Subject: STATUS UPDATE REQUESTED FOR PENDING FOIAS; NO ACKNOWLEDGEMENT RECEIVED FOR 2/3 REQUESTS

Hi there,

I wanted a status update on the following requests with DHS OIG. To date, I only have one log number and one official agency confirmation on file for one of three requests. Two of these requests have **exceeded** the 20-business-day timeline allotted under FOIA.

For your convenience, I have attached the two requests that DHS OIG has yet to acknowledge.

Please confirm receipt of all requests and provide estimated dates of completion, which are required under FOIA:

- Filed 6/29/20: seeking underlying records for OIG 19-14 report. no log number, no agency receipt, no estimated date of completion provided
- Filed 6/29/20 (2020-IGFO-00154): seeking OIG reports at dedicated ICE ERO facilities. no estimated date of completion provided
- Filed 7/20/20: piggyback request seeking all previously released OIG reports. no log number, no agency receipt, no estimated date of completion provided

Please advise.
