Good morning,

As our August 15, 2017 acknowledgement of the receipt of your FOIA requests stated, OFAC generally processes its FOIA requests on a “first in, first out” basis; however, please be aware that upon acknowledgement of a new request, we review its scope assign it to one of two processing tracks: simple or complex. Based on the scope of your request OFAC determined that it was complex.

Please be advised that as of today, Tuesday, October 1, 2019, we are still awaiting responses to our taskings for responsive records. We will follow up on the outstanding taskings today.

When we receive responsive records, we will process them out to you.

Your status inquiry will be brought to the attention of OFAC’s FOIA Director as soon as he arrives in the office.

Regards,

The OFAC FOIA Office
