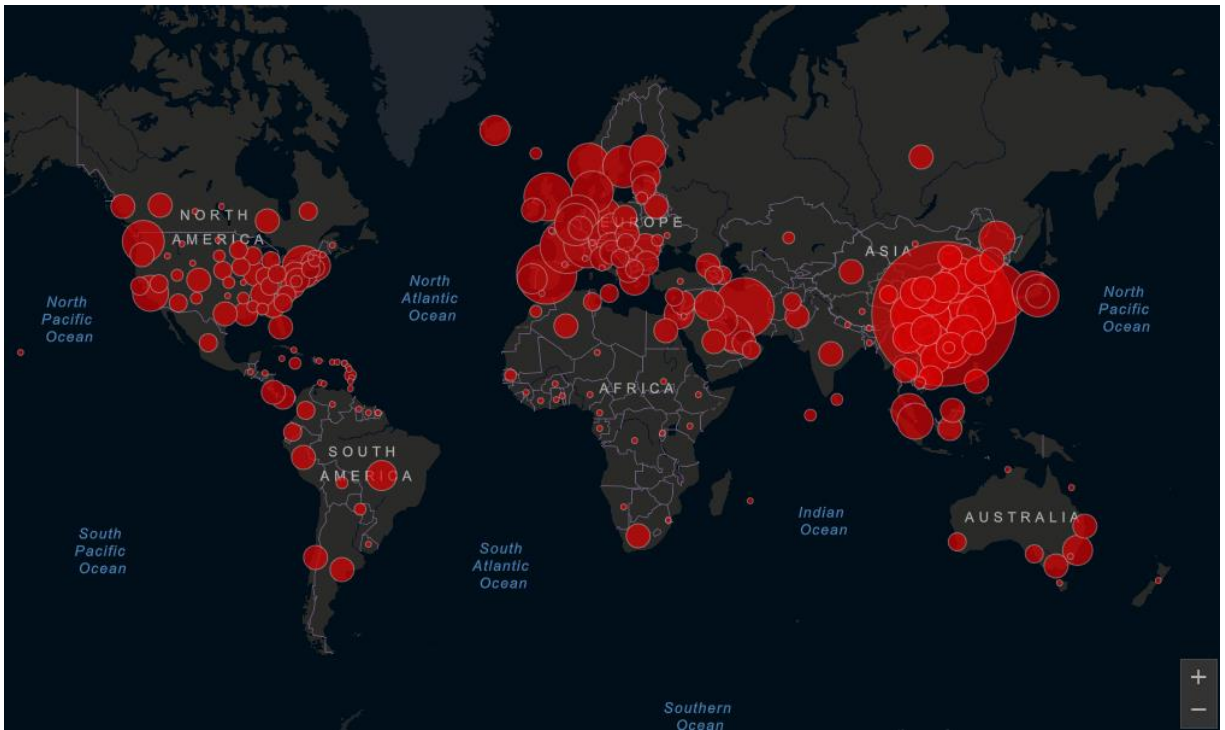

**Symptoms can include:**

-  Fever (100.4°F/38°C or higher)
-  Cough
-  Shortness of breath

Visit the website for more information on monitoring your health and how to contact local public health officials. Visit: [www.cdc.gov/COVID19travel](http://www.cdc.gov/COVID19travel)

All County-sponsored business travel to identified high-risk areas, as determined by the County Administrator, is suspended until further notice.

Oneblood announced a shortage of blood donations and encourages our community to donate at their local blood bank. Oneblood is reminding the public that it is safe to donate and to call 1-888-936-6283 to find the closest donation site and/or to make an appointment.

Second Harvest is looking for volunteers to assist with many different tasks. This volunteer request will be posted through Orange County social media and websites.

---

## ESF1 - TRANSPORTATION

The Greater Orlando Aviation Authority is reporting no direct flights to or from the countries identified by the CDC. The proclamation by President Donald J. Trump suspends the entry of most foreign nationals coming to and from the United States if they have visited certain European countries during the two weeks prior to their scheduled arrival. More flights will be affected with the new travel restrictions for additional countries. See Attachment for the Greater Orlando Aviation Authority news release.

President Donald J. Trump added Ireland and the United Kingdom to the travel ban on March 14, 2020.

Lynx continues to follow vigilant housekeeping measures and has established a web page for public information: [What We are Doing to Protect You from the Coronavirus](#)

SunRail has increased the cleaning and sanitation of all coaches, and is in the process of hiring additional Ambassadors. This will increase the frequency of each station's cleaning at regular intervals throughout each day.

---

## **ESF 4 & 9 – FIREFIGHTING & URBAN SEARCH & RESCUE**

The Orange County Fire Rescue Department (OCFRD) is under normal staffing while closely monitoring field operations for the COVID-19 situation. OCFRD has confirmed that the appropriate equipment and protocols are in place for treating and transporting suspected COVID-19 cases. The Orange County Fire Rescue Department developed and issued an internal COVID-19 Action Plan to govern Fire Rescue Operations. Training has been provided to all personnel regarding Personal Protective Equipment, treating infectious disease patients, and decontaminating units and equipment following a suspected COVID-19 incident. OCFRD has deployed specialized equipment and trained personnel to decontaminate medical transport units following a suspected COVID-19 incident. Continuity of Operations and staffing plans have been reviewed for efficacy. The EOC positions will be staffed according to the Level-2 partial activation schedule.

Fire Department personnel visited all of the Assisted Living Facilities in Orange County response areas to provide valuable information for CDC recommendations along with public safety messaging.

---

## **ESF5 – INFORMATION & PLANNING**

The State Department of Emergency Management activated the State Emergency Operations Center to a Level I – Full Activation on March 14, 2020.

Orange County Emergency Operations Center was activated to a Level II-partial Activation with the following positions staffed: ESF1-Transportation, ESF2-Communications, ESF4/9-Fire/HazMat, ESF5-Information and Planning, ESF7-Resource Support, ESF8-Health & Medical, ESF 14-Public Information, ESF15-Volunteers & Donations, ESF16-Law Enforcement.

Orange County Emergency Management is conducting regular conference calls with Orange County Emergency Response Team (OCERT) stakeholders in order to provide situation reports.

Continuously monitoring all activities in the County. In addition, monitoring all information on the Centers for Disease Control (CDC) and the Johns Hopkins Websites.

Participating in the Region V Division of Emergency Management Conference calls to monitor the status of surrounding counties and all activities.

Orange, Bay, Broward, Miami Dade, Pasco, Seminole, and Hillsborough, Clay, Volusia Counties have now declared a Local State of Emergency.

Orange, Clay, Broward, Hillsborough, Leon, Seminole, Pasco, Pinellas, and Okaloosa Counties have Emergency Operations Centers at a Level II- partial activation.

OEM is participating in the Florida Division of Emergency Management Conference Calls and monitoring for any updates and all activities at the State Level.

Communicating with community partners for available resources and equipment needs. All resource and equipment requests are being entered into the State WebEOC along with the Orange County Situation Report.

All Orange County EOC Classes have been cancelled through the end of March and will be rescheduled at a later date.

OEM requested N-95 masks local Law Enforcement Agencies. These requests are being shared with the Department of Health to be filled when supplies become available.

Orange County OEM has been in contact with the State and they have advised that the requests for N-95 masks are currently being filled. Orange County expects the arrival of these items on Monday, March 16, 2020.

Orange County 3-1-1 received 13 calls on Friday, March 13, 2020.

Daily Situation Reports are being distributed to keep all staff and partners well informed about the current situation and the status of Orange County Government.

---

## **ESF8 – HEALTH/MEDICAL ACTION ITEMS**

With the Emergency Operations Center (EOC) activated to level II, the ESF-8 desk is staffed. This ESF position relays information to Health Services Operations Center (DOC) personnel.

A building has been selected for Department of Health (DOH) COVID-19 clinical testing at 7300 Lake Ellenor Drive. Bldg. 701. Projected timeline for building to become operational is Wednesday, March 16, 2020. A new location for DOH screening has been identified at 712 West Gore Street. Orange County Facilities is working to prepare both of these buildings for use.

Health Services has a hand sanitizer distribution plan in place to commence the afternoon of Monday, March 16, 2020.

---

## **ESF14 – PUBLIC INFORMATION**

Orange County Administration held an Executive Policy Group Meeting at Orange County Fire Rescue Headquarters at 11:00 a.m.

Orange County Mayor Jerry L. Demings hosted a press briefing on Saturday March 14, 2020 at the Orange County Fire Rescue Emergency Operations Center at 1:00 p.m.

Orange County Public Information Office continues to respond to media inquiries received and monitor/update social media outlets as updates become available.

Social Media and Website:

[www.ocfl.net/coronavirus](http://www.ocfl.net/coronavirus) continues to stay updated and the Public Information Office added a media tab to all Coronavirus specific stories.

[www.ocfl.net/Coronavirus](http://www.ocfl.net/Coronavirus) - Our main page on ocfl.net

[www.ocfl.net/CoronavirusUpdates](http://www.ocfl.net/CoronavirusUpdates) - Newsroom updates

[www.ocfl.net/CoronavirusInfo](http://www.ocfl.net/CoronavirusInfo) - PDF from graphics, in English

---

## **ESF15 – EOC SUPPORT**

Standby email sent to all certified 311 and Message Routers for potential activation; no 311 call takers or routers requested or activated at this time but are preparing in case the need arises.

Provided data collection regarding mass feeding plan by non-profit partners (Second Harvest Food Bank, Coalition for the Homeless, Salvation Army, and Orange County Family Services) for policy group use; groups

documenting capacity of partners to be proactive should the need arise but not mobilizing any additional resources at this time.

Cancelled all Emergency Management classes that were scheduled at the Orange County Emergency Operations Center through the end of March.

Provided Comptroller's office and HR team official certified staff list as of Day one Level 2, March 13.

---

## **ESF16 – LAW ENFORCEMENT**

The Orange County Sheriff's Office continues normal operations, while monitoring the developing situation.

---

## **PARTNERS – TOURISM SECTOR**

Orange County Public Schools (OCPS) began Spring Break on Friday, March 13, 2020. OCPS and will remain closed until March 30, 2020. OCPS will continue to monitor the situation and custodial crews will thoroughly clean schools and offices during the break.

Florida Board of Governors for the State System has recommended remote instruction effective immediately and are encouraging all on campus students and residential housing students to remain off campus.

University of Central Florida (UCF) will move to remote instruction effective Monday, March 16, 2020, to minimize health and safety risks to the UCF community.

Rollins College has transitioned to remote instruction for the remainder of the semester.

Valencia College is currently on Spring Break and announced online classes for the remainder of the semester.

Seminole State College is moving to online classes but the Technology Center will remain open.

Email [eoc-plans@em.myflorida.com](mailto:eoc-plans@em.myflorida.com) with cancelled events.

## Health Alert: Coronavirus Disease 2019 (COVID-19)

You have traveled to a country with an outbreak of COVID-19 and are at higher risk.  
COVID-19 is a respiratory illness that can spread from person to person.

#### Stay Home

Stay home for the next 14 days and monitor your health. Take your temperature with a thermometer two times a day and watch for symptoms.

#### Symptoms

Illnesses have ranged from mild symptoms to severe illness and death. Symptoms may appear 2–14 days after exposure.

**If you feel sick and have symptoms:**

- Call ahead before you go to a doctor's office or emergency room.
- Tell the doctor about your recent travel and your symptoms.
- Avoid contact with others.
- Do not travel while sick.

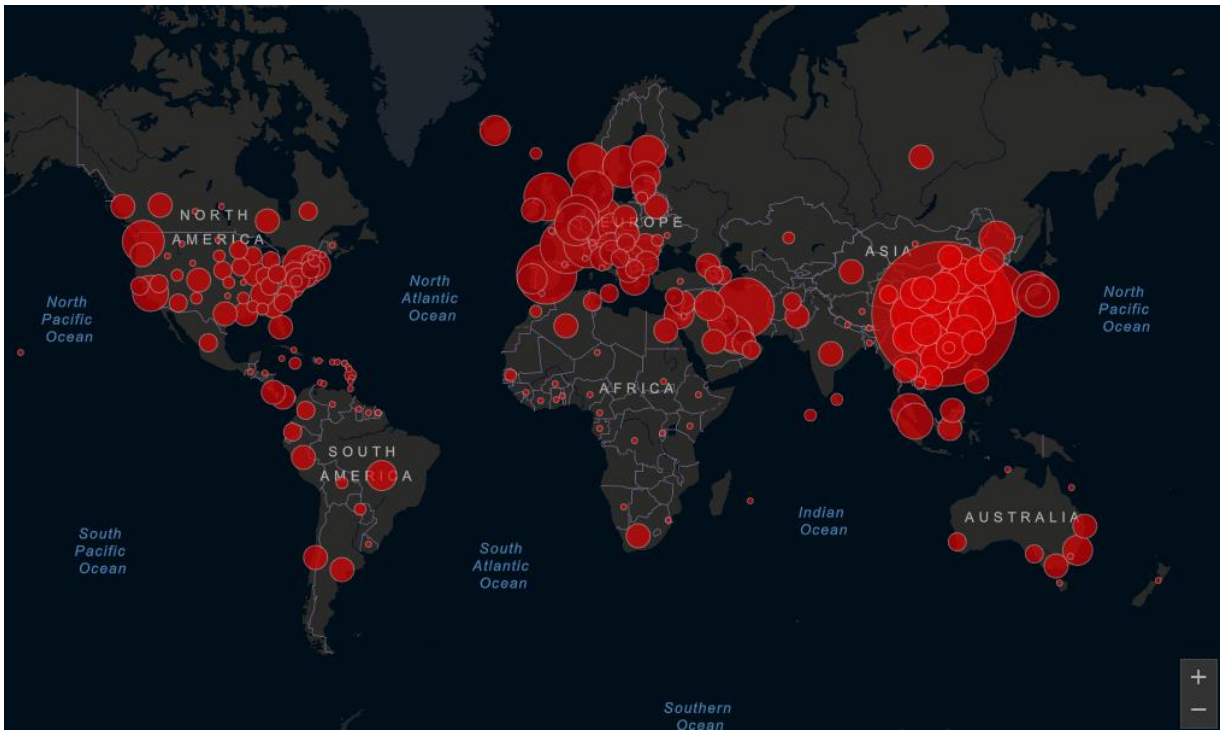

**Symptoms can include:**

-  Fever (100.4°F/38°C or higher)
-  Cough
-  Shortness of breath

Visit the website for more information on monitoring your health and how to contact local public health officials. Visit: [www.cdc.gov/COVIDtravel](http://www.cdc.gov/COVIDtravel)

Florida Department of Health Call Center 1-866-779-6121 or [COVID-19@flhealth.com](mailto:COVID-19@flhealth.com)

Governor Ron DeSantis has established a Joint Information Center on COVID-19 for the State of Florida 1-850-815-4940, [ESF14@em.myflorida.com](mailto:ESF14@em.myflorida.com)

Everyone plays a part in lowering the impact within our communities and workplaces – taking every day preventative actions help to impede the spread of respiratory diseases such as COVID-19. Preventative actions include:

- **Washing your hands frequently with soap and water for at least 20 seconds**, especially after going to the bathroom, before eating, and after blowing your nose, coughing or sneezing. If soap and water are not available, use an alcohol-based hand sanitizer with at least 60% alcohol
- **Avoiding close contact** with people who are sick
- **Staying home when you are sick- This message cannot be emphasized enough**
- Employees who have symptoms of acute respiratory illness are recommended to stay home and not come to work until they are free of fever (100.4° F or greater using an oral thermometer), signs of a fever, and any other symptoms for at least 24 hours, without the use of fever-reducing or other symptom-altering medicines (e.g. cough suppressants). Employees should notify their supervisor and stay home if they are sick.
- **Before traveling, take certain steps:**
  - Check CDC's Traveler's Health Notices for the latest guidance and recommendations for each country to which you may travel
  - Employees who become sick while traveling must understand that they should notify their supervisor and should promptly call a healthcare provider for advice if needed

Advent Health has established a COVID-19 hotline. Nurses from the Hospital Group staff the hotline 24 hours a day and seven days a week. Those with questions or concerns should call **1-877-847-8747**.

Florida Attorney General Ashley Moody activated Florida's Price Gouging Hotline. Consumers can report price gouging by phone at **1-866-966-7226** or online at [myfloridalegal.com](http://myfloridalegal.com).

All County-sponsored business travel to identified high-risk areas, as determined by the County Administrator, is suspended until further notice.

Oneblood announced a shortage of blood donations and encourages our community to donate at their local blood bank. Oneblood is reminding the public that it is safe to donate and to call 1-888-936-6283 to find the closest donation site and/or to make an appointment.

Second Harvest is looking for volunteers to assist with many different tasks. This volunteer request will be posted through Orange County social media and websites.

## ESF1 – TRANSPORTATION

The Greater Orlando Aviation Authority (GOAA) is working closely with federal and local partners to monitor the developments of the Coronavirus (COVID-19). GOAA has a response plan in place for the Orlando International (MCO) and Orlando Executive (ORL) Airports, which would be activated in the event that an infected individual is identified while traveling through the airports

On March 11, 2020, President Donald J. Trump suspended the entry of most foreign nationals coming to and from the United States if they have visited certain European countries during the two weeks prior to their scheduled arrival. Flights will be affected as travel from more countries is limited. Travelers are encouraged

to check airlines schedules frequently for updates.

LYNX continues to follow increased housekeeping measures and continues to provide information to employees and customers. LYNX established a web page for public information: [What We are Doing to Protect You from the Coronavirus](#).

LYNX has received a request to assist FDOT with transporting thirty-four residents home for self-quarantine once their flight arrives at Orlando Executive Airport.

SunRail has increased the cleaning and sanitation of all coaches, and continues to monitor the developing situation.

## **ESF 4 & 9 – FIREFIGHTING & URBAN SEARCH & RESCUE**

The Orange County Fire Rescue Department (OCFRD) is under normal staffing while closely monitoring field operations for the COVID-19 situation. OCFRD has confirmed that the appropriate equipment and protocols are in place for treating and transporting suspected COVID-19 cases. The Orange County Fire Rescue Department developed and issued an internal COVID-19 Action Plan to govern Fire Rescue Operations.

Training has been provided to all personnel regarding Personal Protective Equipment, treating infectious disease patients, and decontaminating units and equipment following a suspected COVID-19 incident. OCFRD has deployed specialized equipment and trained personnel to decontaminate medical transport units following a suspected COVID-19 incident. Continuity of Operations and staffing plans have been reviewed for efficacy. The EOC positions will be staffed according to the Level-II Partial Activation schedule.

## **ESF5 – INFORMATION & PLANNING**

The State Department of Emergency Management activated the State Emergency Operations Center to a Level I – Full Activation on March 14, 2020.

Orange County Emergency Operations Center is activated to a Level II-partial Activation with the following positions staffed: ESF1-Transportation, ESF2-Communications, ESF4/9-Fire/HazMat, ESF5-Information and Planning, ESF7-Resource Support, ESF8-Health & Medical, ESF 14-Public Information, ESF15-Volunteers & Donations, ESF16-Law Enforcement.

Orange County Emergency Management is conducting regular conference calls with Orange County Emergency Response Team (OCERT) stakeholders in order to provide situation reports.

Continuously monitoring all activities in the County. In addition, monitoring all information on the Centers for Disease Control (CDC) and the Johns Hopkins Websites.

Participating in the Region V Division of Emergency Management Conference calls to monitor the status of surrounding counties and all activities.

Orange, Bay, Broward, Miami Dade, Pasco, Seminole, and Hillsborough, Clay, Volusia Counties have now declared a Local State of Emergency.

Orange, Clay, Broward, Hillsborough, Leon, Seminole, Pasco, Pinellas, and Okaloosa Counties have Emergency Operations Centers at a Level II- partial activation.

OEM is participating in the daily Florida Division of Emergency Management Conference Calls and monitoring for any updates and all activities and requests at the State Level.

Communicating with community partners for available resources and equipment needs. All resource and equipment requests are being entered into the State WebEOC along with the Orange County Situation Report.

All Orange County EOC Classes have been cancelled through the end of March and will be rescheduled at a later date.

OEM requested N-95 masks local Law Enforcement Agencies. These requests are being shared with the Department of Health to be filled when supplies become available.

Orange County OEM has been in contact with the State and they have advised that the requests for N-95 masks are to be filled through normal vendor requests through by each County. The State has provided a list of vendors and Orange County has a purchase in process.

Orange County 3-1-1 received 9 calls on Saturday, March 14, 2020. Callers were directed to the appropriate services to address needs.

Daily Situation Reports are being distributed to keep all staff and partners well informed about the current situation and the status of Orange County Government.

## **ESF7 – RESOURCE SUPPORT**

Procurement has reached out to contracted vendors as well as other sources to fill the request for twenty thousand-one ounce hand sanitizers. Currently, two vendors have responded, one with a positive response at the cost of \$18,600 dollars. We are waiting for an estimated time of arrival for the vendor to fill the order. An additional request for N-95 face masks has been placed through the State WebEOC to assist Fire Rescue with the needed masks.

## **ESF8 – HEALTH/MEDICAL ACTION ITEMS**

With the Emergency Operations Center (EOC) activated to level II, the ESF-8 desk is staffed. This ESF position relays information to Health Services Operations Center (DOC) personnel.

Health Services worked with the State ESF8 desk to find a vendor on contract with DOH that has N95 masks. An immediate order of 1200 was placed and an additional order will be placed on Monday. Expected Delivery is ten to fifteen days. Another request for five thousand masks were requested from the State to maintain our supplies until our vendor can deliver supplies that were ordered.

Health Services has received many requests from various health care facilities for N95 masks. Facilities estimate one week of moderate use before supplies will be exhausted.

## **ESF14 – PUBLIC INFORMATION**

Orange County Administration held an Executive Policy Group Meeting in person and via conference call at 1:00 p.m.

Orange County Public Information Office continues to respond to media inquiries received and monitor/update social media outlets as updates become available. Orange County Public Information is currently drafting social media messaging in Spanish.

Social Media and Website:

[www.ocfl.net/coronavirus](http://www.ocfl.net/coronavirus) continues to stay updated and the Public Information Office added a media tab to all Coronavirus specific stories.

[www.ocfl.net/Coronavirus](http://www.ocfl.net/Coronavirus) - Our main page on ocfl.net

[www.ocfl.net/CoronavirusUpdates](http://www.ocfl.net/CoronavirusUpdates) - Newsroom updates

[www.ocfl.net/CoronavirusInfo](http://www.ocfl.net/CoronavirusInfo) - PDF from graphics, in English

## ESF15 – EOC SUPPORT

No 311 call takers or routers requested or activated at this time but prepared in case the need arises.

Cancelled all Emergency Management classes that were scheduled at the Orange County Emergency Operations Center through the end of March.

## ESF16 – LAW ENFORCEMENT

The Orange County Sheriff's Office continues normal operations, while monitoring the developing situation.

## PARTNERS – TOURISM SECTOR

The Orange County Court System will not be calling for jurors for the next two weeks. In addition, courts will be staggering hearings to minimize people gathering. Court System is encouraging use of Technology moving forward.

Many places of worship used virtual services today.

Orange County Utilities is suspending disconnections of service for the time being.

Orange County Public Schools (OCPS) began Spring Break on Friday, March 13, 2020. OCPS will remain closed until March 30, 2020 and will continue to monitor the situation.

## Health Alert: Coronavirus Disease 2019 (COVID-19)

You have traveled to a country with an outbreak of COVID-19 and are at higher risk.  
COVID-19 is a respiratory illness that can spread from person to person.

#### Stay Home

Stay home for the next 14 days and monitor your health. Take your temperature with a thermometer two times a day and watch for symptoms.

#### If you feel sick and have symptoms:

- Call ahead before you go to a doctor's office or emergency room.
- Tell the doctor about your recent travel and your symptoms.
- Avoid contact with others.
- Do not travel while sick.

#### Symptoms

Illnesses have ranged from mild symptoms to severe illness and death. Symptoms may appear 2–14 days after exposure.

#### Symptoms can include:

- Fever (100.4°F/38°C or higher)
- Cough
- Shortness of breath

Visit the website for more information on monitoring your health and how to contact local public health officials. Visit: [www.cdc.gov/COVIDtravel](http://www.cdc.gov/COVIDtravel)

C311549-8 February 20, 2020 4:11 PM

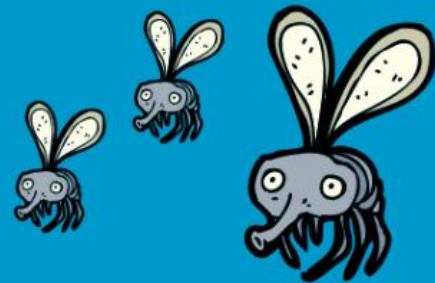

To date there has been no information nor evidence to suggest that the new coronavirus could be transmitted by mosquitoes.

The new coronavirus is a respiratory virus which spreads primarily through droplets generated when an infected person coughs or sneezes, or through droplets of saliva or discharge from the nose.

To protect yourself, clean your hands frequently with an alcohol-based hand rub or wash them with soap and water. Also, avoid close contact with anyone who is coughing and sneezing.

**FACT:**  
**The new coronavirus**  
**CANNOT**  
**be transmitted through**  
**mosquito bites**

FYI...

Please see the attached Orange County Situational Report for today.

Tomorrow, thirty plus passengers from ten different county in Central Florida will arrive at the Executive Airport via military transport. This group were quarantined in Dobbins Air Force Base, Georgia. They spent fourteen days in Dobbins, AFB after testing positive from one of the east coast cruise. Lynx is providing transportation arrangements for the group.

For official use only. Public and media release is not authorized.

Florida Department of Health Call Center 1-866-779-6121 or [COVID-19@flhealth.com](mailto:COVID-19@flhealth.com)

Governor Ron DeSantis has established a Joint Information Center on COVID-19 for the State of Florida 1-850-815-4940, [ESF14@em.myflorida.com](mailto:ESF14@em.myflorida.com)

Everyone plays a part in lowering the impact within our communities and workplaces – taking every day preventative actions help to impede the spread of respiratory diseases such as COVID-19. Preventative actions include:

- **Washing your hands frequently with soap and water for at least 20 seconds**, especially after going to the bathroom, before eating, and after blowing your nose, coughing or sneezing. If soap and water are not available, use an alcohol-based hand sanitizer with at least 60% alcohol
- **Avoiding close contact** with people who are sick
- **Staying home when you are sick- This message cannot be emphasized enough**
- Employees who have symptoms of acute respiratory illness are recommended to stay home and not come to work until they are free of fever (100.4° F or greater using an oral thermometer), signs of a fever, and any other symptoms for at least 24 hours, without the use of fever-reducing or other symptom-altering medicines (e.g. cough suppressants). Employees should notify their supervisor and stay home if they are sick.
- **Before traveling, take certain steps:**
  - Check CDC's Traveler's Health Notices for the latest guidance and recommendations for each country to which you may travel
  - Employees who become sick while traveling must understand that they should notify their supervisor and should promptly call a healthcare provider for advice if needed

Advent Health has established a COVID-19 hotline. Nurses from the Hospital Group staff the hotline 24 hours a day and seven days a week. Those with questions or concerns should call **1-877-847-8747**.

Florida Attorney General Ashley Moody activated Florida's Price Gouging Hotline. Consumers can report price gouging by phone at **1-866-966-7226** or online at [myfloridalegal.com](http://myfloridalegal.com).

All County-sponsored business travel to identified high-risk areas, as determined by the County Administrator, is suspended until further notice.

Oneblood announced a shortage of blood donations and encourages our community to donate at their local blood bank. Oneblood is reminding the public that it is safe to donate and to call 1-888-936-6283 to find the closest donation site and/or to make an appointment.

Second Harvest is looking for volunteers to assist with many different tasks. This volunteer request will be posted through Orange County social media and websites.

## ESF1 – TRANSPORTATION

The Greater Orlando Aviation Authority (GOAA) is working closely with federal and local partners to monitor the developments of the Coronavirus (COVID-19). GOAA has a response plan in place for the Orlando International (MCO) and Orlando Executive (ORL) Airports, which would be activated in the event that an infected individual is identified while traveling through the airports

On March 11, 2020, President Donald J. Trump suspended the entry of most foreign nationals coming to and from the United States if they have visited certain European countries during the two weeks prior to their scheduled arrival. Flights will be affected as travel from more countries is limited. Travelers are encouraged

to check airlines schedules frequently for updates.

LYNX continues to follow increased housekeeping measures and continues to provide information to employees and customers. LYNX established a web page for public information: [What We are Doing to Protect You from the Coronavirus](#).

LYNX has received a request to assist FDOT with transporting thirty-four residents home for self-quarantine once their flight arrives at Orlando Executive Airport.

SunRail has increased the cleaning and sanitation of all coaches, and continues to monitor the developing situation.

## **ESF 4 & 9 – FIREFIGHTING & URBAN SEARCH & RESCUE**

The Orange County Fire Rescue Department (OCFRD) is under normal staffing while closely monitoring field operations for the COVID-19 situation. OCFRD has confirmed that the appropriate equipment and protocols are in place for treating and transporting suspected COVID-19 cases. The Orange County Fire Rescue Department developed and issued an internal COVID-19 Action Plan to govern Fire Rescue Operations.

Training has been provided to all personnel regarding Personal Protective Equipment, treating infectious disease patients, and decontaminating units and equipment following a suspected COVID-19 incident. OCFRD has deployed specialized equipment and trained personnel to decontaminate medical transport units following a suspected COVID-19 incident. Continuity of Operations and staffing plans have been reviewed for efficacy. The EOC positions will be staffed according to the Level-II Partial Activation schedule.

## **ESF5 – INFORMATION & PLANNING**

The State Department of Emergency Management activated the State Emergency Operations Center to a Level I – Full Activation on March 14, 2020.

Orange County Emergency Operations Center is activated to a Level II-partial Activation with the following positions staffed: ESF1-Transportation, ESF2-Communications, ESF4/9-Fire/HazMat, ESF5-Information and Planning, ESF7-Resource Support, ESF8-Health & Medical, ESF 14-Public Information, ESF15-Volunteers & Donations, ESF16-Law Enforcement.

Orange County Emergency Management is conducting regular conference calls with Orange County Emergency Response Team (OCERT) stakeholders in order to provide situation reports.

Continuously monitoring all activities in the County. In addition, monitoring all information on the Centers for Disease Control (CDC) and the Johns Hopkins Websites.

Participating in the Region V Division of Emergency Management Conference calls to monitor the status of surrounding counties and all activities.

Orange, Bay, Broward, Miami Dade, Pasco, Seminole, and Hillsborough, Clay, Volusia Counties have now declared a Local State of Emergency.

Orange, Clay, Broward, Hillsborough, Leon, Seminole, Pasco, Pinellas, and Okaloosa Counties have Emergency Operations Centers at a Level II- partial activation.

OEM is participating in the daily Florida Division of Emergency Management Conference Calls and monitoring for any updates and all activities and requests at the State Level.

Communicating with community partners for available resources and equipment needs. All resource and equipment requests are being entered into the State WebEOC along with the Orange County Situation Report.

All Orange County EOC Classes have been cancelled through the end of March and will be rescheduled at a later date.

OEM requested N-95 masks local Law Enforcement Agencies. These requests are being shared with the Department of Health to be filled when supplies become available.

Orange County OEM has been in contact with the State and they have advised that the requests for N-95 masks are to be filled through normal vendor requests through by each County. The State has provided a list of vendors and Orange County has a purchase in process.

Orange County 3-1-1 received 9 calls on Saturday, March 14, 2020. Callers were directed to the appropriate services to address needs.

Daily Situation Reports are being distributed to keep all staff and partners well informed about the current situation and the status of Orange County Government.

### **ESF7 – RESOURCE SUPPORT**

Procurement has reached out to contracted vendors as well as other sources to fill the request for twenty thousand-one ounce hand sanitizers. Currently, two vendors have responded, one with a positive response at the cost of \$18,600 dollars. We are waiting for an estimated time of arrival for the vendor to fill the order. An additional request for N-95 face masks has been placed through the State WebEOC to assist Fire Rescue with the needed masks.

### **ESF8 – HEALTH/MEDICAL ACTION ITEMS**

With the Emergency Operations Center (EOC) activated to level II, the ESF-8 desk is staffed. This ESF position relays information to Health Services Operations Center (DOC) personnel.

Health Services worked with the State ESF8 desk to find a vendor on contract with DOH that has N95 masks. An immediate order of 1200 was placed and an additional order will be placed on Monday. Expected Delivery is ten to fifteen days. Another request for five thousand masks were requested from the State to maintain our supplies until our vendor can deliver supplies that were ordered.

Health Services has received many requests from various health care facilities for N95 masks. Facilities estimate one week of moderate use before supplies will be exhausted.

### **ESF14 – PUBLIC INFORMATION**

Orange County Administration held an Executive Policy Group Meeting in person and via conference call at 1:00 p.m.

Orange County Public Information Office continues to respond to media inquiries received and monitor/update social media outlets as updates become available. Orange County Public Information is currently drafting social media messaging in Spanish.

Social Media and Website:

[www.ocfl.net/coronavirus](http://www.ocfl.net/coronavirus) continues to stay updated and the Public Information Office added a media tab to all Coronavirus specific stories.

[www.ocfl.net/Coronavirus](http://www.ocfl.net/Coronavirus) - Our main page on ocfl.net

[www.ocfl.net/CoronavirusUpdates](http://www.ocfl.net/CoronavirusUpdates) - Newsroom updates

[www.ocfl.net/CoronavirusInfo](http://www.ocfl.net/CoronavirusInfo) - PDF from graphics, in English

## ESF15 – EOC SUPPORT

No 311 call takers or routers requested or activated at this time but prepared in case the need arises.

Cancelled all Emergency Management classes that were scheduled at the Orange County Emergency Operations Center through the end of March.

## ESF16 – LAW ENFORCEMENT

The Orange County Sheriff's Office continues normal operations, while monitoring the developing situation.

## PARTNERS – TOURISM SECTOR

The Orange County Court System will not be calling for jurors for the next two weeks. In addition, courts will be staggering hearings to minimize people gathering. Court System is encouraging use of Technology moving forward.

Many places of worship used virtual services today.

## Health Alert: Coronavirus Disease 2019 (COVID-19)

You have traveled to a country with an outbreak of COVID-19 and are at higher risk.  
COVID-19 is a respiratory illness that can spread from person to person.

#### Stay Home

Stay home for the next 14 days and monitor your health. Take your temperature with a thermometer two times a day and watch for symptoms.

#### If you feel sick and have symptoms:

- Call ahead before you go to a doctor's office or emergency room.
- Tell the doctor about your recent travel and your symptoms.
- Avoid contact with others.
- Do not travel while sick.

#### Symptoms

Illnesses have ranged from mild symptoms to severe illness and death. Symptoms may appear 2–14 days after exposure.

#### Symptoms can include:

- Fever (100.4°F/38°C or higher)
- Cough
- Shortness of breath

Visit the website for more information on monitoring your health and how to contact local public health officials. Visit: [www.cdc.gov/COVIDtravel](http://www.cdc.gov/COVIDtravel)

C311549-8 February 20, 2020 4:11 PM

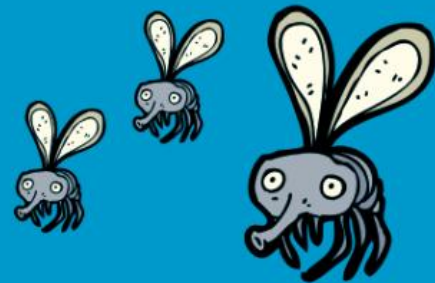

To date there has been no information nor evidence to suggest that the new coronavirus could be transmitted by mosquitoes.

The new coronavirus is a respiratory virus which spreads primarily through droplets generated when an infected person coughs or sneezes, or through droplets of saliva or discharge from the nose.

To protect yourself, clean your hands frequently with an alcohol-based hand rub or wash them with soap and water. Also, avoid close contact with anyone who is coughing and sneezing.

**FACT:**  
**The new coronavirus**  
**CANNOT**  
**be transmitted through**  
**mosquito bites**

Governor Ron DeSantis has established a Joint Information Center on COVID-19 for the State of Florida 1-850-815-4940, [ESF14@em.myflorida.com](mailto:ESF14@em.myflorida.com)

Everyone plays a part in lowering the impact within our communities and workplaces – taking every day preventative actions help to impede the spread of respiratory diseases such as COVID-19. Preventative actions include:

- **Washing your hands frequently with soap and water for at least 20 seconds**, especially after going to the bathroom, before eating, and after blowing your nose, coughing or sneezing. If soap and water are not available, use an alcohol-based hand sanitizer with at least 60% alcohol
- **Avoiding close contact** with people who are sick
- **Staying home when you are sick- This message cannot be emphasized enough**
- Employees who have symptoms of acute respiratory illness are recommended to stay home and not come to work until they are free of fever (100.4° F or greater using an oral thermometer), signs of a fever, and any other symptoms for at least 24 hours, without the use of fever-reducing or other symptom-altering medicines (e.g. cough suppressants). Employees should notify their supervisor and stay home if they are sick.
- **Before traveling, take certain steps:**
  - Check CDC's Traveler's Health Notices for the latest guidance and recommendations for each country to which you may travel
  - Employees who become sick while traveling must understand that they should notify their supervisor and should promptly call a healthcare provider for advice if needed

Advent Health has established a COVID-19 hotline. Nurses from the Hospital Group staff the hotline 24 hours a day and seven days a week. Those with questions or concerns should call **1-877-847-8747**.

Florida Attorney General Ashley Moody activated Florida's Price Gouging Hotline. Consumers can report price gouging by phone at **1-866-966-7226** or online at [myfloridalegal.com](http://myfloridalegal.com).

The Centers for Disease Control (CDC) recommends that for the next eight weeks, organizers cancel or postpone in-person events that consist of fifty or more people throughout the United States. Please see the link listed in the key websites area.

All County-sponsored business travel to identified high-risk areas, as determined by the County Administrator, is suspended until further notice.

On Friday, March 13, 2020 Orange County Supervisor of Elections posted a statement from Florida Secretary of State Laurel M. Lee emphasizing the commitment to maintaining our citizen's access to voting sites. Please follow the attached link for the full statement: [Orange County Supervisor of Elections](#).

## ESF1 – TRANSPORTATION

On March 11, 2020, President Donald J. Trump suspended the entry of most foreign nationals coming to and from the United States if they have visited certain European countries during the two weeks prior to their scheduled arrival. Flights will be affected, as travel from more countries is limited. Travelers are encouraged to check airlines schedules frequently for updates.

LYNX continues to follow increased housekeeping measures and provide information to employees and customers. LYNX established a web page for public information: [What We are Doing to Protect You from the Coronavirus](#).

## ESF 4 & 9 – FIREFIGHTING & URBAN SEARCH & RESCUE

The Orange County Fire Rescue Department (OCFRD) is under normal staffing while closely monitoring field operations for the COVID-19 situation. OCFRD is limiting meetings and training events to reduce the number of personnel congregating in one location. Preventative measures have been taken to reduce exposures to the general public, for non-essential activities such as station tours and public relation events. Proactive actions are being taken to preserve personal protective equipment (PPE) in stock by limiting direct contact of non-essential personnel with pre-screened, high-risk COVID-19 patients. PPE levels are continuing to be monitored and redistributed throughout response units as needed.

The Emergency Operations Center positions will be staffed according to Level II Partial Activation schedule.

## ESF5 – INFORMATION & PLANNING

The State Department of Emergency Management activated the State Emergency Operations Center to a Level I – Full Activation on March 14, 2020.

Orange County Emergency Operations Center is activated to a Level II-partial Activation with the following positions staffed: ESF1-Transportation, ESF2-Communications, ESF4/9-Fire/HazMat, ESF5-Information and Planning, ESF7-Resource Support, ESF8-Health & Medical, ESF 14-Public Information, ESF15-Volunteers & Donations, ESF16-Law Enforcement.

Orange County Emergency Management is conducting regular conference calls with Orange County Emergency Response Team (OCERT) stakeholders in order to provide situation reports.

Continuously monitoring all activities in the County. In addition, monitoring all information on the Centers for Disease Control (CDC) and the Johns Hopkins Websites.

Participating in the Region V Division of Emergency Management Conference calls to monitor the status of surrounding counties and all activities.

Bay, Brevard, Broward, Clay, Duval, Franklin, Hillsborough, Miami-Dade, Monroe, Orange, Osceola, Palm Beach, Pasco, Pinellas, Putnam, Sarasota, Seminole, and Volusia Counties have now declared a Local State of Emergency.

Alachua, Broward, Clay, Collier, Duval, Hillsborough, Lake, Lee, Leon, Manatee, Miami-Dade, Okaloosa, Orange, Osceola, Pasco, Pinellas, Seminole, Volusia, and Walton Counties have Emergency Operations Centers at a Level II- partial activation.

OEM is participating in the daily Florida Division of Emergency Management Conference Calls and monitoring for any updates and all activities and requests from and at the State Level.

Communicating with community partners for available resources and equipment needs. All resource and equipment requests are being entered into the State WebEOC along with the Orange County Situation Report.

OEM requested to provide N-95 masks for local Law Enforcement Agencies. These requests are being shared with the Department of Health to be filled when supplies become available.

Orange County OEM has been in contact with the State and they have advised that the requests for N-95 masks are to be filled through normal vendor requests by each County. The State has provided a list of vendors and Orange County has a purchase for 75,000 in process with no estimated time of arrival.

Orange County 3-1-1 received seven calls on Sunday, March 15, 2020. Callers were directed to the appropriate services to address needs.

Orange County OEM is processing equipment requests from partners in the County and providing support to our surrounding agencies.

Daily Situation Reports are being distributed to keep all staff and partners well informed about the current situation and the status of Orange County Government.

## **ESF7 – RESOURCE SUPPORT**

Procurement is currently waiting on the estimated time of arrival for the 75,000 N-95 masks that were ordered on March 16, 2020. An additional resource request is currently being sourced for sixty non-contact infrared thermometers for field crews and for work site monitoring. Procurement is actively monitoring the E-team system for resource requests.

## **ESF8 – HEALTH/MEDICAL ACTION ITEMS**

Department of Health (DOH) is working to increase testing and has decided to utilize the East-Side Clinic as a test site. Currently DOH is limited on test kits and plans to reach out to local hospitals for extra kits until they receive their allotment from the State. The Department of Health is considering drive-through collection/testing sites. This procedure will require more planning and logistical support.

The Department of Health in Orange County is working with the state in attempt to release 75,000 to 100,000 N-95 masks to Orange County. The State ESF8 desk has advised that if a vendor has the product available, we need to procure the items from the vendor. A vendor that was recommended for masks is selling N-95 Masks for \$8.42 with a cost of \$842,000. This is being reported to the price-gouging hotline.

## **ESF10 – HAZARDOUS MATERIALS**

Environmental Protection Division has fifty-one N95 masks, consisting of thirty-eight 3M model 8210V and thirteen 3M model 8210 Plus.

## **ESF14 – PUBLIC INFORMATION**

The Executive Policy Group meeting was held at 14:00 hours at Fire Rescue Headquarters with a press conference held following the meeting.

Social media channels are continuously monitored and providing response to follower's inquiries regarding COVID-19. The following types of messages shared on social media are: Myths vs. Facts, daily press conference updates, department announcements, and positive suggestions (ie: "things to do outside that do not require groups"). PIO inbox and media inquiries are also being monitored and replied to. News clips from print and broadcast outlets are being pulled and media log is being updated.

## Social Media and Website:

[www.ocfl.net/coronavirus](http://www.ocfl.net/coronavirus) continues to stay updated and the Public Information Office added a media tab to all Coronavirus specific stories.

[www.ocfl.net/Coronavirus](http://www.ocfl.net/Coronavirus) - Our main page on ocfl.net

[www.ocfl.net/CoronavirusUpdates](http://www.ocfl.net/CoronavirusUpdates) - Newsroom updates

[www.ocfl.net/CoronavirusInfo](http://www.ocfl.net/CoronavirusInfo) - PDF from graphics, in English

## ESF15 – EOC SUPPORT

Orange County Family Services Division has reported that numerous residential programs for kids and the County's Mobile Crisis Unit for children aged 0 to 24 are being shut down. These programs include all operations for mobile crisis going into homes and any other environment until further notice.

Residential programs are limiting all visitation. Our partners such as Aspire Health partners are following suit. The Belvin Perry, Jr. Central Receiving Center (CRC) remains open and the walk-in Access Center will be expanding hours for people who need help with anxiety or panic attacks during this time.

The Mental Health Association (MHA) has suspended business and is now forwarding all calls for their hotline to 211. All messages will be shared with ESF14 for dissemination via all channels.

## ESF16 – LAW ENFORCEMENT

Of the fifteen law enforcement agencies within Orange County, seven have sent their requisitions for the N-95 Masks. Requests are being compiled in preparation to send to the OC Health Department.

Orange County Sheriff's Office has changed its Response Guidelines concerning medical calls; deputies advised to assess the situation and determine the need for law enforcement response.

## PARTNERS – TOURISM SECTOR

The Orange County Regional History Center will be closed beginning Monday, March 16, 2020 for a thorough cleaning and will continue to monitor the current situation.

The Orange County Court System will not be calling for jurors for the next two weeks. In addition, courts will be staggering hearings to minimize people gathering. Court System is encouraging use of Technology moving forward.

Orange County Utilities is suspending disconnections of service for the time being.

Orange County Public Schools (OCPS) Emergency Operations Center has been activated to a level II-Partial Activation. OCPS EOC hours will be Monday thru Friday 0730-1630. OCPS currently has Spring Break Camps open at 33 schools open through Thursday, March 19, 2020.

Orange County Public Schools will start feeding students breakfast and lunch on Monday, March 23, 2020. The meals will be distributed through a walk-up and drive through system.

University of Central Florida, Rollins, Valencia and Seminole State Colleges are moving to remote instruction to minimize health and safety risks.

Full Sail University is transitioning to online courses on March 18, 2020.

Orange County Convention Center (OCCC) reports **twelve** major cancellations:

- Ellucian Live 2020 Event
- Health Information and Management Systems Society Global Conference & Exhibition
- Grainger Show 2020
- McDonald's Corporation Worldwide Conference
- American Academy of Orthopaedic Surgeons
- Minecraft Festival (Rescheduled for 2021)

- ISA International Sign Expo 2020 (Rescheduled for August 23-25, 2020)
- Impressions 2020 (Rescheduled for September 10-12, 2020)
- RFID Journal LIVE! (Rescheduled for September 9-11, 2021)
- AAHOA Annual Convention & Tradeshow (Rescheduled for August 9-12, 2020)
- AmeriCheer AmeriDance Internationals 2020 (To be determined)
- Orlando Boat Show (To be determined)

Orange County Convention Center has launched a webpage with information at: <https://www.occc.net/coronavirus>.

For information regarding upcoming events, OCCC has provided the link below: <https://www.occc.net/Upcoming-Events>

Orange County Convention Center (OCCC) continues to make the safety of guests and attendees the Number one priority. Continuing to work diligently with clients on conventions and rescheduling events. Several conventions are being moved to future dates.

The Theme Parks and area attractions are closed effective March 16, 2020. While our each park continues to monitor the situation as it develops this closure is projected to extend through the end of March:

Universal Orlando will continue to evaluate the situation while Universal Orlando’s hotels and Universal CityWalk will remain open.

Disney owned-and-operated retail locations will close beginning Tuesday, March 17, 2020 and Disney Resorts will close Friday, March 20, 2020, and will remain closed through the end of the month. Disney Cruise Lines suspended operations for all new departures as of March 14, 2020 through the end of the March.

The Wheel at Icon remains open at this time and continues to closely monitor the situation.

The City of Orlando has posted a web page with cancelled events at [City of Orlando COVID-19 Cancellations](#).

The Orange County Fire Marshal’s Office requires a permit for all events that have 50 or more attendees. Through the permitting process, the Fire Marshal’s Office has received three additional cancelations for shows outside of the Orange County Convention Center:

Dscoop	Orlando World Center Marriott	3/29/2020	Postponed	500
(CHB) The Coalition for Helophilla B 2020	Renaissance Orlando	3/19/2020	Postponed	500
2020 Medical Academy of Pediatric Needs (MAPS)	Hyatt Grand Cypress	3/18/2020	Cancelled	250

### Health Alert:

## Coronavirus Disease 2019 (COVID-19)

**You have traveled to a country with an outbreak of COVID-19 and are at higher risk.**  
COVID-19 is a respiratory illness that can spread from person to person.

**Stay Home**  
 Stay home for the next 14 days and monitor your health. Take your temperature with a thermometer two times a day and watch for symptoms.

**Symptoms**  
 Illnesses have ranged from mild symptoms to severe illness and death. Symptoms may appear 2–14 days after exposure.

**If you feel sick and have symptoms:**

- Call ahead before you go to a doctor’s office or emergency room.
- Tell the doctor about your recent travel and your symptoms.
- Avoid contact with others.
- Do not travel while sick.

**Symptoms can include:**

- Fever (100.4°F/38°C or higher)
- Cough
- Shortness of breath

Visit the website for more information on monitoring your health and how to contact local public health officials. Visit: [www.cdc.gov/COVIDtravel](http://www.cdc.gov/COVIDtravel)

## State Actions

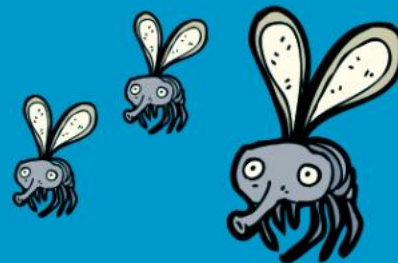

- State EOC has been activated to a Level 1 with Emergency Services and Human Services emergency support functions at full staffing.
- Governor of Florida has signed EO 20-52 declaring a state of emergency. (Info Message 41)
- Governor recommends that communities and organizers cancel large events. **CDC recommends that all events with 50 or more people be cancelled or postponed.**
- The National Guard has mobilized to support point of collection, transportation, security, logistical operations in counties.
- Cancelled Events are being tracked in Info Message 37.

To date there has been no information nor evidence to suggest that the new coronavirus could be transmitted by mosquitoes.

The new coronavirus is a respiratory virus which spreads primarily through droplets generated when an infected person coughs or sneezes, or through droplets of saliva or discharge from the nose.

To protect yourself, clean your hands frequently with an alcohol-based hand rub or wash them with soap and water. Also, avoid close contact with anyone who is coughing and sneezing.

**FACT:**  
The new coronavirus **CANNOT** be transmitted through mosquito bites

Florida Department of Health Call Center 1-866-779-6121 or [COVID-19@flhealth.com](mailto:COVID-19@flhealth.com)

Governor Ron DeSantis has established a Joint Information Center on COVID-19 for the State of Florida 1-850-815-4940, [ESF14@em.myflorida.com](mailto:ESF14@em.myflorida.com)

Everyone plays a part in lowering the impact within our communities and workplaces – taking every day preventative actions help to impede the spread of respiratory diseases such as COVID-19. Preventative actions include:

- **Washing your hands frequently with soap and water for at least 20 seconds**, especially after going to the bathroom, before eating, and after blowing your nose, coughing or sneezing. If soap and water are not available, use an alcohol-based hand sanitizer with at least 60% alcohol
- **Avoiding close contact** with people who are sick
- **Staying home when you are sick- This message cannot be emphasized enough**
- Employees who have symptoms of acute respiratory illness are recommended to stay home and not come to work until they are free of fever (100.4° F or greater using an oral thermometer), signs of a fever, and any other symptoms for at least 24 hours, without the use of fever-reducing or other symptom-altering medicines (e.g. cough suppressants). Employees should notify their supervisor and stay home if they are sick.
- **Before traveling, take certain steps:**
  - Check CDC's Traveler's Health Notices for the latest guidance and recommendations for each country to which you may travel
  - Employees who become sick while traveling must understand that they should notify their supervisor and should promptly call a healthcare provider for advice if needed

Advent Health has established a COVID-19 hotline. Nurses from the Hospital Group staff the hotline 24 hours a day and seven days a week. Those with questions or concerns should call **1-877-847-8747**.

Florida Attorney General Ashley Moody activated Florida's Price Gouging Hotline. Consumers can report price gouging by phone at **1-866-966-7226** or online at [myfloridalegal.com](http://myfloridalegal.com).

The Centers for Disease Control (CDC) recommends that for the next eight weeks, organizers cancel or postpone in-person events that consist of fifty or more people throughout the United States. Please see the link listed in the key websites area.

All County-sponsored business travel to identified high-risk areas, as determined by the County Administrator, is suspended until further notice.

On Friday, March 13, 2020 Orange County Supervisor of Elections posted a statement from Florida Secretary of State Laurel M. Lee emphasizing the commitment to maintaining our citizen's access to voting sites. Please follow the attached link for the full statement: [Orange County Supervisor of Elections](#).

## ESF1 – TRANSPORTATION

On March 11, 2020, President Donald J. Trump suspended the entry of most foreign nationals coming to and from the United States if they have visited certain European countries during the two weeks prior to their scheduled arrival. Flights will be affected, as travel from more countries is limited. Travelers are encouraged to check airlines schedules frequently for updates.

LYNX continues to follow increased housekeeping measures and provide information to employees and customers. LYNX established a web page for public information: [What We are Doing to Protect You from the Coronavirus](#).

## ESF 4 & 9 – FIREFIGHTING & URBAN SEARCH & RESCUE

The Orange County Fire Rescue Department (OCFRD) is under normal staffing while closely monitoring field operations for the COVID-19 situation. OCFRD is limiting meetings and training events to reduce the number of personnel congregating in one location. Preventative measures have been taken to reduce exposures to the general public, for non-essential activities such as station tours and public relation events. Proactive actions are being taken to preserve personal protective equipment (PPE) in stock by limiting direct contact of non-essential personnel with pre-screened, high-risk COVID-19 patients. PPE levels are continuing to be monitored and redistributed throughout response units as needed.

The Emergency Operations Center positions will be staffed according to Level II Partial Activation schedule.

## ESF5 – INFORMATION & PLANNING

The State Department of Emergency Management activated the State Emergency Operations Center to a Level I – Full Activation on March 14, 2020.

Orange County Emergency Operations Center is activated to a Level II-partial Activation with the following positions staffed: ESF1-Transportation, ESF2-Communications, ESF4/9-Fire/HazMat, ESF5-Information and Planning, ESF7-Resource Support, ESF8-Health & Medical, ESF 14-Public Information, ESF15-Volunteers & Donations, ESF16-Law Enforcement.

Orange County Emergency Management is conducting regular conference calls with Orange County Emergency Response Team (OCERT) stakeholders in order to provide situation reports.

Continuously monitoring all activities in the County. In addition, monitoring all information on the Centers for Disease Control (CDC) and the Johns Hopkins Websites.

Participating in the Region V Division of Emergency Management Conference calls to monitor the status of surrounding counties and all activities.

Bay, Brevard, Broward, Clay, Duval, Franklin, Hillsborough, Miami-Dade, Monroe, Orange, Osceola, Palm Beach, Pasco, Pinellas, Putnam, Sarasota, Seminole, and Volusia Counties have now declared a Local State of Emergency.

Alachua, Broward, Clay, Collier, Duval, Hillsborough, Lake, Lee, Leon, Manatee, Miami-Dade, Okaloosa, Orange, Osceola, Pasco, Pinellas, Seminole, Volusia, and Walton Counties have Emergency Operations Centers at a Level II- partial activation.

OEM is participating in the daily Florida Division of Emergency Management Conference Calls and monitoring for any updates and all activities and requests from and at the State Level.

Communicating with community partners for available resources and equipment needs. All resource and equipment requests are being entered into the State WebEOC along with the Orange County Situation Report.

OEM requested to provide N-95 masks for local Law Enforcement Agencies. These requests are being shared with the Department of Health to be filled when supplies become available.

Orange County OEM has been in contact with the State and they have advised that the requests for N-95 masks are to be filled through normal vendor requests by each County. The State has provided a list of vendors and Orange County has a purchase for 75,000 in process with no estimated time of arrival.

Orange County 3-1-1 received seven calls on Sunday, March 15, 2020. Callers were directed to the appropriate services to address needs.

Orange County OEM is processing equipment requests from partners in the County and providing support to our surrounding agencies.

Daily Situation Reports are being distributed to keep all staff and partners well informed about the current situation and the status of Orange County Government.

## **ESF7 – RESOURCE SUPPORT**

Procurement is currently waiting on the estimated time of arrival for the 75,000 N-95 masks that were ordered on March 16, 2020. An additional resource request is currently being sourced for sixty non-contact infrared thermometers for field crews and for work site monitoring. Procurement is actively monitoring the E-team system for resource requests.

## **ESF8 – HEALTH/MEDICAL ACTION ITEMS**

Department of Health (DOH) is working to increase testing and has decided to utilize the East-Side Clinic as a test site. Currently DOH is limited on test kits and plans to reach out to local hospitals for extra kits until they receive their allotment from the State. The Department of Health is considering drive-through collection/testing sites. This procedure will require more planning and logistical support.

The Department of Health in Orange County is working with the state in attempt to release 75,000 to 100,000 N-95 masks to Orange County. The State ESF8 desk has advised that if a vendor has the product available, we need to procure the items from the vendor. A vendor that was recommended for masks is selling N-95 Masks for \$8.42 with a cost of \$842,000. This is being reported to the price-gouging hotline.

## **ESF10 – HAZARDOUS MATERIALS**

Environmental Protection Division has fifty-one N95 masks, consisting of thirty-eight 3M model 8210V and thirteen 3M model 8210 Plus.

## **ESF14 – PUBLIC INFORMATION**

The Executive Policy Group meeting was held at 14:00 hours at Fire Rescue Headquarters with a press conference held following the meeting.

Social media channels are continuously monitored and providing response to follower's inquiries regarding COVID-19. The following types of messages shared on social media are: Myths vs. Facts, daily press conference updates, department announcements, and positive suggestions (ie: "things to do outside that do not require groups"). PIO inbox and media inquiries are also being monitored and replied to. News clips from print and broadcast outlets are being pulled and media log is being updated.

## Social Media and Website:

[www.ocfl.net/coronavirus](http://www.ocfl.net/coronavirus) continues to stay updated and the Public Information Office added a media tab to all Coronavirus specific stories.

[www.ocfl.net/Coronavirus](http://www.ocfl.net/Coronavirus) - Our main page on ocfl.net

[www.ocfl.net/CoronavirusUpdates](http://www.ocfl.net/CoronavirusUpdates) - Newsroom updates

[www.ocfl.net/CoronavirusInfo](http://www.ocfl.net/CoronavirusInfo) - PDF from graphics, in English

## ESF15 – EOC SUPPORT

Orange County Family Services Division has reported that numerous residential programs for kids and the County's Mobile Crisis Unit for children aged 0 to 24 are being shut down. These programs include all operations for mobile crisis going into homes and any other environment until further notice.

Residential programs are limiting all visitation. Our partners such as Aspire Health partners are following suit. The Belvin Perry, Jr. Central Receiving Center (CRC) remains open and the walk-in Access Center will be expanding hours for people who need help with anxiety or panic attacks during this time.

The Mental Health Association (MHA) has suspended business and is now forwarding all calls for their hotline to 211. All messages will be shared with ESF14 for dissemination via all channels.

## ESF16 – LAW ENFORCEMENT

Of the fifteen law enforcement agencies within Orange County, seven have sent their requisitions for the N-95 Masks. Requests are being compiled in preparation to send to the OC Health Department.

Orange County Sheriff's Office has changed its Response Guidelines concerning medical calls; deputies advised to assess the situation and determine the need for law enforcement response.

## PARTNERS – TOURISM SECTOR

The Orange County Regional History Center will be closed beginning Monday, March 16, 2020 for a thorough cleaning and will continue to monitor the current situation.

The Orange County Court System will not be calling for jurors for the next two weeks. In addition, courts will be staggering hearings to minimize people gathering. Court System is encouraging use of Technology moving forward.

Orange County Utilities is suspending disconnections of service for the time being.

Orange County Public Schools (OCPS) Emergency Operations Center has been activated to a level II-Partial Activation. OCPS EOC hours will be Monday thru Friday 0730-1630. OCPS currently has Spring Break Camps open at 33 schools open through Thursday, March 19, 2020.

Orange County Public Schools will start feeding students breakfast and lunch on Monday, March 23, 2020. The meals will be distributed through a walk-up and drive through system.

University of Central Florida, Rollins, Valencia and Seminole State Colleges are moving to remote instruction to minimize health and safety risks.

Full Sail University is transitioning to online courses on March 18, 2020.

Orange County Convention Center (OCCC) reports **twelve** major cancellations:

- Ellucian Live 2020 Event
- Health Information and Management Systems Society Global Conference & Exhibition
- Grainger Show 2020
- McDonald's Corporation Worldwide Conference
- American Academy of Orthopaedic Surgeons
- Minecraft Festival (Rescheduled for 2021)

- ISA International Sign Expo 2020 (Rescheduled for August 23-25, 2020)
- Impressions 2020 (Rescheduled for September 10-12, 2020)
- RFID Journal LIVE! (Rescheduled for September 9-11, 2021)
- AAHOA Annual Convention & Tradeshow (Rescheduled for August 9-12, 2020)
- AmeriCheer AmeriDance Internationals 2020 (To be determined)
- Orlando Boat Show (To be determined)

Orange County Convention Center has launched a webpage with information at: <https://www.occc.net/coronavirus>.

For information regarding upcoming events, OCCC has provided the link below: <https://www.occc.net/Upcoming-Events>

Orange County Convention Center (OCCC) continues to make the safety of guests and attendees the Number one priority. Continuing to work diligently with clients on conventions and rescheduling events. Several conventions are being moved to future dates.

The Theme Parks and area attractions are closed effective March 16, 2020. While our each park continues to monitor the situation as it develops this closure is projected to extend through the end of March:

Universal Orlando will continue to evaluate the situation while Universal Orlando’s hotels and Universal CityWalk will remain open.

Disney owned-and-operated retail locations will close beginning Tuesday, March 17, 2020 and Disney Resorts will close Friday, March 20, 2020, and will remain closed through the end of the month. Disney Cruise Lines suspended operations for all new departures as of March 14, 2020 through the end of the March.

The Wheel at Icon remains open at this time and continues to closely monitor the situation.

The City of Orlando has posted a web page with cancelled events at [City of Orlando COVID-19 Cancellations](#).

The Orange County Fire Marshal’s Office requires a permit for all events that have 50 or more attendees. Through the permitting process, the Fire Marshal’s Office has received three additional cancelations for shows outside of the Orange County Convention Center:

Dscoop	Orlando World Center Marriott	3/29/2020	Postponed	500
(CHB) The Coalition for Helophilla B 2020	Renaissance Orlando	3/19/2020	Postponed	500
2020 Medical Academy of Pediatric Needs (MAPS)	Hyatt Grand Cypress	3/18/2020	Cancelled	250

## ATTACHMENTS

### Health Alert: Coronavirus Disease 2019 (COVID-19)

You have traveled to a country with an outbreak of COVID-19 and are at higher risk.  
COVID-19 is a respiratory illness that can spread from person to person.

**Stay Home**  
Stay home for the next 14 days and monitor your health. Take your temperature with a thermometer two times a day and watch for symptoms.

**Symptoms**  
Illnesses have ranged from mild symptoms to severe illness and death. Symptoms may appear 2–14 days after exposure.

**If you feel sick and have symptoms:**

- Call ahead before you go to a doctor’s office or emergency room.
- Tell the doctor about your recent travel and your symptoms.
- Avoid contact with others.
- Do not travel while sick.

**Symptoms can include:**

-  Fever (100.4°F/38°C or higher)
-  Cough
-  Shortness of breath

Visit the website for more information on monitoring your health and how to contact local public health officials. Visit: [www.cdc.gov/COVIDtravel](http://www.cdc.gov/COVIDtravel)

## State Actions

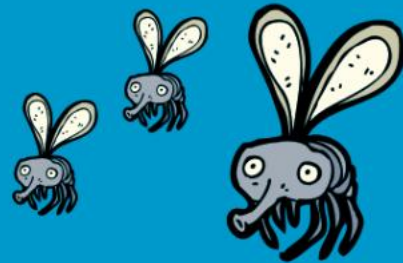

- State EOC has been activated to a Level 1 with Emergency Services and Human Services emergency support functions at full staffing.
- Governor of Florida has signed EO 20-52 declaring a state of emergency. (Info Message 41)
- Governor recommends that communities and organizers cancel large events. **CDC recommends that all events with 50 or more people be cancelled or postponed.**
- The National Guard has mobilized to support point of collection, transportation, security, logistical operations in counties.
- Cancelled Events are being tracked in Info Message 37.

To date there has been no information nor evidence to suggest that the new coronavirus could be transmitted by mosquitoes.

The new coronavirus is a respiratory virus which spreads primarily through droplets generated when an infected person coughs or sneezes, or through droplets of saliva or discharge from the nose.

To protect yourself, clean your hands frequently with an alcohol-based hand rub or wash them with soap and water. Also, avoid close contact with anyone who is coughing and sneezing.

**FACT:**  
The new coronavirus **CANNOT** be transmitted through mosquito bites

Florida Department of Health Call Center 1-866-779-6121 or [COVID-19@flhealth.com](mailto:COVID-19@flhealth.com)

Governor Ron DeSantis has established a Joint Information Center on COVID-19 for the State of Florida 1-850-815-4940, [ESF14@em.myflorida.com](mailto:ESF14@em.myflorida.com).

Everyone plays a part in lowering the impact within our communities and workplaces – taking every day preventative actions help to impede the spread of respiratory diseases such as COVID-19.

Advent Health has established a COVID-19 hotline. Nurses from the Hospital Group staff the hotline 24 hours a day and seven days a week. Those with questions or concerns should call **1-877-847-8747**.

Florida Attorney General, Ashley Moody activated Florida's Price Gouging Hotline. Consumers can report price gouging by phone at **1-866-966-7226** or online at [myfloridalegal.com](http://myfloridalegal.com).

The Centers for Disease Control (CDC) recommends that for the next eight weeks, organizers cancel or postpone in-person events. Please see the link listed in the key websites area.

All County-sponsored business travel to identified high-risk areas, as determined by the County Administrator, is suspended until further notice.

## ESF1 – TRANSPORTATION

As a result of the expanded federal travel ban Greater Orlando Aviation Authority reports the last five inbound flights from the United Kingdom and Ireland to Orlando International Airport (MCO) will arrive today. Virgin Atlantic will be operating three outbound flights both Tuesday, March 17, 2020 and Wednesday, March 18,

2020, to assist visitors returning home. Fifty-Eight international flights have been cancelled from March 15, 2020, through March 22, 2020. Travelers with flights still scheduled are encouraged to check airlines schedules frequently for updates. United States (US) citizens and legal residents returning to the US are required to be screened through one of the thirteen federally-approved airports. Orlando International Airport is not a federally-approved airport.

LYNX continues to follow increased housekeeping measures and provide information to employees and customers. LYNX established a web page for public information: [What We are Doing to Protect You from the Coronavirus](#).

#### **ESF 4 & 9 – FIREFIGHTING & URBAN SEARCH & RESCUE**

The Orange County Fire Rescue Department (OCFRD) is under normal staffing while closely monitoring field operations for the COVID-19 situation. OCFRD is limiting meetings and training events to reduce the number of personnel congregating in one location. Preventative measures have been taken to reduce exposures to the general public, for non-essential activities such as station tours and public relation events. Proactive actions are being taken to preserve personal protective equipment (PPE) in stock by limiting direct contact of non-essential personnel with pre-screened, high-risk COVID-19 patients. PPE levels are continuing to be monitored and redistributed throughout response units as needed.

#### **ESF5 – INFORMATION & PLANNING**

The State Department of Emergency Management activated the State Emergency Operations Center to a Level I – Full Activation on March 14, 2020.

Orange County Emergency Operations Center remains activated to a Level II-partial Activation with the following positions staffed: ESF1-Transportation, ESF2-Communications, ESF4/9-Fire/HazMat, ESF5-Information and Planning, ESF7-Resource Support, ESF8-Health & Medical, ESF15-Volunteers & Donations, ESF16-Law Enforcement.

Orange County Emergency Management is conducting regular conference calls with Orange County Emergency Response Team (OCERT) stakeholders in order to provide situation reports. Participating in the Region V Division of Emergency Management Conference calls to monitor the status of surrounding counties and all activities. OEM is participating in the daily Florida Division of Emergency Management Conference Calls and monitoring for any updates and all activities and requests from and at the State Level.

Continuously monitoring all activities in the County. In addition, monitoring all information on the Centers for Disease Control (CDC) and the Johns Hopkins Websites.

Local State of Emergencies have been declared in 39 of the 67 counties located in the State of Florida. Thirty-four counties in the State of Florida have activated to EOC-Level II-Partial Activations.

Orange County 3-1-1 received twenty-four calls on Monday, March 16, 2020. Callers were directed to the appropriate services to address needs.

Orange County OEM is processing resource requests from partners in the County and providing support to our surrounding agencies.

#### **ESF7 – RESOURCE SUPPORT**

Resource Support is actively monitoring the E-Team system for any resource requests with no outstanding requests at this time. Resource Support has been in contact with ESF8 to provide details related to a potential price gouging issue pertaining to N-95 and other masks. ESF8 has confirmed the information was reported to the State.

## ESF8 – HEALTH/MEDICAL ACTION ITEMS

Department of Health (DOH) Registered Nurse (RN) testing teams have begun traveling to county residences to perform COVID-19 collections. These collections are conducted outdoors for team safety. Teams will transition to clinic locations once the collection kits are received.

Services for Schools, Women, Infants and Children (WIC), Family Medical, and Dental, have been temporarily discontinued except for emergencies. This will ensure clinical help is available when an emergent need arises.

The first delivery of 15,000 masks arrived today with restock orders to follow every five to ten days. The distribution of the masks will begin today.

A regional drive through collection site at the Orange County Convention Center is in progress. FEMA has advised that the site will be set up within the week and that it will operate for approximately two weeks.

## ESF14 – PUBLIC INFORMATION

The Executive Policy Group conference call was held at 1:00 p.m.

Social media channels are continuously being monitored. Messages that are being shared on social media: Myths vs. Facts, daily press conference updates, department and partner announcements, and positive suggestions. Continuing to compile frequently asked questions and top takeaways from all news conferences. Public Information has received 20 media requests and continues to monitor all news coverage. Messaging is being coordinated with the social media team.

## ESF15 – EOC SUPPORT

ESF15 is supporting its community partners, OneBlood and Second Harvest Food Bank by promoting food and monetary donations for local food banks and volunteer opportunities.

## ESF16 – LAW ENFORCEMENT

Orange County Sheriff's Office has changed its Response Guidelines concerning medical calls; deputies advised to assess the situation and determine the need for law enforcement response.

## ESF18 – BUSINESS & INDUSTRY

The Orlando Economic Partnership has created a page for businesses to access United States Small Business Administration (SBA) information. Please follow this link [Orlando Economic Partnership](#) for more information.

The Business Damage Assessment survey has been activated to access the impact of COVID-19 on Florida's local business operations. Please follow this link [Business Damage Assessment Survey](#) to complete the survey.

## PARTNERS – TOURISM SECTOR

Visit Orlando has established assistance line to support visitors in need. Visitors can call 407-363-5872, select live chat through [www.VisitOrlando.com](http://www.VisitOrlando.com), or stop by Visit Orlando's Visitor Center at 8102 International Drive for assistance.

The Orange County Regional History Center closed on Monday, March 16, 2020 for a thorough cleaning and will continue to monitor the current situation.

The Orange County Courthouse is open but has limited access. Court System is encouraging use of Technology moving forward.

Orange County Utilities has suspended disconnections of service.

Orange County Public Schools (OCPS) Emergency Operations Center activated to a level II-Partial Activation on March 16, 2020. OCPS -EOC hours are Monday thru Friday 0730-1630. OCPS currently has Spring Break Camps open at 33 schools open through Thursday, March 19, 2020.

OCPS is opening 50 student-feeding sites on Monday, March 23, 2020. The sites will run from 10:00am-2:00pm and will be located at all high schools and thirty of the middle and K-8 schools. Meals will be distributed through a walk-up and drive through system and OCPS is still looking for several volunteers to assist with the meal distribution process. OCPS is requesting four deputies per school in addition to each School Resource Officer and this request is being processed.

University of Central Florida (UCF), Rollins, Valencia and Seminole State Colleges are moving to remote instruction to minimize health and safety risks. UCF has announced the cancellation of the upcoming graduation.

Full Sail University is transitioning to online courses on March 18, 2020.

Orange County Convention Center (OCCC) reports **sixteen** major cancellations:

- Ellucian Live 2020 Event
- Health Information and Management Systems Society Global Conference & Exhibition
- Grainger Show 2020
- McDonald's Corporation Worldwide Conference
- American Academy of Orthopaedic Surgeons
- Minecraft Festival (Rescheduled for 2021)
- ISA International Sign Expo 2020 (Rescheduled for August 23-25, 2020)
- Impressions 2020 (Rescheduled for September 10-12, 2020)
- RFID Journal LIVE! (Rescheduled for September 9-11, 2021)
- AAHOA Annual Convention & Tradeshow (Rescheduled for August 9-12, 2020)
- AmeriCheer AmeriDance Internationals 2020 (To be determined)
- Orlando Boat Show (To be determined)
- All Star Challenge (To be determined)
- AmCon 2020 (To be determined)
- KnowledgeFest Orlando (To be determined)
- Autism 5K – Walk & Family Day Event (To be determined)

Orange County Convention Center has launched a webpage with information at:

<https://www.occc.net/coronavirus>.

For information regarding upcoming events, OCCC has provided the link below:

<https://www.occc.net/Upcoming-Events>

Orange County Convention Center (OCCC) continues to make the safety of guests and attendees the Number one priority. Continuing to work diligently with clients on conventions and rescheduling events. Several conventions are being rescheduled to future dates.

The Theme Parks and area attractions closed on March 16, 2020, and are projected to remain closed through the end of March.

Universal Orlando will close CityWalk on March 17, 2020 at midnight with all Universal Hotels closing Friday, March 20, 2020, at 5pm.

The Wheel at Icon remains open at this time and continues to monitor the situation.

The City of Orlando has posted a web page with cancelled events at [City of Orlando COVID-19 Cancellations](#).

The Orange County Fire Marshal's Office requires a permit for all events that have 50 or more attendees. Through the permitting process, the Fire Marshal's Office has received five additional cancelations since March 16, 2020, for shows outside of the Orange County Convention Center:

Event name	Venue	Date of event	Status
FADONA	Rosen Plaza	3/17/2020	Postponed
Lads to Leaders	Rosen Centre	4/10/2020	Cancelled
HawkSoft User Group	Rosen Centre	4/19/2020	Cancelled
Alliance for Central Florida Safety	Rosen Plaza	3/25/2020	Postponed
National Hurricane	Rosen Centre	4/7/2020	Cancelled

# Florida SEOC Situation Report COVID-19

Published: 3-17-2020 @ 14:00 EDT Changes in **Red** Situation Report #15

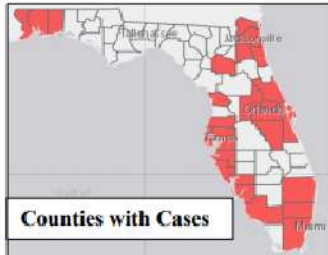

### Cases in Florida

	Current	Change
Confirmed Resident Cases	<b>173</b>	<b>+31</b>
Florida Fatalities	<b>6</b>	<b>+1</b>
Florida Resident not in state	<b>6</b>	<b>+0</b>
Non-Florida Residents	<b>19</b>	<b>+1</b>
Negative Tests	<b>940</b>	<b>+124</b>
# of Counties with Cases	<b>26</b>	<b>+1</b>

All Numbers are derived from FDOH's Website

### State Actions

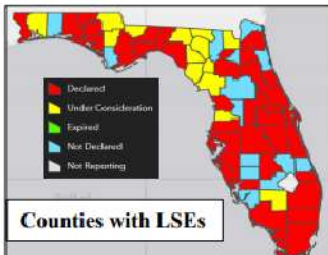

- State EOC has been activated to a Level 1 with Emergency Services and Human Services emergency support functions at full staffing.
- Governor of Florida has signed EO 20-52 declaring a state of emergency. (Info Message 41)
- Governor recommends that communities and organizers cancel large events. CDC recommends that all events with 10 or more people be cancelled or postponed. **Governor of Florida will be signing EO with additional guidance on restaurants and bars. (Info Message 264).**
- The National Guard has mobilized to support point of collection, transportation, security, logistical operations in counties.
- **The Drive Through Plan can be found in Info Message 252.**

Counties with Cases

EOC Activations

Counties with LSEs

### County Summary

- Local State of Emergencies have been declared in 39 counties. **Another 14 are under consideration.**
- Level 2 EOC in 34 counties.
- The SEOC is tracking 284 active resource requests from counties.
- All School districts are extending spring break.
- **The following counties are reporting government office closures:**
  - Charlotte, Clay, Flagler, Hendry, Hernando, Levy, Pasco, Seminole, Suwannee

Symptomatic individuals should be asked to wear a surgical mask upon arrival. Initiate contact and airborne precautions, using appropriate personal protective equipment (PPE).

**SCREENING CRITERIA**

If your patient is exhibiting symptoms of acute lower respiratory illness (e.g., fever, cough, and shortness of breath) and meets one or more of the following criteria:

- 1. Persons who have had a close contact with a laboratory-confirmed COVID-19 case
- 2. Persons hospitalized with acute lower respiratory illness of unknown origin
- 3. History of travel to or from an affected geographic area with widespread community transmission
- 4. History of international travel or a cruise
- 5. ≥65 with chronic health conditions
- 6. Immunocompromised persons

**TESTING**

If individual meets criteria for testing, wear appropriate PPE and initiate contact and airborne precautions.

- 1. The health care provider is responsible for specimen collection, handling and shipping. Please follow [CDC guidance](#).
- 2. Collected specimens should be processed within your health care facility, if available; a commercial laboratory (e.g., [LabCorp](#) and [Quest](#)); or a [Florida Bureau of Public Health Laboratory \(BPHL\)](#)
- 3. Before sending specimens to BPHL, notify your local county health department [CHD Epidemiology Contacts](#).
- 4. Health care providers may consult local county health departments for additional guidance as needed.

**EXPANDED CRITERIA**

If your patient does not meet the above criteria, testing may occur based on clinician's judgement.

- 1. The health care provider is responsible for specimen collection, handling and shipping. Please follow [CDC guidance](#) and use proper PPE.
- 2. Collected specimens should be processed within your health care facility or a commercial laboratory (e.g., [LabCorp](#) and [Quest](#)).
- 3. Follow [CDC guidance](#) for specimen collection, handling and shipping.

**FOR ADDITIONAL GUIDANCE**

Providers are encouraged to frequently monitor Florida Department of Health and CDC websites for updated guidance on COVID-19.

- [www.flhealth.gov](http://www.flhealth.gov)
- <https://www.cdc.gov/coronavirus/2019-nCoV/index.html>

Please see the CDC's: [Interim Infection Prevention and Control Recommendations for Patients with Suspected or Confirmed Coronavirus Disease 2019 \(COVID-19\) in Healthcare Settings](#)

## 2019 Coronavirus Situational Update 10

---

### Bottom Line Up Front:

- Per the Board of Governors, the State University System has extended remote learning through the end of the Spring semester as of 3/17.
  - Traditional on-campus commencement ceremonies will not be held in May. Instead, each university is directed to develop an alternate schedule or method of delivery.
- On Sunday March 15th, UCF announced it will move to remote work for most employees for at least two weeks.
  - With the exception of employees whose job cannot be performed remotely—such as those who support remote learning, campus operations, and other areas—all others should be ready to work remotely by Wednesday 3/18.
- Access control for all buildings on campus is going into holiday mode starting on March 17<sup>th</sup>, at 6pm.
  - All buildings will be locked and require an access card or hard key.
- All on-campus dining locations will modify operations to change services styles, close or minimize communal seating areas, and promote social distancing for patrons and staff.
  - All on campus dining locations will have adjusted hours or remain closed for at least 2 weeks.
  - Aramark operated dining locations will follow their “Level Two Activities” according to their Global Pandemic Plan.
- Skype for Business will be used for future EOC briefings and updates.
  - A capability test for the Virtual EOC took place today at 3pm. If you were unable to attend or had difficulty testing capabilities, please reach out to Bryan Garey, [Bryan.Garey@ucf.edu](mailto:Bryan.Garey@ucf.edu) or 407-823-0678 to work through the potential issues and test capabilities.
  - Continue to use VEOCI for posting and information tracking.
- The Emergency Fund is activated and reimbursement can not take place without accurate tracking of spending.
  - Report all costs related to COVID-19 to Finance & Administration Chief Nicole Arft, email [Nicole.Arft@ucf.edu](mailto:Nicole.Arft@ucf.edu).
- The Drive-Through Closed POD and Medical Screening Plan is being finalized and will be tested.

## Current Situation

### SITUATION IN NUMBERS total and new cases in last 24 hours

#### Globally

167 515 confirmed  
(13 903 new)  
6606 deaths (862 new)

#### China

81 077 confirmed (29 new)  
3218 deaths (14 new)

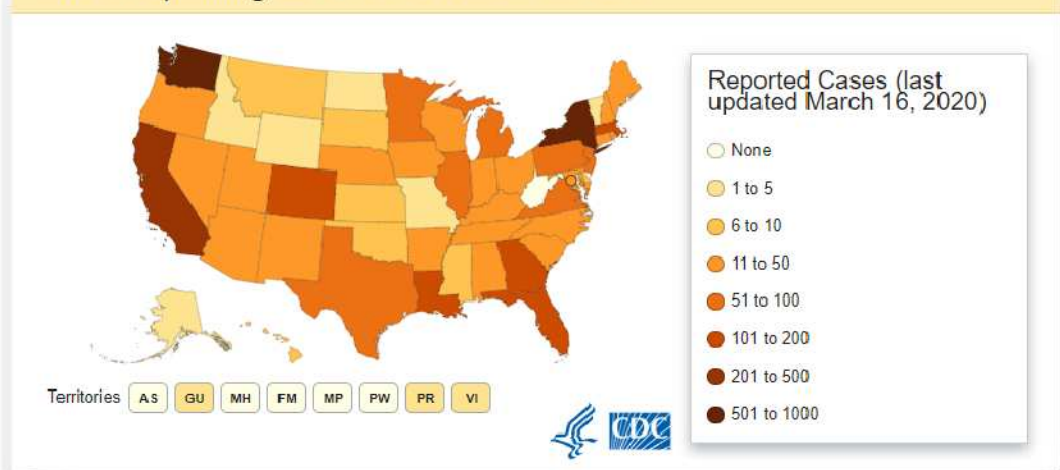

#### Outside of China

86 438 confirmed (13 874 new)  
3388 deaths (848 new)  
150 countries/territories/  
areas (4 new)

### WHO RISK ASSESSMENT

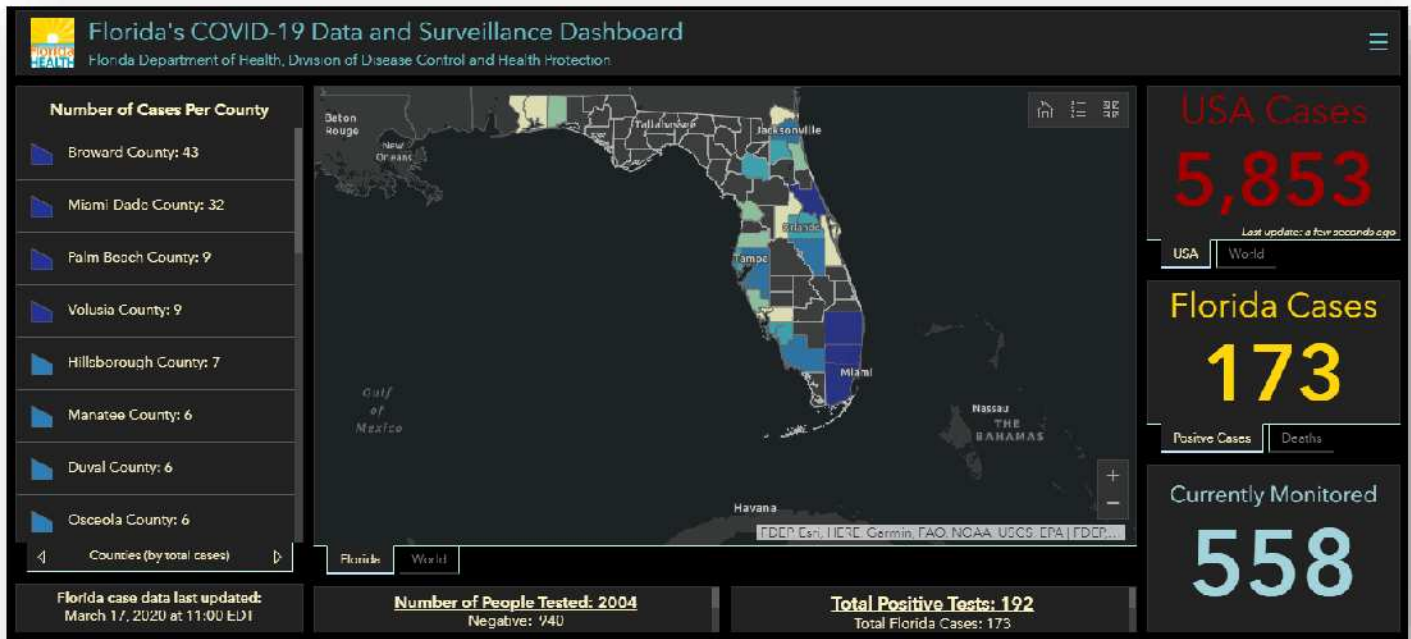

China Very High  
Regional Level Very High  
Global Level Very High

## Updates from key Emergency Support Function (ESF) and Emergency Coordinating Officers (ECO) for pandemic planning and response

- **Emergency Management** – Currently at a Level 2: Partial Activation for the University. Continuing to monitor situation. Providing bi-weekly updates and coordinating information from ESFs. University has opted to suspend all events 15th-30th of March. Pushing out UCF Alerts to provide an update from the Executive Policy Group. Compiling cost tracking data for reimbursement through the EFD.
- **ECO: Athletics** – The American Athletic Conference announced on 3/16 that all athletic competition and championships have been canceled for the remainder of the academic year. UCF announced that the 2020 Spring Game has been postponed indefinitely. For more information on this new update, visit the athletics website:  
<https://ucfknight.com/news/2020/3/16/general-aac-announces-cancelation-of-competition-and-championships-for-academic-year.aspx>

- **ECO: College of Medicine** – The class schedule at the College of Medicine will be as follows:

M-1 classes will continue as scheduled until March 20th.

Upon return from spring break on March 30<sup>th</sup>, M-1 classes will go online for a minimum of two weeks.

M-1 HB-3 mock exam will be online.

Following spring break, Community of Practice and Practice of Medicine 1 sessions will be suspended until April 13th at the earliest.

M-2 students will continue with classes as scheduled through the OSCE ending on March 27th.

The Brain and Behavior exam will occur on March 19th and the Practice of Medicine written exam, March 23rd.

OSCEs will occur as scheduled from March 23rd thru March 27th.

NBME CBSE will be available online.

M3 and M4 students are part of the health care team and will take guidance from the respective facility to which assigned for training.

Given the university's recent decision to cancel all non-essential events, and out of an abundance of caution, UCF COM has made the necessary decision to modify the Match Day ceremony. Only M4 students and key personnel will be permitted to attend. Some medical schools have canceled Match Day altogether. The decision to limit event attendance was made in order to allow students to experience this important event as a class but minimize risk in light of the coronavirus. Match Day is still slated to be live

# Department of Emergency Management

streamed on Facebook and YouTube with extensive coverage also available on the COM website and social media channels.

UCF Health has created a COOP in response to Co-Vid 19. They are continuing fit testing for half-mask respirators, but have a stock of N-95 masks at Gateway. They would like to fit test the clinical staff to utilize both the N-95 and half masks. Patients are currently being triaged with a questionnaire when they come in for appointments.

- **ECO: Global** – All travel is restricted at this time. Exceptions are allowed, but travel is restricted. 35 faculty members abroad, 71 students abroad not in an academic program, UCF abroad has 117 planned abroad total 223 planned abroad or abroad right now. Giving general guidance to UCF community abroad.
- **ECO: Research** – Main office has asked employees if they are able to work remotely. Catastrophic failure of an HVAC system. Part time student staff will be returning to campus. Working out the details of who needs to care for what. Some employees have to come in to tend to research and research tools.
- **ECO: Rosen College of Hospitality Management** – The students and faculty aboard to cruise ship have been covered from a public health standpoint. There are over 1,000 students currently enrolled in an internship for academic credit that could potentially be impacted by businesses closing.
- **ESF 1: Transportation** - Shuttles to Lake Nona and Downtown will continue as scheduled. There will be a reduced number of shuttles operating on the main campus and to Rosen.
- **ESF 2: Communications** – Zoom is being worked on. Proper documentation for telecommuting is being worked on. Department IT liaisons will assist with issues in the department and push it up to an enterprise level if needed.
- **ESF 3: Public Works** – Hand sanitizer stands have come in and was put out on campus in public areas. Teams are going through every building to do touch point cleaning. Touch point doesn't include electronic things, blind pulls, blue light phones, chairs, copiers, personal items, upholstery.
- **ESF 5: Planning** – Weekly situational reports are now being distributed on Mondays and Thursdays (or as needed if conditions change). Incident Action Plans will be sent out once operational periods are determined.
- **ESF 6: Mass Care** – Working on communication to determine who will be on campus. Received a lot of questions and are awaiting a response. Working on modified hours and work.

# Department of Emergency Management

- **ESF 7: Resource Management** – Work order will be merged to attach them to one project for tracking. Team is concentrating on the hand sanitizer to be mounted on a stand or wall. We have toilet paper. Go through FO or Housekeeping for hand sanitizer requests. Step and pull requests for doors. Working with UCF-EOC and OC-EOC to complete resource request.
- **ESF 8: Health & Medical** – Student Health Services have taken steps at all health facilities across campuses to triage patients that come into the facility showing signs of COVID-19. Advancing FIT testing for the SHS staff using the reusable mask. 14 nurses and doctors FIT tested. Ramping up on procedures on the clinical side. Expecting to see less patients. 50 test kits, 4 or 5 tests to date. Tests have a 3-day turnaround time. Notifying housing if any student is in housing. Anyone who is tested has to be quarantined or isolated if they are showing symptoms. Have signage for employees using one entrance and students and visitors use another. Emergency Management will connect the dots between departments and UCF Communications.
- **ESF 10: Hazmat** – Half face respirators were delivered on March 12th and Fit Testing and training started 3/16. Student Health Fit Testing will be finished today and Fit Testing at the College of Medicine will begin on Thursday.
- **ESF 11: Food and Water** – 112 cases of water have been ordered and delivered from Coca-Cola. A list of on-campus dining option hours has been created for at least 2 weeks. A conference call with Convocation Corporation dining options is scheduled for today to determine hours and operations.
- **ESF 12: Energy/Public Utilities** - We requested to cut back on HVAC on non-critical buildings. Exercised 4 levels of staffing on all functions.
- **ESF 13: Security** - Access control is going into holiday mode starting at 6pm tonight. Reaching out to all access control managers and building managers to figure out what doors need to remain open and what doors need to be closed.
- **ESF 14: Public Information** – Updates to the Coronavirus website on content and format. FAQs being added. More campus messaging going out. Videos will be pushed out over the weekend. UCF Alert on Sunday. Comprehensive list of what is open and what is closed has been distributed to the University Community.
- **ESF 16: Law Enforcement** – Internal communication has been sent out. Civilian workforce is working from home to test capabilities. PPE have been ordered for officers. Dispatch is the only function that cannot be done remotely.

# Department of Emergency Management

- **ESF-19:** Contractors are still coming to campus for construction project. Instructed them to stay away from students, faculty, and staff.
- **ESF 20: Accessibility Needs** – Student Accessibility Services is working with ESF-25 to get the accessibility messaging out to students and faculty.
- **ESF 21: Finance and Accounting** – Travel is continuing as is. If employer cancels travel it is not reimbursable. Going to limited work force to test telecommuting.
- **ESF 23: Human Resources** – Updating FAQs. Talking about advancing sick leave and sick leave pools. Ask HR or UCF Communications for questions that are not on the FAQs.
- **ESF 24: Counseling** – Updated website. Asked counselors to reach out to clients to see if students will still come to appointments, a lot are. Canceling group and in person outreach. Working on remote and online outreach.
- **ESF 25: Academic Affairs** – All classes will be conducted online starting tomorrow for the rest of the Spring Semester. Graduate students, students, and adjunct instructors are having information pushed out to them.
- **ESF-26:** Working with SHS to give communication to students who are on quarantine and isolations. Services will be available and hours for services will be pushed out.

## EXECUTIVE ORDERS

Executive Order 2020-68 - Governor DeSantis signed order suspending liquor licenses for bars, limiting groups gathering on beaches, limiting restaurant occupancy and requiring restaurants to screen employees for COVID-19.

Executive Order 2020-51 - Governor DeSantis signed order establishing Coronavirus Response Protocol and directed the State Surgeon General to issue a Public Health Emergency.

Executive Order 2020-52 - Governor Ron DeSantis signed order declaring a State of Emergency.

Department of Emergency Management 20-001 – Emergency Order Suspending Florida Statutes that prevent or hinder necessary action by the Division in coping with COVID-19 emergency.

Department of Emergency Management 20-002 – Emergency Order Suspending Florida Statutes for the purpose of prohibiting certain individuals from visiting facilities.

Department of Emergency Management 20-003 – Emergency Order Designating Deputy Director Kevin Guthrie as a Deputy State Coordinating Officer.

Department of Emergency Management 20-004 – Emergency Order Suspending Florida Statutes for the purpose of allowing school districts to adjust school calendars as needed.

Department of Emergency Management 20-005 – Emergency Order Suspending Florida Statutes limiting who can visit facilities in Broward County.

Department of Emergency Management 20-006 – Visitation Limits at Residential, Skilled Nursing and Long-term Care Facilities

Orange County State of Local Emergency Executive Order 2020-01- Establishes Orange County State of Local Emergency.

Florida Department of Health Call Center 1-866-779-6121 or [COVID-19@flhealth.com](mailto:COVID-19@flhealth.com)

Governor Ron DeSantis has established a Joint Information Center on COVID-19 for the State of Florida 1-850-815-4940, [ESF14@em.myflorida.com](mailto:ESF14@em.myflorida.com).

Everyone plays a part in lowering the impact within our communities and workplaces – taking every day preventative actions help to impede the spread of respiratory diseases such as COVID-19.

Advent Health has established a COVID-19 hotline. Nurses from the Hospital Group staff the hotline 24 hours a day and seven days a week. Those with questions or concerns should call **1-877-847-8747**.

Florida Attorney General, Ashley Moody activated Florida's Price Gouging Hotline. Consumers can report price gouging by phone at **1-866-966-7226** or online at [myfloridalegal.com](http://myfloridalegal.com).

The Centers for Disease Control (CDC) recommends that for the next eight weeks, organizers cancel or postpone in-person events. Please see the link listed in the key websites area.

All County-sponsored business travel to identified high-risk areas, as determined by the County Administrator, is suspended until further notice.

## ESF1 – TRANSPORTATION

As a result of the expanded federal travel ban Greater Orlando Aviation Authority reports the last five inbound flights from the United Kingdom and Ireland to Orlando International Airport (MCO) will arrive today. Virgin Atlantic will be operating three outbound flights both Tuesday, March 17, 2020 and Wednesday, March 18,

2020, to assist visitors returning home. Fifty-Eight international flights have been cancelled from March 15, 2020, through March 22, 2020. Travelers with flights still scheduled are encouraged to check airlines schedules frequently for updates. United States (US) citizens and legal residents returning to the US are required to be screened through one of the thirteen federally-approved airports. Orlando International Airport is not a federally-approved airport.

LYNX continues to follow increased housekeeping measures and provide information to employees and customers. LYNX established a web page for public information: [What We are Doing to Protect You from the Coronavirus](#).

#### **ESF 4 & 9 – FIREFIGHTING & URBAN SEARCH & RESCUE**

The Orange County Fire Rescue Department (OCFRD) is under normal staffing while closely monitoring field operations for the COVID-19 situation. OCFRD is limiting meetings and training events to reduce the number of personnel congregating in one location. Preventative measures have been taken to reduce exposures to the general public, for non-essential activities such as station tours and public relation events. Proactive actions are being taken to preserve personal protective equipment (PPE) in stock by limiting direct contact of non-essential personnel with pre-screened, high-risk COVID-19 patients. PPE levels are continuing to be monitored and redistributed throughout response units as needed.

#### **ESF5 – INFORMATION & PLANNING**

The State Department of Emergency Management activated the State Emergency Operations Center to a Level I – Full Activation on March 14, 2020.

Orange County Emergency Operations Center remains activated to a Level II-partial Activation with the following positions staffed: ESF1-Transportation, ESF2-Communications, ESF4/9-Fire/HazMat, ESF5-Information and Planning, ESF7-Resource Support, ESF8-Health & Medical, ESF15-Volunteers & Donations, ESF16-Law Enforcement.

Orange County Emergency Management is conducting regular conference calls with Orange County Emergency Response Team (OCERT) stakeholders in order to provide situation reports. Participating in the Region V Division of Emergency Management Conference calls to monitor the status of surrounding counties and all activities. OEM is participating in the daily Florida Division of Emergency Management Conference Calls and monitoring for any updates and all activities and requests from and at the State Level.

Continuously monitoring all activities in the County. In addition, monitoring all information on the Centers for Disease Control (CDC) and the Johns Hopkins Websites.

Local State of Emergencies have been declared in 39 of the 67 counties located in the State of Florida. Thirty-four counties in the State of Florida have activated to EOC-Level II-Partial Activations.

Orange County 3-1-1 received twenty-four calls on Monday, March 16, 2020. Callers were directed to the appropriate services to address needs.

Orange County OEM is processing resource requests from partners in the County and providing support to our surrounding agencies.

#### **ESF7 – RESOURCE SUPPORT**

Resource Support is actively monitoring the E-Team system for any resource requests with no outstanding requests at this time. Resource Support has been in contact with ESF8 to provide details related to a potential price gouging issue pertaining to N-95 and other masks. ESF8 has confirmed the information was reported to the State.

## ESF8 – HEALTH/MEDICAL ACTION ITEMS

Department of Health (DOH) Registered Nurse (RN) testing teams have begun traveling to county residences to perform COVID-19 collections. These collections are conducted outdoors for team safety. Teams will transition to clinic locations once the collection kits are received.

Services for Schools, Women, Infants and Children (WIC), Family Medical, and Dental, have been temporarily discontinued except for emergencies. This will ensure clinical help is available when an emergent need arises.

The first delivery of 15,000 masks arrived today with restock orders to follow every five to ten days. The distribution of the masks will begin today.

A regional drive through collection site at the Orange County Convention Center is in progress. FEMA has advised that the site will be set up within the week and that it will operate for approximately two weeks.

## ESF14 – PUBLIC INFORMATION

The Executive Policy Group conference call was held at 1:00 p.m.

Social media channels are continuously being monitored. Messages that are being shared on social media: Myths vs. Facts, daily press conference updates, department and partner announcements, and positive suggestions. Continuing to compile frequently asked questions and top takeaways from all news conferences. Public Information has received 20 media requests and continues to monitor all news coverage. Messaging is being coordinated with the social media team.

Social Media and Website:

[www.ocfl.net/coronavirus](http://www.ocfl.net/coronavirus) continues to stay updated and the Public Information Office added a media tab to all Coronavirus specific stories.

[www.ocfl.net/Coronavirus](http://www.ocfl.net/Coronavirus) - Our main page on ocfl.net

[www.ocfl.net/CoronavirusUpdates](http://www.ocfl.net/CoronavirusUpdates) - Newsroom updates

[www.ocfl.net/CoronavirusInfo](http://www.ocfl.net/CoronavirusInfo) - PDF from graphics, in English

## ESF15 – EOC SUPPORT

ESF15 is supporting its community partners, OneBlood and Second Harvest Food Bank by promoting food and monetary donations for local food banks and volunteer opportunities.

## ESF16 – LAW ENFORCEMENT

Orange County Sheriff's Office has changed its Response Guidelines concerning medical calls; deputies advised to assess the situation and determine the need for law enforcement response.

## ESF18 – BUSINESS & INDUSTRY

The Orlando Economic Partnership has created a page for businesses to access United States Small Business Administration (SBA) information. Please follow this link [Orlando Economic Partnership](#) for more information.

The Business Damage Assessment survey has been activated to access the impact of COVID-19 on Florida's local business operations. Please follow this link [Business Damage Assessment Survey](#) to complete the survey.

## PARTNERS – TOURISM SECTOR

Visit Orlando has established assistance line to support visitors in need. Visitors can call 407-363-5872, select live chat through [www.VisitOrlando.com](http://www.VisitOrlando.com), or stop by Visit Orlando's Visitor Center at 8102 International Drive for assistance.

The Orange County Regional History Center closed on Monday, March 16, 2020 for a thorough cleaning and will continue to monitor the current situation.

The Orange County Courthouse is open but has limited access. Court System is encouraging use of Technology moving forward.

Orange County Utilities has suspended disconnections of service.

Orange County Public Schools (OCPS) Emergency Operations Center activated to a level II-Partial Activation on March 16, 2020. OCPS -EOC hours are Monday thru Friday 0730-1630. OCPS currently has Spring Break Camps open at 33 schools open through Thursday, March 19, 2020.

OCPS is opening 50 student-feeding sites on Monday, March 23, 2020. The sites will run from 10:00am-2:00pm and will be located at all high schools and thirty of the middle and K-8 schools. Meals will be distributed through a walk-up and drive through system and OCPS is still looking for several volunteers to assist with the meal distribution process. OCPS is requesting four deputies per school in addition to each School Resource Officer and this request is being processed.

University of Central Florida (UCF), Rollins, Valencia and Seminole State Colleges are moving to remote instruction to minimize health and safety risks. UCF has announced the cancellation of the upcoming graduation.

Full Sail University is transitioning to online courses on March 18, 2020.

Orange County Convention Center (OCCC) reports **sixteen** major cancellations:

- Ellucian Live 2020 Event
- Health Information and Management Systems Society Global Conference & Exhibition
- Grainger Show 2020
- McDonald's Corporation Worldwide Conference
- American Academy of Orthopaedic Surgeons
- Minecraft Festival (Rescheduled for 2021)
- ISA International Sign Expo 2020 (Rescheduled for August 23-25, 2020)
- Impressions 2020 (Rescheduled for September 10-12, 2020)
- RFID Journal LIVE! (Rescheduled for September 9-11, 2021)
- AAHOA Annual Convention & Tradeshow (Rescheduled for August 9-12, 2020)
- AmeriCheer AmeriDance Internationals 2020 (To be determined)
- Orlando Boat Show (To be determined)
- All Star Challenge (To be determined)
- AmCon 2020 (To be determined)
- KnowledgeFest Orlando (To be determined)
- Autism 5K – Walk & Family Day Event (To be determined)

Orange County Convention Center has launched a webpage with information at:

<https://www.occc.net/coronavirus>.

For information regarding upcoming events, OCCC has provided the link below:

<https://www.occc.net/Upcoming-Events>

Orange County Convention Center (OCCC) continues to make the safety of guests and attendees the Number one priority. Continuing to work diligently with clients on conventions and rescheduling events. Several conventions are being rescheduled to future dates.

The Theme Parks and area attractions closed on March 16, 2020, and are projected to remain closed through the end of March.

Universal Orlando will close CityWalk on March 17, 2020 at midnight with all Universal Hotels closing Friday, March 20, 2020, at 5pm.

The Wheel at Icon remains open at this time and continues to monitor the situation.

The City of Orlando has posted a web page with cancelled events at [City of Orlando COVID-19 Cancellations](#).

The Orange County Fire Marshal's Office requires a permit for all events that have 50 or more attendees. Through the permitting process, the Fire Marshal's Office has received five additional cancelations since March 16, 2020, for shows outside of the Orange County Convention Center:

Event name	Venue	Date of event	Status
FADONA	Rosen Plaza	3/17/2020	Postponed
Lads to Leaders	Rosen Centre	4/10/2020	Cancelled
HawkSoft User Group	Rosen Centre	4/19/2020	Cancelled
Alliance for Central Florida Safety	Rosen Plaza	3/25/2020	Postponed
National Hurricane	Rosen Centre	4/7/2020	Cancelled

# Florida SEOC Situation Report COVID-19

Published: 3-17-2020 @ 14:00 EDT Changes in **Red** Situation Report #15

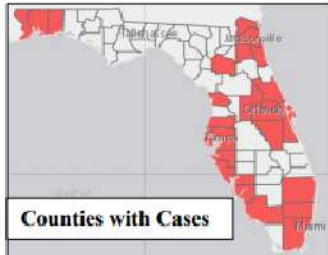

### Cases in Florida

	Current	Change
Confirmed Resident Cases	<b>173</b>	<b>+31</b>
Florida Fatalities	<b>6</b>	<b>+1</b>
Florida Resident not in state	<b>6</b>	<b>+0</b>
Non-Florida Residents	<b>19</b>	<b>+1</b>
Negative Tests	<b>940</b>	<b>+124</b>
# of Counties with Cases	<b>26</b>	<b>+1</b>

All Numbers are derived from FDOH's Website

### State Actions

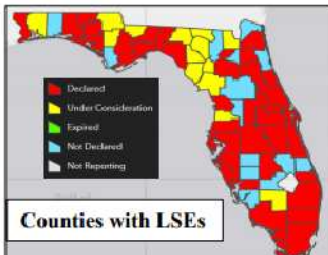

- State EOC has been activated to a Level 1 with Emergency Services and Human Services emergency support functions at full staffing.
- Governor of Florida has signed EO 20-52 declaring a state of emergency. (Info Message 41)
- Governor recommends that communities and organizers cancel large events. CDC recommends that all events with 10 or more people be cancelled or postponed. **Governor of Florida will be signing EO with additional guidance on restaurants and bars. (Info Message 264).**
- The National Guard has mobilized to support point of collection, transportation, security, logistical operations in counties.
- **The Drive Through Plan can be found in Info Message 252.**

Counties with Cases

EOC Activations

Counties with LSEs

### County Summary

- Local State of Emergencies have been declared in 39 counties. **Another 14 are under consideration.**
- Level 2 EOC in 34 counties.
- The SEOC is tracking 284 active resource requests from counties.
- All School districts are extending spring break.
- **The following counties are reporting government office closures:**
  - Charlotte, Clay, Flagler, Hendry, Hernando, Levy, Pasco, Seminole, Suwannee

## Clinical Screening Tool for Identifying Persons Under Investigation for Coronavirus Disease 2019 (COVID-19) per Centers for Disease Control and Prevention (CDC)

Symptomatic individuals should be asked to wear a surgical mask upon arrival. Initiate contact and airborne precautions, using appropriate personal protective equipment (PPE).

Version 4.2 | March 15, 2020

### SCREENING CRITERIA

If your patient is exhibiting symptoms of acute lower respiratory illness (e.g., fever, cough, and shortness of breath) and meets one or more of the following criteria:

1. Persons who have had a close contact with a laboratory-confirmed COVID-19 case
2. Persons hospitalized with acute lower respiratory illness of unknown origin
3. History of travel to or from an affected geographic area with widespread community transmission
4. History of international travel or a cruise
5.  $\geq 65$  with chronic health conditions
6. Immunocompromised persons

### TESTING

If individual meets criteria for testing, wear appropriate PPE and initiate contact and airborne precautions.

1. The health care provider is responsible for specimen collection, handling and shipping. Please follow [CDC guidance](#).
2. Collected specimens should be processed within your health care facility, if available; a commercial laboratory (e.g., [LabCorp](#) and [Quest](#)); or a [Florida Bureau of Public Health Laboratory \(BPHL\)](#)
3. Before sending specimens to BPHL, notify your local county health department [CHD Epidemiology Contacts](#).
4. Health care providers may consult local county health departments for additional guidance as needed.

### EXPANDED CRITERIA

If your patient does not meet the above criteria, testing may occur based on clinician's judgement.

1. The health care provider is responsible for specimen collection, handling and shipping. Please follow [CDC guidance](#) and use proper PPE.
2. Collected specimens should be processed within your health care facility or a commercial laboratory (e.g., [LabCorp](#) and [Quest](#)).
3. Follow [CDC guidance](#) for specimen collection, handling and shipping.

### FOR ADDITIONAL GUIDANCE

Providers are encouraged to frequently monitor Florida Department of Health and CDC websites for updated guidance on COVID-19.

- [www.flhealth.gov](http://www.flhealth.gov)
- <https://www.cdc.gov/coronavirus/2019-nCoV/index.html>

Please see the CDC's: [Interim Infection Prevention and Control Recommendations for Patients with Suspected or Confirmed Coronavirus Disease 2019 \(COVID-19\) in Healthcare Settings](#)

## 2019 Coronavirus Situational Update 10

---

### Bottom Line Up Front:

- Per the Board of Governors, the State University System has extended remote learning through the end of the Spring semester as of 3/17.
  - Traditional on-campus commencement ceremonies will not be held in May. Instead, each university is directed to develop an alternate schedule or method of delivery.
- On Sunday March 15th, UCF announced it will move to remote work for most employees for at least two weeks.
  - With the exception of employees whose job cannot be performed remotely—such as those who support remote learning, campus operations, and other areas—all others should be ready to work remotely by Wednesday 3/18.
- Access control for all buildings on campus is going into holiday mode starting on March 17<sup>th</sup>, at 6pm.
  - All buildings will be locked and require an access card or hard key.
- All on-campus dining locations will modify operations to change services styles, close or minimize communal seating areas, and promote social distancing for patrons and staff.
  - All on campus dining locations will have adjusted hours or remain closed for at least 2 weeks.
  - Aramark operated dining locations will follow their “Level Two Activities” according to their Global Pandemic Plan.
- Skype for Business will be used for future EOC briefings and updates.
  - A capability test for the Virtual EOC took place today at 3pm. If you were unable to attend or had difficulty testing capabilities, please reach out to Bryan Garey, [Bryan.Garey@ucf.edu](mailto:Bryan.Garey@ucf.edu) or 407-823-0678 to work through the potential issues and test capabilities.
  - Continue to use VEOCI for posting and information tracking.
- The Emergency Fund is activated and reimbursement can not take place without accurate tracking of spending.
  - Report all costs related to COVID-19 to Finance & Administration Chief Nicole Arft, email [Nicole.Arft@ucf.edu](mailto:Nicole.Arft@ucf.edu).
- The Drive-Through Closed POD and Medical Screening Plan is being finalized and will be tested.

## Current Situation

# Department of Emergency Management

## Updates from key Emergency Support Function (ESF) and Emergency Coordinating Officers (ECO) for pandemic planning and response

- **Emergency Management** – Currently at a Level 2: Partial Activation for the University. Continuing to monitor situation. Providing bi-weekly updates and coordinating information from ESFs. University has opted to suspend all events 15th-30th of March. Pushing out UCF Alerts to provide an update from the Executive Policy Group. Compiling cost tracking data for reimbursement through the EFD.
- **ECO: Athletics** – The American Athletic Conference announced on 3/16 that all athletic competition and championships have been canceled for the remainder of the academic year. UCF announced that the 2020 Spring Game has been postponed indefinitely. For more information on this new update, visit the athletics website:  
<https://ucfknight.com/news/2020/3/16/general-aac-announces-cancelation-of-competition-and-championships-for-academic-year.aspx>

- **ECO: College of Medicine** – The class schedule at the College of Medicine will be as follows:

M-1 classes will continue as scheduled until March 20th.

Upon return from spring break on March 30<sup>th</sup>, M-1 classes will go online for a minimum of two weeks.

M-1 HB-3 mock exam will be online.

Following spring break, Community of Practice and Practice of Medicine 1 sessions will be suspended until April 13th at the earliest.

M-2 students will continue with classes as scheduled through the OSCE ending on March 27th.

The Brain and Behavior exam will occur on March 19th and the Practice of Medicine written exam, March 23rd.

OSCEs will occur as scheduled from March 23rd thru March 27th.

NBME CBSE will be available online.

M3 and M4 students are part of the health care team and will take guidance from the respective facility to which assigned for training.

Given the university’s recent decision to cancel all non-essential events, and out of an abundance of caution, UCF COM has made the necessary decision to modify the Match Day ceremony. Only M4 students and key personnel will be permitted to attend. Some medical schools have canceled Match Day altogether. The decision to limit event attendance was made in order to allow students to experience this important event as a class but minimize risk in light of the coronavirus. Match Day is still slated to be live

# Department of Emergency Management

streamed on Facebook and YouTube with extensive coverage also available on the COM website and social media channels.

UCF Health has created a COOP in response to Co-Vid 19. They are continuing fit testing for half-mask respirators, but have a stock of N-95 masks at Gateway. They would like to fit test the clinical staff to utilize both the N-95 and half masks. Patients are currently being triaged with a questionnaire when they come in for appointments.

- **ECO: Global** – All travel is restricted at this time. Exceptions are allowed, but travel is restricted. 35 faculty members abroad, 71 students abroad not in an academic program, UCF abroad has 117 planned abroad total 223 planned abroad or abroad right now. Giving general guidance to UCF community abroad.
- **ECO: Research** – Main office has asked employees if they are able to work remotely. Catastrophic failure of an HVAC system. Part time student staff will be returning to campus. Working out the details of who needs to care for what. Some employees have to come in to tend to research and research tools.
- **ECO: Rosen College of Hospitality Management** – The students and faculty aboard to cruise ship have been covered from a public health standpoint. There are over 1,000 students currently enrolled in an internship for academic credit that could potentially be impacted by businesses closing.
- **ESF 1: Transportation** - Shuttles to Lake Nona and Downtown will continue as scheduled. There will be a reduced number of shuttles operating on the main campus and to Rosen.
- **ESF 2: Communications** – Zoom is being worked on. Proper documentation for telecommuting is being worked on. Department IT liaisons will assist with issues in the department and push it up to an enterprise level if needed.
- **ESF 3: Public Works** – Hand sanitizer stands have come in and was put out on campus in public areas. Teams are going through every building to do touch point cleaning. Touch point doesn't include electronic things, blind pulls, blue light phones, chairs, copiers, personal items, upholstery.
- **ESF 5: Planning** – Weekly situational reports are now being distributed on Mondays and Thursdays (or as needed if conditions change). Incident Action Plans will be sent out once operational periods are determined.
- **ESF 6: Mass Care** – Working on communication to determine who will be on campus. Received a lot of questions and are awaiting a response. Working on modified hours and work.

# Department of Emergency Management

- **ESF 7: Resource Management** – Work order will be merged to attach them to one project for tracking. Team is concentrating on the hand sanitizer to be mounted on a stand or wall. We have toilet paper. Go through FO or Housekeeping for hand sanitizer requests. Step and pull requests for doors. Working with UCF-EOC and OC-EOC to complete resource request.
- **ESF 8: Health & Medical** – Student Health Services have taken steps at all health facilities across campuses to triage patients that come into the facility showing signs of COVID-19. Advancing FIT testing for the SHS staff using the reusable mask. 14 nurses and doctors FIT tested. Ramping up on procedures on the clinical side. Expecting to see less patients. 50 test kits, 4 or 5 tests to date. Tests have a 3-day turnaround time. Notifying housing if any student is in housing. Anyone who is tested has to be quarantined or isolated if they are showing symptoms. Have signage for employees using one entrance and students and visitors use another. Emergency Management will connect the dots between departments and UCF Communications.
- **ESF 10: Hazmat** – Half face respirators were delivered on March 12th and Fit Testing and training started 3/16. Student Health Fit Testing will be finished today and Fit Testing at the College of Medicine will begin on Thursday.
- **ESF 11: Food and Water** – 112 cases of water have been ordered and delivered from Coca-Cola. A list of on-campus dining option hours has been created for at least 2 weeks. A conference call with Convocation Corporation dining options is scheduled for today to determine hours and operations.
- **ESF 12: Energy/Public Utilities** - We requested to cut back on HVAC on non-critical buildings. Exercised 4 levels of staffing on all functions.
- **ESF 13: Security** - Access control is going into holiday mode starting at 6pm tonight. Reaching out to all access control managers and building managers to figure out what doors need to remain open and what doors need to be closed.
- **ESF 14: Public Information** – Updates to the Coronavirus website on content and format. FAQs being added. More campus messaging going out. Videos will be pushed out over the weekend. UCF Alert on Sunday. Comprehensive list of what is open and what is closed has been distributed to the University Community.
- **ESF 16: Law Enforcement** – Internal communication has been sent out. Civilian workforce is working from home to test capabilities. PPE have been ordered for officers. Dispatch is the only function that cannot be done remotely.

- **ESF-19:** Contractors are still coming to campus for construction project. Instructed them to stay away from students, faculty, and staff.
- **ESF 20: Accessibility Needs** – Student Accessibility Services is working with ESF-25 to get the accessibility messaging out to students and faculty.
- **ESF 21: Finance and Accounting** – Travel is continuing as is. If employer cancels travel it is not reimbursable. Going to limited work force to test telecommuting.
- **ESF 23: Human Resources** – Updating FAQs. Talking about advancing sick leave and sick leave pools. Ask HR or UCF Communications for questions that are not on the FAQs.
- **ESF 24: Counseling** – Updated website. Asked counselors to reach out to clients to see if students will still come to appointments, a lot are. Canceling group and in person outreach. Working on remote and online outreach.
- **ESF 25: Academic Affairs** – All classes will be conducted online starting tomorrow for the rest of the Spring Semester. Graduate students, students, and adjunct instructors are having information pushed out to them.
- **ESF-26:** Working with SHS to give communication to students who are on quarantine and isolations. Services will be available and hours for services will be pushed out.

Florida Department of Health Call Center 1-866-779-6121 or [COVID-19@flhealth.com](mailto:COVID-19@flhealth.com)

Governor Ron DeSantis established a Joint Information Center on COVID-19 for the State of Florida 1-850-815-4940, [ESF14@em.myflorida.com](mailto:ESF14@em.myflorida.com)

Everyone plays a part in lowering the impact within our communities and workplaces – taking every day preventative actions help to impede the spread of respiratory diseases such as COVID-19.

Advent Health established a COVID-19 hotline. Nurses from the Hospital Group staff the hotline 24 hours a day and seven days a week. Those with questions or concerns should call **1-877-847-8747**.

Florida Attorney General, Ashley Moody activated Florida's Price Gouging Hotline. Consumers can report price gouging by phone at **1-866-966-7226** or online at [myfloridalegal.com](http://myfloridalegal.com).

The Centers for Disease Control (CDC) recommends that for the next eight weeks, organizers cancel or postpone in-person events. Please see the CDC link listed in the key websites area.

All County-sponsored business travel to identified high-risk areas, as determined by the County Administrator, is suspended until further notice.

In accordance with CDC, the Horizon West Town Hall meeting scheduled for April 9, 2020 has been postponed for a date to be determined.

## ESF1 – TRANSPORTATION

Virgin Atlantic will be operating three outbound flights Wednesday, March 18, 2020, to assist visitors returning home. Fifty-Eight international flights have been cancelled from March 15, 2020, through March 22, 2020. Travelers with flights still scheduled are encouraged to check airlines schedules frequently for updates. United States (US) citizens and legal residents returning to the US are required to be screened through one of the thirteen federally-approved airports. Orlando International Airport is not a federally-approved airport.

LYNX continues to follow increased housekeeping measures and provide information to employees and customers. LYNX established a web page for public information: [What We are Doing to Protect You from the Coronavirus](#).

## ESF 4 & 9 – FIREFIGHTING & URBAN SEARCH & RESCUE

Orange County Fire Rescue Department (OCFRD) is currently under normal operations and staffing. While continuing to monitor field operations for the COVID-19 situation, preventative measures have been taken to reduce exposures to the general public. All non-essential trainings, meetings, public relations events, and station tours have been canceled to help limit the congregation of gatherings to less than 10 people.

With proactive actions being taken, all field units have been asked to keep store visits to a minimum and to secure station personal protective equipment (PPE). Operations has reduced the response of units to incidents, to limit the amount of personnel being exposed and to minimize the use of PPE.

## ESF5 – INFORMATION & PLANNING

The State Department of Emergency Management activated the State Emergency Operations Center to a Level I – Full Activation on March 14, 2020.

Activity levels in the Emergency Operations Center have increased with appropriate staffing to accommodate the necessary tasks.

Florida Division of Emergency Management (FDEM) announced that at the Governor's direction, FDEM Director Jared Moskowitz is ordering additional supplies and personal protective equipment in an effort to mitigate and contain the spread of COVID-19 in the state.

After conducting a thorough assessment of needs, Director Moskowitz has requested the following supplies through Direct Federal Assistance:

- 5 mobile intensive care units
- 5,000 ventilators
- 5,000 hospital beds
- 50,000 two oz. bottles of hand sanitizer
- 250,000 coveralls
- 500,000 gloves
- 500,000 gowns
- 500,000 collection kits
- 100,000 16 oz. bottles of hand sanitizers
- 150,000 Personal Protective Equipment kits, including coveralls, gowns, and goggles
- 2 million N-95 face masks

Three field hospitals are being deployed:

- One field hospital is currently staged in Orlando and can be deployed to other areas in the state as needed
- One field hospital is on its way to Broward County and will be set up there
- One field hospital is on its way to Ocala and will be staged there and deployed to other areas as needed

Mobile COVID-19 testing is being implemented, and the National Guard was deployed in Broward County. Additional National Guard members are on standby to assist throughout the State of Florida.

Orange County Emergency Operations Center remains activated to a Level II – Partial Activation.

Continuously monitoring all activities in the County and participating in all related conference calls. In addition, monitoring all information on the Centers for Disease Control (CDC) and the Johns Hopkins Websites.

Local State of Emergencies have been declared in 51 of the 67 counties located in the State of Florida. Thirty-four counties in the State of Florida have activated to EOC-Level II-Partial Activations and one (Alachua County) has activated to EOC-Level I-Full Activation.

Orange County 3-1-1 received fifty-eight calls on Tuesday, March 17, 2020. The call load that was received since yesterday has doubled.

Orange County OEM is processing resource requests from partners in the County and providing support to our surrounding agencies. Additional coordination is in process with all area hospitals through ESF8-Health and Medical.

## ESF7 – RESOURCE SUPPORT

Resource Support is actively monitoring the E-Team system for any resource requests with no outstanding requests at this time. Resource Support is currently sourcing 100 no contact infrared body thermometers and 240 units of Clorox disinfecting wipes.

## ESF8 – HEALTH/MEDICAL ACTION ITEMS

Department of Health (DOH) is preparing to open the East-Side Clinic at 12050 Colonial Drive on March 19, 2020. The hours of operation are expected to be 0800 – 1700, and will operate seven days per week. The clinic will test by appointment only and can test three people at a time. A request is in process for on-site security.

Health Services continues to work with the state to secure more PPE. Health Services expects to exhaust the mask supply within the next few days. A large request for an assortment of masks has been placed. DOH's total request to the state for N-95 masks was for 160,000; the state has committed to supply this request and will be parsed out in 15 to 16,000 mask increments.

<https://www.cdc.gov/coronavirus/2019-ncov/release-stockpiled-N95.html>

## ESF14 – PUBLIC INFORMATION

The Executive Policy Group conference call was held at 1:00 p.m. and Mayor Jerry Demings held a COVID-19 Press Briefing at 4:00 p.m.

The Public Information Office is translating COVID-19 Informational Flyers in Spanish and Creole to reach all members of the community. Social media channels continue to be monitored. Messages are being shared on social media: new closure information, new resources for residents and businesses, and positive suggestions. Public Information continues to monitor all news coverage. Messaging is being coordinated with the social media team.

Social Media and Website:

[www.ocfl.net/coronavirus](http://www.ocfl.net/coronavirus) continues to stay updated and the Public Information Office added a media tab to all Coronavirus specific stories.

[www.ocfl.net/Coronavirus](http://www.ocfl.net/Coronavirus) - Our main page on ocfl.net

[www.ocfl.net/CoronavirusUpdates](http://www.ocfl.net/CoronavirusUpdates) - Newsroom updates

[www.ocfl.net/CoronavirusInfo](http://www.ocfl.net/CoronavirusInfo) - PDF from graphics, in English

## ESF15 – EOC SUPPORT

ESF15 is currently working with Orange County Public Schools to solicit volunteers to feed local children during the extended school break closures.

## ESF16 – LAW ENFORCEMENT

Of the fifteen law enforcement agencies within Orange County, Orange County Sheriff's Office is acting as point of Contact (POC) for submitting requests.

Orange County Sheriff's Office has changed its response guidelines concerning medical calls; deputies advised to allow the fire department to assess the situation and determine the need for a law enforcement response

## ESF18 – BUSINESS & INDUSTRY

The Orlando Economic Partnership has created a page for businesses to access United States Small Business Administration (SBA) information. Please follow this link [Orlando Economic Partnership](#) for more information.

The Business Damage Assessment survey has been activated to assess the impact of COVID-19 on Florida's local business operations. Please follow this link [Business Damage Assessment Survey](#) to complete the survey.

## PARTNERS – TOURISM SECTOR

Visit Orlando has established an assistance line to support visitors in need. Visitors can call 407-363-5872, select live chat through [www.VisitOrlando.com](http://www.VisitOrlando.com), or stop by Visit Orlando's Visitor Center at 8102 International Drive for assistance.

Florida Department of Children and Families has temporarily closed all storefronts and lobbies. The department will utilize technology to ensure continuity of service for clients.

Orlando Utilities Commission (OUC) has closed walk-in centers, customers may conduct business over the phone or via self-service channels. OUC has moved to a Level II – Partial Activation.

Orange County Public Schools (OCPS) Emergency Operations Center activated to a level II-Partial Activation on March 16, 2020. OCPS -EOC hours are Monday thru Friday 07:30-16:30. Orange County Public Schools will be closed through at least April, 15, 2020. OCPS Food and Nutrition Services is working on the 50 food distribution students sites. OCPS will be transitioning to distance learning on Monday, March 30, 2020.

Orange County Convention Center has launched a webpage with information at: <https://www.occc.net/coronavirus>.

The Cheers to Change 2020 fundraiser for the Victims Service Center (VSC) has been canceled. Announcements and alternative plans will be made via email and social media pages. VSC appointments and acute services remain available. Clients needing extra support can call the 24/7 hotline at 407-500-HEAL or text during business hours (Monday through Friday from 8:00 a.m. to 5:00 p.m.) at 407-497-6701.

The Insurance Office of America's Corporate 5K has been rescheduled for Thursday, October 1, 2020.

Orange County Government is postponing "Take Our Daughter and Sons to Work Day" until a future date.

Universal Orlando will close all Universal Hotels effective Friday, March 20, 2020, at 5pm.

The Wheel at Icon remains open at this time and continues to monitor the situation.

The Orange County Fire Marshal's Office requires a permit for all events that have 50 or more attendees. Through the permitting process, the Fire Marshal's Office has received two additional cancelations since March 17, 2020, for shows outside of the Orange County Convention Center:

Event name	Venue	Date of event	Status	Anticipated attendees
2020 E Commerce Operations Summit	Orlando World Center Marriott	04/14/2020 - 04/16/2020	Postponed	600
Salvation Army's Womens Conference 2020	Hilton Bonnet Creek	04/16/2020 - 04/19/2020	Cancelled	800

The Centers for Disease Control (CDC) recommends that for the next eight weeks, organizers cancel or postpone in-person events. Please see the CDC link listed in the key websites area.

All County-sponsored business travel to identified high-risk areas, as determined by the County Administrator, is suspended until further notice.

In accordance with CDC, the Horizon West Town Hall meeting scheduled for April 9, 2020 has been postponed for a date to be determined.

## ESF1 – TRANSPORTATION

Virgin Atlantic will be operating three outbound flights Wednesday, March 18, 2020, to assist visitors returning home. Fifty-Eight international flights have been cancelled from March 15, 2020, through March 22, 2020. Travelers with flights still scheduled are encouraged to check airlines schedules frequently for updates. United States (US) citizens and legal residents returning to the US are required to be screened through one of the thirteen federally-approved airports. Orlando International Airport is not a federally-approved airport.

LYNX continues to follow increased housekeeping measures and provide information to employees and customers. LYNX established a web page for public information: [What We are Doing to Protect You from the Coronavirus](#).

## ESF 4 & 9 – FIREFIGHTING & URBAN SEARCH & RESCUE

Orange County Fire Rescue Department (OCFRD) is currently under normal operations and staffing. While continuing to monitor field operations for the COVID-19 situation, preventative measures have been taken to reduce exposures to the general public. All non-essential trainings, meetings, public relations events, and station tours have been canceled to help limit the congregation of gatherings to less than 10 people.

With proactive actions being taken, all field units have been asked to keep store visits to a minimum and to secure station personal protective equipment (PPE). Operations has reduced the response of units to incidents, to limit the amount of personnel being exposed and to minimize the use of PPE.

## ESF5 – INFORMATION & PLANNING

The State Department of Emergency Management activated the State Emergency Operations Center to a Level I – Full Activation on March 14, 2020.

Activity levels in the Emergency Operations Center have increased with appropriate staffing to accommodate the necessary tasks.

Florida Division of Emergency Management (FDEM) announced that at the Governor's direction, FDEM Director Jared Moskowitz is ordering additional supplies and personal protective equipment in an effort to mitigate and contain the spread of COVID-19 in the state.

After conducting a thorough assessment of needs, Director Moskowitz has requested the following supplies through Direct Federal Assistance:

- 5 mobile intensive care units
- 5,000 ventilators
- 5,000 hospital beds
- 50,000 two oz. bottles of hand sanitizer
- 250,000 coveralls
- 500,000 gloves
- 500,000 gowns
- 500,000 collection kits
- 100,000 16 oz. bottles of hand sanitizers
- 150,000 Personal Protective Equipment kits, including coveralls, gowns, and goggles
- 2 million N-95 face masks

Three field hospitals are being deployed:

- One field hospital is currently staged in Orlando and can be deployed to other areas in the state as needed
- One field hospital is on its way to Broward County and will be set up there
- One field hospital is on its way to Ocala and will be staged there and deployed to other areas as needed

Mobile COVID-19 testing is being implemented, and the National Guard was deployed in Broward County. Additional National Guard members are on standby to assist throughout the State of Florida.

Orange County Emergency Operations Center remains activated to a Level II – Partial Activation.

Continuously monitoring all activities in the County and participating in all related conference calls. In addition, monitoring all information on the Centers for Disease Control (CDC) and the Johns Hopkins Websites.

Local State of Emergencies have been declared in 51 of the 67 counties located in the State of Florida. Thirty-four counties in the State of Florida have activated to EOC-Level II-Partial Activations and one (Alachua County) has activated to EOC-Level I-Full Activation.

Orange County 3-1-1 received fifty-eight calls on Tuesday, March 17, 2020. The call load that was received since yesterday has doubled.

Orange County OEM is processing resource requests from partners in the County and providing support to our surrounding agencies. Additional coordination is in process with all area hospitals through ESF8-Health and Medical.

## ESF7 – RESOURCE SUPPORT

Resource Support is actively monitoring the E-Team system for any resource requests with no outstanding requests at this time. Resource Support is currently sourcing 100 no contact infrared body thermometers and 240 units of Clorox disinfecting wipes.

## ESF8 – HEALTH/MEDICAL ACTION ITEMS

Department of Health (DOH) is preparing to open the East-Side Clinic at 12050 Colonial Drive on March 19, 2020. The hours of operation are expected to be 0800 – 1700, and will operate seven days per week. The clinic will test by appointment only and can test three people at a time. A request is in process for on-site security.

Health Services continues to work with the state to secure more PPE. Health Services expects to exhaust the mask supply within the next few days. A large request for an assortment of masks has been placed. DOH's total request to the state for N-95 masks was for 160,000; the state has committed to supply this request and will be parsed out in 15 to 16,000 mask increments.

<https://www.cdc.gov/coronavirus/2019-ncov/release-stockpiled-N95.html>

## ESF14 – PUBLIC INFORMATION

The Executive Policy Group conference call was held at 1:00 p.m. and Mayor Jerry Demings held a COVID-19 Press Briefing at 4:00 p.m.

The Public Information Office is translating COVID-19 Informational Flyers in Spanish and Creole to reach all members of the community. Social media channels continue to be monitored. Messages are being shared on social media: new closure information, new resources for residents and businesses, and positive suggestions. Public Information continues to monitor all news coverage. Messaging is being coordinated with the social media team.

Social Media and Website:

[www.ocfl.net/coronavirus](http://www.ocfl.net/coronavirus) continues to stay updated and the Public Information Office added a media tab to all Coronavirus specific stories.

[www.ocfl.net/Coronavirus](http://www.ocfl.net/Coronavirus) - Our main page on ocfl.net

[www.ocfl.net/CoronavirusUpdates](http://www.ocfl.net/CoronavirusUpdates) - Newsroom updates

[www.ocfl.net/CoronavirusInfo](http://www.ocfl.net/CoronavirusInfo) - PDF from graphics, in English

## ESF15 – EOC SUPPORT

ESF15 is currently working with Orange County Public Schools to solicit volunteers to feed local children during the extended school break closures.

## ESF16 – LAW ENFORCEMENT

Of the fifteen law enforcement agencies within Orange County, Orange County Sheriff's Office is acting as point of Contact (POC) for submitting requests.

Orange County Sheriff's Office has changed its response guidelines concerning medical calls; deputies advised to allow the fire department to assess the situation and determine the need for a law enforcement response

## ESF18 – BUSINESS & INDUSTRY

The Orlando Economic Partnership has created a page for businesses to access United States Small Business Administration (SBA) information. Please follow this link [Orlando Economic Partnership](#) for more information.

The Business Damage Assessment survey has been activated to assess the impact of COVID-19 on Florida's local business operations. Please follow this link [Business Damage Assessment Survey](#) to complete the survey.

## PARTNERS – TOURISM SECTOR

Visit Orlando has established an assistance line to support visitors in need. Visitors can call 407-363-5872, select live chat through [www.VisitOrlando.com](http://www.VisitOrlando.com), or stop by Visit Orlando's Visitor Center at 8102 International Drive for assistance.

Florida Department of Children and Families has temporarily closed all storefronts and lobbies. The department will utilize technology to ensure continuity of service for clients.

Orlando Utilities Commission (OUC) has closed walk-in centers, customers may conduct business over the phone or via self-service channels. OUC has moved to a Level II – Partial Activation.

Orange County Public Schools (OCPS) Emergency Operations Center activated to a level II-Partial Activation on March 16, 2020. OCPS -EOC hours are Monday thru Friday 07:30-16:30. Orange County Public Schools will be closed through at least April, 15, 2020. OCPS Food and Nutrition Services is working on the 50 food distribution students sites. OCPS will be transitioning to distance learning on Monday, March 30, 2020.

Orange County Convention Center has launched a webpage with information at: <https://www.occc.net/coronavirus>.

The Cheers to Change 2020 fundraiser for the Victims Service Center (VSC) has been canceled. Announcements and alternative plans will be made via email and social media pages. VSC appointments and acute services remain available. Clients needing extra support can call the 24/7 hotline at 407-500-HEAL or text during business hours (Monday through Friday from 8:00 a.m. to 5:00 p.m.) at 407-497-6701.

The Insurance Office of America's Corporate 5K has been rescheduled for Thursday, October 1, 2020.

Orange County Government is postponing "Take Our Daughter and Sons to Work Day" until a future date.

Universal Orlando will close all Universal Hotels effective Friday, March 20, 2020, at 5pm.

The Wheel at Icon remains open at this time and continues to monitor the situation.

The Orange County Fire Marshal's Office requires a permit for all events that have 50 or more attendees. Through the permitting process, the Fire Marshal's Office has received two additional cancelations since March 17, 2020, for shows outside of the Orange County Convention Center:

Event name	Venue	Date of event	Status	Anticipated attendees
2020 E Commerce Operations Summit	Orlando World Center Marriott	04/14/2020 - 04/16/2020	Postponed	600
Salvation Army's Womens Conference 2020	Hilton Bonnet Creek	04/16/2020 - 04/19/2020	Cancelled	800

Florida Department of Health Call Center 1-866-779-6121 or [COVID-19@flhealth.com](mailto:COVID-19@flhealth.com)

Governor Ron DeSantis established a Joint Information Center on COVID-19 for the State of Florida 1-850-815-4940, [ESF14@em.myflorida.com](mailto:ESF14@em.myflorida.com)

Everyone plays a part in lowering the impact within our communities and workplaces – taking every day preventative actions help to impede the spread of respiratory diseases such as COVID-19.

Advent Health established a COVID-19 hotline. Nurses from the Hospital Group staff the hotline 24 hours a day and seven days a week. Those with questions or concerns should call **1-877-847-8747**.

Florida Attorney General, Ashley Moody activated Florida's Price Gouging Hotline. Consumers can report price gouging by phone at **1-866-966-7226** or online at [myfloridalegal.com](http://myfloridalegal.com).

The Centers for Disease Control (CDC) recommends that for the next eight weeks, organizers cancel or postpone in-person events. Please see the CDC link listed in the key websites area.

All County-sponsored business travel to identified high-risk areas, as determined by the County Administrator, is suspended until further notice.

In accordance with CDC, the Horizon West Town Hall meeting scheduled for April 9, 2020, has been postponed for a date to be determined.

## ESF1 – TRANSPORTATION

While most domestic flights remain operational, Orlando International Airport (OIA) has seen a significant decrease in international traffic. With 28 international flights yesterday, 2,270 international passengers were screened by U.S. Customs & Border Protection Officers. This reflects a 70% decrease compared to the same day last year. Overall, Orlando International was the busiest airport in the country yesterday for departures with 47,495 departing passengers. Travelers with flights still scheduled are encouraged to check airlines schedules frequently for updates.

LYNX continues to follow increased housekeeping measures and provide information to employees and customers. LYNX established a web page for public information: [What We are Doing to Protect You from the Coronavirus](#).

## ESF 4 & 9 – FIREFIGHTING & URBAN SEARCH & RESCUE

Orange County Fire Rescue Department (OCFRD) is currently under normal operations and staffing. While continuing to monitor field operations for the COVID-19 situation, preventative measures have been taken to reduce exposures to the general public. All non-essential training, meetings, public relations events, and station tours have been canceled, to help limit gatherings to less than 10 people.

With proactive actions being taken, all field units have been asked to keep contact with others to a minimum and to secure station personal protective equipment (PPE). Operations has reduced the response of units to incidents, to limit the amount of personnel being exposed and to minimize the use of PPE. Personnel will begin conducting screenings to ensure that personnel exhibiting fever or flu-like symptoms are released from

work locations. The Operations Division will staff the Department Operations Center (DOC) from 0730-1930 daily to assist with the coordination of COVID preparations and responses.

## **ESF5 – INFORMATION & PLANNING**

The State Division of Emergency Management activated the State Emergency Operations Center to a Level I – Full Activation on March 14, 2020.

Activity levels in the Emergency Operations Center have increased with appropriate staffing to accommodate the necessary tasks. The hours of operations is changing as of March 20, 2020, to twelve-hour shifts. Fire Rescue is preparing to open the Department's Operation Center as of 07:30 on March 20, 2020.

Orange County Government has agreed to host one of the three Regional Testing Sites in the State of Florida on the Orange County Convention Center Property. This site is tentatively scheduled to open on Monday, March 23, 2020. The presence of this site in cooperation with the State Division of Emergency Management and funded by the Federal Government, shall provide additional access for our community to obtain needed testing for COVID-19.

Florida Division of Emergency Management (FDEM) announced that at the Governor's direction, FDEM Director Jared Moskowitz is ordering additional supplies and personal protective equipment in an effort to mitigate and contain the spread of COVID-19 in the state.

Orange County Emergency Operations Center remains activated to a Level II – Partial Activation and continuously monitors for any additional staff that may be needed. Continuously monitoring all activities in the County and participating in all related conference calls. In addition, monitoring all information on the Centers for Disease Control (CDC) and the Johns Hopkins Websites.

Local State of Emergencies have been declared in 53 of the 67 counties located in the State of Florida. Forty counties in the State of Florida have activated to EOC-Level II-Partial Activations and one (Alachua County) has activated to EOC-Level I-Full Activation.

Orange County 3-1-1 received twenty-two calls on Wednesday, March 19, 2020.

Orange County OEM is processing resource requests from partners in the County and providing support to our surrounding agencies. Additional coordination is in process with all area hospitals through ESF8-Health and Medical.

## **ESF7 – RESOURCE SUPPORT**

Resource Support is actively monitoring the E-Team system for any resource requests with no outstanding requests at this time.

## **ESF8 – HEALTH/MEDICAL ACTION ITEMS**

The Department of Health (DOH) is projecting to open the East-side clinic at 12050 Colonial Drive on Monday, March 23, 2020. DOH is awaiting the needed supplies and equipment from the State to open the facility.

Orange County Medical Director has requested the addresses of the self-quarantined people to Fire Rescue in order to assure crews are protected, while responding to these locations.

Health Services continues to search for any available supplies through all vendors.

AHCA has sent a bulletin to all Residential and Long Term Care Facilities to immediately wear face masks (ear loop style) and as a result Orange County has been inundated with requests for supplies. Health Services is tracking each request and is preparing to fulfill the requests once the supplies arrive. Coordination with all area Hospitals to provide all current and needed supply information to ESF-8 on their daily report. This will assist with maintaining situational awareness of supplies on a daily basis.

## ESF13 – MILITARY SUPPORT

ESF13 reports a review of Convention Center collection site was conducted by key state, local and military leadership. The tentative goal is to have the site operational on Monday, March 23, 2020. The region SERT Representative has taken responsibility for all equipment and personnel ordering.

Within the next twenty-four hours, approximately 200 National Guard soldiers will be on ground to start setting up the Drive-thru testing operation.

## ESF15 – EOC SUPPORT

ESF15 received an offer for youth counselors to assist with OCPS in food distribution from EFS8. This information has been relayed to Orange County Public Schools and details will be provided to ESF8 once more details are available.

EOC Support received a donation offer of 10,000 masks from China. If the decision is made to accept this donation, this donation will be facilitated by ESF8.

## ESF16 – LAW ENFORCEMENT

Of the fifteen law enforcement agencies within Orange County, Orange County Sheriff's Office is acting as point of Contact (POC) for submitting requests. Orange County Sheriff's Office has assumed the responsibility to provide security and handle traffic flow at the Convention Center Testing Site. Additional resources will be requested if needed to help manage the process.

Orange County Sheriff's Office has changed its response guidelines concerning medical calls; deputies advised to allow the fire department to assess the situation and determine the need for a law enforcement response

## ESF18 – BUSINESS & INDUSTRY

The Orlando Economic Partnership has created a page for businesses to access United States Small Business Administration (SBA) information. Please follow this link [Orlando Economic Partnership](#) for more information.

The Business Damage Assessment survey has been activated to access the impact of COVID-19 on Florida's local business operations. Please follow this link [Business Damage Assessment Survey](#) to complete the survey.

## PARTNERS – TOURISM SECTOR

Visit Orlando has established an assistance line to support visitors in need. Visitors can call 407-363-5872, select live chat through [www.VisitOrlando.com](http://www.VisitOrlando.com), or stop by Visit Orlando's Visitor Center at 8102 International Drive for assistance.

Florida Department of Children and Families has temporarily closed all storefronts and lobbies. The department will utilize technology to ensure continuity of service for clients.

Orlando Utilities Commission (OUC) has closed walk-in centers, customers may conduct business over the phone or via self-service channels. OUC has moved to a Level II – Partial Activation.

Orange County Public Schools (OCPS) Emergency Operations Center activated to a level II-Partial Activation on March 16, 2020. OCPS -EOC hours are Monday thru Friday 07:30-16:30. Orange County Public Schools will be closed through at least April, 15, 2020. OCPS Food and Nutrition Services is working on the 50 food distribution students sites. OCPS will begin distance learning on Monday, March 30, 2020.

Orange County Convention Center has launched a webpage with information at: <https://www.occc.net/coronavirus>.

The Orange County Fire Marshal's Office requires a permit for all events that have 50 or more attendees.

Through the permitting process, the Fire Marshal's Office has received three additional cancelations since March 18, 2020, for shows outside of the Orange County Convention Center:

Event name	Venue	Date of event	Status	Anticipated attendees
Society of Permanent Cosmetic Professionals	Rosen Plaza	28-Mar	Cancelled	150
2020 John Romano's Workhorse Semimar	Orlando World Center Marriott	24-Mar	Cancelled	275
BGCA 2020	Orlando World Center Marriott	5-May	Cancelled

### County Summary

- Local State of Emergencies have been declared in **53** counties.
- Level 1 EOC in **1** county.
  - Alachua County
- Level 2 EOC in **40** counties.
- The SEOC is tracking **1,307** active resource requests from counties.
- All School districts are extending spring break.

The Coronavirus (COVID-19) situation continues to evolve rapidly and keeping you safe is a top priority. The County continues to closely monitor the status of COVID-19.

We are taking proactive steps to minimize the potential spread of the virus, including screening visitors who come to our facilities and utilizing alternative methods for conducting business. It is important we remain alert to the changing scenarios presented by COVID-19 and be ready to adapt our practices quickly.

To ensure you are up-to-date on the latest information regarding COVID-19, we have created a [COVID-19 page on Orangenet](#). On this page you can find a list of frequently asked questions, important health and wellness resources, and information about the virus. This page will continue to be updated as the situation changes.

Additionally, the Orange County employee information hotline (407-836-0005) is activated and will be updated with more information as it becomes available.

Thank you and we will continue to keep you updated.

[Advent Health - How to Prepare for Quarantine](#)

Florida Department of Health Call Center 1-866-779-6121 or [COVID-19@flhealth.com](mailto:COVID-19@flhealth.com)

Governor Ron DeSantis established a Joint Information Center on COVID-19 for the State of Florida 1-850-815-4940, [ESF14@em.myflorida.com](mailto:ESF14@em.myflorida.com)

Everyone plays a part in lowering the impact within our communities and workplaces – taking every day preventative actions help to impede the spread of respiratory diseases such as COVID-19.

Advent Health established a COVID-19 hotline. Nurses from the Hospital Group staff the hotline 24 hours a day and seven days a week. Those with questions or concerns should call **1-877-847-8747**.

Florida Attorney General, Ashley Moody activated Florida's Price Gouging Hotline. Consumers can report price gouging by phone at **1-866-966-7226** or online at [myfloridalegal.com](http://myfloridalegal.com).

The Centers for Disease Control (CDC) recommends that for the next eight weeks, organizers cancel or postpone in-person events. Please see the CDC link listed in the key websites area.

All County-sponsored business travel to identified high-risk areas, as determined by the County Administrator, is suspended until further notice.

In accordance with CDC, the Horizon West Town Hall meeting scheduled for April 9, 2020, has been postponed for a date to be determined.

## ESF1 – TRANSPORTATION

While most domestic flights remain operational, Orlando International Airport (OIA) has seen a significant decrease in international traffic. With 28 international flights yesterday, 2,270 international passengers were screened by U.S. Customs & Border Protection Officers. This reflects a 70% decrease compared to the same day last year. Overall, Orlando International was the busiest airport in the country yesterday for departures with 47,495 departing passengers. Travelers with flights still scheduled are encouraged to check airlines schedules frequently for updates.

LYNX continues to follow increased housekeeping measures and provide information to employees and customers. LYNX established a web page for public information: [What We are Doing to Protect You from the Coronavirus](#).

## ESF 4 & 9 – FIREFIGHTING & URBAN SEARCH & RESCUE

Orange County Fire Rescue Department (OCFRD) is currently under normal operations and staffing. While continuing to monitor field operations for the COVID-19 situation, preventative measures have been taken to reduce exposures to the general public. All non-essential training, meetings, public relations events, and station tours have been canceled, to help limit gatherings to less than 10 people.

With proactive actions being taken, all field units have been asked to keep contact with others to a minimum and to secure station personal protective equipment (PPE). Operations has reduced the response of units to incidents, to limit the amount of personnel being exposed and to minimize the use of PPE. Personnel will begin conducting screenings to ensure that personnel exhibiting fever or flu-like symptoms are released from

work locations. The Operations Division will staff the Department Operations Center (DOC) from 0730-1930 daily to assist with the coordination of COVID preparations and responses.

## **ESF5 – INFORMATION & PLANNING**

The State Division of Emergency Management activated the State Emergency Operations Center to a Level I – Full Activation on March 14, 2020.

Activity levels in the Emergency Operations Center have increased with appropriate staffing to accommodate the necessary tasks. The hours of operations is changing as of March 20, 2020, to twelve-hour shifts. Fire Rescue is preparing to open the Department's Operation Center as of 07:30 on March 20, 2020.

Orange County Government has agreed to host one of the three Regional Testing Sites in the State of Florida on the Orange County Convention Center Property. This site is tentatively scheduled to open on Monday, March 23, 2020. The presence of this site in cooperation with the State Division of Emergency Management and funded by the Federal Government, shall provide additional access for our community to obtain needed testing for COVID-19.

Florida Division of Emergency Management (FDEM) announced that at the Governor's direction, FDEM Director Jared Moskowitz is ordering additional supplies and personal protective equipment in an effort to mitigate and contain the spread of COVID-19 in the state.

Orange County Emergency Operations Center remains activated to a Level II – Partial Activation and continuously monitors for any additional staff that may be needed. Continuously monitoring all activities in the County and participating in all related conference calls. In addition, monitoring all information on the Centers for Disease Control (CDC) and the Johns Hopkins Websites.

Local State of Emergencies have been declared in 53 of the 67 counties located in the State of Florida. Forty counties in the State of Florida have activated to EOC-Level II-Partial Activations and one (Alachua County) has activated to EOC-Level I-Full Activation.

Orange County 3-1-1 received twenty-two calls on Wednesday, March 19, 2020.

Orange County OEM is processing resource requests from partners in the County and providing support to our surrounding agencies. Additional coordination is in process with all area hospitals through ESF8-Health and Medical.

## **ESF7 – RESOURCE SUPPORT**

Resource Support is actively monitoring the E-Team system for any resource requests with no outstanding requests at this time.

## **ESF8 – HEALTH/MEDICAL ACTION ITEMS**

The Department of Health (DOH) is projecting to open the East-side clinic at 12050 Colonial Drive on Monday, March 23, 2020. DOH is awaiting the needed supplies and equipment from the State to open the facility.

Orange County Medical Director has requested the addresses of the self-quarantined people to Fire Rescue in order to assure crews are protected, while responding to these locations.

Health Services continues to search for any available supplies through all vendors.

AHCA has sent a bulletin to all Residential and Long Term Care Facilities to immediately wear face masks (ear loop style) and as a result Orange County has been inundated with requests for supplies. Health Services is tracking each request and is preparing to fulfill the requests once the supplies arrive. Coordination with all area Hospitals to provide all current and needed supply information to ESF-8 on their daily report. This will assist with maintaining situational awareness of supplies on a daily basis.

## ESF13 – MILITARY SUPPORT

ESF13 reports a review of Convention Center collection site was conducted by key state, local and military leadership. The tentative goal is to have the site operational on Monday, March 23, 2020. The region SERT Representative has taken responsibility for all equipment and personnel ordering.

Within the next twenty-four hours, approximately 200 National Guard soldiers will be on ground to start setting up the Drive-thru testing operation.

## ESF15 – EOC SUPPORT

ESF15 received an offer for youth counselors to assist with OCPS in food distribution from EFS8. This information has been relayed to Orange County Public Schools and details will be provided to ESF8 once more details are available.

EOC Support received a donation offer of 10,000 masks from China. If the decision is made to accept this donation, this donation will be facilitated by ESF8.

## ESF16 – LAW ENFORCEMENT

Of the fifteen law enforcement agencies within Orange County, Orange County Sheriff's Office is acting as point of Contact (POC) for submitting requests. Orange County Sheriff's Office has assumed the responsibility to provide security and handle traffic flow at the Convention Center Testing Site. Additional resources will be requested if needed to help manage the process.

Orange County Sheriff's Office has changed its response guidelines concerning medical calls; deputies advised to allow the fire department to assess the situation and determine the need for a law enforcement response

## ESF18 – BUSINESS & INDUSTRY

The Orlando Economic Partnership has created a page for businesses to access United States Small Business Administration (SBA) information. Please follow this link [Orlando Economic Partnership](#) for more information.

The Business Damage Assessment survey has been activated to access the impact of COVID-19 on Florida's local business operations. Please follow this link [Business Damage Assessment Survey](#) to complete the survey.

## PARTNERS – TOURISM SECTOR

Visit Orlando has established an assistance line to support visitors in need. Visitors can call 407-363-5872, select live chat through [www.VisitOrlando.com](http://www.VisitOrlando.com), or stop by Visit Orlando's Visitor Center at 8102 International Drive for assistance.

Florida Department of Children and Families has temporarily closed all storefronts and lobbies. The department will utilize technology to ensure continuity of service for clients.

Orlando Utilities Commission (OUC) has closed walk-in centers, customers may conduct business over the phone or via self-service channels. OUC has moved to a Level II – Partial Activation.

Orange County Public Schools (OCPS) Emergency Operations Center activated to a level II-Partial Activation on March 16, 2020. OCPS -EOC hours are Monday thru Friday 07:30-16:30. Orange County Public Schools will be closed through at least April, 15, 2020. OCPS Food and Nutrition Services is working on the 50 food distribution students sites. OCPS will begin distance learning on Monday, March 30, 2020.

Orange County Convention Center has launched a webpage with information at: <https://www.occc.net/coronavirus>.

The Orange County Fire Marshal's Office requires a permit for all events that have 50 or more attendees.

Through the permitting process, the Fire Marshal's Office has received three additional cancelations since March 18, 2020, for shows outside of the Orange County Convention Center:

Event name	Venue	Date of event	Status	Anticipated attendees
Society of Permanent Cosmetic Professionals	Rosen Plaza	28-Mar	Cancelled	150
2020 John Romano's Workhorse Semimar	Orlando World Center Marriott	24-Mar	Cancelled	275
BGCA 2020	Orlando World Center Marriott	5-May	Cancelled

Governor Ron DeSantis established a Joint Information Center on COVID-19 for the State of Florida 1-850-815-4940, [ESF14@em.myflorida.com](mailto:ESF14@em.myflorida.com)

Everyone plays a part in lowering the impact within our communities and workplaces – taking every day preventative actions help to impede the spread of respiratory diseases such as COVID-19.

Advent Health established a COVID-19 hotline. Nurses from the Hospital Group staff the hotline 24 hours a day and seven days a week. Those with questions or concerns should call **1-877-847-8747**.

Florida Attorney General, Ashley Moody activated Florida's Price Gouging Hotline. Consumers can report price gouging by phone at **1-866-966-7226** or online at [myfloridalegal.com](http://myfloridalegal.com).

The Centers for Disease Control (CDC) recommends that for the next eight weeks, organizers cancel or postpone in-person events. Please see the CDC link listed in the key websites area.

All County-sponsored business travel to identified high-risk areas, as determined by the County Administrator, is suspended until further notice.

In accordance with CDC, the Horizon West Town Hall meeting scheduled for April 9, 2020, has been postponed for a date to be determined.

## ESF1 – TRANSPORTATION

Greater Orlando Aviation Authority reports a total of 1,053 flights were scheduled for today. There have been 137 cancellations, including 65 arrivals and 72 departures. An estimated 33,833 passengers were expected to depart from MCO today, down from an original projection of 76,841, based on the Spring Break travel period.

There were twenty-two international flights planned for today, with an estimated 1,506 arriving passengers. Virgin Atlantic obtained approval to operate two more outbound relief flights to assist in getting passengers out of the area. One flight will depart tonight at 20:05 p.m. for London. Another flight is scheduled for Saturday, March 21, 2020. Travelers with flights still scheduled are encouraged to check airlines schedules frequently for updates.

LYNX continues to follow increased housekeeping measures and provide information to employees and customers. LYNX established a web page for public information: [What We are Doing to Protect You from the Coronavirus](#).

## **ESF 4 & 9 – FIREFIGHTING & URBAN SEARCH & RESCUE**

Orange County Fire Rescue Department (OCFRD) is currently under normal operations and staffing. While continuing to monitor field operations for the COVID-19 situation, preventative measures have been taken to reduce exposures to the general public. All non-essential training, meetings, public relations events, and station tours have been canceled, to help limit gatherings to less than 10 people.

With proactive actions being taken, all field units have been asked to keep contact with others to a minimum and to secure station personal protective equipment (PPE). Operations has reduced the response of units to incidents, to limit the amount of personnel being exposed and to minimize the use of PPE. Personnel will begin conducting screenings to ensure that personnel exhibiting fever or flu-like symptoms are released from work locations. The Operations Division is staffing the Department Operations Center (DOC) from 0730-1930 daily to assist with the coordination of COVID preparations and responses.

## **ESF5 – INFORMATION & PLANNING**

The State Division of Emergency Management activated the State Emergency Operations Center to a Level I – Full Activation on March 14, 2020.

Activity levels in the Emergency Operations Center have increased with appropriate staffing to accommodate the necessary tasks. The hours of operations changed as of March 20, 2020, to twelve-hour shifts. Fire Rescue activated the Department's Operation Center as of 07:30 on March 20, 2020.

Orange County Government has agreed to host one of the three Regional Testing Sites in the State of Florida on the Orange County Convention Center Property. This site is tentatively scheduled to open on Monday, March 23, 2020. The presence of this site in cooperation with the State Division of Emergency Management and funded by the Federal Government, shall provide additional access for our community to obtain needed testing for COVID-19.

Orange County Emergency Operations Center remains activated to a Level II – Partial Activation and continuously monitors for any additional staff that may be needed. Continuously monitoring all activities in the County and participating in all related conference calls. In addition, monitoring all information on the Centers for Disease Control (CDC) and the Johns Hopkins Websites.

Local State of Emergencies have been declared in 63 of the 67 counties located in the State of Florida. Forty-five counties in the State of Florida have activated to EOC-Level II-Partial Activations and one (Alachua County) has activated to EOC-Level I-Full Activation.

Orange County 3-1-1 received twenty-five calls on Thursday, March 19, 2020.

Orange County OEM is processing resource requests from partners in the County and providing support to our surrounding agencies. Additional coordination is in process with all area hospitals through ESF8-Health and Medical.

## **ESF7 – RESOURCE SUPPORT**

Resource Support is actively monitoring the E-Team system for any resource requests with no outstanding requests at this time. Closely monitoring for supplies ordered to determine an estimated time of arrival.

## ESF8 – HEALTH/MEDICAL ACTION ITEMS

Dr. Pino reports the East-side clinic at 12050 Colonial Drive will tentatively open on Monday, March 23, 2020. DOH has devised a plan to double the number of existing test kits from 400 to 800.

Lab test kits and reagent have been ordered for each a hospital group in Orange County. Health Services (HS) has asked them make sure they have anticipated the need for at least a month. Health Services continues to search for any available supplies through all vendors.

needed supply information to ESF-8. This provides situational awareness of supplies on a daily basis. AHCA sent a bulletin to all Residential and Long Term Care Facilities with clarification of the previous day's directive regarding the use of facemasks. Health Services continues to receive requests for supplies. HS is tracking each request and is preparing to fulfill the requests once the supplies arrive. Coordinating with all area Hospitals to provide current and

HOSPITAL	ORLANDO HEALTH	ADVENT HEALTH	HCA	NEMOURS	VA	AIRPORT	DOH ORANGE

OTHER NEEDS	N-95 Masks	None at this time		PPE			

*\*\*Updated March 20th, 2020 as of 1100*

## ESF13 – MILITARY SUPPORT

ESF13 reports the National Guard Task Force 265 has 211 soldiers on the ground at the Orange County Convention Center Collection Site. The COVID-19 Joint Task Force Commander arrived at 10:15 a.m. to oversee the operation. ESF13 will receive updates on test numbers when Lab Corp collects the samples at 12:00, 15:00 and 18:00 hours. National Guard Task Force 265 are conducting rehearsal operations today.

## ESF15 – EOC SUPPORT

ESF15 received an offer for youth counselors to assist with OCPS in food distribution from EFS8. This information has been relayed to Orange County Public Schools and details will be provided to ESF8 once more details are available.

## ESF16 – LAW ENFORCEMENT

Of the fifteen law enforcement agencies within Orange County, Orange County Sheriff's Office is acting as point of Contact (POC) for submitting law enforcement requests. Orange County Sheriff's Office has assumed the responsibility to provide security and handle traffic flow at the Convention Center Testing Site. Additional resources will be requested if needed to help manage the process.

Orange County Sheriff's Office has changed its response guidelines concerning medical calls; deputies advised to allow the fire department to assess the situation and determine the need for a law enforcement response. Orange County Sheriff's office is monitoring the dynamic COVID-19 situation and will adjust staffing and scheduling as the situation requires.

## ESF18 – BUSINESS & INDUSTRY

The Orlando Economic Partnership has created a page for businesses to access United States Small Business Administration (SBA) information. Please follow this link [Orlando Economic Partnership](#) for more information.

The Business Damage Assessment survey has been activated to assess the impact of COVID-19 on Florida's local business operations. Please follow this link [Business Damage Assessment Survey](#) to complete the survey.

**PARTNERS – TOURISM SECTOR**

Visit Orlando has established an assistance line to support visitors in need. Visitors can call 407-363-5872, select live chat through [www.VisitOrlando.com](http://www.VisitOrlando.com), or stop by Visit Orlando's Visitor Center at 8102 International Drive for assistance.

Florida Department of Children and Families has temporarily closed all storefronts and lobbies. The department will utilize technology to ensure continuity of service for clients.

Rollins College reports they are housing thirty hardship students. These students are primarily international students unable to return home due to travel restrictions.

The town of Oakland has announced limited hours of operations and services effective Friday, March 20, 2020. Details and further information can be obtained at [Oakland COVID-19 operational changes](#).

Orlando Utilities Commission (OUC) has closed walk-in centers, customers may conduct business over the phone or via self-service channels.

Orange County Public Schools will be closed through at least April, 15, 2020. OCPS Food and Nutrition Services is working on the 50 food distribution students sites. OCPS will begin distance learning on Monday, March 30, 2020.

Orange County Convention Center has launched a webpage with information at: <https://www.occc.net/coronavirus>.

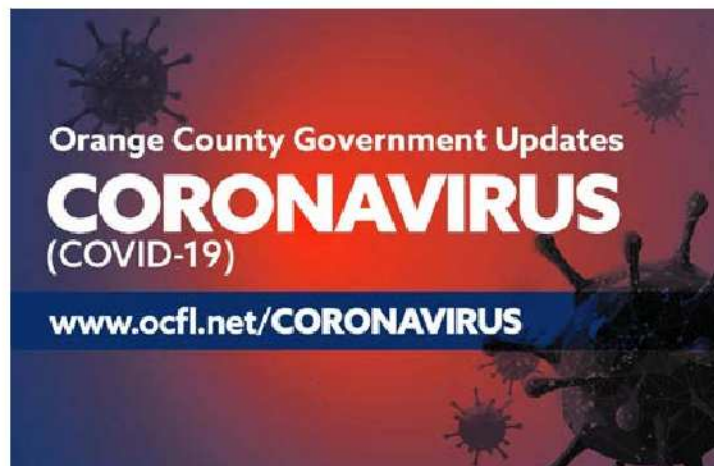

The Orange County Fire Marshal's Office requires a permit for all events that have 50 or more attendees. Through the permitting process, the Fire Marshal's Office has received three additional cancelations since March 19, 2020, for shows outside of the Orange County Convention Center:

Event name	Venue	Date of event	Anticipated attendees
Independent Physician Association of America	Hyatt Regency	4/2/2020	Waiting for estimate
National Hurricane	Rosen Centre	4/7/2020	Waiting for estimate
Black Knight Inc Info Exchange	JW Marriott Orlando	4/26/2020	Waiting for estimate
Holy Family Catholic Church Gala	Rosen Shingle Creek	3/28/2020	200

**AREA PARTNERS EMERGENCY OPERATIONS CENTERS**

Local Partners with EOC activations:

- Orange County Public Schools – Level II Partial Activation effective March 16, 2020
- Orlando Utilities Commission – Level II Partial Activation (virtual) effective March 16, 2020
- City of Orlando – Level II Partial Activation effective March 18, 2020
- University of Central Florida – Level II Partial Activation effective March 10, 2020

# JERRY L. DEMINGS

Orange County Mayor

Dear Employees,

Due to the fluid and continuously changing nature of the response to COVID-19, the past few weeks have been challenging for everyone, especially for you, our employees. You have done an incredible job providing the best service possible to our residents and guests, while also adjusting to a changing work environment and using alternative methods to conduct business. We greatly appreciate your dedication to our organization and community.

We have already implemented a number of protective measures to reduce the spread of germs and risk to our employees, including:

- requiring employees to self-quarantine (immediately sent home or not allowed to return to work) for 14 days with pay if they fall into certain risk categories, as determined by the CDC.
- provided added protection in the workplace by giving employees exhibiting any suspected symptoms, as determined by their supervisor, two days with pay to seek medical attention;
- closed or greatly reduced public access to many customer service areas, such as the walk-in lobby for Utilities Customer Service, and handling business online or by phone;
- strongly encouraged online permitting;
- limited face-to-face meetings with the public and increased use of teleconferencing;
- postponed large meetings and training sessions;
- instituted a visitor screening process for some areas with heavy customer traffic, and developed alternatives to direct contact with any customer who may have been in a possible risk category;
- added hand sanitizers, dispensaries and educational signage to County facilities;
- enhanced cleaning and sanitizing efforts in County facilities;
- suspended all County sponsored travel; and
- created an employee resource and information COVID-19 OrangeNet page.

While we focus on the well-being of everyone, please know the health and wellness of our employees is a top priority. Our residents and businesses rely on Orange County to provide services. As a result, where possible, employees who can work from home as determined by their manager, will deliver services remotely beginning **Monday, March 23, 2020**. This telecommuting option will reduce the number of employees in the office or work areas, yet enable us to continue to provide services to our residents.

We believe changes in County services are measured steps that will help prevent the spread of this virus in our community. Department directors have reviewed their operations and determined how to utilize alternative methods to facilitate social distancing. We understand striking a balance is crucial throughout this process, and many critical County functions will continue at their normal work locations. Every department and function is unique, and changes to operations will be evaluated on a case-by-case basis within departments.

Your department's leadership team will work with you and assess your ability to work from home to ensure business continues as seamlessly as possible. Onsite staff schedules will be staggered whenever possible.

Additionally, residents have been directed to request and utilize County services online and/or by phone. As we identify more services that can be provided online or via phone, we will evaluate closing additional customer contact areas to the public.

Again, thank you so much for all you do for Orange County Government and for your commitment to public service. Visit [www.ocfl.net/ Coronavirus](http://www.ocfl.net/Coronavirus) for the latest Orange County Government updates.

Sincerely,

**Jerry L. Demings**  
Orange County Mayor

## **ESF 4 & 9 – FIREFIGHTING & URBAN SEARCH & RESCUE**

Orange County Fire Rescue Department (OCFRD) is currently under normal operations and staffing. While continuing to monitor field operations for the COVID-19 situation, preventative measures have been taken to reduce exposures to the general public. All non-essential training, meetings, public relations events, and station tours have been canceled, to help limit gatherings to less than 10 people.

With proactive actions being taken, all field units have been asked to keep contact with others to a minimum and to secure station personal protective equipment (PPE). Operations has reduced the response of units to incidents, to limit the amount of personnel being exposed and to minimize the use of PPE. Personnel will begin conducting screenings to ensure that personnel exhibiting fever or flu-like symptoms are released from work locations. The Operations Division is staffing the Department Operations Center (DOC) from 0730-1930 daily to assist with the coordination of COVID preparations and responses.

## **ESF5 – INFORMATION & PLANNING**

The State Division of Emergency Management activated the State Emergency Operations Center to a Level I – Full Activation on March 14, 2020.

Activity levels in the Emergency Operations Center have increased with appropriate staffing to accommodate the necessary tasks. The hours of operations changed as of March 20, 2020, to twelve-hour shifts. Fire Rescue activated the Department's Operation Center as of 07:30 on March 20, 2020.

Orange County Government has agreed to host one of the three Regional Testing Sites in the State of Florida on the Orange County Convention Center Property. This site is tentatively scheduled to open on Monday, March 23, 2020. The presence of this site in cooperation with the State Division of Emergency Management and funded by the Federal Government, shall provide additional access for our community to obtain needed testing for COVID-19.

Orange County Emergency Operations Center remains activated to a Level II – Partial Activation and continuously monitors for any additional staff that may be needed. Continuously monitoring all activities in the County and participating in all related conference calls. In addition, monitoring all information on the Centers for Disease Control (CDC) and the Johns Hopkins Websites.

Local State of Emergencies have been declared in 63 of the 67 counties located in the State of Florida. Forty-five counties in the State of Florida have activated to EOC-Level II-Partial Activations and one (Alachua County) has activated to EOC-Level I-Full Activation.

Orange County 3-1-1 received twenty-five calls on Thursday, March 19, 2020.

Orange County OEM is processing resource requests from partners in the County and providing support to our surrounding agencies. Additional coordination is in process with all area hospitals through ESF8-Health and Medical.

## **ESF7 – RESOURCE SUPPORT**

Resource Support is actively monitoring the E-Team system for any resource requests with no outstanding requests at this time. Closely monitoring for supplies ordered to determine an estimated time of arrival.

## ESF8 – HEALTH/MEDICAL ACTION ITEMS

Dr. Pino reports the East-side clinic at 12050 Colonial Drive will tentatively open on Monday, March 23, 2020. DOH has devised a plan to double the number of existing test kits from 400 to 800.

Lab test kits and reagent have been ordered for each a hospital group in Orange County. Health Services (HS) has asked them make sure they have anticipated the need for at least a month. Health Services continues to search for any available supplies through all vendors.

needed supply information to ESF-8. This provides situational awareness of supplies on a daily basis. AHCA sent a bulletin to all Residential and Long Term Care Facilities with clarification of the previous day's directive regarding the use of facemasks. Health Services continues to receive requests for supplies. HS is tracking each request and is preparing to fulfill the requests once the supplies arrive. Coordinating with all area Hospitals to provide current and

*\*\*Updated March 20th, 2020 as of 1100*

## ESF13 – MILITARY SUPPORT

ESF13 reports the National Guard Task Force 265 has 211 soldiers on the ground at the Orange County Convention Center Collection Site. The COVID-19 Joint Task Force Commander arrived at 10:15 a.m. to oversee the operation. ESF13 will receive updates on test numbers when Lab Corp collects the samples at 12:00, 15:00 and 18:00 hours. National Guard Task Force 265 are conducting rehearsal operations today.

## ESF15 – EOC SUPPORT

ESF15 received an offer for youth counselors to assist with OCPS in food distribution from EFS8. This information has been relayed to Orange County Public Schools and details will be provided to ESF8 once more details are available.

## ESF16 – LAW ENFORCEMENT

Of the fifteen law enforcement agencies within Orange County, Orange County Sheriff's Office is acting as point of Contact (POC) for submitting law enforcement requests. Orange County Sheriff's Office has assumed the responsibility to provide security and handle traffic flow at the Convention Center Testing Site. Additional resources will be requested if needed to help manage the process.

Orange County Sheriff's Office has changed its response guidelines concerning medical calls; deputies advised to allow the fire department to assess the situation and determine the need for a law enforcement response. Orange County Sheriff's office is monitoring the dynamic COVID-19 situation and will adjust staffing and scheduling as the situation requires.

## ESF18 – BUSINESS & INDUSTRY

The Orlando Economic Partnership has created a page for businesses to access United States Small Business Administration (SBA) information. Please follow this link [Orlando Economic Partnership](#) for more information.

The Business Damage Assessment survey has been activated to assess the impact of COVID-19 on Florida's local business operations. Please follow this link [Business Damage Assessment Survey](#) to complete the survey.

## PARTNERS – TOURISM SECTOR

Visit Orlando has established an assistance line to support visitors in need. Visitors can call 407-363-5872, select live chat through [www.VisitOrlando.com](http://www.VisitOrlando.com), or stop by Visit Orlando's Visitor Center at 8102 International Drive for assistance.

Florida Department of Children and Families has temporarily closed all storefronts and lobbies. The department will utilize technology to ensure continuity of service for clients.

Rollins College reports they are housing thirty hardship students. These students are primarily international students unable to return home due to travel restrictions.

The town of Oakland has announced limited hours of operations and services effective Friday, March 20, 2020. Details and further information can be obtained at [Oakland COVID-19 operational changes](#).

Orlando Utilities Commission (OUC) has closed walk-in centers, customers may conduct business over the phone or via self-service channels.

Orange County Public Schools will be closed through at least April, 15, 2020. OCPS Food and Nutrition Services is working on the 50 food distribution students sites. OCPS will begin distance learning on Monday, March 30, 2020.

Orange County Convention Center has launched a webpage with information at: <https://www.occc.net/coronavirus>.

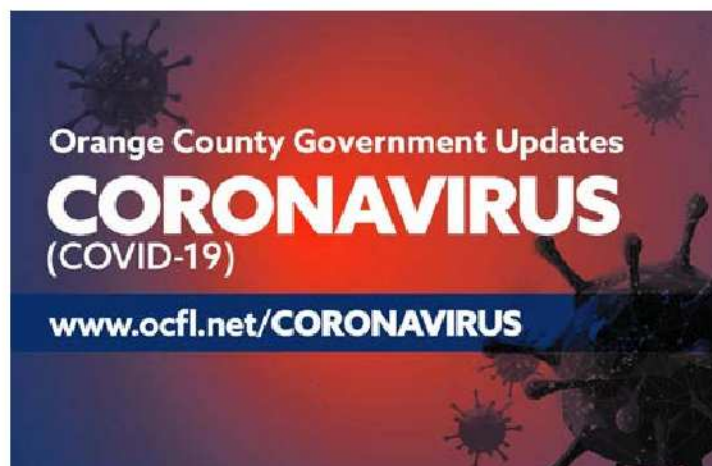

The Orange County Fire Marshal's Office requires a permit for all events that have 50 or more attendees. Through the permitting process, the Fire Marshal's Office has received three additional cancelations since March 19, 2020, for shows outside of the Orange County Convention Center:

Event name	Venue	Date of event	Anticipated attendees
Independent Physician Association of America	Hyatt Regency	4/2/2020	Waiting for estimate
National Hurricane	Rosen Centre	4/7/2020	Waiting for estimate
Black Knight Inc Info Exchange	JW Marriott Orlando	4/26/2020	Waiting for estimate
Holy Family Catholic Church Gala	Rosen Shingle Creek	3/28/2020	200

## AREA PARTNERS EMERGENCY OPERATIONS CENTERS

Local Partners with EOC activations:

- Orange County Public Schools – Level II Partial Activation effective March 16, 2020
- Orlando Utilities Commission – Level II Partial Activation (virtual) effective March 16, 2020
- City of Orlando – Level II Partial Activation effective March 18, 2020
- University of Central Florida – Level II Partial Activation effective March 10, 2020

# JERRY L. DEMINGS

Orange County Mayor

Dear Employees,

Due to the fluid and continuously changing nature of the response to COVID-19, the past few weeks have been challenging for everyone, especially for you, our employees. You have done an incredible job providing the best service possible to our residents and guests, while also adjusting to a changing work environment and using alternative methods to conduct business. We greatly appreciate your dedication to our organization and community.

We have already implemented a number of protective measures to reduce the spread of germs and risk to our employees, including:

- requiring employees to self-quarantine (immediately sent home or not allowed to return to work) for 14 days with pay if they fall into certain risk categories, as determined by the CDC.
- provided added protection in the workplace by giving employees exhibiting any suspected symptoms, as determined by their supervisor, two days with pay to seek medical attention;
- closed or greatly reduced public access to many customer service areas, such as the walk-in lobby for Utilities Customer Service, and handling business online or by phone;
- strongly encouraged online permitting;
- limited face-to-face meetings with the public and increased use of teleconferencing;
- postponed large meetings and training sessions;
- instituted a visitor screening process for some areas with heavy customer traffic, and developed alternatives to direct contact with any customer who may have been in a possible risk category;
- added hand sanitizers, dispensaries and educational signage to County facilities;
- enhanced cleaning and sanitizing efforts in County facilities;
- suspended all County sponsored travel; and
- created an employee resource and information COVID-19 OrangeNet page.

While we focus on the well-being of everyone, please know the health and wellness of our employees is a top priority. Our residents and businesses rely on Orange County to provide services. As a result, where possible, employees who can work from home as determined by their manager, will deliver services remotely beginning **Monday, March 23, 2020**. This telecommuting option will reduce the number of employees in the office or work areas, yet enable us to continue to provide services to our residents.

We believe changes in County services are measured steps that will help prevent the spread of this virus in our community. Department directors have reviewed their operations and determined how to utilize alternative methods to facilitate social distancing. We understand striking a balance is crucial throughout this process, and many critical County functions will continue at their normal work locations. Every department and function is unique, and changes to operations will be evaluated on a case-by-case basis within departments.

Your department's leadership team will work with you and assess your ability to work from home to ensure business continues as seamlessly as possible. Onsite staff schedules will be staggered whenever possible.

Additionally, residents have been directed to request and utilize County services online and/or by phone. As we identify more services that can be provided online or via phone, we will evaluate closing additional customer contact areas to the public.

Again, thank you so much for all you do for Orange County Government and for your commitment to public service. Visit [www.ocfl.net/ Coronavirus](http://www.ocfl.net/Coronavirus) for the latest Orange County Government updates.

Sincerely,

*Jerry L. Demings*

Florida Department of Health Call Center 1-866-779-6121 or [COVID-19@flhealth.com](mailto:COVID-19@flhealth.com)

Governor Ron DeSantis established a Joint Information Center on COVID-19 for the State of Florida 1-850-815-4940, [ESF14@em.myflorida.com](mailto:ESF14@em.myflorida.com)

Everyone plays a part in lowering the impact within our communities and workplaces – taking every day preventative actions help to impede the spread of respiratory diseases such as COVID-19.

Advent Health established a COVID-19 hotline. Nurses from the Hospital Group staff the hotline 24 hours a day and seven days a week. Those with questions or concerns should call **1-877-847-8747**.

Florida Attorney General, Ashley Moody activated Florida's Price Gouging Hotline. Consumers can report price gouging by phone at **1-866-966-7226** or online at [myfloridalegal.com](http://myfloridalegal.com).

The Centers for Disease Control (CDC) recommends that for the next eight weeks, organizers cancel or postpone in-person events. Please see the CDC link listed in the key websites area.

All County-sponsored business travel to identified high-risk areas, as determined by the County Administrator, is suspended until further notice.

In accordance with CDC, the Horizon West Town Hall meeting scheduled for April 9, 2020, has been postponed for a date to be determined.

## **ESF1 – TRANSPORTATION**

The Greater Orlando Aviation Authority reports Virgin Atlantic obtained approval to operate two more outbound relief flights to assist in getting passengers out of the area. One flight departed at 20:05 p.m. for London on Friday, another is scheduled for today, Saturday, March 21, 2020. Travelers with scheduled flights are encouraged to check airline schedules frequently for updates.

Concessions and businesses within the airport will implement augmented schedules as determined by corporate partners. All rental car companies have consolidated in one location within Terminal A to serve customers returning or renting vehicles.

LYNX continues to follow increased housekeeping measures and provide information to employees and customers via an informational web page: [What We are Doing to Protect You from the Coronavirus](#).

## **ESF 4 & 9 – FIREFIGHTING & URBAN SEARCH & RESCUE**

Orange County Fire Rescue Department (OCFRD) is currently under normal operations and staffing. While continuing to monitor field operations for the COVID-19 situation, preventative measures have been taken to reduce exposures to the general public. All non-essential training, meetings, public relations events, and station tours have been canceled to help limit gatherings to less than 10 people.

With proactive actions being taken, all field units have been asked to keep contact with others to a minimum and to secure station personal protective equipment (PPE). Operations has reduced the response of units to incidents to limit the amount of personnel being exposed and to minimize the use of PPE. Personnel will begin conducting screenings to ensure that personnel exhibiting fever or flu-like symptoms are released from work locations. The Operations Division is staffing the Department Operations Center (DOC) from 0730-1930 daily to assist with the coordination of COVID preparations and responses.

## **ESF5 – INFORMATION & PLANNING**

The State Division of Emergency Management activated the State Emergency Operations Center to a Level I – Full Activation on March 14, 2020.

Activity levels in the Emergency Operations Center have increased with appropriate staffing to accommodate the necessary tasks. The hours of operations changed as of March 20, 2020, to twelve-hour shifts. Fire Rescue activated the Department's Operation Center as of 07:30 on March 20, 2020.

Orange County Government has agreed to host one of the three Regional Testing Sites in the State of Florida on the Orange County Convention Center Property. This site is tentatively scheduled to open on Wednesday, March 25, 2020. The presence of this site in cooperation with the State Division of Emergency Management and funded by the Federal Government, shall provide additional access for our Health Care Workers and community to obtain needed testing for COVID-19.

Orange County Emergency Operations Center remains activated to a Level II – Partial Activation and continuously monitors for any additional staff that may be needed. Continuously monitoring all activities in the County and participating in all related conference calls. In addition, monitoring all information on the Centers for Disease Control (CDC) and the Johns Hopkins Websites.

Local State of Emergencies have been declared in 64 of the 67 counties located in the State of Florida. Forty-seven counties in the State of Florida have activated to EOC-Level II-Partial Activations and one (Alachua County) has activated to EOC-Level I-Full Activation.

Orange County 3-1-1 received 71 calls on Friday, March 20, 2020.

Orange County OEM is processing resource requests from partners in the County and providing support to our surrounding agencies. Additional coordination is in process with all area hospitals through ESF8.

## ESF7 – RESOURCE SUPPORT

Resource Support is actively monitoring the E-Team system for any resource requests with no outstanding requests at this time. An order was placed on Friday evening for 100,000 N95 masks. Resource Support will inquire daily to determine estimated time of arrival.

## ESF8 – HEALTH/MEDICAL ACTION ITEMS

Health Services continues to work with Orlando Health and Advent Health to develop a reliable and timely hospital reporting process. With COVID19 rapidly developing, each hospital system is struggling to provide timely information due to overwhelming requests internally and externally. Health Services and partners are committed to more timely and accurate reporting on weekdays, and will work on arrangements for weekend reporting.

Requests for supplies continue to come in and are tracked against duplicate orders. Large orders have been placed via WEB-EOC, but no timelines are known as to when, or if, the supplies will be shipped. Progress is being made on ordering some PPE items, but most continue to be unavailable.

### PPE Orders to Date

Item Requested	Number of Agencies	Total Quantity	Distributed
N95	43	62,220	15,000
Misc Med Supplies	6	-	0
Hand Sanitizer	30	7,497	0
Level C Hazmat Suits	1	1,600	0
Cleaning Supplies	1	1	0
Wipes	4	300	0
Gloves	17	2,288	0
Face Shields	9	11,913	200
Gowns	26	35,709	200
Ear Loop Mask	57	340,158	0
Goggles	8	10,715	25

*\*\*Updated March 21, 2020 as of 1030 EST*

Area hospitals report no updated needs from Friday, March 20, 2020.

## Hospital Needs to Date

HOSPITAL	ORLANDO HEALTH	ADVENT HEALTH	HCA	NEMOURS	VA	AIRPORT	DOH ORANGE
# TESTED		674	3				
PUI		52	0				
CONFIRMED		2					19
TEST KIT NEED	Y - Ordered	Y - Ordered					Y
REAGENTS NEED	Y - Ordered	Y Ordered					Y

*\*\*Updated March 21, 2020 as of 1030 EST*

### ESF13 – MILITARY SUPPORT

ESF13 reports the National Guard Task Force 265 has 187 personnel working to refine the drive through collection facility process. The facility currently possesses 2400 collection kits.

### ESF15 – EOC SUPPORT

ESF15 continues to respond to multiple community volunteer and service donation offers including Orange County Fairgrounds, Medical Services and RNs, Team Rubicon, and a travel agency offering office space. All offers have been acknowledged while communication remains open should the need for space or services arise. Will continue to work with ESF8 for all medical-related offers.

### ESF16 – LAW ENFORCEMENT

Of the fifteen law enforcement agencies within Orange County, Orange County Sheriff's Office is acting as point of Contact (POC) for submitting law enforcement requests. Orange County Sheriff's Office has assumed the responsibility to provide security and handle traffic flow at the Convention Center Testing Site. Additional resources will be requested if needed to help manage the process.

Orange County Sheriff's Office has changed its response guidelines concerning medical calls; deputies advised to allow the fire department to assess the situation and determine the need for a law enforcement response. Orange County Sheriff's office is monitoring the dynamic COVID-19 situation and will adjust staffing and scheduling as the situation requires.

### ESF18 – BUSINESS & INDUSTRY

The Orlando Economic Partnership has created a page for businesses to access United States Small Business Administration (SBA) information. Please follow this link [Orlando Economic Partnership](#) for more information.

The Business Damage Assessment survey has been activated to access the impact of COVID-19 on Florida's local business operations. Please follow this link [Business Damage Assessment Survey](#) to complete the survey.

### PARTNERS – TOURISM SECTOR

Visit Orlando has established an assistance line to support visitors in need. Visitors can call 407-363-5872, select live chat through [www.VisitOrlando.com](http://www.VisitOrlando.com), or stop by Visit Orlando's Visitor Center at 8102 International Drive for assistance.

Florida Department of Children and Families has temporarily closed all storefronts and lobbies. The department will utilize technology to ensure continuity of service for clients.

Rollins College reports they are housing thirty hardship students. These students are primarily international students unable to return home due to travel restrictions.

The town of Oakland has announced limited hours of operations and services effective Friday, March 20, 2020. Details and further information can be obtained at [Oakland COVID-19 operational changes](#).

Orlando Utilities Commission (OUC) has closed walk-in centers, customers may conduct business over the phone or via self-service channels.

Orange County Public Schools will be closed through at least April, 15, 2020. OCPS Food and Nutrition Services is working on the 50 student food distribution sites. OCPS will begin distance learning on Monday, March 30, 2020.

Orange County Convention Center has launched a webpage with information at: <https://www.occc.net/coronavirus>.

The Orange County Fire Marshal's Office requires a permit for all events that have 50 or more attendees. Through the permitting process, the Fire Marshal's Office has received one additional cancelation since March 20, 2020, for shows outside of the Orange County Convention Center:

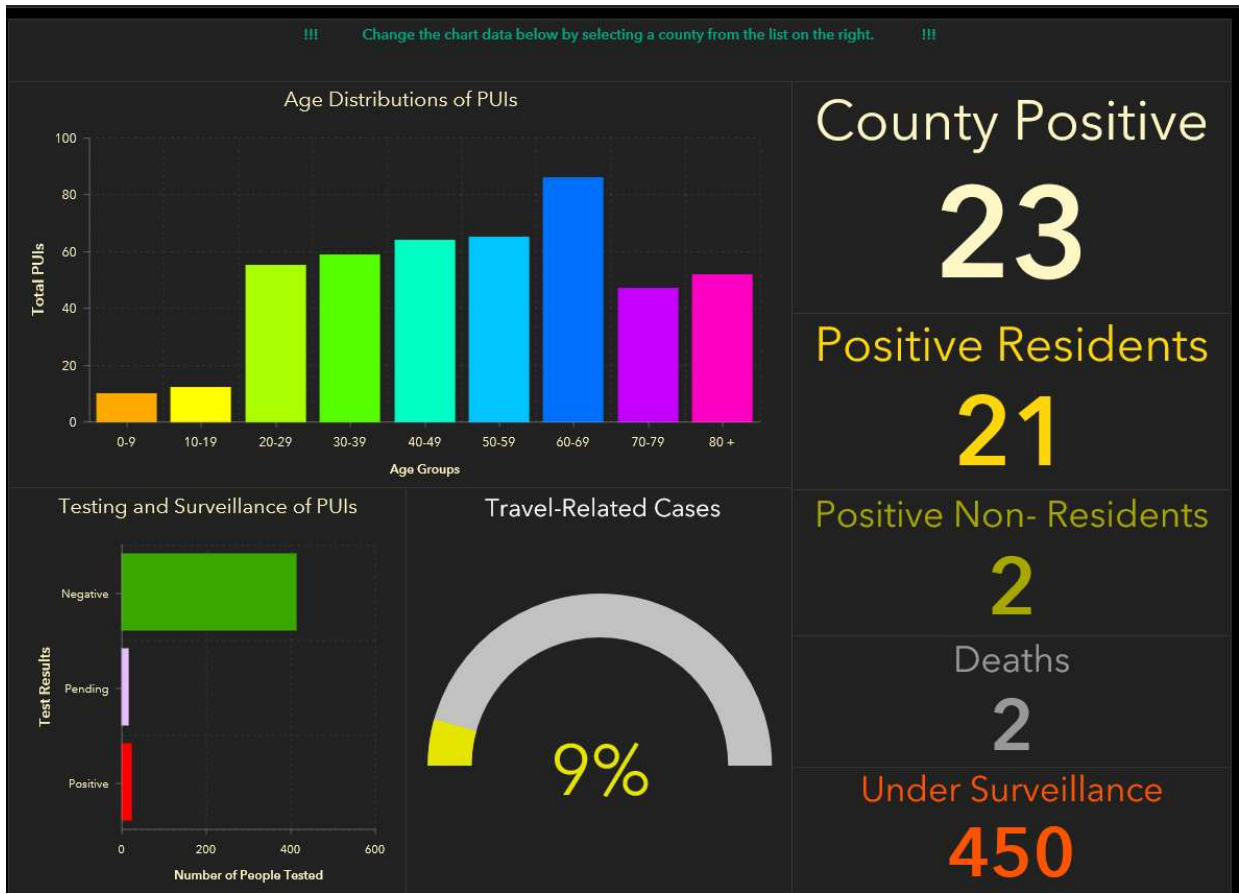

Event name	Venue	Status	Anticipated attendees
Duck Creek Tech. Formation 20	Rosen Shingle Creek	postponed	720

### AREA PARTNERS EMERGENCY OPERATIONS CENTERS

Local Partners with EOC activations:

- Orange County Public Schools – Level II Partial Activation effective March 16, 2020
- Orlando Utilities Commission – Level II Partial Activation (virtual) effective March 16, 2020
- City of Orlando – Level II Partial Activation effective March 18, 2020
- University of Central Florida – Level II Partial Activation effective March 10, 2020

Florida Department of Health Call Center 1-866-779-6121 or [COVID-19@flhealth.com](mailto:COVID-19@flhealth.com)

Governor Ron DeSantis established a Joint Information Center on COVID-19 for the State of Florida 1-850-815-4940, [ESF14@em.myflorida.com](mailto:ESF14@em.myflorida.com)

Everyone plays a part in lowering the impact within our communities and workplaces – taking every day preventative actions help to impede the spread of respiratory diseases such as COVID-19.

Advent Health established a COVID-19 hotline. Nurses from the Hospital Group staff the hotline 24 hours a day and seven days a week. Those with questions or concerns should call **1-877-847-8747**.

Advent Health offers virtual visits, simply follow the link to download the app at [Advent Health Virtual Visit](#).

Orlando Health offers a virtual visit option is at [Orlando Health Virtual Visit](#).

Florida Attorney General, Ashley Moody activated Florida's Price Gouging Hotline. Consumers can report price gouging by phone at **1-866-966-7226** or online at [myfloridalegal.com](http://myfloridalegal.com).

The Centers for Disease Control (CDC) recommends that organizers cancel or postpone in-person events. Please see the CDC link listed in the key websites area.

All County-sponsored business travel to identified high-risk areas, as determined by the County Administrator, is suspended until further notice.

In accordance with CDC, the Horizon West Town Hall meeting scheduled for April 9, 2020, has been postponed for a date to be determined.

All Orange County Boat Ramps will be closed at 20:00 hours tonight and will remain closed until further notice.

The Orange County Crisis Hotline can be reached at 407-836-6500 from 08:30 to 15:00 hours.

## ESF1 – TRANSPORTATION

The Greater Orlando Aviation Authority reports that 1,068 flights were scheduled today, 263 flights were cancelled (117 arrivals and 119 departures), along with nineteen international flights occurring. Virgin Airlines has one rescue flight scheduled tonight, with additional rescue flights scheduled on Tuesday, March 24, 2020 through Friday, March 27, 2020. Travelers with scheduled flights are encouraged to check airline schedules frequently for updates.

Concessions and businesses within the airport will implement augmented schedules as determined by corporate partners. All rental car companies have consolidated in one location within Terminal A to serve customers returning or renting vehicles.

LYNX reports LYMMO hours will be adjusted on links 60, 61, 62, and 63 to comply with the current curfew order. Other LYNX services will operate as scheduled. LYNX central station's terminal lobby will be closed from 23:00 through 05:00 hours in accordance with Orange County's mandatory curfew. LYNX continues to follow increased housekeeping measures and provide information to employees and customers via an informational web page: [What We are Doing to Protect You from the Coronavirus](#).

## ESF 4 & 9 – FIREFIGHTING & URBAN SEARCH & RESCUE

Orange County Fire Rescue Department (OCFRD) is currently under normal operations and staffing. While continuing to monitor field operations for the COVID-19 situation, preventative measures have been taken to reduce exposures to the general public. All non-essential training, meetings, public relations events, and station tours have been canceled to help limit gatherings to less than 10 people.

With proactive actions being taken, all field units have been asked to keep contact with others to a minimum and to secure station personal protective equipment (PPE). Operations has reduced the response of units to incidents to limit the amount of personnel being exposed and to minimize the use of PPE. Personnel are conducting screenings to ensure that personnel exhibiting fever or flu-like symptoms are released from work locations. The Operations Division is staffing the Department Operations Center (DOC) from 0730-2200 daily to assist with the coordination of COVID preparations and responses.

## ESF5 – INFORMATION & PLANNING

The State Division of Emergency Management activated the State Emergency Operations Center to a Level I – Full Activation on March 14, 2020.

Activity levels in the Emergency Operations Center continue to increase. The hours of operations expanded as of March 20, 2020, to 07:30 to 19:30 hours. Fire Rescue activated the Department's Operation Center on March 20, 2020.

Orange County Government has agreed to host one of the four Regional Testing Sites in the State of Florida on the Orange County Convention Center Property. This site is tentatively scheduled to open on Wednesday, March 25, 2020. The presence of this site in cooperation with the State Division of Emergency Management and funded by the Federal Government, is intended to provide testing to healthcare workers, first responders, and those 65 years of age and older exhibiting COVID-19 symptoms.

Orange County Emergency Operations Center remains activated to a Level II – Partial Activation and continuously monitors for any additional staff that may be needed. Continuously monitoring all activities in the County and participating in all related conference calls. In addition, monitoring all information on the Centers for Disease Control (CDC) and the Johns Hopkins Websites.

Local State of Emergencies have been declared in 64 of the 67 counties located in the State of Florida. Forty-seven counties in the State of Florida have activated to EOC-Level II-Partial Activations and one (Alachua County) has activated to EOC-Level I-Full Activation.

Orange County 3-1-1 received twenty-three calls on Saturday, March 21, 2020.

Orange County OEM is processing resource requests from partners in the County and providing support to our surrounding agencies. Additional coordination is in process with all area hospitals through ESF8.

#### **ESF7 – RESOURCE SUPPORT**

Resource Support is actively monitoring the E-Team system for any resource requests with no outstanding requests at this time. Resource Support is inquiring daily to determine estimated time of arrival for orders placed for N95 masks, hand sanitizer, and disinfecting wipes.

#### **ESF8 – HEALTH/MEDICAL ACTION ITEMS**

Orange County Health Services (HS) is expecting to receive items such as N 95 Masks, Hand sanitizers, face shields, gloves, gowns, and ear loop masks. HS logistical teams retrieved the supplies from the State Logistical Response Center (SLRC) today and started the distribution to all sites that had placed supply orders. Progress has been made and supplies are starting to arrive. Continuing to pursue all options made available and will continue to distribute supplies as the supplies are received.

Advent Health Senior Leaders have opened a Corporate Command Center. This high-level command center oversees all Advent Health operations from Polk County to Flagler County with the tactical operations continuing to be handled by the Emergency Management Team. Advent Health is actively reporting updates to Orange County Department of Health and resource requests are forwarded to ESF 8 as supplies are needed.

Orlando Health reports an Orlando Health COVID-19 Hotline at 1-877-321-2684. Orlando Health is actively reporting continuous updates to Orange County DOH. Current resource requests are being placed for Level 1 Masks, Level 3 Surgical Masks, Level 3 Surgical Masks with Face Shields, Child Face Masks, Ventilators and North half-face Respirators these requests are for all hospitals and freestanding Emergency Departments.

#### **ESF13 – MILITARY SUPPORT**

ESF13 reports the National Guard Task Force 265 has 187 personnel. The task force continues to refine the drive through collection facility process on site at the Orange County Convention Center.

#### **ESF14 – PUBLIC INFORMATION**

The Executive Policy Group Meeting was held today at Fire Rescue Headquarters at 15:00 hours.

Orange County Mayor Demings held a Press Conference at 17:30 hours at the Orange County Emergency Operations Center.

The Public Information Office (PIO) is working in conjunction with the State Emergency Management PIO to develop informational content with testing site information for [www.ocfl.net/coronavirus](http://www.ocfl.net/coronavirus). The Public Information Office continues to monitor social media outlets, coverage, and coordinating messaging with the social media team. As of last evening Public Information received six media requests.

### ESF15 – EOC SUPPORT

ESF15 is working with Katherine Purnell from Orlando's Long Term Recovery Group, Second Harvest Food Bank, and the Salvation Army. Updates being obtained from Hands on Orlando and Dianne Arnold – Family Services OC – to promote their programs and needs through OC channels and social media.

### ESF16 – LAW ENFORCEMENT

Of the fifteen law enforcement agencies within Orange County, Orange County Sheriff's Office is acting as point of Contact (POC) for submitting law enforcement requests. Orange County Sheriff's Office has assumed the responsibility to provide security and handle traffic flow at the Convention Center Testing Site. Additional resources will be requested if needed to help manage the process.

Orange County Sheriff's Office has changed its response guidelines concerning medical calls; deputies advised to allow the fire department to assess the situation and determine the need for a law enforcement response. Orange County Sheriff's office is monitoring the dynamic COVID-19 situation and will adjust staffing and scheduling as the situation requires.

Beginning Monday, March 23, 2020 the Orange County Sheriff's Office will be staffing thirty-two of the fifty-one school locations Orange County Public Schools will have open for food distribution sites.

### ESF18 – BUSINESS & INDUSTRY

The Orlando Economic Partnership has created a page for businesses to access United States Small Business Administration (SBA) information. Please follow this link [Orlando Economic Partnership](#) for more information.

The Business Damage Assessment survey has been activated to access the impact of COVID-19 on Florida's local business operations. Please follow this link [Business Damage Assessment Survey](#) to complete the survey.

### PARTNERS – TOURISM SECTOR

Visit Orlando has established an assistance line to support visitors in need. Visitors can call 407-363-5872 or live chat with representatives through [www.VisitOrlando.com](http://www.VisitOrlando.com). For traveler FAQs, resources for visitors and other information related to COVID-19, please see Visit Orlando's [travel safety](#) page.

Florida Department of Children and Families has temporarily closed all storefronts and lobbies. The department will utilize technology to ensure continuity of service for clients.

Rollins College reports they are housing thirty hardship students. These students are primarily international students unable to return home due to travel restrictions.

The town of Oakland has announced limited hours of operations and services effective Friday, March 20, 2020. Details and further information can be obtained at [Oakland COVID-19 operational changes](#).

Orange County Utilities has suspended disconnections of service until further notice.

Duke Energy has suspended disconnections of service until further notice.

Orlando Utilities Commission (OUC) has closed walk-in centers; customers may conduct business over the phone or via self-service channels. OUC has waived late fees and suspended disconnections until further notice.

Orange County Public Schools will be closed through at least April 15, 2020. OCPS Food and Nutrition Services is working on the 50-student food distribution sites that will open Monday, March 23, 2020. OCPS will begin distance learning on Monday, March 30, 2020.

Orange County Convention Center has launched a webpage with information at: <https://www.occc.net/coronavirus>.

The Orange County Fire Marshal's Office requires a permit for all events that have 50 or more attendees. Through the permitting process, the Fire Marshal's Office has received no additional cancelations since March 21, 2020, for shows outside of the Orange County Convention Center:

## AREA PARTNERS EMERGENCY OPERATIONS CENTERS

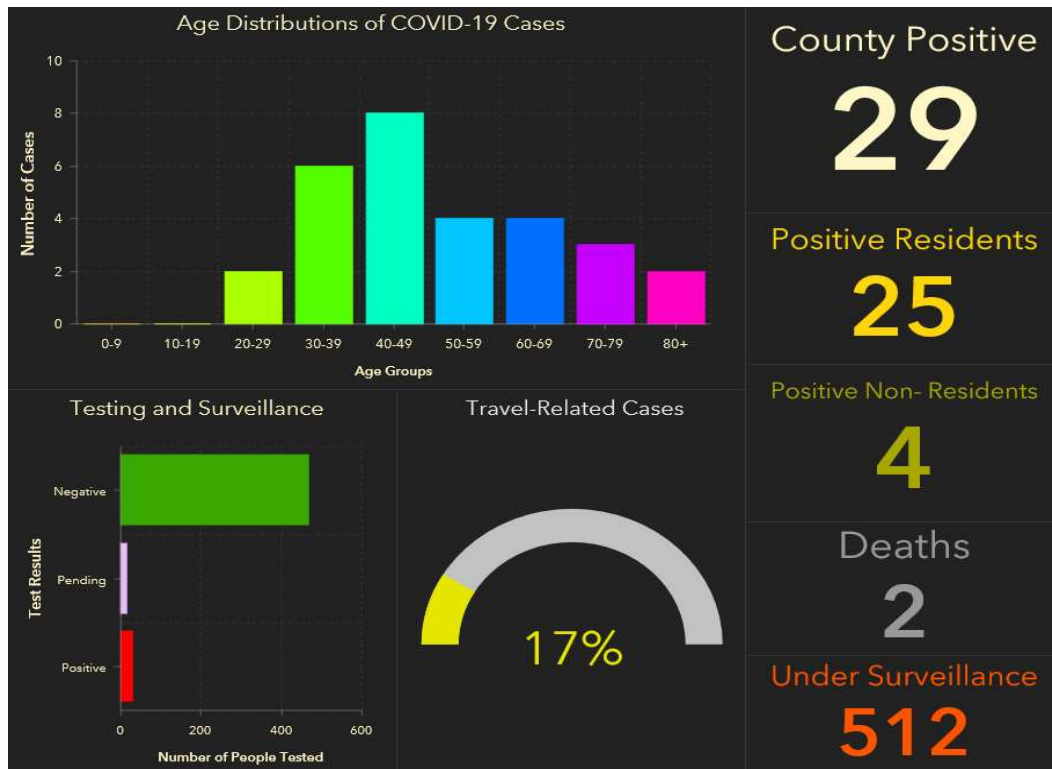

Local Partners with EOC activations:

- Orange County Public Schools – Level II Partial Activation effective March 16, 2020
- Orlando Utilities Commission – Level II Partial Activation (Virtual) effective March 16, 2020
- City of Orlando – Level II Partial Activation (Virtual) effective March 18, 2020
- University of Central Florida – Level II Partial Activation effective March 10, 2020

## SOCIAL MEDIA PLATFORMS

Orange County Office of Emergency Management provides this information for internal planning and distribution; it is not intended for release to the public or posting on social media. Stay connected with #myOCFL and @OCFireRescue. Visit [www.ocfl.net/Coronavirus](http://www.ocfl.net/Coronavirus) for updates and information.

Florida Department of Health Call Center 1-866-779-6121 or [COVID-19@flhealth.com](mailto:COVID-19@flhealth.com)

Governor Ron DeSantis established a Joint Information Center on COVID-19 for the State of Florida 1-850-815-4940, [ESF14@em.myflorida.com](mailto:ESF14@em.myflorida.com)

Everyone plays a part in lowering the impact within our communities and workplaces – taking every day preventative actions help to impede the spread of respiratory diseases such as COVID-19.

Advent Health established a COVID-19 hotline. Nurses from the Hospital Group staff the hotline 24 hours a day and seven days a week. Those with questions or concerns should call **1-877-847-8747**.

Florida Attorney General, Ashley Moody activated Florida's Price Gouging Hotline. Consumers can report price gouging by phone at **1-866-966-7226** or online at [myfloridalegal.com](http://myfloridalegal.com).

The Centers for Disease Control (CDC) recommends that for the next eight weeks, organizers cancel or postpone in-person events. Please see the CDC link listed in the key websites area.

All County-sponsored business travel to identified high-risk areas, as determined by the County Administrator, is suspended until further notice.

In accordance with CDC, the Horizon West Town Hall meeting scheduled for April 9, 2020, has been postponed for a date to be determined.

## **ESF1 – TRANSPORTATION**

The Greater Orlando Aviation Authority reports Virgin Atlantic obtained approval to operate two more outbound relief flights to assist in getting passengers out of the area. One flight departed at 20:05 p.m. for London on Friday, another is scheduled for today, Saturday, March 21, 2020. Travelers with scheduled flights are encouraged to check airline schedules frequently for updates.

Concessions and businesses within the airport will implement augmented schedules as determined by corporate partners. All rental car companies have consolidated in one location within Terminal A to serve customers returning or renting vehicles.

LYNX continues to follow increased housekeeping measures and provide information to employees and customers via an informational web page: [What We are Doing to Protect You from the Coronavirus](#).

## **ESF 4 & 9 – FIREFIGHTING & URBAN SEARCH & RESCUE**

Orange County Fire Rescue Department (OCFRD) is currently under normal operations and staffing. While continuing to monitor field operations for the COVID-19 situation, preventative measures have been taken to reduce exposures to the general public. All non-essential training, meetings, public relations events, and station tours have been canceled to help limit gatherings to less than 10 people.

With proactive actions being taken, all field units have been asked to keep contact with others to a minimum and to secure station personal protective equipment (PPE). Operations has reduced the response of units to incidents to limit the amount of personnel being exposed and to minimize the use of PPE. Personnel will begin conducting screenings to ensure that personnel exhibiting fever or flu-like symptoms are released from work locations. The Operations Division is staffing the Department Operations Center (DOC) from 0730-1930 daily to assist with the coordination of COVID preparations and responses.

## **ESF5 – INFORMATION & PLANNING**

The State Division of Emergency Management activated the State Emergency Operations Center to a Level I – Full Activation on March 14, 2020.

Activity levels in the Emergency Operations Center have increased with appropriate staffing to accommodate the necessary tasks. The hours of operations changed as of March 20, 2020, to twelve-hour shifts. Fire Rescue activated the Department's Operation Center as of 07:30 on March 20, 2020.

Orange County Government has agreed to host one of the three Regional Testing Sites in the State of Florida on the Orange County Convention Center Property. This site is tentatively scheduled to open on Wednesday, March 25, 2020. The presence of this site in cooperation with the State Division of Emergency Management and funded by the Federal Government, shall provide additional access for our Health Care Workers and community to obtain needed testing for COVID-19.

Orange County Emergency Operations Center remains activated to a Level II – Partial Activation and continuously monitors for any additional staff that may be needed. Continuously monitoring all activities in the County and participating in all related conference calls. In addition, monitoring all information on the Centers for Disease Control (CDC) and the Johns Hopkins Websites.

Local State of Emergencies have been declared in 64 of the 67 counties located in the State of Florida. Forty-seven counties in the State of Florida have activated to EOC-Level II-Partial Activations and one (Alachua County) has activated to EOC-Level I-Full Activation.

Orange County 3-1-1 received 71 calls on Friday, March 20, 2020.

Orange County OEM is processing resource requests from partners in the County and providing support to our surrounding agencies. Additional coordination is in process with all area hospitals through ESF8.

### ESF7 – RESOURCE SUPPORT

Resource Support is actively monitoring the E-Team system for any resource requests with no outstanding requests at this time. An order was placed on Friday evening for 100,000 N95 masks. Resource Support will inquire daily to determine estimated time of arrival.

### ESF8 – HEALTH/MEDICAL ACTION ITEMS

Health Services continues to work with Orlando Health and Advent Health to develop a reliable and timely hospital reporting process. With COVID19 rapidly developing, each hospital system is struggling to provide timely information due to overwhelming requests internally and externally. Health Services and partners are committed to more timely and accurate reporting on weekdays, and will work on arrangements for weekend reporting.

Requests for supplies continue to come in and are tracked against duplicate orders. Large orders have been placed via WEB-EOC, but no timelines are known as to when, or if, the supplies will be shipped. Progress is being made on ordering some PPE items, but most continue to be unavailable.

#### PPE Orders to Date

Item Requested	Number of Agencies	Total Quantity	Distributed
N95	43	62,220	15,000
Misc Med Supplies	6	-	0
Hand Sanitizer	30	7,497	0
Level C Hazmat Suits	1	1,600	0
Cleaning Supplies	1	1	0
Wipes	4	300	0
Gloves	17	2,288	0
Face Shields	9	11,913	200
Gowns	26	35,709	200
Ear Loop Mask	57	340,158	0
Goggles	8	10,715	25

*\*\*Updated March 21, 2020 as of 1030 EST*

Area hospitals report no updated needs from Friday, March 20, 2020.

## Hospital Needs to Date

HOSPITAL	ORLANDO HEALTH	ADVENT HEALTH	HCA	NEMOURS	VA	AIRPORT	DOH ORANGE
# TESTED		674	3				
PUI		52	0				
CONFIRMED		2					19
TEST KIT NEED	Y - Ordered	Y - Ordered					Y
REAGENTS NEED	Y - Ordered	Y Ordered					Y
OTHER NEEDS	N-95 Masks	None at this time		PPE			

*\*\*Updated March 21, 2020 as of 1030 EST*

### ESF13 – MILITARY SUPPORT

ESF13 reports the National Guard Task Force 265 has 187 personnel working to refine the drive through collection facility process. The facility currently possesses 2400 collection kits.

### ESF15 – EOC SUPPORT

ESF15 continues to respond to multiple community volunteer and service donation offers including Orange County Fairgrounds, Medical Services and RNs, Team Rubicon, and a travel agency offering office space. All offers have been acknowledged while communication remains open should the need for space or services arise. Will continue to work with ESF8 for all medical-related offers.

### ESF16 – LAW ENFORCEMENT

Of the fifteen law enforcement agencies within Orange County, Orange County Sheriff's Office is acting as point of Contact (POC) for submitting law enforcement requests. Orange County Sheriff's Office has assumed the responsibility to provide security and handle traffic flow at the Convention Center Testing Site. Additional resources will be requested if needed to help manage the process.

Orange County Sheriff's Office has changed its response guidelines concerning medical calls; deputies advised to allow the fire department to assess the situation and determine the need for a law enforcement response. Orange County Sheriff's office is monitoring the dynamic COVID-19 situation and will adjust staffing and scheduling as the situation requires.

### ESF18 – BUSINESS & INDUSTRY

The Orlando Economic Partnership has created a page for businesses to access United States Small Business Administration (SBA) information. Please follow this link [Orlando Economic Partnership](#) for more information.

The Business Damage Assessment survey has been activated to access the impact of COVID-19 on Florida's local business operations. Please follow this link [Business Damage Assessment Survey](#) to complete the survey.

### PARTNERS – TOURISM SECTOR

Visit Orlando has established an assistance line to support visitors in need. Visitors can call 407-363-5872, select live chat through [www.VisitOrlando.com](http://www.VisitOrlando.com), or stop by Visit Orlando's Visitor Center at 8102 International Drive for assistance.

Florida Department of Children and Families has temporarily closed all storefronts and lobbies. The department will utilize technology to ensure continuity of service for clients.

Rollins College reports they are housing thirty hardship students. These students are primarily international students unable to return home due to travel restrictions.

The town of Oakland has announced limited hours of operations and services effective Friday, March 20, 2020. Details and further information can be obtained at [Oakland COVID-19 operational changes](#).

Orlando Utilities Commission (OUC) has closed walk-in centers, customers may conduct business over the phone or via self-service channels.

Orange County Public Schools will be closed through at least April, 15, 2020. OCPS Food and Nutrition Services is working on the 50 student food distribution sites. OCPS will begin distance learning on Monday, March 30, 2020.

Orange County Convention Center has launched a webpage with information at: <https://www.occc.net/coronavirus>.

The Orange County Fire Marshal's Office requires a permit for all events that have 50 or more attendees. Through the permitting process, the Fire Marshal's Office has received one additional cancellation since March 20, 2020, for shows outside of the Orange County Convention Center:

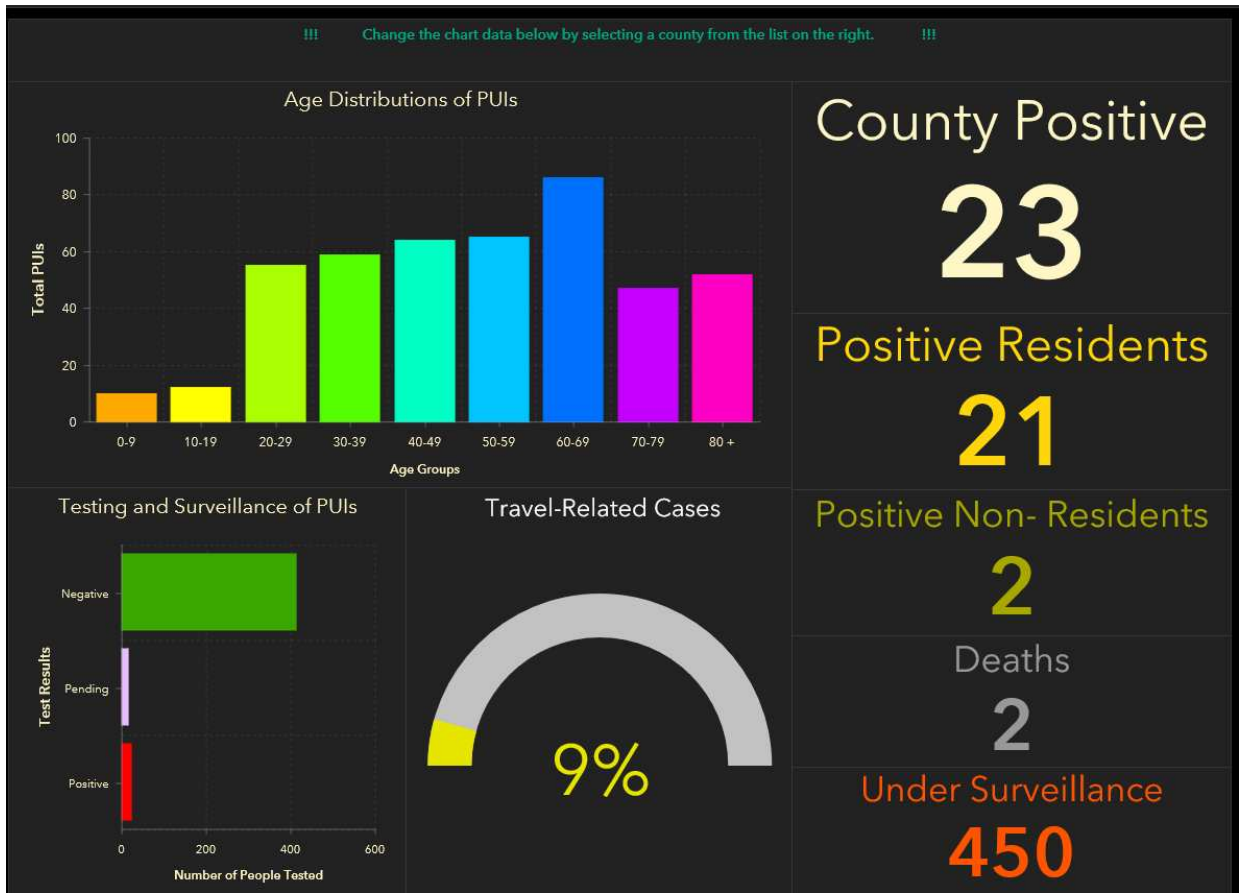

Event name	Venue	Status	Anticipated attendees
Duck Creek Tech. Formation 20	Rosen Shingle Creek	postponed	720

### AREA PARTNERS EMERGENCY OPERATIONS CENTERS

Local Partners with EOC activations:

- Orange County Public Schools – Level II Partial Activation effective March 16, 2020
- Orlando Utilities Commission – Level II Partial Activation (virtual) effective March 16, 2020
- City of Orlando – Level II Partial Activation effective March 18, 2020
- University of Central Florida – Level II Partial Activation effective March 10, 2020

The Centers for Disease Control (CDC) recommends that organizers cancel or postpone in-person events. Please see the CDC link listed in the key websites area.

All County-sponsored business travel to identified high-risk areas, as determined by the County Administrator, is suspended until further notice.

In accordance with CDC, the Horizon West Town Hall meeting scheduled for April 9, 2020, has been postponed for a date to be determined.

All Orange County Boat Ramps will be closed at 20:00 hours tonight and will remain closed until further notice.

The Orange County Crisis Hotline can be reached at 407-836-6500 from 08:30 to 15:00 hours.

## ESF1 – TRANSPORTATION

The Greater Orlando Aviation Authority reports that 1,068 flights were scheduled today, 263 flights were cancelled (117 arrivals and 119 departures), along with nineteen international flights occurring. Virgin Airlines has one rescue flight scheduled tonight, with additional rescue flights scheduled on Tuesday, March 24, 2020 through Friday, March 27, 2020. Travelers with scheduled flights are encouraged to check airline schedules frequently for updates.

Concessions and businesses within the airport will implement augmented schedules as determined by corporate partners. All rental car companies have consolidated in one location within Terminal A to serve customers returning or renting vehicles.

LYNX reports LYMMO hours will be adjusted on links 60, 61, 62, and 63 to comply with the current curfew order. Other LYNX services will operate as scheduled. LYNX central station's terminal lobby will be closed from 23:00 through 05:00 hours in accordance with Orange County's mandatory curfew. LYNX continues to follow increased housekeeping measures and provide information to employees and customers via an informational web page: [What We are Doing to Protect You from the Coronavirus](#).

## ESF 4 & 9 – FIREFIGHTING & URBAN SEARCH & RESCUE

Orange County Fire Rescue Department (OCFRD) is currently under normal operations and staffing. While continuing to monitor field operations for the COVID-19 situation, preventative measures have been taken to reduce exposures to the general public. All non-essential training, meetings, public relations events, and station tours have been canceled to help limit gatherings to less than 10 people.

With proactive actions being taken, all field units have been asked to keep contact with others to a minimum and to secure station personal protective equipment (PPE). Operations has reduced the response of units to incidents to limit the amount of personnel being exposed and to minimize the use of PPE. Personnel are conducting screenings to ensure that personnel exhibiting fever or flu-like symptoms are released from work locations. The Operations Division is staffing the Department Operations Center (DOC) from 0730-2200 daily to assist with the coordination of COVID preparations and responses.

## ESF5 – INFORMATION & PLANNING

The State Division of Emergency Management activated the State Emergency Operations Center to a Level I – Full Activation on March 14, 2020.

Activity levels in the Emergency Operations Center continue to increase. The hours of operations expanded as of March 20, 2020, to 07:30 to 19:30 hours. Fire Rescue activated the Department's Operation Center on March 20, 2020.

Orange County Government has agreed to host one of the four Regional Testing Sites in the State of Florida on the Orange County Convention Center Property. This site is tentatively scheduled to open on Wednesday, March 25, 2020. The presence of this site in cooperation with the State Division of Emergency Management and funded by the Federal Government, is intended to provide testing to healthcare workers, first responders, and those 65 years of age and older exhibiting COVID-19 symptoms.

Orange County Emergency Operations Center remains activated to a Level II – Partial Activation and continuously monitors for any additional staff that may be needed. Continuously monitoring all activities in the County and participating in all related conference calls. In addition, monitoring all information on the Centers for Disease Control (CDC) and the Johns Hopkins Websites.

Local State of Emergencies have been declared in 64 of the 67 counties located in the State of Florida. Forty-seven counties in the State of Florida have activated to EOC-Level II-Partial Activations and one (Alachua County) has activated to EOC-Level I-Full Activation.

Orange County 3-1-1 received twenty-three calls on Saturday, March 21, 2020.

Orange County OEM is processing resource requests from partners in the County and providing support to our surrounding agencies. Additional coordination is in process with all area hospitals through ESF8.

#### **ESF7 – RESOURCE SUPPORT**

Resource Support is actively monitoring the E-Team system for any resource requests with no outstanding requests at this time. Resource Support is inquiring daily to determine estimated time of arrival for orders placed for N95 masks, hand sanitizer, and disinfecting wipes.

#### **ESF8 – HEALTH/MEDICAL ACTION ITEMS**

Orange County Health Services (HS) is expecting to receive items such as N 95 Masks, Hand sanitizers, face shields, gloves, gowns, and ear loop masks. HS logistical teams retrieved the supplies from the State Logistical Response Center (SLRC) today and started the distribution to all sites that had placed supply orders. Progress has been made and supplies are starting to arrive. Continuing to pursue all options made available and will continue to distribute supplies as the supplies are received.

Advent Health Senior Leaders have opened a Corporate Command Center. This high-level command center oversees all Advent Health operations from Polk County to Flagler County with the tactical operations continuing to be handled by the Emergency Management Team. Advent Health is actively reporting updates to Orange County Department of Health and resource requests are forwarded to ESF 8 as supplies are needed.

Orlando Health reports an Orlando Health COVID-19 Hotline at 1-877-321-2684. Orlando Health is actively reporting continuous updates to Orange County DOH. Current resource requests are being placed for Level 1 Masks, Level 3 Surgical Masks, Level 3 Surgical Masks with Face Shields, Child Face Masks, Ventilators and North half-face Respirators these requests are for all hospitals and freestanding Emergency Departments.

#### **ESF13 – MILITARY SUPPORT**

ESF13 reports the National Guard Task Force 265 has 187 personnel. The task force continues to refine the drive through collection facility process on site at the Orange County Convention Center.

#### **ESF14 – PUBLIC INFORMATION**

The Executive Policy Group Meeting was held today at Fire Rescue Headquarters at 15:00 hours.

Orange County Mayor Demings held a Press Conference at 17:30 hours at the Orange County Emergency Operations Center.

The Public Information Office (PIO) is working in conjunction with the State Emergency Management PIO to develop informational content with testing site information for [www.ocfl.net/coronavirus](http://www.ocfl.net/coronavirus). The Public Information Office continues to monitor social media outlets, coverage, and coordinating messaging with the social media team. As of last evening Public Information received six media requests.

### ESF15 – EOC SUPPORT

ESF15 is working with Katherine Purnell from Orlando's Long Term Recovery Group, Second Harvest Food Bank, and the Salvation Army. Updates being obtained from Hands on Orlando and Dianne Arnold – Family Services OC – to promote their programs and needs through OC channels and social media.

### ESF16 – LAW ENFORCEMENT

Of the fifteen law enforcement agencies within Orange County, Orange County Sheriff's Office is acting as point of Contact (POC) for submitting law enforcement requests. Orange County Sheriff's Office has assumed the responsibility to provide security and handle traffic flow at the Convention Center Testing Site. Additional resources will be requested if needed to help manage the process.

Orange County Sheriff's Office has changed its response guidelines concerning medical calls; deputies advised to allow the fire department to assess the situation and determine the need for a law enforcement response. Orange County Sheriff's office is monitoring the dynamic COVID-19 situation and will adjust staffing and scheduling as the situation requires.

Beginning Monday, March 23, 2020 the Orange County Sheriff's Office will be staffing thirty-two of the fifty-one school locations Orange County Public Schools will have open for food distribution sites.

### ESF18 – BUSINESS & INDUSTRY

The Orlando Economic Partnership has created a page for businesses to access United States Small Business Administration (SBA) information. Please follow this link [Orlando Economic Partnership](#) for more information.

The Business Damage Assessment survey has been activated to access the impact of COVID-19 on Florida's local business operations. Please follow this link [Business Damage Assessment Survey](#) to complete the survey.

### PARTNERS – TOURISM SECTOR

Visit Orlando has established an assistance line to support visitors in need. Visitors can call 407-363-5872 or live chat with representatives through [www.VisitOrlando.com](http://www.VisitOrlando.com). For traveler FAQs, resources for visitors and other information related to COVID-19, please see Visit Orlando's [travel safety](#) page.

Florida Department of Children and Families has temporarily closed all storefronts and lobbies. The department will utilize technology to ensure continuity of service for clients.

Rollins College reports they are housing thirty hardship students. These students are primarily international students unable to return home due to travel restrictions.

The town of Oakland has announced limited hours of operations and services effective Friday, March 20, 2020. Details and further information can be obtained at [Oakland COVID-19 operational changes](#).

Orange County Utilities has suspended disconnections of service until further notice.

Duke Energy has suspended disconnections of service until further notice.

Orlando Utilities Commission (OUC) has closed walk-in centers; customers may conduct business over the phone or via self-service channels. OUC has waived late fees and suspended disconnections until further notice.

Orange County Public Schools will be closed through at least April 15, 2020. OCPS Food and Nutrition Services is working on the 50-student food distribution sites that will open Monday, March 23, 2020. OCPS will begin distance learning on Monday, March 30, 2020.

Orange County Convention Center has launched a webpage with information at: <https://www.occc.net/coronavirus>.

The Orange County Fire Marshal's Office requires a permit for all events that have 50 or more attendees. Through the permitting process, the Fire Marshal's Office has received no additional cancelations since March 21, 2020, for shows outside of the Orange County Convention Center:

## AREA PARTNERS EMERGENCY OPERATIONS CENTERS

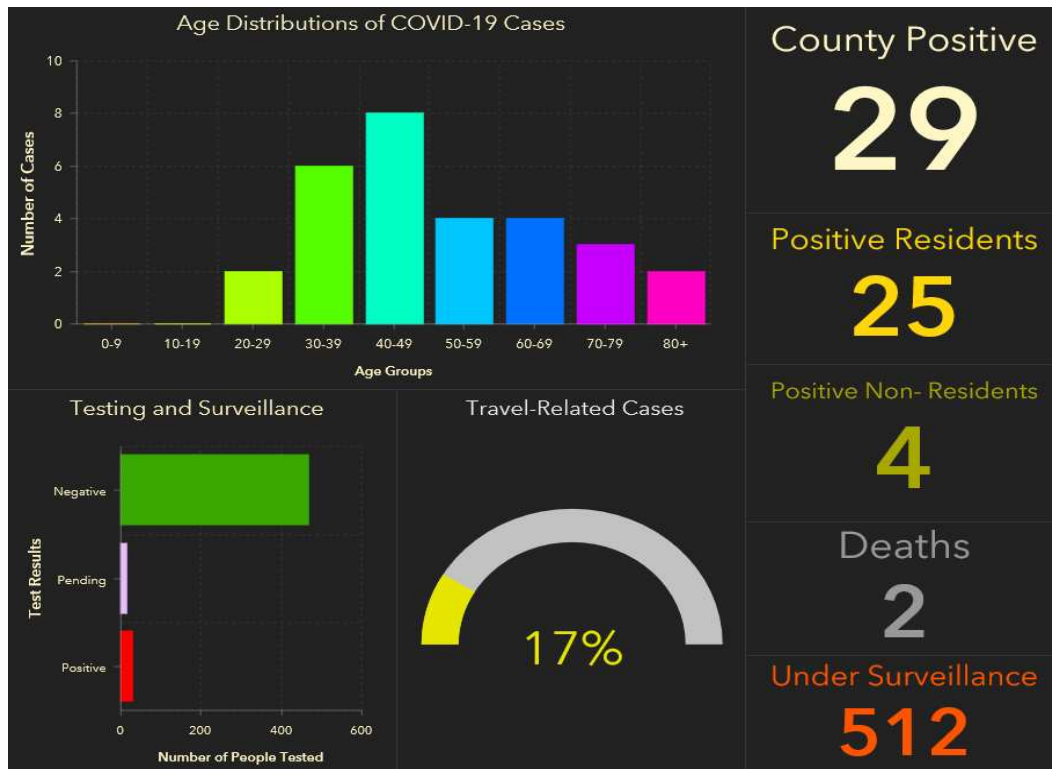

Local Partners with EOC activations:

- Orange County Public Schools – Level II Partial Activation effective March 16, 2020
- Orlando Utilities Commission – Level II Partial Activation (Virtual) effective March 16, 2020
- City of Orlando – Level II Partial Activation (Virtual) effective March 18, 2020
- University of Central Florida – Level II Partial Activation effective March 10, 2020

## SOCIAL MEDIA PLATFORMS

Orange County Office of Emergency Management provides this information for internal planning and distribution; it is not intended for release to the public or posting on social media. Stay connected with #myOCFL and @OCFireRescue. Visit [www.ocfl.net/Coronavirus](http://www.ocfl.net/Coronavirus) for updates and information.

Governor Ron DeSantis established a Joint Information Center on COVID-19 for the State of Florida 1-850-815-4940, [ESF14@em.myflorida.com](mailto:ESF14@em.myflorida.com)

Everyone plays a part in lowering the impact within our communities and workplaces – taking every day preventative actions help to impede the spread of respiratory diseases such as COVID-19.

Advent Health established a COVID-19 hotline. Nurses from the Hospital Group staff the hotline twenty-four hours a day and seven days a week. Those with questions or concerns should call **1-877-847-8747**.

Advent Health offers virtual visits, simply follow the link to download the app at [Advent Health Virtual Visit](#).

Orlando Health has launched a hotline for the community to obtain information about COVID-19. The public can get accurate information by calling **1-877-321-2684**, the hotline is available twenty-four hours a day and seven days a week.

Orlando Health offers a virtual visit option is at [Orlando Health Virtual Visit](#).

Florida Attorney General, Ashley Moody activated Florida's Price Gouging Hotline. Consumers can report price gouging by phone at **1-866-966-7226** or online at [myfloridalegal.com](http://myfloridalegal.com).

The Centers for Disease Control (CDC) recommends that organizers cancel or postpone in-person events. Please see the CDC link listed in the key websites area.

All County-sponsored business travel to identified high-risk areas, as determined by the County Administrator, is suspended until further notice.

In accordance with CDC, the Horizon West Town Hall meeting scheduled for April 9, 2020, has been postponed for a date to be determined.

All Orange County Boat Ramps will remain closed until further notice.

The Orange County COVID-19 Rental Assistance Program can be reached at 407-836-6500 from 0830 to 1500 hours.

## ESF1 – TRANSPORTATION

The Greater Orlando Aviation Authority reports that Virgin Airlines has rescue flights scheduled Tuesday, March 24, 2020, through Friday, March 27, 2020. Travelers with scheduled flights are encouraged to check airline schedules frequently for updates.

Concessions and businesses within the airport will implement augmented schedules as determined by corporate partners. All rental car companies have consolidated in one location within Terminal A to serve customers returning or renting vehicles.

LYNX reports LYMMO hours will be adjusted on links 60, 61, 62, and 63 to comply with the current curfew order; other LYNX services will operate as scheduled. LYNX Central Station's terminal lobby will be closed from 2300 through 0500 hours in accordance with Orange County's mandatory curfew. LYNX continues to follow increased housekeeping measures and provide information to employees and customers via an informational web page: [What We are Doing to Protect You from the Coronavirus](#).

## ESF 4 & 9 – FIREFIGHTING & URBAN SEARCH & RESCUE

The Orange County Fire Rescue Department (OCFRD) is currently functioning under normal operations and staffing. OCFRD has activated the Department Operations Center (DOC) from 0700-2200 daily to assist with the coordination of COVID-19 preparations and responses. OCFRD is limiting meetings and training events to reduce the number of personnel congregating in one location. To further reduce exposure to the general public, non-essential activities such as station tours and public relation events have been postponed or cancelled.

Fire station crews are conducting wellness screenings to detect and control potential COVID-19 risks in the workplace. Personal protective equipment (PPE) levels are being closely monitored and measures have been employed to conserve available PPE. Operations will reduce the number of units responding to certain incident categories when appropriate to limit crew exposure and conserve PPE.

## **ESF5 – INFORMATION & PLANNING**

The State Division of Emergency Management activated the State Emergency Operations Center to a Level I – Full Activation on March 14, 2020.

Orange County Government has agreed to host one of the four Regional Testing Sites in the State of Florida on the Orange County Convention Center property. This site is tentatively scheduled to open on Wednesday, March 25, 2020. The site is being erected in cooperation with the State Division of Emergency Management and funded by the Federal Government. The intention of this location is to provide testing to healthcare workers, first responders, and those exhibiting COVID-19 symptoms.

The Orange County Emergency Operations Center (EOC) remains activated to a Level II – Partial Activation and continues to monitor for additional staff that may be needed. The hours of operations are 0730 to 1930 hours. The Orange County EOC continues to monitor all activities in the County, participate in related conference calls, and monitor all information available on the Centers for Disease Control (CDC) and Johns Hopkins Websites. Activity levels in the EOC continue to increase. Fire Rescue activated the Department's Operation Center on March 20, 2020.

Local State of Emergencies have been declared in 64 of the 67 counties located in the State of Florida. Forty-seven counties in the State of Florida have activated to EOC-Level II-Partial Activations and one (Alachua County) has activated to EOC-Level I-Full Activation.

Orange County 3-1-1 received seven calls on Sunday, March 22, 2020.

Orange County OEM is processing resource requests from partners in the County and providing support to our surrounding agencies. Additional coordination is in process with all area hospitals through ESF8.

## **ESF7 – RESOURCE SUPPORT**

Resource Support representatives are actively monitoring the E-Team system for resource requests. Currently there are no outstanding resource requests to be sourced. Suppliers are beginning to advise that certain manufacturers are ceasing acceptance of backorders which will significantly impact sourcing efforts. The situation will continue to be monitored.

## **ESF8 – HEALTH/MEDICAL ACTION ITEMS**

Department of Health (DOH) – Orange reports the East-side collection site at 12050 East Colonial Drive is open. The hours of operation are from 0800 to 1700 hours by appointment only. DOH has a limited number of test kits available.

Health Services (HS) is working in conjunction with ESF7 and Family Services to secure hotel sites to house quarantined persons with nowhere to go. Three area hotels have offered rooms. Family services is taking the lead on this project and will coordinate with hospitals through ESF8.

HS will distribute personal protective equipment received from the State Logistics Response Center today.

Advent Health Senior Leaders have opened a Corporate Command Center. This high-level command center oversees all Advent Health operations from Polk County to Flagler County with the tactical operations continuing to be handled by the Emergency Management Team. Advent Health is actively reporting updates to the Orange County Department of Health (DOH); resource requests are forwarded to ESF8 as supplies are needed.

Orlando Health reports an Orlando Health COVID-19 Hotline is available at 1-877-321-2684. Orlando Health is actively reporting continuous updates to Orange County DOH. Current resource requests are being placed for goggles, isolation gowns, disposable face shields, shoe covers, Tyvek suits, and no-touch thermometers for all hospitals and free standing Emergency Departments.

## ESF13 – MILITARY SUPPORT

ESF13 reports the National Guard Task Force 265 has 187 personnel. The task force continues to conduct dry runs to further refine the process on site at the Orange County Convention Center.

## ESF14 – PUBLIC INFORMATION

The Executive Policy Group Meeting was held today via conference call at 13:00 hours.

The Public Information Office (PIO) continues to develop content for Orange County's COVID-19 informational page at [www.ocfl.net/coronavirus](http://www.ocfl.net/coronavirus). PIO continues to monitor social media outlets and coverage, coordinating messaging with the social media team. Orange County PIO is developing original multimedia/video content to share with followers. As of yesterday evening, Public Information received 13 media requests.

## ESF15 – EOC SUPPORT

ESF15 reports that HandsOnOrlando's (HOO) network of volunteers have voiced concerns about the virus and working closely with the community. HOO is encouraging those who have specific skills to offer consulting services online to groups who may be able to utilize them in that capacity. HOO is working with Second Harvest Food Bank and Salvation Army for potential assistance with food pick-up, but have yet to receive any official requests for projects.

American Red Cross (ARC) Regional reports that three directives have come from their National Headquarters listing their priorities as follows: Blood Services (other states), Natural Disasters, and House Fires. All requests coming to ARC for supplies are going to the appropriate County's EOCs for fulfillment. ARC cannot assist the County with any sheltering facilities during the COVID-19 crisis unless it falls under the natural disaster classification with the above criteria.

## ESF16 – LAW ENFORCEMENT

Of the fifteen law enforcement agencies within Orange County, Orange County Sheriff's Office (OCSO) is acting as point of contact (POC) for submitting law enforcement requests. OCSO has assumed the responsibility to provide security and handle traffic flow at the Convention Center Testing Site. Additional resources will be requested if needed to help manage the process.

OCSO has changed its response guidelines concerning medical calls; deputies are advised to allow the fire department to assess the situation and determine the need for a law enforcement response. OCSO is monitoring the dynamic COVID-19 situation and will adjust staffing and scheduling as the situation requires.

OCSO will be staffing 32 of the 51 school locations Orange County Public Schools will have open for food distribution sites.

## ESF18 – BUSINESS & INDUSTRY

The Orlando Economic Partnership has created a page for businesses to access United States Small Business Administration (SBA) information. Please follow this link [Orlando Economic Partnership](#) for more information.

The Business Damage Assessment survey has been activated to access the impact of COVID-19 on Florida's local business operations. Please follow this link [Business Damage Assessment Survey](#) to complete the survey.

## PARTNERS – TOURISM SECTOR

Visit Orlando has established an assistance line to support visitors in need. Visitors can call 407-363-5872 or live chat with representatives through [www.VisitOrlando.com](http://www.VisitOrlando.com). For traveler FAQs, resources for visitors, and other information related to COVID-19, please see Visit Orlando's [travel safety](#) page.

Florida Department of Children and Families has temporarily closed all storefronts and lobbies. The department will utilize technology to ensure continuity of service for clients.

Rollins College reports they are housing thirty hardship students. These students are primarily international students unable to return home due to travel restrictions.

The town of Oakland has announced limited hours of operations and services effective Friday, March 20, 2020. Details and further information can be obtained at [Oakland COVID-19 operational changes](#).

Orange County Utilities has suspended disconnections of service until further notice.

Duke Energy has suspended disconnections of service until further notice.

Orlando Utilities Commission (OUC) has closed walk-in centers; customers may conduct business over the phone or via self-service channels. OUC has waived late fees and suspended disconnections until further notice.

Orange County Public Schools (OCPS) will remain closed through at least April 15, 2020. OCPS district offices are changing employee work hours to 0900 thru 1500 hours, with the EOC operating from 0800 thru 1500 hours. OCPS Food and Nutrition Services opened the 50 student food distribution sites today. The food distribution sites will be operating Monday through Friday from 10:00 to 14:00 hours. OCPS will begin distance learning on Monday, March 30, 2020.

The Orange County Convention Center has launched a webpage with information at: <https://www.occc.net/coronavirus>.

The Orange County Fire Marshal's Office requires a permit for all events that have 50 or more attendees. Through the permitting process, the Fire Marshal's Office has received three additional cancellations since March 22, 2020, for shows outside of the Orange County Convention Center:

Event name	Venue	Date of event	Status	Anticipated attendees
Key Club District Convention	Rosen Shingle Creek	4/2/2020	Cancelled	3000
2020 Caterpillar Rental Meeting	Rosen Shingle Creek	3/30/2020	Cancelled	600
Landstar	JW Marriott Orlando	4/2/2020 - 4/4/2020	Cancelled	1000

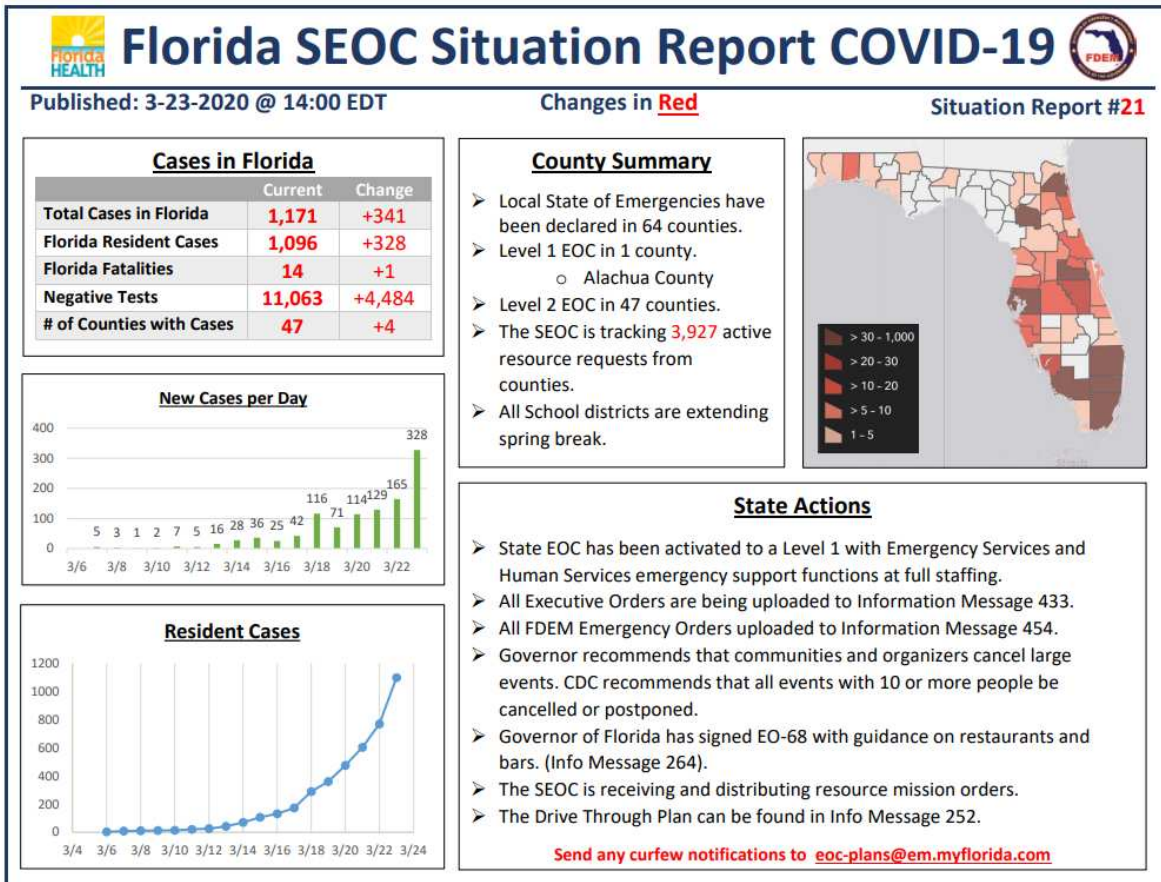

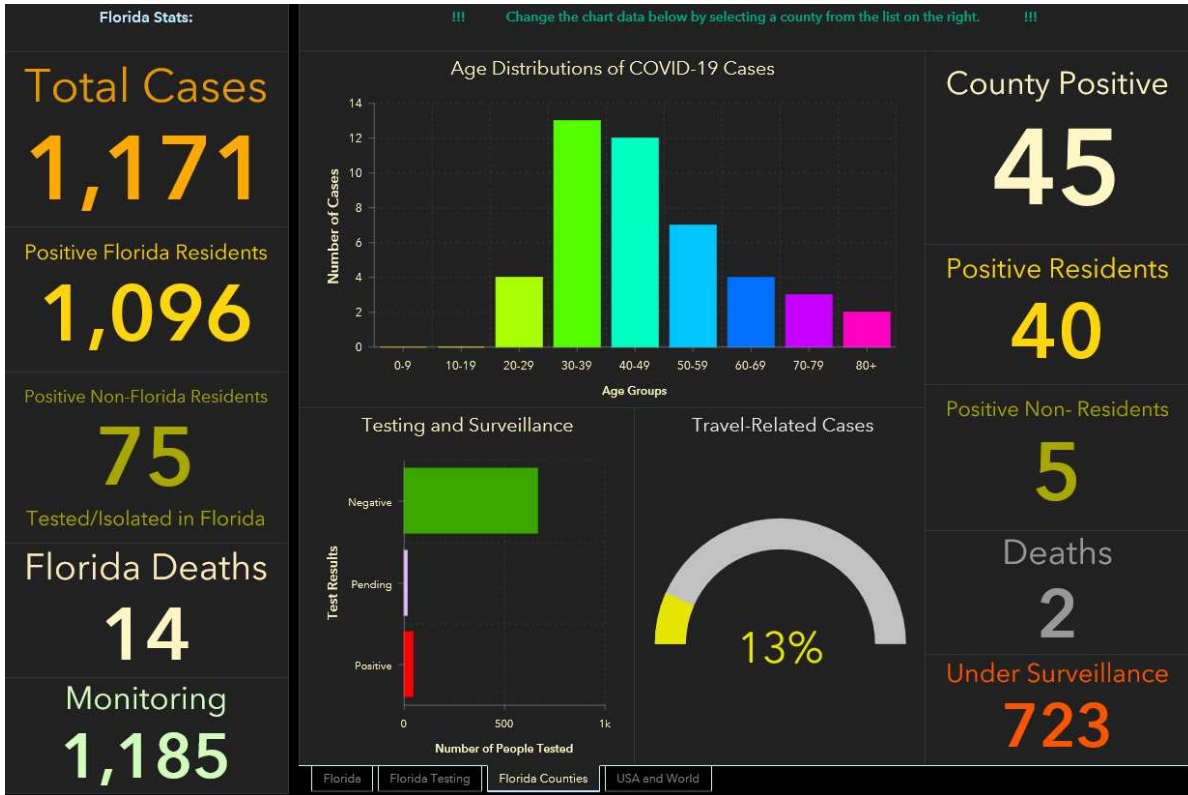

## AREA PARTNERS EMERGENCY OPERATIONS CENTERS

Local Partners with EOC activations:

- Maitland – Level II Partial Activation effective March 17, 2020
- Orange County Public Schools – Level II Partial Activation effective March 16, 2020

Florida Department of Health Call Center 1-866-779-6121 or [COVID-19@flhealth.com](mailto:COVID-19@flhealth.com)

Governor Ron DeSantis established a Joint Information Center on COVID-19 for the State of Florida 1-850-815-4940, [ESF14@em.myflorida.com](mailto:ESF14@em.myflorida.com)

Everyone plays a part in lowering the impact within our communities and workplaces – taking every day preventative actions help to impede the spread of respiratory diseases such as COVID-19.

Advent Health established a COVID-19 hotline. Nurses from the Hospital Group staff the hotline twenty-four hours a day and seven days a week. Those with questions or concerns should call **1-877-847-8747**.

Advent Health offers virtual visits, simply follow the link to download the app at [Advent Health Virtual Visit](#).

Orlando Health has launched a hotline for the community to obtain information about COVID-19. The public can get accurate information by calling **1-877-321-2684**, the hotline is available twenty-four hours a day and seven days a week.

Orlando Health offers a virtual visit option is at [Orlando Health Virtual Visit](#).

Florida Attorney General, Ashley Moody activated Florida's Price Gouging Hotline. Consumers can report price gouging by phone at **1-866-966-7226** or online at [myfloridalegal.com](http://myfloridalegal.com).

The Centers for Disease Control (CDC) recommends that organizers cancel or postpone in-person events. Please see the CDC link listed in the key websites area.

All County-sponsored business travel to identified high-risk areas, as determined by the County Administrator, is suspended until further notice.

In accordance with CDC, the Horizon West Town Hall meeting scheduled for April 9, 2020, has been postponed for a date to be determined.

All Orange County Boat Ramps will remain closed until further notice.

The Orange County COVID-19 Rental Assistance Program can be reached at 407-836-6500 from 0830 to 1500 hours.

## ESF1 – TRANSPORTATION

The Greater Orlando Aviation Authority reports that Virgin Airlines has rescue flights scheduled Tuesday, March 24, 2020, through Friday, March 27, 2020. Travelers with scheduled flights are encouraged to check airline schedules frequently for updates.

Concessions and businesses within the airport will implement augmented schedules as determined by corporate partners. All rental car companies have consolidated in one location within Terminal A to serve customers returning or renting vehicles.

LYNX reports LYMMO hours will be adjusted on links 60, 61, 62, and 63 to comply with the current curfew order; other LYNX services will operate as scheduled. LYNX Central Station's terminal lobby will be closed from 2300 through 0500 hours in accordance with Orange County's mandatory curfew. LYNX continues to follow increased housekeeping measures and provide information to employees and customers via an informational web page: [What We are Doing to Protect You from the Coronavirus](#).

## ESF 4 & 9 – FIREFIGHTING & URBAN SEARCH & RESCUE

The Orange County Fire Rescue Department (OCFRD) is currently functioning under normal operations and staffing. OCFRD has activated the Department Operations Center (DOC) from 0700-2200 daily to assist with the coordination of COVID-19 preparations and responses. OCFRD is limiting meetings and training events to reduce the number of personnel congregating in one location. To further reduce exposure to the general public, non-essential activities such as station tours and public relation events have been postponed or cancelled.

Fire station crews are conducting wellness screenings to detect and control potential COVID-19 risks in the workplace. Personal protective equipment (PPE) levels are being closely monitored and measures have been employed to conserve available PPE. Operations will reduce the number of units responding to certain incident categories when appropriate to limit crew exposure and conserve PPE.

## **ESF5 – INFORMATION & PLANNING**

The State Division of Emergency Management activated the State Emergency Operations Center to a Level I – Full Activation on March 14, 2020.

Orange County Government has agreed to host one of the four Regional Testing Sites in the State of Florida on the Orange County Convention Center property. This site is tentatively scheduled to open on Wednesday, March 25, 2020. The site is being erected in cooperation with the State Division of Emergency Management and funded by the Federal Government. The intention of this location is to provide testing to healthcare workers, first responders, and those exhibiting COVID-19 symptoms.

The Orange County Emergency Operations Center (EOC) remains activated to a Level II – Partial Activation and continues to monitor for additional staff that may be needed. The hours of operations are 0730 to 1930 hours. The Orange County EOC continues to monitor all activities in the County, participate in related conference calls, and monitor all information available on the Centers for Disease Control (CDC) and Johns Hopkins Websites. Activity levels in the EOC continue to increase. Fire Rescue activated the Department's Operation Center on March 20, 2020.

Local State of Emergencies have been declared in 64 of the 67 counties located in the State of Florida. Forty-seven counties in the State of Florida have activated to EOC-Level II-Partial Activations and one (Alachua County) has activated to EOC-Level I-Full Activation.

Orange County 3-1-1 received seven calls on Sunday, March 22, 2020.

Orange County OEM is processing resource requests from partners in the County and providing support to our surrounding agencies. Additional coordination is in process with all area hospitals through ESF8.

## **ESF7 – RESOURCE SUPPORT**

Resource Support representatives are actively monitoring the E-Team system for resource requests. Currently there are no outstanding resource requests to be sourced. Suppliers are beginning to advise that certain manufacturers are ceasing acceptance of backorders which will significantly impact sourcing efforts. The situation will continue to be monitored.

## **ESF8 – HEALTH/MEDICAL ACTION ITEMS**

Department of Health (DOH) – Orange reports the East-side collection site at 12050 East Colonial Drive is open. The hours of operation are from 0800 to 1700 hours by appointment only. DOH has a limited number of test kits available.

Health Services (HS) is working in conjunction with ESF7 and Family Services to secure hotel sites to house quarantined persons with nowhere to go. Three area hotels have offered rooms. Family services is taking the lead on this project and will coordinate with hospitals through ESF8.

HS will distribute personal protective equipment received from the State Logistics Response Center today.

Advent Health Senior Leaders have opened a Corporate Command Center. This high-level command center oversees all Advent Health operations from Polk County to Flagler County with the tactical operations continuing to be handled by the Emergency Management Team. Advent Health is actively reporting updates to the Orange County Department of Health (DOH); resource requests are forwarded to ESF8 as supplies are needed.

Orlando Health reports an Orlando Health COVID-19 Hotline is available at 1-877-321-2684. Orlando Health is actively reporting continuous updates to Orange County DOH. Current resource requests are being placed for goggles, isolation gowns, disposable face shields, shoe covers, Tyvek suits, and no-touch thermometers for all hospitals and free standing Emergency Departments.

## ESF13 – MILITARY SUPPORT

ESF13 reports the National Guard Task Force 265 has 187 personnel. The task force continues to conduct dry runs to further refine the process on site at the Orange County Convention Center.

## ESF14 – PUBLIC INFORMATION

The Executive Policy Group Meeting was held today via conference call at 13:00 hours.

The Public Information Office (PIO) continues to develop content for Orange County's COVID-19 informational page at [www.ocfl.net/coronavirus](http://www.ocfl.net/coronavirus). PIO continues to monitor social media outlets and coverage, coordinating messaging with the social media team. Orange County PIO is developing original multimedia/video content to share with followers. As of yesterday evening, Public Information received 13 media requests.

## ESF15 – EOC SUPPORT

ESF15 reports that HandsOnOrlando's (HOO) network of volunteers have voiced concerns about the virus and working closely with the community. HOO is encouraging those who have specific skills to offer consulting services online to groups who may be able to utilize them in that capacity. HOO is working with Second Harvest Food Bank and Salvation Army for potential assistance with food pick-up, but have yet to receive any official requests for projects.

American Red Cross (ARC) Regional reports that three directives have come from their National Headquarters listing their priorities as follows: Blood Services (other states), Natural Disasters, and House Fires. All requests coming to ARC for supplies are going to the appropriate County's EOCs for fulfillment. ARC cannot assist the County with any sheltering facilities during the COVID-19 crisis unless it falls under the natural disaster classification with the above criteria.

## ESF16 – LAW ENFORCEMENT

Of the fifteen law enforcement agencies within Orange County, Orange County Sheriff's Office (OCSO) is acting as point of contact (POC) for submitting law enforcement requests. OCSO has assumed the responsibility to provide security and handle traffic flow at the Convention Center Testing Site. Additional resources will be requested if needed to help manage the process.

OCSO has changed its response guidelines concerning medical calls; deputies are advised to allow the fire department to assess the situation and determine the need for a law enforcement response. OCSO is monitoring the dynamic COVID-19 situation and will adjust staffing and scheduling as the situation requires.

OCSO will be staffing 32 of the 51 school locations Orange County Public Schools will have open for food distribution sites.

## ESF18 – BUSINESS & INDUSTRY

The Orlando Economic Partnership has created a page for businesses to access United States Small Business Administration (SBA) information. Please follow this link [Orlando Economic Partnership](#) for more information.

The Business Damage Assessment survey has been activated to access the impact of COVID-19 on Florida's local business operations. Please follow this link [Business Damage Assessment Survey](#) to complete the survey.

## PARTNERS – TOURISM SECTOR

Visit Orlando has established an assistance line to support visitors in need. Visitors can call 407-363-5872 or live chat with representatives through [www.VisitOrlando.com](http://www.VisitOrlando.com). For traveler FAQs, resources for visitors, and other information related to COVID-19, please see Visit Orlando's [travel safety](#) page.

Florida Department of Children and Families has temporarily closed all storefronts and lobbies. The department will utilize technology to ensure continuity of service for clients.

Rollins College reports they are housing thirty hardship students. These students are primarily international students unable to return home due to travel restrictions.

The town of Oakland has announced limited hours of operations and services effective Friday, March 20, 2020. Details and further information can be obtained at [Oakland COVID-19 operational changes](#).

Orange County Utilities has suspended disconnections of service until further notice.

Duke Energy has suspended disconnections of service until further notice.

Orlando Utilities Commission (OUC) has closed walk-in centers; customers may conduct business over the phone or via self-service channels. OUC has waived late fees and suspended disconnections until further notice.

Orange County Public Schools (OCPS) will remain closed through at least April 15, 2020. OCPS district offices are changing employee work hours to 0900 thru 1500 hours, with the EOC operating from 0800 thru 1500 hours. OCPS Food and Nutrition Services opened the 50 student food distribution sites today. The food distribution sites will be operating Monday through Friday from 10:00 to 14:00 hours. OCPS will begin distance learning on Monday, March 30, 2020.

The Orange County Convention Center has launched a webpage with information at: <https://www.occc.net/coronavirus>.

The Orange County Fire Marshal's Office requires a permit for all events that have 50 or more attendees. Through the permitting process, the Fire Marshal's Office has received three additional cancellations since March 22, 2020, for shows outside of the Orange County Convention Center:

Event name	Venue	Date of event	Status	Anticipated attendees
Key Club District Convention	Rosen Shingle Creek	4/2/2020	Cancelled	3000
2020 Caterpillar Rental Meeting	Rosen Shingle Creek	3/30/2020	Cancelled	600
Landstar	JW Marriott Orlando	4/2/2020 - 4/4/2020	Cancelled	1000

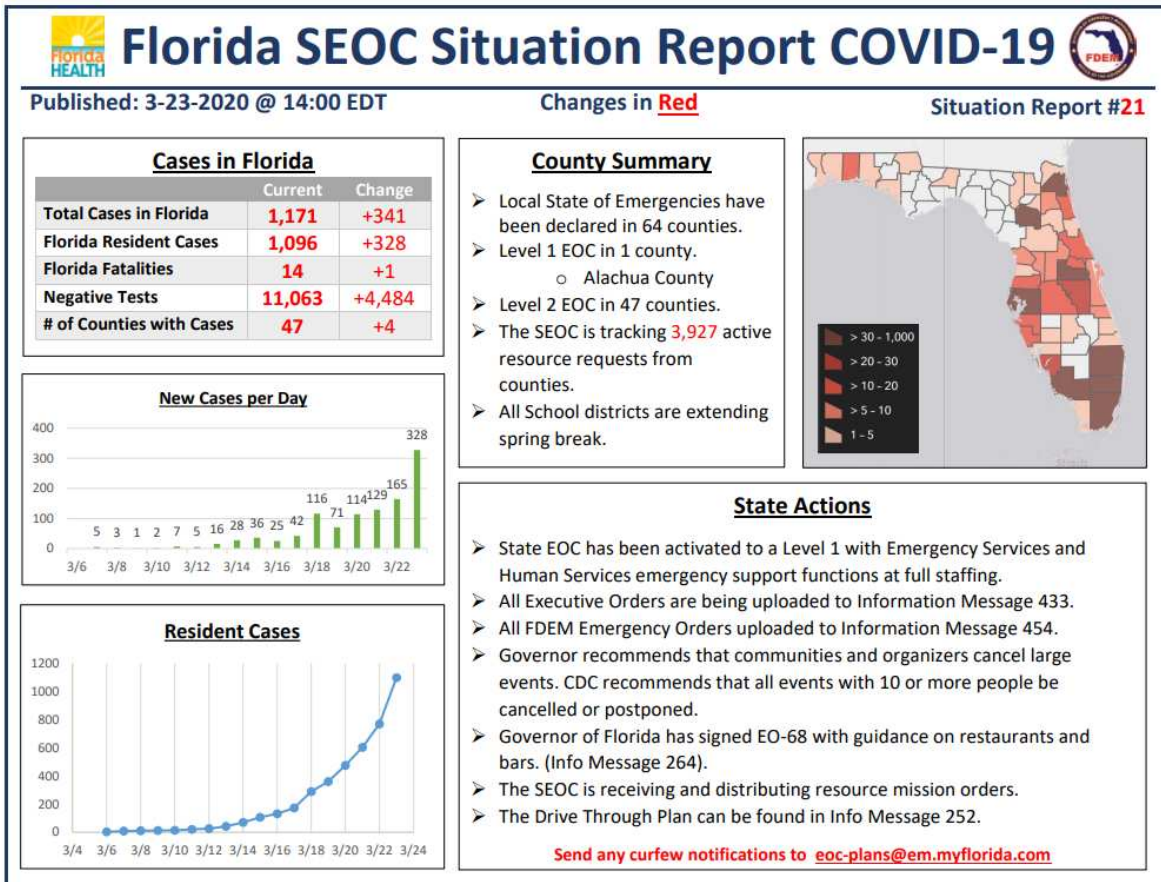

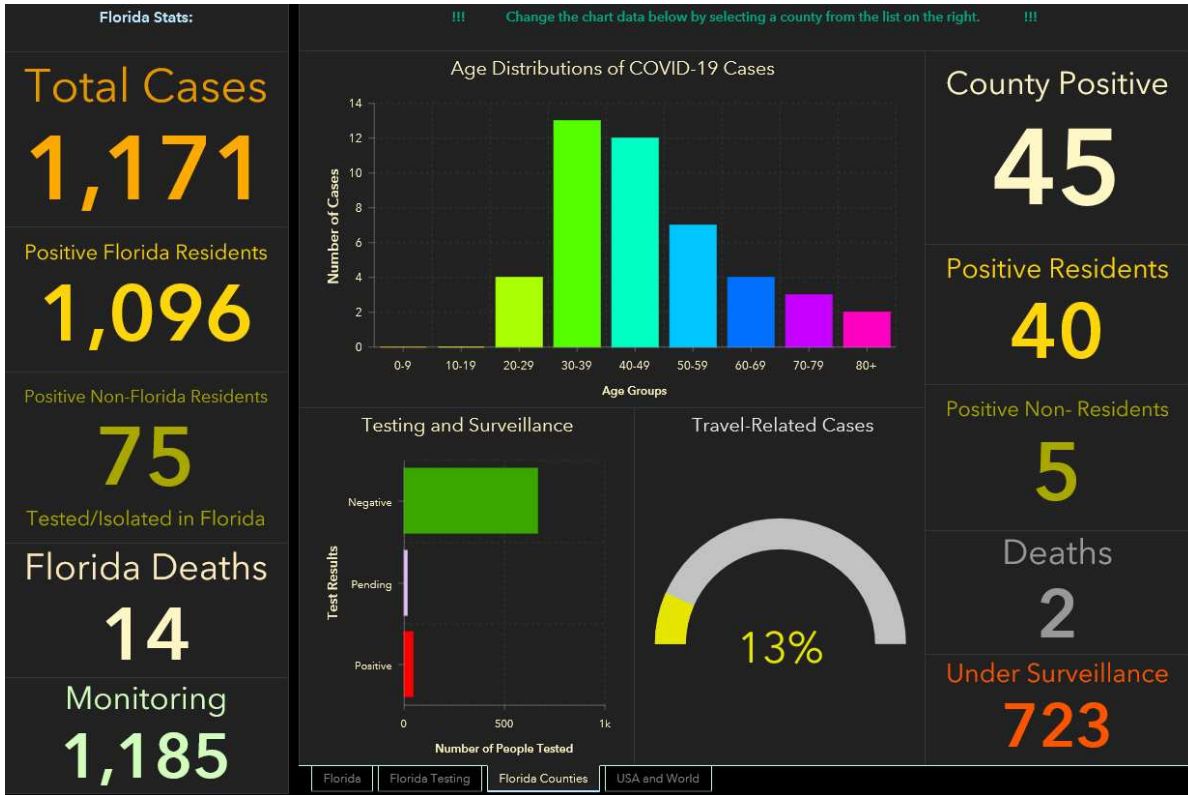

## AREA PARTNERS EMERGENCY OPERATIONS CENTERS

Local Partners with EOC activations:

- Maitland – Level II Partial Activation effective March 17, 2020
- Orange County Public Schools – Level II Partial Activation effective March 16, 2020
- Orlando Utilities Commission – Level II Partial Activation (Virtual) effective March 16, 2020
- City of Orlando – Level II Partial Activation (Virtual) effective March 18, 2020
- University of Central Florida – Level II Partial Activation effective March 10, 2020
- Winter Park – Level II Partial Activation effective March 13, 2020

**ORANGE COUNTY, FLORIDA**  
**EMERGENCY EXECUTIVE ORDER NO. 2020-04**  
**regarding**  
**COVID-19**

**Non-Essential Travel and Safety Measures**  
**and**  
**Non-Essential Businesses and Essential Businesses**

**Date: March 24, 2020**  
**Time: 5:54 o'clock p. m.**

*WHEREAS*, on March 13, 2020, a State of Local Emergency was declared for seven (7) days under the Comprehensive Emergency Management Ordinance by Emergency Executive Order No. 2020-01 due to the serious threat posed by COVID-19; and

*WHEREAS*, Emergency Executive Order No. 2020-01 was extended seven (7) days to March 27, 2020 by Emergency Executive Order No. 2020-02, and it will be extended for additional periods of time; and

*WHEREAS*, COVID-19 is spread amongst the population by various means of exposure, including the propensity to spread person to person and the propensity to attach to surfaces for prolonged periods of time, thereby spreading from surface to person and causing increased infections to persons; and

*WHEREAS*, public health experts have consistently recommended avoiding close physical interaction between people in order to slow the spread of COVID-19, and the Centers for Disease Control (“CDC”) has updated and further restricted its distancing guidelines; and

*WHEREAS*, despite measures previously taken, COVID-19 has rapidly spread in the State of Florida as well as in Orange County, necessitating updated and more stringent distancing guidelines; and

*WHEREAS*, while it is important to update and revise the social distancing guidelines to protect the public, it is also important to preserve the public’s access to necessary services, such as food, prescriptions and health care, and to maintain the operation of critical infrastructure as identified by the federal government; and

**WHEREAS**, the emergency powers of this Office include establishing curfews, limiting public congregations and other powers necessary to secure the public health and safety; and

**WHEREAS**, this Emergency Executive Order is issued to protect the health and safety of the citizens, residents and visitors of Orange County, to assist the healthcare delivery system in its ability to serve those persons infected by COVID-19, and to preserve the public's access to essential services and maintain the operation of critical infrastructure.

**NOW, THEREFORE,**

I, Jerry L. Demings, County Mayor of Orange County, Florida, acting as the Director of Emergency Management, promulgate the following Emergency Executive Order:

**Section 1. Non-Essential Travel and Safety Measures.**

In the interest of preserving the public health and safety, individuals are ordered not to leave the premises of their primary residence or domicile except to conduct certain necessary activities, while practicing social distancing where practical, which include, but are not limited to the following:

(a) *Basic Needs.* Visiting a health or veterinary care professional, obtaining medical supplies or medication, obtaining financial or legal services, obtaining food, grocery items or other household consumer products and products necessary to maintain the safety and sanitation of residences or buildings (whether commercial, office or industrial), for personal use or for use by others, including, without limitation, services related to providing food, groceries, household products, health services, shelter, care or assistance to minors, the elderly, dependents, persons with disabilities, other persons needing assistance, friends, family members, pets or animals; attendance at public meetings or other government purposes; and for other like or similar purposes related to any of the foregoing.

(b) *Physical Activity and Exercise.* Engaging in outdoor activities and recreation, including, without limitation, golfing, walking, hiking, running, cycling, using scooters, roller skates, skateboards, or other personal mobility devices.

(c) *Travel related to Basic Needs and Physical Activity.* Travel to and from an individual's principal residence or domicile related to any of the basic needs described in Section 1(a) above, or physical activity and exercise described in Section 1(b) above.

(d) *Travel related to the Provision or Receipt of Essential Services.* Travel necessary for the provision or receipt of essential services described in Section 2, including employees, volunteers, and service recipients of these services.

(e) *Other Travel.* Travel to and from transportation facilities or hubs, airports, bus and train stations, and travel to return home from outside jurisdictions.

## **Section 2. Non-Essential Businesses and Essential Businesses.**

(a) All non-essential retail and commercial businesses are hereby ordered temporarily closed, including but not limited to, whether indoors or outdoors, locations with amusement rides, carnivals, water parks, pools, zoos, museums, arcades, fairs, children's play centers, playgrounds, theme parks, bowling alleys, pool halls, movie and other theaters, concert and music halls, country clubs, social clubs and fraternal organizations.

(b) The following retail and commercial businesses are deemed essential, and may remain open:

(1) Healthcare providers, including, but not limited to, hospitals, doctors' and dentists' offices, urgent care centers, clinics, rehabilitation facilities, physical therapists, mental health professionals, psychiatrists, therapists, pharmacies, veterinarians and animal care providers;

(2) Grocery stores, farmers' markets, farm and produce stands, supermarkets, food banks, convenience stores, and other establishments engaged in the retail sale of canned food, dry goods, fresh fruits and vegetables, fresh meats, fish, and poultry, and any other household consumer products (such as cleaning and personal care products). This authorization includes stores that sell groceries and other non-grocery products, and products necessary to maintaining the safety, sanitation, and essential operations of residences;

(3) Food cultivation, including farming, livestock, and fishing;

(4) Businesses that provide food, shelter, social services, and other necessities of life for economically disadvantaged or otherwise needy individuals. Hotels, motels and other housing providers;

(5) Newspapers, television, radio, and other media services;

(6) Gas stations;

(7) Auto-supply, auto-repair, related facilities, and towing companies;

(8) Banks and related financial institutions;

(9) Hardware and home improvement stores;

(10) Licensed contractors and other tradesmen, appliance repair personnel, exterminators, and other service providers who provide services that are necessary to maintain the safety, sanitation, and essential operation of residences and other structures;

(11) Businesses providing mailing and shipping services, including post office boxes;

(12) Laundromats, dry cleaners, and laundry service providers;

(13) Restaurants and other facilities that prepare and serve food, but subject to the limitations and requirements under Federal, State or Local Emergency Orders. Schools and other entities that typically provide free food services to students or members of the public may continue to do so on the condition that the food is provided to students or members of the public on a pick-up and takeaway basis only. Schools and other entities that provide food services under this exemption shall not permit the food to be eaten at the site where it is provided, or at any other gathering site;

(14) Businesses that supply office products needed for people to work from home;

(15) Businesses that sell medical equipment and supply providers. Also, businesses that supply other essential businesses with support and supplies necessary to operate, and which do not interact with general public;

(16) Businesses that ship or deliver groceries, food, goods, or services directly to residences;

(17) Airlines, taxis, and other private transportation providers providing transportation services via automobile, truck, bus, or train;

(18) Home-based care for seniors, adults, or children;

(19) Assisted living facilities, nursing homes, and adult day care centers, and senior residential facilities;

(20) Legal or accounting services and notaries public;

(21) Landscape and pool care businesses, including residential landscape and pool care services, and maintenance of property, equipment and grounds of businesses, whether or not currently open to the public;

(22) Childcare facilities providing services that enable employees exempted in this Emergency Executive Order to work, as permitted. To the extent practical, childcare facilities shall operate under the following mandatory conditions:

a. Childcare shall take place in stable groups of ten (10) or fewer people (inclusive of childcare providers for the group);

b. Children and childcare providers shall not change from one group to another; and

c. If more than one group of children is cared for at one facility, each group shall be in a separate room, and groups shall not mix or interact with each other;

(23) Businesses operating at an airport, government facility, or government office;

(24) Pet supply stores;

(25) Logistics providers, including warehouses, trucking, consolidators, fumigators, and handlers;

(26) Telecommunications providers, including sales of computer or telecommunications devices and the provision of home telecommunications, to include private security businesses;

(27) Providers of propane or natural gas;

(28) Construction sites, irrespective of the type of building;

(29) Architectural, engineering, and land surveying services;

(30) Factories, manufacturing facilities, bottling plants, or other industrial uses;

(31) Waste management services, including collection and disposal of waste; and

(32) Businesses interacting with customers solely through electronic or telephonic means;

(33) Businesses delivering products via mailing, shipping, or delivery services;

(34) Office space and administrative support necessary to perform any of the above listed essential retail or commercial business activities; and

(35) In addition to essential businesses listed above, any individuals that are employed in or working to maintain continuity of operations of the federal critical infrastructure sectors as more particularly described at <http://www.cisa.gov/identifying-critical-infrastructure-during-covid-19>. This link identifies a number of critical infrastructure sectors as vital to the United States including (1) healthcare and public benefits, (2) transportation systems and logistics, (3) communications, (4) water and wastewater, (5) food and agriculture, (6) nuclear reactors, hazardous materials and waste, (7) other governmental facilities, operations and essential functions, (8) energy, (9) financial services, (10) commercial facilities, (11) emergency services, (12) defense industrial base, (13) critical manufacturing, (14) chemical, and (15) information technology. This exception only applies to individuals working in one of these critical infrastructure sectors while or during the course of employment in and performing their work in that sector.

(c) This Order does not affect or limit the operations of Orange County, any municipality, the Orange County School District, any educational institution, whether public or private, or Federal office or facility, or any public utility, except that such entities shall endeavor to abide by the prohibitions or restrictions of any County, municipal, State or Federal Emergency Order, as applicable.

(d) This Order does not limit the number of persons who may be physically present performing services at any location where an essential business is being conducted or operated, except as expressly set forth herein or otherwise governed by a State or Federal Order or regulation. Employers and employees of such essential businesses are urged to practice social distancing, such as keeping at least six (6) feet apart and limiting group size to less than ten (10) people.

(e) This Order does not limit religious or funeral services at any location, but all persons leading, performing or attending religious or funeral services are urged to fully comply with all measures advised by the CDC, including limiting gatherings to not more than ten (10) people and practicing social distancing of at least six (6) feet between persons.

**Section 3. Minimum Standards.** The provisions of this Emergency Executive Order shall serve as minimum standards, and shall not modify any powers possessed by municipalities to impose more stringent standards within their respective jurisdictions.

**Section 4. Variances or Exceptions.** Any variance or exception to any prohibitions set forth in Section 1 or Section 2 shall be valid only when stated in writing signed by me or under my authority.

**Section 5. Penalties.** Anyone who violates this Emergency Executive Order shall upon conviction be punished according to law and shall be subject to a fine not exceeding the sum of Five Hundred Dollars (\$500.00), or imprisonment in the County jail for a period not exceeding sixty (60) days, or by both such fine and imprisonment.

**Section 6. Severability.** Any provision of this Emergency Executive Order that conflicts with any Federal or State constitutional provision or law, including the State's preemption of the regulation of firearms and ammunition codified in Section 790.33, Florida Statutes, or conflicts with or is superseded by an Executive Order issued by the President of the United States or the Governor of Florida, shall be deemed inapplicable and deemed to be severed from this Emergency Executive Order, with the remainder of the Emergency Executive Order remaining intact and in full force and effect. Nothing in this Emergency Executive Order shall be interpreted as prohibiting retail or wholesale stores or vendors that currently sell sealed containers of alcoholic beverages for off-premises consumption from continuing such sales for off premises consumption.

**Section 7. Effective Date; Expiration Date.**

(a) This Emergency Executive Order shall become effective on March 26, 2020, at 11:00 p.m.

(b) This Emergency Executive Order shall expire on April 9, 2020, at 11:00 p.m.

  
Jerry L. Demings, Orange County Mayor,  
as Director of Emergency Management

RECEIVED AND FILED in the Office of the Orange County Comptroller, as Clerk to the Board of County Commissioners, this 24<sup>th</sup> day of March, 2020, at 5:54 pm.

Florida Department of Health Call Center 1-866-779-6121 or [COVID-19@flhealth.com](mailto:COVID-19@flhealth.com)

Governor Ron DeSantis established a Joint Information Center on COVID-19 for the State of Florida 1-850-815-4940, [ESF14@em.myflorida.com](mailto:ESF14@em.myflorida.com)

Everyone plays a part in lowering the impact within our communities and workplaces – taking every day preventative actions help to impede the spread of respiratory diseases such as COVID-19.

Advent Health established a COVID-19 hotline. Nurses from the Hospital Group staff the hotline twenty-four hours a day and seven days a week. Those with questions or concerns should call **1-877-847-8747**. Advent Health offers virtual visits, simply follow the link to download the app at [Advent Health Virtual Visit](#).

Orlando Health has launched a hotline for the community to obtain information about COVID-19. The public can get accurate information by calling **1-877-321-2684**, the hotline is available twenty-four hours a day and seven days a week. Orlando Health offers a virtual visit option is at [Orlando Health Virtual Visit](#).

Florida Attorney General, Ashley Moody, activated Florida's Price Gouging Hotline. Consumers can report price gouging by phone at **1-866-966-7226** or online at [myfloridalegal.com](http://myfloridalegal.com).

The Centers for Disease Control (CDC) recommends that organizers cancel or postpone in-person events. Please see the CDC link listed in the key websites area.

All County-sponsored business travel to identified high-risk areas, as determined by the County Administrator, is suspended until further notice.

In an effort to ensure employee safety Orange County Government is transitioning eligible employees to working remotely.

In accordance with CDC, the Horizon West Town Hall meeting scheduled for April 9, 2020, has been postponed for a date to be determined.

All Orange County Boat Ramps will remain closed until further notice.

The Orange County COVID-19 Rental Assistance Program can be reached at **407-836-6500** from 0830 to 1500 hours.

## ESF1 – TRANSPORTATION

The Greater Orlando Aviation Authority reports that Virgin Airlines has rescue flights scheduled through Friday, March 27, 2020. Travelers with scheduled flights are encouraged to check airline schedules frequently for updates.

Concessions and businesses within the airport will implement augmented schedules as determined by corporate partners. All rental car companies have consolidated in one location within Terminal A to serve customers returning or renting vehicles.

LYNX reports LYMMO and other LYNX services will operate as scheduled. LYNX Central Station's terminal lobby will be closed from 2300 through 0500 hours in accordance with Orange County's mandatory curfew. LYNX continues to follow increased housekeeping measures and provide information to employees and customers via an informational web page: [What We are Doing to Protect You from the Coronavirus](#).

## ESF 4 & 9 – FIREFIGHTING & URBAN SEARCH & RESCUE

The Orange County Fire Rescue Department (OCFRD) is currently functioning under normal operations and staffing. OCFRD has activated the Department Operations Center (DOC) from 0700-2200 hours daily to assist with the coordination of COVID-19 preparations and responses. OCFRD is limiting meetings and training events to reduce the number of personnel congregating in one location. To further reduce exposure to the general public, non-essential activities such as station tours and public relation events have been postponed or cancelled.

Fire station crews are conducting wellness screenings to detect and control potential COVID-19 risks in the workplace. Personal protective equipment (PPE) levels are being closely monitored and measures have been employed to conserve available PPE. Operations is reducing the number of units responding to certain incident categories when appropriate to limit crew exposure and conserve PPE.

## **ESF5 – INFORMATION & PLANNING**

The State Division of Emergency Management activated the State Emergency Operations Center to a Level I – Full Activation on March 14, 2020.

Orange County Government has agreed to host one of the four Regional Testing Sites in the State of Florida on the Orange County Convention Center property. This site is tentatively scheduled to open on Wednesday, March 25, 2020. The site is being erected in cooperation with the State Division of Emergency Management and funded by the Federal Government. The intention of this location is to provide testing to healthcare workers, first responders, and those exhibiting COVID-19 symptoms.

The Orange County Emergency Operations Center (EOC) remains activated to a Level II – Partial Activation and continues to monitor for additional staff that may be needed. The hours of operations are 0730 to 1930 hours. The Orange County EOC continues to monitor all activities in the County, participate in related conference calls, and monitor all information available on the Centers for Disease Control (CDC) and Johns Hopkins Websites. Activity levels in the EOC continue to increase. Fire Rescue activated the Department's Operation Center on March 20, 2020.

Local State of Emergencies have been declared in 64 of the 67 counties located in the State of Florida. Forty-seven counties in the State of Florida have activated to EOC-Level II-Partial Activations and one (Alachua County) has activated to EOC-Level I-Full Activation.

Orange County 3-1-1 received 37 calls on Monday, March 23, 2020.

Orange County OEM is processing resource requests from partners in the County and providing support to our surrounding agencies. Additional coordination is in process with all area hospitals through ESF8.

## **ESF7 – RESOURCE SUPPORT**

Resource Support representatives are actively monitoring the E-Team system for resource requests. There is currently one (1) outstanding resource request to be sourced.

## **ESF8 – HEALTH / MEDICAL ACTION ITEMS**

Health Services (HS) is working with District 9 Medical Examiner's Office to gather information on facility capacity and safety procedures.

Orange County Procurement continues to work with HS on options for PPE purchasing. The second day of supply distribution has completed and will exhaust supplies provided by the State Division of Emergency Management.

Advent Health Senior Leaders have opened a Corporate Command Center. This high-level command center oversees all Advent Health operations from Polk to Flagler County with the tactical operations continuing to be handled by the Emergency Management Team. Advent Health is actively reporting updates to the Orange County Department of Health (DOH); resource requests are forwarded to ESF8 as supplies are needed.

Orlando Health is actively reporting continuous updates to Orange County DOH. Current resource requests are being placed for ventilators, goggles, isolation gowns, disposable face shields, shoe covers, sanitizer, Tyvek suits, child's face masks, laboratory supplies, level 1 masks, level 3 masks, level 3 masks with face shields, nitrile gloves, and no touch thermometers for all freestanding Emergency Departments.

## ESF13 – MILITARY SUPPORT

ESF13 reports the National Guard Task Force 265 has 194 personnel. Ten National Guard Soldiers are assisting Florida Department of Health personnel with passenger screening at the Orlando International Airport in accordance with Florida State Executive Order 2020-80.

## ESF14 – PUBLIC INFORMATION

The Executive Policy Group Meeting was held today via conference call at 0900 hours.

Mayor Jerry Demings held a press briefing at the Orange County Administration Building at 1700 hours.

The Public Information Office (PIO) continues to develop content for Orange County's COVID-19 informational page at [www.ocfl.net/coronavirus](http://www.ocfl.net/coronavirus). PIO continues to monitor social media outlets and coverage, coordinating messaging with the social media team. Orange County Communications Team are working to mitigate social media discontent. Orange County PIO is developing original multimedia/video content to share with followers. As of yesterday evening, Public Information received 20 media requests related to the COVID-19 crisis.

## ESF15 – EOC SUPPORT

ESF15 reports Orlando's long-term recovery group, Rise Orange County, is ready to serve the Central Florida community as needed. Rise is currently compiling a list of resources available to the community to be disseminated to community members.

The Salvation Army is currently stocking up on MREs and other food supplies to set up a food pick-up site to be opened as early as next week (beginning March 30). The Salvation Army has set up a tent to educate Orlando's homeless population about social distancing.

AD1 Global Hotels, Days Inn Airport, and Wyndham Resorts have agreed to house quarantined patients from hospitals with the support of the Department of Health. This information has been shared with Family Services, Medical Services, and Resource Support for consideration.

## ESF16 – LAW ENFORCEMENT

Of the fifteen law enforcement agencies within Orange County, Orange County Sheriff's Office (OCSO) is acting as point of contact (POC) for submitting law enforcement requests. OCSO has assumed the responsibility to provide security and handle traffic flow at the Convention Center Testing Site. Additional resources will be requested if needed to help manage the process.

OCSO has changed its response guidelines concerning medical calls; deputies are advised to allow the fire department to assess the situation and determine the need for a law enforcement response. OCSO is monitoring the dynamic COVID-19 situation and will adjust staffing and scheduling as the situation requires.

OCSO will be staffing 32 of the 51 school locations Orange County Public Schools will have open for food distribution sites.

## ESF18 – BUSINESS & INDUSTRY

The Orlando Economic Partnership has created a page for businesses to access United States Small Business Administration (SBA) information. Please follow this link [Orlando Economic Partnership](#) for more information.

The Business Damage Assessment survey has been activated to access the impact of COVID-19 on Florida's local business operations. Please follow this link [Business Damage Assessment Survey](#) to complete the survey.

## PARTNERS – TOURISM SECTOR

Visit Orlando has established an assistance line to support visitors in need. Visitors can call 407-363-5872 or live chat with representatives through [www.VisitOrlando.com](http://www.VisitOrlando.com). Traveler FAQs and other resources can also be found at [VisitOrlando.com/healthsafety](http://VisitOrlando.com/healthsafety).

To support Orlando's restaurant community, Visit Orlando launched a special "Orlando To Go" campaign. More than 120 member restaurants' takeout and delivery options are listed on [VisitOrlando.com/togo](http://VisitOrlando.com/togo). To establish the site, Visit Orlando contacted its hundreds of member restaurants to determine which restaurants are currently open and serving take-out and delivery, but encourages Central Floridians to support all local restaurants.

Florida Department of Children and Families (DCF) has temporarily closed all storefronts and lobbies. The department will utilize technology to ensure continuity of service for clients. DCF will waive work requirements for individuals participating in the Supplemental Nutrition Assistance Program (SNAP) and Temporary Assistance for Needy Families (TANF) program. The temporary relief of mandatory work requirements will alleviate any undue burden with no disruptions to the receipt of cash and/or food assistance benefits. Details and further information about this program can be obtained at: <https://www.myflorida.com/accessflorida/>

Rollins College reports they are housing thirty hardship students. These students are primarily international students unable to return home due to travel restrictions.

University of Central Florida (UCF) Interim President Seymour signed an Emergency Declaration on March 24, 2020. UCF's Department of Housing and Residence Life has announced that all students must move out of university residence halls by Wednesday, March 25, 2020 at 1800 hours, unless a student has an extenuating circumstance.

The town of Oakland has announced limited hours of operations and services effective Friday, March 20, 2020. Details and further information can be obtained at [Oakland COVID-19 operational changes](#).

Orange County Utilities has suspended disconnections of service until further notice.

Duke Energy has suspended disconnections of service until further notice.

Orlando Utilities Commission (OUC) has closed walk-in centers; customers may conduct business over the phone or via self-service channels. OUC has waived late fees and suspended disconnections until further notice.

Orange County Public Schools (OCPS) will remain closed through April 15, 2020. OCPS will begin distance learning on Monday, March 30, 2020. OCPS district offices are changing employee work hours to Monday thru Friday from 0900 to 1500 hours, with the EOC operating from 0800 thru 1500 hours. OCPS Food and Nutrition Services 50 "Grab and Go" student food distribution sites will be operating Monday through Friday from 10:00 to 14:00 hours. On Monday, March 23, 2020, OCPS served 50,409 meals to 16,803 school aged children. Follow this link for a list of [OCPS Food Distribution Sites](#).

The Orange County Convention Center has launched a webpage with information at: <https://www.occc.net/coronavirus>.

The Orange County Fire Marshal's Office requires a permit for all events that have 50 or more attendees. Through the permitting process, the Fire Marshal's Office has received seven additional cancelations since March 23, 2020, for shows outside of the Orange County Convention Center:

Event name	Venue	Date of event	Status	Anticipated attendees
Samaritans Purse	Renaissance Orlando	3/27/2020 - 3/29/2020	Postponed	1500
Misch Institute	Rosen Shingle Creek	4/3/2020	Postponed	80
ASCCP 2020 Annual Scientific Meeting	Renaissance Orlando	3/31/2020	Cancelled	200
Learning Solutions	The Rosen Centre	3/30/2020 - 4/2/2020	Cancelled	200
Crestron Masters 2020	The Caribe Royal	3/21/2020 - 4/2/2020	Postponed	1500
HSO Henry Schien Ortho	The Ritz Carlton	3/26/2020	Cancelled	100
Summit of the Americas	The Hyatt Regency	3/31/2020 - 4/1/2020	Postponed	100

**ORANGE COUNTY, FLORIDA**  
**EMERGENCY EXECUTIVE ORDER NO. 2020-04**  
**regarding**  
**COVID-19**

**Non-Essential Travel and Safety Measures**  
**and**  
**Non-Essential Businesses and Essential Businesses**

**Date: March 24, 2020**  
**Time: 5:54 o'clock p. m.**

*WHEREAS*, on March 13, 2020, a State of Local Emergency was declared for seven (7) days under the Comprehensive Emergency Management Ordinance by Emergency Executive Order No. 2020-01 due to the serious threat posed by COVID-19; and

*WHEREAS*, Emergency Executive Order No. 2020-01 was extended seven (7) days to March 27, 2020 by Emergency Executive Order No. 2020-02, and it will be extended for additional periods of time; and

*WHEREAS*, COVID-19 is spread amongst the population by various means of exposure, including the propensity to spread person to person and the propensity to attach to surfaces for prolonged periods of time, thereby spreading from surface to person and causing increased infections to persons; and

*WHEREAS*, public health experts have consistently recommended avoiding close physical interaction between people in order to slow the spread of COVID-19, and the Centers for Disease Control (“CDC”) has updated and further restricted its distancing guidelines; and

*WHEREAS*, despite measures previously taken, COVID-19 has rapidly spread in the State of Florida as well as in Orange County, necessitating updated and more stringent distancing guidelines; and

*WHEREAS*, while it is important to update and revise the social distancing guidelines to protect the public, it is also important to preserve the public’s access to necessary services, such as food, prescriptions and health care, and to maintain the operation of critical infrastructure as identified by the federal government; and

**WHEREAS**, the emergency powers of this Office include establishing curfews, limiting public congregations and other powers necessary to secure the public health and safety; and

**WHEREAS**, this Emergency Executive Order is issued to protect the health and safety of the citizens, residents and visitors of Orange County, to assist the healthcare delivery system in its ability to serve those persons infected by COVID-19, and to preserve the public's access to essential services and maintain the operation of critical infrastructure.

**NOW, THEREFORE,**

I, Jerry L. Demings, County Mayor of Orange County, Florida, acting as the Director of Emergency Management, promulgate the following Emergency Executive Order:

**Section 1. Non-Essential Travel and Safety Measures.**

In the interest of preserving the public health and safety, individuals are ordered not to leave the premises of their primary residence or domicile except to conduct certain necessary activities, while practicing social distancing where practical, which include, but are not limited to the following:

(a) *Basic Needs.* Visiting a health or veterinary care professional, obtaining medical supplies or medication, obtaining financial or legal services, obtaining food, grocery items or other household consumer products and products necessary to maintain the safety and sanitation of residences or buildings (whether commercial, office or industrial), for personal use or for use by others, including, without limitation, services related to providing food, groceries, household products, health services, shelter, care or assistance to minors, the elderly, dependents, persons with disabilities, other persons needing assistance, friends, family members, pets or animals; attendance at public meetings or other government purposes; and for other like or similar purposes related to any of the foregoing.

(b) *Physical Activity and Exercise.* Engaging in outdoor activities and recreation, including, without limitation, golfing, walking, hiking, running, cycling, using scooters, roller skates, skateboards, or other personal mobility devices.

(c) *Travel related to Basic Needs and Physical Activity.* Travel to and from an individual's principal residence or domicile related to any of the basic needs described in Section 1(a) above, or physical activity and exercise described in Section 1(b) above.

(d) *Travel related to the Provision or Receipt of Essential Services.* Travel necessary for the provision or receipt of essential services described in Section 2, including employees, volunteers, and service recipients of these services.

(e) *Other Travel.* Travel to and from transportation facilities or hubs, airports, bus and train stations, and travel to return home from outside jurisdictions.

## **Section 2. Non-Essential Businesses and Essential Businesses.**

(a) All non-essential retail and commercial businesses are hereby ordered temporarily closed, including but not limited to, whether indoors or outdoors, locations with amusement rides, carnivals, water parks, pools, zoos, museums, arcades, fairs, children's play centers, playgrounds, theme parks, bowling alleys, pool halls, movie and other theaters, concert and music halls, country clubs, social clubs and fraternal organizations.

(b) The following retail and commercial businesses are deemed essential, and may remain open:

(1) Healthcare providers, including, but not limited to, hospitals, doctors' and dentists' offices, urgent care centers, clinics, rehabilitation facilities, physical therapists, mental health professionals, psychiatrists, therapists, pharmacies, veterinarians and animal care providers;

(2) Grocery stores, farmers' markets, farm and produce stands, supermarkets, food banks, convenience stores, and other establishments engaged in the retail sale of canned food, dry goods, fresh fruits and vegetables, fresh meats, fish, and poultry, and any other household consumer products (such as cleaning and personal care products). This authorization includes stores that sell groceries and other non-grocery products, and products necessary to maintaining the safety, sanitation, and essential operations of residences;

(3) Food cultivation, including farming, livestock, and fishing;

(4) Businesses that provide food, shelter, social services, and other necessities of life for economically disadvantaged or otherwise needy individuals. Hotels, motels and other housing providers;

(5) Newspapers, television, radio, and other media services;

(6) Gas stations;

(7) Auto-supply, auto-repair, related facilities, and towing companies;

(8) Banks and related financial institutions;

(9) Hardware and home improvement stores;

(10) Licensed contractors and other tradesmen, appliance repair personnel, exterminators, and other service providers who provide services that are necessary to maintain the safety, sanitation, and essential operation of residences and other structures;

(11) Businesses providing mailing and shipping services, including post office boxes;

(12) Laundromats, dry cleaners, and laundry service providers;

(13) Restaurants and other facilities that prepare and serve food, but subject to the limitations and requirements under Federal, State or Local Emergency Orders. Schools and other entities that typically provide free food services to students or members of the public may continue to do so on the condition that the food is provided to students or members of the public on a pick-up and takeaway basis only. Schools and other entities that provide food services under this exemption shall not permit the food to be eaten at the site where it is provided, or at any other gathering site;

(14) Businesses that supply office products needed for people to work from home;

(15) Businesses that sell medical equipment and supply providers. Also, businesses that supply other essential businesses with support and supplies necessary to operate, and which do not interact with general public;

(16) Businesses that ship or deliver groceries, food, goods, or services directly to residences;

(17) Airlines, taxis, and other private transportation providers providing transportation services via automobile, truck, bus, or train;

(18) Home-based care for seniors, adults, or children;

(19) Assisted living facilities, nursing homes, and adult day care centers, and senior residential facilities;

(20) Legal or accounting services and notaries public;

(21) Landscape and pool care businesses, including residential landscape and pool care services, and maintenance of property, equipment and grounds of businesses, whether or not currently open to the public;

(22) Childcare facilities providing services that enable employees exempted in this Emergency Executive Order to work, as permitted. To the extent practical, childcare facilities shall operate under the following mandatory conditions:

a. Childcare shall take place in stable groups of ten (10) or fewer people (inclusive of childcare providers for the group);

b. Children and childcare providers shall not change from one group to another; and

c. If more than one group of children is cared for at one facility, each group shall be in a separate room, and groups shall not mix or interact with each other;

(23) Businesses operating at an airport, government facility, or government office;

(24) Pet supply stores;

(25) Logistics providers, including warehouses, trucking, consolidators, fumigators, and handlers;

(26) Telecommunications providers, including sales of computer or telecommunications devices and the provision of home telecommunications, to include private security businesses;

(27) Providers of propane or natural gas;

(28) Construction sites, irrespective of the type of building;

(29) Architectural, engineering, and land surveying services;

(30) Factories, manufacturing facilities, bottling plants, or other industrial uses;

(31) Waste management services, including collection and disposal of waste; and

(32) Businesses interacting with customers solely through electronic or telephonic means;

(33) Businesses delivering products via mailing, shipping, or delivery services;

(34) Office space and administrative support necessary to perform any of the above listed essential retail or commercial business activities; and

(35) In addition to essential businesses listed above, any individuals that are employed in or working to maintain continuity of operations of the federal critical infrastructure sectors as more particularly described at <http://www.cisa.gov/identifying-critical-infrastructure-during-covid-19>. This link identifies a number of critical infrastructure sectors as vital to the United States including (1) healthcare and public benefits, (2) transportation systems and logistics, (3) communications, (4) water and wastewater, (5) food and agriculture, (6) nuclear reactors, hazardous materials and waste, (7) other governmental facilities, operations and essential functions, (8) energy, (9) financial services, (10) commercial facilities, (11) emergency services, (12) defense industrial base, (13) critical manufacturing, (14) chemical, and (15) information technology. This exception only applies to individuals working in one of these critical infrastructure sectors while or during the course of employment in and performing their work in that sector.

(c) This Order does not affect or limit the operations of Orange County, any municipality, the Orange County School District, any educational institution, whether public or private, or Federal office or facility, or any public utility, except that such entities shall endeavor to abide by the prohibitions or restrictions of any County, municipal, State or Federal Emergency Order, as applicable.

(d) This Order does not limit the number of persons who may be physically present performing services at any location where an essential business is being conducted or operated, except as expressly set forth herein or otherwise governed by a State or Federal Order or regulation. Employers and employees of such essential businesses are urged to practice social distancing, such as keeping at least six (6) feet apart and limiting group size to less than ten (10) people.

(e) This Order does not limit religious or funeral services at any location, but all persons leading, performing or attending religious or funeral services are urged to fully comply with all measures advised by the CDC, including limiting gatherings to not more than ten (10) people and practicing social distancing of at least six (6) feet between persons.

**Section 3. Minimum Standards.** The provisions of this Emergency Executive Order shall serve as minimum standards, and shall not modify any powers possessed by municipalities to impose more stringent standards within their respective jurisdictions.

**Section 4. Variances or Exceptions.** Any variance or exception to any prohibitions set forth in Section 1 or Section 2 shall be valid only when stated in writing signed by me or under my authority.

**Section 5. Penalties.** Anyone who violates this Emergency Executive Order shall upon conviction be punished according to law and shall be subject to a fine not exceeding the sum of Five Hundred Dollars (\$500.00), or imprisonment in the County jail for a period not exceeding sixty (60) days, or by both such fine and imprisonment.

**Section 6. Severability.** Any provision of this Emergency Executive Order that conflicts with any Federal or State constitutional provision or law, including the State's preemption of the regulation of firearms and ammunition codified in Section 790.33, Florida Statutes, or conflicts with or is superseded by an Executive Order issued by the President of the United States or the Governor of Florida, shall be deemed inapplicable and deemed to be severed from this Emergency Executive Order, with the remainder of the Emergency Executive Order remaining intact and in full force and effect. Nothing in this Emergency Executive Order shall be interpreted as prohibiting retail or wholesale stores or vendors that currently sell sealed containers of alcoholic beverages for off-premises consumption from continuing such sales for off premises consumption.

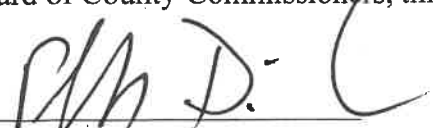

**Section 7. Effective Date; Expiration Date.**

(a) This Emergency Executive Order shall become effective on March 26, 2020, at 11:00 p.m.

(b) This Emergency Executive Order shall expire on April 9, 2020, at 11:00 p.m.

  
Jerry L. Demings, Orange County Mayor,  
as Director of Emergency Management

Governor Ron DeSantis established a Joint Information Center on COVID-19 for the State of Florida 1-850-815-4940, [ESF14@em.myflorida.com](mailto:ESF14@em.myflorida.com)

Everyone plays a part in lowering the impact within our communities and workplaces – taking every day preventative actions help to impede the spread of respiratory diseases such as COVID-19.

Advent Health established a COVID-19 hotline. Nurses from the Hospital Group staff the hotline twenty-four hours a day and seven days a week. Those with questions or concerns should call **1-877-847-8747**. Advent Health offers virtual visits, simply follow the link to download the app at [Advent Health Virtual Visit](#).

Orlando Health has launched a hotline for the community to obtain information about COVID-19. The public can get accurate information by calling **1-877-321-2684**, the hotline is available twenty-four hours a day and seven days a week. Orlando Health offers a virtual visit option is at [Orlando Health Virtual Visit](#).

Florida Attorney General, Ashley Moody, activated Florida's Price Gouging Hotline. Consumers can report price gouging by phone at **1-866-966-7226** or online at [myfloridalegal.com](http://myfloridalegal.com).

The Centers for Disease Control (CDC) recommends that organizers cancel or postpone in-person events. Please see the CDC link listed in the key websites area.

All County-sponsored business travel to identified high-risk areas, as determined by the County Administrator, is suspended until further notice.

In an effort to ensure employee safety Orange County Government is transitioning eligible employees to working remotely.

In accordance with CDC, the Horizon West Town Hall meeting scheduled for April 9, 2020, has been postponed for a date to be determined.

All Orange County Boat Ramps will remain closed until further notice.

The Orange County COVID-19 Rental Assistance Program can be reached at **407-836-6500** from 0830 to 1500 hours.

## ESF1 – TRANSPORTATION

The Greater Orlando Aviation Authority reports that Virgin Airlines has rescue flights scheduled through Friday, March 27, 2020. Travelers with scheduled flights are encouraged to check airline schedules frequently for updates.

Concessions and businesses within the airport will implement augmented schedules as determined by corporate partners. All rental car companies have consolidated in one location within Terminal A to serve customers returning or renting vehicles.

LYNX reports LYMMO and other LYNX services will operate as scheduled. LYNX Central Station's terminal lobby will be closed from 2300 through 0500 hours in accordance with Orange County's mandatory curfew. LYNX continues to follow increased housekeeping measures and provide information to employees and customers via an informational web page: [What We are Doing to Protect You from the Coronavirus](#).

## ESF 4 & 9 – FIREFIGHTING & URBAN SEARCH & RESCUE

The Orange County Fire Rescue Department (OCFRD) is currently functioning under normal operations and staffing. OCFRD has activated the Department Operations Center (DOC) from 0700-2200 hours daily to assist with the coordination of COVID-19 preparations and responses. OCFRD is limiting meetings and training events to reduce the number of personnel congregating in one location. To further reduce exposure to the general public, non-essential activities such as station tours and public relation events have been postponed or cancelled.

Fire station crews are conducting wellness screenings to detect and control potential COVID-19 risks in the workplace. Personal protective equipment (PPE) levels are being closely monitored and measures have been employed to conserve available PPE. Operations is reducing the number of units responding to certain incident categories when appropriate to limit crew exposure and conserve PPE.

## **ESF5 – INFORMATION & PLANNING**

The State Division of Emergency Management activated the State Emergency Operations Center to a Level I – Full Activation on March 14, 2020.

Orange County Government has agreed to host one of the four Regional Testing Sites in the State of Florida on the Orange County Convention Center property. This site is tentatively scheduled to open on Wednesday, March 25, 2020. The site is being erected in cooperation with the State Division of Emergency Management and funded by the Federal Government. The intention of this location is to provide testing to healthcare workers, first responders, and those exhibiting COVID-19 symptoms.

The Orange County Emergency Operations Center (EOC) remains activated to a Level II – Partial Activation and continues to monitor for additional staff that may be needed. The hours of operations are 0730 to 1930 hours. The Orange County EOC continues to monitor all activities in the County, participate in related conference calls, and monitor all information available on the Centers for Disease Control (CDC) and Johns Hopkins Websites. Activity levels in the EOC continue to increase. Fire Rescue activated the Department's Operation Center on March 20, 2020.

Local State of Emergencies have been declared in 64 of the 67 counties located in the State of Florida. Forty-seven counties in the State of Florida have activated to EOC-Level II-Partial Activations and one (Alachua County) has activated to EOC-Level I-Full Activation.

Orange County 3-1-1 received 37 calls on Monday, March 23, 2020.

Orange County OEM is processing resource requests from partners in the County and providing support to our surrounding agencies. Additional coordination is in process with all area hospitals through ESF8.

## **ESF7 – RESOURCE SUPPORT**

Resource Support representatives are actively monitoring the E-Team system for resource requests. There is currently one (1) outstanding resource request to be sourced.

## **ESF8 – HEALTH / MEDICAL ACTION ITEMS**

Health Services (HS) is working with District 9 Medical Examiner's Office to gather information on facility capacity and safety procedures.

Orange County Procurement continues to work with HS on options for PPE purchasing. The second day of supply distribution has completed and will exhaust supplies provided by the State Division of Emergency Management.

Advent Health Senior Leaders have opened a Corporate Command Center. This high-level command center oversees all Advent Health operations from Polk to Flagler County with the tactical operations continuing to be handled by the Emergency Management Team. Advent Health is actively reporting updates to the Orange County Department of Health (DOH); resource requests are forwarded to ESF8 as supplies are needed.

Orlando Health is actively reporting continuous updates to Orange County DOH. Current resource requests are being placed for ventilators, goggles, isolation gowns, disposable face shields, shoe covers, sanitizer, Tyvek suits, child's face masks, laboratory supplies, level 1 masks, level 3 masks, level 3 masks with face shields, nitrile gloves, and no touch thermometers for all freestanding Emergency Departments.

## ESF13 – MILITARY SUPPORT

ESF13 reports the National Guard Task Force 265 has 194 personnel. Ten National Guard Soldiers are assisting Florida Department of Health personnel with passenger screening at the Orlando International Airport in accordance with Florida State Executive Order 2020-80.

## ESF14 – PUBLIC INFORMATION

The Executive Policy Group Meeting was held today via conference call at 0900 hours.

Mayor Jerry Demings held a press briefing at the Orange County Administration Building at 1700 hours.

The Public Information Office (PIO) continues to develop content for Orange County's COVID-19 informational page at [www.ocfl.net/coronavirus](http://www.ocfl.net/coronavirus). PIO continues to monitor social media outlets and coverage, coordinating messaging with the social media team. Orange County Communications Team are working to mitigate social media discontent. Orange County PIO is developing original multimedia/video content to share with followers. As of yesterday evening, Public Information received 20 media requests related to the COVID-19 crisis.

## ESF15 – EOC SUPPORT

ESF15 reports Orlando's long-term recovery group, Rise Orange County, is ready to serve the Central Florida community as needed. Rise is currently compiling a list of resources available to the community to be disseminated to community members.

The Salvation Army is currently stocking up on MREs and other food supplies to set up a food pick-up site to be opened as early as next week (beginning March 30). The Salvation Army has set up a tent to educate Orlando's homeless population about social distancing.

AD1 Global Hotels, Days Inn Airport, and Wyndham Resorts have agreed to house quarantined patients from hospitals with the support of the Department of Health. This information has been shared with Family Services, Medical Services, and Resource Support for consideration.

## ESF16 – LAW ENFORCEMENT

Of the fifteen law enforcement agencies within Orange County, Orange County Sheriff's Office (OCSO) is acting as point of contact (POC) for submitting law enforcement requests. OCSO has assumed the responsibility to provide security and handle traffic flow at the Convention Center Testing Site. Additional resources will be requested if needed to help manage the process.

OCSO has changed its response guidelines concerning medical calls; deputies are advised to allow the fire department to assess the situation and determine the need for a law enforcement response. OCSO is monitoring the dynamic COVID-19 situation and will adjust staffing and scheduling as the situation requires.

OCSO will be staffing 32 of the 51 school locations Orange County Public Schools will have open for food distribution sites.

## ESF18 – BUSINESS & INDUSTRY

The Orlando Economic Partnership has created a page for businesses to access United States Small Business Administration (SBA) information. Please follow this link [Orlando Economic Partnership](#) for more information.

The Business Damage Assessment survey has been activated to access the impact of COVID-19 on Florida's local business operations. Please follow this link [Business Damage Assessment Survey](#) to complete the survey.

## PARTNERS – TOURISM SECTOR

Visit Orlando has established an assistance line to support visitors in need. Visitors can call 407-363-5872 or live chat with representatives through [www.VisitOrlando.com](http://www.VisitOrlando.com). Traveler FAQs and other resources can also be found at [VisitOrlando.com/healthsafety](http://VisitOrlando.com/healthsafety).

To support Orlando's restaurant community, Visit Orlando launched a special "Orlando To Go" campaign. More than 120 member restaurants' takeout and delivery options are listed on [VisitOrlando.com/togo](http://VisitOrlando.com/togo). To establish the site, Visit Orlando contacted its hundreds of member restaurants to determine which restaurants are currently open and serving take-out and delivery, but encourages Central Floridians to support all local restaurants.

Florida Department of Children and Families (DCF) has temporarily closed all storefronts and lobbies. The department will utilize technology to ensure continuity of service for clients. DCF will waive work requirements for individuals participating in the Supplemental Nutrition Assistance Program (SNAP) and Temporary Assistance for Needy Families (TANF) program. The temporary relief of mandatory work requirements will alleviate any undue burden with no disruptions to the receipt of cash and/or food assistance benefits. Details and further information about this program can be obtained at: <https://www.myflorida.com/accessflorida/>

Rollins College reports they are housing thirty hardship students. These students are primarily international students unable to return home due to travel restrictions.

University of Central Florida (UCF) Interim President Seymour signed an Emergency Declaration on March 24, 2020. UCF's Department of Housing and Residence Life has announced that all students must move out of university residence halls by Wednesday, March 25, 2020 at 1800 hours, unless a student has an extenuating circumstance.

The town of Oakland has announced limited hours of operations and services effective Friday, March 20, 2020. Details and further information can be obtained at [Oakland COVID-19 operational changes](#).

Orange County Utilities has suspended disconnections of service until further notice.

Duke Energy has suspended disconnections of service until further notice.

Orlando Utilities Commission (OUC) has closed walk-in centers; customers may conduct business over the phone or via self-service channels. OUC has waived late fees and suspended disconnections until further notice.

Orange County Public Schools (OCPS) will remain closed through April 15, 2020. OCPS will begin distance learning on Monday, March 30, 2020. OCPS district offices are changing employee work hours to Monday thru Friday from 0900 to 1500 hours, with the EOC operating from 0800 thru 1500 hours. OCPS Food and Nutrition Services 50 "Grab and Go" student food distribution sites will be operating Monday through Friday from 10:00 to 14:00 hours. On Monday, March 23, 2020, OCPS served 50,409 meals to 16,803 school aged children. Follow this link for a list of [OCPS Food Distribution Sites](#).

The Orange County Convention Center has launched a webpage with information at: <https://www.occc.net/coronavirus>.

The Orange County Fire Marshal's Office requires a permit for all events that have 50 or more attendees. Through the permitting process, the Fire Marshal's Office has received seven additional cancelations since March 23, 2020, for shows outside of the Orange County Convention Center:

Event name	Venue	Date of event	Status	Anticipated attendees
Samaritans Purse	Renaissance Orlando	3/27/2020 - 3/29/2020	Postponed	1500
Misch Institute	Rosen Shingle Creek	4/3/2020	Postponed	80
ASCCP 2020 Annual Scientific Meeting	Renaissance Orlando	3/31/2020	Cancelled	200
Learning Solutions	The Rosen Centre	3/30/2020 - 4/2/2020	Cancelled	200
Crestron Masters 2020	The Caribe Royal	3/21/2020 - 4/2/2020	Postponed	1500
HSO Henry Schien Ortho	The Ritz Carlton	3/26/2020	Cancelled	100
Summit of the Americas	The Hyatt Regency	3/31/2020 - 4/1/2020	Postponed	100

## AREA PARTNERS EMERGENCY OPERATIONS CENTERS

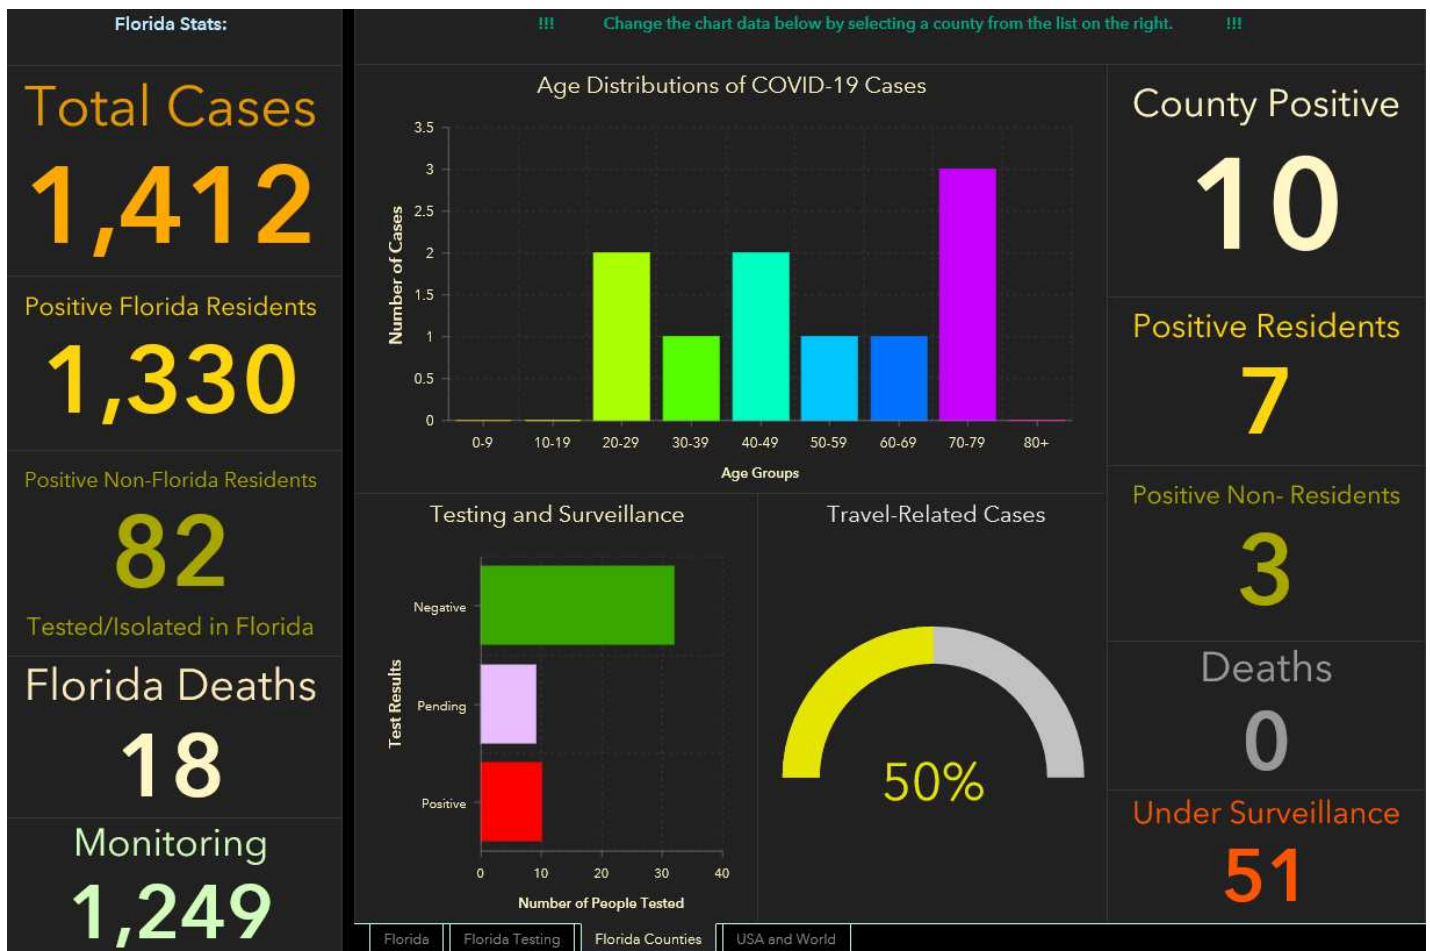

Local Partners with EOC activations:

- Maitland – Level II Partial Activation effective March 17, 2020
- Orange County Public Schools – Level II Partial Activation effective March 16, 2020
- Orlando Utilities Commission – Level II Partial Activation (Virtual) effective March 16, 2020
- City of Orlando – Level II Partial Activation (Virtual) effective March 18, 2020
- University of Central Florida – Level I Full Activation effective March 24, 2020
- Winter Park – Level II Partial Activation effective March 13, 2020

## SOCIAL MEDIA PLATFORMS

Orange County Office of Emergency Management provides this information for internal planning and distribution; it is not intended for release to the public or posting on social media. Stay connected with #myOCFL and @OCFireRescue. Visit [www.ocfl.net/Coronavirus](http://www.ocfl.net/Coronavirus) for updates and information.

## EXECUTIVE ORDERS

[Executive Order 2020-51](#) - Governor DeSantis signed order establishing Coronavirus Response Protocol and directed the State Surgeon General to issue a Public Health Emergency.

[Executive Order 2020-52](#) - Governor DeSantis signed order declaring a State of Emergency.

[Executive Order 2020-68](#) - Governor DeSantis signed order suspending liquor licenses for bars, limiting groups gathering on beaches, limiting restaurant occupancy and requiring restaurants to screen employees for COVID-19.

[Executive Order 2020-69](#) - Governor DeSantis signed order suspends statutes requiring an in person quorum for government meetings and allows local governments to utilize communications media technology.

[Executive Order 2020-70](#) - Governor DeSantis signed order requiring closures in Palm Beach and Broward counties.

[Executive Order 2020-71](#) - Governor DeSantis signed order closing gyms and fitness centers, allowing restaurants to sell alcohol for off premises and allowing vendors to return unused alcoholic beverages for cancelled events.

[Executive Order 2020-72](#) - Governor DeSantis signed order prohibiting all hospitals, ambulatory surgical centers, office surgery centers, dental, orthodontic and endodontic offices and other health care practitioners' office in the State of Florida from providing any medically unnecessary, non-urgent or non-emergency procedure or surgery.

[Executive Order 2020-80](#) - Governor DeSantis signed order requiring persons entering the state through airports to isolate or quarantine themselves for a period of fourteen days or the duration of the person's stay in Florida, whichever is shorter. Florida Department of Health shall coordinate with Florida Department of Emergency Management and each aviation authority and local authorities to effectuate this isolation.

[Executive Order 2020-82](#) - Governor DeSantis signed order requiring persons entering the state through from areas with substantial community spread to isolate or quarantine themselves for a period of fourteen days or the duration of the person's stay in Florida, whichever is shorter. This order requires those persons to inform any individual in Florida they come in contact with that they have traveled from such an area.

[Executive Order 2020-83](#) - Governor DeSantis signed order requiring the State Surgeon General and State Health Officer to issue a public health advisory against public gatherings of more than ten, encourage those who can to work remotely and to urge all persons over 65 years of age and those with underlying health conditions to remain home.

[Department of Emergency Management 20-001](#) – Emergency Order Suspending Florida Statutes that prevent or hinder necessary action by the Division in coping with COVID-19 emergency.

[Department of Emergency Management 20-002](#) – Emergency Order Suspending Florida Statutes for the purpose of prohibiting certain individuals from visiting facilities.

[Department of Emergency Management 20-003](#) – Emergency Order Designating Deputy Director Kevin Guthrie as a Deputy State Coordinating Officer.

[Department of Emergency Management 20-004](#) – Emergency Order Suspending Florida Statutes for the purpose of allowing school districts to adjust school calendars as needed.

[Department of Emergency Management 20-005](#) – Emergency Order Suspending Florida Statutes limiting who can visit facilities in Broward County.

[Department of Emergency Management 20-006](#) – Visitation Limits at Residential, Skilled Nursing and Long-term Care Facilities

[Orange County State of Local Emergency Executive Order 2020-01](#)- Establishes Orange County State of Local Emergency.

[Orange County Florida Emergency Executive Order 2020-03](#) – Establishes a curfew in Orange County from 23:00 to 05:00 hours.

[Orange County Florida Emergency Executive Order 2020-04](#) – Establishes a stay at home order for Orange County citizens that will go in effect on March 26, 2020, at 2300 hours. This Emergency Order requires non-essential businesses to close, but allows citizens to travel during the day to meet basic needs.

## GENERAL MESSAGING

The Centers for Disease Control (CDC) recommends that organizers cancel or postpone in-person events. Please see the CDC link listed in the key websites area.

All County-sponsored business travel to identified high-risk areas, as determined by the County Administrator, has been suspended until further notice.

In an effort to ensure employee safety, Orange County Government is transitioning eligible employees to working remotely.

In accordance with CDC, the Horizon West Town Hall meeting scheduled for April 9, 2020, has been postponed for a date to be determined.

All Orange County Boat Ramps will remain closed until further notice.

Orange County residents are encouraged to follow information being provided through the links for specific municipality services during this COVID-19 Pandemic.

Google has a host of resources available to students and remote workers. See the link in the key websites section for more information.

## **ESF1 – TRANSPORTATION**

The Greater Orlando Aviation Authority reports Virgin Airlines has rescue flights scheduled through Friday, March 27, 2020. Travelers with scheduled flights are encouraged to check airline schedules frequently for updates. Forty-three flights from newly restricted areas (New Jersey, New York, and Connecticut) were scheduled for Tuesday, March 24, 2020.

Concessions and businesses within the airport are implementing augmented schedules as determined by corporate partners; concessions will be operating as take-out only. All rental car companies have consolidated in one location within Terminal A to serve customers returning or renting vehicles.

LYNX reports the LYNX 300 Routes in the Disney area are not scheduled to run at this time. LYMMO and other LYNX services will operate as scheduled. LYNX Central Station's terminal lobby will be closed from 2300 through 0500 hours in accordance with Orange County's mandatory curfew. LYNX continues to follow increased housekeeping measures.

## **ESF 4 & 9 – FIREFIGHTING & URBAN SEARCH & RESCUE**

The Orange County Fire Rescue Department (OCFRD) is currently functioning under normal operations and staffing. OCFRD has activated the Department Operations Center (DOC) from 0700-2200 hours daily to assist with the coordination of COVID-19 preparations and responses. OCFRD is limiting meetings and training events to reduce the number of personnel congregating in one location. To further reduce exposure to the general public, non-essential activities such as station tours and public relation events have been postponed or cancelled.

Fire station crews are conducting wellness screenings to detect and control potential COVID-19 risks in the workplace. Personal protective equipment (PPE) levels are being closely monitored and measures have been employed to conserve available PPE. Operations is reducing the number of units responding to certain incident categories when appropriate to limit crew exposure and conserve PPE.

## **ESF5 – INFORMATION & PLANNING**

The State Division of Emergency Management activated the State Emergency Operations Center to a Level I – Full Activation on March 14, 2020.

One of the four Regional Testing Sites in the State of Florida is located on Orange County Convention Center property and opened for collection/testing today. The intention of this location is to provide testing to healthcare workers, first responders, and those of ages 65 and older exhibiting COVID-19 symptoms. The site tested 247 individuals with one person refusing to be tested after the kit was opened and two collection kits deemed unusable for a total of 250 collection kits for the day.

The Orange County Emergency Operations Center (EOC) remains activated to a Level II – Partial Activation and continues to monitor for additional staff that may be needed. The hours of operations are 0730 to 1930 hours. The Orange County EOC continues to monitor all activities in the County, participate in related conference calls, and monitor all information available on the Centers for Disease Control (CDC) and Johns Hopkins Websites. Activity levels in the EOC continue to increase. Fire Rescue activated the Department's Operation Center on March 20, 2020.

Local State of Emergencies have been declared in 64 of the 67 counties located in the State of Florida. Forty-seven counties in the State of Florida have activated to EOC-Level II-Partial Activations and one (Alachua County) has activated to EOC-Level I-Full Activation.

Orange County 3-1-1 received 93 calls on Tuesday, March 24, 2020.

Orange County OEM is processing resource requests from partners in the County and providing support to our surrounding agencies. Additional coordination is in process with all area hospitals through ESF8.

The Orange County Office of Emergency Management is fielding several calls in relation to the recent Orange County Stay at Home Order that will take effect on March 26, 2020.

## **ESF7 – RESOURCE SUPPORT**

ESF7 Resource Support representatives continue to monitor both the E-Team and WebEOC systems for resource requests. There are currently no outstanding resource requests to be sourced. ESF7 continues to receive communications from prospective vendors offering products or services and coordinate with the appropriate ESF for further validation.

## **ESF8 – HEALTH / MEDICAL ACTION ITEMS**

Department of Health (DOH) – Orange reports the East side clinic at 12050 Colonial Drive is maintaining steady participation. The site has 50 test kits remaining and DOH expects to receive another shipment. DOH and Health Services are investigating point of care (POC) testing kits for potential applicability for use in the field by Emergency Medical Services (EMS) and corrections health professionals.

Advent Health Senior Leaders have opened a Corporate Command Center. This high-level command center oversees all Advent Health operations from Polk to Flagler County with the tactical operations continuing to be handled by the Emergency Management Team. Advent Health leaders are developing an Intensive Care Unit (ICU) and Emergency Department (ED) crisis plan. Advent Health is actively reporting updates to DOH; resource requests are forwarded to ESF8 as supplies are needed.

Orlando Health has updates on patient visitation posted on the Orlando Health main webpage and is reporting continuous updates to Orange County DOH. Current resource requests are being placed for ventilators, goggles, isolation gowns, disposable face shields, shoe covers, sanitizer, Tyvek suits, child's face masks, laboratory supplies, level 1 masks, level 3 masks, level 3 masks with face shields, nitrile gloves, and no touch thermometers for all freestanding Emergency Departments.

## **ESF10 – HAZARDOUS MATERIALS**

ESF10 reports representatives are actively monitoring the E-Team and WebEOC systems for resource requests. There are currently no resource requests pending.

The Environmental Protections Division (EPD) has cancelled or postponed all meetings and public outreach events. The EPD office is closed to the public. The majority of EPD staff have transitioned to working remotely. Those working in the office are practicing social distancing and following applicable CDC sanitizing guidelines.

## **ESF13 – MILITARY SUPPORT**

ESF13 reports the National Guard Task Force 265 has 194 personnel on site at the Convention Center. Operations at the Orange County Convention Center have begun. Ten National Guard Soldiers are assisting Florida Department of Health personnel with passenger screening at the Orlando International Airport in accordance with Florida State Executive Order 2020-80.

## **ESF14 – PUBLIC INFORMATION**

The Executive Policy Group Meeting was held today via conference call at 1300 hours.

The Public Information Office (PIO) continues to develop content for Orange County's COVID-19 informational page at [www.ocfl.net/coronavirus](http://www.ocfl.net/coronavirus). PIO continues to monitor social media outlets and coverage, coordinating messaging with the social media team. Orange County PIO is updating webpage resources with work/service updates from County departments and business tools. As of yesterday evening, Public Information received 24 media requests related to the COVID-19 crisis.

## **ESF15 – EOC SUPPORT**

ESF15 reports the administration will receive the day care needs assessment results Wednesday afternoon. The Boys and Girls Clubs and YMCA are being considered for service; a backup plan is being prepared if

needed. Donations, volunteers, and fee-based offers are being tracked, responses sent, and forwarded to appropriated entities.

## ESF16 – LAW ENFORCEMENT

Of the fifteen law enforcement agencies within Orange County, Orange County Sheriff's Office (OCSO) is acting as point of contact (POC) for submitting law enforcement requests. OCSO has assumed the responsibility to provide security and handle traffic flow at the Convention Center Testing Site. Additional resources will be requested if needed to help manage the process.

OCSO has changed its response guidelines concerning medical calls; deputies are advised to allow the fire department to assess the situation and determine the need for a law enforcement response. OCSO is monitoring the dynamic COVID-19 situation and will adjust staffing and scheduling as the situation requires.

OCSO will be staffing 32 of the 51 school locations Orange County Public Schools will have open for food distribution sites.

## ESF18 – BUSINESS & INDUSTRY

The Orlando Economic Partnership has created a page for businesses to access United States Small Business Administration (SBA) information. Please follow this link [Orlando Economic Partnership](#) for more information.

The Business Damage Assessment survey has been activated to access the impact of COVID-19 on Florida's local business operations. Please follow this link [Business Damage Assessment Survey](#) to complete the survey.

## PARTNERS – TOURISM SECTOR

Visit Orlando has established an assistance line to support visitors in need. Visitors can call 407-363-5872 or live chat with representatives through [www.VisitOrlando.com](http://www.VisitOrlando.com). Traveler FAQs and other resources can also be found at [VisitOrlando.com/healthsafety](http://VisitOrlando.com/healthsafety).

To support Orlando's restaurant community, Visit Orlando launched a special "Orlando To Go" campaign. More than 120 member restaurants' takeout and delivery options are listed on [VisitOrlando.com/togo](http://VisitOrlando.com/togo). To establish the site, Visit Orlando contacted its hundreds of member restaurants to determine which restaurants are currently open and serving take-out and delivery, but encourages Central Floridians to support all local restaurants.

Florida Department of Children and Families (DCF) has temporarily closed all storefronts and lobbies. The department will utilize technology to ensure continuity of service for clients. DCF will waive work requirements for individuals participating in the Supplemental Nutrition Assistance Program (SNAP) and Temporary Assistance for Needy Families (TANF) program. The temporary relief of mandatory work requirements will alleviate any undue burden with no disruptions to the receipt of cash and/or food assistance benefits. Details and further information about this program can be obtained at: <https://www.myflorida.com/accessflorida/>

Rollins College reports they are housing thirty hardship students. These students are primarily international students unable to return home due to travel restrictions.

University of Central Florida (UCF) Interim President Seymour signed an Emergency Declaration on March 24, 2020. UCF's Department of Housing and Residence Life has announced that all students must move out of university residence halls by Wednesday, March 25, 2020, at 1800 hours, unless a student has an extenuating circumstances.

Orange County Utilities has suspended disconnections of service until further notice.

Duke Energy has suspended disconnections of service until further notice.

Orlando Utilities Commission (OUC) has closed walk-in centers; customers may conduct business over the phone or via self-service channels. OUC has waived late fees and suspended disconnections until further notice.

Orange County Public Schools (OCPS) will remain closed through April 15, 2020. OCPS will begin distance learning on Monday, March 30, 2020. OCPS district offices are changing employee work hours to Monday through Friday from 0900 to 1500 hours, with the EOC operating from 0800 through 1500 hours. OCPS Food and Nutrition Services 50 “Grab and Go” student food distribution sites will be operating Monday through Friday from 10:00 to 14:00 hours. Follow this link for a list of [OCPS Food Distribution Sites](#).

The Orange County Convention Center has launched a webpage with information at: <https://www.occc.net/coronavirus>.

MegaCon Orlando at the Orange County Convention Center has been rescheduled for June 4 thru 7, 2020.

The Orange County Fire Marshal’s Office requires a permit for all events that have 50 or more attendees. Through the permitting process, the Fire Marshal’s Office has received nine additional cancelations since March 24, 2020, for shows outside of the Orange County Convention Center:

Event name	Venue	Date of event	Status	Anticipated attendees
ADISA	The Rosen Shingle Creek	4/6/2020 - 4/7/2020	Canceled	500
American Academy of Cosmedic Dentistry	The Rosen Shingle Creek	4/23/2020	Canceled	500
Jets Pizza Franchise Convention	The Rosen Shingle Creek	4/27/2020	Postponed	400
ANNA	The Caribe Royal	4/20/2020 - 4/21/2020	Postponed	500
Reef a Palooza	The Renaissance at Sea World	4/25/2020 - 4/26/2020	Postponed	500
SDA Senior Dinning Assoc	The Renaissance at Sea World	4/28/2020	Postponed	500
Patient Experience Conference	The Hilton Bonnet Creek	4/20/2020	Canceled	1000
Florida Moose Association	The Rosen Plaza	5/1/2020	Canceled	500
Blackstone	The Hilton Bonnet Creek	5/6/2020	Canceled	400

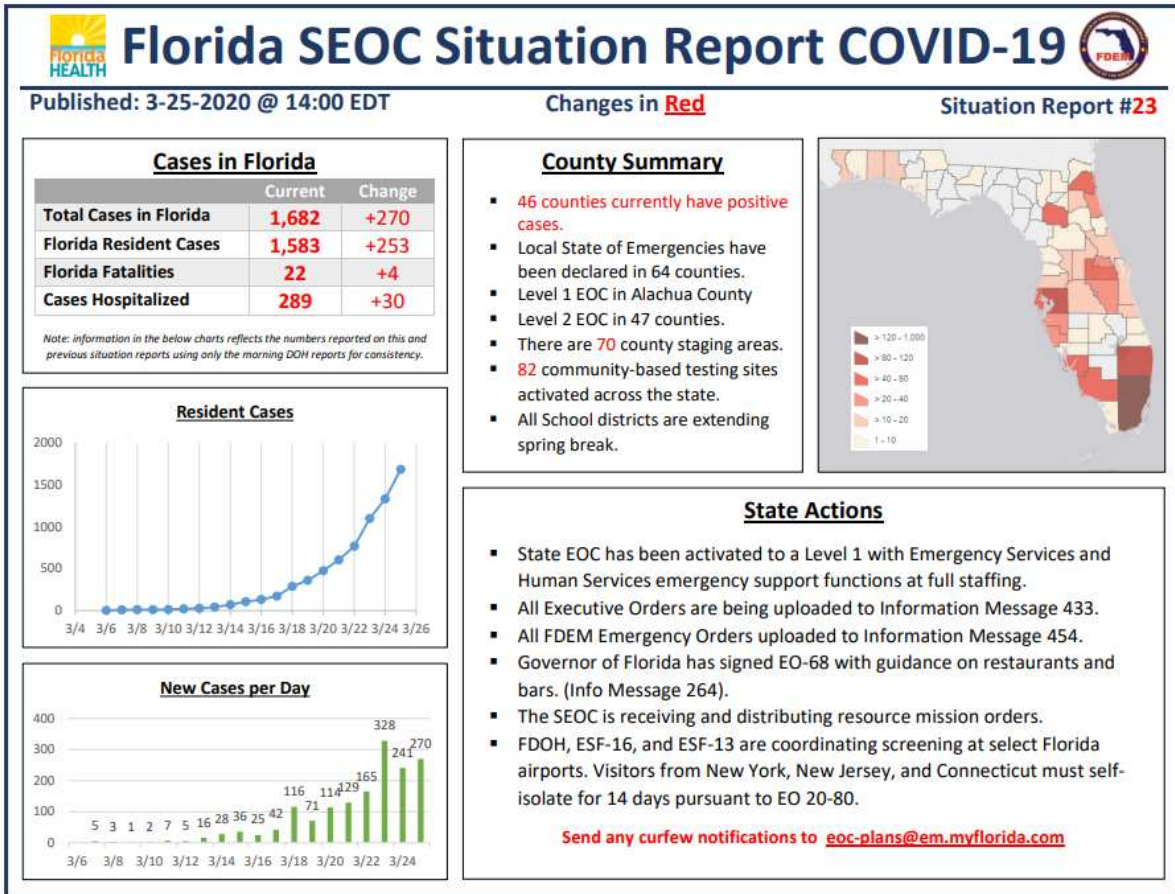

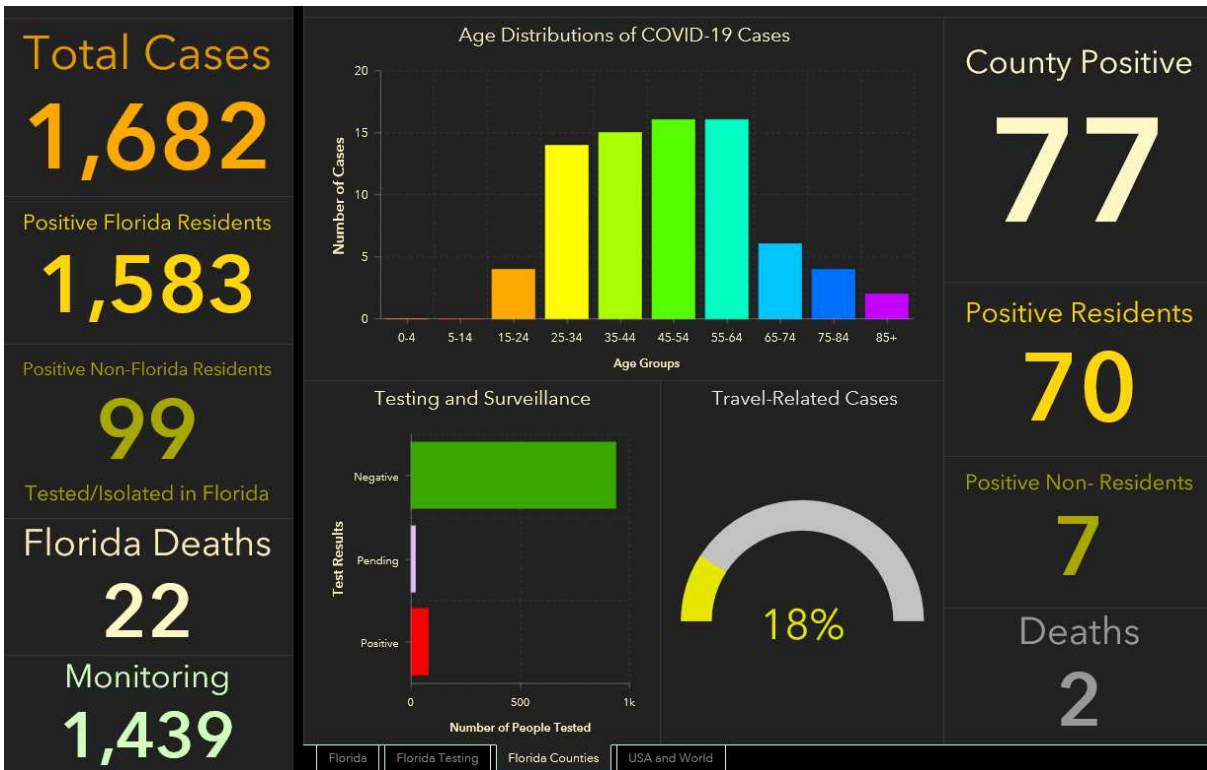

## AREA PARTNERS EMERGENCY OPERATIONS CENTERS

Local Partners with EOC activations:

- Maitland – Level II Partial Activation effective March 17, 2020
- Orange County Public Schools – Level II Partial Activation effective March 16, 2020
- Orlando Utilities Commission – Level II Partial Activation (Virtual) effective March 16, 2020
- City of Orlando – Level II Partial Activation (Virtual) effective March 18, 2020
- University of Central Florida – Level I Full Activation effective March 24, 2020
- Winter Park – Level II Partial Activation effective March 13, 2020

## GENERAL MESSAGING

The Centers for Disease Control (CDC) recommends that organizers cancel or postpone in-person events. Please see the CDC link listed in the key websites area.

All County-sponsored business travel to identified high-risk areas, as determined by the County Administrator, has been suspended until further notice.

In an effort to ensure employee safety, Orange County Government is transitioning eligible employees to working remotely.

In accordance with CDC, the Horizon West Town Hall meeting scheduled for April 9, 2020, has been postponed for a date to be determined.

All Orange County Boat Ramps will remain closed until further notice.

Orange County residents are encouraged to follow information being provided through the links for specific municipality services during this COVID-19 Pandemic.

Google has a host of resources available to students and remote workers. See the link in the key websites section for more information.

## **ESF1 – TRANSPORTATION**

The Greater Orlando Aviation Authority reports Virgin Airlines has rescue flights scheduled through Friday, March 27, 2020. Travelers with scheduled flights are encouraged to check airline schedules frequently for updates. Forty-three flights from newly restricted areas (New Jersey, New York, and Connecticut) were scheduled for Tuesday, March 24, 2020.

Concessions and businesses within the airport are implementing augmented schedules as determined by corporate partners; concessions will be operating as take-out only. All rental car companies have consolidated in one location within Terminal A to serve customers returning or renting vehicles.

LYNX reports the LYNX 300 Routes in the Disney area are not scheduled to run at this time. LYMMO and other LYNX services will operate as scheduled. LYNX Central Station's terminal lobby will be closed from 2300 through 0500 hours in accordance with Orange County's mandatory curfew. LYNX continues to follow increased housekeeping measures.

## **ESF 4 & 9 – FIREFIGHTING & URBAN SEARCH & RESCUE**

The Orange County Fire Rescue Department (OCFRD) is currently functioning under normal operations and staffing. OCFRD has activated the Department Operations Center (DOC) from 0700-2200 hours daily to assist with the coordination of COVID-19 preparations and responses. OCFRD is limiting meetings and training events to reduce the number of personnel congregating in one location. To further reduce exposure to the general public, non-essential activities such as station tours and public relation events have been postponed or cancelled.

Fire station crews are conducting wellness screenings to detect and control potential COVID-19 risks in the workplace. Personal protective equipment (PPE) levels are being closely monitored and measures have been employed to conserve available PPE. Operations is reducing the number of units responding to certain incident categories when appropriate to limit crew exposure and conserve PPE.

## **ESF5 – INFORMATION & PLANNING**

The State Division of Emergency Management activated the State Emergency Operations Center to a Level I – Full Activation on March 14, 2020.

One of the four Regional Testing Sites in the State of Florida is located on Orange County Convention Center property and opened for collection/testing today. The intention of this location is to provide testing to healthcare workers, first responders, and those of ages 65 and older exhibiting COVID-19 symptoms. The site tested 247 individuals with one person refusing to be tested after the kit was opened and two collection kits deemed unusable for a total of 250 collection kits for the day.

The Orange County Emergency Operations Center (EOC) remains activated to a Level II – Partial Activation and continues to monitor for additional staff that may be needed. The hours of operations are 0730 to 1930 hours. The Orange County EOC continues to monitor all activities in the County, participate in related conference calls, and monitor all information available on the Centers for Disease Control (CDC) and Johns Hopkins Websites. Activity levels in the EOC continue to increase. Fire Rescue activated the Department's Operation Center on March 20, 2020.

Local State of Emergencies have been declared in 64 of the 67 counties located in the State of Florida. Forty-seven counties in the State of Florida have activated to EOC-Level II-Partial Activations and one (Alachua County) has activated to EOC-Level I-Full Activation.

Orange County 3-1-1 received 93 calls on Tuesday, March 24, 2020.

Orange County OEM is processing resource requests from partners in the County and providing support to our surrounding agencies. Additional coordination is in process with all area hospitals through ESF8.

The Orange County Office of Emergency Management is fielding several calls in relation to the recent Orange County Stay at Home Order that will take effect on March 26, 2020.

## ESF7 – RESOURCE SUPPORT

ESF7 Resource Support representatives continue to monitor both the E-Team and WebEOC systems for resource requests. There are currently no outstanding resource requests to be sourced. ESF7 continues to receive communications from prospective vendors offering products or services and coordinate with the appropriate ESF for further validation.

## ESF8 – HEALTH / MEDICAL ACTION ITEMS

Department of Health (DOH) – Orange reports the East side clinic at 12050 Colonial Drive is maintaining steady participation. The site has 50 test kits remaining and DOH expects to receive another shipment. DOH and Health Services are investigating point of care (POC) testing kits for potential applicability for use in the field by Emergency Medical Services (EMS) and corrections health professionals.

Advent Health Senior Leaders have opened a Corporate Command Center. This high-level command center oversees all Advent Health operations from Polk to Flagler County with the tactical operations continuing to be handled by the Emergency Management Team. Advent Health leaders are developing an Intensive Care Unit (ICU) and Emergency Department (ED) crisis plan. Advent Health is actively reporting updates to DOH; resource requests are forwarded to ESF8 as supplies are needed.

Orlando Health has updates on patient visitation posted on the Orlando Health main webpage and is reporting continuous updates to Orange County DOH. Current resource requests are being placed for ventilators, goggles, isolation gowns, disposable face shields, shoe covers, sanitizer, Tyvek suits, child's face masks, laboratory supplies, level 1 masks, level 3 masks, level 3 masks with face shields, nitrile gloves, and no touch thermometers for all freestanding Emergency Departments.

## ESF10 – HAZARDOUS MATERIALS

ESF10 reports representatives are actively monitoring the E-Team and WebEOC systems for resource requests. There are currently no resource requests pending.

The Environmental Protections Division (EPD) has cancelled or postponed all meetings and public outreach events. The EPD office is closed to the public. The majority of EPD staff have transitioned to working remotely. Those working in the office are practicing social distancing and following applicable CDC sanitizing guidelines.

## ESF13 – MILITARY SUPPORT

ESF13 reports the National Guard Task Force 265 has 194 personnel on site at the Convention Center. Operations at the Orange County Convention Center have begun. Ten National Guard Soldiers are assisting Florida Department of Health personnel with passenger screening at the Orlando International Airport in accordance with Florida State Executive Order 2020-80.

## ESF14 – PUBLIC INFORMATION

The Executive Policy Group Meeting was held today via conference call at 1300 hours.

The Public Information Office (PIO) continues to develop content for Orange County's COVID-19 informational page at [www.ocfl.net/coronavirus](http://www.ocfl.net/coronavirus). PIO continues to monitor social media outlets and coverage, coordinating messaging with the social media team. Orange County PIO is updating webpage resources with work/service updates from County departments and business tools. As of yesterday evening, Public Information received 24 media requests related to the COVID-19 crisis.

## ESF15 – EOC SUPPORT

ESF15 reports the administration will receive the day care needs assessment results Wednesday afternoon. The Boys and Girls Clubs and YMCA are being considered for service; a backup plan is being prepared if

needed. Donations, volunteers, and fee-based offers are being tracked, responses sent, and forwarded to appropriated entities.

## ESF16 – LAW ENFORCEMENT

Of the fifteen law enforcement agencies within Orange County, Orange County Sheriff's Office (OCSO) is acting as point of contact (POC) for submitting law enforcement requests. OCSO has assumed the responsibility to provide security and handle traffic flow at the Convention Center Testing Site. Additional resources will be requested if needed to help manage the process.

OCSO has changed its response guidelines concerning medical calls; deputies are advised to allow the fire department to assess the situation and determine the need for a law enforcement response. OCSO is monitoring the dynamic COVID-19 situation and will adjust staffing and scheduling as the situation requires.

OCSO will be staffing 32 of the 51 school locations Orange County Public Schools will have open for food distribution sites.

## ESF18 – BUSINESS & INDUSTRY

The Orlando Economic Partnership has created a page for businesses to access United States Small Business Administration (SBA) information. Please follow this link [Orlando Economic Partnership](#) for more information.

The Business Damage Assessment survey has been activated to access the impact of COVID-19 on Florida's local business operations. Please follow this link [Business Damage Assessment Survey](#) to complete the survey.

## PARTNERS – TOURISM SECTOR

Visit Orlando has established an assistance line to support visitors in need. Visitors can call 407-363-5872 or live chat with representatives through [www.VisitOrlando.com](http://www.VisitOrlando.com). Traveler FAQs and other resources can also be found at [VisitOrlando.com/healthsafety](http://VisitOrlando.com/healthsafety).

To support Orlando's restaurant community, Visit Orlando launched a special "Orlando To Go" campaign. More than 120 member restaurants' takeout and delivery options are listed on [VisitOrlando.com/togo](http://VisitOrlando.com/togo). To establish the site, Visit Orlando contacted its hundreds of member restaurants to determine which restaurants are currently open and serving take-out and delivery, but encourages Central Floridians to support all local restaurants.

Florida Department of Children and Families (DCF) has temporarily closed all storefronts and lobbies. The department will utilize technology to ensure continuity of service for clients. DCF will waive work requirements for individuals participating in the Supplemental Nutrition Assistance Program (SNAP) and Temporary Assistance for Needy Families (TANF) program. The temporary relief of mandatory work requirements will alleviate any undue burden with no disruptions to the receipt of cash and/or food assistance benefits. Details and further information about this program can be obtained at: <https://www.myflorida.com/accessflorida/>

Rollins College reports they are housing thirty hardship students. These students are primarily international students unable to return home due to travel restrictions.

University of Central Florida (UCF) Interim President Seymour signed an Emergency Declaration on March 24, 2020. UCF's Department of Housing and Residence Life has announced that all students must move out of university residence halls by Wednesday, March 25, 2020, at 1800 hours, unless a student has an extenuating circumstances.

Orange County Utilities has suspended disconnections of service until further notice.

Duke Energy has suspended disconnections of service until further notice.

Orlando Utilities Commission (OUC) has closed walk-in centers; customers may conduct business over the phone or via self-service channels. OUC has waived late fees and suspended disconnections until further notice.

Orange County Public Schools (OCPS) will remain closed through April 15, 2020. OCPS will begin distance learning on Monday, March 30, 2020. OCPS district offices are changing employee work hours to Monday through Friday from 0900 to 1500 hours, with the EOC operating from 0800 through 1500 hours. OCPS Food and Nutrition Services 50 “Grab and Go” student food distribution sites will be operating Monday through Friday from 10:00 to 14:00 hours. Follow this link for a list of [OCPS Food Distribution Sites](#).

The Orange County Convention Center has launched a webpage with information at: <https://www.occc.net/coronavirus>.

MegaCon Orlando at the Orange County Convention Center has been rescheduled for June 4 thru 7, 2020.

The Orange County Fire Marshal’s Office requires a permit for all events that have 50 or more attendees. Through the permitting process, the Fire Marshal’s Office has received nine additional cancelations since March 24, 2020, for shows outside of the Orange County Convention Center:

Event name	Venue	Date of event	Status	Anticipated attendees
ADISA	The Rosen Shingle Creek	4/6/2020 - 4/7/2020	Canceled	500
American Academy of Cosmedic Dentistry	The Rosen Shingle Creek	4/23/2020	Canceled	500
Jets Pizza Franchise Convention	The Rosen Shingle Creek	4/27/2020	Postponed	400
ANNA	The Caribe Royal	4/20/2020 - 4/21/2020	Postponed	500
Reef a Palooza	The Renaissance at Sea World	4/25/2020 - 4/26/2020	Postponed	500
SDA Senior Dinning Assoc	The Renaissance at Sea World	4/28/2020	Postponed	500
Patient Experience Conference	The Hilton Bonnet Creek	4/20/2020	Canceled	1000
Florida Moose Association	The Rosen Plaza	5/1/2020	Canceled	500
Blackstone	The Hilton Bonnet Creek	5/6/2020	Canceled	400

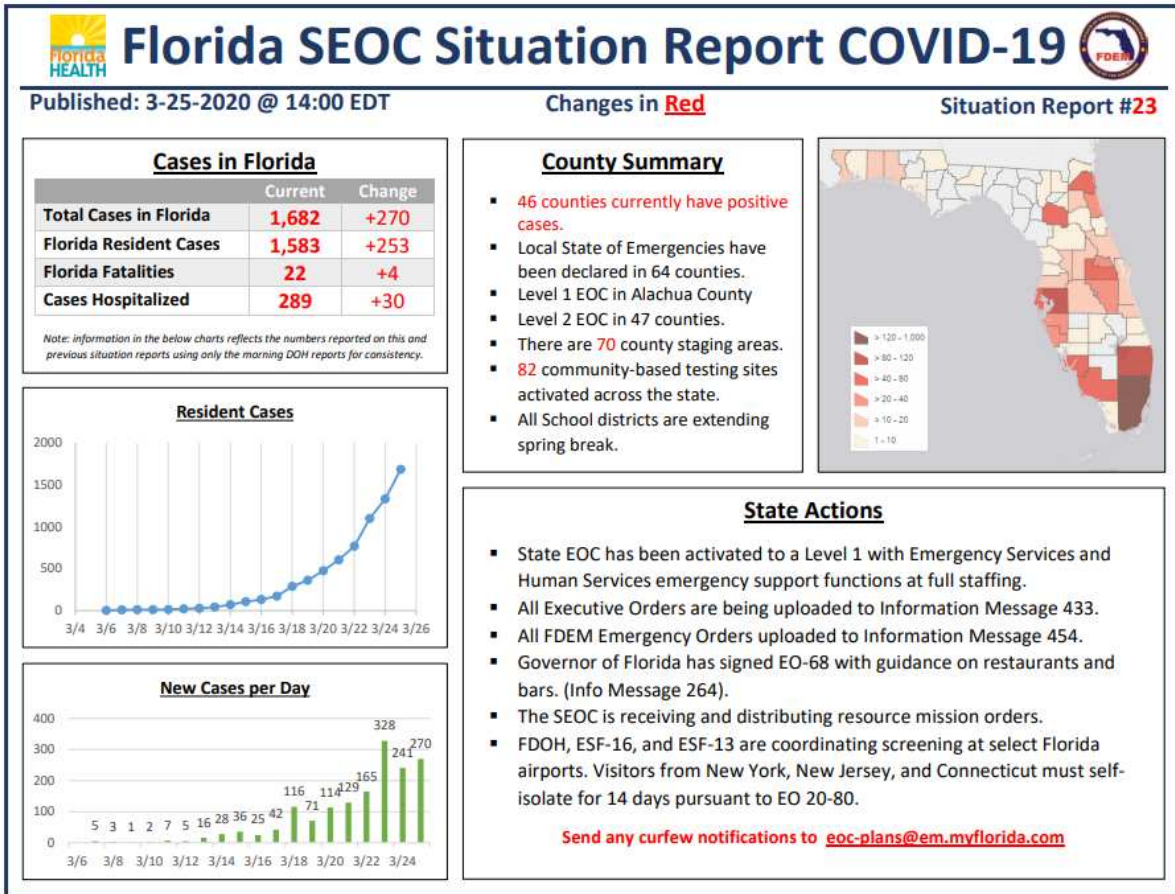

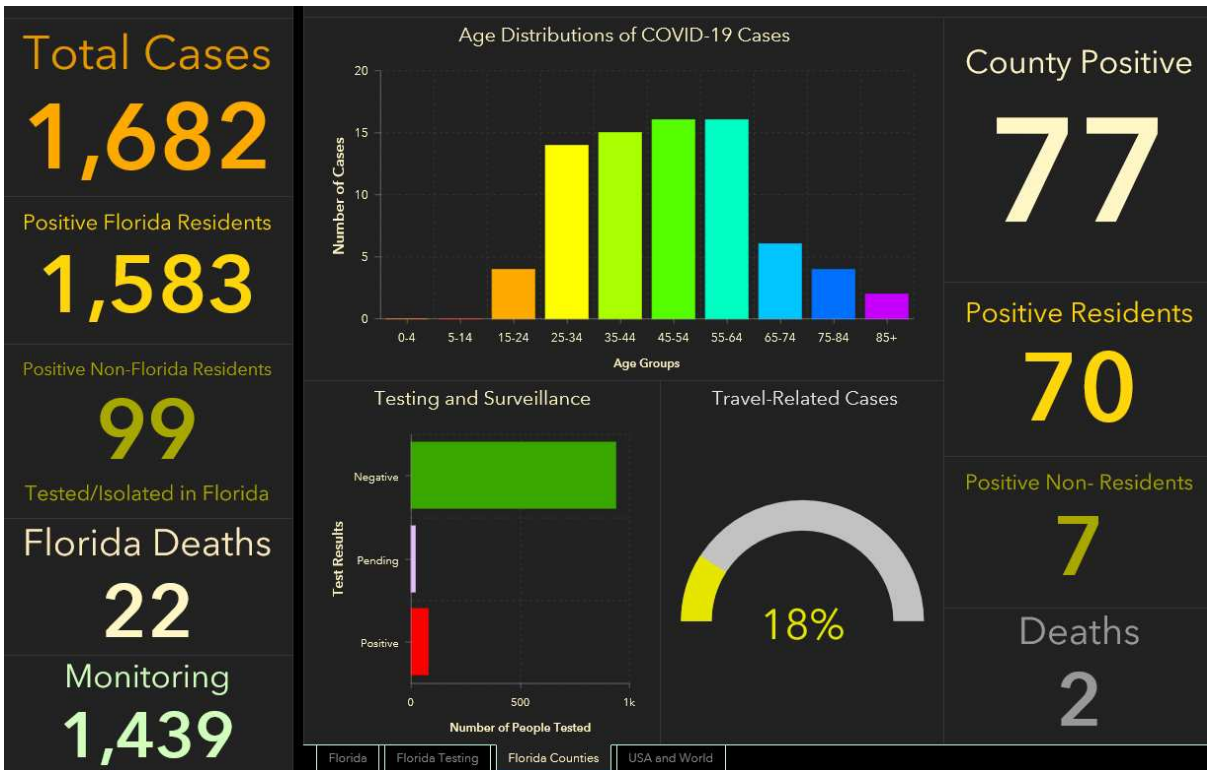

## AREA PARTNERS EMERGENCY OPERATIONS CENTERS

Local Partners with EOC activations:

- Maitland – Level II Partial Activation effective March 17, 2020
- Orange County Public Schools – Level II Partial Activation effective March 16, 2020
- Orlando Utilities Commission – Level II Partial Activation (Virtual) effective March 16, 2020
- City of Orlando – Level II Partial Activation (Virtual) effective March 18, 2020
- University of Central Florida – Level I Full Activation effective March 24, 2020
- Winter Park – Level II Partial Activation effective March 13, 2020

## GENERAL MESSAGING

The Centers for Disease Control (CDC) recommends that organizers cancel or postpone in-person events. Please see the CDC link listed in the key websites area.

All County-sponsored business travel to identified high-risk areas, as determined by the County Administrator, has been suspended until further notice.

In an effort to ensure employee safety, Orange County Government is transitioning eligible employees to working remotely.

In accordance with CDC, the Horizon West Town Hall meeting scheduled for April 9, 2020, has been postponed for a date to be determined.

All Orange County Boat Ramps will remain closed until further notice.

Orange County residents are encouraged to follow information being provided through the links for specific municipality services during this COVID-19 Pandemic.

Google has a host of resources available to students and remote workers. See the link in the key websites section for more information.

## **ESF1 – TRANSPORTATION**

The Greater Orlando Aviation Authority reports Virgin Airlines has rescue flights scheduled through Friday, March 27, 2020. Travelers with scheduled flights are encouraged to check airline schedules frequently for updates.

Concessions and businesses within the airport are implementing augmented schedules as determined by corporate partners; concessions will be operating as take-out only. All rental car companies have consolidated in one location within Terminal A to serve customers returning or renting vehicles.

LYNX reports the LYNX 300 Routes in the Disney area are not scheduled to run at this time. LYMMO and other LYNX services will operate as scheduled. LYNX Central Station's terminal lobby will be closed from 2300 through 0500 hours in accordance with Orange County's mandatory curfew. LYNX continues to follow increased housekeeping measures.

## **ESF 4 & 9 – FIREFIGHTING & URBAN SEARCH & RESCUE**

The Orange County Fire Rescue Department (OCFRD) is currently functioning under normal operations and staffing. OCFRD has activated the Department Operations Center (DOC) from 0700-2200 hours daily to assist with the coordination of COVID-19 preparations and responses. OCFRD is limiting meetings and training events to reduce the number of personnel congregating in one location. To further reduce exposure to the general public, non-essential activities such as station tours and public relation events have been postponed or cancelled.

Fire station crews are conducting wellness screenings to detect and control potential COVID-19 risks in the workplace. Personal protective equipment (PPE) levels are being closely monitored and measures have been employed to conserve available PPE. Operations is reducing the number of units responding to certain incident categories when appropriate to limit crew exposure and conserve PPE.

## **ESF5 – INFORMATION & PLANNING**

The State Division of Emergency Management activated the State Emergency Operations Center to a Level I – Full Activation on March 14, 2020.

One of the four Regional Testing Sites in the State of Florida is located on Orange County Convention Center property and opened for collection/testing on Wednesday, March 25, 2020. The intention of this location is to provide testing to healthcare workers, first responders, and those of ages 65 and older exhibiting COVID-19 symptoms. The site tested 252 individuals today. The Convention Center testing site opened an additional lane, dedicating one lane to healthcare workers and one lane for the public. This approach allowed personnel to complete collection of the 252 samples by 1400 hours.

The Orange County Emergency Operations Center (EOC) remains activated to a Level II – Partial Activation and continues to monitor for additional staff that may be needed. The hours of operations are 0730 to 1930 hours. The Orange County EOC continues to monitor all activities in the County, participate in related conference calls, and monitor all information available on the Centers for Disease Control (CDC) and Johns Hopkins Websites. Activity levels in the EOC continue to increase. Fire Rescue activated the Department's Operation Center on March 20, 2020.

Local State of Emergencies have been declared in 64 of the 67 counties located in the State of Florida. Forty-seven counties in the State of Florida have activated to EOC-Level II-Partial Activations and one (Alachua County) has activated to EOC-Level I-Full Activation.

Orange County 3-1-1 received 375 calls on Wednesday, March 25, 2020.

Orange County OEM is processing resource requests from partners in the County and providing support to our surrounding agencies. Additional coordination is in process with all area hospitals through ESF8.

The Orange County Office of Emergency Management is fielding calls in relation to the recent Orange County Stay at Home Order that will take effect tonight at 2300 hours.

## ESF7 – RESOURCE SUPPORT

ESF7 Resource Support representatives continue to monitor both the E-Team and WebEOC systems for resource requests. There are currently no outstanding resource requests to be sourced. ESF7 continues to receive communications from prospective vendors offering products or services and coordinate with the appropriate ESF for further validation.

## ESF8 – HEALTH / MEDICAL ACTION ITEMS

Department of Health (DOH) – Orange reports the East side clinic at 12050 Colonial Drive is maintaining a steady participation, with 16 appointments a day. The site received additional test kits from Seminole County and DOH expects to receive another shipment this week. DOH is transitioning more personnel to assist at testing sites, the call center, and with Epidemiology research.

ESF8 logistics picked up Personal Protective Equipment (PPE) supplies from the State Logistical Resource Center today. Health Services (HS) reports the quantities of supplies received were similar to the shipment received five days ago. HS expects to receive similar sized shipments every five to seven days to catch up with current demand.

Advent Health and Orlando Health continues on their current track reported over the last few days, to prepare and evaluate the situation as it unfolds. Both continue to report updates to Orange County DOH.

## ESF10 – HAZARDOUS MATERIALS

ESF10 reports representatives are actively monitoring the E-Team and WebEOC systems for resource requests. There are currently no resource requests pending.

The Environmental Protections Division (EPD) has cancelled or postponed all meetings and public outreach events. The EPD office is closed to the public. The majority of EPD staff have transitioned to working remotely. Those working in the office and in the field are practicing social distancing and following applicable CDC sanitizing guidelines.

## ESF13 – MILITARY SUPPORT

ESF13 reports the National Guard Task Force 265 has 194 personnel on site at the Convention Center. Operations at the Orange County Convention Center are ongoing. Ten National Guard Soldiers are assisting Florida Department of Health personnel with passenger screening at the Orlando International Airport in accordance with Florida State Executive Order 2020-80. On March 25, 2020, 575 passengers from 45 flights were screened at the Orlando International Airport and included the flights coming from New York.

## ESF14 – PUBLIC INFORMATION

The Executive Policy Group Meeting was held today via conference call at 1100 hours.

Orange County Mayor Jerry Demings held a press briefing in the Board of County Commission Chambers at 1600 hours to brief the public on the actions being taken to assure our communities safety.

The Public Information Office (PIO) continues to develop content for Orange County's COVID-19 informational page at [www.ocfl.net/coronavirus](http://www.ocfl.net/coronavirus). PIO continues to monitor social media outlets and coverage, coordinating messaging with the social media team. Orange County PIO is updating webpage resources with work/service updates from County departments and business tools. As of yesterday evening, Public Information received 26 media requests related to the COVID-19 crisis.

## ESF15 – EOC SUPPORT

ESF15 reports that administration is still compiling the results of the day care needs assessment. The Boys and Girls Clubs and YMCA are being considered for service; a backup plan is being prepared if needed. Donations, volunteers, and fee-based offers are being tracked, responses sent, and forwarded to appropriated entities.

## ESF16 – LAW ENFORCEMENT

Of the fifteen law enforcement agencies within Orange County, Orange County Sheriff's Office (OCSO) is acting as point of contact (POC) for submitting law enforcement requests. OCSO has assumed the responsibility to provide security and handle traffic flow at the Convention Center Testing Site. Additional resources will be requested if needed to help manage the process.

OCSO has changed its response guidelines concerning medical calls; deputies are advised to allow the fire department to assess the situation and determine the need for a law enforcement response. OCSO is monitoring the dynamic COVID-19 situation and will adjust staffing and scheduling as the situation requires.

OCSO will be staffing 32 of the 51 school locations Orange County Public Schools will have open for food distribution sites.

## ESF18 – BUSINESS & INDUSTRY

The Orlando Economic Partnership has created a page for businesses to access United States Small Business Administration (SBA) information. Please follow this link [Orlando Economic Partnership](#) for more information.

The Business Damage Assessment survey has been activated to access the impact of COVID-19 on Florida's local business operations. Please follow this link [Business Damage Assessment Survey](#) to complete the survey.

## PARTNERS – TOURISM SECTOR

Visit Orlando has established an assistance line to support visitors in need. Visitors can call 407-363-5872 or live chat with representatives through [www.VisitOrlando.com](http://www.VisitOrlando.com). Traveler FAQs and other resources can also be found at [VisitOrlando.com/healthsafety](http://VisitOrlando.com/healthsafety).

To support Orlando's restaurant community, Visit Orlando launched a special "Orlando To Go" campaign. More than 120 member restaurants' takeout and delivery options are listed on [VisitOrlando.com/togo](http://VisitOrlando.com/togo). To establish the site, Visit Orlando contacted its hundreds of member restaurants to determine which restaurants are currently open and serving take-out and delivery, but encourages Central Floridians to support all local restaurants.

Florida Department of Children and Families (DCF) has temporarily closed all storefronts and lobbies. The department will utilize technology to ensure continuity of service for clients. DCF will waive work requirements for individuals participating in the Supplemental Nutrition Assistance Program (SNAP) and Temporary Assistance for Needy Families (TANF) program. The temporary relief of mandatory work requirements will alleviate any undue burden with no disruptions to the receipt of cash and/or food assistance benefits. Details and further information about this program can be obtained at: <https://www.myflorida.com/accessflorida/>

Rollins College reports they are housing thirty hardship students. These students are primarily international students unable to return home due to travel restrictions.

University of Central Florida (UCF) Interim President Seymour signed an Emergency Declaration on March 24, 2020. UCF's Department of Housing and Residence Life has announced that all students must move out of university residence halls by Wednesday, March 25, 2020, at 1800 hours, unless a student has an extenuating circumstance.

Orange County Utilities has suspended disconnections of service until further notice.

Duke Energy has suspended disconnections of service until further notice.

Orlando Utilities Commission (OUC) has closed walk-in centers; customers may conduct business over the phone or via self-service channels. OUC has waived late fees and suspended disconnections until further notice.

Orange County Public Schools (OCPS) will remain closed through April 15, 2020. OCPS will begin distance learning on Monday, March 30, 2020. Effective March 27, 2020, OCPS district offices will not be open for walk-in visitors. OCPS employee work hours will be adjusted to Monday through Friday from 0900 to 1400

hours. OCPS Food and Nutrition Services 50 “Grab and Go” student food distribution sites will be operating Monday through Friday from 1000 to 1300 hours. On Wednesday, March 25, 2020, the OCPS “Grab and Go” program fed 38,497 meals to 19,249 school aged children. Follow this link for a list of [OCPS Food Distribution Sites](#).

The Orange County Convention Center has launched a webpage with information at: <https://www.occc.net/coronavirus>.

MegaCon Orlando at the Orange County Convention Center has been rescheduled for June 4-7, 2020.

The Orange County Fire Marshal’s Office requires a permit for all events that have 50 or more attendees. Through the permitting process, the Fire Marshal’s Office has received one additional cancelation since March 25, 2020, for shows outside of the Orange County Convention Center:

Event name	Venue	Date of event	Status	Anticipated attendees
NAVC	The Caribe Royal	5/18-21/2020	Cancelled	400

## AREA PARTNERS EMERGENCY OPERATIONS CENTERS

Local Partners with EOC activations:

- Maitland – Level II Partial Activation effective March 17, 2020
- Orange County Public Schools – Level II Partial Activation effective March 16, 2020
- Orlando Utilities Commission – Level II Partial Activation (Virtual) effective March 16, 2020
- City of Orlando – Level II Partial Activation (Virtual) effective March 18, 2020
- University of Central Florida – Level I Full Activation effective March 24, 2020
- Winter Park – Level II Partial Activation effective March 13, 2020

## SOCIAL MEDIA PLATFORMS

Orange County Office of Emergency Management provides this information for internal planning and distribution; it is not intended for release to the public or posting on social media. Stay connected with #myOCFL and @OCFireRescue. Visit [www.ocfl.net/Coronavirus](http://www.ocfl.net/Coronavirus) for updates and information.

## EXECUTIVE ORDERS

[Executive Order 2020-51](#) - Governor DeSantis signed order establishing Coronavirus Response Protocol and directed the State Surgeon General to issue a Public Health Emergency.

[Executive Order 2020-52](#) - Governor DeSantis signed order declaring a State of Emergency.

[Executive Order 2020-68](#) - Governor DeSantis signed order suspending liquor licenses for bars, limiting groups gathering on beaches, limiting restaurant occupancy and requiring restaurants to screen employees for COVID-19.

[Executive Order 2020-69](#) - Governor DeSantis signed order suspends statutes requiring an in person quorum for government meetings and allows local governments to utilize communications media technology.

[Executive Order 2020-70](#) - Governor DeSantis signed order requiring closures in Palm Beach and Broward counties.

[Executive Order 2020-71](#) - Governor DeSantis signed order closing gyms and fitness centers, allowing restaurants to sell alcohol for off premises and allowing vendors to return unused alcoholic beverages for cancelled events.

[Executive Order 2020-72](#) - Governor DeSantis signed order prohibiting all hospitals, ambulatory surgical centers, office surgery centers, dental, orthodontic and endodontic offices and other health care practitioners' office in the State of Florida from providing any medically unnecessary, non-urgent or non-emergency procedure or surgery.

[Executive Order 2020-80](#) - Governor DeSantis signed order requiring persons entering the state through airports to isolate or quarantine themselves for a period of fourteen days or the duration of the person's stay in Florida, whichever is shorter. Florida Department of Health shall coordinate with Florida Department of Emergency Management and each aviation authority and local authorities to effectuate this isolation.

[Executive Order 2020-82](#) - Governor DeSantis signed order requiring persons entering the state through from areas with substantial community spread to isolate or quarantine themselves for a period of fourteen days or the duration of the person's stay in Florida, whichever is shorter. This order requires those persons to inform any individual in Florida they come in contact with that they have traveled from such an area.

[Executive Order 2020-83](#) - Governor DeSantis signed order requiring the State Surgeon General and State Health Officer to issue a public health advisory against public gatherings of more than ten, encourage those who can to work remotely and to urge all persons over 65 years of age and those with underlying health conditions to remain home.

[Department of Emergency Management 20-001](#) – Emergency Order Suspending Florida Statutes that prevent or hinder necessary action by the Division in coping with COVID-19 emergency.

[Department of Emergency Management 20-002](#) – Emergency Order Suspending Florida Statutes for the purpose of prohibiting certain individuals from visiting facilities.

[Department of Emergency Management 20-003](#) – Emergency Order Designating Deputy Director Kevin Guthrie as a Deputy State Coordinating Officer.

[Department of Emergency Management 20-004](#) – Emergency Order Suspending Florida Statutes for the purpose of allowing school districts to adjust school calendars as needed.

[Department of Emergency Management 20-005](#) – Emergency Order Suspending Florida Statutes limiting who can visit facilities in Broward County.

[Department of Emergency Management 20-006](#) – Visitation Limits at Residential, Skilled Nursing and Long-term Care Facilities

[Orange County State of Local Emergency Executive Order 2020-01](#)- Establishes Orange County State of Local Emergency.

[Orange County Florida Emergency Executive Order 2020-03](#) – Establishes a curfew in Orange County from 23:00 to 05:00 hours.

[Orange County Florida Emergency Executive Order 2020-04](#) – Establishes a stay at home order for Orange County citizens that will go in effect on March 26, 2020, at 2300 hours. This Emergency Order requires non-essential businesses to close, but allows citizens to travel during the day to meet basic needs.

[Orange County Florida Emergency Executive Order 2020-05](#) – Amends Executive Order 2020-05 for clarification of basic needs, activities, essential and non-essential business.

## COVID-19 HOTLINES & KEY WEBSITES

Florida Department of Health Call Center 1-866-779-6121 or [COVID-19@flhealth.com](mailto:COVID-19@flhealth.com)

Governor DeSantis established a Joint Information Center on COVID-19 for the State of Florida **1-850-815-4940**, [ESF14@em.myflorida.com](mailto:ESF14@em.myflorida.com)

Advent Health established a COVID-19 hotline. Nurses from the Hospital Group staff the hotline twenty-four hours a day, seven days a week. Those with questions or concerns should call **1-877-847-8747**. Advent Health offers virtual visits, simply follow the link to download the app at [Advent Health Virtual Visit](#).

Orlando Health has launched a hotline for the community to obtain information about COVID-19 twenty-four hours a day, seven days a week. The public can get accurate information by calling **1-877-321-2684**. Orlando Health offers a virtual visit option is at [Orlando Health Virtual Visit](#).

Florida Attorney General, Ashley Moody, activated Florida's Price Gouging Hotline. Consumers can report price gouging by phone at **1-866-966-7226** or online at [myfloridalegal.com](http://myfloridalegal.com).

## GENERAL MESSAGING

The Centers for Disease Control (CDC) recommends that organizers cancel or postpone in-person events. Please see the CDC link listed in the key websites area.

All County-sponsored business travel to identified high-risk areas, as determined by the County Administrator, has been suspended until further notice.

In an effort to ensure employee safety, Orange County Government is transitioning eligible employees to working remotely.

In accordance with CDC, the Horizon West Town Hall meeting scheduled for April 9, 2020, has been postponed for a date to be determined.

All Orange County Boat Ramps will remain closed until further notice.

Orange County residents are encouraged to follow information being provided through the links for specific municipality services during this COVID-19 Pandemic.

Google has a host of resources available to students and remote workers. See the link in the key websites section for more information.

## **ESF1 – TRANSPORTATION**

The Greater Orlando Aviation Authority reports Virgin Airlines has rescue flights scheduled through Friday, March 27, 2020. Travelers with scheduled flights are encouraged to check airline schedules frequently for updates.

Concessions and businesses within the airport are implementing augmented schedules as determined by corporate partners; concessions will be operating as take-out only. All rental car companies have consolidated in one location within Terminal A to serve customers returning or renting vehicles.

LYNX reports the LYNX 300 Routes in the Disney area are not scheduled to run at this time. LYMMO and other LYNX services will operate as scheduled. LYNX Central Station's terminal lobby will be closed from 2300 through 0500 hours in accordance with Orange County's mandatory curfew. LYNX continues to follow increased housekeeping measures.

## **ESF 4 & 9 – FIREFIGHTING & URBAN SEARCH & RESCUE**

The Orange County Fire Rescue Department (OCFRD) is currently functioning under normal operations and staffing. OCFRD has activated the Department Operations Center (DOC) from 0700-2200 hours daily to assist with the coordination of COVID-19 preparations and responses. OCFRD is limiting meetings and training events to reduce the number of personnel congregating in one location. To further reduce exposure to the general public, non-essential activities such as station tours and public relation events have been postponed or cancelled.

Fire station crews are conducting wellness screenings to detect and control potential COVID-19 risks in the workplace. Personal protective equipment (PPE) levels are being closely monitored and measures have been employed to conserve available PPE. Operations is reducing the number of units responding to certain incident categories when appropriate to limit crew exposure and conserve PPE.

## **ESF5 – INFORMATION & PLANNING**

The State Division of Emergency Management activated the State Emergency Operations Center to a Level I – Full Activation on March 14, 2020.

One of the four Regional Testing Sites in the State of Florida is located on Orange County Convention Center property and opened for collection/testing on Wednesday, March 25, 2020. The intention of this location is to provide testing to healthcare workers, first responders, and those of ages 65 and older exhibiting COVID-19 symptoms. The site tested 252 individuals today. The Convention Center testing site opened an additional lane, dedicating one lane to healthcare workers and one lane for the public. This approach allowed personnel to complete collection of the 252 samples by 1400 hours.

The Orange County Emergency Operations Center (EOC) remains activated to a Level II – Partial Activation and continues to monitor for additional staff that may be needed. The hours of operations are 0730 to 1930 hours. The Orange County EOC continues to monitor all activities in the County, participate in related conference calls, and monitor all information available on the Centers for Disease Control (CDC) and Johns Hopkins Websites. Activity levels in the EOC continue to increase. Fire Rescue activated the Department's Operation Center on March 20, 2020.

Local State of Emergencies have been declared in 64 of the 67 counties located in the State of Florida. Forty-seven counties in the State of Florida have activated to EOC-Level II-Partial Activations and one (Alachua County) has activated to EOC-Level I-Full Activation.

Orange County 3-1-1 received 375 calls on Wednesday, March 25, 2020.

Orange County OEM is processing resource requests from partners in the County and providing support to our surrounding agencies. Additional coordination is in process with all area hospitals through ESF8.

The Orange County Office of Emergency Management is fielding calls in relation to the recent Orange County Stay at Home Order that will take effect tonight at 2300 hours.

## ESF7 – RESOURCE SUPPORT

ESF7 Resource Support representatives continue to monitor both the E-Team and WebEOC systems for resource requests. There are currently no outstanding resource requests to be sourced. ESF7 continues to receive communications from prospective vendors offering products or services and coordinate with the appropriate ESF for further validation.

## ESF8 – HEALTH / MEDICAL ACTION ITEMS

Department of Health (DOH) – Orange reports the East side clinic at 12050 Colonial Drive is maintaining a steady participation, with 16 appointments a day. The site received additional test kits from Seminole County and DOH expects to receive another shipment this week. DOH is transitioning more personnel to assist at testing sites, the call center, and with Epidemiology research.

ESF8 logistics picked up Personal Protective Equipment (PPE) supplies from the State Logistical Resource Center today. Health Services (HS) reports the quantities of supplies received were similar to the shipment received five days ago. HS expects to receive similar sized shipments every five to seven days to catch up with current demand.

Advent Health and Orlando Health continues on their current track reported over the last few days, to prepare and evaluate the situation as it unfolds. Both continue to report updates to Orange County DOH.

## ESF10 – HAZARDOUS MATERIALS

ESF10 reports representatives are actively monitoring the E-Team and WebEOC systems for resource requests. There are currently no resource requests pending.

The Environmental Protections Division (EPD) has cancelled or postponed all meetings and public outreach events. The EPD office is closed to the public. The majority of EPD staff have transitioned to working remotely. Those working in the office and in the field are practicing social distancing and following applicable CDC sanitizing guidelines.

## ESF13 – MILITARY SUPPORT

ESF13 reports the National Guard Task Force 265 has 194 personnel on site at the Convention Center. Operations at the Orange County Convention Center are ongoing. Ten National Guard Soldiers are assisting Florida Department of Health personnel with passenger screening at the Orlando International Airport in accordance with Florida State Executive Order 2020-80. On March 25, 2020, 575 passengers from 45 flights were screened at the Orlando International Airport and included the flights coming from New York.

## ESF14 – PUBLIC INFORMATION

The Executive Policy Group Meeting was held today via conference call at 1100 hours.

Orange County Mayor Jerry Demings held a press briefing in the Board of County Commission Chambers at 1600 hours to brief the public on the actions being taken to assure our communities safety.

The Public Information Office (PIO) continues to develop content for Orange County's COVID-19 informational page at [www.ocfl.net/coronavirus](http://www.ocfl.net/coronavirus). PIO continues to monitor social media outlets and coverage, coordinating messaging with the social media team. Orange County PIO is updating webpage resources with work/service updates from County departments and business tools. As of yesterday evening, Public Information received 26 media requests related to the COVID-19 crisis.

## ESF15 – EOC SUPPORT

ESF15 reports that administration is still compiling the results of the day care needs assessment. The Boys and Girls Clubs and YMCA are being considered for service; a backup plan is being prepared if needed. Donations, volunteers, and fee-based offers are being tracked, responses sent, and forwarded to appropriated entities.

## ESF16 – LAW ENFORCEMENT

Of the fifteen law enforcement agencies within Orange County, Orange County Sheriff's Office (OCSO) is acting as point of contact (POC) for submitting law enforcement requests. OCSO has assumed the responsibility to provide security and handle traffic flow at the Convention Center Testing Site. Additional resources will be requested if needed to help manage the process.

OCSO has changed its response guidelines concerning medical calls; deputies are advised to allow the fire department to assess the situation and determine the need for a law enforcement response. OCSO is monitoring the dynamic COVID-19 situation and will adjust staffing and scheduling as the situation requires.

OCSO will be staffing 32 of the 51 school locations Orange County Public Schools will have open for food distribution sites.

## ESF18 – BUSINESS & INDUSTRY

The Orlando Economic Partnership has created a page for businesses to access United States Small Business Administration (SBA) information. Please follow this link [Orlando Economic Partnership](#) for more information.

The Business Damage Assessment survey has been activated to access the impact of COVID-19 on Florida's local business operations. Please follow this link [Business Damage Assessment Survey](#) to complete the survey.

## PARTNERS – TOURISM SECTOR

Visit Orlando has established an assistance line to support visitors in need. Visitors can call 407-363-5872 or live chat with representatives through [www.VisitOrlando.com](http://www.VisitOrlando.com). Traveler FAQs and other resources can also be found at [VisitOrlando.com/healthsafety](http://VisitOrlando.com/healthsafety).

To support Orlando's restaurant community, Visit Orlando launched a special "Orlando To Go" campaign. More than 120 member restaurants' takeout and delivery options are listed on [VisitOrlando.com/togo](http://VisitOrlando.com/togo). To establish the site, Visit Orlando contacted its hundreds of member restaurants to determine which restaurants are currently open and serving take-out and delivery, but encourages Central Floridians to support all local restaurants.

Florida Department of Children and Families (DCF) has temporarily closed all storefronts and lobbies. The department will utilize technology to ensure continuity of service for clients. DCF will waive work requirements for individuals participating in the Supplemental Nutrition Assistance Program (SNAP) and Temporary Assistance for Needy Families (TANF) program. The temporary relief of mandatory work requirements will alleviate any undue burden with no disruptions to the receipt of cash and/or food assistance benefits. Details and further information about this program can be obtained at: <https://www.myflorida.com/accessflorida/>

Rollins College reports they are housing thirty hardship students. These students are primarily international students unable to return home due to travel restrictions.

University of Central Florida (UCF) Interim President Seymour signed an Emergency Declaration on March 24, 2020. UCF's Department of Housing and Residence Life has announced that all students must move out of university residence halls by Wednesday, March 25, 2020, at 1800 hours, unless a student has an extenuating circumstance.

Orange County Utilities has suspended disconnections of service until further notice.

Duke Energy has suspended disconnections of service until further notice.

Orlando Utilities Commission (OUC) has closed walk-in centers; customers may conduct business over the phone or via self-service channels. OUC has waived late fees and suspended disconnections until further notice.

Orange County Public Schools (OCPS) will remain closed through April 15, 2020. OCPS will begin distance learning on Monday, March 30, 2020. Effective March 27, 2020, OCPS district offices will not be open for walk-in visitors. OCPS employee work hours will be adjusted to Monday through Friday from 0900 to 1400

hours. OCPS Food and Nutrition Services 50 “Grab and Go” student food distribution sites will be operating Monday through Friday from 1000 to 1300 hours. On Wednesday, March 25, 2020, the OCPS “Grab and Go” program fed 38,497 meals to 19,249 school aged children. Follow this link for a list of [OCPS Food Distribution Sites](#).

The Orange County Convention Center has launched a webpage with information at: <https://www.occc.net/coronavirus>.

MegaCon Orlando at the Orange County Convention Center has been rescheduled for June 4-7, 2020.

The Orange County Fire Marshal’s Office requires a permit for all events that have 50 or more attendees. Through the permitting process, the Fire Marshal’s Office has received one additional cancelation since March 25, 2020, for shows outside of the Orange County Convention Center:

Event name	Venue	Date of event	Status	Anticipated attendees
NAVC	The Caribe Royal	5/18-21/2020	Cancelled	400

## AREA PARTNERS EMERGENCY OPERATIONS CENTERS

## EXECUTIVE ORDERS

[Executive Order 2020-51](#) - Governor DeSantis signed order establishing Coronavirus Response Protocol and directed the State Surgeon General to issue a Public Health Emergency.

[Executive Order 2020-52](#) - Governor DeSantis signed order declaring a State of Emergency.

[Executive Order 2020-68](#) - Governor DeSantis signed order suspending liquor licenses for bars, limiting groups gathering on beaches, limiting restaurant occupancy and requiring restaurants to screen employees for COVID-19.

[Executive Order 2020-69](#) - Governor DeSantis signed order suspends statutes requiring an in person quorum for government meetings and allows local governments to utilize communications media technology.

[Executive Order 2020-70](#) - Governor DeSantis signed order requiring closures in Palm Beach and Broward counties.

[Executive Order 2020-71](#) - Governor DeSantis signed order closing gyms and fitness centers, allowing restaurants to sell alcohol for off premises and allowing vendors to return unused alcoholic beverages for cancelled events.

[Executive Order 2020-72](#) - Governor DeSantis signed order prohibiting all hospitals, ambulatory surgical centers, office surgery centers, dental, orthodontic and endodontic offices and other health care practitioners' office in the State of Florida from providing any medically unnecessary, non-urgent or non-emergency procedure or surgery.

[Executive Order 2020-80](#) - Governor DeSantis signed order requiring persons entering the state through airports to isolate or quarantine themselves for a period of fourteen days or the duration of the person's stay in Florida, whichever is shorter. Florida Department of Health shall coordinate with Florida Department of Emergency Management and each aviation authority and local authorities to effectuate this isolation.

[Executive Order 2020-82](#) - Governor DeSantis signed order requiring persons entering the state through from areas with substantial community spread to isolate or quarantine themselves for a period of fourteen days or the duration of the person's stay in Florida, whichever is shorter. This order requires those persons to inform any individual in Florida they come in contact with that they have traveled from such an area.

[Executive Order 2020-83](#) - Governor DeSantis signed order requiring the State Surgeon General and State Health Officer to issue a public health advisory against public gatherings of more than ten, encourage those who can to work remotely and to urge all persons over 65 years of age and those with underlying health conditions to remain home.

[Department of Emergency Management 20-001](#) – Emergency Order Suspending Florida Statutes that prevent or hinder necessary action by the Division in coping with COVID-19 emergency.

[Department of Emergency Management 20-002](#) – Emergency Order Suspending Florida Statutes for the purpose of prohibiting certain individuals from visiting facilities.

[Department of Emergency Management 20-003](#) – Emergency Order Designating Deputy Director Kevin Guthrie as a Deputy State Coordinating Officer.

[Department of Emergency Management 20-004](#) – Emergency Order Suspending Florida Statutes for the purpose of allowing school districts to adjust school calendars as needed.

[Department of Emergency Management 20-005](#) – Emergency Order Suspending Florida Statutes limiting who can visit facilities in Broward County.

[Department of Emergency Management 20-006](#) – Visitation Limits at Residential, Skilled Nursing and Long-term Care Facilities

[Orange County State of Local Emergency Executive Order 2020-01](#)- Establishes Orange County State of Local Emergency.

[Orange County Florida Emergency Executive Order 2020-03](#) – Establishes a curfew in Orange County from 23:00 to 05:00 hours.

[Orange County Florida Emergency Executive Order 2020-04](#) – Establishes a stay at home order for Orange County citizens that will go in effect on March 26, 2020, at 2300 hours. This Emergency Order requires non-essential businesses to close, but allows citizens to travel during the day to meet basic needs.

[Orange County Emergency Executive Order 2020-05](#) – Amends Executive Order 2020-05 for clarification of basic needs, activities, essential and non-essential business.

[Orange County Emergency Executive Order 2020-06](#) – Amends Executive Order 2020-01 to continue the Orange County State of Local Emergency for seven additional days.

## COVID-19 HOTLINES & KEY WEBSITES

Florida Department of Health Call Center 1-866-779-6121 or [COVID-19@flhealth.com](mailto:COVID-19@flhealth.com)

## GENERAL MESSAGING

The Centers for Disease Control (CDC) recommends that organizers cancel or postpone in-person events. Please see the CDC link listed in the key websites area.

All County-sponsored business travel to identified high-risk areas, as determined by the County Administrator, has been suspended until further notice.

In an effort to ensure employee safety, Orange County Government is transitioning eligible employees to working remotely.

In accordance with CDC, the Horizon West Town Hall meeting scheduled for April 9, 2020, has been postponed for a date to be determined.

All Orange County Boat Ramps will remain closed until further notice.

Orange County residents are encouraged to follow information being provided through the links for specific municipality services during this COVID-19 Pandemic.

Google has a host of resources available to students and remote workers. See the link in the key websites section for more information.

## ESF1 – TRANSPORTATION

The Greater Orlando Aviation Authority reports Virgin Airlines has rescue flights scheduled through today. Travelers with scheduled flights are encouraged to check airline schedules frequently for updates.

Concessions and businesses within the airport are implementing augmented schedules as determined by corporate partners; concessions will be operating as take-out only. All rental car companies have consolidated in one location within Terminal A to serve customers returning or renting vehicles.

Beginning Monday, March 30, 2020, LYNX will be modifying the Monday-Saturday schedule. Links 1, 6, 18, 23, 54, 57, 58, 155, 300, 301, 302, 303, 304, 305, 306, 313, and FastLink 441 will not have service. Link 320 will operate a modified Monday-Friday schedule. There will be no changes to the Sunday schedule. The full modified schedule can be found [here](#). LYNX Central Station's terminal lobby will be closed from 2300 through 0500 hours in accordance with Orange County's mandatory curfew.

LYNX will be providing courtesy transportation to the Orange County Public Schools feeding sites from 10:00-13:00 through April 15, 2020, as well as the Osceola County Public Schools feeding sites from 9:30-12:00 through April 17, 2020. Parents and children will be allowed to ride LYNX buses for free to these sites.

## ESF 4 & 9 – FIREFIGHTING & URBAN SEARCH & RESCUE

The Orange County Fire Rescue Department (OCFRD) is currently functioning under normal operations and staffing. OCFRD has activated the Department Operations Center (DOC) from 0700-2200 hours daily to assist with the coordination of COVID-19 preparations and responses. OCFRD is limiting meetings and training events to reduce the number of personnel congregating in one location. To further reduce exposure to the general public, non-essential activities such as station tours and public relation events have been postponed or cancelled.

Fire station crews are conducting wellness screenings to detect and control potential COVID-19 risks in the workplace. Personal protective equipment (PPE) levels are being closely monitored and measures have been employed to conserve available PPE. Operations is reducing the number of units responding to certain incident categories when appropriate to limit crew exposure and conserve PPE.

## ESF5 – INFORMATION & PLANNING

The State Division of Emergency Management activated the State Emergency Operations Center to a Level I – Full Activation on March 14, 2020.

One of the four Regional Testing Sites in the State of Florida is located on Orange County Convention Center property and opened for collection/testing on Wednesday, March 25, 2020. The intention of this location is to provide testing to healthcare workers, first responders, and those of ages 65 and older exhibiting COVID-19 symptoms. Operations are ongoing.

The Orange County Emergency Operations Center (EOC) activated to a Level I – Full Activation today with a heightened monitoring status. The hours of operations remain 0730 to 1930 hours. The Orange County EOC continues to monitor all activities in the County, participate in related conference calls, and monitor all information available on the Centers for Disease Control (CDC) and Johns Hopkins Websites. Fire Rescue activated the Department's Operation Center on March 20, 2020.

A security officer is now located within the guard shack at Fire/OCSO Headquarters at 6590 Amory Court to provide tighter security of the EOC and personnel working within the building.

Local State of Emergencies have been declared in all 67 counties located in the State of Florida. Fifty-three counties in the State of Florida have activated to EOC-Level II-Partial Activation and three (Alachua, Duval, and Orange County) have activated to EOC-Level I-Full Activation.

Orange County 3-1-1 received 249 calls on Thursday, March 26, 2020.

## ESF7 – RESOURCE SUPPORT

ESF7 Resource Support representatives continue to monitor both the E-Team and WebEOC systems for resource requests. There are currently no unfulfilled requests to be sourced, but ESF7 is actively working to source hand sanitizer. ESF7 continues to receive communications from prospective vendors offering products or services and coordinate with the appropriate ESF for further validation.

## ESF8 – HEALTH / MEDICAL ACTION ITEMS

Orange County Department of Health (DOH) reports the East side clinic at 12050 Colonial Drive is maintaining steady participation and will remain open for testing seven days a week. The site will receive 500 additional test kits today.

All public service agencies and health care facilities report shortages of Vital Oxide, a disinfecting solution used in Aeroclave units. Aeroclave reported that Durisan and Decon 7 will work in the units until Vital Oxide becomes available in a few weeks.

ESF8 logistics continues to distribute supplies. On Thursday, March 27, 2020, Health Services (HS) received 1,560 N95 masks, 13,778 procedure masks, 2,529 face shields, 2,062 gowns, and 73 boxes of gloves from the State Logistics Resource Center (SLRC). HS received an additional order from the SLRC today and will be distributing the supplies after processing.

Advent Health and Orlando Health continue to prepare and evaluate the situation as it unfolds and report updates to DOH. Orlando Health reports an updated urgent need for N95 masks, specifically size small; orders have been placed to the appropriate counties. Advent Health is currently investigating the use of technologies, such as Aeroclave and UV light, to allow for the sanitation and reuse of N95 masks.

## ESF10 – HAZARDOUS MATERIALS

ESF10 reports representatives are actively monitoring the E-Team and WebEOC systems for resource requests. There are currently no resource requests pending.

The Environmental Protection Division (EPD) has cancelled or postponed all meetings and public outreach events. The EPD office is closed to the public with a majority of EPD staff transitioning to working remotely. Two EPD staff have been requested to assist Community and Family Services answering phones at the Crisis Assistance Center beginning today at noon.

## ESF13 – MILITARY SUPPORT

ESF13 reports the National Guard Task Force 265 has 194 personnel on site at the Convention Center. Operations at the Orange County Convention Center are ongoing.

On Friday, March 27, 2020, a total of 524 individuals were screened and 250 test kits swabbed. As of 0800 hours today, a contracting crew will clean and disinfect the site twice daily.

Ten National Guard soldiers are assisting Florida Department of Health personnel with passenger screening at the Orlando International Airport in accordance with Florida State Executive Order 2020-80. On March 27, 2020, 112 passengers from 14 flights were screened at the Orlando International Airport.

## ESF14 – PUBLIC INFORMATION

The next Executive Policy Group Meeting is scheduled for Saturday, March 28, 2020, at 1300 hours.

The Public Information Office (PIO) continues to develop content for Orange County's COVID-19 [informational page](#) as well as social media. As of yesterday evening, Public Information received 36 media requests related to the COVID-19 crisis.

On Thursday, March 26, 2020, the Mayor's press conference was viewed by nearly 50,000 individuals on Facebook live and about 3,200 individuals on Twitter. PIO continues to update webpage resources with work/service updates from County departments and business tools, including [FAQs](#) and key takeaways from press conferences and Executive Orders.

## ESF15 – EOC SUPPORT

ESF15 reports that the results of the day care needs assessment are being compiled. The Boys and Girls Clubs and YMCA are being considered for service; a backup plan is being prepared if needed. Donations, volunteers, and fee-based offers are being tracked, responses sent, and forwarded to appropriated entities.

## ESF16 – LAW ENFORCEMENT

Of the fifteen law enforcement agencies within Orange County, Orange County Sheriff's Office (OCSO) is acting as point of contact (POC) for submitting law enforcement requests. OCSO has assumed the responsibility to provide security and handle traffic flow at the Convention Center Testing Site. Additional resources will be requested if needed to help manage the process.

OCSO has changed its response guidelines concerning medical calls; deputies are advised to allow the fire department to assess the situation and determine the need for a law enforcement response. OCSO is monitoring the dynamic COVID-19 situation and will adjust staffing and scheduling as the situation requires.

OCSO will be staffing 32 of the 51 school locations Orange County Public Schools will have open for food distribution sites.

## ESF18 – BUSINESS & INDUSTRY

The Orange County Economic Development Department has created a [webpage for business assistance](#) that is being actively updated as new information and programs come in through Federal, State, and Local resources.

Governor DeSantis has activated the Emergency Bridge Loan Program for Florida small businesses (2 to 100 employees) affected by COVID-19. To learn more or apply for a short-term, interest-free loan up to \$50,000, visit <https://floridadisasterloan.org>. The deadline to apply for this loan is May 8, 2020. Once an application is submitted, the processing time is twenty-one days. If approved, it will take an additional five days to receive the funds.

The U.S. Small Business Administration (SBA) activated the Economic Injury Disaster Loan (EIDL) for the State of Florida. This long-term loan is available for small businesses and private, non-profit organizations to help alleviate economic injury caused by COVID-19. The intent of this loan is to pay fixed debts, payroll, accounts payable, and other bills that can't be paid because of the disaster. To learn more and download an application, visit <https://disasterloan.sba.gov/ela>. The deadline to apply for this loan is December 18, 2020.

SBA Disaster Customer Service can be reached at (800) 659-2955 or (800) 877-8339 for special needs. SBA can also be reached by email at [disastercustomerservice@sba.com](mailto:disastercustomerservice@sba.com).

## PARTNERS – TOURISM SECTOR

Visit Orlando has established an assistance line to support visitors in need at 407-363-5872, or live chat with representatives through [www.VisitOrlando.com](http://www.VisitOrlando.com). Traveler FAQs and other resources can also be found at [VisitOrlando.com/healthsafety](http://VisitOrlando.com/healthsafety).

To support Orlando's restaurant community, Visit Orlando launched a special "Orlando To Go" campaign. More than 120 member restaurants' takeout and delivery options are listed on [VisitOrlando.com/togo](http://VisitOrlando.com/togo). To establish the site, Visit Orlando contacted its hundreds of member restaurants to determine which restaurants are currently open and serving take-out and delivery, but encourages Central Floridians to support all local restaurants.

Florida Department of Children and Families (DCF) has temporarily closed all storefronts and lobbies. The department will utilize technology to ensure continuity of service for clients. DCF will waive work requirements for individuals participating in the Supplemental Nutrition Assistance Program (SNAP) and Temporary Assistance for Needy Families (TANF) program. The temporary relief of mandatory work requirements will alleviate any undue burden with no disruptions to the receipt of cash and/or food assistance benefits. Details and further information about this program can be obtained at: <https://www.myflorida.com/accessflorida/>

Rollins College reports they are housing thirty hardship students. These students are primarily international students unable to return home due to travel restrictions.

Orange County Utilities and Duke Energy have suspended disconnections of service until further notice.

Orlando Utilities Commission (OUC) has closed walk-in centers; customers may conduct business over the phone or via self-service channels. OUC has waived late fees and suspended disconnections until further notice.

Orange County Public Schools (OCPS) will remain closed through April 15, 2020. OCPS will begin distance learning on Monday, March 30, 2020. Effective today, OCPS district offices will not be open for walk-in visitors, a majority of staff will be working remotely. OCPS employee work hours will be adjusted to Monday through Friday from 0900 to 1400 hours.

Fifty OCPS Food and Nutrition Services “Grab and Go” student food [distribution sites](#) are operating Monday through Friday from 1000 to 1300 hours.

The Orange County Convention Center has launched a [webpage](#) with resources for residents and visitors.

MegaCon Orlando at the Orange County Convention Center has been rescheduled for June 4-7, 2020.

The Orange County Fire Marshal’s Office requires a permit for all events that have 50 or more attendees. Through the permitting process, the Fire Marshal’s Office has received four additional cancelations since March 26, 2020, for shows outside of the Orange County Convention Center:

Event name	Venue	Date of event	Anticipated attendees
Consortium of Multiple Sclerosis	Orlando World Center Marriott	5-27-29/2020	1000
Chase for Business Insight Seminar	Rosen Shingle Creek	26-Jun	250
Access/Nexus	The Rosen Shingle Creek	5/18-20/2020	1000
Zumba Expo	The Hyatt Regency	7/29-8/2/2020	1000

## AREA PARTNERS EMERGENCY OPERATIONS CENTERS

Local Partners with EOC activations:

- Maitland – Level II Partial Activation effective March 17, 2020
- Orange County Public Schools – Level II Partial Activation effective March 16, 2020
- Orlando Utilities Commission – Level II Partial Activation (Virtual) effective March 16, 2020
- City of Orlando – Level II Partial Activation (Virtual) effective March 18, 2020
- University of Central Florida – Level I Full Activation effective March 24, 2020
- Winter Park – Level II Partial Activation effective March 13, 2020

**Call before you go**

Call your health care provider or [County Health Department](#) if you have a fever, cough or shortness of breath and returned from international travel or a cruise in the last 14 days.

[Learn more](#)

**Wash for 20 sec.**

Wash hands often with soap and water – 20 seconds or longer (or use alcohol-based hand sanitizer with at least 60% alcohol).

[Learn more](#)

**Review your symptoms**

Use the CDC’s self-checker to help make decisions and seek appropriate medical care regarding COVID-19.

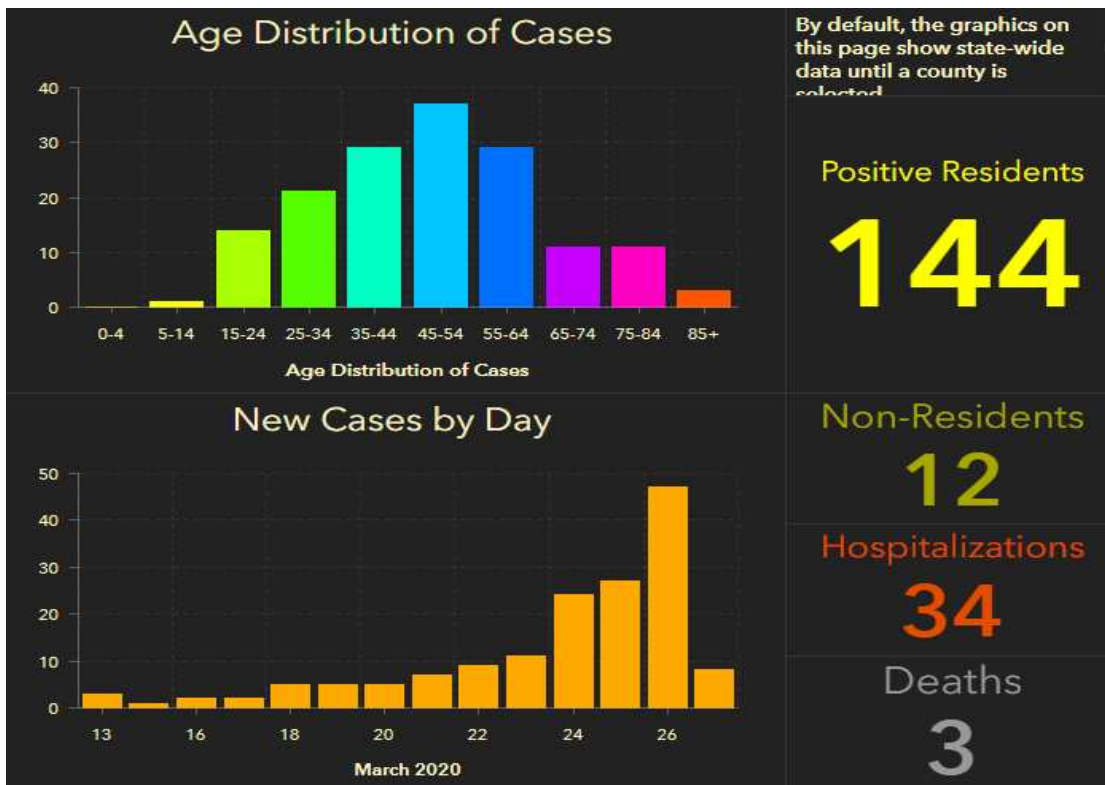

[Learn more](#)

**Practice social distancing**

If you are around other people, keep 6 feet between you when possible. Avoid hugs, handshakes, large gatherings and close quarters.

## EXECUTIVE ORDERS

[Executive Order 2020-51](#) - Governor DeSantis signed order establishing Coronavirus Response Protocol and directed the State Surgeon General to issue a Public Health Emergency.

[Executive Order 2020-52](#) - Governor DeSantis signed order declaring a State of Emergency.

[Executive Order 2020-68](#) - Governor DeSantis signed order suspending liquor licenses for bars, limiting groups gathering on beaches, limiting restaurant occupancy and requiring restaurants to screen employees for COVID-19.

[Executive Order 2020-69](#) - Governor DeSantis signed order suspends statutes requiring an in person quorum for government meetings and allows local governments to utilize communications media technology.

[Executive Order 2020-70](#) - Governor DeSantis signed order requiring closures in Palm Beach and Broward counties.

[Executive Order 2020-71](#) - Governor DeSantis signed order closing gyms and fitness centers, allowing restaurants to sell alcohol for off premises and allowing vendors to return unused alcoholic beverages for cancelled events.

[Executive Order 2020-72](#) - Governor DeSantis signed order prohibiting all hospitals, ambulatory surgical centers, office surgery centers, dental, orthodontic and endodontic offices and other health care practitioners' office in the State of Florida from providing any medically unnecessary, non-urgent or non-emergency procedure or surgery.

[Executive Order 2020-80](#) - Governor DeSantis signed order requiring persons entering the state through airports to isolate or quarantine themselves for a period of fourteen days or the duration of the person's stay in Florida, whichever is shorter. Florida Department of Health shall coordinate with Florida Department of Emergency Management and each aviation authority and local authorities to effectuate this isolation.

[Executive Order 2020-82](#) - Governor DeSantis signed order requiring persons entering the state through from areas with substantial community spread to isolate or quarantine themselves for a period of fourteen days or the duration of the person's stay in Florida, whichever is shorter. This order requires those persons to inform any individual in Florida they come in contact with that they have traveled from such an area.

[Executive Order 2020-83](#) - Governor DeSantis signed order requiring the State Surgeon General and State Health Officer to issue a public health advisory against public gatherings of more than ten, encourage those who can to work remotely and to urge all persons over 65 years of age and those with underlying health conditions to remain home.

[Department of Emergency Management 20-001](#) – Emergency Order Suspending Florida Statutes that prevent or hinder necessary action by the Division in coping with COVID-19 emergency.

[Department of Emergency Management 20-002](#) – Emergency Order Suspending Florida Statutes for the purpose of prohibiting certain individuals from visiting facilities.

[Department of Emergency Management 20-003](#) – Emergency Order Designating Deputy Director Kevin Guthrie as a Deputy State Coordinating Officer.

[Department of Emergency Management 20-004](#) – Emergency Order Suspending Florida Statutes for the purpose of allowing school districts to adjust school calendars as needed.

[Department of Emergency Management 20-005](#) – Emergency Order Suspending Florida Statutes limiting who can visit facilities in Broward County.

[Department of Emergency Management 20-006](#) – Visitation Limits at Residential, Skilled Nursing and Long-term Care Facilities

[Orange County State of Local Emergency Executive Order 2020-01](#)- Establishes Orange County State of Local Emergency.

[Orange County Florida Emergency Executive Order 2020-03](#) – Establishes a curfew in Orange County from 23:00 to 05:00 hours.

[Orange County Florida Emergency Executive Order 2020-04](#) – Establishes a stay at home order for Orange County citizens that will go in effect on March 26, 2020, at 2300 hours. This Emergency Order requires non-essential businesses to close, but allows citizens to travel during the day to meet basic needs.

[Orange County Emergency Executive Order 2020-05](#) – Amends Executive Order 2020-05 for clarification of basic needs, activities, essential and non-essential business.

[Orange County Emergency Executive Order 2020-06](#) – Amends Executive Order 2020-01 to continue the Orange County State of Local Emergency for seven additional days.

## COVID-19 HOTLINES & KEY WEBSITES

Florida Department of Health Call Center 1-866-779-6121 or [COVID-19@flhealth.com](mailto:COVID-19@flhealth.com)

## GENERAL MESSAGING

The Centers for Disease Control (CDC) recommends that organizers cancel or postpone in-person events. Please see the CDC link listed in the key websites area.

All County-sponsored business travel to identified high-risk areas, as determined by the County Administrator, has been suspended until further notice.

In an effort to ensure employee safety, Orange County Government is transitioning eligible employees to working remotely.

In accordance with CDC, the Horizon West Town Hall meeting scheduled for April 9, 2020, has been postponed for a date to be determined.

All Orange County Boat Ramps will remain closed until further notice.

Orange County residents are encouraged to follow information being provided through the links for specific municipality services during this COVID-19 Pandemic.

Google has a host of resources available to students and remote workers. See the link in the key websites section for more information.

## ESF1 – TRANSPORTATION

The Greater Orlando Aviation Authority reports Virgin Airlines has rescue flights scheduled through today. Travelers with scheduled flights are encouraged to check airline schedules frequently for updates.

Concessions and businesses within the airport are implementing augmented schedules as determined by corporate partners; concessions will be operating as take-out only. All rental car companies have consolidated in one location within Terminal A to serve customers returning or renting vehicles.

Beginning Monday, March 30, 2020, LYNX will be modifying the Monday-Saturday schedule. Links 1, 6, 18, 23, 54, 57, 58, 155, 300, 301, 302, 303, 304, 305, 306, 313, and FastLink 441 will not have service. Link 320 will operate a modified Monday-Friday schedule. There will be no changes to the Sunday schedule. The full modified schedule can be found [here](#). LYNX Central Station's terminal lobby will be closed from 2300 through 0500 hours in accordance with Orange County's mandatory curfew.

LYNX will be providing courtesy transportation to the Orange County Public Schools feeding sites from 10:00-13:00 through April 15, 2020, as well as the Osceola County Public Schools feeding sites from 9:30-12:00 through April 17, 2020. Parents and children will be allowed to ride LYNX buses for free to these sites.

## ESF 4 & 9 – FIREFIGHTING & URBAN SEARCH & RESCUE

The Orange County Fire Rescue Department (OCFRD) is currently functioning under normal operations and staffing. OCFRD has activated the Department Operations Center (DOC) from 0700-2200 hours daily to assist with the coordination of COVID-19 preparations and responses. OCFRD is limiting meetings and training events to reduce the number of personnel congregating in one location. To further reduce exposure to the general public, non-essential activities such as station tours and public relation events have been postponed or cancelled.

Fire station crews are conducting wellness screenings to detect and control potential COVID-19 risks in the workplace. Personal protective equipment (PPE) levels are being closely monitored and measures have been employed to conserve available PPE. Operations is reducing the number of units responding to certain incident categories when appropriate to limit crew exposure and conserve PPE.

## ESF5 – INFORMATION & PLANNING

The State Division of Emergency Management activated the State Emergency Operations Center to a Level I – Full Activation on March 14, 2020.

One of the four Regional Testing Sites in the State of Florida is located on Orange County Convention Center property and opened for collection/testing on Wednesday, March 25, 2020. The intention of this location is to provide testing to healthcare workers, first responders, and those of ages 65 and older exhibiting COVID-19 symptoms. Operations are ongoing.

The Orange County Emergency Operations Center (EOC) activated to a Level I – Full Activation today with a heightened monitoring status. The hours of operations remain 0730 to 1930 hours. The Orange County EOC continues to monitor all activities in the County, participate in related conference calls, and monitor all information available on the Centers for Disease Control (CDC) and Johns Hopkins Websites. Fire Rescue activated the Department's Operation Center on March 20, 2020.

A security officer is now located within the guard shack at Fire/OCSO Headquarters at 6590 Amory Court to provide tighter security of the EOC and personnel working within the building.

Local State of Emergencies have been declared in all 67 counties located in the State of Florida. Fifty-three counties in the State of Florida have activated to EOC-Level II-Partial Activation and three (Alachua, Duval, and Orange County) have activated to EOC-Level I-Full Activation.

Orange County 3-1-1 received 249 calls on Thursday, March 26, 2020.

## ESF7 – RESOURCE SUPPORT

ESF7 Resource Support representatives continue to monitor both the E-Team and WebEOC systems for resource requests. There are currently no unfulfilled requests to be sourced, but ESF7 is actively working to source hand sanitizer. ESF7 continues to receive communications from prospective vendors offering products or services and coordinate with the appropriate ESF for further validation.

## ESF8 – HEALTH / MEDICAL ACTION ITEMS

Orange County Department of Health (DOH) reports the East side clinic at 12050 Colonial Drive is maintaining steady participation and will remain open for testing seven days a week. The site will receive 500 additional test kits today.

All public service agencies and health care facilities report shortages of Vital Oxide, a disinfecting solution used in Aeroclave units. Aeroclave reported that Durisan and Decon 7 will work in the units until Vital Oxide becomes available in a few weeks.

ESF8 logistics continues to distribute supplies. On Thursday, March 27, 2020, Health Services (HS) received 1,560 N95 masks, 13,778 procedure masks, 2,529 face shields, 2,062 gowns, and 73 boxes of gloves from the State Logistics Resource Center (SLRC). HS received an additional order from the SLRC today and will be distributing the supplies after processing.

Advent Health and Orlando Health continue to prepare and evaluate the situation as it unfolds and report updates to DOH. Orlando Health reports an updated urgent need for N95 masks, specifically size small; orders have been placed to the appropriate counties. Advent Health is currently investigating the use of technologies, such as Aeroclave and UV light, to allow for the sanitation and reuse of N95 masks.

## ESF10 – HAZARDOUS MATERIALS

ESF10 reports representatives are actively monitoring the E-Team and WebEOC systems for resource requests. There are currently no resource requests pending.

The Environmental Protection Division (EPD) has cancelled or postponed all meetings and public outreach events. The EPD office is closed to the public with a majority of EPD staff transitioning to working remotely. Two EPD staff have been requested to assist Community and Family Services answering phones at the Crisis Assistance Center beginning today at noon.

## ESF13 – MILITARY SUPPORT

ESF13 reports the National Guard Task Force 265 has 194 personnel on site at the Convention Center. Operations at the Orange County Convention Center are ongoing.

On Friday, March 27, 2020, a total of 524 individuals were screened and 250 test kits swabbed. As of 0800 hours today, a contracting crew will clean and disinfect the site twice daily.

Ten National Guard soldiers are assisting Florida Department of Health personnel with passenger screening at the Orlando International Airport in accordance with Florida State Executive Order 2020-80. On March 27, 2020, 112 passengers from 14 flights were screened at the Orlando International Airport.

## ESF14 – PUBLIC INFORMATION

The next Executive Policy Group Meeting is scheduled for Saturday, March 28, 2020, at 1300 hours.

The Public Information Office (PIO) continues to develop content for Orange County's COVID-19 [informational page](#) as well as social media. As of yesterday evening, Public Information received 36 media requests related to the COVID-19 crisis.

On Thursday, March 26, 2020, the Mayor's press conference was viewed by nearly 50,000 individuals on Facebook live and about 3,200 individuals on Twitter. PIO continues to update webpage resources with work/service updates from County departments and business tools, including [FAQs](#) and key takeaways from press conferences and Executive Orders.

## ESF15 – EOC SUPPORT

ESF15 reports that the results of the day care needs assessment are being compiled. The Boys and Girls Clubs and YMCA are being considered for service; a backup plan is being prepared if needed. Donations, volunteers, and fee-based offers are being tracked, responses sent, and forwarded to appropriated entities.

## ESF16 – LAW ENFORCEMENT

Of the fifteen law enforcement agencies within Orange County, Orange County Sheriff's Office (OCSO) is acting as point of contact (POC) for submitting law enforcement requests. OCSO has assumed the responsibility to provide security and handle traffic flow at the Convention Center Testing Site. Additional resources will be requested if needed to help manage the process.

OCSO has changed its response guidelines concerning medical calls; deputies are advised to allow the fire department to assess the situation and determine the need for a law enforcement response. OCSO is monitoring the dynamic COVID-19 situation and will adjust staffing and scheduling as the situation requires.

OCSO will be staffing 32 of the 51 school locations Orange County Public Schools will have open for food distribution sites.

## ESF18 – BUSINESS & INDUSTRY

The Orange County Economic Development Department has created a [webpage for business assistance](#) that is being actively updated as new information and programs come in through Federal, State, and Local resources.

Governor DeSantis has activated the Emergency Bridge Loan Program for Florida small businesses (2 to 100 employees) affected by COVID-19. To learn more or apply for a short-term, interest-free loan up to \$50,000, visit <https://floridadisasterloan.org>. The deadline to apply for this loan is May 8, 2020. Once an application is submitted, the processing time is twenty-one days. If approved, it will take an additional five days to receive the funds.

The U.S. Small Business Administration (SBA) activated the Economic Injury Disaster Loan (EIDL) for the State of Florida. This long-term loan is available for small businesses and private, non-profit organizations to help alleviate economic injury caused by COVID-19. The intent of this loan is to pay fixed debts, payroll, accounts payable, and other bills that can't be paid because of the disaster. To learn more and download an application, visit <https://disasterloan.sba.gov/ela>. The deadline to apply for this loan is December 18, 2020.

SBA Disaster Customer Service can be reached at (800) 659-2955 or (800) 877-8339 for special needs. SBA can also be reached by email at [disastercustomerservice@sba.com](mailto:disastercustomerservice@sba.com).

## PARTNERS – TOURISM SECTOR

Visit Orlando has established an assistance line to support visitors in need at 407-363-5872, or live chat with representatives through [www.VisitOrlando.com](http://www.VisitOrlando.com). Traveler FAQs and other resources can also be found at [VisitOrlando.com/healthsafety](http://VisitOrlando.com/healthsafety).

To support Orlando's restaurant community, Visit Orlando launched a special "Orlando To Go" campaign. More than 120 member restaurants' takeout and delivery options are listed on [VisitOrlando.com/togo](http://VisitOrlando.com/togo). To establish the site, Visit Orlando contacted its hundreds of member restaurants to determine which restaurants are currently open and serving take-out and delivery, but encourages Central Floridians to support all local restaurants.

Florida Department of Children and Families (DCF) has temporarily closed all storefronts and lobbies. The department will utilize technology to ensure continuity of service for clients. DCF will waive work requirements for individuals participating in the Supplemental Nutrition Assistance Program (SNAP) and Temporary Assistance for Needy Families (TANF) program. The temporary relief of mandatory work requirements will alleviate any undue burden with no disruptions to the receipt of cash and/or food assistance benefits. Details and further information about this program can be obtained at: <https://www.myflorida.com/accessflorida/>

Rollins College reports they are housing thirty hardship students. These students are primarily international students unable to return home due to travel restrictions.

Orange County Utilities and Duke Energy have suspended disconnections of service until further notice.

Orlando Utilities Commission (OUC) has closed walk-in centers; customers may conduct business over the phone or via self-service channels. OUC has waived late fees and suspended disconnections until further notice.

Orange County Public Schools (OCPS) will remain closed through April 15, 2020. OCPS will begin distance learning on Monday, March 30, 2020. Effective today, OCPS district offices will not be open for walk-in visitors, a majority of staff will be working remotely. OCPS employee work hours will be adjusted to Monday through Friday from 0900 to 1400 hours.

Fifty OCPS Food and Nutrition Services “Grab and Go” student food [distribution sites](#) are operating Monday through Friday from 1000 to 1300 hours.

The Orange County Convention Center has launched a [webpage](#) with resources for residents and visitors.

MegaCon Orlando at the Orange County Convention Center has been rescheduled for June 4-7, 2020.

The Orange County Fire Marshal’s Office requires a permit for all events that have 50 or more attendees. Through the permitting process, the Fire Marshal’s Office has received four additional cancelations since March 26, 2020, for shows outside of the Orange County Convention Center:

Event name	Venue	Date of event	Anticipated attendees
Consortium of Multiple Sclerosis	Orlando World Center Marriott	5-27-29/2020	1000
Chase for Business Insight Seminar	Rosen Shingle Creek	26-Jun	250
Access/Nexus	The Rosen Shingle Creek	5/18-20/2020	1000
Zumba Expo	The Hyatt Regency	7/29-8/2/2020	1000

## AREA PARTNERS EMERGENCY OPERATIONS CENTERS

Local Partners with EOC activations:

- Maitland – Level II Partial Activation effective March 17, 2020
- Orange County Public Schools – Level II Partial Activation effective March 16, 2020
- Orlando Utilities Commission – Level II Partial Activation (Virtual) effective March 16, 2020
- City of Orlando – Level II Partial Activation (Virtual) effective March 18, 2020
- University of Central Florida – Level I Full Activation effective March 24, 2020
- Winter Park – Level II Partial Activation effective March 13, 2020

**Call before you go**

Call your health care provider or [County Health Department](#) if you have a fever, cough or shortness of breath and returned from international travel or a cruise in the last 14 days.

[Learn more](#)

**Wash for 20 sec.**

Wash hands often with soap and water – 20 seconds or longer (or use alcohol-based hand sanitizer with at least 60% alcohol).

[Learn more](#)

**Review your symptoms**

Use the CDC’s self-checker to help make decisions and seek appropriate medical care regarding COVID-19.

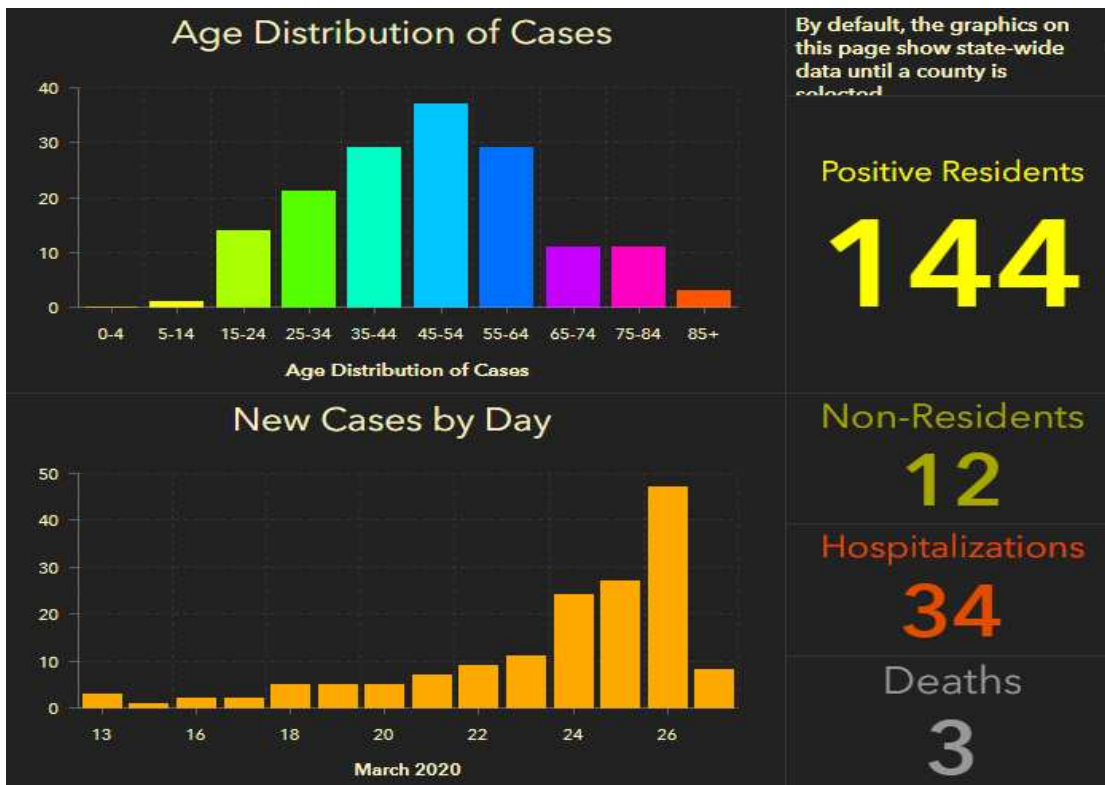

[Learn more](#)

**Practice social distancing**

If you are around other people, keep 6 feet between you when possible. Avoid hugs, handshakes, large gatherings and close quarters.

**EXECUTIVE ORDERS**

[Executive Order 2020-51](#) - Governor DeSantis signed order establishing Coronavirus Response Protocol and directed the State Surgeon General to issue a Public Health Emergency.

[Executive Order 2020-52](#) - Governor DeSantis signed order declaring a State of Emergency.

[Executive Order 2020-68](#) - Governor DeSantis signed order suspending liquor licenses for bars, limiting groups gathering on beaches, limiting restaurant occupancy and requiring restaurants to screen employees for COVID-19.

[Executive Order 2020-69](#) - Governor DeSantis signed order suspends statutes requiring an in person quorum for government meetings and allows local governments to utilize communications media technology.

[Executive Order 2020-70](#) - Governor DeSantis signed order requiring closures in Palm Beach and Broward counties.

[Executive Order 2020-71](#) - Governor DeSantis signed order closing gyms and fitness centers, allowing restaurants to sell alcohol for off premises and allowing vendors to return unused alcoholic beverages for cancelled events.

[Executive Order 2020-72](#) - Governor DeSantis signed order prohibiting all hospitals, ambulatory surgical centers, office surgery centers, dental, orthodontic and endodontic offices and other health care practitioners' office in the State of Florida from providing any medically unnecessary, non-urgent or non-emergency procedure or surgery.

[Executive Order 2020-80](#) - Governor DeSantis signed order requiring persons entering the state through airports to isolate or quarantine themselves for a period of fourteen days or the duration of the person's stay in Florida, whichever is shorter. Florida Department of Health shall coordinate with Florida Department of Emergency Management and each aviation authority and local authorities to effectuate this isolation.

[Executive Order 2020-82](#) - Governor DeSantis signed order requiring persons entering the state through from areas with substantial community spread to isolate or quarantine themselves for a period of fourteen days or the duration of the person's stay in Florida, whichever is shorter. This order requires those persons to inform any individual in Florida they come in contact with that they have traveled from such an area.

[Executive Order 2020-83](#) - Governor DeSantis signed order requiring the State Surgeon General and State Health Officer to issue a public health advisory against public gatherings of more than ten, encourage those who can to work remotely and to urge all persons over 65 years of age and those with underlying health conditions to remain home.

[Department of Emergency Management 20-001](#) – Emergency Order Suspending Florida Statutes that prevent or hinder necessary action by the Division in coping with COVID-19 emergency.

[Department of Emergency Management 20-002](#) – Emergency Order Suspending Florida Statutes for the purpose of prohibiting certain individuals from visiting facilities.

[Department of Emergency Management 20-003](#) – Emergency Order Designating Deputy Director Kevin Guthrie as a Deputy State Coordinating Officer.

[Department of Emergency Management 20-004](#) – Emergency Order Suspending Florida Statutes for the purpose of allowing school districts to adjust school calendars as needed.

[Department of Emergency Management 20-005](#) – Emergency Order Suspending Florida Statutes limiting who can visit facilities in Broward County.

[Department of Emergency Management 20-006](#) – Visitation Limits at Residential, Skilled Nursing and Long-term Care Facilities

[Orange County State of Local Emergency Executive Order 2020-01](#)- Establishes Orange County State of Local Emergency.

[Orange County Florida Emergency Executive Order 2020-03](#) – Establishes a curfew in Orange County from 23:00 to 05:00 hours.

[Orange County Florida Emergency Executive Order 2020-04](#) – Establishes a stay at home order for Orange County citizens that will go in effect on March 26, 2020, at 2300 hours. This Emergency Order requires non-essential businesses to close, but allows citizens to travel during the day to meet basic needs.

[Orange County Emergency Executive Order 2020-05](#) – Amends Executive Order 2020-05 for clarification of basic needs, activities, essential and non-essential business.

[Orange County Emergency Executive Order 2020-06](#) – Amends Executive Order 2020-01 to continue the Orange County State of Local Emergency for seven additional days.

## COVID-19 HOTLINES & KEY WEBSITES

Florida Department of Health Call Center 1-866-779-6121 or [COVID-19@flhealth.com](mailto:COVID-19@flhealth.com)

Governor DeSantis established a Joint Information Center on COVID-19 for the State of Florida **1-850-815-4940**, [ESF14@em.myflorida.com](mailto:ESF14@em.myflorida.com)

Advent Health established a COVID-19 hotline. Nurses from the Hospital Group staff the hotline twenty-four hours a day, seven days a week. Those with questions or concerns should call **1-877-847-8747**. Advent Health offers virtual visits, simply follow the link to download the app at [Advent Health Virtual Visit](#).

Orlando Health has launched a hotline for the community to obtain information about COVID-19 twenty-four hours a day, seven days a week. The public can get accurate information by calling **1-877-321-2684**. Orlando Health offers a virtual visit option is at [Orlando Health Virtual Visit](#).

Florida Attorney General, Ashley Moody, activated Florida's Price Gouging Hotline. Consumers can report price gouging by phone at **1-866-966-7226** or online at [myfloridalegal.com](http://myfloridalegal.com).

The Orange County COVID-19 Rental Assistance Program can be reached at **407-836-6500** from 0830 to 1200 hours Monday thru Friday.

## GENERAL MESSAGING

The Centers for Disease Control (CDC) recommends that organizers cancel or postpone in-person events. Please see the CDC link listed in the key websites area.

All County-sponsored business travel to identified high-risk areas, as determined by the County Administrator, has been suspended until further notice.

In an effort to ensure employee safety, Orange County Government is transitioning eligible employees to working remotely.

All Orange County Boat Ramps will remain closed until further notice.

Orange County residents are encouraged to follow information being provided through the links for specific municipality services during this COVID-19 Pandemic.

Google has a host of resources available to students and remote workers. See the link in the key websites section for more information.

## ESF1 – TRANSPORTATION

Travelers with scheduled flights are encouraged to check airline schedules frequently for updates.

Concessions and businesses within the airport are implementing augmented schedules as determined by corporate partners; concessions will be operating as take-out only. All rental car companies have consolidated in one location within Terminal A to serve customers returning or renting vehicles.

Beginning Monday, March 30, 2020, LYNX will be modifying the Monday-Saturday schedule. Links 1, 6, 18, 23, 54, 57, 58, 155, 300, 301, 302, 303, 304, 305, 306, 313, and FastLink 441 will not have service. Link 320 will operate a modified Monday-Friday schedule. There will be no changes to the Sunday schedule. The full modified schedule can be found [here](#).

LYNX will be providing courtesy transportation to the Orange County Public Schools feeding sites from 10:00-13:00 through April 15, 2020, as well as the Osceola County Public Schools feeding sites from 9:30-12:00

through April 17, 2020. Parents and children will be allowed to ride LYNX buses for free to these sites.

## **ESF2 – COMMUNICATION**

ESF2 continues to monitor the situation, with nothing new to report.

## **ESF3 – PUBLIC WORKS**

ESF3 continues to monitor the situation and is assisting with ordering and setting up road signs to further message the current Stay at Home Order.

## **ESF 4 & 9 – FIREFIGHTING & URBAN SEARCH & RESCUE**

The Orange County Fire Rescue Department (OCFRD) is currently functioning under normal operations and staffing. OCFRD has activated the Department Operations Center (DOC) from 0700-2200 hours daily to assist with the coordination of COVID-19 preparations and responses. OCFRD is limiting meetings and training events to reduce the number of personnel congregating in one location. To further reduce exposure to the general public, non-essential activities such as station tours and public relation events have been postponed or cancelled.

Fire station crews are conducting wellness screenings to detect and control potential COVID-19 risks in the workplace. Personal protective equipment (PPE) levels are being closely monitored and measures have been employed to conserve available PPE. Operations is reducing the number of units responding to certain incident categories when appropriate to limit crew exposure and conserve PPE.

## **ESF5 – INFORMATION & PLANNING**

The State Division of Emergency Management activated the State Emergency Operations Center to a Level I – Full Activation on March 14, 2020.

One of the four Regional Testing Sites in the State of Florida is located on Orange County Convention Center property and opened for collection/testing on Wednesday, March 25, 2020. The intention of this location is to provide testing to healthcare workers, first responders, and those of ages 65 and older exhibiting COVID-19 symptoms. Operations are ongoing.

The Orange County Emergency Operations Center (EOC) is currently activated to a Level I – Full Activation today with a heightened monitoring status. The hours of operations remain 0730 to 1930 hours. The Orange County EOC continues to monitor all activities in the County, participate in related conference calls, and monitor all information available on the Centers for Disease Control (CDC) and Johns Hopkins Websites. Fire Rescue activated the Department's Operation Center on March 20, 2020.

A security officer is now located within the guard shack at Fire/OCSO Headquarters at 6590 Amory Court to provide tighter security of the EOC and personnel working within the Administration Building.

Local State of Emergencies have been declared in all 67 counties located in the State of Florida. Fifty-four counties in the State of Florida have activated to EOC-Level II-Partial Activation and three (Alachua, Duval, and Orange County) have activated to EOC-Level I-Full Activation.

Orange County 3-1-1 received 201 calls and 62 chats on Friday, March 27, 2020.

## **ESF6 – MASS CARE**

ESF6 continues to monitor the situation, with nothing new to report.

## **ESF7 – RESOURCE SUPPORT**

ESF7 Resource Support representatives continue to monitor both the E-Team and WebEOC systems for resource requests. There are currently no unfulfilled requests to be sourced. ESF7 continues to receive communications from prospective vendors offering products or services and coordinate with the appropriate ESF for further validation.

## ESF8 – HEALTH / MEDICAL ACTION ITEMS

Orange County Department of Health (DOH) reports the East side clinic at 12050 Colonial Drive is maintaining steady participation and will remain open for testing seven days a week.

The State Emergency Operations Center ESF8 desk has relayed that Orlando Health's orders cannot be filled at this time. Health Services logistics has provided Orlando Health an interim order in the meantime.

ESF8 logistics warehouse is in operation seven days a week from 0900 to 1700 hours.

Advent Health and Orlando Health continue to prepare and evaluate the situation as it unfolds and report updates to DOH. Orlando Health reports an updated urgent need for N95 masks, specifically size small; orders have been placed to the appropriate counties. Advent Health is currently investigating the use of technologies, such as Aeroclave and UV light, to allow for the sanitation and reuse of N95 masks.

## ESF10 – HAZARDOUS MATERIALS

ESF10 reports representatives are actively monitoring the E-Team and WebEOC systems for resource requests. There are currently no resource requests pending.

The Environmental Protection Division (EPD) has cancelled or postponed all meetings and public outreach events. The EPD office is closed to the public with a majority of EPD staff transitioning to working remotely. EPD field inspectors continue to work in the field conducting inspections and investigating complaints. Two EPD staff have been requested to assist Community and Family Services answering phones at the Crisis Assistance Center beginning today at noon.

## ESF11 – FOOD & WATER

The Salvation Army has erected a tent on its grounds to ensure appropriate spacing between the homeless populations sheltered there. Homeless persons registering temperatures above 100.4 are being directed to a hotel that the City of Orlando is using as a quarantine location. Two individuals from this site have been transported to the hospital with fevers.

The Salvation Army is working with food vendors to secure donated food for Orange County Residents. Once confirmed, distribution will take place at The Salvation Army gymnasium located at 440 West Colonial Drive.

## ESF12 – ENERGY

Duke Energy is actively monitoring WebEOC and is able to perform requested procedures remotely.

## ESF13 – MILITARY SUPPORT

ESF13 reports the National Guard Task Force 265 has 194 soldiers and 113 civilians on site at the Convention Center. Operations at the Orange County Convention Center are ongoing.

To date, 74% of the people who have come to the Convention Center testing site have been swabbed. There have been 1353 people screened with 1000 being swabbed.

Ten National Guard soldiers are assisting Florida Department of Health personnel with passenger screening at the Orlando International Airport in accordance with Florida State Executive Order 2020-80. To date, there has been 75 flights with 832 people screened at the Orlando International Airport.

## ESF14 – PUBLIC INFORMATION

The Executive Policy Group Meeting was held at Fire Rescue Headquarters at 1300 hours, with the next meeting scheduled for Sunday, March 29, 2020.

Mayor Jerry Demings held a Press Briefing at Fire Rescue Headquarters at 1530 hours.

The Public Information Office (PIO) continues to develop content for Orange County's COVID-19 [informational page](#) as well as social media. PIO continues to update webpage resources with work/service updates from County departments and business tools, including [FAQs](#) and key takeaways from press

conferences and Executive Orders. As of yesterday evening, Public Information received 17 media requests related to the COVID-19 crisis.

The Medical Examiner's Office was interviewed by CNN via telephone regarding how COVID-19 is affecting Medical Examiner's offices throughout the country.

### ESF15 – VOLUNTEERS & DONATED GOODS

ESF15 is actively monitoring phone calls and emails. Donations, volunteers, and fee-based offers are being tracked, responses sent, and forwarded to appropriated entities.

### ESF16 – LAW ENFORCEMENT

Of the fifteen law enforcement agencies within Orange County, Orange County Sheriff's Office (OCSO) is acting as point of contact (POC) for submitting law enforcement requests. OCSO has assumed the responsibility to provide security and handle traffic flow at the Convention Center Testing Site. Additional resources will be requested if needed to help manage the process.

OCSO has changed its response guidelines concerning medical calls; deputies are advised to allow the fire department to assess the situation and determine the need for a law enforcement response. OCSO is monitoring the dynamic COVID-19 situation and will adjust staffing and scheduling as the situation requires.

### ESF18 – BUSINESS & INDUSTRY

The Orange County Economic Development Department has created a [webpage for business assistance](#) that is being actively updated as new information and programs come in through Federal, State, and Local resources.

Governor DeSantis has activated the Emergency Bridge Loan Program for Florida small businesses (2 to 100 employees) affected by COVID-19. To learn more or apply for a short-term, interest-free loan up to \$50,000, visit <https://floridadisasterloan.org>. The deadline to apply for this loan is May 8, 2020. Once an application is submitted, the processing time is twenty-one days. If approved, it will take an additional five days to receive the funds.

The U.S. Small Business Administration (SBA) activated the Economic Injury Disaster Loan (EIDL) for the State of Florida. This long-term loan is available for small businesses and private, non-profit organizations to help alleviate economic injury caused by COVID-19. The intent of this loan is to pay fixed debts, payroll, accounts payable, and other bills that can't be paid because of the disaster. To learn more and download an application, visit <https://disasterloan.sba.gov/ela>. The deadline to apply for this loan is December 18, 2020.

SBA Disaster Customer Service can be reached at (800) 659-2955 or (800) 877-8339 for special needs. SBA can also be reached by email at [disastercustomerservice@sba.com](mailto:disastercustomerservice@sba.com).

### PARTNERS – TOURISM SECTOR

Visit Orlando has established an assistance line to support visitors in need at 407-363-5872, or live chat with representatives through [www.VisitOrlando.com](http://www.VisitOrlando.com). Traveler FAQs and other resources can also be found at [VisitOrlando.com/healthsafety](http://VisitOrlando.com/healthsafety).

To support Orlando's restaurant community, Visit Orlando launched a special "Orlando To Go" campaign. More than 120 member restaurants' takeout and delivery options are listed on [VisitOrlando.com/togo](http://VisitOrlando.com/togo). To establish the site, Visit Orlando contacted its hundreds of member restaurants to determine which restaurants are currently open and serving take-out and delivery, but encourages Central Floridians to support all local restaurants.

Florida Department of Children and Families (DCF) has temporarily closed all storefronts and lobbies. The department is utilizing technology to ensure continuity of service for clients. DCF will waive work requirements for individuals participating in the Supplemental Nutrition Assistance Program (SNAP) and Temporary Assistance for Needy Families (TANF) program. The temporary relief of mandatory work requirements will

alleviate any undue burden with no disruptions to the receipt of cash and/or food assistance benefits. Details and further information about this program can be obtained at: <https://www.myflorida.com/accessflorida/>

Rollins College reports they are still housing thirty hardship students. These students are primarily international students unable to return home due to travel restrictions.

Orange County Utilities and Duke Energy have suspended disconnections of service until further notice.

Orlando Utilities Commission (OUC) has closed walk-in centers; customers may conduct business over the phone or via self-service channels. OUC has waived late fees and suspended disconnections until further notice.

Orange County Public Schools (OCPS) will remain closed through April 15, 2020. OCPS will begin distance learning on Monday, March 30, 2020. Effective today, OCPS district offices will not be open for walk-in visitors, a majority of staff will be working remotely. OCPS employee work hours will be adjusted to Monday through Friday from 0900 to 1400 hours.

OCPS Food and Nutrition Services “Grab and Go” student food [distribution sites](#) are operating Monday through Friday from 1000 to 1300 hours.

The Orange County Convention Center has launched a [webpage](#) with resources for residents and visitors.

MegaCon Orlando at the Orange County Convention Center has been rescheduled for June 4-7, 2020.

The Orange County Fire Marshal’s Office requires a permit for all events that have 50 or more attendees. Through the permitting process, the Fire Marshal’s Office has received no additional cancelations since March 27, 2020, for shows outside of the Orange County Convention Center:

## MUNICIPAL PARTNERS EMERGENCY OPERATIONS CENTERS

Local Partners with EOC activations:

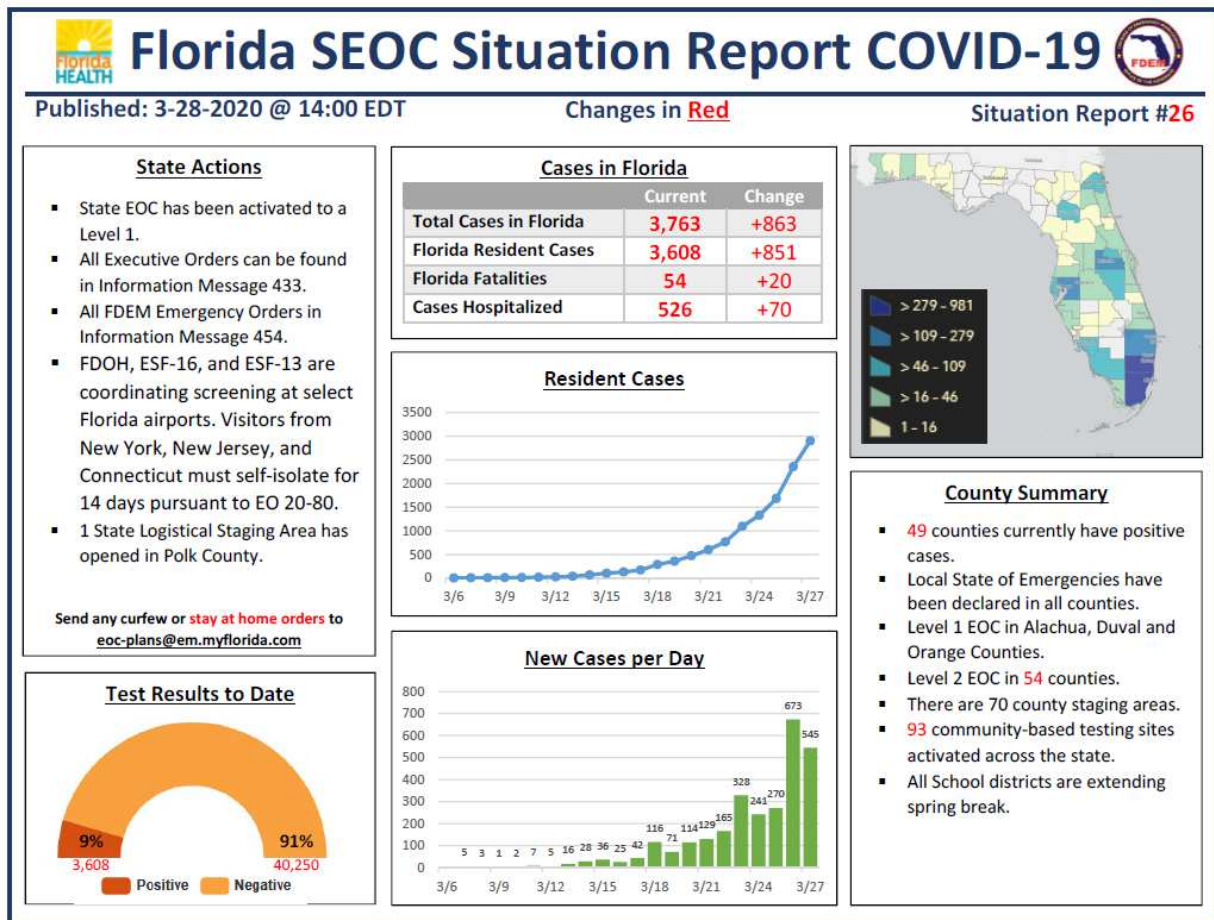

- Apopka – Level II Partial Activation
- Maitland – Level II Partial Activation effective March 17, 2020
- Orange County Public Schools – Level II Partial Activation effective March 16, 2020
- Orlando – Level II Partial Activation (Virtual) effective March 18, 2020
- Orlando Utilities Commission – Level II Partial Activation (Virtual) effective March 16, 2020
- University of Central Florida – Level I Full Activation effective March 24, 2020
- Winter Park – Level II Partial Activation effective March 13, 2020

## SOCIAL MEDIA PLATFORMS

Orange County Office of Emergency Management provides this information for internal planning and distribution; it is not intended for release to the public or posting on social media. Stay connected with #myOCFL and @OCFireRescue. Visit [www.ocfl.net/Coronavirus](http://www.ocfl.net/Coronavirus) for updates and information.

**EXECUTIVE ORDERS**

[Executive Order 2020-51](#) - Governor DeSantis signed order establishing Coronavirus Response Protocol and directed the State Surgeon General to issue a Public Health Emergency.

[Executive Order 2020-52](#) - Governor DeSantis signed order declaring a State of Emergency.

[Executive Order 2020-68](#) - Governor DeSantis signed order suspending liquor licenses for bars, limiting groups gathering on beaches, limiting restaurant occupancy and requiring restaurants to screen employees for COVID-19.

[Executive Order 2020-69](#) - Governor DeSantis signed order suspends statutes requiring an in person quorum for government meetings and allows local governments to utilize communications media technology.

[Executive Order 2020-70](#) - Governor DeSantis signed order requiring closures in Palm Beach and Broward counties.

[Executive Order 2020-71](#) - Governor DeSantis signed order closing gyms and fitness centers, allowing restaurants to sell alcohol for off premises and allowing vendors to return unused alcoholic beverages for cancelled events.

[Executive Order 2020-72](#) - Governor DeSantis signed order prohibiting all hospitals, ambulatory surgical centers, office surgery centers, dental, orthodontic and endodontic offices and other health care practitioners' office in the State of Florida from providing any medically unnecessary, non-urgent or non-emergency procedure or surgery.

[Executive Order 2020-80](#) - Governor DeSantis signed order requiring persons entering the state through airports to isolate or quarantine themselves for a period of fourteen days or the duration of the person's stay in Florida, whichever is shorter. Florida Department of Health shall coordinate with Florida Department of Emergency Management and each aviation authority and local authorities to effectuate this isolation.

[Executive Order 2020-82](#) - Governor DeSantis signed order requiring persons entering the state through from areas with substantial community spread to isolate or quarantine themselves for a period of fourteen days or the duration of the person's stay in Florida, whichever is shorter. This order requires those persons to inform any individual in Florida they come in contact with that they have traveled from such an area.

[Executive Order 2020-83](#) - Governor DeSantis signed order requiring the State Surgeon General and State Health Officer to issue a public health advisory against public gatherings of more than ten, encourage those who can to work remotely and to urge all persons over 65 years of age and those with underlying health conditions to remain home.

[Department of Emergency Management 20-001](#) – Emergency Order Suspending Florida Statutes that prevent or hinder necessary action by the Division in coping with COVID-19 emergency.

[Department of Emergency Management 20-002](#) – Emergency Order Suspending Florida Statutes for the purpose of prohibiting certain individuals from visiting facilities.

[Department of Emergency Management 20-003](#) – Emergency Order Designating Deputy Director Kevin Guthrie as a Deputy State Coordinating Officer.

[Department of Emergency Management 20-004](#) – Emergency Order Suspending Florida Statutes for the purpose of allowing school districts to adjust school calendars as needed.

[Department of Emergency Management 20-005](#) – Emergency Order Suspending Florida Statutes limiting who can visit facilities in Broward County.

[Department of Emergency Management 20-006](#) – Visitation Limits at Residential, Skilled Nursing and Long-term Care Facilities

[Orange County State of Local Emergency Executive Order 2020-01](#)- Establishes Orange County State of Local Emergency.

[Orange County Florida Emergency Executive Order 2020-03](#) – Establishes a curfew in Orange County from 23:00 to 05:00 hours.

[Orange County Florida Emergency Executive Order 2020-04](#) – Establishes a stay at home order for Orange County citizens that will go in effect on March 26, 2020, at 2300 hours. This Emergency Order requires non-essential businesses to close, but allows citizens to travel during the day to meet basic needs.

[Orange County Emergency Executive Order 2020-05](#) – Amends Executive Order 2020-05 for clarification of basic needs, activities, essential and non-essential business.

[Orange County Emergency Executive Order 2020-06](#) – Amends Executive Order 2020-01 to continue the Orange County State of Local Emergency for seven additional days.

## COVID-19 HOTLINES & KEY WEBSITES

Florida Department of Health Call Center 1-866-779-6121 or [COVID-19@flhealth.com](mailto:COVID-19@flhealth.com)

Governor DeSantis established a Joint Information Center on COVID-19 for the State of Florida **1-850-815-4940**, [ESF14@em.myflorida.com](mailto:ESF14@em.myflorida.com)

Advent Health established a COVID-19 hotline. Nurses from the Hospital Group staff the hotline twenty-four hours a day, seven days a week. Those with questions or concerns should call **1-877-847-8747**. Advent Health offers virtual visits, simply follow the link to download the app at [Advent Health Virtual Visit](#).

Orlando Health has launched a hotline for the community to obtain information about COVID-19 twenty-four hours a day, seven days a week. The public can get accurate information by calling **1-877-321-2684**. Orlando Health offers a virtual visit option is at [Orlando Health Virtual Visit](#).

Florida Attorney General, Ashley Moody, activated Florida's Price Gouging Hotline. Consumers can report price gouging by phone at **1-866-966-7226** or online at [myfloridalegal.com](http://myfloridalegal.com).

The Orange County COVID-19 Rental Assistance Program can be reached at **407-836-6500** from 0830 to 1200 hours Monday thru Friday.

## GENERAL MESSAGING

The Centers for Disease Control (CDC) recommends that organizers cancel or postpone in-person events. Please see the CDC link listed in the key websites area.

All County-sponsored business travel to identified high-risk areas, as determined by the County Administrator, has been suspended until further notice.

In an effort to ensure employee safety, Orange County Government is transitioning eligible employees to working remotely.

All Orange County Boat Ramps will remain closed until further notice.

Orange County residents are encouraged to follow information being provided through the links for specific municipality services during this COVID-19 Pandemic.

Google has a host of resources available to students and remote workers. See the link in the key websites section for more information.

## ESF1 – TRANSPORTATION

Travelers with scheduled flights are encouraged to check airline schedules frequently for updates.

Concessions and businesses within the airport are implementing augmented schedules as determined by corporate partners; concessions will be operating as take-out only. All rental car companies have consolidated in one location within Terminal A to serve customers returning or renting vehicles.

Beginning Monday, March 30, 2020, LYNX will be modifying the Monday-Saturday schedule. Links 1, 6, 18, 23, 54, 57, 58, 155, 300, 301, 302, 303, 304, 305, 306, 313, and FastLink 441 will not have service. Link 320 will operate a modified Monday-Friday schedule. There will be no changes to the Sunday schedule. The full modified schedule can be found [here](#).

LYNX will be providing courtesy transportation to the Orange County Public Schools feeding sites from 10:00-13:00 through April 15, 2020, as well as the Osceola County Public Schools feeding sites from 9:30-12:00

through April 17, 2020. Parents and children will be allowed to ride LYNX buses for free to these sites.

## **ESF2 – COMMUNICATION**

ESF2 continues to monitor the situation, with nothing new to report.

## **ESF3 – PUBLIC WORKS**

ESF3 continues to monitor the situation and is assisting with ordering and setting up road signs to further message the current Stay at Home Order.

## **ESF 4 & 9 – FIREFIGHTING & URBAN SEARCH & RESCUE**

The Orange County Fire Rescue Department (OCFRD) is currently functioning under normal operations and staffing. OCFRD has activated the Department Operations Center (DOC) from 0700-2200 hours daily to assist with the coordination of COVID-19 preparations and responses. OCFRD is limiting meetings and training events to reduce the number of personnel congregating in one location. To further reduce exposure to the general public, non-essential activities such as station tours and public relation events have been postponed or cancelled.

Fire station crews are conducting wellness screenings to detect and control potential COVID-19 risks in the workplace. Personal protective equipment (PPE) levels are being closely monitored and measures have been employed to conserve available PPE. Operations is reducing the number of units responding to certain incident categories when appropriate to limit crew exposure and conserve PPE.

## **ESF5 – INFORMATION & PLANNING**

The State Division of Emergency Management activated the State Emergency Operations Center to a Level I – Full Activation on March 14, 2020.

One of the four Regional Testing Sites in the State of Florida is located on Orange County Convention Center property and opened for collection/testing on Wednesday, March 25, 2020. The intention of this location is to provide testing to healthcare workers, first responders, and those of ages 65 and older exhibiting COVID-19 symptoms. Operations are ongoing.

The Orange County Emergency Operations Center (EOC) is currently activated to a Level I – Full Activation today with a heightened monitoring status. The hours of operations remain 0730 to 1930 hours. The Orange County EOC continues to monitor all activities in the County, participate in related conference calls, and monitor all information available on the Centers for Disease Control (CDC) and Johns Hopkins Websites. Fire Rescue activated the Department's Operation Center on March 20, 2020.

A security officer is now located within the guard shack at Fire/OCSO Headquarters at 6590 Amory Court to provide tighter security of the EOC and personnel working within the Administration Building.

Local State of Emergencies have been declared in all 67 counties located in the State of Florida. Fifty-four counties in the State of Florida have activated to EOC-Level II-Partial Activation and three (Alachua, Duval, and Orange County) have activated to EOC-Level I-Full Activation.

Orange County 3-1-1 received 201 calls and 62 chats on Friday, March 27, 2020.

## **ESF6 – MASS CARE**

ESF6 continues to monitor the situation, with nothing new to report.

## **ESF7 – RESOURCE SUPPORT**

ESF7 Resource Support representatives continue to monitor both the E-Team and WebEOC systems for resource requests. There are currently no unfulfilled requests to be sourced. ESF7 continues to receive communications from prospective vendors offering products or services and coordinate with the appropriate ESF for further validation.

## ESF8 – HEALTH / MEDICAL ACTION ITEMS

Orange County Department of Health (DOH) reports the East side clinic at 12050 Colonial Drive is maintaining steady participation and will remain open for testing seven days a week.

The State Emergency Operations Center ESF8 desk has relayed that Orlando Health's orders cannot be filled at this time. Health Services logistics has provided Orlando Health an interim order in the meantime.

ESF8 logistics warehouse is in operation seven days a week from 0900 to 1700 hours.

Advent Health and Orlando Health continue to prepare and evaluate the situation as it unfolds and report updates to DOH. Orlando Health reports an updated urgent need for N95 masks, specifically size small; orders have been placed to the appropriate counties. Advent Health is currently investigating the use of technologies, such as Aeroclave and UV light, to allow for the sanitation and reuse of N95 masks.

## ESF10 – HAZARDOUS MATERIALS

ESF10 reports representatives are actively monitoring the E-Team and WebEOC systems for resource requests. There are currently no resource requests pending.

The Environmental Protection Division (EPD) has cancelled or postponed all meetings and public outreach events. The EPD office is closed to the public with a majority of EPD staff transitioning to working remotely. EPD field inspectors continue to work in the field conducting inspections and investigating complaints. Two EPD staff have been requested to assist Community and Family Services answering phones at the Crisis Assistance Center beginning today at noon.

## ESF11 – FOOD & WATER

The Salvation Army has erected a tent on its grounds to ensure appropriate spacing between the homeless populations sheltered there. Homeless persons registering temperatures above 100.4 are being directed to a hotel that the City of Orlando is using as a quarantine location. Two individuals from this site have been transported to the hospital with fevers.

The Salvation Army is working with food vendors to secure donated food for Orange County Residents. Once confirmed, distribution will take place at The Salvation Army gymnasium located at 440 West Colonial Drive.

## ESF12 – ENERGY

Duke Energy is actively monitoring WebEOC and is able to perform requested procedures remotely.

## ESF13 – MILITARY SUPPORT

ESF13 reports the National Guard Task Force 265 has 194 soldiers and 113 civilians on site at the Convention Center. Operations at the Orange County Convention Center are ongoing.

To date, 74% of the people who have come to the Convention Center testing site have been swabbed. There have been 1353 people screened with 1000 being swabbed.

Ten National Guard soldiers are assisting Florida Department of Health personnel with passenger screening at the Orlando International Airport in accordance with Florida State Executive Order 2020-80. To date, there has been 75 flights with 832 people screened at the Orlando International Airport.

## ESF14 – PUBLIC INFORMATION

The Executive Policy Group Meeting was held at Fire Rescue Headquarters at 1300 hours, with the next meeting scheduled for Sunday, March 29, 2020.

Mayor Jerry Demings held a Press Briefing at Fire Rescue Headquarters at 1530 hours.

The Public Information Office (PIO) continues to develop content for Orange County's COVID-19 [informational page](#) as well as social media. PIO continues to update webpage resources with work/service updates from County departments and business tools, including [FAQs](#) and key takeaways from press

conferences and Executive Orders. As of yesterday evening, Public Information received 17 media requests related to the COVID-19 crisis.

The Medical Examiner's Office was interviewed by CNN via telephone regarding how COVID-19 is affecting Medical Examiner's offices throughout the country.

### ESF15 – VOLUNTEERS & DONATED GOODS

ESF15 is actively monitoring phone calls and emails. Donations, volunteers, and fee-based offers are being tracked, responses sent, and forwarded to appropriated entities.

### ESF16 – LAW ENFORCEMENT

Of the fifteen law enforcement agencies within Orange County, Orange County Sheriff's Office (OCSO) is acting as point of contact (POC) for submitting law enforcement requests. OCSO has assumed the responsibility to provide security and handle traffic flow at the Convention Center Testing Site. Additional resources will be requested if needed to help manage the process.

OCSO has changed its response guidelines concerning medical calls; deputies are advised to allow the fire department to assess the situation and determine the need for a law enforcement response. OCSO is monitoring the dynamic COVID-19 situation and will adjust staffing and scheduling as the situation requires.

### ESF18 – BUSINESS & INDUSTRY

The Orange County Economic Development Department has created a [webpage for business assistance](#) that is being actively updated as new information and programs come in through Federal, State, and Local resources.

Governor DeSantis has activated the Emergency Bridge Loan Program for Florida small businesses (2 to 100 employees) affected by COVID-19. To learn more or apply for a short-term, interest-free loan up to \$50,000, visit <https://floridadisasterloan.org>. The deadline to apply for this loan is May 8, 2020. Once an application is submitted, the processing time is twenty-one days. If approved, it will take an additional five days to receive the funds.

The U.S. Small Business Administration (SBA) activated the Economic Injury Disaster Loan (EIDL) for the State of Florida. This long-term loan is available for small businesses and private, non-profit organizations to help alleviate economic injury caused by COVID-19. The intent of this loan is to pay fixed debts, payroll, accounts payable, and other bills that can't be paid because of the disaster. To learn more and download an application, visit <https://disasterloan.sba.gov/ela>. The deadline to apply for this loan is December 18, 2020.

SBA Disaster Customer Service can be reached at (800) 659-2955 or (800) 877-8339 for special needs. SBA can also be reached by email at [disastercustomerservice@sba.com](mailto:disastercustomerservice@sba.com).

### PARTNERS – TOURISM SECTOR

Visit Orlando has established an assistance line to support visitors in need at 407-363-5872, or live chat with representatives through [www.VisitOrlando.com](http://www.VisitOrlando.com). Traveler FAQs and other resources can also be found at [VisitOrlando.com/healthsafety](http://VisitOrlando.com/healthsafety).

To support Orlando's restaurant community, Visit Orlando launched a special "Orlando To Go" campaign. More than 120 member restaurants' takeout and delivery options are listed on [VisitOrlando.com/togo](http://VisitOrlando.com/togo). To establish the site, Visit Orlando contacted its hundreds of member restaurants to determine which restaurants are currently open and serving take-out and delivery, but encourages Central Floridians to support all local restaurants.

Florida Department of Children and Families (DCF) has temporarily closed all storefronts and lobbies. The department is utilizing technology to ensure continuity of service for clients. DCF will waive work requirements for individuals participating in the Supplemental Nutrition Assistance Program (SNAP) and Temporary Assistance for Needy Families (TANF) program. The temporary relief of mandatory work requirements will

alleviate any undue burden with no disruptions to the receipt of cash and/or food assistance benefits. Details and further information about this program can be obtained at: <https://www.myflorida.com/accessflorida/>

Rollins College reports they are still housing thirty hardship students. These students are primarily international students unable to return home due to travel restrictions.

Orange County Utilities and Duke Energy have suspended disconnections of service until further notice.

Orlando Utilities Commission (OUC) has closed walk-in centers; customers may conduct business over the phone or via self-service channels. OUC has waived late fees and suspended disconnections until further notice.

Orange County Public Schools (OCPS) will remain closed through April 15, 2020. OCPS will begin distance learning on Monday, March 30, 2020. Effective today, OCPS district offices will not be open for walk-in visitors, a majority of staff will be working remotely. OCPS employee work hours will be adjusted to Monday through Friday from 0900 to 1400 hours.

OCPS Food and Nutrition Services “Grab and Go” student food [distribution sites](#) are operating Monday through Friday from 1000 to 1300 hours.

The Orange County Convention Center has launched a [webpage](#) with resources for residents and visitors.

MegaCon Orlando at the Orange County Convention Center has been rescheduled for June 4-7, 2020.

The Orange County Fire Marshal’s Office requires a permit for all events that have 50 or more attendees. Through the permitting process, the Fire Marshal’s Office has received no additional cancelations since March 27, 2020, for shows outside of the Orange County Convention Center:

## MUNICIPAL PARTNERS EMERGENCY OPERATIONS CENTERS

Local Partners with EOC activations:

- Apopka – Level II Partial Activation
- Maitland – Level II Partial Activation effective March 17, 2020
- Orange County Public Schools – Level II Partial Activation effective March 16, 2020
- Orlando – Level II Partial Activation (Virtual) effective March 18, 2020
- Orlando Utilities Commission – Level II Partial Activation (Virtual) effective March 16, 2020
- University of Central Florida – Level I Full Activation effective March 24, 2020
- Winter Park – Level II Partial Activation effective March 13, 2020

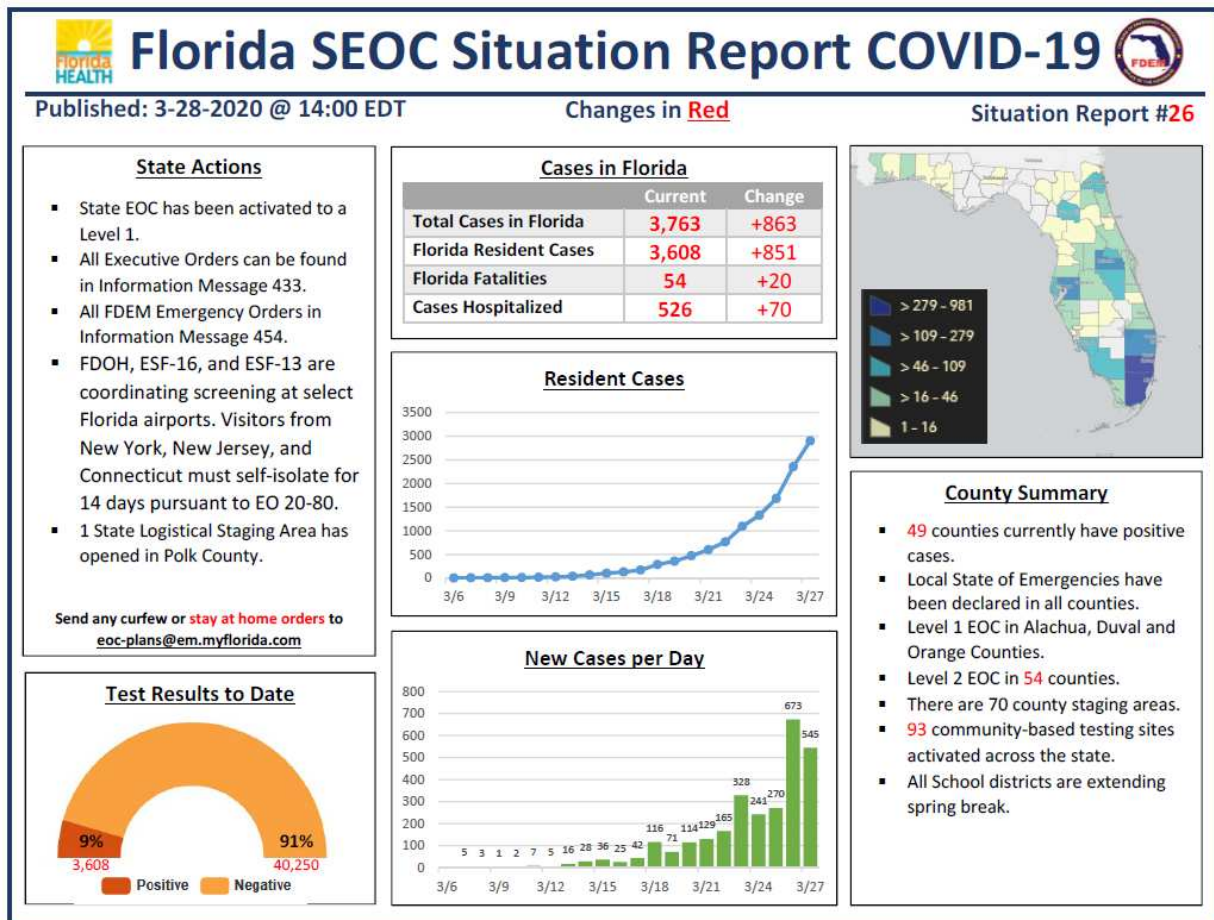

## SOCIAL MEDIA PLATFORMS

Orange County Office of Emergency Management provides this information for internal planning and distribution; it is not intended for release to the public or posting on social media. Stay connected with #myOCFL and @OCFireRescue. Visit [www.ocfl.net/Coronavirus](http://www.ocfl.net/Coronavirus) for updates and information.

**Subject:** SPEKTRUM Health (Orlando, FL) Ready to help SARS COV-2 efforts

**ATTENTION:** This email came from an external source. Do not open attachments or click on links from unknown senders or unexpected emails.

To whom it may concern,

I am the CEO of SPEKTRUM Health, a non-profit community health center near Downtown Orlando. Just reaching out to see if we can be of help during these times of increased stress. We have a full service medical clinic with drive up capabilities, trained staff and technology for telehealth (which we use daily). We work with a few third party payors and also have assistance programs for those in need.

If we can help the City, County or State in anyway please let us know. We could very easily be a testing site here in Orlando and the infrastructure required (as well as a plan) is already in place. Our clinic has two entrances and a outdoor parking area that could easily be used for drive up testing etc.

We do NOT have any rapid tests; but we are able to perform PCR testing with a 4-6 day turn around time for appropriate patients. We are poised and ready to serve the community and help out during these difficult times! Additionally, if any Personal Protective Equipment becomes available, we would like to be considered as we are currently running very low (as are most).

Please feel free to contact my office manager (Lana Dunn) or myself with any questions or needs!

Regards,  
Joey

Overflow | CPA Private | Sanitary : 03-11-2020, 223 North Orange Blossom Trail, First Class Cleaners . Rafael Varela, Manager of First Class Cleaners, called CPA staff at 6:47 AM notifying of blockage and backup in the building. CPA staff arrived on scene 07:27 AM, confirmed overflow into parking lot. Observed facility employee pushing soapy water out of facility into parking lot with squeegee. Told employee to stop and confirm that no more water was coming out of facility. Confirm overflow had stopped at 7:30 AM. Estimated 100 gallons released into environment. Observed 15 gallons impacting storm drain system. Deployed socks and built brums to impede flow of wastewater impacting the storm drain. Lapin was called on site to vector storm drain and parking lot then disinfect and sanitize impermeable surfaces. 300 gallons were recovered by Lapin. Blockage/bellied line the probable cause for SSO. No surface water bodies impacted.

**Subject:** Stopping COVID 19 in FI Schools

**ATTENTION: This email came from an external source. Do not open attachments or click on links from unknown senders or unexpected emails.**

To all the government officials the Florida Governor's office, Orange County Mayor, Orlando and the State Health Dept.,

It is out of an abundance of caution and great concern that I write to you today. As of March 1st, the state of Florida has announced 2 confirmed cases of COVID-19 in neighboring counties to Orange County. I am hoping someone can provide communication to parents who may want to voluntarily and temporarily opt out of in-person classes in favor of distance learning. The government should take Proactive steps to reduce the likelihood of spread. There is community spread in Florida meaning 2-3 weeks ago these people were infected and spreading the virus. Do you remember where you've been the last 3 weeks? All the places visited surfaces touched, people you interacted with? What door or elevator you rode and with whom!?

The Florida Health Dept, mayor, school superintendent and governor should communicate alternatives and clearly outline the state, county, district and school plans ahead of school closings to avoid exposure to COVID-19. To wait for a case in a school maybe at that point be too little too late to protect the lives of children with health issues, elderly, those undergoing chemo or others suffering from health conditions that make them vulnerable to severe illness or death. The government needs to take aggressive steps and provide options for people to elect self quarantine so as to reduce potenti exposure.

Please advise of what actions your offices are taking to advise YOUR constituents in FI counties and districts to reduce community spread. Waiting for exposure as noted in the recent Washington State school closures is unacceptable. Who will take responsibility for deaths or permanent consequences of the illness? Which of your offices will take responsibility for not taking proactive steps?

<https://www.google.com/amp/s/q13fox.com/2020/03/01/two-western-washington-high-schools-to-close-monday-over-coronavirus-concerns/amp/>

South Korea closed schools and took steps to reduce exposures by implementing changes to help people reduce exposure through elective voluntary quarantine. The same needs to be done here and have this virus treated as an emergency much in the way the government does after a hurricane to protect human life.

It is the government's responsibility to protect its constituents and not drag on in a reactive state.

Thank you

**Subject:** Sunday is National Vietnam War Veterans Day

**ATTENTION:** This email came from an external source. Do not open attachments or click on links from unknown senders or unexpected emails.

In 2017, President Trump signed into law & gave us the "National Vietnam War Veterans Day."

As a Vietnam Veteran (69/70), I am forever grateful President Trump honored us with this day!

It is this Sunday, March 29th!

**Subject:** The Center's COVID-19 Response

**ATTENTION:** This email came from an external source. Do not open attachments or click on links from unknown senders or unexpected emails.

## Restricted Hours Announcement

In response to the COVID-19 outbreak, The Center is taking precautionary measures to ensure the health and safety of our clients, volunteers, and staff. Both The Center Orlando and The Center Kissimmee will remain open for limited services starting today through April 5. Additional updates may be made as the national and local responses to the pandemic change.

### The Center Orlando Operating Hours

Mon-Fri 9a to 5p

HIV/Hep C/STI Testing: 9a - 3p

Closed on Saturday & Sunday

*ALL* community groups and meetings are canceled.

*ALL* outreach and community events are canceled.

*ALL* fundraisers have been postponed.

A maximum of 10 people are allowed in the lobby and waiting areas; all other parts of the building will remain closed.

### The Center Kissimmee Operating Hours

Mon & Tues 10a - 6p | Wed 10a-9p

HIV & Hep C Testing: 12p - 5p Mon & Tues | 12p - 8p Wed

STI Testing: Mon 12p-5p | Wed 12p - 8p

Closed Thursday - Sunday

*ALL* community groups and meetings are canceled.

*ALL* outreach and community events are canceled.

*ALL* fundraisers have been postponed.

A maximum of 10 people are allowed in the lobby and waiting areas; all other parts of the building will remain closed.

If you are feeling sick, we ask that you stay home.

### How Can I Learn More?

- Email The Center at [info@TheCenterOrlando.org](mailto:info@TheCenterOrlando.org). Your message will be forwarded to the most appropriate person.
- Send a Direct Message on Facebook or Instagram which is being checked regularly.
- Stay tuned to our social media pages and our newsletter for updates.
- 

### **If you have any of the following:**

- Fever
- Cough
- Difficulty breathing
- Or, have traveled in the last 14 days call the Florida Department of Health's [#COVID19](https://www.flhealth.gov) Call Center at 1-866-779-6121 or [COVID-19@flhealth.gov](mailto:COVID-19@flhealth.gov)

Recognizing that it is important to listen to the guidance from public health officials, we are continuing to check for updates from the Center for Disease Control, Florida Department of Health, and local city and county officials.

Please know that our community's best interest is at the heart of every decision we are forced to make. Let's do what we can to care for our bodies, our spirits, and our community. Call or Facetime your friends, be gentle with yourself and your neighbors. *If you're in need of connection, reach out* We will get through this together, even if we might not be able to be physically in the same room.

Sincerely,

Dr. George A. Wallace  
Executive Director

## └ How to celebrate 305 Day

**Hey hey and Happy 305 Day!** This March 5 will include a few special events, like a 305 Day edition of [Namaste Miami yoga on Lincoln Road](#) and a [party at La Cocina](#) that will serve as a preview for this weekend's big [305 Day Block Party in Hialeah](#)

Some local breweries like [MIA Beer Company](#) and [Lincoln's Beard](#) will also be serving up \$3.05 beers.

And in honor of 305 Day, we gathered some of your thoughts on what you love about Miami. But before that, let's get to some news...

Taking in that 305 sunset. // Tag @thenewtropic or use #livelikeyoulivehere to see your pic here!

([📷: @atribecalledme](#))

## What Miami is talking about

The latest count on coronavirus cases in Florida is kind of... complicated. A [third resident tested positive for COVID-19, but she's currently in Washington](#) state and state leaders didn't give more information on where she lives in Florida. The [state health](#)

[department's website](#) currently lists two confirmed cases, one unconfirmed positive case, and five cases defined as “Florida cases repatriated and isolated out of state until healthy.”

Meanwhile, this month's [Ultra Music Festival is set to be postponed](#) — possibly for a full year — after Miami Mayor Francis Suarez and Commissioner Joe Carollo raised concerns about the virus spreading among the international crowd of attendees.

The virus is also proving to be a major test for the state's not-officially-appointed surgeon general, [who doesn't have a background in public health](#). And speaking of state leaders, Miami-Dade Commissioner Daniella Levine Cava wrote to Gov. Ron DeSantis [asking for the state to waive costs for coronavirus testing](#). His office hasn't responded.

### ***In other news...***

**OK, one more thing on coronavirus.** If all of this COVID-19 news has you stressed, confused or both — the state health department launched an official hotline to take your questions. The number is 866-779-6121, and it's available on weekdays from 8 a.m. to 8 p.m. You can also email [COVID-19@flhealth.gov](mailto:COVID-19@flhealth.gov). ([Miami Herald](#))

**No new jail for now.** In a victory for community activists, the Miami-Dade County Commission is pushing back any decisions on a plan to build a new \$393 million jail facility in West Miami-Dade. Commissioners won't discuss the proposal again until June, at the earliest. ([Miami New Times](#))

**But something new is coming soon.** Downtown Miami's latest attraction, a giant observation wheel, is set to open by the end of the month. The project's manager said there are a few delays, including getting power to the wheel, but folks should be able to give it a whirl (heh) in a few weeks. ([Miami Today](#))

How we’re feeling on 305 Day.

[\(☐: Giphy\)](#)

## You said it

March 5 a.k.a. 3/05 a.k.a. 305 Day is here, and we felt like it was a great opportunity to hear what you all love about our city.

We collected your responses and also got some feedback from [our friends on Facebook](#). Here are some of our favorites:

“What do you love most about Miami? I love how Miami has a heartbeat like a reggaeton dembow beat. It’s fast, irregular, and crazy but it knows how to get people moving and vibin’ like palpitations from a cafecito. What other city moves its people with that kind energy?” — **Lauren Ramos**

“I love that the ladies that work at Cuban restaurants call me mijita. It makes me feel like family.” — **Cuci Amador**

“I love Miami like you love your family. With your family, you can fight and yell but still make up and be there for each other. There is a depth and strength to that kind of love that only comes from truly knowing someone.” — **Van N.**

“La comida. You can have anything anywhere at anytime. I’ve spent time In Raleigh and NY and they don’t come close. — **Miriél Robles**

“The beach, the tropical gardens, the redlands, the warm winter days, the Brickell skyline, the restaurants, shall I go on?” — **Maggie Enriquez-Amaya**

“Empanadas, arepas, croquetas y cafecitos. In every corner. And wearing t-shirts in winter.” —**Andrea Martin**

“The greenery! And the different cultures and food.” — **Angella Francésca Aliaga**

“Lush green nature, palm trees and the smell of the ocean.” — **Arne Könnecker**

“After a day of struggling with horrible traffic, rude people, and a whole town that runs efficiently as square wheels, I can look west over a cluster of trees and see this royal purple sky splashed with brilliant oranges and reds and sun dropping over the horizon. For that brief moment, the noise and mess that is Miami fades away and I remember why I stay here.” — **Andrew Cortez**

Thanks for sharing, folks! And if you need a *super* Miami playlist to get you through your 305 Day, we’ve got you covered [here](#).

Winners of Inspire305’s 2019 Grand Innovator \$25,000 grant: Strong Girls, Inc.  
Who will win in 2020?  
([□](#): [Inspire305](#))

## How to: Apply for up to \$25,000 in grant money

The best way to celebrate 305 Day: Have your favorite non-profit apply for [Inspire305’s grant opportunity](#).

Inspire305, powered by United Way of Miami-Dade, is awarding \$35,000 in grants to two local nonprofits: \$25,000 to the “Grand Innovator” and \$10,000 to the “Trailblazer.”

Back for a third year, they are looking for innovative nonprofits addressing some of our community’s most challenging social problems in education, financial stability, or health. Last year’s winners were Strong Girls, Inc. and ICU Baby.

The deadline to apply is April 16. After finalists are selected by a vetting committee, grant winners will be determined by a

community online vote.

How can you help? Forward this email to your favorite nonprofit and [encourage them to apply](#) today.

How can you help even more? Take the pledge at [VolunteerMiami](#) for a day of service in our community and sign up to donate five hours of your time or more. Dozens of local orgs looking for people just like you.

## └ How to celebrate 305 Day

**Hey hey and Happy 305 Day!** This March 5 will include a few special events, like a 305 Day edition of [Namaste Miami yoga on Lincoln Road](#) and a [party at La Cocina](#) that will serve as a preview for this weekend's big [305 Day Block Party in Hialeah](#)

Some local breweries like [MIA Beer Company](#) and [Lincoln's Beard](#) will also be serving up \$3.05 beers.

And in honor of 305 Day, we gathered some of your thoughts on what you love about Miami. But before that, let's get to some news...

Taking in that 305 sunset. // Tag @thenewtropic or use #livelikeyoulivehere to see your pic here!

([📷: @atribecalledme](#))

## What Miami is talking about

The latest count on coronavirus cases in Florida is kind of... complicated. A [third resident tested positive for COVID-19, but she's currently in Washington](#) state and state leaders didn't give more information on where she lives in Florida. The [state health](#)

[department's website](#) currently lists two confirmed cases, one unconfirmed positive case, and five cases defined as “Florida cases repatriated and isolated out of state until healthy.”

Meanwhile, this month's [Ultra Music Festival is set to be postponed](#) — possibly for a full year — after Miami Mayor Francis Suarez and Commissioner Joe Carollo raised concerns about the virus spreading among the international crowd of attendees.

The virus is also proving to be a major test for the state's not-officially-appointed surgeon general, [who doesn't have a background in public health](#). And speaking of state leaders, Miami-Dade Commissioner Daniella Levine Cava wrote to Gov. Ron DeSantis [asking for the state to waive costs for coronavirus testing](#). His office hasn't responded.

### ***In other news...***

**OK, one more thing on coronavirus.** If all of this COVID-19 news has you stressed, confused or both — the state health department launched an official hotline to take your questions. The number is 866-779-6121, and it's available on weekdays from 8 a.m. to 8 p.m. You can also email [COVID-19@flhealth.gov](mailto:COVID-19@flhealth.gov). ([Miami Herald](#))

**No new jail for now.** In a victory for community activists, the Miami-Dade County Commission is pushing back any decisions on a plan to build a new \$393 million jail facility in West Miami-Dade. Commissioners won't discuss the proposal again until June, at the earliest. ([Miami New Times](#))
