The requested records will be made available to the general public and this request is not being made for commercial purposes. I am an independent researcher and journalist. My previous work on the USS Liberty led to the adoption of a resolution, which I authored, at the American Legion's 2017 national convention. That resolution is published on pages 124-5 of US House of Representatives Document 115-91 and my work was featured in the August 30, 2017, print and online edition of Seattle Weekly.

In the event that there are fees, I would be grateful if you would inform me of the total charges in advance of fulfilling my request. I would prefer the request filled electronically, by e-mail attachment if available or CD-ROM if not.

Thank you in advance for your anticipated cooperation in this matter.

I look forward to receiving your response to this request within 20 business days, as the statute requires.

Sincerely,

Michelle Kinnucan
