Re: Records Request from MuckRock News;
Dated 6/27/20, But Received By Me on 6/29/20 (Monday)
Date: August 4, 2020

I am writing with regard to your request referenced above. I received a second request on 7/28/20 from your entity re-stating your request.

I made reply to your request by letter mailed by regular US mail on 7/10/20, a copy of the letter and envelope being attached hereto.

In addition, I telephoned the number within your request and requested a return call from your entity both on 7/29/20 and on 7/31/20. I have not received a return telephone call from your entity, to the date of this mailing, 8/4/20.

Should you request clarification of my response to your requests, you may reach me by calling me at (937) 393-1421. Should you reach my voicemail, please feel free to leave a message, and I will promptly return your call. If you could leave a direct telephone number to where I may reach a person (your request letter indicates, "leave a message at 617-299-1832") that may eliminate "phone tag" and expedite our communication.

Sincerely,

Sheriff Donald E. Barrera
