Good Afternoon. I'm writing regarding FOIA request #252047. The response to my FOIA request is very past due, and the person I was contacting with has not responded in over a week. To sum up:

- I received no information until I called after the statutory deadline passed
- I then received a quote for how much the FOIA request would cost, as well as information that some information I specifically requested will not be included
- I asked for clarification on whether or not this constitutes a partial denial. It's my understanding that you are required to provide the statutory FOIA exemption you are invoking if you are withholding some of the information
- Since asking for clarification I have not received any more communications

Since this FOIA is very much past due, I request your urgent attention to the matter. Please do not hesitate to contact me at [202-247-1520](tel:202-247-1520) ext. 247 if you require more information.

Sincerely,

Kaitlin Devine
