Government Officials (including but not limited to emails sent from the specified addresses)

- a. Lieutenant Governor Dan Patrick (dan.patrick@ltgov.texas.gov)
- b. Chief of Staff Darrell Davila (darrell.davila@ltgov.texas.gov)

American Oversight has limited its request to sent messages to reduce the volume of potentially responsive records. American Oversight still requests complete email chains. So, for example, if a government official sent a response to an incoming message containing one of the key terms above, the email chain containing the initially received message and the response is responsive to this request.

After reviewing our records, we have determined that the Office of the Lieutenant Governor has no information responsive to your request. If you have any questions or need additional information, then please call me at 512-463-0295.

Sincerely,

Alix Morris
Deputy General Counsel
