

ROMANIA OIL & GAS REVERSE TRADE MISSION

MARCH 16 – 27, 2013

ROMANIA OIL & GAS REVERSE TRADE MISSION MARCH 2013

Export and Investment Opportunities for U.S. Companies

The United States Trade and Development Agency (USTDA) is sponsoring a reverse trade mission (RTM) to the United States for a delegation of senior officials from Romanian government and private sector organizations in the oil and gas sector that are responsible for developing the country's fossil fuel energy resources. The implementation of anticipated projects will require major investments in oil and gas sector infrastructure and will provide opportunities for U.S. companies to export their equipment and services. Expected areas of interest are:

- Offshore Exploration;
- Mature Well Development;
- Unconventional Gas Production; and
- Oil & Gas Legacy Environmental Improvements.
