EXTERNAL SENDER

Dear Christine H. Monahan,

This FOIA should be directed to the Office of the Secretary of Defense. Our organization does not have the requested records. I have been working with OSD on a point of contact, and should hopefully receive that soon. I hope that will help with your search and will send as soon as I receive the contact.

Please contact me at the number and email below with any questions.

Steve Lusher  
Public Affairs Officer - Communication Affairs Network  
Joint Program Executive Office for Chemical, Biological, Radiological and Nuclear Defense
