Re: *United States v. Michael T. Flynn*, 17-cr-00232 (EGS)

Dear Counsel:

As we have previously disclosed, beginning in January 2020, the United States Attorney for the Eastern District of Missouri has been conducting a review of the Michael T. Flynn investigation. On September 23, 2020, the government disclosed handwritten notes of former Deputy Assistant Director Peter Strzok (23501 & 23503) that were obtained and analyzed by USAO EDMO during the course of its review. During the review, agents for EDMO placed a single yellow sticky note on each page of the notes with estimated dates (the notes themselves are undated). Those two sticky notes were inadvertently not removed when the notes were scanned.

I am providing replacement versions of these documents, and ask that you destroy the prior versions provided to you. We have determined, and confirmed with counsel for Peter Strzok, that the content of the notes was not otherwise altered.

Re: *United States v. Michael T. Flynn*, 17-cr-00232 (EGS)

Dear Counsel:

As we have previously disclosed, beginning in January 2020, the United States Attorney for the Eastern District of Missouri has been conducting a review of the Michael T. Flynn investigation. On September 23, 2020, the government disclosed handwritten notes of former Deputy Director Andrew McCabe (23502) that were obtained and analyzed by USAO EDMO during the course of its review. At some point during the course of the review of this page of notes, government agents placed a clear sticky notes (with a colored tab) on this page of notes. On the clear portion of this tab was written the date of 5/10/2017. This sticky note was inadvertently not removed when the notes were scanned.

I am providing a replacement version of this document, and ask that you destroy the prior version provided to you. The content of the notes was not otherwise altered.
