Freedom of Information Act Request # 13-375

Re: Drone Documents (AAPD)

This letter is in response to your Freedom of Information Act Request dated 10-16-13.

Your request has been researched and is denied at this time for the following check-marked reason:

- The record you have requested does not exist within the records of this agency under the name or description given to us.*
- The incident report is open and under investigation. Release of this report would interfere with law enforcement proceedings, and it is therefore exempt from release, pursuant to the Freedom of Information Act MCL 15.243(1)(b)(i)*
- The information you provided is too broad and not sufficient to allow the City to reasonably search or locate any documents that are responsive to your request. Please submit a new request in greater detail.*

Additional Comments: _____

Since you are receiving written notice that your request has been denied, under Section 10 of the Act, you may, at your option, either: 1) submit to the City Administrator a written appeal that specifically states the word "appeal" and identifies the reason(s) for reversal of the disclosure denial, or 2) file a lawsuit in the circuit court to compel the City's disclosure of the record within 180 days of the City's final determination to deny your request. MCL 15.240

If you have any questions regarding your request, please contact Ann Arbor Police Records at (734) 794-6954.

Sincerely,

Amy Cervantes
